## Anderson wins 9th contest

Two entrants in last week's Area Merchants Football Contest were able to get 11 games picked correctly - Ron Anderson and James Haseloff.

By virtue of being closest to the tie breaker (Ft. Sumner 41, Texico 9), the winner of the first place cash prize of \$10 was Anderson. Haseloff won the second place cash prize of \$5; he was 50 off the tie breaker. Anderson was 19 off.

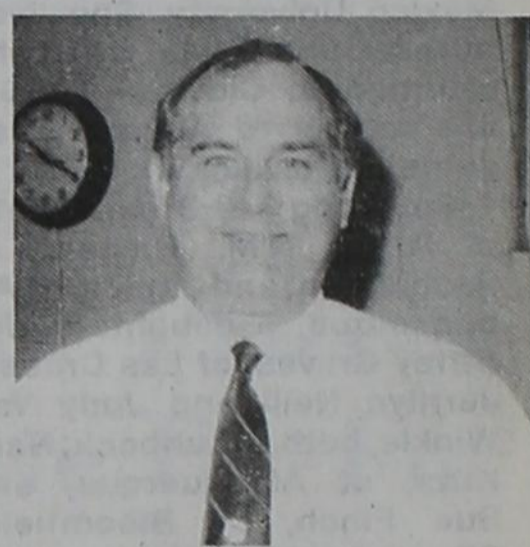

With 10 right were: Cheryl Csakan, Kathy Curtis, Gracie Dane, Tyrone Gooden, Larry Gregory, C. L. Mahaney, Julie McDonald, Bobbie McFarland, Barry Partain, Dick Pylant and Leigh Ann Woods.

Results of the contests were: Muleshoe over Dimmitt, Olton over Hart, Plains over O'Donnell, TCU over Rice, Texas Tech over Texas, Florida over Georgia, Miami (Fla.) over Virginia Tech, New Mexico over Fresno State, Nebraska over Colorado, Buffalo over Kansas City, Indianapolis over NY Jets and Philadelphia over Washington.

As the contest moves into its 10th week - with the overall winner getting the Dallas Cowboys game and hotel package - it's becoming tighter at the top of the leader board.

Stan Stroebel, Farwell High football coach, has maintained the overall lead for the past several weeks. But he got 7 right two weeks ago and 6 right last week - and it has tightened up at the top. Here's a look at the leader board - with three weeks to go:

- 79 points - Stan Stroebel.
- 78 - Scott Brown, Aaron Christian, Larry Gregory.
- 77 - Tonya Gartin, Dick Pylant, Jason Schilling, Greg Taylor, Jason Taylor.
- 76 - Kathy Curtis.
- 75 - Courtney Carthal, Brett Curtis, Jack Allen Kirkland, Jack Taylor.
- 74 - Jill Boyd, Teresa Cary, Rick Castaneda, William Dannheim, Michelle Kirkland, Gail Morris, April Stout.
- 73 - Cindy Castleberry, Betty Jean Kelley, Donnie McDonald, Billy Roberts, Willie Roberts, Dale Sikes, Dolores Taylor, Corby White.

Lonnie Pickel

### Pickel new postmaster

Lonnie Pickel was sworn in as Texico Postmaster Oct. 28.

He was sworn in by the Portales Postmaster Paul McAlistier. Thomas O'Dell, Postal Systems Coordinator, was also present.

Lonnie comes to the position with 12 years of service with the postal service and had been recently serving as the officer in charge in the Ft. Sumner post office.

He is excited about his new position and is looking forward to serving the community.

Lonnie and his wife Alexa live in Clovis. They have two children, Bryon, 20, and Jan, 16.

He replaces Weldon Smith, who retired in September.

### Franse plans Open House

An open house is scheduled today (Friday), all day, for the newly - remodeled Franse Irrigation and Farwell Feed Supply facilities on North 9th Street in Farwell.

Everyone is invited to this special celebration. The open house also celebrates the 40th year that Valley has been selling pivot sprinklers and the 40th year that Ralph Franse and his family have been in the irrigation business in Farwell.

You can sign up for a chance to win a new Valley pivot sprinkler. It will be given away in December.

Refreshments will be served and door prize drawings held. You need not be present to win the drawings.

Five thousand square feet of new showroom and warehouse space has been added by connecting the two buildings. This has made the inventory more accessible for workers and customers.

Franse worked for Gifford Hill in the irrigation pipe business, and he bought the business in July 1975. His family has been a major part of his operation.

Wife Lucille teaches full-time in Farwell, but helps with the bookkeeping and billing. Three sons have grown up in the irrigation business - Steve, Jim and John.

