To Farwell Council - -

ENMR Manager Tells Of Service Progress

by Mary Sobin
News Editor

ENMR general manager Robert Harris met with the Farwell City Council Monday night and satisfied the city fathers that the local telephone cooperative is doing everything within its power to provide the best service possible to Farwell, and that once the new cable has been installed, service will be 100 percent efficient.

"People have come to depend on telephones," said the ENMR manager. "We realize what our responsibility is in the community. But sometimes the wheels turn awfully slow."

Harris also told the council, "As with anything new, there are a lot of loose parts that have to go together to combine to work properly and be problem free. We have spent \$800,000 here but are still lacking another \$200,000 down the alleys to replace cable that was put in in years past. We've exhausted suppliers, borrowed from the Bell System. And then we were hit with a lot of lightning and rain prior to the time we could complete construction (on the new cable), and this is causing us some problems."

The city fathers were told by Harris that he agrees that ENMR has been plagued with many problems, but he said, "No matter who was over here, the same thing would have happened. I know the farmers are real happy about this rain, but we sure didn't need it!"

He continued by saying, "The Bell System (previous telephone service owners in Farwell) may have had more people to pull in to do repair work, but right now what we've got is a bad situation in a state of improvement."

Harris said, "I don't have any apologies to make, I feel we have responded. When equipment is worn to a frazzle, if you don't have the luck in your favor...the elements of nature were not in our favor."

The main objective of the ENMR general manager was to convince the Farwell city fathers that he is up on top of all problems in the Farwell area, and he did.

"There have been problems," he said. "We are aware of the problems, we are responding to the problems."

Councilman Fred Chandler asked Harris, "I'd like to know how many qualified repairmen you have over here?"

"I can supply resumes to you, Farwell has one relatively new employee. Also, Buddy Mullinax, an installation repairman," who Harris pointed out had been with ENMR for two and a half years combined service, with four months in the Farwell area.

"He's your only qualified man here?" Chandler asked. "No," replied Harris, "There is Paul Drake who has six years' experience and works this area when needed."

Later Harris told the council that ENMR employs 62 employees, "And we can call on any one of them. Some are young and a bit green, but we feel in the long run we'll come out ahead because they are all local people."

The council queried Harris on some of the problems brought to their attention by members of the Farwell community. "Why is there a change on long distance calls from Farwell to Texico?" asked Chandler, adding that "I've has more complaints on

that than any part of the system."

Harris explained that that is another kink in the system they are trying to eliminate, and told the commission that "Once an additional bore is installed, your border town calling will improve tremendously."

Harris also said that callers should not be billed for long distance calls to and from Texico to Farwell. "There was some problem with a couple numbers here, but we're working it out," he said.

"Well, I'd appreciate it if you would get it straightened out," said councilman Chandler. "I've had more complaints on that than anything else."

Other complaints received by the council were from local businesses and some residents,

stating that long distance calls from out of the area get cut off, and when the party tries to return the call back to Farwell, they receive a recording that "all circuits are busy."

Harris explained, "We're running traffic studies on that right now to determine just how many calls are coming in."

"Most of our problem is that we realize you are working on this, but most of the people in town don't," said Chandler. "That's why we wanted you here tonight. We wanted an update on what you are doing. The people in town need to know what you're doing. I think they would be more tolerant if they can understand that you are doing the best you can, that you have inherited

these problems, and that you are trying."

"It's in the process," answered Harris, "We have combined, extended allergies, some of them ours, some of them acquired. But we are working them out."

Chandler pointed out that he knew ENMR had been working on the problems and said that there had been times he had seen three or four ENMR trucks in town working on the lines, etc. "We have used every resource we could come up with, including using Bell employees at time and a half wages," Harris said. "We are just not through with the system, we just got caught with it."

Mayor Walter Kaltwasser remarked, "People are reasonable. (Continued on Page 2)

Many Thefts Reported To Sheriff's Department

A number of thefts top the Parmer County sheriff's report this week. Joe Boeckman of Friona reported that a 22 rifle had been stolen from his pick-up sometime between August 8th and 10th.

Boeckman says his pick-up was parked on his property, one and half miles north of Friona and values the rifle at \$175.

Maxine Jones of Farwell reported that a 10-speed bicycle was stolen from her home on Avenue E in Farwell on August 10.

On August 12, Nicky Liethen of Farwell reported that 60 cassette tapes and a tape caddy was stolen from his pick-up when parked on 4th Street in Farwell. Liethen says the tapes and caddy are valued at \$400.

Tennie Doshier of Farwell reported that a tire and wheel was stolen from her 9th Street home in Farwell sometime during the past week.

Myron Pool of Bovina reported to sheriff's officials that a two-way radio was stolen from his tractor which was located on his farm near Lariat. Pool places a value on the radio at \$1200 and esti-

mates that it was stolen the night of August 15.

In other action this week, Jose Vallejo of Mexico was returned to Parmer County this week from Los Angeles, on a parole violation. The 27-year

old is currently in custody in the Parmer County jail.

Barnaby Delacruz, 41, of Friona, was arrested this week on an assault charge and was released on \$5,000 bond pending a court hearing.

Public Response Nil At School Board Meet

Members of the Farwell School Board met for a called public hearing Friday night for the purpose of discussing a tax increase for the Farwell School District.

No one from the public attended the meeting, and it was decided that the board would meet again, Monday, Aug. 24, to set the tax rate at \$1.20 per \$100 valuation. All school board trustees voted for the tax hike, and the motion carried unanimously.

In other action taken at the

meeting, Linda Sorgen was hired at \$875 above state schedule as a second grade teacher for the 1981-82 school year. The newly-hired faculty member is from Clovis, and was hired on principal David Gobble's recommendation.

The board also voted to approve the supplemental report of the school Textbook Selection Committee.

The air conditioning and heating system in the high school is to be repaired.

Is It Soup Yet?

Farwell cafeteria workers have been busy this week fixing up their kitchen for next week's beginning of school. Workers, from left, Linda Moss, Lillie Hughes, Patsy Lonsdale and Robbie Johnson, have a big job ahead of them as they will be responsible for

seeing that all Farwell students receive a properly balanced diet for lunch. School begins Monday for Farwell students and lunches will be served on that day in the school cafeteria. Not only do these women work all day pre-

paring lunches for students, but their efficient cafeteria and food management talents are called for many times during the year for Booster Club, Chamber of Commerce and other civic organization functions.

School Begins Monday For Farwell Students

Farwell students managed to sneak in a whole extra week of summer over their Texico neighbors, but their vacation days will come to end next week as the doors to the home of the Steers will open for classes at 8:25 a.m. CDT.

Classes will continue until 3:40 p.m. daily beginning the first day of school, and lunches will be served in the cafeteria.

Registration for high school and elementary students took place last week, but junior high students will register on Monday.

W.M. Roberts returns as school superintendent, and all three principals also return for another school year, including

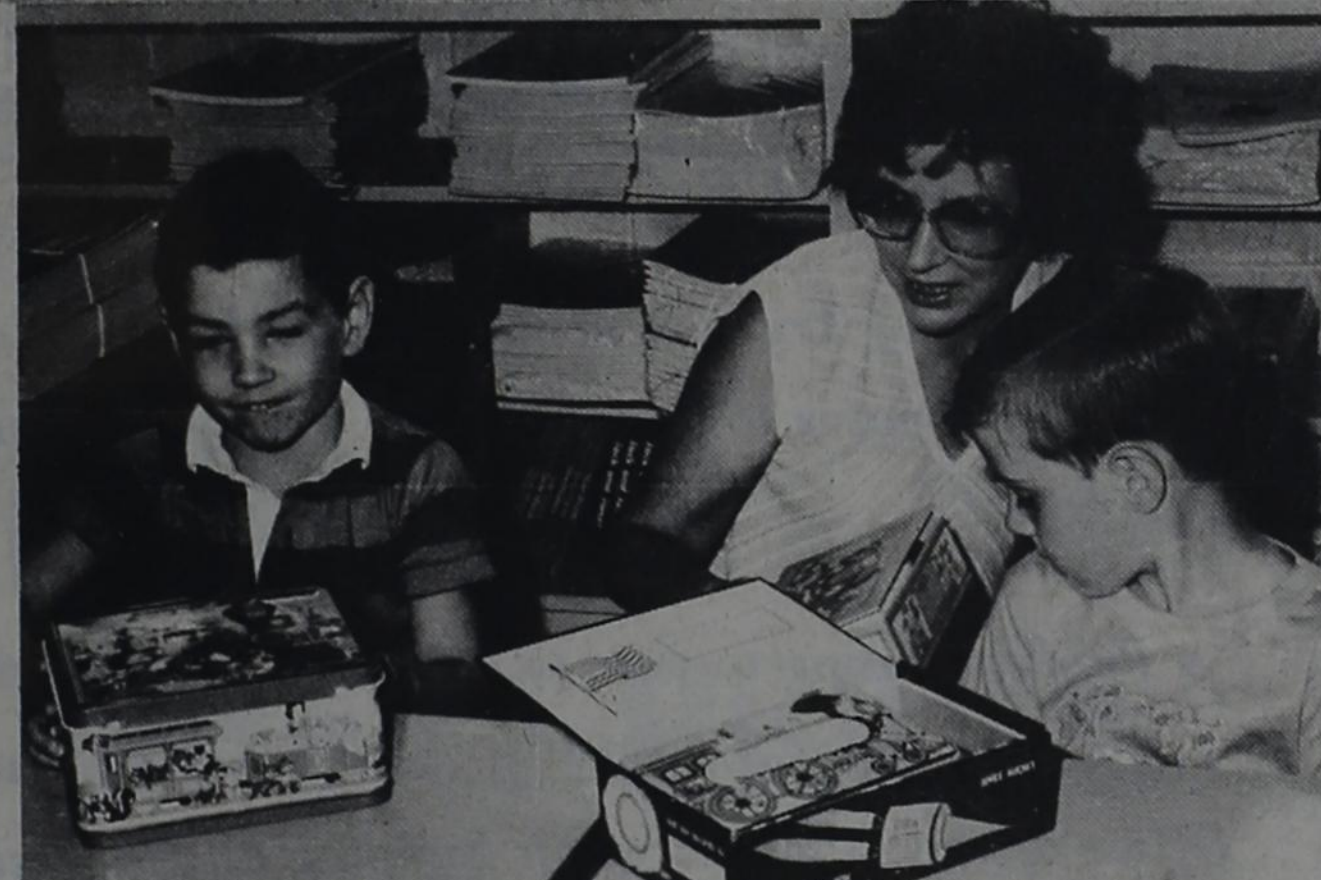

Don Malone, high school; Jerry Dee Owen, junior high; and David Gobble, elementary. James O. Craig serves as administrative assistant in the superintendent's office; Dorothy Eason is the school district's tax assessor-collector; and Georgia Lee Rundle is secretary.

