If his receivers had done what they are capable of, the Cowboys easily could have had a couple of scores up on the board.

There was another positive note about the game. Aikman's protection was excellent - especially considering the fact the Saints were fully aware Dallas had to pass the ball since they were behind.

Unfortunately, those positives didn't offset all the negatives: a breakdown in the running game, poor tackling, dropped passes, weak linebacker play.

It appears that the Cowboys must go through a long

Other local communities tax these items. According to Grigsby, automobiles add \$2 million to Bovina's tax base. Administrative assistant Gwen Corn explained that autos were dropped from the property tax rolls here in 1982 because enforcing the tax was difficult - numerous citizens simply registered their vehicles in New Mexico because they own property in both states. Carpenter tops 2nd grid contest

Texico - Farwell are folks kept their scores high in the second week of the 31st annual Merchants Football Contest.

Three contestants had 11 of the 12 games picked correctly: Richard Montgomery, Sammy Herrera and Amy Jo Murray.

By virtue of being closest to the tie breaker (Brownfield 28, Muleshoe O), the first place winner was Montgomery. He was 13 off the tie breaker. So he won the \$10 cash prize. Winning the second place prize of \$5 was Herrera. He was 16 off the tie breaker. Murray was 20 off the tie breaker.

rebuilding process before the can approach the heights of the Staubach era. I read that Coach Jimmy Johnson plans to draft heavily next year for defensive players. Good.

But I do believe the Cowboys will win some games this year. And with Herschel Walker and Aikman in the backfield, it will be an exciting year. But if they come up against the caliber of a top-notch team, don't be surprised if it's a blowout.

Here's my prediction for this year's Super Bowl winner: the Eagles of Philadelphia. ***

Speaking of sports, as I write this, the Chicago Cubs -Texico - Farwell's Team - are still in first place, with a 2 1/2 game lead.

This comes as no surprise to this writer, who accurately predicted last spring that the Chubbies would win the World Series.

And as for that coach who bet my son a Coke that the Wrigleys wouldn't win their division, bah humbug to you. Better save up your 50 cents, fella. ***

Locally, area teams have started off in good shape. Texico's won a brace of games; and Farwell and Lazbuddie have won their openers.

To repeat what I've written before, please, please, please attend your team's games. Support is needed. And it sure is a good feeling for the kids to see fans in the stands.

It's a lot of fun to get out there Friday night (or Thursday night for junior varsity) and watch your community's team in action. It beats the heck out of sitting at home and being a couch potato while watching silly TV reruns.

(And don't forget the local Play Inc. teams...)

Is that true what I read in the paper: Texas Tech knocked off No. 20 ranked Arizona? Sure that wasn't a misprint?

The board voted to:

- Apply for a hardship program which will refund 16 cents per school lunch.

- Accept the substitute teacher list.

Gwen Corn noted that several teachers have attended workshops on Migrant programs, Gifted and Talented programs, and Teacher Expectation Student Achievement.

- Linda Moss reported that the cafeteria will start serving breakfast and lunch to pre- kindergarten students. They will also work with the PTA on a muscular dystrophy promotion.

- Grigsby reported several things at the end of the meeting. First, he asked the board's permission to look into forming a regional cooperative for insurance. He also reported that the machine for testing hearing is obsolete and will not pass certification.

With 10 correct were:

Sally Anderson, Janene Berry, Sharla Blanton, Rex Cumpton, Tori Meeks, Farwell High School CLA IV class, Sheree Montgomery.

Also,, Dale Rubio, Robby Rundell, Gordon Waldrop, Ryan Williams, Terry Winkles, Linda Atwell, Willie Dannheim and Chris Garcia.

Results of last week's contests were:

Farwell over Springlake-Earth. Amarillo over Clovis, Texico over Capitan, Missouri over TCU, Texas Tech over Arizona, Clemson over Florida State, New Mexico over New Mexico State, Phoenix over Detroit, Chicago over Cincinnati, San Francisco over Indianapolis, L.A. Rams over Atlanta and New Orleans over Dallas.

