

Farwell School Enrollment Up

Enrollment at Farwell Schools is up from that of last year on the first day of school, according to figures released by Supt. W. M. Roberts early this week. A final count Monday, after one day of school, showed 652 students enrolled.

Lions Sponsor Merchandise Shoot

Texico-Farwell Lions are sponsoring a Merchandise Shoot at the "trap" north of town on the State Line Road this Sunday, Aug. 31, beginning at 2 p.m. All marksmen and would be marksmen are invited to be present and get in practice for the "dove" season which opens on Sept. 2.

Championship Tourney Slated Sept. 9-Sept. 19

Final plans are being made for the annual Ladies Club Championship Golf Tournament at Farwell Country Club. The tourney will be played on Sept. 9 and 10, beginning at 9:30 a.m. each day. On the final day, a covered dish meal will be served at the noon hour, according to Mrs. Ometa Scott, spokesman for the group.

The tournament will be in two divisions; nine-hole play and 18-hole play. Entry fee for the nine holes is \$2.00 and fee for the 18 holes is \$4.00. In the nine-hole play, first and second play low net prizes will be given. Nine-hole players will have a handicap up to 36.

In the 18-hole play prizes will go to the low gross, low net and second place low gross players. Prizes to winners in each of the divisions are silver bowls and silver trays. Small gifts will be presented to all entrants in the tourney.

Steers Look Good In Scrimmage

The Farwell Steers looked good for this early in the season, stated Coach Toby Booth following the scrimmage with Portales Tuesday evening.

above that of last year. Enrollment on the first day of school last year was 610 in all divisions of the school.

As usual, the largest number of enrollments is in the elementary school, where several new students were registering at press time. Tuesday morning's figure showed an enrollment of 275 elementary students. One hundred seventy-one students were enrolled in junior high school and an additional 206 had enrolled in high school.

For the first time this year, the school is offering a vocational program for high school students. In this program, students take the required subjects such as math, English, science, etc., in the mornings. For the first hour in the afternoon they meet with the class instructor, Jerry Mathis, for one hour of instruction after which they are allowed to go to their respective jobs. Students in the program are required to work at least 15 hours per week. Mathis states that any businessman who might need part time help and would like to employ one of the students should call him at the high school.

A SCORE --- Greg Hargrove, Steer quarterback, crosses the goal line for a TD in the Farwell Steer-Portales Ram scrimmage Tuesday night.

Gary Erwin, No. 42, has no trouble outdistancing his opponents as he galloped down the field in a spectacular run in the Steer-Ram scrimmage Tuesday at Portales.

Aquatic Show Feature Of Family Night

Family night at Farwell Country Club is slated for this Saturday, Aug. 30, beginning at 8:15 p.m. An aquatic show has been planned for 8:30 for all members of the family to enjoy. A buffet meal will be served, with each family asked to bring a covered dish.

Following the meal, a putting contest will be held with all participants required to pay a 50¢ fee. Bingo will be played later in the evening, and all families are asked to bring a White Elephant item to be used as bingo prizes. Bingo games are 10¢ each.

Swimming and poolside music will also be featured during the evening along with teenage games and playroom capers for persons three to 16 years of age.

Every member of the club is urged to be present for this evening of fun. A family night is planned for each month this fall.

"The squad was able to move the ball offensively and while the defense was spotty, the overall effort was great," he said. The young ball club has the potential for a great club, reiterated Coach Booth as he told how the team was able to move the ball, scoring in three plays the first two times they had the ball.

Portales also moved the ball well, according to Booth. "All in all, I'd say the team has a lot of 'football savvy' for this early in the season," said Coach Booth.

The Steers will scrimmage Hereford at Steer Stadium Thursday, Sept. 4, beginning at 8 p.m. Booth encourages all fans to be on hand to see the Steers in action.

First season game for the Steers will come on Sept. 12 when they meet their cross-county rivals, the Friona Chieftains, at Friona.

Although Danny Prince had trouble keeping his balance after a pass reception, he was able to hang on to the ball, thus allowing the Steers to score on the third play of the evening.

FIFTY-SEVENTH YEAR

10 CENTS

THE GAME OF FOOTBALL is explained to Wolverine hopefuls, Albert Steward, Mike Casey, Keith Morris and Butch Chumley, by Texico head coach Jimmy Wynne, right front, as assistant coach Mike Navodomskis draws a diagram of plays to show squad members.

Practice Underway --

Wolverines Filled With Football Spirit

"In the Spring a young man's fancy turns to thoughts of . . ." but in the fall, his whole heart is consumed by one thing; playing football and playing the game to win. For the first time in many years, Texico School will field a football team this year. Practice sessions have been

held for the past ten days with approximately 30 boys out to try to clinch a spot on the team. With the beginning of school several other hopefuls are expected to be out for practice, according to Jimmy Wynne, head coach. Practice is held each afternoon at 2 p.m. at the

football field north of Texico school. Many persons have been showing up each evening to watch the squad work out for its first game which is slated for Sept. 19 with Vaughn at Vaughn. Second game for the Wolverines will be Sept. 26 when the Wolverines meet the Melrose Buffaloes at Texico.

Boys vying for places on the squad include: Johnny Dane, Albert Steward, James Burford, Bryan Burns, James Askew, Keith Askew, Tim Engram, Bill Servatius, Randy Skaggs, Danny Pearce, Johnny Autrey, Ken Farmer, Terry Armstrong, Terry Yell, Mike Casey, Rol-

Rains Fall In Area

Most farmers are wearing wide smiles this week as the rains continue to come pouring down. First of the rains came Sunday afternoon and continued into the night. Rain reports on Sunday were approximately 2 inches in town, with lesser amounts falling in the outlying areas. A total of 3 1/2 inches has been reported in Texico-Farwell in a three-day period.

In the area north of town, rain on Sunday was approximately one inch with the same amount reported in areas west and south of town. However, the rainfall has been spotted with some farmers reporting good rains on a part of their farm while in other areas lesser amounts of moisture fell, and even in some places no rain at all.

In the Lariat area, a total of two inches had fallen by Wednesday morning. West of town a total of one and one-half inches had fallen in the same period, and south of town at the Ted Magness farm only one inch of rain has been measured in the three-day period. Ten miles north of town, rainfall in the amount of 2.3 inches had been measured up until Tuesday evening; however no late report was available from that area at press time.

Fred Chandler of Sherley-Anderson - Pitman Elevator states that the rain is quite beneficial to all farmers since it puts good season in the ground for winter wheat, and is an asset to the growth of grain sorghum and sugar beet producers.

Weather prognosticators are predicting that more rain will fall before this week is over.

