

# Outstanding Farmer Award Goes To J. T. Ford

J. T. Ford was presented with an award honoring him as "Outstanding Farmer in the Community" at the "Sweetheart Banquet" held for FFA and FFA members on Saturday night.

This is the first time the award has been presented locally. It was presented to Ford for his outstanding contributions to the efforts of the Farwell FFA and its projects during the past year. He is continually working to assist the FFA in whatever capacity he is needed. In making the presentation Jerry Mathis, FFA advisor, said, "We feel that Ford is richly deserving of this honor."

Two men, John Getz and Bill Prince, were presented with "Honorary Chapter Farmer" awards. Mrs. Chris Moss accepted Getz' award since he was unable to attend the banquet. Jerry Mathis was presented with an award of appreciation for his work with the vocational agriculture 1 boys this year, by Craig Phillips, who said, "This is in sincere appreciation for your willingness to help us and work with us on our projects."

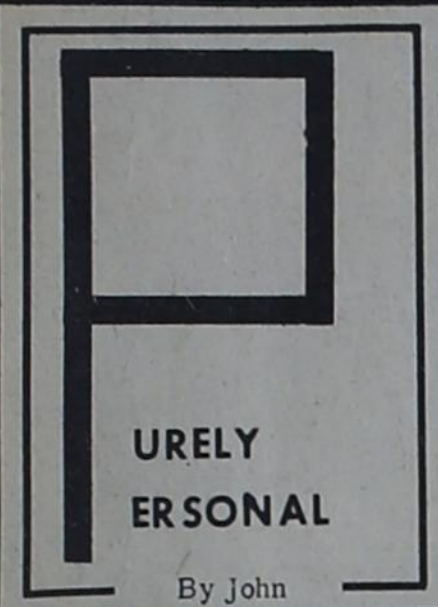

Ira Bogard, Portales teacher, was speaker for the occasion. Special musical entertainment was presented by the "Starlighters" a group of Farwell High School girls. Invocation was given by Bruce Dollar and Delton Wilhite, FFA president, was master of ceremonies. Janis Billingsley presented Charles Kitten, "FHA Beau" with a gift, and special recognition was given to Pat Childere, "FFA Sweetheart" and Ginger Hughes, "FFA Plow-girl."

The banquet was attended by some 75 people including students, teachers, club parents and special guests.

By John

As we enter anno Domini 1966, we are going into the last half of the decade designated as the soaring sixties.

We have really soared. We now are in the era of the 100 billion dollar budget, the 400 horsepower car, the era of the white tornado and the 38-hour deodorant. We are deluged with statistics on our growth in wealth, jobs, people, government expansion and creature comforts. I guess we are growing nationally and locally.

As we live in a community and change takes place on a day to day and a year to year basis, we tend not to give it the notice that it properly deserves. Our last national census was accomplished in 1960 and the next is not due until 1970. A lot of progress has taken place in the twin cities in the past five years. It is time we took stock of our growth.

I noticed where our neighboring town to the north, euphemistically known as bull town, is now proclaiming a population figure of 1702 souls and maybe a couple of soreheads. I admire the folks in Bovina for their interest in their town and for their desire to put the best possible face to the world.

It is time we here in Texico and Farwell took stock of our growth and prepared a brochure to tell interested parties of the resources and advantages of locating in our area. I am happy to report that our local Chambers of Commerce are about to decide to do just that.

To adequately prepare such a publication will entail the help and cooperation of all our citizens. There are facts they will need to ascertain and many of these facts can come only from the people.

What I am leading up to is that when this undertaking does get going, won't you help? The more facts on our growth and on our resources we can gather the better chance we will have of gaining new businesses and new activities.

Also, your community officials and leaders can better plan if they are aware of all the resources that our community has. I am sure that questions will be asked about what you might consider the most pressing need of our towns, or what you would like to see undertaken as a civic venture. When it is known what we want and what we have, then intelligent, practical plans can be laid for even more and better future growth.

On Tuesday night of this week I was privileged to attend a Farwell Jaycee meeting and to hear a very dynamic young man speak by the name of Jerry Gleason D.V.M., from Muleshoe. One remark he made was very significant. He said a survey projection showed that by 1980, out of every five small towns today, only two would be left.

Whether we will be among the two remaining towns will in a measure depend on the results of a survey as suggested and the intelligent use that we make of that information.

## Services Held For Mrs. E. A. Berry

Funeral services were held on Monday from Hamlin Memorial Methodist Church for Mrs. E. A. (Mary) Berry, 71, who passed away in Clovis Memorial Hospital on Saturday. She had been ill for many months and had been a patient at the hospital some three months at time of her death.

Mrs. Berry had been a resident of the area since 1924 and she and her husband had only recently celebrated their 50th wedding anniversary. She was a member of the Methodist Church.

Survivors in addition to her husband, E.A., are three daughters, Mrs. Doris Lyday and Mrs. Vernell Campbell, both of Farwell, Mrs. Ida Jean Brazil, Canyon; two sons, James M., Clovis, and Alton, San Leandro, Calif.; two brothers, David Phillips, Kennick, Wash., and Edgar Phillips, Lincoln, N.M.; 17 grandchildren and five great-grandchildren.

Officiating at the final rites were Rev. Clyde Chestnut, Portales, assisted by Rev. Leonard Gillingham, pastor of Kingswood Methodist Church in Clovis, and Rev. W. C. Strickland, Farwell. Burial was in the Bovina Cemetery under direction of Sherwood Mortuary.

Serving as pallbearers were W. T. Meeks, Edward Meeks, Clarence Meeks, Billy Meeks, Joe Moore and Leon Billingsley.

Listed as honorary pallbearers were Charles McIntosh, Cecil Stephens, Joe H. Lee, Ray Ledbetter, G. T. Watkins, C. C. Christian, Wilbur Charles, Luther Grissom, Bill Foster, Bill Venable, Reagan Looney, E. A. Hromas, E. L. Cochran, Webb Gober, John West and Billie Sudderth.

HONOR AWARDS -- J. T. Ford, left, was presented with a plaque for his outstanding contribution to the Farwell FFA at its annual "Sweetheart Banquet" on Saturday night. Jerry Mathis, FFA advisor, holds the "Honorary Chapter Farmer" plaque presented to John Getz who was unable to attend the banquet. Bill Prince, who also received an Honorary Chapter Farmer plaque, displays his award.

## Two Vacancies On Farwell School Board

Two members are due to be elected to the Farwell School Board on April 2. All persons interested in having their names appear on the ballot as candidates for the vacancies must file 30 days prior to the election. Deadline for filing is March 2. Blanks for filing are available in the office of School Supt. W. M. Roberts.

A committee composed of Elmer Hargrove, Clay Benson, Woodrow Lovelace, Melborn Jones, Ray Ritchie and Bill Meeks selected the names of

Harry Sheets and Pat Patrick to be placed on the ballot as candidates for the position.

Patrick is presently serving on the board and has consented to allow his name to be placed on the ballot. Bill Prince, the other board member, with an expiring term declined to be a candidate.

## New Owner For Hughes Auto Parts Store

Joe Hughes, son of Mr. and Mrs. B. V. (Shorty) Hughes, assumed management of Hughes Auto Parts Store early this week after buying the interest of his father in the business.

Shorty Hughes could not be reached for a statement on his future plans.

Jerry Mathis, Farwell FFA advisor, released the names of boys winning trophies, cash awards, and ribbons at the first annual Junior Livestock Show in Farwell early this week.

Mathis said, "Joe VanZandt, County Agricultural Agent, and I wish to extend thanks to all who made it possible for us to hold a successful Livestock Show in Farwell this year. Special thanks go to the Chamber of Commerce, for donating cash awards; to the Jaycees for their assistance in making the show possible; and to Jerry Bradshaw Real Estate Company for the trophies and ribbons which were presented to the winners."

Don Gerles, Jaycee president, was superintendent of the show. He was assisted by Jaycees who served as arena assistants. The show will be an annual affair.

Judge for the show was Jimmy Seaton from Lazbuddie.

Grand champion barrow honors were taken by Randy Johnson and reserve grand champion barrow was shown by Jerry Ford. Jerry Ford showed the

grand champion gilt and Craig Phillips showed the Reserve Grand Champion gilt.

## Representative Clayton Reports On Special Session Of Congress

State Representative Bill Clayton from Springlake reported by telephone from Austin on Tuesday that in a short address to the House and Senate on Monday, Gov. John Connally had indicated that he did not wish to open his call to any other legislative matters other than the voter registration act at this called session of the congress.