Working with them are Vernon Thigpen, Henry Garcia, Daniel Garcia, Carlos Ortiz and Frank Landry. Landry joined them when Franse took on the feed business in 1988.

Ron Anderson, right, receives his check for winning last week's football contest from Ken Workheiser, owner of Trans-Matic Transmission and Trans-Matic Wrecker Service, two of the contest sponsors.

**Here's one last diatribe**

Well, folks, here's my last political tirade before Election Day.

At least, for those who have read my wild musings, you understand why I have written so many times previously that I hate to write about politics. The topic upsets my equilibrium.

The big league columnists ("Border Banter" would he considered Class 1A) all predict big losses by incumbents in view of major anti-Clinton sentiment.

And, as always, I'm out of sync with this popular view. I was out of sync two years ago, and was right. And four

# Border Banter

By Mike Pomper

years ago, and was right. Etc. And they're wrong year after year. But they make the big bucks and I don't.

But it's easy writing for a columnist to discuss "races." Me? I just look at what's been happening for several decades and that means the incumbents have huge advantages. Thus, minimal races.

Have you read recently how 1994 spells the political end for Sen. Ted Kennedy of Massachusetts? Wrong. I predict he will win in a walk. Let's see who's right - the major commentators or Border Banter.

And I predict Ann Richards will win rather handily. Folks in our area will go for George W. Bush but Parmer County doesn't have as many voters as Houston, to cite just one example.

And you will see that pattern continue across the length of the U.S. Most incumbents will breeze to victory. How come, you ask?

Folks may like to gripe and grimace, but when it comes down to the nitty and the gritty, they vote their tummies - and Democrat incumbents hold the seniority positions. That means pork.

Medium well. And Democrats are better at making pork than Republicans - thus they get more votes.

Yes, the Republicans will

make some gains in this off-year election. That's always the case for the party out of power. When Bush was president, the Democrats made gains. With Clinton in power, the GOP will do likewise.

Here's another prediction (and, remember, you read it here first): Clinton will be re-elected in 1996. No, I don't support him. But I'm a realist.

Normally, the Republicans have very little factionalized fighting at their national conventions. But it has happened. Remember Bob Taft being shoved aside in 1952? And what they did to Nelson Rockefeller on the floor of the convention in 1964?

Well, I think 1996 will be one of those years with no clear-cut favorite. I sure hope Dan Quayle doesn't succeed in his quest to be the party-bearer. If so, Clinton will have a laugh.

But right now, I would put Quayle as the front-runner.

You may question that, but remember that as vice president you spend a lot of time on the road making contacts, and picking up potential delegates. That's how Nixon got to be nominated in 1960.

**Farwell Booster Club to meet Tuesday**

The Farwell Booster Club will meet Tuesday at 7 p.m. in the Farwell High library.

All parents, grandparents, community members, etc., interested in Farwell High School and Farwell Junior High School athletics are encouraged to attend.

The Booster Club would appreciate your support of our school's athletes and athletic programs.

**Team Challenge**

From left: Melody Montgomery, Leanna Grosner and Jessica Crist of Farwell competed in the Team Challenge, held in conjunction with the Junior Fed Beef Challenge in Amarillo recently. The Team Challenge, conducted by the Texas Cattle Feeders Association, allows 4-H and FFA students to gain practical experience in the commercial cattle feeding industry. The team of students competed in a live animal evaluation contest and a written test.

Ralph Franse and Vernon Thigpen

Ralph and Lucille Franse and the employees of Franse Irrigation and Farwell Feed Supply would like to invite their customers to come by on Friday, Nov. 4th for an open house celebrating the 40 years that they have been in business in Farwell and to view their newly expanded building.

Ralph, Lucille and their two sons, Steve and John, moved to Farwell in July 1954. Jim was born a year later. Ralph was working for A.T. Watts in the well and pump business. He later worked for Gifford Hill in the irrigation pipe business and he bought the business in July 1975.

Ralph said of his success that his family has been a very big part. Lucille teaches full time in Farwell, but helps with the bookkeeping and billing.

Three sons have grown up in the irrigation business. They've gone from helping measure pipe lines at a very young age, to holding down several different jobs with Gifford Hill in different parts of the country.

Another very important part of their success has been our long time employees, Vernon Thigpen and Henry Garcia. Vernon has been a part of the company since the purchase in 1975. He had already put in several years with Gifford Hill and was a salesman for them at the time the company closed in Farwell in 1978.

