Mrs. Carl Worley is shown receiving a check for \$5 from Carl Davis of the local Piggly Wiggly Store for having named the most correct games in the local Cotton Bowl Football Contest.

Petit Jurors Called For Monday Session

Forty-eight persons have been notified by Parmer County Sheriff Charles Lovelace to appear Monday, October 8 in Farwell for the petit jury.

Those notified were Mrs. Dee Brown, Mrs. Earl Stevenson, U. S. Akens, Hayden Cason, Ivan Adkins, George T. Douglas, Mrs. Davis Gulley, T. I. Burleson, Jr., Mrs. R. W. Anderson, Charles Vickers, Jim Bob Smart, Allan Cumpston, Guy Latta, Monty Barrett, Martha Bates, M. D. Nobles, Howard Looney, George A. Jones, Spencer Hough, G. D. Anderson, Jr., Curtis Birchfield, D. L. Car-

michael, Don Murphy, Lee Mason; Mrs. James H. Clay, J. D. Mabry, Melba Allen, A. L. Carlton, Ray Martensen, Bob Hart, Don Williams, Clyde Fields, S. M. Bailey, Claude Blackburn, Robert E. Wilson, Dwight Sheriff, C. A. Felts, Cecil Atchley, Donald C. Christ-

(Continued P. 2)

Six Tied For First ; Worley, Williams, Worley ; Winners

With four weeks of the Cotton Bowl Football Contest under the wire it is still anybody's game with six persons tied for first place having called 27 correct games out of a possible 40. Four persons have called 26 games correctly and eight persons have 25 correct games.

Taking first prize money in the fourth week's contest was Mrs. Gari Worley. She along with her husband Pat, Don Williams and Dargin Kirk called eight correct games; however she was closer on the tiebreaker score than were the others. She called the Farwell-Morton game within eight points with the men missing by 15, 16 and 19 respectively.

Several persons called seven correct games; however the majority of contestants only called three, four or five games right this week.

In the overall contest Mrs. Thelma Alexander is tied for first place with Charlie Dannheim, Dargin Kirk, Bill Prince, W. M. Roberts and Don Williams. In second place are Don Gerles, Camp Porter, Mrs. Glenn Phillips and Mrs. Albert Johnson. In third place with 25 correct guesses are Jim Clements, John Green, Bunk Phillips, John Porter, R.S. Shuman, Edith Ann Walling, Glenn Phillips and Mrs. Bill Moss.

First contribution to the United Fund Drive in Texico was from Golden West Seed Co. Shown here watching Ray Pritchett, manager, as he signs a check for \$50 are L to R Mrs. Perry Winkles, Mrs. Elward Combs and Mrs. Joe Camp members of the Modern Homemakers Club.

United Fund Drive Began Monday, October 1

The Curry County United Fund Drive got off to a good start Monday morning with a coffee for workers in the recreation

room at Southwestern Public Service Co. in Clovis. Work-

ers picked up their packets of supplies and were given instructions by C. D. Kelley, chairman of the County Drive.

Lazbuddie Homecoming This Week

Lazbuddie Homecoming activities are scheduled to get underway Thursday evening at 7:30 p.m. with a bonfire and pep rally at the football field at Lazbuddie.

During the halftime activities of the homecoming game between Lazbuddie Longhorns and the Amherst Bulldogs Friday night, October 5 the Homecoming Queen will be crowned by the captain of the football team. Superintendent J. G. Ward, says "We are expecting a large crowd for this event."

He says the goal for Curry County has been set at \$64,500 with the money derived from the drive to be used by the disabled Children's Association, the

Curry County Polio Chapter, the mental health program, New Mexico Boys Ranch, Girl Scout Camp, the T. B. Association, American Red Cross, Boy Scouts of America, USO and the Salvation Army.

Mrs. Melvin Burns is chairman of the drive locally and is being assisted in the drive by members of the Modern Homemakers Extension Club of Texico. They began their drive locally Tuesday morning and will continue it throughout the month.

Dr. Jack Redman Visits Texico,

Dr. Jack Redman, Republican candidate for United States Congressman from the state of New Mexico brought his campaign to Texico and Curry County Tuesday.

Speaking to a group of approximately 40 persons at a coffee in his honor at the Spur Restaurant in Texico, Redman said "It's time for a change in Congress. On November 1, the people of New Mexico will, I believe, reject once and for all the top-down kind of representation which we now have.

Redman, an ordained Presbyterian Elder and practicing physician in Albuquerque said "We believe that our Father is in Heaven - Not in Washington. He says, 'It is time the American people awake before it is ever too late.' 'I am for prudent spending of American dollars, for stimulating the independence of our people from the government rather than for dependence on it, for private enterprise and for representation in the government from the people up rather than for controls from a few.'"

He also spoke to gatherings of people in Portales and Clovis as well as making other stops in Curry County.

Record Broken, Farwell Loses

Muddles and misfortune seemed to hang heavy over Steer Stadium in Farwell last Friday night. From the first time they put their hands on the ball, the Farwell Steers couldn't seem to get themselves organized, and as a result a perfect-win record so far this season was broken. Morton beat the Steers 15-13.

The difference was more than a matter of simply extra points, however. It was a frustrating game all the way for the Blue and White. Winning the toss to start the game, they elected to receive, and on the first play from scrimmage fumbled.

Morton fell on the ball on the 20 and that set the Indians up for their first score three plays later. Lester Dupler, Morton halfback, ran it over from the 4. Then the Indians, making the most of their opportunity, passed for two extra points and Farwell was down 8-0 with the game only two minutes old.

Farwell never quite recovered from the shock of that first score, although at numer-

ous points in the game it looked as if they were going to get their offensive machine back into condition. Things just never quite worked out, and the Steers were forced to play "catch-up ball" all night long. Only, they just couldn't catch up.

Farwell's ground game found the going pretty rugged. Morton's line was big and could hold the Steer runners. Early in the game the hosts were forced to resort to passing. In fact, Farwell's first score came on a pass from quarterback Leon Lovelace to Ronny Reed, which moved the ball all the way from the Farwell 30 on the second series of downs in the first quarter of the game.

Lovelace's attempt to run over the extra went short, however, and Farwell trailed 6-8.

The teams exchanged punts in the latter part of the first quarter, but near the end of it the Indians were beginning to threaten

to score again, having obtained first downs on the Farwell 35 and then the 21.

The Steers tightened up and eventually obtained possession on their 35 early in the second quarter. Nothing worked right for the Steers, though, and they kicked out. Morton started a series on their own 38 but didn't fare too well either and they kicked.

Another misfortune hit the home team at this point when the ball took a crazy bounce after being touched by the Steer player and the Indians managed a recovery of their own punt on the Farwell 38.