The bill has been introduced by Rep. Gene Fondren of Tay-

lor and has been co-sponsored by 84 other members of the House. The bill has been referred to the State Affairs Committee of which Clayton is a member. Public hearing was scheduled for Wednesday at which time anyone wishing to testify was invited to do so.

A two-thirds vote of the House and Senate will be required to put the bill into effect and Clayton anticipated that 104-105 votes would be cast in the House. "If the Senate acts accordingly," said Clayton, "the called session could be finished by the middle of next week, however, if not and the senate has a filibuster, which is possible, the state congress could be in session for the next 30 days."

As the bill is written it has provision for an annual registration of voters, with dates the same as presently for the poll tax. Registration would require no fee.

The bill contains a temporary provision for those who did not pay their poll tax this year and wish to vote; a 15-day period for registration in March. This legislation is contingent on two factors. 1. The Attorney General is appealing the Federal Court decision to the Supreme Court. 2. If the Supreme Court upholds the lower court decision this bill would be effective.

The other contingent--if voters adopt the Constitutional Amendment in November this bill will also be in effect.

commented that the game was an unusually good one, with the local girls starting slow but coming on to win the game in the final stanza, Cheryl Boling and Arnetta Bryant each had seven points in the game, to take scoring honors.

Scoring honors in the boys game went to Mark Williams who had 13 points. Greg Hargrove had 11 and Danny Prince had nine. Dean Stovall was top rebounder with 10.

## Junior High Teams Enter Tournament

*I believe in the future of farming, with a faith born not of words but of deeds—achievements won by the present and past generations of farmers; in the promise of better days through better ways, even as the better things we now enjoy have come up to us from the struggles of former years.*

*I believe that to live and work on a good farm is pleasant as well as challenging; for I know the joys and discomforts of farm life and hold an inborn fondness for those associations which, even in hours of discouragement, I cannot deny.*

*I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of organized farmers to serve our own and the public interest in marketing the product of our toil. I believe we can safeguard those rights against practices and policies that are unfair.*

*I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so—for others as well as myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends upon me.*

*I believe that rural America can and will hold true to the best traditions in our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.*

## Agriculture Is More Than Farming

### EDITOR'S NOTE:

The following article was written by the New Mexico State FFA Reporter and is being reproduced at the request of the Texico FFA Advisor, Eddie West. The article describes in detail just what agriculture is:

Today, tomorrow and always -- there's a big job ahead for you in Agriculture!

Agriculture is a science, a business, a profession, an industry! Agriculture provides more jobs and careers than any industry.

To hit your mark of success in any line of work, you must sight your target and aim carefully. But agriculture offers you a broad target and rich rewards.

If you choose Agriculture, it's hard to miss!

Agriculture to some persons means working on a farm or farming. Actually, Agriculture industry today is much broader than that. It includes industries and businesses providing materials and services to farmers in the production of crops and livestock. It also includes those industries and businesses involved in marketing, processing, and distributing agricultural products.

Agriculture is big, broad and basic! It's the basic industry -- the Big Job! Look at these figures. Of 65 million employed Americans, 25 million work somewhere in agriculture -- 7 million on farms, 8 million produce for and service farmers, and 10 million process and distribute farm products. In addition, a quarter million scientists directly serve agriculture.

About 40 per cent of all jobs are in agriculture -- jobs important to everyone, jobs with future, jobs with financial and personal rewards.

Agriculture supplies our food, most of our fiber, and some of our building materials. As long as we eat, wear clothes and live in houses, there'll be jobs in Agriculture.

You could actually count more than 500 distinct occupations in the eight major fields of Agriculture. Recent surveys indicate that these eight fields each year would and could employ about 15,000 new college graduates.

At present, our land-grant agriculture colleges graduate about 8500 young men and women each year in agricultural science -- 8500 trained persons to fill 15,000 jobs, or about two futures for every graduate.

The field of agriculture sales, including advertising, and promotion provides lucrative occupations for many people, and the demand is growing.

More than \$36 billion worth of farm products are marketed each year. It requires a large force of workers just to move this material from the farm to the market place.

In the area of service personnel for suppliers to farmers, the longest field of employment is for people who service and repair farm machinery and equipment. Producers and distributors of fertilizers and farm chemicals, feeds, petroleum products, electricity, and other input items of farming are on the constant lookout for men who are technically and professionally qualified for this kind of employment.

Where else can you find more opportunity, more challenge, more of a possibility for success?

Vocational agriculture can be a great deal of help to you whether you stay in farming or seek employment in some other phase of agriindustry. Managers of business, closely related to farming are looking for high school graduates, such as you will be, who have farm background or the practical knowledge of farming you will have gained through vocational agriculture and work experiences. Vocational agriculture will help you develop skills and know-how possessed by persons anxiously sought by employers in off-farm agricultural business.

Bobby Richardson,  
State Reporter

Agriculture is by far the nation's largest single industry. While the percentage of farm people to total U. S. population is declining, there still are 14.3 million persons living on farms. The value of farm products sold in 1965 was in excess of 40 billion dollars.

### Official Memorandum

By  
**JOHN CONNALLY**  
Governor of Texas

AUSTIN, TEXAS

#### GREETINGS:

The Future Farmers of America organization is playing an outstanding role in assuring the future progress and prosperity of our State and Nation.

The importance of agriculture in our State increases as Texas progresses. It is vital to our well-being that we train skilled farmers and ranchers to provide a plentiful supply of food products in years to come and to train those who will provide services to the farmer and process and distribute farm products.

The FFA is composed of boys who are studying vocational agriculture in the public schools in preparation for careers in farming, ranching, and related fields. In studying the science of agriculture, these Future Farmers are striving to continuously improve this great industry for the welfare of all citizens.

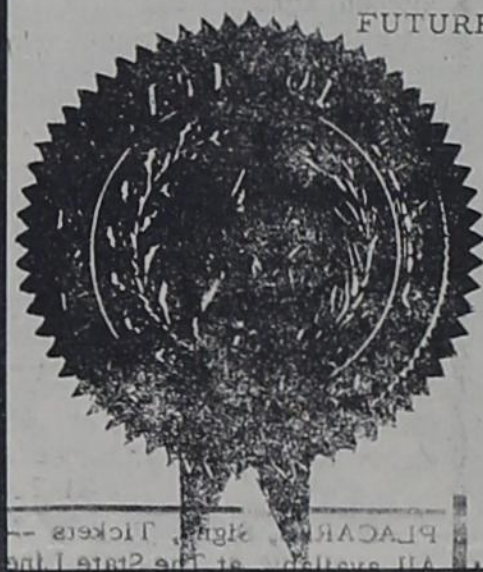

Texas now has over 1000 active FFA chapters with over 45,000 active members and more than a quarter of a million former members. During the past 37 years, the Texas Association, FFA, has performed valuable services to our State by developing leadership, encouraging cooperation, promoting good citizenship, teaching sound methods of farming, and inspiring patriotism among its members.

THEREFORE, I, as Governor of Texas, do hereby designate the week of February 19 - 26, 1966, as

**FUTURE FARMERS OF AMERICA WEEK**

in Texas.

In official recognition whereof, I hereby affix my signature this 4th day of Jan., 19.66

# FFA Converts Ag Farm Into Useful Area

The Farwell FFA chapter Radio Broadcasting team, Stanley Kelm, Delton Wilhite and Hobbie Coffman, recently placed fourth in the District Chapter Radio Broadcasting Contest held in Muleshoe. The local chapter failed to place second, due to the fact that they did not broadcast their allotted time of 10 minutes. Their subject was "Rats." Thirteen chapters participated in the event which was won by Friona, who also won the area contest.

Members of the Farwell FFA, working with their instructor, Jerry Mathis, and Supt. W. M. Roberts, and with the cooperation and backing of the Farwell school board and other persons interested in agriculture, have this year converted the three-acre FFA farm into one of the most modern and useful in the area.

When Mathis, (serving his first year as instructor in Farwell) arrived here in July he found the barns at the farm in need of much repair. He immediately set to work with the assistance of J. T. Ford, board member, Jerry Ford, and other members of the FFA organization to repair the buildings and get them into shape for use by the beginning of school.

Water has been piped to the barns and swine (main project)

are kept in individual pens with adequate housing to protect them from the elements. Ample storage space is available for feed for the swine.

FFA members may keep their projects at the barns at no cost to the member. The only requirement is that each member care for his own swine.

All stock at the barns is registered show stock and plans are underway to take the swine to various shows.

Swine breeds at the barns include registered Chester Whites, Poland Chinas, Berkshires, Sampshires, Durocs and Crossbreeds.