Faculty and staff members at the high school include Cindy Littlejohn, secretary; Bruce Dollar, history and athletic director; Michael Prokop, history and coach; Lynn Burton, band director; Howard Carlyle, counselor; Edward Wees, mathematics; and Shirley East, science and art.

Aiso, Martha Wheeler, vocational homemaker; Lucille Franse, English; Randy Long, English and speech; Mike Martin, government and boys basketball; Richard Montgomery, vocational agriculture; Vester Joiner, wood shop and girls basketball; Dorris White, business subjects and Pat Graham, librarian.

At the junior high, faculty and staff members include JoLynda Robbs, mathematics; Kay Ray, English; Elizabeth Phillips, history; Joyce Lee Baker, science; and Betty Turner, 6th grade.

Elementary school staff and faculty members include Eva Ancira, secretary; Gretchen

First Day Excitement

With new clothes, slick fresh haircuts, and best of all, lots of new colorful school supplies, many Texico children entered the doors of Texico Elementary School for the first time ever to begin first grade on Monday. Carolyn Williams [center] helps get two young-

sters settled in, including her son Charles [left] and Bobby Winegart. School began Monday for all Texico students, and there was quite an air of excitement in the hallways as the older students could be heard talking of teachers, classwork and, of course, what

they had done over the summer. But for these two kiddoes, things were a bit quieter, as they weren't exactly sure what to expect from their day, and perhaps the 12 years ahead of them. Farwell students begin classes Monday.

Brand Owners Reminded Of County Wide Registration

On August 30, 1971 a law was passed by the Texas legislature stating that all marks and brands registered after that date must be re-registered at subsequent ten-year intervals by the brand owner with the county clerk's office.

All marks and brands are to be recorded with the county clerk, the law states, regardless of when they were originally recorded, within six months of August 30, 1981, August 30, 1991, August 30, 2001, etc.

Parmer County Clerk Bonnie Warren states that her office will begin the registration and re-registration of brands and marks on September 1, and she stresses the fact that brand owners may retain their brand and mark for six months before it expires. "We cannot register it to anyone else during that six month period," she said.

Mrs. Warren said there is a

\$5 fee for registering or re-registering and to do so, the brand owner must come into her office located in the Parmer County Courthouse in Farwell. She said they will accept brand registering by mail, and those registering in this manner should enclose the \$5 fee.

According to Texas Attorney General Mark White, if every-

one follows the registration schedule set out by the law, county clerks will have a correct, revised set of records every ten years, and there should be no dispute about the correct ownership of livestock.

For further information, phone Mrs. Warren at the county clerk's office at 481-3691.

Lions Broom Sale Sept. 4-5

Texico-Farwell Lions will have their annual Broom Sale on Friday and Saturday, Sept. 4-5, announces Dutch Quickel, chairman of the sale this year. The truck of sale goods will be parked at the Farwell Post Office.

The supplies, including all types of household cleaning goods and equipment, will be available starting sometime

Friday afternoon, Sept. 4, Quickel says, and the sales will continue from 8 a.m. to about 3 p.m. on Saturday.

Area residents are reminded to make a list of all the brooms, mops, dusters and other cleaning paraphernalia needed so that they can make their purchases during the Lions sale.

More Area Moisture Received

The rains continued to fall early this week, bringing the total for the month of August in the Twin Cities to approximately eight inches, according to weather observer Walter Curd of Texico.

Curd said he recorded 2.20 inches since last Sunday in Texico, and Fred Chandler of Sherley-Anderson-Pitman in Farwell recorded 1.20 in Farwell. Chandler says his records indicate that since July 1 the area has received approximately 12 inches of rain.

A spokesman at Sherley-Anderson in Lariat reports receiving .8 of the wet stuff this week, and almost 5 inches for the month.

The Cannon Air Force Base weather office says that the outlook for the weekend is "mostly sunny with afternoon clouds and afternoon and evening thunderstorms." Temperatures are predicted to be in the high to mid 80's and low to mid 60's.

BTD Queen At Bull Town

Border Town Days Queen Polly Turner of Farwell took part in last Saturday's Bull Town Days parade in Bovina representing the Twin Cities. Polly was driven in the parade by Judith Schilling, and Shar-

my Christian also went along for the ride. As BTD queen Polly will represent the Twin Cities throughout the year in various parades and at local banquets.

URLEY
ERSONAL

by John

Well, we could be teetering on the brink of too much rain. This observation comes from a pore soul that planted all cotton this year. This spate of rain proved the ancient observation that it rains on the just and the unjust alike.

Three or four weeks ago some of the just were complaining that the showers were missing them. This oversight has been rectified of late. All areas seem to have had their share of the blessings from heaven. Our reports of hail or any other disaster have been very limited. Even the wind has remained relatively calm during the downpours, so that damage has been minimal.

It's just great to be on the Golden Spread!

Last week was the 20th anniversary of the erection of that dismal monument to the failure of the communist system, the Berlin Wall. It is surprising how many people in high places still fail to see the significance of the wall.

Here are the communist countries having to erect a death trap to keep their citizens in and the United States is inundated with people trying to get in that need to be kept out. True, it is that this country was founded on people fleeing political and religious tyranny. That was in a world of barely a billion souls. Today we are in a world with going on 5 billion people and expanding it at an exponential rate.

Our immigration policies must be examined in the cold light of demographic reality and not mawkish sentimentality. The Reagan administration is only making a feeble attempt to solve this problem. It must soon be moved up to the forefront of national planning. When it comes to the front, then reality must be faced.

If our national population gets too unwieldy for our resources we face the prospect of a society of poverty such as prevails in India or the tightly regimented system of Red China. Truly unthinkable thoughts for our grandchildren's society.

Past actions oft come home to roost with unpleasant effects. Several years ago our trade with Red Russia was interrupted by the patriotic longshoremen who refused to load cargo bound for Russia. Our government failed to act decisively in the matter and the general populace gave tacit assent to this union policy.

Ha, now foreign air controllers are causing our air flights great inconvenience. Well, so the question must be asked: Is foreign policy and trade an instrument of relations between constituted governments or is it decided in union headquarters? Solemn international agreements cannot be based on whim or we are back to Kaiser Bill's "Scrap of Paper."

YOU WILL NEVER BE SORRY: For thinking before acting, for hearing before judging, for forgiving your enemies, for being candid and frank, for helping a fallen brother, for being honest in business, for thinking before speaking, for being loyal to your church, for standing by your principles, for stopping your ears to gossip, for bridling a slanderous tongue, for harboring only pure thoughts, for sympathizing with the afflicted, for being courteous and kind to all.

Agents On Parade

Parmer County Extension Agents Laura Jacobs and Seth Ralston represented the county in last Saturday's Bull Town Days parade in Bovina. The annual parade made its way

down Third Street in Bovina before disbanding at the city park for barbecue and other festivities. Laura and Seth were also representing the

Bovina 4-H Club, an organization which also had a spot in the parade, and who sold homemade ice cream at the park afterwards.

A Fair Lovers Dream, 3 Weeks Of Fair Fun!

For those who enjoy a good old fashioned county fair, the next three weekends should be just what the doctor ordered.

Roosevelt and Curry Counties in New Mexico, and Bailey County in Texas have filled the next three weeks with county fairs, and all will feature a little something for everyone.

Roosevelt County in Portales begins the fair circuit with its celebration taking place August 19-22 at the Roosevelt County Fairgrounds from 10 a.m. to 10 p.m. daily.

Although Tribune readers may have missed the opening day activities, they can still look forward to a market lamb show, a square dance and a roping contest Thursday, Aug. 20; a steer show, cake walk, country western band, and roping contest August 21; and full day of fun and activities on Saturday, Aug. 22.

BAILEY COUNTY FAIR
 In Muleshoe, the Bailey County Fair is slated for next weekend, August 27-29, at the Bailey County Civic Center.

The fair is sponsored by the Bailey County Fair Association and will feature, among other things, exhibits in agriculture, horticulture, home economics, textiles and arts and crafts.

CURRY COUNTY FAIR
 Many local 4-H and FFA members are preparing for the upcoming Curry County Fair to take place September 8-12 at the Curry County Fairgrounds, Clovis.

As in past years, several members of both the Texico and Farwell 4-H and FFA clubs will exhibit their animals and other club projects at the fair.

Not only will this year's fair feature the usual animal and craft exhibits, there are many other activities on the agenda, including a carnival, Appa-

loosa Halter Show, Paint Horse Show, Little Buckaroo Rodeo, watermelon contest and a garden tractor pull, to name only a few.

The fair begins at 1 p.m. September 8 and will continue until late in the evening September 12.

Wednesday, Sept. 9, has been set aside as 4-H - FFA day; Thursday is parents' day and Friday is school day.

Saturday, Sept. 12, is Pioneer Day. It is on this day that "the Curry County Fair board wishes to recognize the people who settled this area for their courage and steadfastness in the face of adversity. For bringing about the development of Clovis and Curry County, and for their forward looking optimism that brought us where we are today," says a fair board member.

NOTICE

Energas Company, a division of Pioneer Corporation, hereby gives notice of its intent to implement new rates for domestic and commercial type, small industrial and large air conditioning/electric generating customer classes in the 63 cities and towns on its West Texas City Plant System, effective September 4, 1981. It is anticipated that the new rates will result in a 16% increase in Energas' gross revenues on its West Texas City Plant System, which increase is a "major change" as defined in Section 43(b) of Article 1446c, V.A.T.C.S.

A Statement of Intent to change said rates was filed with each of the cities and towns (listed below) on or about July 31, 1981, and is available for inspection at the Company's Amarillo office, 301 S. Taylor Street.

