## The law must be upheld

So the House of Representatives is going ahead with impeachment procedures against President Clinton.

Who do they think they are? Trying to uphold the law?

Don't they realize they are not dealing with a regular U.S. citizen, but the President? He should be above the law.

That may sound funny to you, dear reader. But a goodly portion of Americans really do believe that the Chief Executive should be above the law.

I don't. The House really had no choice but to go ahead with the procedures, as defined by our laws.

I know early polls show that it's doubtful that the Senate will vote to impeach.

That's doesn't bother me. What is important is that our nation, founded upon laws, follow that legal structure. That's what counts.

I realize that a lot of us often get angry at lawyers and the legal system. They're often put in the same category with used car salesmen and newspaper folks!

But, in the final analysis, a nation that has a strong legal system is the best place to live. And our legal system, imperfect as it is, is the best in the world.

So the law will now take its course with Mr. Clinton.

Sure, cries of "partisanship" will be loudly raised. That's all part of politics.

Every time, you hear one of these politicians complain of partisanship during this inquiry, you are hearing a dummy talk.

Because the bottom line is that once a special prosecutor was hired, then the law must take its full and irrevocable course.

And that is what we are seeing, despite the partisan croaking by some.

I remember following the Watergate procedures on TV very closely. Those were times of high drama.

This won't be the same scenario. As I said, it's doubtful that the Senate will deem Mr. Clinton's woes as "high crimes."

But it's good for our system of government that the issues raised by the Starr Report be investigated, probed and debated.

That's how our system of government works. And I support it.

100 percent. I find it amusing that the National Basketball Association has a lock-out because the players are unhappy with their contracts.

What's the average salary of a professional hoopster? More than \$1 million.

I have to laugh as I write this. Heck, I'd be unhappy to earn that as an annual salary, too! Wouldn't you?

This is a perfect example of athletes getting too big for their britches.

I'm sorry, folks, but I have a real problem with an athlete earning more than \$1 million (plus all the extras) who feels that management is taking advantage of him.

There's a handful of about 10 superstars that draw fans

## Cooperative gin proposed for our area

By Teresa Mesman

A very positive meeting was held Tuesday at the Farwell Community Center concerning the issue of starting a Co-op cotton gin in the county.

More than 20 farmers heard the facts and figures on the feasibility of building and operating a Plains Cotton Co-op Association gin. The meeting was hosted by Mark Williams and Kendall Devault.

Williams began the meeting by stating the facts of cotton farming and marketing today and what the future looks like for the cotton industry. He and members of his family farming corporation have studied and researched all angles of ginning, milling and the textile industry during the last few years. And the answers for how to make more money out of a cotton crop point to joining forces with other area cotton farmers in cooperative ginning.

"The new technology and advances in ginning inevitably make the farmer more money," he stated at the beginning of the meeting. "What we're here to discuss is how to put back more of that money into our (cotton farmers) pockets. That is by directly owning a gin with other farmers in this region."

Representatives from the Plains Cotton Coop Association (PCCA) in Lubbock made presentations on the actual figures involved in ginning, marketing and warehousing and other options available to member farmers through PCCA.

The proposed gin would be a 30 bale gin, ginning 30,000 bales a year. Bids have been received from four gin manufacturing companies for a 3 Less 2 gin setup. This would enable the gin to start up with 2 gin stands with expansion capability for 3 stands. The gin would serve cotton growers in Parmer and Bailey counties in Texas and Curry and Roosevelt counties in New Mexico.

The PCCA cooperative structure flows through 25,000 plus member with ownership in their respective area gin to a delegate body of 156 current participating gins. From here all decisions go to a Board of Directors serving 11 districts to the PCCA Management Team. The next flow through is to the option divisions of Textiles, Warehousing, Electronic Marketing and Pool Marketing. All voting representation in PCCA is based on "one farm, one vote."

The financial bottom line that was proposed to the farmers attending the meeting was this: First preferred stock in the Coop Gin for a commitment of \$40 an acre of their cotton acreage. From all of the research and actual pool and textile mill commitments, this investment would offer a total of \$77.65 per bale back to the farmer in 4 to 6 years. The first year, a minimum return of 25% of their investment would be returned to the farmer. The First Preferred Stock will pay interest at 8% and all investments will be paid back before any book credits are paid to the farmer.

The requirement for building a gin of the proposed size is a minimum of 15,000 member acres. This would give 15% down towards a \$4 million dollar gin setup. This figure also includes the costs for trucks, storage, employee and management salaries. The gin would employ four full-time employees. During cotton season, the workforce would jump to 12 daytime and 12 nighttime employees.