Then the Morton ground game began to click, mostly on the legs of Dupler, who spun a charged through into the secondary almost each time he carried the ball--which was often.

This ground offensive set up a scoring situation, but it was a pass which brought the score from the Farwell 24-yard line. That put the Indians ahead 14-6 and they made their kick good to push it up to 15-6.

Later in the second quarter, things were going from bad to worse for the Steers. They had had to kick, and Morton, aided by a penalty, got a first down on the Farwell 4. A score for the visitors seemed imminent, but this time lightning struck Morton and they fumbled. Bob Scott Anderson hauled in the ball on the 7 and Farwell took over.

With 2:20 left in the first half, Farwell kicked out of their hole. Morton began passing immediately in an attempt to score again. Pass interference was ruled against the Steers which gave Morton a first on the Farwell 18 and 18 seconds left. Morton ran three pass plays in that 18 seconds but they all failed.

Morton received to start the second half and in the opening minutes ground down to the Farwell 31, getting a first down on a fourth down try. From there they punched down to the 10, and Farwell fans were fearful that the Indians were set to score again and put the game on ice.

But the Steers took over at that point and made good yardage up to the Farwell 48. There they punted and Lovelace's kick went out of bounds on the Morton 10.

Morton was later forced to kick, but a roughing penalty pulled them out of the hole and they got a first and 10 on the Morton 40. Finally, Farwell got the ball back on their own 16 and began a crucial series. There were only 9:04 left and the Steers were faced with the necessity to score twice to win.

Passes went well for the Steers this time. Lovelace sent one from the 18 to the 30 to Reed and then another from the 45 to the Morton 35 to Anderson.

Then a penalty (roughing the passer) aided Farwell and the Steers got a first down on the Morton 15 with 4:56 left in the

(Continued P. 2)

FROM THE HOPPER

BY HOP JR.

Opportunity doesn't always knock. Sometimes people have to reach right out on the doorsteps and ask it in.

One guy we know of who is a perfect example of this is Hugh Bishop of Portales, who really keeps 'em stirred up over New Mexico way. He is a whiz-bang salesman, sharp manager, and promoter extraordinary. He is no fly-by-night operator, either. His business is sound and growing, and Hugh shows all the external evidences of having prospered because of his hustle.

The latest excitement Hugh got into was with the New Mexico state fair. He showed up at bidding time and plunked down \$5200 for the racing program concession. This meant that he had to guarantee the fair that he would compile, print and distribute programs every day during the fair at the races. This would be quite a chore for an Albuquerque printer. But for a printer in Portales? Ridiculous!

But Hugh did it, and things went off without a hitch. He would pick up the copy in Albuquerque about the middle of the afternoon, hop in his Beech Bonanza, and fly off for Portales, about 200 miles distant. He usually arrived there about sundown. He would buzz the town good once or twice. This was a signal to his employees that he was back with the stuff, and for them to all beat it down to the plant and get to work.

They were there and waiting for him when he rolled in with the copy, and the programs were printed and folded that night. Early the next morning Hugh would load them into his plane and take off for the fair.

He printed and sold over 50,000 programs in this manner, grossing two bits per copy. His take was around \$13,000 and he figures he made a nice profit on the job. Besides, the fair board was tickled pink with his good service.

This is amazing enough in itself, but the story is made better by the comment of Gordon Greaves, who runs the daily paper, The News-Tribune, in Portales.

Gordon remembers when he had a print shop in Portales years ago and just had to close it down for lack of business. "We didn't sell it or move it to another town," he recalls. "We just closed the doors because business was so bad."

Then here came Bishop, with his big ideas for a booming printing business. Today Bishop operates one of the state's bigger and better known printing firms, and all because he had enough get-up and go to make his ideas work.

There is a difference. One of the more fruitless undertakings I have launched lately has been an attempt to shake my childhood-schoolboy nickname "Sonny." Mom hung that one on me when I was just in diapers, I guess, but I've never outgrown it.

Since W. H. Graham, my father, was a Sr. and I was a Jr. it made good sense to keep calling me Sonny right on through high school, which everybody did.

Usually high school graduation puts an end to high school nicknames, but mine didn't. I can see now that my real trouble is that I never left the town I was born in, and in fact didn't even get out of earshot to go to college. Thus, the circle of familiarity was

(Continued P. 2)

Steers-Rams There Tonight

Continuing what is probably as tough a schedule as any Class A team has in the state, Farwell's Steers travel to Portales tonight (Friday) to visit the Rams.

The game is expected to be close, but the hosts have a slight edge over the visitors on the basis of their season so far. They have won three and lost one, the loss being to Clovis in the final seconds.

Portales beat Eunice 19-12 and Fort Sumner by a large score. Last week they whipped Friona 27-0, but the fourth quarter was not played because of rain.

Head Coach Dempsey Alexander says his team is, on the whole, in good shape and will meet the Rams at almost full

(Continued P. 2.)

Quarterback Club Launches Project

Farwell's Quarterback Club has launched a new project, this one intended to upgrade the group's equipment and make it possible for them to do a better job of filming Steer football games.

The Club is kicking off a promotion to raise money for the project, and they will award as a prize in the promotion a home

movie camera, worth about \$300 at retail. This is a camera which has been used only a year by the club and will be very suitable for home use, says Glenn Phillips, Quarterback Club president. It is being replaced with equipment more suitable for the special requirements of nighttime football shooting.

The camera is to be given away at the Homecoming game, which will be October 19. Tickets can be obtained from any member of the Club.

The Quarterback Club is also sponsoring a reception for all former athletes of the Farwell-West Camp - Oklahoma Lane school systems, which will be before the game that evening at the school cafeteria. The Steer football team members and their parents will be special guests and will be presented. Coffee and donuts will be served.

The reception begins at 5 o'clock.

Sunday Dinner

The Sophomore class of Farwell High School announces that it will be serving a Sunday dinner at the school cafeteria, Sunday, October 14, 12 noon until 2:30 p.m.

Price of the meal will be \$1 for adults and 50¢ for all children under twelve years of age. They are inviting one and all to come and enjoy the fellowship and help the class at the same time.

Glenn Phillips, president of the Farwell Quarterback Club, shows the 16-MM Keystone home movie which will be given away by the Club in a money-raising project October 19. The Club is buying more photo equipment to film Steer games and working on a project to improve lighting at the field.

Calvin Young, Texico painter, is shown giving the town hall in Texico a face lifting. The block long area which houses the Woman's Club building, city offices and fire station are receiving a coat of white paint with the lettering in black.

