Christian re-elected

Troy Christian was re-elected Tuesday as the Farwell area director on the Parmer County Soil and Water Conservation District. He was unopposed.

The Tribune didn't carry an article about the forthcoming SWCD election last week because the press release from the SWCD office arrived last Friday - the day after the Tribune was printed.

Well, nobody's perfect...

Before coming to Texas, I spent about 5 years in Virginia - 1 year in Blacksburg, in the southwestern part of the state, and 4 in Woodbridge, near Washington, D.C.

I used to write a daily column then. I only kept a copy of a few of them, and I happened to be going through them the other day when one struck my eye.

Back in 1980 - 12 years ago - I wrote a semi-facetious column about electing federal agency section chiefs.

Being in that governmental area, I was able to see where most of the real power lay - in the hands of the bureaucracy. That's something very few folks in the U.S. truly understand.

Here's some of what I wrote 12 years back:

"I get a big laugh each time I read a newspaper or watch a TV news show when there's mention of the 'big changes' in store when Ronald Reagan takes over the presidency.

"I get another laugh when I read about the new Republican majority in the Senate and what that will mean.

"It all sounds so familiar. Like in 1976, when Jimmy Carter was riding his charger into D.C., ready to reform government. I think his lance got caught.

"Anyway, we're all for government reform and I'm no different. But I don't see big changes coming just because Reagan is in the White House or the Grand Old Party has Senate control. Let's get down to the basics.

"We want change? Okay, let's make the moves which are needed. Let's set up a system where section chiefs in the various federal agencies are elected. Here's what I propose:

"Each federal agency will be responsible to a group of states. For example, the U.S. Department of Housing and Urban Development would be under the auspices of Florida, Delaware and Michigan.

"HUD section chiefs would be listed on the ballot in those areas every two years. Meanwhile, each of the three states would form a committee to annually review the performances of the various section chiefs in HUD. Prior to election, a list of those commended and those non-commended would be given voters.

"To get a commendation, a section chief would have to show how he has saved the taxpayers' money and eliminated waste. If he can't, well... Those section chiefs who don't get 50 percent of the votes cast are then asked to join the private sector."

Anyway, that was part of a half-joking column I wrote in the last month of Carter's presidency. A week later, I got a letter from a federal bureaucrat, who wrote:

"Your idea to elect federal agency section chiefs isn't as far out as one might think at first reading. Such an idea has been discussed among my co-workers and we all agree that we need a better way to select governmental department and agency heads through other means than political appointment.

Scroggins takes 5th grid contest

It was another rough week for participants in the Area Merchants Football Contest last week as scores were much lower than normal, due to several upsets in the college ranks.

Very few folks, for example, picked Bill Walsh's Stanford to surprise Notre Dame. And Minnesota tipped favored Illinois by a lone point. And No. 11 UCLA was stunned by Arizona.

One of the games on the contest - Boston College vs. West Virginia - ended in a tie, which nobody picked.

But Stephanie Scroggins, daughter of Texico Coach Bruce Scroggins, was the only entrant to get 10 right. For that feat, she won the first place cash prize of \$10.

Seven entrants had 9 tilts picked correctly. By virtue of being closest to the tie breaker - Texico 26, Springer 13 - the winner of the second place cash prize of \$5 was Dan Abell. He was 9 off the tie breaker.

Others with 9 right, and their totals off the tie breaker, were:

Jane Rattledge, 18; Jeremy Stanton, 18; Duane White, 13; Fabian Garcia, 18; Nic Ketcherside, 13, and Matthew Williams, 15.

Last week's results were:

Sudan over Petersburg, Hart over Plains, Olton over Shallowater, Hale Center over Lockney, Miami over Florida State, Arizona over UCLA, Stanford over Notre Dame, Minnesota over Illinois, New Orleans over Detroit, Minnesota over Chicago and Atlanta over Green Bay.

Because of the low scores, the race for the overall contest victory became really jumbled. The two leaders after 4 weeks - Randy Kelley and Lance Anderson - only got 3 and 5 games correct, respectively. That brought on a new leader - Matthew Williams.

