

Being the publisher of a small weekly newspaper has spared us the trauma of learning much about high finance. Our knowledge of finance is limited to two fundamentals. We must take in more than we spend, and when that does not occur, our loans must be brass-bound secured with a redeemable, salable security.

The fact that the federal government hasn't abided by the first rule in four decades would take several carloads of paper to discuss. The second rule causes us to wonder about the sanity of the international banking community. Especially in view of today's headlines about all the international loans in danger of defaulting.

The drawing of business is to have the money to expand and to carry current operations. The Federal Reserve has for some time made this a very expensive procedure for American business. Credit or lack of it has been a large factor in our current business slump.

Now we read where the nine biggest banks in the U.S. have loaned Mexico the equivalent of 40 percent of their capital and reserves. The communist and Third World bankers owe Western World bankers in the amount of one-half trillion dollars, and they are sinking rapidly.

How come?? Over the years, what security were these countries able to offer? Why were these loans not only extended but in most cases increased?

We don't see any rational reason for these loans. The bankers knew from the word go that they could not foreclose on the government of a foreign country. They knew, for example, that they could not take and sell an oil field in Mexico to satisfy a loan. They certainly ignored the third rule of business: cut your losses and run. Now they have gotten in so deep that the impending losses threaten the financial stability of the whole world.

If the answer to our questions is that the bankers relied upon the American taxpayer to ultimately bail them out, then we suggest the American taxpayer also default.

The greatest threat to this country is not nuclear warfare or war in the Middle East, but international financial flinching. We need to immediately try to put the American banking system's international house in order. We need to fire and jail those responsible for this fiscal debacle, and tie our money efforts to direct and immediate political considerations.

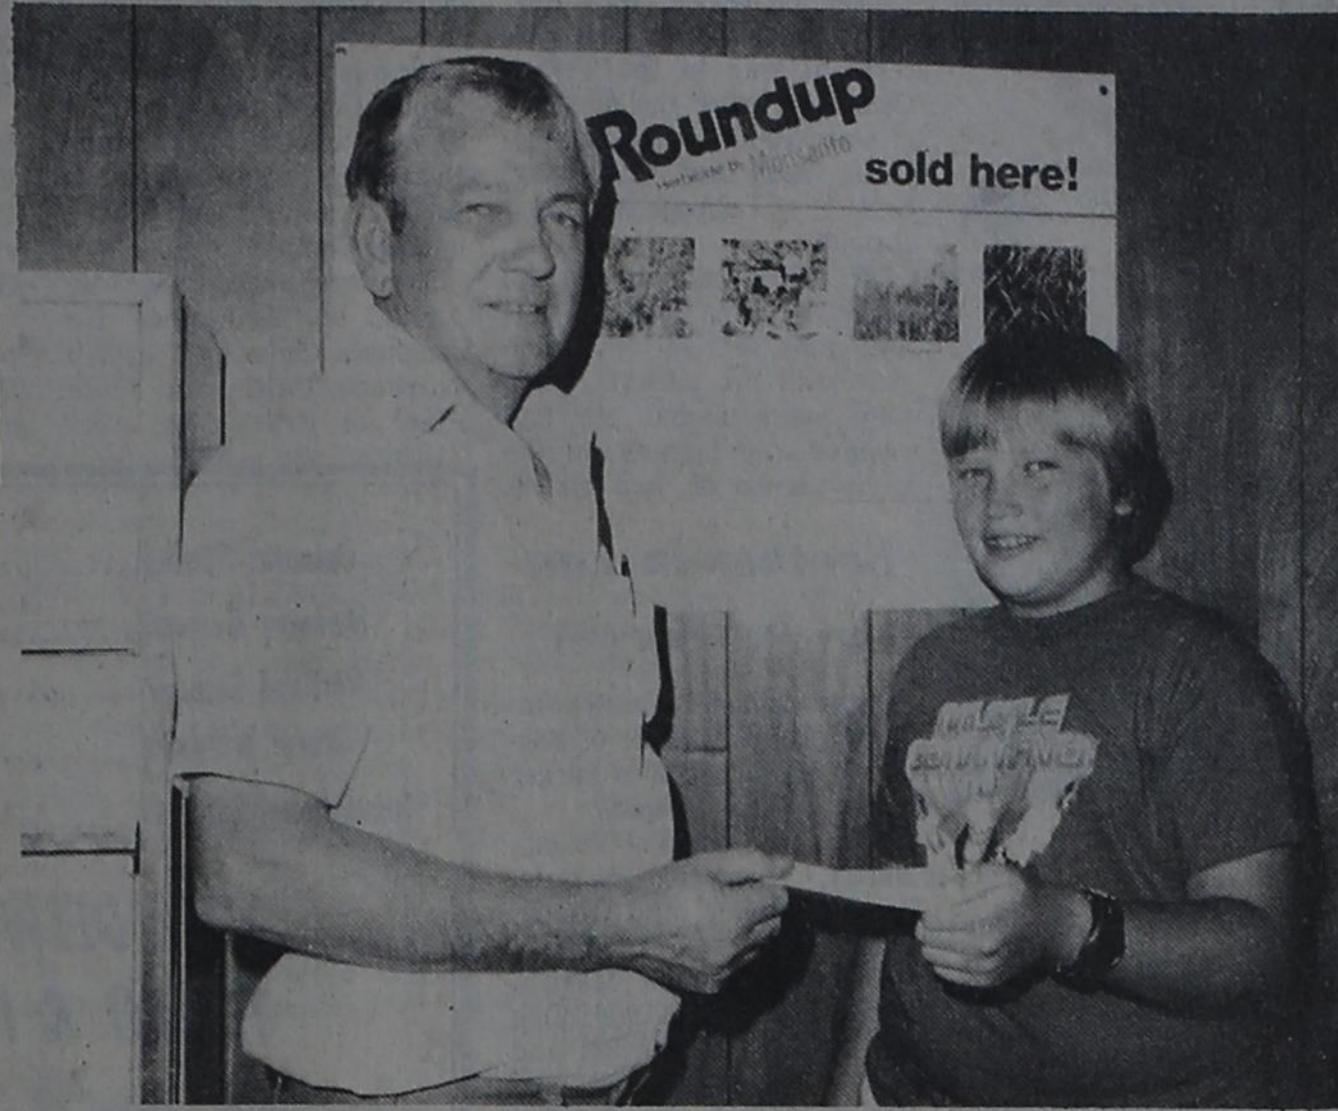

Mexico for example is indebted to approximately 1,000 U.S. banks. Yet they spit in our face and snuggle up to Fidel Castro. Mexico is also a quasi-socialistic country. Poland, currently under repressive military rule, is thoroughly communist. All so-called Third World countries are a blend of dictatorship and out-right communism. None of these countries has the type of economic system that has ever worked, any time or place.

We have raised some questions and provided no answers, but the Banking Boards of the Western World need to be investigated and to find out just whose side they really are on. Bankers have a fiduciary responsibility to their depositors. A breach of this trust is a crime.

We juggled Billie Sol, maybe we ought to begin to get to the really high cotton crowd.

Irony of ironies. The 7th Court of Appeals reversed the conviction of one Kevin Francis. The word "or" in the instruction should have been changed to "and" as it read in the indictment.

As publishers of legal documents, we have actually seen sentences run for several pages, separated by an indiscriminate number of commas, semi-colons, and colons. The legal profession is as far from purity in the King's English as we are from celibacy.

First Week Winner

Steve Gerles, seventh grade student at Farwell Junior High, was the winner of the first place prize of \$7.50 for the first week of the Tribune's Merchants Football Contest. Steve was the only one to pick

10 correct games out of a record number of 268 entrants for a first week's contest. He is being presented his winning check from Bill Roberts of Interstate Fertilizer, one of the

contest sponsors. Kerry Ford of Farwell won second place and \$5 for picking nine correct games and being only 13 points off on the tiebreaker game score.

Picks 10 Right - -

Steve Gerles Wins First Grid Contest

The first installment of the Tribune's 24th annual Merchants Football Contest kicked off last week with a record number of 268 entries for a first week's contest.

Steve Gerles, Farwell Junior High student, was the only contestant to pick 10 correct games, and he was only eight points off on the tiebreaker score, even though the tiebreaker wasn't needed. He received a first place check for \$7.50.

Kerry Ford of Farwell was the second place winner, and the tiebreaker score was definitely needed as he was only one of 17 entrants to pick nine correct winners. He was presented with a check for \$5. Ford was 13 points off on the tiebreaker game score, and the remaining entrants calling nine games correctly were from 15 to 41 points off on the tiebreaker score.

Others getting nine games right were T.J. Kittrell, Chacho Arce, Hobby Coffman, Scott Brown, E.R. Coffman, Lorine Dannheim, Teresa King, C.L. Mahaney; Also, Mike Norris, Emilia Martinez, Leah Kelley, James Harding, Linda Fipps, Mildren Erwin, Mike Woods, and Weldon Dane.

Thirty-four entrants picked eight correct games and the remaining record breaking number of contestants picked all the way from only three games correctly.

The contest challenge between the Texico High School computer and the high school math class is in its second year, and the mechanical wizard outwitted the math class in this first week's contest with a score of seven to five correct picks. However, 67 students in Ronnie Warmuth's math class entered individually and several of these students beat the computer and the math class as a group. Two of the math students picked nine correct games, so it looks as if the computer must "re-compute" this week.

As a result of several requests last year from families far away including some living in California, and who have their own contest among family members and are unable to get the area game scores, we will give the results of each week's contest games.

In games played September 3, results are Texico over Carrizozo, Hart over Anton, Happy over Bovina, Springlake-Earth over Amherst, New Deal over Kress, River Road over Friona, Meadow over Sudan, Muleshoe over Por-

tales, Lazbuddie over Smyer, Hereford over Pampa, Clovis over Palo Duro, and Hale Center over Olton.

Now that the football season will be in full swing this weekend on all levels, including high school, college and pro, area gridiron enthusiasts certainly have enough pigskin action to keep them both thrilled and pleasantly occupied for the next 11 weeks of the contest.

It's never too late to join in the fun of competing for the weekly prizes, and it's still not too late to compete for the Grand Prize.

Besides the weekly prizes of \$7.50 and \$5.00, contestants have a chance at the Grand Prize which is two tickets to see the Dallas Cowboys-New Orleans Saints game on December 19 in Texas Stadium. The big prize packet also includes free overnight lodging at the Regent Hotel in Dallas, free transportation to and from Texas Stadium, plus \$50 to assist with expenses.

So, all you gridiron guessers, gear up and get in the contest. Rules are simple. Contestants must be 12 years of age or

older, and only one entry per person will be accepted. Entry blanks are printed each week in the Tribune and are available at the Tribune office. Entries must be returned by 5 p.m. CDT Friday to the Tribune office. Any entries mailed must bear a Friday postmark.

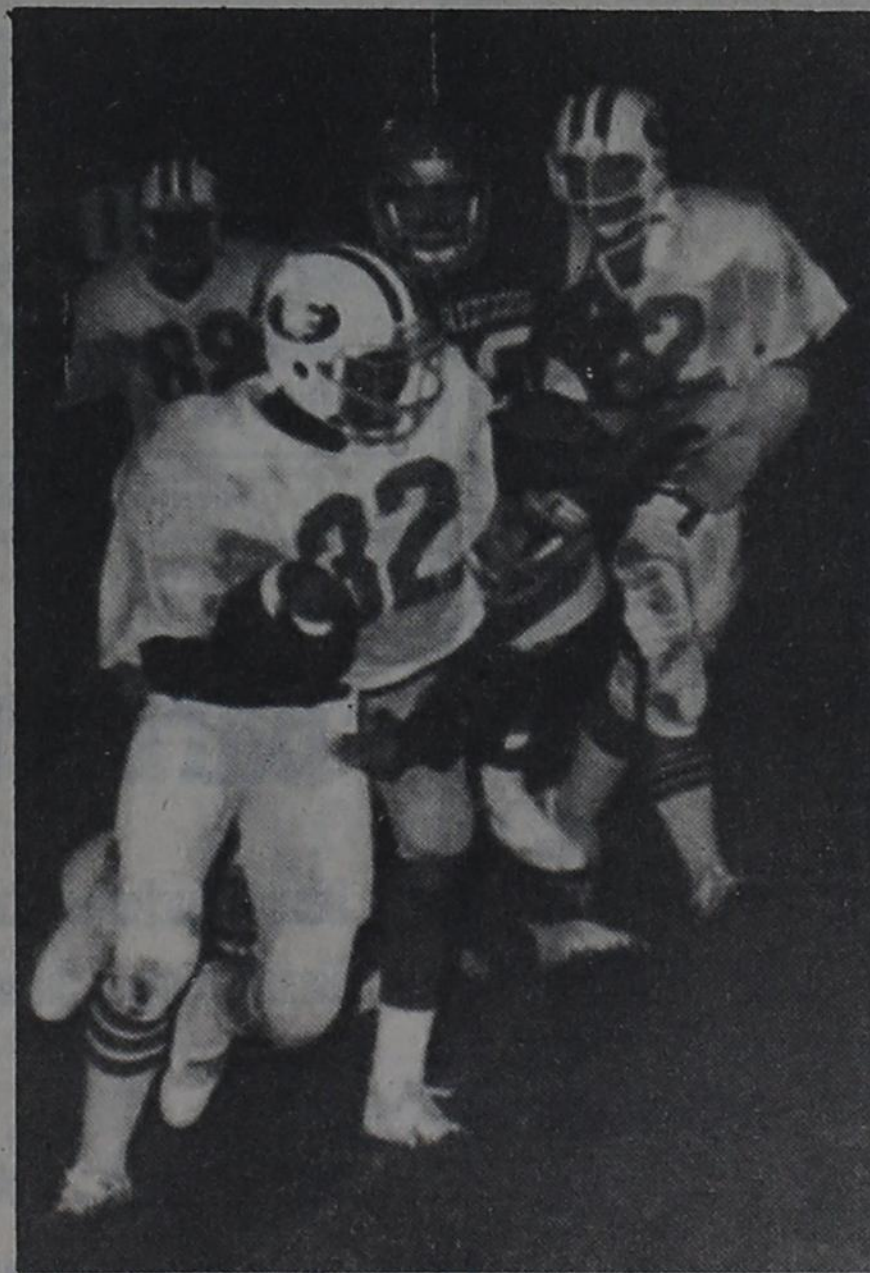

Merchant sponsors and their families are eligible and encouraged to enter; however, Tribune employees and their families are ineligible for the contest.