CITIES AND TOWNS AFFECTED:

Graveside Services Held For Gary Hugh Williams

Graveside services for Gary Hugh Williams of Clovis were conducted Monday, Aug. 10, at Sunset Terrace Memorial Gardens in Farwell with Dr. Herbert E. Bergstrom officiating, under the direction of Steed-Todd Funeral home.

Mr. Williams died August 7, 1981. He was born September 23, 1944 in Lynwood, Los Angeles County, Calif., the son of Felix and Imogene Williams of Norwalk, Calif.

He lived in Norwalk most of his life until moving to this area in 1978. He attended Little Lake City Elementary, Santa Fe High School and Cerritos

GARY HUGH WILLIAMS

Junior College in Norwalk. Mr. Williams was a U.S. Air Force veteran serving four years as an Airman First Class. Three years of duty were spent in Germany.

He was employed as a driver for Great Western of Morton, Tex.

Survivors include his parents, Felix and Imogene Williams of Norwalk, Calif.; three sons, Dean, Gary E. and Sean of Germany; two sisters, Jean Scolaro of Anaheim, Calif., and Donna Kraft of Norwalk, Calif.; and brothers-in-law, Jim Scolaro and Ted Kraft; two nieces, Tina Scolaro and Diane Kraft; three nephews, Jim Scolaro, Jr., Kevin and Gregory Kraft; one aunt Gladys Hardage of Farwell; three uncles, Hofman Smith of LaCanada, Calif.; Duncan Williams, Lynwood, Calif.; and Hollis Williams, Canoga Park, Calif.; and his fiance, Melba Bailey and family of Clovis.

Pallbearers were R.B. Leigh, Jerry Bradford, Carl Harville, George Judah, Mark Rollins, and Charles Self.

Honorary pallbearers were Ted Kraft, Bill Willcutt, Jim Scolaro, Jim Scolaro, Jr., and Hofman G. Smith.

Farwell School...

Montgomery, 5th grade; Karolene Inman, 5th grade; Billie Carlyle, 4th grade; Verona Walling, 3rd grade; Vernelle Craig, 3rd grade; Nancy Burch, 2nd grade; Linda Sorgen, 2nd grade; Judy Howard, 1st grade; Lynn Roberts, 1st grade; and Marcia Cole, kindergarten.

School nurse is Sarah Owen. Working in plan "A" special education will be Diane Alfaro, LLD resource room; Jean Malone, LLD resource room; Cathy Arthur, speech therapist; and Kay Stanton and Sandra Turner, aides.

Title I staff includes Edith Martin, reading; Pat Owen,

reading. Frances Boling, math; and Wanda Gobble and Dianne Hernandez, aides.

Debbie Janzich is in charge of the migrant program, with Flo Davis as an aide.

Transportation drivers are R.T. Langston, director, bus number 4; Arthur Crabb, bus number 1; Douglas Landrum, bus number 2; Wanda Gobble, bus number 4; and Lynn Burton, bus number 5.

Other school employees include, Foster Watkins, maintenance; Jesse Cantu, high school custodian; Carl Schnibbe, junior high custodian; and Arthur Crabb, elementary school custodian.

ENMR Progress...

able, I think it's good you came here to tell us about it, I think the people will understand."

"We need Farwell," said Harris, "Farwell creates a stronger base in customers."

Harris also pointed out that ENMR covers 6,400 square miles, with 6,000 main stations, and 680 of the main stations are in Farwell.

Harris said that he felt that once the rain stops and the weather dries up that the cooperative's cable construction can be completed and operating within 90 days. "We've got a good contractor, and we've picked a superintendent," he said.

The ENMR manager also explained that the reason for calling the ENMR branch office in Clovis for repair problems is so that all calls can be logged in and set up by priority. "Once we log in a trouble call, it has to be cleared," he explained. "The reason for calling the office is so that the calls can be set up by priority. Medical patients receive first priority, schools, businesses, then residences."

He further explained that the Farwell station ran into some service problems when people were not calling in their repair problems, but rather "flagging down" the repairman. "It ended up that some people were waiting for days to get

service while the repairman would repair those who yelled the loudest. Calling into our office eliminates this and everyone gets fair treatment," Harris said.

City Clerk Janie Bowery asked about a Farwell representative on the ENMR Board of Directors. "Hoyt Patterson is the Pleasant Hill and Farwell representative," answered Harris.

Other council questions given to Harris dealt with "custom calling" features, such as zero plus dialing, conference calling, etc. "Those things are available to Farwell but we have not initiated a heavy marketing programming for custom calling features because we felt that we needed our priorities placed into primary calling service," Harris explained.

The council thanked Harris for airing his progress with the system and explaining what is going on, and Chandler said, "We've been real enlightened."

Harris closed by saying, "Anytime there is a problem, we have people scattered around sometimes pretty thin, but we will respond."

In other action taken at Monday night's city council session, members discussed trash problems reported by some Farwell residents, and employee John Johnson promised to deal with them.

Labor Day Weekend Nears, DPS Slates Trooper Alert

The Labor Day holiday, September 7, will be the last holiday of the summer. While the drivers of Texas are making their road plans, the Texas Department of Public Safety is preparing for "Operation Motorcade."

Major C.W. Bell, Regional Commander for the Texas Department of Public Safety in Lubbock, stated, "Operation Motorcade will be in effect from 6 p.m. Friday, Sept. 4 until 11:59 p.m. Sunday, Sept. 7th."

"During that time all available D.P.S. troopers will be on duty. These troopers have been instructed to be on the alert and direct the enforcement efforts toward those violators causing the most accidents - speeders and those who drive while drinking. Most Texans are proud of their state and

feel that Texas has the best of everything, so why not make it one of the safest states, if not the safest state, to drive in."

Major Bell also stated, "It is impossible for law enforcement officers to cover every

street and highway in the state, so our best hope for a safe holiday rests with individual motorists."

Remember: Safe and sensible driving results in a safe and enjoyable holiday.

NOTICE OF TAX INCREASE

The Board of Trustees of the Farwell Independent School District proposes to increase your property taxes by 13.3 percent.

A Public meeting to vote on the increase will be held August 24, 1981 at 8:00 P.M., in the Superintendent's Office of the Administration Building at 705 Sixth Street, Farwell, Texas.

The Board of Trustees has considered the proposal and voted in a public hearing on the tax increase as follows:

FOR THE PROPOSAL:

- Wilbert Kalbas, President, Board of Trustees*
- Joe Hughes, Vice-President, Board of Trustees*
- Caroline Anderson, Secretary, Board of Trustees*
- Edward Corn, Member, Board of Trustees*

AGAINST THE PROPOSAL:

NONE

ABSENT AND NOT VOTING:

- Bill Martin, Member, Board of Trustees*
- Billy Mayfield, Member, Board of Trustees*
- Richard Haseloff, Member, Board of Trustees*

Listen to Your Nose.

Wonderful instrument, your nose. It can tell you when supper's ready, or when you're near a desert rose. And it can even spot a potential problem like a natural gas leak.

That's because we add a unique aromatic chemical to natural gas that alerts your nose to a leak in or around your home.

So if you detect the faint odor of natural gas, first look around. It could be as simple as a pilot light out or a partially open burner valve.

But, if the odor is very strong, open a window, leave your house and leave the investigating to us.

We're available 24 hours a day to locate gas leaks and we'll be right out.

But don't use the telephone in your home and don't operate any electrical switches. Be sure to extinguish any open flame, and never, never stink a match.

Help us keep natural gas one of the safest energies available. If you smell gas, indoors or out, listen to your nose.

Then use your head... call the gas company and keep this number handy.

762-3371

Texico Principal Attends Seminar

James Harding, Texico high school principal, recently returned from a Vocational Guidance and Counseling Seminar conducted August 12-13 in Albuquerque.

Approximately 100 counselors and educators from throughout the state of New Mexico attended the seminar, designed to update the educators on the current trends in jobs, so that they may better counsel their high school students on career planning.

Harding said that they were told that the nature of 45 million jobs will change in the near future, becoming more technical and science oriented, and that most employers today hire those individuals with a vocational education rather than a high school diploma.

Keynote speakers at the seminar were Dr. Norman Gysbers of the University of Missouri and Dr. James E.

Bottoms, executive director of the American Vocational Association.

Harding said the seminar was an in-depth study into the future of the job market and individual job relationships, and said that the key job field of the future will be micro-electronics.

"We were given advice on how to help develop students vocationally toward a more competent skill oriented job," he said. "We want to develop a career center to better help the individual learn more about himself or herself and their job possibilities."

The seminar was sponsored by the New Mexico State University, Dona Ana Branch, the New Mexico Junior College in Albuquerque, and the Albuquerque Technical Vocational Institute (TVI) and was conducted on the TVI campus.

Enjoying New Swing

Farwell Convalescent Center residents Rosie Lanfer, left, and Gertrude Cahill take advantage of a break in the rain Tuesday afternoon to enjoy the Center's new porch

swing. The swing was purchased with profits made from the recent rummage sale conducted at the Center, and was installed on the front

porch. When it finally stopped raining Tuesday and the sun came out, these two ladies were the first to sit outside and soak up some sunshine.

At Farwell Arena - -

HPJRA Rodeo Finals Hosted By Jaycees

Farwell Jaycees will once again be hosting the High Plains Junior Rodeo Association Finals at the Farwell Arena, with two performances slated for next weekend.

The junior rodeo will begin Friday, Aug. 28, at 8 p.m. CDT, and the second performance will take place Saturday, Aug. 29, beginning at 2 p.m. Admission to each performance of the two-day event is \$2 for adults, \$1.50 for students, with children age six and under admitted free.

HPJRA board member Mike Camp of Farwell said that for the first time ever, the junior rodeo association will be giving away six "all-around" trophy saddles, to rodeo participants

who have won the most money during the year and the finals, in three events.

Camp said the saddles will be awarded to the best all-around boy and girl in ages 8-12, 13-15 and 16-19.

Buckles are to be given to each event winner in each age group. Also, participants age eight and under will receive a buckle in the "all-around" category.

Those young rodeoers qualified to enter this year's finals include "any member of the High Plains Junior Rodeo Association who wins \$1 in an event this year, making him or her entitled to enter that event

in the finals," said Camp.

Bill Halliday of Elida will be furnishing the stock for this year's event, and local Jaycee president Mike Haseloff will serve as arena director.

Robert Woodson will be in charge of the gate keepers and Bill Adams will be the announcer.