Rules for the 1989 contest will be the same as in the past. A person must be at least 12 years of age to enter. Games will be divided among high school, college and professional ranks. In case of a tie game, unless a tie is predicted by the entrant, the game will not be

Texico wants a 911 system

The Texico City Council is ready to threaten the state of New Mexico with a law suit.

At Tuesday's meeting, the council heard the bad news that although Clovis will get an enhanced 911 emergency number program this year, Texico won't get one until 1991.

Currently, Texico doesn't even have a basic 911 program. "And it's very unfair for the state to put us off," said Mayor Steve Chancy.

So the council asked City Attorney Duane Hamar to

Bill Harmon, left, manager of Wood Equipment Co. in Clovis, presents the first place check to Richard Montgomery, who won last week's football contest. Wood Equipment and C & H Equipment Co. of Muleshoe are two of the contest sponsors.

Each entrant must remember to pick a tie-breaker score, a very important feature of the contest since many weekly winners (and some overall winners) have been determined by tie breakers.

Each week's scoring is tabulated and kept on public view at the Tribune office. Standings are posting

each Monday and may be seen during regular business hours.

All entry blanks must be

turned in to the Tribune office by 5 p.m. CDT Fridays, or if mailed, must bear a Friday postmark.

It's very important that entrants enter each week to have a strong shot at being the overall winner. Even if you never pick 11 or 12 to take the weekly prize, you can win the overall prize - the Cowboy tickets - with a consistent 8 or 9 weekly tally.

Entry blanks for this week's contest are available at the Tribune besides being in today's newspaper.

Hurshel Harding plans to turn to other interests

Attorney Hurshel Harding has announced he is no longer associated with nor actively practicing with the law firm of Aldridge, Harding, Aycock and Actkinson.

However, he will complete his current files and retain an "Of Counsel" status with the local firm in an advisory capacity. Harding will retain his law license and actively attend legal seminars to remain current on law changes.

After graduating from Baylor University Law School in 1954 and serving in the U.S. Air Force as a legal officer for two years, he opened an office in Muleshoe for a brief time before joining Aldridge & Aldridge in January 1957. He also served as County Attorney of Parmer County for 18 years while practicing law as a partner in the firm of Aldridge, Aldridge & Harding.

Harding's present plans are to take some time to reevaluate his personal affairs, while continuing to farm and ranch some, fish a little and do some hunting. He may also do some legal research and write some articles for publication in legal periodicals. Harding said the law practice has been good to him and that the greatest pleasures he had enjoyed was helping people with their legal problems. But after 35 years of practicing law, he wants to pursue some other interests which he has not had time for while being a full-time attorney. He expressed his appreciation for the clientel and friendships which had been cultivated during the years of his law practice.

for Farwell? Farwell may have found a reasonable way of dealing

Poly Karts

with its trash dilemma - using the same garbage pickup service Texico now uses.

At Tuesday's City Council meeting, Mayor Chris Gikas reported on a 3-day solid waste management conference he had attended.

In a nutshell, the Farwell dump where trash, tree limbs, etc., are currently taken, must be closed by February. Farwell can keep it open beyond that time but, due to strict federal rules, it would be cost prohibitive. This is the same situation Texico found itself

in last spring when it had to close its dump.

So Gikas listed several options: a countywide landfill, a regional landfill, building an incinerator (countywide or regional), paying a service to I think it's great that the truck the city's trash to Amarillo, paying a fee to Clovis and trucking trash there, or using Waste Control of New Mexico, the service now handling Texico. For Waste Control's once a week pickups, Texico residential customers pay \$8.50 a month (\$11 for businesses). This is close to what Farwell residents are now paying. Waste Control places Poly Karts at each home and business. Gikas said they would be placed in Farwell alleys, if this course is chosen. Based on the information presented by Gikas, it appears that using Waste Control would be far less expensive than the other options. The council asked Gikas to check further into costs before a decision is made.

spring, the Farwell council learned how costly it would be to keep its dump open beyond the February date. Monitoring it (a sampling program that would cost several thousand dollars a year) would have to be maintained for 30 years. Open burning would be prohibited. Daily cover would be required. A person would have to be on duty 24 hours a day. No discharge of water would be allowed.

