City Council Tables Tax Contract Decision

The possibility of contracting the services of the Parmer County Tax Appraisal office and Patsy Nance, Parmer County Chief Tax Appraiser, to collect Farwell's city tax roll was discussed at Monday night's Farwell City Council meeting, but a decision was tabled until the next meeting of the city fathers, set for early December.

The councilmen reviewed the contract submitted by Mrs. Nance for her office's tax collecting services and learned that the approximate cost for collecting the city's tax roll would be roughly \$977.58.

The contract stated that a fee of 1.5 percent of the current year tax levy, or cost, whichever will be less, would be paid to the Parmer County Tax Appraisal Office for the tax collecting services, in addition to the proposed cost of \$2,284.07 which would be Farwell's approximate share of operating the Parmer County Tax Appraisal Office.

The same contract has been submitted to all Parmer County tax entities, including all school districts, city governments and the county government. The operational and collection costs will be prorated in proportion to the amount collected by each entity.

Because of Texas State legislation, each of the entities in Parmer County is required

to pay its prorated portion of the \$145,686.00 total operational budget for the Parmer County Tax Appraisal District office. The collecting of the appraised taxes is being offered by Mrs. Nance to the tax entities as an added service.

Farwell will be required to pay their prorated share of \$2,284.07 whether they accept the tax collecting service or not.

Farwell's 1981 city tax roll was \$65,172.00 and 1.5 percent of that amount, the maximum amount that would be paid for the tax collecting service, would total \$977.58.

However, Mrs. Nance has previously said that the cost for collecting all Parmer County taxes would be roughly \$14,000.

The council was told that last year's cost for collecting taxes was approximately \$1,500, but City Clerk Janie Bowery predicts that due to the increase in paper, postage and payroll, it would cost the city approximately \$2,000 to collect its own taxes this year.

Another aspect of having the Parmer County Tax Appraisal Office collect the taxes is that the office has contracted with an Amarillo attorney's office to collect all back taxes at a 20-percent delinquent collection fee.

"Right now that's the only part of the contract that I really like," said councilman

Fred Chandler. Councilman Johnny Curtis and Chandler both voiced the opinion that the City of Farwell could hire an attorney to do the same thing for the city.

Mrs. Bowery also told the council that to date she had received 45 percent of the 1981 tax roll.

The services listed in the contract to be provided by the Parmer County Tax Appraisal Office include:

A. Prepare and mail out tax statements; B. Collect current year tax levy; C. collect current delinquent tax levy

1982; D. Contract with delinquent tax attorney.

The office would agree to furnish all labor and materials for the services listed at the sum described as follows:

"District agrees to provide the services of A and B listed above for a fee of 1.5 percent of current year tax levy, or cost, whichever will be less. Payment to be made quarterly with regular budget payments. District agrees to provide services of C and D as provided by H.B. 30 and contract with delinquent tax attorney."
(Continued on Page 2)

Wolverines Teams Off To State

Following their victories last week, the Texico volleyball girls and football boys are headed to state competition this weekend, the girls hoping to retain their state Class A title, and the boys hoping to take the state football title away from the reigning Class A gridiron champs.

The Lady Wolverines head to Albuquerque to begin state play-off competition at Albuquerque High School against Mountainair. Game time is 7 p.m. MST.

Winner of that game will then play one more team before heading to the finals, set for 1:30 p.m. MST Saturday.

On the pigskin side, the Wolverines will play Reserve Friday at 2 p.m. MST for the state Class A football crown. Reserve is seeking its 20th straight win, and their second consecutive year at holding the state title. Texico also finished its regular season play undefeated this year, and last week edged Captain 7-6 in the play-off game.

For information on Texico Booster Club travel arrangements, call Gardys Johnson at 482-3830, or Kay Warmuth at the high school office at 482-3305.

School Board Okays Contract

Farwell School Board has contracted the services of the Parmer County Tax Appraisal District for the collection of school district taxes effective with the 1982 tax year.

The contract specifies that the Appraisal District will prepare and mail out tax statements, collect current year tax levy, collect current delinquent tax levy 1982, and contract with delinquent tax attorney.

A maximum fee of 1.5 percent of the current year tax levy, or cost, whichever will be less, would be paid to the Parmer County Tax Appraisal office for the tax collecting services, in addition to the proposed cost of \$24,954.99 which would be Farwell ISD's approximate share of operating the Parmer County Tax Appraisal Office.

This same contract has been submitted to all Parmer County tax entities, including all school districts, city governments and the county government. The operational and collection costs will be prorated in proportion to the amount collected by each entity.

Because of Texas State legislation, each of the entities in Parmer County is required to pay its prorated portion of the \$145,686.00 total operational budget for the Parmer County Tax Appraisal District office. The collection of the appraised taxes is being offered by the Tax District to the tax entities as an added service.

The school district would be required to pay its prorated share of \$24,954.99 whether they had accepted the contract or not.

Farwell ISD's 1981 tax levy was \$706,188.28, according to James Craig, administrative assistant, and 1.5 percent of that amount would be approximately \$10,500.00, the maximum amount that would have to be paid for the tax collecting service.

However, Patsy Nance, Parmer County Chief Tax Appraiser, advised the board that she estimates the approximate cost of collecting all the taxes in Parmer County to be around \$14,000.

In other action taken at the regular monthly gathering, Farwell senior Waverly Coates met with the board in regard to taking a job in the afternoon. The board voted to allow Coates to be excused from afternoon classes for his employment.

Also meeting with the trustees were members of the Sergio Arce family concerning some problems that occurred following the Farwell Homecoming dance. No disciplinary action was taken by the board.

The board cast its ballot of 866

votes for Gilbert Kaltwasser as a director of the Parmer County Tax Appraisal District.

The audit report prepared by Cornell and Company of Amarillo was approved. The audit included school funds, title funds and child nutrition program.

Letters were presented to the superintendent in regard to the accreditation monitoring visit by the Texas Education Agency, and also a letter in regard to the visit of Robert M. Alexius, Division of Technical Assistance for School Desegregation.

The board voted to appoint W.M. Roberts, school superintendent, as the Title IX Coordinator.

It was decided to pay the balance due on the hospital bill of Manuel Cantu.

Dates for spring graduation activities were announced as baccalaureate, May 23, and commencement, May 28. Eighth grade graduation will be May 27.

The board accepted the offer of Marcia Cole on a 1974 Ford LTD Station Wagon as a gift.

Those attending the school board meeting were trustees Wilbert Kalbas, Joe Hughes, Richard Haseloff, Bill Martin, and Edward Corn. Trustees absent were Billy Mayfield and Caroline Anderson.

Also present were W.M. Roberts, James Craig, Don Malone, Jerry Owen, Mrs. Sergio Arce and her daughter, Lydia Arce, Everado Arce, Jr., Mr. and Mrs. Floyd Coates, Mr. and Mrs. Waverly Coates, Rocky Ford and Ricky Sikes

It's Cotton Time

Area cotton harvest is just getting underway, and last week's rainfall postponed it a little longer, but Robert Carthel (right) from the Fred Carthel farm in Pleasant Hill delivered his first load Tuesday afternoon to the Farwell Gin and received

a \$50 bonus and free ginning for being that gin's first customer this season. Gin manager J.J. McDonald said the cotton looked a bit green but said, "I think it will be all right." Just after Carthel delivered his cotton, Orie Jones, who farms south of

Farwell, brought in a trailer load that McDonald said "looked real good." Cotton farmers are now hoping that this week's sunny crisp weather will continue to open up those bolls!

Mark Williams Leads - -

Predicting Power Ends In 3-Way Tie

Both the football teams and the football contest entrants "tied one (or two) on" last week, as the 9th week of the gridiron guessing game saw two contest teams end their games with tie scores, and three contest entrants end in a three-way tie for first place laurels.

It was one of those football weekends when the teams that are supposed to win kept fans on the edges of their seats, and one where "great minds managed to think alike" as 26 of the approximate 300 weekly entrants had nine correct predictions.

So, with two of the selections ending in ties, it seemed only fitting that the tie-breaking entry on the weekly contest should decide the winner of the 9th week, leaving the winnings to be divided three ways.

Jack Kirkland, Mrs. Albert Smith and James Williams each had nine correct guesses and were each only five points off on their tie-breaking entry. Consequently, the three will share the combined earnings of first and second place for a \$4.17 check each.

Others who managed to call nine games correctly were Cydney Ford, 6 points off tie-breaker; Earlene Porter, 7 points off; Sally Anderson, and Elva Yruegas, 8 points off; Doug Cole, 10 points off; Steve Garrett, Raymond Hadley, Craig Kaltwasser, Carlton Newell and Ruth Newell, all 11 points off;

Also, Johnny Torres, 14 points off; Johnny Curtis, Carl Dean Goettsch, and Mark Williams, 15 points off; Dick Pylant and Joyce Sikes, 16 points off; Tobin Tate, 17 points off; Billy Roberts and

Elaine Roddam, 18 points off; And, Carolyn Johnson, 19 points off; J.D. Carson, 22 points off; Chacho Arce, 30 points off; and Donnie McDonald, 33 points off.

So with his nine correct predictions, Mark Williams edged ahead of Sam Drager for the contest's overall first place position, leading now with 85 points. Drager, who has held on to the narrow lead for several weeks, is in second place with 84 points.

In 3rd place with 83 points is Ken Horn. Carl Dean Goettsch and Vicky Lynn sit in 4th place with 81 points, and in 5th place with 80 points are Thad Phillips, Jennifer Williams and Mike Woods.

In 6th place with 79 points are Johnny Curtis, Craig Kaltwasser, Jack Kirkland, and Carlton Newell. In 7th place with 78 points are Richard Engelking, Donnie McDonald, Dick Pylant and Don Williams.

With 77 points and in 8th place are William Dannheim, Sue Kirkland, Scott Parker and Earlene Porter.

Muleshoe Man In Accident

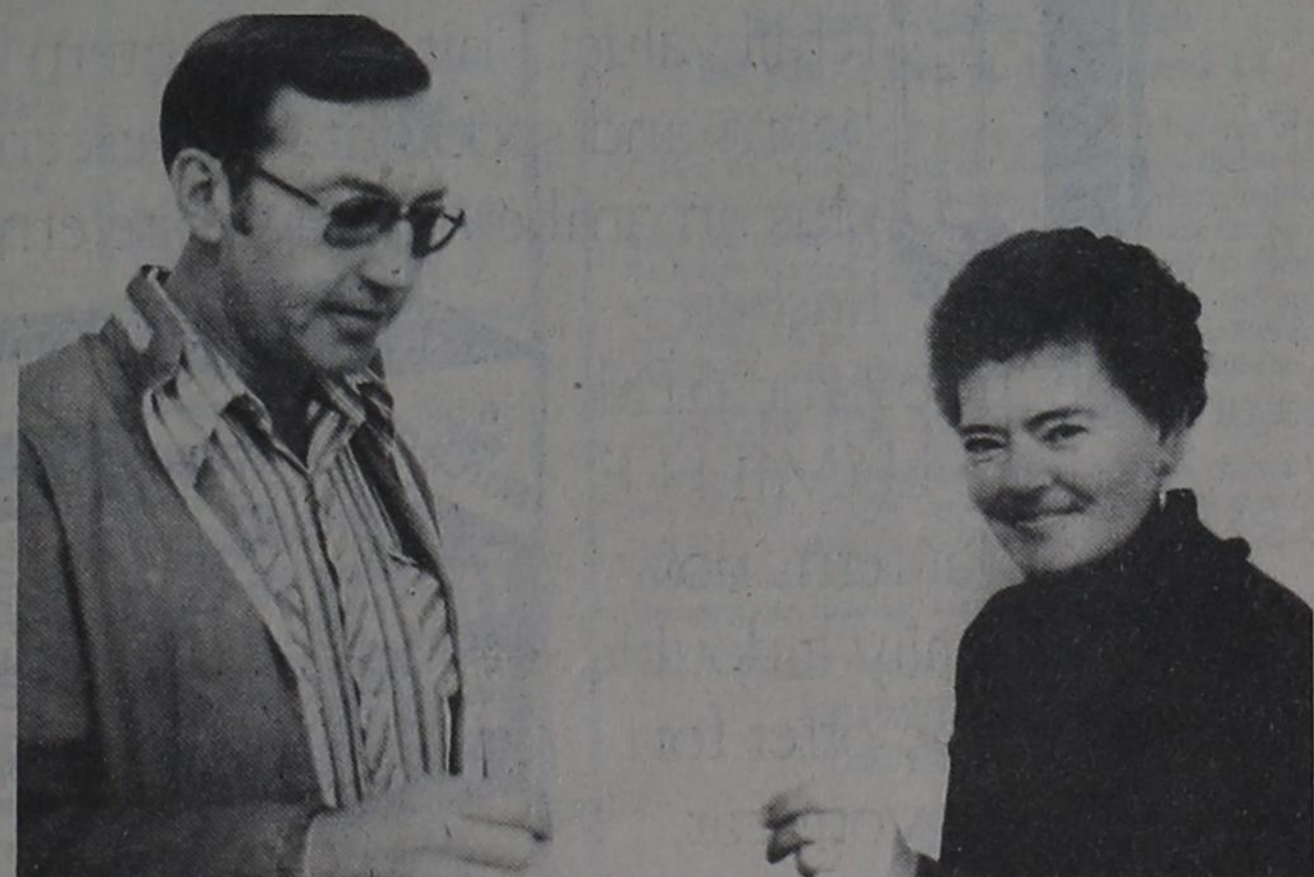

Benny Pena of Route 1, Muleshoe, was cited for traveling at an unsafe speed, driving while intoxicated, and violation of driver's license restriction A (not wearing glasses or contact lenses) following a one-vehicle accident Saturday, Nov. 7, according to Department of Public Safety investigating officer Craig Hunt.