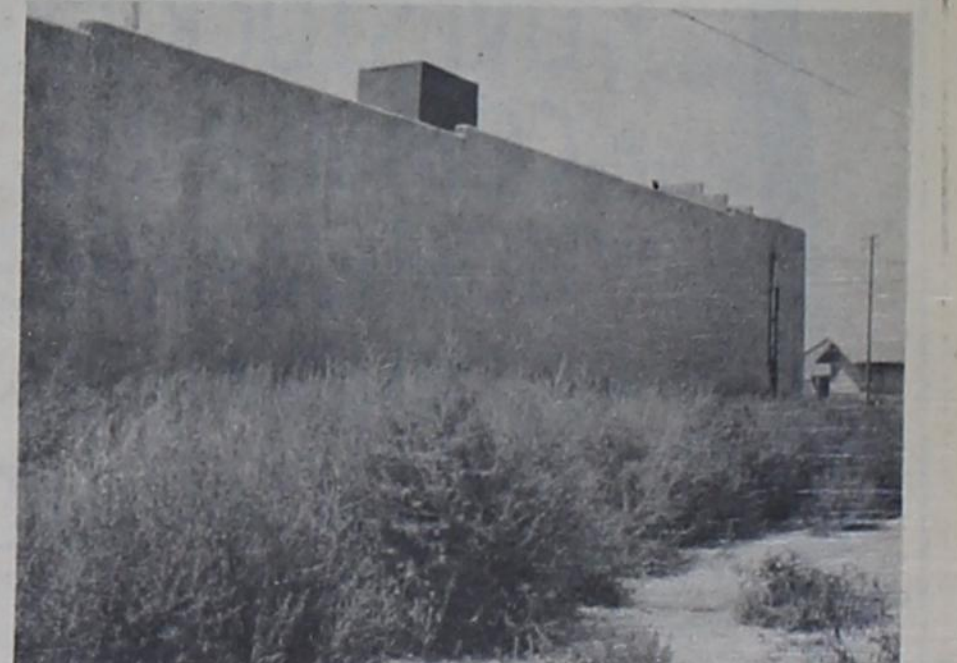

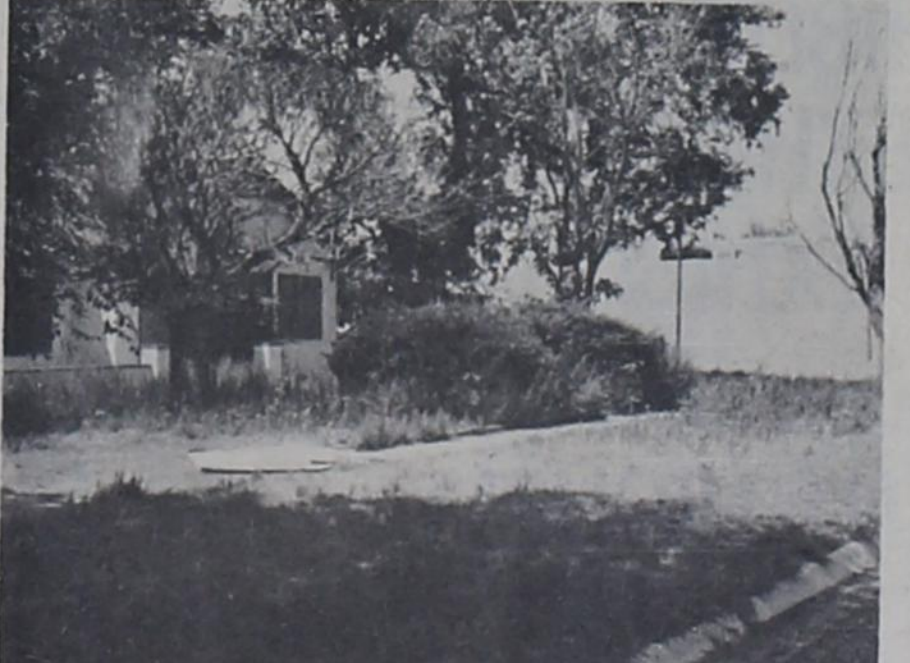

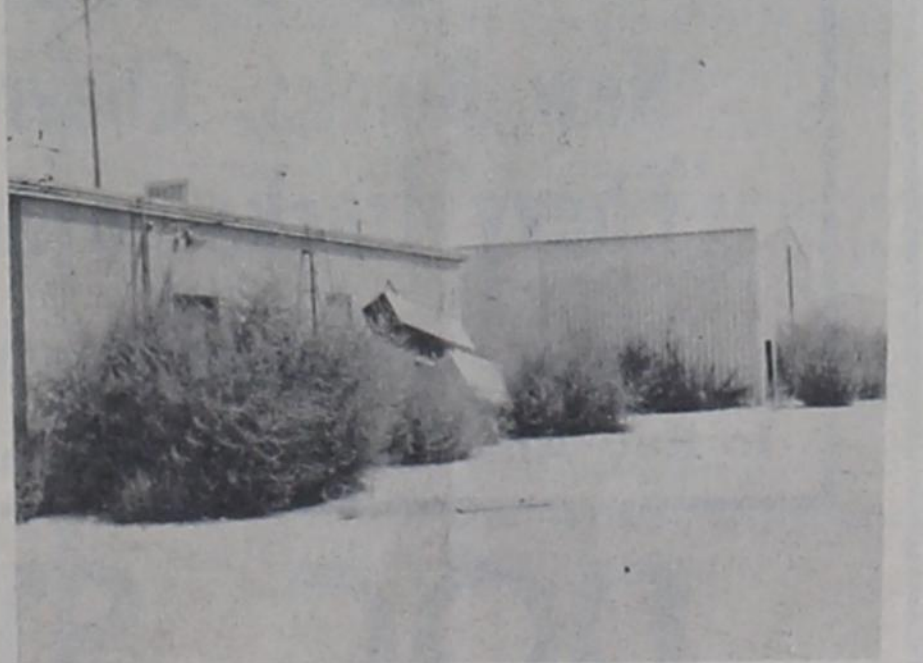

395 Students Enroll In Texico School

Superintendent A. D. McDonald of Texico School stated early this week that enrollment at that institution of learning was down from the enrollment of last year. On the first day of school, only 395 students were registered this year as compared to 437 in 1968.

The elementary grades had a total enrollment of 220 while the high school had 175 students registered. High school is about the same as last year, according to statistics, but the lower enrollment came in the elementary grades, especially first grade which only had 31 students enrolled. Usual enrollment for the first grade is around 55 students.

McDonald states that several other students are expected to register by end of this week.

Weeds - An Eyesore

Strangers coming to the Twin Cities for the first time might well get the impression that residents of the area care little for the appearance of their town, if they happen to pass by vacant buildings or vacant lots first. Many such lots have been allowed to grow up in weeds through the summer causing a health hazard (breeding places for mosquitoes) as well as an unsightly view for passersby. Weeds which are allowed to stand until the first frost kills them in the fall not only will make the property unsightly for the remainder

of the summer but will also provide a bedding place for a new growth of weeds in the spring. Therefore, all area residents are urged to get out and clear their property and talk to their neighbor about doing the same for his property . . . if we will all work together we can soon have a beautiful little town which will not only be attractive to passersby, but one of which we will proudly boast "That's My Home Town!"

Annual Event --

Halfway Field Day Sept. 11

The 13th Annual High Plains Research Foundation's Field Day has been scheduled September 11, according to Dr. Tom Longnecker, Foundation director.

An annual observance featuring the research projects at the farm at Halfway will be conducted from 1 p.m. until 5 p.m. with tours of research plots and office and shop facilities scheduled.

Of special interest for High

**Makes
Double-Eagle**

Lee Jesko of Lazbuddie has the distinction of being the second person to make a double-eagle at the Farwell Country Club golf course. He made the double-eagle Sunday on hole No. 7 (a 418-yard hole), while playing with Larry Jesko and Leroy Kitten.

Charles Smith of Bovina is the only other person to make a double-eagle at the course. Smith's double-eagle was on the ninth hole.

Plains farmers attending the event will be new studies in minimum tillage seedbed preparation for cotton and grain sorghum, swine production studies and feeding trials in portable pens with slatted floors, various applications of herbicides and fertilizers, as well as the continuing studies on soybeans, sunflowers, castors and corn.