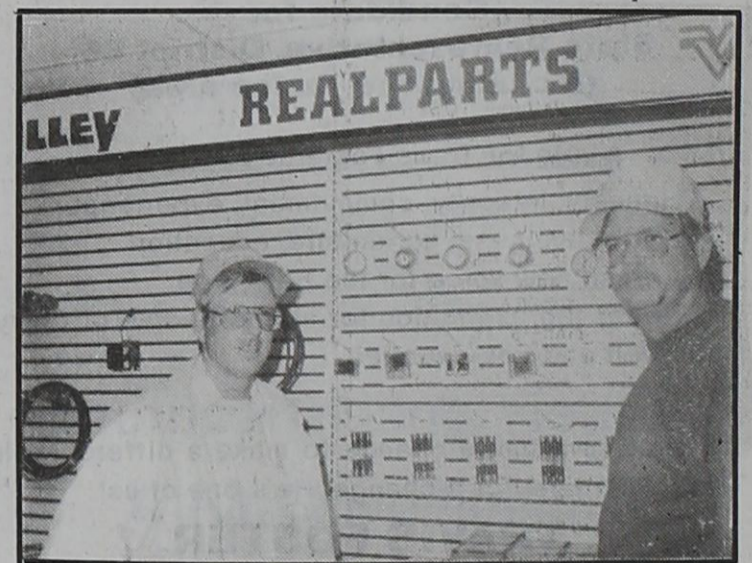

Henry has also spent most of his adult years in the irrigation business. Daniel Garcia is the "young man" in the company.

In 1988, Ralph took on the feed business when the Worley Co. was bought by Penny Anderson. With the purchase of this business, came Frank Landry. Another of their employees involved in the feed business is Carlos Ortiz.

Though the growth in the feed business has been slow, they have seen positive advancements over the last two years. Their new space has helped them very much.

Valmont Industries is also celebrating 40 years in the pivot business. At the open house, you can sign up for a chance to win a new Valley Pivot Sprinkler, to be given away in December.

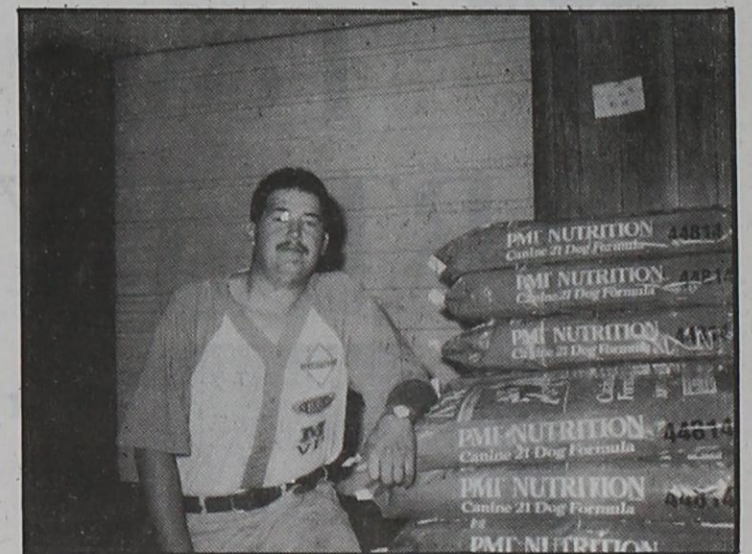

There will be other door prizes to sign up for also. Refreshments will be served during the day. You need not be present to win the door prizes.

## Letter To The Editor

Dear Editor:

Your article in "Border Banter" entitled "This is one time I wholeheartedly believe the candidates" was just too much. I left the article with the conclusion that you are convinced all politicians are liars. If by that conviction you mean that every politician has lied at some point in his or her life, you are probably correct. Paul's inspired teaching in Romans 3:23 would include such likelihood.

On the other hand, if by your apparent conviction, you mean every politician everywhere for all time is a liar, I must take exception. Many years ago, even from the "kindergarten state of mind," I learned the danger of making "blanket" assessments. Such is best illustrated from the old adage we learned then. Remember? "All dogs have tails. Kitty has a tail. Therefore she is a dog."

You did come very lost to "hitting the nail on the head" in regard to your analogy of the "no" votes, but I fear it was only close and you smashed your thumb. The initial crime bill left the Senate by a 95 to 4 vote. And at that time, it had some "teeth" in it (more prisons, more policemen, stiffer sentences). But, alas, when it returned once again to the floor from Democratic controlled committees, it was in need of full dentures. It was stripped of its teeth and padded with midnight basketball, dance classes and arts and crafts instruction. Rightly so, the majority of the Republican senators voted against it. Even though it did pass the Democrat-controlled Congress, Americans should thank those people who stood their ground and voted against it.

