

PURELY PERSONAL

By John

Potpouri for the week: I have been accumulating a number of things on which I have wanted to comment.

I am sure we all were thrilled and gratified at the very wonderful patriotic halftime program put on by the Farwell Band during the game with Sudan November 5th. This unashamed show of patriotism was refreshing to behold in light of today's tendency to downgrade such emotions.

This past week, two new business ventures opened in town and open house was held for two beautiful new homes. The businesses are owned and operated by local folks and the homes were built by local contractors.

We must be the ultimate builders of our town. In the past, too much of our wealth has been siphoned off to other areas and not enough reinvested at home.

The school buildings in Texico are rapidly shaping up and a fine school plant is developing. The citizens are to be commended on this investment in their future.

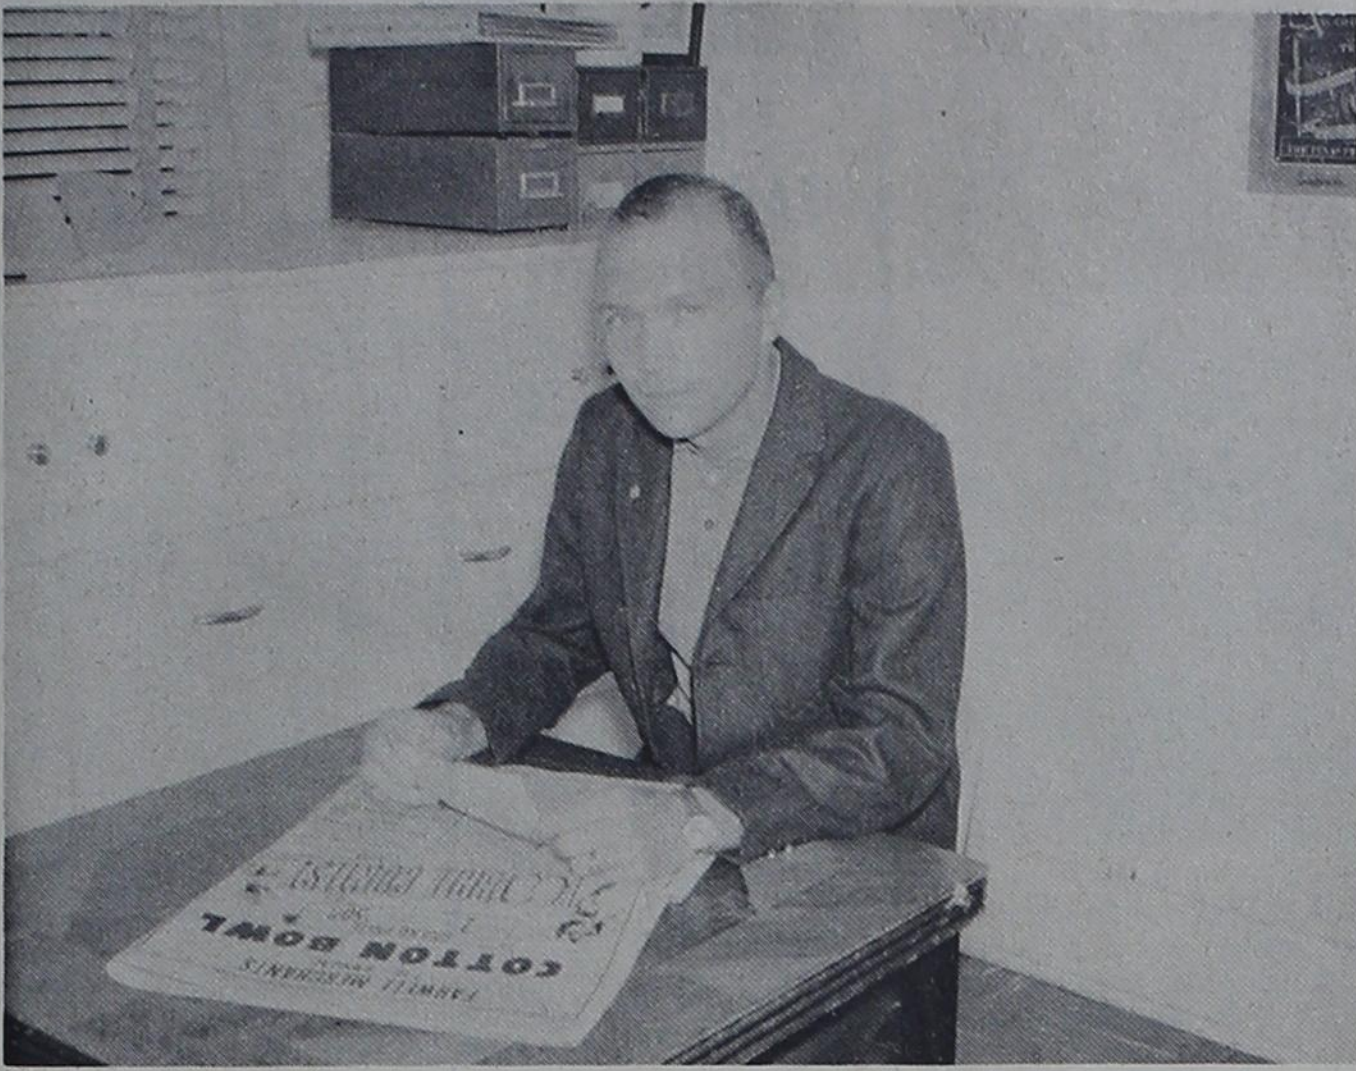

Now for a very distasteful thing that must be noted. Twice this year, acts of vandalism have occurred in the visiting team's dressing rooms during a Farwell football game.

Now the acts of one or two very misguided persons have endangered the reputation of years standing. The responsible parties must be exposed and punished in the manner they deserve.

Observe Thanksgiving Holiday

Students in the Texico and Farwell schools will enjoy a long weekend next week, since both schools will dismiss on Wednesday afternoon, Nov. 24, for the Thanksgiving holiday.

NOTICE
An important meeting of the Twin Cities Council will be held at Clara's Spur on Tuesday evening, Nov. 23, 8 p.m., according to Red Prather, president.