RECORD BROKEN--

game. Lovelace drove for a first on the Morton 4, then passed to Reed for the score. Lovelace kicked the extra to make the score 15-13, Morton.

There remained only 3:03 as Morton took the ball. Naturally, they were in no hurry and stayed on the ground. However, they managed to add yardage and got two first downs and still held the ball when time ran out.

Two Wins, One Loss For Little League

Little league football coaches say their teams are shaping into a group of fine ballplayers with each team having won two and lost one game.

In the season opener September 15 the older boys, Maverick, lost to a team from South Clovis and the younger boys, Calves, won from a South Clovis team. On September 22, the Maverick team won from North Clovis and the Calves lost to North Clovis.

In play the past Saturday the Maverick team defeated a team from Cannon AFB 13-0 and the Calves defeated a Cannon team 27-0.

In the Maverick game Al Phillips ran 72 yards for a touchdown on the kickoff play with Willard Hutsall clearing the field in front of Phillips all the way. Hutsall is a defensive guard and plays in the wingback position on the offensive. Other

boys turning in fine performances for the Mavericks were Ricky Stanley, who carried the ball across for an extra point and Roger Patrick. Coaches for the Maverick team are John Green and Glenn Phillips.

Standouts for the Calves were Danny Prince and Gregg Hargrove, who alternate at fullback and tailback. Bob Hart and Pike Jordan are coaches of the Calves.

Donaldson Family Has Reunion

Approximately 60 members of the Donaldson family were in attendance at a reunion at Oklahoma Lane Community Center, for a farewell get-together for several family members.

Those honored were Mr. and Mrs. Donnie Carpenter, who will be with the U. S. Army in Okinawa, Mr. and Mrs. Jerry Wilborn, she is the former Charlotte Hromas, of Amarillo who will be going to Spain soon, and Mr. and Mrs. Robert Tucker and daughter of Roswell. The Tuckers will be going to San Diego where he will be with Convair Missiles.

Mr. and Mrs. Wayne Tucker and Charles of Roswell were unable to attend the reunion. Wayne is being transferred to Florida where he will continue his work with Convair Missiles also.

HOPPER--

never broken and my moniker stuck with me.

Now I'm not sensitive about this and it won't hurt my feelings in the least to keep on answering to Sonny, but as time takes its toll and the grey hairs keep coming in, this is going to someday reach foolish proportions. So, I'm encouraging, with a sheepish grin, for folks to call me by my father's nickname, Hop, if they will.

Right now things are pretty slow to catch on and I can't tell if this re-christening project is going to go over or not. Anyway, if it doesn't I won't worry. If it's good enough for the world's heavyweight champion, it's good enough for me.

The National Farmers Organization seems to be getting a bad press these days and I don't know whether they deserve it or not. I'm not too well read on the farm front these days, but it seems to me that criticism directed against them may be a little unjust.

Personally, I have a hard time seeing that it is a crime for farmers to get together and agree to withhold their products from the market until prices make an adjustment. The same thing is done in a dozen different industries and for the same objectives, and nobody ever hurls a brick.

I would draw the line pretty quick on making membership in the group compulsory, or in achieving objects of the group through force or threat of force. But the voluntary cooperation of farmers, of any other group, to market their products in an orderly way and to regulate the flow of them to the marketplace seems to be a logical part of the free enterprise system.

Father Local Man Passes Away

Mr. and Mrs. Irvin Martin and family were called to Talpa, Saturday by the death of his father, Dewey Martin.

Services were conducted there Monday from the Calvary Baptist Church with burial in the Talpa Cemetery. Survivors include his wife, two sons, one daughter, six grandchildren and one brother.

A family man is one who has replaced the currency in his wallet with snapshots.

Okla. Lane Gins First 1962 Bale

First bale of cotton for 1962 was ginned at Oklahoma Lane Gin Tuesday afternoon. It was also first bale ginned under the new ownership of the gin -- Oklahoma Lane Farm Supply, Inc.

Levi Johnson, who farms in that community, produced the bale which weighed 537 pounds.

The cotton was of Abstin variety, planted April 10 and watered three times.

The gin purchased the first bale for the premium price of 50 cents per pound.

PETIT JURORS--

tian, Delbert Garner, Jack Kessler, C. A. Watson, Franklin Bauer, Connie O'Brien, Mrs. Olen Ivy, John McFarland, John Range and Mrs. Walter Kalt-

wasser.

Among the cases which are due to be considered are both criminal and civil cases, R. G. Sparks of Bovina is one of the cases to possibly be considered. He is charged in two counts of statutory rape.

Other cases which might be considered are Alvin Hollings, charged with burglary in connection with a break in at Bovina Dairy Freeze, and Joe Morris, charged with forgery and passing a forged check.

STEERS-RAMS--

strength. Danny Lindop is nursing a bruised leg and will see limited action, and Leon Lovelace has a sore back, but neither injury is regarded as serious.

Portales will have a team even larger than the one which beat the Steers Friday night. The Rams average over 200 in the line and their backfield is 165.

The game will begin at 8:30 (Texas time) and be at Greyhound Stadium on the ENMU campus.

COUNTY BUDGET--

"We are working to bring the General Fund out of the hole," Judge Brewer said, indicating that this had been the goal of the Commissioners Court for the past several years. "Another year or so should do the trick," he concluded.

One increase for next year over this will be in salaries, because of the addition of one official, the district clerk, whose office will be maintained in the county for the first time. Parmer County collected 97.3 per cent of taxes levied in 1961. The estimated 1962 tax evaluation for the county is \$14,094,402.25.

VFW To Have Convention

VFW members, in the state of New Mexico are reminded of the convention of VFW members to be held in Clovis, October 12-13.

Byron B. Gentry, national commander and chief of VFW, will be here for the two day meet and will be honored with a banquet Saturday evening and a breakfast Saturday morning.

A parade and flying saucer display in downtown Clovis will climax the two day meet.

Donna Kay Dunn

Donna Dunn Installed

Miss Donna Kay Dunn, 14 year old daughter of Mr. and Mrs. Otis Huggins, was installed in formal ceremonies at Bovina Masonic Lodge, September 24 as Worthy Advisor of Rainbow Assembly 158.

Her colors of red, white and silver were used in room decorations and refreshments and Mrs. Glenn Dunn of Muleshoe, grandmother of Miss Dunn, was installing officer.

Approximately 50 persons were in attendance at the ceremony.

A Daughter For Jerry Trowers

Mr. and Mrs. Jerry Trower of Texico announce the arrival of a daughter weighing 7 lb. 12 1/2 oz., September 28, in Clovis Memorial Hospital. The little miss had not been named at press time.

The Trowers have one other child, a son Tim, 20 months of age.

