

Parmer County Tops State And Nation

Grain producers in Parmer County have topped the state and the nation in the production of grain sorghum by producing a total of 18,683,000 bushels in 1965. Texas was the No. 1 state in the nation, with a total of 43% of the grain sorghum produced nationally. Parmer County showed an increase of 12.2 per cent over the previous year. Cash value of the crop, which was produced on 181,000 acres of land was \$20,000,000.

County Agent Joe VanZandt attributes the increased production to the farmers use of the good underground water supply, the new development of chemicals and fertilizers, and the abundance of information available from agri-businessmen on the use of the new chemicals and fertilizers to assist the farmers in the produc-

tion of the crop. The trend for the past several years has been increased grain sorghum production, according to Bill Nelson, executive vice-president of the Grain Sorghum Producers Association. Most of the Panhandle counties had an increased production last year.

"Last year's crop was the largest we have ever had in the state and the nation," said Nelson, adding, "National production was 666,062,000 bushels, 35 per cent above 1964 and 21 per cent above the five year level."

Nelson stated that the use of grain sorghum has steadily increased at home and abroad through the intensive promotion of the GSPA program. When such programs were first started in 1956, livestock use of the sorghum was 179 million bush-

els. Now it is 479 million bushels. Exports in the same period have moved from 22 million to more than 200 million bushels. The other major uses of grain sorghum, commercial and industry, now promise to double with the opening of the new wet milling plant in Dimmitt.

On Monday, 32 Englishmen and their wives arrived in Parmer County to study the grain sorghum program and the agricultural economy of the High Plains area. The tour is sponsored by the GSPA. The group had made a request that their tour be arranged in such a way that they could visit Parmer County and learn more about the utilization of grain sorghum and livestock feeding.

Bill Nelson indicated that England is one of the largest customers of the U. S. for grain sorghum and that it has been

regularly utilized in feed mixes distributed by the Thorley firm, several members of whom were on the tour. Nelson said that it is felt that this scientific and cultural exchange will strengthen the position and

market for greater sales of U. S. grain sorghum. The group visited the Friona Feed Yards and Security State Bank in Farwell. G. D. Anderson, president of the bank, presented a study of area agricultural credit

for the group. The county also ranked No. 1 in the production of wheat with a total of 4,529,000 bushels produced on 77,800 acres for a cash value of \$6,000,000. Other crops in which the county ex-

celled were cotton, sugar beets and vegetables of which the cash value was \$12,250,000. "These are great achievements and something we can all be proud of," said County Agent Joe VanZandt.

Commencement Speaker Challenges Class To Conquer New Frontiers

Commencement for the 33 members of the Farwell senior class was held in the new high school auditorium on Friday night. Speaker for the occasion was Dr. Jerry Floyd Dawson, head of the history department at Wayland Baptist College.

Dr. Dawson challenged the class to conquer the new frontiers -- "do not think that this time is any different from any other time" he said, adding, "there have been wars since people began to live on this earth and there will be wars from now on." He told several interesting stories from the pages of the history of this area and closed his remarks by wishing the best for all class members in whatever task they choose.

Diane Lovelace, daughter of Mr. and Mrs. Woodrow Lovelace, gave the salutatory address and Maudie Stancell presented the valedictory address. Delton Wilhite and Doyle Johnson, other honor students, read the class history. Processional and recessional were played by Charles Turner and Patty Tatum.

Principal Amos Tatum presented the valedictorian and salutatorian with scholarship awards and also presented Delton Wilhite, highest ranking boy in the class, with a scholarship award. The "Old Loving Cup" most coveted award for any senior, was presented to Donna Dale, daughter of Mr. and Mrs. Oather Dale, Maudie Stancell, daughter of Mr. and Mrs. J. V. Stancell, was presented with a \$100 award by Supt. W. M. Roberts. The award is being offered for the first time by G. D. Anderson, Security State Bank, to provide an incentive for students to always be polite and courteous.

Buck Gregory, president of the Farwell Board of Education and father of senior Larry Gregory, assisted by Joe Blair and Alvin Mace, fathers of senior Jeannie Blair and senior Jimmie Mace, presented diplomas to the graduates.

Invocation was given by Kenneth Dye, minister of the Lariat Church of Christ, and benediction was said by Rev. W. C. Strickland, pastor of Hamlin Memorial Methodist Church.

Seniors, accompanied by class parents and class sponsors, left immediately following graduation for a trip to Colorado Springs. They plan to be gone one week.

New Pastor

At the recent New Mexico Conference for Methodist churches in Las Cruces, a new pastor was appointed for the local congregation. The new pastor is Hardin Atkins, who comes to Farwell from Asbury Methodist Church in Odessa.

The Rev. W. C. Strickland, who has been pastor of the local church for the past two years, will become pastor of the Asbury Methodist Church in Odessa.

Appointments of other former pastors which might be of local interest are: Harvey Carroll returned to Epworth Methodist Church in Carlsbad; Bob Tomlinson returned to Tatum; Bill Hardwick returned to Fort Stockton and Miller Stroup moved from the Sanderson-Dryden charge to Mountainair.

Moving day for all pastors is today (Thursday). All pastors will be on their new field for the Sunday service.

STUDY GRAIN SORGHUM PROGRAM -- A group of English agriculturist and businessmen accompanied by their wives were in Parmer County on Monday, stopping at the Security State Bank and Friona Feed Yards, to study the grain sorghum production and agricultural economy of the High Plains. G. D. Anderson, left, explains the agricultural credit to the group including, l to r: S. Frost, W. A. Brown, T. Tunnicliffe, V. Renshaw, D. B. Pierce, Henry Thorley, R. Unwin, Ray Hammersley and S. Johnson.

Mrs. Irene Tarter, Marilyn Edwards, and Mrs. Gladys Kaltwasser served hot tea with jam tarts and cakes to the Englishmen and Englishwomen who visited Security State Bank on Monday afternoon as part of the GSPA sponsored tour. Mrs. Tarter and Mrs. Kaltwasser are both natives of England.

Mrs. Dollie Autrey Services Held

Funeral services were conducted from the First Baptist Church in Texico Monday afternoon for Mrs. Dollie Autrey, 42, who passed away in an Albuquerque hospital on Thursday following a lengthy illness. Rev. Leroy Looper officiated at last rites and burial was in Texico Cemetery directed by Steed Funeral Home.

Mrs. Autrey who had lived in Texico for many years is survived by her husband, E. E. Autrey; two daughters Mrs. Roy Hammonds, Farwell, and Georgia Autrey of the home; four sons, Emmitt, Eastern New Mexico University; Ardell, Douglas and Johnny, all of Texico; three sisters, Mrs. Birturus Autrey, Texico, Mrs. Willie Mae Sutes, Alaska, and Mrs. Ester Scarborough of Socorro; three brothers, Sam Crawford, Socorro, Harold Crawford, Big Spring, and Pete Crawford, Arizona.

Pallbearers were Claude Rose, Clarence Smith, F. S. Thigpen, J. O. Morris, Eddie West and Bill Boling. Honorary pallbearers were Rip Snodgrass, Judge Stone, Delbert Martin, George W. Kellum, Jess Richardson and Lawrence Bryant.

Father Of Local Woman Dies

Funeral services were held for Everett E. Deaton, 58, a Friona heavy equipment contractor and father of Mrs. Jerry Bradshaw of Farwell, on Wednesday from the First Baptist Church in Friona. The Rev. Bill Burton, pastor, assisted by Jerry Henson of Farwell. Burial was in the Friona Cemetery directed by Claborn Funeral Home.

Mr. Deaton, a resident of Friona since 1926, was born in Clark County, Ark. He passed away on Sunday night in Methodist Hospital in Lubbock where he had been a patient for the past two weeks.

Survivors in addition to the local daughter are his wife, Myrtle; sons, Bernie and Morris, Friona; brothers, Kermie and L. L. also of Friona; sisters, Mrs. Z. M. Holley, Plainview; Mrs. W. E. Murphy, Huntsville, Ark.; Mrs. D. E. Mitchell, Portales; Mrs. W. H. Flowers, Clayton, N.M. and Mrs. W. J. McCarty, Amarillo; and one grandson.