Here are the overall totals after 5 weeks of the 12-week contest, with the winner getting the tickets to the Dallas Cowboys - Chicago Bears game:

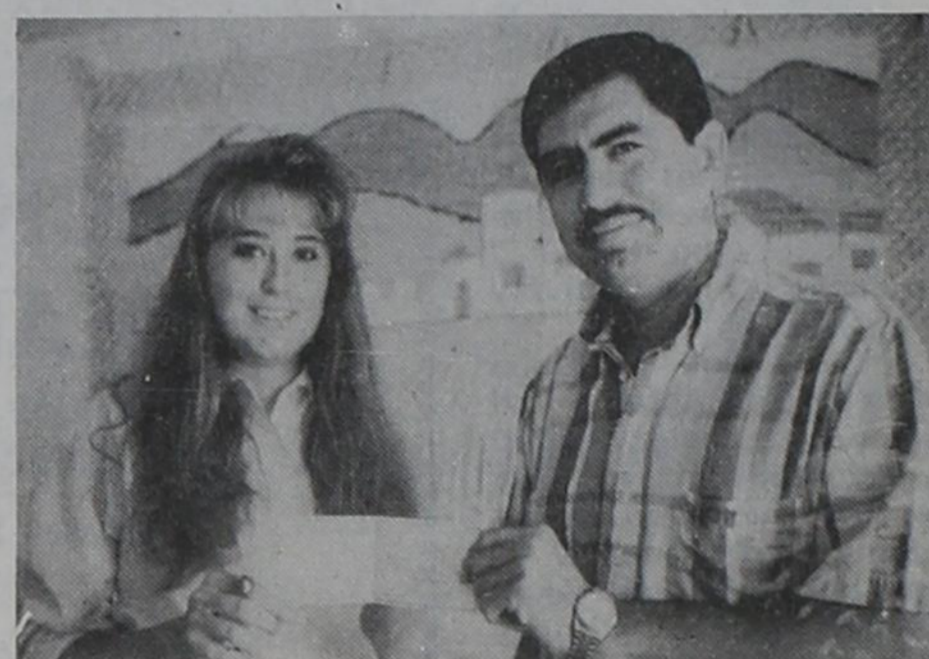

41 points - Matthew Williams.

39 - Derek Abell, Roy King, Clay Corn, Lance Andeson, Joannah Gartin.

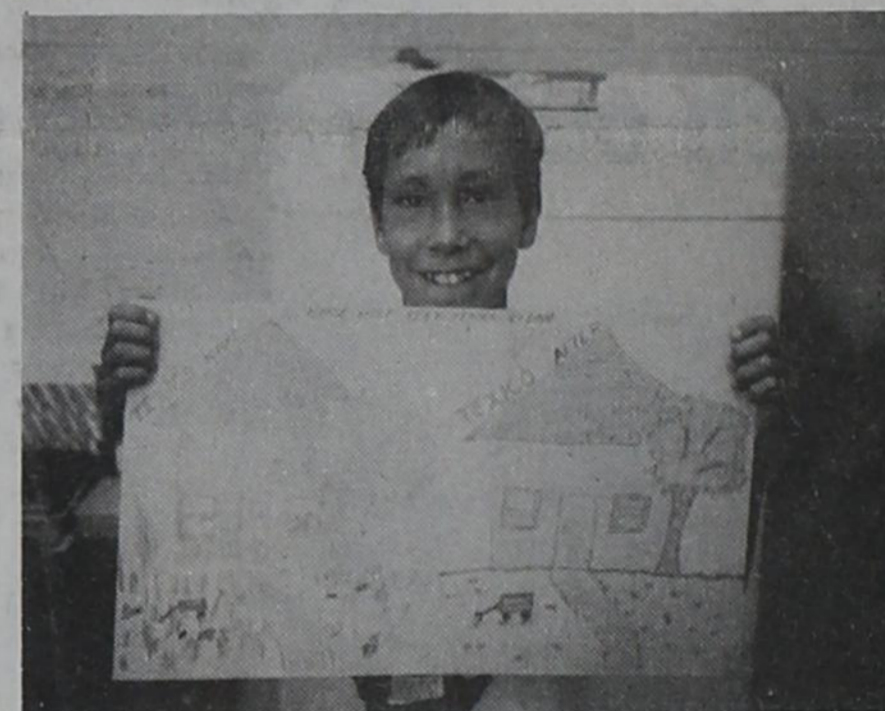

38 - Amy Murray, Donnie McDonald, Lance Castleberry, Eric Delgado, Fabian Garcia, Gerald Hardage, Sammy Herrera, Doug Hill, Rodney Jenkins, Texico Junior High 4th period U.S. history class.