Representative Bob Price, Pampa, will be guest speaker for the evening program.

Other displays at Field Day will be farm equipment showing and various exhibits by Foundation commodity committees and several agricultural agencies.

**Letters To
The Editor**

Editor State Line Tribune
Farwell, Texas

Dear Sir,
I would appreciate it if you would publish the following as near in context as possible.

I would like to make a candid report on my impressions of the Constitutional Convention thus far and especially to the people residing in District One.

To begin with, I am concerned with the deluge of proposals that are being submitted to the convention by the delegates. Many of these proposals are legislative matters, others are irrelevant to either the constitution or the legislature.

The irrelevancy can be attributed to special interests groups and political aspirations of some of the delegates.

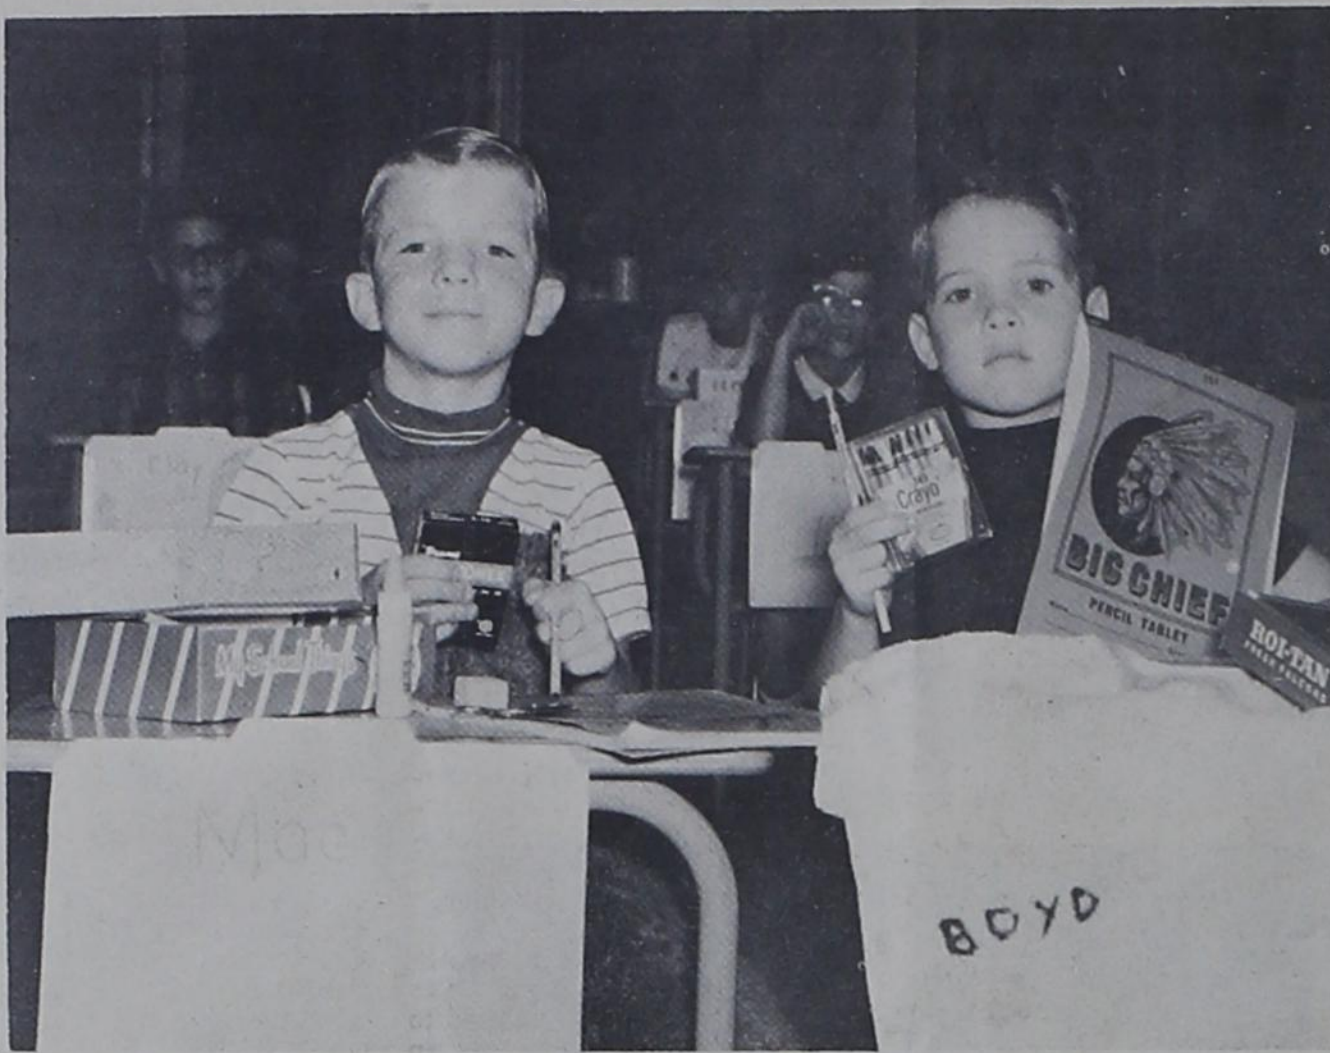

In the revenue committee, we have had proposals to establish exemptions for veterans, (currently in effect) people over 65, widows over 60, retired federal employees over 65 and church properties other than the sanctuary and parish. Although I sympathize with the plight of the groups, I think the property tax base will be continually eroded by the granting of these exemptions. There has been a proposal submitted to abolish the property tax, I consider this totally unworkable due to loss of revenue and the issuance of numerous bonds now outstanding.

There has been a proposal to increase or eliminate the property tax limitation, also a proposal to increase or eliminate the bonded indebtedness. I oppose both proposals and currently feel neither proposal has a good chance of being incorporated into the constitution except perhaps as an alternate to be voted on by the people.

The local government committee has had numerous proposals to increase home rule by local government. I favor a home rule provision but I am adamantly opposed to a provision that does not give a county a separate and independent vote concerning consolidation of various functions performed by both the county and a municipal government. In saying this, I appreciate the problems of Albuquerque and Bernalillo county yet I feel the constitution must be tailored to the state and not to specific areas therein.

I would like to encourage anyone interested to contact me regarding their personal opinions concerning any proposal now pending in the constitution. I believe we can improve some antiquated sections of the constitution but it should not be one of massive innovation.

Sincerely,
David Turner

ALL READY --- Mac Langford, left, and Boyd White are all ready for their first day at school with the necessary supplies in hand. Supplies include crayons, Big Chief tablet, pencils, scissors, paste, small box of Kleenex, cigar box in which to keep the supplies and a large towel or small rug for nap time. Mac is the son of Mr. and Mrs. Leon Langford and Boyd is the son of Mr. and Mrs. Joel White.

Set Grain Referendum Meet

Parmer County grain sorghum producers are urged to attend a meeting Thursday, Sept. 4, to hear the upcoming grain sorghum referendum explained. The meeting will be in the Bovina Schools Auditorium. Meeting time is 8 p.m.

Dr. Bill Black, extension economist in marketing and policy, headquartered at Texas A&M University, will be the speaker at the meeting.

Purpose of the referendum is

**Rummage Sales
Continue Through
September**

Rummage sales which are being sponsored by Theta Rho chapter of ESA Sorority will continue through September, according to Mrs. JoAnn Liethen, president. The sales are held each Saturday from 3-5 p.m. on Main Street in Farwell in the old Ford building, east of the Art 'N Such Shop.

