Steers Come Within Whisker Of Gigantic Upset At Seagraves

By Leonard Hutsell

The Farwell Steers nearly pulled a "Cassius Clay upset" last Friday night as they went into the final quarter of play leading the Seagraves Eagles 12-8. However, the Eagles turned sure victory for the Steers into a disappointing defeat as they rolled over for a touchdown with 14 seconds remaining in the game to win 14-12.

Before the game, Seagraves was rated the No. 2 Class A team in the state.

The Red and Black started things by drawing first blood in the second quarter with Koff-

man carrying to put the Eagles in the lead 6-0. The Eagles then proceeded to carry over for the extra points to increase their lead to 8-0.

The Steers came back the second half full of vigor, to change the scoreboard to Farwell's favor, 12-8.

The first Steer touchdown came early in the fourth quarter when the Steers drove down the field 87 yards with Johnny Actkinson doing the honors. The Steers then decided to follow their opponents' lead and to run the ball across for the extra points, they didn't make it.

Farwell's final touchdown

came about midway in the final quarter of play to put them ahead 12-8. This time, the Blue and White decided to go back to their old style of kicking the extra point. Jerry Childs could not find the groove and the kick was no good. The score remained at 12-8.

At this point in the game, it looked as though the Steers might pull an upset.

Experts were astounded! Some had predicted a crushing defeat for the Steers with a very lopsided score.

The Farwell boys' hopes went down the drain when Seagraves drove down to the two yard line

and went on to score the touchdown with 14 seconds remaining in the game. Seagraves then tried to run the extra points, but were nalled before they could make it. The score remained at 14-12.

With six seconds of playing time remaining, the Steers decided they just might make another touchdown and proceeded to try but they were stopped and the game ended with the Farwell bunch being handed their third defeat of the season.

Farwell has won one. Coach Toby Booth lists the Seagraves team as a fast team,

adding "Our boys did a good job." He commented on the abilities shown by several boys -- listing Johnny Atkinson for his offensive work. He was the leading ground gainer in the game with about 90 yards to his credit, Booth adds.

He also commented on Butch Ford, Jerry Childs, Jerry Fields and Danny Huffaker. Bobby Fields completed seven of 14 passes for 124.

In the line, Coach Booth cited Charlie Dannheim who did a fine job blocking and was also a key figure in tackles.

Participating in the dedication services for the new Texico Post office Wednesday evening were: left to right, Charles G. Bruton, Lt. Gov. Mack Easley of Lovington, U. S. Senator Joseph Montoya, Postmaster Lucy Brown and Texico Mayor Ed Farmer. A large crowd was on hand for the service.

Steers Play At Frenship Friday

Farwell Steer fans will be on the South Plains this Friday, when they play Frenship on the opponent's field, Coach Toby Booth names the AA club as a better ball club than some of the scores indicate.

He says they run from wing T and run the sprint-out series, and have a fine quarterback and good fullback. He notes good splits in the line -- and says they can hurt with sprint-outs, traps and screen passes. He lists their quarterback as their main point gainer.

Booth says the Steers are ready to play ball -- and have come along better for this time of year than the coaches had anticipated. Line-up will follow the pattern of recent weeks.

"We've been working to eliminate our mistakes and on defensive techniques," he stated this week. As for the boys, "they're in better spirits than ever before."

As fans inquired this week "Where is Frenship?", W.M. Roberts took his map and helped the reporter in locating the host town. Roberts explains that fans should go to Shallowater, turn south on Farm Road 1073. The road crosses the Levelland highway and continues south to Wolfthorpe, where Frenship School is located. From Lubbock, go out the Brownfield highway.

Raider-Aggie

Films of the Texas Tech-Texas A&M football game, won 16-12 by Tech last Saturday at College Station, will be shown at 7 p.m. Monday at the Friona School Cafeteria.

The showing, sponsored by the Tri-County chapter of Texas Tech Ex-Students Association, is open to all who care to see it. A special invitation is issued to Tech ex-students.

The Tech alumni group is to sponsor a showing of the Red Raider game film each week at the same time and place, an hour before Friona Booster's Club meets for their game film.

A highlight of the program at the dedication of the new Texico post office Wednesday evening was the presentation of a gift to Charlie Crume, who retired last year after serving as messenger for Texico and Farwell for 30 years. Mrs. D. J. Brown, Texico postmaster, made the presentation.

Trick Or Treat Sale Monday Night

Members of the Texico-Farwell Lions Club will be out in full force Monday night, Oct. 12, beginning at 7 p.m., to sell bags of "Tricks and Treats" suitable for distribution to small fry when they come calling on Halloween. They will make a house to house canvass of the Twin Cities.

Price of the sacks of treats is \$1.00 each. Money derived from sale of the items will be used to help defray indebtedness on the local Little League Ball Park, which was built under

sponsorship of the local Lions last year.