37 - Johnny Actkinson, Pam Carpenter, Richard Carpenter, Lewis Cooper, Mike Goettsch, Larry Gregory, Randy Kelley, Josh Littlejohn, Marion Ty Rutter, Jason Schilling, Greg Taylor, Russ Jones, Carl Dean Goettsch.

36 - Fuji Ortiz, Daniel Abell, Jim Berry, Tony Cabral, James Castleberry, Christy Cochran, Frank Landry, Rick Marshall, Lisa Geries, Peggy Goettsch, Mike Grissom, Brian Haseloff, Hal Helton, Roger Johnson, Betty Kelley, Keevin Kelley, Todd Lingnau, Billy Roberts, Joyce Sikes, Rick Stanley, Sheryl Taylor, Robert White, Ryan Williams.

Stephanie Scroggins, left, who won last week's football contest, receives her first place cash prize from Juan Garza, owner of Juanito's Restaurant in Clovis. Juanito's is one of the contest sponsors.

Eric Smith was the grand prize winner at Texico Elementary School for his cleanup poster which depicted property "before" and "after" the cleanup.

Texico plans big cleanup

Texico has a major cleanup planned Saturday - and asks all residents to participate.

Cleanup volunteers are asked to be at the Texico fire station at 7:30 a.m. mdt to get their assignments.

Chairman is Ronnie War-muth.

Texico Elementary School cleanup poster winners were 4th & 5th grades - Eric Smith, 1st; Greg Qualls, 2nd; Callie Rucker, 3rd.

1st & kindergarten - Dori Edwards, 1st; Kevin Burns, 2nd; John Williams, 3rd.

2nd & 3rd grades - Tori Bradley, 1st; Aaron Cardenas, 2nd; Amber Newell, 3rd.

Texico Junior High participated in a "Design a Sack" contest for the cleanup. The Texico Chamber of Commerce provided cash prizes - \$3 for 1st, \$2 for 2nd and \$1 for 3rd. Winners were:

1sts - Sam Singleterry, Hanna Castillo, Seth Ketterling, Kara Kittrell, Jessica Hadley, Brad Foreman.

2nds - Dustin Whitener, Christy Gomez, Brandon Autrey, Larry Miller, Michelle Ortiz, Shannon Thomas.

3rds - Jake Boazman, Melanie McKito, Rodney Chavez, Yadisa Hernandez, Clint Hamilton, Christy Ortiz.

Honorable mention - Christine Morris.

Heavy equipment is in place to begin the construction of the addition to Texico Schools.

Early voting to start

Parmer County voters can vote early at the following locations:
- Parmer County clerk's office, Farwell, Oct. 14 - 30.

- Friona Federal Credit Union, Oct. 22 - 29
- Bovina City Hall, Oct. 20 - 27.

Building program

Banter

(Continued from Page 1)

"In the bureaucracy of government today, the real power is not held by elected officials but by political appointees. It is time for the power to be returned to the people. Cabinet officers and lesser department chiefs with budgets of \$50 million or more should be elected right along with our president, vice president and members of Congress.

"It will never happen, we both know that. But I do firmly believe that our presidential candidates should be forced by law to name their cabinets and inner White House advisors prior to Election Day."

Well, here it is - 1982 - 12 years later. I guess some things don't change very quickly. Once again, we have presidential candidates tilting at windmills.

Each time, Clinton or Bush or Perot talk about helping businesses grow and expand, and create jobs, there's a bunch of section chiefs in the U.S. Environmental Protection Agency chortling like mad. Because they are going to pass rules and regulations that close businesses and cost jobs.

Obituaries

Javier Sanchez

Muffley Funeral Home of Clovis reports that services are pending for Javier Sanchez 16, of Texico, who died in a traffic accident early Sunday morning.

He is the son of Delia Sanchez of San Antonio and Juan Sanchez. Javier resided in Texico with his aunt, Sara Ramos, and attended Texico High School until recently.