According to Hunt, Pena was heading toward Muleshoe when his vehicle went off the "wrong

side of the road into a bar ditch striking a concrete driveway at Longhorn Spraying Service," Hunt reported.

The accident occurred at approximately 5:15 a.m. on Texas Highway 214 seven and one-half miles north of Muleshoe at Longhorn Spraying Service.

Pena received only minor injuries and did not receive any medical attention following the accident, Hunt said.

One Of The Winners

James Williams of Farwell was for first and second place gave each a cash prize of \$4.17. Williams is shown receiving his cash winnings from Wanda Coates of Oklahoma Lane Farm Supply, a contest sponsor. Twenty-six entrants called nine games correctly, and the tie-breaker score decided the top

three winners. Moving up to first place overall this week is Mark Williams with 85 points. Slipping to second place is Sam Drager who now has 84 points. The two week warning has been issued in the annual contest, so sharpen those predicting brains!

James Williams of Farwell was for first and second place gave each a cash prize of \$4.17. Williams is shown receiving his cash winnings from Wanda Coates of Oklahoma Lane Farm Supply, a contest sponsor. Twenty-six entrants called nine games correctly, and the tie-breaker score decided the top

Texas is fast becoming the envy of the nation when it comes to attracting new industries. In fact, the so called "Frost Belt" is squealing like the proverbial pig under a gate about losing industries with their jobs and taxes to Texas and, to some extent, New Mexico.

Texas enjoys a very equitable business climate due in a large measure to an already existing old Texas industry. The petroleum boys. It is these fellows who are paying a very significant portion of the State of Texas tax burden.

Deregulation of the petroleum industry has in a large measure been the cause of this welcome tax increase. With deregulation the price of oil in Texas competes on the world price market. This has led to vastly increased amounts of monies handled by the oil boys and hence more money exposed to the tax man's take. Also, this has added tremendously to the tax evaluation of oil companies' properties for the local ad valorem tax coffers.

The Texas petroleum industry was the largest single taxpayer to state government in 1981.

Payments of oil and gas production (severance) taxes amounted to \$2.2-billion, approximately 28.3-percent of total state tax collections.

The petroleum industry was the largest single taxpayer at the local level, as well.

In 1980, the last year for which data are available, the Texas petroleum industry paid approximately \$938.6-million in ad valorem (property) taxes to all local jurisdictions - counties, school districts, and cities - accounting for slightly more than 22-percent of that year's total collections throughout the state.

In Fiscal Year 1981, the Texas petroleum industry paid \$77.7-million in corporate franchise tax, accounting for approximately 18.6-percent of total state collections of this tax.

In 1981, the Texas petroleum industry paid \$11.7-million in a well servicing tax and an additional \$2.3-million in an oil and gas regulatory tax.

These state and local tax payments have provided the foundation for governments in Texas to meet their social and educational commitments. Moreover, the availability of ample energy resources has allowed Texas to experience its greatest period of economic growth and development. Due in large measure to direct tax payments by the petroleum industry, which last year totalled more than \$3.2-billion, Texas enjoy

1. No personal income tax.
2. No corporate income tax.
3. One of the lowest per capita tax burdens in the country.
4. The best business climate in this nation.

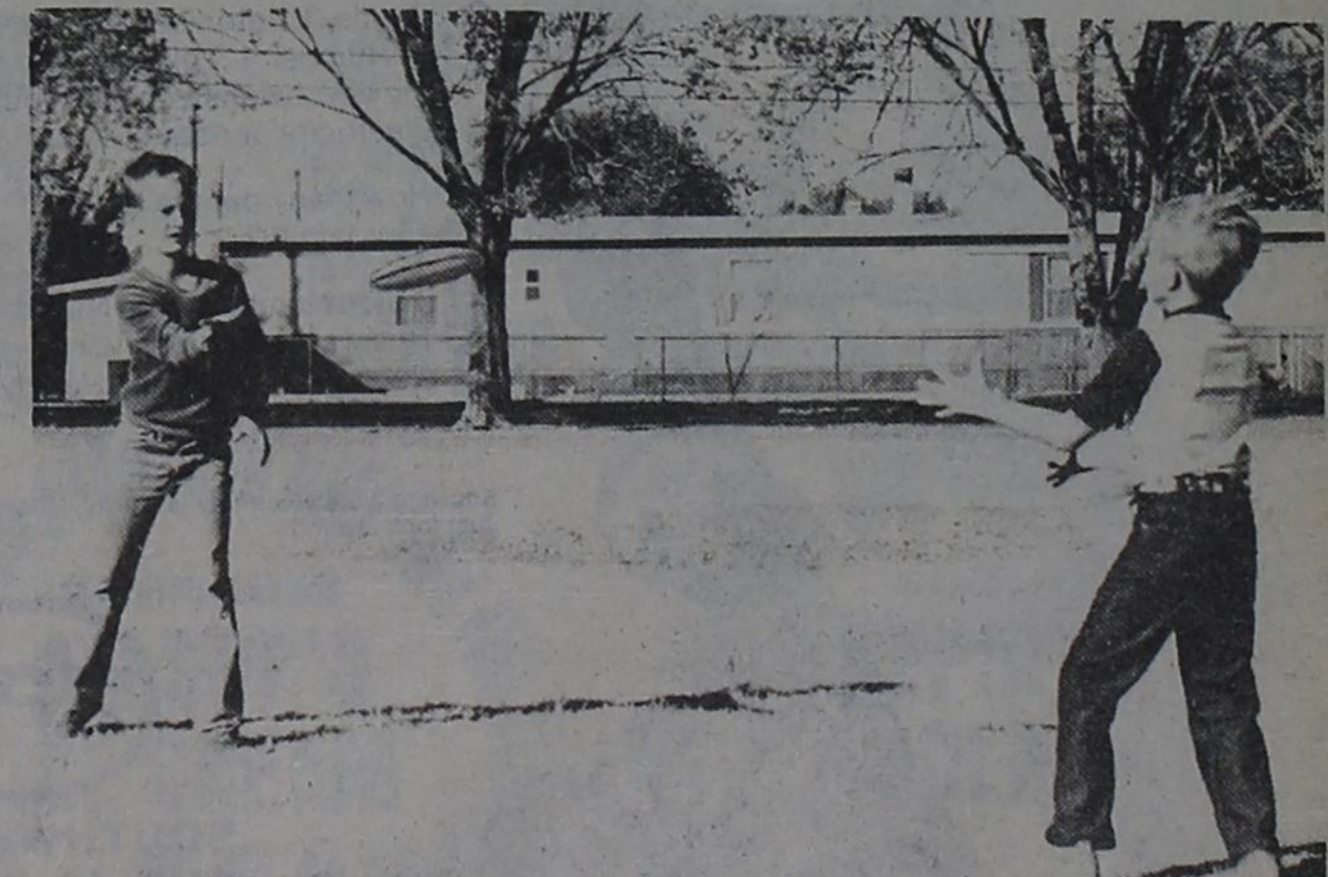

Of course, such a Golden Egg has drawn the covetous eyes of some of our big spending politicians. They want to increase the taxes on the various segments of the petroleum industry and to give somebody else's money away in their name. We have a very equitable situation the way things stand. Additional taxes on the oil industry could very well be counter-productive and we could wind up with eventually far less in the tax take department.

Texas needs to hold the line in additional taxes on the oil industry and to also hold the line in increased state spending and to continue the state's economic boom for the ultimate benefit of all its citizens.

No man is an island as long as he's on even one mailing list.

First-class postage keeps increasing every year. When you start off a letter with "Dear" - you better believe it! An old-timer is someone who remembers when a postcard cost a penny.

Someone complained that postal service is so bad that even letters addressed to

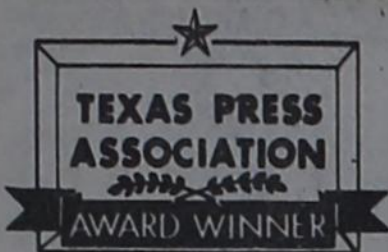

Frisbie Fun

It was one of those crisp, fall sunny days Tuesday and kids at Farwell Elementary School took advantage of it during their recess period. Joe Norris (left) and Ray Haseloff

took in a quick game of frisbie in the shirt-sleeve weather while their classmates took to the swings, monkey bars and the see-saw. There was even a football game going on. Maybe

even those youngsters know that all too soon the ground will be covered with white and the chilly air will keep them indoors.

Services In Vernon For Ella Thompson

Funeral services for Ella Thompson were conducted Saturday, Oct. 31, from the Wilbarger Street Church of Christ in Vernon, Tex., officiated by Don Kleppe of the church. Interment was under the direction of Sullivan Funeral Home of Vernon.

Mrs. Thompson was born in Weimer, Tex., on December 8, 1887. She died October 29, 1981 in Amarillo.

She was the daughter of the late Mr. and Mrs. A.H. Kahlen and moved with her parents to Wilbarger County, Texas, in 1910.

She married Lee Thompson on November 21, 1915, and the couple moved to Farwell in 1921. While here, Thompson

served as Parmer County Judge, a Parmer County Commissioner, and Parmer County Tax Assessor/Collector. They moved back to Vernon in 1965, and he preceded his wife in death in 1969. Three children also preceded her in death, Fay in 1966; Kenneth in 1975; and Charlie in 1976.

Survivors include four sons, Walter of Pierre, S.D., Frank of Wendell, Idaho, Loren of Columbus, Ohio, and Tom of Ashville, N.C.; three daughters, Alene Chandler of Route 1, Texico, Oeta Paden, Ennis, Tex., and Lonetta Denney, Albuquerque; and several grandchildren and great-grandchildren.

Funeral Services Tues. For Wayne Martin Sr.

H. Wayne Martin, Sr., 65, of Clovis, lifetime resident of Curry County, died Saturday at Clovis High Plains Hospital. Funeral services were Tuesday morning at the 16th and Pile Street Church of Christ in Clovis with Robert Hawkins and Tommy Hicks officiating.