Texico Schools To Dismiss Early Friday

Texico Schools will dismiss classes at 1:30 p.m. MDT today (Friday) so that students may attend activities at the Curry County Fair in Clovis.

Friday is Student Day at the Fair and all school students will be admitted free of charge to the Fair from 2 to 6 p.m.

In order that Texico youngsters may take advantage of this afternoon at the Fair, classes are letting out early.

Ball Carryin' Bibbs

Billy Bibbs (#32) takes off with the pigskin for a Wolverine gain against the Carrizozo Grizzlies in the season opener for both teams Friday night at Wolverine Stadium. Texico crushed the visitors 29-0 while making 15 first downs and 305 total yards. Bibby and his brother Earl accounted for two touchdowns and were the

game's leading ground gainers. Pictured coming up in the left background is Texico Wolverine Bob Johnson (#89) who also scored for the Wolverines on a pass reception. An unidentified Texico player moves in at right to block for the ball carrier. [Texico School Photo]

In Final Seconds - -

Cowboys Lasso Steers In Season's Opener

The Plains Cowboys finally edged out the Farwell Steers in a hard fought opening game of the 1982 season. The decision in favor of the Cowboys was in doubt right down to the last two seconds of the game.

In a game that featured scoring in all four quarters, the Steers fell behind in the first quarter, forged ahead in the second quarter, fell behind in the third quarter, and made it a tie game late in the final stanza with the loss occurring with only 80 ticks left on the scoreboard clock.

Before a large crowd of Steer fans who made the 180-mile round trip to Cowboy stadium, the Steers opened the season by kicking off to Plains. The Steer defense held the Cowboys in check the first series of downs and forced the Cowboys to punt to the Farwell 24-yard line. The Blue and White were unable to make a first down and Jimmy Bernal punted the ball away to the Cowboy 32-yard stripe.

The Plains team used only six plays to enable quarterback Kyle Andrews to scamper into the end zone for the first Plains touchdown. The PAT kick was wide of the mark and the Plains crew held a 6-0 advantage over Farwell.

Early in the second quarter, the Steers bulled the ball down to the Cowboy goal line and Santiago Lucio pushed over into the end zone for the initial Steer score. Bernal's kick split the uprights and gave Farwell a 7-6 bulge in the game.

With only 17 seconds left in the first half, the Cowboys lofted a long pass that was tipped by a Cowboy receiver and it fell into the arms of another Plains player who took it to the Steer 3-yard stripe. From there, the Cowboys needed only two plays to score their second TD. Their PAT pass was good and the Plains crew took a 14-7 lead as the half ended.

Plains kicked off to open the second half, with the Steers' Lucio receiving the ball on the Farwell 5 and returning it 30-yards to the Farwell 35-yard mark. The Blue and White ran off five plays before fumbling the ball over to the Cowboys.

Plains made a first down, but on the second series of downs, Farwell's Lucio stopped the Plains ball carriers on three straight downs, and on 4th and one, Steer Todd Christian shot through and smeared the runner for no gain, and the ball went over to Farwell.

The Steers made two first downs but were stopped on their next try with the ball going over to Plains on downs on the Plains 30.

Plains followed with two first

downs, and on the next series after one incomplete pass, quarterback Andrews hit Julian Romero with a pass from the Steer 44 for a TD. The PAT kick was declared good, and with just over one minute left in the third stanza, Plains held a 21-7 lead over the Steers.

The score remained at this level until deep in the last quarter when Farwell's Alan Eubank electrified the Steer fans with a 60-yard gallop down the far sidelines for a big Steer TD. Eubank made his big run minus one shoe which was stripped off the Steer back by a would-be Plains tackler.

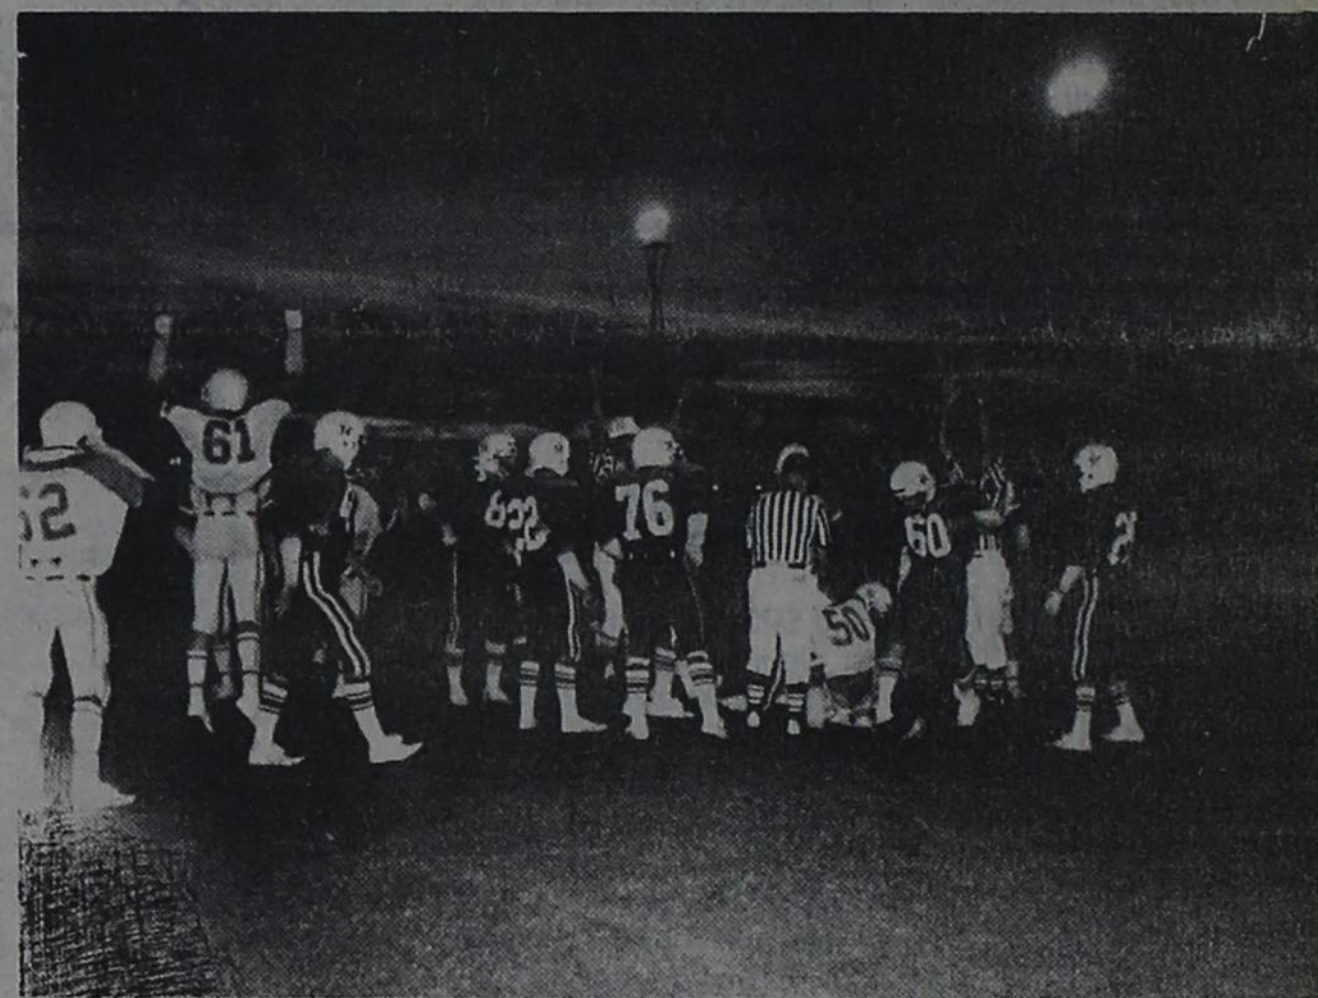

The PAT run was unsuccessful, and the Steers were behind by a 13-21 count, with less than five minutes remaining in the

game. The Steers then kicked the ball to Plains' Romero who made the mistake of dropping to one knee on the Cowboys' 3-yard line. The defense of the Blue and White rose to the needed occasion and forced Plains to punt from their own end zone.

The Steer offense took the ball on the Plains 43 and behind the running of Alan Eubank, Raymond Sierra, and Santiago Lucio, took the ball to the Cowboy 3 before a fumble was recovered by Plains.

On the next play, the Cowboys fumbled in the end zone and Raymond Sierra of Farwell recovered the pigskin for a big Farwell score. The

(Continued on Page 7)

Steers First Score

Santiago Lucio, Farwell's fleet junior back, notched the first TD of the Steers' 1982 season against the Plains Cowboys.

The score came with 10:11 left in the second quarter and with the PAT kick by Jimmy Bernal, the Steer squad took a

7-6 lead over the Plains Cowboys. The Steers finally succumbed 27-21 in the waning seconds of the game.

Meet Capitan Tonight - -

Texico Wolverines Maul Grizzlies, 29-0

Texico's Wolverines, last year's state runners-up in Class A, got their 1982 season off to a fine start Friday night when they shut out the Carrizozo Grizzlies 29-0 in the season opener for both teams.

The host Wolverines managed a touchdown in each quarter, the first being scored by Earl Bibbs who ran the pigskin in from one yard out to put the initial points of '82 on the board for the Green and White. The Earl of Texico then ran the PAT for two points to put the home team in front 8-0 with three minutes, 21 seconds left in the first period of play.

Bob Johnson snagged a four-yard pass from quarterback Brad Steward for the second touchdown for Texico, this score coming in the second quarter. Lloyd Williams booted the point-after and the Green and White increased its lead to 15-0 at halftime.

Kevin West pounced on a fumble in the end zone in the third quarter for the third Texico TD of the night, and

Williams once again put the ball through the uprights to make the count 22-0, Texico on top.

Final touchdown of the night was made by Billy Bibbs who made a spectacular 40-yard run to the end zone for a six-pointer. Steward kicked this extra point to bring the final count to 29-0.

Texico Head Coach David Lynn said he was real pleased with the effort put out by the boys, but feels they still "need some work."

"We made some mental mistakes by missing offensive and defensive assignments," Lynn said, adding that he also felt that Carrizozo also made some mistakes that helped the Wolverines to score, "but that's football."

The Green Machine managed a total of 15 first downs and amassed 222 yards rushing in their first outing, plus adding 83 yards through the air.

The Texico defense held their guests to 50 total yards

and five first downs.

"Brad Steward threw the ball well and the offensive line did well protecting him," Lynn said. The Wolverines completed five of 19 passes, and had only one interception. They recovered five fumbles, but had seven penalties for a total of 55 yards.

The coach continued, "I was disappointed with the contact during the game. We hit them, but not hard enough."

Terry Tubbs and Billy Bibbs got the Big Lick Award for the week meaning that they had the best contact during the game.

Coach Lynn also said he was pleased that the boys didn't lose their poise and make too many mistakes. His concern is because of his team's youth and inexperience in varsity football.