Texico-Farwell Cable TV Purchased By KZOL

Radio Station KZOL announced this week the purchase of Texico-Farwell Cable TV, formerly owned and operated by Sides and Associates TV Cable Company of Oklahoma. Transfer of ownership will become effective June 1.

Announcement of the purchase was made by Gil Patschke, general manager of KZOL. According to Patschke, the entire cable system will be completely overhauled to give viewers a clear, snow-free picture, and beautiful color reception. Channels to be provided will

be 4, NBC, Amarillo; 7, ABC, Amarillo; 12, CBS, Clovis; and 8, NBC-ABC, Roswell. Tentative plans call for channel 8 to be replaced with channel 10, when that station resumes regular telecasting.

In addition to the above channels, the new local owners will feature a 24-hour weather service. This service will be provided by the "Telemation Weather Scan", a highly accurate set of weather instruments. "Telemation Weather Scan" will give viewers around-the-clock readings of relative humidity, barometric pressure, temperature, wind direction, wind velocity, and rainfall. An accurate time check will be included, and the weather channel will also be used to present continuous high-fidelity FM music.

"This new equipment is already on order, and will be installed within the very near future", stated Patschke.

Memorial Service Set For Monday

The annual Memorial Day service will be held at Sunset Memorial Terrace Cemetery at 6 p.m. on Monday afternoon, May 30. J. L. Bass, pastor of First Baptist Church, Farwell, will be speaker for the service. The public is invited to attend the special service.

Last Rites Held For S.N. Hancock

Funeral services were held in Portales Tuesday for Samuel Nathaniel Hancock Jr., father of Neil (Snuffy) Anderson Hancock.

Mr. Hancock died Sunday without regaining consciousness, after suffering a heart attack while driving his car in Portales.

In addition to his son he is survived by his wife, Jesse Lee; his mother, Mrs. S. N. Hancock; and two sisters, Mrs. James D. Turner and Miss Juanita Hancock, both of Portales.

Burial was in the Portales Cemetery where a Masonic Funeral Home was in charge of arrangements.

URELY PERSONAL

By John

It looks as if the menfolk are again beginning to come back into their own, from an academic standpoint. We attended the Farwell eighth grade graduation exercise last week and noted that the boys took the valedictory and salutatory honors.

This is the first graduation exercise that we have been in some time that we can remember where this has been the case. Usually the girls occupy one or both of the honor positions. Also the disparity of physical development is quite evident at that age.

The little girls were quite elaborately dressed, beautifully coiffured, and had a generous assist from the make-up department. They hardly looked like the eighth graders of a generation ago. Our young men were clean, neat, and well dressed in their white shirts and new suits, but they still looked for the most part like little boys.

Whether this drive on the part of the girls for early maturity turns their thought to social values rather than academic values, we do not really know, but we do suspect that there might be a link somewhere.

Summer is well on its way to being a reality in the Texico and Farwell area. We have noticed the many beautiful yards in our towns, due to the efforts of a large majority of home owners to beautify their premises. This creation of a beautiful and eye-pleasing community is not an easy task in the face of many obstacles over which the individual home owner has little or no control.

One item we will mention again is the desirability of a summer water irrigation rate to bring the ability to afford a green lawn within reach of all the citizens in our community. We are sure our city dads can come up with a plan that will relieve the home owner of an excessive large water bill and yet manage to take care of the municipal obligations. Any realtor can tell you that a well-tended lawn with trees, shrubs, and flowers adds considerably to the selling price of a home.

Also, the overall appearance of a town is considered in establishing real estate values, from a loan standpoint. Another thing that is difficult for the home owner to cope with is the rundown and abandoned shack or house in his area. There are several homes that are no longer lived in that have been allowed to stand and gradually turn into a ruin.

These places are not only unsightly but are a public nuisance from the standpoint of health and safety. They offer a source of danger to the small fry who are attracted to a ruin of most any kind. They are a danger to the neighborhood as a fire hazard. It is time these menaces were torn down and the lot placed in a reasonable degree of safety and beauty.

In viewing the beauty spots of our towns, we passed the beautiful new buildings of the Farwell school system, but were struck by the rather shaggy appearance of the Home Economics bungalow. This could and should be a place of singular beauty on the school campus.

The long hot summer of violence is beginning in many of our big cities. Aren't you glad you live in Texico-Farwell?

Cemetery Association

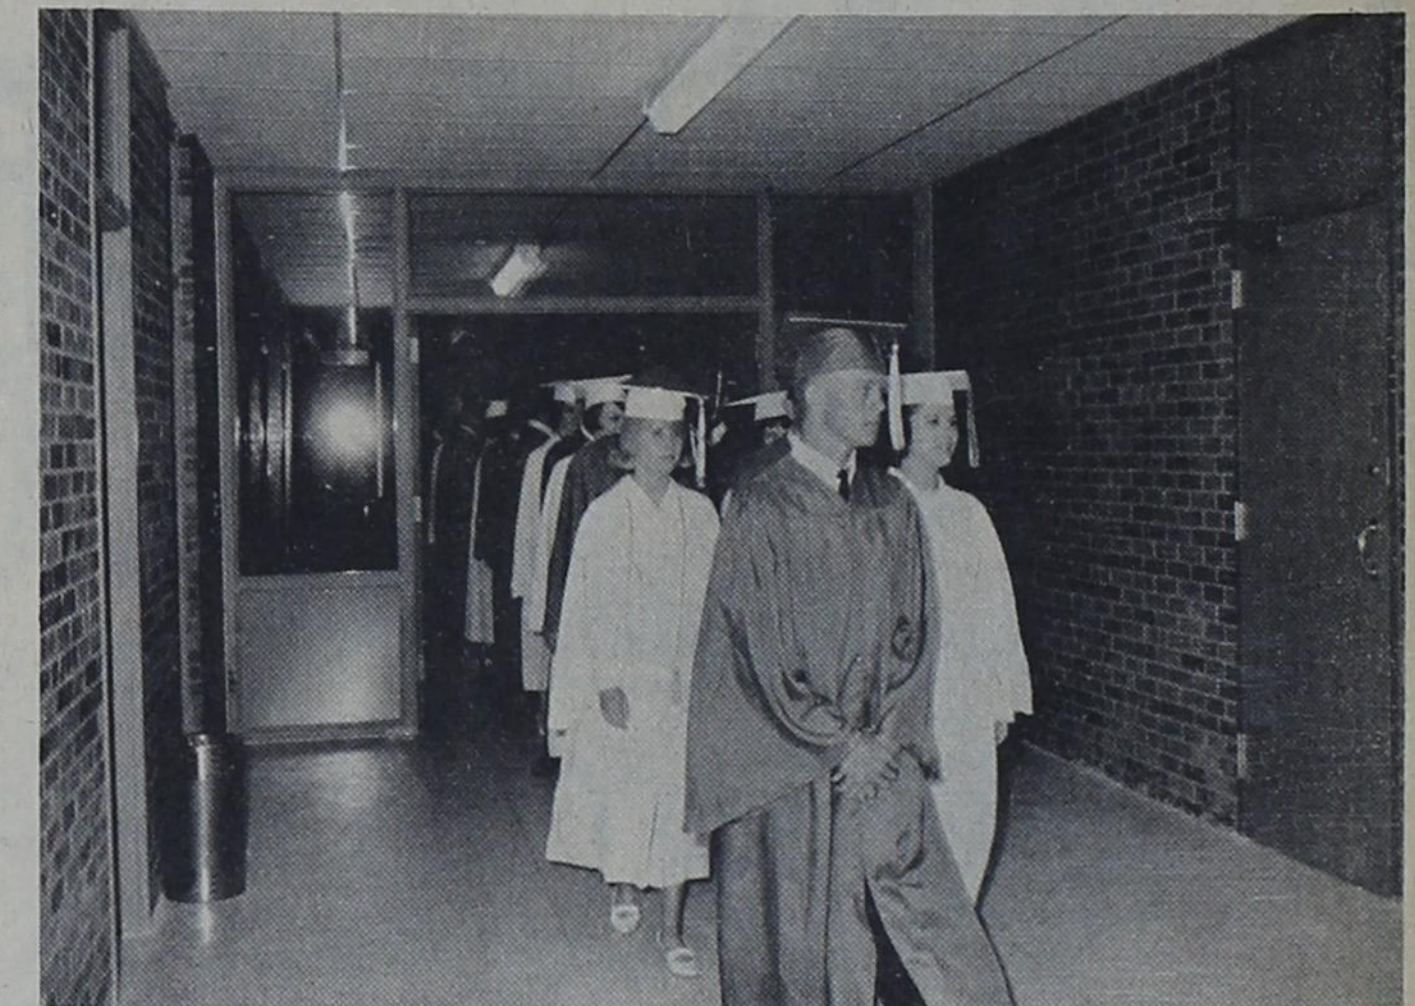

Clyde Perkins, president of the Oklahoma Lane Cemetery Association, announces an important meeting and cemetery working at the Oklahoma Lane Cemetery on Memorial Day, May 30.