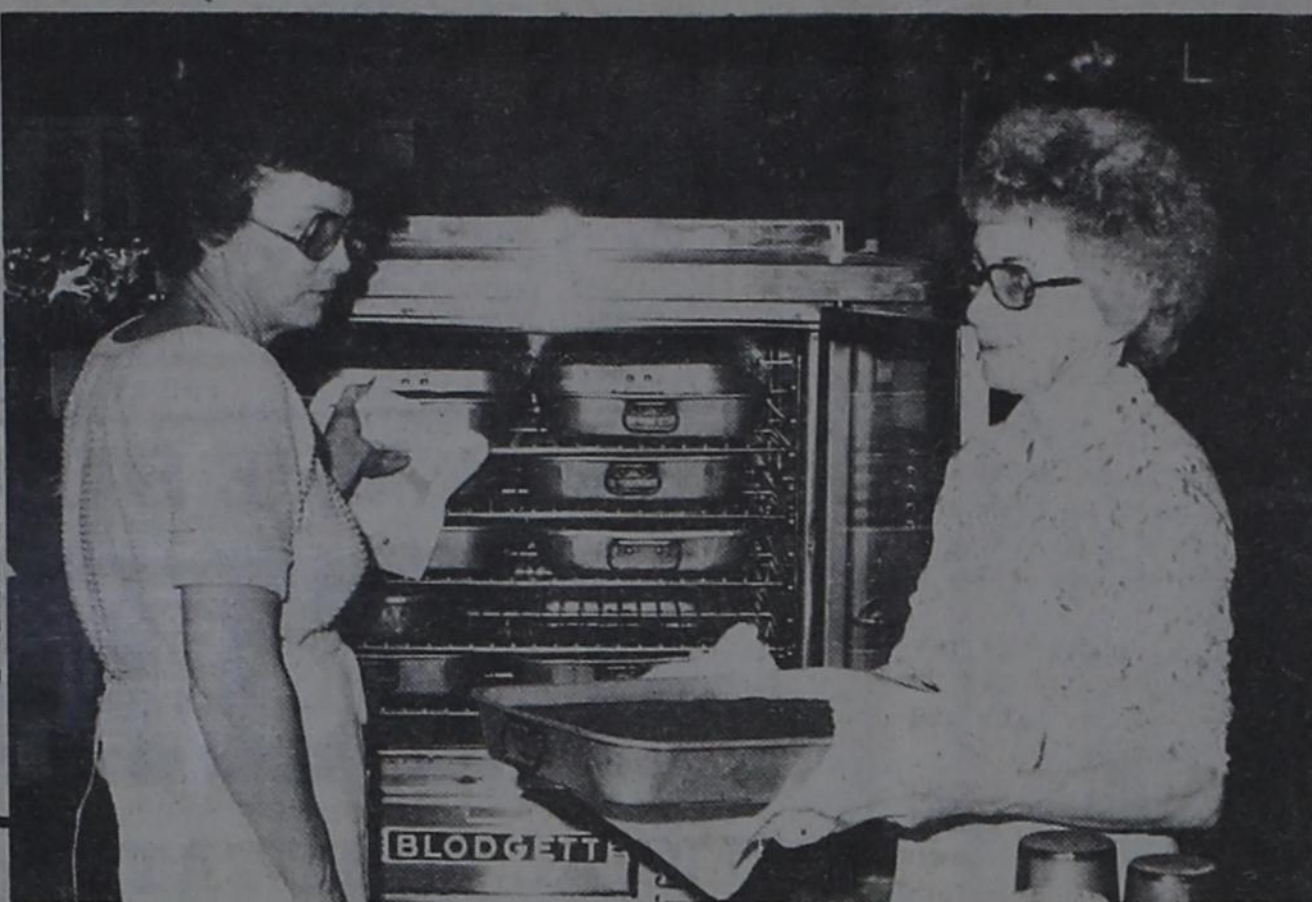

Interment was in Mission Garden of Memories with Steed-Todd Funeral Home in charge.

Mr. Martin was born Jan. 7, 1916 in Curry County. He attended school at Texico and graduated from high school there. He was a farmer and a member of the 16th and Pile Street Church of Christ where he served as an Elder and also a teacher of the Mens' Bible Class.

Survivors include his wife, Belle Martin of the home in Clovis; two daughters, Barbara Norris and Jo Jones both of Clovis; one son, Wayne Martin Jr. of Clovis; one brother, Tom Martin of Clovis; three sisters, Bertha Snell of Clovis, Helen Bowers and Margaret White, both of Texico;

Three granddaughters, Lisa Jo McCasland, Marti Diann Norris and Amanda Belle Jones; six grandsons, Maxwell Wayne Martin, Robert Layne Norris, Chans Alden Martin, Audie Tray Martin, Darren Kenneth Jones and Seth Henry Martin. The grandsons served as casket bearers.

Honorary bearers were members of the Men's Bible Class.

New Oven

Patsy Lonsdale (left) and Lillie Hughes baked a whole batch of brownies in Farwell cafeteria's new oven last week, and say the newly-added oven makes preparing school

lunches a whole lot easier. According to cafeteria manager Robbie Johnson, the new oven will hold 10 cakes, compared to the nine cakes prepared in the old oven, baking them in half the time. The oven was purchased by the Farwell School Board for use in the cafeteria.

New Fryer

Another new addition to the Farwell school cafeteria is the new "Frialator," used for the first time on November 2. Shown with their new "kitchen

gadget" are cafeteria workers Robbie Johnson, Bea Howard and Vivian Cantrell. Also recently added to the cafeteria was a new oven, the

equipment being purchased by the Farwell School Board, to whom the cafeteria ladies expressed deep appreciation and thanks.

Farm Bureau Sets Open House Today

Parmer County Farm Bureau will be celebrating the opening of its new office building with an Open House set for Friday, Nov. 13, in Friona. The new office is located on East Highway 60, and is the former Adams Drilling building.

The open house celebration will take place from 9 a.m. to 4 p.m., and refreshments will be served. The public is invited to attend.

Many Thefts, Burglaries Reported To Sheriff

Reports of thefts and burglaries kept the Parmer County sheriff's office busy this past week, according to Sheriff Bill Morgan.

Gateway Farms Inc., of Bovina reported that their office had been burglarized the night of November 8 with approximately \$650 worth of office equipment being stolen. Sheriff Morgan said the burglars gained entrance to the office by breaking a window.

Bill Thornton at Tri-County Elevator in Black reported that a battery had been stolen from a company truck the night of November 7. Thornton placed a value on the missing

battery at \$50. Officials at Farwell High School reported that a window on the south side of the building had been broken the night of November 3. Morgan said that a rock had been thrown through the window.

E.R. Coffman of Farwell reported that sometime during the weekend of October 31 four tires were slashed on his car. Coffman said the value of the slashed tires was approximately \$60.

Charles Crandell of Clovis said that on November 4 a window had been broken in his car and the windshield had been shot with a .22 caliber

gun. Stolen from the vehicle, which was parked on east Farm-to-Market Road 145, was an audio box power booster.

O.C. Jones of Jones Supply in Friona reported that on November 6 his business had been burglarized and that \$160 in auto parts had been stolen. According to Sheriff Morgan, the burglars gained entrance by breaking a window.

Santa Fe Railway officials reported that gasoline had been stolen from a company vehicle sometime over the past weekend. The vehicle had been parked on Staline Road. The stolen gasoline was valued at \$25.

City Council Tables Decision . . . (Continued from Page 1)

attorney. Beginning with 1982 delinquent tax levy which becomes delinquent February 1, 1983, at which time we will pick up prior year delinquent taxes."

"I'm just not too crazy about the deal right now, and I make a motion we table it," said Chandler. The motion was carried and the decision on accepting the appraisal office contract will again be discussed at the December 14 meeting of the city council.

In other action taken Monday night, the council voted to invest some of the city's

money into new six-month Certificates of Deposit.

It was decided to take \$10,000 from the city's water department fund; \$30,000 from the city's general fund; and \$10,000 from the revenue sharing fund and place the amounts into six-month money market CD's.

The council members also cast their 79 votes for Gilbert Kaltwasser as a member of the Tax Appraisal District Board. It was announced that the

next public hearing on the proposed U.S. Highway 60-70 construction project will be January 11 at Texico City Hall.

The Farwell City offices will be closed Thursday, Nov. 26 for Thanksgiving.

Those attending the meeting at Farwell City Hall included Mayor Walter Kaltwasser, councilmen John Curtis and Fred Chandler, city clerk Janie Bowery, and water superintendent Dee Hammit.

Purely Personal . . .

(Continued from Page 1)
"Occupant" are getting lost. Mail service isn't anything to write home about.

The postal increases prove the postman wrings more than twice.

A friend of mine who often purchases things via catalog mentioned the other day that he was sending an order by U.S. Snail.

The post office certainly isn't letter perfect.

Why do they call it a "zip" code? Mail doesn't zip any place any more.

In the daily drama of dog and mailman, the mailman gets the bit part.

Electricity.

Knowing what it's worth is worth knowing.

One thing we've probably all learned is to have an appreciation of things that have worth and to know their value. How would you rate yourself on knowing the value of the electricity you use? Take this simple exercise.

1. How much was your electric bill last month? \$ _____
2. Divide 30 into your answer to Number 1. This was the approximate cost of your electricity per day. \$ _____
3. How many people are in your family? _____
4. Divide Number 3 into Number 2. This was the cost of your electricity per day per family member. \$ _____

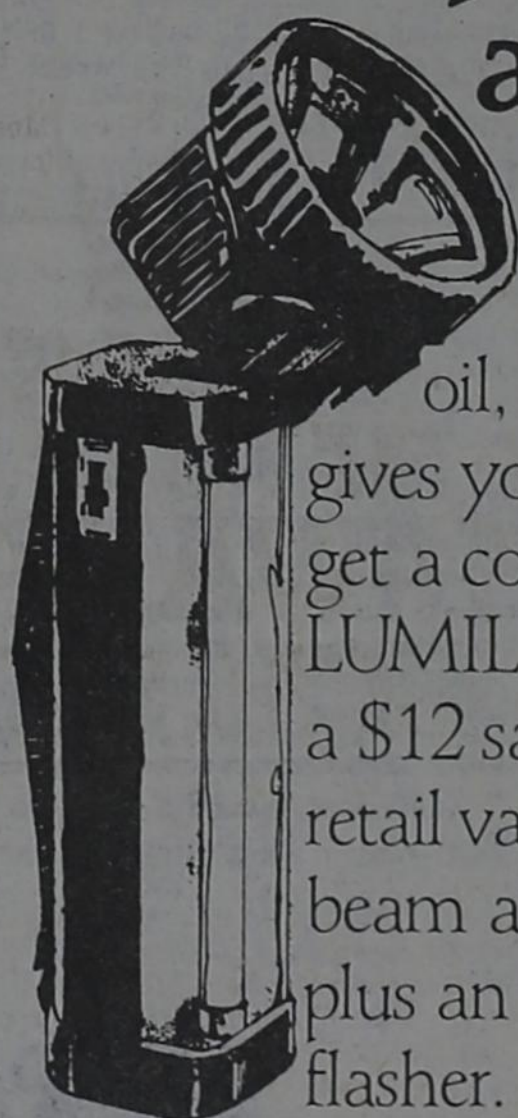

Knowing what electricity is worth is worth knowing. Just look around.

Texico Told To Comply With EID Regulations

Representatives of the Environmental Improvement Division (EID) office from Clovis met with the Texico City Council Tuesday night, advising the city fathers that their city is not complying with state standards on covering the city's land fill.

David Tanner and Boyd Hamilton advised the trustees that if compliance is not met the EID will take the City of Texico to court.

According to the EID representatives, the city's land fill is to be covered once a week in the summer and twice a month in the winter. However, city clerk Marie Christian explains that the reason the city has not followed the regulations is that Texico does not have the proper machinery. "But we'll just have

to use what we've got," she said. "All we can do is comply and do the best we can with what we have."

In other action taken at the meeting, councilman Truman Kittrell is to contact bidders on the destruction and leveling of condemned buildings and lots in Texico.

It was announced that revenue sharing reports may be viewed during city hall's regular business hours.

Those attending the meeting were mayor John R. Hadley, trustees Vane Doshier, Lewis Cooper, Donnie Morris, and Truman Kittrell; city clerk Marie Christian; and employee Billy Hammit.

Also present were Harry Patton, David Tanner and Boyd Hamilton.

Texico School Board Discusses New Bldg.

Members of the Texico School Board met Tuesday night and discussion of the proposed construction of a new multi-purpose room at Texico schools was the main topic of business.

The trustees met with Randell Kilmer and Associates Architects of Clovis discussing architectural designs of the proposed building.

Also, the members signed a contract with Quinn and Company of Albuquerque to serve as financial advisor for the upcoming bond election.

