

Texico School Construction - -

\$923,000 Granted From Capital Outlay Funding

A new educational complex featuring a multi-purpose room, classroom facilities, and offices will become a reality for the Texico Municipal School now that the school has been granted \$923,000 from capital outlay funding from the state.

School superintendent Jim Pierce, architect Randall Kilmer, and school board mem-

bers Greg Martin and Roy Thornton met with the Capital Outlay Committee on Thursday, June 24, to review their request for the funding. This was the final step in trying to secure the funds for the construction project.

The ball got rolling back in February of this year when voters of the Texico Municipal School District wholeheartedly

approved a \$320,000 bond issue and two-mill tax levy to fund the local district's share of the building program.

The original request for capital outlay funds, Pierce said, was for \$1,065,000, to be added to the \$320,000 bond.

After going through an advisory committee with the proposed plans and requests some time ago, the director of

the Capital Outlay Committee from the Public School Finance Division of the State Department of Education, Bonnie Brock Wood, made an inspection of the local school facility to determine the need for the proposed construction. Mrs. Wood recommended funding of \$923,000 for the project, saying that since about \$700,000 of the total amount would be

available for the school to put out on interest by sometime in July, the additional amount could be made up in interest.

Then following her visit to the school, an engineer from the department also made an on-site inspection, and on June 14, Pierce, Martin, Thornton and Kilmer met with the advisory committee where Pierce presented a 15-minute

paper explaining the need for the new facilities.

On Thursday, June 24, the Capital Outlay Committee met to review the application and approved the \$923,000 figure for the Texico school system.

Pierce pointed out that this money is to come from funds set aside by the state legislators to help schools throughout the state construct class-

rooms, etc. that cannot be handled by the school's bonding.

Bonds for only six percent of the assessed value in a district may be sold, and that would be approximately \$520,000 for Texico, of which, some \$200,000 is still owed for construction of an ag barn and other facilities a few years ago, dropping

This is, as we all know, the Fourth of July weekend. There will be patriotic celebrations, family reunions, camping trips, and all sorts of recreational activities. Joy at our freedom will abound.

Probably very little thought will be given to just what constitutes our "freedom." In most instances, freedom is beauty in the eye of a beholder.

An oft repeated story is the one that says that the medieval serf or thrall was required to give the Lord of the Estate 25 percent of his produce as a tax for living on the estate. Well, the average taxpayer in the free United States pays upwards of 39 percent of his produce for living in this country.

We know some folks who consider themselves free if they do not have to work or worry. Some of these individuals both worked and worried in the past so that they could enjoy a future free of said work and worry.

Others chose the political expedient of looking to a socialistic state to provide them with the wherewithal of life, and they don't work. They may be free of work but they are slaves to a political system which they must keep in power so that the goodies of life flow to them without said work.

Advertising tells us that if we buy this or that, we will be free to do this or that. The inference is that the product will free a body of some kind of work so that he may be free to enjoy some kind of pleasure. The catch there is that one person's work is another person's pleasure.

An honestly free person is one who controls his life, makes decisions without having to consult any other person or authority, and accepts the responsibility for having made those decisions.

In our opinion, there can be no freedom without responsibility. Anything that removes a person from being responsible for the consequences of his actions also removes his freedom. Too bad that our liberal politicians have not told that fact to the voters whom they have been gulling for the past 40 years. With all the freedoms they have given us, we are in worse shape than the serf.

Last Monday a week ago, we heard the verdict in the Hinckley trial. We had time to add our comments to last week's column. We did not do so because we were so flabbergasted that coherent thought was not possible for several days. We are not sure that even now we can rationally review that astounding event.

Because of the time lag in our publication, there have already been reams of thought put out to the public, so additional comment would be almost as redundant as the TV networks' series on 10 years after Watergate.

The only good that can come from this is for the people to demand that the insane laws on insanity defense be immediately junked. Everything connected with this travesty of justice received a black eye, including what passes as "expert" psychiatric witnesses.

If that was not to be the nadir of jurisprudence proceedings in this country, then we are indeed lost.

A miracle is not when lightning strikes down a politician caught lying, it's only a miracle if it strikes when he's not.

God save the United States Congress is in session.

Raising Old Glory

Preparing to hoist the Stars and Stripes on the recently erected 30 foot flagpole at the Oklahoma Lane Cemetery are these community residents who assisted with installation of the pole. The pole is dedicated to the veterans of the community, and the flag

will be flown on all holidays and during all funerals at the cemetery. Floyd Coates donated the flag which is to be flown continuously from now until after July 5. Design and installation of the pole was overseen by Hoyet Brown of Clovis. Pictured at the flag

raising Tuesday are, from left, Harold Carpenter, Melvin Boggs, Joe McWilliams, Richard Carpenter, Brown, Coates, Roz Blankenship, and Vernon Symcox. Billy Sides, who also helped with the project, was not available for the picture.

'Successful Season' - -

Summer Baseball Over, 180 Kids Participate

Approximately 180 youngsters from throughout the Twin Cities area participated in the summer baseball program in Texico-Farwell during the months of May and June.

Final regular season games were played last Thursday night at the Lions Park and All Stars for the Little League were named.

"It was a very successful season and a very smooth running one," said Johnny Atkinson, player agent.

This year saw the expansion of the summer ball program with the addition of three tee-ball teams composed of players ages 6 and 7 who played their games prior to the Pee Wee and Little League games each week. Some 45 kiddoes participated in the tee-ball program.

Peggy Clark of Texico was the organizer of this program. She got the idea because her son wanted to play ball, but she didn't want to have to take

him to Clovis to participate in the program there.

After getting approval from Vernon Thigpen, president of the local Little League Association, she put her plans into action.

Her efforts in publicizing the program netted enough interest to field three teams, the Dynamos, the Hot Sox, and the All Stars, and they all enjoyed a very successful first season, she said.

In the season standings, the Dynamos came out first, the All Stars were second, and the Hot Sox were third.

Mrs. Clark expressed appreciation for all the help she had in running the program and encouraged parents of children who would like to participate in the league next year to contact Vernon Thigpen to tell him they are interested in seeing the tee-ball program continue.

The Pee Wee teams had about 60 participants ages 8, 9,

and 10. The number one team was Hughes True Value with a record of 8-3. Citizens Bank was second winning 6 and losing 5. Capitol Foods was third with a record of 5-7, and Sherley-Anderson-Pitman was fourth.

The Little League Teams had about 60 players ages 10, 11, and 12. Farwell Insurance came out on top with a 9-2 record. Second was Worley Mills with 8 wins and 4 losses. Third was Kelly Green with a 4-6 record, and Tide Products was fourth with a record of 1-10.

Chosen to represent Texico-Farwell in the district Little League tournament set to begin July 19 in Clovis were, from the Farwell Insurance team, Damon George, Scott Bailey, Jeff Atkinson, Bony Nicholas, Tony Nicholas, and E.C. Ortega. From Tide are Ron Moore, Dusty Joiner, Mike Williams, and Matt Geuther.

Task Force Checks Local Crop Damage

Representatives from the United States Department of Agriculture visited Parmer and Curry Counties Tuesday to assess local crop damage caused by the recent hailstorms, and to decide whether or not local farmers will be eligible for disaster aid.

The task force was headed by Deputy Assistant Secretary of Agriculture John Ford, formerly of Lubbock.

He was accompanied by administrators from Farmers Home Administration, Agricultural Stabilization and Conservation Service, Federal Crop Insurance Corp., and the office of intergovernmental affairs.

The group arrived at the Clovis Airport at 3:30 p.m. CDT and met with local bankers, county agents, mem-

bers of the Agricultural Stabilization and Conservation County Committee, local farmers, and others, to decide what type of aid, if any, could be provided for those farmers in need.

Prentice Mills, Executive Director of Parmer County Agricultural Stabilization and Conservation office in Farwell, said that he was informed that the task force will return to Washington on Friday and will deliver the report to Secretary of Agriculture John Block. A

decision as to whether or not the area will be declared a disaster area will be made at that time.

Mills added that he was also informed that the Secretary of Agriculture has all kinds of freedom in declaring damaged crop lands as disastrous and in also making disaster decisions.

According to Parmer County Judge Porter Roberts, three letters have been sent to Governor Bill Clements applying for disaster aid. Roberts said that he had been con-

tacted by the governor's office and was told by a representative that "they would do the best that they could." Roberts said that the aid could be minimal if the federal government doesn't have the funds to help farmers who lost their crops.

The ASCS office in Clovis reported that 50 to 60 sections of corn, cotton, wheat, grain sorghum, and barley suffered hail damage in Curry County. They estimated that the loss would be around \$16,000,000.

BTD - - Committee To Meet Tuesday

The Border Town Days Committee will meet Tuesday, July 6, at 8 p.m. CDT at Luce's restaurant to finalize plans for the annual BTD community celebration set for Saturday, July 31. This is a change in the meeting date from the first Monday night of the month, due to the 4th of July holiday.

"Representatives of all civic and social organizations in the Twin Cities are reminded to be present for this very important meeting," said John Getz, chairman.