Gikas was told that the only landfills that will be able to feasibly meet federal guidelines are those which service a minimum of 30,000 population.

In other business, the council voted unanimously (Martin Kube was absent) to participate in the enhanced 911 emergency number service to be provided by the Panhandle Regional Planning Com-

an ordinance and to tell City Marshal Brent Byrum about where the problem is.

 Authorized Byrum to move a couple of stop signs near the school to intersections where they will be useful. Byrum had checked into lower speed limits but the state has nixed it.

- Heard Max Carter complain of drainage problems on his commercial property across from Town & Country. The problem is that Town & Country's area has been built up and so has the railroad's. So water drains into the school bus area. Chancy will check into the problem. - Decided to add two topics to the agenda of the next meeting: mobile homes, at Chancy's request, and personnel policies, at Hamar's request.

Red Raiders are back in the big leagues. I'm still down about losing to Rice a couple of years back when 3 TD passes thrown by Tolliver were dropped in the end zone.

Won't it be great to see Tech ranked in the Top 20 and you won't find SMU. UT or A & M!

mission.

Although the service won't be available for awhile, customers start paying immediately (these funds are used to help start it). It will cost residences 50 cents a month plus a small surcharge (probably a few cents).

The council held a lengthy discussion on whether to stay with its current 911 sys-

tem through ENMR. But the key to the council's vote was the pledge by the PRPC that a remote unit will be maintained at the sheriff's office in Farwell (the headquarters will be in Friona).

The council also:

- Set the new tax rate at .2808, up from .2781.

complain to the state, with the possibility of legal action. "We can't wait two more years to get the basic 911 program," said Chancy.

In other business, the council:

 Asked that persons keep their Poly Karts clean, using water hoses or whatever.

- Heard Chancy say he will try to find out why the new street lights ordered two months ago for the highway haven't been installed by SPS yet.

 Heard that the new deputy marshal was bitten by a dog.

- Heard a new city resident complain of dogs running loose. "I used to like walking, but not here," she said.

She was told the city has further information.

- Heard a report from councilman Oran Jay Autrey on repairing the east wall of the community building.

He said two contractors looked at the wall and offered price estimates at repairing it: one for \$1,500 and one for \$2,646. He said both would temporarily repair the building and if the city wanted longterm solution, it might run about \$15,000.

Lady Spikers take second in tournament

The Texico Lady Spikers fought their way to a second place finish at the Cloudcroft tournament, defeating Cloudcroft and Tularosa. They bowed to Capitan, in a five-set tilt.

Penny Pierce and Jennifer Gentry were named to the All Tournament Team.

In the first match, the Texico Lady Spikers beat Tularosa, 15-9, 15-10, 13-15, 12-15 and 15-11.

Then the Lady Spikers stopped Cloudcroft, 15-8, 15-11, 15- 17, 15-8. Capitan won 15-11, 8-15, 11-15, 15-10, 13-15.

Here are Texico statistics for the three matches:

Aces - Jennifer Williams, 9; Penny Pierce, 7; Valarie Cavallero, 7; Krystala Cross, 3; Jennifer Gentry, 6; Denise Gonzales, 5; Amy Chadwick, 9.

Kills - Williams, 14; Pierce, 48; Cavallero, 9; Cross, 22; Gentry, 62; Gonzales, 5; Chadwick, 3; Marsha Hamilton, 1.

Saves - Williams, 4; Pierce, 4; Cavallero, 11; Cross, 7; Gentry, 8; Gonzales, 10; Chadwick, 4.

Blocks - Williams, 6; Pierce, 13; Cavallero, 3; Cross, 7; Gentry, 7; Chadwick, 2.

Against Capitan, Texico was holding its own when a Capitan player scored 8 points in a row.