Date for the bond election has not been set by the board. School superintendent James Pierce had previously reported that the school board will ask Texico Municipal School voters to float a bond in February in

the amount of \$300,000. The amount will put Texico at its capacity and the board will then go to the state for capital outlay funding for over and beyond the \$300,000 amount.

In other business, the board discussed purchasing a new school bus for one of the new school routes for next year.

It was announced that an in-service training day would be November 25 and that the State School Board Meeting is December 4-5 in Las Cruces.

Those attending the meeting were Arlye Crooks, president; Herman Gerles, vice-president; and Roy Thornton, member. Also present were James Pierce, Marcia Leavell, Paula Leighton and Jim Palmer and Randell Kilmer.

District Court Results

The following cases were heard during District Court last week at the Parmer County courthouse, and the following sentences returned:

Richard Phillip Pena, 23, Muleshoe, found guilty by a jury, of theft of cattle and given four years probation.

Jose M. Vallejo appeared before a judge on a hearing of revocation of probation and was given a continuation of probation.

Mary Perez received two years probation for welfare fraud.

Wallace Stotts received three years probation for a charge of burglary.

Eddie Davis received three years probation for a charge of burglary.

Charles Snyder received 10 years probation on a charge of aggravated assault.

Renaldo Diaz, original charge of felony theft, was

reduced to misdemeanor and was fined \$750 and given 30 days, probated for six months.

A.P. Martinez received eight years probation on a charge of theft.

Johnny Martinez received eight years probation on a charge of theft.

Grand Jury Indicts Five

Parmer County Grand Jury met Monday, Nov. 9, and returned the following indictments:

Alfredo Alonzo, indicted for unauthorized use of a motor vehicle.

Fernando Tovar, indicted for charge of theft.

Louis Spears, indicted on a charge of burglary of habitation.

Harvey Schott, Jr., indicted on charge of DWI, subsequent offense.

Robert Moss, indicted on charge of forgery.

Monkeying Around

Those of us who had to work indoors on Tuesday were wishing to be out in the sunshine, and those who were out in the sunshine enjoyed it to the hilt. Farwell school playground equipment got a real workout during the bright fall afternoon as elementary kids scampered and played on the monkey bars,

swings and slides soaking up every bit of those sun rays. It was shirt-sleeve weather for the youngsters and while weather forecasters say the Indian Summer days should continue through the weekend, it won't be too long before those small-fry will be bundled up in jackets, mittens and hats.

Selective Service Registration Continues For 18-Year-Olds

Young men are required by law to register with Selective Service within 30 days of their 18th birthday. They may register at any U.S. Post Office.

Registration is a simple process. A man fills out a registration form which asks only for his name, address, phone number, social security number, and date of birth.

The purpose of registration is to have available on a computer the names of men born in 1960, and afterward, who could be contacted quickly if there ever were a national emergency and Congress were to declare an induction.

Peacetime registration will save the United States at least six weeks time in mobilizing its manpower in an emergency. This is especially important with today's All Volunteer Force. There are only two million men in the armed services today, but we would need many more men quickly should an emergency arise - for example, in World War II there were ten to 16 million men bearing arms depending upon the stage of the conflict.

Registration and revitalization of the Selective Service do not signal a return to a draft. They are simply emergency preparedness issues. President Reagan is firmly committed to

making the All Volunteer Force a success, supporting incentives to recruit and retain volunteers.

To date, nearly six million men have registered. Failure to register is a felony, punishable by a maximum penalty of a \$10,000 fine and/or five years in prison.

Roberts Hears Cases

Parmer County Judge Porter Roberts heard the following cases this week:

John Holly, 24, of Levelland, charged with DWLS was fined \$150 plus court costs.

Manuel Hernandez, 26, of Friona, charged with DWLS and possession of marijuana less than two ounces, was released on a \$500 bond pending county court action.

Benny Pena, 53, of Muleshoe, charged with DWI was released on \$300 pending county court action.

Dixie Pickard, 38, of Farwell, charged with passing worthless checks, fined \$1 plus court costs.

GOTCHA!

Four Inducted Into Honor Society

In a ceremony Thursday morning, Nov. 5, at the Farwell High School auditorium, four seniors, Janene Berry, Bowie Howard, Kay Geuther, and Ginger Ellison, were rewarded for their scholastic efforts in school when they were inducted into the National Honor Society.

The new members join 10 others who have met the requirements of membership to be inducted into the elite organization. They include Polly Turner, Dana Hukill, Tracy Williams, Doug Cole, Rocky Ford, Donna Meeks, Sharon Kalbas, Cathy Lovelady, Karen Magness, and Kelly Davis.

In order to be eligible, a student must have a grade-point average of at least 90 for two consecutive semesters, and maintain that average. Honorees must also demonstrate the qualities of leadership, scholarship, character and service.

Following the candlelight ceremony, members new and old, along with sponsor Howard Carlyle and principal Don Malone, enjoyed lunch in Clovis.

Honor Society Inductees

Newly-inducted members into the Farwell High School Honor Society are, from left, Janene Berry, Kay Geuther, Ginger Ellison and Bowie Howard. The four were inducted during formal ceremonies at the high school last Thursday and were then taken to a special lunch in Clovis. The new Honor Society inductees are all members of the senior class.

A Kid-Pleasing Cake

Kids deserve a special treat after a long, hard day at school. When your youngsters bring friends home for a snack, why not delight them with a chocolaty Teddy Bear Cake, made in a snap with a frozen Sara Lee Original Butter Recipe Cake.

Teddy Bear Cake

- 1 frozen Chocolate Single Layer Cake with Chocolate Icing (13 1/4 oz.)
- 2-3 round flat chocolate cookies
- 2 white gumdrops, cut horizontally
- 1 tube white decorating icing

Remove frozen chocolate cake from pan; cut 4 1/2 inch round "face" from one end of cake. Cut 2 oval "ears" about 2 1/2 x 3 inches from remainder of cake. Place on serving plate. Stack cookies; line up on lower edge of face. Decorate bear, using gumdrops for eyes and nose, white icing to make mouth and to outline ears. Makes 4 servings.

After making this chocolate Teddy, you may want to try other combinations — Banana Cake with Banana Icing (13 3/4 oz.) decorated with sugar cookies, black gumdrops and chocolate icing, or a fuzzy bear made of Coconut Cake (10 oz.), chocolate chip cookies, red gumdrops and pink icing.

MDA Chapter Offers Patients Free Flu Shots

The Panhandle Chapter of the Muscular Dystrophy Association (MDA) is offering free anti-influenza inoculations again this year to patients afflicted by muscular dystrophy and related neuromuscular diseases. Mrs. Gene Rodgers, president of the chapter, announces.

Children and adults afflicted with neuromuscular disorders are considered at high risk of serious illness if infected with influenza viruses and should receive flu shots annually as medically prescribed, she added.

The Panhandle Chapter of the Association will pay for flu shots for all patients it serves, whether shots are administered by patients' personal physicians or by physicians at MDA clinics.

The Muscular Dystrophy Association supports 241 hospital-affiliated clinics throughout the United States and Puerto Rico. In the Panhandle the MDA clinic is located at 1901 Medi Park, Amarillo.

Roy D. Hill

Completes Basic

Roy D. Hill, grandson of Mr. and Mrs. Edward S. Martinez of Texico, has completed Air Force basic training at Lackland Air Force Base, Tex.

During the six weeks at Lackland, the Texico High School graduate studied the Air Force mission, organization and customs and received special training in human relations.

In tradition, airmen who complete basic training earn credits towards an associate degree in applied science through the Community College of the Air Force.

The airman will now begin on-the-job-training in the transportation field at Offutt Air Force Base, Neb.

He is a 1981 graduate of Texico High School.

Arts And Crafts Fair Saturday In Clovis

Clovis Junior Women's Club will host its 7th Annual Arts and Crafts Fair in Clovis Saturday, Nov. 14, from 10 a.m. to 5 p.m. MST and Sunday, Nov. 15, from 1 to 5 p.m.

The fair will be in the Curry

At FTA Convention

Four members of the Farwell High School chapter of Future Teachers of America traveled to the district convention Tuesday at West Texas University Activity Center in Canyon.

Attending from Farwell were, from left, Jennifer Stancell, Sharon Kalbas, Dana Hukill, Kelly Davis and sponsor Pat Graham. Over 55 chapters were represented at the convention

Stuff The Turkey, Not Yourself!

Eating is a delightful and traditional way to celebrate holidays and special occasions. It is a shared experience, from the food preparation itself to the fancy silverware on the table. Good food can make a special occasion even more special.

But many would-be dieters declare an "open season" on eating with the first bite of Thanksgiving Day turkey, notes the Texas Medical Association (TMA). The binge usually ends with a New Year's resolution to lose the ten pounds gained during that month of sheer gluttony.

Now is the time to reconsider this attitude towards eating.

First, think of the fat. Next, think of the guilt.

All the time that you're stuffing yourself with rich, greasy, calorie-laden food, a small voice in the back of your mind will be nagging you about your sins (and about not fitting into last year's winter wardrobe). While that voice may not slow your pace, it will hamper your enjoyment.

You may want to temporarily abandon your diet at Thanksgiving. Well, you're forgiven, but remember that you'll have to pay the price later. Why not plan out your caloric transgressions? If you know that you'll be eating a huge Thanksgiving dinner next week, cut down on your food

intake this week. That way your calories will balance out.

But for all of you with iron wills who are determined to look glamorous and slim at your Christmas Eve gathering, there is good news. It is possible not to waddle away from the Thanksgiving feast. Some foods typically included in the traditional dinner are relatively low in calories, while others, seemingly harmless, are caloric disasters.

Green beans, for example, are very low in calories. Load up on them. And turkey itself, particularly the white meat, is fairly low. Even gravy isn't too bad. But watch out for the cranberry sauce, and the extra dollop of whipped cream on that extra slice of pie. Mixed drinks are caloric traps, so it may be wise to stick to wine.

If you think about what and how much you're eating, you may even be able to walk away from the table without groaning and vowing, "Never again!"

Farwell C of C Sets Banquet

Farwell Chamber of Commerce members met recently for their regular monthly gathering and decided to hold their annual banquet on March 12, 1982.

It was decided not to have a keynote speaker, but entertainment will be provided. The

usual fare of steak and trimmings will be served at the banquet to be in Farwell school cafeteria.

It is at the annual C of C banquet that Farwell's Man and Woman of the Year are announced.

Scrap-Craft Fun with Edna

Turkey from a Paperback

Fashion a fairly thick paperback book into a tantalizing turkey decoration.

Just fold each page, as shown. Glue the covers together to get the completed shape for the body. Spray paint and let dry.

For his impressive tail, fanfold a 12" x 18" piece of brown wrapping paper crosswise into 1" folds. Then make two more layers of fanfolded colored paper: one 9" x 18" and one 6" x 18". While folded, cut pleats to a point at one end. Fit all three layers of folded paper together.

With a pointed tool, punch a hole through the bottoms of all three fanfolded pieces. Insert wire and twist together to hold. Glue the tail to the body.

Cut the head and wattle, about 7" high, from stiff paper. Add eyes. Glue the head between the folded pages of the body. Arrange your turkey on a cardboard base.

You may decorate the base with ruffled crepe paper or leaves.

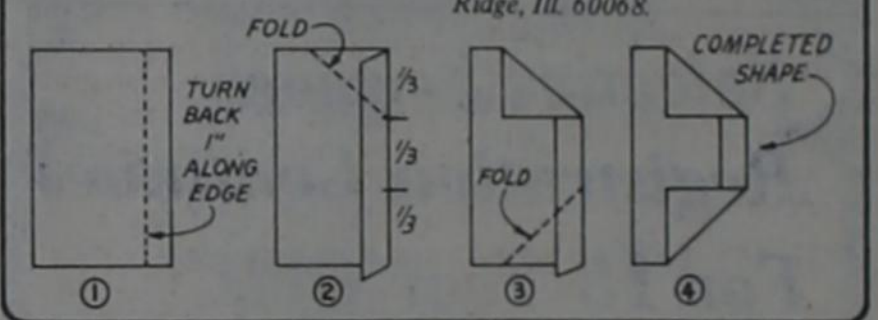

Favors

For clever favors to accompany the turkey centerpiece, make quickie turkey nut cups.