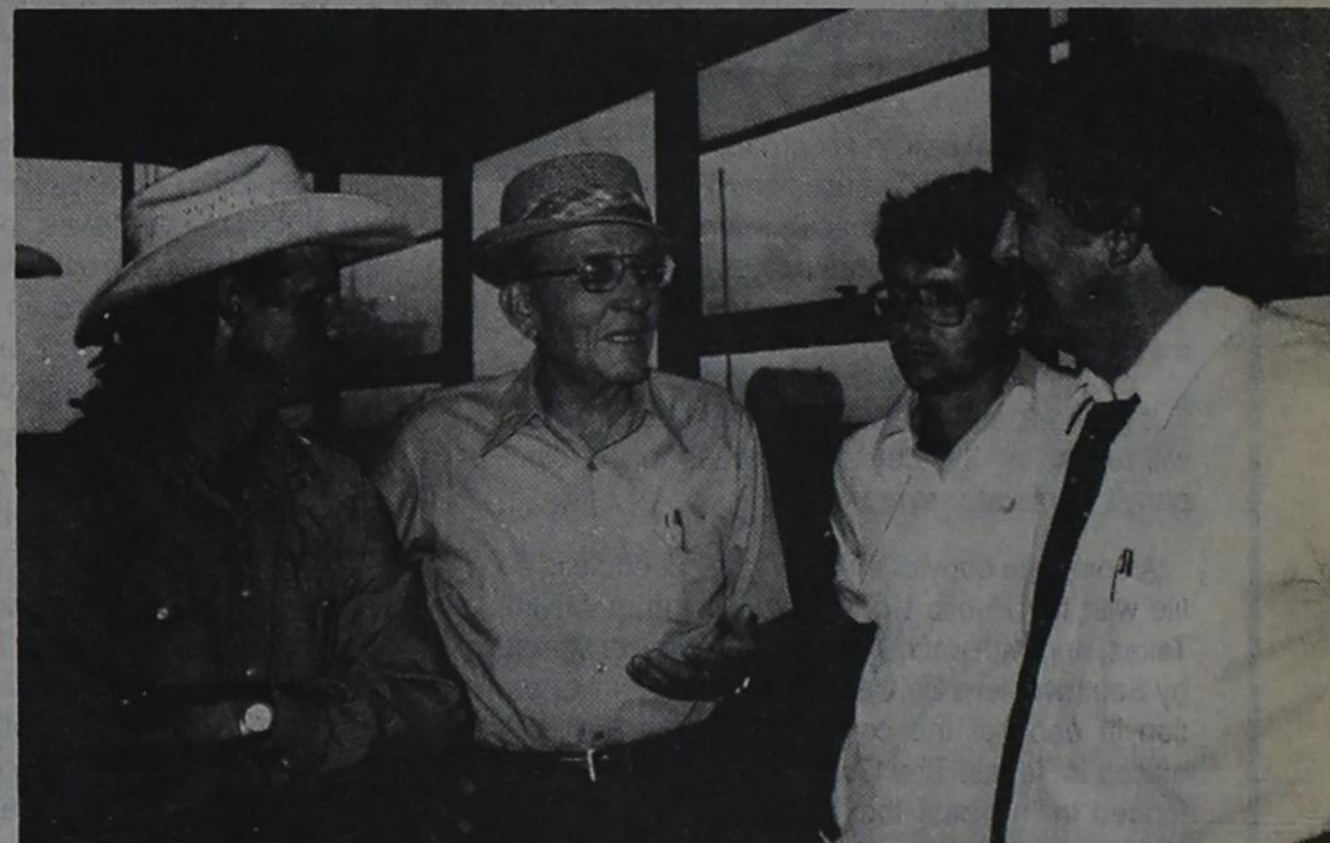

"The celebration is just a little over three weeks away, and we need to hear all reports from these representatives, to complete final plans for the big event," he added.

Fireworks Now On Sale

Farwell Youth Commission is now selling firecrackers, Roman candles, sparklers, and other traditional Fourth of July noise makers.

The fireworks stand is located at Hughes True Value parking lot and will remain open through July 4.

Proceeds from the fireworks sales go towards projects sponsored by the Youth Commission. These include Little League baseball, Little Dribblers, and other programs that benefit the youth of Farwell.

Talking It Over

Discussing possibilities of disaster benefits for local and area farmers are, from left, Lon Sultemeier, Melrose farmer; Prentice Mills, Parmer County ASCS office executive

director; Mark Williams, Farwell farmer; and Jerry Newcomb, Director of Emergency Services for the ASCS offices. Newcomb was a member of the Task Force group who

accompanied Deputy Secretary of Agriculture John Ford on the tour of the hail ravaged farmland in Parmer and Curry Counties Tuesday afternoon.

Harvest 50% Over - -

Wheat Yields Said Good

The weather-delayed wheat harvest is once again in full swing with all grain elevators in Parmer County receiving crop loads.

Wheat harvest in the area, which came to a standstill after the mid-month rain and hailstorms, is now about 50-75 percent complete across the county, according to Seth Ralston, Parmer County Extension Agent.

Ralston said that extremely high yields are being reported from fields where no hail damage occurred with better than average yields also being reported from dryland acreage.

Ralston reported that dryland wheat is yielding between 15-40 bushels and irrigated wheat is yielding between 70-100 bushels.

Sherley-Anderson grain elevator in Lariat has received a total of 8,250,660 pounds of wheat so far with approximately 50 percent of the wheat harvested in that area.

Lariat received its first wheat on June 7. The 34,260 pound load was brought in by Bill Dupler and he was paid a \$50 premium for bringing it to the Lariat facility.

His load of dryland wheat had a moisture content of 12.8 and a test weight of 59.8 pounds per bushel.

Sherley Grain Company in Bovina reported that the first load turned into that facility was by R.E. Wilson of Bovina. The 21,820 pounds of dryland wheat had a moisture content of 16.30.

Sherley-Anderson-Pitman of Farwell reported Monday that approximately 75 percent of the area wheat crop has been harvested, according to Fred Chandler.

Wayne Martin, Jr., turned in the first load to the Farwell elevator on June 10, with a moisture content of 13.50 and a test weight of 58.5 pounds per bushel. Chandler said that the yields for wheat have been relatively good considering the

extensive hail damage. He reported that irrigated wheat was yielding as much as 70-90 bushels while dryland wheat was yielding between 20-40 bushels.

Worley Mills in Farwell has estimated that 50 percent of the wheat has been harvested with dryland wheat yielding between 30-40 bushels. They reported no yield estimate on irrigated wheat.

Golden West elevator in Texico reported that they had received several loads this week, adding that workers were on duty past midnight unloading wheat.

Good yields were also reported from all the wheat received there, with irrigated wheat yielding as much as 84 bushels.

Sherley-Anderson Rhea elevator reported several loads coming in this week, but could not estimate yields because no one in that area has completed harvesting.

Weighing The Grain

Tiny kernels of golden grain fall onto the scales as an elevator operator tests the wheat for moisture content and pounds per bushel. Wheat harvest in the area, which

came to a standstill after mid-month rain and storms, is now about 50-75 percent complete across the county. Extremely high yields are being

reported from fields where no hail damage was received with better than average yields also being reported from dryland acreage.

Wheat Yields Good (Continued from Page 1)

Sherley-Anderson at Lazbudie indicated that the yields were not very good on the 65 loads that were brought in at that facility this week, adding that the wheat harvest in that area is just now getting underway. Yields were reported between 10-60 bushels on irrigated wheat.

Texico's bond capacity down to the \$320,000 which was passed in February.

Now the next step will include work on plans by the architect, selling of the bonds by the school's legal counsel, and the letting of bids.

Pierce said he hopes that actual construction of the facility could begin as early as November. He said that they had originally figured cost of the project at \$70 per square foot, and that the lesser amount actually received would drop that only to \$65 per square foot. He also noted that some of the higher cost could be attributed to the fact that they hoped to use solar energy in the new building, and installation of that system would be expensive.

Pierce expressed thanks to the area legislators who "went to bat for the school," and for taking the time to attend meetings with the school officials. He expressed special thanks to Hoyt Pattison who sat in on the meetings with the Capital Outlay Committee and was very supportive in the securing of the funds.

A key portion of the structure will be a multipurpose room which can be divided into three sections, making two lecture rooms along with a platform area with a total capacity of 632.

The room can be used for concerts, graduation programs, film presentations, and many other educational pro-

grams with three different programs in progress at the same time. Each section can be closed off by electronically controlled folding walls, he said.

There will also be three classrooms, which, Pierce said, will help alleviate the shortage of classroom space. One of the rooms will be used for business education and office practice, and it is hoped they will be adding work processing equipment to the business department.

In addition, the administration offices, now housed in the high school, will also be moved to the new facility, leaving the space in the high school for a counselor's office and conference room.

The new facility will be built across the street from the high school.

Youth Loses Arm In Accident

A Pleasant Hill youth who lost his arm in a freak accident Friday while practicing calf roping has been transferred out of the Intensive Care Unit at Clovis High Plains Hospital and is continuing to improve.

Jubal Pierce, 13, son of Dewey Gale and Alice Pierce, lost his left arm when his horse dragged him across an arena entangling his wrist in the rope. The horse suddenly changed direction, throwing

the youth against a post causing the loss of the arm.