Grandparents are Mr. and Mrs. F. S. Thigpen of Texico and Mr. and Mrs. B. J. Trower of Bellview.

Auxiliary To Observe Fire Prevention Week

Area residents are invited to observe National Fire Prevention Week with members of the local Firemen's Ladies Auxiliary who are sponsoring a social Thursday night, October 18, 7:30 p.m. (CST) at the Texico Woman's Club building.

Highlight of the evening will be the drawing for a quilt made by members recently and quilted by Mrs. Joe Morgan. Chances are 25 cents each and may be secured from any auxiliary member. The quilt is dis-

played in Texico at a variety store.

A cake walk and Coronation of "Miss Flame of 1962" will conclude the activity. Friends are urged to vote for one of the young Misses who are candidates and votes are one cent each. Jars with pictures of the young ladies are being placed in local stores. Auxiliaries across the nation conduct such a coronation each year.

Candidates entered in the contest to date include: Cindy Combs, Cynthia Eshleman, Betty Autry, Arlene Servatius, Becky Lockmiller, and Debbie Tharp.

"Everyone in this area is invited to attend the social," says Mrs. Perry Winkles, Auxiliary president. Proceeds from the quilt sales, cake walk and "Miss Flame" contest are used to help needy families.

The auxiliary bought meals for families with children stranded in Texico this past summer, serve meals to families in time of illness, death, or fires and provide clothing and household supplies in emergency situations. Food was given to needy families last Christmas and a crippled child here had a happier Christmas because of the Auxiliary.

"Although a small organization, we feel we do many worthwhile deeds," the president explained.

Rebecca Class Meets In Boling Home

The Rebecca Class of Farwell Baptist church met in the home of Mrs. John Boling, Thursday evening for a business meeting and social hour.

The meeting was called to order by Mrs. Mabel Reynolds, president, and the opening prayer was led by Mrs. Hatye Boling. Officers were elected with the following selected to serve this year. Mrs. Mabel Reynolds teacher; Mrs. True Bell assistant teacher; Mrs. John Porter president; Mrs. Hattie Coffey vice-president; Miss Maude Hicks recording secretary; Mrs. Marye Whitley treasurer; Mrs. M. A. Snider and Mrs. Lora Mears class mistress; Mrs. Fairy Stovall and Mrs. Connie Blain membership committee; Mrs. Hatye Boling, Mrs. Ethel Harding and Mrs. Hattie Coffey social committee and Mrs. Ollie Utsman and Mrs. Vida Petree group captains.

Refreshments of salad, coffee, tea and cookies were served to Mesdames John Porter, M. A. Snider, Ollie Utsman, Fairy Stovall, Marye Whitley, True Love, Ethel Harding, Dora Johnson, Harrie Coffey, Vida Petree, Mabel Reynolds, Miss Maude Hicks and the hostess Mrs. Boling.

Farmerettes Enjoy Luncheon

Mrs. R. E. Blankenship was hostess to Farmerette Club members for a 1 o'clock luncheon Tuesday, September 25.

Attending the luncheon were Mesdames Troy Christian, Delbert Garner, Donald Christian, Wendol Christian, Donald Watkins, Harold Carpenter, Leon Grissom, James Roach, Leon Billingsley and Lawrence Cooper.

The October meeting will be in the home of Mrs. Harold Carpenter.

ESA Rummage Sales To Get Underway

ESA members announce that their annual fall rummage sales are scheduled to get underway this Saturday, October 13, at 3 p.m. in the former cafe building next to the postoffice in Farwell. They will continue for three Saturdays.

Anyone having rummage to donate to the club may call any ESA member or contact Mrs. Mitz Walling president or Mrs. Don Williams vice-president of the group.

Childrens clothing, bed lines and dishes of all sorts are especially needed.

All money derived from the rummage sales will be used by ESA members to help the needy, bring cheer to shut-ins and help Santa make his annual visit to the twin-cities.

YWA Officers Attend Workshop

Officers of Farwell First Baptist YWA were in Longview, Saturday, to attend an associational workshop for all YWA officers. Attending from Farwell were Vicki Moss, Sherlene Martin and Reba Lesly, officers of the local group, and Mrs. Roy Lovett sponsor.

Two Delta Xi Members Attend Plainview Banquet

Mrs. Claude Coffey and Mrs. John Boling, members of Delta Xi Chapter of Delta Kappa Gamma, attended the birthday banquet for the Gamma Iota Chapter in the Hilton Hotel of Plainview, Saturday. The chapter of Plainview was honored on its twenty-fourth birthday by having Mrs. Ethel B. Sloan, Alpha State president, as speaker for the occasion.

Visiting members of surrounding chapters and administrators of Plainview Schools

Mr. and Mrs. John R. Hadley of Texico announce the engagement and approaching marriage of their daughter, Lanetta Gale, to William L. (Buddy) Harrison son of Mr. and Mrs. Louis Harrison of Las Cruces. The wedding is set for 3 p.m., (MST) November 22 at the First Baptist Church in Texico. All friends and relatives are invited to attend the wedding and ensuing reception. No invitations are being sent locally.

Mrs. Kent Foster Is Shower Honoree

Mrs. Kent Foster and infant daughter, Cecily Page, were honored with a pink and blue shower in the Home Economics Room at the Texico School Wednesday with Mrs. Buck Doran and Mrs. Paul Crooks as hostesses.

Mrs. Foster and her family have recently moved to the

Texico Community where her husband is science instructor in the school. Invited to the shower were members of the Texico faculty or their wives and wives of School Board members.

Coffee, Cokes and cheese tidbits were served to Mesdames Lillian Allman, A. D. McDonald,

Erly Faville, Joe Trammell, C. B. Stockton, Gerald Wilkinson, Emmitt Clayton, V. W. Rannals, B. D. Younger, F. S. Thigpen, Elward Combs, Paul Harrison, John Green and John Hadley. Sending gifts but unable to attend were Mrs. John Adams, Gary Stelting and N. W. Peyton.

Acreage Payments Now Available

Payment on diverted acreage under the Feed Grain and Wheat Stabilization programs was to begin Thursday, October 4 at the Parmer County ASCS office in Farwell, manager Prentice Mills announces.

Payments on all farms in which the farmer has an interest will be made upon one visit. If there are other producers on the farm, for which an owner does not have power of attorney, they must also sign the application for payment before any payments can be made. All producers need not appear together.

Farmers are also reminded that cotton marketing cards are being mailed out this week.

WITH THE COUNTY AGENT

DERYL COKER

Every year, picking a variety of a crop to grow is a problem for all of us because the variety we pick always has a great deal to do with the yields we obtain. Several farmers have called wanting information on barley varieties. Basically there are three types of barley. There are the true winter-type varieties such as Kearney and Ward. The intermediate winter-type varieties, such as Cordova, differ from true winter-type varieties in that the leaves are much broader and are usually better for grazing.