Billy Bibbs led all rushers in the game with 80 yards on 9 carries. Earl Bibbs rushed for 78 yards in 21 carries, and Brad Steward picked up 34 in seven tries.

Kevin West hauled in three pass receptions for 73 yards; Joe Steward caught one for six yards; and Johnson caught the four-yarder for a TD.

Next action for the Green and White is tonight (Friday) when they travel to Capitan for a game beginning at 7:30 p.m.

Coach Lynn says he is looking forward to the game, saying, "We won over them in the last 12 seconds of the game last year, winning 7-6. They're a physical team and we'll have to play well to win."

New Head Of County ASCS

Martin Chandler, third from left, returns to Farwell to take over as Parmer County ASCS Executive Director upon the retirement of Prentice Mills. Mills retired September 3 after 26 years of service to ASCS, and Chandler assumed his new duties on Tuesday. Pictured with Chandler at the open

house last Friday are the County Committeemen, from left, J.W. Gammon, David Grimsley, and Tom Caldwell.

Okla. Lane Methodists Set Preaching Mission

Oklahoma Lane United Methodist Church has scheduled a Preaching Mission September 19-22. Rev. Gene Richardson of First United Methodist Church in Portales will lead the preaching, reports Rev. Joel Ware, pastor of the Oklahoma Lane church.

Evening services will be at 7:30 p.m. each night, with morning services at 11 a.m. on Monday, 7 a.m. on Tuesday, and 11 a.m. on Wednesday. "On behalf of the congrega-

tion, I would like to issue an invitation to one and all to come and share in this time of renewal," says Rev. Ware.

FIRE CALLS

Texico volunteer firemen received only one call this past week. On September 2, the fire truck was sent one-half mile west of the port of entry to extinguish a fire on the inside of a van. Occupants had already put out the fire in the contents, but wanted the firemen to wet down the inside to prevent the blaze from starting up again.

Farwell Volunteer Fire Department didn't receive any fire or ambulance calls.

Around The Twin Cities

Farwell City Council will convene in regular session Monday, Sept. 13, at 5:15 p.m. in the city hall.

Texico Chamber of Commerce will meet Monday, Sept. 13, at 6:30 MDT in the Texico bank.

Parmer County Commissioners Court will convene for its monthly meeting Monday morning in the county courtroom.

Texico City Council will meet in regular session Tuesday, Sept. 14, at 6:15 p.m. MDT in the city hall.

Texico School Board will meet at 7 p.m. MDT on Tuesday, Sept. 14, at the high school.

Farwell Booster Club will meet Tuesday, Sept. 14, at Luce's.

Claude Curry Buried Saturday In Texico

Funeral services for Claude C. Curry, 79, of Route 3, Clovis, were conducted Saturday, Sept. 4, at the First Baptist Church in Texico, with Rev. Glenn Lethgo officiating. Interment was in the Texico Cemetery under the direction of Steed-Todd Funeral Home. Mr. Curry died Wednesday, Sept. 1, at Lubbock Methodist Hospital.

Mr. Curry was born Oct. 26, 1902 in San Saba County, Texas and came to New Mexico in 1904 with his parents when they homesteaded. He had resided and farmed on the same section of land all his life. The homestead where Mr. Curry lived was built in a territory, saw this change to a state, and survived the division of the county which placed it into a new one.

He was a member of Texico Baptist Church and had served 17 years on the Texico School Board. He was married to Amna Dillard on Sept. 17, 1927 in West Camp, Texas. Survivors include his wife, Amna, of the home; two daughters, Claudean Urbach of Torrence, Calif., and Violet Plant of Prattville, Ala.; three sons, Lonnie Curry of Grants, Ronnie Curry and Malvin Curry, both of Clovis; one sister, Pearle Temple of Alhambra, Calif.; 14 grandchildren; and six great-grandchildren.

Brother-In-Law Dies In Borger

Oscar Maiden, 76, brother-in-law of Mrs. R.D. Dale of Farwell, died August 28 in Borger in North Plains Hospital. He was the uncle of Yaunda Martin, Cyrus Dale, Don Dale, Brenda Conner, and Gilbert Dale.

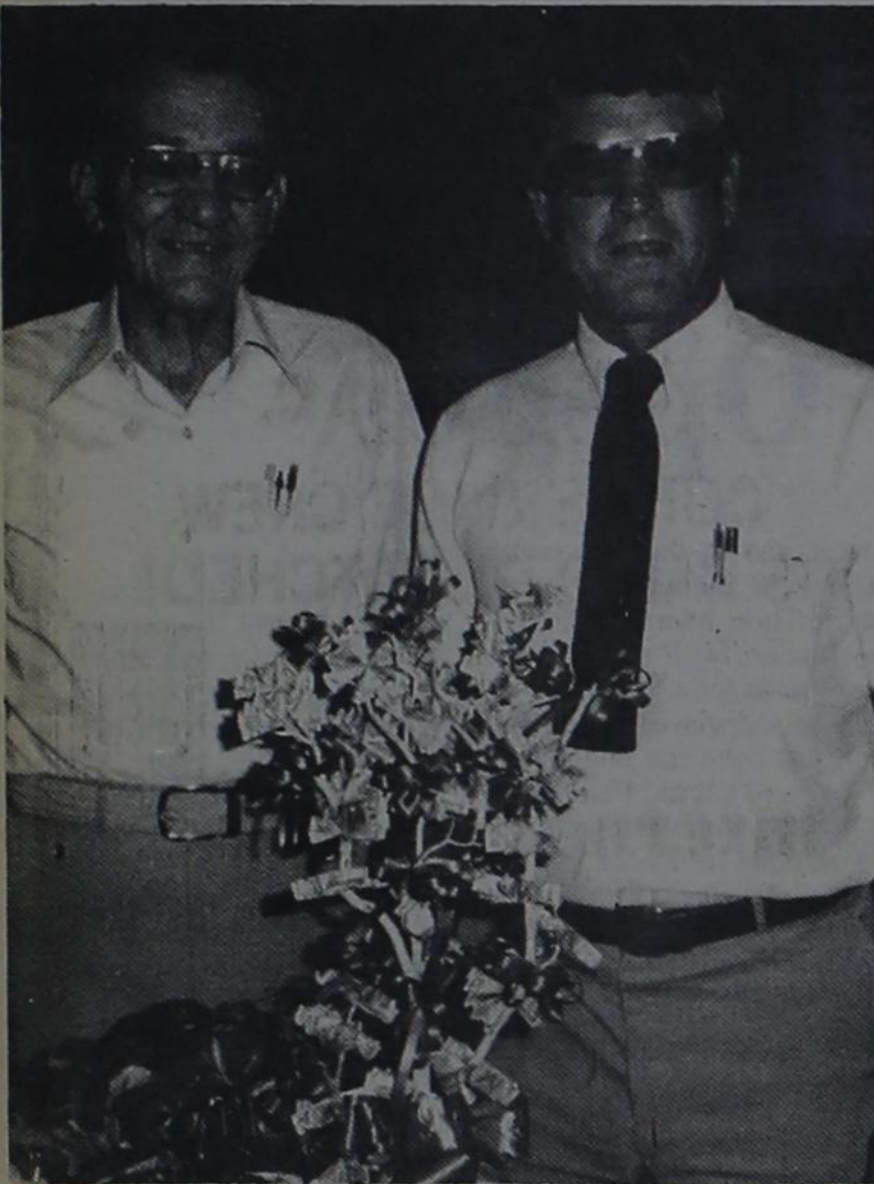

Bill and Yaunda Martin, Cyrus and Freda Dale, Don and Nita Dale, Vernon and Brenda Conner, and Mr. and Mrs. R.D. Dale all attended the funeral services. Gilbert and Gail Dale were unable to attend.

School Board Okays Amended Budget Items

In a regular monthly meeting Monday night, Sept. 6, Farwell School Board members voted unanimously to add several items to the 1982-83 general budget. These items will no longer be carried in the Activity Fund, but will be added into the general budget.

Items approved for inclusion in the general budget were:

- Lunchroom: receipts, \$78,000, expenditures, \$71,000.
- Athletics: receipts, \$8,000, expenditures, \$6,000.
- Rent: receipts, \$960, expenditures, -0-
- Drivers Ed: receipts, \$900, expenditures, \$900.

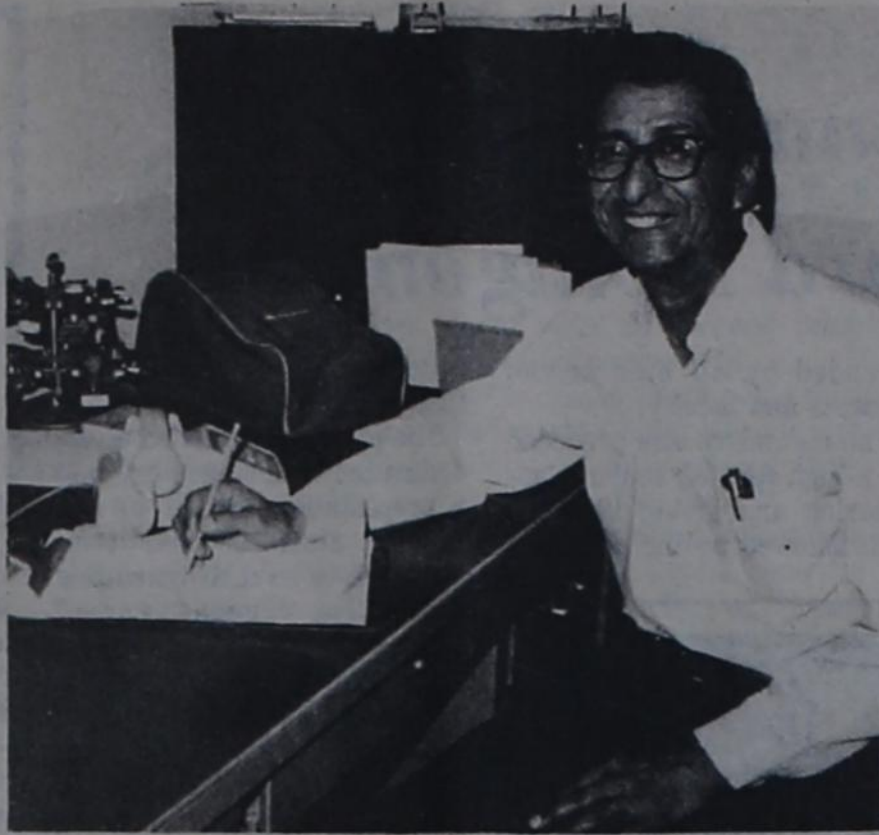

Also approved was establishing a new expenditure account number 36-6453, annual fund, with a budget figure of \$5,000.

The board voted that Farwell Schools would continue to publish an annual and that high school principal, Don Malone, be authorized to select the group and sponsors to work with the annual.

Principals Malone, Jerry Dee Owen, and James Craig gave reports on enrollment figures and progress in their respective schools. A total enrollment of 471 students was reported as of September 6, 1982.

Present for the meeting were board members Wilbert Kalbas, Joe Hughes, Maxine Williams, Floyd Coates, Richard Haseloff, Edward Corn, and Darrell Stephens.

Also attending were W.M. Roberts, superintendent; Jerry Owen, Don Malone and James Craig, principals; and Bruce Dollar, Berny Mesman, Cynthia Ancira, and Beverly Obenshain.

Santa Fe Agent To Retire

Tony Mendoza will retire on September 15, ending 35 years of employment with Santa Fe Railway Co., a career that started in Texico and ended here, with many stops in between. Mendoza has been

agent at the Texico depot for the past eight years. He resides in Texico and he says he plans to spend his retirement here in the Twin Cities, "just resting and enjoying it."

Mendoza To Retire After 35 Years With Santa Fe

Tony Mendoza, Santa Fe Railway agent in Texico, will retire from his position on September 15. He has been station agent at the Texico depot for eight years, and has been an employee of Santa Fe for the past 35 years.

Mendoza came to Texico as station agent in 1974, replacing the late Ed Farmer who was transferred to Hereford.

Although originally from Waynoka, Okla., Mendoza graduated from high school in Pampa before being drafted into the Army during World War II. He served three years in the Southwest Pacific during the war.

As soon as received his discharge from the Army, he started to work at the Texico depot as an apprentice, "doing anything that needed to be

done." He was soon promoted and moved to Waynoka, "and I served in every station in between for vacations or emergency relief." He was then transferred to Etter, Tex., where he spent 12 years as station forces operator.

In 1974, Mendoza was moved back to Texico which was to be his last move for Santa Fe, as here he spent the next eight years. He lives in Texico with his parents and a sister.