Sam Drager will be in charge of the concession stand. Those attending the junior rodeo will see boys ages 16-18 in bareback bronc riding, tie-down calf roping, bull riding and team roping.

Boys 13-15 will be competing in bareback bronc riding, tie-down calf roping, steer riding, breakaway touching and steer roping.

Girls ages 16-18 and 13-15 will compete in barrel racing, pole bending, goat tying, and flag racing.

Boys and girls ages eight and under will participate in barrel racing, goat tying and flag racing.

The Mayan Indians are said to have filled their dental cavities with jade.

Local Dealer Named To National Panel

Delbert Black with Loomix, Inc., in Farwell has been recognized as a member of the Farm Store Merchandising National Dealer Panel for one year, reports Farm Store Merchandising, a monthly business publication for farm supply retailers and wholesalers.

He is one of only 500 dealers throughout the United States who provide statistical data on their store's operation. The information is compiled and put into a report which reflects current farm store trends and practices. Panel members use this information to improve and upgrade their products and services.

Loomix, Inc. has been awarded a special, Certificate of Merit which denotes their contributions to the farm supply industry and the agricultural community.

FIRE CALLS

The ambulances were kept busy this week for both the Texico and Farwell volunteer fire departments.

In Farwell, the ambulance made its first run on August 14 to 602 6th Street at 12:10 a.m.

On August 15 at 7 p.m. the ambulance was dispatched to 106 San Andres.

In Texico, the ambulance was sent to 716 South College Street at 11:09 a.m. On August 14 the ambulance went to a car accident one mile west of Texico at 12:23 a.m.

On August 17 the ambulance was dispatched to 105 Lamar at 10:29 a.m. to transport a patient to the Friona Hospital.

"THERE'S ONE NEAR YOU"

Farwell Alumni Gather For BTD Reunion

The ex-students of Farwell High School classes of 1958 through 1962 gathered for a joint class reunion during the

recent Border Town Days celebration taking part in the many hours of visiting and going over old times.

The group enjoyed the traditional BTD parade and then continued to the Farwell City Park for the barbecue

meal and an afternoon of visiting and fellowship.

That night the alumni met in the Farwell cafeteria for more visiting and refreshments and a tour of the old high school building, which now serves as the junior high. They also toured the new high school and auditorium.

Those attending the reunion fun were Jim Walker, Jal, N.M.; Karan Boone Smith, Ripley, Okla.; Betty Dollar Miller, Lubbock; Kathy Martin Phillips, Denver, Colo.; Mr. and Mrs. Lloyd Cain, Albuquerque; Janice Hillock Snell, Muleshoe; Jerry Turner, Dalhart; Jim Clements, Amarillo; Tommy Barker, Friona; and Mike and Darlene Hromas McManigal, Mableville, Ark.

Also Fred Magness, Ventura, Calif.; Mr. and Mrs. Bruce Burton, Albuquerque; Mr. and Mrs. Billy Smith, Bovina; Mr. and Mrs. Jerald Gober, San Antonio; Mr. and Mrs. Jim Peoples, Lubbock; Sherry Gast Caudill, Denver; and Mr. and

Mrs. Derrell Garner, Amarillo. Also, Evelyn Lingnau Beal, New Orleans; Mr. and Mrs. Glyn Hardage, Heritage, Tenn.; Christine Paine Moore, Bovina; Mr. and Mrs. Gene Dew, Duncanville, Tex.; Mr. and Mrs. Bennie Stancell, Muleshoe; Mr. and Mrs. Delvin Langford, Austin; Tom and Karen Schell Lovelace, Portales; JoAnne Schell Mullins, Martendale, Iowa; and Donald Dale, Bovina.

Also, Mr. and Mrs. Errol Johnson, Muleshoe; Carolyn Watts Tate, Clovis; Katherine Billington Traxson, Ft. Worth; Mr. and Mrs. Benjy Dial, Round Rock, Tex.; Dorothy Roberts Stone, Dimmitt, Tex.; Jo Potts Carpenter, Ft. Davis, Tex.; and Mr. and Mrs. Bob Carthell, Clovis.

Also Mike Paine, Espanola, N.M.; Tom Williams, Ft. Smith, Ark.; John Sprowls, Pauls Valley, Okla.; Gari Crooks Worley, Mt. Pleasant, W. Va.; Pete Rolland, Amarillo; Jerry and Doris Rolland

Darby, Odessa; Jimmie Robertson, Clovis; and Bill and Carolyn Routon Owen, Salado, Tex.

Also, Judy Jesko, Amarillo; Larry Jesko, Muleshoe; Mr. and Mrs. Wayne Jesko, Muleshoe; Jolene Donaldson Decker, Guyton, Okla.; Danny and Gwenda Parker Reynolds, Pecos; Charlie and Juanita Range Moore, Marietta, Ga.; Max Field, Pasco, Wash.; Carroll and Alice Ramm Huggins, Clovis; and Mr. and Mrs. Dick Williams, Seabrook, Tex.

Also, Charlie and Belva Christian Bowers, Lindsey, Calif.; and from Farwell, Mitchell and Naomi Hubbell Walls; Jerry Dee and Pat Sprowls Owen; Gerald and Martha Smith Curtis; Joe and Gwen Hughes; Cyrus Dale; Jack Williams; Willie Roberts; Lena Steele Cole; Jo Schell; Barthell and Jeanette Lindop Ford; Joan Hubbell Johnson; Jean Tarr and Beverly Hubbell Obenshain.

Center Chit Chat

by Cora Baker

By Cora Baker
THE WEEK OF AUGUST 10

Mrs. Thelma Kittrell was pleasantly surprised when a brother, Raymond Chandler, whom she had not seen in years came to visit her. Chandler of Washington, D.C., and Mrs. Kittrell's sister, Mrs. Sam Cox of Nogales, N.M. both came to visit Thelma.

We have a new resident, Mrs. Winnie Williams. We welcome her.

Mrs. K.D. Watson visited her sister-in-law, Mrs. Minnie Hand.

Mrs. Fern Miller of Artesia visited her father, Ray Beck. Mr. and Mrs. Byron Shields of Portales visited his mother, Mrs. Willie Shields.

Mrs. Bertha Alford visited her mother, Mrs. Lottie Robertson.

Rev. Don Kimbrough, pastor of the West Camp Baptist Church, brought the message August 16.

Mrs. Mary Stephens was made happy by having all four of her children visit this week, including son Daryle and wife; Mrs. Merle Reed and daughter Sharon; Mrs. Vernelle Wall, Clovis; Mrs. Bill Gutherie, Oklahoma City; and Mr. and Mrs. Glenn Reed and son Stephen.

Mrs. Milsap visited her husband, W.C. Milsap. Visiting Mrs. Maime Williams were her daughter Mrs. Kathryn Harris; and granddaughter Mrs. Delvina Curry, with children Cliff and Dee Dee Curry.

Mrs. Elizabeth Wilhite and Mrs. Dorothy Williams visited their mother, Mrs. Callie Taylor, Sunday.

Mrs. Raymond Reed visited her husband, Raymond Reed, Sunday.

Mrs. Anna Dunn had visiting here Mr. and Mrs. Joe Bolin, Santa Fe; Mrs. Margaret Cook, and Mr. and Mrs. Bill Bell of Ft. Sumner.

Visiting Anna Smith were her daughter and husband, Mr. and Mrs. Clarence Duke.

Mrs. John Gentry and children visited her grandmother, Mrs. Lela Bibbs.

Floyd Wall was out on another drive Sunday, but complained when the wheels stopped turning. We are inclined to believe that Floyd must be a gypsy.

Mrs. Minnie Hagler and Mrs. Hattie Harrison visited Mrs. Lois Massey.

Mrs. Bettie Smith and Mrs. Donna Smith and small daughter visited Cora Baker.

We want to thank those kind ladies who come each Thursday and Friday to take care of our hair. We really look forward to those days. We love you.

Our garage sale helped us a lot. We want to thank all who helped in any way. It will sure help in the home. Thank-you.

Celebrating birthdays this month are Victor Lummus, Wavel Millsap, and Minnie

Hand. We wish each of you a very happy birthday.

It was really like old times last week, having Martha Mues back as nurse, and Mary Sutton came to help out a few days. And here comes Louise Brigham visiting! It is sure good to see "old timers" back. Come in more often!!

THE WEEK OF AUGUST 18

Visiting Mrs. Rosie Lanfear were a sister and husband, Mr. and Mrs. J.L. Watson of Ft. Worth. Also a granddaughter, Karen Rhodes and children.

Mrs. Raymond Reed and grandchildren, Jennifer and Matt Carter, visited her husband, Raymond.

Visiting Mrs. Lois Massey were Mrs. Minnie Hagler and Mrs. Hattie Harrison, and Roy and Bill Hagler.

Visiting Mrs. Thelma Kittrell were her son and wife, Mr. and Mrs. Buster Kittrell. Also, a grandson and wife and baby, Mr. and Mrs. Kenny Kittrell all of Muleshoe.

Mrs. Willie Shields is in the Clovis hospital, and is a pretty sick lady. We miss her so much, and are praying for a speedy recovery.

Mrs. Ollie Utsman had a niece to visit her, Mrs. Dorothy Chumley of Wichita Falls, Tex.

Mr. and Mrs. J.R. Ray and daughter of Ft. Worth visited her father, Floyd Wall. She took him to Portales Saturday and to Roswell Sunday. They were able to have a long visit.

Mrs. Frances Norton and daughter Mrs. Alta Geries visited with Mrs. Norton's mother, Mrs. Ollie Carpenter.

Visiting W.C. Milsap were his wife, Mrs. Milsap, and two sisters and husbands, Mr. and Mrs. Clay Duffey of Brownfield and Mr. and Mrs. Leon Banday of Levelland.

Mr. and Mrs. K.D. Watson

(Continued on Page 5)

Class Of '58

Those attending the Border Town Days joint class reunion celebration from Farwell High School class of 1958 were, from

left, Derrell Garner, Jimmy Roberson, Wayne Jesko, Delvin Langford, Glyn Hardage,

Martha Smith Curtis, Mitchell Walls, Naomi Hubbell Walls, Jerry Turner and Billy Smith.