Mathis said, "We are grateful to the school board, Supt. Roberts, and all others for the backing they have given the agriculture department this year, for without their help we could never have accomplished so much."

J. T. Ford, a member of the Farwell school board and also a fervent backer of the FFA, has purchased two registered sows and placed them at the FFA farm for breeding purposes. Ford stated that with the help and backing of all persons interested in agriculture department at the Farwell school can be built into one of the finest in the area.

Recently the radio broadcasting team placed fourth in the district radio broadcasting contest in Muleshoe. They could have placed second but with their inexperience they failed to go the allotted ten minutes. Friona won the event and went on to win regional radio broadcasting, qualifying for the state

contest to be held later in the school year.

Delton Wilhite is president of the FFA chapter and Pat Childers was recently elected FFA

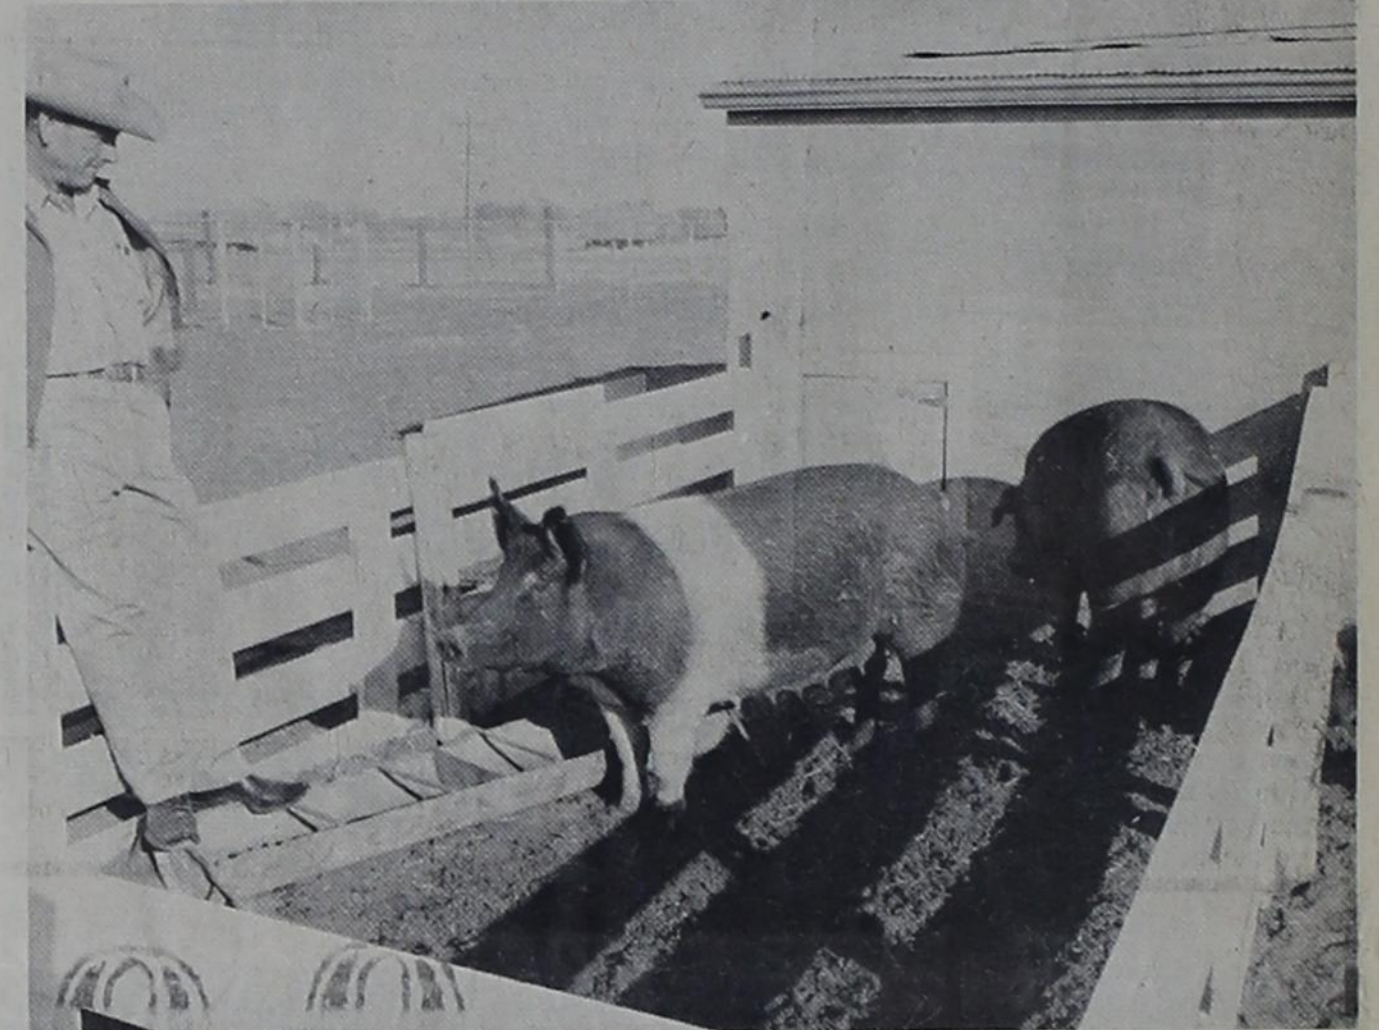

Sweetheart with Ginger Hughes, plowgirl. Other officers of the organization include Hobbie Coffman, James Calloway, Stanley Kelm, Charles Kitten, Jerry McCleskey, and Joe Costillo, Milton Lee Walling serves as photographer for the organization.

## Visit In Abilene

Mr. and Mrs. R. M. Bradley and Alcide visited in the home of Mr. and Mrs. Dale Bradley and daughters in Abilene last weekend. Mr. and Mrs. Bradley returned home on Sunday; however, Alcide remained in Abilene for a longer visit.

FARWELL FFA-- Donald Christian, Supt. W. M. Roberts, J. T. Ford, and Jerry Mathis pause briefly to discuss some of the work which has gone into renovating the FFA barn at the high school agriculture farm. Ford and Christian are members of the school board.

J. T. Ford, a member of the Farwell school board, has purchased these two registered sows to keep for breeding purposes at the Farwell FFA Farm. At the present time, some 34 hogs are being kept at the farm by members of the FFA chapter at no cost to the FFA member.

Craig Phillips, a freshman in the Farwell school, views with pride his pen of Chester White, Hampshire, and Duroc swine.

This sign at the entrance to the Farwell High School Ag Farm proudly proclaims to the world that the Farm is now more than a dream. Pictured are school board members, Donald Christian and J. T. Ford, and Supt. W. M. Roberts and Jerry Mathis, FFA Advisor.

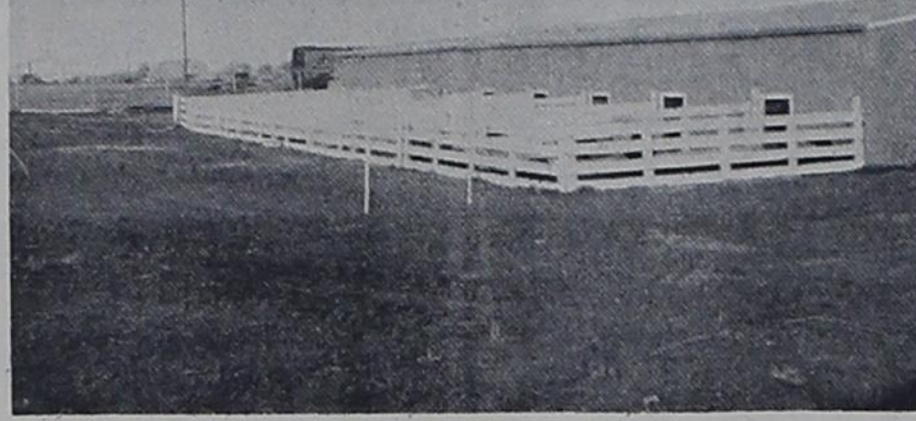

Skippy Magness, a freshman, is more than proud to have modern facilities at the ag farm in which to keep his registered Duroc swine.