Concession stands and ladies and mens rest rooms have recently been installed at the park and approximately \$2200 is still owed on the park and the stands. Lions hope to be able to pay a major part of this debt from the money derived from the sale. However, Lion Prexy James Ussery says, anyone wishing to make a contribution to the fund should contact one of the Lions Club members.

Lions Club members will be knocking on doors Monday night, selling Halloween candies as a money-making project. James Ussery, boss Lion, holds a sample of the candy, and Jerry Bradshaw shows the radio which will be given away in conjunction with the promotion.

Gene Hardage Has Two Fingers Amputated

Gene Hardage who was injured in a freak accident at Farwell Fertilizer company on Thursday had two of the fingers on his left hand amputated at the first joint by the attending physician. Fingers amputated were the ring finger and the little finger.

Hardage, who was working on a truck loaded with grain caught his left hand under the truck

bed mashing it severely and almost amputating the fingers. Another finger, damaged in the accident, was repaired and will possibly be alright, according to family members.

Hardage was taken to Clovis Memorial Hospital Thursday afternoon and received treatment until Saturday. He is doing fine at this time and is again working in the harvest.

Wolverines Take Fifth Win

In a thrilling game played on the local diamond Friday, Texico Wolverines defeated the

Grady Bronchos for their fifth consecutive win this season, giving them a perfect season record.

Mike Spearman and Roy McDaniel shared pitching duties and Larry Burns and Tom Rickstrew each took his turn as catcher. Losing pitcher was Tommy Northcutt.

Grady got off to a good start garnering two runs in the first inning and holding Texico scoreless until the third inning. In the third inning Wolverines had seven runs cross home plate. Floyd Morris, first man up walked to first and the second man up, Clarence Edridge, was also walked; Tom Rickstrew bunted to fill the bases. The next man up, Joe Patterson, hit the long sought for homer to clear the bases and score four runs.

Mickey Lofton, the next batter, was also walked and the next man, Neil Lambert, got a hit to first base with Wesley Raulie, walking to again fill the bases. Mike Spearman then got a hit to clear the bases and score three runs for Texico.

In the top of the fourth inning, however, Grady came back to pick up five runs on four errors by the Wolves. In the fourth Texico picked up two more runs and one run in the fifth. Grady picked up two runs in the sixth to end scoring for the day.

Coach Green said, "This was not one of our best games however, who can complain when they continue to win? We are well pleased with the results of games thus far in the season," he added.

In the first game of the afternoon, Texico juniors defeated the Grady juniors by a 10-7 score. Manuel Martinez and Rickey Stanley were battery

for Texico. Carter was losing pitcher for Grady.

Four boys, Rickey Stanley, Joe Ketcherside, Manuel Martinez and Roddy Pearce each scored two runs while Rodney Laceywell and Dale Kemp each contributed one run.

Grady was ahead until the fourth inning when Texico succeeded in getting four runs to tie the game. In the fifth inning Texico picked up five more runs and added one run in the sixth, to complete scoring for the team. Grady picked up one run in the sixth and two in the seventh.

Coach Green commented that the boys did not show the good ball handling in the Grady game that they had displayed in previous games with Elida. However, they lost each of the games to Elida.

County softball tourney will get underway Friday, Oct. 16, at the Texico High School when Texico collides with Elida. Remainder of the games will be played on Saturday, Oct. 17, at the Little League Softball Park in Texico.

Wolverines and their little brother team will collide with San Jon in San Jon today (Friday) at 2:30 p.m. when they go against the big sticks who are lauded as one of the better teams in the area.

Jackie Williams Tops 99 Entries, To Win Weekly Football Contest

Topping a total of 99 entrants in the local football contest to win first place prize money this week was Jackie Williams, who entered the contest for the first time last week. He called nine of the ten games right missing only on the Green Bay-Minnesota game.

Copping second prize money was Mrs. Ysleta Kittrell who won first place money in the first week of the contest. She called eight games right and was off only 16 points on the score of the Seagraves-Farwell game. Coming in for third place money was Dale McCuan, who also called eight games right. However, McCuan was off 24 points on the tiebreaker game score. Barbara Bieler was the only other person in the contest to call eight games right.

Mrs. A. D. Kirk, last week's winner is now in a first place tie with Junior Robertson in the overall contest. They have each called 34 games correctly. Five persons, Mrs. Pat Owen, Mrs. Bernice Norton, Mrs. L. C. Herington, John Green and Barbara Bieler have each called a total of 33 games correctly and are now in second place. In third place with 32 games called correctly are Theo Actkinson, Mrs. Albert Johnson, George Magness, Tom Paul McCuan, Bobbie McFarland,

Jackie Williams, a late entry in the football contest, did all right in his second attempt at calling the games. Pat Patrick of Kelly Green Seeds presents Williams a \$5 check for calling nine games right and winning the weekly contest.