By building and owning a PCCA gin, cotton growers would have the options of directing their cotton into Textile Milling, Warehousing, Electronic Marketing - TELCOT and/or Pool Marketing. All of these options will provide cash back to the farmer in lump sums or in standard percentage payouts, depending on the option(s) chosen.

"A member owned gin provides more of a value added crop and product," stated Williams. "The only way to continue to make money in the cotton market is by owning more of the processing and other options for our cotton crops. We've all seen that this region has been good for cotton and that good crops are currently being grown. This is a crop that will only continue to be grown due to the decreases in water. It is the perfect time to invest in and build a coop gin."

Currently, it takes about six to eight weeks for permits to be in place and four months to build a fully operational gin. Interested area farmers are urged to contact Mark Williams at (806) 825-2444 or Kendall Devault at (806) 825-2828 for more information and/or acreage commitments by Nov. 1.

## Ideas sought to keep Texico students eating school lunches

The cafeteria program was discussed at Tuesday's Texico School Board meeting.

Lack of student participation has caused problems. This is due to a high number of students leaving campus for lunch.

The board and staff are trying to improve the program in order to attract more students and staff to the cafeteria for their meals.

Student enrollment at the Texico Schools is currently at 539.

Junior High Principal Rick Stanley gave a technology committee report that stated that the schools will continue to upgrade the computer equipment for each campus.

Texico Elementary and High School received High Performing Awards from the State of New Mexico recently. The schools will display a banner for this award and may qualify later in the year

for state funds for high performing schools.

Parent-Teacher Conference Day has been set for Oct. 27 from 11:30 a.m. to 7:30 p.m. Parents will be able to pick up their child's report cards at their conference.

The board approved funds for the Texico FFA chapter made a request to go to Kansas City for the Parliamentary Procedure team competition.

The board began revisions for all activity trips in regards to the bus standards and asked for input from the staff on a 2 mill resolution. More information on this will come in the following weeks.

Board members will attend the State School Board Convention in Albuquerque Dec. 4-5.

The board will pass a resolution next month for the next school board election, set for Feb. 2, 1999.

## Sammy Herrera wins 6th contest

Of the hundreds of contestants in last week's Area Merchants Football Contest, only one managed to pick 11 games correctly.

For that outstanding feat, the first place cash prize of \$15 went to Sammy Herrera.

Twelve entrants had 10 games chosen right. By virtue of being closest to the tie breaker (Farwell 8, Hale Center, 0), the second place cash prize of \$7.50 went to Eli Olmos. He was 1 off the tie breaker.

Others with 10 right and their totals off the tie breaker were:

Chris Sena, 14; Johnny Vidaurri, 20; Matt Taylor, 19; Ryan Roberts, 13; Gail Morris, 28; Brent Terry, no tie breaker given; Richard Luscombe, 23; Kristin Kasel, 13; Cody Dunahoe, 20; Greg Actkinson, 24, and Wade Cargile, 32.

Results of last week's games were:

Amherst over Lazbuddie, Clovis over Lovington, Bovina over Morton, Kress over Hart, Texas Tech over Oklahoma State, Tennessee over Georgia, Texas over Oklahoma, Dallas over Carolina, Buffalo over Indianapolis, Philadelphia over Washington, New England over Kansas City, and Tennessee over Baltimore.

The contest, with the overall champion receiving the Dallas Cowboys package, is now halfway complete.

Here's a look at the leader board with six weeks to go:

## Lazbuddie senior trip approved

The Lazbuddie School Board on Tuesday approved the same senior trip as last year's -- a cruise to Catalina Island off the coast of California and to Ensenada, Mexico.

The trip is set for June 14-18.

In other business the board:

-- Named Supt. Hardy Carlyle and business manager Carolyn Scott as school investment officers.

-- Approved the 1998-99 improvement plan -- no major projects are called for.

-- Written a couple of tech grant applications and submitted them to the state for computers, and counseling materials for the home early childhood programs.

The board reviewed the applications.

-- Although the state has called for Red Ribbon Week to be celebrated the last week of October, Lazbuddie plans to postpone it due to other activities scheduled that week, such as Halloween Carnival.

So Red Ribbon Week will be held in November, at a week yet to be determined.

Sammy Herrera, right, receives his check for winning first place in last week's Area Merchants Football Contest from Jerry Dyer, a salesman at Hamilton Big Country Ford, one of the contest sponsors.