Tony says he worked in the days of the passenger trains when they stopped at the depot for passengers, mail, baggage, freight, and express. He sold tickets, loaded baggage, handled mail, and billed out the trains. Western Union at one time had a telegraph office in the depot. "I've taken and delivered a few telegrams here

in town," says Tony about the duties he once had.

Now the depot is used to handle carload freight only. Mendoza keeps track of the freight cars, their cargo, and their destination after leaving the Twin Cities, and he handles the billing of the freight in and out.

"It was a lot more work then than it is now, but I still enjoy it," said Tony. He plans to stay in Texico after his retirement, and just take it easy. "I didn't get a furlough until after the war, and then I started to work almost immediately, so I'm going to just enjoy this."

Mendoza has been a busy community worker during all these years, and he will probably be called upon for more civic duties during his days of retirement.

A replacement for Mendoza has not been named as the "job is up for bids," meaning that area agents may apply for a transfer to Texico. The selection of a new agent will probably be made by the 15th, but if not, Santa Fe will send an "extra man" to fill in until a permanent replacement is announced.

Tax Rep. Here Wed.

State Comptroller Bob Bullock announced that Raymond Bogus from his Lubbock field office will be at Parmer County Courthouse in Farwell on Wednesday, Sept. 15, from 2 to 3:30 p.m.

A comptroller's representative is available to assist local residents at the courthouse the third Wednesday of each month.

Anyone with problems or questions concerning state taxes is urged to contact Bogus at the courthouse in person, or call the Lubbock field office at (806) 795-0691.

A toll-free number, 1-800-252-5555, is also available to Texas taxpayers.

Sept. 15 Is Deadline For All-Risk Wheat Insurance

September 15 is the last date on which applications will be accepted for All-Risk insurance policies on 1983-crop wheat. All-Risk Crop Insurance Field Operations Director F.W. "Ted" Crouch, Jr. says that a list of local agents who offer the insurance can be obtained by contacting the county ASCS office.

Crouch says that the number of applications received to date and the interest expressed by wheat growers suggests that the amount of insurance in force will be a record high. "One major reason," Crouch notes, "is the continuing increase in crop production costs. Many wheat growers simply do not have the necessary cash reserves or additional borrowing capability to take a chance on losing the money that they will have invested in their crops."

"Another reason," the insurance official contends, "is the reduced cost of purchasing insurance." The federal government, in an effort to encourage

participation in the program, pays up to 30% of the cost of the protection.

Anticipated sign-up also is expected to be higher because a growing number of lenders are requiring or suggesting that borrowers carry at least enough coverage to provide for repayment of production loans.

Burglaries Reported, One Suspect Arrested

Parmer County Sheriff Bill Morgan reported two burglaries in the county this week, with one suspect in custody.

A burglary was reported at the Charles Gibson home in Friona with approximately four pounds of sausage and a chicken taken from the refrigerator.

Randall Cantrell, 17, of Friona was arrested by sheriff's officers on September 6 and was charged with burglary. His bond was set at \$2500, and he is currently in jail.

Helton Oil, Inc. of Farwell reported a break-in at its key stop lock box on September 5. The box was pried open, but it is unknown at this time if gas was taken from the pump.

In other action by the sheriff's department, Richard Lohr, 34, of Bovina was arrested by sheriff's officers on September 1 and charged with felony theft by worthless check. He is in the county jail in lieu of \$5,000 bond, pending grand jury action.

Manuel Martin, 32, of Amarello was arrested by sheriff's officers for violation of probation. He is being held pending district court action.

Carlos Espinoza, 26, of Clovis was arrested on September 4 by the Bovina city marshal and charged with DWI. He was fined \$150 plus court costs.

Roque Mendez, 27, of Friona was arrested on September 6 on a warrant from Cameron County, and is being held awaiting transfer.

Clorella Wynn, 32, of Hereford was arrested on September 7 and charged with theft by worthless check. She was fined \$1 and ordered to make restitution.

COURT CASES

Kevin Calhoun, 23, of Friona appeared before District Judge Jack Young on September 7. Calhoun was originally charged with aggravated assault, but he pleaded guilty to the charge of resisting arrest.

He was fined \$100 plus \$246 in court costs, and Judge Young ordered him to spend 63 days in the county jail.

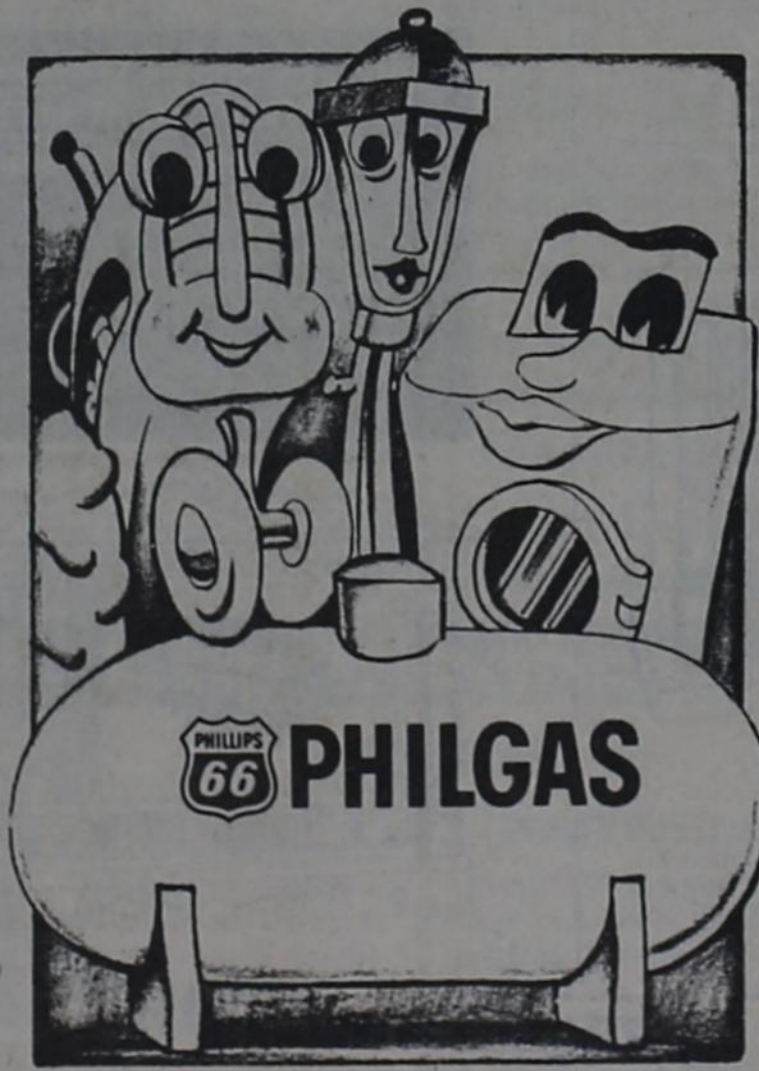

If you like LP-gas for heating and cooking, why stop there?

If you already cook or heat with Philgas, you know how well it does the job.

So why not put its dependability to work for you in air conditioning, clothes drying, water heating, engine fuel or almost any other job around the home and farm?

You get efficiency, economy and convenience.

Come by and let us show you all the ways the clean, blue Philgas flame may help you save money. Because if it heats and cooks that well, why stop while you're ahead?

Farwell 'Roundup' - - 1982 Annual Dedicated To Richard Montgomery

Farwell Schools' 1982 annual, the "Roundup," was dedicated Friday in a high school assembly to Richard Montgomery, vo ag and ag mechanics instructor. The assembly was

attended by all high school students and faculty. The ceremony was preceded by a high-spirited senior class cheering and giving its class yell, followed by the pledge of

allegiance to the American flag to begin the program.

The program consisted of the dedication to Montgomery and a presentation to him by the annual staff of the first yearbook to be distributed this year. Elva Yruegas, annual staff member, gave a short dedication speech, expressing Montgomery's popularity with the student body, and a short history of his tenure with the school.

Montgomery began his teaching career as a member of the Farwell faculty six years ago, teaching vocational agriculture and sponsoring the FFA activities.

He is a graduate of Abernathy High School and he received his bachelor's degree from Tarleton State University in Stephenville, and his master's degree from Texas A&M. He is a veteran of the United States Marine Corps.

The dedication in the front of the annual reads: "This year the annual staff takes pride in dedicating the 1982 Roundup to Richard Montgomery. He has been on the Farwell faculty for six years and has taught vocational agriculture and ag mechanics. He has also been an active sponsor of the Future Farmers of America. He is as dedicated to the FFA program as the boys and girls who participate in it. Mr. Montgomery has gained the love and respect of his students through his hard work and participation."

Miss Yruegas ended the ceremony by presenting the 1982 yearbook to Montgomery, and then announcing to the student body where to pick up their own yearbooks.

Yearbook Dedicated

Elva Yruegas, annual staff member, presents Richard Montgomery, vo ag instructor, with his yearbook in a dedication ceremony in the Farwell school auditorium last Friday morning. The 1982

Farwell "Roundup" yearbook was dedicated to Montgomery by the annual staff, and contains a portrait and short history of his work with the school.

Choosing Senior Rings

"So many decisions to make," say Norine Jones, left, and Suzahn Inman of the Farwell junior class as they try to decide just what design they want on their senior rings. Class members met with a sales representative at the

high school Tuesday to make their choices and order their senior rings for next year. The rings should be here about Christmas time, and getting senior rings is always one of the high points of the year for the juniors.

Farwell Yearbooks Now Available

The 1982 Farwell yearbook, "Roundup," arrived last week and was distributed to students Friday. Students, faculty and staff were first treated to a short assembly at which the yearbook was dedicated to Richard Montgomery, vo-ag instructor.

Following the dedication, students were told where to get their own yearbooks and were given a short period to look through the books and, of course, have them signed. Students took advantage of the time to go over the books with friends and faculty, locating their own pictures as well as those of friends.

For those who did not order a yearbook last year, there are still several extra copies for sale at the high school. The books are \$15 each and can be obtained by contacting Dorris White or Lucille Franse at the high school.

The school also reports the availability of several copies of the yearbook from past years for sale. Information on prices

and which yearbooks are available may be obtained by contacting the high school.

Farwell Band Boosters Sponsor New Cookbook

Farwell Band Boosters are planning several projects for the current school term, one of which is to produce a new cookbook. All local and area persons are asked to donate recipes to the book. Recipes may be for any dish, from appetizers to desserts and everything in between.

Persons wishing to turn in recipes for inclusion in the band cookbook are asked to give them to Cynthia Thigpen, Tommie Fulcher, Carolyn Stancell, or Gloria Hutchins. An approximate deadline for accepting recipes has been set for December 1.

Band members will also

begin canvassing the area for names on the annual band calendar sometime this month. Linda Geris is chairman of the band calendar project this year, and anyone who is not contacted about putting his name on the calendar is asked to please notify Mrs. Geris.

Officers of the Band Boosters this year are president, Gloria Hutchins; vice-president, Carolyn Stancell; secretary, Flo Davis; and treasurer, Tommie Fulcher.

Meetings of the group will be scheduled following each band concert.

Do you really control your snack choices — or do your habits control you?

If changes are needed, only YOU can decide to make them — and that will depend on four steps: a specific goal, learning nutrition basics, "unlearning" misinformation, and changing your traditions.

Few of us eat foods because we've been told they're "good for us," particularly when it comes to snacks. In fact, health may be one of the least-effective motivations for change.

STEP 1 — SPECIFIC GOAL
Most of us will respond to a specific goal, however — weight reduction or diabetes control, for example, so setting a specific goal is Step 1.

STEP 2 — LEARNING BASICS
The second step in controlling snack choices is understanding nutrition basics — and how snacking can fit into each day's total nutrition picture. We need facts that point out pathways to our nutrition future — suggest the time and effort that success will require.

STEP 3 — 'UNLEARNING'
Learning and "unlearning" is a never-ending process, and nutrition education is not a simple matter. Changes in types and forms of foods will continue at a pace which staggers the imagination. Choices we face now will become even greater in the future, so there will be "unlearning" along with the learning.

STEP 4 — CHANGE
The fourth step is developing the ability to actually change. One key to success is knowing how strongly food habits become entrenched in our daily routines.

needed to reach or obtain our desired goal.

Learning nutrition basics will help us be realistic for now and for later as we make meal and snack choices throughout life.

Learning and "unlearning" is a never-ending process, and nutrition education is not a simple matter.

Changes in types and forms of foods will continue at a pace which staggers the imagination. Choices we face now will become even greater in the future, so there will be "unlearning" along with the learning.

"Unlearning" is the third step in controlling food choices, and realizing that this is a constant process which will go on throughout life will make the third step in changing our eating and snacking habits more successful.

STEP 4 — CHANGE
The fourth step is developing the ability to actually change.

One key to success is knowing how strongly food habits become entrenched in our daily routines.