SURE WAS A HARD BATTLE MAMMA -- Jerry Dee Owen, winner of the annual Cotton Bowl football contest, looks over last week's entry after receiving a check for \$50 and two tickets to the Cotton Bowl Game as top prize in the contest.

WEEKLY WINNER -- Mrs. Leroy Kitten called eight games correctly and missed the tiebreaker game score by five points to win the weekly first place prize in the football contest. She receives a check for \$5.00 and congratulations from James "Pat" Patrick, Kelly Green Seed, one of the sponsors of the contest.

Nov. 13 'Lucky Day' Texico Defeats House

November 13 proved to be a "Lucky Day" for the Texico Wolverine basketball team as they started their regular season play off with a "bang" defeating both the varsity and B teams from House on Saturday night.

Funeral Services Held For Mrs. Humphrey

Funeral services were held for Mrs. Dane Humphrey, 82, of Farwell at 3 p.m. Wednesday at the Northside Church of Christ in Muleshoe. Officiating were Frank Duckworth, minister of the church, and Van McCormick of the Eastside Church of Christ in Clovis.

Mrs. Humphrey passed away Tuesday morning in Clovis Memorial Hospital after an illness of several months.

She is survived by one son, C. McMahan, Muleshoe, and five daughters, Mrs. Della Parker, Springdale, Ark., Mrs. Mary Curd, Texico, Mrs. Tiller Hudson, Muleshoe, Mrs. Elzada Gulley, Muleshoe and Mrs. Eunice Crume, Farwell. Also two brothers, G.C. McIntire, Mountain View, Ark., and Josh McIntire, Oklahoma City, 26 grandchildren, 33 great-grandchildren and two great-great grandchildren.