Mrs. Liethen states that the sorority is in need of items for the sales including men's clothing -- especially work shirts; children's clothing all sizes; dishes, curtains, linens, blankets and other items for the home. Persons who have items to donate for the sale should call Mrs. Liethen or Mrs. Ginger Crume and the items will be picked up by a sorority member.

JERALD R. GOBER

Receives Degree

Among the students receiving degrees at summer graduation at Texas Tech was Jerald R. Gober, son of Mr. and Mrs. Webb Gober and a 1961 graduate of Farwell High School.

Gober received a degree in finance and will return to the school this fall to continue his studies. He is a first lieutenant in the National Guard and also works in an office at the National Guard.

He is married to the former Betty Ritchie and they make their home in Lubbock.

Fire Calls Answered

For the second consecutive week neither of the local fire departments has answered a call.

**Championship
Tourney Slated**

Gene Deeds, pro at the local golf course, announces that the annual Club Championship Golf Tournament will be played at the course this Sunday. This is a full handicap tourney.

Net winners in each flight will receive gift certificate while the gross winner will be the club champion.

**Monday Is
Bridge Day**

Mrs. Maxine Williams announces that the regular "bridge day" will be held at Farwell Country Club next Monday, Sept. 1. The session will begin at 1:30 p.m. and all ladies in the area who wish to play bridge are invited to participate.

Hostesses for the day include Mmes. Maxine Williams, JoAnn Liethen, Jean Prince and Beulah Williams.

POLISHING THE APPLE --- Mark Gurley gets off on the right foot in first grade by presenting his teacher, Mrs. Lillian Green, with an apple on the first day of school. Taking a few lessons in "apple polishing" is Rhonda Sharp, also a first grade student in the school. Mark is a son of Mr. and Mrs. Dan Gurley and Rhonda is the daughter of Mr. and Mrs. Nathan "Butch" Sharp.

Faith Class Meets In Coffey Home

Faith Sunday School Class of Farwell First Baptist Church met in the home of Mrs. Hattie Coffey last Tuesday for a social and short business meeting.

New officers were elected. Mrs. Edith Chandler will head the class as president and Mrs. Phyllis Herington will serve as secretary. A gift, bouquet of pink carnations, was presented to Mrs. Hattie Coffey, class teacher, by the members of the class.

After an afternoon of visiting, home made ice cream and cookies were served to Mes. Omata Scott, Martha Peoples and Jana, yvonne Hardage, Phyllis Herington, Pat Owen, Sue McNutt, Edith Chandler, Eva Dean Stephens; and Linda Gerles, a visitor.

Whats Cooking At Farwell School

MONDAY: fish sticks, tartare sauce, blackeyed peas, macaroni and cheese, carrot slices, hot rolls, butter, honey, milk.

TUESDAY: baked ham, buttered corn, green beans, lettuce salad, bread, cherry cobbler, milk.

WEDNESDAY: roast beef, gravy, creamed potatoes, buttered peas, celery, bread, peaches, milk.

THURSDAY: hamburgers, lettuce, tomatoes, pickles, onions, cheese slices, potato chips, chocolate pudding with whipped cream, milk.

FRIDAY: steak fingers, cat-sup, lima beans, creamed potatoes, cabbage slaw, strawberry shortcake, bread, milk.

Aunt Visits Whitesides

Mrs. Mabel Brunton from England, but who has been making her home in New Jersey for the past few years, has been visiting in the home of her niece and nephew, Mr. and Mrs. Bill Whitesides, and children for the past few days.

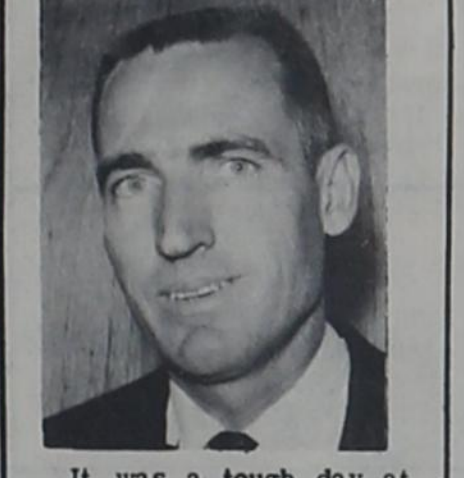

Mrs. Brunton is returning from a trip which took her to New Guinea to visit with her son, Bryan, who is employed by the Australian government. She also visited in Australia and Honolulu before returning to Farwell. Enroute to New Jersey, she will visit with several other nieces and nephews in various areas of the United States. She expects to arrive in New Jersey some time in September.

Officers Plan Programs

Officers of Farwell Future Homemakers of America met at the Home Economics Cottage Thursday afternoon to make plans for the coming year. Programs were planned and the point sheets were laid out. Point sheets are used to determine the "FHA Girl of the Month." Final plans were also made for the fun initiation and also for the formal initiation of FHS members.

Officers attending the meeting included Sheila Garner, president; Debra Garner, vice-president; Jana St. Clair, parliamentarian; Tina Rundell, treasurer; Ruth Anne Blankenship, secretary; Marsha Lovelace, historian; and Melody Roberts, reporter. Mrs. Naomi Austin is advisor for the group.

At Home In Parmer County

By JANICE MILLER
County HD Agent

Cucumbers have two classes: slicing and pickling. For crisp pickles, use firm, small to medium cucumbers. Don't buy more than you can process at one session. Know the strength of vinegar you are using. A high grade cider or white distilled vinegar of 40 to 60 per cent grain strength gives good results. Also, pure dairy or pickling salt should be used if possible, since fine table salt contains a little starch which clouds the liquid.

Use fresh, good quality spices. Stainless steel, glass or aluminum should be used to prevent giving the pickles an unattractive, dark color. Use firm but not plump cucumbers for slicing. They should be well-shaped with fresh-looking green skins.

Teflon cookware should be reconditioned after a sudsy scrubbing with stiff sponge or plastic scrubber, or after washing in dishwasher. You can recondition your cookware by rubbing the coated pan with cooking oil or unsalted fat.

In a year or two, credit cards may be found in supermarkets, if the present try-outs are successful.

Two major chains are experimenting with them now. Trials are to determine if shoppers prefer or like to use credit cards instead of cash in the supermarket, and if the consumer will pay his bill after the food has been taken home and consumed.

This plan may be convenient, but similar to most plans, an 18 per cent interest charge is added to bills not paid within the month.

On The Farm In Parmer County

By RONNY McNUTT
County Agent

ANSWER 'EM WITH FACTS

The following facts were reproduced from the magazine "Better Crops With Plant Food," No. 2-1969. These facts were based on USDA and U. S. Congressional Committee on Agriculture reports.

"Everything's sky high at the supermarket. Boy, the farmers must be getting rich! They oughta... with the tax money they get NOT to grow crops."

Let your urban friends know....

The food costs rose less than most consumer items between 1947-49 and 1966--only 35 per cent compared to 85 per cent for medicare, 52 per cent for rent.

That three factors affect our food budget: (1) Processing costs -- such as canned, frozen, concentrated, dehydrated, ready-mixed, ready-to-serve foods; (2) Transportation and packaging costs; (3) Non-food items on your check-out tape casually charged to food budget.

That the cost of marketing food soared more than 130 per cent in less than 20 years -- from \$22.6 billion in 1947 to \$2.1 billion in 1966.