51 points -- Scottie Brown, 50 -- Robin Gregory, 49 -- Marshall Pool.

48 -- Jeff Actkinson, Matt Taylor, Shirley Steinbock, 47 -- Diane Actkinson, Sammy Herrera, J.R. Ivins, Kristin Kasel, Tim Kasel, Jack Allen Kirkland.

46 -- Sally Anderson, Deborah Autrey, Bill Bizzell, Scott Brown, Kyle Cain, Noni Eubank, Steve Franse, Dar-

danella Helton, William Martin, Gail Morris, Randy Price, Brent Terry, Doyle Weir and Mike Woods.

The overall winner of the 12-week contest wins a pair of free tickets to the Dallas Cowboys -- Philadelphia Eagles game at Texas Stadium on Dec. 20, plus \$50 in cash, overnight lodging for two at the Radisson Hotel, and lots of other goodies.

## Texico's trash pickup fee expected to rise

It appears that Texico residents will soon be paying a higher monthly fee for trash collections.

The Texico City Council was notified by Duncan Disposal, which handles the city's collections, that it needs a rate increase, effective Oct. 1. Duncan general manager Jackie Reid will meet with the council at its Oct. 27 meeting.

Duncan says that the hike, the first requested since February 1995, is needed because of (1) the higher Consumer Price Index, and (2) the higher Clovis landfill fee, which has gone from \$104 to \$191 (an 84 percent hike) for each 28-yard compact truckload (like used in Texico).

The current rate for residents is \$8.50 a month. Requested is \$9.43 a month.

The council also will discuss with Reid a list of alleys they feel are "messed up."

It appears the council will approve the request.

Other new monthly fees which would also go into effect are: commercial poly kart, \$14.46; 1.5 yard container 1 time per week, \$36.16; 2 yard container 1 time per week, \$47.51; 3 yard container 1 time per week, \$57.29; 4 yard container 1 time per week, \$69.35; 6 yard container 1 time per week, \$91.95; and 6 yard container 2 times a week, \$152.23.

In other business at the meeting, the council:

-- Allowed its police department to buy 100 cones for use in roadblocks. Texico is funded by the state for 5 roadblocks, and Clovis has been allocated 13, said marshal Kelley Brophy.

-- Okayed moving the deadend of the sewer line on Garwood from under the street since a crew will be upgrading Elva Street. Also, the water line west of Garwood will be pushed past Avenue F before that street is improved. The cost for both projects will total under \$2,500.

-- Heard Brophy say that 20-25 letters are being sent to property owners to cut their weeds.

-- Plans, at its next meeting, to change the name of Elva Street (or CR 8.5) to Avenue F to go along with the rest of the street.

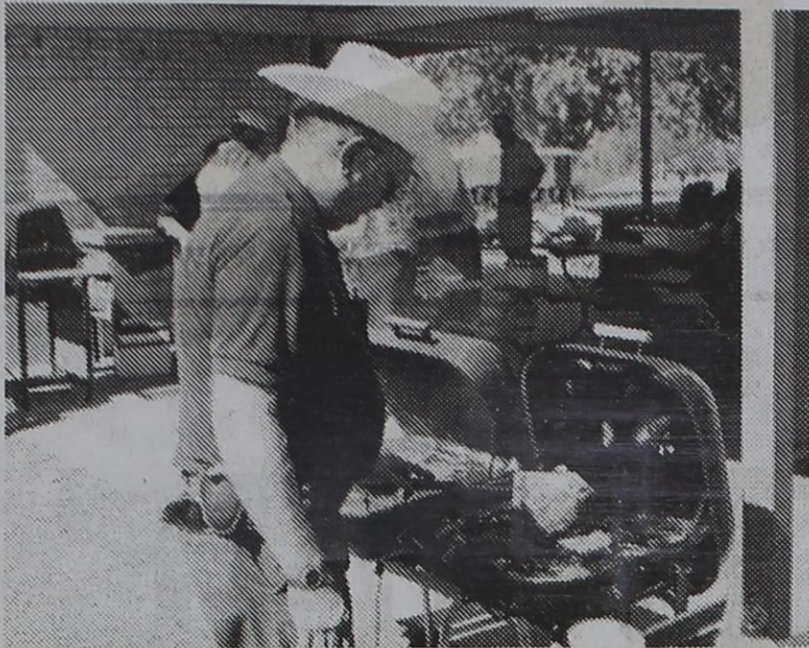

-- Noted that the Avenue F improvement job must be under contract by Dec. 16 or the state funds to do it will be lost.