Champ Porter and Mitz Walling.

At the end of 11 weeks the person with the greatest number of games called correctly will win two tickets to the Cotton Bowl and \$50, expense money courtesy of a group of local merchants, who each year make the contest possible.

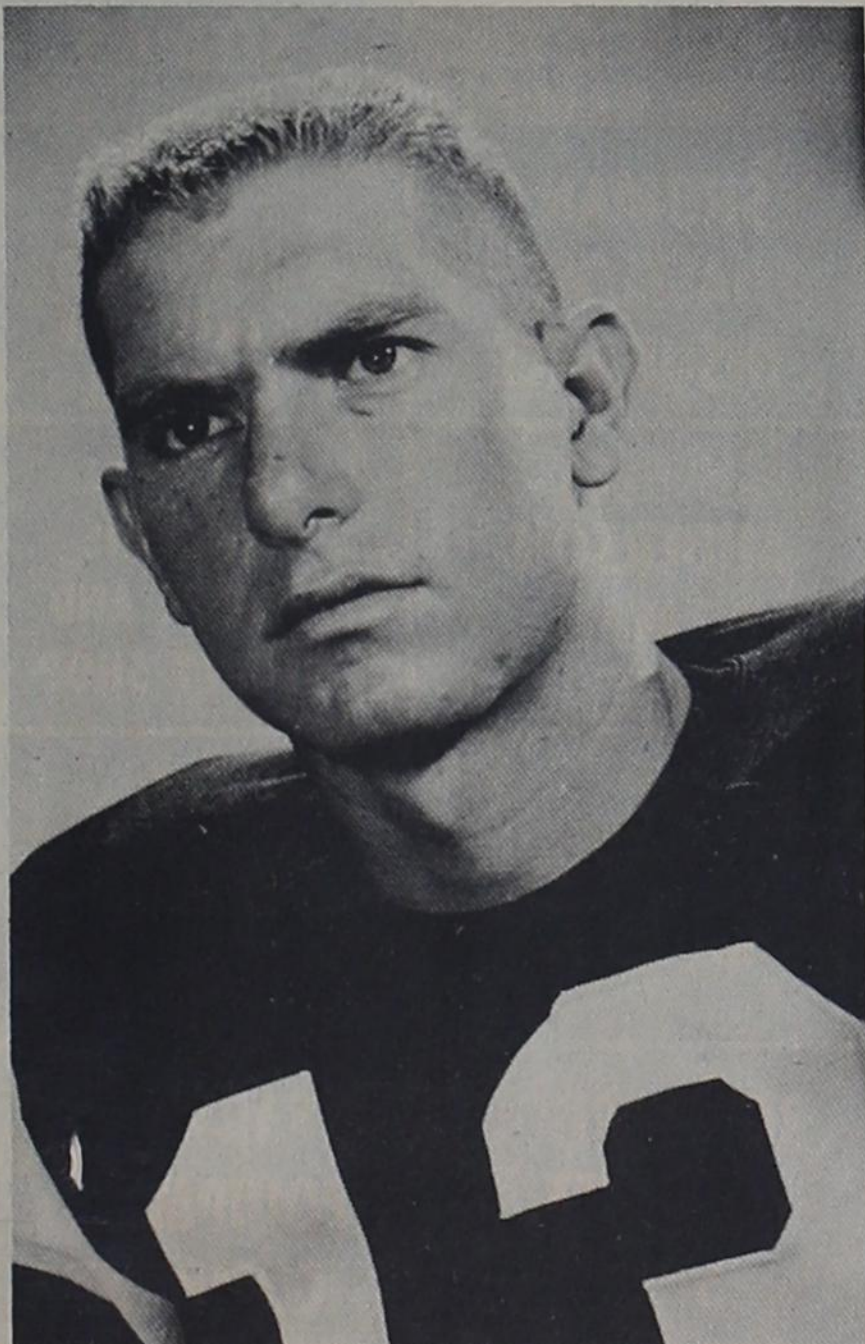

Farwell Board Discusses Land South Of School

The yearly audit of school funds by F. E. Coan of Amarillo was approved Monday night when Farwell School board met in regular session, and bills were paid and approved, according to the minutes.

Members also discussed the possible purchase of land south of the present school property, which would include half a block of land to Ave. I for a total of four half blocks.

If the purchase is arranged, the tract would be utilized as expansion room for the school. It would be put into grass immediately, says W. M. Roberts, superintendent, and used for practice and workout areas.

The board also voted to sell a five-acre area in east Farwell if arrangements are completed. A price was set by the board members.

GREYHOUND QUARTERBACK -- For the second straight year Benly Dial, Farwell, is the starting quarterback for Eastern New Mexico University. Dial is 6-1 and weighs 180 pounds. For the past three weeks he has been praised by Coach B. B. Lees for his passing and ground gaining ability. In the game played on Saturday Dial passed for four touchdowns, however the Greyhound Pack was defeated 35-34. In addition to his letters in football Dial, the son of Mrs. Clytie Dial, has also lettered in track where he throws the shot put, discus and javelin. In high school he lettered in football, basketball, baseball and track.