A spokeswoman at Clovis High Plains Hospital said at 1 p.m. Wednesday CDT that Pierce's condition was much improved, but did say, however, that the damage was too extensive to re-attach the limb. She added that the arm had been lost almost to the shoulder.

Pierce and other youths had been practicing for a 4-H

"playday" to be held Sunday. The Pierces live three miles southwest of Pleasant Hill.

Hospital Notes

Willie Dannheim of Farwell entered the Clovis hospital on Sunday, June 27, for surgery. He is doing fine, reports Mrs. Dannheim, and hopes to come home the first of next week.

Parmer Commissioners Appoint Jury Of View

At the regular meeting of Parmer County Commissioners Court June 28, a Jury of View was appointed to survey and assess damages in preparation for a road being opened in Precinct #3. Appointment of the Jury of View was made after a group of citizens and their attorney, Charles Aycock, met with the court to request that such a group be named.

Appointed to serve on the Jury of View are Gilbert Kaltwasser, Henry Haseloff, Hubert Gohlke, Billy Mayfield, and Richard Haseloff. The committee will survey the area, assess any damages on the property in question, and report back to the Court at 3 p.m. on July 12.

In other Court business this week two bids were accepted for pickups, one for use in Precinct 3 and one for Precinct 4. The bid for Precinct 3 was for a trade difference of \$4,150.00 by E.R. Coffman, and the bid for Precinct 4 was for straight purchase of \$5,000.00.

Judge Porter Roberts reported having received a letter concerning hospital bills made by a number of indigents. It was suggested that this matter be tabled so that Judge Roberts may discuss the matter in more detail with the hospital before any settlement can be made.

Notation was made of a letter from the U.S. Department of Justice concerning the reapportionment of the Commissioners Precincts, Justice Precincts, and the creation of two new voting precincts and a new Justice and constable precinct, through Bickerstaff, Heath and Smiley. This letter states that the Attorney Gen-

eral does not interpose any objection to the changes. This does not, however, bar judicial action to enforce the enforcement of such changes.

A bill had been received from Norman Bays, who had been appointed as an attorney ad litem for a mental commitment hearing. The commission approved payment of this bill and mileage in the amount of \$60.

A final bill was paid to Bickerstaff, Heath and Smiley in the amount of \$17.41 for work on the reapportionment project.

A letter has been received from the Panhandle Alcoholic Recovery Center asking an assessment of \$1.10 per capita

in the county for support of a social detoxification program. Since Parmer County is not in the Amarillo area, this item was tabled.

At 5 p.m. a "Proposed Use Hearing" on General Revenue Sharing Funds was held with 14 members of the Bovina Senior Citizens in attendance. After an enlightening and interesting discussion of their organization, they requested the Court to consider giving their group \$100 per month of these revenue sharing funds for utility bills. Since the commissioner from that precinct was not in attendance at that time, this item was tabled until the July 12 meeting at which time it will be resolved.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas, effective July 27, 1982, unless otherwise determined by the Commission.

It is expected that the requested rate schedule will furnish a 13.4 percent increase in the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas. The Commission staff has contended in the past that all rates are subject to change as a result of Southwestern Bell's rate application.

Notice to El Paso Area Customers

Effective January 1, 1982, Southwestern Bell adopted the Mountain States tariffs in effect for El Paso County. Southwestern Bell proposes to merge the separate El Paso tariffs with its tariffs applicable to the rest of Texas. The resulting new rate schedule is on file with the PUC and the El Paso area municipalities served by Southwestern Bell, and is available for inspection at our El Paso business office.

Notice to Customers of Other Telephone Companies

The filing includes, but is not limited to, proposals to increase rates for interexchange private line and foreign exchange (FX) service. Changes in such rates would also affect customers of other telephone companies because such companies provide interexchange private line and foreign exchange service in accordance with rates specified in Southwestern Bell's tariffs. While Southwestern Bell has proposed no increase in long distance rates, any change in those rates would also affect customers of other telephone companies.

Aviso Público

Southwestern Bell, en conformidad a las reglas del Public Utility Commission (Comisión de Servicios Públicos) de Texas, por la presente hace saber su intención de establecer un nuevo arancel para servicio de teléfono en Texas con vigencia a partir del 27 de julio, 1982, a menos que la Comisión haga otra determinación.

Se espera que el nuevo arancel que se ha solicitado rendirá un aumento de 13.4 por ciento en los ingresos intraestatales de la compañía.

Una copia completa del nuevo arancel se ha archivado en las oficinas del Public Utility Commission en Austin, Texas, al igual que en cada municipalidad afectada y servida por Southwestern Bell, y cada una de las oficinas de la compañía para negocios con el público en Texas tiene una copia para lectura pública. En el pasado, la Comisión ha sostenido que toda tarifa está sujeta a cambios que resulten de la manera en la cual Southwestern Bell aplique sus tarifas.

Aviso a Clientes en la Región de El Paso

Con vigencia a partir del 1o de enero de 1982, Southwestern Bell ha adoptado las tarifas de Mountain States efectivas en el condado de El Paso. Southwestern Bell propone unir las tarifas de El Paso con sus otras tarifas que se aplican al resto de Texas. El nuevo arancel que resulta de ésta unión se ha archivado en la Comisión de Servicios Públicos (Public Utility Commission), al igual que en las municipalidades de la región de El Paso servidas por Southwestern Bell, y está disponible para inspección pública en nuestras oficinas de El Paso.

Aviso a los Clientes de Otras Compañías de Teléfono

El registro incluye, pero no se limita a, propuestas para aumentar las tarifas para servicio de línea privada entre centrales telefónicas (interexchange private line) y servicio de central telefónica extranjera (foreign exchange FX). Cambios en dichas tarifas de servicio también afectarían a clientes de otras compañías de teléfono porque dichas compañías proveen los servicios ya mencionados en conformidad a tarifas especificadas por Southwestern Bell. Aunque Southwestern Bell no ha propuesto un aumento en las tarifas para larga distancia, cualquier cambio en las mismas también afectaría a los clientes de otras compañías de teléfono.

Offices To Close For Holiday

In observance of the July 4th holiday, several offices and businesses will be closed on Monday, July 5.

Texico City Hall and Farwell City Hall will be closed, as well as the offices in the Parmer County Courthouse, except the sheriff's office which will remain open as usual.

Texico Post Office and Farwell Post Office will both be closed. Postmaster Otis McMillan at Farwell advises that no mail will be delivered on the routes or posted in the boxes.

Parmer County ASCS office in Farwell and the Farmers Home Administration office will both be closed on Monday. Citizens Bank of Texico and Security State Bank of Farwell will also be closed.

Concerned Farmers

David Whittingham, left, of the Federal Crop Insurance Corporation, explains crop insurance benefits to area farmers Herman Gerles of Texico, Ed

Engram and Ralph Franse, both of Farwell. The three farmers were among several on hand at the Task Force gathering Tuesday afternoon to

discuss the aftermath of totalling losing their crops or suffering severe crop damage in the recent hailstorms.

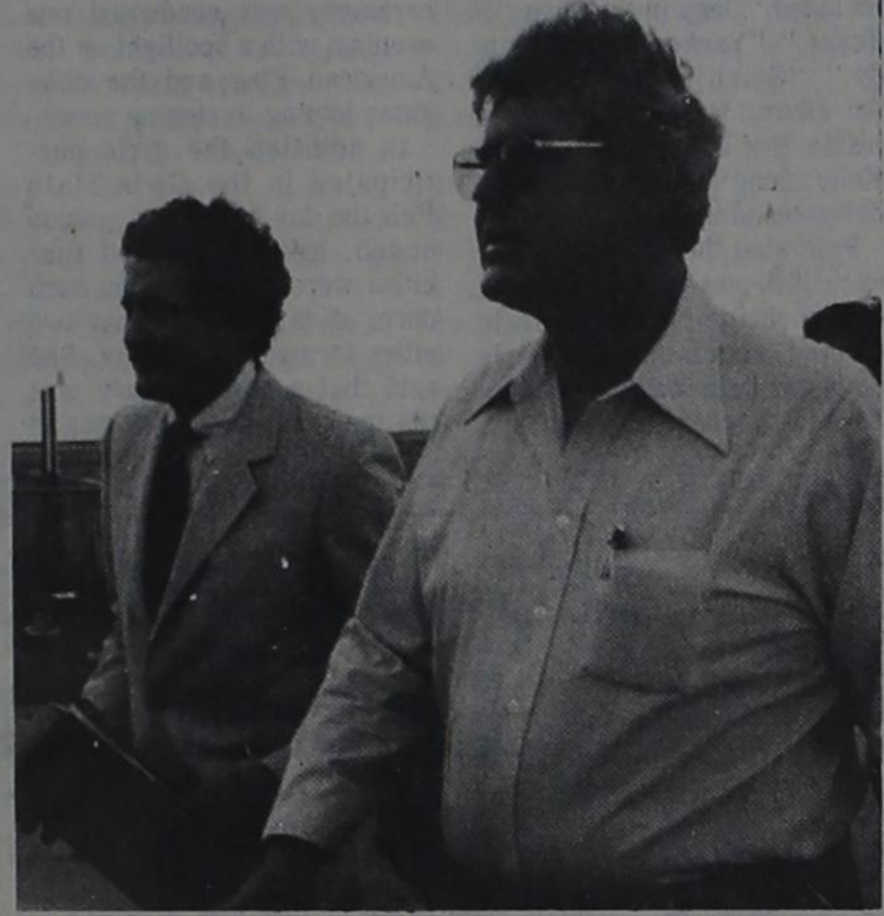

Auto Accident Injures One

Marty R. Green, 19, of Clovis was taken to the Clovis hospital where he was treated for a possible back injury that occurred when the car in which he was a passenger was involved in an accident on Saturday, June 26.

