Farwell Council Approves Contract; Joins 8 Others

Members of the Farwell City Council approved a contract with the Parmer County Tax Appraisal District for tax collection services, beginning January 1, 1982. In doing so, the city becomes the ninth taxing entity in the county to approve a contract, which means the appraisal district office lacks only one entity approving the tax collecting services.

According to Jane Gerber at the appraisal district office in Bovina, the Parmer County Water District is the only one of the ten tax entities that has not given the OK to go ahead

with the tax collecting contract. "But we have spoken with them, and they seem to feel they would approve the contract at their next meeting," she said.

The other entities to approve the contract, allowing the appraisal district to collect all taxes beginning January 1, 1982, to include delinquent taxes of 1981, are Farwell ISD; Farwell City; Bovina ISD; Bovina City; County of Parmer; Farwell Clinic (Hospital District); Friona ISD; Friona City and Lazbuddie ISD.

The Farwell fathers approved the city contract on a year-to-year basis only.

The council had postponed making a decision on the contract at their monthly meeting in November, but voted unanimously to do so at Monday night's session.

City Clerk Janie Bowery explains that a new contract was drawn up by the appraisal district whereby delinquent taxes of 1981 will be collected by the district.

"The only difference in this contract, as compared to the

old one is that the appraisal district has agreed to start collection of 1981 delinquent taxes rather than wait until 1982," Mrs. Bowery said.

The city clerk said that many of the taxing entities would like to shut down their tax offices entirely, and that they did not feel it was possible unless the appraisal district agreed to start right away with the collection of delinquent taxes from 1981. Otherwise the offices would have to remain open only to collect 1981 delinquent taxes.

In other action taken at the monthly meeting of the Farwell City Council, Walter Peterson, owner of Chevy Chase Apartments in Farwell, requested that the council investigate the possibility of installing a street light in front of the apartments. "It gets dark out there. We sure do need lights there," he said.

Peterson was told that the council will discuss the possibility with Southwestern Public Service, and that installing a light will depend on where the lines run.

The apartment complex own-

er also told the city fathers that he wanted a new trash paying agreement. "I pay for eight units every month when sometimes I may only have two renters," he explained. It was decided that Peterson should place a barrel out for each renter and to let the city clerk know at the beginning of each month how many renters he has.

Mark Ryburn of Jim Berry, Inc. CPA Firm, met with the council and reviewed his recent auditing of the books.

The audit was for the years ending June 30, 1980 and 1981. The council voted to approve the audit done by Ryburn.

As the city's insurance will expire in January, the council voted to advertise for bids for new insurance, the bids to begin being taken January 11.

The council approved a \$100 Christmas bonus to all full-time city employees.

Those attending the meeting at Farwell City Hall were mayor Walter Kaltwasser; councilmen Johnny Curtis and Fred Chandler; Janie Bowery; and city employees Doug Landrum and Dee Hammit.

Farwell Invitational Tournament Underway

Farwell school gymnasium is a hub-bub of activity today as eight basketball teams from the local and surrounding area are taking part in the Farwell Invitational Basketball Tournament.

"We're hoping to have some real good games for the people to come and see," said Farwell Athletic Director, Bruce Dollar. "Most of the teams are local, which should make them good games to watch," the coach said.

All winning teams will be awarded trophies, and those selected to the all-tournament team will be presented plaques or medals.

"I especially want to thank all the local businesses who donated money for the purchase of the trophies, plaques and medals," Dollar said.

The entire Farwell coaching staff is involved in the makings of this tournament, the first in several years for the local high

school.

Referees will be from Lubbock, according to Dollar.

Both boys and girls teams will be competing in the event, including those from Farwell, Texico, Bovina, Friona, Melrose, Plains, Adrian and Dimmitt.

The girls squads were to kick-off the three-day event with Bovina girls playing Dimmitt at 9 a.m. Thursday in the tourney opener. Friona was to tangle with Texico at noon, Melrose was competing against Plains at 3:30 p.m. and Adrian was to play against Farwell at 6:30 p.m. Thursday night.

Following each girls game will be the boys games, beginning with Bovina against Dimmitt J.V. at 10:30 a.m. Thursday morning; Friona against Texico at 1:30 p.m.; Melrose competing with Plains at 5 p.m.; and Adrian against Farwell at 8 p.m. Thursday

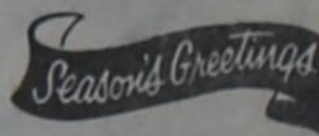

night.

Winners of those games will play Friday beginning at 3:30 p.m. with the championship games being played Saturday.

Action in the consolation bracket begins Friday at 9 a.m.

All of this roundball action takes place at the Farwell gymnasium, and the concession stand will be open throughout the event. All area fans are encouraged to come out and see some good basketball during this tournament.

The coaches who have planned the event include Dollar, Mike Martin, Vester Joiner and Mike Prokop.

It is amazing how many people do not know the workings of the free enterprise system. We read a lengthy article that, unfortunately, reflected the writer's views about the trials and tribulations of the nuclear reactor electric generating plant at Diablo Canyon in California.

Among the facts and figures given was the cost to the utility company over the last several years of harassing lawsuits and government body hearings. It was up in the billions of dollars. The tenor of the story was that it served the greedy electric company right for wanting to provide power and energy for the citizens of that state.

Good grief, what an appalling lack of economic knowledge on the part of the writer and the interviewees. As a privately owned utility we are quite positive that there are thousands of small stockholders who have ponied up their investment capital and their life savings to build that utility system. In today's society, nobody, but nobody, holds anywhere near a controlling interest in today's vast corporations. More especially in the public utility field. These huge business enterprises are really vast nest eggs for uncounted thousands of small people who depend upon them for their retirements. You don't sock Mr. Rich Bucks, you sock John Doe wage earner and Jane Doe retiree.

Also in the public utility field the monopoly utility is strictly controlled in virtually all its financial aspects. One area is in the field of profits. It is allowed to set rates that practically guarantee a set rate of return. Ergo, as its costs go up the consuming public is taken for more in the form of higher rates.

But this is also a rippling effect for the consumer. Not only do their personal bills go up, but also the price of virtually everything else they buy goes up as the price of manufacturing energy goes up. So the consumer pays more at home and also across the buying counter.

One of the favorite battle cries of these environmental nuts is to do with less energy, particularly electricity. This is patently a boob's dream. The only reason we have the society we have today is because of mass production, and mass production is only possible because of reasonable energy. Raise the price of industrial energy too high and we will starve and freeze in this country.

There may be a few of those hirsute and tennis-shoed characters who could grab a hand axe and a bow and arrow and retire to the wilderness but the vast majority would shiver and shake along with the rest of us.

A pox on the fat heads. Support reasonable programs for the continued production of energy and remain warm and well fed.

Next week the Tribune will publish its annual Christmas edition and it will be chock full of recipes for tasty and delectable treats. All cooks will want to save them. While you contentedly down some of these gastronomic delights remember the farmer from whence the basic commodities sprang. The farmer is as basic as energy to our well being.

Heard a fellow opin that there were two things that he worried about concerning his children. One is that they might not grow up to be normal, and the other thing is that they might.

Students Out Friday For Christmas

Twin Cities students will be released from classes Friday, Dec. 18, for Christmas vacation, and will not return to school until January 4, 1982.

At Texico, students will be let out of school at 1:30 p.m. MST. Farwell students will be released at 2:41 p.m. CST.

Christmas Play

Students in Billie Carlyle's 4th grade class at Farwell presented "The Bell That Wouldn't Ring" to their fellow classmates last week. The production was narrated by

Kara Camp, seated, left. Those who were in the play as bells included, from left, Michael Steigleman, Irene Jones, Nicky Garza, Armondo Hernandez, Reuben Galvan, Lisa Gerles

and Lonnie Wilhite. Portraying the church sexton was Mike Bowery [far right]. The play was presented in the school library for all of the elementary school.

Area Churches Set Christmas Services

The spirit of Christmas is all around. Children are beaming from excitement with the thought of Santa Claus arriving loaded down with packaged goodies, stores are displaying their favorite decorations and gift ideas, and homes are decorated with twinkling lights and tinsel trees.

In the Twin Cities, the religious aspect of Christmas is not being overshadowed by all of the glitter and light. Many area churches have planned special Christmas programs and services, in celebration of Christ's birthday.

Hamlin Memorial United Methodist Church in Farwell has planned communion services for Christmas Eve beginning at 5:30 p.m. CST. Rev. Don Holladay, pastor, said that the services will be short so that members of the church may spend the remain-

der of the evening at home with their families.

"Musical Christmas" will be presented by members of the Pleasant Hill Baptist Church, Sunday, Dec. 20, beginning at 5 p.m. MST. The program will be given by the youth of the church.

Following the presentation, the annual Christmas Tree will take place for members of the congregation.

Christmas Eve services and program are planned at St. John Lutheran Church in Lariat beginning at 6 p.m. CST. The special services will include the children of the church taking part in the program entitled "Jesus Is Christmas."

The church has also planned a Christmas Day worship service at 10:30 a.m. CST. And on New Year's Eve, the church will conduct communion services beginning at 7:30 p.m.

First Baptist Church of Texico has planned a "Watch Night" service for New Year's Eve beginning at 7 p.m. MST. A candlelight service will also take place that evening.

The Methodist and Baptist churches in Oklahoma Lane have not planned any special services for Christmas Eve as both congregations will be taking part in that community's annual Christmas Tree.

The event is set for 7:30 p.m. CST at the Oklahoma Lane Community Center.