THREE OF THE REASONS why the Farwell Steers came so close to pulling the state's biggest upset Friday night against Seagraves are in this picture. Left, Bobby Fields, the supple Steer quarterback whose passes enabled the Blue and White offense to almost equal that of the vaunted Eagles. Center, Bobby Atkinson, gritty back whose line plunges are hard to stop. Right, Charlie Dannheim, big lineman who throws his weight around not only on offense but participates in many tackles as well.

Junior Varsity Defeats Olton

The Farwell Junior Varsity team collided with Olton Thursday night on the Olton home field with the result being a 14-6 win.

Olton started by scoring in

the second quarter to lead, 6-0. The try for conversion was no good.

Farwell came back to even things in the third quarter with Larry Suttle carrying. Bobby Chadwick ran the extra points to put the Farwell team out in the lead, 8-0.

Jerry McClesky broke loose for another touchdown in the final quarter to increase the lead to 14-6. The try for extra points was no good and the score remained at 14-6.

Calvin Wilkinson and Louie Bradshaw were notable to break loose for long runs as the Olton boys kept them pretty well bottled up.

Ricky Stewart, Ricky Lunsford, and Bobby Chadwick were good defensively. Coach Jerry Owens comments,

The Junior Varsity was originally scheduled to play Dimmitt last week, but that game was called because they are also scheduled to play Dimmitt this week.

The Junior Varsity will be trying to add another win to their record tonight (Thursday) as they do battle against Dimmitt, on the opponent's field.

In the starting line-up will be Bruce Dollar, center; Ricky Lunsford, guard; James Haseloff, guard; Vernon Bland, tackle; Jerry McCleskey, tackle; Ricky Stewart, end; Jim Gray Perry, end; Louie Bradshaw, quarterback; Larry Suttle, halfback; Lester Gray Perry, fullback; and Warlick Dollar, halfback.

The Farwell team enters into the game with a record of two wins and two ties.

Football Games To Begin At 7:30

Future home football games will be 30 minutes earlier than previous starting times, W. M. Roberts, superintendent, reminds fans, beginning with the homecoming game with Kress Oct. 16.

All conference games begin at 7:30, Roberts adds.

Farwell Yearlings Humble Gattis

By Leonard Hutsell
The Farwell Yearlings crushed the Gattis teams Thursday with the seventh grade coming out ahead 24-6 and the eighth grade winning by a similar score of 28-6.

Farwell seventh graders rolled up 98 yards to score the first touchdown of the game in the first half with Dean Stovall doing the honors to go out ahead, 6-0. The extra points were made and the Yearlings increased their lead to 8-0.

Greg Hargrove scored again for the locals midway in the third quarter to lead 14-0. The team increased their gain to 16-0 on a pass play from Greg Hargrove to Mark Williams for the extra points.

The Clovis team then got in the scoring column to shorten the Farwell lead to 16-6. The try for extra points was no good.

Mark Costello took the kickoff and ran 55 yards for the touchdown with 6 seconds remaining in the game. The extra points were made and the seventh grade Yearlings were handed a win of 24-6. Mark Williams run the extra points.

The eighth grade Yearlings were originally scheduled to play the Amherst Junior High team last Thursday, but the game was called. The Yearlings were able to get a scrimmage with Gattis' eighth grade. The Farwell team won 28-6.

Al Phillips capitalized on a long pass from one of his team mates to go over for the first touchdown of the game midway in the second quarter, to put the Yearlings out in the lead 6-0. Kyle Sheets run the extra points to increase the locals lead to 8-0.

The half ended with the Yearlings leading the Gattis eighth grade team 8-0.

Ricky Lee broke loose for a 65 yard gallop early in the third quarter to increase the Yearlings lead to 14-0. The extra points were made and Farwell led by a lopsided 16-0.

A pass from Robin Mahaney to Ricky Lee was good for another touchdown in the closing minutes of play in the third quarter. The try for extra points was no good and the score remained at 22-0.

Gattis was getting desperate and they scored early in the final quarter. The try for extra point was no good and the score stood at 22-6.

Clovis got in the scoring frame of mind again in the closing seconds of play as they threw a pass, but Ricky Lee intercepted and ran back 60 yards for a touchdown to increase Farwell's lead to 28-6. The locals were unable to make the extra points and the score remained fixed at 28-6.

Farwell PTA To Study Motivations

With several weeks of planning on program and plans by officers and committees completed, Farwell Parent Teachers Association is ready to launch the first in a series of four yearly meetings Tuesday night at 8 o'clock in the school auditorium.