For the turkey's tail, fanfold a piece of paper about 3" x 8". Glue it to one side of a nut cup. Cut out a turkey head and wattle, with tab, from double thickness of paper so the tabs can be spread for gluing. Attach to cup opposite tail. Ink in little features to complete the favor.

Here's a treat for the holiday hostess — a whole book of ideas for decorations throughout the year, called "Centerpieces and Favors." To get your copy, send 75c with your name and address for book No. 118 to:

Girlstown Shower Announced By ESA

Members of Theta Rho chapter of Epsilon Sigma Alpha sorority are sponsoring a shower for Girlstown USA Saturday, Nov. 21, at Hamlin Memorial United Methodist Church in Farwell.

The shower will be from 10-11:30 a.m. CST and is being

held to acquire needed items for the newly-constructed Girlstown dorms.

Chairman Neil Walling says that Mrs. Wanda Cooper, wife of the Girlstown Executive Director, as well as some of the residents, will be at the shower to accept the gifts. All

residents of Twin Cities area are encouraged to attend.

Mrs. Walling said that some of the needed items include dish towels and dish cloths, bath towels, wash cloths, twin size blankets, bed pillows, 1-gallon size tea pitchers, coffee pots, electric toasters, electric can openers, 2-quart size serving bowls;

Also, large baking dishes, covered refrigerator containers, clocks, (hanging and individual), bean bag chairs for play rooms, large floor pillows, and book shelves for playrooms.

Cash donations will also be accepted, she said. For further information on the shower, contact Mrs. Walling at 481-3556.

Son Born To R. Stewarts

Mr. and Mrs. Randy Stewart of Brownfield announce the birth of their second son born October 26 in Lubbock.

Joshua Mark made his arrival at 5:31 p.m., weighing seven pounds and four ounces.

He has a brother, Aaron Michael, age two and one-half.

His grandparents are Mr. and Mrs. Bill Pennington and Mr. and Mrs. Neil Stewart, all of Farwell.

Great grandparents are Mrs. Ella McIntyre of Portales, Mr. and Mrs. S.K. Shelburne of Norton, Tex., and Leltie Chapman of Abilene.

Celebrates 1st Birthday

Meredith Marjorie Howard celebrated her first birthday on October 31 in the home of her parents. She is the daughter of Mr. and Mrs. Lee K. Howard of Clovis.

Refreshments of Jack-o-lantern cake and ice cream cones resembling a witch were served to the honoree and her relatives and friends.

Those present in addition to her parents were her grandparents, Marjorie and Donald Watkins of Farwell and L.K. and Bly Howard of Clovis; her great-grandmother, Mrs. G.T. Watkins of Farwell; aunts, Jill Watkins and Anna Marie Howard, both of Clovis; uncle, Scott Watkins of Farwell; and Cheryl and Dustin Whitener and Wilma Whitener, all of Clovis; and Steve Price of Clovis.

MEREDITH HOWARD

Call 481-3681

November Wedding Set

Mr. and Mrs. Odell Edge of Texico announce the engagement and approaching marriage of their daughter, Tammy, to Alex J. Nabours, son of Mr. and Mrs. Robert Nabours, also of Texico.

Marriage vows will be exchanged November 21 from the New Liberty Baptist Chapel in Clovis at 2 p.m. MST.

The bride-elect is the granddaughter of Garland and Nadine Edge of Texico and is a junior at Texico High School.

All friends and relatives are cordially invited to attend the ceremony.

Case Worker Hired By Welfare Board

Carla Majors of Dimmitt has been hired by the Parmer County Child Welfare Board as the county's new caseworker, dealing with child abuse and neglect.

Mrs. Majors replaces Kathy Jackson who resigned from the post in mid-July of this year. The newly-hired caseworker is a registered nurse.

"It is good to have Carla on the job, pursuing those problems that have arisen since Kathy left," said a spokesman for the Parmer County Child Welfare board.

At their recent meeting, members of the board spent time getting acquainted with Mrs. Majors, and discussing various county-wide problems that have arisen in the past two to three months.

Also discussed was the display the organization had at the recent Maize Days celebration in Friona. The board expressed slight disappointment at the amount of popcorn sold, but voiced hopes at having greater success at the Friona Christmas in November

festival. Special thanks was given to workers Bessie Holt and Robert Gallman in regard to the Maize Day booth.

The Friona United Methodist Church has offered the use of a room in the church to be used as a clothing closet for the Parmer County caseworker. The idea is to have clothes available for needy Parmer children.

New board members are to be installed at the organization's next meeting, slated for Thursday, Oct. 29, at 7:30 p.m. at the Bovina State Bank.

Also at the October meeting, the board hopes to have Debbie Ferriter, the Foster Parent Placement Worker, as a special speaker.

The Board is also expected to make some final decisions on future actions it will take concerning prevention of child abuse and neglect, and in actions promoting public awareness of the existing problems, at the October meeting.

Farwell Book Fair Set For Next Week

A reminder that the Farwell Elementary School student book fair will be November 16-20 at the school library.

Pat Graham, fair chairperson, says students will be able to browse and purchase books during the hours of 8:30 a.m. - 3:30 p.m. CST. The book fair is being sponsored by the Future Teachers of America at Farwell High to encourage student interest in reading and in building home libraries, Mrs. Graham said. "All profits will be used for the Future

Teachers of America club," she said.

All reading interests will be represented at the fair, including classics, fiction, biographies, adventure stories, science, nature, crafts, mystery, and reference books.

The book fair committee invites all students, parents and visitors to attend the fair.

TELL OUR ADVERTISERS YOU SAW IT IN THE TRIBUNE!

Paint 'N Place Plans Annual Art Show

The annual Christmas Art Show sponsored by members of Paint 'N Place Art Gallery of Clovis will be Sunday, Nov. 15, from 2-5 p.m. CST.

Featuring original paintings in all mediums, the show will be at the gallery, located at 900 Pile Street in Clovis. An added attraction at the show will be holiday table decorations, wood

sculpture, soft sculpture, and silk arrangements.

The pre-holiday showing and sale is the perfect place to shop for special Christmas gifts or holiday decorations.

The original paintings, featuring seascapes, landscapes and southwestern scenes, are in oils and watercolors.

Artists whose work will be displayed at the show and sale include Peggy Snider, Tessa Lyons, Yvette Durham, Mollye Nieves, Lucille Muse, Nallie Mae Pipkin, Mary Lena Burke, Barbara Black, Jody Johnson and Dorothy Franklin.

All Twin Cities residents are cordially invited to attend.

D. Obenshains Have Daughter

Pfc. and Mrs. Dwayne Obenshain of Farwell announce the birth of their first child, a daughter, born November 6, at Cannon Air Force Base Hospital in Clovis.

Marcia Anne was born at 9:06 p.m., weighing six pounds, 10 ounces, and was 20 inches long.

Her grandparents are Mr. and Mrs. Harlin Obenshain of Farwell and Mr. and Mrs. Jerry Nemitz of Houston.

Great-grandparents include Mr. and Mrs. Hirlo Hicks, Lake Buchanan; and Mr. and Mrs. Fred Nemitz, Kankakee, Ill.; Mr. and Mrs. Oris Hubbell, Clovis; Zel Obenshain, Rogers, Ark.; and Harvey Obenshain of Bentonville, Ark.

Great-great grandmother is Grace Hubbell of Helena, Okla.

Thursday Reminder

Texico-Farwell Senior Citizens will have their annual Thanksgiving Dinner Thursday, Nov. 12, their regular potluck dinner and games night.

The turkey and fixings meal

will begin at 5:30 p.m. MST at the Senior Citizens Center in Texico.

Both the Texico and Farwell volunteer fire department members and their wives are invited to attend.

Upholstery Is Topic Of Homemaker Meeting

Peggy Jones of Farwell presented a program on types of upholstery at last week's meeting of Farwell Young Homemakers at the school home economics building.

Mrs. Jones demonstrated techniques for re-upholstering furniture for the home and for upholstering automobiles etc. She also gave hints on types of fabrics to use for various types of upholstery projects.

During a business session, members discussed pecan sales and also made plans for the Thanksgiving Social set for November 19. Other items discussed included how the homemakers would participate in the November 21 shower for

Girlstown USA.

It was announced that several members of the group would leave Wednesday to attend the State Young Homemakers convention in Dallas where they will be observing the 20th anniversary of Texas Young Homemakers.

Ruth Anne Bennett, hostess, served pecan pie and spiced tea at the close of the meeting. Present besides Mrs. Bennett were Martha Wheeler, advisor; Peggy Jones, guest; and the following members: Becky Bowery, Sheree Montgomery, Tina Sides, Beverly Foster, Sharon Eubanks, Gwen Corn, Patsy Camp, Nelda Wilhite and Cindy Billingsley.

Mrs. Thigpen Hostess To Meeting

Cynthia Thigpen was hostess for the regular meeting of Alpha Rho Lambda chapter of Beta Sigma Phi sorority Tuesday night.

The opening ritual was led by the president, Anita Ralston. Plans for the Annual

Pancake Breakfast were discussed and it was announced that the Pledge Ritual will be conducted at the next meeting. Closing ritual was led by Mrs. Ralston.

A program on friendship was given by Gay Goetsch, and the door prize was won by Kendale Burch.

Refreshments of coffee,

punch, soft drinks, cake, cookies and cheese balls were served to members Pauletta Curtis, Mary Ann Lingnau, Nedda Travis, Charlotte Donaldson, Pam Smith, Kendale Burch, Gay Goetsch, Sandra Joiner, Joan Johnson, Anita Ralston and Gloria Hutchins, and one rushee, Peggy Goetsch.

The Gymnastics Elite Club would like to invite you to their exhibition Wed., Nov 18 at 2:54 p.m. in the Farwell High School Gymnasium. They will be demonstrating their tumbling skills along with part of their apparatus equipment

Baptist Women Have Royal Service Program

The Baptist Women of First Baptist Church of Texico met at the church Wednesday, Nov. 4, for their regular Royal Service program with chairman Mora Schlueter in charge.