That farmers have not been getting the benefit of higher food prices, as average wholesale farm prices decline before oversupplied wholesale markets.

That the farmer's share has recently been 2.8 cents from a 30 cents box of cornflakes... 59 cents from \$1 worth of choice beef... 3 cents to 4 cents from a 22 cent loaf

of white break... 23 cents from a man's \$4 cotton shirt... 25 cents from \$1 worth of pine in his woods.

That the farmer has the following income to live on (using 1966 average figures): About \$5,024 per farm net out of about \$13,100 gross... about \$1,730 per farm person indisposible personal income... about \$1.60 per hour for farm work compared to \$2.71 per hour for factory worker, \$2.39 for food market employee!

That the world's most efficient food producer (the American Farmer) is squeezed between rising operating costs and declining wholesale farm produce prices -- from an index of 106.4 in 1950 to 98.4 15 years later.

That agriculture is the nation's biggest industry, with better than \$273 billion assets... nearly 2/3 the value of all current U. S. corporate assets. That farming involves 5.2 million workers -- more than the combined work force in transportation, public utilities, steel, and automobile industries.

That one hour of farm labor now produces over six times the food and crops it did in 1919-21.

Mrs. Fern Castor, who has been hospitalized at Clovis Memorial Hospital for several weeks following a heart attack, was released to return home Wednesday. However, she will be confined to her home for the next three weeks.

110 Attend Luau

Some 110 area youth attended the luau at the home of Mr. and Mrs. Jack Kirkland last Friday evening. The luau was sponsored by the Youth Council of First Baptist Church of Farwell.

As each guest arrived, he or she was presented with a lei and escorted to the backyard where the luau was held. The swimming pool was decorated with floating candles and fresh flowers. Serving tables were decorated with fresh flowers, fresh pineapples, and leaves, representative of the Hawaiian Islands. Torches and Hawaiian lanterns were strung about the yard.

A meal of barbecue chicken, salads, baked potatoes, and watermelons and canteloupes was served. Barbecue and salads for the meal were provided by ladies from First Baptist Church.

Dravis Family Has Guests

Mr. and Mrs. Dale Wilmoth and Kathy from Morenci, Ariz., are spending this week in the home of Mr. and Mrs. Harold Travis, and sons, Terry and Mike. Sunday the Traves and Wilmoths were joined by other family members for a reunion at the Travis home.

Sunday guests included Mrs. Ethel Brown, mother of Mrs. Travis and Mrs. Wilmoth; Mrs. Zell Chapman, Mr. and Mrs. Leo Brown family, and Mr. and Mrs. Delbert Brown and family, all from Portales.

Returns To Work

R. T. Langston, who was injured several weeks ago while on the job at Watts Machine and Pump Co., has returned to his job as plant foreman. He was hospitalized in Amarillo for several weeks while receiving treatment for an injured back.

Parsons Have Weekend Visitors

Weekend visitors in the home of Mr. and Mrs. Monty Parsons were Mr. and Mrs. Ira Winkler and Robert of Roswell, Kathy Judd, a daughter of the Winklers who has been visiting in the Parsons home for the past month, returned home with her parents.

On Sunday, Mr. and Mrs. Bill Hudson and daughters from Amarillo visited in the Parsons home. The Sunday visit gave the Parsons a chance to meet their new granddaughter, one-month-old Kerri Gwen Hudson.

Buddy Jones, who has been hospitalized in Clovis Memorial Hospital since suffering a heart attack last week, is in satisfactory condition but will remain hospitalized for some time.

Returns Home From Hospital

Mrs. Lena Kelso of Lariat, who has been hospitalized in Lubbock for the past three weeks following an accident in which she received a broken leg, has returned home. She is up and around in a wheel chair and says, "I'm doing just fine."

Bobby Lee, a grandson from Dallas, is visiting in the Kelso home and assisting Mrs. Kelso with her chores.

Mrs. Kelso states that she is deeply appreciative of all the cards and letters she has received and invites her friends to stop in for a visit.

Housewarming Honors Watkins Family

Mr. and Mrs. Donald Watkins and children, Sandra, Scott and Jill, were honorees for a housewarming last Wednesday evening following prayer services at Farwell First Baptist Church.

Approximately 50 friends gathered to present the couple with gifts and tour the home which has recently been completed. The Gleaner Sunday School Class was host for the social. Special guests at the social were Mr. and Mrs. G. T. Watkins.

Spudnuts, coffee and punch were served.

Longhorn Roundup

by Mike Casey

New placement for experienced personnel is the situation confronting the Longhorn Longhorns this football season. The Horns must replace four outstanding seniors lost to graduation.

In the offensive backfield, Monte Barnes will replace all-star Troy Steinbock at the quarterback spot. Monte, a senior for this year, weighs 190 pounds and stands 6'4" tall. Last season Monte played offense as an end and snared 12 passes for 190 yards and four touchdowns. On defense he played linebacker and defensive end and had 122 assisted tackles and 21 unassists. He will probably play linebacker again this year or defensive end.

Alongside Barnes in the offensive backfield will be Deryl Mathews. Deryl is the only returning back from last year's BI-District championship team. He will be a 178-pound senior this year and was outstanding in several departments last season. From his halfback spot, Deryl ran for 915 yards on 153 carries, averaging six yards per carry. He caught 10 passes for 200 yards. In overall scoring Mathews found the end zone 17 times and had eight extra points for a total of 110 points. Defensively, he intercepted three passes from the corner-back position, had 101 assisted tackles and 30 unassisted. Deryl will probably play cornerback on defense again this year but may see action at defensive halfback.

To Serve County --

Electric Co-Op Rep In Bovina

Sam Garrison, Farmer County representative for Deaf Smith Electric Cooperative, and his family moved into Bovina recently. The Garrisons had lived nine miles southeast of town for the past few weeks until they recently purchased the former home of Mr. and Mrs. O. W. Rhinehart on Dimmitt Road and moved to town.

Parmer Countians who need service from the electric cooperative are asked to contact Garrison in Bovina. His phone number is 238-2651.

Garrison began his duties with the REC July 21. He came to this area from Perryton, where he had worked for the

played tackle on offense last year. He will be tried at guard this year due to Larry Hodges' departure to the backfield. As a defensive end last year, George had 81 assisted tackles and 14 unassists. He will probably play there this year too. He also might see action as linebacker.

There are many candidates for offensive tackles. Hoping to replace Gary Elliott, another senior lost to graduation, is Jimmy Noland, a 178-pound sophomore. Although he didn't see much action on offense last year, Noland had an excellent season as a freshman at defensive guard. He had 88 assisted tackles and nine unassists. He will probably be playing guard on defense again this year. Other offensive tackle candidates are Marti Mosley, 160-pound junior; Derrell Elliott, 158-pound junior; Rene Flores, 150-pound junior; and Randy Bush, 168-pound junior. These players, however, could end up playing anywhere on the line, offensively and defensively.

The center chores will be handled by Pablo Mendoza, 154-pound senior. He will probably be backed up by Mike Winders, 140-pound freshman. The offensive end jobs may be handled by Charles Lee, 155-pound junior, Loy Dale Clark, 135-pound sophomore, Mark Barnes, 160-pound freshman, Mike Casey, 160-pound junior; Roy Flores, 130-pound sophomore; or John Jones, 140-pound junior.

This year the Longhorns could be as strong or stronger on defense as they were last year when they surrendered 69 points in regular season play and 33 in play-off competition. Possibly, the strength could be in the defense this year where seven regulars return.

past eight years with North Plains Electric Cooperative.