The combined choirs of First Baptist Church, Lazbuddie, will be performing the musical drama, "Come, Messiah, Come."

This musical drama is presented in two acts, and features several soloists. The presentation will be Saturday night, Dec. 19, at 8 p.m.

Holy Day Symbol

Although December 25 is often thought of as the day that Santa Claus arrives, more importantly, it is also the day that Christ was born. Not forgetting this is the David Gobble family of Farwell who placed a miniature nativity

scene in their front yard. The figures of Mary, Joseph, baby Jesus, and sheep, light up to be shown off during the dusk and night time hours. Many churches in the area will also be celebrating Christ's birth-

day with special church and communion services. Everyone is encouraged to take part in these religious programs and services so that the true meaning of Christmas is not forgotten.

Second Public Hearing Announced For Jan. 11

The New Mexico State Highway Department and Texas Department of Highways and Public Transportation have announced a public hearing concerning the proposed construction work on Highway 60-70 in the Twin Cities area for January 11 at Texico Community Building.

An informal review will take place from 5-7 p.m. MST with the official public hearing taking place from 7-9 p.m. MST.

The public is being invited to view and discuss the two "refined" alternates proposed by the two highway departments during the informal review, and to witness the formal presentation by the study team at the public hearing. Audience participa-

tion will follow the hearing. All interested citizens are invited to attend this public hearing for the purpose of reviewing and discussing the route improvements and the environmental assessment. Written statements and other exhibits may also be submitted to the New Mexico State Highway Department. Copies of the environmental assessment are available for public view at city halls in Texico and Farwell.

Map displays of the two alternates proposed by the study team will be available for public viewing two weeks prior to the public hearing, beginning December 28, at Texico City Hall.

Written comments from the hearing or in response to the

environmental assessment may be sent to the New Mexico State Highway Department, Public Involvement Coordinator, Box 1149, Room 104, Santa Fe, N.M., 875041149, before January 25, 1982.

For further information call Rochelle Byars toll free within New Mexico at 1-800-432-4269.

Once completed the highway will connect Amarillo to Las Cruces and link Interstates 40 and 10. The work to be done in this area is being termed a "Traffic Congestion Relief Route."

At the first public hearing, four alternates, devised jointly by both the New Mexico and Texas Highway Departments, were presented.

But according to a report in

the Environmental Assessment brochure, published by both highway departments, "Citizen reaction to the initial alternates strongly favored Alternates 1 (no project, the existing 4-lane facility would continue to be used as is) and 2, (widening with a raised median.)"

"No support was voiced for Alternates 3 and 4, and these relief routes were subsequently dropped from further consideration. Alternate 2 was refined to develop Options 2A and 2B along the existing route. In addition, the proposed relocation of the Wheeler Avenue U.S. 60 intersection was eliminated to reduce the displacement of local businesses and an alternative intersection widening improve-

ment was developed," the report said.

The two alternates being considered by the highway department now are as follows:

ALTERNATE 2A: 4-lane facility within the existing U.S. 70 right-of-way and a widened U.S. 60 right-of-way.

This alternate would retain the existing U.S. 70-60 route location, increase capacity, and improve traffic operations by eliminating curb parking along Wheeler Avenue, and provide a painted median which would allow left turn movements from either the eastbound or westbound direction.

Eight to ten feet of additional right-of-way would be required

on each side of the U.S. 60 right-of-way. Along U.S. 60, a raised median would be provided from Wheeler Avenue to Hereford Avenue.

As part of this alternate, traffic control signals would be installed at the Wheeler Avenue-U.S. 60 intersection to minimize back-ups and to help insure that this intersection functions smoothly even when trains are crossing the U.S. 70-64 route.

ALTERNATE 2B: Divided 4-lane facility with widened U.S. 70-60 right-of-way.

This alternate would improve the existing U.S. 70-60 route from the New Mexico Port-of-Entry to the state line. From the Port of Entry to a point approximately one-quarter mile east, the roadway

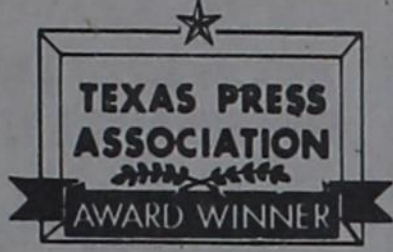

would be reconstructed within the existing 150-foot right-of-way.

East of this location to the U.S. 60 intersection, the existing 80-foot right-of-way along Wheeler Avenue would be increased to 96 feet.

The 16-feet of additional right-of-way would be taken from the north side of Wheeler Avenue west of town and from the south side of Wheeler Avenue through the center of Texico.

Specifically, Wheeler Avenue would be widened to the north from 300 feet west of Opal Street to College Street. Widening to the south would extend from College Street to the U.S. 60 intersection.

This alternate would feature

New Letters

As part of their community improvement project, members of the Texico Women's Club purchased new sign letters for Texico Schools so that school buildings may be identified. The large letters were purchased for the Elementary School, Cafeteria and Vo-Ag buildings at the school

system. Raymond Hadley, on ladder, adjusts the new Vo-Ag building sign as his colleague Kenneth Doolittle, left, and Women's Club member Marcia Leavell, look on. The wooden letters were placed on boards for placement on the school buildings.

Public Hearing . . .

(Continued from Page 1) a raised median along the entire U.S. 70-60 route from the Port of Entry to the state line. Median openings and left turn pockets would be provided at the Golden West Seed Company, Eulie Street, College Street, Lamar Street, Garwood Street, State Street, and State Line Road.

In addition, traffic control signals would be installed at the Wheeler Avenue-U.S. 60 intersection to facilitate intersection traffic flow while trains cross U.S. 70-84.

One residence would be displaced by Alternate 2A and two residences would be displaced by Alternate 2B.

According to the report issued by both highway de-

partments, those families displaced would be eligible for compensation for their property, moving and related expenses, as well as additional supplemental payments to obtain decent, safe and sanitary housing.

Two businesses would be displaced in Alternate 2A and eight businesses would be displaced in Alternate 2B. Financial assistance will be provided for moving the affected businesses.

All of this and more will be discussed in detail at the public hearing January 11. All Twin Cities area residents are urged to attend.

County Court Accepts Resignation

Parmer County Commissioners Court met Monday, Dec. 14, and accepted the resignation of Baker Duggins, a member of the Mental Health/Mental Retardation Center's executive committee.

Duggins met with the court and requested his resignation be accepted. He said he had worked 15 years on the committee. The court complimented Duggins on his work and thanked him for this service.

In other action taken at the meeting, it was voted to have the next court session December 23 instead of December 28 so that county employees may receive their paychecks before Christmas.

Letters were received from both the Texas Panhandle Community Action Corporation and the Panhandle Regional Planning Commission concerning the delivery of employment and training services under the CETA program for the county. It was decided by the court that the county participate in the Texas Panhandle Balance

of State Counties with the Texas Panhandle Community Action Corporation.

At the suggestion of County Treasurer Benna Fels, it was decided to invest \$100,000 of general fund money in a certificate of deposit to mature March 19, 1982.

Bills paid by the court included one for 341.91, which was the balance of a surgery bill for a Parmer County foster child.

The total bill was \$3,613.72 of which \$3,271.81 was paid by Medicaid.

A bill to Texas Surplus Property Agency in the amount of \$3.72 for 4-H Club supplies was approved for payment.

he boarding care bill of Dora Fields in the amount of \$270 was approved for payment, and is to be reimbursed to the county.

Expenses in the amount of

\$117.77 for a visiting district judge were approved for payment. It was also decided to subscribe to Revenue Sharing Bulletin for one year at \$38.

The following soil conservation work was approved, the work to be performed when the county machines are in that area and not demanded for use on the road:

Precinct #2, Harold Redwine, Bovina Gin, Nathan Moore.

Precinct #3, Mitch Walling, Jack Dunn.

Thefts Top Sheriff's Report

Parmer County Sheriff Bill Morgan had several reports of thefts this past week.

Elvis Childs, Farwell, reported that a three-quarter inch ratchet had been stolen from his pickup truck sometime within the last five weeks. Childs placed a value on the missing ratchet at \$60.

Ronnie Stevick of Friona had his barn burglarized and reported that an electric welder, acetylene torches and various tools were stolen. The incident is believed to have occurred December 8, and

Stevick says the missing items are valued at \$6,000.

C.L. Saylor of Farwell reported that an electric welder was stolen from the John Dunbar farm. The welder was valued at \$300.

Doyle Johnson of Farwell said that four tires and wheels were taken off his module builder, and a small tool box full of tools was also stolen. The missing items are valued

at \$300. The incident is reported to have occurred the night of December 13.

In arrests this week, Sam Radford, 37, of Farwell was arrested and charged with two counts of sexual abuse of a child. Radford appeared before Justice of the Peace Albert Smith for this felony offense and was released on \$2,500 bond for each count, pending grand jury action.

Clovis Man In Car Accident

Department of Public Safety officers were sent to the scene of a one-car rollover Saturday, Dec. 12, 7.8 miles southeast of Farwell in the Lariat vicinity.

According to investigating officer Jim Bishop, Richard E. Gross of Clovis was traveling northwest on U.S. 84 when due to a "high rate of speed," he lost control of the car in a curve and spun around, "skid-

ding into the center median, rolled one-half turn and came to rest on the top of the car, in the left hand lane of east bound traffic."

Bishop said Gross was not injured in the incident, and was cited for traveling at an unsafe speed.

The accident occurred at 4:10 p.m. CST.