### Enrolls At LCC

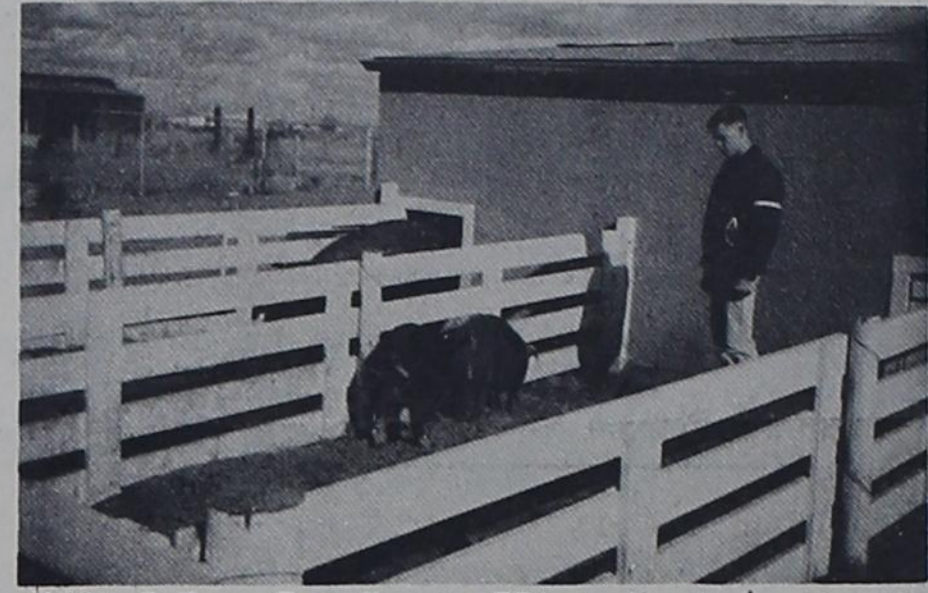

Jerry Herington, son of Mr. and Mrs. Grady Herington, has enrolled for the spring semester at Lubbock Christian College as a part of the 730-member student body.

Jerry is a sophomore majoring in art. He is a 1964 graduate of Farwell High School. LCC's largest student body this spring has set an all-time record for spring enrollment. Among students enrolled in classes at the college are 28 foreign students. Twenty-one states are also represented. LCC was founded in 1957 and

is a fully accredited school, offering associate degrees in 12 fields.

Hobbie Coffman, Farwell senior FFA member, looks with pride at his pen of registered swine which have been kept at the modern pens at the ag farm since he bought them some time ago.

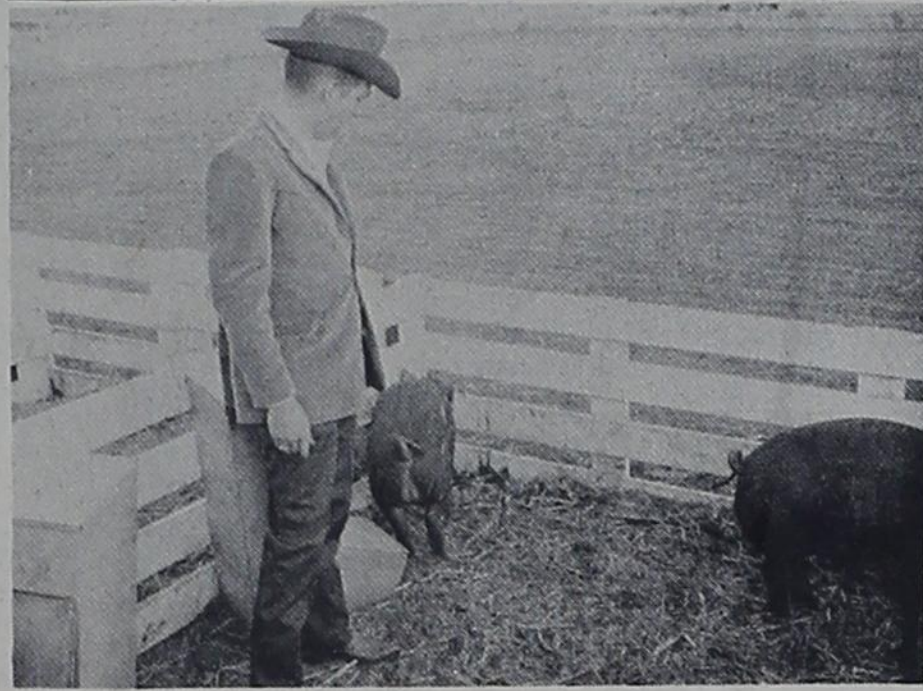

### Attend School Administrators Meeting

Farwell School Supt. W. M. Roberts in company with Alton Farr, Friona superintendent, and some 30 or 40 other school superintendents from this area are in Atlantic City, N.J., this week where they are attending the meeting of American Association of School Administrators.

The party left Lubbock via plane on Thursday morning, Feb. 10. They returned home on Feb. 17 (today).

Milton Lee Walling, also a freshman, has worked hard to assist in making the ag farm into a place where he can keep his swine project. He is shown with one of his registered Berkshire swine.

Jerry Mathis, agriculture instructor and FFA advisor in Farwell, looks over some of the fine registered swine which are kept at the FFA farm. This pen of Duroc swine is owned by Terry Travis.

# National FFA Week Observed By Local FFA Chapters

The week, Feb. 19-26, has been designated as National FFA (Future Farmers of America) Week throughout the nation. The two local chapters will join other chapters in the nation during the week in focusing attention on the importance of agriculture.

"Agriculture is More than Farming," is this year's theme for the special week. The boys will undertake a campaign to inform the public about the importance of the agricultural industry to America, the growing need for farming, and the numerous and wide variety of opportunities that exist in the broad field of agriculture for young men who have the necessary background of farm experience and training.

"We have such an abundance of food in America that people

are taking farmers for granted," said Eddie West and Jerry Mathis, vocational agriculture teachers and FFA advisors in the local schools. "Actually, farming is now and always has been our largest and most vital industry, and it is becoming increasingly important with our expanding population. In our area, particularly, most of the businesses and most of the jobs are basically dependent upon surrounding farms for their existence. Take away the farms and for all practical purposes you would destroy the entire community."

Membership in the FFA Chapters is made up of vocational agriculture students in the high schools. The organization's activities are designed to help develop rural leadership and good citizenship, and to

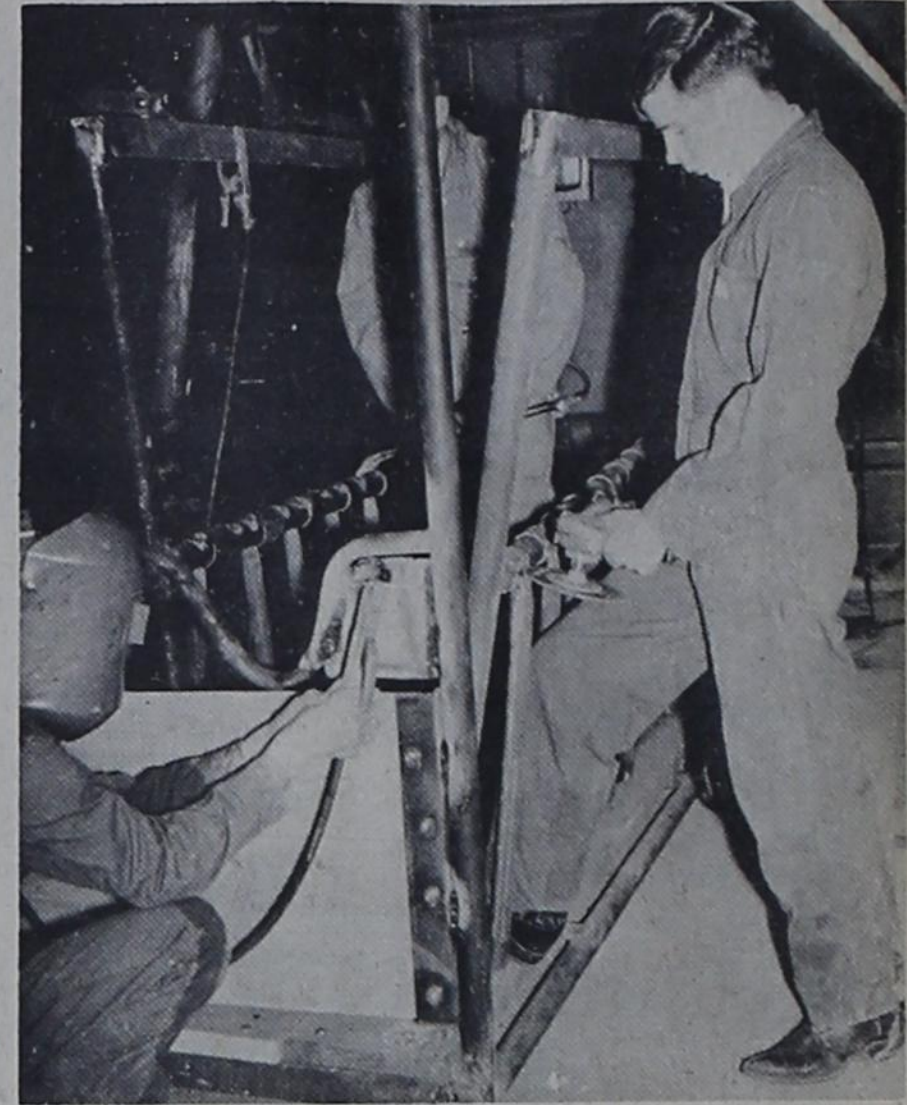

stimulate the students to better achievement in their study and work toward successful establishment in farming or other agricultural occupations.