-- Authorized city attorney Marion Ty Rutter to write the state's Attorney General for an opinion on whether Texico can have a joint powers agreement with Clovis so that the larger community can provide building inspection services for the smaller one.

The state's Construction Industries Division director has

So all these other guys earning more than \$1 million a year are darned lucky that the superstars draw in the fans. And these guys should be happy to take whatever agreement the NBA owners offer.

Why? Because most of them don't deserve salaries that high.

Case closed.

We saw something really nice on Monday.

Some local kids, seeing the trash cans had been knocked over and garbage strewn about the Farwell City Park, voluntarily picked up the trash.

The youngsters were Todd James, Brice Kelm, Chris James and Kyle Cooper.

The Tribune took their photo, which will appear in an upcoming issue.

But we wanted to congratulate them on their initiative.

\*\*\*

I had a very enjoyable time on Saturday participating in a fund-raising golf tourney for Parmer County Crimestoppers at the Farwell Country Club.

There are a lot of government programs I don't have a high opinion of because I think they may get a lot of publicity but are not very effective.

Crimestoppers is not one of them.

Crimestoppers works! There's no question in my mind that it helps put criminals behind bars. It's a very effective community tool.

You want to do something good today?

Then put a check in the mail, for any amount, to Parmer County Crimestoppers. Just send it to the Parmer County sheriff's office

at the county courthouse in Farwell.

If you are concerned about crime in our area, there is something you can do to effectively fight it.

Send that check -- they need more funds.

And if you complain about rising crime, and have an extra \$10 or \$20 available, and DON'T send it to Crimestoppers, then stop complaining.

You have the opportunity to do something.

Do it.

## Hay ride, bonfire slated

St. John Lutheran Church will hold a Community Country Hayride and BonFire this Sunday night at 6:30 p.m.

All are invited to join in on the fall fun. The hayride will go along some great country roads and end up in the Kalbas-Ratke Pumpkin Patch. The Pumpkin Patch will hold more than just pumpkins, too! Lucky pumpkin pickers will find a variety of scavenger prizes as well!

The hayride will travel back to the church where an old fashioned wiener and marshmallow roast will be held at the bonfire.

The hayride is also an allergy-free ride because everyone sits on covered sawdust bales that, according to "hayriders" from last year, were "most comfy!"

told Rutter that Clovis can't.

-- Plans to have specs written for a new 40'x60' shop building, then to seek bids. The city has about \$70,000 available for the work. The city wanted a larger building but it was found that a lease-purchase pact would not be legal. So plans were scaled down.

The city plans to move on this rapidly, with a special meeting called Oct. 20 to approve seeking bids. Councilman Oran Jay Autrey said cement cost is going to jump after Jan. 1 due to a shortage of cement.

-- Noted that \$98,000 is available for a new city hall structure. It will be further discussed at the next meeting.

-- Heard a resident's complaint of kids playing in the streets and of trucks dumping trash in the 600 block of State and Turner.

-- Signed new contracts with Rutter, for attorney services, and for Lydick Engineering, for engineering services.

-- Approved a business registration for Pete Fuentes Trucking. Complaints had been made of too many trucks there. It was stated he has bought 10 acres off 21st Street and moved some trucks there and plans to move the one from his yard. Since he and his son are registered truckers, they are allowed to have two trucks at the residence, it was stated.

-- Called an executive session to discuss "possible litigation." This involves some grading of Elva Street by Steve Meeks. At the last council meeting, councilman Rick Queener suggested he be paid \$325 for the work. No action was taken at that meeting.

# Steers capture nail-biter, 8-0

With about a quarter of their players injured, the Farwell Steers still managed to win another game last Friday.

The Steers, now 5-1 on the season and 1-0 in district, blanked Hale Center's Owls, 8-0.

Farwell hosts Sundown in a key district match tonight (Friday) at 7:30.

In their first six games, Farwell's stingy defense has yet to give up more than 9 points in a single game. For the season, the "D" has allowed a measly total of 29 points.

To show the Steers' strength, Hale Center ran 26 times and gained only 21 yards.

The injury hex has struck Farwell hard this year. It's gotten to the point where one of its wide receivers couldn't raise one arm to catch a ball. But none of the injuries are season-long types and some players, such as Brett Curtis and Derek Goettsch, have returned to action after a layoff of several games.