Mr. Editor, I do not fear incumbency. The cry has gone out from both major parties that term limits must be mandated. Has anyone, anywhere considered that we have had term limits since 1789? It has a compound name: It's called "an informed public and the voting booth." See you at the poll.

Dennis Dillon, Farwell

# Longhorns whip Silverton

The Lazbuddie Longhorns, coming on strong after a slow start this year, wiped out Silverton last Friday in an away game, 52-6. The game ended in the third quarter due to the 45-point rule.

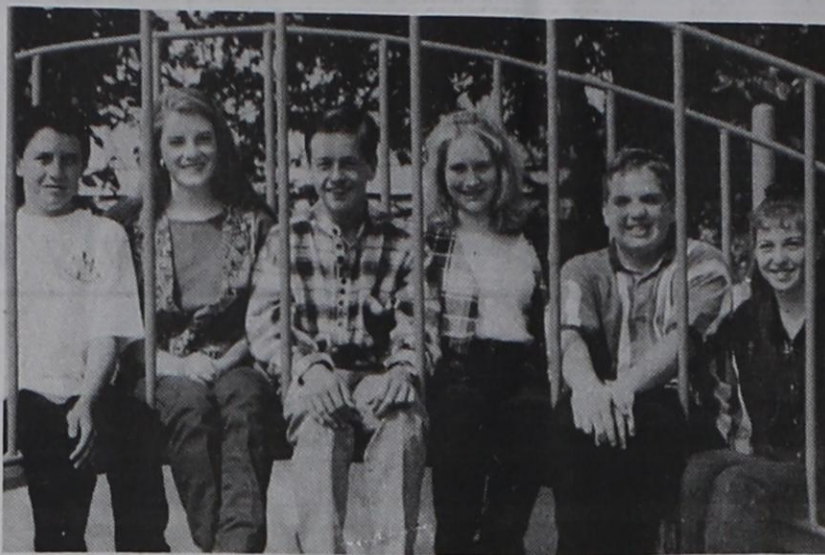

Lazbuddie is now 4-0 in district and 5-4 overall. The Longhorns end the regular season by hosting Threeway tonight (Friday) at 7:30. Lazbuddie is the only team in its district to be undefeated so far.

It was all Lazbuddie in the game. The Longhorns shot out to a 22-6 lead in the first quarter and were never threatened. # Wolverines fall to Ft. Sumner

by Greg Bass

The Texico Wolverines and unbeaten Ft. Sumner Foxes played last Friday in a battle for first place in district. Ft. Sumner won, 41-9.

Texico finished the regular season at 1-1 in district and 5-5 overall. Because they finished second in district, they advance to the state semi-finals against Hal. The game will be at 2 p.m. Saturday at Jal.

The Foxes won the coin toss and Texico kicked off. Josh Jorde had the game's first tackle.

In the first quarter, Ft. Sumner jumped off to a 15-0 lead. They scored on a 73-yard run and a 52-yard pass play. But there were some exceptional defensive plays made by the Wolverines. Ruben Escamilla, Clint Hamilton, Kip Taylor, Hadley Gilbert and Joel Barba had strong tackles in the first

quarter.

Barba played a great defensive game, with 2 fumble recoveries in the first quarter, plus some great pass coverage. On the offensive side, Cody Drager nabbed a pass from Pat Chumley. Barba and Gilbert did most of the Texico running.

In the second quarter, Texico put some points on the board when Luis Trillo kicked a 23-yard field goal at the 3:36 mark. Ft. Sumner scored on a 3-yard plunge.

Offensively, Gilbert, Chumley and Tobie Askew combined for rushing yardage for Texico. Defensively, Gilbert had a great fumble recovery on a Ft. Sumner extra point attempt. The half ended with Ft. Sumner ahead, 21-3.

In the third quarter, Chumley scored Texico's lone TD on a 13-yard keepe. Some good runs were achieved by Gilbert, Drager and Chumley. Askew caught a pass. On defense, Barba, Escamilla, Chumley and Gilbert had some strong hits. Drager had good pass coverage.

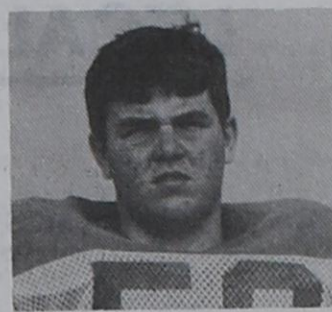

But Ft. Sumner scored two TDs in the third quarter, on 14- and 48-yard pass plays to lead 34-9 going into the final period.