The two local chapters have approximately 65 members in their organizations. Eddie West is FFA advisor and agriculture teacher in Texico, Jerry Mathis is instructor of agriculture and FFA advisor in Farwell.

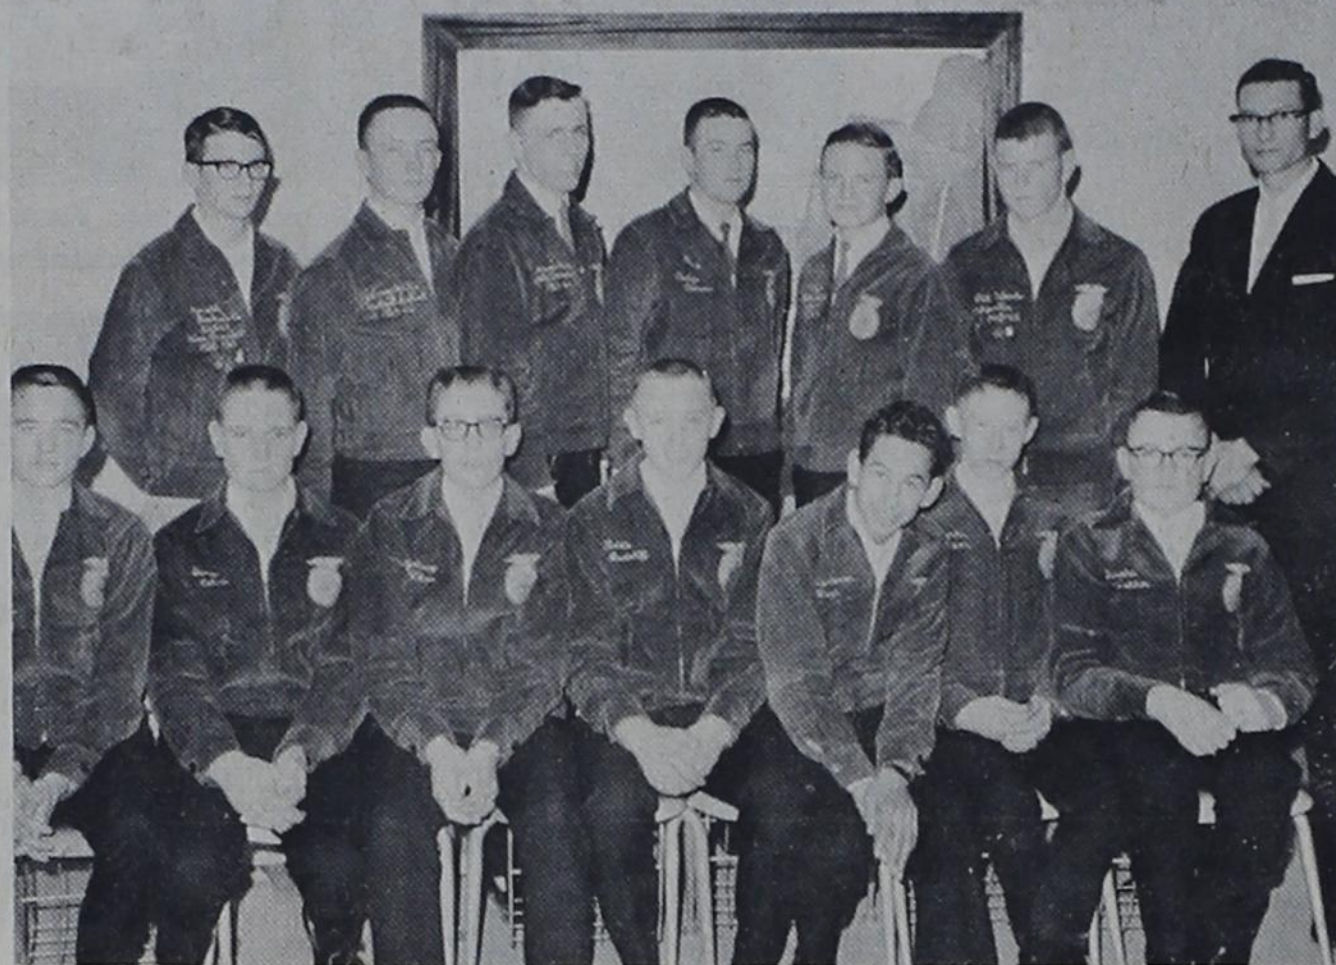

Future Farmers choose the week of George Washington's birthday each year for the observance of National FFA Week. Although usually remembered as president of the United States and a Revolutionary War General, Washington's first love was the farm. He was one of the first in the nation to practice contour planting, crop rotations, fertilizations, and other soil conservation and improvement methods.

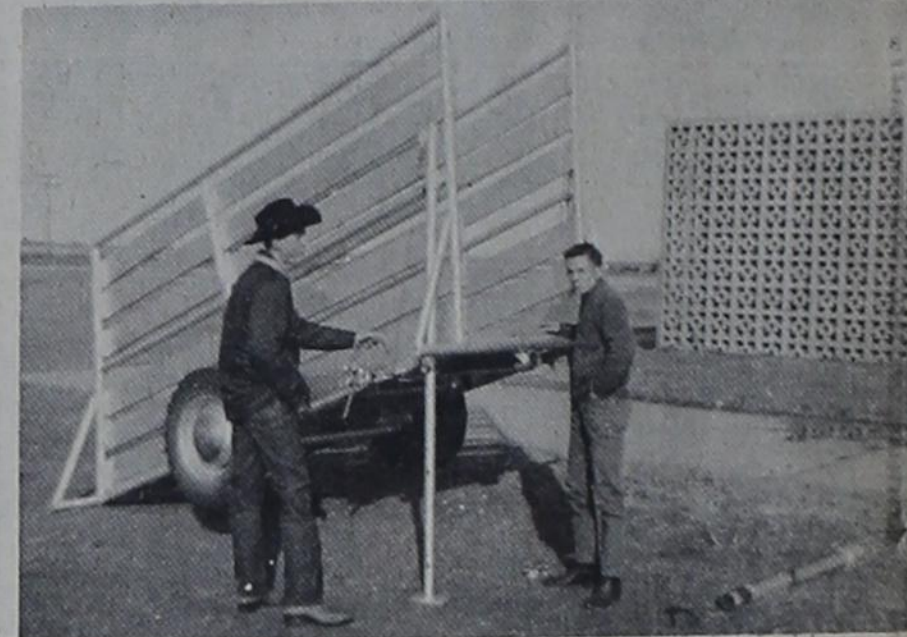

TEXICO FFA OFFICERS -- Officers of the Texico FFA Chapter this year are, 1 to r back row: Ronnie Spence, Leslie Harrelson, president; and Dean Campbell. Front row 1 to r: Allan Breitenbach, Ardel Autry and Harvie Winkles.

CLUB PROJECT -- While Lynn Hughes welds some of the pipe together, Ardel Autrey applies a little work with the grinder on the "Branding Chute" which the Texico FFA is making in their workshop period. Ronnie Wall works inside the chute.

All District IV officers were in attendance at the recent district FFA meeting held in Texico. At that time a Parliamentary Procedure contest was held with the Elida Chapter taking home the prize for first place. District officers, back row 1 to r: Ronnie Mackechine, Johnny McGee, Dennis Adams, Craig Cosner, Bill Burkett, Pat Woods; and Delano Arnold, Elida FFA Chapter Advisor. Seated, members of the winning team from Elida; Keeney Taylor, Gary Carter, Johnny Kiker, Teddie Radcliss, Lawrence Meza, Charlie Nixon, Gerald Vinther.

Leslie Harrelson, left, explains to Don Baldrige how the portable loading chute which has been completed by the vocational agriculture students works. The chute was a joint project of the FFA Chapter.