Then we have the true spring varieties that are planted in the spring such as Goliad. For our area the recommended fall seeding varieties are Kearney, Reno, and Ward. The acceptable fall-seeding varieties are Cordova, Harbine and Rogers.

Should you be interested in barley varieties or anything pertaining to barley we have some very good bulletins available.

Also while I am speaking about

small grain varieties I would like to list the recommended and acceptable varieties of wheat for our area.

Recommended varieties are: 1. Tascosa, 2. Bison, 3. Kaw, 4. Aztec, and 5. Ponca. The acceptable varieties are: 1. Crocket, 2. Comanche, 3. Concho and 4. Improved Triumph.

Each year the question of using defoliant and dessicants becomes a major problem to us because we never know if it will make money or lose money. The only thing a farmer can do is to put the odds in his favor in using these chemicals.

We know that our average frost date is around October 20, so if we can apply these chemicals before frost whereas they will have time to act it will probably pay because if the plant is dead at the time of frost, the frost won't delay the opening of the bolls.

Some farmers are talking in the terms of putting on a defoliant around October 6 or 7 which will shed the leaves but

won't kill the plant and then following that up around October 15 with a dessicant, if we have had a frost before then.

Let me remind you that you should have at least 50 per cent of your cotton open when a defoliant is applied and at least

70 per cent open when a dessicant is applied. We have plenty of defoliation guides available in the office.

Interpretations Awaited On JFK's New Farm Bill

"We're just waiting to see what the passage of the 1962 Farm Bill will mean for our feed grain and wheat programs," said Prentice Mills, office manager of Parmer County ASCS said this week. Mills said he would guess that the feed grain program under the new bill would be similar to what we now have. "We will inform the people as soon as we know any details," Mills said. "We in-

tend to have a public meeting in the county as soon as we have something to tell the farmers," he continued.

The Parmer County ASCS office manager said that it might be "Ten days to two weeks" before he received the much-awaited information.

Mills pointed out that at present the current "15 acre" wheat provision was up in the air, since it was not included under the bill passed by Congress last week.

Under the old bill, farmers were allowed to plant up to 15 acres without penalty. Under the new bill, farmers would be required to have planted 15 acres in 1959, 1960 and 1961 in order to plant the acreage this year.

The state ASCS office noticed this difference in the bill as soon as it was published, and called it to the attention of congressmen, who are now engaged in an effort to have an amendment passed to allow farmers to have the 15

acre clause, since many have already planted the wheat.

Mills advised that any farmer who was thinking of planting 15 acres under the old bill, who had not had wheat in 1959, 1960 and 1961, to wait and see what comes of present efforts by congressmen.

It was pointed out that new farm programs usually do not create a hardship, so it is expected that something will be worked out.

FOOTSAVING EDUCATION

by James E. Edwards

Are Very Stiff-soled Shoes Ever Desirable For A Baby?

Yes, when there is danger of the baby developing too high an arch. Babies who are born clubfooted and those who have a condition which is similar to clubfoot but not as severe are put into very stiff soled shoes after the removal of casts or whatever device the orthopedic surgeon uses to correct the abnormality. Lacing the foot to a stiff sole prevents the corrected foot from going back to its drawn up position.

The fact that stiff soled shoes can prevent an arch from overdeveloping seems to be a pretty good argument against using stiff soles on normal footed babies whose foot muscles must function to develop a normal arch.

HD Agent's Notes

BY MISS ETTIE MUSIL

Here's news for you who are canning or freezing tomato juice. Or maybe you have a friend whom you may help if she has had separation of pulp from the liquid. I have had several calls about this problem which seems to be quite common over the county.

We had thought of a number of reasons for this problem, but were not sure of any. To take care of the problem I wrote to our Foods and Nutrition Specialist, Miss Maeona Cox. She recommended using a finer sieve for less separation of the pulp from the liquid. Also, heating the juice at too high tem-

perature in the processing. According to our bulletin "Home Canning Fruits and Vegetables", B-194, the method of canning tomato juice is included. This method is based on research and is stated as follows:

Preparation--Wash well-ripened tomatoes. Cut away any bruised or green portions.

Quarter the tomatoes. If separator is available, put tomatoes through it without heating. Otherwise, simmer 10 minutes in covered pan (without adding water) and press through a fine strainer or cheesecloth.

Heat juice to simmering in a covered pan. Add one-half teaspoon salt to a pint jar and one teaspoon salt to a quart jar. Pack hot. Pour simmering juice into glass jar to one-half inch of top or one-fourth inch of plain can.

Close jar with new lids and process. Pints and quarts should be processed in a boil-

ing water bath for 13 minutes. Number two or number 3 cans should be processed for 18 minutes. Or steam bath pints and quarts in steam bath for 16 minutes, and cans for 22 minutes.

To process by the boiling-water-bath method use any big clean kettle with a rack and tight-fitting lid if it is deep enough to hold the cans or jars upright and permit the water to boil gently 1 or 2 inches over the top of them.

The boiling water bath method is recommended for canning fruits, fruit juices, tomatoes, tomato juice and rhubarb. It is not recommended for any other vegetable. Pressure canners should be used for other vegetables.

After the jars have been closed, place the containers of food in the water bath canner. Have water boiling for jars that have been pre-heated as with the tomato juice. Add additional boiling water to the water bath canner to cover the containers 1 to 2 inches. Do not pour boiling water directly on glass jars.

Place the lid on the water bath canner. Count the processing time as soon as the water comes to a rolling boil. Then reduce the heat but maintain a boiling temperature. Processing time should be adjusted according to the altitudes. The timing stated above has been adjusted for our 4,000 feet elevation.

At the end of the processing time, remove the containers from the water bath. Place the jars right side up on a rack far enough apart to cool quickly.

To freeze the tomato juice you may use this method as stated in the bulletin "Frozen Foods", B-175. Wash and trim firm, vine-ripened tomatoes. Cut in quarters or eighths. Simmer five to 10 minutes without water added.

Press through a sieve. If desired, add one teaspoon salt to each quart of juice for seasoning. Cool and pour into containers. Freeze immediately. Be sure to use freezer jars to avoid possible breakage of untreated glass for sub-zero temperature.

For more information on freezing stewed tomatoes, or canning whole tomatoes, let me know. If your family likes tomato relish or chow chow, I would be happy to send you a copy of "Pickles and Relishes." If you have an old copy earlier than 1960 let me know, so that we can send you a revised bulletin with new recipes. A recipe for Tomato Preserves is available in "How to Make Jellies, Preserves At Home". All Bulletins Are Free.