Judge Roberts Hears Cases

Parmer County Judge Porter Roberts heard three cases this week, each involving driving while intoxicated charges.

John Carrasco, 25, of Friona, charged with DWI, was fined \$250 plus court costs and sentenced to 15 days in county jail.

Daniel Diracles, 22, of Cannon Air Force Base, charged with DWI, pleaded not guilty and was released on \$400 bond pending county court action.

James Schwendeman, 25, of Muleshoe, charged with DWI, pleaded not guilty and was released on \$400 bond pending county court action.

District Court Results

Three persons appeared before acting District Judge Frank B. Kiser, Jr., Friday, December 11, at the district court room in the Parmer County Courthouse.

Appearing before Judge Kiser were Randy Carter who had his probation continued; Ricky London, who had his probation continued; and Jerry Ortiz, who also had his probation continued.

Keeping A Promise

Hugh Moseley, chairman of the Parmer County Historical Commission, made a vow early this year that he would not shave off his mustache until the Parmer County History Books, Volume II, were

"printed, bound and delivered." And now that they are, Moseley took to the razor and removed the upper lip caterpillar. Moseley says the books will be available for those who

ordered them, Monday, Tuesday and Wednesday of next week at the Congregational Church Building in Friona. Extra copies will also be on sale for \$50 each.

Hugh Moseley At Seminar

Parmer County Tax Collector and Assessor Hugh Moseley has recently returned from a seminar for county tax assessors and collectors conducted in Austin.

Moseley said the main topic of the seminar, which was attended by collectors and assessors from throughout the state of Texas, was "What lies ahead for the County Tax Assessor in regard to pertinent matters relative to the changes in the tax laws."

The seminar was held December 5 and 6 at the Villa Capri Motor Hotel in downtown Austin.

Sheriff Morgan Attends School

Parmer County Sheriff Bill Morgan spent last week at the Department of Public Safety Training Academy in El Paso attending "Civil Process School."

The school was attended by law enforcement officials from throughout the state of Texas, including Bailey County Sheriff Bobby Henderson and his deputy Hal Bynam, both of Muleshoe; and Castro County Sheriff Lonny Rynes.

ASCS Elections Held For Two Committees

County and Community Committees for the Agricultural Stabilization and Conservation

Service (ASCS) have been named as a result of the recent elections.

Those named to serve on the County Committee are David Grimsley, Friona, chairman; Tom Caldwell, Oklahoma Lane, vice chairman; J.W. "Dub" Gammon, Lazbuddie, member; Joe Allen, first alternate; and Tom Beauchamp, Bovina, second alternate.

D.M. McGuire, member. Alternates are Scott Brown and Doyle Weir.

Community C, Tom Ware, chairman; Thomas Rhodes Jr., vice-chairman; and Doyle Ford, member. Alternates are S.K. Foster and Mark Williams.

Elected to the Community Committee were, Community A, Larry Potts, chairman; Wesley Barnett, vice-chairman; and Jerry Brown, member. Alternates elected were Joe Allen and Tom Pruett.

"Farmer-elected county committees are charged with the responsibility of administering the national farm programs at the local level," said ASCS Executive Director Prentice Mills. "Community committees assist the county committee in this endeavor and help to keep producers informed on the program rules and provisions," he said.

Oklahoma Lane - - Plans Progressing For Annual Christmas Tree

"365 Days of Christmas Each Year" is the theme for this year's annual Oklahoma Lane Christmas Tree and program, on Christmas Eve at the Oklahoma Lane Community Center.

A special program will be presented by the children of the Oklahoma Lane Community, and the occasion will also feature the annual Christmas Tree lighting. Santa Claus will also make an appearance, and will probably be bearing gifts for the kiddoes.

Chairman Gwen Corn advises that donations for the tree and its decorations are still being taken, and those who wish to contribute to the annual community event may contact her.

This year's Oklahoma Lane Christmas Tree committee includes Mrs. Corn and Tina Sides, program chairmen; Robert and Dorris White, goodies for Santa's sack; Roy Donaldson, tree; and Ruth Ann Bennett, tree decorations.

The annual Christmas Tree program, which is to feature an appearance by Santa Claus, will begin at 7:30 p.m. CST.

Don't Play Santa To Thieves

Pre-Christmas shopping often means driving from one shopping area to another, making purchases at each stop. "A car loaded with packages is an open invitation to roving thieves," says the Extension family finance specialist at New Mexico State University.

Therefore, always lock your door even if you'll only be away from the car for a few minutes. Be sure all windows are closed.

Put packages in the trunk and be sure it is locked. Don't tempt thieves by putting your parcels on display inside the car.

"Often Christmas gifts stolen from your car may be covered by your personal property floater insurance policy on your homeowners 'package' policy," the specialist says.

"However theft of personal property from your car may be covered only if the thief forces the vehicle open," says the specialist.

Tribune Sets Early Deadline

Items for publication in the Tribune's special Christmas issue must be in the Tribune office no later than 5 p.m., Monday, Dec. 21.

The paper will be made up Tuesday afternoon and sent to the printing plant Tuesday night.

Local subscribers will receive their papers Wednesday, including subscribers on the rural routes.

Papers will also be on the newsstands Wednesday. The special Christmas issue will feature several local interviews, favorite family recipes and, of course, letters to Santa Claus from area children.

Special Meal

Texico-Farwell Senior Citizens organization honored city council members from the Twin Cities last Thursday night at their regular pot-luck supper. Shown taking part in

the meal, held at the Senior Citizens Center in Texico, are, from left, Texico city councilman Lewis Cooper and Mrs. Ann Cooper, Mrs. Dickie Chandler and Farwell city

councilman Fred Chandler. Also honored at the meal were Twin Cities mayors Walter Kaltwasser and John R. Hadley, and city employees from both Texico and Farwell.

Local Lions Club Has Christmas Party

Texico-Farwell Lions Club members had their annual Christmas party and gift exchange Monday night at Luce's Spur Restaurant in Texico.

The members, their spouses and children took part in the party which included the exchanging of gifts for adults and children alike.

Special program for the

evening was a film presentation by Nelle Craig on nature scenes. Mrs. Craig's program was presented with music, under the direction of Lynn Burton, Farwell Band Director.

Those attending the annual Christmas celebration were Mr. and Mrs. Howard Carlyle; Mr. and Mrs. Mike Norris and

family; Mr. and Mrs. Joe Helton; Mr. and Mrs. Hal Helton and son Kyle; Mr. and Mrs. Dutch Quickel; Bill Whitesides and daughter, Elva; Mr. and Mrs. John Getz; Mr. and Mrs. Lee Hutchins and daughter Geretta; Mr. and Mrs. James Craig; Mr. and Mrs. Johnny Curtis and family, and Mr. and Mrs. Don Malone and family.

Christmas Is For Kids

Children of Texico-Farwell Lions Club members were treated to gifts and fun at the club's annual Christmas Party held Monday night at Luce's Restaurant. Shown taking part in the celebration are, from left, Geretta Hutchins, Kyle

Helton, Susanne Malone, Joe Norris, Riley Malone, Christi Curtis and Jeffrey Curtis. Standing behind the group is Sherrie Curtis. Next on the agenda for the local Lions Club group is bringing Santa Claus to town. The club's Hooligan

wagon will pick up jolly Kris Kringle at the Clovis Airport today [Friday] and transport him to Capitol Foods parking lot. Children are encouraged to come and visit with Santa from 3-5 p.m. CST.

Holiday Traffic Accidents Caused By Speed, Alcohol

"Traditionally, excessive speed and alcohol are the leading violations that cause holiday traffic accidents," said Major C.W. Bell, Regional Commander of the Texas Department of Public Safety, Region 5. "Because of this, special emphasis will be placed on these violators during the holiday season and all DPS personnel will make a

special effort to try and reduce this needless waste of lives," Bell said.

Major Bell noted that Texas is running 6% above last year in traffic fatalities, and a new record was set last year when 4,424 persons were killed. Last year in Texas he stated someone died in a traffic accident on an average of one each hour and 59 minutes, and someone was injured every two minutes and 50 seconds.

"There is no excuse for this waste of human lives and human suffering," he stated. "This time of year should be

a happy and joyous time. For most people it will be - but for others it will be a tragic time because of an accident," he noted.

Major Bell concluded by saying, "Most of these tragic traffic deaths could be prevented if the motorist would use good judgment and obey traffic laws."

Carol Hudson Wed To Gregory Dale Hinders

Wedding vows for Diane Carol Hudson and Gregory Dale Hinders were exchanged in double-ring rites at 3 p.m. Aug. 8 in the First Baptist Church of Canyon. Officiating ministers were the Rev. Jim Hancock of First Baptist Church and the Rev. Bobby McMillan of First United Methodist Church.

The bride, a 1978 graduate of Canyon High School, is the daughter of Mr. and Mrs. Howard L. Hudson of Canyon. She is the granddaughter of Gracie Dane of Texico. She also attended West Texas State University and will be employed with Energas of Lubbock, where the couple will reside.

The bridegroom is the son of Mr. and Mrs. Raymond Hinders of Happy. He is a 1978 graduate of Canyon High School and is a senior agricultural engineering major at Texas Technological University in Lubbock. He will be employed with Texas A and M University Agricultural Research and Extension Center upon their return to Lubbock.

Vows were read before a white kneeling bench entwined with greenery and ribbon and flanked by four, seven-branched candelabra with white tapers. Grecian urns, holding white gladioli and blue carnations, decorated the altar area. Family pews were marked with white bows accented with blue silk flowers.