Keyed to several phases of the theme "Children of Tomorrow", the programs for the year are planned around this topic with the seven basic motivations of the human being, providing the theme for the program series. Wilfred Quikkel is PTA president, Dr. T. J. Glenn is program chairman.

The program Tuesday night will deal with the first two phases of the overall theme -- Religion and love. Rev. J. L. Bass, pastor of First Baptist Church, is chairman and Rev. W. C. Strickland, pastor of

Hamlin Memorial Methodist Church, is co-chairman for the short panel presentation dealing with the roll of the church and the community.

The motivation, love, will be dramatized in five two-minute skits, showing brief interludes at various stages of maturity. Featured in the skits will be Mr. and Mrs. Don Gerles, Mr. and Mrs. Pete Rundell, the Preston Martin family, Mr. and Mrs. Claude Coffey and Mr. and Mrs. C. C. Christian. Dr. Glenn will narrate the program. ESA is in charge of the skits.

In the business meeting, the president emphasizes that plans will be discussed as briefly as possible -- to avoid a lengthy meeting. On the agenda will be plans for the annual money-making project of PTA -- Project Christmas Card -- and membership will be considered.

Old Well Found At Blackwater Draw

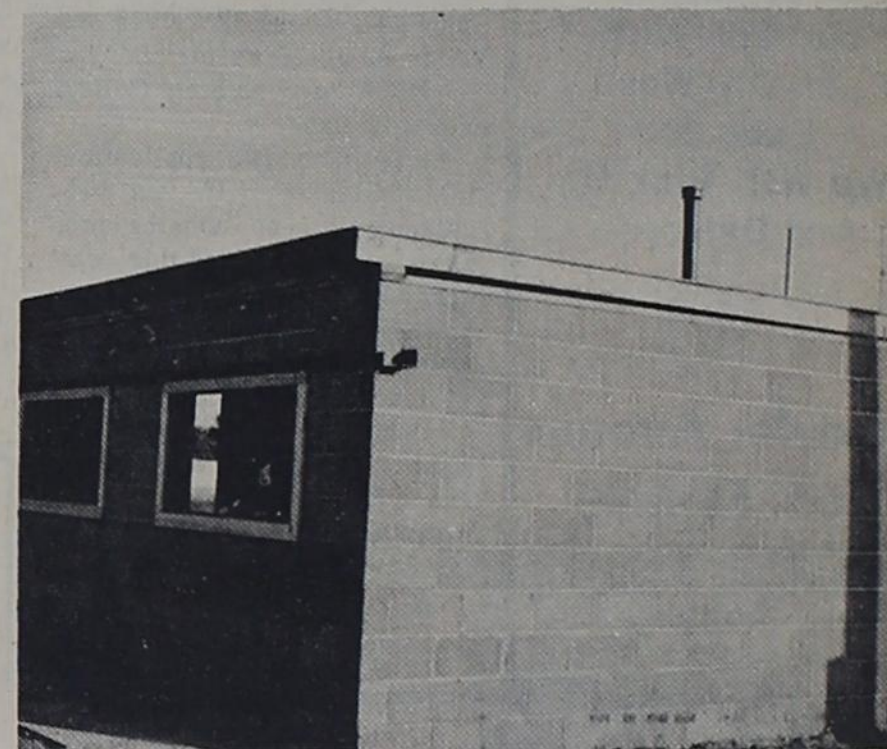

A 10,000-year-old well, believed to be the oldest in the New World, is listed as a major find at the Blackwater Draw site near Portales in a report on summer excavations by Dr. George Agogino, head of the Paleo-Indian Institute at Eastern New Mexico University.

The well is one of more than a dozen uncovered at the site, but all others have been estimated to be 4,000 to 5,000 years old.

Six students assisted Irwin Rovner, field superintendent for the Paleo-Indian Institute, in the summer project. Their work was confined to the south wall of the gravel pit where dozens of pre-historic artifacts have been uncovered. But the site has been "badly neglected for over three decades," Dr. Agogino noted.

Their work revealed that the "Portales Complex," 6,000 to 10,000 years old, represents a series of cultures separated by layers of rock rather than a single complex.

Artifacts found at Blackwater Draw have shown a sequence similar to findings at the Hell Gap site in eastern Wyoming, indicating that a particular point-type is dominant over the High Plains for one time period.

Work is progressing on the newest addition to the Little League ball park. The concrete block structure will house the concession stand and restrooms at the park.

JOTTIN'S By Jeanne

Activities continue to snowball at this time of year -- and it looks like Farwell PTA programs will be a Number 1 attraction as far as planning and interesting subject matter. I hope all you parents and teachers will attend in droves.

A lot of work has gone into the planning of the series -- so it should be worth your time. Tuesday night is the first meeting time.

There's a lot to be said for variety and adventure, but Duane and Phyllis Herington like life without the unexpected.