Sanchez' body was taken to Albuquerque for autopsy following his death. The body will be shipped to San Antonio, Texas, where his mother lives. An Albuquerque funeral home will handle the arrangements from there.

Who are those faceless people in some many governmental agencies that are causing untold misery among the American people? We'll never know.

According to materials from the 4-H Club, the present 4-H movement in Texas is an outgrowth of boys' "Corn Clubs" and girls' "Tomato Clubs" dating back more than 80 years, or six years before the present Texas Agricultural Extension Service was organized.

The first boys' Corn Club in Texas was organized in 1908 in Jack County by the late T. M. Marks, then holding a position corresponding to the county agricultural agent of today. The club was started as the result of an adult corn show held the previous year. The remark, "You can't teach

an old dog new tricks," prompted Marks to say, "Then I'll start with the pups."

And that is what he did. He enrolled 25 boys, and using demonstrations, taught them the latest practices in corn production. The corn show, which was held in a train caboose at Jacksboro in the fall of 1908, proved Marks'

point that farm youth could put into practice better-known methods of production.

"Beef Calf Clubs" came next, the first being organized in Coleman County in 1910 largely through the support of the late J.W. "Boog" Scott, a prominent cattleman. Sam L. Mathews, also of Coleman, showed the first beef calf at the 1910 Southwestern Exposition and Fat Stock Show in Fort Worth.

The first statewide rally for corn club boys was held at the 1910 State Fair of Texas in Dallas. A feature of the rally was a parade of 1,500 boys through the downtown section of Dallas, each carrying a stalk of corn.

Girls were enrolled in tomato clubs in 1912 in Milam County with Mrs. Edna Trigg as the first home demonstration agent. Growing tomatoes and canning were the main demonstration.

Watch out for those power lines!

Modern farming requires the use of large, complex machinery. Each year a tragic number of accidents are caused by careless handling of farm equipment around electric power lines. Deaf Smith Electric Cooperative urges you to use caution at all times. Watch for overhead power lines and utility poles and avoid any contact with this potentially lethal power equipment.

Insist that family members and hired hands learn to survey their work areas carefully. Although you may not have power lines in your fields, you certainly have them present around equipment storage areas. Be sure there are safe routes from the equipment storage areas to the fields. Before extending the height of or transporting farm equipment, look up and check the clearance. Be extremely cautious when moving or raising portable grain augers, aluminum irrigation pipe, bailers, combines, front end loaders, cable or hydraulic dump trucks, cotton strippers, cotton module

builders, and large tractors pulling "fold-up" plows with row markers. If you have a question about whether equipment will clear a power line, assume it won't and take action to avoid contact.

Watch for power lines on or near your property lines. They could possibly be hidden by trees or brush, so when turning your equipment at the end of your field there's a very good chance power lines and guy wires could be nearby.

If construction of new storage bins is in your future plans, take the placement of existing power lines into account. If you can't find adequate space for construction away from the power lines, contact DSEC for advice. Your complete safety and comfort are prime concerns of DSEC. We will be happy to assist you in developing a safer farm.

So, remember, when moving your equipment into your fields to tend your crops, think safety, and make your harvest as safe as it is rewarding.

Letter To The Editor

Dear Editor, Lena Guerrero lied and gave gross misinformation about her educational qualifications. Is there anything else about Lena Guerrero that is believable - including her ability to perform effectively in one of the most important offices in Texas government? Gov. Ann Richards, whose campaign for the state house was based on honesty and integrity in government, has been strangely silent regarding the controversy about her appointee. Perhaps, Gov. Richards should base her future appointments on verified credentials and qualifications rather than blindly seeking a special interest or ethnic block of votes to further her own political ambitions. Gooden scores 4 TD's to pace Wolverine win

by Lorissa Pate

The sun shone bright during the Texico Wolverines Saturday afternoon game against the Springer Red Devils, and now their future looks brighter, too. The Wolverines won their district opener, 26-13.

"This was an important game. We needed to win it," said coach Bruce Scroggins. "The second half we played more like we were capable of playing. The first half we made the same old mistakes at critical times."