The business meeting will be held at 10 a.m., at which time three trustees will be chosen for the coming year.

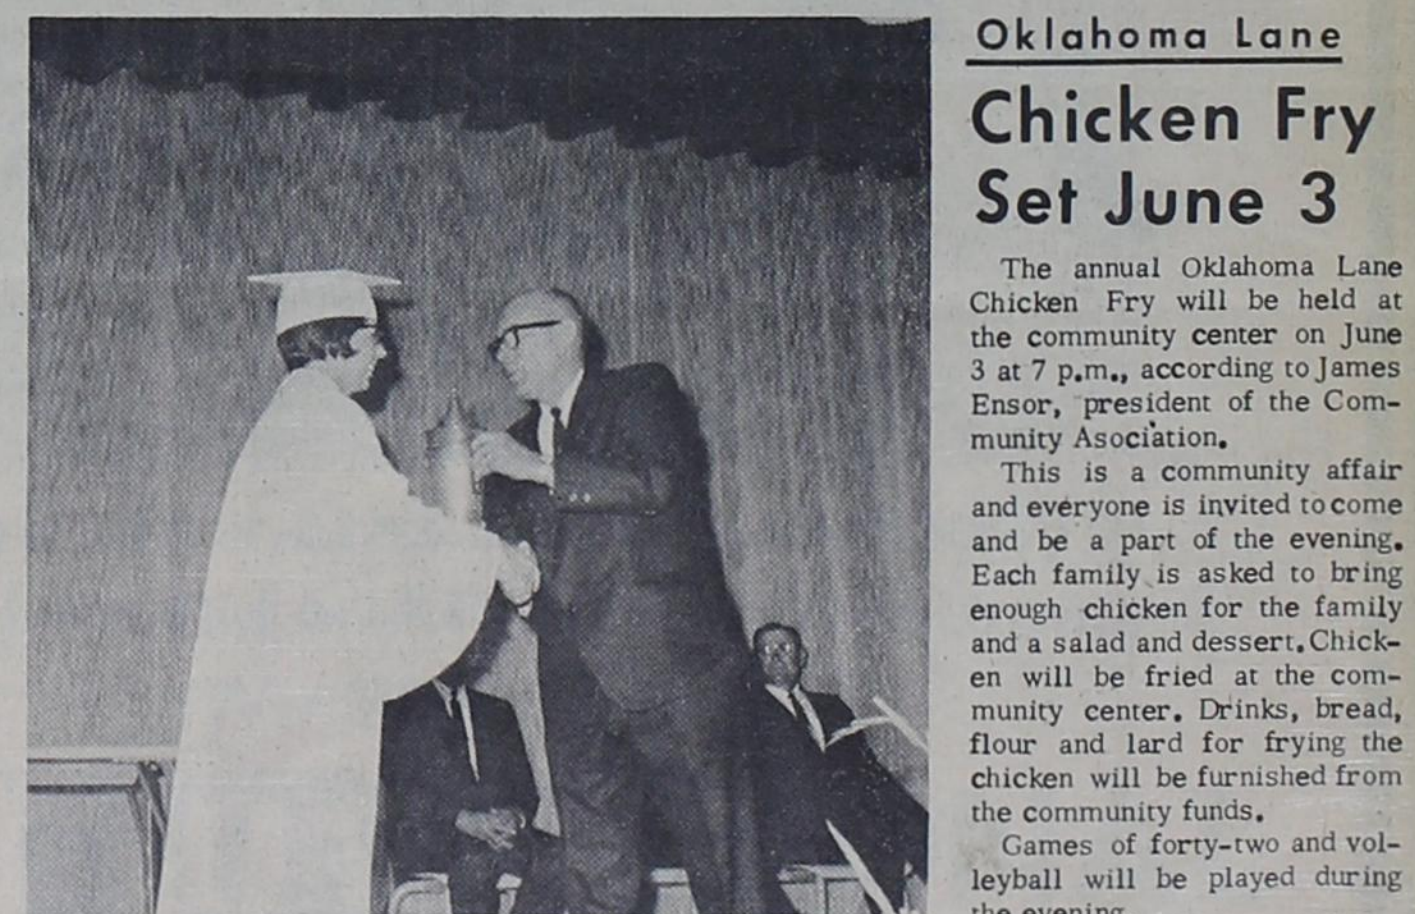

Contributions to the upkeep of the cemetery may be made to Sterling Donaldson, treasurer of the association. Mail all contributions to Donaldson at Route 1, Farwell.

RECEIVES COURTESY AWARD -- Maudie Stancell, valedictorian of the Farwell senior class, was first recipient of the \$100 award given by G. D. Anderson of Security State Bank to the student in the entire school who has been the most polite and most courteous throughout the school year. The award, a new one, was begun by Anderson to provide an incentive to students to always be polite and courteous. Recipients of the award are chosen by the faculty. Dr. Jerry Floyd Dawson, Commencement speaker and head of the history department at Wayland Baptist College, back left, nods in approval.

LONG WALK -- Farwell seniors line up for the long, slow walk which ended their 12 years as students in the school. The 33 class members were graduated in Commencement exercises on Friday night in the new school auditorium. Parents of several class members had been graduated from the school in the old auditorium.

ACCEPTS LOVING CUP -- Donna Dale, daughter of Mr. and Mrs. Oather Dale, accepts the coveted trophy "Old Loving Cup" which has been presented annually to the most outstanding senior since 1928, from Amos Tatum, high school principal. Recipients of the award are chosen by the faculty.

Oklahoma Lane Chicken Fry Set June 3

The annual Oklahoma Lane Chicken Fry will be held at the community center on June 3 at 7 p.m., according to James Ensor, president of the Community Association.

This is a community affair and everyone is invited to come and be a part of the evening. Each family is asked to bring enough chicken for the family and a salad and dessert. Chicken will be fried at the community center. Drinks, bread, flour and lard for frying the chicken will be furnished from the community funds.

Games of forty-two and volleyball will be played during the evening.

Mr. and Mrs. C. C. Christian attended the New Mexico Conference of Methodist churches last week in Las Cruces.

Okla. Lane Methodist Set VBS Dates

Vacation Bible School is scheduled to begin at the Oklahoma Lane Methodist Church at 6 p.m., on Sunday, May 29. The school will continue through Sunday, June 5, with classes scheduled daily from 4-6 p.m.

Mrs. Melborn Jones will serve as superintendent of the school. She will be assisted by Janis Billingsley and Sharon Winegart, nursery, three years of age; Louise Foster, kindergarten; Johnnie Rundell, elementary I (grades 1-3); Marue Snodgrass, elementary

II (grades 4-6); Dot Christian, junior high.

Each of the division workers will select assistants for her respective department. Jennie Blankenship will be in charge of refreshments.

At 7 p.m. on Sunday, June 5, a "sharing program" will be held at which time parents and friends are invited to "Come, See," the handwork of the children and share in a program of songs, poems, stories, and other activities.

Scouts Hold Campfire

Scouts of Texico Troop 179, armed with food and firewood, retreated recently to Caliche Canyon north of Texico, for their first outdoor meeting. After a two-campfire weiner roast, the patrols gathered around one fire for the regular weekly meeting.

Two patrols have been formed, headed by John Winegart and Duane Foreman, patrol leaders. Assistant patrol leaders are Danny Billingsley and Mitchell Turnbough, Senior Patrol Leader, Curtis Smith, will coordinate troop activities and represent the troops in planning by adult leaders. Patrol leaders are appointed by the Scoutmaster for a three-month term, after which they will be selected by the scouts in a special election. Senior Patrol Leaders remain under scoutmaster appointment.