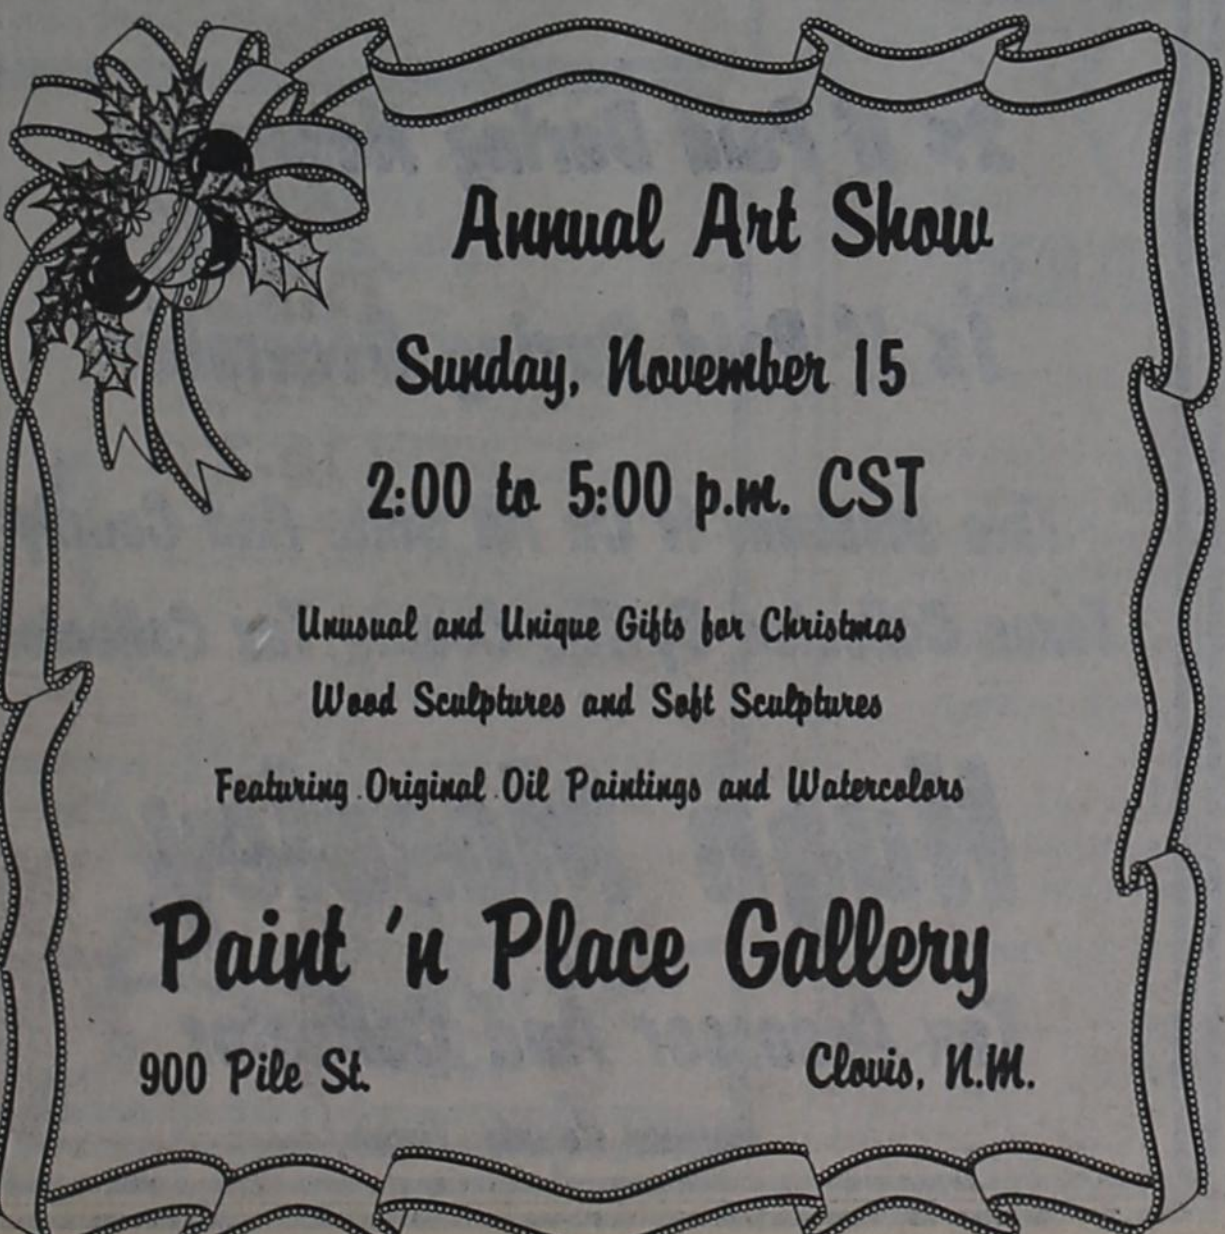

The meeting was opened with Lois Hudnall playing on the piano, "Blessed Redeemer." She read the scripture taken from Psalms 119:1-8 and then read the names of missionaries having birthdays that day. Mrs. S.G. Jones led the group in prayer.

Theme of the program was "Needed: Evangelism and Church Development Mission-

aries" with sub-topics being "Edna Frances Dawkins," "Zach and Barbara Deal," "Nurturing Young People," "Building Churches," and "We Need More Missionaries Like The Deals," with Mora Schlueter, Velma Kelley, Mary Dell Brown and Bobbie Gilliam giving those parts.

Mrs. Schlueter gave the closing remarks and then she dismissed the group in prayer.

Present were Mesdames Helen Bowers, Lois Hudnall, Mary Dell Brown, Allie Burris, S.G. Jones, Bobbie Gilliam, Velma Kelley, Mora Schlueter and Gracie Dane.

Steers Shock Wolverines For Second District Win

by Doug Cole
Farwell School Correspondent

The Farwell Steers took advantage of 3 Wolverine Turnovers, and came back from a 7-6 halftime deficit to outlast Springlake-Earth 16-13 Friday night before the home crowd at Steer Stadium.

Christmas came early for the Blue and White, as the Wolverines, defending district champions, presented the Steers with 6 turnovers, 3 of which were cashed in for scores by the local team.

Throughout the better part of the first half, the Steers wore out the field between the 30-yard lines, but were unable to get on the scoreboard.

Quarterback Alan Eubank was stopped short of a first down on a fourth and 3 situation at the Wolverine 11 late in the first quarter, and an interception halted a Farwell drive on the Springlake 33 early in the second stanza of play.

However, the Blue and White defense bottled up the Wolverines and prevented them from scoring first in the district contest.

Doug Teel recovered a fumble on the Steer 42 in the first quarter to halt a Springlake drive. On a fourth and 9 at the Steer 29, safety-men Jimmy Bernal and Brent Green broke up a pass to keep the game scoreless midway through the second quarter.

Santiago Lucio thwarted another Wolverine drive with his fumble recovery at 4:32 in the second quarter.

The Steers got the break they needed to go ahead in the game when Springlake fumbled a punt return deep in their own territory with just over two minutes left to play in the first half. Roger Robertson, on a fine head's up play, pounced on the loose ball at the Springlake 14-yard line.

Four plays later, Eubank drove over from the one to put his team on the scoreboard. Raymond Sierra's PAT kick was just wide of its mark, leaving the score at 6-0 with 23 seconds left to play in the half.

The Steers' slim lead was wiped out on the very next play, however, when Wolverine speedster Lorenzo Monreal took the ensuing kickoff and blazed 95 yards for a touchdown that knotted the score at 6.

Ramon Olivera's PAT kick with 16 seconds left in the half gave his team a one-point advantage at halftime, 7-6.

The third quarter was a pivotal one indeed, as a high-powered Steer offense scored twice, thanks to an opportunistic Blue and White defense that forced two turnovers.

Robertson picked off an errant Wolverine pass half-way through the third quarter on the Steer 45 to spark his team on a long scoring drive.

Farwell drove 55 yards in 10 plays to pull ahead in the battle. Robertson kept the drive alive with an 11-yard pass reception on third down in that crucial series.

Eubank scored his second 6-pointer on another one-yard plunge to cap the drive, giving the Blue and White a 12-7 lead. Sierra made it 13-7 with his successful kick for the PAT.

Less than two minutes later, Sierra jumped on yet another Wolverine fumble, this time on the visitors' 15-yard line. On a fourth down at the Wolverine 17, Sierra kicked his second

field goal in two games, a 34 yarder that put the Steers up by 9, leading 16-7.

The Wolverines managed one more touchdown, a fourth-quarter 26-yard touchdown pass that narrowed the Steer lead to three, 16-13, but Sierra's field goal proved to be the difference in the game.

A hard-hitting Steer defense obliterated the Wolverines' hope of a game winning score with several outstanding defensive efforts. Green, having another great game at his safety position, snagged an interception, and Claud Gobble, Lucio, and Sierra sacked the Wolverine quarterback four times in the closing minutes of the clash to preserve a 16-13 Farwell victory, their second in loop competition.

Steer Coach Bruce Dollar was indeed pleased with his team's second district victory, saying, "We've done a lot better than some people ever thought we would this season." On defense, Dollar cited

players Claud Gobble, Raymond Sierra, Doug Teel and Alan Eubank for their contributions, and offensive players Ricky Armstrong and Santiago Lucio received praise from their coach. Dollar pointed out that both Armstrong and Lucio had about 80 yards rushing each.

Tonight (Friday) the Steers will tackle county-rival Bovina at Mustang Stadium, with both squads battling it out for the third place district ranking.

"Bovina is going to score. No one has stopped them from doing that yet. We'll just have to score more than they do," Dollar commented.

"I think everybody knows about Bovina. It'll be a very good game because of the rivalry," he said. Game time is 7:30 p.m.

| STATISTICS | | FARWELL | SPRINGLAKE |

Touchdown Blue!

After a scoreless first quarter, and most of the second quarter, Farwell crossed the goal line with a mere 29 seconds remaining in the half to put the first points on the board during their clash with the Springlake-Earth Wolverines last Friday night. Alan Eubank pushed the pigskin across the goal line, but a PAT

kick by Raymond Sierra was unsuccessful, leaving the score at 6-0. Farwell defeated the visiting Wolverines on Sierra's 35-yard field goal, 16-13, for their second district win. The Steers will travel to Bovina Friday night for the season's final game. Bovina and Farwell hold equal district records of 2-2.

Steerettes To Be In Thick Of Title Chase

by Doug Cole

Farwell School Correspondent
With three starters who attained post-season honors returning from last year's winning team, second-year coach Vester Joiner's Farwell Steerette basketball team could cause quite a stampede in the District 3-AA title chase.

Back from their 14-10 campaign of a year ago are starters Ginger Ellison, Karen Magness, and Janene Berry.

Berry, a guard, and Magness, a forward, were both first team All-district 3AA choices at their respective positions for the 80-81 season, while Ellison was an Honorable Mention selection at post.

Berry, who will direct the Steerettes' fast-break offense from the point-guard slot, was christened by Joiner as being "one of the better players in the area." She will have plenty of back court help from Sharon Kalbas, and Leslie Castleberry, the leading scorer on last year's Junior Varsity team. All three were praised for their shooting and quickness on defense by Joiner.

Returning lettermen Kay Geuther, Donna Meeks, Sandra Coates, and Jennifer Williams will join Magness and Ellison up front at the forward and post positions. According to

Joiner, "The girls showed much improvement over the off-season in their shooting and rebounding." Kelly Davis and Suzahn Inman will add their J.V. experience to complete the lethal Steerette front court.

As with most teams in their size classification, one weakness the team might experience is lack of depth. However, Joiner hopes to offset that weakness by capitalizing on the girls' excellent shooting and speed.

"Last year, they found out they could win," commented the coach. "They developed a winning attitude. This season, they know they can win."

Joiner believes that Springlake-Earth and Vega pose the toughest competition in the district. Springlake, the defending District 3-AA champions, has two starters back, and Vega has several girls returning also. "But," Joiner predicts, "barring injuries, we'll give them a run for their money."

Like the Steers, the girls will play in three tournaments, at Anton, Spade, and Farwell. The Steerettes will also battle two class 3A teams, Muleshoe and Friona.

On November 17, the Steerettes will be at home against Friona, beginning what promises to be a successful year.

Varsity Steer Roundballers

Look Forward To Big Season

by Doug Cole

Farwell School Correspondent

A host of players moving up from the junior varsity will join two returning starters on the 81-82 edition of the Farwell Steer basketball team, which, according to Steer Coach Mike Martin, has the potential to be "a definite contender" in the district race.

Senior guard David Daniel, an all-loop selection a year ago, and sophomore Alan Eubank, who started every game as a freshman last year, will shine in the Steer back court. Martin claims Daniel to be "one of the very best shooters I've ever coached," a claim shared by the other coaches in the area as Daniel was a pre-season Top 10 Texas Honor Roll pick.

On the subject of Daniel's compadre at guard, the Steer boss went on to say, "I'll be real surprised if Alan is not just real tough this season."

Joining those two in the back court will be Brent Green, Nicky Liethen, Jimmy Bernal, and Roger Robertson, a group Martin praised for their great speed and defense.

Topping out the list of the inside players is senior post-man Claud Gobble, whom Martin says has the potential to be "the best post in the district." Teaming with Gobble on the Steer forward wall will be Dale Sikes, who saw action in the final two games last season for the Blue and White, while Raymond Sierra, Steve Smith, Dennis Dollar, and Jay Anderson will add muscle up front.

Martin, who directed the team to an 8-14 record last season, hopes to employ a "fast-break" type offense this year, and cited lack of depth and speed as possible weaknesses. However, the team possesses a "great attitude," according to Martin, and will be "a pleasure to coach."

The Steer mentor believes that both Bovina and Vega will have strong teams in District 3-AA, with Kress looming as a darkhorse. But, he promises that Farwell "will be a contender for the district championship."

7th Loses 26-22 - -

8th Yearlings Take Win, 30-0

Farwell 7th and 8th grade Yearlings split their games last Thursday at Springlake-Earth, the 7th graders suffering a 26-22 heartbreaker, and the 8th graders taking home another victory, keeping their 1981 season untarnished.

The 30-0 win over Springlake-Earth for the 8th grade squad pushed their season tally to 8-0, and if they win Thursday against Bovina the young Blue and White team will be the first ever to end a Farwell season with an undefeated record.

