Contest again a winner!

Once again, I'm pleased to report that we had a very successful 33rd annual Area Merchants Football Contest.

In all, we had 575 participants. That's a pretty good percentage of our area when you figure they are all 12 years old or older.

We had a new first-time winner in Pam Carpenter. It went right down to the wire as she tied with Leslee Williams. Leslee, the sister of Lonnie McFarland, lived here last summer to work during the corn harvest before returning home to San Antonio.

Pam went into the final week one point behind Leslee. On their final cards, they agreed on all the choices except for the Baylor - Texas game. Leslee picked Texas, Pam went for Baylor. If Texas had won, Leslee would have won the contest.

But Baylor won, throwing the two gals into a tie. As always, we used all the tie breakers from all 12 contest to determine the winner. In this case, it was Pam.

The winning total this year was 104 points. That meant Pam and Leslee averaged 8.6 games picked correctly each week. That's a bit higher than usual. Usually 8.3 is good enough to win all the marbles.

I had a lot of trouble this year picking good matchups at all three levels - high school, college and professional.

What I look for are evenly-match teams. Instead, I found a lot of teams with, for example, 5-0 records, playing someone 1-4.

With high school, I try to pick area squads. But some of our area teams had very bad years, like Friona and Muleshoe. So I had to leave them out.

I wasn't happy with the college matchups at all. A lot of the Top 10 teams had lots of patsies on their schedule. Notre Dame vs. Hawaii? Aw, c'mon.

And a lot of traditional matchups fizzled. In past years, games like Michigan vs. Ohio State, Texas vs. Texas A & M and USC vs. UCLA would have been good games. Not this go-round.

Of course, you can always count on upsets in the pro ranks. The old saw "on a given day..." is very appropriate here (unless it's Indianapolis).

Anyway, the contest was a lot of fun and we always enjoy seeing all the folks come by at this time of year. I know a lot of area offices had contests of their own, which also worked out well (if you stop by Helton Oil, be sure to congratulate Dardanella on winning their contest - but don't ask Hal how he did).

Next week, Pam Carpenter will likely be enjoying a fun weekend in Dallas, courtesy of our area merchants who finance the Tribune contest. The game against the New Orleans Saints, leader in their division, should be a goodie.

Kellie Anderson, of Farwell, is undergoing medical therapy in Albuquerque and is "doing super," reports her mom, Sally.

Folks can send cards and letters to Kellie at: St. Joseph Rehabilitation Hospital, 505 Elm NE, Room 307-2, Albuquerque, N.M. 87102

Rumor of the Week: Do you remember that old song "Walkin' to New Orleans." Well, when you see Laurie Haseloff at Farwell Farm Supply, ask her about the spinoff version - "Walkin' to Farwell."

Santa mail

Sarah Herington, 3, daughter of Mr. and Mrs. Rodney Herington, of Farwell, gets ready to mail her letter to Santa Claus. Santa's special mail boxes for young'uns are now open at the Texico and Farwell post offices. Letters will be published in the Tribune's special Christmas issue.

ESA sponsors pheasant hunt

Theta Rho chapter of Epsilon Sigma Alpha Sorority is sponsoring its 10th annual pheasant hunt this year.

Hunting sites will be reserved for pheasant and duck hunting through the pheasant season dates, Dec. 14 - 26. Each hunter must have a Texas hunting license.

The preserve land will be posted and open only to hunters buying permits from ESA. Each hunter will be given a map of the posted land and will be free to hunt on any of the preserve land. The preserve will be patrolled so that only those having permits will be allowed to hunt.

The annual event is a fund-raiser for the group's philanthropic projects. This has included \$15,000 (over three years) to the Community Center; money and equipment for

Hunter's breakfast set

The annual Pheasant Hunter's Breakfast will be held on Dec. 14 at the Farwell Community Center.

The all-you-can eat breakfast includes sausage, eggs, pancakes, orange juice, coffee.

It costs \$4 for adults and \$2.50 for children under 10. Breakfast will be served starting at 5 a.m. It's all over at 8 a.m.

the New Mexico Girls Ranch; establishment of the Rosa Roberts Educational Fund; playground equipment and a basketball court for Farwell City Park, along with donations to various worthy causes.