## Texico FFA Installs Six Chapter Farmers

On Jan. 3 the Texico Chapter of the FFA held its annual Chapter Farmer Installation, at which time six chapter farmers were installed and Greenhand Initiation was conducted. Chapter farmers for the year are Ronnie Wall, Larry Combs, Allan Breitenbach, Ricky Stanley, Doug Autrey and Lynn Hughes. Greenhands initiated were Ricky Martin, Jerry Martin, Rocky Wilson, Charlie Tipton, Doug Clark, Jack Ketherside, and Loyd Davis.

CHAMPION ANIMAL -- David Duncan, a member of the Texico FFA, glows with pride after being told that his white face heifer had been named 1st place prize winner at the New Mexico State Fair, held last fall.

## Texico FFA Activities

By Allan Breitenbach

The Texico Chapter of the Future Farmers of America has had a very profitable year so far in several ways; a very bad year in another way. At the beginning of the fiscal year, came the New Mexico State Convention, held in Albuquerque. At this, the Chapter Reporter received a very coveted award. Johnny Burford won the news coverage award for the State of New Mexico. The state Greenhand Quiz was held at the same time as the convention. Allan Breitenbach won third place in that, after having won the District IV contest.

The newly installed President of the Texico Chapter, Johnny Burford, had much to look forward to in FFA and in life. During the summer he passed away. He had incurable leukemia. This was the only low point in the year for the Texico Chapter. At the beginning of the school year, in September, we had the State Fair and the County Fair to look forward to. Many boys in the chapter exhibited projects in the County Fair. Some outstanding winners were Dean Campbell, taking reserve grand champion in the feeder beef class; Jim Hill taking reserve grand champion in feeder swine

class; and David Duncan, taking many firsts in the breeder beef class.

now, and Lynn Hughes has two steers.

At the present, the boys are working on judging of meats, livestock, dairy and farm mechanics. The State Judging Contest will be held in Las Cruces on March 31, through April 2.

**The MOTTO**  
Learning To Do . . . (As vocational agriculture students in high school, Future Farmers study the economic and scientific principles of agriculture and learn skills needed on the farm.)

Doing To Learn . . . (Each member is required to conduct a farming program at home or on another farm, under the supervision of his vocational agriculture instructor. The student thus gets practical experience to supplement his study.)

Earning To Live . . . (The supervised farming program at home is designed to operate at a profit so that the Future Farmer may expand his farming enterprises as he learns, to the end that he will be successfully established in farming and become a self-supporting, substantial citizen.)

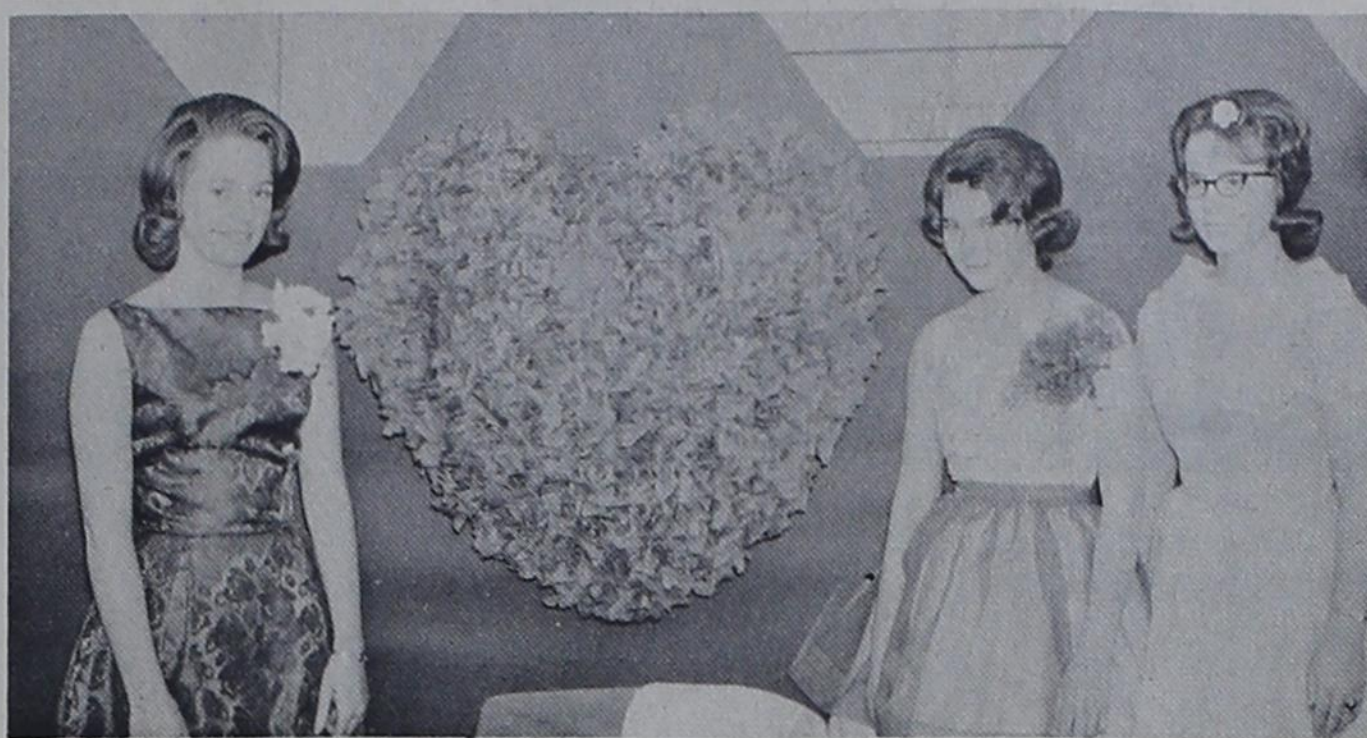

Living To Serve . . . (Development of competent, aggressive rural leadership and citizenship is a primary aim of the FFA; practical experiences in parliamentary procedure, committee work, and conducting other business of an organization are provided through regular chapter meetings. Cooperation with other groups, and the assumption of community responsibilities are taught through community service activities.)

PLEASANT HILL'S MISS AMERICA -- Janie Clark, left, was crowned "Miss America" from the Pleasant Hill Baptist Church at the annual Sweetheart Banquet on Monday night. Runners-up were Brenda Keener and Mary Dane.

## Miss Americans Banquet Theme

Young people from the Pleasant Hill Baptist Church Training Union held their annual "Sweetheart Banquet" at the Gateway Cafe in Farwell on Monday night. Theme of the banquet was "Miss America's Sweetheart."

Each of the three contestants for the Queen's crown, selected by attendance and grades in Training Union, presented talent and were asked informal questions as a part of the program prior to the coronation.

Janie Clark with a grade point of 88 and an attendance record of 17 Sundays present out of the last 18 was crowned Queen. Runners-up were Brenda Keener and Mary Dane. Johnny Dane was crowned King. Miss Clark was escorted to the Queen's throne, set in front of a large crown and a red crepe paper heart, and seated after being crowned. She was then presented with a bouquet of red

roses and escorted on the traditional "Miss America Walk" by Johnny Dane, as Lynell Lovett played appropriate background music.

Tables were covered with white and centered by streamers of red and blue. Dolls, costumed as Miss America were placed on the tables at intervals. Place cards and menu booklets were miniature crowns of silver glittered with blue. Arrangements for the banquet were made by leaders of the Young People's Department at the Pleasant Hill Church.

Speaker for the evening was Tom Verner from KICA who spoke on "The Beauty of Being a Christian."

Approximately 45 young people and leaders and their respective husbands or wives were in attendance. Adults attending included Messrs. and Meses, Roy Richardson, Glenn Singleterry, John Range, J. D. Kelley and Mrs. Alvis Clark.

## Sweetheart Banquet Fetes Juniors At Baptist Church

Juniors of the First Baptist Church Sunday School were feted with a "Sweetheart Banquet" at the church on Friday evening with mothers of the children preparing and serving the meal.

Focal point of room decorations were large red hearts centered with musical instruments attached to the wall, held in place by cupids at the end of ribbon streamers.

Tables were covered with white and centered by runners of red crepe paper. Gold horns were placed at intervals up and down the tables on the red paper. Centering the speaker's table was an arrangement of red rosebuds, enhanced by hearts in a milk glass vase. Programs and nut cups were miniature paper hearts.

A musical welcome was sung by teachers of the Junior I and Junior II departments. Last year's King and Queen Johnny Franse and Jana Bass, gave the response in verse.

Invocation was said by Herman Gerles. Following the meal Susan Blair presented a musical program, playing the ukelele and singing popular songs, two of which were original compositions.