Dane McIntire was born March 29, 1883 in Stone County, Ark., and was married to William Riley McMahan on July 22, 1900. He passed away in March 1915. In 1916 she was married to William Webster Humphrey and they moved from Arkansas to the Progress Community, near Muleshoe, in 1927. Mr. Humphrey passed away in 1942.

Mrs. Humphrey had lived in Texico-Farwell since 1947, making her home with a daughter, Mrs. Eunice Crume. During her illness she had been at the home of another daughter Mrs. Elzada Gulley of Muleshoe.

Coach Johnny Green expressed himself as well pleased with the effort put forth by both the Varsity and B teams in the opening games, but he said, "We are still going to have to iron out many mistakes before we are a serious contender for the district title."

In the evening opener Leslie Harrelson, Texico, was top scorer for the game, Texico, and the entire evening, scoring 19 points. Ardell Aurrey, Harrelson's team mate, turned in a fine performance and scored 11 points. The two boys racked up 30 points of the team total of 43 points for the evening. Top scorer for House was Drew Runyan with 0. Final score in the game was 43-26.

Coach Johnny Green expressed himself as well pleased with the effort put forth by both the Varsity and B teams in the opening games, but he said, "We are still going to have to iron out many mistakes before we are a serious contender for the district title."

Harvest of what has been termed by elevator operators in the Texico-Farwell and Lariat areas as the best grain sorghum crop in the history of the area is almost 100 per cent completed according to reports early this week.

Elevator operators hailed the unusually mild weather of the past few weeks as near perfect for the harvest operation, with no long line of trucks stacking up at the elevators at any time, only a steady flow of grain coming in.

Harvey Green with 13 points was tops for House. (Continued on page 4)

Record Grain Harvest Almost Completed

Grain sorghum yields have reached an all time high with most elevator operators in the area reporting that the average yields have been in the neighborhood of 7500 lbs. per acre. Top yields in the area have gone as high as 9200.

Cotton harvest in the area is beginning to get underway with some farmers already using strippers in their fields.

Former Superintendent To Address Ex-Students, Teachers

Speaker for the annual ex-student banquet for the Farwell, Oklahoma Lane and West Camps schools will be J. T. Carter, business manager of the First Methodist Church in Lubbock. Carter was superintendent of schools in Farwell from July 1, 1940 until July 1, 1945.

He will visit with former students and their parents prior to the banquet and will go with them on a guided tour of the old high school building (two story building) which housed the entire high school at the time he was superintendent.

The banquet will be held on Saturday night, Nov. 27, beginning at 7:30 p.m. in the school cafeteria. The cafeteria personnel will serve the meal of ham, green beans, buttered corn, tossed salad, hot rolls,

buttermilk, coffee or tea, and chocolate cake. Price of tickets to the affair is \$2.50 per person.

Gifts will be presented to the oldest graduate of the schools present and the person traveling the farthest distance to attend the affair, according to Mrs. W. T. Meeks, secretary-treasurer of the Ex-student Association.

The next banquet will not be held until 1967 and a good attendance is urged by association officers for this year's banquet. If any former student or teacher in the school did not receive a card inviting them to the affair they should plan to attend anyway. It is almost impossible to get cards to everyone since the mailing addresses of all former students and teachers are not available. (Continued on Page 3)

Jerry Owen Wins Contest Tickets To Cotton Bowl

Jerry Dee Owen was declared winner of the Cotton Bowl armchair quarterback football contest this week, outcalling a total of 214 contestants for the prize. Owen called 79 games right during the 11 week contest, for a total of 72 per cent of the total games.

Owen's nearest opponent in the contest was Supt. W. M. Roberts, who was tied with Owen for at least two weeks of the last four weeks of the event. Roberts called 76 games right. Edwina Owen, mother of the contest winner, was in third place at the close of the contest with 74 games called correctly.

In fourth place with 73 games called correctly was Archie Thompson, Littlefield, who delivers bread to the local grocery stores each week and is a regular in the contest each year.