Wolverines of the Week

Defensive Wolverine of the Week is Matthew Williams, left. He had 10 assisted tackles, 5 unassisted tackles, and 2 1/2 sacks. Offensive Wolverine of the Week is Kelvin Gooden. Gooden had 31 carries for 233 yards. He scored all 4 of Texico's TD's and caught 1 pass for 20 yards.

Texico is now 3-3 overall. The Wolverines play at Hagerman at 7:30 p.m. mdt tonight (Friday).

Springer kicked off and the return was made by Kelvin Gooden. He ran the ball the next three plays, but not enough for a first down. Aaron Ketterling punted to the Springer 33.

Springer fumbled on their first play, but they were able to recover the ball. The Red Devils were called for holding on the next play and moved back 15 yards. Gooden broke up a pass but the next one was completed, with Bobby Winegeart on the tackle. Steven Horner made the next tackle.

The Red Devils' Ryan Ramirez dodged several Wolverines on the next play to run in for an 18-yard TD at 7:20 of the first period. Greg Armijo kicked the point after and Springer led 7-0.

Gooden again returned the kick. The Wolverines were held and Ketterling punted. Winegeart tackled the returner. Springer's offense was short lived, however. Matthew Williams recovered a fumble on their first offensive play.

The Wolverine offense gave the ball to Gooden twice, and on the third play he ran in for an apparent TD, but due to an illegal motion call, it was no good. Ketterling punted again.

In the second period, on defense, Williams and the Horners made stops. Springer punted, and Louie Delgado had a good return.

Delgado completed a 20 yard pass to Kelvin Gooden for a TD at 9:26. Louis Estrada kicked the point after to tie the contest at 7-all.came in

Manuel Estrada tackled the kick returner. Steven Cloud, Steven Horner and Estrada made tackles and Winegeart deflected a pass, forcing a punt.

Texico was held and punted. Madrid and Williams made tackle. Tyrone Gooden broke up a pass. Anthony Garcia and Estrada sacked the quarterback.

Back on offense, Hadley Gilbert, Kelvin Gooden and Delgado carried the ball. Delgado got a first down on the Springer 9. A pass was intercepted.

Estrada kicked off to open the second half. The Wolverine offense held Springer to almost no gain with tackles by Williams and Steven Horner. The Red Devils were forced to punt.

Kelvin Gooden ran for 26 yards to the Red Devil 18. A penalty moved the Wolverines back 5 yards, but Gooden gained another first down. Gooden carried the ball the next three plays, culminating the drive with a 3-yard TD at 6:35. A bad snap stopped the extra point try and Texico led 13-7.

Springer was quickly stopped and Texico was on the move again. Gooden carried for a first down. Delgado ran 5 yards. Then Gooden ran for another first down. Hadley Gilbert took a turn running with the ball. Gooden ran the final 30 yards for another TD. Estrada's kick made it 20-7.

Gilbert tackled the Springer kick returner. Manuel Estrada and Gooden tackled the QB to put Springer at third and 18. Texico was called for holding, and Springer moved five yards. The Red Devils completed a pass. Springer completed another pass, and made another first down. The Wolverines were able to hold them back this time with tackles by Williams, Garcia, and Winegeart. Manuel Estrada stripped the ball on 4th down, and Williams recovered it. It was Williams' second fumble recovery.

The Wolverines offense gave the ball to Kelvin Gooden, and he ran 12 yards for a first down, and then 50 yards for his fourth TD at 8:48 of the final period. The kick failed and Texico was up 26-7.

The Red Devils scored their second TD at 5:22 on a 26-yard pass from Albert Burton to Dean Crockett. The kick was blocked. This ended the scoring.

On defense, Steven Horner recovered a fumble and got a chance to run with it.

Individual statistics were: Gooden, 31 for 233 yards; Delgado, 6 for 19, and Gilbert, 3 for 5. Receiving - Gooden, 1 for 20. Passing - Delgado, 1 for 6.

Team statistics were: first downs - Texico 9, Springer 6; rushing - Texico 40 for 257, Springer 27 for 10; passing - Texico 20 yards, Springer 132; total yards - Texico 277, Springer 142; punting - Texico 5 for a 30.4 yard average, Springer 5 for a 24.8 yard average; penalties - Texico 6 for 35 yards, Springer 2 for 15.

