

Farwell City Park --

# Band Concert Set Sunday Afternoon

Farwell Bands, under the direction of Lynn Burton, will stage a concert this Sunday afternoon at the gazebo in Farwell City Park. Everyone is encouraged to attend the performance which begins at 3:30 p.m. CDT and is expected to last for one hour.

The special band concert is being sponsored by the Border Town Days Committee. The

"hat will be passed" for donations with all proceeds to be utilized to purchase a sound system for the gazebo to be used for future activities.

The original plan had been for the Texico and Farwell bands to present a joint concert; however, the Texico band is unable to perform at Sunday's outing.

Refreshments will be served at Sunday's event, and those wishing to attend are asked to bring their own lawn chairs, etc.

The gazebo was built earlier this summer and figured prominently in the July Border Town Day celebration activities. However, it was noted at that time that the sound system used was inadequate as

many persons complained of not being able to hear announcements and performances.

During a follow-up meeting after the BTD celebration, the committee decided that there should be more community-wide events staged at the park before cool weather sets in to make use of the newly-built

gazebo. Sunday's band concert is the first such project with other events to be scheduled later. Since the gazebo is such an important asset to the park and since it needs to be utilized, it naturally is to be the focal point of the coming musical afternoon.

Volunteers in both communities donated time, money and

labor to making this dream come true. Julia Symcox of Farwell headed the gazebo project, and aided by numerous volunteers saw it through to its completion.

Everyone in the Texico-Farwell area is urged and encouraged to enjoy an afternoon in the park, listening to the band's presentation.

Last week was a mild disaster in the football contest. First of all we goofed and put a game that was played on Thursday night on the selection list. Of course we cannot count that game. Next, one of the selected games wound up in a tie and nobody made that guess so ten was the maximum correct calls last week.

The way some of the games came out it put a guess of seven for the week as a good average contest score. We have checked our source of game schedules and hope that neither they nor we have flubbed on which night the games are to be played.

We have enjoyed a modestly successful year in the vegetable patch. No, not ours, but those of generous neighbors. Thanks to the Si Joneses, Prentice Mills and Jim Thornberry for sharing with the Tribune. Many years ago a prime example of green thumb artistry was a common sight in the Tribune office. Lately folks do not seem to be interested in bragging on their garden plots or at least not to the extent of calling the Trib office for a little local publicity.

You are never too old to learn. Monday morning when we opened our mail we learned that being in the hospital makes a week in Las Vegas a cut rate bargain.

Several weeks ago we dashed into the Clovis Hospital for a few days to have our sidewall vulcanized. When we received the itemized statement we dern near needed another patch job. We have been very fortunate and have not been hospitalized in the past ten years or so and apparently are out of touch with all the niceties of modern day medical muggery.

When we were admitted we were presented with a nice plastic kit containing assorted lotions, plastic pitchers, glass and tray. We find out this fillup was presented to us at a cost of \$6.75. That was a new wrinkle for an old dog. Also added to our list of unrealized expenditures was a plastic urinal. This was later tabbed at \$1.62. Had we known this we would have taken it home and cleaned it up for a cocktail shaker.

When they gave us the enema little did we realize that we also got a \$2.10 item shoved to us. We also have a few more thoughts that good taste and a family newspaper precludes us from making.

We also plan to discuss several items with our surgeon. We were taxed \$4.00 for two sutures without needle and five additional sutures for \$22.50. Were all these stitches necessary or were some added to defray other expenses?

We note an item for sponges 4x4x2's totaling 30 cents as well as some steri-strip skin closure at \$1.50. In fact, there is a list almost half a page long of various and sundry operating room items including anesthesia gas although we are really glad they didn't use a hammer. Maybe we ought to further investigate acupuncture.

This leads us to conclude that there is an entirely new field in medicine now open. That is operating room accountability. We can visualize a scrubbed and sterile gowned figure hovering over the surgeon as he manfully plies the knife and jostling his elbow from time to time to ask about the cost effectiveness of this stitch or that sponge.

Here we had always imagined the operating room to be full of dedicated medical personnel, but little did we realize that this also includes an eagle-eyed bookkeeper. We wonder if Texas Instruments is making a special computer for this area of medical-accountancy?

Added thoughts -- There is nothing so simple but what a Congressman can pass a law creating a bureau with appropriate funding and make a complete mess of it.

Also, the more nauseous and raucous a TV commercial, the more often it will be repeated and the longer it becomes.

Portly Pumpkins

Kade Kent, four-year-old son of Mr. and Mrs. Bill Kent of Farwell, attempts to measure two very large pumpkins which were grown by his grandmother, Mrs. W.B. Fulgham in Summerfield. The pumpkin on the left is 53 inches

in diameter and weighs 60 pounds while the other one is 62 1/2 inches in diameter and weighs 70 pounds. Can't you just see a grinning jack-o-lantern made from either of these two giants?

Local Donations Accepted - -

## United Effort Underway To Save Clovis Zoo

Zoos have always been places to wile away a few hours while learning about a myriad of animals, their natural habitats etc. The nearest zoo to the Twin Cities is located in Hillcrest Park at Clovis. However, if current problems are not solved this zoo may be forced to close.

With inflation ever increasing, money is a primary problem because it will take total expenditures of from \$50,000 to \$150,000 to update the zoo to meet current USDA requirements. "Friends of the Zoo," a committee of citizens interested in saving the zoo, is currently working towards meeting strict USDA requirements which, among other things, specify that a trained professional must be in charge of the facilities. A security fence must be established around the area at a cost of \$6,000-\$10,000.

Donations are both welcome and needed. To help raise needed funds the committee is giving away a copy of a scratch board sketch of a gazelle by Chuck Glikas of Clovis, well-known wildlife illustrator, for a donation of \$20 or more. Each year a different animal will be featured, enabling supporters of the zoo to ultimately acquire a gallery of prints of the zoo's animals.

Anyone interested in helping

the cause may contact Tony Frizzell, 1807 Courtland, Clovis, 88101 or call 763-6159. Locally, donations will be accepted by the United Methodist Women of Hamlin Memorial United Methodist Church. Contributions may be made to Sudie Foster, 825-3707, or Dardanella Helton, 481-3222; or they may be mailed to Mrs. Foster at Route 2, Box 89A, Muleshoe, 79347, or to Mrs. Helton at Box 337, Farwell, 79325.

Frizzell said "Friends of the Zoo" began as a fact-finding committee established by the City of Clovis. The current committee is headed by Frizzell's wife, Pat.

"Initially we were set up to investigate what kind of zoo the citizens of the area wanted and to determine what it would take to maintain the zoo," Frizzell said. "The zoo has been under tight scrutiny by the USDA which is in charge of licensing zoos."

"The City of Clovis has been under the gun to update and improve the zoo in order to keep it open," he said. "The city has assured us that they intend to stay in the zoo business," Frizzell continued. Three times the city has been under a deadline to correct a specific problem or situation and each time they have managed to take care of a specific problem, Frizzell said.

The USDA has been after the Clovis zoo for several reasons. Besides not having a professional person in charge they have also had complaints about the diet of the animals and the cages in which they are housed.

"The problem with the cages is that they date back to 1930 and are not adequate," Frizzell said. "The cages are almost a total loss. To be improved they would have to be torn down."

According to Frizzell, the City of Clovis has been engaged in repairing the facilities, upgrading them and disinfecting the cages twice daily.

New cages for the zoo costs \$5,000 each, Frizzell said. The City of Clovis has allocated \$10,000 towards the upkeep of the zoo, just enough for two cages. Frizzell said that eventually a bond issue may have to finance the zoo.

The new cages feature types of flooring suited to the animal, water facilities and a heavy gauge mesh screen which allows the animals to be seen. These cages would show the animals in their natural habitat as much as possible. Frizzell said they also want to emphasize the educational value of the zoo, something which is lacking at the moment.

Frizzell's claim that the zoo is an asset to the area is apparently correct as support has been received from outlying communities even as far away as Tucumcari and Lubbock.

The "master plan" for the zoo is to have it backed by a Citizens Board. However, Frizzell said that the ultimate decision of what type of zoo to have lies with the Clovis City Commission.

Frizzell stated that different themes could be utilized such as Exotic Exhibit, a Southwestern Exhibit or a North American Exhibit.

Current problems are centered around the following animals which are caged at the zoo: wolves, coyotes, sun bears, raccoons, peacocks, African lions, North American Cougar and African tigers.

NUMBER 2

SIXTY-EIGHTH YEAR

20 CENTS

Football Contest - -

## Youthful Predictor Garners Top Prize

Alan Eubank, son of Mr. and Mrs. J.W. Eubank of Farwell, stepped into the winner's circle last week as he guessed 10 games correctly in the 21st annual Merchants Football Contest. The only contestant to correctly pick 10 of 12 games, Eubank will receive a check for \$7.50.

Following close behind the prophetic youngster were Jerry Roddam and Champ Porter who each had nine correct calls. Roddam missed the tiebreaker by only one point and will receive the second place check of \$5. Porter was nine points off the tiebreaker and will receive the

third place check of \$2. Since a Thursday night game was inadvertently listed on last week's slate of contest entries, everyone who entered automatically had one wrong selection. The incorrectly listed game was Plainview at Tascosa, the 10th selection. Another automatic incorrect guess was the Friona at Lockney game which ended in a 14-all tie -- the identical score of the tiebreaker game in which Farwell and Morton battled to a 14-all standoff.

Action in the annual gridiron guessing game is already fast and furious as the battle lines have been drawn and everyone

is out to nab the top prize for himself.

Jerry Roddam, last year's top overall winner, is the undisputed first place leader after two weeks with 20 points.

Several contestants are in second place with 19 points: Jack Allan Kirkland, Sue Kirkland, Tim Lusk, Pat Owen, Champ Porter, and Earlene Porter.

In third place with 18 total points are Sam Gonzales, Carl Kirkland, Jack Kirkland, Karen Lusk, Donnie McDonald, Edwina Owen and Lisa Spears.

The efforts of armchair

quarterbacks and football enthusiasts are well worth it as first prize overall is two tickets to the Cotton Bowl and \$50. Runner-up winner will receive two tickets to the Sun Bowl and \$25.

Even though contest leaders are beginning to emerge, it is a long way from being over. Anyone can still win. The weekly prizes of \$7.50, \$5 and \$2 are also "up for grabs;" so don't be left out. Just peer into a gridiron crystal ball, or else hope the football muse smiles upon you and hurry and enter the weekly guessing arena. It's never too late to get your feet wet, or try out your football expertise.

Rules for the contest are the same as they have been in past years. Entries must be turned into the Tribune office by 5 p.m. Friday, or if mailed, bear a Friday postmark.

Contestants must be 12 years of age or older and each person may only submit one entry each week.

Twelve games are on each week's contest slate. Entering is simple. Just circle the name of the team expected to win each game; then list a tiebreaker score. It won't effect the win-loss tally and will only be used in case of a tie.

Tabulation of all entries are kept on record and are always available for inspection at the Tribune office.

## Farm Supply Grand Opening Set

Floyd and Wanda Coates have recently opened a new business in Farwell -- Farwell Farm Supply -- located at 1017 Avenue A. The new business is an expansion of Oklahoma Lane Farm Supply which Mr.

and Mrs. Coates have owned and operated for the past 18 years.

Even though Farwell Farm Supply has been open for the past three weeks, the official grand opening has been set for

this Saturday from 8-6 p.m. CDT. Refreshments of coffee, soft drinks and donuts will be served. Approximately \$1,000 in prizes will be given away, including a black and white television.

Regular store hours will be 8-6, Monday through Friday and from 8-12 on Saturdays.

Billy Roberts is the store manager and Randy Cain is a salesman. Mrs. Coates said she will also be working at the new store. They invite everyone to come by the new business during the grand opening.

## Hospital Board Accepts Bid For New Plumbing

Farwell Hospital District Board accepted a bid Tuesday night from Anthony Mechanical in Lubbock to install a new plumbing system at Farwell Convalescent Center which has plagued the facility since it first opened.

In other business Board members also agreed to purchase five pagers for the ambulance crew of the Farwell Volunteer Fire Department at a cost of \$1500. During the discussion it was pointed out that "the ambulance crew does a fine job" and the purchase of the pagers is expected to enhance medical care for the community.

Board members attending were Pudge Rose, Bert and LaMoin Williams, Jim Berry, Lee Hutchins, Robert White

and Gwen Hughes. Also attending were Dee Hall, Dr. J.R. Ivins and Jeannie Norris.