Listed with 72 correct games and in fifth place were Georgia Rundell, Champ and John Porter. Those with 71 games called right were L. C. Herington, Charles Dannheim, Mrs. Albert Johnson, and Tom Paul McCuan. Mrs. McCuan has been in the winner's column for the last two weeks of the contest, outcalling all other entrants last week to win first and this week taking second place weekly

prize when she called the same number of games correctly as the first place winner, but missing the tiebreaker score by one more point.

Mrs. Leroy Kitten was the weekly winner this week, missing only two of the ten games listed and missing the tiebreaker score by only five points. Mrs. McCuan was second place winner, and the husband and wife team of Bernice and Darrell Norton split third place weekly prize with each calling eight games correctly and missing on the game score by seven points.

Owen will be attending the Cotton Bowl game in Dallas on

New Year's Day and also receive \$50 expense money courtesy of the local businesses who sponsor the event each year.

Sponsors of the contest are: Oklahoma Lane Farm Supply and Gin, Shuman-Haseloff Insurance Inc., Piggly Wiggly, Worley Grain, Texico Branch Citizen's Bank, Security State Bank, Farwell Equipment Co., Lariat Gin, Sherley-Anderson Grain, Sherley-Anderson Pitman, State Line Grain, State Line Fertilizer, Kelly Green Seed, Texaco Inc., Clara's Spur Restaurant, Continental Oil Co., and City Cleaners.

Vote Nov. 23 --

Cotton Referendum Double-Barrelled Issue

Cotton producers will vote Tuesday, November 23, on two questions relating to the 1966 program for cotton.

First, a referendum must be held to determine if producers approve quotas for the 1966 crop of cotton.

Secondly, a referendum must be held to determine if producers approve the sale or lease of upland cotton allotments for transfer to farms outside the county. This referendum will be held in conjunction with the upland cotton marketing quota referendum. An affirmative

vote by a two-thirds majority of those voting in a county will authorize transfers to any other county in the State for a period of three years.

If the affirmative vote is less than a two-thirds majority, transfer of allotment by sale or lease will be limited to the county in which the transferring farm is located.

For the past 12 years cotton growers have voted overwhelmingly in favor of marketing quotas for cotton. For example: In 1955 96.2 per cent of the growers voting favored quotas. It is felt by some of the better informed people in the cotton business that the referendum on cotton marketing quotas could be a rather close contest this time. The reason behind their thinking is this - there is an area in the cotton producing section of the country where growers are willing to produce cotton for the world market. They believe they can do so profitably. These people (we

have the rumor) will turn out to vote against marketing quotas and the program in general.

Also, there are growers in other parts of the country who wish to have the opportunity to grow cotton for a "free" market and these people will vote "no" in the referendum next Tuesday. As it takes a 2/3 majority vote to put the marketing quotas into effect, 34 voters out of each 100 voting "no" could defeat the application of marketing quotas. We think that having an honest and contested difference of opinion between cotton growers is a good thing. However, we feel that every cotton grower should be familiar with the question being voted upon. In other words, he (or she) should have the facts, they are as follows:

IF QUOTAS ARE APPROVED Marketing Quotas and acreage allotments will be in effect.

Excess cotton on a farm

where the farm allotment is exceeded will be subject to a marketing quota penalty.

The "Domestic" Cotton Program will be available to growers who desire to participate. Under this, diversion payments, price support and price sup-

Steers Close Season With 20-6 Loss

At Steer Stadium Friday night, the Farwell Steers closed out their 1965 football wars on a losing note as they fell to the Springlake Wolverines by a score of 20-6. The ballgame, played in perfect fall weather, was one of spurts and sputts. The end result was the Wolverines had a few more spurts than Farwell.

Al Phillips opened the game by kicking the ball out of the end zone and Springlake started play on their 20-yard marker, and by virtue of a 15-yard penalty and a three yard loss, were forced to punt. The Steers first came into possession of the ball on their own 10. The Farwell offensive machine was geared for action as Hobbie

Coffman reeled off several excellent runs. Coffman was the only Steer back able to make yardage against the Wolverine defense and the Steers were forced to punt.