The Farwell win over Hale Center had the crowd on its feet hollering and chanting in the final minutes of a very tense struggle. Farwell got several chances to score in the first half but were unable to capitalize.

The game opened with Demesio Mendoza, who missed most of the game due to an ankle injury, returning the kickoff to the Steers 32. Tyler Chadwick hit Clint Corn with a 27-yard pass, but a holding penalty stopped the Farwell drive.

On defense, Grant Oppliger threw an Owl runner for a loss and forced a Hale Center punt. Chadwick and Corn combined on a 46-yard pass play, with Curtis making a big clock. A 44-yard field goal try by Farwell was blocked.

Joel Barrett had a strong tackle. Then Shane Roberts intercepted at the Owls 36, returning it 5 yards. Chadwick hit Tobe Diaz with a 14-yard pass and Michael Ancira rushed for a first down. Ancira caught a 15-yard pass from Chadwick at the Owls 5 as the first quarter ended.

Farwell lost a fumble at the Owls 1. Hale Center punted with Kolby Kimbrough returning it 10 yards to the Owls 25. A 35-yard field goal try by Curtis was wide.

On defense, Shane Roberts and Ancira had good tackles and Ancira defended a pass well, forcing another punt. Kimbrough returned the punt 40 yards to the Farwell 39. On 4th and 1 at midfield, Coach Terry's team went for it and Ancira gained 2 for a first down.

A holding penalty stopped Farwell again, forcing a punt. Corn had a TD-saving tackle at the Owls' 44 on the return.

Oppliger recovered a fumble near midfield, caused by Barrett. Farwell moved the ball into field goal range but the half ended on a bizarre note when the refs signalled for time to run after a penalty against Hale Center so Farwell couldn't run one more play.

Hale Center had no first downs in the first half.

Starting the 3rd quarter, the teams traded punts. Good tackles were recorded by Goettsch, Roberts and Ancira. Hale Center had 3 first downs in a row. But a 4th down pass failed and Farwell took over at its 29. Farwell was held, punted and Marcos Cantu tackled the returner at the Owls 34.

Kyle Owen had a good tackle, forcing an Owls punt. Farwell was held, and punted to the Owls 19. Owen recorded a QB sack at the Owls 11, forcing another punt, which was short -- to the Owls 32. On 4th and 3, a Farwell pass misfired. Oppliger had a QB sack for an 11-yard loss, forcing a punt. A penalty put Farwell back at its 41. Runs by Chadwick gained a first down and a penalty against Hale Center put the ball on the Owls 43.

Then Ancira burst up the middle, then cut to his right to score a 43-yard TD at 7:19 of the 4th quarter. The snap for the

kick was fumbled so Chadwick ran around end for a 2-point conversion.

Paul Franse kayoed the Owls returner at the Hale Center 14. Roberts and Matt Schwertner had big tackles and the Owls punted to midfield. The Steers had to punt, too. Ancira had a 15-yard QB sack. Corn knocked down a 3rd down pass, forcing a punt.

Farwell was stopped and punted, with Corn tackling the returner. Roberts had a QB sack and Hale Center's last minute passes failed.