All permits are good for the date they are issued through the closing day of the season. Permit prices are: Dec. 14 and 15, \$100; Dec. 16-23, \$75; Dec. 23-26, \$50. Permits sold to youths 12 and younger will cost \$50.

A \$25 non-refundable deposit will be required to hold all the reservations with the balance of the permit price to be paid when the permit is picked up. Deposit may be mailed to: Roberta Howard, Rte. 2 Box 69 C, Farwell, Texas 79325.

ESA will limit the number of permits to assure that each hunter who buys one will have a chance to meet his quota. All reservations are made on a first come, first serve basis.

Reserved permits and maps may be picked up Dec. 13 from 10 a.m. - 6 p.m. at Hughes True Value or on Dec. 14 from 5 a.m. - 8 a.m. at the Farwell Community Center. After Dec. 15, available permits may be obtained from: Margaret Aycock, 481-3885; Leslie Lunsford, 481-9336; Susan Johnson, 481-9308; Terri Nichols, 481-3408, or Pam Monk, 481-9242.

Pam Monk, Leslie Lunsford and Marnie Lunsford were among the friends who worked to make Quinn Byrd's homecoming special.

Quinn Byrd welcomed home

Farwell residents turned out Nov. 27 to welcome Quinn Byrd home from the hospital. The Steers' varsity and JV basketball teams, a fire truck and a crowd of well-wishing friends turned out to welcome Quinn home.

Quinn, the son of Ronald and Leandra Byrd, is a student at Farwell Junior High School. He underwent surgery at the University of New Mexico Medical Center in Albuquerque Aug. 9 to repair an aneurysm. He and his family spent several tension-filled days in the pediatric inten-

sive care unit of the hospital. Then he had to begin a long, arduous process of physical therapy and speech therapy needed to regain skills that he had lost. He stayed at a rehabilitation center in Albuquerque.

Quinn will have special therapy in Lubbock designed to help him continue to regain his speech and motor skills. Also, several of his teachers here have received special training in Albuquerque to help them help him.

Candidates have started announcing for next year's primary.

The primary will be March 10 but the deadline for filing is Jan. 2.

Here's the announcements so far. All the following will be in the Democrat primary:

Robert White announced he is seeking a third term as Parmer County Commissioner for Pct. 3 - the Farwell area.

"I sincerely appreciate the support of the folks in my precinct during these past two terms," said White. "I have tried to do the best job I could for our constituents and plan to continue striving in that direction."

Doris Herington announced for re-election as Parmer County tax assessor - collector. She and her husband, Buster, have lived in Farwell since 1959, coming from the West Camp Community.

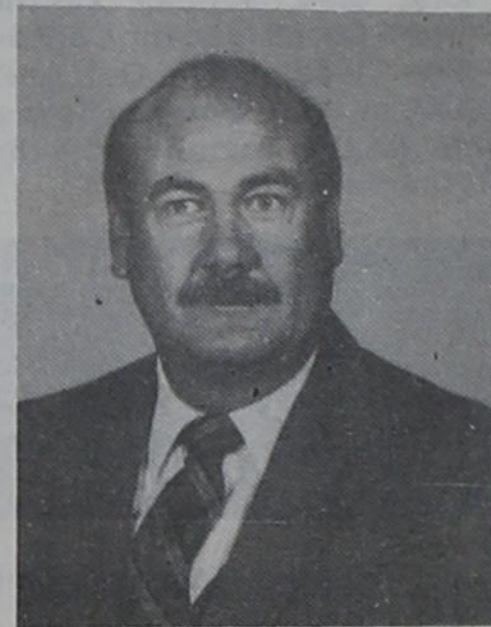

"I have enjoyed serving the residents of the county for the last four years," Mrs. Herington said. "If re-elected, I will continue to serve taxpayers with courtesy and efficiency."

Charles Aycock, of Farwell, plans to see another term as Parmer County Attorney.

Like Aycock, he was appointed to his post in 1981, then was elected to it in 1984 and 1988.

A unique problem

"Texico-Farwell is essentially one community. Whatever crime occurs in Texico occurs in Farwell," Texico Deputy Marshal Kirk Roberts concluded when he reported to the Texico City Council about the unique law enforcement problems of the two communities on Nov. 26.