The Garrisons have two children, a girl, 10; and a boy, who is seven.

Headquarters of the electric cooperative, which serves most of the rural area in Parmer County, is in Hereford.

"We believe that our service in Parmer County will now be greatly improved with Mr. Garrison living and working in that area. We want to encourage our users who need service to call him in Bovina, day or night," James Hull, manager of the cooperative, says.

ELECTRIC CO-OP representative Sam Garrison has moved with his wife and children to Bovina, to be better able to serve the people of this area. Left to right are: Sam, Shirley, Sam and Kirtus.

Mr. and Mrs. Mose Glasscock spent the day Sunday in Rudoso.

"LABOR IS LIFE"

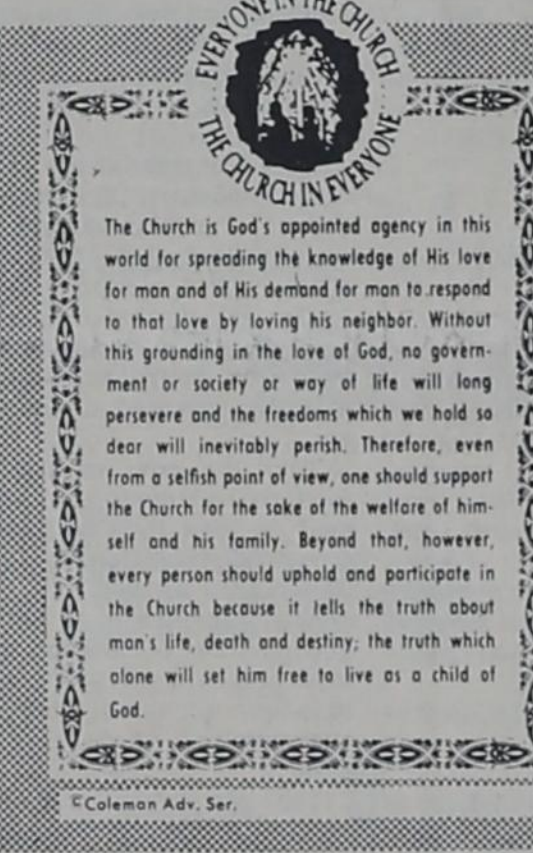

Carlyle

Let's talk about labor — work, if you please, for that is what labor is. Labor has come a long, long way since ancient times when work was closely related to slavery. Aristotle described a slave as "a tool with life in it." In the Middle Ages, labor gained dignity and respect as slavery declined and Christianity spread. Then, later in the 1700's and 1800's the industrial revolution created conditions that led to the modern labor movements. Today labor has gained respect, wages and working conditions hitherto unknown before.

Labor is life. Work is satisfying. Through his work a man accomplishes, and creates, and provides for himself and his family. When deprived of the opportunity or ability to work, man often becomes depressed, even ill.

I Corinthians 3:9 tells us that "We are laborers together with God." We are His hands, feet, voice, and compassionate heart here on earth to spread the gospel, lift up the poor, eradicate ignorance and destroy disease.

Honor God and Labor this week by attending church.

Impressive Ceremony Unites Rita Howard, Rip Walser

In an impressive ceremony in the chapel of the Quanah First Baptist Church on Aug. 15, Rita Joan Howard of Quanah became the bride of Homer Purvis (Rip) Walser of Farwell.

Parents of the couple are Mrs. Wilbert Howard of Quanah and Mr. and Mrs. Odus T. Walser of Farwell.

The double-ring service was read by Rev. Ted Gentile of Brandon, Fla., brother-in-law of the bride. The chapel was decorated with baskets of white gladioli and two brass spiraled candelabra holding white tapers.

Organist Janis Foster played nuptial selections including "Romance" in F Sharp, "Theme from Tchaikovsky's Piano Concerto No. 1," "My Heart Ever Faithful," "Lohengrin's Bridal Chorus," and the "Wedding March." She also accompanied Mrs. Richard Walser, soloist, who sang "A Time for Us" and "One Hand, One Heart."

Maid of honor was Linda Houk of Quanah. Helenarline Wey, also of Quanah, served as bridesmaid. Miss Houk wore a street length dress of pastel blue peau de soie featuring an empire waistline. She carried a nosegay of pastel blue poms. Miss Wey was attired in an identical dress of pastel yellow and carried a nosegay of yellow poms.

Sherry Owensby of Manhattan, Kan., niece of the bride, was flower girl. Her ensemble was identical to that worn by the bridesmaid. She carried a basket of yellow and blue poms. Harold Smith of Albuquerque, cousin of the groom, served as best man. Groomsman and ushers were Rodney D. Bearden, Brownfield; Terry T. Lovett, Plainview; and Kenneth L. Francis, Quanah. Howard Wayne Glover of Dallas, nephew of the bride, served as ring-bearer.

The bride, escorted and given in marriage by her brother-in-law, Clinton E. Owensby, of Manhattan, Kan., wore a formal wedding gown of white peau de soie. The gown was designed with an empire waist of lace accented by appliques of seed pearls. The chapel train was also accented with appliques of seed pearls. A large bow accented the back of the dress at the waistline. Her veil of white imported illusion fell from a cluster of lace petals outlined in seed pearls.

She carried a cascade of phalopsis orchids and yellow roses atop a white Bible. Following the tradition of something old, new, borrowed and blue, she wore the sapphire ring of her mother for something old and borrowed; new was her wedding attire; blue was the traditional garter; for luck she carried in her shoe a sixpence.

Mrs. Howard, mother of the bride, chose a knit suit of blue accented by white accessories, for her daughter's wedding. Mrs. Walser wore a yellow linen suit with brown accessories. Both mothers wore orchid corsages.

Rene Walser, sister of the groom, presided at the guest register.

Immediately following the wedding, a reception was held in the church annex. Serving table was laid with a white lace tablecloth and centered by an arrangement of yellow flowers in a three-tiered candelabrum. After the bride and groom had cut the first slice of the three-tiered wedding cake, iced in white and decorated with yellow roses and topped by a bride and groom figurine, it was served with yellow punch, butter mints of yellow and white, and nuts. Napkins inscribed with the names "Rita and Rip" completed table decor. Ethel Butts and Lynn Findley served the

wedding cake and Donna Cornog served the punch.

When the couple left for a wedding trip to Colorado, the bride wore a champagne knit suit with accessories in matching hue. Complementing the ensemble was a corsage lifted from her bridal bouquet.

The bride is a 1968 graduate of Quanah High School and is a student at West Texas State University. The groom, a graduate of Farwell High School, is a senior at West Texas State University.

Mr. and Mrs. Walser are presently living in Farwell, but will move to Canyon around the middle of September where they will both enroll at the university to continue their studies.

Bryan Getz Party Honoree

Mr. and Mrs. Mike Getz and son, John Bryan, from Houston are visiting this week in the homes of their respective parents, Mr. and Mrs. John Getz and Mr. and Mrs. Ray Sharp.

Sunday, a belated birthday celebration was held for John Bryan in the home of Mr. and Mrs. John Getz. Attending the birthday dinner were Mr. and Mrs. Mike Getz and John Bryan, Mr. and Mrs. Ray Sharp, and the host couple.