Their grip is so strong we often fail to recognize that the laws of nutrition apply to everyone — or we ignore that fact.

How do we know if we need to change?

Start with self-analysis.

- 1) What factors are most important when I select particular foods?
- 2) How does my overall dietary pattern affect my life-

style and health?
3) Or, does my lifestyle determine my eating habits?
4) Do I decide on meals and snacks out of impulse, or am I rational about my choices?

5) Do I really understand why I choose the foods I eat?

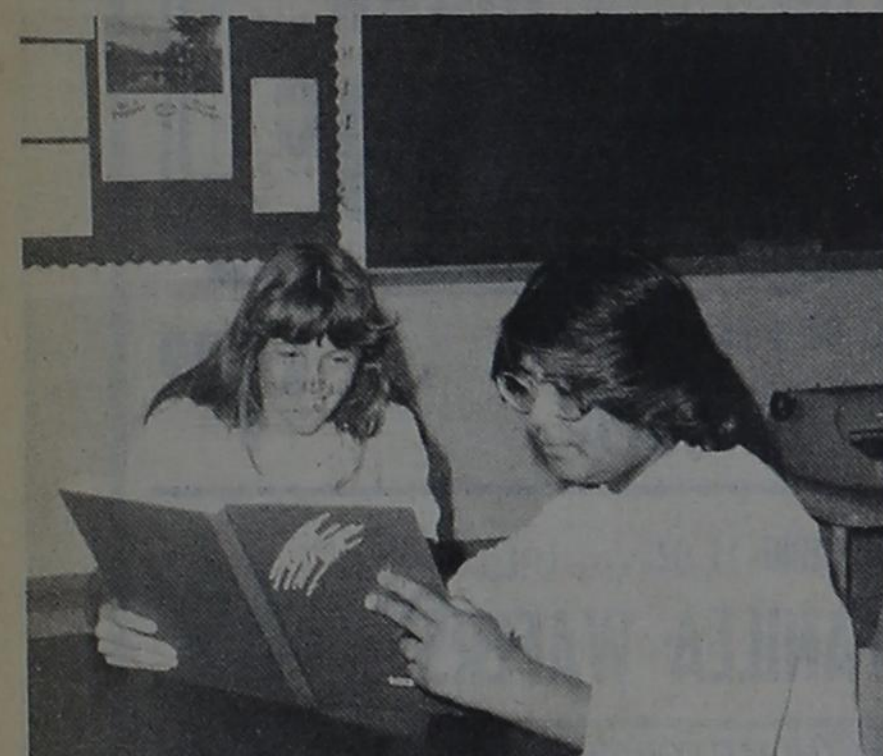

Remember, also, for most people, the price of food items does not play a central role in consumer decisions — cost does limit their purchases, but it doesn't determine our eating habits.

Here's one last question — a "food for thought" question (the one we asked in the first place): Do I really control my snack choices — or do my habits control me?

Marriage Licenses

Only one marriage license was issued this week from the Farmer County clerk's office. It went to Roberto Tienda, Jr. and Josefina Carrero.

Ronda Eubank, Doug Ray Exchange Marriage Vows

Ronda Jean Eubank and Douglas A. Ray exchanged wedding vows on Saturday, Aug. 7, at 7:30 p.m. at the gazebo at Falkner Point Condominiums at Garland, Tex.

Parents of the bride are Mr. and Mrs. J.W. Eubank of Farwell, and parents of the bridegroom are Mr. and Mrs. M.A. Ray of Leesburg, Fla.

Officiating at the double ring ceremony was Keith Robinson, minister of the Austin Street Church of Christ in Garland.

Decorations for the wedding setting included two tall brass flower stands holding wicker baskets of silk flowers, featuring large yellow roses, white dogwood blossoms, and rust colored stephanotis. Centering the two flower stands was a seven-branched arch brass candelabra with white tapers.

Music was taped recordings by the Abilene Christian University Chorus of the traditional wedding processional and recessional and "The Wedding Song," and "More."

The bride, presented in marriage by her father, wore a formal candlelight organza gown with Point D'esprit yoke accented with ruffled cluny

lace, with silk venise lace appliques on the yoke.

The chapel length a-line skirt had a wide cluny lace flounce edged in silk venise lace, circling the hemline.

Her fingertip veil, which was edged in silk venise lace and sprinkled with lace appliques, was attached to a silk venise bandeau.

She carried a bouquet of white silk orchids with white streamers.

Maid of honor was D'Lynn Eubank of Lubbock, sister of the bride, and the bridesmaid was Gina Eubank of Midland, also a sister of the bride. They wore identically styled long dresses of yellow qiana, featuring v-necklines, straight skirts, and gathered three-quarter length sleeves. Self-fabric belts closed with large gold leaf buckles. They carried long stemmed yellow silk irises.

The bridegroom wore a candlelight tuxedo with dark brown trim and yellow boutonniere. His candlelight shirt was also trimmed with dark brown.

Attending the bridegroom as best man was Fred Webster of Houston. Groomsman was Alan Eubank of Farwell, brother

of the bride. The male attendants wore ivory tux jackets with dark brown trim, candlelight shirts, dark brown slacks, and yellow boutonnieres.

The bride's mother wore a street length dress of aqua pleated chiffon with matching summer sweater jacket. Her corsage was of white silk orchids.

The bridegroom's mother wore a two-piece street length ensemble with white accessories and white silk orchid corsage.

Following the ceremony a reception was held at the gazebo. The serving table was covered with a candlelight cloth over yellow and was centered with the bride's bouquet flanked by crystal candelabra holding yellow tapers. A large candle into which had been placed the couple's wedding invitation was also placed on the table. Yellow napkins completed the table decor.

The wedding cake featured three tiers, the top tier being separated by columns. Topping the candlelight confection, which was decorated with yellow flowers, were twin wedding bells encircled in a heart. The heart shape was edged with small pearls, lace, and tiny yellow flowers.

Crystal and silver appointments were used to serve wedding cake, nuts, mints, and yellow punch. Presiding at the table were Donie Hussey, Mitzi Tolbert, and Nancye Armstrong, all of Dallas. Charles and Lavelle Powell of Paris also assisted with the reception.

Following a wedding trip to Puerto Vallarta, Mexico, the couple is at home at 4456 Falkner Point #202, Garland, Tx. 75043.

The bride is a 1974 graduate of Paris High School and a 1978 graduate of Abilene Christian University. She is employed in Dallas as a customer support representative by Cybertek Computer Product.

The bridegroom is a 1978 graduate of the University of Texas and is employed in Dallas as a computer programming manager by Harris Data Communications.

Among the special guests at the wedding were the bridegroom's brother and family, Mr. and Mrs. Dan Ray, Brian and Kevin, of Rochester, N.Y.

MRS. DOUG RAY

Baptist Women Have Two August Meetings

Baptist Women of the First Baptist Church in Texico met at the church on Wednesday, Aug. 4, for the group's regular Royal Service program, with Chairman Mora Schlueter in charge.

Shirley Miller opened the meeting playing "Abide With Me" on the piano. Lois Hudnall read the scripture from Romans 8:26, and Mrs. Miller led in prayer.

Title of the program was "Where Are The Indians?" Sub-topics were "Indians in Reservations," "Indians in Rural Areas," "Indians in Urban Areas," and "An Urban Indian Church" with Gracie Dane, Bobbie Gilliam, Velma Kelley, and Mary Dell Brown giving these sub-topics.

Mrs. Schlueter gave the closing remarks and dismissed the group in prayer.

A short-business session followed the program in which it was decided to reimburse the G.A. leader, Michelle Egan, for expense money which she had incurred in taking the girls to Inlow Camp.

The eight members present were Mesdames Bobbie Gilliam, Lois Hudnall, Mora Schlueter, Shirley Miller, Helen Bowers, Mary Dell Brown, Velma Kelley, and Gracie Dane.

Women met for their Bible Study session with chairman Velma Kelley presiding.

The program opened with Mora Schlueter playing on the piano, "I Know Whom I Have Believed."

Allie Burris read the scripture for the day taken from Psalms 73:21-28. The mission support chairman, Lois Hudnall, read the names of missionaries having birthdays on that day, and then led the prayer.

The title for the Bible Study was, "Must I Sacrifice?" Mrs. Kelley used three examples of giving: a nameless woman who gave all she had, Mark 12: 41-44; Barnabas, who sold his land to aid needy fellow Christians, Acts 4: 32-37; and churches in Macedonia that gave joyfully in spite of deep poverty. The other ladies present took part in the reading of these scriptures before Mrs. Kelley dismissed the meeting with prayer.

Those present were Helen Bowers, Mary Dell Brown, Lois Hudnall, Mora Schlueter, Allie Burris, Velma Kelley, and Gracie Dane.

Pick a sweet orange by examining the navel. Choose the ones with the biggest holes.

ASCS Staff Hosts Open House

Members of the staff of the Farmer County ASCS office in Farwell and the County Committeemen honored Prentice Mills, center, retiring Executive Director, with an open

house all day last Friday. Refreshments of cookies, mints, and nuts, with coffee and punch were served through out the day to the many friends who called to wish Mills well in

his retirement. Pictured are, from left, Nedda Travis, Jo Schell, Minnie Fleming, Kent Gast, Mills, Jean Travis, Billie Fay Sluder, and Dorothy Gast.

Mrs. Landrum Hosts Friendship SS Class

Members of Friendship Sunday School class of First Baptist Church, Farwell, met for their regular monthly gathering on Monday, Sept. 6, in the home of Bessie Landrum.

Gladys Hardage, class outreach leader, was in charge of the meeting. Committee reports were given by the committee chairmen.

Elsie Tarr presented the devotional from the first chapter of the book of Genesis. Leatha Jo Roberts closed the meeting with prayer.

Refreshments of cheese balls, cheese spread on crackers, pound cake, fresh peaches and strawberries, coffee, and tea were served to Pearlle Gerles, Beulah Williams, Marie Cox, Elsie Hardage, Edith

Crawford, Leatha Jo Roberts, Elsie Tarr, Gladys Hardage, Beulah McWilliams, Sallie Chandler, Estelene Billington, Hattie Coffer, and the hostess, Mrs. Landrum.

Class members especially welcomed Beulah Williams who was present for the first time in several months after having suffered a broken ankle and being confined at home.

The Creative Woman
BY SHERYL BORDEN

Topics to be covered on The Creative Woman" on September 14 and 18 include the notable oat, a discussion of generic brand costs, and a candy demonstration. The show is seen at 12:30 p.m. MDT on Tuesdays and Thursdays and at 2 p.m. on Saturdays.

"The Notable Oat" program will be presented by Nina Swan, director of consumer relations, National Oats Co., Inc., Cedar Rapids, Iowa. She will talk about using oats as a main dish, demonstrate different crusts for quiches made of oatmeal, and talk about oatmeal for fibre in the diet and the nutritive value of oats.

Another guest will be Mary Ellen Payne, Extension home economist from Carrizozo, who

will talk about how generic brand foods got started and what they are. She will show different containers of generic brands of food, and talk about how they compare in cost and nutritive value to national brands.

To conclude the show, Martha Schueler from Friona will demonstrate different ways to use the processed chocolate best known for molding candies. She will demonstrate some examples of dipping fruit and talk about mixing other products — nuts, coconut, etc., with chocolate and making other confections.

On September 16, the topics will be reversible applique, drug and food interaction, and using an electric skillet.

Susan Wright, Extension clothing specialist with New Mexico State University Cooperative Extension Service, will demonstrate how to do reversible applique using the sewing machine. She will show how to choose patterns for the applique, the types of fabrics most suitable to this type of technique, and discuss the steps involved.

In discussing "Drug and Food Interaction," Mrs. Almeda Goolsby, Extension health specialist from Roswell, explains that a drug may be a foreign substance given by a doctor to a patient to alleviate disease or improve health, or it might be any chemical agent that affects living matter. Drugs may also be normal substances of the body, such as potassium salts, thyroid hormone, or estrogens, etc.

Mrs. Goolsby will explain the effect of drugs on foods and nutrients, talk about the proper time for taking drugs, and the effect of foods and nutrients on drugs. She will also explain how to protect yourself against a harmful drug interaction and how to prevent undesirable food-drug interaction.

Another guest on the show will be Connie Moyers, consumer service representative with Southwestern Public Service Co., Clovis, who will talk about saving energy using an electric skillet — an appliance many people take for granted. She will talk about features to consider when buying an electric skillet, and discuss use and care tips. In conclusion, Mrs. Moyers will prepare Taco Stir-Fry and will share the recipes of other dishes prepared in the electric skillet.

"The Creative Woman" is produced and hosted by Sheryl Borden for KENW-TV.