## Moisture In Twin Cities

As always, the rain which fell in the Twin Cities area late Monday afternoon was both a boon and a bane to farmers.

Wheat farmers welcomed the 8 inch of moisture, but cotton and corn crops need warm, dry weather.

Additional moisture also was recorded in the area when Friday temperatures dropped considerably and gave football fans fits as they had to sit in a dreary, misty atmosphere to watch the Friday games.

Picks The Winners

Alan Eubank picked 10 correct winners in the Merchants Football Contest last week to win first place weekly prize money of \$7.50. He accepts the check from Wanda Coates of Farwell Farm Supply and Oklahoma Lane Farm Supply, two sponsors of the contest. Mrs. Coates and her husband Floyd have recently started

the new farm supply firm in Farwell and will have the Grand Opening of the new business this weekend. Alan was the only contestant to pick 10 games right in last week's guessing. Jerry Roddam was the second place weekly winner and Champ Porter took third place money.

## Sam Lewis Buried Monday In Texico

Funeral services for Sam N. Lewis, 84, who was residing in a nursing home in Clovis were conducted at 1 p.m. Monday from the Farwell Church of Christ with Leonard C. Harper, minister, officiating. Burial was in the Texico Cemetery under the direction of Muffley Funeral Home. Mr. Lewis died Saturday at Clovis High Plains Hospital.

Mr. Lewis was born June 22, 1895 in Colgate, Okla., and had been a resident of Curry County since 1914. He served as Justice of the Peace in Texico from 1945-1970, was a member of the Farwell Church of Christ, the Texico Volunteer Fire Department and the New Mexico State Fireman's association. He served as dispatcher at the fire station for several years. He was also a member of the Justice of the Peace Association. He was married to Bessie Lee Haynes on Feb. 8, 1914 in Wade, Okla. He is survived by his wife, Bessie; five sons, Henry Willard Lewis of Texico, Leonard Nelson Lewis of

Dumas, Sam Nelson Lewis, Jr. of Big Springs; Raymond David Lewis of Lubbock and Vernon Odell Lewis of Borger; one daughter, Lula Estella Busch of Colorado Springs, Colo.; one brother, Varick Moody Lewis of Orland, Calif.; two sisters, Thyra Miller of Kearney, Neb., and Zelma Jeffcoat of Durant, Okla.; 12 grandchildren and 11 great-grandchildren.

Pallbearers were members of the New Mexico State Police Department.

SAM N. LEWIS

## Oklahoma Lane Rites For Mrs. Winegeart

Funeral services for Mrs. Vetres May Winegeart, 79, of Texico were conducted at 2 p.m. Monday from the Oklahoma Lane United Methodist Church with the Rev. Joel Horner, pastor of the First Baptist Church in Texico, officiating, assisted by the Rev. Gene Snodgrass. Burial was in Texico Cemetery under the direction of Steed-Todd Funeral Home.

Mrs. Winegeart died Friday at her home in Texico.

Mrs. Winegeart was born May 4, 1900 in Big Sandy, Tenn., and came to Texico in 1944. She was married to Herbert James Winegeart on Sept. 30, 1917 in Plymouth, Tex. She was a member of the Oklahoma Lane United Methodist Church.

Survivors include three sons,

Othar Winegeart of Roswell, Herman Winegeart of Amarillo and Bobby Winegeart of Texico; three daughters, Mrs. Ina Roberts of Arvada, Colo., Mrs. Juanita Foreman of Texico, and Mrs. Ruth Holland of Ft. Sumner; six sisters, Gladys Glenn of Amarillo, Willie Winegeart of McLean, Ruby Drake of Ropesville, Ruth Winegeart and Thadus Hedger, both of Pampa, and Lucille Riley of Lampasas; 29 grandchildren, 40 great-grandchildren, and one great-great-grandchild. She was preceded in death by her husband, Herbert James Winegeart, in 1963, and two sons.

Pallbearers were Willie Joe Carpenter, Lewis Cooper, Bobby Spears, T.A. Autrey, Jim Pierce and Raymond Hadley.

## Don Cherry Rites Conducted Monday

Funeral services for Don Wayne Cherry, 20, of Texico were conducted Monday at 3 p.m. MDT for Steed Memorial Chapel in Clovis with the Rev. Wayne McLemore officiating. Burial followed in Lawn Haven Memorial Gardens under the direction of Steed-Todd Funeral Home.

DON CHERRY

Cherry was killed Saturday morning in a farm accident 25 miles north of Texico.

He was born December 30, 1958 in Hollene and had been a lifetime resident of the Clovis area. He graduated from Texico High School in 1977. Cherry earned many honors while at Texico. He was a member of the basketball team as a freshman and junior and participated in track his sophomore and junior years. He was a member of Future Farmers of America for four years and served on the yearbook staff as a junior and senior.

Cherry was elected president of FFA his senior year. He also served as president of the senior class and vice-president of his junior class. As a junior he was selected "Teen of the Week."

He was named "Mr. THS" in 1976 and was listed in "Who's Who In Agriculture" as a senior. He served as a representative to the National FFA Convention and was a member of the FFA judging team.

Cherry had been actively engaged in farming since his senior year, having also farmed while in high school. He

married Kathi Jolly of Clovis on January 6, 1978 and they had made their home at the farm in Hollene since that time.

He was a member of Hamlin Memorial United Methodist Church in Farwell. He was preceded in death by his father Wayne, in 1975.

He is survived by his wife, Kathi and one son, Brian Allen, both of the home; his mother, Mrs. Danalee Sluder of Texico; one brother, Floyd Cherry of Hollene; one sister, Roxanne Cherry, a senior at Texico High School; his grandparents, Mr. and Mrs. John G. Cherry of Bellwood, Pa., and Mrs. Gladys Holmberg of Clovis; and his parents-in-law, Mr. and Mrs. Al Jolly of Clovis.

Pallbearers were Rusty Rucker, Johnny Rucker, Doug Harrison, Mark Jilek, Kenneth Osborne and Mickey Lofton.

## Anderson Kin Buried This Week

Funeral services were conducted this week for three out-of-town relatives of Mrs. Gabe Anderson of Farwell.

A sister, Erba Devers, 82, and her husband, J.E. Devers, 85, were buried Monday in Taft, Calif. A brother-in-law, Otto Underhill, 85, was buried Saturday in Las Vegas, Nev.

## Clovis Zoo - -

(Continued from Page 1)

Other animals maintained at the zoo are deer, buffaloes, llamas, ostriches, mountain sheep and African mountain goats. These animals are located in the north end of Hillcrest park and their habitats are acceptable for the present, Frizzell said.

A united effort will save the Clovis City Zoo. "Friends of the Zoo" is a good starting place.

The greatest reliable age reported for a monkey is about 46 years for a male mandrill baboon named "George."

## LETTER TO THE EDITOR

Dear John and Joann Getz, Please renew my subscription to the Tribune for another year. I enjoy reading about people I knew so many years ago. I was raised in the Oklahoma Lane community, went to school there; so I do see many names in your paper that are very familiar.

My husband especially enjoys your "Purely Personal" column as I do.

Am sending editorial page from our local paper, as I thought you would appreciate it.

Keep up the good work and may God bless your efforts.

Naomi Kersey Doak  
 Huntington Beach, Calif.

## FIRE CALLS

Farwell Volunteer Fire Department ambulance was called to Venture Food Store in Farwell Wednesday morning, but was not needed to transport anyone to the hospital. No fire calls were reported.

Texico Volunteer Fire Department did not report any fire calls or ambulance calls this week.

## SHERIFF'S REPORT

Parmer County Sheriff's Department has been investigating several cases of theft and vandalism.

Kenneth Neill, 3 1/2 miles southeast of Friona, reported the theft of two pigs weighing approximately 130 pounds each. Lovelace said they have since recovered the animals. Since they were found nearby he speculated that whoever had taken them "got scared and turned them loose."

Bill Martin of Lariat reported that a log chain has been taken from a tractor and a battery has been taken from a well motor.

An apartment owned by Truitt Hardage of Farwell has been vandalized. Entry was gained by raising a window and a barber chair was damaged, Lovelace said.

## Fortenberry Hears Cases

Parmer County Judge Paul Fortenberry has heard several cases since the last report.

Howard Horne, 18, of Texico, was fined \$50 plus court costs, given six months probation, and ordered to pay \$150 for damages to school property.

A Farwell juvenile was fined \$300 plus court costs and ordered to pay restitution for damaging school property. He was released to his parents and ordered to report once a month to Tom Knoy, whom the court appointed to act as juvenile counselor and officer of the court.

Three natives of Laos pleaded not guilty to possession of marijuana less than two ounces and each posted a \$500 bond. They are Phoukhong Chantharath, 23; Somnuck Vejrsi, 25; and Panhya Namathao, 26.

Antonio Rios, 18, of Bovina was fined \$250 plus court costs and given five days in jail for possession of marijuana less than two ounces.

## Texico Classes, Clubs Name 1979-80 Officers

Classes and organizations in Texico junior high and senior high have organized for the '79-80 school year with elections of officers. Officers for each of the groups include:

**Seniors:** president, Robert Thornton; vice-president, Lori Harrington; secretary, Beth Kelly; treasurer, Roxanne Cherry; parliamentarian, Leslie Elliott; student council representatives, Teresa Doolittle and Jeff Tharp.

**Juniors:** president, Teresa Golledge; vice-president, Schree Rucker; co-treasurer, Lisa Coffey, Carletta Fitz; secretary, Rhonda Tharp; parliamentarian, Ricky Foreman; student council representatives, Delinda Duncan and Becky McDonald.

**Sophomores:** president, Jeff Day; vice-president, Tracy Dobbs; parliamentarian, Patti Rojas; student council representatives, Neil Snipes and Lisa Crooks.

**Freshmen:** president Tammy Landis; vice-president, Becky Schwarz; secretary, Terri Tatum; treasurer, Jesse Orozco; parliamentarian, Earl Bibbs; student council representatives, Allan Hadley and Jeannie Chaves.

**Student Council:** president, James Hadley; vice-president, Lori Harrington; secretary, Teresa Doolittle; treasurer, Lisa Crooks; reporter, Delinda Duncan.

**8th Grade:** president, Kevin West; vice-president, Ronnie Dunsworth; secretary, Jeff Holland; treasurer, Johnny

Torres; parliamentarian, Dana Morris; student council representatives, Jeff Johnson and Denis Chaves.

**7th Grade:** president, Jennifer Hill; vice-president, Paul Topliff; secretary, Freddie Valerio; treasurer, Buck Gaddis; parliamentarian, Billy Bibbs; student council representatives, Danny Powell and Steve Smith.

**6th Grade:** president, Loretta Gonzales; vice-president, Coy Jo Burk; secretary, Dana Curry; treasurer, Tonya Dunsworth; parliamentarian, Chris Curry; student council representatives, Lisa Lewis and John Thomas.

**FHA Officers:** president, Laura Horne; vice-president, Cindy Taylor; secretary, Rhonda Tharp; treasurer, Jo Hill; historian/reporter, Kerri Donahue; parliamentarian, Darlene Duncan.

**FFA Officers:** president, Jeff Dunsworth; vice-president, Jeff Day; secretary, Beth Kelley; treasurer, Robert Thornton; sentinel, Mar Powell; reporter, Ron Kirby.

**FFA Greenhand Officers:** president, Paul Salguero; secretary, Jesse Orozco; treasurer, Robert Meiers; sentinel, Felix Jimenez; reporter, Earl Bibbs; advisor, Danny Reid.

## Adult Classes To Begin Mon.

Do you need a high school equivalency diploma? If so, plan now to enroll in adult basic education classes which will begin Monday at 7 p.m. CDT at Farwell Junior High School.

Instruction will be given in reading, writing, English, arithmetic, science, English speaking, government, and high school equivalency.

This program is designed to

improve a person's ability to secure employment, qualify for a job promotion, achieve a certificate of high school equivalency, and to become more efficient and an active citizen.

The classes are sponsored by Region XVI Education Service Center and Farwell Independent School District. Call 481-9131 for more information.

# Rabies Epidemic Still A Threat

Despite the publicity given the continuing rabies epidemic in Texas -- 829 cases through August this year -- people are still going out of their way to expose themselves to rabies.

Although rabies is occurring on both sides of the Texas-Mexico border, a Texas family threw caution to the winds to gain possession of a two-month-old puppy, part of a litter born in Mexico.