At Monday night's campfire, patrols also elected Patrol Scribes, who will be responsible for keeping patrol financial and activity records. Selected for this responsibility were Loren Gibbs and Terry Armstrong. Tryouts for Troop Bugler will be held at the next meeting. Troop 179 meets each Monday night at 7:30 (CST) in the Texico Community building. Texico Volunteer Fire Department, sponsor for the troop, has agreed to finance the purchase of neckerchiefs and slides for the boys as part of their uniforms. These will be presented to each member as he is officially inducted at the Tenderfoot Investiture Ceremony, to be held in about three weeks. Texico scouts will be wearing neckerchiefs colored red with blue borders, as selected by the boys at an earlier meeting. Neckerchief color and design is the one uniform part which distinguishes one troop from another.

Mrs. Carrie Hamrick returned over the weekend from Natchitoches, La., where she had visited with her mother, Mrs. W. H. Orr, for the past 10 days.

No Break This Time

Jaquetta Crook, nine, daughter of Mr. and Mrs. H. R. Crook, almost did it again on Sunday when she knocked her ankle against a cement step and sprained her ankle severely.

Three times in the past four years the child has broken her leg in freak accidents. However, this time was an exception for, after examining the ankle she was advised by her physician to remain off the foot until June 4, normal time for her to resume activities, after having a cast removed following a break to the same leg.

Diverted Acres - Summer Fallow On Cover Crop

By Prentice Mills
We hear quite a lot of discussion these days concerning the most economical way of properly caring for acreage designated for diversion under the programs. A number of farmers are beginning to give serious thought to establishing a cover crop on these acres instead of summer-fallowing. We have talked to a few men who have used a cover crop in the past and we have come up with some average figures as follows:

Cost of properly summer-fallowing one acre -- \$10,00
Cost of growing a good cover crop on one acre (rye & vetch) -- \$22,00
Value of grazing the rye & vetch from Nov. 1 to May 1 -- \$25,00

Rye, legumes, sudan, sweet sorghums and grasses may be planted on diverted acres. They may be turned under or they may be left on the land for a cover and may be grazed after November 1.

WHY NOT GIVE IT SOME THOUGHT? - IT MIGHT BE PROFITABLE - We do believe that a cover crop would be much better than the "summer fouling" some few of you have practiced in the past. We will inspect your diverted acreage this summer; and, if they are not being cared for properly the farm will not be eligible for program benefits.

DID YOU KNOW?

It cost 32 cents to pick up a single can carelessly thrown from a car onto the highway. Many American daughters feel they have accomplished a great deal if they can succeed in looking as young as their mothers.

Happiness has a habit of pursuing the person who feels grateful to his God, comfortable with his conscience, in favor with his friends, in love with his labors and in balance with his banker.

THANKS MUCH
We want to extend our thanks to the farmers of this county for their splendid cooperation during the recent siph-up and acreage reporting periods. You sure made our life easier to live. We appreciate it.

What is there about traveling salesmen?

Well, one thing about a traveling salesman is that he gives his car hard usage. Business calls require a lot of start and stop driving. And that's when corrosive engine wear can cause serious damage.

Actually, start and stop driving is the kind of driving most of us do most of the time. So, to protect your motor under these severe conditions, your Phillips 66 Dealer recommends Trop-Artic All-Season Motor Oil. Trop-Artic starts protecting at low temperatures, and keeps on protecting at high operating temperatures. It's a light oil, a medium oil and a heavy oil, all in one!