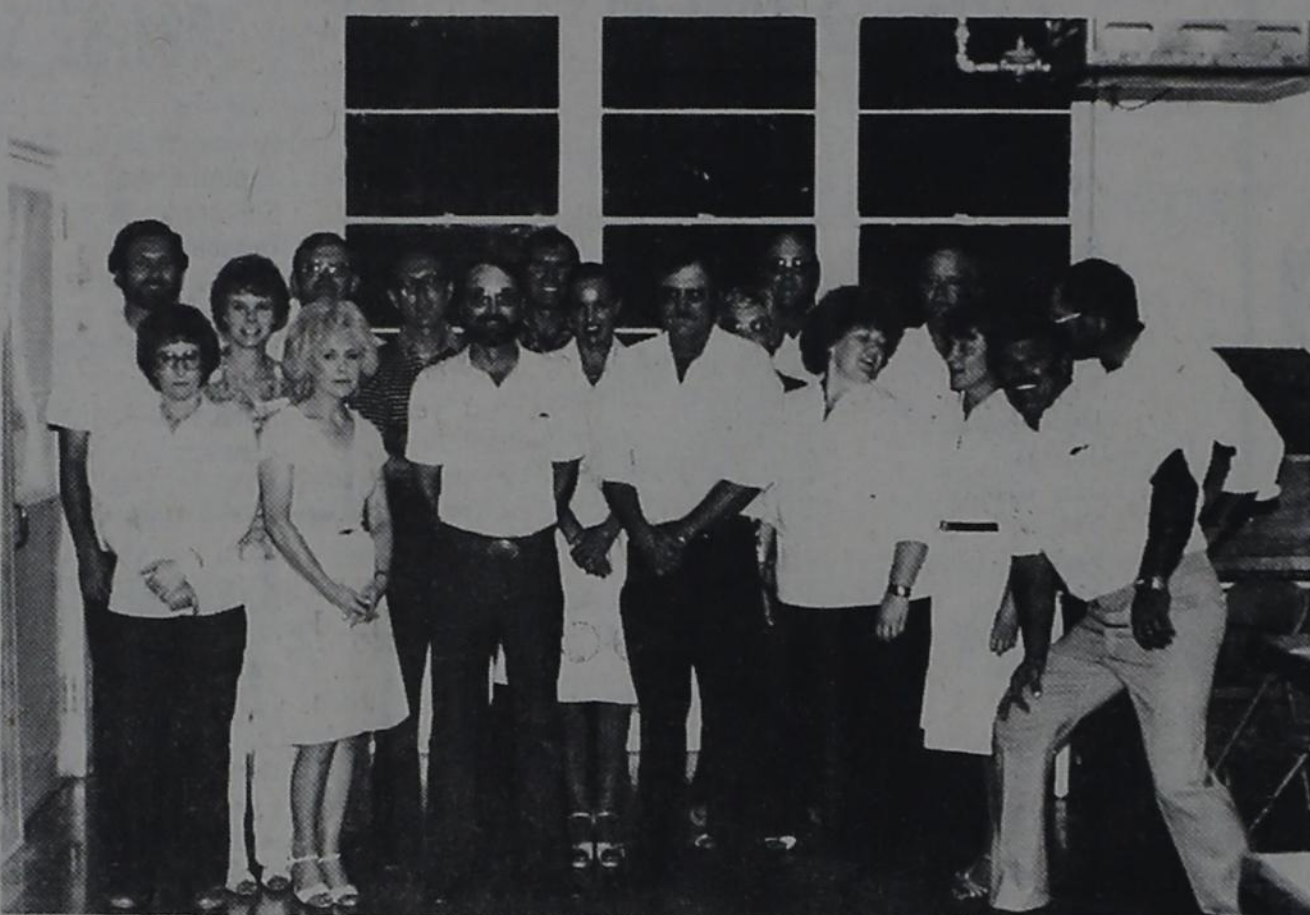

Class Of '59

Members from the Farwell High School class of 1959 attending the recent joint reunion were, from left, Cyrus Dale, Juanita Range Moore, Larry Jesko, Gwenda Parker

Reynolds, Alice Ramm Huggins, JoAnne Schell Mullins, Mike McManigal, Jean Tarr, Dick Williams, Fred Magness, Belva Christian Bowers, Betty Dollar Miller, Pat Sprowls

Owen, Beverly Hubbell Obenshain, Bruce Burton, Jeanette Lindop Ford, Doris Rolland Darby, Jo Schell, sponsor, and Gene Dew, teacher and sponsor.

Class Of '61

A big turnout from the Farwell High School class of 1961 for the joint reunion included from left, Gerald Gober, Dorothy Roberts Stone, Darlene Hromas

McManigal, Jimmy Peoples, Evelyn Lingnau Beal, Tom Williams, Bill Owen, Benjy Dial, Jo Potts Carpenter, Robert Carthell, Kathy

Martin Phillips, Bennie Stancell, Sherry Kay Gast Caudill, Mike Paine, Gari Crook Worley, Carroll Huggins and Tommy Barker.

Class Of '60

Farwell High School class of 1960 also took part in the joint reunion, and those attending included, from left, Janice Hillock Snell, Lena Steele Cole,

Joan Hubbell Johnson, Judy Jesko, James Ussery, Kathrine Billington Traxson, Joe Hughes, Lloyd Cain, and Barthell Ford.

Class Of '62

The youngest of the Farwell High School alumni returning for the joint class reunion were members of the class of 1962, including, from left, Johnny Sprowls, Mike Nelson, Jolene Donaldson Decker, Jim Clem-

ents, Mike Billington, Donald Dale, Karen Schell Lovelace, Carolyn Routon Owen, Max Field, Chris Paine Moore, Jim Walker, Pete Rolland, and Errol Johnson.

THE NEW ENERGY FRONTIER: Coal. America's new energy frontier. Black Thunder Coal Mine near Gillette, Wyoming, sits on part of 50 billion tons. Tapping this huge new reserve of raw energy is a job that takes a combination of resources and pioneering spirit. The kind that fuels booms of opportunity. And we're here helping.

Last year, 3 million tons of this coal was used as fuel to make electricity at Southwestern Public Service power plants. Coal is being used more now because other fuels cost too much.

In Wyoming alone, there's enough coal that some areas of Black Thunder won't be mined until the year 2013. That's a lot of electricity. Coal. It's good to know there are some things you can depend on.

FRONTIER RESOURCES

SHILOH DWAN ROBERTS

Shiloh Roberts Has 1st Birthday

Shiloh Dwan Roberts, daughter of Billy and Gaye Roberts of Farwell, celebrated her first birthday on Thursday, Aug. 6, with a party in the home of her parents. Guests were served refreshments of lemonade, Kool Aid, homemade ice cream and birthday cake. The cake featured "Big Bird" decor with matching cups, plates and napkins carrying out the theme. Decorations of yellow crepe paper and balloons added final touches to the decor.

Those attending besides the honoree and her parents were her grandparents, Mr. and Mrs. Weedie Coffman of Farwell; April Coffman of Goodwill Okla.; Melody, Owen, Wes and Misty Drake of Friona; Alice, Doug, Jeanee and Megan Autrey, and Sherry Christian, all of Clovis. Also, Doug and Tanya Crawford of Muleshoe; Vicki and Brittney Haseloff and Kathy, Les and Brett Curtis, all of Farwell; and Elaine, Randy and Kyle Cain of Pleasant Hill.

Mrs. Schlueter Hostess For Ruth Class Meet

The Ruth Sunday School Class of the First Baptist Church of Texico conducted its regular monthly session Thursday, Aug. 13, at the home of president Mrs. Mora Schlueter. The meeting opened with Mrs. S.G. Jones leading the group in prayer. The secretary's report was given by Gracie Dane, and the treasurer's report was read by Ann Schloss. The devotional was given by Mora Schlueter entitled, "Can

I Help You?" She read the entire chapter of 1st Corinthians chapter 13. She then dismissed with prayer.

Fellowship followed with refreshments of cake, ice cream, coffee and lemonade being served to the seven members present, including Mesdames Hettie Harrison, Eunice Taylor, S.G. Jones, Ann Schloss, Kathryn Bourlon, Gracie Dane, and the hostess Mora Schlueter.

In San Antonio

Mr. and Mrs. Pete Fulcher of Farwell recently returned from a trip to San Antonio where they visited relatives and enjoyed sight-seeing at many interesting places in the area. While in the Alamo City they were guests of her aunt and uncle, Mr. and Mrs. Carl Craddock, and Fulcher's sister and brother-in-law, Mr. and Mrs. Herman McCarty, and a nephew and wife, Mr. and Mrs. Marvin McCarty. The local couple reports having a really wonderful trip and said the areas they visited were beautiful. En route to San Antonio they spent one night in Lubbock with their daughter, Tonda Fulcher.

Family

Visits Heaths

Mr. and Mrs. Claud Heath of Farwell had several guests in their home last week, including Heath's nephew, Glen Heath, and niece, Mrs. Helen Sharp of West Covina, Calif. Following their stop-over in Farwell the Heaths went to Longview to surprise a sister, Mrs. Lorena Wright on her birthday.

When they returned to Farwell, Mrs. Wright returned with them, and another sister, Mrs. Ruby Martin of Lake Charles, La., came also, and then went with their brother to California.

The Harvey Hudnalls and the Jimmy Jordans also visited with the guests of the Heaths.

Kubes

Have Guests

Mr. and Mrs. Daniel Daude and children, Darrell and Joann of Lampasas, Tex., visited their relatives, Martin and Frances Kube of Farwell last weekend.

The Daudes were enroute to Socorro, N.M., to enroll Darrell in New Mexico Institute of Mining and Technology.

On Dean's List

Two Farwell students were listed on the dean's list for the spring semester at Sam Houston State University, Huntsville.

Making the dean's list for having a grade point average of 3.0 or above were Kim Marsh, freshman, daughter of Sarah Marsh, and Carol Vinton, senior, daughter of Mr. and Mrs. Bobby Vinton.

Hospital Notes

Elmer Hargrove of Farwell is still confined to Lubbock General Hospital but his condition is improving.

Kevin Bowery Has 4th Birthday

Kevin Wayne Bowery, son of Cecil and Becky Bowery of Farwell, celebrated his fourth birthday August 16 in the home of his parents.

A chocolate cake, made by Betty Anson of Farwell, was made in the shape of a football and decorated with the words "Happy Birthday, Kevin." The cake, with ice cream and punch was served to all party guests.