Texico kept battling but couldn't gain any ground as the lone score in this quarter came when Ft. Sumner tallied on a 37-yard pass play. Escamilla had an interception for Texico. Tackles were made by Barba, Chumley, Gilbert and Escamilla.

In the final moments of the game, Barba, Gilbert and Chumley had strong runs. And Barba caught a pass.

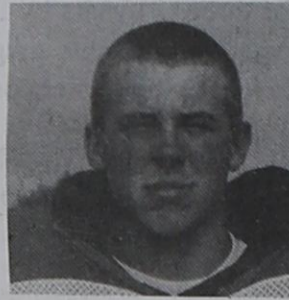

Individual stats were: rushing - Gilbert, 14 for 107 yards; Askew, 3 for 10; Chumley, 3 for 14; Barba, 8 for 10. Receiving - Drager, 4 for 30; Askew, 1 for 6; Barba, 1 for 16. Passing - Chumley, 6 for 15 and 52 yards.

## Local cotton crop ginning under way

The local cotton crop ginning is underway and, to this point, the crops have been good.

According to J'Don Gallman of the Farwell Gin, they've baled approximately 1,700 bales. He reported that the quality of the cotton is very good and that the ginning season should run into late December.

Todd Lignau had the first bale of cotton from the Farwell Gin.

The Muleshoe Co-op Gin has baled approximately 7,000 bales to date. Rodney Baker of Muleshoe had the first bale.

Della Puckett of Muleshoe Gin, reported that the cotton is turning out much better than the farmers thought that it would. The cotton isn't getting ready as fast as the farmers would like, but it's turning out to be a great year for the crop.

Ginning at Clays Corner Gin is off to a good start as well. They have presently baled 1250 bales with Darryl Mason bringing in the first crop for baling. The cotton looks really good from the crops brought in to them.

### Notice of Rate Change Request Relating to Irrigation Interruption Credit And Recovery of Power Costs

Notice is hereby given that Bailey County Electric Cooperative, Inc. (the "Utility") intends to change rates for electric utility service by implementing an irrigation interruption credit applicable to irrigation customers who agree by contract that their service may be interrupted and by revising the Utility's power cost recovery factor ("PCRFR"), effective November 15, 1994, or as soon thereafter as may be permitted by law. The proposed changes are not expected to have any effect on the revenues of the Utility. The changes are applicable to all electric utility service, all areas served by the Utility, all customer classes, and all customers.

Copies of the proposed revised tariffs, schedules and supporting testimony and other pertinent data may be inspected in the office of the Utility located at 305 East Avenue B, Muleshoe, Texas 79347, and at the office of the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Austin, Texas 78757. Inquiries should be directed to Mr. Duane Lloyd (806) 272-4504.

The Utility's wholesale power supplier currently allows a credit on the Utility's wholesale power bills in exchange for the ability to interrupt a portion of the Utility's irrigation load. The Utility's existing retail rates, which were established before the wholesale interruption credit became available, apply the interruption credit to all customers of the Utility regardless of whether such customers have agreed that their service may be interrupted. This occurs because the Utility's power cost is reduced by the amount of the irrigation interruption credit from the Utility's wholesale power supplier and the reduced level of power cost is flowed through to all consumers through the PCRFR.

The rate revisions are proposed for the purposes of: (1) establishing a tariff authorizing payment of an interruptible credit to irrigators who agree by contract to allow their service to be interrupted, and (2) allocating the irrigation interruption credit received from the Utility's wholesale power supplier to the irrigation customers who have agreed to allow interruption of their load in the event the Utility's wholesale power supplier requires the Utility to shed load. Irrigation customers who agree to have their services interrupted should receive the benefit of the interruptible credit from the Utility's wholesale power supplier. The proposed charges will not increase or decrease the revenues of the Utility, however, the proposed changes are expected to increase the revenues derived from all customer classes other than irrigation.

Persons who wish to intervene in or comment upon these proceedings should notify the Commission as soon as possible, as an intervention deadline will be imposed. A request to intervene or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission's Public Information Office at (512) 458-0256, or (512) 458-0221 for text telephone. The deadline for intervention in the proceeding is 45 days after the date the application was filed with the Commission.

## They both like gravy and chocolate pie

Enrico Niemczewsky

Enrico Niemczewsky will have no problems fitting into the Wilbert Kalbas household - both he and Wilbert like gravy and chocolate pie; and at 6'2", Enrico is also big enough to lend a helping hand with all the chores on the farm.