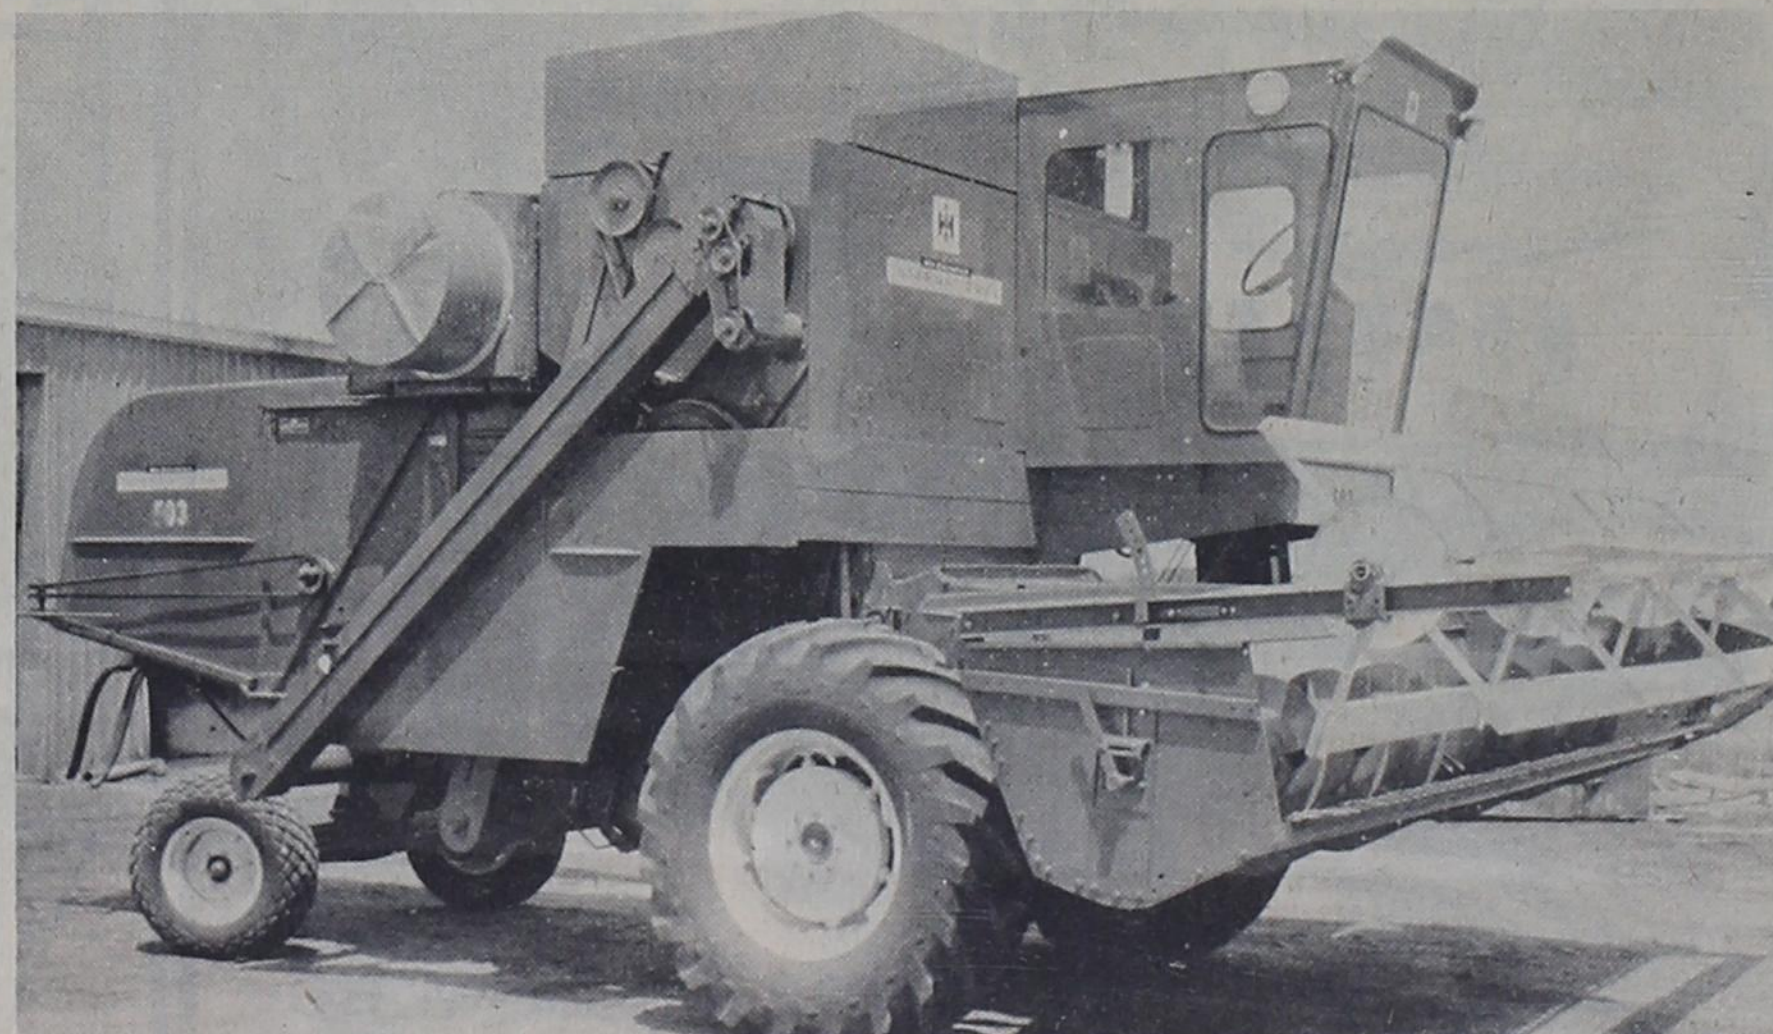

To keep your car running better longer, get Trop-Artic Motor Oil at any station where you see the Phillips 66 Shield.

Farwell Gets Approval For Project Headstart

Project Headstart, a program financed by the federal government to better prepare children from low income families to enter the first grade, will be conducted in the Farwell school for the first time this summer, announces Jack Williams, elementary principal.

Word was received here last week from the office of Representative Walter Rogers that the program for the Farwell

School had been approved. A grant of \$4,872 has been made through the Office of Economic Opportunity.

The program in Farwell is designed for 20 pre-school children. It is scheduled to begin on Monday, June 6, and will continue for 40 days, ending July 29, Williams announces.

Children who participate in the program will receive two meals, breakfast and lunch,

each day, plus a mid-morning break, medical attention and have classroom activities and supervised field trips.

Mrs. Lauretta Pool has been employed for the program. She will leave on Monday for a week of training in Lubbock. She will be assisted by Rose Aquilera and Julia Hughes. Mrs. J. H. McDorman will be in charge of the lunchroom and H. R. Crook will be the bus driver.

Crook will run the route and instruct children on bus schedules one week prior to the beginning of the Headstart Program.

The Headstart Program, a part of the Poverty Program, is designed to enable underprivileged children to enter the first grade in September on a par with more fortunate children, according to W. M. Roberts, Superintendent of Schools in Farwell.

Named To Who's Who At ENMU

Benjy Dial, son of Mrs. Clytie Dial and husband of the former Carolyn Brown of House, has been named to Who's Who in American Colleges and Universities from Eastern New Mexico University this year. Dial, who is seeking a bachelor of science degree in mathematics and physical education at the June 2 Commencement is one of 30 students from Eastern so honored.

He has played quarterback for the Greyhound football squad during his college years and recently signed a contract with the Pittsburg Steelers professional football team. He is due to leave June 11 to attend a quarterback school in Pittsburg.

Later in the summer he will go to Rhode Island to a football training camp. Dial and his wife are presently living in Farwell with his mother.

GRAND BAHAMA HERE WE COME -- Newman Jarrell, right, owner of Jarrell-International, pauses to show Danny Smith, parts department manager at the company, the letter advising him that he is recipient of an all-expense trip to the Grand Bahama Island for two. Jarrell and his wife are scheduled to leave Clovis on June 6 for the trip.

A Question For Beginning Is Commencement Topic

Speaker for the Texico Commencement on Friday was Dr. Stanley Letcher Jr., pastor of Central Christian Church in Clovis and father of senior

Stanley Letcher III. Topic for his discussion was "A Question for Beginning."

"What will you do in the end thereof?" he questioned. He

then challenged the class members to get as much education as possible, "Do not be a group of agnostics crying there is little or nothing in the future for me, but instead set your goals high and have big visions and help to make that future come true by working unceasingly toward the fulfillment of the dream. Do not get sidetracked along the way," he cautioned in closing.

The speaker was introduced by A.D. McDonald, superintendent, who also gave the farewell address to the seniors. Terry Lovett, son of Mr. and Mrs. Roy Lovett, gave the salutatory address and Joe Patterson, son of Mr. and Mrs. Herman Patterson, presented the valedictory address.

The high school chorus directed by Tony McGowan presented two numbers, "Moments to Remember," and "May the Good Lord Bless and Keep You." Veda Wilson, daughter of Mr. and Mrs. Loren Wilson, gave the class history. Invocation was said by Rev. Billy Parvin, pastor of the Pleasant Hill Baptist Church, and Rev. Jess Ramsey, Rosedale, pronounced the benediction.

"Pomp and Circumstance" was played as a procession by the high school band and Susan White played the recession.

F. S. Thigpen, president of the Board of Education, presented diplomas to the 23 seniors. Class members were Joe Patterson, Veda Wilson, Peggy Hughes, Terry Lovett, Jim Hill, Lynelle Ingram, Darlene Bell, Ella Mae Brown, Lena Mae Brown, Carolyn Campbell, David Duncan, Don Fitz, Larry Don Fought, Wesley Raulie, Freddie Sena, Leon Smith, Ronnie Spence, Billy Winkles, Harvie Winkles, Joe Holland, Stanley Letcher III, Mamie Autrey, and Gary Meier.

Pvt Lingnau Completes Training

Army Pvt. Melvin H. Lingnau, son of Mr. and Mrs. Otto H. Lingnau, Route 1, Farwell, completed advanced infantry training, plus a week of guerrilla warfare training at Fort Polk, La., May 7.

During his additional instruction he lived under simulated Vietnam conditions for five days, fighting off night attacks and conducting raids on "enemy" villages.

Lingnau was taught methods of removing booby traps, setting ambushes, and avoiding enemy ambushes. Other specialized instruction included small unit tactics, weapons firing, map reading, landmine warfare and communications.

The 20-year-old soldier entered the Army in December 1965 and completed basic training at Fort Polk.

Annual Dedicated To Memory Of Ronnie Henson

The Farwell school annual "Roundup 1966" which was released last week is dedicated to the memory of Ronnie Henson, 1964 graduate of the school who was killed in a car accident late in 1965. The dedication reads "This young person could live with himself, for he had proved himself a man in all realms of life; He won the friendship of his classmates, the respect of coaches and teachers, Ronnie lived a lot in the 20 short years and his death leaves a vacuum unfilled. All who knew him were blessed by his life. He was faithful to his God, his family, and his church."

With the presentation of the annual, many honors were revealed for the first time. Named as Miss FHS and Mr. FHS were Donna Dale and Mike Camp; as most beautiful and most handsome were Susan Blair and Bobby Field. Candidates for Miss and Mr. FHS included Sherry Bass, Joyce Bass, Sheri Roberts, Ellen Herrington, Jackie Gast, Larry Gregory, James Caloway, Charles Norton, Rickey Lunsford and Kyle Sheets. Listed as candidates for most beautiful and most handsome were Pat Childers, Ginger Hughes, Joyce Bass, Celia Aquilera, Altha Lowery, Larry Gregory, Mike Camp, Mike Doshier, Ricky Lunsford and Randy Johnson.

Director Reports On Year's Activities

Charles Turner, music director in the Farwell school, reporting on the year's activities discloses that some 400 students have participated in the program this year, with 200 enrolled in music classes and an additional 200 participating in music organizations. Mrs. Odus Walser has directed a general music program in the third through fifth grades.

The fall semester was highlighted by the band performances at all of the football games, with the exception of one when the weather was too bad. Most outstanding performance of the 70-piece band was the lighted program on Nov. 5, commemorating

Veteran's Day, when a patriotic theme was used.

On Sept. 27 the high school band participated in the Lubbock Fair parade and were placed fifth of the 12 bands entered in the event. They also entered the University Interscholastic League band contest in marching also in Lubbock. They received a III rating on their performance.