Organ selections prior to the service were played by Becky Jo Lindsey. Accompanied at the piano by Brenda Whitaker, Kayla Lay, cousin of the bride, sang "This Is The Day," "There Is Love," "O Perfect Love" and "The Two Shall Be As One."

Presented in marriage by her father, the bride wore a

formal length gown of white silk organza over taffeta, fashioned with a square neckline, highlighted with Alencon lace and pearls and with tiny covered buttons on the wide cuffs. The natural waistline dropped to a V in the center front and was accentuated by two rows of matching lace flowing down the front of the skirt. Many rows of lace edged ruffles layered down the back of the full skirt to form a chapel length train. Her pearl-trimmed lace cap held a fingertip length veil of English nylon illusion trimmed with Alencon lace.

The bride carried a cascade arrangement of white sweetheart roses, stephanotis and cushion mums, highlighted with a touch of blue, with blue and white streamers. The bouquet topped a white Bible which had been carried by her mother at her wedding.

The bride's attendants were Kathy Davis of Lubbock, as matron of honor, Barbara Hudson, sister of the bride, as maid of honor, and Tricia Grimsley of Hereford, as bridesmaid. They wore blue printed formal length dresses with fitted bodice, gathered skirt, wide ribbon sash, and accented with a cape collar trimmed with lace. Each carried a small arrangement of blue and white silk flowers tied with blue ribbon.

Candlelighters were Kerri Hudson, cousin of the bride, and Susan Barnhart, cousin of the bridegroom. Flower girl was Keri Jane McCasland, who carried a basket of blue and white silk flowers. They wore solid blue formal length dresses trimmed with white lace and white ribbon sashes.

The bridegroom wore a light blue vested tuxedo with white ruffled shirt and stephanotis boutonniere.

James Irlbeck of Canyon, served as best man. Gary Hinders, brother of the bridegroom, and Greg Miller of Lubbock, served as groomsmen. Neal and Brad Hinders, brothers of the bridegroom, and David Hinders, cousin of the bridegroom, served as ushers. All were attired in light blue vested tuxedos with light blue ruffled shirts and white carnation boutonnieres. The ringbearer was Mike Barnhart, cousin of the bridegroom. He also wore a blue tuxedo and carried a white satin pillow trimmed in double rows of lace and blue bows.

Guests were registered by Kim Hudson, cousin of the bride.

A reception followed in the fellowship hall of the church.

The bride's table, covered with a white eyelet cloth over blue, held a three-tiered white wedding cake trimmed and accented with blue, topped with a miniature bride and bridegroom. The bride's bouquet served as the centerpiece. A cream-colored natural fruit punch was served with cake, blue and white mints and nuts by Cindy Hill, DaLette Riggles, Barbara Brooks and Kathy Moore.

The bridegroom's table, laid with a white linen cloth, was centered with a white candle circled with greenery and accented with double woven-wheat hearts made by the bridegroom's mother. Valerie Hinders and Cynthia Hinders, cousins of the bridegroom, served German chocolate cake and coffee from a silver service.

For a honeymoon trip to Ruidoso, the bride wore a red and white summer print dress, tan shoes and carried a straw purse. A corsage of red silk roses, made by the bride's mother, completed her attire.

Among the out-of-town guests were the bride's grandparents, Mr. and Mrs. John Parrish and Vera Hudson of

MRS. GREGORY DALE HINDERS

Clovis, and Mr. and Mrs. Weldon Dane of Texico. Also attending from Clovis were Opal Dye, aunt of the bride; Harold and Zelta Wolfenbarger, cousins of the bride; Mrs. G.A. Warren, a great aunt;

and Mr. and Mrs. Emmet Hudson, aunt and uncle of the bride;

Also, the bride's aunt, Mr. and Mrs. R. Winkler of Roswell, and friends Mr. and Mrs. Bob Thompson of Albuquerque.

Christmas Poinsettias Make Long-Lasting Gifts

The poinsettia is one of the most popular Christmas gifts. But many people don't know how to choose a healthy poinsettia and even fewer people know how to care for one, says the Extension horticulturist at New Mexico State University. Pick a plant with large bracts - the red leaves of the plant. The bracts should be at least one and one-half times larger than the base of the pot and have a symmetrical growth pattern.

Multi-stem plants should have at least three stems. Choose the deepest colored plant you can, says Gomez. The older the plant, the more likely the colors are to fade. The deep color also shows that the plant has had good care.

Buy early because the new varieties can last up to four months if they receive proper care.

Poinsettia plant owners should remember that it is a tropical plant and should be kept at around 70 degrees during the day and no lower

than 60 degrees at night. Keep the plant out of a draft and away from doors that are frequently opened. Place the plant where it will receive as much light as possible.

Watering is most important in caring for a poinsettia. Overwatering is a more frequent cause of failure than underwatering, the horticulturist says. When watering, put enough water in the pot so that water will run out the bottom, but make sure there is plenty of drainage.

If you follow these tips, you should be able to buy a healthy poinsettia and keep it throughout the Christmas season.

Reception Honors Claud Heath

Claud Heath of Farwell was honored with a reception on his 90th birthday in his home Sunday, Dec. 13.

His wife, and the Heaths' daughter and husband, Mr. and Mrs. Harvey Hudnall of Farwell, were in charge of the occasion, assisted by two granddaughters and three great-grandchildren.

The table was covered with a green cloth overlaid with a white lace table cloth. The centerpiece was of artificial holly leaves and berries with small red apples and pine cones throughout the arrangement.

In the center was a crystal goblet holding a red candle.

The arrangement was created by Heath's granddaughter, Mrs. Nancy Carol Warrick of Lubbock.

Another granddaughter, Sue Harmon of Portales, made the red velvet cake that was decorated in red frosting.

The cake was served with red strawberry slush punch, coffee, nuts and mints.

Silver and crystal appointments were used and the napkins were edged in poinsettia leaves and blooms.

Near the table was a large poinsettia given to Heath by another granddaughter, Janell and family, who were unable to attend.

Heath's grandson and family, Dr. and Mrs. Wayne Hudnall and Eric of Baton Rouge, La., were also unable to attend as was a great-grandson, J.W. Warrick of Lubbock.

Heath received telephone calls from two nieces, Mrs. Ellie Wright of Oklahoma City, and Mrs. Lorena Wright of Longview. Calls also came from Mr. and Mrs. Jimmy Jordan, Justin and Jennifer of Farmington, and Mr. and Mrs. Ladson Worley of Clovis. A nephew of Mrs. Heath, Mr. and Mrs. Jerry Hopper, called from Chapel Hill, N.C.

Many friends attended the reception, some of whom the Heaths had not seen in several years.

Those attending were Mr. and Mrs. Johnny Warrick and Mr. and Mrs. Kenneth Dillbeck, all of Lubbock; Mr. and Mrs. Robert Harmon, Brenda and Bryce, Ronda Heacock, and Mrs. Callie Wood, all of Portales; Bob Harmon, of Roswell; Mr. and Mrs. Ralph Paul of Hereford; and Mr. and

Mrs. Everett Cox of Amarillo.

Those coming from Friona were Mr. and Mrs. Hop Fairchild, Darla and Julie Bracker, Mrs. Marie Perkins, Mr. and Mrs. C.L. Mercer and Joe Mercer.

From House, N.M., were Mr. and Mrs. T.J. Coston, Stacey and Jamie, and Mr. and Mrs. Russell Harmon. Mr. and Mrs. John Warrick came from Tucumcari.

Coming from Clovis were Mr. and Mrs. Anson Bowers and Mrs. Ima Kimbrough.

Texico visitors were Mr. and Mrs. Dee J. Brown, Mrs. Fern Sharp, Mr. and Mrs. Willie Wall, Mrs. Margaret Horne, Truman Kittrell, Mrs. Mora Schlueter, Mrs. Ann Schloss, Mrs. Mammie Hightower, Mrs. Allie Burris and Mr. and Mrs. Bud Pierce.

Heath's friends and neighbors dropping by from Farwell included Mrs. Alma Boss, Mrs. Lillian Guess, Neil Stewart, Mr. and Mrs. Joe McWilliams, Mrs. Frances Lovelace, Mr. and Mrs. Dick Gerles, John Lovelace, Mr. and Mrs. Leonard Haney, and Mr. and Mrs. Walter Kaltwasser.

Also, Mr. and Mrs. Claude Coffey, Otis McMillan and Melinda; Mr. and Mrs. Darrell Stephens, Kendra and Chance; Bro. Dudley Bristow, Mr. and Mrs. Bill Foster, Mrs. Lantie Martin, Mrs. Marie Cox, Mrs. Dickie Magness and Mrs. Gladys Harbage.

Mr. and Mrs. Heath would like to express their appreciation for all the visits and birthday cards for Mr. Heath. He had a wonderful 90th birthday and made the remark that he did not feel any older on Sunday than he did the day before.

Wedding Plans Announced

Mr. and Mrs. Bob Henry of Carlsbad, formerly of Clovis, announce the engagement and approaching marriage of their daughter, Brenda, to Scott Sherwood. He is the son of Mr. and Mrs. Greg Sherwood of Plainview.

The bride-elect is the granddaughter of Frances Lovelace of Farwell and the late Charles Lovelace; and of Mr. and Mrs. M.E. Bell of Clovis.

She is a graduate of Carlsbad Senior High School and attended Plainview High School and New Mexico State University in Carlsbad.

She is currently employed with T and F Electronics in Austin.

The prospective bridegroom is a graduate of Plainview High School. He attended the United States Military Academy at West Point and is currently an engineering student at the University of Texas.