The last report I had, they had an uninvited guest -- a skunk moved in under the Herington home. I haven't heard what method they used to evict their new boarder.

AMMO NOTES

By Bill Bennett, Agronomist

(This column on cotton interrupts the series on soil test results. This subject is timely and of immediate interest to some.)
Weather conditions during the past 2 to 3 weeks have affected growth of cotton. Leaves on cotton plants are dying and plants in some instances are being

completely defoliated. There is some concern that this has been due to a plant disease or root rot of some type.
Dr. Bob Berry, Extension Plant Pathologist, Texas A&M University, Lubbock, has examined some of these affected cotton plants from this area. The condition of the plants, re-

ports Dr. Berry, is not due to the presence of plant diseases. Certain cotton diseases, such as Verticillium wilt or Fusarium wilt, are present on the High Plains, but they are less widespread in their distribution and would have been present before the rain.
Death of cotton leaves is probably due to desiccation of the plant. If no more irrigation water was applied after August 25, cotton had, in the main, started hardening off and maturing which for practical purposes put a plant under drought stress. Moisture in the form of rain at a later date resulted in increased metabolic activity and growth of the plant. During active growing periods, leaf openings called stomates open up and the plant takes in water and becomes turgid. With the advent of sunshine and lower humidity, the plant leaf is desiccated due to the slow closing of the stomatal openings. The desiccation of the leaf in this manner would have the same effect as chemical defoliation of cotton.
Since most of the cotton in the area was already matured, this condition will have little or no effect on yields. It might even have a beneficial effect where cotton was too rank in growth.

THE HIGH PLAINS FARM AND HOME

cleaning job near a space heater and the entire rug burst into flame.

Officials of the National Institute of Rug Cleaning, Inc., also pointed out that other serious injuries have resulted from the use of carbon tetrachloride in home cleaning. This chemical has a high toxicity and may be absorbed through the skin into the bloodstream. It has anesthetic results when inhaled and may affect the organic tissue of the kidneys, liver and heart.
The Institute advises that before attempting to use various chemicals for spot cleaning carpets, homemakers consult a professional rug cleaner to learn what materials are safe to use and the correct procedures to follow.

Approximately 150 farmers were at the Parmer County ASC office Monday morning to receive the last of the 1964 feed grain and wheat allotment checks. All 1964 payments on the wheat stabilization, feed grain and cotton programs will be completed within the next three weeks, says Prentice Mills Parmer County ASC office manager. 98% of the checks will be ready by Monday. Shown waiting in line on Monday were left to right, M. C. Kelly, Glen Floyd, Harrison Gee and Vernon Estes. Clerks pictured are Pam Dugan and Herman Chandler.

4-H LEADER TRAINING

With new 4-H Clubs - we have many new Adult leaders to work with the small groups of girls. All Food Project leaders will start work this month. These leaders are required to attend a training meeting before starting work with their food groups. This is necessary so that all will be teaching and doing the same thing in food groups.
Training for those leaders who will be working with girls in their 1st year food group will attend the training in Food Unit I, at Hub Community Center on Tuesday October 13, at 1:30 p.m. On Wednesday October 14, at 9:00 a.m. training will be given in Unit 2 guides. (2nd year group leaders.) Training for 3rd & 4th year food groups will be announced later.

CAUTION URGED IN HOME CARPET CLEANING

The inadequacies of the average person's knowledge of chemistry were brought into sharp focus by a recent tragedy in Paterson, New Jersey. A do-it-yourself rug cleaning task attempted by the husband of a New Jersey homemaker sent her to the hospital with internal injuries and burns over 40 per cent of her body. The accident occurred when her husband ended a carpet

Why I Am a Republican for Goldwater

By SENATOR STROM THURMOND

(This was not written and spoken by some discredited individual, but by a highly respected U. S. Senator and lifelong Democrat. Just two days before giving this speech, Senator Thurmond was asked by Mrs. Lyndon Johnson to accompany her on a campaign trip through the South, which is proof of the high esteem in which he is held. If you think that he has overstated his case, we ask you to consider the trends in the Democrat Party, the ultimate goals of its leaders, and the cynical coalition of concentrated power which is threatening to make a mockery of Constitutional Government and our free institutions.)