The youth was held for observation and later released with no serious injuries being found.

Another passenger in the vehicle, Mark S. Goudy of Caney, Kans., was not injured in the accident.

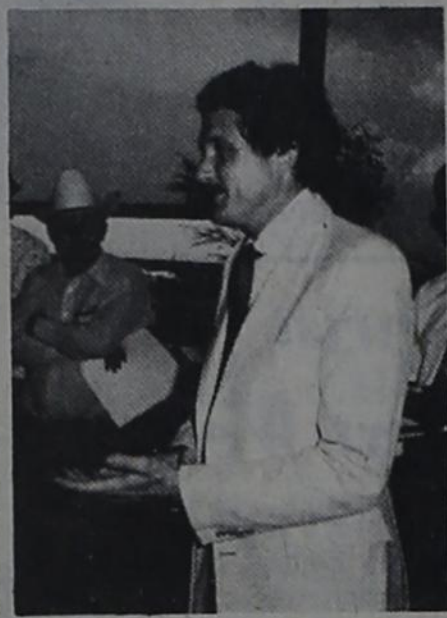

According to DPS Trooper Jim Bishop who investigated the accident, Wayne R. Edwards of Clovis, driver of the 1982 Subaru in which Green was riding, apparently fell asleep, allowing the car to swerve off the highway and hit a tree. Edwards was uninjured. The accident occurred three miles east of Farwell on U. S. Highway 84.

Task Force Arrives

Joe Skeen, right, United States Congressman from New Mexico, and Deputy Agriculture

Secretary John Ford make their way to the crowd awaiting them at Clovis airport Tuesday afternoon. The two men were part of the Task Force group sent to the area to assess crop damage from recent storms, and held a conference with local and area farmers, bankers, county government officials, and other interested persons concerning possible disaster aid and relief for the stricken farmers.

Deputy Ag Secretary

John Ford, Deputy Secretary of Agriculture, speaks to a crowd of concerned persons who gathered at the Clovis airport Tuesday afternoon to talk with members of the Task Force who were here from the nation's capital to assess recent weather damage to area crops.

Border Town Days -

Registration Urged For Parade Entrants

Those organizations, clubs, groups, or individuals planning to participate in the annual Border Town Days parade set for Saturday, July 31, are urged to sign up now, in order to secure an assigned place in the parade line-up and be eligible for a prize.

Texico-Farwell Lions Club is sponsoring the parade. Mike Norris is parade marshal, and he may be contacted at 481-9574. Entrants may also register by calling the State Line Tribune office at 481-3681. To be eligible for a prize, the entry must be registered.

The float prizes have been increased this year, with first place winner receiving \$75, second place \$50, and third place, \$30. The prizes are being furnished by the Farwell

Chamber of Commerce and the BTD Committee.

Farwell Chamber is also sponsoring the riding group trophies.

Sponsoring the antique car trophies will be the Texico Chamber of Commerce. T&A Welding of Texico will furnish the monetary prizes for the kids decorated bike contest.

The parade is set to begin at 11 a.m. CDT in Texico, at Griffin Street, and proceed through Texico and Farwell main streets, to Fifth Street in Farwell, ending at Farwell City Park where the remainder of the day's activities are scheduled.

Businesses, individuals, organizations, clubs, school groups, riding clubs, etc., are urged to enter the parade to

help make it one of the best in BTD history. Contact Parade Marshal Norris or the Tribune office as soon as possible.

Kiddoes planning to enter the parade's Decorated Bike Contest are reminded that they need to register for the parade at Texico City Hall, if they are to be eligible for the cash prizes to be awarded.

Deadline for registering is July 29. Those entering the bike contest should plan to meet for judging at Texico City Park at 10 a.m. Texas time, which is one hour before the parade begins.

T&A Welding of Texico is again furnishing the cash prizes to be awarded to those youngsters with the winning decorated bikes.

Local Woman's Sister Buried In Childress

Funeral services for Oma Lee Havens, 62, of Childress, sister of Mrs. Sal Vincent of Farwell, were conducted Tuesday, June 22, from the Central Christian Church in Childress with the pastor, Rev. Frank Ferrell, officiating. Interment was in the Childress Cemetery.

Mrs. Havens, who was a lifetime resident of the Childress area, died suddenly early Monday, June 21. She was born May 24, 1920, and was married to Paul Havens in 1939 in Hollis, Okla. She was a member of the Central Christian Church of Childress.

Survivors include her husband Paul of the home; two

sons, Gerald Havens of Childress and Wayne Havens of Lubbock; a brother, Ernest Smith of Bakersfield, Calif.; three sisters, Sal Vincent of Farwell, Neva Rothwell of Childress, and Francis Anderson of Spokane, Wash.; and five grandchildren.

Casketbearers were Coy Albritton, Ollie Wynn, Benny Foad, James Greer, Glen Stiner, and George Cothier.

Accompanying Mrs. Vincent to Childress for the services were Nell Thompkins and Mrs. L. D. Rothwell, all of Clovis. Mrs. Vincent is an aunt of Mrs. Thompkins and Rothwell.

Sheriff Investigating Rash Of Thefts In Area

Parmer County Sheriff's Department officials have been busy the past week investigating a rash of thefts reported throughout the county, says Bill Morgan, sheriff.

On June 21 Farwell Fertilizer reported that four CB radios were taken from vehicles parked at the business. Also taken were miscellaneous tools. Total value of the missing items was \$450.

Floyd Damron of Bovina reported that an alternator had been taken off an irrigation motor at his farm.

At Friona, Leon Massey said that sometime since the first of the month, the garage at a farm house belonging to him had been broken into with a television set, a dining room suite, chest of drawers, lamps end tables, etc., being taken. Value of the stolen items was set at \$500.

On the night of June 22 tools valued at \$850 were stolen from the shop at Helton Oil Inc.

Harold Charlson of Farwell reported that a bicycle had been taken from his backyard. The bicycle was recovered in Texico.

Three small windows were

reported broken at Farwell Schools, apparently shot with pellet or bb gun.

Arrests made last week include Guadalupe Moreno, 40, of Muleshoe, charged with driving while intoxicated. He was fined \$300 plus court costs and sentenced to 30 days in jail. The arrest was made by Texas DPS Trooper Craig Hunt.

Robert Reyes, 22, of Clovis was arrested by Bovina City Marshal Ron Averett for possession of marijuana under two ounces. He was fined \$100 plus court costs.

Ronnie Cantrell, 34, of Springlake was arrested by DPS Trooper Jim Bishop and charged with felony DWI. He is in custody at the county jail in lieu of \$2,000 bond, pending Grand Jury action.

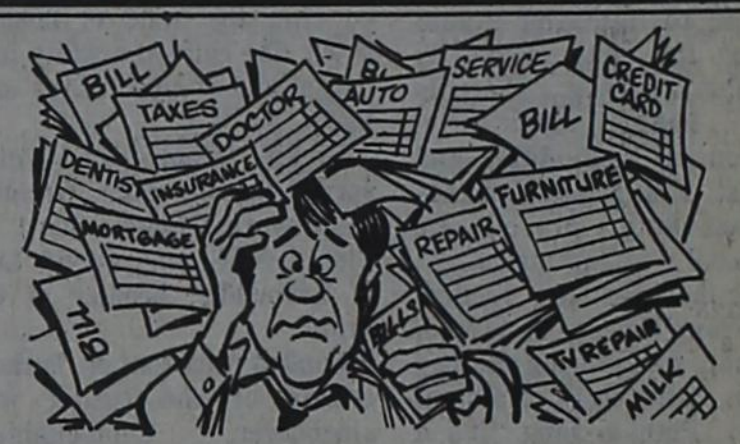

Patrolman Hunt also arrested Augustin Perez, 39, of Friona for DWI. He was fined \$150 plus court costs, given 30 days in jail, and six months deferred adjudication.

Antonio Tarango, 48, of Portales was also arrested and charged with DWI. He is in county jail pending county court action. Making the arrest was Jim Bishop.

Judy Lust, J. Cooper Wed In Candlelight Ceremony

Judy Ann Lust of Lazbuddie became the bride of James Nelson Cooper in a candlelight ceremony Saturday, June 12, at 6:30 p.m. in Lazbuddie United Methodist Church. Rev. Kenny Kirk of Post read the double-ring vows.

Parents of the couple are Mr. and Mrs. Glenn Lust of Lazbuddie and Mr. and Mrs. J.B. Cooper of Matador.

The altar setting was brass arch candelabra with a brass spiral candelabra flanked on each side with candelabra trees, accented with flowers and bows. All candelabras held peach-colored tapers, and a garland of greenery was draped along the altar rail.

Pews were marked with votive candles decorated with peach flowers and bows. A white frosted unity candle on a brass stand with two peach tapers and peach bows completed the altar setting.