(94% of our customers didn't.)

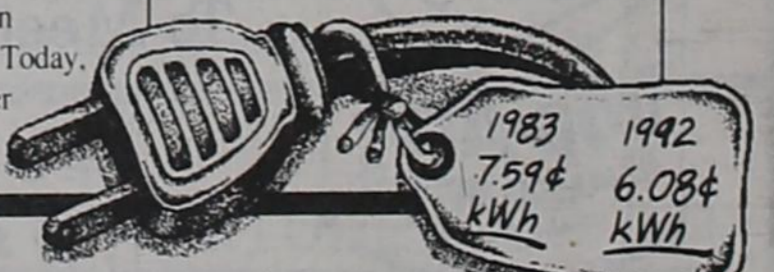

Compare this to the average residential cost of electricity in the SPS service area. In 1983, you paid 7.59 cents per kilowatt-hour. Today that rate has been reduced to 6.08 cents. That is 20% less! And, when you adjust for inflation, the real cost has been reduced 42%!

home electrically. That is much less than the national average for electric home heating.

And, because industrial and commercial rates, as well as residential ones, have come down, the area as a whole benefits. SPS' low rates can help attract new industry and encourage local companies to stay in our area.

Our heating rate has been significantly reduced, too. Today, you pay only 2.92 cents per kilowatt-hour to heat your

Steers fall in defensive struggle, 10-7

In a bruising defensive game, the Farwell Steers fell to the Anton Bulldogs at home last Friday, 10-7. All the points were scored in the first period.

Farwell, 2-3, begins its district play tonight (Friday) at home against Sudan at 7:30 p.m. Sudan is ranked in the top 10 in Texas. In fact, 3 of the district teams Farwell must face - Sudan, Nazareth and Hart - are ranked in the top 20 in Texas.

Anton was led by running back James Stewart, who scored all his team's points and made an interception as middle linebacker.

The game opened with Farwell kicking to the Anton 37. On the opening play, Stewart broke through for 43 yards before Kade Kent made a TD-saving tackle at the Steer 20. Anton was held as Jody Mahaney had a good tackle and Derrick Haseloff deflected a pass. At 10:10, Anton hit a 35-yard field goal to take a 3-0 lead.

Farwell started at its own 20. After Brent Harrison gained 8, Anton made an interception at the Steer 32. Stewart had a 25-yard TD run at 8:34. After he kicked the point after, Anton was up 10-0.

Farwell was stopped due to a holding penalty and Lupe Garza got off the first of his several booming punts to the Anton 38. Tackles were made by Shawn Haseloff, Justin Mahaney and Jeremy Ortiz. Clint Austin broke up a pass and Anton was forced to punt. Clay Corn helped block the punt which was recovered at the Steer 44.

Then Ryan Williams hit Derrick Haseloff with a pass down the sidelines. Haseloff had a great over the shoulder catch and ran to the Anton 3 for a 54-yard gain. Brent Harrison scored from the 3 with 1:25 left in the quarter. Corn kicked the point after, which turned out to be the final points scored by either team in the game.

Anton began at its 35. In the second period on defense, Rob Pomper, Michael Mendoza and Kent had tackles. Anton made a first down on a quarterback sneak when it had 4th and inches at its own 45. Pomper had a good tackle for a 5-yard loss. Shawn Haseloff recovered a fumble at the Farwell 34.

After two incomplete passes, Garza punted to the Anton 25. Tackles were made by brothers Jody and Justin Mahaney,

Kent, Pomper and Jeremy Ortiz. Anton punted and Derrick Haseloff returned it 10 yards to the Steer 40.

Farwell couldn't move on offense and Garza punted deep to the Anton 10. On defense, Lance Anderson had 3 tackles. Anton hit a successful screen pass for a 45-yard gain to the Steer 12. But Shawn Haseloff intercepted near the goal line with 53 seconds left in the quarter to blunt the Anton drive.

A few seconds later, Williams hit Anderson with a 10-yard pass. But Anton intercepted at the Steer 40. Anderson made a strong hit on the quarterback causing an errant pass. Anton tried a 40-yard field goal as time was running out in the half and it was partially blocked by Ortiz.