Tuesday evening, Mr. and Mrs. Nathan (Butch) Sharp and children, Clint, Craig and Rhonda, were hosts to family members for another celebration honoring the visitors. Attending the Tuesday social were Mrs. John Getz, Mr. and Mrs. Mike Getz and Bryan, Mr. and Mrs. Ray Sharp, Mrs. Anita Zachrel, Steven, Edith and Ray, and Mrs. Phill Elliott, Leslie and Scott.

Mr. and Mrs. Getz and Bryan will return to Houston later this week.

Home Ceremony Unites Kandy Meeks, Joe Castillo

Kandy Meeks, daughter of Mr. and Mrs. Billy Meeks, became the bride of Joe Castillo of Lubbock, son of Mr. and Mrs. Andrew Castillo of Farwell, in a quiet but impressive ceremony at the home of the bride's parents Saturday night, August 23.

The double ring ceremony was read by Dewey Fogerson, minister of Farwell Church of Christ, before a setting of spiral candelabra holding lighted blue taplers, flanked by palms of emerald greenery. Only family members attended the ceremony.

Preceding the ceremony, recordings of the Harding College Choir singing "Because," and "Oh, Promise Me," were played and following the ceremony, the choir's recording of "Oh Father Hear Our Prayer," was used as a benediction. The traditional wedding marches were used as processional and recessional.

The bride, given in marriage by her parents, was attired in a street length dress of candlelight crepe. The dress featured a softly gathered skirt, fitted bodice, bracelet sleeves banded at the bottom with a minute cuff, and a sweetheart neckline accented by appliques of crystals and teardrop pearls. Her elbow length veil of white illusion was held by a tara of pearls. She carried a cascade of white stephanotis surrounding white roses, atop a white satin covered Bible.

Following tradition, the bride wore for something old a pearl ring, a gift from the groom several years ago; new was her wedding dress; borrowed and blue was a garter from Lana Mahaney Doshier.

Steve Birchfield, close friend of the couple, served as best man. Roberta Chisman, close friend and former classmate of the bride, served as maid of honor. Miss Chisman wore a street length dress of blue silk and lace. Her headpiece was a

blue tulle veil held by a large blue satin bow. She carried long stemmed red and white roses accented by greenery.

Mrs. Meeks chose a green crepe dress with brown accessories for her daughter's wedding. Complementing the ensemble was a red rose corsage.

The bride, a 1968 graduate of Farwell High School, has attended Abilene Christian College and West Texas State University, and plans to continue her education at Texas Tech in the fall.

The groom is a 1966 graduate of Farwell High School and is presently employed by Clark Implement Company in Lubbock. The couple are at home at 1006 Ave R in Lubbock.

served by Joi and Gail Meeks, sisters of the bride.

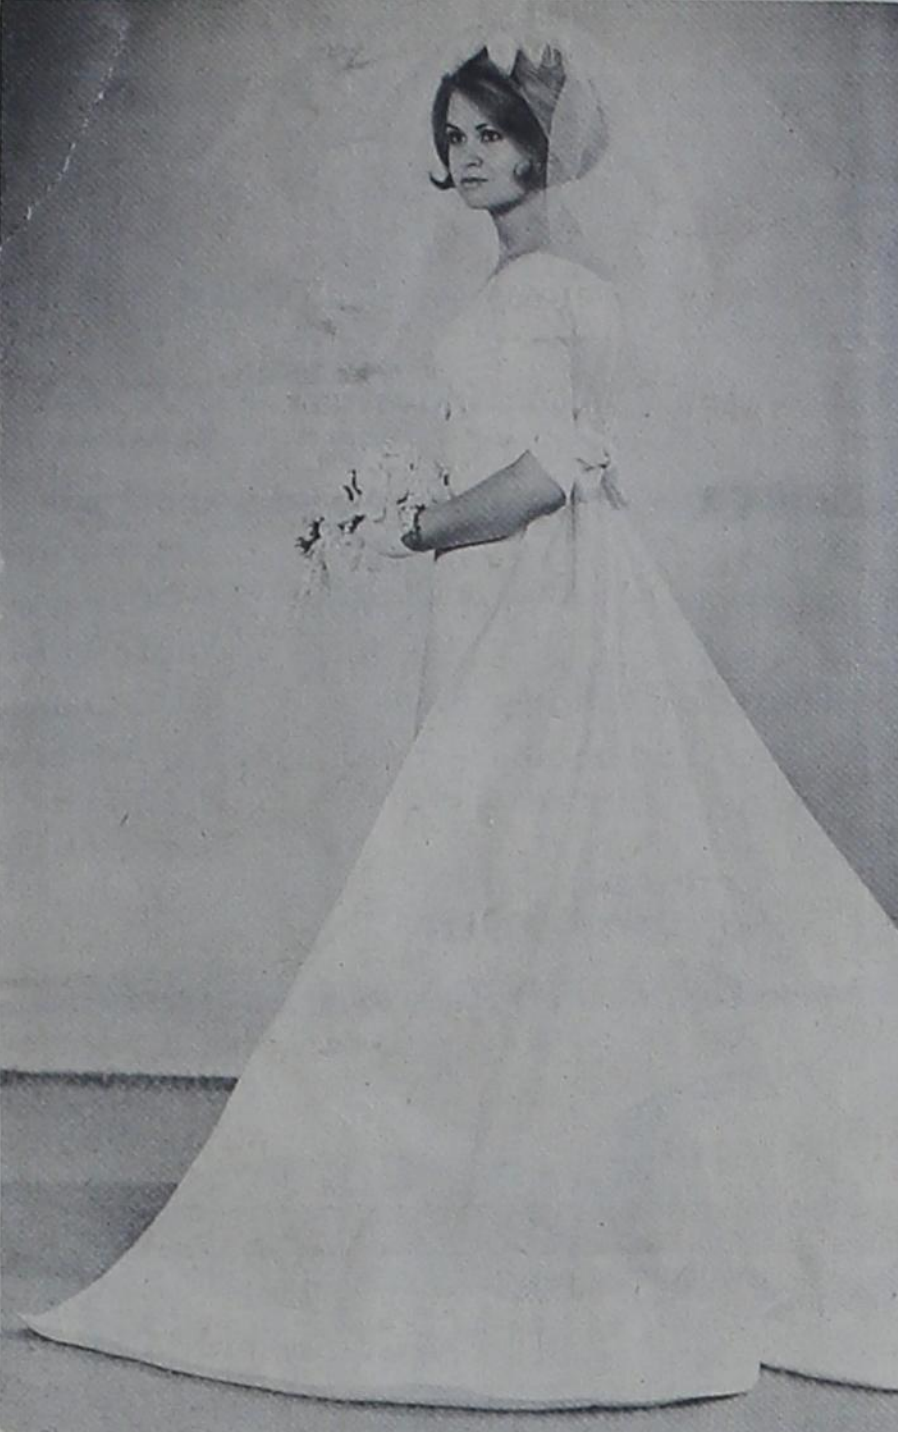

When the couple left for a wedding trip to points of interest in New Mexico, Mrs. Castillo wore a brown linen dress accented by brown accessories. Her corsage was the roses lifted from her bridal bouquet.

The bride, a 1968 graduate of Farwell High School, has attended Abilene Christian College and West Texas State University, and plans to continue her education at Texas Tech in the fall.

The groom is a 1966 graduate of Farwell High School and is presently employed by Clark Implement Company in Lubbock. The couple are at home at 1006 Ave R in Lubbock.