Ruth SS Class Meets For Salad Luncheon

Ruth Sunday School class of the First Baptist Church of Texico met at the home of Allie Burris on Thursday, Aug. 19, for its regular monthly meeting along with a salad luncheon.

Brother Joel Horne led in prayer and also gave thanks for the meal.

There were seven guests present at the meeting including Brother Joel and Margaret Horne and son Craig, Rhonda Tharp, Alvenia Cox, Edna Brown, and Weldon Dane. The six members present were Helen Bowers, Mora Schlueter, Mamie Hightower, Hettie Harrison, Gracie Dane, and host-

ess Allie Burris. The September meeting will be a luncheon at Luce's restaurant.

Hospital Notes

Joe Caywood of Texico is still confined to Clovis High Plains Hospital for medical treatment. His wife, Maurine, reports that his condition is fair but that he is "getting restless" from his hospital stay.

Juanita Foreman of Texico has returned to her home from West Plains Hospital in Muleshoe where she was confined for treatment to a knee. She is reported to be doing fine, but still on crutches.

Brenda Jones Honored With Bridal Shower

Brenda Jones, bride-elect of Bryan D. Ray, was honored with a pre-nuptial shower in Fellowship Hall of First Baptist Church, Farwell, Tuesday night, Sept. 7.

The honoree's colors of brown and yellow were featured in the table decor and in the corsages presented to her, and to her mother, Mrs. Orie Jones of Farwell, and her maternal grandmother, Mrs. Beatrice Stephens of Clovis.

The refreshment table was covered with white lace and was centered with a yellow silk floral arrangement in a crystal holder. Milkglass appointments were used to serve assorted cookies and punch. Yellow and brown napkins completed the decor.

Assisting the honoree in opening and registering gifts were her mother, her sister, Connie Jones, and Carolyn Johnson.

Special guests included the honoree's grandmother, Mrs. Stephens, her aunts, Beulah Mitchell, Cordie Lockmiller, and LaQuita Stephens, all of Clovis, and LaMoin Williams of Farwell; a great-aunt, Clois Gammel, also of Clovis; and cousins Cheryl Whitener, Kathy Trull, Janice Stephens, Joyce Williams, and Deb Williams and Jennifer.

Hostesses for the shower were Lila McDaniel, Imogene Cox, Mona Hardage, Donna Kalbas, Frances Lovelace, Mary Kalbas, Annette Black, Sharron Hughes, Martha Curtis, Joy Chadwick, Gladys Kaltwasser, and Linda Gerles. Their gifts to the honoree were an electric skillet and a slow cooker.

Brenda and Bryan will exchange wedding vows this Saturday at 2 p.m. in the First Baptist Church in Farwell.

Joshua Travis Honored At Get-Acquainted Fete

Joshua Patton Travis, infant son of Mike and Kathryn Travis of Lubbock, was the honoree at a get-acquainted party and shower Saturday morning, Sept. 4, at the home of Dorothy Gast in Farwell. Assisting Mrs. Gast as hostesses were Billie Sluder and Katherine White.

Special guests in addition to Joshua and his mother were his paternal grandmother, Jean Travis of Farwell, his

great-grandmother, Ethel Brown of Portales, and a great-aunt, Zell Chapman, also of Portales.

Refreshments of pumpkin bread, strawberry bread, banana bread, nuts, mints, spiced tea, and coffee were served from a table centered with an arrangement featuring a baby buggy and yellow jonquils.

Some 30-35 guests called during the party to get-acquainted with young Joshua.

Mike Traves Parents Of Son

Mr. and Mrs. Mike Travis of Lubbock, formerly of Farwell, announce the birth of their first child, a son, born August 6.

The young man, named

Joshua Patton, weighed 7 pounds, 14 ounces, and was 21 1/2 inches long.

Maternal grandparents are Harry and Bobby Patton of Clovis, and paternal grandparents are Harold and Jean Travis of Farwell. Paternal great-grandmother is Mrs. Ethel Brown of Portales.

Steers Of The Week

SANTIAGO LUCIO

ALAN EUBANK

Defensive Steer of the Week honors went to Santiago Lucio, junior back, for his performance in the Plains-Farwell game. He was named by the Farwell coaching staff for his eight tackles, two behind the line for Plains losses, and he made two touchdown-saving tackles. He also carried the ball many times for good yardage.

Offensive Steer of the Week named by the Farwell coaching staff was Alan Eubank, junior back, who gained a total of 124 yards rushing. He also scored on a 60-yard touchdown run and caught a pass in the end zone for a two-point conversion in the game played last Friday night at Plains. He also played good defense.

Farwell Boosters Plan Ex-Student Reception

Farwell Booster Club met for its weekly meeting Tuesday night at Luce's restaurant, and members voted to sponsor a reception after the Homecoming game with Seagraves on September 24, for all ex-students and fans.

The reception will be held in the Farwell home ec cottage, with light refreshments to be served by the club.

Lee Nell Eubank, treasurer, reported that the club now has \$1,595 in the bank with \$435 in funds still outstanding from the Steer football and basketball placard sponsors. Expenses for the placards, film, and button pictures have yet to be paid.

Joe Jones reported that the expense for the Booster Club bus to Plains last Friday night came to \$506, but the club took in \$507 in bus fares.

Twenty-two parents and fans attended this week's meeting, and President Troy Christian urged all fans and especially the parents to attend the weekly meetings and support the Steer sports program.

Cocher Bruce Dollar commented on the Steers' performance against Plains saying that the boys played harder and held up their spirits better than Plains. "Our team didn't let up at all during the game." Regarding Friday's game with the Anton Bulldogs, the coach said that he expected Anton and Vega to play for their district's championship with the winner going to the state finals in Class A.

Cocher Dollar also screened the film of Plains game and again commented on the Steers' spirit throughout the game.

Parade Trophy

Sharon Myers and Erik Burton of the Farwell Junior High School Band proudly display the first place trophy won by the band for its participation in Tuesday's Eastern New Mexico State Fair Parade in Roswell. The invitational parade is sponsored annually by

the Roswell Jaycees. Farwell's band won over four other school bands in the Middle School Class A division. The band, which is directed by Lynn Burton, was making its first marching appearance of the year.

Farwell Jr. High Band Takes 1st

Farwell Junior High Band, under the direction of Lynn Burton, made a really good showing in its first marching appearance of the year, capturing the first place trophy for middle schools Class A division in the Eastern New Mexico State Fair Parade Tuesday at Roswell.

Participation in the parade at Roswell is by invitation only, and this is the first year that a Farwell band has been invited; so that made it an even more exciting win for the junior high group.

Other bands participating in the division with Farwell were junior high groups from Roswell, Mountain View, Berrenda, and Sierra Junior High or Middle Schools.

High schools having bands in the parade were Dexter, Roswell and Goddard.

Floren Thompson of Eastern New Mexico University was judge for the parade, and according to Burton, made some very complimentary remarks about the Farwell Junior High Band, saying "They played very well."

Upcoming Sport Events

Farwell Varsity Steers will travel to Anton tonight (Friday) to meet the Bulldogs at 8 p.m.

Texico Wolverine varsity will meet the Capitan football team at Capitan with game time at 7:30 MDT.

Lazbuddie Longhorns will go to Whiteface tonight; game time is 8 p.m.

Texico volleyball girls will host Logan Saturday, Sept. 11, at Wolverine gym, with all three teams, A, B, and junior high, playing beginning at 2 p.m. MDT.

On Sept. 13, the B and 7-8

teams will play Portales at Texico with games beginning at 3:30 p.m., and on Sept. 14, the A and B teams will meet Muleshoe at Texico, with games beginning at 5 p.m.

Texico junior high Wolverines will meet the Portales team at Texico on Saturday, Sept. 11, with game time at 4 p.m. MDT.

Farwell 7th and 8th grade team will travel to Sudan on Thursday, Sept. 16, for a game beginning at 5 p.m.

"Behind an able man there are always other able men." Chinese proverb

Cowboys Lasso Steers . . .

(Continued from Page 1)

Farwell PAT pass to Eubank was good, and with 1:42 left on the game clock, the score stood at 21-21.

With 1:20 left, the Cowboys stunned the Steers with a long pass to Romero that netted them the final winning points. Their kick for points again failed, leaving the score at 27-21 in favor of Plains.

The game then ended with a series of Farwell runs and incomplete passes until on the final play of the game, Plains intercepted the ball to secure the Cowboy win.

Steer head coach Bruce Dollar said, "Plains didn't beat us. We beat ourselves with mental lapses. Overall, we looked good, but showed a lack of great speed."

Cocher Dollar has named Alan Eubank as the Steer offensive player of the week. Eubank had a total of 124 yards rushing and scored a 60-yard touchdown and caught a pass for a two-point conversion.

Santiago Lucio was named defensive player of the week, making 8 tackles, two behind-the-line for Plains losses, and made two touchdown-saving tackles.

Farwell players did not sustain any injuries, so the

team should be in good shape for the game tonight (Friday) with the Anton Bulldogs.

Cocher Dollar says that District 2-1A Anton, the Steers' next opponent, is the biggest Class A team he has ever seen, with boys weighing from 190 to 248 pounds. He says the Bulldogs are also a tall team with boys measuring up to 6'3". Anton has seven starters returning on both offense and defense. They lost to Smyer in the playoff for the zone title last year, but they are picked to win their zone this year.

The coach hopes that parents and fans will turn out in force to Anton tonight (Friday), just as they did for the Plains game. He was most pleased with the support and following the team had there.

Farwell Pep Rally Slated At 3:20

The pep rally at Farwell schools is scheduled today (Friday) at 3:20 in the high school gym, as it is each Friday afternoon.

All parents and fans are urged to come and help boost the Steers' spirit as they head for their second game of the season at Anton against the Bulldogs.

At last week's pep rally, Coach Bruce Dollar was the main speaker and he introduced his 21 varsity football players and the coaching staff. He expressed his appreciation for the support of the fans and of the school spirit.

He said that regardless of the outcome of the game, parents and fans can rest as-

sured that the effort of his players will be strong.

Cheerleaders and the pep squad put on an educational skit on how the football game came to be, and introduced different positions on the team portrayed by players (sic) in strange getups.

Farwell Band Flag Corps, dressed in blue skirts and vests trimmed in silver rickrack, with white shirts and white boots, performed with the twirlers.

The band played, the cheerleaders led, and the audience yelled. The spirit stick was awarded to the junior class.

Each Friday is Blue and White Day, so everyone is urged to wear the blue and white colors.

Farwell J.V. Loses To Plains

Farwell Junior Varsity Steers played Plains JV last Thursday at Steer Stadium and lost 14-0. Coach Vester Joiner said, "We made a few mistakes and the boys had first game jitters."

Coach Joiner also said, "We had a good defense, holding the Plains JV Cowboys at 0-0 until the last quarter." But during the last quarter, the Steers fumbled costing them the game.

"The defense was good, but the offense needs a lot of work and the boys need to run more," says their coach. He also feels they need to do more work on their blocking. They're going to play a running game this year with very little passing.

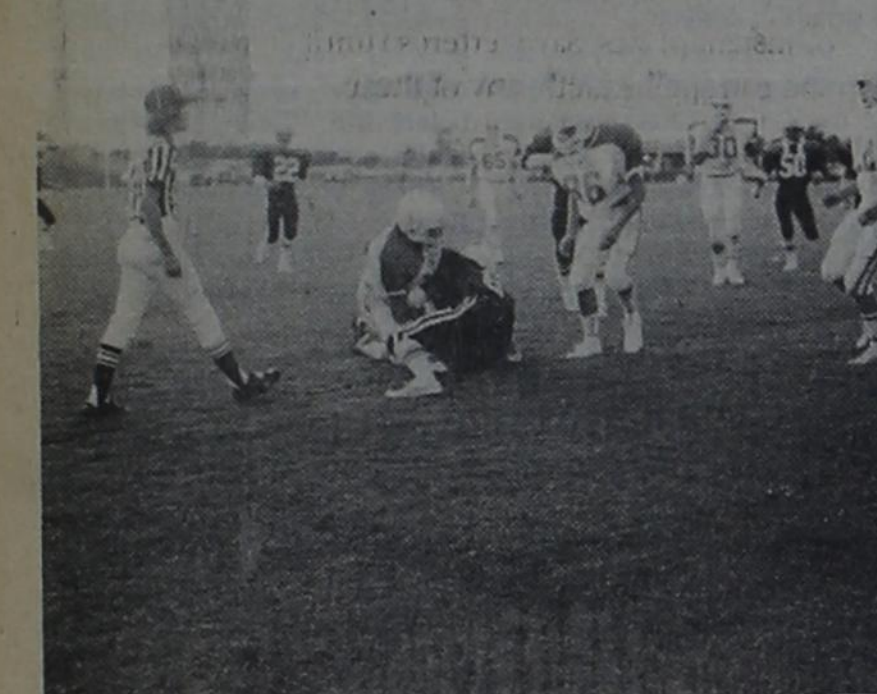

Next game for the JV team will be September 16, at 6:30 p.m. against Muleshoe at Steer Stadium.