It was a pass from Alan Spence to Steven Jaime in the first quarter that put the

Farwell boys on the board with the first TD. A 2-point PAT run by Kevin Owen was good and the score stood at 8-0.

Farwell continued to move the ball but "mental errors" kept them from crossing the goal line again in the first half according to Coach Mike Prokop, and the score remained 8-0 at the half.

But two minutes into the third quarter, Owen blasted from the line of scrimmage for a 60-yard TD run for another Blue and White score. Jaime ran the 2-point conversion and Farwell led 16-0.

Defense remained strong, and the offense continued to

add points.

With a minute and a half remaining in the third quarter, Alan Spence threw a 45-yard pass to Eric Williams to set up the next touchdown. The next score came from Jaime who scooted from the 4-yard line across the goal for the next touchdown. Owen added the 2 extra points placing the score at 24-0.

A 30-yard pass in the fourth quarter from Jaime to Williams who stood in the end zone was good for the next TD. The PAT attempt failed and the score stood at 30-0.

The entire team played a tremendous game," said Coach Prokop. "The defense really played super. Everyone really played great."

The Yearlings were to have played their last game of the season Thursday at 5 p.m., hosting the Bovina Mustangs.

"If we win this game the 8th graders will be the district champions, and it will be the first time a Farwell team has gone undefeated," Prokop pointed out. "Bovina has only lost one game this season, losing last week to Hart. We need to beat them."

Prokop encourages the entire community to attend this important Yearling football game, saying he wants to see the bleachers full of spirited Yearling fans.

Farwell's 7th graders were also to take on the Mustangs Thursday afternoon, hoping to come back after their 26-22 loss at Springlake-Earth. "The boys are very much improved from the first of the season," Prokop said. "It was a heartbreaking loss. They played very hard."

Terry Stancell racked up all the 22 points for Farwell. Prokop cited front line players David Woods and Jason Schilling for their contributions to the effort.

Go Willie Go!!

Wolverine Willie Bibbs [46] managed to scamper for 56 yards during last Friday's state play-off game at Capitan, but the Tigers were ready for Bibbs and didn't let him get too far on any of his 22 carries. Texico squeaked past Capitan 7-6.

scoring the winning TD in the final 12 seconds of the game. Coach David Lynn remarked that Texico and Capitan were equally matched and that the Tigers played the Wolverines "tooth and nail." The Green and White plays for the state crown

Friday at 2 p.m. MST at Reserve, hoping to bump the Mountaineers from their 20-game winning streak and take the state title from them. [Texico Schools Photo by Ronnie Warmuth.]

Texico Outwits Tigers, Vies For State Crown Fri.

Texico Wolverines remained scoreless last Friday night until the last 12 seconds of the state semi-final game against Capitan, but according to Wolverine Coach David Lynn, "Poise, concentration and character" kept the Green Machine on the unbeaten track as they managed to outwit the Tigers and win the match 7-6.

It was a game of defensive powers throughout, and Lynn admits that his Wolverines and the Capitan Tigers were "obviously equally matched. Capitan played us tooth and nail."

But what it all boiled down to in the end was that in the final half minute of play Kent Harding blocked a Tiger punt to give his team possession and set up the Wolverine touchdown. Brad Steward came in to make a big play and Lloyd Williams kicked the winning PAT as the clock ticked away the final seconds of the match. The first three quarters of

the contest were up and down for both teams with neither able to cross the goal line. But early in the fourth stanza Capitan's Grady Eldridge broke loose and ran 35 yards for a Tiger score. The Tigers missed their extra point, a miscue that was to make the difference in the game.

Texico began a scoring drive midway through the fourth quarter and marched down to the Tigers' 1-yard line. But the strong Capitan defense stopped the Green and White on downs and took possession at their own 6-yard line with 2:30 remaining in the contest.

Texico was not about to let the 'Cats take away their year long dream and the defense stopped the Tigers on three plays, forcing a punt.

Texico put its "Rush 10 Defense" on the field, led by Harding who blocked the punt, and Texico recovered at the 12-yard line with 27 seconds

remaining in the game. Coach Lynn had already seen his 1980 Wolverine squad go down to defeat last year in the semi-finals against Reserve, and he wasn't looking for a repeat this season. So out came the bag of tricks.

Lynn sent in his reserve sophomore quarterback Brad Steward and lined him up as a running back. Senior quarterback Jerry Wimberly pitched the ball to Steward and proceeded to run out the back door. Wimberly was then wide open and all alone as Steward hit him with a perfect halfback toss that put Texico on the board with 6 points.

Seconds later, Lloyd Williams booted the winning extra point putting Texico ahead by one crucial point.

Texico kicked to Capitan, but the clock had run out for the Tigers and they had lost their bid to return to the state

championship game. "Defense played an excellent ball game," said Lynn. "I was a little disappointed offensively. It wasn't because of lack of effort, the effort was there. I guess we just had the play off jitters."

"Our kids deserve a lot of credit. A team with a little less character couldn't have done it. They kept pulling until the very end," Lynn remarked. "Our boys showed a lot of poise and confidence."

So now it is down to the wire. Texico will play Reserve, a team who hasn't been beaten in over two years, for the state crown. "They are going for their 20th straight win and their second year as state champions. I sure hope we can upset that apple cart," Lynn said.

The Mountaineers are a seasoned, experienced team, according to Lynn who said that this year's new coach didn't have many holes to fill as the team had 18 returning starters, 9 on each side. "They have definitely got the advantage going into this game, especially because it will be played on their field. But we have the opportunity to

win it and I think we can. We still haven't played our best ball game yet," Lynn said. "The key to it will be to throw the ball more. We'll have to open it up more than in the past."

Texico's coach is disappointed about only one thing, the fact that the game is being played Friday afternoon instead of Saturday afternoon. He feels as though a Saturday afternoon game would have allowed more Texico fans to attend. "I opted for a Saturday game so that we could get more people there. But the host school decides if there is any disagreement and Reserve went for Friday, even though I pleaded my case for Saturday."

Game time is 2 p.m. MST and coach Lynn says, "I'm real thrilled to be able to be in this ball game."

NEWS OF SPORTS

For the first time in history, an American youth team has qualified for a major international soccer championship. Our young athletes will compete with 15 of the best teams from around the world in the Federation International de Football Association (F.I.F.A.) World Youth Championship on October 3-18, 1981.

The winner takes home the coveted Coca-Cola Cup, U.S. soccer fans will get a break, too. Underwriting the first-ever U.S. television broadcast of the championship on PBS in McDonald's.

The U.S. team comes to the championship as runner-up in the CONCACAF (North, Central America and Caribbean) youth tournaments. Our team defeated Barbados 5-0, the Netherlands Antilles 3-0, El Salvador 2-0, Antigua, 3-1, Bermuda 2-1 and Honduras 9-8. We were defeated only by Mexico, 2-0, in the finals. Just the entry of the U.S. in these championships should mean some real kicks for many sports fans.

Upcoming Sport Events

Farwell Steers play their last season game Friday night at Bovina. Game time is 7:30 p.m.

Texico varsity Wolverines travel to Reserve Friday for the state finals play-off game to begin at 2 p.m. MST.

Farwell Junior High Yearlings host Bovina Thursday, Nov. 12, at 5 p.m. Both 7th and 8th grade teams will play.

Texico varsity volleyball girls will be in Albuquerque Thursday at the State Tournament. They play Mountainair Thursday at 7 p.m. MST.

Farwell basketball gets underway Tuesday, Nov. 17, under the Steer and Steerette nets against Friona. Games will include varsity and junior varsity boys and girls, beginning at 4 p.m.

'Horns End Season With Un-Happy Loss

Lazbuddie Longhorns closed out their season last week on an un-Happy note, losing to the Happy Cowboys 42-7.

"We just couldn't pull it together," remarked coach Terry Campbell, adding that perhaps because it was the last game of the season his team had lost some of its fight. "We have been beaten pretty bad this year. But they kept right on trying. Maybe this game was a little too much."

But Campbell looks forward to a good season next fall, saying that he'll lose only four seniors this year, leaving only four holes to fill.

Daniel Schacher scored the Longhorn's only touchdown, placing Lazbuddie on the board early in the first quarter to

lead 7-0. The Schacher TD came from a 25-yard pass from quarterback Casey McBroom. Terry Steinbock's kick was good for the extra point.

For the year, Bart Elliott was the team's leading rusher and tackler with 833 yards on 187 carries, and 142 defensive tackles.

Steinbock followed with 183

yards on 79 carries and 76 tackles.

For his booting power, Steinbock had a 38.3 punt average for the season.

Lazbuddie had 335 points scored against them this season, while placing only 50 points of their own on the board.

Marching Wolverines Earn Second Place

Texico marching Wolverine Band came away with a second place trophy last Saturday after competing in the ENMU Homecoming Parade in Portales.

Although the Wolverines were awarded second place, director Jerry Sadberry said, "In my opinion, this was the best performance of the Texico Band since I have been here," and added that the band had

really improved over the past few years.

Other schools competing with Texico were Melrose, Ft. Sumner, and Dexter, who won first place.

Following the parade, the bands were fed barbecue lunch before attending pre-game football ceremonies where the trophies and awards were presented.

The band will be preparing for the upcoming concert season beginning Monday.

Texico's This, That And The Other

Mrs. Ann Pierce's second grade class is starting to learn how to write in cursive.

Mrs. Kay Singleterry's third grade class did a play on "The Little Pumpkin" for Halloween. Her students also did a finger puppet play and had a Halloween party.

Dale Schwartz's class of third graders has a pet preying mantis. She has recently laid some eggs. The class also had

a Halloween party and did a magic show.

Mrs. Alice Richmond's fifth grade class made salt maps last week. The maps indicated the different states.

Mrs. Nona Beth Holloman's fourth grade class has a new student named Jack Ashley. The class also had a Halloween party.

Mrs. Maben's physical science class is doing lab work, making mercury.

Famed Taos Artist Visits Texico Class

Whether it be your occupation or hobby, it is always a thrilling experience to meet a professional, or someone who is well-known in the field which you are also pursuing or enjoy. Texico student artists had the opportunity to meet one of New Mexico's most famous artists last week, Julian Robles of Taos.

Robles visited Sylvia Burgett's art classes last Thursday, and showed the students his techniques used in creating portraits, a knack he has turned into big cash, as the Taos artist receives up to \$35,000 for one of his original portraits or Indian scenes.

His model for the day was Willie Bibbs, and the prized

finished piece of art was then presented to the school by Robles, something school superintendent James Pierce, is most proud of.

Among Robles' numerous honors include the Bronze Plaque, awarded by the Pastel Society of America for a pastel painting entitled "Pueblo Indian Dancer." The Taos artist is also represented by a first prize award in the Governor's Collection at the New Mexico State Fair Headquarters. Robles is a member of the Pastel Society of America and was a founding member of the Taos Six Society of Artists.

"I find it exciting and satisfying to capture the life

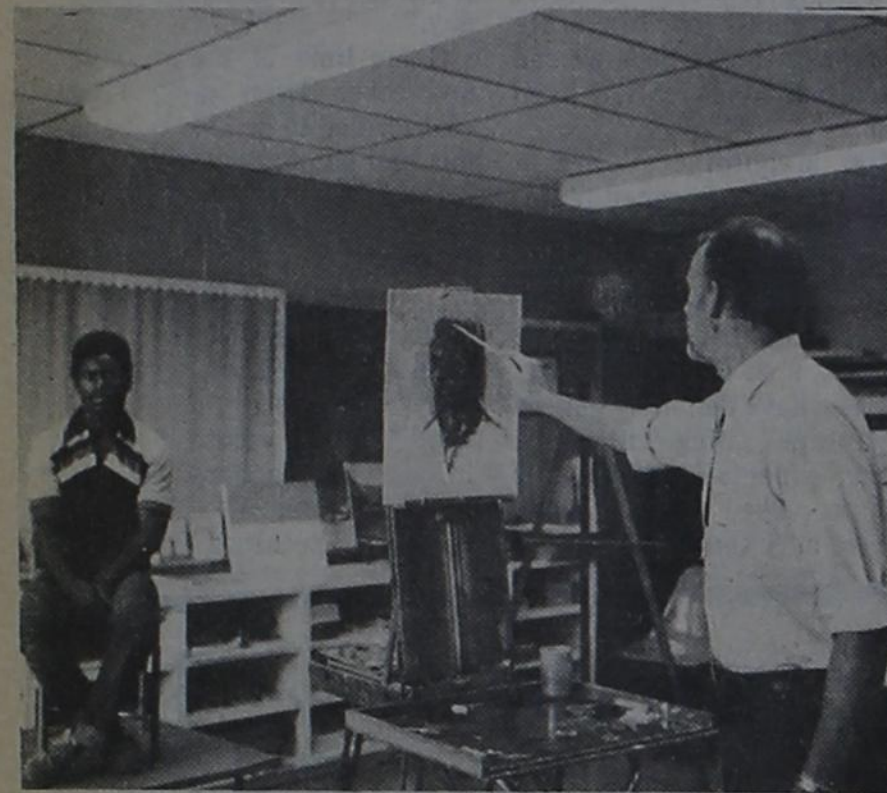

and color of an Indian ritual on canvas. It's exhilarating to paint the air around the bronze head of a Pueblo Indian or the sun beating down on rows of dancing figures immersed in trance," said Robles, adding, "but the most important thing is the deep gratitude I feel for the privilege of being able to witness an Indian ceremony or 'Dance Prayer'."