"It has been wisely said that "For evil to triumph, it is only necessary that good men do nothing." Particularly is this true in time of crisis. Seldom before in the history of our nation have we faced so great a crisis.
"The people of South Carolina have placed me in a position of trust in the national government. From this position, I have observed at close hand the conduct and factors which have brought about this crisis. I would, therefore, be most derelict in my duty were I at this time to remain silent.
"I have no choice but to speak openly, frankly, and fully to the people of South Carolina on the crisis that confronts us.
"The Democratic party has abandoned the people. It has turned its back on the spiritual values and political principles which have brought us the blessings of freedom under God and a bountiful prosperity. It has breached the trust reposed in it by the people. It has repudiated the Constitution of the United States. It is leading the evolution of our nation to a Socialistic dictatorship.
"THE DEMOCRATIC PARTY HAS FORSAKEN THE PEOPLE TO BECOME THE PARTY OF MINORITY GROUPS, POWER-HUNGRY UNION LEADERS, POLITICAL BOSSES AND BIG BUSINESSMEN LOOKING FOR GOVERNMENT CONTRACTS AND FAVORS.
"The Democratic party has used the government as a propaganda machine to distort the truth and deceive the public to the extent that a sub-cabinet official can publicly defend the Administration's "right to lie" and remain in office, unrebuked.
"The Democratic party has invaded the private lives of people by using the powers of government for coercion and intimidation of individuals.
"The Democratic party has rammed through Congress unconstitutional, impractical, unworkable and oppressive legislation which invades inalienable personal and property rights of the individual.

"The Democratic party has encouraged lawlessness, civil unrest, and mob actions.
"The Democratic party has violated its trust by using the power of government to suppress information on scandals and corruption of its leaders in government and party offices.
"The Democratic party has succeeded and assisted our Communist enemies through trade and aid at the expense of the American people.
"The Democratic party has established and pursued for our government a no-win foreign policy of weakness, indecision, accommodation and appeasement.
"The Democratic party, as custodian of government, faltered at the Bay of Pigs and in the Cuban crisis of 1962 — at the very moment when victory was at hand — and thereby forfeited Cuba to Soviet domination, subjected our nation to the peril of an armed enemy camp 90 miles from our shores, and opened the doors of the hemisphere to Communist subversion.
"The Democratic party, as custodian of government, has sent our youth into combat in Viet Nam, refusing to call it war, and demanding of our youth the risk of their lives without providing either adequate equipment or a goal of victory.
"THE DEMOCRATIC PARTY NOW WORSHIPS AT THE THRONE OF POWER AND MATERIALISM.
"The Democratic party has demonstrated a callous disregard for sound fiscal policies and practices.
"The Democratic party has utterly disregarded the disastrous effects of the resulting inflation on people with fixed incomes, such as retirees, pensioners, Social Security beneficiaries, and those who have their savings invested in insurance.
"The Democratic party, as custodian of government, has adopted the practice of taking your money by taxation and then using that money to attempt to buy your votes.
"The Democratic party is attempting

with alarming success to change the Congress from an independent body representing the people to an amen chorus for presidential proposals.
"The Democratic party has endangered the security of the nation by negative decisions on military preparedness, preoccupation with bilateral and unilateral steps toward disarmament, and by use of the military services domestically as instruments of social reform.
"THE DEMOCRATIC PARTY HAS NOMINATED FOR VICE PRESIDENT A KEY LEADER OF THE AMERICANS FOR DEMOCRATIC ACTION, THE MOST INFLUENTIAL SOCIALIST GROUP IN OUR NATION.
"The Democratic party has encouraged, supported, and protected the Supreme Court in a reign of judicial tyranny, and in the court's effort to wipe out local self-government, effective law enforcement, internal security, the rights of the people and the states, and even the structure of the state governments.
"The Democratic party is converting our constitutional federated republic into the same type of disciplined and submissive servant of an elite power group as it has made of the Democratic party itself, as all who watched the Democratic convention on television can bear witness.
"The top leaders of the South Carolina Democratic party have chosen to abandon the traditional independence of the state party, and to lead the people of South Carolina down the road to serfdom mapped by the national Democratic party. The party of our fathers is dead. Those who took its name are engaged in another reconstruction, this time not only of the South, but of the entire nation.
"If the American people permit the Democratic party to return to power, freedom as we have known it in this country is doomed, and individuals will be destined to lives of regulation, control, coercion, intimidation and subservience to a power elite who shall rule from Washington.
"Fortunately, for those of us who

cherish the traditional freedom entrusted to us by our forefathers, there is another choice this year. Although the party of our fathers is dead, the principles of our forefathers live now in the cause of a presidential nominee.
"THE MAN WHO HAS GAINED THE REPUBLICAN NOMINATION FOR PRESIDENT AGAINST ALL THE ODDS AND OPINION POLLS, AND WHO NOW HAS CONTROL OF THE REPUBLICAN PARTY, IS ONE WHO BELIEVES IN AND ABIDES BY OUR CONSTITUTION. HE HAS DEMONSTRATED HIS FIDELITY TO FREEDOM, INDEPENDENCE AND THE CONSTITUTION BY HIS ACTIONS AND HIS VOTES IN THE UNITED STATES SENATE.
"I personally know him to be able and responsible. He is an honest man of courage and conviction, who trusts the American people to hold the reins of government and rule themselves.
"I cannot foretell what success will reward Sen. Barry Goldwater's efforts to return the national government to its constitutional role and our nation to its rightful place of strength and respect in the world. Nor can I predict with certainty how long those ideas and ideals of Sen. Goldwater which I share will prevail in the councils of the Republican party which he now heads. I do know that we have a fighting chance under Barry Goldwater's leadership and that we are welcomed to his banner.
"I know also that the course for the Democratic party has been set toward socialism and arbitrary rule. I know further that the Democratic party's line of succession is Hubert Humphrey and Robert Kennedy, with Walter Reuther and Joseph Rauh pulling strings behind the scenes.
"I have worked within the framework of the Democratic party, because experience proves it necessary to work within the framework of one of the two national parties to be effective. I have, nevertheless, maintained independence of judgment on issues and have conscient-