Roberts is writing letters to several different government agencies to request joint powers so that the law enforcement agencies of the each community can cross the state line in order to enforce the laws.

"We need guidelines from the state or federal government to allow the police to cross the line," said Roberts.

Roberts and Texico Marshal Fry Urioste also reported they had been called to investigate some break-ins at the closed Westerner Motel.

The former motel cannot be condemned because it still has sound walls. Roberts expressed a fear that someone might be hurt on the property - especially because there are refrigerators in it that children might get into.

The council discussed removing the refrigerators as a safety hazard.

In other business, council-

man Oran J. Autrey stated several people in the community had complained to him about problems with street lights on the south side of town.

Councilwoman Carolyn Burrows and Urioste will drive around town and note areas that are very dark and also those areas where the street lights fail to go out in the daylight. Autrey will then contact SPS to let them know the extent of the problems.

It was reported that West Hereford Street and the landfill road have flooded in recent rains. After some discussion, the council directed Water Supt. Billy Hammit to contact the owner of landfill road to get his permission to have the road bladed.

Autrey volunteered to blade the road if the owner gives permission.

The council also:
- Voted to accept bids on the sale of the tranquilizer gun the city owns. Burrows voted against this motion because she said the city might need it some day.

- Voted to have Councilman Butch Sharp study the information the city has received about the Rural Infrastructure loan application, and granted

him the authority to fill out the application and to contact people if he needed to talk to them about the application. The deadline for this application is Dec. 6.

- Voted to seek telephone bids on the cost of cleaning the property west of City Hall because the weeds are a fire hazard.

- Called an election for March 3 for the city council seats held by Carolyn Burrows and Ronnie Warmuth, and Municipal Judge position held by Howard Billingsley.

- Directed city staff to write letters to governmental agencies concerning sewer lines, and the trash and weed problem. They also requested that the staff write a letter to the governmental service center to ask for equipment such as a desk, playground equipment, and a cabinet to hold guns.

- Directed the city staff to send a copy of the gross receipt tax increase which had been voted approved by the council at an earlier meeting to the state.

- The council postponed discussion of the highway parking problem until Mayor Doyal LaRue returns; he has an eye problem.

Monument discussed

The Farwell Chamber of Commerce on Nov. 26 discussed the Texas monument located on Avenue A, next to City Cleaners.

Recently, the state highway department removed the picnic table and tree there. Just the marker stands.

Tom Shumate and Donna Kalbas were appointed to meet with Mayor Wendol Christian about steps the community needs to take to have the monument area fixed up.

The group also discussed

the possibility of having a marker erected somewhere in town to commemorate those Parmer County residents who have died defending the United States in wars during this century.

In other business, plans were begun for the annual Chamber banquet in March. Two possible entertainment groups were discussed. The Chamber also discussed coordinating the event with other affairs being held at the same time here.

Fire Calls

The Texico Fire Department answered one call.

On Dec. 2, the ambulance answered a call at 10 a.m. mst to assist an unconscious subject at 611 Florence St. The person was transported to Clovis Hospital.

One day it was Thanksgiving day. We went up to my house. We had turkey and potatoes and green peas and hare pie. I like the pie. Then after dinner we played games outside. I

The following poem written by Karen Aycock of Farwell High School was submitted by teacher Larry Gregory:

Turkey - Pumpkin Pie - Corn on the cob
Cranberry Sauce - Sweet Potatoes - Dressing
Green beans - Broccoli and rice - Hot Rolls
Fruit Salad - Black-eyed peas - Salad
Pecan Pie - Cottage Cheese - Ham

Thanksgiving is a time for family and friends. A time giving thanks to no end.

Though seeing everybody feels good, the best thing about Thanksgiving is the food.

Take a moment, if you are able, to visualize the Thanksgiving table.

In the middle is the turkey with the dressing which in itself is a blessing.

The turkey is not the only thing to see, Don't forget the sweet potatoes, green beans, broccoli, cranberry sauce, fruit salad, hot rolls, corn on the cob, salad and one can't forget the black-eyed pea.

If by then, you are not stuffed, if you hadn't had enough, There's pumpkin and pecan pies to prove your stomach is smaller than your eyes.

And after you've finished eating, and you're sitting in the living room internally bleeding,

You might remember the reason for this day is to thank God in your own special way.