Rev. Wesley Putnam of Plainview sang "Follow Me" and Leslie Barfield of San Angelo sang "Whither Thou Goest!" preceding the ceremony. As the grandparents were being seated and the candles lighted, Rev. Putnam sang "Through the Years."

The bridegroom escorted the mothers to light the tapers flanking the unity candle as Rev. Putnam sang "There Is Love." Pianist, Mrs. Jim Johnson of Lazbuddie, and organist, Mrs. Hoppy Jennings of Lazbuddie, played the traditional wedding march.

After the vows were recited, Mrs. Frank Hinkson II, aunt of the bride, sang a song she had written, based on I Corinthians 13. Rev. Putnam sang "It's A Mystery" as the couple lighted the unity candle.

Mrs. Hinkson sang "The Lord's Prayer" as the benediction, accompanied by Rev. Putnam on the guitar. The pianist and organist played the traditional recessional.

Given in marriage by her father, the bride wore a formal length gown of white chiffon. The empire bodice was fashioned with a Queen Anne neckline and was trimmed with chantilly lace and scattered with pearls. The bodice fell to a dropped lace-trimmed waistline in the back. The long sheer sleeves were accented with lace appliques and were banded at the wrists by wide lace cuffs.

The full skirt featured a pleated front flounce edged in lace. The lace extended around the skirt and bordered the full chapel train. Chantilly lace panels extended from the back waistline down the length of the train to the bottom which was scalloped and accented with two pleated chiffon insets.

To complement her gown, the bride chose a fingertip veil of bridal illusion. The two layer veil was trimmed with chantilly lace and extended from a lace covered headpiece which was accented with flowers and love knots.

The bride carried a cascade bouquet of silk flowers of peach roses, daisies, and miniature carnations. It featured white and peach ribbon and lace streamers with flowers and love knots.

The bouquet was centered with a white lace handkerchief that had belonged to the bride's great grandmother, and was the traditional something old. Something new was her wedding gown, and she wore an opal necklace borrowed from her mother and

earrings borrowed from her grandmother. For something blue, she wore the traditional blue garter, and wore pennies in her shoe.

Gina Elliott of Amarillo served as maid of honor. Phyllis Payne of Olton and Nancy Cooper of Matador, sister of the bridegroom, were bridesmaids.

The maid of honor wore a dusty blue sheer floral print gown fashioned with a ruffled dropped shoulder edged in white lace, with ribbon bows on the edge of the shoulder. The floor length skirt featured a ruffle at the bottom accented with ribbon and lace. She carried a cascading bouquet of peach and blue silk daisies with white forget-me-nots and baby's breath, with peach, blue and white streamers.

The bridesmaids wore peach sheer floral print gowns fashioned identically to that of the maid of honor, and their bouquets were also identical. All three bouquets included handkerchiefs belonging to the bride's great-grandmothers and the bridegroom's mother.

Tyla Hinkson of Lazbuddie, cousin of the bride, served as flower girl. She wore a dusty blue sheer floral print fashioned after the maid of honor's gown. She carried a white lace basket and dropped peach love knots.

Ricky Brooks of Welch served as best man. Groomsman were Dickie Scott of Clovis, N.M., and David Lust of Lazbuddie, brother of the bride.

Landon Hinkson of Turkey, cousin of the bride, was ringbearer. Candlelighters were Tim Lust, brother of the bride, and Trey Hinkson, cousin of the bride, both of Lazbuddie. Ushers were Jay Lynn Blackburn of Broadview, N.M., and Mark Lust of Lazbuddie, brother of the bride.

For her daughter's wedding, Mrs. Lust chose a light blue floor length qiana knit gown with chiffon cape, and a corsage of blue and peach silk daisies and white forget-me-nots.

Mrs. Cooper, mother of the bridegroom, chose a light turquoise and silver silk floor length gown, and a corsage of silk peach orchid and white forget-me-nots.

Following the ceremony, a reception was held in the fellowship hall of the church. The bride's table was covered with a white floor length tiered cloth edged in lace. A garland of green leaves edged the table.

The bridal cake centered the table. It was a fountain cake with four fan-shaped cakes, decorated with peach and blue flowers. A Jonathan and David bride and groom was on one tier, and topped with peach colored orchids with blue net and ribbons.

The bride's bouquet in a candelabra with peach tapers was the centerpiece. A silver tea service, blue and peach napkins, and white mints completed the table decor.

A round punch table, between the bride's and bridegroom's tables, was covered with a floor length white lace edged cloth overlaid with a blue lace edged cloth. Peach slush punch was served. Mrs. Martin Nowlin of Lazbuddie and Mrs. Vernon Turner of Hereford presided at the bride's table.

The bridegroom's table was round and covered with a floor length white cloth edged in lace overlaid with a lace edged peach cloth. The cake was in the shape of a horseshoe. An arrangement of blue and peach daisies in a brass spittoon with a miniature saddle, and hat and boots accented the table. Caela Mills of Lubbock and Donna Wells of San Antonio were the servers.

Sheila Harbacek of Lockney registered the guests.

Members of the houseparty included Mesdames Ronald Elliott, Greg Gregory, Don McDonald, Jimmie Seaton, Louis Crenshaw, and Leonard Elliott. Also assisting were Traci Elliott, Susan Redwine, and Jonessa and Mia Jennings.

Following a wedding trip to Colorado, the couple will be at home in Spade.

For traveling, the bride chose a blue floral print skirt and suntop, with white eyelet petticoat and jacket. Her corsage was of blue silk daisies.

The bride is a 1978 graduate of Lazbuddie High School, a 1980 graduate of South Plains College, and a May 1982 graduate of Angelo State University. She will teach science and coach girls athletics at Spade High School.

Cooper is a 1977 graduate of Motley County High School, and a 1982 graduate of Texas Tech University. He will teach Voc Ag at Spade High School.

Special out-of-town wedding guests were Mrs. Ivy Cooper of Matador, grandmother of the bridegroom; and Mrs. Vern Lust of Dimmitt, grandmother of the bride.

Mr. and Mrs. J.B. Cooper hosted a rehearsal supper Friday night at the fellowship hall of the Lazbuddie Methodist Church, catered by Mr. and Mrs. Walter Jones and Mack of Matador.

Single Parents To Meet July 4

The Cannon Single Parents group is sponsoring a barbecue on Sunday, July 4, at 2005 Gary St., in Clovis at 4 p.m. MDT. All eligible persons (persons who are single and have a child) are invited to come to the event to get acquainted and meet other persons in the association.

For more information, persons may call Pat Gafford at 763-4829 or Cindy Butler at 763-6268. Those planning to attend are asked to bring either a meat, salad, or beverage.

MRS. JAMES NELSON COOPER

Church Of Christ VCS To Begin Next Week

Vacation Church School at Farwell Church of Christ will begin on Monday, July 5, and continue through Friday, July 9, from 9:30 to 11:35 a.m. CDT. All youngsters are urged to attend.

Those serving as teachers include: Deana Gates and DeAnn Curtis, 2- and 3-year-olds; Lynn Roberts and Anna McDonald, 4- 5- and 6-year-olds; Snooks Meeks and Dolly Herington, 1st and 2nd grades; Mary Jones and Joey Fly, 3rd and 4th grades; and Sherry Curtis and Debbie Sewell, 5th and 6th grades.

Refreshments will be prepared and served by Thelma Venable, Mae Stone, and Ruby Meeks. Assistants include Robin Burford, Janie Day, and Sherry Embry.

Closing ceremonies will be conducted on Friday, July 9, immediately following classes, and certificates and awards will be presented at this time. All parents are invited to attend.

From Ft Stockton

Visiting last week from Wednesday until Sunday in the home of Willie and Leatha Jo Roberts in Farwell were their son and family, Charles and Susan Roberts, Matthew and Amy Paige from Fort Stockton. They also visited Susan's parents, the Raymond Martins, while here.

Kelly Davis Attends Bluebonnet Girls State

Kelly Davis, Farwell delegate to Texas Bluebonnet Girls State, says that she was scared to go to the event at first, but once she got there she didn't want to come home, adding that "I learned a lot about government and made a lot of new friends."

The session conducted June 15-25 took place on the campus of Texas Lutheran College in Seguin. While there Kelly had the opportunity to take part in many government activities which left little time for being bored, she said.

The Farwell senior said a lot of singing took place during the session in addition to all the politics and government learning process.

"We'd sing before assemblies, before flag raising, and when we were just walking around looking at the sights." Some of the songs sung included "Deep in the Heart of Texas," "Yankee Doodle Dandy," "Giant," and "Proud." An album was also recorded inside the capitol building of Kelly along with the other 560 delegates singing these songs.

Following the state elections, each girl was escorted to the inauguration by Texas state elected officials. The Girls State governor was escorted by Texas Governor Bill Clements,

and the Girls State Lt. Governor was escorted by the Texas State Lt. Governor.

Governor Bill Clements was guest speaker at the inauguration.

According to Kelly, some of the Girls State government sessions were conducted at the capitol building, but most of them were held on the college campus.

During the session the girls heard many guest speakers, including Ann Richards, Mary Ellen Trahan, and Governor Clements.

The days during the week usually began with jogging and then they'd meet for breakfast. Following this, the entire day was filled with scheduled lectures and assemblies on government. Many of the evenings were also taken up with assemblies.