MR. AND MRS. JOE CASTILLO

MRS. RIP WALSER

Belated Birthday Party Honors Bryan Getz

BRYAN GETZ

The home of Mr. and Mrs. Phill Elliott was scene for a belated birthday party honoring John Bryan Getz, son of Mr. and Mrs. Mike Getz, of Houston, Sunday afternoon. Bryan had celebrated his first birthday on August 20.

Games were played in the backyard after which birthday cake was served with punch. The cake was decorated with a "choo-choo train" theme and bore one blue candle and the words "Happy Birthday Bryan."

Attending the social were Leslie and Scott Elliott; Edith, Ray and Steven Zachrel; Clint, Rhonda and Craig Sharp; Darren Hammonds; grandparents Mr. and Mrs. Ray Sharp; and Mmes. Fern Tharp, Connie Elliott, Anita Zachrel, Susie Hammonds and Judy Getz.

Visit In Mears Home

Visiting in the home of Mr. and Mrs. Ray Mears recently have been Mr. and Mrs. R. J. Cain from Ventura, Calif., Mr. and Mrs. Loyd Gray from Frederick, Okla.; Mr. and Mrs. Jim Cain and Ronny, Amarillo; and Mrs. Lizzie Gray from Frederick.

Mrs. Lizzie Gray will spend the next few weeks visiting in the Mears home.

Guest, Hill Exchange Vows

Wedding vows were exchanged by Sharon Dennise Guest, daughter of Mrs. Neletta Guest of Amarillo and Ralph Guest of Adrian, and Allan Davis Hill of Canadian, son of Mr. and Mrs. John Hill, on Aug. 15. The double ring service was read by Rev. Prentice McGee at Fairview Baptist Church in Amarillo. The ceremony was attended by close friends and relatives of the couple.

Jupes Visit In Magness Home

Mr. and Mrs. Leroy Juppe and children from Pharr spent the weekend visiting in the home of Mrs. Juppe's parents, Mr. and Mrs. W. T. Magness. On Saturday other guests in the Magness home for a reunion were Mr. and Mrs. Obie Staggs, Levelland; Mr. and Mrs. Joel White and children, Mrs. Janie Bowery and children, and Mr. and Mrs. Billy Hammit, all of Texico-Farwell.

FIGHT BACK!

NITROMITE

Fight the price/cost squeeze on your wheat with NITROMITE, Shamrock's fine brand of anhydrous ammonia.

A preplant application of NITROMITE speeds early growth, producing lush, high-quality forage (and plenty of it!)—an important factor if you plan to graze cattle this winter.

And the cash crop? NITROMITE delivers the most usable nitrogen per dollar to help increase yields without increasing cost appreciably. So come harvest, even if prices are low, you make out. If they're good, you'll be the big winner.

Put down NITROMITE now. It'll give you a fighting chance in the marketplace.

Vacation In Texas Towns

Mrs. Mae Goldsmith and children, Dan, JoDell and Gayla, spent last week visiting relatives at several places in Texas and at Six Flags. In Gainesville they visited with the Alan Goldsmith family, at Tyler they were guests of Mr. and Mrs. Ron Beard, and at Ft. Worth they visited in the home of Mr. and Mrs. Larry Hackney.

They also attended the golden wedding anniversary celebration of Mr. and Mrs. Squire Lunsford, former Farwell residents, at Mineral Wells.

Return From Extended Trip

Mr. and Mrs. M. A. Snider, Jr. and children, John, Kim and David, have recently returned from a vacation trip which took them to Ft. Worth, Houston, New Orleans, La., and Pensacola, Fla. They left Pensacola on the return trip home just ahead of hurricane, "Camille."

In Ft. Worth they were guests in the home of Mr. and Mrs. Tommy Turner and Bryan, and in Houston they visited the Astro-dome and attended a circus.

They were accompanied on the return trip to Farwell by Alice Porter of Springtown, Tex., who is spending two weeks in their home prior to enrolling for classes at North Texas College in Denton.

Mrs. Ellen Wurster and Mrs. Dorothy Gast from Farwell and Mrs. Mabel Pate of Clovis spent the weekend vacationing in Ruidoso. They returned home late Sunday.

You are invited to a bridal shower honoring Mrs. Joe Castillo, nee Kandy Meeks

BUSY SCHEDULE --- Sten Westerberg, Swedish exchange student attending Farwell High School, will have a busy schedule this year. He discusses his schedule, which consists of typing I, trigonometry, government (civics and health), physics, English and physical education, with High School Principal Amos Tatum. Sten is a senior at Farwell but will still have one year of classes after returning to his homeland before completing his high school requirements.

Water Program --

Representative Clayton Proposes Intrum Study Committee

State Representative Bill Clayton of Springlake has taken the first step pointing toward ultimate approval of an overall water plan for Texas, proposing a joint interim study committee to look into all phases of the Texas water situation.

Clayton makes the proposal in a resolution which would set up the committee comprised of three members from the Texas House of Representatives, three members from the Senate, and three members to be named by

Governor Preston Smith. The committee would report its findings back to the 62nd State Legislature which convenes in Jan., 1971.

The committee stems from failure of Constitutional Amendment No. 2 at the polls on Aug. 5. The proposal, which would have provided the financing for implementation of the Texas Water Plan, was defeated by less than 6,000 votes.

The water plan, proposed by the Texas Water Development Board, would come under the

scrutiny of the special interim committee, and, the committee would look into the ecological effects from implementation of the plan.

As proposed by Clayton, the committee would hold fact-finding hearings throughout the state, explaining the water plan and consider alternate proposals from legislators and from the public.

The resolution calls on the Texas Water Development Board, the Texas Water Quality Board and the Texas Water Rights Commission to cooperate with the committee to the end that a comprehensive picture of the Texas water situation can be obtained.

The committee's work could lead to another statewide vote on the Texas Water Plan or on a similar proposal calling for importation of water into the state, and from areas within the state where surpluses exist to areas which lack adequate water.

Local People Participate In Fashion Review

The fashion review of Cavalcade of Cottons was presented at Friona High School Auditorium last Thursday evening under sponsorship of Parmer County Home Demonstration clubs.

The collection of all-occasion cottons featured new fabrics and patterns which are generally available in local department stores. The wardrobe was made available through the loan service of the National Cotton Council and McCall's Patterns.

Mrs. Gladys Kaltwasser was narrator for the show, and background music was provided by Cheryl Kaltwasser at the organ.

Instruments On Display

Lynn Burton, Farwell band director, states that a music dealer will be at Farwell School from 12:05 until 1:35 Monday, Sept. 1, to give a presentation and show a film to beginning band students.

Later that day, from 4-9 p.m., he will have a display of band instruments in the band hall. All parents who are interested in seeing the band instruments or discussing the band program are invited to be on hand during those hours.

Refreshments will be served throughout the evening.

Pioneer Sorghum Co. --

Open House Slated Sept. 3

Pioneer Sorghum Company will host an open house, Wednesday, Sept. 3, at its Plainview seed plant and research nursery. Everyone interested in hybrid corn and hybrid grain sorghum development and production is cordially invited.

The open house will be from 10 a.m. to 3 p.m. and will feature guided tours of Pioneer's seed plant and research plots. Barbecue lunch will be served from 11:30 a.m. to 1 p.m.

Besides seeing modern seed plant operation, visitors will have a chance to look at some interesting experimental hybrids--corn and millet as well as grain sorghum.

Mrs. Bobby Blair, who was hospitalized over the weekend for minor surgery has returned home and is recuperating nicely.

Several crop management studies will also be available for observation: planting rates and dates; row width planting; herbicide applications; and pasture sorghum regrowth.