Wedding vows will be exchanged Saturday, Dec. 19, at the First United Methodist Church in Plainview, Tex.

All friends and relatives are invited to attend.

Three Pledges Initiated Into Alpha Rho

Traditional pledge ceremonies and the annual Christmas party have been the recent activities for members of Alpha Rho Lambda chapter of Beta Sigma Phi sorority.

Laura Jacobs was the hostess for the pledge ceremony meeting which saw Peggy Goettsch, Debbie Woodson and Rhonda Kirkland initiated as sorority pledges.

The pledge ritual was given by president Anita Ralston.

Kendall Burch presented a program on "Sand Dollars," telling the group of their meaning.

Refreshments were served to those attending, including Pauletta Curtis, Linda Foster, Gay Goettsch, Gloria Hutchins, Laura Jacobs, hostess; Sandra Joiner, Mary Ann Lingnau, Sheree Montgomery, Anita Ralston, Pam Smith, Cynthia Thigpen, and pledges Peggy Goettsch, Debbie Woodson and Rhonda Kirkland.

The annual Christmas party was held at the home of Nelle Craig on December 8, with Robin Palady as hostess.

A surprise visit was made by Santa Claus who helped pass out Christmas gifts. All members brought Christmas baked goods, bringing along extra recipes to exchange for the holidays.

The Latest

Visiting Monday night in the home of Mrs. Aileen Teel in Texico were her mother, Mrs. Andy Brunson of Portales, and her sister, Mrs. Bill Hanna of Sweetwater.

Weekend guests in the Ted Magness home were their son, Kirk, and Dwayne Welch, both of Odessa.

Bobby and Judy Curtis of Arizona, and John, Betty and David Weiman of Tennessee were in Farwell over the weekend to visit relatives and participate in the opening of pheasant hunting season in Farmer County. They were guests of the Gerald Curtises, the Fred Curtises and Penn Curtis, all of Farwell.

Brooks Holladay of Hobbs, N.M., spent the weekend in Farwell with his son and family, Rev. and Mrs. Don Holladay and Teddy.

Johnny and Diane Atkinson of Farwell were in Dallas last weekend to see the Dallas Cowboy-Philadelphia Eagles game. The couple drove to the event arriving back "late" Sunday, according to Diane.

'Angels' Is Topic Of Church Program

Luann Hough of Friona presented a program on "Angels" at a special gathering Monday night, Dec. 14, at the Pleasant Hill Baptist Church.

The speaker has done a 14-year in-depth study of angels and presents studies on the subject to various church groups and other interested organizations. All her material on the subject is Biblical, says Mrs. Bob Reid, wife of the church pastor at Pleasant Hill,

who reported that the program was "most interesting."

In conjunction with the program, to which all members of the church and community were invited, a salad supper was served. Christmas decor was featured throughout the fellowship hall where the supper was served and Christmas music was played in the background.

Thirty-nine persons were present for the occasion.

Bridal Shower Honors Mrs. Kerry Don Ford

Mrs. Kerry Don Ford, nee Ronda Hardin, was honoree at a post-nuptial shower Saturday, Dec. 12, in the home of Katherine White in Farwell.

Assisting Mrs. White as hostesses were Dolores Williams, Gwen Hughes, Sally Anderson, Annette Black, Bonnie Warren, Sharron Hughes and Beverly Obenshain.

The honoree's colors of burgundy and white were featured in the decor on the table where refreshments of punch and assorted breads and cakes were served.

The table was covered with

an embroidered cutwork cloth made by Mrs. Velma Magness and was centered with a silk flower and candle arrangement in the honoree's colors. White napkins were inscribed with the named Kerry and Ronda. Hostesses alternated at the refreshment table.

The honoree, her mother-in-law, Mrs. Barthell Ford; and her grandmothers-in-law, Mrs. Tom Lindop and Mrs. Uvon Ford, were each presented with corsages. The grandmothers assisted the honoree in opening and registering gifts.

CLAUD HEATH

Attend Cantata

Rev. and Mrs. Harvey Hudnall of Farwell were in Portales Sunday night where they attended the Christmas Cantata at the First Baptist Church of Portales.

The music department presented "O Come, Let Us Adore Him" written by Barry Braman of Portales, and Bill Sloan of Ft. Worth, Braman, music director for the church, directed the program.

The Hudnalls' daughter and family, Mr. and Mrs. Robert Harmon, Brenda and Bryce, were in the production. Sue Harmon sings in the choir, and her husband, Robert, was one of the Wise Men. Daughter Brenda was one of the angels, played in the handbell choir, and was stage manager.

The Harmon's son, Bryce, was in charge of the lighting.

Mrs. Hudnall reports that the program was "a beautiful and inspiring musical presented to a full house both at the 5 p.m. hour and again at 7 p.m."

Dr. Herbert Bergstrom is the church pastor.

Mrs. Christian Hosts December ESA Meeting

Members of Theta Rho Chapter of Epsilon Sigma Alpha sorority met in the home of Lillie Christian Monday, Dec. 14, for their regular monthly business meeting.

A report was given on the recent Christmas party, held at the Colonial Park Country Club in Clovis. Members and their husbands enjoyed a prime rib dinner at the annual holiday affair.

Also during the Christmas party, Tommie and Roy Snodgrass were presented an appreciation plaque for their donation of western wear to the ESA rummage sale.

It was reported at Tuesday night's meeting that the sorority had received a thank-you

letter from Boys Ranch expressing gratitude for the donated clothing items, and several individual thank-you letters were received from residents of Girlstown USA for the shower given in their honor recently.

Dot Christian reported to the

group on the organization's upcoming philanthropic projects and it was also decided to hold the Ground Hog Day Chili Dinner annually.

Area shut-ins will have Christmas this year as members of ESA will be delivering goodies to them. Members will also deliver baskets of clothing

and food to needy families in the area.

Refreshments were served to those attending, including Joyce Williams, Terri Nichols, Altha Herington, Dot Christian, Robin Gregory, Maxine Williams, Margaret Aycock, Gwen Corn (who served candy) and Lillie Christian.

Marriage Licenses

There was one marriage license issued from the Parmer County Clerk's office this week.

The license was given to Marin Ballie and Tina Marie Boyd.

Ladies Auxiliary Slates Center Christmas Party

Members of the Farwell Convalescent Center Ladies Auxiliary will once again sponsor the Center Christmas Party, set this year for Tuesday, Dec. 22.

The festivities are to begin at 7 p.m. CST at the Center, and everyone in the Twin Cities area is invited to attend.

Nan Preston, member of the Auxiliary, stresses that "stocking stuffers" are needed for the party. Those who would

like to bring an item are encouraged to do so.

According to Mrs. Preston, items that may be used as stocking stuffers include lotion, powder, hair brushes, costume jewelry, socks for men, and knee-high hose for women.

Refreshments of cookies, punch and coffee will be served during the party. All Auxiliary members are reminded to bring cookies.

Texico Jr. High Basketball Results

Texico's 8th and 9th grade girls snatched an early season victory over the Melrose Buffaloes 27-21.

The Buffaloes started the first quarter quickly grabbing a 8-2 lead, but Texico came back to take the lead in the second quarter 14-11.

The young Wolverines held on for the rest of the contest with a 21-19 score at the end of the third quarter.

High scorer was Helen Boarman, an 8th grader, with 10 points, Karen Snodgrass had 9 points followed by Lucia Jesko with 4 and Coy Jo Burk

and Elayne Horner with 2 each.

Texico's 9th grade basketball squad had a rough workout last Tuesday evening with a close contest against the Melrose Buffaloes, but came out victorious on their own home court, 37-30.

Billy Bibbs led the Wolverine attack with 20 points and 8 rebounds and grabbed 8 steals. Danny Powell was also aggressive on the court, making 9 points, followed by Bobby Steward with 4 and Rusty McCormick and Ronnie Galvan each with 2.

11 Are All-District - -

Seven Wolverines Named To AP's All-State Team

Texico varsity Wolverines may not have captured the state football crown, but they managed to grab up most of the post season honors.

Seven varsity players were named to the Associated Press (AP) Class A All-State team, and 11 of the boys were placed on the All-District squad.

Selected to All-State first team offense from Texico were tight-end Kent Harding, senior; linemen Jeff Duns-worth and John Gallegos, seniors; and back Earl Bibbs, junior.

Placed on first team defense were linemen Kent Harding and James Robinson, seniors; linebacker Todd Gerries, senior; and defensive back James Kelley, senior.

Named to second team offense were Dale Johnson, lineman, and Jerry Wimberly, quarterback. Second team defense selections included Lynn Tubbs, linebacker.

Texico dominated the All-State team picks with its seven players on the team.

Those named to first team offense All-District were tight-end Kent Harding; linemen

John Gallegos and Jeff Duns-worth; quarterback Jerry Wimberly; and running back Earl Bibbs.

First team defense selections included linebackers Todd Gerries and Lynn Tubbs; defensive linemen James Robinson, Kent Harding, and Dale Johnson; and secondary, James Kelley.

All-District second team selections included offensive players James Robinson and

Dale Johnson, linemen; Todd Gerries and Willie Bibbs, backs; and defensive players Jerry Wimberly, secondary; and Jeff Duns-worth, defensive line.

The varsity Wolverines finished their season with only one loss, that being to Reserve in the state championship playoff game.

The squad is coached by David Lynn.

Portales Chess Team Wins Texico Tourney

Taking first place in team play at the Texico Chess Tournament last Saturday was the Portales Chess Team.