We changed the lineup and tried some new offensive things,"said Littlejohn.

In the final game, the Lady Spikers couldn't get a break. At one point the score was tied, but Capitan edged ahead.

"I was happy the way we played Capitan. It was a very close match," said Littlejohn of the match that took two hours.

Farwell School employees Sandy and Cindy Landers have adopted 3 children.

The children, ages 8, 6 and 3 years of age are all from the same family. Their real mother is dying of cancer, and the Landers have made them part of their family.

Hospital Notes

Evelyn Hadley has been in Albuquerque Hospital.

Dora Verner has been moved from Clovis High Plains Hospital to a hospital in Lubbock.

Violet Allen has been released from Clovis High Plains Hospital.

Coach Rex Cumpton called the plays from above the press box, while assistant coach Larry Gregory handled the details on the sidelines.

The game started with both defenses doing well. On offense, Darren Haseloff caught an 18-yard pass from Greg Actkinson. And Shawn Stewart had an interception at the Farwell 35 and return to the Springlake-Earth 40.

The Wolverines blocked a Steer punt and took over on the Farwell 26. But lineman Michael Arce caused a 7-yard loss to help stop the drive.

In the second quarter, Actkinson recovered a fumble on the Wolverine 26. Runs by Monty Delgado and Stewart brought the ball to the 2, and Clint Kelley scored at 9:31. Haseloff's kick hit the uprights and bounded back and Farwell led 6-0.

The Wolverines then had another miscue. Attempting to punt, the ball was hiked over the punter's head and Farwell got the ball on the Wolverine 4. After a penalty put the ball at the 19, a pass from Actkinson to Delgado brought it back to the 2. Stewart scored at 5:42. The extra-point run failed, and it was 12-0. Stewart had a second interception before half.

At 3:17 of the third quarter, Stewart scored on a 15-yard run. The kick by Haseloff was good and it was 19-0.

Farwell's reserves were playing in the fourth quarter. Quarterback Chad Byrd scored on a 6-yard keeper at 7:02. Haseloff's kick was good to end the scoring.

Team statistics were: Rushing - Farwell, 27 car-

Shawn Stewart

Shawn Stewart was the leading rusher. He went 10 for 54 yards, and caught 3 passes for 38 yards. He scored 2 TD's in the game. Darren Haseloff and Bruce White share the Steer of the Week defensive spot. Haseloff made 14 tackles in the game, and White had 9 tackles- 2 from negative yardage.

Zachary, Williams take county fair honors

Patty Zachary took top honors as champion of the adult division in the Parmer County Fair held Sept. 8 and 9 in Friona. Martha Hamilton won the reserve champion award in the adult division.

In the youth division, Tony Williams was named champion and Dale Williams won reserve champion. Each winner in both age groups won a rosette and a cash award.

The fair was a huge success, according to the Parmer **County Extension Homemaker Council and Home Economics** Committee, sponsors of the event. The number of entries were up over previous years and many people enjoying other Maize Days activities viewed the exhibits.

Shown are: (front) Mallory Knight, Carter Blanton, Cherry Mayfield, Bailey Gaw, Megan Norton, Dru Mayfield, Lauren Gaw, Trevor Norton, Shane Mayfield, (row 2) Garett Mayfield, Kyle Mayfield, Boothe Blanton, Chelsea Blanton, (rear) Erin Norton and Christopher Gaw. Missing was 4 week old Meredith Knight who was sleeping when the photo was taken. The Mayfield's three daughters, Paula Blanton of Nashville, Tenn., Pat Gaw of Nashville, Tenn., and Teresa Knight of Longview, Texas, returned with their families and their children who live locally came, too.

Plans prepared

Two new members were welcomed at the Farwell Convalescent Center Auxiliary meeting sept. 11.

The profit from the Charlie Phillips concert was \$818. Sale of baked goods at Border Town Days was \$189. Also, the auxiliary received a \$100 donation. Farwell folks were thanked for their support.