Speaker for the evening was Jerry C. Henson, who chose as his topic "How to be a Friend." Highlight of the evening was the coronation of Junior I and

Junior II "King and Queen." King and Queen of Junior I are Linda Thomas and Gerald Dan Whitener. King and Queen of Junior II are Leandra Chadwick and Bobby Hart.

The quarter were crowned by Sterlyn Billington, secretary of the junior department. The program was closed with group singing. Dickie Magness pronounced the benediction.

Approximately 70 attended the banquet, including Mrs. Ralph Franse and Mrs. True Bell, superintendents of the Junior I and II departments; and teachers, Mrs. Hattie Boling, Mrs. Elmer Scott, Mrs. Bill Dollar, Mrs. Clyde Magness, Mrs. Pat Patrick and Bob Dollar.

Special guests were Mr. and Mrs. Jerry C. Henson and Mr. and Mrs. Herman Gerles.

Hugh Preston, who was confined to the Methodist Hospital in Lubbock over the weekend, returned home on Sunday evening. He is reported in satisfactory condition but is confined to his home.

Mr. and Mrs. Eddie B. Smith and son, Steven, returned from Las Cruces on Sunday, where they had been visiting in the home of Mr. and Mrs. Buddy Harrison and sons, Jay and Gevin Scott.

## Exchange Student To Speak At Study Club

Torild Skjerve, an exchange student from Norway who is attending school in Bovina this year, will be guest speaker at the meeting of Farwell Study Club Monday, when it meets in the home of Mrs. C. C. Christian.

Miss Skjerve is making her home with Mr. and Mrs. A. M. Wilson in Bovina during her year in the states. Topic of her talk will be "Norway-My Country."

Program topic is "Widening Our Horizons Through Friendship." The Club Collect will be led by Mrs. Joe Crume and Mrs. Albert Smith will lead the Pledge of Allegiance.

Interpretive Norwegian dances will be presented by Mrs. Carolyn Dial, and a group of her dance students.

Co-hostesses with Mrs. Christian will be Mrs. J. B. Benderman and Mrs. John Aldridge.

MRS. BOBBY JOE CRUME

## Ginger Crume Is One Of Top Contestants

Several members of the local ESA organization were in Hagerman on Sunday to attend the semi-annual District I-meeting of the organization.

Mrs. Bobby Joe Crume, who had been selected by the local chapter as their "Outstanding Girl", was presented to the District Chairman and her committee as Outstanding Girl along with contestants from other ESA organizations in the district. Mrs. Crume was named one of the three top contestants and will represent the district along with Sue Tharp and Barbara Donaldson, both of Carlsbad in the State "Outstanding Girl" contest later this year.

In presenting the contestants to the district committee, each chapter writes a letter telling of the civic work, church work, personality, and what the girl has done for the local chapter. Each year since the contest was begun, in 1960, the local ESA Chapter has had a girl in the top three in the district and on two occasions, in 1960 and 1961, the local contestant has won the

State Outstanding Girl contest. Winners of the state title have been Mrs. Joe Helton and Mrs. Pike Jordan, respectively.

Girls who have been in the top three contestants in the district include Nell Walling, Jeanne Graham, Sallye Tankersley and Mrs. Crume.

Main business of the meeting on Sunday was the selection of a slate of District officers and discussion of state officers for the coming year.

The next district meeting will be held in Artesia in November, with the date to be announced later.

Attending the meeting on Sunday were Mesdames Joe Helton, Bobby Crume, Duane Herington, Don Gerles and Frank Hammonds.

## Kathleen Weaver Is Bride Of David Watkins

Christ Lutheran Church in Amarillo was setting for the wedding of Kathleen Gail Weaver, daughter of Mr. and Mrs. Horace O. Weaver, Amarillo, and David Gilbert Watkins, son of Mr. and Mrs. Gilbert Watkins, Lubbock, former Farwell residents, on Feb. 5.

The double ring vows were read by Rev. John Huber Jr. Wedding music was presented by Mrs. William Boyd, organist, and Karel Caddell, soloist.

The matron of honor wore a formal gown of deep rose crepe styled with a modified empire waistline marked with burgundy velvet piping. The dress featured a burgundy velvet train. The bridesmaids wore formal gowns styled identically to that of the matron of honor. The gowns were pale rose with deep rose piping and trains. All attendants carried cascade arrangements of pink carnations and garnet roses.

Robert Burnam was best man. Groomsmen were Michael Watkins, brother of the groom, Lubbock; Samuel Drager, Friona; Warren Barge and Alan Johnson. Ushers were H. L. Cox and Leonard Steger. A reception was held immediately following the wedding in the church parlor. When the bride and groom left for a short wedding trip, the bride was wearing a three-piece toast Italian knit suit with dark brown accessories. Her corsage was lifted from her bridal bouquet. The couple are now at home in the Hawthorne Terrace Apartments in Amarillo. They play a longer wedding trip in March when the groom reports to Treasure Island, Calif., for radar school.

### Letter To The Editor

Why? Some weeks I get the Tribune on Friday, very few. Most on Saturday and several on Sunday, 3 or 4 on Monday and to cap it off, none at all. I sure do appreciate the service you folks put out.  
C. L. McDaniel  
Bovina, Texas

Editor's Note: Dear Mr. McDaniel: Your inability to receive the paper on Friday morning is one of the inexplicable mysteries of the Post Office Department. We mail our papers in Farwell between three and four o'clock every Thursday afternoon. I suggest you contact your local postmaster and ascertain when they arrive there and when they are put up for delivery to you.  
Sincerely, JG

Dear Editor,  
Sorry, I have overlooked our expiration date. Please send us the last one - the Feb. 10th issue.

I just hate to miss a single one. Three cheers for our Country paper.

Sincerely,  
Mrs. F. R. Meier

Dear Editor of the State Line Tribune,  
I like your paper very much and will miss it but I have glaucoma on both of my eyes and cannot see to read but for a short period of time any more and I don't read newspapers any more.

I am enclosing 25¢ in postage stamps for the times I have received the paper since my subscription expired on Jan. 13th.

Wishing you much success through this coming and coming years.

Very truly yours,  
H. A. Grimes

## Texico Splits Games

Texico split games over the weekend, losing to the top team in District 6-B, Floyd, on Friday night 95-64 and taking a win from Elida 55-51 on Saturday night.

Highlight of the Floyd-Texico tilt was the setting of a new scoring record for the Texico school by Joe Patterson. Patterson found the bucket for 40 points to break the record of 39 points set by Billie Campbell in 1964. Greg Burris was high for Floyd with 32 points.

Coach Green commented that the Texico team was outmaneuvered by the stronger Floyd team, who without a doubt will be given a first place seeding for district tournament play. Tatum is the only team who has beaten Floyd this year.

In the Saturday game Patterson was again top scorer for Texico with 21 points, followed by Duane Williamson with 17 points. Dennis Lieb was high for Elida with 20.