Texico Chess Team sponsor Ronnie Warmuth said the event was "very successful" and felt that the event generated much interest.

In second place was the host club, the Texico Chess Team. Players Richard Ross and Elias Orozco won both of their games to take the second place win for the team.

Also playing for Texico were

David Vaughn, Jay Duncan, Jeff Johnson, Jeff Holland and Buck Autrey.

In third place was the NMMI Chess Team.

Brian Dye, a student at ENMU, won the exhibition event, playing seven boards at one time and winning all 21 games.

Warmuth said that cash prizes were awarded to the winners of the tournament, which was conducted at Texico High School.

Texico Jr. Varsity Basketball Results

Junior varsity girls of Texico squeaked by the Bovina Fillies and was still ahead at halftime 10-7.

In the third quarter, the Fillies held the lead by one

point, 17-16, but Texico was not about to give up and was victorious over Bovina's challenge for the 23-22 win.

High scorers for Texico were Karen Snodgrass and Valda Cavallero with 6 points each. Cheryl Scott and Dana Morris both had 4, and Cassie Chavers had 3.

Special Treat

Members of the 1981 Texico junior high football squad were treated to a party honoring them for their winning 5-1 season, hosted by the junior high cheerleaders. Pictured at

the party, from left, are cheerleaders Donna Smith, Kim Keeler and Kandy Keeler; team members Steve Smith, Billy Bibbs, Rusty McCormack, Buck Gaddis, Ronnie

Galvan, Buddy Adkins, and coach Scott Parker. The boys were treated to cupcakes and punch at the special occasion. [Photo by cheerleader sponsor Gina Piazza.]

Lazbuddie Senior Wins Scholarship

Terry Jesko, senior at Lazbuddie, won a South Plains College scholarship during the annual Littlefield District Future Farmers of America banquet hosted December 7 by South Plains College.

Teresa Loflin, senior from Friona High, won the sweetheart competition.

Jesko, whose parents are Mr. and Mrs. Lee Jesko of Lazbuddie, currently serves as FFA chapter president and district treasurer; and also serves as both president of his senior class and the Student Council and is a member of the National Honor Society.

Jesko, presented a \$100 scholarship to SPC by Don Yarbrough, Dean of Continuing Education at SPC, plans to attend South Plains for two years and transfer to Texas A&M University, where he will major in veterinary medicine.

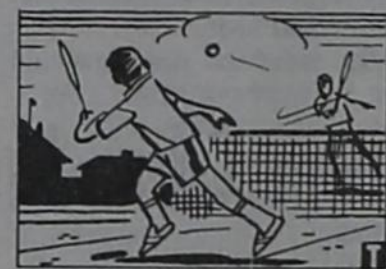

Loflin, 18-year-old daughter of Mr. and Mrs. Jerry Loflin of Friona, is a cheerleader and member of the girls' basket-

ball team.

About 240 FFA representatives were on hand during the banquet in Texan Hall, according to Lawrence Widner, agriculture teacher from Bovina who is the current Littlefield District FFA advisor.

Guest speaker was Mike DeLoach of Sudan, 20-year-old SPC sophomore ag-business major and last year's area vice-president.

The Littlefield FFA district comprises 15 schools - Amherst, Bovina, Anton, Farwell, Friona, Lazbuddie, Littlefield, Morton, Muleshoe, Spade, Springlake-Earth, Sudan, Three Way, Whiteface and Whitharral.

In the heat of competition, sports enthusiasts may lose sight of eye safety. The racquet sports—tennis, racquetball, badminton, squash—account for many of the 35,000 sports and recreational eye injuries in a year.

What's an average day worth?

On an average day you probably get out of bed, adjust the thermostat, make a pot of coffee, cook breakfast... perhaps use the dishwasher.

Later, maybe you do a load of laundry and listen to the radio. Then you cook dinner and put the leftovers in the refrigerator. You may turn on the television or settle down in your favorite chair next to a lamp to read.

For all of you, all of this and more adds up to one day... just 1/30th of your average monthly electric bill.

Knowing what electricity is worth is worth knowing.

Farwell Invitational Tournament Underway

Steers Split Games With County Rivals

by Doug Cole
Farwell School Correspondent
After dropping a hard-fought 50-41 decision to cross-country rival Friona on the road last Tuesday night, the Farwell Steers bounced back into the win column with an impressive home victory over Lazbuddie, 58-40, on Friday.

Tuesday, Dec. 8, on the Chieftains' home court, the Steers spotted Friona a five-point first quarter lead before some hot shooting from the field earned the Blue and White a 19-16 halftime advantage.

In second half action, the Chieftains put on a shooting display of their own by reeling off 8 unanswered points early in the third, and took the lead for good at 33-29 after three quarters of action.

The Chieftains, nearly perfect from the line in the last stanza, sank 7 free throws in the final three minutes to sew up the 50-41 victory, their second decision over the Steers this season.

Claud Gobble poured in 12 points to lead the Steers, followed by Alan Eubank with 11.

Others scoring were Jay Anderson, 9; David Daniel, 6; Manuel Cantu, 2; and Raymond Sierra, 1.

At home Friday night

against Lazbuddie, the Blue and White rebounded from the loss with a 58-40 win over the Longhorns to up their season slate to 5-7.

The Steers, displaying an unerring inside attack, scored 10 of the contest's first 14 points, and coasted to a 14-8 beginning quarter lead.

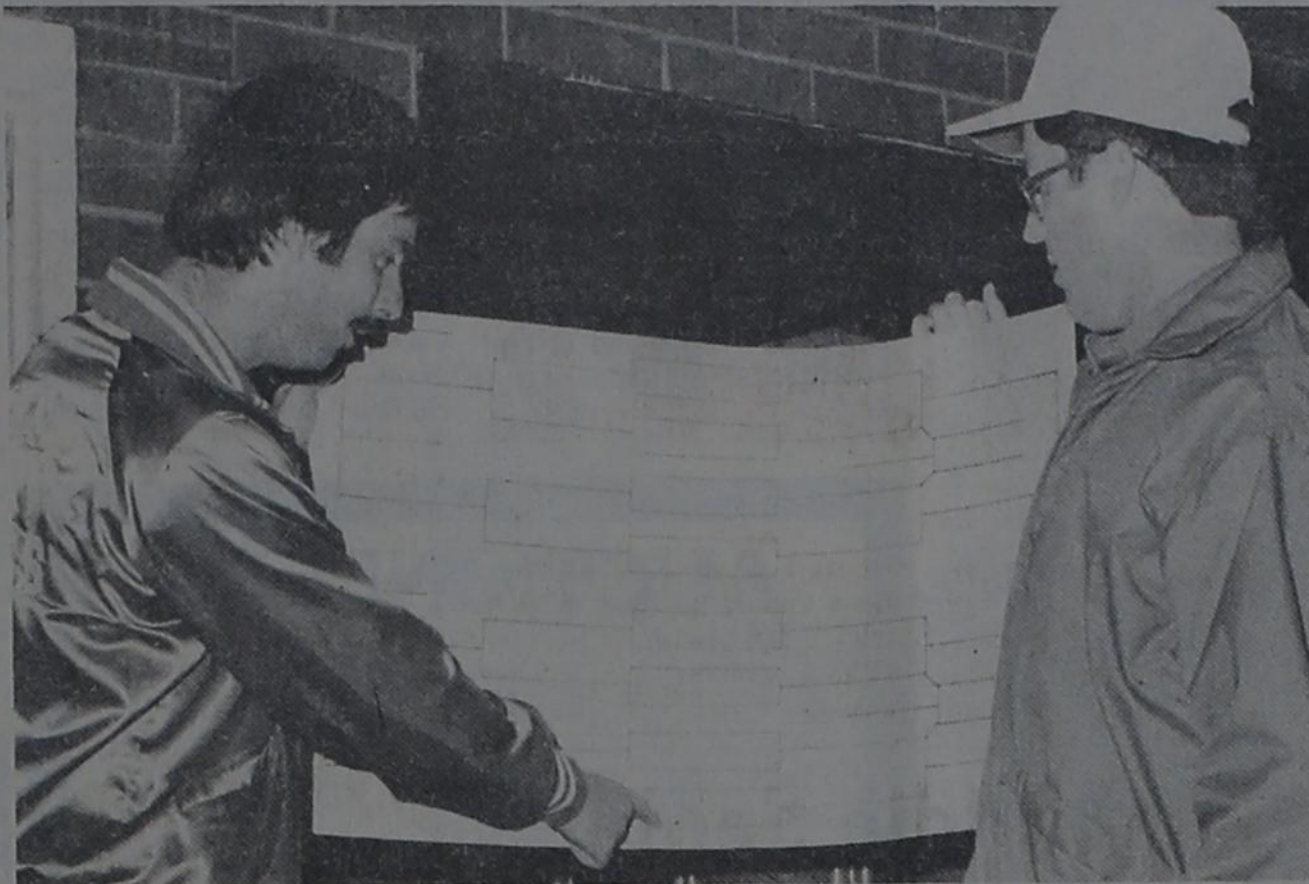

In second stanza action, the Blue and White created turnover after turnover on defense, and held the Longhorns to 11 points the remainder of the half.

Enjoying a high shooting percentage from the field, the Steers built up a 14-point halftime cushion, leading 33-19.

Two minutes into the second half, Farwell exploded with 16 unanswered points, and led by as many as 30 late in the third quarter. Only a late quarter Longhorn rally prevented a blowout, but the Steers still prevailed after 3 periods, 49-28.