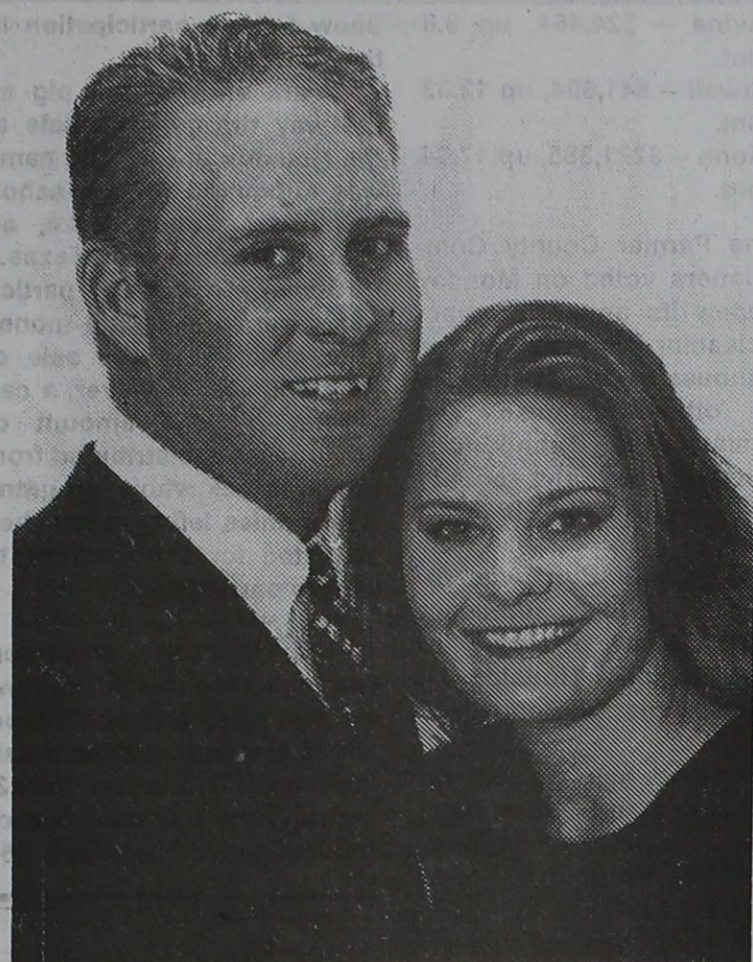

Team stats were: first downs - Farwell 9, Hale Center 4; rushing - Farwell, 38 for 118 yards, Hale Center 26 for 21 yards; passing - Farwell, 10 of 19 for 126 yards; Hale Center 4 of 19 for 33; punting - Farwell, 7 for 33 yard average; Hale Center 9 for 35 yard average; penalties - Farwell, 4 for 40 yards, Hale Center 8 for 50 yards.

Coach Terry wanted to personally thank all the fans for the noise they created in the final quarter, which was a big lift for the team as the Steers came through for the victory.

Some Farwell stats for the first six games: Rushing -- Diaz, 41 carries for 197 yards; Spencer Ketcherside, 13 for 80; Chadwick, 43 for 248; and Ancira, 89 for 444.

Passing - Chadwick, 31 for 66 and 397 yards. Receiving -- Diaz, 8 for 107 yards; Ryan Roberts, 8 for 103; Ancira, 7 for 67; Corn, 5 for 89.

Scoring - Diaz, 30 points; Chadwick, 26; Ancira, 12; Shane Roberts, 6; Curtis, 5; Ketcherside, 8; Ryan Roberts, 2.

Kimberly Kirkpatrick and Roger Billingsley

## Engagement announced

Daryl and Karen Kirkpatrick, of Bovina, announce the engagement of their daughter, Kimberly Darlene, of Lubbock, to Roger Billingsley, of Lubbock, the son of Cindy Guinn, of Clovis, and Bruce Billingsley, of Farwell.

The wedding is scheduled for Jan. 16 at the Lakeridge United Methodist Church in Lubbock.

The bride-elect is a 1994 Bovina High graduate and 1998 Texas Tech graduate. She is employed at the Second Baptist Church Child Development Center in Lubbock.

The bridegroom is a 1992 Farwell High graduate and attended Texas Tech. He owns the Metro Lawn and Landscape Service in Lubbock.

## Lady Spikers drop two

The Texico Lady Spikers are now 10-4 overall and 1-1 in district after a pair of losses last week.

On Oct. 8, they lost a district game to Eunice, 3-15, 15-8, 7-15, 11-15.

Kristen Roberts led in kills with 16, while Marcia Brigham had 5 and Elizabeth Richards 4. Michele Littlejohn led in aces with 4. Richards had a huge number of blocks -- 15; Brigham had 5 and Bobbi Williams 4. Shayna Lewis led in assists with 12 while Callie Rucker had 10 and Nicki Reyes 5.

"It was a big match for us and unfortunately we played well, but not good enough to knock off one of the top 3 or 4 teams in the state in Class AA. We can play better and will have to -- to beat the best teams," said coach Michael Littlejohn.

On Oct. 6, Texico fell to Dora in a non-district battle, 11-15, 6-15, 5-15.

Leaders were: kills -- Roberts 12; and Richards and Brigham, 4 each. Aces -- Lewis, 2; blocks - Richards 7, and Roberts, 4. Assists -- Lewis, 13, and Rucker, 9.

## Falcons win in overtime

The Farwell-Texico Falcons flag football team won their game Tuesday night against the Clovis Chargers 18-12 in overtime.

The Falcons made a TD in less than 4 plays to defeat the team that had since been undefeated.

The Falcons last season game will be Tuesday against the Gunners at 8 p.m. at the Jim Hill football field in Clovis. The playoff game

bracket will also be announced next week.