Wilbert laughed as he said, "If the watermelon doesn't taste good, it's Enrico's fault - he picked them," on Sept. 18 when about 50 people involved in the International Exchange Student program met at the Kalbas farm.

Earlier in the day Enrico attended church with the Kalbas family, and then played with the Farwell High School band at the ceremony to remember MIAs and Prisoners of War at Farwell City Park. Then he headed home for the watermelon feed for foreign exchange students at the Kalbas farm. And, this was just part of a very busy Homecoming weekend in Farwell.

The reception for foreign exchange students brought foreign exchange students from all over the Clovis/Portales area together. Those invited included: Enrico, Imke Scheibner of Wittenberg, Germany; Christopher Schedl, of Vienna, Austria; Catalina Suarez, of Medellin, Colombia; Carolina Samaha, of Goiaia-Goias, Brazil; Alexa Meunchert of Mulheimander Ruhr, Germany; Trine Langkow, of Jyllinge, Denmark; Linus Fuql, Herlev, Denmark; Monalisa Dutra, Tirol - Natal, Brazil; Mei Bo Mabel Lee, Lam Tin Kowloon, Hong Kong; Valclav Klimes, Bolyne, Czech Republic; Petr Novotny, Karlov Zary, Czech Republic; Ek Ekpanyaskun, Bangkok, Thailand; and Soren Hansen, Vaerloose, Denmark, and the families with which they will live here in the Clovis area.

Enrico is from Burg Stargard, Germany, a small town about 90 miles north of Berlin. "I was a child when the (Berlin) wall came down - about 11 or 12. I was too young to know much about it," he says.

His favorite recreational activities back home include: riding bikes, playing soccer, reading, playing tennis and watching television. He also enjoys basketball, and may play for Farwell before the year is out.

Enrico played cello for 4 years back home; he won't be able to play cello in the Farwell Band, but he will play baritone. "Band is great," he says, and his ability to read music will help him fit in quickly.

"He's already helping our band," said band director Pat Henry. "He's a motivated kid who wants to excel."

Enrico will be studying Spanish I, drivers education, algebra II, basic computer, band, U.S. history, English and athletics at Farwell High.

## Here comes basketball

The Farwell Junior High basketball schedule has been put together and the first game is slated for Nov. 14.

The schedule is subject to change, so look for the game schedules each week in "Upcoming Sports."

**I BELIEVE IN NEW MEXICO ...**

Progress has always depended upon the risk-takers ready to invest time and money in the development of our state. I'm proud to be one of the risk-takers!

During my six years in the New Mexico Legislature, I leaned heavily on my experiences as a member of a farming family in which there were no substitutes for hard work, strong economic values, practical conservatism, mutual respect and community responsibility.

For more than forty years these values have served me well in business, in government and in my community. I am first, foremost and always a New Mexican and I am committed to helping our state achieve the kind of government it deserves.

# Steers blanked by Claude

The Farwell Steers were blanked by the Claude Mustangs last Friday at home, 12-0.

The Steers, 2-2 in district and 3-6 overall, finish their season at Nazareth tonight (Friday) at 7. It appears Claude and Nazareth will be going on to the district playoffs.

The game opened with Jason Miller returning the kick to the Farwell 36. Brock Anderson hit Michael Phillips with an 11-yard pass. But Farwell was held and Chad Martin boomed a punt. Justin Mahaney tackled the returner at the Claude 16.

On defense, Steve Miller had a pair of strong tackles. Then Blaze Hardage intercepted at the Farwell 29. But on the next play Claude intercepted right back and returned it to the Farwell 2. But Claude fumbled into the end zone with the ball recovered by Blaze Hardage.

On offense again, Anderson threw a 9-yard pass to Blaze Hardage for a first down. Chase Hardage then caught another 9-yard throw for another first down. Slant passes were

working well against Claude. Anderson then flipped a 19-yard pass to Chase Hardage. Anderson ran for 10 more, and Jason Miller had runs of 5, 4 and 2 yards.

At the start of the second quarter, Jason Miller's attempt at a 42-yard field goal missed wide.

On defense, good tackles were recorded by Duane Haseloff, Nic Ketcherside, Jason Taylor and Mahaney. But Claude moved the ball well on the ground and eventually scored from the 1 at 5:35. The kick failed and it was 6-0.

Jason Miller returned the kick to the Farwell 43. Farwell was held and punted to the Claude 27. Anderson and Mahaney had strong tackles and Claude punted into the Farwell end zone.