Despite being outscored 12-9 in the final period, the Steers held onto their lead, and pleased the home crowd by posting a 58-40 win.

Jay Anderson and David Daniel each contributed 14 points in the victory to take game-high honors. Other scorers were Claud Gobble, 11; Alan Eubank, 8; Raymond Sierra, 3; Steven Smith, 2; and Roger Robertson, 6.

Tournament Draw

Farwell boys varsity basketball coach Mike Martin, left, and athletic director Bruce Dollar take a final look at the Farwell Invitational Tournament bracket just before the tourney got underway. Eight schools from the area will be

competing in the event, the first played in Farwell in many years. Games were to have begun Thursday at 9 a.m. and will continue through Saturday at the Farwell gymnasium. Everyone in the Twin Cities

area is invited to come out and see "some good basketball," says coach Dollar. Teams entered in the event include Farwell, Texico, Bovina, Friona, Dimmitt, Melrose, Plains and Adrian.

Twin Cities Tumblers Take 2 More Trophies

Several members of the Gymnastics Elite Club participated in meets December 11 and December 12, winning several more ribbons and two team trophies.

The club took the Girls A and B Team and A Boys team to the Eastern New Mexico Invitational held at Marshall Junior High in Clovis on December 11.

Other schools participating in the open gymnastics event included Marshall Junior High and Gattis Junior High. The Farwell boys team won the second place team trophy with the girls A team garnering the second place team trophy.

Team members participating were Andy Hughes, who participated with a cast on his left leg and received a 2nd place on the parallel bars, 3rd on horizontal bars, 4th on pommel horse, and 4th on rings;

Also, Jeff Actkinson, 1st, floor; 5th, vaulting; 5th, pommel horse; Greg Actkinson, 5th, parallel bars; and 3rd, floor exercise; and Riley Malone, 6th on floor.

The girls A team consisted of Maxine Jones, 3rd, vaulting; Polly Turner, 4th, vaulting, and 4th, floor; Misti Stanton, 5th, uneven bars; and Alice Heurra.

The girls B team members were Donna Griggs, 1st, beam; 2nd, floor; 3rd, vaulting; and 4th, uneven bars; Jill Actkinson, 3rd, floor; 4th, beam; 4th, uneven; and 4th, vaulting;

Also, Elizabeth Galvan, 3rd, beam; 4th, floor; 4th, vaulting; and 4th, uneven bars; Suanne Malone, 2nd, beam; 3rd, vaulting; and 4th, floor; 4th, uneven.

Following the Clovis meet Friday, 15 members traveled to Levelland for a West Texas Tumbling Association meet Saturday. The meet was

strictly for tumbling and trampoline.

were Joni Hernandez, Elizabeth Galvan, Alice Heurra, and Misti Stanton.

Winning 3rd place ribbons were Misti Stanton on trampoline while Nicole Charleson, Polly Turner, and Brandon

Kirkland received 3rd places for their tumbling.

Krista Gates, Suanne Malone, Maxine Jones, and Riley Malone received 2nd place ribbons. Earning 1st place medals and ribbons were Jonas Hernandez, Jody Mahaney and Richard Turner.

Tumblers Triumph

Members of Farwell's Gymnastics Elite Club are shown with even more ribbons and trophies won at two recent tumbling competitions. The local gymnasts competed at the New Mexico Invitational meet at Marshall Junior High and at the West Texas Tumbling Association meet in Levelland. Another pride and joy of the local tumbling group

is the uneven bars on which they are pictured. It was with funds from the Farwell Youth Commission that the group was able to purchase the new piece of competition size equipment. In addition, the local organization has also purchased tumbling mats, horizontal bars, a new balance beam, and crash pad.

Steerettes Split Games, Boast 8-4 Season Record

by Doug Cole
Farwell School Correspondent
A last second shot last Tuesday night at Friona was the only obstacle in the Steerettes' path to another undefeated week, but the girls suffered a heartbreaking 38-36 overtime loss to Friona before taking out their frustrations on Lazbuddie with a 58-27 blow-out Friday night.

In Tuesday's game on the Friona court, the score was knotted a total of 12 times before Janene Berry's jumper from the free-shot line with 1:41 left in the contest broke the ice at 34-32.

However, a turnover with only 17 ticks left on the clock

prevented the Steerettes from running out the remaining time and gave the Squaws one last chance to save the game.

The Steerettes saw their chance to come home with a victory crushed at the buzzer as a last-ditch Squaw basket threw the contest into overtime.

After an exchange of field goals, the Squaws earned possession of the ball with 39 seconds remaining in the extra period, and threw in the game-winning shot with just four seconds left to nip the Steerettes 38-36.

Scoring for the Steerettes were Janene Berry, 14; Lezlie Castleberry, 8; Ginger Ellison and Karen Magness, 6 each; and Jennifer Williams.

At home Friday night, the girls made up for their week's only blemish by routing Lazbuddie 58-27.

Thanks to an awesome

full-court press that picked apart the Lady Horns, the Steerettes racked up the first 8 points of the contest, and rolled to a 12-7 first quarter lead.

The second period was more of the same as a balanced Steerette attack burned in 12 more markers to give the local girls a 24-14 halftime edge.

The Blue and White came out firing in the second half, as buckets by Janene Berry, Karen Magness, Lezlie Castleberry and Ginger Ellison spurred the Farwell ball club to a 30-point lead early in the fourth quarter.

The Steerettes were never threatened in the second half, and cruised to an easy 58-27 victory that raised their record to an 8-4 mark.

Scoring for Farwell were Janene Berry 14; Karen Magness, 10; Ginger Ellison and Lezlie Castleberry, 8 each; Suzahn Inman, 7; Donna Meeks, 6; and Kay Geuther, 5.

Farwell Jr. Varsity Basketball Results

Farwell JV girl roundballers took two victories over Lazbuddie this week, and the boys split their decisions with the county foe.

At home on the Steerette court last Friday night, the junior Steerettes handed Lazbuddie a 58-20 shellacking.

Scoring for the Blue and White were Cynthia Ancira and Elaine Vaughn, 10 each;

COOL IDEAS FOR YOUNG PLAYERS

By Bobby Orr

Mr. Orr has been commissioned by Standard Brands Incorporated, to write a series of articles designed to help youngsters improve their hockey game.

The most important part of hockey is skating. If you can skate and are willing to work hard and listen to your instructors, then you will have a chance to possibly further your career in hockey.

I recommend skating as much as possible. But if ice is not available, running or riding a bicycle will help develop your legs and should help you be a better skater.

At the beginning of every work-out, practice your skating. Skate backward, forward, and work on your lateral movement. Practice the proper way to stop and start and work on your stride.

Cathey Gobble and Denise Ford, 7 each; Norine Jones and Sonya Chisom, 6 each; Tammy Obenshain 5; Sheila Smith, 4; and Sandra White, 3.

If Lazbuddie thought they could even the score with Farwell on their own court, they were sadly mistaken. The Blue and White girls traveled to Lazbuddie Tuesday night, and once again defeated the county rival, this time 47-10.

Those aiding the junior Steerette cause were Cynthia Ancira, 14; Tammy Obenshain, 13; Elaine Vaughn, 11; Sonya Chisom, 4; Norine Jones, 3; and Sheila Smith, 2.

The wins over Lazbuddie give the JV girls a 6-3 record for the season.

While the JV boys lost to Lazbuddie on their home court Friday night 35-23, they managed to hand the Longhorns a defeat Tuesday night at Lazbuddie gymnasium, 36-26.

In Friday's game, Jimmy Bernal was high scorer with 9; Paul Fulcher had 6 and Johnny Daniel and Steven Stancell, 4 each.

Those scoring in the victory Tuesday night were Johnny Daniel, 18; Steven Stancell, 7; Paul Fulcher and Todd Christian, 4 each; and Jimmy Bernal, 3.

TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635

DOES MISERY LOVE COMPANY?

We have all heard the statement: "Misery loves company." It is true that when one is sick or in trouble, he does not feel quite so sorry for himself when he realizes that others are as unfortunate, and perhaps more so, than he.

However, some have used this phrase, "Misery loves company," in speaking lightly of hell. Perhaps you have heard someone say: "Well, if I go to hell, at least I'll have lots of company." This is true, but the company the lost will have when cast out of God's presence will hardly afford them comfort.

The Bible account of the rich man and the beggar, Lazarus, brings this fact out with great force (Luke 16:19-31). The rich man, you will remember, "fared sumptuously every day," while Lazarus "was laid at his gate, full of sores, desiring to be fed with the crumbs which fell from the rich man's table."

In the process of time both died. The rich man, having felt no need of salvation, suddenly was made to experience God's wrath upon sin, for the sacred record says: "In hell he lifted up his eyes, being in torments." From his place of torment the rich man saw Lazarus with Abraham "afar off," but this surely afforded little comfort, while we do read that "Lazarus was comforted." The rich man then asked Abraham to send Lazarus back to earth to warn his five brothers "lest they come into this place of torment." He did not wish his brothers to join him in hell. "Misery" among those cast out of God's presence, then, does not "love company."

The story is brought to a close as Abraham refuses the rich man's request, explaining that if his brothers did not "hear" the Word of God, "neither will they be persuaded though one rose from the dead" (Luke 16:31).

The way to avoid the lot of the rich man, then, is to believe the Word of God, particularly that part of the Word which tells how Christ died for our sins that we might be justified by grace through faith. Don't be fooled by the old adage: "Misery loves company." Receive Christ as your Savior today. "Believe on the Lord Jesus Christ and thou shalt be saved" (Acts 16:31).