A hollowed-out watermelon was used to smuggle the small pup across the border. When it became ill at the age of four months, it was taken to a veterinarian for what appeared to be pneumonia because of the pet's labored breathing. Following the pup's death two days later, the Texas Department of Health ran a laboratory test for rabies which was positive. Eleven young people are now on a full treatment for rabies.

In another human-exposure case, a visitor to a state park found a bat on the ground and decided to keep it, although a park attendant advised otherwise.

The young woman was bitten on the finger while returning to

her campsite. A laboratory test by the Texas Department of Health disclosed that the bat was rabid, and the woman began taking the rabies treatment.

The number of rabid bats showed a big jump during August, when 24 positives were found among the 114 cases of rabies during the month.

Skunks still are the number one source of animal rabies, however. Among the eight-month total of 829 cases so far this year, skunks have accounted for 629 cases. Following are: dogs, 58; bats, 49; cats, 34; cows, 29; foxes, 14; horses, 11; raccoons, 3; and ringtails and goats, one each.

One human death has been reported to Texas-acquired rabies.

Make a "zabuton" for elegant comfort -- it's a Japanese floor cushion. Its added beauty lies in easy construction. Basically all you need is a square of fabric, stuffing and decorative tassels. And, if you make several zabutons, you can stack them to function as a chair. By placing them on a platform with rollers, they'll be even more functional.

**HOW TO MAKE**  
Four easy steps will create a zabuton.

- 1) Cut a square of fabric -- for example, from a 45-inch width (115 centimeters). Fold it in half (matching raw edges) -- putting right sides together. Stitch the two short sides together. Press the seams open.
- 2) With right sides together, match the two seams. Pin them in place, as this will be the final seam to complete the pillow. Before sewing that seam, mark off a little and leave it unsewn so it can be the opening through which you will stuff the pillow. To leave this opening, use a pin to mark about six inches (15 centimeters) away from the center down each side of what will be final seam. Stitch from the pin

marking to the point of the pillow down each side.

- 3) Turn right-side-out and stuff, carefully distributing the filling evenly. Slip-stitch to close.
- 4) To make the pillow even more authentic, push a crease at each corner, tuck and decorate with tassels.

**MAKING TASSELS**  
Cut cardboard the length you'd like the tassels. For the cardboard width, allow about two inches (five centimeters) more width than the bulk of the tassel -- so it won't slip off the cardboard. Next, wind yarns or threads around the cardboard -- lengthwise.

When you reach the desired thickness, thread a needle with a double strand of the yard or thread. Draw it under the wound yards or thread at the top of the card. Pull it tight and knot it to tie them at the top. Cut the tassel ends at the bottom of the cardboard. Then, with the same thread or yarn used to knot, make a tassel top binding -- about one-half inch down from the tassel top itself, wind enough around the tassel to form the binding. Then secure it.

"Curiosity is, in great and generous minds, the first passion and the last."  
Samuel Johnson

**Appreciation Donation**

Reba Kirkland, center, and Anita Ralston, right, members of the Farwell Young Homemakers, presented a \$25 check Monday to Barbara Knowlton.

Farwell home economics instructor and FYH club advisor. The organization had previously been awarded the check for being the Outstanding New

Chapter in Area I. They donated it to the home ec department in appreciation for using the cottage as a regular meeting place.

**Area I --**

**Farwell Homemakers Receive Many Awards**

Since Young Homemakers Week is September 17-23, it is an appropriate time to reflect on the accomplishments of the local Young Homemakers Chapter which won several awards and honors at the Area I Convention September 8 in Amarillo.

Mrs. Max (Sharon) Eubanks was elected president of the Area I Young Homemakers. The Young Farmers, also meeting that day in Amarillo, elected Max Eubanks Area I president of that organization.

In addition, Mrs. Eubanks was also elected co-winner of the Area Young Homemaker Award. Fellow recipient is Sondra Christi of Childress.

The local chapter was also recognized as the Outstanding New Chapter. They received a \$25 check from Pioneer Natural Gas which they have since donated to the Farwell

High School Home Economics Department in appreciation for the use of the home ec cottage as a regular meeting place.

Local members who attended the convention were Ruth Ann Bennett, Sheree Montgomery, Beverly Foster, Bobbie Pierson, Sharon Eubanks, Tina Sides and Barbara Knowlton, advisor.

Mrs. Eubanks will be assisted in her new position as president of Area I Homemakers by several vice-presidents, including Debbie Price of Hale Center, Jeannie Sammann of Dimmitt, Judy Stewart of Silverton and Jean Richardson of Muleshoe. The vice-presidents will later decide among themselves who will serve as secretary, treasurer and parliamentarian.

Officers were elected during the morning session of the Area I convention. Afternoon speakers included District Judge Naomi Hartley of the 251st District Court who spoke on child abuse, and Diane Bim of Southwestern Public Service who gave a talk on microwave cooking.

A combined Young Homemakers and Young Farmers banquet was held that evening during which awards and recognition were presented for both organizations. Bill Sarpolis of Hereford, district manager for Bill Clayton, was

the speaker.

\*\*\*\*\*

Farwell mayor Walter Kaltwasser issued a proclamation Monday proclaiming this week as Young Homemakers Week. Monday the local members sent thank-you notes to the local school and businesses for their assistance throughout the year.

A coffee for new members was held Wednesday morning at the local bank. On Thursday members were to recognize Barbara Knowlton as their new advisor.

They will sponsor a slumber party for FHA girls this Friday at the home ec cottage. Snacks and "goodies" will be provided.

No activities were planned for Saturday, but on Sunday local Young Homemakers will send flowers to the churches which their members attend.

**Area I Young Homemaker**

Sharon Eubanks of Farwell was elected president of the Area I Young Homemakers at the area convention in Amarillo on September 8. Mrs.

Eubanks was also named co-winner of the Outstanding Area I Young Homemaker of the Year award.

**You Want Jelly From Jalapeno Peppers And Green Tomatoes?**

Who in their right mind would see a basket of green tomatoes, canteloupe or zucchini and think of making a sweet jam for hot buttered biscuits? "Just about anyone who has ever tasted the tangy flavor or enjoyed the economy of these non-traditional sweets," says Mae Martha Johnson, Extension food specialist at New Mexico State University.

For example, you may have a garden full of green tomatoes that you know will never ripen before the frost. Mrs. Johnson suggests making Green Tomato Marmalade.

In a large pan, combine eight cups of sliced green tomatoes, one-half teaspoon of salt and the finely chopped rind of four lemons. Cover with water and boil for 10 minutes. Drain well.

Now slice the peeled lemons very thin and add to the tomato mixture. Add four cups of sugar and mix well. Bring the mixture to a boil, stirring until the sugar is dissolved. Cook slowly, stirring often, until thick. Pour into hot sterilized jars, seal and process in a boiling water bath for five minutes. This makes about three pints.

Zucchini, which is abundant in the summer, makes a

beautiful and delicious Zucchini Pineapple Jam.

Cut a medium zucchini lengthwise in four pieces, then cut crosswise in one-fourth inch slices. Measure four cups of slices. Combine in a large saucepan with one-half teaspoon of salt. Cover with water and bring to a boil. Boil for two minutes. Remove from heat and drain well.

Now add two cups (a 15-ounce can) of crushed pineapple, two tablespoons of lemon juice and four cups of sugar. Stir over medium heat until the sugar is dissolved. Simmer, stirring often until thick. Pour immediately into hot, sterilized jars, seal and process in a boiling water bath for five minutes. Makes about two pints.

With only six peppers and six jalapeno peppers, you can make a tangy batch of jalapeno jelly. Wash the peppers and remove the seeds. Chop them coarsely and mix with one and one-half cups of cider vinegar. Blend them until smooth.

Add six cups of sugar and one-half teaspoon of salt and bring the entire mixture to a rolling boil for one minute. Remove the pan from the heat and add one bottle of liquid pectin. Pour the jelly into hot, sterilized jelly glasses and

cover with paraffin.

Finally, don't overlook melons, such as a two and one-half pound canteloupe as a basis of good preserves.

Peel the canteloupe and cut it into thin slices about one inch long. There should be about five cups of the fruit. Add five cups of sugar to the fruit and let it stand several hours or overnight.

Add the juice from one lemon and cook the mixture until it is clear. Pour the preserves into hot, sterilized jars and seal. Process in a boiling water bath for five minutes.

Use a paraffin seal only with jelly. Pour hot jelly mixture immediately into hot containers to within one-half inch of the top. Cover with hot paraffin. Use only enough paraffin to make a layer one-eighth inch thick.

A single thin layer -- which can expand or contract readily -- gives a better seal than one thick layer or two thin layers, Mrs. Johnson says.

You should process jams or jellies. Put filled, home-canning jars into a water bath canner or a container filled with hot water. Add hot water if needed to bring water one inch over tops of jars. Bring water to a rolling boil and boil

gently for 15 minutes.

Remove jars from canner after processing. Cool away from drafts before storing.

**Registration Set For Girl Scouts**

Registration for girls wanting to become members of the Girl Scouts organization has been set for Monday, Sept. 24, at 5 p.m. CDT at Hamlin Memorial United Methodist Church in Farwell.

A registration fee of \$3 per girl is required for insurance and admission to the Girls Scouts of America.

Girls in grades 1-3 are Brownies; girls in grades 4-6 are Juniors; and those in grades 7-9 are Cadettes. Presently there are four local troops, including a first and second grade Brownie troop; a third grade Brownie troop; a Junior troop; and a Cadette troop.

Any girl in the Texico-Farwell communities are cordially invited to become a member of Girl Scouts. Leaders for the girls are also needed; so if you have a daughter who wants to be a Girl Scout, why not consider serving as a leader or co-leader?

Each troop needs two leaders and some troop mothers to help with special projects.

ers for the girls are also needed; so if you have a daughter who wants to be a Girl Scout, why not consider serving as a leader or co-leader?

**Teachers Group Has Meeting**

The first meeting of the year for the Iota Chapter of Delta Kappa Gamma was held in the Friona State Bank in Friona, on September 8.

After the business session, Jo Whitten gave a report on the Delta Kappa Gamma Convention held in San Antonio this summer. Mrs. Whitten entertained the convention group with several musical selections.

Lois Miller is acting president for the chapter after the resignation of Leota Hardgrove who recently moved to Plainview. A picnic type dinner with homemade ice cream was served. Farwell teachers attending were Pat Owen, Lynn Roberts and Elizabeth Phillips. The next meeting will be the District Meeting in Dumas.

## UMW Elects Officers, Plans Projects

United Methodist Women of Texico-Farwell met September 12 with 13 members present.

Ophell McDonald, Sudie Foster, Barbara Horner and Velma Magness volunteered to work with Dot Christian on a membership drive.

Members decided to study the parables utilizing the Bible rather than to order books from the district.

Mrs. Foster and Dardanella Helton will work together to see what, if anything, can be done to help keep and improve the Clovis City Zoo.

Officers were elected and all posts were filled except the treasurer's position which will be filled at a later date.

New officers are president, Carrie Christian; vice-president, Barbara Horner; secretary, Aileen Teel; Christian global concerns, Velma Magness; Christian personhood, Dardanella Helton; Christian social improvement, Gertrude Foster; supportive community, Jan Marsh; secretary of program resources, Barbara Horner;

Also, co-chairman of nomina-

tions, Margaret Aycock and Judy Jones; chairman of membership, Dot Christian; and co-chairmen of local church activities, Gertrude Foster and Jan Marsh. New officers will assume their duties January 1, 1980.

## Celebrates 1st Birthday

Jessica Hadley, daughter of Mr. and Mrs. Raymond Hadley of Texico, celebrated her first birthday at her home on Sunday with a group of relatives and friends.

Jessica was one year old on September 19. She shared her birthday honors with her mother, whose birthday was September 17, and with her maternal grandmother, Mrs. J.W. St. Clair from Muleshoe, whose birthday was September 16.

Paternal grandparents are Mr. and Mrs. John R. Hadley of Texico.

Jessica's aunt, Jean Smith, made the birthday cake which featured multi-colored alphabet blocks and a single candle for decorations.

JESSICA HADLEY

## To Wed In October

Mr. and Mrs. Terry Summers and Mr. and Mrs. Monty Corbin of Clovis announce the engagement and approaching marriage of their children, Laurie Lea and Jerry Glenn. The bride-elect is a 1978 graduate of Clovis High School and is employed at Turner's Department Store. Glenn is a 1978 graduate of Bovina High

School and is employed by Corbin Trucking Company. Wedding vows will be exchanged Saturday, Oct. 20, at 6 p.m. at Kingswood United Methodist Church, Main and Yucca Street in Clovis. All friends and relatives are invited to attend. No local invitations are being sent.