On Oct. 18 the choir sang at the meeting of Farwell Study Club and on Dec. 14 they presented special music at the Clovis District meeting of Methodist churches, held locally. The band and choir assisted by the 7th and 8th grade band presented a special Christmas program, to which the public was invited. The 5th grade band presented several numbers at the elementary school Christmas program.

Beginning the spring semester, the choir presented a concert at the school on Feb. 4 and the band presented a concert on Feb. 28. On Feb. 19, 62 members of the band entered the solo and ensemble contests held in Lubbock. Eight members received I ratings; 25 received II ratings; 24 received III ratings and five received IV ratings.

The choir went to Canyon to participate in a contest for choirs, where they received much experience by listening to other bands. Members of the choir, Edith Ann Walling, Johnny Schell, Ginger Hughes, Rene Walser and Ronnie Ussery, presented musical numbers at the Chamber of Commerce Banquet and also for the athletic banquet.

Johnny Franse was presented with a trophy for outstanding woodwind player at the Mule-shoe solo and ensemble contest for elementary bands. In addition 12 members of the band received I ratings, five received II ratings, and three received III ratings. The fifth grade band received III ratings in both sight reading and concert and the sixth grade band received a III in sight reading

and II in concert. This was a certificate award.

On April 14, in preparation for the high school band sight-reading and concert contests, a clinic was directed, at the school, by Duane Bowen, ENMU. The band received III ratings in both divisions.

On April 21 the junior high school band (5th and 6th) and the junior high chorus (7th and 8th) presented an afternoon concert. Climaxing the year's activities was the concert held in the new auditorium on May 13. The program featured the band in marches, festival and show tunes. The choir used a patriotic theme featuring spirituals, popular and concert numbers. The concert was broadcast over Radio Station KZOL on the following Sunday afternoon.

During the fall, the Band Booster Club sponsored a trip to Hereford for the band to hear the Houston Band perform. They also brought a new fiberglass sousaphone and a tape recorder for the band.

Graduating seniors who will be participating in college bands next year are Martha Coffey and Rip Walser. Both students will be attending Wayland College.

Patty Tatum will again serve as drum major next year. Majorettes named are Sharon Busbice, Sharon Ensor, Sharon Williams and Debbie Hargrove. A head majorette will be named after the beginning of school, according to Turner.

Former Twin City Resident Receives Fellowship

A senior at Eastern New Mexico University and a former resident of Texico-Farwell, Mrs. Bettie Baldrige has been notified of her selection for a \$4,000 fellowship in a program sponsored by Wayne State University, Detroit, Mich.

The program, called the experienced teacher fellowship program in school librarianship, provides a dependent's allowance in addition to the \$4,000 and free tuition for a year of graduate study leading to a master's degree in library science. Mrs. Baldrige is one of 25 recipients of the award in the United States.

"The cost of freedom is always high— but Americans have always paid it. And one path we shall never choose is the path of surrender or submission."

On The Farm In Parmer County

By JOE VANZANDT
County Agent

We have been seeing and hearing of a few problems in our wheat crop lately. Ever since the hard freeze several weeks ago, people have been asking me about freeze damage. Previously, freeze damage had not shown up until lately.

In the past week or two, a few white heads or the top part of some scattered heads has shown up. Also, a few scattered stalks are falling down after bending over in usually the second joint area. The freeze apparently damaged the cell

structure in the area where these stalks are bending over. I'm afraid that more of this type of damage may continue to show up.

We're also beginning to see a little foot-rot also show up. As harvest nears, more foot-rot may continue to show up. Near maturity, one or more tillers or entire plants are killed and appear as white heads throughout the field. Affected plants may occur singly in small circular spots, or in large areas in the field. These white heads could be confused with freeze damage already mentioned. However, with foot-rot, the base of each stem has a dark, rotted appearance as well as the roots. Dead plants can be easily pulled up while normal, healthy plants are hard to pull up.

If you suspect that you have foot-rot in your wheat, I encourage you to get in touch with me. I will be glad to inspect your field and determine for sure if you have foot-rot. You need to make plans to plant cotton or soybeans on foot-rot infested ground next year and keep it out of wheat production for as long as possible.

Another small problem beginning to show up is some awn trapping which is characteristic of wheat streak mosaic. The mosaic pattern on the leaves is not exactly characteristic of the streak mosaic; however, some of our specialists have said that they thought it was wheat streak mosaic.

Now then, we have discussed four different things that are beginning to show up in a few scattered wheat fields. These

problems are all very minor at present when you consider our entire wheat crop and we don't believe any of these problems are serious enough yet to affect our wheat crop to any extent. Just be on the look out if you see any of these symptoms and feel free to give a call at Farwell, 481-3619, if you are in doubt about a particular problem.

CATTLE HEEL FLIES

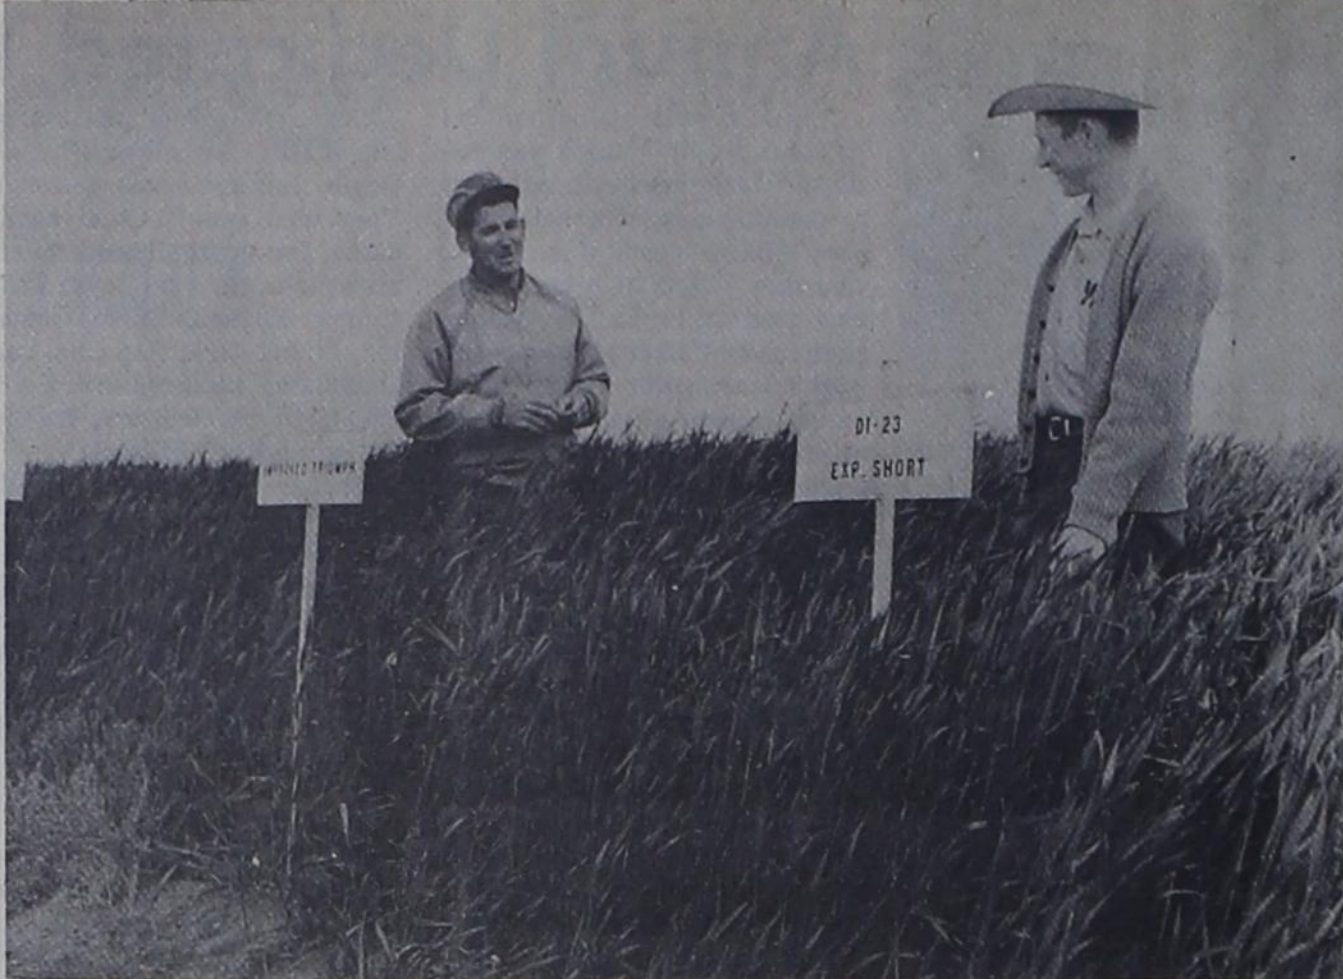

Cattle running across the field with their tails held high in the air or standing in water are pretty good indications that heel flies are busy. The animals try to protect themselves in these ways from the egg-laying flies.