The game continued on a saw-saw basis until in the second quarter, Wolverine Jerry Sanders got loose for a long run and was finally knocked out of bounds on the Steer 7-yard line by Jim Gray, the last Steer defender who came from across the field to make the tackle. The Wolverines lost no time in putting Sanders in the end zone for their first touchdown. The PAT failed and Farwell trailed 6-0.

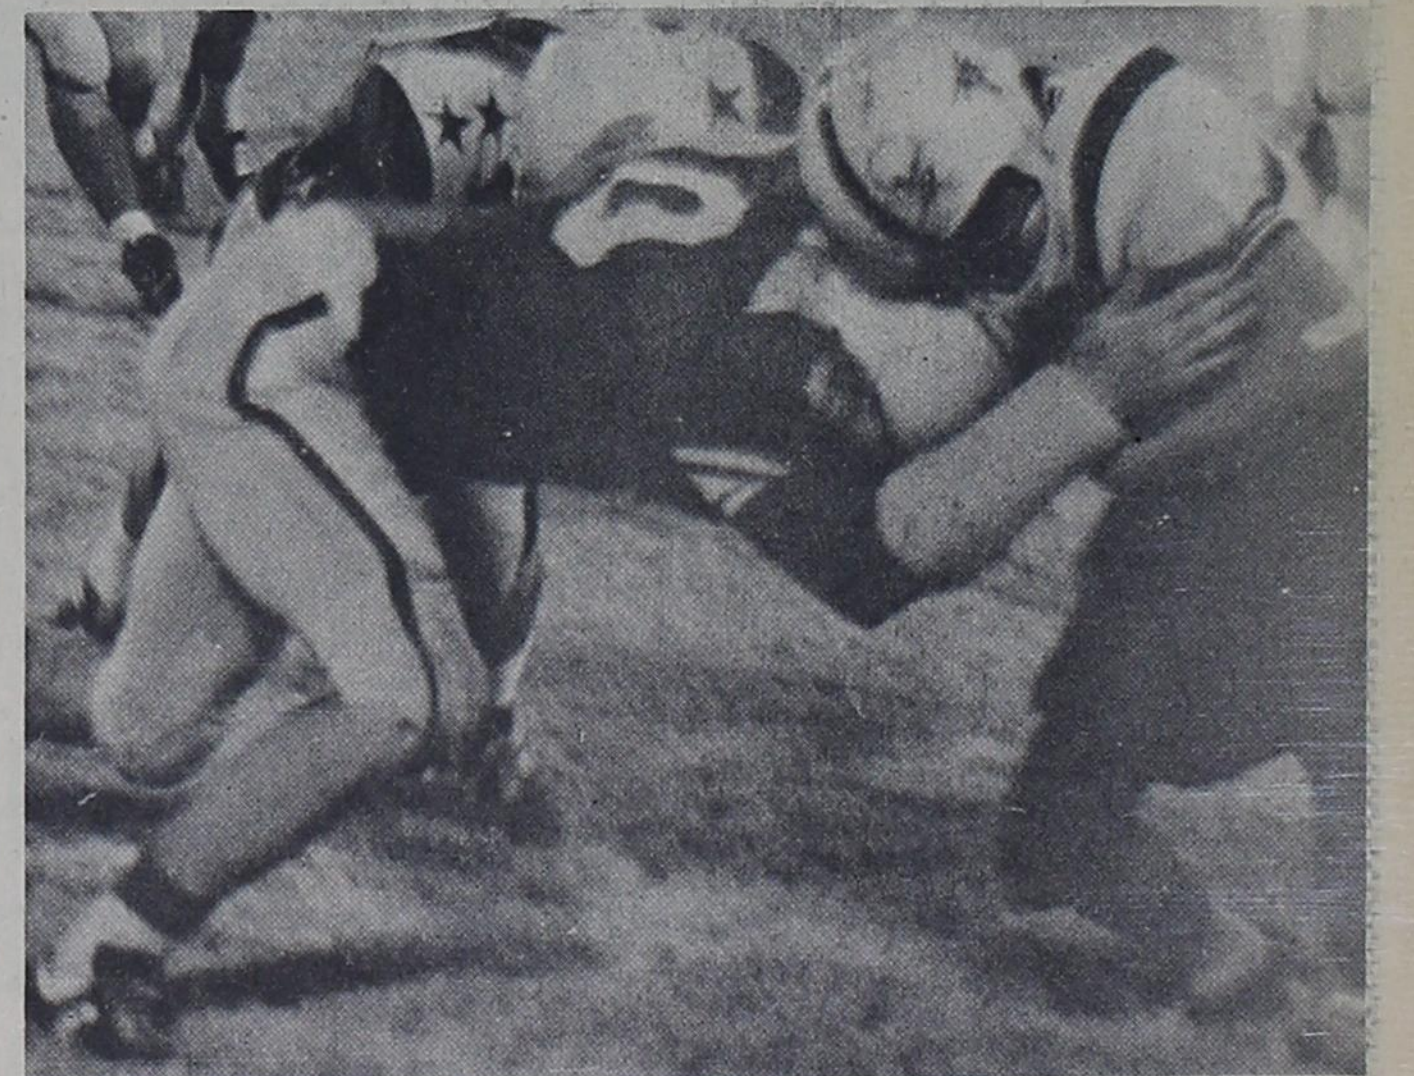

The Wolverines kicked off and the Steers ground out to the

Farwell 37-yard stripe when Hobbie Coffman got loose for a 66-yard gallop to paydirt, for what proved to be the only Steer score of the evening. The point-after kick failed and the score was knotted at 6-6.

The Steers regained possession of the ball and it looked like the half might end in a deadlock. However, a poor center of the ball on a fourth down punt with 20 seconds left in the half, gave the Wolverines the ball on the Farwell 2-yard marker and the alert Wolverines quickly converted it into a six pointer, but the PAT failed and the half ended 12-6, Springlake.

The second half opened with

HOBBIE FINALLY STOPPED -- Hobbie Coffman, Steer back, was the big thorn in the Wolverine paw Friday night. Coffman made good gains for Farwell all night and was the outstanding Steer back in the 20-6 loss to Springlake.

WORK BEGINS -- Heavy equipment was being moved onto the grounds at the Farwell school early this week, by Martin and Sons Building Contractors, to clear the grounds in preparation for construction of the new school building. Present plans call for the auditorium to be completed by May 15, with the rest of the new school plant to be ready for occupancy by the beginning of school in August.