## Farwell Teachers Attend Mathematics Conference

Seven Farwell School teachers attended the South Plains Conference on Elementary School Mathematics in Lubbock, Saturday, Sept. 15. The conference was held in the law building on the campus of Texas Tech University and was sponsored by the College of Education and the Division of Continuing Education.

Dr. Robert H. Anderson, Dean of the College of Education, opened the conference with a welcome. Keynote speaker was Dr. Jo Phillips, professor of mathematics education at the University of Cincinnati. The subject of her speech was "Varmint Control: Getting the Bugs Out." She discussed the basics in school mathematics and how teachers relate to difficulties in the readability of mathematics material.

Sessions following the address by Dr. Phillips included "Math Topics for Young Children" taught by June Hogue of Texas Tech.

"Story Problems" was discussed by Pat Loe of Spur, Tex., and "Fraction Souffle" was taught by Nina Ronshausen of Texas Tech. These sessions were attended by Judy Howard and Lynn Roberts, first grade teachers in the Farwell School system; and Frances Boling and Sandra Turner, remedial math teachers here.

A special single session was a Chisanbop Seminar by the creator of Chisanbop, Hang Young Pai from Korea. This session on the finger calculation method was attended by Jean Patschke, second grade teacher; Pam Williams, third grade teacher; and Karolene Inman, fifth and sixth grade math teacher.

Mrs. Patschke and Mrs.

Inman had attended a five-day Chisanbop Seminar in Amarillo during the past summer. The math program is being

stressed in the Farwell School system this year and all the teachers felt the seminar and conference very worthwhile.

## Lazbuddie Homemakers Have Membership Tea

The Lazbuddie Young Homemakers held their annual membership tea on Thursday, Sept. 13, in the Lazbuddie School cafeteria.

Mrs. Lloyd Bradshaw welcomed and registered guests at the door. Guests included Mrs. Jerry Barber, Mrs. Wade Cargile, Mrs. Robin Gray, Mrs. Kevin Hall, Mrs. Donnie McDonald, Mrs. Nicky Nickels, and Mrs. Dewayne Sexton.

Mrs. Darrell Mason presided over the meeting, during which

she explained the club's purposes and projects for the coming year, introduced the officers, and discussed secret pals. Mrs. Rick Seaton outlined the year's programs.

Chad Nickels drew for the door prize, which was won by Mrs. Wade Cargile. It was a basket filled with a kitchen towel ensemble and potholders, purchased by Mrs. Lloyd Bradshaw.

Mrs. Seaton introduced the

program which was a demonstration of pastel chalk techniques on ceramics, given by Mrs. L.D. Clark of Portales.

Refreshments of "Texas Delight" and "County Line Punch" were served.

To date the LYH members include Mmes. Jerry Barber, Lloyd Bradshaw, Kirby Burch, Wade Cargile, Jim Collum, Dave Engelking, Robert Gallman, Kevin Hall, Donnie McDonald, Skip Magby, Darrell Mason, Clay Mimms, John Mitchell, Nicky Nickels, Harrol Redwine, Rick Seaton, Dewayne Sexton, Tim Smith, Dale Vise, and Doyle Weir.

## Jewel Ritual Given For Sorority Pledges

The Ritual of Jewels was given for new pledges Anita Ralston, Cynthia Thigpen and Charlotte Donaldson when Alpha Rho Lambda chapter of Beta Sigma Phi met Tuesday evening in the home of Gloria Hutchins.

Terri Baker was elected chapter sweetheart for Alpha Rho for the year and a social to include chapter members and their husbands was set for October 16.

Members also discussed the pancake breakfast they are to sponsor on December 8. Next meeting for the sorority will be October 2 in the home of Pauletta Curtis.

Attending Tuesday night's meeting were Laura Jacobs, Cynthia Thigpen, Kattie Johnson, Julie Lingnau, Mary Ann Lingnau, Sheree Montgomery, Gloria Hutchins, Terri Baker, Pauletta Curtis, Anita Ralston and Charlotte Donaldson.

## Texico Woman's Club Has Membership Night

Texico Woman's Club met Monday evening at the community building for its annual membership night. The nostalgia theme was carried out in decorations of plants and country objects.

Margie Crooks, president, welcomed guests, and Aileen Teel told of the history of the club. Officers and members explained their duties and club projects.

The District 3 Women's Club Convention was discussed during a short business meeting. The convention is set for September 26 at Lovington, N.M.

This Sunday, members will get together to work on the scrapbook at 2 o'clock.

Refreshments of cobbler, ice tea, coffee, candy and nuts were served by hostesses, Margie Crooks, Caren Spearman, Marcia Leavell, Mary Powell and Kathy Morris. Others present were Aileen

Teel, Juanita Hadley, Kay Coffey, Audrey Kittrell and Lou Scioli.

Guests present were Debbie Lasiter, Kris Billingsley, Jeanel Harmon, Rada Winkles, Julie Winkles, Gia Hardage, Evelyn Hadley, and Mary Peyton, charter member and special guest.

## Caywood Reunion In Oklahoma

The children of the late Joel and Lillie (Chasteen) Caywood of Texico gathered for a family reunion August 4-5 in Duncan, Okla., the first time all the children have been together since 1951.

Activities included meeting in the home of Russell Williams, a cousin, for visiting, sandwiches, watermelon and ice cream and having a combined reunion at the fairgrounds with the Richey-Chasteen family of Lillie Caywood.

Members of the Caywood family attending were Joe and Maurine Caywood of Texico; Bill and Mable Wolf of Abernathy; Elzie Caywood of

Portales; Eugene and Lorene Caywood of Capitan; Pauline Wimberly of Albuquerque; Ernest and Robbie Caywood of Capitan;

Also, Warren and Wilma Scales of Clovis; Wiley and Doris Widner of Clovis; Evelyn Green of San Jose, Calif.; Delmas and Mona Akers of Pasco, Wash.; and Robert and Geneva Caywood of Odessa.

Also attending were Terry, Susan and Michael Widner of Carrollton; Bill and Barbara Baird and children of Roswell; Ralph Wolf of Abernathy and Wayne and Lee Wolf of Stephenville.

## 'Artistic Needle' Program Slated

An artistic needle demonstration will be presented by Lynda Farabee of Lubbock on Monday, September 24, at 7:30 p.m. CDT in the Jaycee Community Center.

The "Artistic Needle Party" is being sponsored by the Oklahoma Lane Extension Homemakers and is the first of

its kind sponsored in the area. The instructor will demonstrate various stitches for needlepoint, crewel embroidery, rug-hooking and other types of stitchery.

Everyone is cordially invited. For more information call Lynne Mahaney 481-9342.

## Texico WMU Has Study

Women's Missionary Union of the Texico First Baptist Church met at the church September 12 for their regular Bible Study with chairman Velma Kelley in charge.

Mrs. Lois Hudnall opened the program by playing "The Light of the World Is Jesus" on the piano after which Mrs.

Kelley led in prayer. The lesson was taught on "Witness to Other Baptists" with other women present taking part in the Scripture reading.

Mora Schlueter dismissed with prayer. Those present were Mary Hill, Mora Schlueter, Lois Hudnall, Velma Kelley and Gracie Dane.

"Generosity gives help rather than advice." Vauevnargues

14-14 - -

# Steers Duel To Draw With Morton Indians

by Karen Magness

A pesky group of Morton Indians invaded Steer country Friday night and although they made several mistakes, were not to be thwarted though they did have to settle for a 14-14 draw in the see-saw battle on the wet turf at Steer Stadium.

Only a meager hand full of fans turned out for the Steers' second outing of the season. Intermittent rain on the already soaked field made for slippery footing and erratic ball control as well as miserable conditions for viewers.

Both teams had opportunities to break the deadlock which came with six minutes left in the game when Max Lonsdale scored the second Steer TD and Mac Langford's kick made it 14-14. However, penalties, intercepted passes and good defense kept the scoreboard reading intact until the final gun to give the Blue and White an 0-1-1 record.

Farwell kicked to the Indians to start the game and after a pass play to the Steer 37, the Steer defense held and took control of the ball after an incomplete pass on fourth down. Farwell managed a first down when Boyd White took the ball 16 yards on second down; however, they failed to make another first down and Mark Owen punted the ball out on the Indian one-yard line.

The Steer defense dug in and held the Indians, forcing them to kick from their own end zone and Farwell set up shop for this offensive drive on the Morton 25.

A pass from Owen to James Castleberry was good for 13 yards and on two carries Lonsdale ran for yardage enough to make it third and goal. A delay penalty made it third and goal from the nine and on fourth and one for the TD. Lonsdale was dropped for a loss and the Indians took over at their own two.

Farwell held and forced Morton to punt. An Owen to Lonsdale pass on third down was good for first down yardage and the Steers were

on the move. Owen plunged the final yard for the score with 10:47 left in the second quarter and Mac Langford kicked the PAT to put Farwell ahead 7-0.

Morton received the kickoff and returned to their 41 and marched to the Steer 10-yard line before Byron Mayfield made an interception to halt that drive.

Farwell's offense was sluggish and then a Morton defender picked off an Owen pass to stop the Steers and set up the first Indian TD which came on a pass completion with 5:56 left in the half. The PAT kick was good and the game was tied at 7-7.

Three penalties on Farwell's

next possession stymied their drive and forced a Steer punt, but the Blue and White defense held and Morton punted. The teams exchanged punts once more before halftime and time ran out as the Indians failed to move the ball in for a score.

Farwell got the first opportunity to score in the second half as they received and returned the ball to the 40 to start their offense once more. The Steers picked up good yardage and were down to the Indian 33 when an incomplete pass gave the ball over on downs.

Morton got 15 yards for holding and facing a first and 25, picked up 17 on a pass play.

A quarterback sack by Richard Winegeart and hard nosed defense by Byron Mayfield and Willie Martin set the Indians up with fourth and 20.

Castleberry took the punt back 42 yards all the way to the visitors' 24. Lonsdale picked up a first and after a yard gain by White, Owen threw an interception which was run all the way back for an Indian touchdown. The PAT kick was good and Morton was ahead 14-7 with 3:56 left in the third quarter.