Heel flies, the adult stage of cattle grub, neither sting or bite. Instead, they merely attach their eggs to the hairs on the legs and lower body parts of cattle. As the eggs hatch, the small maggots bore through the skin at the base of the hair, enter and migrate through the leg muscles, through the abdominal and chest cavities to the esophagus and neural canal for further maturation.

During the late summer and early fall, the larva move to the animal's back and each forms a pouch under the skin. After a few weeks, it cuts a breathing and emergence hole through the skin. A month or two later, the full grown grub emerges through the breathing hole and falls to the ground. It develops into a heel fly within a few weeks.

Heel flies can be effectively controlled only while they are in the animal's body. A number of methods and formulas are available to control them, including sprays, systemics, dips, and powders. We want to establish one or two demonstrations with a cattle owner to point out the effectiveness of grub control chemicals. If you would like to work with the County Agent on this kind of project, let me know.

For details on the control of heel flies, ask your county agricultural agent for Texas Agricultural Extension Publication MP-691, Texas Guide for Controlling External Parasites of Livestock and Poultry.

Wheat Demonstration Features Eight Varieties

County Agent Joe VanZandt has a wheat variety demonstration with A. L. Reznik, located eight miles north and two miles east of Friona. There are eight varieties in this demonstration planted on September 30. Each variety is planted on two 40-inch beds.

The eight variety plots are located about 1/4 mile east of Reznik's house and he is glad for visitors to come by and inspect these varieties. The varieties are Scout, Kaw, War-

rior, Lancer, Tascosa, Caddo, Improved Triumph and DI-23, an experimental short wheat which may be released soon. The DI-23 is supposed to reduce the height about one foot from present varieties. This factor could be a definite advantage to irrigated wheat.

"We hope to get some yield data from these different varieties and we will if we can obtain a five-foot combine to harvest this demonstration," said VanZandt. "If anyone has a five-foot combine that is in working order please let A. L. or myself know," stated VanZandt.

Scout, Warrior and Lancer are relatively new Nebraska varieties adopted to Texas. They have resistance to race 56 of stem rust but are very susceptible to leaf rust and loose smut. Warrior is very late in maturity but has performed well in

High Plains tests. Scout has done well in High Plains tests also. Lancer has produced only fair yields and has no advantage over present varieties. Warrior has good quality but the Scout and Lancer are acceptable.

Kaw is an established Kansas variety which is recommended for this area of Texas.

Improved Triumph has been sold in Texas for several years and is superior in many respects to the original Triumph. Triumph wheats are strong gluten wheats.

Caddo and Tascosa are Texas developed varieties. They are good and very good respectively in shatter resistance and have very good straw strength, test weight, and baking quality.

"We encourage you to go by and observe these eight wheat varieties side by side," said the county agent.

Team Roping Set Sunday At Local Arena

A team roping will be held at the Farwell Community Roping arena on Sunday, May 29, beginning at 1 p.m. The arena is located two blocks east of 9th Street, south of highway 70 in east Farwell.

Several local teams as well as teams from Amarillo, Hereford and Dimmitt will participate in the roping.

Mr. and Mrs. L. L. Cooper were in Albuquerque over the weekend visiting in the home of Dr. and Mrs. Larry Cooper and children. Their grandson, Royce, returned home with them for a visit.

Now every day! (Even on weekends) Family fares on Santa Fe.

Start your trip any day of the week. Use Pullman or chair car on any Santa Fe train.

Take, for example, the family of five pictured here: Baby travels free. The older children (under 12 years) go round trip for half the cost of a 1-way ticket. Mom goes round trip on a 1-way fare. Only Dad pays a full fare.

Real savings at mealtime, too! Bargain meal books—only \$12 for adults, \$6 for children—cover five complete Fred Harvey meals between Chicago and California. Generous baggage allowance.

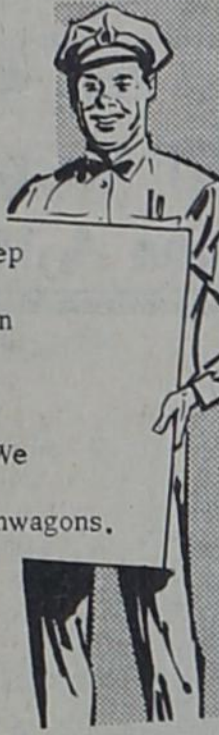

Take your family on an exciting Santa Fe adventure to the Southwest Sun Country or to California. Go now. Pay later. See your local Santa Fe Agent for information or reservations.

Uncle Ray's "Hot Air"

The illusion that times that were are better than those that are, has probably pervaded all ages.

About the only thing that will now give you more for your money than 10 years ago--is the penny scale at the drugstore.

You will get more for your money at Uncle Ray's Big Little Store in Values.

4-H Club Makes Study Lamps

The Oklahoma Lane 4-H Club met at the Community Center last Wednesday with Randy Gregory, vice-president, presiding in the absence of Cheryl Kaltwasser, president.

Randy reminded members of the June meeting when Joe VanZandt, County Agricultural Agent, will bring a program on keeping record books. He also introduced Joe Harbin from the Bailey County Electric Cooperative, who brought a program on "Making Study Lamps."

During the afternoon each of the members and Mrs. Walter Kaltwasser, leader, and Mrs. Buck Gregory made "study lamps". Total cost for the three-way lamps was \$3.50. Members completely assembled the lamps and made the shades. "This was one of the most interesting programs we have had," stated the leader.

Refreshments were served by Mrs. Gregory to Randy Gregory, Steven Kaltwasser, Weldon Embry, Niel Christian, Alan Gober, Janis Billingsley, Kathryn Gober, Kevin Kaltwasser, members and Mrs. John Christian, Mrs. Walter Kaltwasser and Joe Harbin.

FHA Officers Installed

Officers for the coming year for the Farwell FHA were installed in formal ceremonies at the Homemaking Cottage last Sunday afternoon, with parents of the FHA members as special guests for the installation service and a tea.

Susan Patrick played appropriate background music during the social hour and also acted as installing officer.

Officers installed were: president, Lana Mahaney; vice-president, Janis Billingsley; secretary, Sheri Roberts; treasurer, Alicia Bourlon; parliamentarian, Joyce Kaye Watts; song leader, Ginger Hughes; pianist, Rene' Walser; historian, Joyce Bass; and reporter, Ellen Herington.

Candlelighters for the ceremony were Judy Megill, Jackie Megill, Sharon Ensor, Debbie Chandler and Jeanne Meeks.

All of those in attendance at the ceremony took a tour of the new high school and auditorium.

Entertains With Salad Supper

Mrs. John Lockhart honored her sister, Mrs. Loree Hill, with a salad supper on Monday night.

Guests for the evening were Mrs. Hattie Boling, Mrs. Jon Schroeder and Mrs. Chris Moss. Others in attendance were Kathy Lockhart and John Lockhart. The evening was spent in visiting.

CITIZENSHIP AWARD -- A glow of pride spreads over the face of Joyce Bass, daughter of Rev. and Mrs. J. L. Bass, as her name is announced as recipient of the "Cecil Dykes Citizenship award" which has been presented annually to a high school student who has portrayed the attributes of a "good citizen" in his or her daily life at school. Other recipients of the award have been Margaret Haseloff, Peggy White, William Dannheim, Gerald Chisman, Jane Bradshaw and Linda Phillips.