Twenty-five years after his introduction to the world of the American Indian, the artist is committing his skills as a painter and his resources as a person to the limitless task of recording the intricate ceremonies of New Mexico and Arizona Indians as they are performed today, and this is what he spoke to the Texico artists about.

"When I work out-of-doors or from a model, all the subtleties of color and form, and the magic of life are right there in front of me," Robles said. "There's no good substitute for any of these time honored methods in building good painting facility."

An acclaimed portrait artist, Robles has been commissioned to paint many well-known personalities, including a series of portraits of the late Hon. Dorothy Brett, Taos artist; Kenneth Nelson, Broadway-Hollywood actor; and Margaret Jamison, well-known art connoisseur. Recently he completed an impressive formal portrait of Mrs. Mills Bennett of Santa Fe and her daughter Patricia McMajon of Houston.

"For him to give us his signed portrait of Willie is indeed a great honor for Texico schools," said Pierce.

Artist At Work

Texico "model" Willie Bibbs sits patiently as famed Taos artist Julian Robles creates his portrait. Robles, who receives up to \$35,000 for his original works of art, presented the completed and signed Bibbs portrait to Texico Schools. The Taos artist was a guest speaker at Sylvia Burgett's art classes recently, speaking to the young artists about technique and "the magic of life." Robles concentrates his efforts mostly on the American Indian, recording the lifestyles

of New Mexico and Arizona Indians hoping to preserve "our unique western heritage."

Roundball Season Begins

Farwell basketball Steerettes began daily workout and practice sessions recently in preparation for the upcoming roundball season which kicks off Tuesday in the Farwell gymnasium. The girls will host Friona Tuesday in the first game of the season. Returning this year to the varsity squad,

under the direction of Coach Vester Joiner, are last year's All-District players Karen Magness, Janene Berry and Ginger Ellison. Also returning to play under the varsity hoops are Jennifer Williams, Donna Meeks, Kay Geuther and Sandra Coates.

Some Non-Profit Groups Exempt From Sales Tax

AUSTIN, Tex. - State Comptroller Bob Bullock's office recently said certain civic and non-profit organizations are now exempt from paying sales tax on items purchased for use by these organizations.

The Comptroller's office reported recent changes by the Legislature will exempt non-profit Chambers of Commerce and groups to help the elderly from some sales tax requirements.

Non-profit organizations created solely to provide assistance to elderly persons can now hold four fund-raising drives a year and not have to collect sales tax on items made by persons at least 65 years old.

The tax-free sales may take place on no more than 20 days during the year.

Other organizations given exempt status by the Legis-

lature must also qualify for an exemption from federal income taxes.

Groups now exempt include: -Organizations such as Rotary, Optimists, Kiwanis, Junior Chambers of Commerce, Lions and Garden Clubs and some property owner associations that are exempt from federal taxes under Section 501 (c) (4) of the Internal Revenue Code (IRC).

-Fraternal societies such as Masons, Elks, Moose, Knights of Columbus, DeMolay and the Eastern Star that are exempt under Section 501 (c) (8) or Section 501 (c) (10) of the IRC.

-Organizations formed to benefit veterans such as the Air Force Association, American Legion, Veterans of Foreign Wars and Disabled American Veterans that are exempt under Section 501 (c) (19) of the IRC.

County Court Sets Up "Crime Stoppers" Fund

Parmer County Commissioners Court has set up a \$1,000 Crime Stoppers fund in cooperation with the Parmer County Sheriff's office.

Sheriff Bill Morgan met with the court during its regular bi-monthly meeting Monday, and explained that the Crime Stoppers program, whereby persons who call in crime information are given cash rewards, has worked very well in other towns and counties.

The fund was set up by the court to "encourage aid from the public in the solution of crime in the county." Sheriff Morgan and Commissioner Ernest Anthony were appointed by the court to administer the

Crime Stoppers Fund.

The court cast all of its 782 votes for Alfred Hicks of Lazbuddie to serve on the Board of Directors of the Parmer County Tax Appraisal District.

The needs of two Parmer County foster children were brought to the attention of the court and it was decided to send \$150 to the foster parents of George Lancaster for the purchase of winter clothing. Also, it was decided to send \$250 for the purchase of work clothing for Gerald Schueler.

A county citizen requested monetary aid from the court for utility bills for one month, on a one time basis only. The court approved unanimously to pay

these bills in the amount of \$61.77.

Also, the court approved unanimously to pay the boarding care bill for Dora Fields in the amount of \$279. The county is to be reimbursed for this amount.

County Clerk Bonnie Warren met with the court and discussed added benefits of the Texas County and District Retirement System under three different plans. The court voted to accept Plan II of the Retirement System as of January 1, 1982, at no increase in cost to county employees.

The court reviewed the results of the November 3rd amendment election and voted unanimously to accept the county's election results as compiled by Mrs. Warren.

A bill in the amount of \$410 to

Bickerstaff, Heath and Smiley for work done on the reapportionment of the commissioner precincts was approved for payment.

Other items approved for payment included a \$10 bill to Parmer County Community Hospital for a blood alcohol test which had been requested by a Department of Public Safety Trooper.

Dues to the Texas Association of Counties in the amount of \$820 and to the West Texas County Judges and Commissioners Association in the amount of \$50 were approved for payment.

The following soil conservation work was approved and ratified:

Precinct #2: Sherley Grain, Bovina Gin; Precinct #2, Mike Norris, Ralph Franse.

TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635

"THE BABE AND THE LORD OF GLORY"

All about us, at this time of the year, the "baby Jesus" is the subject of discussion and attention. Indeed, all year long, the Babe in its mother's arms and the dying Sufferer on the cross are kept constantly before the masses, while our Lord's resurrection, ascension and present glory in heaven are given but scant notice. This is because so few have taken note of the great message of the Apostle Paul about the glorified Lord in heaven. In II Cor. 5:16, the apostle wrote:

...YEA, THOUGH WE HAVE KNOWN CHRIST AFTER THE FLESH, YET NOW HENCEFORTH KNOW WE HIM NO MORE.

It is sad that so many still know only "Christ after the flesh." They love to discuss the "gospel stories" about "the Man of Galilee," but find themselves strangers in the great Epistles of St. Paul.

Paul was God's apostle for this present dispensation of Grace. It is he who presents Christ in His present glory as the great Dispenser of redeeming grace, through the merits He won at Calvary. In Eph. 1:15-21 we have recorded for us the apostle's prayer that we might be given "the spirit of wisdom and revelation in the knowledge of Christ," that we might come to experience...

"What is the exceeding greatness of God's power to us-ward who believe, according to the working of HIS MIGHTY POWER,

"WHICH HE WROUGHT IN CHRIST WHEN HE RAISED HIM FROM THE DEAD, AND SET HIM AT HIS OWN RIGHT HAND IN THE HEAVENLY PLACES.

"FAR ABOVE ALL PRINCIPALITY, AND POWER, AND MIGHT, AND DOMINION, AND EVERY NAME THAT IS NAMED, NOT ONLY IN THIS AGE, BUT ALSO IN THAT WHICH IS TO COME."

Let us thank God that the Baby Jesus became the living Exalted Savior at God's right hand, abundantly "able to save unto the uttermost them that come unto God by Him" (Heb. 7:25).

High Yield Winner

Winning the New Mexico Yield Master Award, presented by DeKalb Seed, was J.B. Taylor of Route 2, Clovis. Pictured with Taylor in the grain sorghum field that made 9,537

pounds per acre on 11 acres, is Jerry Monk of Kelly Green Seeds of Farwell. According to Taylor, the field was irrigated twice and DeKalb DK57 was the hybrid. The yield was

verified by Seth Ralston, Parmer County Extension Agent. Taylor's yield has been entered in DeKalb's Yieldmaster Club for 1981. [Photo by DeKalb Seed.]

Year's Activities Reviewed At County 4-H Banquet

At their annual achievement awards banquet recently, Parmer County 4-H'ers, their parents and guests were given a brief wrap-up of the activity-filled year the club members had participated in during 1981.

In May, the district round-up was held. Presenting demonstrations for Parmer County were Lucretia Foster, family life; and Sharlet Johnson and Leann Bentley on Mechanical and Hand Skills.

night at Wonderland Park in Amarillo.

"Expanding Horizons" was this year's theme, and the youth were told that the 1980-81 4-H year had been a year of growth for the Parmer County clubs.

The Fashion Revue was held at the Prairie Acres Convalescent Center in Friona in June, with 22 4-H'ers participating. Representing the county at the district contest were Maureen Jesko, Devera Rhodes, and Shelley Salyer.

Bull Town Days was held in Bovina in August, and the Bovina 4-H club won third place with their float entered in the local parade. The county council raised \$450 at the Bull Town Rodeo needed to pay off the national 4-H council debt.

The 1980 year came to an end with the annual awards banquet, held in November in Farwell. Scott Johnson was named Gold Star winner and was then honored at the district Gold Star banquet in Lubbock.

The first County Horse Show in several years was held in Bovina in June when 40 4-H'ers showed there.

Something new to 4-H this year is the Parents and Adult Leaders Association. Formed in August, the officers are Wayne Rhodes, president; Sandra Johnson, vice-president; and Judy Rhodes, secretary. Six members of the association attended the Adult Leaders Forum in Lubbock in September.

Also in November of last year, the County Food Show was held in Lazbuddie, with 57 peewees, juniors and seniors entering the contest.

It was off to the cool pines of Camp Scottable, N.M., in July for Maureen Jesko, Sarita Ellis, and Devera Rhodes. They attended Electric Camp sponsored by Southwestern Public Service.

Three 4-H'ers showed animals at the Gillespie County Fair at Fredericksburg, in August; and four went to the Curry County Fair in Clovis in September; also, three exhibited at the South Plains Fair in Lubbock.

Representing Parmer County at the district contest in December were Amber Rhodes, Shelley Salyer, Devera Rhodes, Kim Battey, Frank Jesko, Maureen Jesko, Dawn Gibson and Robbie Moody.

Late in July, Danna Ralston attended state 4-H camp at the 4-H center in Brownwood.

Forty-two 4-H'ers exhibited their projects at the 4-H Project Fair in Friona during Maize Days.

Stock shows began in January with county 4-H'ers showing their project livestock. Eight 4-H'ers went to the National Western Stock Show in Denver, five went to the Amarillo show and 30 exhibited in Hereford.

Also traveling around was Dawn Gibson, who attended Texas 4-H Congress in San Antonio.

National 4-H week was in October. The 1981-82 theme is "Pathways to the Future."

In February the clubs conducted their local stock shows. Ninety 4-H'ers exhibited 182 barrows, 43 lambs, and 5 steers at the Parmer County Stock Show in Friona.

County camp was held in August with 89 people attending a cookout and play

March saw 17 4-H'ers travel to the Astrodome for the Houston Stock Show.

Open Sunday By Appointment

In April, 18 4-H'ers took the Hunter Safety Course. Judging contests were also held in April with 12 members advancing to the district contest, where the livestock team took 1st and 2nd place. Also attending were the junior and senior rifle teams.