The general fund has \$2,499, and the memorial fund has \$2,143, treasurer Robbie Williams reported.

Plaques of appreciation were given Fred Chandler, Roy Norman and Joe Hughes for their help with the concert.

Volunteers will sponsor a watermelon treat Sept. 18 at 3:30 p.m. for convalescent center residents.

The Halloween party will be Oct. 31 from 6 to 8 p.m. Volunteers are asked to bring two dozen cookies. Children ages 1 to 12 are welcome to come by for cookies. Residents enjoy seeing children in costumes. Thanksgiving dinner will be at 7 p.m. Nov. 21. The Christmas party will be Dec. 21.

The Texico Wolverine Band won another first place trophy at the New Mexico State Fair Parade in Albuquerque last weekend. Shown are Jason Christian, Billy Rogers and Allison LaFrenz.

Wolverine band wins first place trophy

The Texico Wolverine Band won a first place trophy for the seventh year in a row for its participation in the New Mexico State Fair parade.

About 70 students in grades 7-12 participated.

"We had a bigger band than several of the bigger schools," said director Robert Simmons.

The group loaded onto a bus after the ball game last Friday night. They drove to Albuquerque where they stayed at the Four Seasons.

They got up early Saturday, and prepared for the 4 1/2mile march.

The group was graded on its musical execution, musical performance, marching execution, and auxiliaries (flags).

"It was our first trip out this year, and it went pretty well," said Simmons.

The group plans to march at halftime shows at the ball games and will participate

in the South Plains Fair Parade in Lubbock on Sept. 23 and the Aspencade Parade in Ruidoso on Oct. 7.

The band will begin selling candy bars for 50 cents this week. The money from the candy sale helps to pay for the trips the band takes each vear.

Boosters meet

The Farwell Band Boosters met on Sept. 8 to plan activities for the school year. "We had a real good turnout,"

said Pam Monk.

The group discussed the annual band calendar project. It will be getting underway soon. They also agreed to feed the band on two occasions when they go out of town for trips.

They also discussed cleaning out the old uniforms. They discussed helping the twirlers and the drill team.

Kelly Delgado, Dara Jenkins, Tony Vega and Jaime Estrada were among the 70 Wolverine Band members who participated in the State Fair Parade.

End Stovall reminisces

The following article is reprinted from the Lubbock Avalanche - Journal. It was part of a roundup on area football players in the past.

In the late 1960s, Farwell split end Dean Stovall made quite a business of catching the laser-like passes of quarterback Greg Hargrove.

Twenty years later, Stovall is a lazer engineer who tests and analyzes data at White Sands Missile Range in New Mexico.

How he got from Point A to Point B is a fleaflicker coincidence in itself. Stovall, who lettered four years apiece in basketball, baseball, football and track at Farwell, was a second-team all-state football receiver in

Colleges showed little interest, however, in the 6-foot Stovall, who is now 30 pounds heavier than his playing weight of 165.

Thus, Stovall attended a vocational school in Waco with the intention of becoming a television and radio repairman. Then, while working on a car in 1972, Stovall was accidentally poked in the eye by a radio antenna.

"So I went to an eye doctor, and he said the injury was fine, but he told me I had other problems," said Stovall, who now lives in Las Cruces. "He said that I had holes in my retina and they did some laser surgery. And I kind of got interested in it.

"They used a laser to weld around the little holes in my retina, to spotweld it, and I thought that was pretty neat."

Neat enough that he has made lasers his career. Stovall spent 13 years as an associate engineer with Hughes Aircraft in Los Angeles before moving to Las Cruces in 1988.

In the second quarter, Ira scored on a 12-yard pass from Bryan Martinez to Jason Withers. The point after attempt failed.

After halftime, Lazbuddie scored again, this time on a 23-yard run by Williams. A pass from Eddie Zamora to Luis Gonzales for the extra point made it 17-6.

The scoring ended in the final stanza when Williams threw a 12-yard TD reception to McGehee, who also kicked the points after.