Conservation Program Out For Public Review

The Secretary of Agriculture has invited the public to comment on the U.S. Department of Agriculture's proposed soil and water conservation program. The secretary's preferred program features expanded roles for local and state governments and the targeting of USDA dollars and personnel to conserving critical resource problem areas. People who are interested in the program, or potentially affected by it, are urged to comment. Responses will be accepted through January 15,

1982, and can be mailed to State Conservationist, Soil Conservation Service (SCS), P.O. Box 648, Temple, Texas 76503. Duval Burton, acting district conservationist for SCS at Friona, said the secretary's proposed program would concentrate more USDA assistance in areas where soil erosion and other problems threaten to reduce agricultural productive capacity and to increase agriculture production costs. Basic USDA technical and financial assistance would continue in all areas.

The program would use local and state conservation coordinating boards to identify critical problem areas, set priorities, and develop program for local and state action to solve the problems. These boards would be based on existing organizations -- conservation district boards, Agricultural Stabilization and Conservation (ASC) committees, extension advisory boards, and other groups. Based on the recommendation from these local and state boards and national priorities, more USDA assistance would be aimed at reducing the most serious soil erosion and related problems.

Burton said the program is the secretary's proposed response to the Soil and Water Resources Conservation Act of 1977 (RCA). It is contained in an RCA Program report and a summary leaflet with response form that can be reviewed at the local SCS or Agricultural Stabilization and Conservation Service office.

The basis for the program is an appraisal of the condition, trends and natural resource problems of the nation. Published in two reports, the appraisal is also available for public reference in the two USDA offices.

ities or noise levels, temperature preferences, possessiveness of time and objects, differences in values, wants and interests, and even inter-generational power struggles. It was reported at Tuesday night's meeting that the personalities may not blend well with prolonged interaction. Plan for time that allows separate activities for separate family members. Consider tasks that may be shared. Many people feel more comfortable when they feel they are helping with the responsibilities of the host family. Also talk about time frameworks and routines. "Unknowns" create more problems than "knowns."

In addition, avoid overdoing. Avoid overdoing on eating and social activities. Decide on a program that puts desired activities at the top of the list and leaves others out. This will help balance holiday "doings" with blocks of time for rest. In addition, and perhaps hardest to do -- observe moderation. Finally, it's a good idea to allow for a recovery period after holiday travels or visits -- before family members must go back to school, work and other responsibilities. Good vacations and good family relationships require a considerable investment in planning, negotiation, maneuvering and tolerance. Whether as a vacationer or visitor, get ready for the next one -- and Happy Holidays!

When visiting with relatives, find ways to prevent a financial drain on the host family's income -- contribute to food costs or recreational expenses, for example. When guests are coming, consider activities that are in keeping with normal expenditures and save ahead for extras. Plan for breathing room in schedules and actual living space -- that means some time and space alone for everyone. That helps sidestep some of the major risks of abrasion and reactions to territorial invasion, which family togetherness in close quarters may bring. Crowded conditions and the competition for housing resources -- showers, televisions, bed and phones -- and the loss of valued privacy may be more than some people can manage. Comfort for most people lies in the fact that conditions are temporary.

Recognize individual differences, too. Individual personality factors also can produce friction. Moodiness, distractions by non-appealing activ-

Pinata Fun

Kristi Lovelace adds the final touch of a black top hat to the snowman piñata created by students in Alice Richmond's 5th grade class at Texico Elementary School. Holding the piñata is Carl Gonzalez.

Kristi and Carl will join other members of the class in taking part in traditional "piñata breaking" fun at the class Christmas party Friday. Several miniature piñatas were also created by the class.

Shelly Salyer Winner At District Show

Knowledge of nutritional needs, ability in menu planning and skills in preparing a dish of their choice won top honors for four youths in the South Plains District 4-H Show at Lubbock Saturday, Dec. 12.

Although unable to advance beyond the district level, Shelly Salyer of Parmer County 4-H was one of the top junior division winners for her breads and cereals entry.

Winning plaques and the right to represent the district in the contest next year were Shelly's prizes. Her entries were Shelly's Breads, main dish, and Elizabeth Sellers, breads and cereals, both from Gaines County; Amy Smith, fruits and vegetables, Lamb County; and Jene Nance, nutritious snacks and desserts, Dawson County.

Four other winners in the senior division took second place honors and will serve as alternates if the top winners are unable to compete in the state event. They are Mary Jean Huseman of Castro County, main dish; Darla Seigler, Cochran County, breads and cereals; Mandy Igo, Hale County, fruits and vegetables; and Chree Boydston, Crosby County, snacks

and desserts.

Junior division winners received ribbons but do not compete beyond the district level. The top juniors in each category were: Main dish -- Jim Bob Carver, Hale County, first; Amy Sims, Terry, second; and Mimi Lupton, Lubbock, third. Fruits and vegetables -- Samantha Moorhead, Terry, first; Billy Robertson, Yoakum, second; and Misty Riney, Lamb, third. Breads and cereals -- Shelly Salyer, Parmer, first; John Hamilton, Hale, second; and Donna Smith, Lamb, third. Nutritious snacks and desserts -- Nikki McGinty, Yoakum, first; Cindy Greaves, Lubbock, second; and Jana Bontke, Hale, third.

Four-H'ers from Parmer County and their awards were: Seniors, Breads and Cereals, Devera Rhodes, Friona, blue ribbon; Rhoads, Friona, blue ribbon; Main Dish, Maureen Jesko, Lazbuddie, blue ribbon; Fruits and Vegetables, Melanie Gallman, Friona, red ribbon; Nutritious Snacks and Desserts, Traci Zoth, Friona, red

ribbon. Juniors, Twila Donaldson, Oklahoma Lane, Main Dish, blue ribbon; Amber Rhodes, Oklahoma Lane, Fruits and Vegetables, blue ribbon; Dana White, Oklahoma Lane; Nutritious Snacks and Desserts, red ribbon.

A total of 131 boys and girls from 20 South Plains counties participated in the senior and junior divisions of this year's district show at Texas Tech University. Dishes were judged by panels of professional home economists and homemakers and viewed by the public in Tech's home economics building. Awards were presented in the Coronado Room of the University Center.

The show is one aspect of the year-round foods and nutrition project in 4-H, explained Dr. Catherine Crawford, district director with the Texas Agricultural Extension Service.

HOLIDAY VISITS: HOW TO KEEP THE "HAPPY" IN THEM

Traveling for the holidays or expecting travelers? Plan ahead -- even scheme, if you must -- to build the "happy" into your holidays. When you pack your bags for the trip or get the spare room ready, consider a few hints that encourage tranquility and fun. Hints in this case are ways to allow for personality characteristics or normal human traits that may lead to tenseness simply because of the closeness involved and changes in normal routines. Knowing the potential mischief that can arise and using some planning skills to keep mischief from getting out of hand can build the "happy" into any situation.

Discuss ideas with all involved. Obtain suggestions of what people would like to do and whom they would like to be with while on the trip. Prioritize, compromise and make decisions. Schedule and make arrangements far enough in advance to allow people to get ready. Be realistic about holiday time and costs. Plan a budget that gives consideration to all family members without overstepping the limits of family income.

When visiting with relatives, find ways to prevent a financial drain on the host family's income -- contribute to food costs or recreational expenses, for example. When guests are coming, consider activities that are in keeping with normal expenditures and save ahead for extras.

Early 60's Cooperative Users To Receive Capital Credit \$\$\$

Members of the Bailey County Electric Cooperative who were receiving service in 1961, 1962 and 1963 will be receiving Capital Credit checks for their pro-rated part of the net margins for those particular years, according to Cooperative officials.

Checks were placed in the mail during the first week of December, officials said. The total amount for the year 1961 is \$34,749.20; for 1962 there is a total of \$109,029.72, and the portion of 1963 being paid, 14,418 percent of the

year's allocation, is \$17,899.63. This is a grand total of \$161,678.55, a sizeable sum of money being placed back into the area economy ... and just in time for Christmas.

Bailey County Electric Cooperative Association is chartered under Texas State Law as a non-profit corporation. It is operated for the specific purpose of providing electric service to its members at cost. Any funds received in any one year over the cost of doing business is set aside as net margins.

Since the money belongs to the member-owners of the Cooperative, they are issued Capital Credit Certificates for their pro-rated part. This money is forever assigned to them or members of their estate. The Board of Directors has the authority to administer these funds, and any time they feel the Cooperative is in a financial position to do so, will refund these credits in cash.

There is a policy that states this will be done on a "first-in-first-out" basis. The net margins from 1954 through 1962, and 1966, have been paid in full, plus 14.418% of 1963. Those who have Capital Credit Certificates for subsequent years, should keep the Cooperative informed of their current mailing address. Many checks are returned to the cooperative for lack of correct mailing address.

FIRE CALLS

Farwell volunteer firemen were kept busy this week with four emergency calls, while the Texico department men had only one.

On December 10, the Farwell fire truck was sent to a grass fire on Ninth Street and Avenue G at 3:31 p.m.

The ambulance was sent to Farwell Dairy Queen at 2:49 p.m. December 11.

On December 12 the ambulance was sent to a Fifth Street residence at 10 p.m. to transport a patient to Clovis High Plains Hospital.

The fire truck was sent to Allsup's convenience store on December 14 to extinguish a pickup truck fire. The incident

occurred at 4:05 p.m. In Texico, the ambulance was sent to 511 Garwood at 12:01 a.m. December 10, transporting a patient to Clovis High Plains Hospital.