Mona Hardage Hosts Grace Class

The newly organized Grace Class of Farwell Baptist Church met in the home of Mrs. Mona Hardage recently at which time officers were elected to serve

the class for this year. They will be installed November 5, in the home of Mrs. Hardage with Mrs. Roy Lovett as installing officer.

Mrs. Clyde Magness has been selected to teach the class by class members.

Attending the meeting were Mesdames Bob Dollar, Bill Dollar, Carliss Woods, Jack Kirkland, Gerald Kirkland, Orle Jones, and the hostess Mrs. Gene Hardage.

Friendship Club In Johnson Home

Members of the Friendship Club met in the home of Mrs. Billy Johnson, September 27 with eight members in attendance.

Refreshments of sandwiches, salad and cake were served with punch to Mesdames Jack Roach, Avell Ferguson, Owen Patton, George Douglas, Bernard Nelson, Levi Johnson and R. E. Blankenship.

Next meeting will be in the home of Mrs. Levi Johnson October 25.

By Frank Pritchett

GOLDEN WEST SEED CO.

Wheat, Barley and Rye planting is almost over and we wish to thank all of our customers for the largest volume of fall business that we have had since this operation began in 1957. I was pleased to see the tremendous increase in Hairy Vetch planting for winter pastures this year. Hairy Vetch plus phosphate fertilization is a natural for our irrigated rye, oats, or Bermuda pastures.

We are contacting on sudans, canes, millets and other bundle crops. Come by and get our bid and hedge at least part of your crop.

Try Austrian winter peas this winter as a green manure crop or winter pasture. They did very well here last winter. There is still time to plant Balboa and Elbon Rye, even on dry land. The moisture is here and we have the seed.

Top dress your irrigated Bermuda or other pasture crops now. They will withstand cold weather better, and grow faster in the spring. If you are planning an irrigated pasture program, for next year come by and let us help you line it out.

GOLDEN WEST SEED CO.

Regional Meet For Gamma Members

New Times Demand New Measures" will be the theme for the regional meeting of the Delta Kappa Gamma Society, International organization of women teachers, at Tascosa High School, Amarillo, Saturday, October 13.

Zeta Epsilon Chapter of Amarillo, with Miss Stacia Crawford as president will be hostesses for the meet which is one of eighteen conducted throughout Texas in October and November. Counties participating in this meet are Parmer, Castro, Deaf Smith, Potter, Collingsworth, and Moore.

Directors of the meeting, representing Alpha State, will be Mrs. Ruby Lee Lafferty of El Paso, first vice-president and program chairman, and Mrs. Velma Weaver of Clarendon, state chairman of the committee on music and member of the state program committee. Mrs. Lafferty will speak on "New Times Demand New Measures" presenting the long range plan for the Society.

Special interest groups will meet following the general session. "New Measures for our Community on Chapter Programs" will be conducted by Miss Mary Reece and Mrs. Robbie Deward. "New Measures for Professional Growth and Development of Delta Kappa Gamma Members" will be led by Miss Della Stagner and Mrs. Sue Stephens and "New Measures for the Personal Growth of Delta Kappa Gamma Members" will be conducted by

Mrs. Gladys Phillips and Mrs. Frances Holden. "The New Role of the Committee on Membership" will be led by Mrs. Evelyn Laney and Mrs. R. C. Sweatt. Recorders from each group will report to all members at a second general meeting. October 8 has been set as reservation date deadline. Members of all participating chapters are asked to mail checks to Mrs. Hester Still, 3306 Lewis Lane, Amarillo by that date.

Miss Reed To Serve As Hostess At Wayland

Miss Jean Reed, daughter of Mr. and Mrs. J. M. Reed of Farwell, will be among the Wayland students serving as hostesses for the annual Parents Day gathering on the Wayland Campus, October 8.

Guests will attend classes with their sons and daughters and attend a chapel program.

They are also invited to attend a luncheon and participate in a panel discussion with faculty members and are invited to ask specific questions about college life and activities.

Capping off the day's events will be a dedication service for Wayland's new Home Life Building at 2 p.m. Students and their parents will have a chance to attend a reception and to tour the two-story brick building following the dedication.

Paul Crooks To Borger

Paul Crooks, a teacher in the Texico School system, will be in Borger over the weekend where he will participate in a church school institute, of the Church of Jesus Christ of Latter Day Saints. He will moderate a panel discussion on "Classroom Problems."

Farwell High Classes Elect Officers

High school classes, at Farwell, announce the election of class officers this week with the following to serve this year.

Senior officers, Bobby Actkinson president; Charles Roberts vice-president; Margaret Haseloff treasurer; Paula Winegeart secretary; and Barry McCuan parliamentarian.

Heading the junior class is Ronnie Henson as president; Jerry Herington vice-president; Jane Bradshaw secretary-treasurer, and Vicki Moss reporter.

Sophomore officers are Johnnie Actkinson president; Bob Scott Anderson vice-president; Peggy Martin secretary; Sherry Billingsley treasurer and Ronnie Ussery reporter.

Freshman officers include Doyle Johnson president; Bill Roberts vice-president; Susan Blair secretary-treasurer; and Julie Routon reporter.

Hospital Notes

Miss Laura Temple, suffered a broken shoulder in a fall at her home Monday night. She is reported to be resting well by family members.

W. E. Varner who is confined to the hospital in Friona is reported to be improving.

Reverend J. L. Bass, pastor of the Farwell Baptist Church who underwent major surgery, Tuesday morning, is reported to be resting well, by family members.

Johnson Vacation

Mr. and Mrs. Russell Johnson returned Monday from a weeks vacation to points in Oklahoma and Texas where they visited with their children, and with friends.

In Alva they were guests in the home of Mr. and Mrs. Bill Johnson and in Stillwater they visited with the Jack Hessers and Ival Hessers. In Canadian they visited with Mr. and Mrs. Jerry Johnson and family and in Amarillo with Mr. and Mrs. Cecil Dykes.

Mrs. Jack Hesser and son, Randy returned home with the Johnsons for a short visit.

Mr. and Mrs. Neil Stewart and family visited Mr. Stewart's father, who is hospitalized in Morton, Sunday. He reports that his father is in poor condition.

Mrs. Sterling Donaldson was called to Tulla Saturday to beat the bedside of her father, who is seriously ill.

JOTTIN'S
By Jeanne

Have you noticed that the kids would much rather play inside on a warm sunny day -- but the minute it begins raining, they prefer the great outdoors?

Too, in nice weather it would be an insult to ask them to wear shoes, but when they decide to go wading, they manage to be well-shod.