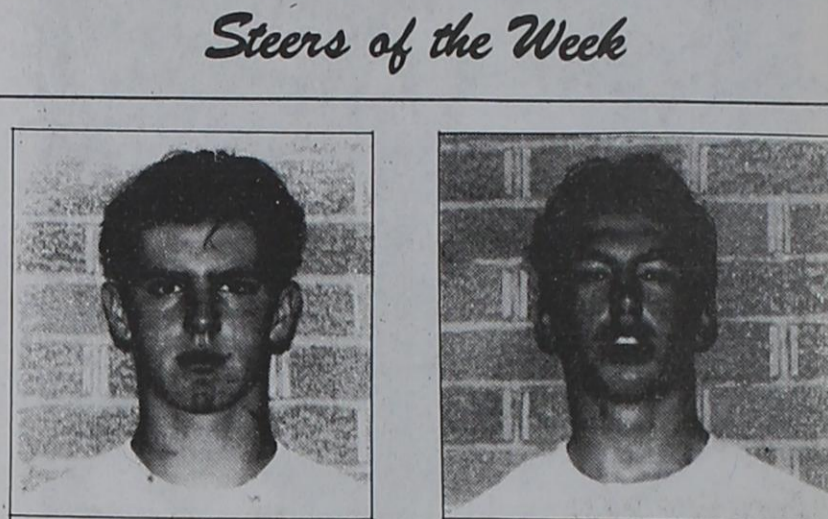

With 26 seconds left, Claude recovered a fumble at the Farwell 37. Mahaney had a strong hit, knocking the ball loose and it was recovered by Haseloff. Anderson threw a 20-yard pass to Phillips as the first half ended.

Farwell kicked off to start the 3rd quarter and Mahaney tackled the returner at the Claude 30. Steve Miller had a good tackle. Claude went for it on 4th and 2 at the Farwell 33 but was stopped a foot short. On offense, Nic Ketcherside had a run for 10 yards before Farwell punted to midfield.

Jesse Chilton had a QB sack, and Claude punted to the Farwell 5. Phillips caught a 9-yard pass and Nic Ketcherside ran for 10 as the third quarter ended.

Preston Ketcherside ran for 5. But a holding penalty stopped the Farwell drive and they punted to the Claude 43. Steve Miller had another good tackle and Claude punted to the Farwell 15.

Blaze Hardage made a sliding catch of a 25-yard pass

Coach Stroebel picked as Steers of the Week, from left: offense - Michael Phillips, and defense - Blaze Hardage.

## Wallet lost

A Melrose lady lost her red wallet in Farwell City Park recently. If you found it, please contact the Tribune.

from Anderson. On 4th and long, Farwell tried a fake punt but the run was stopped short of the first down. On defense, Jason Miller, Anderson and Mahaney had good tackles, and Nic Ketcherside knocked down a pass. But with 1:21 left in the game, Claude scored on a 17-yard run. The run for extra points failed and it was 12-0.

Comments from Coach Stan Stroebel: "The game just didn't turn out the way I wanted it to. It was a real physical game, with good physical play. It was a hard fought game, but the guys just didn't get it done. I felt we could have done a better job, but Claude came over ready to play."

### Texico Drama Club to perform two plays

The Texico High School Drama Club will perform two One Act plays on Nov. 22.

The first is entitled "Snowy White and the Seven Chicks." The story line involves a young man who stands to inherit millions of dollars from his wealthy uncle if he can find a wife from a group of seven women.

The second is entitled "Hood

of Sherwood." This is the story of Robin Hood, with a twist. Robin is the noble provider of the poor, but is easily confused as to who the poor actually are.

A matinee performance at 1:15 is for students. Admission is \$1. The performance at 7 p.m. is open to the public. Admission is \$1 for children, \$2 for adults. All times are mst.

It was good to see Farwell Coach Stan Stroebel give playing time against Claude to several JV players. The experience will help them in the long run.

It hasn't been that long since it was the practice of the Farwell coaches to keep their first string in the entire game, regardless of what the score was.

That was a strange time.

Roslyn Bennett has done a superb job as Farwell's "Stormy" mascot this year.

She has started innovative routines, such as with the "noise box" that really gets the crowd into it. And she promises some neat stuff for the Nazareth game.

Well done, Roslyn.