Recent Bride Is Shower Honoree

Mrs. Weldon Bell, nee Dale Orio, a recent bride, was honored for a miscellaneous shower at the Community Room of Security State Bank on Monday evening. Hostesses for the courtesy were Mesdames Avis Patterson, Clara Billingsley, Georgia Rundell, Paul Jones, Gwen Clements, Ida Lou Combs, Thelma Watts, Ruby Adams, Gladys Hromas, Janie Sudderth and Sal Vincent.

Chosen colors of the honoree, pink and white, were used in decorations. Miss Darlene Bell registered guests at a table covered with white linen and centered by an arrangement of pink and white flowers. Serving table was laid with white lace and centered by a floral arrangement. Pink floating punch was served with pink and white pinwheel cookies and pink mints. Napkins bearing the names "Dale and Weldon" and crystal table appointments completed table decor.

The honoree, her mother and her mother-in-law were presented with white carnation corsages tied with pink ribbon bows. Both mothers assisted the honoree with opening gifts and the gifts were registered in the bride's book by Miss Bell.

Approximately 40 persons attended and sent gifts.

A JOB WELL DONE -- Beverly Winkles, co-editor of the Texico school annual "The Wolverine", looks with pride at one of the yearbooks. Miss Winkles and co-editor Jill Billington deserve credit for a job well done. Annuals were distributed to students last week.

Honors Revealed

The Texico school annual "The Wolverine" which was distributed at the annual variety show on Thursday revealed for the first time recipients of many of the coveted honors.

The annual was dedicated to the coaches, C. B. Stockton, Johnny Green and Melvin Ridgely, "who have instilled in the Texico athletes the ability to win humbly and lose gracefully." In the special section given over to FFA activities a special dedication was made to Johnny Burford, deceased, who had been elected to serve as president of the FFA chapter at time of his death. The dedication to Johnny reads, "For his leadership in FFA, for his devotion to the aims and purposes of the club, for his respect for and cooperation with the teachers, and for his love for his fellow students, Johnny Burford will be remembered."

Theme of this year's publication is "Spotlight from Texico High School 1966." Caught in the spotlight on the first pages of the annual are students enjoying various things including taking it easy at a picnic, studying and dreaming, visiting college campuses, participating in a rodeo, and courting.

A double page picture of the high school in color is featured near the front of the book along with pictures of the board of education members, who assist the superintendent and principals in guiding the affairs of the school.

A full page picture is given over to the "most handsome boy," Keith Crooks, and also to the "most beautiful girl," Joy Chumley. Other candidates for most handsome and most beautiful are carried on succeeding pages.

Listed as homecoming royalty are Veda Wilson and Joe Patterson. Their attendants were Susan White, Pam Roberts, Joe Holland and Stanley Letcher, Jr. Boy and girl stagers, Veda Wilson, Joe Patterson and David Duncan, are also depicted on the pages of the book.

Chosen for the coveted title of Who's Who in Texico High School in various subjects are English - Joe Patterson, Keith Crooks, Brenda Sims and Susan White; music-Zadene Burris; agriculture - Dean Campbell; journalism - Beverly Winkles, Jill Billington, Ralph Madrid,

and Veda Wilson; home economics-Jill Billington.

Also business education - David Farmer, Susan White, Robert Spearman, Sharon Peyton, Janet Wilson, and Terry Lovett; driver education-Diane Fought; athletics-Joe Patterson; mathematics-Joe Patterson, Larry Fought, David Farmer; Spanish-Veda Wilson and Joe Patterson; social science - Manuel Martinez; speech - Gary Meier, Billy Winkles, Jill Billington, Stanley Letcher Jr.; science-Joe Patterson and Margot Rojas.

Joe Patterson was named for the honor of "best all around student" for the third consecutive year. He was also given the title of "best personality" along with Veda Wilson and Stanley Letcher Jr. Listed as "most popular students" were Joe Patterson, Veda Wilson, Peggy Hughes, Stanley Letcher, and Susan White. Manuel Martinez was given the sportsmanship title.

Peggy Hughes is pictured as DAR Good Citizen and Boyce Brown and Susan Murrell were depicted as "biggest flirts." Veda Wilson, who won the state American Legion Public speaking contest, was also pictured.

Class favorites listed include seventh grade, Patricia Smith and Marty White; eighth grade, Butch Chumley and Susan Murrell; freshmen, Diane Fought and Rocky Wilson; sophomores, Brenda Sims and Allen Breitenbach; juniors, Pam Roberts and Jimmy Webb; and seniors, Peggy Hughes and Stanley Letcher Jr.

In the elementary division of the school class favorites listed were first grade, Charlene Whitener, Mark Howard, Rebecca Potts and Rob Haw; second grade, Rusty Rucker, Vicki Snodgrass, Ray Delgado and Valerie Fitz; third grade, Beverly Duncan, David Turnbough, Elizabeth Pierce and Chuck Banghart; fourth grade, Diane Luce, Kent Armstrong, Regina Kelley and Craig Chumley; fifth grade, Jo Pearce, Herman Cylicio, Gary Wilson and Kim Pearce; and sixth grade, Donna Chumley and Terry Yell.

Special sections of the book are given over to various activities of the band, for sports, FBLA (Future Business Lead-

MEET MR. WUNSTOP DUZZIT

Following a university lecture on psychopathology, a student raised his hand for permission to ask a question.

"Professor," he said, "you've told us out the abnormal person and his behavior, but what about the normal person?"

"If we ever find him," answered the professor, "we'll cure him."

LAWN PROBLEMS & MORE PROBLEMS -- Not many people escape lawn problems, that is if they have a lawn. It is either the brown spots, crabgrass, or dande-

lions, and even the pesky gophers add to our woes. For those brown patches, specialists in this field recommend that over stimulation with nitrogen be avoided as this increases the fungus disease that attack the lawns. If your favorite shrub or tree seems to be dying, it could be a neglect of watering throughout the winter months. This often happens especially if little moisture was present during the long winter season. Too often people assume that watering is not necessary during cool weather, which is a mistaken idea. Two new bulletins are available from the Extension office here in the courthouse; one is "Better Lawns," and the other is called "Thumbs Down on Pocket Gophers". Call or come by the office and get a copy. Several bulletins on lawn care are available and could help solve some of the lawn and tree problems if you don't yet know the answers.

AN OUNCE OF PREVENTION If you store your woolens in a cedar chest, use an ounce of prevention in the form of moth crystals or mothballs,

Gary Farmer Appears In Dance And Music Recital At NMSU

Gary Farmer, son of Mr. and Mrs. Ed Farmer of Texico, was among the students at New Mexico State University who recently participated in "An Evening of Dance and Music from the Classics to Jazz" recital at the Little Theater on the NMSU campus. The program, first of its kind at NMSU, proved to be remarkable in many respects; chief among which were the professional touches in the overall production -- excellent utilization of stage space and simple and striking costumes. Also playing a remarkable part in the success of the production was the vitality of live music provided by the Collegians and the good judgment exercised in the selection and arrangement of the dances. Variety was the keynote of the entire program. Press releases from Las Cruces say "It is unfortunate that the theater was unable to accommodate all the people who wanted to attend the performance."

Young Farmer appeared in five selections including: Hi, Episode in Sweatshirts, Go Go Go, Concerto in C Minor, and Foolin' Around. He is a sophomore engineering major at the university.

Although it may detract from the egg yolk's appearance, this darkening is entirely harmless. The higher the cooking temperature and the longer the cooking time, the more darkening takes place. By plunging the eggs into cold water immediately after cooking, the possibility of this darkening is reduced. This lowers the egg's temperature and helps prevent the formation of ferrous sulphide. Immersing eggs quickly and holding them in cold water for a short time after cooking also makes eggs easier to peel.

RECEIVING RECOGNITION AT EASTERN -- Richard James, left, and Benjy Dial, Farwell, talk it over after being awarded the top trophies for football prowess at Eastern New Mexico University recently. James won the "Greatest Greyhound" award and Dial was chosen by his teammates to receive the Brasell award. Having finished their playing careers for the Greyhounds, James will study under a National Collegiate Athletic Association post-graduate scholarship and Dial will join the ranks of the Pittsburgh Steelers professional football club.

Russell, Clovis veterinarian who held the clinic, had indicated that if enough persons show interest and the need for an additional clinic is felt he will be glad to come to Farwell for another clinic.