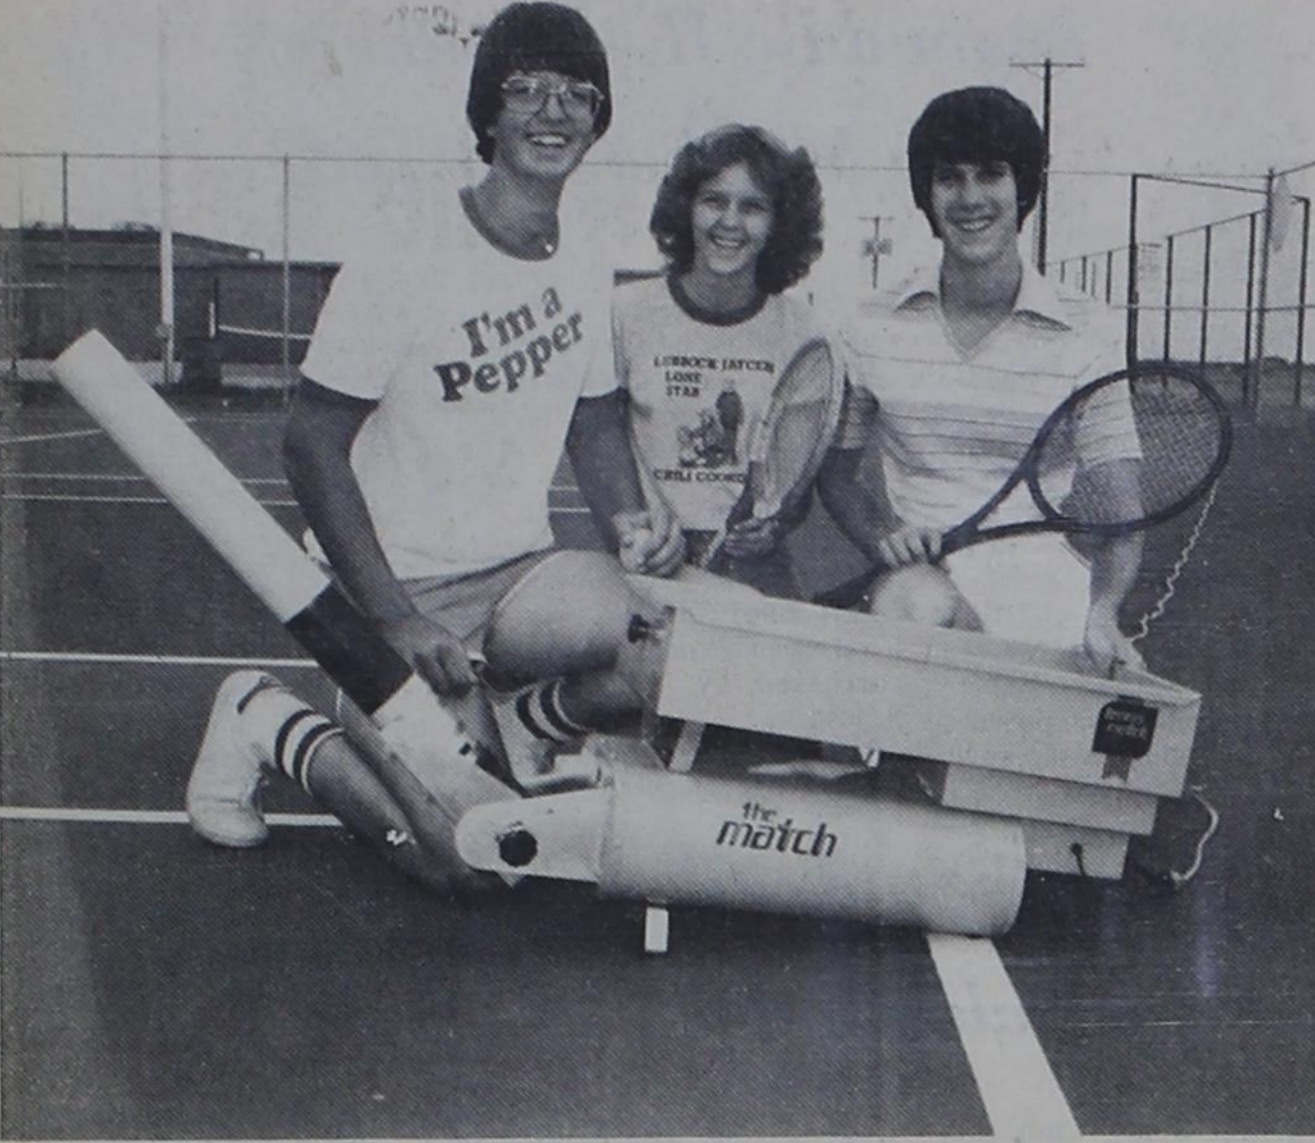

Farwell got the ball, but failed to keep the drive alive and the ball went over; however, Morton couldn't find its handle and Richard Carpenter recovered a fumble to put the Steers on offense again. Lonsdale carried for a TD only to have it nullified by a clipping penalty and the Steers couldn't move; so Morton took over. Once again the slippery ball eluded the Indians and Leonel Jaime pounced on the ball to put Farwell in possession deep in Morton territory. Lonsdale ran in for the score which was allowed to stand this time and the kick was good to put the score in the 14-14 tie.

After Morton regained the ball they wasted no time in trying to score, making a run all the way to the end zone

from their own 20, but a clipping penalty nullified the score and more yardage was lost on an unsportsmanlike conduct call on the same play.

The see-saw battle continued with Martin recovering a Morton fumble and then the Indians intercepted another Owen pass. The Indians were moving on a concentrated drive which was halted when Waverly Coates intercepted a pass with 1:49 left in the contest. The Steers could not move the ball either and gave the ball up with nine seconds left, leaving the score knotted at 14-14.

## New Tennis Machine

Farwell tennis players are pleased as can be about the new tennis ball machine which the athletic department recently purchased. Pictured with the helpful device are, from left, Keith Martin, Karen Magness and Clay Williams, just a few of this year's tennis

hopefuls. The machine holds 150 balls and can shoot them at any speed, giving the tennis players a lot of good workouts. Two tennis tournaments were staged this past summer to help raise money for the machine.

## 'Improvement Needed' - -

# Adrian Sums Up Farwell-Morton Tie

"We should have won that game. I wish we had won that game," commented Randy Adrian, first year Steer coach, after the 14-all tie with Morton Friday night. The Steers are now 0-1-1 for the season.

According to Adrian, the Steers made "silly mistakes" which nearly gave the game to the visiting Indians, while failing to capitalize on the equally "silly mistakes" which Morton made, nearly giving the game to Farwell. Instead, both teams had to settle for a tie, which is better than a loss.

"Three interceptions killed us and penalties destroyed one series when we were driving into Indian territory," Adrian said.

Even so, the Blue and White earned six penetrations to three for Morton.

"We beat them every way except on the score board," Adrian said.

"The defense played well, except for the secondary. We gave up 208 yards in passing and we did not think any team could pass that much against us. We defended their running game well though, holding them to only 85 yards on the ground."

Max Lonsdale and Byron Mayfield were singled out as "Steers of the Week." Lonsdale earned one touchdown and picked up 103 yards on 25 carries. He also caught three passes for 20 yards and a 123 yard total.

On defense Mayfield made eight tackles, picked off one Morton pass and graded out 92 percent.

Mac Langford garnered the "big hit" award, but, accord-

ing to Adrian, no Steer earned the "win" or enthusiasm award for last week's disappointing tie.

Several other Steers also picked up good yardage for Farwell. James Castleberry had 70 yards on seven carries and three passes for 48 yards for a 118 yard total.

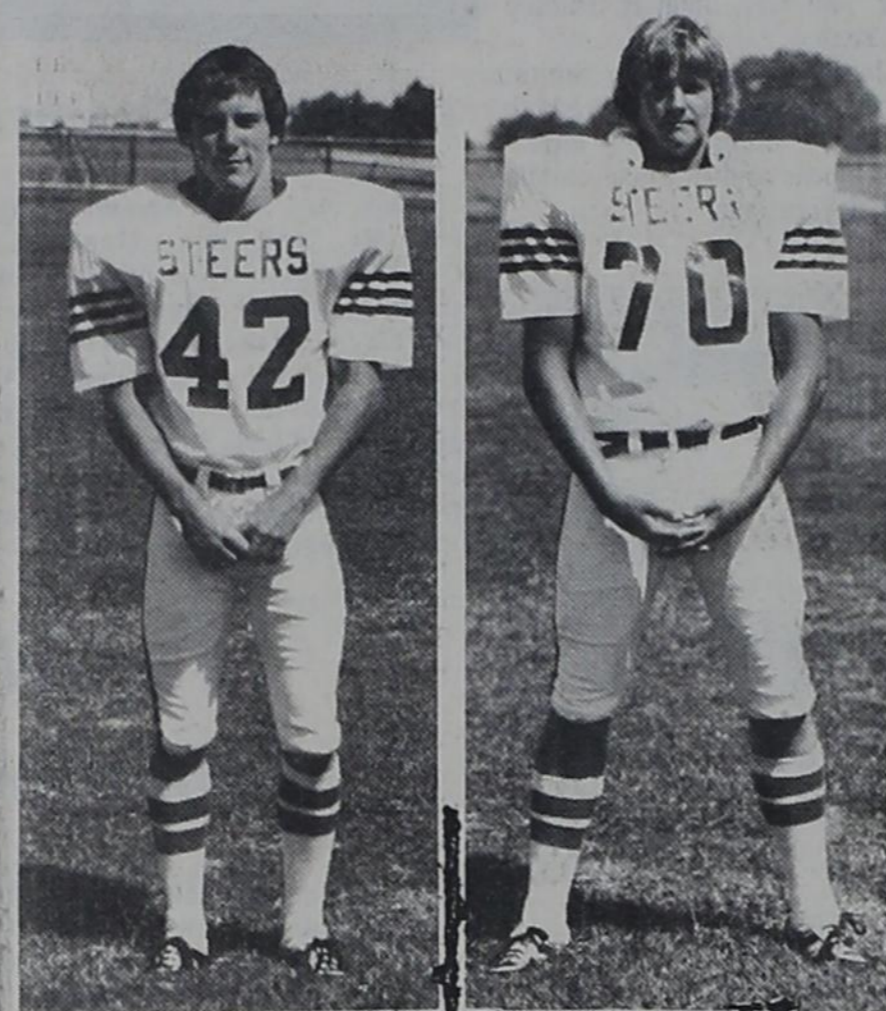

Waverly Coates earned 27 yards on six carries and Boyd White carried the ball five times for 26 yards.

"The offensive line did a super job," Adrian said. "We are pleased with their efforts." He said Langford graded out 95 percent; Chris Bristow, 89 percent; Willie Martin, 89 percent; and Leonel Jaime, 96 percent.

The Steers will be idle this week as they prepare for the September 28 clash with Class AA Friona.

"The purpose of an open week is to give the team a chance to work on the things that have been hurting us in the ball games," Adrian said. "That is what we are going to be doing this week and next."

## Steers Of The Week

MAX LONSDALE

BYRON MAYFIELD

The Farwell coaching staff has named Max Lonsdale and Byron Mayfield as Steers of the Week for the game with Morton which ended in a 14-all tie. Lonsdale (#42) earned the offense honors for "rushing for 103 yards and blocking and carrying our fakes well," head coach Randy Adrian said. Lonsdale also graded out 88

percent overall. Mayfield (#70) had eight defensive tackles and intercepted the ball once. He graded out 92 percent. Mac Langford earned the "big hit" award, but Adrian said that they did not feel anyone earned the "win" award, which is given to the most enthusiastic player.

## AVISO PUBLICO

Breves Declaraciones Explicativas De Las ENMIENDAS CONSTITUCIONALES PROPUESTAS ELECCION ESPECIAL 6 DE NOVIEMBRE DE 1979

**PROPOSICION NO. 1 EN LA BOLETA (H.J.R. 108)**

La Resolucion Conjunta #108 de la Camara de Representantes propone una enmienda en la constitucion de Tejas referente al nombramiento y a los plazos de los notarios publicos.

La enmienda propuesta: Requerrira que el Secretario de Estado nombre a un numero conveniente de notarios publicos para el estado; y autorizará para que los plazos oficiales para notarios publicos sean por no menos de dos años y por no más de cuatro años.

La provision temporal de la enmienda constitucional propuesta declara que la enmienda entrará en vigor el 1° de enero de 1980; que cada persona que haya sido nombrada como notario publico antes del 1° de enero de 1980 continuará ejerciendo como notario publico hasta vencerse el plazo por el que fue nombrado; y que esta provision temporal se vencerá el 1° de enero de 1982.

La enmienda propuesta aparecerá en la boleta como sigue:

"La enmienda constitucional para el nombramiento de notarios publicos para el estado para un plazo de no menos de dos años ni de más de cuatro años, según lo provisto por la ley."

**PROPOSICION NO. 2 EN LA BOLETA (H.J.R. 133)**

La Resolucion Conjunta #133 de la Camara de Representantes propone una enmienda en la constitucion de Tejas para proveer una revision del proceso reglamentario en las agencias del departamento ejecutivo. Esta enmienda propuesta permitirá a la Legislatura el decretar leyes:

- Para proveer una revision legislativa del proceso reglamentario en las agencias del departamento ejecutivo;
  - Para prescribir condiciones para que las leyes sean puestas en vigor;
  - Para suspender, revocar o expirar las reglas;
  - Para prescribir procedimientos; y
  - Para delegar autoridad a cualquiera o a ambas camaras, o a los comités de cualquiera o de ambas camaras.
- La enmienda propuesta aparecerá en la boleta como sigue:
- "La enmienda constitucional para autorizar a la Legislatura para que por medio de la venta de bonos de obligacion general del Estado de Tejas, provea una garantia para que las personas calificadas puedan obtener préstamos para la compra de bienes raices agricolas y ganaderas."

proceso reglamentario en las agencias del departamento ejecutivo."