The celebrations will consist of store specials on services and products, door prizes and refreshments.

The public is cordially invited.

The open house at the Farwell office, 200 Ave. A, will be on Oct. 21 from 10 a.m. to 6 p.m.

Ed Luebken stopped by the Tribune last Friday.

Ed used to work for the Farmers Home Administration office in Farwell several years ago. Since then, he's been with the FmHA office in Dimmitt.

Ed is looking to buy a home in Farwell.

R.C. Davis reports he had a highly successful chuck-wagon dinner and ministry in the Summerfield area last week.

The Tribune will be doing an article on this highly successful mission in an upcoming issue.

Sales tax rebates to Parmer County are up dramatically this year, at least through taxes collected on August sales, according to the Texas state comptroller's office.

1997 payments to date for Parmer County were \$287,455 up 15.89 percent over the same period last year (8 months).

Broken down:

Bovina -- \$24,464, up 9.6 percent.

Farwell -- \$41,604, up 12.33 percent.

Friona -- \$221,385, up 17.34 percent.

The Parmer County Commissioners voted on Monday to renew its annual contract for cleaning services at the courthouse to David Ancira.

In other business, the commissioners announced that employees and county officials will get flu shots on Oct. 20.

And Ronald Byrd was re-appointed to represent Parmer County on the Panhandle Regional Housing Finance Corporation Board.

Someone has walked off with the 4-H and Steers flags that were in front of Pansies, Posies & Potpourri flower shop.

The shop owners feel responsible for the 4-H flag which county youths had placed her and respectively ask that the flags be brought back, or a police report will be filed.

Mark Lunsford recently received a \$500 scholarship from the Houston Livestock

Show for his participation in the show programs.

Mark showed his pig all the way through the sale at the Houston show. His name was submitted for the scholarship by Conda Maze, ag teacher at White Deer, Texas.

Show and auction participants get to keep the money they make from the sale of their animals. However, a cap is put on the amount of money that is distributed from the livestock show program. Any monies left over are then allocated for scholarships to worthy participants.

The Morton classroom teachers association will have a soup, salad and sub supper at the elementary school cafe starting at 5 p.m. on Oct. 23 before the Farwell-Morton football game. The cost is \$5.

## Fire Calls

Farwell had two fire calls.

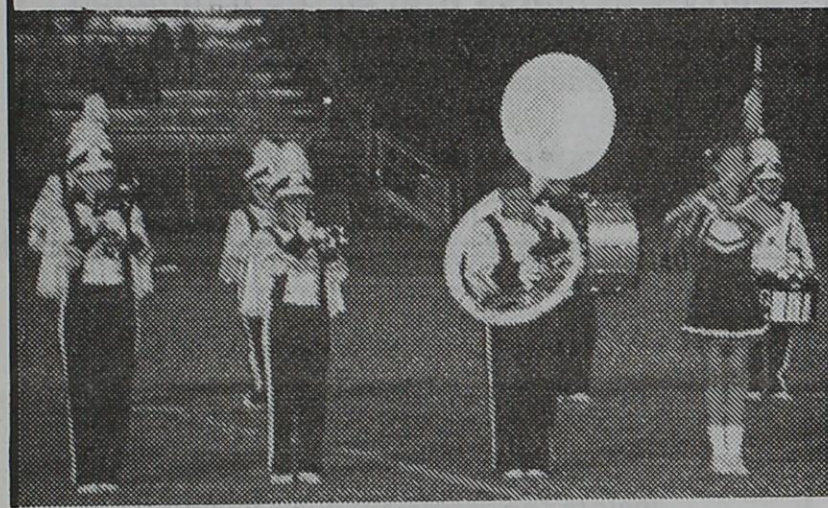

On Oct. 9, the ambulance took a person from 703 2nd St. to Clovis hospital.

On Oct. 7, it was called to 7th and Avenue A for a possible house fire. It turned out to be folks cooking out.

## DOES THIS BELONG TO YOU?

# THIS SUNDAY

WE'LL HAVE GOOD NEWS FOR THOUSANDS OF TEXANS. WILL YOU BE ONE OF THEM?

Every day, banks and businesses report unclaimed cash and valuables to the state—uncashed checks or refunds, forgotten bank accounts, jewelry and the other abandoned contents of safety deposit boxes.

Once each year, in an effort to reunite these unclaimed assets with their rightful owners, we insert the most recent **Unclaimed Property** list in the Sunday editions of 33 daily newspapers across the state.