In the 3rd period, Clint Austin had a good return of the kickoff to the Farwell 31. Farwell was held and Garza punted to the Anton 9. Anton moved the ball downfield, getting to the Farwell 24 after going for it on 4th and 2. Kent had a good tackle causing a 3-yard loss. An Anton pass play failed at 4th and 7 and Farwell took over at its 22.

Anderson ran for 11. Near the end of the quarter, Farwell went for it on 4th and 1 at its 46 but a run failed and Anton took over at the Steer 43.

On defense, tackles were made by Nash Armstrong, the Mahaney brothers, Ortiz, Pomper, Harrison and Derrick

Haseloff. Armstrong had a good game, making several excellent hits. On 4th and 11 at the Steer 21, Anton tried a pass play but the quarterback was hurried by Pomper's rush and threw ineffectively.

Austin ran for 9 and Anderson gained a first down at the Steer 35. Farwell was held and punted to the Anton 27. After tackles by Corn and Shawn Haseloff, Haseloff grabbed a fumble at the Steer 45 with 2:41 left.

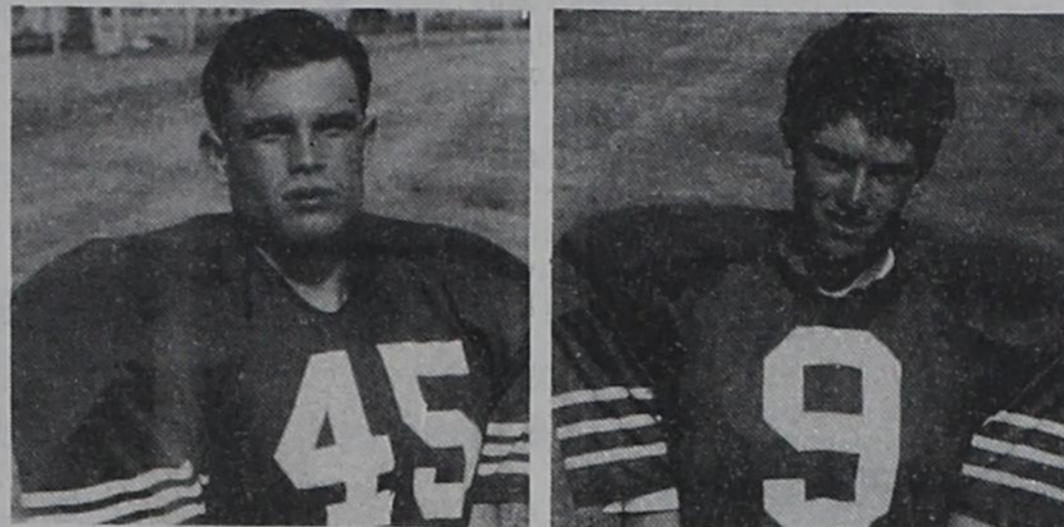

Harrison ran for 9, aided by a good block by Eric Chadwick. Harrison then gained 10 to the Anton 33. But 2 losses on running plays put the Steers at 4th and 17 with a minute left. Anton intercepted at the 22, with Dean Rubio tackling the ball carrier. Anton then ran the clock out.

Coach Rex Cumpston commented, "We gave up the big play early on defense and couldn't ever climb out of the hole. After the first 6 minutes, it was an even ball game. We have to continue to improve on offense and defense. Our next ball game is important because it's a district game, starting in Farwell at 7:30 p.m. Sudan is ranked from 5th to 8th in many statewide polls. They have a good team and it will be a great challenge to us."

Individual statistics were: rushing - Harrison, 13 for 44 yards; Anderson, 7 for 33; Austin, 9 for 45; Shawn Haseloff, 1 for 2. Receiving - Derrick Haseloff, 1 for 50 yards; Austin, 1 for 3.

Team statistics were: first downs - Farwell 7, Anton 18; rushing - Farwell 32 for 103 yards, Anton 50 for 324; passing - Farwell 2 for 11 and 53 yards; Anton 3 for 15 and 28 yards; punting - Farwell 5 for 40 yard average, Anton 1 for 33; penalties - Farwell 5 for 35 yards, Anton 3 for 20.