Coach C.W. Williams credited Zamora, McGehee and Jesko for their strong defensive efforts.

On offense, Williams was the leading rusher, with 88 yards on 11 tries. He also completed 12 of 21 passes for 98 yards.

Lazbuddie gained 200 yards on the ground, to Ira's 72. And the Longhorns had 110 yards through the air, to Ira's 49.

Williams said tonight's (Friday) match with Higgins will give the youthful Lazbuddie squad a better view of where it stands. Higgins made last year's playoffs before being routed by the Longhorns.

The coach said Lazbuddie has a 12-man squad divided evenly: three freshmen, three sophomores, three juniors and three seniors.

In this week's Lubbock newspaper rankings of area Six-Man football teams, Lazbuddie was ranked 9th.

Texico whips Capitan

By Janice Jenkins

Texico improved its season record to 2-1 when they hosted Capitan last Friday night. The Wolverines won going away, 21-3, over the Tigers.

Capitan scored first with a 27-yard field goal by Nathan Rovbal. But it was all Texico after that.

Texico quarterback Larry Powell fired the ball to David Johnson for a touchdown with 8:10 left in the first half. The point after failed. But the Wolverines held the Tigers scoreless the rest of the half and went into the halftime with a 6-3 lead.

Gentry heads Pep Club

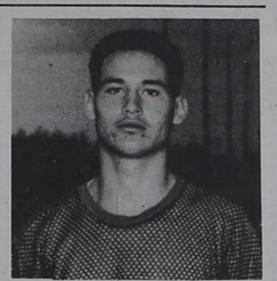

The Texico Pep Club, best known as the "Bleacher Bums,' elected officers on Sept. 1. It's the largest club in Texico High School.

Elected were: Jennifer Gentry as president, Jennifer Williams as vice president, **Denise Gonzales and Vicky** Juarez as secretaries, and Todd Cash and Valerie Cavallero as treasurers.

This club has a variety of activities planned; from selling spirit ribbons to purchasing the oldest alumni plaque. This group consists of junior high and high school students.

Wolverines of the Week

Hector Orozco was named by Coach Richard Luscombe as Wolverine of the Week. He ran the ball hard, scored 2 TDs, (including recovering a fumble and running it back 20 yards) and did a good job defensively, said Luscombe.

Ricky Hernandez, linebacker for Texico, recovered a Capitan fumble on the Tiger 39 yard line and ran it back to the 1. Powell plunged over for the six points.

With 4:10 left in the third quarter, Benji McDaniel got the two-point conversion and Texico went ahead 14-3.

Eight plays later, McDaniel intercepted a pass by quarterback Kevin Huey to stop the Tigers' scoring threat; they had gotten the ball down to the Texico 10 yard line.

Texico wasn't finished yet. Hector Orozco recovered a loose ball with 7:50 left in the game and hustled 20 years for the Wolverines' third touchdown.

The big difference in this week's game, over the tilt with Cloudcroft, was that when Texico got the ball inside the 10 yard line of the opposition, they were able to score.

Watermelon feast set

The Texico Student Council voted to host a watermelon feast for the community at 3 p.m. on Sept. 17 in the Texico City Park.

Also, the council planned the things they will do to participate in Homecoming and for the school carnival. They also planned their money making activities.

Plans were made for (already so quickly upon us) Halloween, Thanksgiving &, tentatively, Christmas.

It was odd planning our watermelon party for Sept. 18th - and winter holidays at the same meeting. How fast our seasons go!

A welcome goes out to Dean Mertz from central office. He is down for a short visit to familiarize himself

with our facility, personnel and lovely country side. We hope our thunder storm warnings don't dampen his concept of our typically beautiful weather.

We have had several new residents join us. They are Velma Clotfelter from Carlsbad, Mona Whatley from Amarillo and Velma McDorman from Farwell. To each, we extend a cheerful welcome to our center.

Hopefully, in the near future we can give you more information on the progress made in completing our sun room. We eagerly look forward to the day we can use it. I'll keep you informed as we hear.