\$100 plus cost and given a jail sentence of three days and had his driver's license suspended for a six-month's period on the charge.

Arrested and fined for being drunk in Farwell was Donnie Powell. He was fined \$20,50 plus cost.

John Ward and Carter Hunnicutt, both of Amarillo were picked up after they had abandoned a car they allegedly stole after robbing the Piggly Wiggly store in Friona. They have had bonds set at \$1,500 each and are in custody awaiting grand jury action.

Alton Robbins is awaiting a hearing on revocation of a parole. He is charged with burglary.

D. L. Harvey was picked up for Orange, Tex., authorities on a child desertion charge.

Still in custody are Stanley Allen and Monty Rucker who are charged with several burglaries last week in Farwell. Most of the stolen items have been recovered.

Steers--

Springlake kicking off to the Steers and workhorse Hobbie Coffman carried the leather 11 out of 18 times for the Steers and hit paydirt only to see it nullified by a penalty. The Wolverines took the ball over on their own one-yard line and the Steer defense held, Springlake was forced to punt from their end zone, but a "roughing the kicker" penalty gave them life on their 16-yard line.
From there, the Wolverines and the Steers traded pass in-

Clovis Noonday Lions To Sponsor Hootnanny Contest

About twenty schools in Eastern New Mexico and West Texas area have been invited to send musical groups to a Hootnanny contest to be held Nov. 26, at Marshall Auditorium, 8 p.m.

Each group will be given about ten minutes to perform during the program.

Qualified judges of teenage music will decide the first, second, and third place winners. Trophies and cash awards will be given.