Steers of the Week

Named Offensive Player of the Week was Clint Austin, left. He had 9 carries for 45 yards. "Clint came in the second half and did a good job carrying the ball," said coach Cumpston. Named Defensive Player of the Week was Nash Armstrong. Cumpston said Nash "was our leading tackler on defense and did a good job in coverage."

Steer of the Week

Shawn Haseloff also was named a Defensive Player of the Week by coach Cumpston. He recovered two fumbles and had an interception.

October: National Cooperative Month

COOPERATIVES

PEOPLE IN PARTNERSHIP

HOWDY, PARTNER!

Repeat that greeting 60,000,000 times to that many cooperative consumer-owners throughout the entire nation, and you come up with one of the greatest networks of partnerships in existence.

Cooperatives, owned and operated by their members, provide an array of goods and services for their friends, neighbors and communities. Co-ops are found in big cities, small towns, rural areas — anywhere people need to get things done efficiently and economically.

There are co-ops for electric and telephone service, farm credit, credit unions, farm marketing and farm supply, insurance, food, and health and day care.

40,000 co-ops have made their mark on their communities with a 50-year-plus track record of helping their communities thrive. That's a lot of progress for a lot of people.

So look for the people in partnership in your community. They're working hard for you and for the nation.

Running stocker calves on wheat pasture?

Now, more than ever, IVOME[®] can build your profits.

(ivermectin)

At this year's beef prices, every pound you put on your calves is worth good money. And with IVOME[®] (ivermectin) you can put on plenty of extra pounds.

Whenever you have cattle on pasture, you're bound to have parasites. And if your calves have been sold and resold before shipping, you can't know what parasites they've picked up. And parasites steal weight.

But one shot of IVOME[®] kills 31 different kinds of parasites—more than twice as many as TRAMISOL[®] and WARBEX[®] combined.

IVOME[®] kills mature and immature worms, so you don't have to use it again in a couple of weeks. And IVOME[®] gets external parasites, too. It does it all with just one simple shot under the skin. No wrestling. No Mess. No stress.

So go with your best shot. Get IVOME[®].

Longhorns whip Jesus Chapel

The Lazbuddie Longhorns improved their spotless record to 5-0 last Friday with a 78-28 whipping of El Paso Jesus Chapel at home. The game was called in the fourth quarter due to the 45-point rule.

The Longhorns host Amherst tonight (Friday) at 7:30 p.m. for Homecoming.

It was a one-sided game from the start, as the Longhorns broke out to a 26-0 lead after one quarter. Here's how the Longhorns scored: Mario Zamor plunged over from the 1; kick failed. Leland Brockman scored on a 19-yard pass from Brett Thomas; the kick failed. Matt Cozby scored on a 5 yard pass from Thomas, with Brockman kicking the points after. And Zamora scored on an 11- yard pass from Thomas; the kick failed.

The Longhorns kept scoring at will in the second period as the reserves got a lot of playing time. First, Shannon Bomer scored on a 15-yard pass from Zamora; the kick failed. Then, Cozby scored from the 2, with the Brockman kick good.

Meanwhile, Jesus Chapel scored twice, on a 3 yard run and a 38-yard pass play. At the half, Lazbuddie led 48-14.

In the 3rd quarter, Zamora tallied from the 2, with Brockman's kick good, and Brockman hit a 34-yard field goal. Jesus Chapel scored and this period ended with Lazbuddie up 58-30.

The Longhorns began the final period when Jon Colby Miller had a 32-yard TD run, the kick failed. Then Justin Johnson scored from the 4; the kick failed. After El Paso scored on a 38 yard run, Lazbuddie struck twice more to end the game on a winning note: Jonas Hernandez ran in from the 1, with the Brockman kick good. And Hernandez scored on a 34-yard run.

Coach Mark Scisson commented, "This was a big win. This was the last big game before going into district. We are sitting at 5-0, but it is not part of district. It will be like starting all over again. We will be ready for district after this."

Scisson praised the defensive accomplishments of Jon Colby Miller, but he was hard pressed to pick one offensive player of the week. "Our offense was so spread out. Three of our second stringers scored, and altogether about 6 or 7 players made TDs," he said.

Longhorn of the Week

Coach Scisson picked Jon Colby Miller as his Defensive Player of the Week.