Kelly explained that a flag ceremony was conducted one evening, with a spotlight on the American flag and the delegates joining in singing songs.

In addition the girls participated in the Girls State Fair the day before the session ended. Kelly explained that cities were formed from each dorm of 45 girls and that two cities formed one county. She said that a special party was planned, such as a beach

KELLY DAVIS

party, toga party, or punk rock party, by each city and that these cities visited the other cities and parties.

While at the parties, Kelly said that they participated in contests like the "longest tongue contest," "the airplane throwing contest," and the "who could spit a sunflower seed the farthest contest." "It was a lot of fun," she said.

Kelly is the daughter of Mr. and Mrs. Jerry Davis of Farwell. Her trip was sponsored by the American Legion Auxiliary of Friona and the Farwell Study Club.

Mikie Fields, Brent Green Married In Clovis Ceremony

Wedding vows were exchanged between Michaela Ann (Mikie) Fields of Clovis and Brent Allen Green of Farwell in a double-ring ceremony Friday, June 4, at 7:30 p.m. at Sandia Baptist Church, Clovis. Rev. Wesley McAfee officiated.

The bride is the daughter of Mr. and Mrs. Charles N. Fields of Clovis, and the bridegroom is the son of Mr. and Mrs. Doyle Green of Farwell.

The bride was given in marriage by her father, and wore a white lace dress with a chapel length train. She wore a wide brimmed white hat trimmed in lace, soft net, pearls, and a white rose.

For the traditional something old and borrowed, she wore pearls that belonged to her grandmother, Mrs. Ola Morrison. Her gown was new, and her garter was blue. Her bouquet was of white roses and yellow carnations circled with white lace, with white and yellow ribbon streamers.

Theresa Fields, sister of the bride, was the maid of honor. She wore an off-the-shoulder, floor length dress of yellow trimmed with white lace, and carried a bouquet of white and yellow.

Bridesmaids were Delia Shaw of Muleshoe, cousin of the bridegroom, and Kathy Fields, sister of the bride.

Miss Shaw wore a floor length dress of blue and white and carried a blue and white bouquet, and Miss Fields wore

a floor length dress of pink and white and carried a bouquet of pink and white. The dresses were styled with off-the-shoulder bodices. The bridesmaids wore wide-brimmed white picture hats trimmed with flowers and ribbons to match the color of their dresses.

Laura Castleberry, flower girl, wore a floor length white dress embossed with yellow, pink, and blue rosebuds. She is the five-year-old daughter of Duane and Cheryl Castleberry of Clovis.

All of the dresses for the bride's attendants were made by the bride's mother.

Dwight Green of Levelland served his brother as best man. Groomsmen were Gary Green of Harlingen, brother of the bridegroom, and Robert Fields, brother of the bride.

The bridegroom wore a tuxedo of white with white ruffled shirt and white boutonniere. His attendants also wore white tuxedos with ruffled shirts in colors matching the dresses of the bridesmaids.

Ushers were Darren Shaw and Allen Bracey, both of Muleshoe. Guest book attendant was Sharon Green of Levelland.

Music was played by Ferrell Roberts at the piano and organ. Lorie Burge, friend of the bride, sang "Endless Love," and "We've Only Just Begun."

The altar decorations featured a gold arch trimmed with large white carnations and two

large white doves, with smaller yellow, blue, and pink carnations and greenery interspersed throughout the arch. Large bouquets of carnations flanked the arch, and a candelabra holding a unity candle completed the decor.

The reception was held at the First Federal hospitality room. The bride's table was decorated with a floral arrangement and candles. The white cake was three-tiered over a fountain, and was decorated with yellow, pink, and blue rosebuds. Green ivy and baby's breath encircled the fountain, and yellow, blue, and pink flowers were placed among the greenery.

The cake was served by Donna Whitfield, sister of the bride, and Cheryl Castleberry. Punch and coffee were served by Jacque and Pam Whitfield, nieces of the bride.

The bridegroom's cake was chocolate, shaped like a Bible, with Holy Bible written on one side, and Brent and Mikie written on the other side.

A rehearsal dinner was given for the wedding party and the bride's parents in the home of Mr. and Mrs. Green in Farwell. Close friends of the bridegroom, Annette Black and Peggy Jones, prepared the meal of lasagne, salad, crinks, and pie.

After a trip to Red River, the couple is staying with the bride's parents until their mobile home can be delivered and set up.

MR. AND MRS. BRENT GREEN

Ronda Eubank Feted With Bridal Shower

Ronda Eubank, bride-elect of Doug Ray, was honoree at a bridal shower Saturday afternoon, June 26, in the fellowship hall of the Church of Christ in Farwell.

Yellow silk corsages were presented to the honoree and her mother, Lee Nell Eubank. Assisting in the opening and registering of gifts were the honoree's mother and her two sisters, D'Lynn Eubank of Lubbock, and Gina Eubank of Midland. Other special guest from out of town was Alma Preston of Midland, a sister of Mrs. Eubank.

Guests were served yellow frosted punch and assorted

cookies from a table covered with a white cloth edged in lace and centered with a candelabra arrangement holding white candles in frosted votive cups and entwined with daisies and greenery. Milk-glass appointments and yellow napkins completed the table decor.

A background scene of yellow, with streamers, bows, and a cupid was featured in back of the gift table. All the display tables were covered with white cloths edged in lace.

Hostesses for the shower were Ruth Blair, Virginia Sheets, Doris Martin, Lynn Roberts, Janie Day, Patsy Merritt, Wanda Mayfield, Lillie Christian, June Magness, Snooks Meeks, Bettie Martin and Katherine White. Their gift to the honoree was a mixer.

Marriage Licenses

Two marriage licenses were issued from the Parmer County Clerk's office this past week.

Receiving the licenses were Timothy Michael Floyd and Eunice Jean Suit; and Milton James Dixon and Karla Anne Fleming.

Class Members Set Activities

The college and career Sunday School class of Farwell First Baptist Church enjoyed a get-together at Farwell City Park Tuesday night, June 29.

While eating ice cream and cookies at the park, discussion was held on future summer activities for the class.

The group plans to see the play "Texas" at Palo Duro Canyon later this summer, as well as have a hamburger cookout, a waffle breakfast, and are even to paint a picture at Dickie Magness' studio. Mrs. Magness is teacher for the class.

Because of the wind at Tuesday's gathering, the group then went to Mrs. Magness' house and played games and enjoyed fellowship.

In Roswell

Among those attending a Lubbock Christian College 25th Anniversary Dinner June 10 in Roswell at Sally Port Inn were Beulah K. Hobbs of Farwell, and Greg and Camille Carey from Ruidoso.

Entertaining with music after the fund-raising dinner were James and Cindy Hobbs, and Jeff and Nancy Chandler, all of Ruidoso.

Mills. Frank Staggs had a daughter Dalton, Elizabeth and Trey, with him.

In all, 74 family members and nine visitors were present for the get-together. Among guests not listed above were Estellene Billington and Pam Magness Smith of Farwell, Wessie Magness White of Portales, and Raymond and Harriet Magness of Clovis.

On Sunday the group celebrated the birthdays of two of the family members, Lois Magness who was observing her 70th year, and John who was 75.

The group plans another reunion for 1983, this one to be held in Cortez, Colo., on July 4.

Young Homemakers Host Shower, Farewell Fete

Farwell Young Homemakers met at the school home economics building on Monday afternoon to honor two of their members.

Lori Winegeart, who is moving to Amarillo, was honored with a going-away gift, and Gwen Corn and infant son Clinton were honored with a shower.

Lori was presented a cut

glass ice bucket and matching pitcher from the club, and young Clinton was presented a silver spoon, and a wind-breaker.

A light meal was enjoyed by those attending, including Martha Wheeler, advisor, and Patsy Camp, Nelda Wilhite, Gwen Corn, Cindy Billingsley, Lori Winegeart, Tina Sides, Sheree Montgomery, and Ruth Anne Bennett.

Faith Sunday School Class Installs Officers

Faith Sunday School Class of Farwell Baptist Church met Thursday, June 24, at the home of Elizabeth Range for a salad supper and installation service.

The buffet serving table was appointed with a large arrangement of fresh daisies and golden tableware. Various salads, crackers, and tea were served.

Following the meal, Susan Johnson was welcomed by Mrs. Range as installing officer for class members for 1982-83. Mrs. Johnson chose "Light" as her installation theme.

Various scriptures pertaining to light were read as Susan challenged members as a whole to be a light in the ensuing year. Each officer was reminded of her duties as she lit a candle in a candelabra arrangement.

Laz. Baptist Church To Show Film Series

First Baptist Church of Lazbuddie will be showing the film series "Whatever Happened to the Human Race?" featuring Dr. Francis Schaefer and U.S. Surgeon General

Everett Koop. This five-part film series will be shown Saturday, July 3, at 7 p.m., and Sunday, July 4, at 9:30 a.m. and 6 p.m. at the church.

Storing Leftovers

Store leftovers immediately after eating, and certainly don't leave them at room temperature more than two hours, cautions Mary K. Sweeten, a food and nutrition specialist with the Texas Agricultural Extension Service.