Hello again! On Oct. 14th, we had special guests come to the FCC for a tea party. Prairie Acres Nursing Home, from Friona, accepted our invitation for tea and cookies. Residents came and visited with our residents. While here, they had their tuna sandwiches, homemade cookies and punch. We all listened to the Burches play the piano and sang to the sing-along songs. At first, residents just watched each other until they felt comfortable enough to talk and mingle back and forth. Residents and staff got a tour of our facility. Before heading back home, residents and staff told us they had a wonderful time, and invited us to their nursing home. We accepted their invitation.

By Oct. 21st, we were still having fun. JoAnn and I took Joe Ray, Mack McMahan, Orville Locke and one brave female, Amy Magness, to a pumpkin patch at Mr. and Mrs. Kalbas' farm. They donated 25 pumpkins and we all went into the fields and picked them. You could see pumpkins for miles and miles. What a wonderful scene to behold. Thank you, Mr. and Mrs. Kalbas, for letting us come out to your farm and allowing the residents to choose their own pumpkins. They really had a great time.

We had our birthday party on Oct. 28th. Happy birthday to these residents: Frank Dillon, Mary Campbell, Otis Foster, Willis Harrell, Gertrude Foster, Jack Carosco, Ray Ford, Amy Magness, Stan Miller, Etta Mitchell and Ruth Gossett. Well, until next time, so long.

# Lady Spikers advance to regionals

The Texico Lady Spikers split its district playoff games last weekend to move into the regionals.

Texico beat Eunice in the district semi-finals before falling in five games to Loving in the finals.

Texico now travels to Loving Saturday for the regional tourney. They play Mora at 11:30 a.m. Saturday. A win in that match sends Texico to state (in Moriarty this year) as either the 1st or 2nd place team from its region. And if Texico beats Mora, they play the winner of the Santa Rosa - Loving game that day.

Texico beat Eunice 13-15, 15-8, 4-15, 15-2, 15-13. Said Coach Michael Littlejohn, "We started out a little slow but came back strong. We were playing not to lose instead of playing to win. We were down 11-13 in game 5 but fought back to win and advance to the finals vs. Loving."

Stats in the Eunice game were: Kelley Cooper, 6 aces, 8 kills, 1 save, 2 blocks; Carol Servatius, 10 aces, 3 kills, 3 saves, 42 assists, 1 block; Jessica Hadley, 4 kills, 1 save, 2 blocks; Misty Barnes, 9 kills, 3 blocks; Kristy Adams, 1 ace, 1 save; Brandi Norvell, 10 kills, 3 blocks; Jodi Chadwick, 12 kills, 2 saves, 1 assist, 4 blocks; Jessica Russell, 2 aces, 1 save.

Texico lost to Loving 15-5, 15-12, 13-15, 8-15, 10-15. Littlejohn said, "We jumped out to a 2-0 lead in games before they came back to win 3 straight. We played very well the first three games but made too many mistakes in games 4 and 5. We got our heads down and it cost us. The young ladies never gave up but just couldn't overcome our mistakes."

Stats in the Loving game were: Cooper, 3 aces, 8 kills, 3 saves, 1 assist, 7 blocks; Servatius, 5 aces, 2 kills, 3 saves, 40 assists; Hadley, 5 kills, 1 save, 6 blocks; Barnes, 2 aces, 20 kills, 1 save, 1 assist, 9 blocks; Adams, 3 aces, 6 saves; Norvell, 7 kills, 5 saves, 5 blocks; Chadwick, 5 aces, 1 kill, 1 save; Russell, 2 aces.

**When England wanted to cut government waste, a Texan showed them how to trim the fat**

Cutting waste in government isn't easy. That's why, when members of Parliament wanted to make the British government more efficient, they consulted the recognized expert in America: Texas Comptroller John Sharp. Hardly a surprise, old chap. Since taking office in 1991, John Sharp and his Texas Performance Review team have set the standard for streamlining government agencies, saving taxpayers a documented \$6.2 billion and helping Texas avoid a state income tax. And his reviews of Texas school districts have saved taxpayers more than \$24 million. Now he's fighting to cut millions of dollars in welfare fraud and bureaucratic waste by abolishing paper food stamps, which are often stolen and then traded for drugs. Sharp's plan is to replace food stamps with computerized security cards. No wonder U.S. News and World Report (1/4/94) says: "John Sharp has become the mastermind behind a sweeping overhaul of the bureaucracy that has put Texas at the forefront of the nationwide effort to...root out waste." Yet, despite all the additional duties and initiatives taken on by the Comptroller's Office, Sharp still managed to reduce the number of his employees and return \$9 million of his budget to the taxpayers. Of course, there's a lot more waste in Texas state government just waiting to be cut, so the job is far from over. That's why we need to keep John Sharp on the job.