Few of us get dizzy from doing too many good turns.

Maybe fall is really here and we can begin concentrating on house heaters instead of air conditioners. During our first cool weather, I managed to get the floor furnaces ready to go, then we immediately had days and days of warm weather. But when it gets cold, I'm ready!

When the 9-year-old remembers the capitol of Nebraska and I can't; when the 7-year-old begins reading to the little ones; the 3-year-old holds his own in family conversation; and the baby is graduating to the "little boy" class as he loses the baby dimples in his hands; then I know that I am taking a changing roll in family affairs.

Sally Whitesides is one of those people who has much will power, but she indicates that this attribute in weight loss, is better aided with companionship. She is interested in hearing from anyone who might be interested in TOPS--I believe that means "Taking Off Pounds Sensibly."

Anyway, the idea is for those who are counting calories to team up and meet regularly to compare poundage and give tips and cast a stern eye on those who might gain a pound or two. Incidentally, the person who makes the least progress each meeting has to take a china pig home with her.

"It's lots of fun" says Sally and it keeps you on your toes and away from the refrigerator. If you might be interested in learning more about it, you can call Sally at 481-3826.

Donnie Carpenter, son of Mr. and Mrs. Harold Carpenter left the states Thursday for Okinawa for 18 months. He will be joined by his wife, Kay, later.

Mrs. Magness Installs SS Class Officers

The Rebecca, Friendship, Gleaners, and Esther Sunday school classes of the Farwell Baptist Church met Monday night, October 1, at the church for joint installation of class officers.

Mrs. Eula Mae Magness of Friona was the installing officer.

Mrs. Magness used as her theme "More Love". A large gold cross was the focal point of her installation setting. As

each officer went forward to take her pledge and be installed she picked up a gold cross from a table covered with a red table cloth.

The installing officer closed her service by reading the poem "Good Mothers" stressing the obligation of the officers as Christian mothers to their children.

The classes presented Mrs. Magness with a hanging planter in appreciation of her service.

Refreshments of spiced punch and homemade cookies were served to Mesdames Dickie Magness, Estellene Billington, Mary Whitley, Maude Hicks, Letha Jo Roberts, Elsie Hardage, Wilma Austin, Buelah Williams, Mae Porter, Ava Woodson, Evelyn Curtis, True Bell, Mable Reynolds, E. G. Williams;

Also Beulah McWilliams, Clytie Dial, Lenora Tatum, Joyce Hart, Caroline Anderson, Vida Petree, Bessie Landrum, Jewel Scott, Carrie Mae Hardage, Irene Henson, Georgia Lee Rundell, Dora Johnson, Lois Smith, Hattie Boling, N. R. Harding, Rita Dollar, Inez Stone, Mabel Martin, Carol Dean Huggins, Hattie Coffey, Billie Blain;

And Flora Lee Bass, Lucille Franse, Wanda Kirkland, Gladys Hromas, Jo Ann Zahn, Lyne Lesly, Jo Dennis and Eula Mae Magness.

Little Men's Brotherhood Organized

Calvary Baptist Church has formed an organization for boys called "The Little Men's Brotherhood." The organization will meet the first Monday in each month with all local boys invited to attend.

The boys project at this time is to keep the church grounds in order and Rev. Shannon, church pastor is sponsor of the group.

Jerald Gober Is Club President

Jerald Gober, son of Mr. and Mrs. A. W. Gober of Farwell, was elected president of the Lutheran Student Association during a special call meeting Thursday at South Plains College at Levelland.

Other officers elected were Ornell Leham of Tahoka; Vondal Rinne of Wilson and Gibson Hoffman of San Antonio. John Christmas, SPC faculty member is club sponsor.

Reverend Harold Pember pastor of St. Paul Lutheran Church at Levelland attended the meeting.

Mr. and Mrs. Donald Watkins and family and Mr. and Mrs. Harold Carpenter attended Sunday School and Church in Sandhill Baptist Church last Sunday. Rev. Jimmy McGuire is pastor there. They then spent the day visiting with the McGuires.

H. R. Crook and Randy Crook were in Kosciusko, Mississippi last week to pick up a new school bus for the Farwell School system. They returned home Sunday.

Officers Named By Farm Bureau

Officers were elected and a set of resolutions to submit to the state convention were approved at the 14th annual Parmer County Farm Bureau convention Monday night at Bovina.

Calvin Meissner, vice president and chairman of the membership committee, reported that Farm Bureau membership was up by 20 over the past year's report, now standing at 530.

Harry Hamilton was re-elected president of the county organization. Five directors were elected to new terms.

Ernest Kube of the Farwell Community was re-elected to a director's position, as was Grady King of Lazbuddie, J.T. Jones of Bovina was elected, replacing F. D. Carter, Jim Dixon of Friona was named to replace Claude Osborn, and

John Henderson of Black was elected to replace Raymond Schlabs.

Holdover directors include Vernon Symcox, Meissner, Herman Gerles, Gilbert Kaltwasser, Grady Nelson, Billy Sifford, Frank Hinkson and James Norton.

The resolutions passed were as follows:

STATE ISSUES

1. MIGRANT LABOR: Be it resolved that Parmer County Farm Bureau does hereby retract its support of present Texas Farm Bureau policy on migrant labor & request that a further definition of any such policy be provided.

2. TAXES: A. (General) We believe that the proper measures of efficiency and economy can be made in our state agencies to make unnecessary any increase in taxes.

B. (School) Be it resolved that PCFB recommends that the economic index pertaining to the foundation school program be revised so that agriculture, the oil and mining industry, manufacturing and general business be considered on an equal basis.

3. NATURAL GAS FOR IRRIGATION: Be it resolved that PCFB does hereby retract its support of the resolution presented by the Plains Irrigation Gas Users Association (PCFB Resolution # 6, 1961, under state issues). We further recommend that our delegates go to the State Convention un-instructed on this issue in order that they might support a unified front on a statewide basis.

4. FLEXIBLE INSURANCE RATING: Be it resolved that PCFB supports a change from

rigid to flexible or competitive rating for casualty insurance companies in Texas.

STATE AND NATIONAL REAPPORTIONMENT OF STATE LEGISLATURES: Be it resolved that PCFB supports

the basic principles set forth in the House Joint Resolution # 648, proposing an amendment to the Constitution of the United States, providing the states the right to establish their own election districts.

NATIONAL ISSUES
1. SUPPORT PRICES: Be it resolved that PCFB recommends that supports on certain

commodities should be adjusted downward if such adjustment would tend to eliminate recurrence of surpluses and provide a greater demand on domestic and world markets, thus allowing opportunity for more net profit to the producer.