Musical groups are to contact Odie Echols at KCLV if they wish to enter.

The proceeds from the sale of tickets will be used for the Lions sight conservation fund, where in, each year, many school children receive glasses who otherwise would not be able to afford

receptions until the Wolverines finally mounted a drive that produced a TD for the Green and Gold along with a two-point conversion. The final score of 20-6 was reached with 6:38 left in the fourth quarter. The Wolverine defense rose to the occasion and kept the Steers in check for the remainder of the game.
The Steer loss left the Blue and White with a 6-4 record for the season and 2-3 in district play. Coach Toby Booth, in reviewing the season, says, "A 6-4 mark is real good considering our lack of depth.

Cotton Referendum--

(Continued from Page 1)

port payments, payments will be available to cooperators.

The transfer of allotments by lease and sale will be possible. IF QUOTAS ARE NOT APPROVED

No marketing quotas and no marketing quota penalties will apply to the 1966 crop of upland cotton. A person could grow all the cotton he wanted

to and sell it on the market with no penalty.

Allotments would be in effect and a grower who stayed within his allotment would be eligible for price support on his cotton at 50% of parity. This is currently 21 cents for middling 1-inch cotton.

THE VOTE IS NOT ON ALLOTMENTS

No matter how the vote turns out, cotton allotments will re-

main in effect (as mentioned heretofore) as a means of determining price support eligibility.

ELIGIBILITY TO VOTE

You are eligible to vote in the referendum if you are engaged in the production of upland cotton in 1965. This includes the wives of all eligible voters in Texas.

All eligible persons are urged to vote in this referendum

next Tuesday, November 23, 1965. We have always had a good turn out for commodity referendums in this county - let's make this one the biggest ever.

Ballots may be cast by eligible voters in polling places in the following locations: ASCS Office - Farwell, Lariat Gin, Country Club Gin, Lawlis Gin, S.I.B. Gin, Bovina Gin, North Lazbuddie Gin, West Hub Gin, Oklahoma Lane Farm Supply, McBride Gin, Friona Farmers Coop Gin, Clay's Corner Gin, Chester Gin, and Fleming & Son Gin.

has been coming in steadily for the past two or three weeks," she stated, "and for the first time early this week some un-ginned cotton was left on the yard when the gin closed down for the night."

Other ginners in the area report much the same situation. Floyd Coates of Oklahoma Lane Gin says he expects average cotton yields of a bale and a half per acre to be common this year.

All area ginners are of the opinion that the prospects are bright for the yield and the quality of the crop, both aided by the late freeze.

Adding to the brightness of the agriculture picture this year is the sugar beet harvest, which has so far exceeded that of last year, first time for most farmers to grow the sweetener.

If the cotton harvest turns out as predicted, this year will indeed be one of the top agriculture years in the past several years for the area.

Art Show --

Paint N Place Opens Sunday

Paint N Place, located at 1904 Prince Street, will be open to the public for the first time Sunday afternoon from 2-5 p.m. (MST) at which time the public will have an opportunity to view the art work of seven Clovis and Farwell artists.

Art work of Mesdames Katherine Williams, Peggy Snider, Barbara Black, Wilma Clifton, Nallie Mae Pipkin, Yvette Durham and Dorothy Franklin will be on display during the open house on Sunday and through the following week. They extend a cordial invitation to all area residents to come and visit Paint N Place during the open house or during the following week.

Only two of the women, Mrs. Katherine Williams and Mrs. Wilma Clifton, have had individual showings of their work. However, all of the ladies have exhibited art work at shows in Clovis and the surrounding area in the past few years. Each of the women has been

painting for the past three or four years.

During the past summer the group of artists decided to rent the little house on Prince Street and make it into an art gallery, hence the name Paint N Place. Through the combined efforts of the seven ladies, the house has been redecorated and furnished with small antique furniture pieces.

Walls in the main gallery have been painted white and apricot and windows have been draped with appropriate curtains.

Individual rooms have been redecorated to suit the fancy of the person who uses the room for her studio. Art work of all the artists will be on display in the main gallery and individual rooms will have displays of the work of the artist who uses the studio.