Farwell Convalescent Center Chit Chat

Thanksgiving was truly a thankful time for us. We had our family Thanksgiving dinner on the 21st of November with turkey, dressing, candied yams and rolls. The families brought a covered dish which gave us a varied assortment of deliciously fixed vegetables, fruit and desserts. The evening was shared with loved ones remembering times past, sharing with new grandchildren and great-grandchildren.

We were lucky enough to be able to share those treasured times with our residents. Our thanks goes out to each family member for making our Thanksgiving a more pleasurable one.

Tom Shumate, our administrator, and his family wish to invite the community to our center for an Open House on December the 14th from 1:30 to 4 p.m. in the sun room.

Tom would like to give the people of Farwell and the surrounding area the opportunity to meet his family, view the remodeling of our center and to extend their thanks for the great support given to the convalescent center.

Please plan to join us. We'll look forward to seeing you! Thank you for being you.

Some noses can't smell propane. The odorant we add to propane is your key to propane

safety. If you detect what you think is the smell of propane in your home, you should

suspect a leak and leave immediately.

But, sometimes, a person can't smell propane or perhaps the odor may have faded. Your

dealer will be glad to confirm the presence of odorant in your system and help you recognize that characteristic propane smell. Your dealer can also provide information about the use of gas detectors.

For more tips on propane safety, ask your propane dealer.

Public Notice

Southern Union Gas Company, a division of Southern Union Company, hereby gives notice of its intent to implement a new schedule of rates within the incorporated area of Farwell, Texas, in accordance with the Company's Statement of Intent filed on November 18, 1991. The proposed effective date for meters read on and after January 20, 1992.

The proposed increase does not constitute a "major change" as that term is defined in Section 5.08(b), Article 1446(e), Tex. Rev. Civ. Stat. Ann. (Supp. 1991).

Longhorns fall to Fort Hancock

It was another special season for the Lazbuddie Longhorn football team. But once again, old nemesis Fort Hancock proved to be their downfall.

The Longhorns fell in the Six-Man state quarter final at Wink, Texas, Saturday night to the Mustangs, 65-45. Lazbuddie finished the season at 11-2.

Fort Hancock's Vince Ramirez scored 8 TDs for the 3-time defending station tilters.

Fort Hancock scored often in the first half, taking a 39-16 lead at halftime. The Longhorn scores came on a 60-yard pass play from Paul Williams to Eric Williams, followed by the Luis Gonzales kick in the first period. In the second period, Kirk Jesko scored on a 50-yard run, followed by a Gonzales kick. Lazbuddie made a game of it in the third period, when they outscored Fort Hancock 27-18. Here's how Lazbuddie tallied:

- Eric Williams scored on a 46-yard pass play from Paul Williams; the kick by Gonzales.
 - Frank Gonzales scored on a 26-yard pass play from Paul Williams; the Jesko run was good for a point.
 - Leland Brockman scored on a 37-yard pass play from Paul Williams; the kick failed.
 - Paul Williams ran in from the 9; the kick failed.
- At the end of three quarters, Lazbuddie was behind 57-43. The final period saw only one TD by Fort Hancock and a safety by Lazbuddie - Ramirez was tackled in the end zone.

Award slated

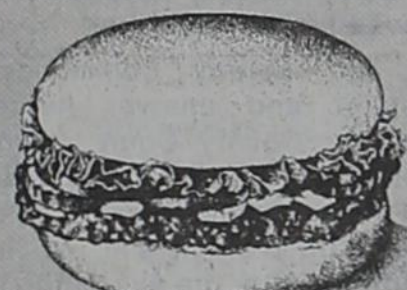

The contract for constructing a four-lane divided highway between Friona and Bovina is expected to be awarded this week by the Texas Department of Highways and Public Transportation.

The bid award had been delayed about a month due to funding. It is hoped work will start on this segment in the spring.

Plans are being prepared for the third phase of the four-laning, from Bovina to Farwell, but funds haven't been appropriated for this work yet.

The first stage of the project, from Friona to Summerfield, is in its late stages. It was scheduled to be finished this fall but wet weather put the job behind a bit. When that new lane is done, the present roadway will be demolished, then rebuilt.