Pandemonium Reigns

Late in the fourth quarter, Raymond Sierra of the Blue and White recovered a Plains fumble in the Cowboys' end zone for the third Steer touchdown. Sharing in the jubilation are Manuel Cantu,

Ricky Sikes, Michael Sanchez, and Wade Kent, along with the rest of the team. The recovery and ensuing PAT, gave the Steers a 21-21 tie at that point in the game.

Steer Defense At Work

Alan Eubank takes Cowboy running back Vince Fitzgerald out of bounds on the Steer 38 yard marker in the second quarter of the Farwell-Plains game played at Plains Friday

night. The Steer defense played good ball all evening but was hurt several times by the Cowboys' ability to complete the long pass play.

Super Bowl Super Stars

Former Green Bay quarterback Bart Starr has the best completion record in Super Bowl history, completing 69.6 percent of his passes in Super Bowl I. The Packers beat Kansas City 35-10.

Only the Miami Dolphins have played in three consecutive Super Bowl games. They lost to Dallas in Super Bowl VI, but beat Washington and Minnesota the following two years.

"Courage is that which lies half way between rashness and cowardice." Cervantes

AVISO PUBLICO

Breves Declaraciones Explicativas De Las

ENMIENDAS CONSTITUCIONALES

PROPUESTAS ELECCION GENERAL 2 DE NOVIEMBRE DE 1982

PROPOSICION NUMERO 1 EN LA BOLETA

Resolución Conjunta de la Cámara de Representantes 1 propone una enmienda constitucional que prohíba cualquier impuesto estatal por avalúo. Los recibos de impuestos estatales por avalúo anteriormente autorizados que son cobrados después de la fecha efectiva de la propuesta enmienda a esta sección serán depositados al crédito del fondo general del condado que cobra los impuestos y pueden ser gastados para los fines del condado. Los impuestos que son cobrados antes de esa fecha serán distribuidos por la Legislatura entre las instituciones educativas que son elegibles para recibir esos fondos bajo ley previa. La propuesta enmienda también revoca una sección de la Constitución que impone un impuesto por avalúo para un fondo para la construcción de 17 colegios y universidades estatales.

La propuesta enmienda aparecerá en la boleta como sigue:

"La enmienda constitucional que revoca el impuesto estatal sobre la propiedad."

PROPOSICION NUMERO 2 EN LA BOLETA

Resolución Conjunta de la Cámara de Representantes 62 tal como fue enmendada por Resolución Conjunta del Senado 10 propone una enmienda constitucional que elimine el límite de \$80,000,000 de asistencia pública estatal durante cualquier año fiscal.

La enmienda establecería el límite de gastos de asistencia pública estatal a \$160,000,000 para el bienio 1982-1983.

Además la enmienda provee que para cada bienio subsiguiente la cantidad máxima que se pueda gastar en asistencia pública no será en exceso de 1% del presupuesto estatal.

La propuesta enmienda aparecerá en la boleta como sigue:

"La enmienda constitucional que autoriza a la Legislatura proveer asistencia por el proceso de asignación a necesitados y establecer un límite sobre los pagos para niños dependientes necesitados de un por ciento del presupuesto estatal."

PROPOSICION NUMERO 3 EN LA BOLETA

Resolución Conjunta del Senado 8 propone una enmienda constitucional que exención de la imposición de impuestos la maquinaria y el equipo que se usan en la producción de productos agrícolas y ganaderos. No se impondría límites de dólares y la exención se aplicaría a las sociedades anónimas y colectivas tanto como a las familias y los individuos.

La propuesta enmienda aparecerá en la boleta como sigue:

"La enmienda constitucional que exención los implementos de producción agrícola (maquinaria y equipo agrícola) de la imposición de impuestos por avalúo."

PROPOSICION NUMERO 4 EN LA BOLETA

Resolución Conjunta de la Cámara de Representantes 77 propone una enmienda constitucional que autorice a la Legislatura establecer un límite de cuatro años para los plazos de los miembros de las juntas de ciertos distritos de agua y distritos de conservación y reclamación.

La enmienda propuesta aparecerá en la boleta como sigue:

"La enmienda constitucional que autoriza a la Legislatura proveer plazos de no más de cuatro años para los miembros de las juntas gubernamentales de ciertos distritos de agua y distritos de conservación y reclamación."

PROPOSICION NUMERO 5 EN LA BOLETA

Resolución Conjunta No. 119 de la Cámara de Representantes propone una enmienda constitucional que autorice a los condados de Tarrant y Bee celebrar elecciones en los dos condados para anular por mayoría el oficio de tesoro del condado.

Si se anula el oficio de tesoro del condado, se cederán los deberes, poderes y funciones de dicho oficio al auditor del condado o al sucesor de las funciones del auditor.

La enmienda propuesta aparecerá en la boleta como sigue:

"La enmienda constitucional que anula el oficio de tesoro del condado en los condados de Tarrant y Bee."

PROPOSICION NUMERO 6 EN LA BOLETA

Resolución Conjunta del Senado 6 propone una enmienda constitucional que aumente el límite de la tarifa constitucional de interés en los bonos generales estatales de obligación de 6% a 12%. Sin embargo, el nuevo límite de 12% no se aplica a bonos emitidos de la Junta de Terrenos para Veteranos.

La propuesta enmienda aparecerá en la boleta como sigue:

"La enmienda constitucional que aumenta la tarifa máxima de interés que se permite en los bonos generales estatales de obligación a un promedio ponderado de 12% de interés anual."

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED

CONSTITUTIONAL AMENDMENTS

GENERAL ELECTION NOVEMBER 2, 1982

PROPOSICION NO. 1 ON THE BALLOT

House Joint Resolution 1 proposes a constitutional amendment that prohibits any state ad valorem tax. Receipts from previously authorized state ad valorem taxes that are collected after the effective date of the proposed amendment shall be deposited to the credit of the general fund of the county collecting the taxes and may be expended for county purposes. Taxes collected before that date shall be distributed by the legislature among educational institutions eligible to receive those funds under prior law. The proposed amendment also repeals a section of the Constitution levying an ad valorem tax for a construction fund for 17 state colleges and universities.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment repealing the state property tax."

PROPOSICION NO. 2 ON THE BALLOT

House Joint Resolution 62 as amended by Senate Joint Resolution 10 proposes a constitutional amendment that would eliminate the \$80,000,000 ceiling on state welfare aid during any fiscal year.

The amendment would set the state welfare spending limit at \$160,000,000 for the 1982-1983 biennium.

The amendment further provides that, for each subsequent biennium, the maximum amount spent for state welfare shall not exceed one percent of the state budget.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to provide assistance through the appropriations process to needy persons and to place a ceiling on payments for needy dependent children at one percent of the state budget."

PROPOSICION NO. 3 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would exempt machinery and equipment used in the production of farm and ranch products from taxation. No dollar limits would be imposed and the exemption would apply to corporations and partnerships as well as to families and individuals.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment exempting implements of husbandry (agricultural machinery and equipment) from ad valorem taxation."

PROPOSICION NO. 4 ON THE BALLOT

House Joint Resolution 77 proposes a constitutional amendment that would authorize the Legislature to set a four year maximum term of office for board members of certain water districts and conservation and reclamation districts.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the Legislature to provide terms not to exceed four years for members of governing boards of certain water districts and conservation and reclamation districts."

PROPOSICION NO. 5 ON THE BALLOT

House Joint Resolution 119 proposes a constitutional amendment that would authorize Tarrant and Bee counties to hold county-wide elections to abolish the county treasurer's office by majority vote.

Should the county treasurer's office be abolished, the duties, powers, and functions of that office would be transferred to the county auditor or the successor to the auditor's functions.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to abolish the office of county treasurer in Tarrant and Bee counties."

PROPOSICION NO. 6 ON THE BALLOT

Senate Joint Resolution 6 proposes a constitutional amendment that would raise the constitutional interest rate limit on state general obligation bonds from 6% to 12%. The new 12% ceiling does not, however, apply to bonds issued by the Veterans' Land Board.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment increasing the maximum interest rate allowed on state general obligation bonds to a weighted average annual interest rate of 12%."

Texico Volleyball Girls Take 3 Wins Over Dora

Texico volleyball girls took easy wins over Dora Thursday, Sept. 2, at Texico in their first games of the season, with the varsity winning 15-1, 15-8; the junior varsity, 15-5, 15-11; and the junior high, 15-3, 13-15, and 15-0.

Coach Mike Littlejohn said he was very pleased with the way all the teams served and passed the ball. "They hustled extremely well," said the coach about the teams' efforts to keep the ball in bounds, and in keeping the ball up to ten

returns per play. He said their game plan of keeping the floor covered while setting up the ball enabled them to score several points per server.

This year is the first time all the junior varsity girls had played together in a team effort, and he said, "They make a good team, but they can always be better."

Next games for all three teams will be tomorrow (Saturday) with Logan at Texico. On September 13, the junior varsity and junior high teams will meet Portales at Texico, and on September 14, all three teams will play Muleshoe at Texico.

Members of the varsity volleyball girls are Dana Morris, Lucia Jesko, Karen Snodgrass, Cheryl Scott, Chary Jesko, Valda Cavallero, Helen Boarman, Kandy Keeler, E-layne Horner, Coy Jo Burk, Kelly Lynn, Loretta Gonzales, and Ruth Scott.

Longhorn Seniors

The Lazbuddie Longhorns feature 10 returning seniors to their gridiron squad this season. They are, from left, sitting: Julian Ovale, Bart Elliott, and Jimmy Garcia; kneeling: Casey McBroom,

Danny Powell, and Rickie Dale; standing: Jeff Dan Tarter, Mark Lust, Jeff Jesko, and Daniel Schacher.

Lazbuddie Edges Smyer 14-12

Bart Elliott and Jeff Jesko combined their running and kicking talents to lead the Lazbuddie Longhorns to a tight 14-12 victory over Smyer in the season opener played at Lazbuddie Friday night.

Elliott made both the Longhorns' touchdowns, scoring on runs of 40 and 60 yards. Jesko's toe accounted for two PAT scores to give the Longhorns the narrow victory.

Longhorn Coach Terry Campbell said he was pleased with his team's performance, and added, "You really can't complain when you win."

Smyer drew first blood, scoring a touchdown in the first quarter; however, the run for extra points was halted and the visitors held a 6-0 advantage. Elliott then ran for his first TD of the night and Jesko booted the extra point to give the Longhorns a brief 7-6 lead.

In the second period Smyer's Rudy Salgado scored his second touchdown of the game, but once again the run for

extra points was stopped and Smyer was ahead 12-7 at halftime. Salgado's scores came on a 62-yard pass interception and a 68-yard run from scrimmage.

In the third period Elliott broke away for another long TD run, Jesko booted the point-after, and ended scoring for the game.

Coach Campbell commented that he felt penalties really hurt the Longhorns, saying, "There were times we should have scored but didn't because of a penalty stopping us just short of the goal line." The offense had 60 yards in miscues while the defensive unit drew 15.

The coach named Jimmy Garcia and Bart Elliott as the Players of the week. Garcia played well in the defensive line, making nine tackles and causing one fumble.

Elliott was named offensive player for his 173 yards gained on 20 carries and for scoring the team's two touchdowns. Daniel Schacher was given

the Hit of the Week Award for his eight tackles during the game. Also named outstanding for his performance was Jeff Jesko who kicked the two extra points.

Next game for the Longhorns will be tonight (Friday) at 8 o'clock when they travel to Whiteface to take on a large team.

Campbell says, "Whiteface is a big team with several of their players weighing in at over 200 pounds. It will be a good game."

Texico Athletic Boosters Membership Signup Urged

Texico Athletic Booster Club membership drive is still underway, and all parents and fans are urged to sign up right away. Dues are only \$5 per person, and may be paid at the gate at home games, or see any booster club member.

Booster members have been busy the past two weeks with fund-raising activities. Proceeds raised by the Booster Club will go totally to the sports activities on all levels of the school, reports Kay West. Funds will be used for recognition of the players as well as any needed equipment.

The club is requesting donations for the garage sale which will be on September 18 in the Roy Thornton garage on Avenue F in Texico. Items of

all kinds are needed, especially good children's clothes, coats, and any other apparel. Anyone having any items to donate should contact any club officer.

Another project being sponsored by the club is the sale of sports buttons. These are \$2.50 each and must be ordered in advance. The buttons feature a picture of a requested athlete which are available for any varsity football player, varsity or junior varsity volleyball player, or any varsity cheerleader. The buttons may be ordered by contacting Mrs. Kay West or Mrs. Eddie Duns-worth before Monday.