**PROPOSICION NO. 3 EN LA BOLETA (S.J.R. 13)**

La Resolucion Conjunta Senatorial #13 propone una enmienda en la constitucion de Tejas para autorizar a la Legislatura para proveer una garantia de préstamos, a las personas calificadas, para la compra de bienes raices agricolas y ganaderas. De esta manera, la enmienda propuesta podría permitir a la Legislatura el proveer, emitir y vender bonos de obligacion general llamados "Farm and Ranch Loan Security Bonds" (Bonos de Seguridad Para Préstamos Agricolas y Ganaderos) del Estado de Tejas, sin exceder la cantidad de \$10 millones de dólares. Todo dinero recibido de la venta de estos bonos sería depositado en un fondo diferente en la Tesoreria Estatal y sería administrado por el comisionado de agricultura, sin más apropiaciones. Estos fondos garantizarían préstamos para la compra de bienes raices agricolas y ganaderas. El comisionado de agricultura usaría estos fondos bajo las provisiones prescritas por la Legislatura, con el propósito de garantizar préstamos para la compra de bienes raices agricolas y ganaderas; para adquirir hipotecas de bienes raices o escrituras de bienes raices compradas con préstamos garantizados. Estos fondos serían usados también para adelantar un porcentaje del principal y del interés debido en esos préstamos, a la persona que califique para el préstamo. La Legislatura también podría autorizar al comisionado de agricultura para que venda cualquier terreno adquirido mediante esta enmienda. El comisionado de agricultura requeriría al menos un 6 por ciento de interés en dichos préstamos. La enmienda propuesta apropiaría la cantidad suficiente para pagar el principal y el interés de los bonos que vayan adquiriendo más valor, o que se venzan durante el año fiscal, menos la cantidad del fondo de interés y amortización al final del año anterior.

La enmienda propuesta aparecerá en la boleta como sigue:

"La enmienda constitucional para autorizar a la Legislatura para que por medio de la venta de bonos de obligacion general del Estado de Tejas, provea una garantia para que las personas calificadas puedan obtener préstamos para la compra de bienes raices agricolas y ganaderas."

### Hadley Scores

Texico Wolverines made it two in a row Friday as they defeated Christ the King Trojans, 21-14. The victory was especially sweet as the Trojans were only one of two teams to mar Texico's chances for an undefeated season last year. Quarterback James Hadley (#10) runs for a touchdown while Joe Martinez (#70) helps clear the way. (Photo by Steve Kittrell)

# Wolverines Rake Christ The King

By Jeff Sharp And Rusty Jameson

Friday night was the second time that the Wolverines had seen action this year, and action they saw. The Wolverines hosted Christ the King Trojans from Lubbock. The Trojans are one of the two teams that beat the Wolverines last year, but this year the Wolverines turned the tables and defeated the Trojans 21-14. The Wolverines were first to hit pay dirt with a 35-yard pass from quarterback James Hadley to the nimble hands of receiver Shawn Perkins. After

the pass, Britt Crooks kicked for the extra point, making the score 7-0.

With 34 seconds left in the first quarter, the Trojans scored on a 65-yard run. The extra point was good, making the score 7-7.

In the start of the second quarter, the Wolverines made a 35 yard drive, with Hadley scoring on a four yard run. The extra point was kicked by Britt Crooks.

Near the end of the second quarter, the Trojans made an attempt to tie the score with a 60 yard drive, which the Wolverine defense stopped on

the 2 yard line. Without time for another scoring drive the Wolverines let the clock run out. At halftime, the Wolverines held their own with a score of 14-7.

Into the third quarter, it appeared that the score was not going to change, until Herbert Bibbs broke loose on a 80 yard run for the Wolverines' third touchdown. For the third time, Crooks kicks the extra point, making the score 21-7.

There was no more scoring in the third quarter, but in the fourth, the Trojans made their way from their own 40 yard line, for a 60 yard drive. Their

extra point attempt was good. When the buzzer sounded for the end of the game, the Wolverines were sure of their second win of the season, with a score of 21-14.

## Jr. High Blasts Tucumcari

By John Kelley

Texico Junior High Wolverines defeated Tucumcari here Saturday by a score of 22-8 in the junior high's first game.

Texico drew first blood when Earl Bibbs threw an 80-yard touchdown pass to Felix Jimenez in the second quarter. Bibbs ran it in for the two point conversion.

In the middle of the second quarter, Lloyd Williams recovered a fumble on the opponents' 30-yard line and ran it in for a touchdown. Lynn Tubbs took the ball on an end

sweep for the extra two points.

Late in the second quarter, Tucumcari scored their first and only points when Rod David struck paydirt. David took the ball up the middle for the P.A.T. At the half, Texico led 16-8.

With 3:37 left in the third quarter, Bibbs wrapped up the scoring with a 25-yard end sweep. The P.A.T. attempt failed, bringing the score to 22-8.

In the fourth quarter, neither team could sustain a drive and the game ended with Texico 22, Tucumcari 8.

### Bibbs' Maneuver

Earl Bibbs, Texico junior high ball carrier, maneuvers to escape several Tucumcari defenders in Saturday's game. In on the play action are

Wolverines Tony Cavallero (#64) and Jesse Orozco (#53). Texico players are the "good guys" in white hats. (Photo by Steve Kittrell)

## Wolverine Of The Week

JAMES HADLEY

James Hadley has been selected offensive "Wolverine of the Week" for his performance in Friday's game with Christ The King High School of Lubbock. According to Coach Paul Topliff, "Hadley has played well," leading the Wolverines to a 2-0 record early in the season. No defensive award was given this week as Topliff said the "defense did not play well enough as a unit." Specialty team honors went to Britt Crooks, and Ricky Foreman received the "hardest hit" award.

### 'Pleased With Win' --

## Topliff Comments On Wolverine Victory

"We played well, but we can play better," head coach Paul Topliff said following Texico's 21-14 victory over visiting Christ The King High at Lubbock Friday night. "We are still making mental mistakes. We had at least 100 yards in penalties," he said. "We are offside too much and we are doing things like roughing the punter which we have never done too much before."

Topliff went on to say that the club has the potential to be one of the best ball clubs Texico has ever fielded, but it is still largely underdeveloped. Offensive "Wolverine of the Week" honors were bestowed upon quarterback James Hadley who has led the Green and White to their two victories. No defensive honors were given this week because Topliff said they are not playing well enough as a unit yet.

Britt Crooks, who did not miss a PAT all night, was given the specialty team honors and Ricky Foreman received the "hardest hit" award.

Christ The King was a tough opponent, Topliff said. "They can technique you to death. I look for them to win a lot of games."

The victory was especially sweet for Topliff and his gladiators as last season the Lubbock team defeated them 9-7 in a tough defensive battle which left the Wolverines with only 59 rushing yards. The table turned Friday night as the Green and White amassed 237 yards on the ground and 78 in the air.

Herbert Bibbs also drew the coach's praise. "He played his best game ever," the Texico

mentor said. "He was running and blocking as well as he has ever done." Bibbs carried the ball 27 times for 170 yards. He also made an 80-yard TD run. Topliff also said that Ricky

Foreman had improved on defense over last week's effort. The coach also had nothing but the highest praise for the offensive line which he feels is one of the best in Class A ball.

The Wolverines take to the road for the first time this season Friday when they travel to Vaughn for the first District 2A clash. Vaughn is 0-2 for the season.

## Upcoming Sports Events In Texico And Farwell

The Farwell Steerette volleyballers will travel to Muleshoe next Tuesday. Game time for the varsity and junior varsity teams is 6:30 p.m. CDT.

The Texico Wolverines face an important contest tonight (Friday) as they take on the Vaughn Eagles in an important District 2-A match. It will be their first away-from-home game this season.

Farwell Steers, JV squad and the 7th and 8th grade Yearlings will all be idle this week as they prepare to meet super tough Class AA Friona. The Steers will host the Chieftains next Friday at 8 p.m. and the JV and Yearling teams will travel to Friona next Thursday. Games at Friona begin at 5 p.m.

The combined Texico 8th and 9th football team will host the Marshall Junior High (Clovis) 8th grade team tomorrow (Saturday) at 10 a.m. Their next game will be next Thursday in Clovis with the Gattis Junior High 8th grade team.

Upcoming volleyball games for the Texico girls include

hosting Tatum next Tuesday and hosting Floyd next Thursday. Games begin at 5 p.m. and 6:30 p.m., respectively.

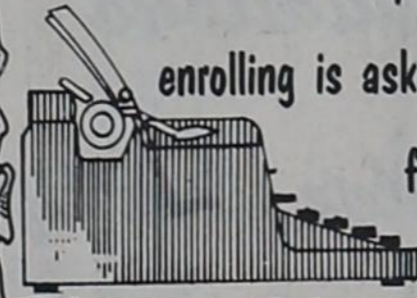

A night typing course will be offered beginning Tuesday Oct. 2. Vonceil

Cunningham who has her BBA will be the instructor. Anyone interested in

enrolling is asked to call 481-9464

Anybody can "talk" energy savings. Olson did something about it.

Olson's extra big 7" mainline will save you thousands of energy dollars over others' 6" or 6-5/8" mainlines.

Any engineer will tell you: the larger the mainline the less friction you'll have pumping water through it. Less friction means less hp and less power consumption. That's why, of all major center pivot manufacturers only Olson gives you a big 7" mainline as standard equipment. All others are 6" or 6-5/8".

Over the life of your system, Olson will save you thousands of dollars.

## Farwell JV Trample Host Morton, 36-6

The Farwell JV is riding the crest of a two-game winning streak all the more spectacular because they have defeated Class AA opponents. The latest victory for the local boys came last Thursday afternoon when they swatted the Morton JV, 36-6, in a thrilling away-from-home game.

The Paez brothers provided a formidable combination as they accounted for four scores in the early season win. Farwell scored first on a 25-yard run by Ralph Paez and brother Emilio raced in for the two-point conversion, giving the local team an eight point

lead early in the game. Emilio came back in the second quarter to score on a 10-yard run, but the try for the extra point failed.

Morton then capitalized on a Farwell mistake to earn its only points of the ball game. Farwell fumbled the ball in its own end zone and an alert Morton player claimed it for six points. But the PAT failed, and Farwell still maintained a 14-6 edge.

Juan Diaz scampered 12 yards to pay dirt in the third act and Brent Green earned the two points after to put Farwell ahead, 22-6.

Farwell added two TD's in the final act to clinch the game. Diaz and Green teamed up for a 25-yard pass play and Brian Langdon toed the extra point. But the Blue and White were not through yet.

Ralph Paez bounded back with a 20-yard scoring run and Langdon again did the honors to give Farwell the 36-6 victory.

The Blue and White also accounted for four interceptions. Players doing the honors were Roger Costello, Brent Green, Ralph Paez and Randy Sierra. Costello also recovered one fumble.

"They played well," commented coach Mike Martin who was understandably proud of his charges. "They did a lot of good hitting out there. I am real pleased with the effort. The offense moved the ball well all night. We did not have to punt the ball once," he continued.

According to Martin, though, they will have to cut out the penalties and fumbles if they are to continue to have a winning season.

Right now they have their thoughts turned toward Class AA Friona. The shoot-out is slated for September 27.

Friona Next - -

## Yearlings Bow To Tough Morton

The Farwell 7th and 8th grade Yearlings lost their season opener last Thursday night when they traveled to Morton with the 7th graders losing 20-12 and the 8th graders being shut out, 19-0. It was a disappointing way to begin the season, but even so, coach Larry McDorman is proud of his Yearlings as "they did show potential even if they did come up short of wins."

Roger Robertson (whom McDorman quipped is "related" to Earl Campbell) scored twice, once in the third quarter on a 20-yard run and again in the fourth act on a 25-yard run.

Both times the point after kick failed.

"They did a real good job," McDorman said. "The backs ran well. And the line blocked pretty well for the first game. They did a good job against a bigger team."

Even though the 8th grade Yearlings did not score in the ball game, McDorman said he saw some good things and he expects them to "win a few" before the season is over.

"Morton was bigger and faster than us," he said. "I am very proud of the way the eighth graders came through

and hit. They kept pounding away at Morton."

Morton scored twice on pass plays and once on a run.

Players drawing the coaches' praise were Alan Eubank who did a "good job of running and passing;" and Todd Christian, Manuel Cantu and Raymond Sierra who all "ran well."

Paul Fulcher and Robbie Armstrong did a "good job as linemen," according to McDorman. "I'm proud of the defense, too. They did a good job against players their size."

The Yearlings will travel to Friona next Thursday.

### IT'S A FACT!

The rate for most major crimes in the U.S. declined in recent years. Some of the decrease may be due to the efforts of a San Francisco jewelry store: it has a tarantula and a sign noting "this area is patrolled by a tarantula."

To reduce crime further, particularly at its service stations, where robberies are still a serious problem, rewards of \$1,000 and \$25,000 are being offered by the Atlantic Richfield company to the first person furnishing information leading to the arrest and conviction of individuals committing a robbery at an ARCO station or a crime which results in the death or permanent disablement of anyone at a station.

"Earthly paradise: the parents young, the children small."  
Victor Hugo

## Steerette Volleyballers Succumb To Elida, Logan

Farwell volleyball girls suffered back-to-back losses this week to Elida and Logan. On Monday the varsity Steerettes dropped two games to Logan, 6-15 and 11-15, while the JV squad lost two of three games. Logan took the first game, 1-15. Farwell came back to win the second one, 15-11, but in the third game Logan emerged on top of the 6-15 score.