Those attending the festivities were Kevin's big brother, Michael; his little sister, Tricia; Wayne and Valerie Martin and Cara of Hobbs; Irene Boone, Chuck and Bobby; Betty Anson, Tommy and Terry; Kevin's grandmother Janie Bowery, and his great-

grandmother, Velma Magness, all of Farwell.

KEVIN BOWERY

Center Chat

visited his sister, Mrs. Minnie Hand.

Mr. and Mrs. Clifford Mardis visited his father, Harold Mardis.

Mr. and Mrs. Calvin Sledge and great-grandson visited Mrs. Alice Sledge.

Mrs. Margaret Kennedy visited her sister, Edith Heatherton.

Mr. and Mrs. Clarence Johnson and Mrs. Jewel Thomas visited their mother Mrs. Clara Smalts. Also visiting Mrs. Smalts was Mrs. Watkins.

Visiting Mrs. Lottie Robertson were her daughter, Myra Robertson and Mrs. Bertha Alford.

Warren Copeland of Lingo, N.M., visited his sister, Imogene Copeland.

Mrs. Jean Crowder took her mother to the Clovis hospital this week.

Weldon Danes Attend Wedding

Mr. and Mrs. Weldon Dane of Texico attended the wedding of her granddaughter, Diane Hudson, in Amarillo last weekend.

Miss Hudson is the daughter of Mr. and Mrs. Howard Hudson of Canyon, and she became the bride of Greg Hinders, son of Mr. and Mrs. Raymond Hinders of Amarillo on Saturday at the First Baptist Church in Canyon.

September Wedding Announced

Mrs. Mae Goldsmith of Farwell announces the engagement and approaching marriage of her daughter, Gayla Beth, to Ralph Duane Parker, son of Mr. and Mrs. Jack Parker of Lubbock.

The couple will exchange wedding vows at the Church of Christ in Farwell on September 26 at six o'clock in the evening, Texas time.

Gayla is a 1980 graduate of Farwell High School. She attended Lubbock Christian College and has been employed at Lubbock Power and Light this summer.

Duane is a 1980 graduate of Lubbock Christian College where he received a bachelor of science degree in education. He will begin his second year of teaching science at the Shallowater Middle School.

Local invitations will not be sent, but all friends and relatives are invited to attend the wedding and reception to follow.

Harvey Hudnalls Host Guests

The Harvey Hudnalls of Farwell have had several visitors in their home recently.

Their daughter and family from Farmington, N.M., Mr. and Mrs. Jimmy Jordan, Justin and Jennifer, visited for several days, and also went to Portales to visit her sister and family, Mr. and Mrs. Robert Harmon, Bob, Brenda and Bryce.

Robert Harmon is recovering from back surgery. They also visited with Mrs.

Jordan's grandparents, Mr. and Mrs. Claud Heath of Farwell. The Jordans also went to Odessa to see several relatives, including Mr. Jordan's parents, Mr. and Mrs. Harold Jordan, and his sister, Mrs. Jodie Buchanan, and daughter, Emily.

When they returned to Farwell, the Hudnalls entertained the Jordans, Harmons and Heaths with homemade ice cream and cake in honor of Jimmy Jordan's birthday.

Open Letter To Parents

By Robbie Johnson
Farwell Cafeteria Manager

To the Parents of Farwell Students:

We at the Farwell cafeteria will give your child the required amount of food as prescribed by the State and Government for a Type A lunch. We will give seconds on food, like cake, cookies, and bread when there is plenty.

We will give seconds on some vegetables, but when your child comes home and says we don't give seconds, he or she really means we won't give seconds on meat or fruit. We will not give seconds on desserts unless the child has

tasted or eaten all of his or her lunch.

If your child has allergies, please send us a note or come speak to me about it. Every other child in line that doesn't like something says he or she is allergic to it. If you could let me know, I would appreciate it.

I would also like for parents to come in and visit with me, from 9-9:30 a.m. or from 2:15 to 3 p.m. to talk to me about things you would like to see done. I welcome any suggestions, and I'd like to explain to you about what is required from us in the school lunch program.

Ruth Reid Heads Up CF Texico Campaign

Ruth Reid of Texico has been appointed chairperson of the annual Cystic Fibrosis Breath of Life Campaign to be conducted September 19 and 20 in Texico.

Cystic fibrosis, an incurable, degenerative disease that affects the lungs and digestive systems, is the number one genetic cause of death of children and young adults in the country, according to Mrs. Reid.

The Texico chairperson said she will appoint approximately three volunteers to fan out through the area's neighborhoods and conduct a door-to-door campaign to solicit funds. The campaign is conducted annually by the New Mexico Chapter of the Cystic Fibrosis Foundation. Those wishing to volunteer for the campaign are invited to call Mrs. Reid at 482-9967.

"Our goal for the door-to-door campaign is to inform the public about CF and raise money to fight this dreaded disease," she said. "This can be met with energetic and dedicated volunteers, and if the members of our communities open their doors and

checkbook wide and give generously."

Money raised during the campaign will be spent in three areas: medical treatment, public education, and research. All three are important. Medical therapy, developed through the years of research, has raised the average life expectancy of a cystic fibrosis child.

"Twenty five years ago, CF children did not live to even pre-school age. Today nearly half of those born with CF will live past their twenties," Mrs. Reid commented. "Public education increases the chances of early diagnosis and treatment."

Mrs. Reid also commented that "one out of every 20 adults carries a CF gene. When two carriers marry, there is a 25

percent chance that each child will inherit the disease and 50 percent chance that the child will be a carrier. For those who inherit CF, early diagnosis is vital since the disease often masquerades as other lung and digestive disorders."

"The need for a cure is self evident," she continued, "but there is none at present. The disease is inherited, non-contagious, degenerative and often fatal. But researchers are hard at work on the problem, and their work needs broad public support."

Texico Volleyball Girls - -

Players Hope To Continue State Winning Tradition

The 1981 Texico girls volleyball team is expecting to continue a winning tradition from last year's 20-2 State Championship record, according to coach Mike Littlejohn, who said his team will be guided by four returning letterwomen and ten or 12 new faces.

Littlejohn estimates that the Lady Wolverines will surprise several opponents this season, and lists Melrose and Floyd as the toughest district opposition.

"The key to the Wolverines' offensive attack begins with a good pass and rests on quickness, agility, strength and knowledge of positioning," the coach said, adding, "other factors will be the serve and the set and spike combinations."

Littlejohn said the team will be running either a 4-2 attack system or a 5-1 system, and

commented that the defensive key to the game will be "a tough block at the net."

"I think the girls are ready to make a run for another state title, but I also feel it will be a lot tougher the second time around," Littlejohn remarked. "It will all be up to the young ladies. If they are ready and willing there is no reason why we can't win state two years in a row." Well, like you told us last year coach, "you gotta believe!"

Top Wolverine returnees will be seniors Tracy Dobbs, a 5'5" setter; Jill Jesko, a 5'7" spiker; and Lisa Crooks, a 5'6" spiker. Ruth Scott, a 5'11" spiker, is a junior.

New to the squad will be junior Pam Hoyl, sophomores Valda Cavallero, Chary Jesko, and Dana Morris. Freshmen include Cheryl Scott and Karen

Snodgrass.

"In addition to these players, four to six more new faces are expected to join the squad," the coach said.

The team has been practicing since August 11 with almost three hours each practice session on the court.

The girls will play in a scrimmage game against the Clovis junior varsity Tuesday, Aug. 25, at 4:30 p.m. MDT. The game will take place at Clovis.

Their first season game is at Dora on September 3 at 4 p.m. All three teams will be playing, including junior high, junior varsity and varsity.

The Lady Wolverines will see their first home game September 15 against Muleshoe beginning at 6 p.m. Both the junior varsity and varsity will be playing.

Learning To Scoot

Girls volleyball coach Mike Littlejohn teaches his volleyball players how to "scoot" across the court and keep on their toes during a recent practice session at the Texico gym. Littlejohn led his volleyball team to a state champion-

ship last year and hopes to carry on the tradition this season as well. The girls have been undergoing intense practice sessions since August 11 and will play in their first scrimmage game Tuesday,

Aug. 25, against the Clovis JV. Their first season game will be September 3 at Dora and their first home game is September 15 against Muleshoe. The Lady Wolverine spikers garnered a 20-2 record last season.

Another Wolverine Trophy

Texico coaches Roy King, left, and Mike Littlejohn show off their newly-acquired trophy which was awarded to the Texico Lady Wolverines by the New Mexico Activities Association. The traveling trophy was awarded to Texico pro-

claiming the Lady Wolverines as All Sport Champions. The trophy is awarded each year to different New Mexico schools, by class, on a point system. King is the Lady Wolverine basketball and track coach and

Littlejohn coaches the girls volleyball team. Both coaches led their teams to state titles last year. This is the first time the Texico girls have won the trophy. Texico boys won the same trophy in 1980.

District Tournament - Oct. 30, 31
Regional Tournament - Nov. 6, 7
State Tournament - Nov. 12, 13, 14

Chow Down!!

Kent Harding, left, and Jeff Dunsworth, varsity Wolverines, scoop up some cool watermelon during last Thursday night's Wolverine Booster Club sponsored watermelon feast, conducted at Texico

High School. Members of the varsity football team, plus the New Mexico 1980 state champion Texico girls volleyball team, and the Wolverine cheerleaders were honored by the Booster Club at the melon

feed. The boosters also conducted their first business meeting of the school year.

Texico Band Sets Instrument Sale

Members of the Texico school band will be sponsoring a "flea market" of used band instruments Tuesday, Aug. 25 at the school band room from 7-9 p.m. MDT, according to Jerry Sadberry, director.

The flea market will be selling used band instruments, and anyone in the Twin Cities area with a band instrument for sale is invited to take part in the flea market.

Sadberry explains that the purpose for the sale is to help beginning band students be able to buy a band instrument.

For further information, contact Sadberry at Texico Junior High, 482-9365.

The shoestring was invented in England in 1730.

Pleasant Hill 4-H Has Achievement Day

Pleasant Hill 4-H members conducted their Achievement Day Thursday, Aug. 13, at the Pleasant Hill Community Center.