Next meeting of the club will be Thursday, Sept. 30, at 7:30 MDT in the high school library.

Preparations Underway For Texas State Fair

DALLAS — Preparations are underway for the October 8 opening of the 1982 State Fair of Texas. "Texas at its Most," this year's appropriately immodest theme, will make native, transplanted and would-like-to-be Texans proud to be a part of this 17-day ultimate Texas experience.

For the true Texan, nine days of championship rodeo and 30 different breeds of livestock for show and sale will be featured. Those who prefer putting their boot to the pedal will have the opportunity to have a first look at the 1983 automobiles displayed in one of the biggest new car shows in the country.

Gridiron cowboys will not be disappointed when those Red River rivals, Texas and Oklahoma, battle it out once again in the Cotton Bowl on October 9.

Royalty will be running rampant at this year's Fair. Yul Brynner will create his greatest role as the swaggering monarch in "The King and I," booked for 24 performances in the Music Hall. A King of another kind will also be in the spotlight. King Olaf V will visit the Fair on Norwegian Day, October 9.

More than 300 exhibits, 25 contests, and numerous shows and demonstrations will vie for the attention of the three million visitors expected to pass through the gates before the Fair closes on October 24.

Indoor and outdoor stages are located throughout the 277-acre grounds providing continuous free entertainment, a trademark of the State Fair of Texas. Daily events will include multiple performances of

an outdoor ice show, a 3-ring circus, a full-scale parade and a fireworks show each evening. Street dances, marching band competition, and ethnic day celebrations traditionally generate good-sized crowds.

Food and fun are primary ingredients for a complete fair experience, and visitors will be able to sample a varied and international menu at more than 200 food booths and restaurants. The mile-long midway offers skill games, souvenir stands, and 60 rides. New rides for 1982 will include the UFO and Looping Star, a version of the 360-degree thriller currently delighting World's Fair audiences in Knoxville.

Admission prices are still \$3.00 for adults and \$1.00 for kids (5-11). Children under 5 are admitted free, as are senior citizens each Tuesday. Hours are from 7 a.m. until midnight, with exhibit buildings open from 10 a.m.-10 p.m.

The Dodgers' Fernando Valenzuela is the first pitcher to win the Cy Young award and Rookie of the Year in the same year. He won them in 1981.

Texico Fair Booths Take Top Honors

Four of the Texico booths on display at the 1982 Curry County Fair in Clovis took top honors this year as the FFA, FHA, 4-H and school booths placed in the top four of their individual classes.

The FFA booth took first place in the competition among FFA booths displayed. The Texico booth, with the theme "Tractor Accidents Don't Just Happen, They're Caused," featured cartoon characters in different accident-causing situations.

Out of the five 4-H booths entered, the Texico 4-H won second place with their booth. Its theme was "Ride a Brighter Star to the Pathways of the Future." "Pathways to the Future," was the theme for all the 4-H booths this year. The 4-H booth's theme is carried out by a new cartoon character, Chris Clover.

Texico FHA won third place in its class, with the theme of "Home Ec Covers It All." The

booth featured an "around the world patchwork quilt" covering the floor, with items from the various areas of home economics placed in the booth.

Texico School won fourth place in competition against eight other area schools. The theme for the school booth is "Smerff Up THS Education."

The booths are judged against other booths in categories of organizations, and all four of the Texico booths will receive prize money in addition to the ribbons. First place will receive \$40; second \$30; third \$20; fourth \$10; and fifth \$5. All booths are on display in the agricultural building on the fair grounds.

Friday is School Day at the fair and all school age children will be admitted to the Fair free from 2 p.m. to 6 p.m. MDT on that day. Texico school will be dismissing classes at 1:30 p.m. Friday to allow the students to take advantage of the free day at the fair.

TTI study shows child restraints could save lives

COLLEGE STATION — Many of the 2,000 children killed annually in traffic accidents in the United States might have been spared if child restraints had been used in the vehicles, according to a report by the Texas Transportation Institute. Sarah Sittin, an associate research psychologist with the Traffic Research and Evalua-

tion Program of TTI headquartered in Austin said only a small number of children are being protected by child restraints or by seat belts. Even seat belts, she said, offer substantial protection in a collision.

TTI is a statewide transportation research group headquartered at Texas A&M University.

Strake Talk

PROPERTY TAXES—GOOD INTENTIONS AREN'T ENOUGH

I want to talk this week about taxes and good intentions.

As I travel around Texas, I notice that what's known as the Peveto Bill is the subject of much talk and controversy. This bill, named after state representative Wayne Peveto, is a tax reform law: legislation of the best intention.

The law was designed to end confusion and unfairness in the way property taxes were assessed. Property was often on different tax rolls at different values. Older properties went years, sometimes decades, without being revalued or updated. New construction and newly sold property was on the rolls at more correct values and so people who owned it paid a higher share of taxes. Some property was simply left off the rolls entirely. The system was confusing and inequitable.

In an attempt to correct these problems, the Peveto Bill created property tax appraisal boards for each Texas county. These boards were charged with the responsibility of set-

ting all property at its full value—as residential or commercial property or as land used for agricultural purposes. Taxes could then be levied on this accurately assessed property according to the needs of the taxing entities.

It sounded good, but it hasn't worked. The biggest problem is that the people on the appraisal boards are appointed, not elected. They are not accountable to the taxpayers. So now we have a new, faceless bureaucracy to deal with. It amounts to taxation without representation.

My opponent has been on both sides of this issue, first supporting the bill in the legislature—then doing an about-face and calling it bad legislation after it was passed.

The Peveto Bill, though well-intentioned, has created problems which must be dealt with in the next legislature and as your next Lt. Governor, I will do just that. If you have any thoughts on this subject, please write me at 1213 W. 34th, Austin, 78705.

140 acres irrigated with circle sprinkler southwest of Muleshoe.

320 acres irrigated, well improved, good water, good house, large insulated shop, east of Farwell.

466 acres, irrigated, 4 miles east of Bovina on highway. Lays nearly perfect.

740 acres, irrigated, 3 circles, 5 wells, northeast of Farwell.

Ideal family farm. 240 acres, irrigated, SW of Bovina, good water area. Two 8-inch wells, 4-bedroom home with basement. Large garage. Owner financing available.

148 acres irrigated, w/extra nice large home. Bovina area.

160 acres irrigated west of Bovina. 1/2 mile lays nearly perfect. Good water area.

162 acres irrigated joining Texico city limits on south.

SAVING IS GREAT INVEST IN REAL ESTATE
"Sales and Loans Are Our Service"

deputy chief for natural resource projects, Joseph W. Hass of Washington, D.C., will be principal speakers for the dedication of the Running Water Draw Watershed Project.

The program will be held at Site 3, the last of seven flood control dams to be completed on the flood-prone Brazos River tributary. Finished earlier this year, the dam is located south of Edmonson in north-west Hale County. Signs along US-70 and Texas-194, west and northwest of Plainview, will point the direction to the site. The Tuesday afternoon dedication will begin at 2 p.m.

The watershed project, which stretches from Clovis, N.M., to Plainview, was first conceived in 1960 after heavy flooding occurred along the watershed. Particularly heavy damage was suffered in Plainview.

The local officials then turned to officials from the U.S. Soil Conservation Service for aid, with the agency (part of the U.S. Department of Agriculture) handling the project. SCS in 1968 estimated that the four dams in the lower portion of the project would cost \$468,040. In contrast, the bid for the Site Three dam was \$2.3 million.

Due to the length of the watershed, the U.S. Soil Conservation Service divided the project into two parts — the Running Water Draw Project in Curry County, New Mexico, and Parmer County, Texas, and The Lower Running Water Draw Project in Castro, Lamb, Swisher and Hale counties.

The upper system includes three dams, one on the main channel north of Clovis, the second on a tributary northwest of Bovina, and the third four miles northeast of Lazbuddie in Parmer County.

The lower system includes four dams, the first about eight miles west of Hart, Site Two in northwest Hale County on North Draw, Site Three near Running Water School (south of Edmonson) and Site Four, four miles west of Plainview on Slaton Draw.

The dams normally operate without manual valves, but

automatically hold back flood waters and release them at controlled rates. "If the dams ever fill to capacity, grassy emergency spillways will take the excess water around the dams," explained Jimmy Lewis, SCS district conservationist in Plainview. When water behind the dam rises above the static level, it flows through a discharge pipe into a draw channel behind the dam.

Final plans for the upper portion of the project were completed in 1966 and the lower project in 1968. The first dam was completed near Bovina in 1972.

The dam system has a life expectancy of 100 years and is designed to contain the 1 percent (100-year frequency) flood.

Planning for the project was financed by Parmer, Castro, Lamb and Hale counties, the city of Plainview, and Clovis and Curry County in New Mexico. The Soil Conservation Service provided funding for the actual construction with the local sponsors securing easements for the dams and water storage. With the completion of the system, the sponsors will maintain and finance upkeep for the facilities.

Sponsors for the project, in Texas, include the commissioners courts in Hale, Swisher, Lamb, Castro and Parmer counties; the City of Plainview, and five soil and water conservation districts, Hale County, Tule Creek, Lamb County, Running Water, and Parmer County. In New Mexico, sponsors include Central Curry County SWCD, Curry County Commissioners Court, City of Clovis, and Ned Houk Park Board.

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635
THE ONE TRUE CHURCH
Religious people—even sincere Christian people—may divide themselves into various denominations or churches, but there is no indication in the Bible that God recognizes these divisions. Indeed, God makes it abundantly clear that in His sight there is but one Church, composed of all who truly trust in the Lord Jesus Christ as their Savior. In I Corinthians 12, verses 12 and 13, the Apostle Paul declares by divine inspiration: "For as the body is one, and hath many members, and all the members of that one body, being many, are one body; so also is Christ."
"FOR BY ONE SPIRIT ARE WE ALL BAPTIZED INTO ONE BODY..."
Again, in Romans 12:5, he says: "SO WE, BEING MANY, ARE ONE BODY IN CHRIST, AND EVERY ONE MEMBERS ONE OF ANOTHER."
Indeed, it is on the basis of the fact that there is but "one body" in God's sight that He exhorts us to seek to "keep the unity of the Spirit."
"ENDEAVORING TO KEEP THE UNITY OF THE SPIRIT IN THE BOND OF PEACE."
"THERE IS ONE BODY..." (Eph. 4:3,4)
How can we become members of that "one body," the true church? Ephesians 2 explains how Christ died for all, Jew and Gentile alike, "THAT HE MIGHT RECONCILE BOTH UNTO GOD IN ONE BODY BY THE CROSS..." (Ver. 16). Indeed, the Epistles of St. Paul show how God "hath concluded all in unbelief that He might have mercy upon all," and offer to them reconciliation and salvation by grace through faith in Christ who died for our sins.
The question then is not "What church do you belong to?" but "Do you belong to THE CHURCH, THE BODY OF CHRIST, composed of all who have acknowledged themselves to be sinners in the sight of God and have trusted in Christ and His finished work for salvation?"

Troop 200 Bus Leaves Town

Jack Rose, right, and John Tredway, in bus door, recently renovated the old Boy Scout Troop 200 bus before taking it to Elk City, Okla., where it will be put into service by the Scout Troop in that community. The local bus made its last major trip in the summer of 1972 when it took the local Scouts on a two-month junket to Alaska and back.

To Okla. - -

Old Scout Bus To Ride Again

Monday saw the old Boy Scout Troop 200 bus leave Farwell for one last time. It was bound for Elk City, Okla., where it will be put into service by the Boy Scouts in that community.

The renovation and transfer of the bus was a project of the Alpha Phi Omega national service fraternity, a fraternity based on the same principles as the Boy Scouts of America.

Jack Rose, a former local Scout and son of Mr. and Mrs. Claude Rose Jr. of Farwell, is attending college at Southwestern State in Weatherford, Okla., and is also president of the Psi Upsilon Chapter of the national fraternity.

Rose was assisted in the renovation project by John Tredway, the Chapter Service Vice-President.

According to Rose, the bus was purchased by the Weatherford fraternity chapter and will be donated to the Boy Scouts in Elk City. Rose said the purchase price of the bus was \$1,000 and that the money was put into a Certificate of De-

posit to earn interest until the local Scout Troop 200 is reactivated and claims the money.

The bus gained a place in the hearts of the local Scouts when in the summer of 1972 it took 20 local boys and three adults on a summer trip to Alaska and back via the Alcan Highway. Since that time the bus has been in storage at various locations in the community. Also in the meantime the Boy Scout Troop 200 has become inactive in the community.

Rose expressed the hope that the \$1,000 nest egg will be an incentive for the local troop to again become active in the community.