On display will be featured still life, character studies and landscape scenes. Many of the art works on display will be for sale. Featured in the For

Sale art works will be miniatures and large canvasses, all framed.

Claud Heaths Mark 50 Years Of Marriage

Approximately 80 persons attended the reception honoring Mr. and Mrs. Claud Heath, parents of Mrs. Harvey Hudnall, in their farm home at Lazbuddie on Sunday afternoon. The reception marked the "Golden Wedding Anniversary" of the couple. Hosting the reception was the couples only child and her husband, Rev. and Mrs. Harvey Hudnall.

Guests were greeted and registered by Mrs. Hudnall. Presiding at the serving table were Mrs. Robert Harmon, Portales and Mrs. Johnny Warrick, Tucumcari, granddaughters of the honorees. Centering the serving table which was laid with white lace over gold, was an arrangement of yellow roses outlined in gold, surrounding the number 50 made from white styrofoam.

Flanking the floral arrangement was a tiered anniversary cake, decorated with gold roses and leaves, and white lovebirds and hearts, topped by the number "50" in gold, and a silver coffee service and crystal punch bowl, holding gold punch.

The coffee service was presented to Rev. and Mrs. Hudnall in 1963 on the occasion of their 25th wedding anniversary by their children.

Mrs. Heath was wearing a corsage of white carnations edged in gold and her husband wore an identical boutonniere. Gifts were opened and displayed by Polly Pace, Dimmitt, and Wilma Hodges, Lazbuddie.

Windows Broken With B-B's Not Shot With Pistol

According to information from the office of Sheriff Charlie Lovelace, the incident at the Springlake-Farwell football game on Friday night has been greatly magnified.

According to Sheriff Lovelace, the report that windows in the Springlake dressing room were shot with a pistol is incorrect. Windows in the dressing room were broken during the halftime of the game with a B-B gun, according to Sheriff Lovelace who checked out all reports and rumors. B-B's were found on the inside of the dressing room by investigating officers, who say that bullets from the smallest pistol available if shot through window glass would make a hole 10 times as large as those in the dressing room windows.

However, the sheriff says that a close watch will be kept to see that no such incident occurs at future games of the two teams.

Post Office Helps Count Livestock

Rural mail carriers from the Farwell post office will leave some livestock survey cards along their routes beginning Nov. 20 according to information received from Postmaster, J. R. Smart.

"Information reported on these cards is used to set the yearly inventory of livestock and poultry on Texas Farms," said Postmaster Smart.

Every box will not get a card since mail carriers distribute the cards at random along their routes. It is important that each person who gets a card return it filled out so that USDA can get a true sample of the State's livestock holdings.

Carrier assisting with the survey is Lee Meeks, Route 1. Survey results will be widely distributed through Texas Crop and Livestock Reporting Services Releases, newspaper, farm magazines, radio and television.

If you want the job done right...do it with gas.

That's a fact. And there are many reasons why a gas range cooks better than any other kind. Of the two leading cooking methods - gas and electric - only gas offers you these features:

Only a gas range gives you unlimited burner control - from a tiny keep-warm flame to a high-speed boil, and 1001 settings in between.

Only a gas range responds instantly to your command. With gas there is no warm-up wait or hang-over heat - gas heat is on immediately, off immediately.

Only the gas blanket of flame tailors itself to any size or shape of pot or pan.

Only a gas range gives you a truly effective Burner-With-A-Brain - for automatic and accurate cooking.

Only a gas range gives you the automatic clock-controlled Keep-Warm oven.

Only a gas range lets you broil with the oven door closed - cool and smellless.

Only a gas oven provides such an incredibly even and accurate temperature.

Only gas burners maintain their efficiency for life - never wear out.

Only a gas range gives you traditional flame-kissed flavor.

All this and more and still a gas range cooks for 1/2 the cost of an electric. Is it any wonder that more women today cook on a gas range than any other kind...that over 90% of America's professional chefs cook with gas.