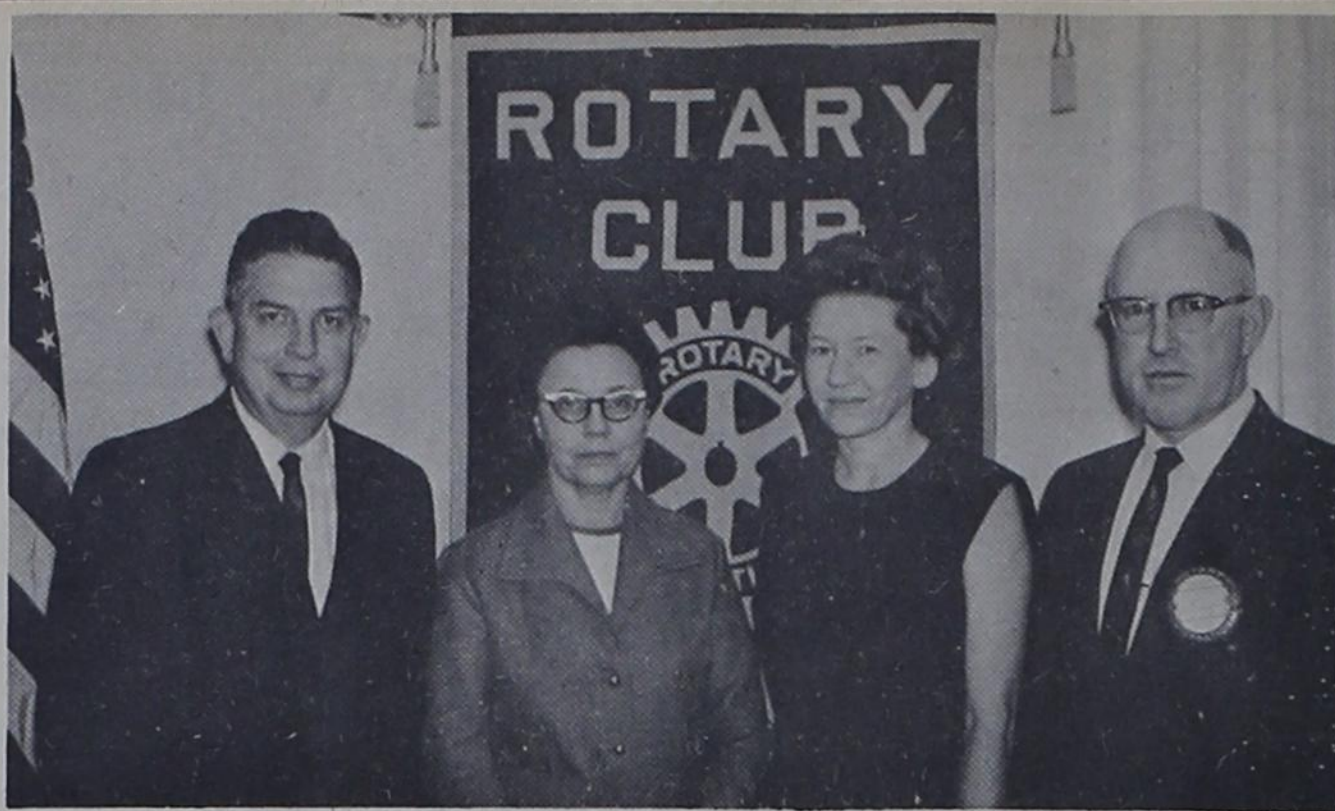

The first half of the Elida-

Texico game was even with the half ending with each team having 24 points. However, in the third quarter Elida topped Texico 18-9. Texico roared back in the last stanza to outscore Elida 22-9.

Everyone got into the scoring act, commented the coach, who was high in his praise of Bobby Joe Stewart, Joe Patterson and Duane Williamson who controlled the boards. "Stewart looked especially good on the boards," said the coach.

District record now stands at 8-6. Tournament play will begin next Tuesday, Feb. 22, and continue through Saturday, excluding Friday. The tournament will be held in the Portales High School gym. Brackets will be drawn up on Sunday.

Prior to the tournament Texico will play House in their final home game on Friday night and will collide with San Jon, at San Jon, on Saturday night for the final game of the season.

GUEST SPEAKER -- Dr. George Prothro, guest speaker for Rotary Club on Tuesday evening, and his wife visit with Mr. and Mrs. James (Pat) Patrick preceding the meeting. Patrick is president of the local Rotary Club.

Texico lost both of its B games over the weekend, losing to Floyd B 52-44, and to Elida B 64-42. Leslie Harrelson had 12 points in the Elida-Texico B game.

## Attend Rotary Ladies Night

Approximately 25 persons were in attendance at the Rotary Ladies Night program on Tuesday evening, at which time Dr. George Prothro, Clovis, spoke to the group telling of his trip to the Orient.

One remark made by Dr. Prothro which impressed local Rotarians was, "Everywhere I went in the Orient I heard Rotarians being invited to the meetings of Rotary Club in that area."

Monday night saw five girls and three boys playing their final games for the Farwell school. Coach Scott commented that all of the seniors had done much to help the teams through the year and he was extremely proud of them.

Girls playing their final game include: Diane Lovelace, Donna Dale, Melynda Ritchie, Maudie Stancell and Teresa Quickel. Boys who finished their high school basketball career were Larry Gregory, Doyle Johnson and Jerry McCleskey.

Following the final game, Coach Vernon Scott said, "I am proud of both teams. They have put forth a tremendous effort, much hard work and have been dedicated to the game. I sincerely appreciate them."

Workouts for track began on Tuesday with Coach Toby Booth in charge. First meet for the Steers has been set for two weeks from Saturday, March 5, in Jal.

## Steers Lose Final Game To Sudan --

## Hale Center Wins District Title

Hale Center took the district championship on Friday night by defeating Farwell 64-47 in a game played at Hale Center. Coach Vernon Scott said, "Our boys played as hard as they have played all year but they did not play as well. We want to wish lots of luck to Hale Center, District Champions."

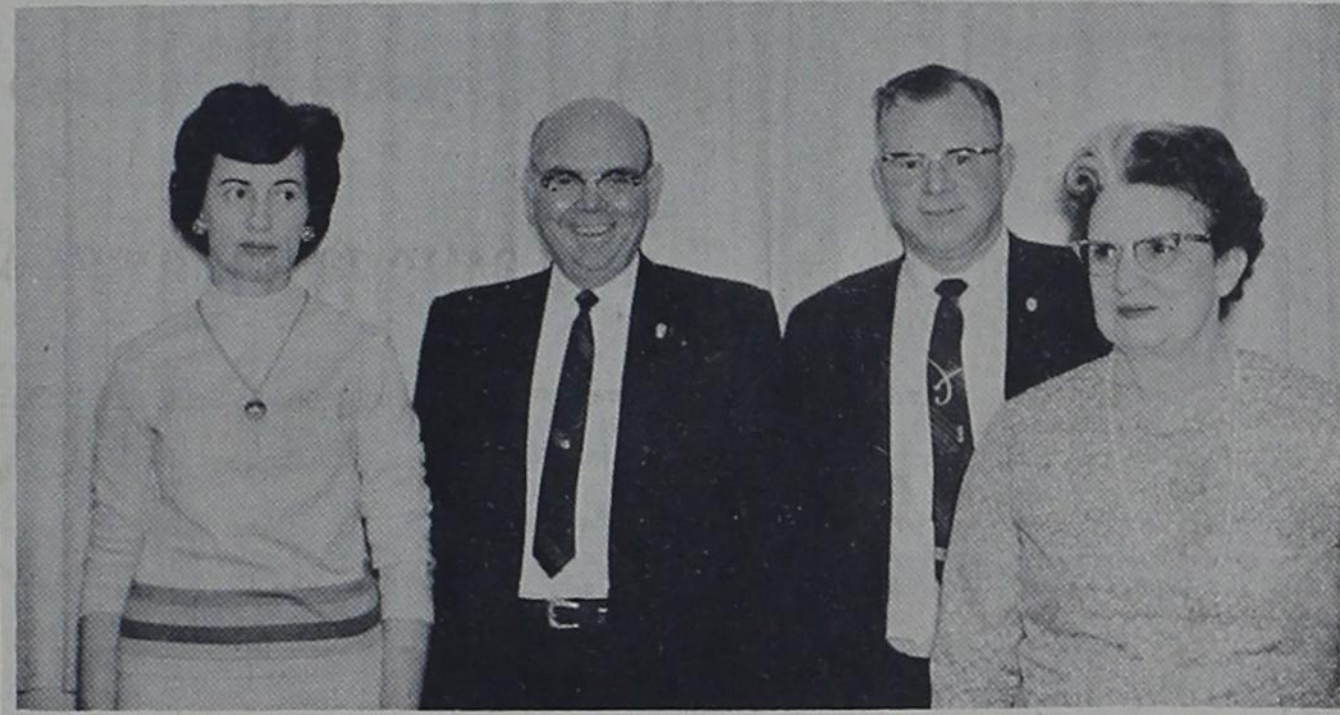

While the Farwell Steers lost their game to Hale Center their sister team the "Steerettes"

won a hard fought game from Hale Center's girls 48-47. With only seconds left in the game Jackie Gast was moved to the forward position by Coach Scott and took the ball on a rebound. She dribbled the ball and shot just before the buzzer sounded to end the game. The shot, from 15 feet out, was good and Farwell had the game in the bag.

Diane Lovelace was high for Farwell with 22 points.

On Monday night, Farwell Steers lost their final game of the season to Sudan 84-82, with both teams putting on an exhibition of offensive ball playing. High pointer for the Steers was Larry Gregory with 33 points.

The Farwell girls lost their game to Sudan 52-41. Diane Lovelace was again high pointer for the game with 17 points.

LADIES NIGHT SPEAKER -- O. K. Neil, Roswell, International Director for Lions Club, was speaker for the Texico-Farwell Lions Ladies Night on Monday evening. He showed colored slides of the state convention in Las Cruces and of the International Convention in Los Angeles. Following the meeting, Neil, center left, visits with E. C. Prather, local Lions Club president, Mrs. Prather and Mrs. Neil.