Leaving them longer poses food-spoilage threats. Bacteria which cause food-borne illness grow rapidly at

temperatures between 40-140 degrees F. - or room temperature. If in doubt about the safety of food, throw it away, she says.

Read Labels

Take advantage of care labels attached to clothing - they've been required by law since July, 1972, and following them will add to the life and beauty of garments, says Ann Vanderpoorten, a clothing specialist with the Texas Agricultural Extension Service.

(Continued from Page 1) Representing Worley Mills are Joe Jaime, David Moseley, Abel Lopez, Todd Thigpen, and David Stehle; and from Kelly Green Seeds team are Cory McDaniel, Nieto Lovato, and Jimmy Lovato.

Randy Kelley and Craig Kaltwasser are to coach the All Star team.

There is also a senior league team with 15 players from ages 13-15. This team participates in Clovis, and their season has not ended yet.

Actkinson expressed his appreciation to the many people who helped to make this one of the most successful seasons ever. He said Cynthia Thigpen did a great job of running the concession stand. Diane Actkinson and Jeannie Norris were also commended for painting the concession stand and bleachers.

Mike Norris was the chief umpire, and Actkinson said, "He went beyond the call of duty, calling at least two games a night."

Ronald Byrd also did an outstanding job as official scorer and announcer, Actkinson said, and added a special thanks to the sponsors and the coaches.

Members of the teams and their coaches are as follows:

HUGHES 8-3

Riley Malone, Jeanette Robinson, Esperanza Estrada, Jaime Estrada, Frederick Chavez, Joe Chavez, Michael Lingnau, Greg Actkinson, Brandy Martin, Darren Haseloff, Misty Stewart, Chad Byrd, Tuck Traynor, Marty Moss and Coach Don Malone.

S-A-P coach is Greg Martin.

DPS Officer Cautions Motorists To Slow Down

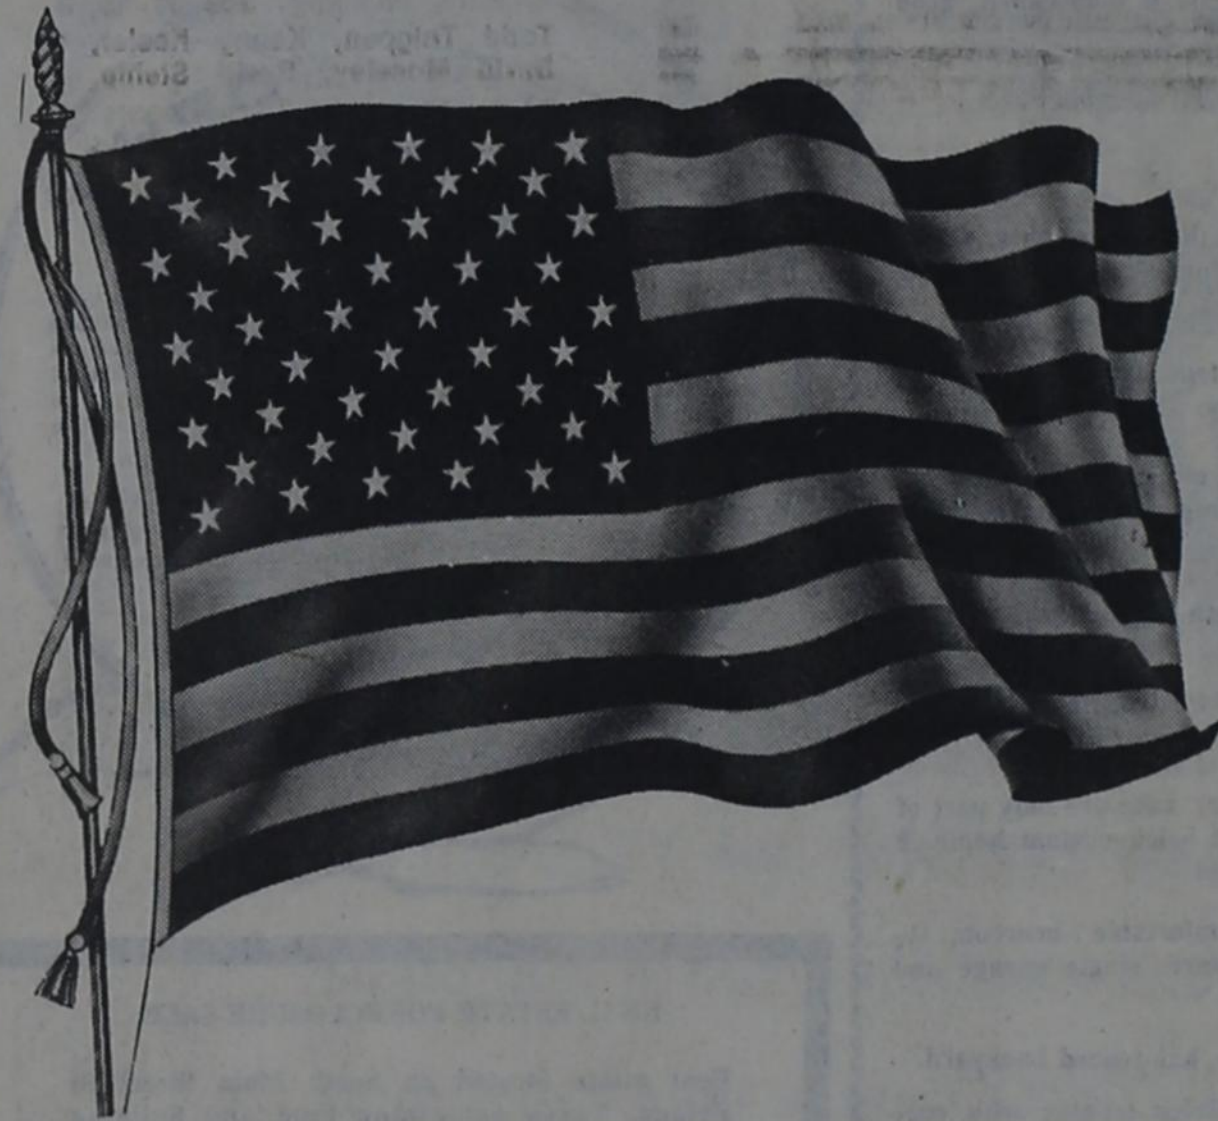

Major C.W. Bell, Regional Commander of the Texas Department of Public Safety, said, "The two most dangerous things the driver of a motor vehicle can do is to speed or drink and drive. Those two violations will account for most of the traffic deaths during this July 4th holiday."

The population in Texas is increasing, so is traffic on the highways. More people are expected to be on our highways this 4th of July weekend than ever before.

The Department will be conducting Operation Motorcade during the weekend, trying to make everyone aware of the traffic problem. Every available trooper will be working, trying to help cut down on the needless traffic death, but will need the help and cooperation of the entire motoring public to be effective in reducing accidents," Major Bell said.

"If people will just slow down and not drive if they have been drinking, many of the deaths that occur on our highways can be prevented," Major Bell concluded.

For the latest crop and livestock information, pick up the phone and call "TOMI" (Telephone Outlook and Market Information).

During July, TOMI messages will focus on farm policy, farmer cooperatives, crop reports, transportation issues, and updates on cattle on feed, cotton, peanuts, fruits and vegetables, and the dairy situation.

Information about these items is available by dialing 713/845/TOMI. The telephone system operates seven days a week, 24 hours a day.

Messages are prepared by Extension Service economists, using the latest available information, and are updated on a regular basis.

The July schedule for TOMI is as follows:

July 2-6, Policy Prospects - Ron Knutson.

July 7-8, Fruit & Vegetable Update - Gordon Powell.

July 9-12, Farmer Cooperatives - Bill Black.

July 13-15, Less Crop Report Information - Roland Smith.

July 16-19, Cotton Highlights - Carl Anderson.

July 20-22, Cattle on Feed Analysis - Ed Uvacek.

July 23-26, Peanut Situation - Johnny Feagan.

July 27-29, Transportation Issues - Mechel Paggi.

July 30-Aug. 2, Dairy Situation - Bud Schwartz.

TOMI was initiated by the Extension Service to provide up-to-date commodity and related information designed to help producers with planning and management.

Parmer County Weather Advisory

June 25, 1982

Scattered precipitation fell last week in Parmer County. At Lariat, 1.69 inches of precipitation fell.

For irrigated corn in Parmer County planted near April 15, anthesis is predicted to occur on approximately July 5. Current consumptive use for irrigated corn is approximately 0.25 - 0.30 inch per day. However, with dry windy conditions and high radiation loads, this value could easily increase to 0.5 inch per day on selected days. Due to low leaf areas, the consumptive use in dryland cotton is less, averaging only approximately 0.2 inch per day.

Examining historical precipitation data at Friona shows that for the next 3 weeks there is a 9% chance of getting 3 inches or more of precipitation, a 46% chance of getting 1 inch or more of precipitation, and a 71% chance of getting 0.4 inch or more of precipitation. The mean precipitation for the next three weeks is 1.2 inches, and the maximum ever occurring at Friona during this time is 4.3 inches.

TWO MINUTES

WITH THE BIBLE

BY CORNELIUS R. STAM, PRES.
BEREAN BIBLE SOCIETY

TRUE UNITY

There are many unions all over the world, but in only one place is true unity to be found: the Lord Jesus Christ.