iously tried to represent the people of South Carolina, seeking to protect their rights and freedom.
"I shall always maintain my independent judgment and action and put the people of South Carolina first. To do this in the future I must work within the framework of the Goldwater Republican party.
"For me, there is no alternative. The future of freedom and constitutional government is at stake, and this requires that I do everything in my power to help Barry Goldwater return our nation to constitutional government through his election to the presidency. This also requires that I join him in his fight, successful as of now, to make the Republican party a party which supports freedom, justice and constitutional government.
"IT WILL BE A LONG AND HARD STRUGGLE, WITH MANY BATTLES TO BE FOUGHT. AT THIS TIME, ONE OBJECTIVE TAKES PRECEDENCE OVER ALL OTHERS — ELECTING BARRY GOLDWATER PRESIDENT. AS WE GIVE THE PRESIDENTIAL RACE OUR UNDIVIDED EFFORT, I HOPE ALL OUR PEOPLE, AND PARTICULARLY OUR YOUNG PEOPLE WHOSE FUTURE HANGS IN THE BALANCE, WILL JOIN THIS CAUSE WITH ENTHUSIASM.
"To my friends who have conscientiously advised me against this step, because of a sincere belief that I could best serve the country by following a course designed to keep myself in office, I can only say that I fully realize the political risk involved in this step and that my chances for re-election might, because of this step, go down into oblivion.
"But in the final analysis, I can only follow the course which, in my heart and conscience, I believe to be in the best interest of our state, our country, and the freedom of our people.
"I have chosen this course because I cannot consider any risks in a cause which I am convinced is right."

SCREWORM SITUATION

A 53 day screwworm-free period in Texas ended September 24 when a sample of worms collected from a cancer-eyed cow in Briscoe County, Silverton, was confirmed as containing screwworm larvae.

Sterile flies are being dispersed in the area and will continue for three weeks.

Eradication officials have no explanation for the occurrence of the screwworm case hundreds of miles from previous cases. The nearest infestations in nearly two months were 500 miles to the west. This points up to how quickly screwworms can spread during favorable conditions in the fall.

WARNING

Two worm cases have been reported to me this past week. However, nothing could be done because a sample of worms were not gotten with either worm case. We can not look at worms with the naked eye and determine whether they are screwworms or blowfly larvae.

We must collect a sample of worms from each infestation we find so they can be sent to Mission and positively identified. Worms from deep within the center of wounds as well as from the surface must be collected.

This is necessary as screwworm larvae burrow deep into the center of the wound, while non-screwworms tend to feed near the edge.

If you have a case of worms, collect 10 or more and please let me know if you don't have a shipping carton and report sheet to fill out on the worm case. We have plenty of the screwworm shipping cartons here at the office and are happy to furnish you with a supply. Come by if you want some.

BEEF CATTLE MEETING
 Dr. Dixon Hubbard, area Extension Livestock Specialist, will meet with Parmer County cattle owners Tuesday, October 13 at 7:30 p.m. in the Bovina Restaurant.

The program sponsored by the County Livestock Committee, will cover the importance and benefits of production testing beef cow herds, and how a testing program would operate in a herd.

Another item to be discussed will be economical year round forage production for beef cattle.

The Livestock Committee also plans to discuss the advantages and disadvantages of obtaining a portable set of scales for use with production testing in Parmer County.

All interested livestock owners are invited and urged to attend the discussion on these topics by Dr. Hubbard Tuesday night in Bovina.

4-H PROGRESS

The 4-H membership drive in Parmer County last month came up with about 140 new 4-H members. These new members, plus the reorganization of the Clubs in the County have given the 4-H organizations in the County a big boost.

Last week at Lazbuddie, the officers were elected for an Adult Advisory group as follows: Chairman, Freeman Davis; Vice-Chairman; Roy Miller; Secretary, Mrs. Ralph Broyles; and directors, Everett McBroom and Mrs. Max Bush.

Also meeting last week were the adult advisors for the Friona and Farwell 4-H Clubs. The adults discussed organization leaders for their respective Clubs along with other possible leaders.

The interest shown by these two groups point out the fact that they want to see their 4-H Clubs have a good year in 4-H club work.