The games with Elida on Tuesday were just as disappointing with the Steerettes losing 14-16 and 8-15 and the JV losing 5-15 and 3-15.

Varsity players scoring against Logan were Dolly Bermea, 7; Rhonda Dale and Terri Cole, 4 each; Trini Garcia, 3; and Tammy Hernandez, 1.

Making points for the JV were Angelica Jaime, 9; Toni Spears and Wanna Menning, 4 each; Dana Hukill, 3; and Diane Coleman, 2.

Commenting on the varsity game with Elida coach Glen Morton said, "They played a good first game and fought back in the second, but they just made too many funda-

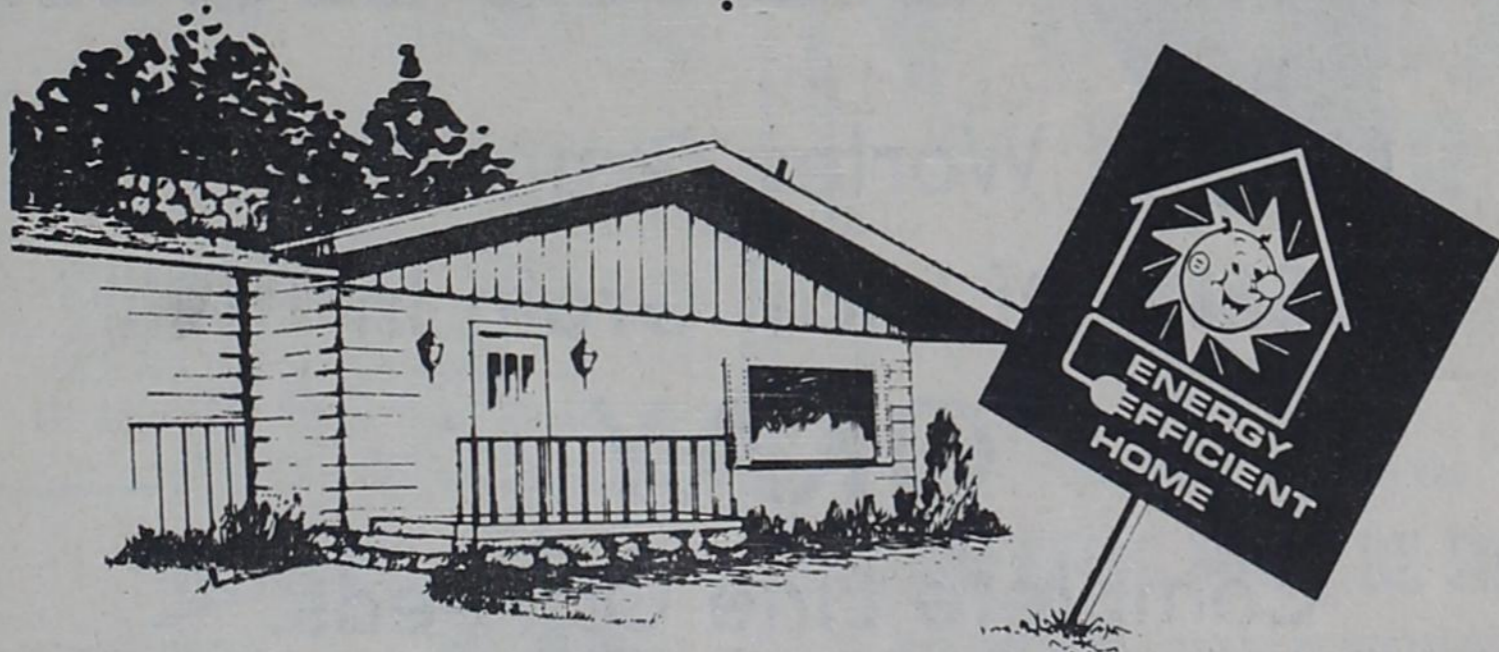

mental errors to win."

Scoring for the Steerettes were Hernandez, 8; Dale, 5; Garcia, 7; Bermea, 2; and Sharon Kalbas, 1.

JV players making points were Jaime, 4; Hukill, 2; and Coleman and Turner, 1 each.

Next Tuesday Farwell will travel to Muleshoe and on Thursday of next week they take to the road to meet Elida again.

## Texico Varsity, JV Take Wins At Grady

Texico varsity, junior varsity and junior high girls traveled to Grady last Thursday for volleyball matches. The varsity Wolverines bested their opponent 15-8 and 15-10. The JV girls came out flat, losing the first game, 5-15; however, they bounced back to win the second game 15-12. The grand finale or "marathon" game, as it was called due to its length, ended 16-14 with Texico JV girls on top of the winning score. The junior high girls won the first game, 15-12, but then lost back-to-back, 4-15 and 12-15.

Scoring for the varsity were Jill Jesko, 12; Lori Harrington, 6; Roxanne Cherry, 5; Becky McDonald, 4; and Teresa Golledge, 3.

Jesko was named "player of the game," an honor which coach Mike Littlejohn said they have started giving to deserving players this season. The decision is made by Littlejohn and the captain of the game and will only be given when warranted.

"Jill served excellently, making 13 of 14 and earning 12 points. She served 11 straight which sparked us to win," he said.

JV scorers were Schree Rucker, 11; Tracy Dobbs, 9; Jo

Hill 7; Laura Horne, 5; and Kerri Donahey and Jacque Tatum, 2 each.

Individual scorers for the junior high were not available. According to Littlejohn, all the girls on all three teams "played very well."

Rucker was named "player of the game" for the JV as she scored eight of 15 points.

The Texico volleyballers were to see their first district action Thursday at Tatum. Another district clash is set for next Tuesday when they host Tatum, the defending Class A state champs.

## Football Clinic For Youth

Youngsters who have registered for the Punt, Pass, & Kick Competition in Muleshoe to be held September 29, will have a chance to tune up their skills at a special practice session to be held September 22 at the Muleshoe city park.

"Our PP&K clinic will begin at 9 a.m. and last two hours," said Robert Hooten, Muleshoe sponsoring Ford Dealer. "The purpose for the clinic is to familiarize the youngsters with the competition procedure and provide help from the football coaches on punting, passing, and kicking.

"We're fortunate to have Mike Wartes as our Clinic director. Throughout his years of experience in athletics, Wartes has made football his specialty and has devoted much of his time to working with young players.

"In addition to Coach Wartes, we'll also have a number of able assistants," said the Ford Dealer.

Hooten noted that registration for Punt, Pass & Kick is still open to all youngsters 8 through 13 years of age. All that is required is that the youngster come into the Muleshoe Motor Company show-

room with either a parent or guardian and sign up for PP&K. There is no entry fee or charge of any kind. Registration closes September 29.

"We'll be awarding a total of 18 trophies in our local PP&K Competition on Sept. 29," the Muleshoe Ford Dealer said. "And from our contest winners could go on to win in the Zone, District, Area and Division competitions."

After that, top competitors in each age group will go to the National Finals at Super Bowl XIV. Each youngster upon registration receives a free PP&K Tips Book. In the 1979 edition, there are competition tips by NFL stars Pat McInally, Roger Staubach and Frank Corral. The Tips Book also includes complete PP&K rules and helpful conditioning exercises for contestants.

This is the 19th Anniversary year for PP&K. From its inception, the youth activity has been sponsored by the Ford Dealers of America in cooperation with the National Football League. In that time, millions of youngsters have taken part in PP&K, making it one of the largest and most popular activities of its kind in America.

## Littlejohn Comments On Volleyball Teams

(Editor's Note: Texico coach Mike Littlejohn has released the following comments about the varsity and junior varsity volleyball girls.)

### VARSIITY

Lori Harrington: (Senior) "Lori is our best and most consistent server. She is also good with the set, bump and the dink. I look for a lot of scoring from Lori. She has a very good attitude."

Roxanne Cherry: (Senior) "Roxanne is a good bumper and setter. She is working hard on her serve and is improving each day. Roxanne is going to have to pick up the loose balls and missed shots. She is a good worker and has a good attitude."

Lisa Coffey: (Junior) "Lisa is becoming our best all-around player. She does everything well. I wish everyone had the persistence she has. She stays and works after practice continually. She is always looking to better her performance."

Becky McDonald: (Junior) "Becky is a very good all-around player. She is going to have to pick up the loose balls. I am looking for some serving from Becky in crucial situations this year. She was a good attitude and works hard."

Teresa Golledge: (Junior) "Teresa is a multi-purpose type player. She does everything well. I am looking for her to be one of our most consistent day-in and day-out players. She doesn't make too many mistakes. She has a very good attitude."

Jill Jesko: (Sophomore) "Jill is becoming one of our better spikers. She is also a good all-around player that I am looking for a lot from this year. She hustles well."

Schree Rucker: (Junior) "Schree is another of our all-around players. She is spiking very well. Schree hustles all the time and has a good attitude."

Kerri Donahey: (Senior)

"Kerri is working hard on her all-around play. She is bumping and setting real well. She also has a good attitude."

Jacque Tatum: (Junior) "Jacque has a very good serve to go along with her sets and bumps. She has a good attitude."

Laura Horne: (Junior) "Laura is another of our good servers. She is also a multi-purpose player who does everything well. Good attitude."

Tracy Dobbs: (Sophomore) "Tracy is probably our second or third best server. I am looking for a lot out of Tracy this year. She hustles all the time."

Lisa Crooks: (Sophomore) "Lisa is another of our multi-purpose players whose sets and bumps are very good. Lisa has a great attitude and hustles well."

Jo Hill: (Sophomore) "Jo is another of our all-around players who is doing well at every skill."

## Legal Notices

### NOTICE OF BIDS

The Parmer County Commissioners Court, for Precinct No. 3, will sell two 1 1/4 ton Kaiser cargo trucks, by sealed bid, on October 8, 1979 at 11:00 a.m. in the County court room in Farwell, Texas.

These trucks can be seen at the County barn, at Oklahoma Lane, by contacting Archie Tarter, Commissioner of Precinct No. 3, at Farwell, Texas.

### Classified

Ads  
Get  
Results

Bids should be submitted to the County Judge prior to 11:00 a.m., October 8, 1979, and should show the serial number of the truck for which the bid is submitted.

Parmer County reserves the right to accept or reject any or all bids.

Published in State Line Tribune Sept. 14, 21, 1979.

### LEGAL NOTICE

By virtue of an Execution issued out of the 64th Judicial District Court of Hale County, Texas, on a judgment rendered in said Court on the 10th day of April, 1979, in favor of THE CITY NATIONAL BANK OF PLAINVIEW vs. RICHARD ADKINS, d/b/a Plainview Honda; No. A-18859 in such Court, I did on the 28th day of June, 1979, at 4:30 p.m. levy upon the following described tracts and parcels of lands

situated in the County of Parmer, State of Texas, as the property of the said RICHARD ADKINS, to-wit:

An undivided one-half interest subject to a life estate in Eunice M. Adkins in and to the following real property: Being 320 acres of land, more or less, in Parmer County, Texas, and being the North One-Half (N. 1/2) of Section 24, Township 1-North, Range 3-East, as shown by plat recorded in Vol. 5, Page 395, Deed Records of Parmer County, Texas, SAVE AND EXCEPT a 15.86 acre tract heretofore conveyed by Ivan Adkins et al. to Gary E. Brown et ux Barbara Brown by Warranty Deed Recorded in Volume 172, Page 143, Deed Records of Parmer County, Texas; SUBJECT TO all mineral and/or royalty reservations of record in the Deed Records of Parmer County,

Texas, and to any other instruments and matters of record in force and effect against the above described property; and

on the 2nd day of October, 1979, being the first Tuesday of said month, between the hours of ten o'clock a.m. and four o'clock p.m. on said day, at the Courthouse door of said County, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said RICHARD ADKINS, as hereinabove described, in and to said property.

DATED in Farwell, Texas, this 4th day of September, 1979.

CHARLES LOVELACE, Sheriff of Parmer County, Texas

Published in State Line Tribune Sept. 7, 14, 21, 1979.

### NOTICE OF BIDS

Parmer County will accept

bids for one (1) 70 H.P. Diesel tractor equipped with a hydraulically operated, side-mounted shredder and a hydraulically operated, side-mounted rotary ditcher.

Bids should be submitted to the County Judge prior to 11:00 a.m. on October 8, 1979. Bids will be opened in the County court room in Farwell, Texas, at 11:00 a.m. October 8, 1979.