Projects were judged in the afternoon by Mrs. Bettye Mobley and Mrs. Bertha Kelley. Livestock records were judged by J.D. Kelley. Sharon West, county 4-H agent, was also at the event to answer questions.

That evening all 4-H members and their families returned for a wiener roast and to view the judged projects.

Guests for the evening were Gary Hawthorn, county 4-H agent; J.D. and Bertha Kelley, and members' parents.

Members and their families attending included Justin, Chad and Paul Dee Barnes; Debbie Dillion; Johnny, Sherry, Patty and Larry Gouker; Kelly, Dustin, Jan and Chuck Hardisty; LaShauna, Zandy, Helen and Allan Kelley; Keri, Lori, Kim, Beverly and Wayne Pierce; Jubal, Robin, Penny, Alice and Dewey Pierce; Brette and Pam Southard; Martin, Melissa, Sammy, Kay and Gary Singletery; Terry, Charlene, Gerald, Cheryl, Dustin, and Wilma Nell and Howard Whitener.

Results of the judging were as follows:

Justin Barnes, rocketry, blue; fat lamb, blue.
Debbie Dillion, brownies, blue.
Johnny Gouker, leathercraft I coaster, blue; bookmark, blue; comb case, blue; horse, blue.
Kelly Hardisty, muffins, blue; biscuits, red.
LaShauna Kelley, photography, red; cake, blue; roll, red; dress, blue; fat lamb, blue.
Zandy Kelley, junior leadership, blue; fat lamb, blue.
Keri Pierce, dress, blue; rolls, blue; fat lamb, red.
Lori Pierce, fat lamb, red.
Jubal Pierce, swine, blue; leathercraft II dog collar, red; belt, blue; knife sheath, blue.
Robin Pierce, swine, blue; leathercraft I coaster, blue; comb case, red; coin purse, blue; bookmark, blue; cake, blue; rolls, blue.
Melissa Singletery, swine, red.
Martin Singletery, swine, red.
Brette Southard, horse, blue; pets, blue; fat lamb, red; farm flock, blue; dog care, blue; health, blue; bicycle, blue; garden, blue.
Terry Whitener, swine, blue; biscuits, red.

Clovis Twosome Champs - -

Jim Berry, Jack Kirkland Win 1st Flight At Tourney

Farwell golfers Jim Berry and Jack Kirkland took first place in the first flight during last weekend's 12th Annual Penny Anderson Men's Golf Tournament conducted at the Farwell Country Club. The tourney championship flight was won by the Clovis duo of Don Tapia and Bill Stewart.

It was the first time the local link twosome had ever won a winning spot on their home course, beating out a Clovis team in a run-off.

Also for the first time in a couple of years, the annual golf tourney saw sunshine for two continuous days of play. In the past, the men golfers have been plagued with rain and soggy greens. Another highlight of the event was a hole-in-one hit by Bush Jordan of Pampa.

Those participating in the tourney were treated to musical entertainment on Saturday evening by Fred Chandler of Farwell and his Castaways band; and to a barbecue dinner cooked and served by Walter Hughes and his Cook Shack Crew, including Ted Magness, Barthel Ford, Bobby Vinton, James Williams, and Fred Curtis.

Members of the Farwell Ladies Golf Association served refreshments to participants at the club house during the barbecue and musical entertainment.

Gift certificates were presented to the winners of the tourney. Those in first place for each flight won \$262.50 per team; 2nd place was \$157.50 per team; and 3rd place, \$105 per team. The gift certificates are redeemable at the Farwell Country Club.

Winners of the annual low-ball tournament included: Championship flight: 1st place, Dan Tapia and Bill Stewart, Clovis, 65-66; 2nd place, Larry Chapman and Dale Vaughan, Clovis, 65-67; 3rd place, Wayne Moore and Mike Vardeman, Portales, 65-69.

1st Flight: 1st place, Jim Berry and Jack Kirkland, Farwell, 69-72; 2nd place, James Ferrell and Larry Ray, Clovis, 68-73; 3rd place, Pete

Goldbaum and Ben Weber, Clovis 72-70.
2ND Flight: 1st place, Ken Hager and Paul Hubbard, of Hereford, 69-71; tie for 2nd place, with Ray Bauer and Collie Rogers, Clovis, 72-70 and Bill Hart and Houston Hart, Muleshoe, 71-71.

3RD Flight: 1st place, Rob Sanders and Ken Wingenton, 70-72; 2nd place, Arnold Galbraith and Wayne Richardson, Vega, 75-72; 3rd place, Leslie Curtis and Russ Jones, Farwell, 76-71.

4TH Flight: 1st place, Wendell Burdine, Hereford, and David Miles, Amarillo, 77-76; 2nd place, Wendol Christian and David George, Farwell, 79-75; 3rd place, Jerry Hogan, Lubbock, and Willis James, Muleshoe, 77-78.

5TH Flight: 1st place H.J. Charles and Oakley Stevenson,

Bovina, 71-73; 2nd place, Emory Brownlow and Weldon Gilcrease, Hereford, 75-71; 3rd place, Don Maxwell and Jim Selman, Amarillo, 75-74.

6TH Flight: 1st place, Stewart Rowe, Dallas and Mark Williams, Farwell, 78-76; 2nd place, Phil Brockman and Lee Jesko, Lazbuddie, 77-80; 3rd place, tie with Frank Brorman and Jack Richardson, Vega, 80-80 and Joe Halley and Jimmy Jeffries, Clovis, 79-81.

7TH Flight: 1st place, Steven Hudson and George Krattiger, Clovis, 79-82; 2nd place tie with Dwight Dudley and Jerry Webb of Clovis, 83-84 and Bruce Billingsley and Mike Norris, Farwell, 79-88.

Tournament organizers say they are hoping to organize a Men's Scramble for September or October to be played at the Farwell greens.

First Flight Winners

Farwell golfers Jack Kirkland, left, and Jim Berry struck it big last weekend when they took first place for first flight in the 12th annual Penny

Anderson Men's Golf Tournament played at Farwell Country Club. It was the first home-course win for the two local linksters who took the top spot with a two day score of 69-72. Winners of the championship flight were Clovis golfers Dan Tapia and Bill Stewart with a score of 65-66.

Around The Twin Cities

Farwell Steers will compete in a scrimmage game tonight, Friday, at Lorenzo.

Curry County Sports Car Club will sponsor a Corvette-Porsche challenge at Cannon Air Force Base Sunday, Aug. 23, beginning at 10 a.m. MDT. Admission is free.

Texico City Council will meet in regular session Tuesday, Aug. 25, at 6:30 MDT at the Texico City Hall.

Farwell Chamber of Commerce will meet Tuesday, Aug. 25, at noon CDT at Luce's Restaurant. All C of C members are urged to attend.

The Bailey County Fair begins Thursday, Aug. 27, at the Bailey County Civic Center in Muleshoe.

Tourney Player Has Hole-In-One

Bush Jordan of Pampa has been golfing for six years, but it wasn't until last Saturday, during the 12th Annual Penny Anderson Golf Tournament in Farwell that the linkster ever had a hole-in-one.

Jordan, a long time Farwell tournament competitor, connected with the hole-in-one on Farwell Country Club's hole number two, a par three hole.

The event was witnessed by his partner Mike Martin of Farwell, and Harry Sheets, Farwell; Kim Rundell and Ken Horn, Bovina; and Richard Horn.

For his accomplishment Jordan will be presented with a gold-plated putter as well as a framed score-card from the

tournament. Jordan supplies the golf carts for many Farwell tournaments.

Farwell Booster Club Slates First Meeting

It's that time of year again, according to James Williams, Farwell Booster Club president, who says that the Farwell Booster Club will conduct its first meeting of the year Tuesday, Aug. 25, at 8 p.m. CDT at Luce's Restaurant.

Williams said new Steer athletic director and head football coach Bruce Dollar will be at the meeting, and other members of the Farwell

coaching staff will be introduced.

Election of officers will also take place, and the film from the Steer's first scrimmage game against Lorenzo will be shown.

Williams said other business matters pertaining to all booster members and Steer fans will also take place at the meeting, and he encourages everyone to attend.

Ready To Flip Out

Elizabeth Galvan [center] stands ready to show her best flip as her Gymnastic Elite teammates Alice Huerra [left] and Maxine Jones assist. Spotters Greg and Jeff Actinsson make sure she's on the spot. The Twin Cities gymnasts were taking part in a gymnas-

tic performance during last Saturday's Bull Town Days celebration in Bovina. The kids performed for spectators in the Bovina City Park showing what they have learned as members of the local gymnastic organization.

BEFORE YOU TAKE ANOTHER DAY OF RISK, REMEMBER THIS...

NO MATTER WHAT HAPPENS BETWEEN NOW AND HARVEST, WE'LL GUARANTEE YOUR YIELD AND PROTECT YOUR INCOME.

That's the promise behind All-Risk Federal Crop Insurance.

What does it mean for you? Plenty. Because by locking in a guaranteed yield and income, you cover the risk of losses from natural disasters such as drought, flood, insects and disease.

How do you get All-Risk Federal Crop Insurance? Simple. Just apply for insurance with your nearest FCIC representative. Select the yield coverage level—up to 75% of your county average. Then pick one of three price levels—up to 90% of projected market price.

For more information, call the FCIC representative in your area. All-Risk Federal Crop Insurance. In good years and bad, it pays off.

NOTICE
Energas Company, a division of Pioneer Corporation, hereby gives notice of its intent to implement new rates for domestic and commercial type, small industrial and large air conditioning electric generating customer classes residing in the unincorporated areas (environs) of its West Texas System. It is anticipated that the new rates will result in a 1.6% increase in Energas' gross revenues, which increase is not a "major change" as defined in Section 43(b) of Article 1446c, V.A.T.C.S. A Statement of Intent to change said rates was filed with the Railroad Commission of Texas on or about August 7, 1981, and is available for inspection at the Company's Amarillo office, 301 S. Taylor Street.

The proposed increase will not become effective until or except to the extent that the same rates are approved for service within the municipalities on the West Texas System.

Allsup's Annual Marathon Announced For October 3

Runners and joggers are reminded of the 7th annual Allsup's Marathon, scheduled in Clovis on Saturday, Oct. 3.

Those interested in participating in the annual running event are requested to register no later than September 25 at the race headquarters in the Holiday Inn, 2700 E. Mabry Drive in Clovis.