The children of fallen Adam have always been divided. Adam's first two children could not get along together. One killed the other. And now that the race has multiplied there are about three billion separate, individual wills in the world. Some of Adam's children try to get along together amicably and enjoy some measure of success, but this always takes effort. It does not come naturally. Even the dearest lovers must be prepared to yield to each other's wishes frequently to get along well together. There is no true unity in this world.

But where Adam's children have been divided by sin, they may be saved and truly united in Christ. As Christ became one with us when He died our death (the wages of sin) on the cross, so we may become one with Him as in faith we acknowledge that that death at Calvary was not His but ours. This is what the Apostle referred to when he asked: "Know ye not, that so many of us as were baptized into Jesus Christ were baptized into His death?" (Romans 6:3).

This verse does not refer to water baptism, for no one can be baptized into Christ - or become one with Him - by a physical ceremony. The only way to become one with Him is to accept by faith the fact that He died our death on the cross. The meeting place must always be Calvary. And as we acknowledge His death as ours and are baptized into Christ, we also become one with each other. "For by one Spirit are we all baptized into one body" (1 Corinthians 12:13).

Unity in Christ is not something for which Christians are to strive. It is a fact of grace to be recognized and enjoyed by faith. True believers in and out of all denominations have been baptized into one body, whether or not they recognize this. Now it is for us to appropriate and enjoy this unity in Christ, "endeavoring to keep the unity of the Spirit in the bond of peace" (Ephesians 4:3), i.e. practicing the unity which the Spirit has made. Only those who have been baptized into Christ by faith can appreciate the blessed oneness which believers may enjoy in Him.

Go Blue

Farwell varsity cheerleaders recently spent several days at cheerleading camp at ENMU in Portales, learning new yells, jumps, and routines in prepa-

ration for the coming school year's athletic events. Composing the Farwell cheerleader squad this year are, from left,

top: Rhonda Lingnau and Polly Turner; bottom: Trena George, Sherilyn Thigpen and Twila Donaldson.

Let Freedom Ring

This small Liberty Bell on the back porch at the home of Gladys Armstrong in Farwell made an appropriate place for Mama Hummingbird to build her nest this spring. And now

making its home in the tiny nest is one tiny baby hummingbird whose beak may be seen sticking out of the nest of sticks and grass. Mrs. Armstrong reports that the mama

bird is very shy, but apparently Mrs. Bird felt she was free to build her nest anywhere, and what better place than atop a bell that stands for freedom?

Farwell Cheerleaders Attend Camp

Farwell cheerleaders Twila Donaldson, Rhonda Lingnau, Trena George, Sherilyn Thigpen, and Polly Turner, head cheerleader, attended the USA (United Spirit Association) Camp of Champs, June 20-23, at ENMU campus, Portales. The girls registered at camp on Sunday, June 20.

While there the Farwell varsity cheerleaders learned many cheers, chants, and dances to the camp theme,

"Can't Be Beat."

Polly Turner received a Merit Award for being an outstanding squad leader.

As a group they earned ribbons on USA and Game Action evaluations; excellence ribbons on Give-n-Take evaluation; and superior ribbons on the Camp Fight Song. They received the Spirit Stick on the first night of camp, and also received one on the last day to bring home.

The Farwell group also won a plaque for having best decorations using the theme, "Can't Be Beat." They participated in advanced cheers, advanced jumps, and cheer-nastics.

The girls returned home Wednesday, June 23, and reported having had a great time.

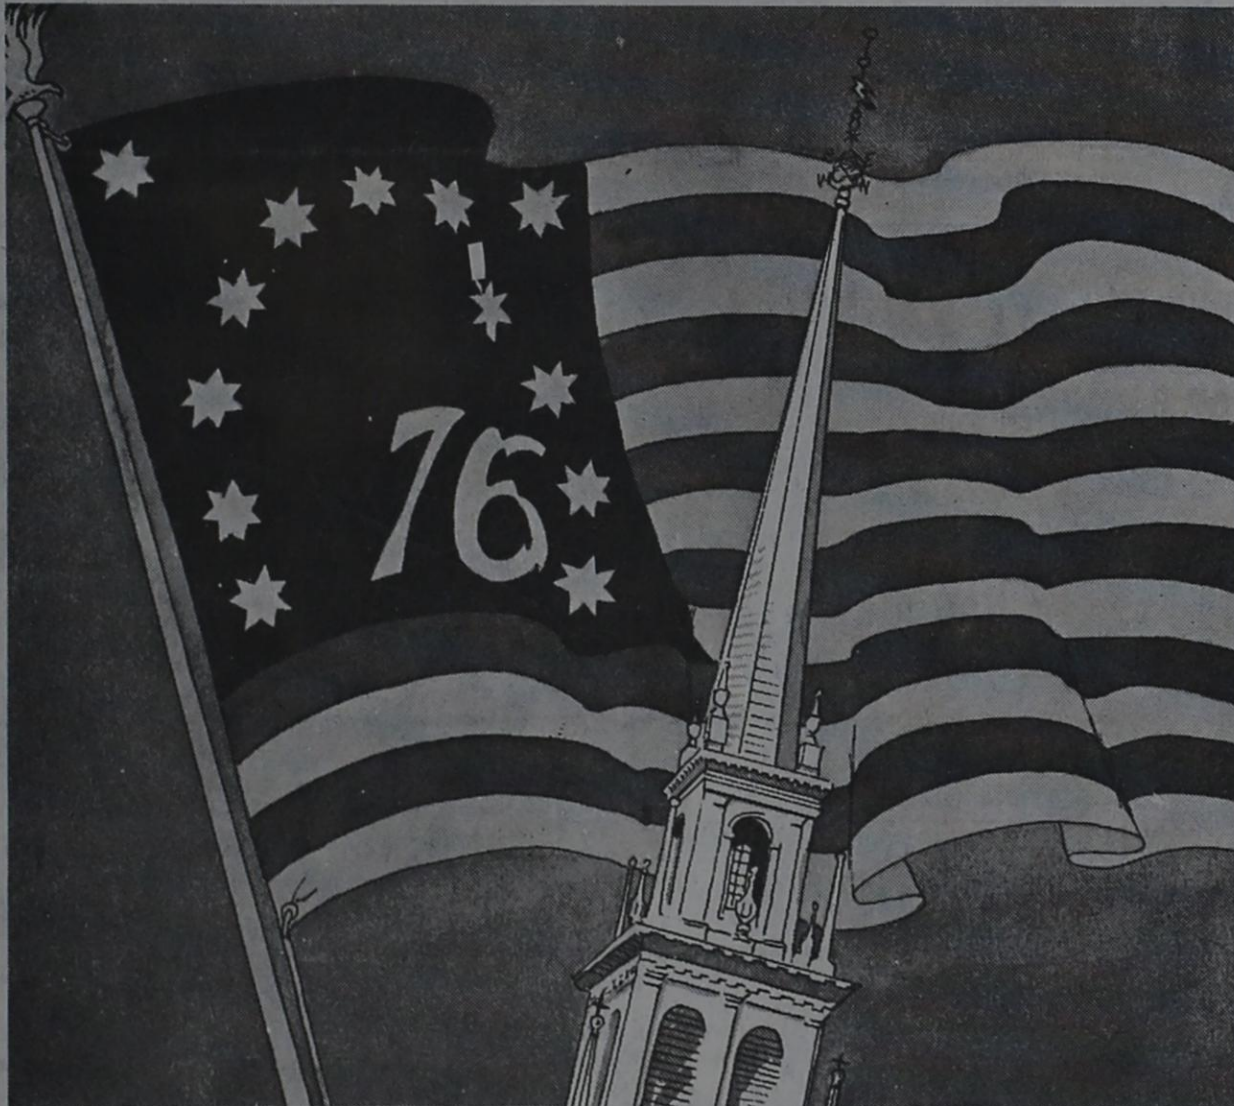

"He who has begun his task has half done it." Horace

FIRE CALLS

Farwell Volunteer Firemen responded to an ambulance call on Saturday, June 26, at 3:34 a.m. A motor vehicle accident had occurred three miles east of Farwell on Highway 84. It was reported that one person was taken to the hospital in Clovis.

Texico Volunteer Fire Department did not receive any fire or emergency calls last week.

FAITH HAS BROUGHT US 206 YEARS OF FREEDOM!

Today we have a generation of those who reject a display of patriotism as outmoded because they have never been taught the significance of it: that our national symbols are revered for what they represent, rather than for what they are.

Since faith was the original guiding force that put the words "One Nation Under God" into the Pledge of Allegiance, you should honor our country by attending the Church of your choice this 4th of July Sunday and thereby enjoy one of the priceless freedoms this country has given to you.

Small Group Attends Farwell C Of C Meet

There was only a small turnout of persons at the Farwell Chamber of Commerce general business meeting Tuesday, June 29, at Luce's restaurant.

Discussion concerning Border Town Days prizes was held. It was reported that an invoice for the banners and pennants had been received, but the order has not been received. Plans for beautifying Farwell were also discussed. A committee was given a pamphlet with ideas on street beautification that Dutch Quikel had received.

It was reported that Farwell will be getting more paved