Parmer County will offer in trade, one 1971 SU 4000 Ford gasoline tractor with a 5 ft. side shredder and one 1971 model 165 Massey gasoline tractor with a 5 ft. shredder, which can be seen at the County barn at Oklahoma Lane or by contacting Archie Tarter, Commissioner of Precinct No. 3, Farwell, Texas.

Parmer County reserves the right to accept or reject any or all bids.

Published in State Line Tribune Sept. 14, 21, 1979.

## SPS Company Names New Manager

Berl Springer, president and chief operating officer of Southwestern Public Service Company has announced the appointment of Marshall Pharr as manager of governmental relations for the electric company.

Commenting on the addition of Pharr to the public affairs staff at SPS, Springer said, "We are very pleased to have

a man of Pharr's experience and background. We feel he will be able to provide the management of Southwestern additional insight in our relationships with government at all levels."

Pharr has been serving as an administrative assistant to United States Congressman Kent Hance for the past year. He is a native of Lubbock and

a graduate of Texas Tech University where he earned a bachelor of business administration degree in 1955.

Before joining Congressman Hance, Pharr served as the city manager of Plainview for 15 years. Prior to that he was the city manager at Andrews and an administrative intern for the City of Lubbock. He served in the United States Navy from 1955 to 1957 and was a member of the U.S. Naval Reserve for 21 years.

While in Plainview, Pharr was active in civic affairs and was a director of the Plainview Industrial Foundation. He was president of the Texas City Management Association in 1976 and served on the government affairs committee of the Plainview Chamber of Commerce. Pharr also served as a district chairman and vice-president for the Boy Scouts of America.

Larry Milner, newly appointed director of communications and public affairs, said that Pharr would represent SPS in Washington and also in Austin when the Texas Legislature is in session.

## School Opening Affects The Stay-At-Home Child

A young child may become insecure when an older brother or sister enters school, says Leo Yates, Extension family life specialist at New Mexico State University.

The at-home youngster may fret about the loss of a playmate and may fear long days alone with nothing to do. The child's first reaction may be to cling to the parent or adult providing care.

The important thing is to keep the child participating in activities and involved in

family affairs. Isolation can slow down personal development.

Try to involve the child in helping around the home. Look for children in the neighborhood and arrange for playtime together. This may also mean arranging visits for playmates who live some distance away.

When the school-age child returns home with talk of the classroom and playground, try to have the younger child participate in the conversation.

**TWO MINUTES WITH THE BIBLE**

BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635

**LET IT GET YOU DOWN**

"For this cause I bow my knees unto the Father of our Lord Jesus Christ" (Eph. 3:14).

When adversity strikes, the world keeps telling us: "Don't let it get you down," but believers in the Lord Jesus Christ have learned that it is good to let troubles and difficulties get them down - down on their knees.

A native evangelist in Africa sat outside his hut discouraged and unhappy. Trouble and disappointment had brought "great coldness" into his heart and he seemed ready to give up. The Lord, he felt, had utterly forsaken him.

As he sat there, though, his little girl kept nudging him and saying: "Daddy, go inside and pray."

Finally it worked! The evangelist went inside, poured his heart out to God and arose

feeling sure that the Lord would see him through.

It is good for us to get down on our knees before God. There is no attitude more appropriate to the redeemed sinner. And as we pray, often falteringly...

The Spirit "also" helpeth our infirmities, for we know not what we should pray for as we ought; but the Spirit Himself maketh intercession for us with groanings which cannot be uttered.

And He that searcheth the hearts knoweth what is the mind of the Spirit, because He maketh intercession for the saints according to the will of God.

And we know that all things work together for good to them that love God, to them who are the called according to His purpose" (Rom. 8:26-28).

# Texico's This, That And The Other

by Members of Journalism I Class

Mrs. Ann Pearce's second grade students at Texico have started a new book, "D'Nealian Handwriting." The book is used to help learn to write in cursive.

The first and second graders at Texico Elementary viewed a film, "The Little Tadpole that Grew Up," last Friday.

Joe Valdez, Mark Ponder and Sammy Ponder are new students in Mrs. Nona Holloman's fourth grade class.

Mr. Dale Schwartz's third grade class made a solar oven last Tuesday. They dried hot dogs, wrapped them in foil and placed them in the bottom of the oven for about an hour. They then tasted their solar lunch experiment.

Mrs. Rebecca Toppliff, Mrs. Celeste Olvera, Mrs. Rosa Nunez, and George Herrington of Texico Elementary School attended a Title I-Migrant Workshop, a federal-sponsored program, Wednesday and Thursday, Sept. 12-13 in Clovis. Mr. Herrington studied administrative procedures.

Mrs. Alice Richmond's first graders are learning how to add and subtract. They are going to begin learning how to read next week and are learning sight words now.

At the first Texico FFA business meeting last week, FFA members voted to take the shingles off the roof on the north side of the First Baptist Church of Texico as a money making project. FFA members also voted to sell oranges, grapefruit, and apples. This is a yearly project with the FFA.

The newly organized Texico Drill Team performed for the first time last Friday at the Texico Jr. High pep rally. Drill Team members are now selling candles in order to raise money to go to camp next summer. The members also participated in the Tri-State Fair Parade with the Texico Varsity Band on Monday. Mrs. Anna Southard is the Drill Team sponsor and Mrs. Carol Brock is the assistant.

Twenty students in Mrs. Rebecca Toppliff's Migrant Classes are now reviewing number facts in math and sight words in reading.

Students in the sixth, seventh, and eighth grades science classes have chosen a project to enter in the Science Fair, planned for February. They are giving oral progress reports each Thursday. Cecil Davis, Science instructor, said, "Since they have already started, everyone should really have an excellent project for their parents to see."

From July 29 to August 2, Texico Varsity Cheerleaders attended an NCA Cheerleading clinic at E.N.M.U. campus in Portales. During their five-day stay, the cheerleaders earned several ribbons that include two superiors, two excellents, and one outstanding. Varsity Cheerleaders are Janice Stephens, Kerri Gaddis, Cara Reid, Becky Eshleman and Rhonda Tharp, Dana Burk, who is "Wally Wolverine," also attended the camp.

Mrs. Paula Leighton is the cheerleading sponsor, and sponsor of the "Bleacher Bums," the school Pep Club.

Mrs. Kendale Burch's Home Ec. I Class is studying child care, and Home Ec. II is studying the use of and how to buy fruits and vegetables. The Junior High Home Ec. pupils are making aprons for use in their cooking classes. Students in Family Living are learning about caring for a place of their own.

Students in the Title I elementary classes are reviewing numbers and the alphabet. Mrs. Kay Singletary and Mrs. Kathleen Whitehouse are the Title I instructors. A new teacher in the Texico system, Mrs. Whitehouse is also teaching one period of social studies in the junior high.

Ronnie Warmuth, high school Math teacher and an official FAA instructor, will be offering a Federal Aviation Administration ground school course at Texico High School this semester. Enrollment fee will be \$50 for the semester, and anyone who is interested may enroll by calling Mr. Warmuth in the evenings at

482-9465. The class will be taught one evening a week, tentatively scheduled for Thursday nights. Following the semester of classwork, a certification test will be administered to students.

Members of the Texico Varsity Band and the newly organized Drill Team marched in the Tri-State Fair Parade Monday, Sept. 17, at Amarillo. The 67 members in the band competed against approximately 100 other schools. After the parade, students visited the Fair before returning home. The groups will also participate in the South Plains Fair Parade at Lubbock next Monday.

Texico Junior High students attended their first pep rally last Friday. The sixth grade class won the Spirit Stick. At the first high school pep rally on Sept. 7, the junior high, as

one group, won the Spirit Football.

Students in Mrs. Joann Edwards' sixth, seventh and eighth grade Resource Room social studies classes are reading an American story, which is designed to improve reading comprehension and spelling. Fifteen students are enrolled in the Junior High Resource Classes.

Students in the Texico Elementary Special Education classes, taught by Mrs. Ima Gene Swinney, went to the Curry County Fair on Friday, Sept. 7, and toured many of the attractions. Six students are enrolled in the Special Education classes.

The Student Council donated two ice chests to the junior high and high school football teams this past week.

## EYE EMERGENCY ALERT

It's been estimated that 41 percent of visual impairments due to injury occur in the home. Do you know what to do in case of accident? The National Society for the Prevention of Blindness has these suggestions.

Should a speck of dirt land in your eye, lift the upper eyelid outward and down over the lower lid. Let tears wash out the dirt. Never rub. If it doesn't wash out, bandage the eye lightly and see a doctor.

Cuts and punctures of the eye or eyelid should be bandaged lightly. Do not wash or try to remove an object. See a doctor immediately.

Alkalis, caustic acids or other strong irritants can cause serious damage to the

eye. Open the lid and flood the eye with water immediately. Continue this gentle rinsing for at least 15 minutes. Then see a doctor.

You can get a free sticker for your medicine cabinet telling you what to do in case of eye emergency by writing the Society for the Prevention of Blindness, SN, 79 Madison Avenue, New York, N.Y. 10016.

## PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 6, 1979

### PROPOSITION NO. 1 ON THE BALLOT (H.J.R. 108)

House Joint Resolution 108 proposes an amendment to the Texas Constitution relating to the appointment and terms of notaries public. The proposed amendment would:

- Require the Secretary of State to appoint a convenient number of Notaries Public for the state; and
- Authorize terms of office of Notaries Public of not less than two years nor more than four years.

A temporary provision of the proposed constitutional amendment provides that the amendment would take effect January 1, 1980; that each person who was appointed a notary public before January 1, 1980, would continue to serve as a notary public for the term for which the person was appointed; and that this temporary provision would expire January 1, 1982.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for the appointment of notaries public for the state and for a term of not less than two years nor more than four years as provided by law."

### PROPOSITION NO. 2 ON THE BALLOT (H.J.R. 133)

House Joint Resolution 133 proposes an amendment to the Texas Constitution to provide for legislative review of the process of rulemaking by agencies in the executive department. The proposed amendment would allow the Legislature to enact laws:

- To provide for legislative review of the process of rulemaking by agencies in the executive department;
- To prescribe conditions for rules to take effect;
- To provide for suspension, repeal, or expiration of rules;
- To prescribe procedures; and
- To delegate powers to either or both houses or to committees of either or both houses.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for legislative review of

the process of rulemaking by agencies in the executive department."

### PROPOSITION NO. 3 ON THE BALLOT (S.J.R. 13)

Senate Joint Resolution 13 proposes an amendment to the Texas Constitution authorizing the Legislature to provide for the guarantee of loans used to purchase farm and ranch real estate for qualified borrowers. The proposed amendment would allow the Legislature to provide for, issue, and sell general obligation bonds called "Farm and Ranch Loan Security Bonds" of the State of Texas not to exceed 10 million dollars. All money received from the sale of such bonds would be deposited in a separate fund with the State Treasurer and administered by the commissioner of agriculture without further appropriations. These funds would be used to guarantee loans for the purchase of farm and ranch real estate. The commissioner of agriculture would use these funds, under provisions to be prescribed by the Legislature for the purpose of guaranteeing loans used for the purchase of farm and ranch real estate, to acquire real estate mortgages or deeds of trust on lands purchased with guaranteed loans. These funds would also be used to advance to the borrower a percentage of the principal and interest due. The Legislature may also authorize the commissioner of agriculture to sell at foreclosure any land acquired in the manner authorized by this amendment. The commissioner of agriculture would be required to charge at least 6 percent interest on such loans. The proposed amendment appropriates an amount that is sufficient to pay the principal and interest on the bonds that mature or become due during the fiscal year less the amount in the interest and sinking fund at the close of the prior fiscal year.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to provide for the guarantee of loans for purchase of farm and ranch real estate for qualified borrowers by the sale of general obligation bonds of the State of Texas."

Order next year's

# Performance NOW!

Again this year Pioneer® brand seeds have shown superior performance in this area. And many farmers are already getting their names on the line to be sure they'll have their most wanted Pioneer® brand hybrids for planting next spring.

## ORDER NOW... IT HELPS...

- assure you of getting the Pioneer brand hybrids you want in the quantities you need.
- remove the pressure from planting time — the last thing you should be worrying about at planting is getting your hands on the seed you need.
- free up your dealer's time at planting so we can do a better job of serving your total needs.

Order by December 15th. Get this wallet FREE!

Won't work its way out of your pocket. Suede panels hold it snugly in place through a busy working day. Quality materials. Re-inforced stitching for long life. 5-window credit card section.