Registration fees on or before September 25 will be \$7, after that date they will be \$9 and will be accepted through Friday, Oct. 2. All proceeds from the event will go to the Clovis Track Club.

Marathon activities will kick-off with a spaghetti dinner at the Holiday Inn on October 2.

The marathon, sanctioned and certified by the Amateur Athletic Union (AAU), will give runners a choice of the full 26.2 mile course, a 13.1 mile course or a 10 kilometer course.

The race will start at the Clovis High School track at 7 a.m. MDT. According to

Lonnie Allsup, president of Allsup's Convenience Stores, Inc. and sponsor of the race, "At 12 noon MDT T-shirts will again be given to all contestants who complete the race and 117 trophies will be awarded to the winners."

The number of trophies in three categories has been expanded this year to reflect the growing number of runners competing in the following age groups: Female 0-15 years; Males 15-29 and 30-39.

Competition reached new heights last year with 440 runners participating, some from as far away as California and Florida. An individual record for the state of New Mexico was set in the half marathon with Al Waquie winning in 1:07:47. In fact, the first five finishers in the half marathon all bettered the old state mark. Benito Arellano took the marathon with a time of 2:34:27 and Kyle Smith the 10 kilometer in 33:59.

A field of over 500 runners is anticipated for this year's race.

Persons who desire additional information about the Allsup's Marathon, or who wish to receive a registration form, may do so by writing: Royce Jones, 3532 Brynhurst Ct., Clovis, New Mexico, 88101 or by calling (505) 762-5010.

DPS Advises Caution In Altering Window Glass

A few motorists may be confused over the use of glass coatings and one-way glass in motor vehicles. However, the Texas Department of Public Safety reports that drivers should be aware of the law and exercise caution prior to altering the window glass of a motor vehicle.

Captain John Mason of the Motor Vehicle Inspection Service of the DPS in the regional headquarters for this area advised motorists not to put anything on the windshield or front side windows. "No coatings, plastic, liquid, or other materials may be put on the windshield or front side windows of any motor vehicle that has not been approved by the DPS," said Mason.

However, the DPS spokesman says glass coating materials may be applied to the rear window and the rear side windows if the vehicle has outside rearview mirrors.

Mason says no motor vehicle glass coatings are currently

approved by the DPS for application on windshield or front side windows. "Under state law, the DPS has the authority to approve, but due to the variations of the materials and the numerous methods in which they are applied, we simply cannot approve any of the coatings," he said. "Frequently we find these coatings to be dangerous since they often obstruct the driver's vision," he said.

Captain Mason said the glass coating materials are sometimes spray-on tint, metalized mylar plastic or other kinds of applicable materials. "The use of curtains, blinds or stick-on novelty designs are not prohibited on rear windows, but common sense should be considered when applying these devices to a vehicle," he said. "The driver must be able to maintain good external vision during the operation of

any motor vehicle," said Captain Mason.

He said the one-way glass coating in vehicles is not generally a good idea, even

when permitted, since the application of the materials greatly reduces and distorts vision, especially at night, he concluded.

TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM, PRES. BEREMAN BIBLE SOCIETY CHICAGO, ILLINOIS 60633

THE END OF THE WORLD

Many sincere Christians fear that predictions that the world will come to an end might be right, since our Lord did speak several times about the "end of the world."

These predictions, though, are wrong. The world will not end, for according to the Bible, the world, or earth, will never come to an end. The word "world," which our Lord used in this connection, does not refer to the earth, or even the people on it. It is the old Greek word *aión*, or *age*. Several ages in God's program have already come to an end, and others will, but no matter what man may devise, in the way of destructive weapons, the earth will never be destroyed. In Isaiah 45:18 we read:

"For thus saith the Lord that created the heavens; God Himself that formed the earth and made it; He hath established it, He created it not in vain; He formed it to be inhabited: I am the Lord, and there is none else."

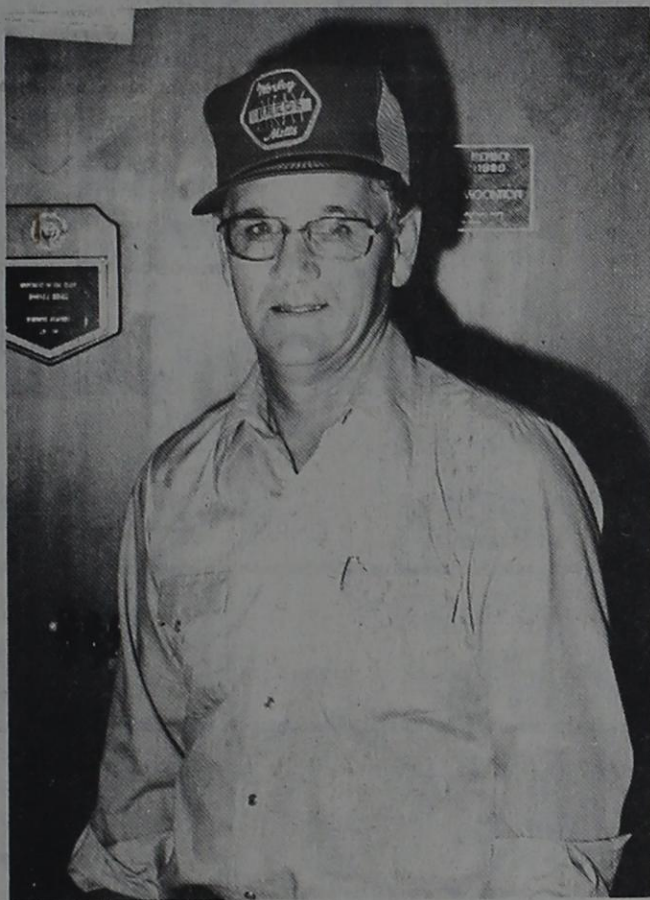

But doesn't Revelation 21:1 predict "a new heaven and a new earth"? Yes, but the context clearly indicates that this refers to the future renewing of the present heaven and earth, not the creating of different ones. Verse 5 says: "He that sat upon the throne said, Behold, I make all things new." Note: He didn't say "I make all new things," but "I make all things new." There is a difference.

People should not be concerned about the end of the world, but about the end of this present age, "the dispensation of the grace of God." For God has never promised how long it will last. Every hour He delays the return of Christ to recall His ambassadors is an hour of wonderful grace, in which men may be saved by grace, through faith in Christ, who died for our sins. This is why Paul urges us: "As workers together with Christ, we beseech you that you receive not the grace of God in vain... Behold, NOW is the accepted time; Behold, NOW is the day of salvation (II Cor. 6:1,2). "BELIEVE on the Lord Jesus Christ, and THOU shalt be saved" (Acts 16:31).

SERVING PARMER AND CURRY COUNTIES FOR OVER 25 YEARS

GUY COHEE

Guy "Sonny" Cohee is the new manager in Farwell for Worley Mills. Sonny started with Worley in 1959, and has been involved in all phases of the business. He has been in the grain business for 22 years, and has lived in the area with his wife, Betty, since 1959. Sonny says his two favorite things are talking about his 10 grandchildren and fishing.

A Change In Personnel ... But No Change In Policy

TOMMY SCAFF

Tommy Scaff is the new assistant manager for Worley in Farwell . . . and will manage the Pleasant Hill elevator during the harvest season. Tommy has over 14 years in the grain business. He has lived in the area since 1963, and he and wife Bonnie have 2 boys, ages 13 and 10. Tommy says he is involved in many youth activities, since the boys are involved with everything . . . that has to do with playing ball."

Thunderbird Arrival

Coming soon to Cannon Air Force Base in Clovis will be the famed U.S. Air Force flying demonstration team, the Thunderbirds. The fast flying squad will be highlighting the Cannon Community Appreciation Day slate of events, scheduled for August 30. All Twin Cities residents are invited to attend the appreciation day, which will also feature the U.S. Navy parachute and sky diving team, the Leapfrogs. Gates to Cannon will be open to the public at 11 a.m. MDT, and the day will feature a whole range of events and activities, as well as several concession booths. [U.S. Air Force photo courtesy of the USAF Thunderbirds.]

**Twin Cities Invited - -
Community Open House
Slated At Cannon AFB**

It's getting closer and closer, ever so closer. It's growing larger and larger! It's going to affect thousands of people from all over, and everyone from the Twin Cities is invited. It's Cannon Air Force Base 1981 Community Appreciation Day. The gala will start at 11 a.m. MDT August 30, and festivities will conclude at 5 p.m. Striking through the sky at about 12:20 p.m. will be the 27th Tactical Fighter Wing's own stars--the F-111D tactical fighter. About 2 p.m. men will jump from a moving aircraft and glide gently to earth. They are the U.S. Navy "Leapfrogs" precision parachute demonstration team, the official Navy western region parachute team. After the parachutists are finished, the famed U.S.A.F. Thunderbirds will begin the featured aerial show at 3:30 p.m. Military aircraft and facilities will also be on display. Throughout the day, contemporary music will be played by the Approach Unit of the Air Force Band of the West. Showtimes will be 11:30 a.m., 1 p.m. and 2:30 p.m. Community Appreciation Day is only two weeks away. Plan now to attend. It's free and bound to be fun, so why not bring your family, or the entire neighborhood?

RA's Explore Carlsbad Caverns

by Mark Ryburn
Darkness was upon us as a fog And the cool air touched our cheeks as a breath from the past The water falling sang its song as it settled into pools of glass
A flicker broke this magic spell And chased the darkness from our heads as it filled the cavern with its glow Then rising from the ageless floor Ascent began from the world below
Step by step we made our way And marveled much at nature's art that formed when yet the world was young But coming forth we looked once back then smiling turned to face the sun.
On Saturday, Aug. 15, the Pioneer RA's of the First Baptist Church of Farwell explored the new cavern at Carlsbad, N.M. The cave is accessible only by a rough trail up a hillside and the only light in the cave is provided by the spelunker's flashlight. Local spelunkers included Kenny Adams, Brent Stephens, Mark Bristow, Wesley May, Mark Ryburn, J.R. Ivins, and Keith Stephens. Royal Ambassadors is a Baptist Young Men's Organization whose goal is the spread of the word of God throughout the world. RA's meet every Sunday night at 6 p.m. CDT at the First Baptist Church in Farwell. Any interested young men are invited to participate.