2. DUMPING SURPLUS COMMODITIES: Be it resolved that PCFB believes that it is the proper role of government to help in the transition to a market place economy, particularly with regards to an orderly method of disposal of government stock piles. For example, there would be no dumping at times when it would lower the demand and price of farm commodities at the market place.

3. PAYMENTS FOR LAY-OUT ACREAGE: Be it resolved that PCFB generally supports the principles of the American Farm Bureau Cropland Adjustment Program as a means to safely get back to a market place economy with this particular exception: We do not believe there should be payments for acreage left out of production.

4. TAXES: We oppose all proposals for withholding taxes

Change Announced In Gin Ownership

Announcement was made this week of the change in ownership and management of the Shafer Gin at Lariat. Purchasing the gin are several farmers of the area and it has been renamed the Lariat Gin, Inc.

Owners of the gin include Vernon Jamison, Calvin Meissner, Joe Simanacher, Dick Gerles, Johnny McDonald and W. L. Shafer.

Manager of the gin is Howard Baker, who has moved to Lariat from Spearman, where he managed a gin last year. He has had about 15 years experience in the cotton business, mostly in the Olton area.

Mrs. Baker and Calvin Meissner will handle the office and Baker will supervise the ginning activities of the business. The gin has been completely repaired and is "ready to go" for this year's harvest, says Baker. He said he expects to start ginning next week.

on dividends. In lieu of these and other proposed tax increases, we recommend an immediate reduction in federal expenditures and a definite system devised for paying on the national debt. When this has been accomplished, a reduction in taxes should become feasible.

4B. Be it resolved that Parmer County Farm Bureau support legislation to relieve inequities in the taxation of cooperatives and privately owned

corporations.
5. INCREASES IN FEDERAL DEBT: Parmer County Farm Bureau urgently requests that a constitution amendment be offered that will require provisions for reporting any increased indebtedness incurred within a specified period of time.

Softball Teams Take 2 Wins From Elida

Taking a couple of wins from Elida over the weekend were the Texico junior and senior boys softball teams setting their season records at 3 wins and no losses for the juniors and 3 wins, 1 loss for senior.

Girls teams did not play due to the bad weather but will be in Melrose Friday to play the Melrose girls.

In the junior game Gary Burris and David Duncan split pitching chores for the locals with Burris and Larry Burns alternating at the catchers position. Joe Patterson, Wesley Raulie and Burris had a perfect afternoon at the plate with each having three for three and Patterson knocking a homerun in the first inning with two aboard. The locals were able to pick up one run in the third and two in the fifth for a total of six. Elida juniors went scoreless until the fourth when they were able to get one run, picking up three in the sixth and one in the seventh for a total of five.

Texico had 29 times at bat, 17 hits and six runs with Elida having five runs for 15 hits and 36 times at bat.

The Wolverines came out on the long end of a 9-3 score behind the pitching of Bill Campbell who gave up 9 hits for 31 times at bat and let only three scores cross the plate.

The local boys had a little better than average afternoon with the team batting 500 or a little better and the defense and offense both looking good, according to John Green, coach. Hal Ed Helton, Jackie Dyer, Vic Harrington and Bill Campbell had three hits each for four times at bat with Skippy Tipton and Weldon Walker having two for three.

The big blow for Texico came when Wayne Hudnall, second baseman, tried to steal second and suffered a badly sprained ankle which will keep him out of play for the next two weeks at least. He had three runs for the afternoon before leaving the game.

Texico junior and senior boys will meet the San Jon teams Friday at San Jon. This is a district game and they will play Logan, the only team to beat them the first game in the tournament, October 20.

Sir Safety scanned the gas vent pipes
So carefully for fear
Of clogging or breaking—and he said
It should be done each year.

AN ADVENTURE IN HAZARD LAND:

All gas equipment should be checked regularly. For proper installation or adjustment, call a licensed plumber, heating contractor or your gas company. Guard against all home accidents . . . killers of more than 26,000 last year. 4,000,000 more were injured! Make sure your home is checked against all potential dangers, such as household poisons within reach of children . . . toys on steps or slippery floors . . . overloaded wiring circuits that can cause fires . . . smoking in bed or while lying on a couch. You may save your life or the life of someone in your family. 'Night and day . . . your home is as safe as you make it!

Bailey County F.B. Woman's Committee

Bailey County Farm Bureau Women's Committee Annual Meeting and Luncheon will be held at Paul's Fine Foods in Muleshoe, Thursday, October 4, at 1:00 p.m.

This meeting will be the first milestone that the Women's Committee has passed since they organized on September 28th, 1961. They have the honor of being the first Farm Bureau Women's Committee to be organized in the state of Texas. Many other states have active Women's Committees in all counties. Bailey County Women's Committee would like to see this become true in Texas. Until that time our Bailey County Women are able to

wield a great deal more influence than could otherwise be expected. They are recognized very gratefully by the Texas Farm Bureau leaders wherever they attend meetings.

The purpose of the Women's Committee is to help the Farm Bureau Directors in their job of making and directing Farm Bureau policies. The past year has been a time of experimenting in just what way they can do that job most effectively. They have worked to protect area farmers' rights in regard to legislation on migrant labor. Three state meetings were attended for this purpose.

They have held legislative study meetings on various issues including the Farm Bill, medical care, foreign aid, United Nations, Trade Bill, Disarmament Bill, and many other issues that they considered important enough to call special meetings.

They have been active in policy development of Farm Bureau. They have worked on several county resolutions that they intend to take to the State Convention and fight for their survival through the rough and tumble debate of the Resolutions Convention.

The program for the Thursday Luncheon will include a review of the past year's activities and a study of proposed county resolutions that have been obtained by the Resolutions Committee by holding several discussion meetings. These resolutions are vitally important to Bailey County because they are the way our voice can be heard in our American Farm Bureau.

Mother Of Local Woman Passes Away

Funeral services were conducted, in Moore Funeral Chapel, at Arlington last Monday for Mrs. Julia Ann Oliver 89, mother of Mrs. Johnnie McDonald of Farwell, who passed away in Arlington the previous Saturday, following a lengthy illness.

Reverend G. William Jones officiated at the rites and interment was in Parkdale Cemetery, under direction of Moore Funeral Home.

Mrs. Oliver was well known locally having made her home in Farwell with Mrs. McDonald for a period of time before going to Arlington some 18 months ago.

Survivors include one son, W. L. Oliver of Dallas, four daughters Mrs. Johnnie McDonald of Farwell, Mrs. E. C. Green of Houston, Mrs. O. L. Compton of Fort Worth and Mrs. W. B. Lindley of Arlington; four brothers, six sisters, several grandchildren and a great number of great-grandchildren.