In the past year, we've returned more than \$38 million in unclaimed property to Texans.

But more than \$800 million remains unclaimed. And in selected Sunday newspapers, we'll print the updated, latest edition of the list.

- Pick up a Sunday newspaper carrying the list and look for your name and the names of your relatives.
- Or call us toll-free at 1-800-654-3463.
- Or visit our Web site at <<http://www.window.state.tx.us>>.
- Or write to Comptroller John Sharp, Unclaimed Property Section, P.O. Box 12019, Austin TX 78711-2019.

If you find your name on the list, give us a call, drop us a line, or send us an e-mail at <[unclaimed.property@cpa.state.tx.us](mailto:unclaimed.property@cpa.state.tx.us)> and we'll get you back together with your property.

## Lady Blue runners finish 3rd at Sundown

The Farwell Lady Blue varsity cross-country team placed 3rd Saturday at the Sundown meet.

The top seven runners for the Farwell varsity and J.V. were: Cristie Tabb, 5th - 14:01; Ashley Crawford, 17th - 14:44; Tara Cargile, 33rd - 15:08; Jessica Chandler, 35th - 15:12; Loris Littlejohn, 36th - 15:12; Linda Armstrong, 51st - 15:36; Marni Lunsford, 15:39.

The next meet is Oct. 17 at Muleshoe. The District meet will be held Oct. 24 at Mae Simmons Park in Lubbock.

Farwell Junior High competed at Sundown, too, in the JH meet with about 290 runners on the 2.2 mile course -- the furthest they had run this year:

Nikki Gober, 61st, 17:00; Meagan Norton, 73rd, 17:03; Jaimie Diaz, 83rd, 17:12; Khallie Foster, 84th, 17:14; Yvette

Favila, 88th, 17:26; Ashley Hartzog, 139th, 18:16; Hailey Grimes, 147th, 18:26; Mindi Roberts, 163rd, 18:40; Tara Schilling, 209th, 19:49; and Kyra Christian, 213th, 19:56.

### Lazbuddie still ranks No. 1 on offense

Here's a look at our area teams' stats as compiled by the Lubbock newspaper:

Six-Man -- Lazbuddie still ranks 1st on team offense, with 488 yards a game, and is 10th on team defense, allowing 330 yards a game. Among the rushers, Adam St. Clair is 5th with 796 yards and Jeffery Seaton is 9th with 569. Three Lazbuddie receivers are in the top 10 -- Seth Black, 3rd, with 434 yards; Seaton, 8th, with 300, and St. Clair, 9th, with 175. Josh Morris is 2nd among the quarterbacks with 73 of 108 for 1,283 yards. Seaton is 4th among the scorers with 103 points and St. Clair is tied for 5th with 90.

Class 2A -- Farwell's defense ranks 2nd, allowing 153 yards a game. Michael Ancira is 10th among the rushers, with 89 carries for 444 yards. Tyler Chadwick is 9th among the passers with 31 of 66 for 397 yards.

## Farwell seeks state waiver for kindergarten classes

The Farwell School Board voted on Tuesday to seek approval from the state for a class waiver size for its kindergarten.

Farwell was surprised in August when 50 kindergartners showed up for its two scheduled classrooms.

Farwell has added an aide, Janey Favila, to help with the larger class sizes. So each class has a teacher and an aide.

If the waiver is given, that means Farwell doesn't have

to find another building to house a third kindergarten class.

In other business, the board:

-- Approved English as a Second Language (ESL) training for its elementary staff.

The board agreed to pay the fees for the Excet test in December (\$72) for the staffers.

-- Had one visitor: Annie Williams, a student teacher in the first grade classroom, who sat in on the meeting as part of her training requirements.

## Meeks named Commended Student

Megan Meeks

Farwell High senior Megan Meeks has been named a Commended Student in the 1999 National Merit Scholarship Program.

A letter of commendation from the school and National Merit Scholarship Corporation, which conducts the program, will be presented to Megan.

Some 34,500 Commended Students throughout the nation are being honored for their exceptional academic promise. Although, Megan will not continue in the competition for Merit Scholarship awards to be offered next spring, Commended Students placed among the top five percent of more than one million students who entered the 1999 Merit Program by taking the 1997 Preliminary SAT/National Merit Scholarship Qualifying Test.

Megan is the daughter of Clifford and Rica Meeks of Farwell.

# Pete Laney

## A Voice For Us A Speaker For Texas

Only one of the 150 members of the House of Representatives is chosen as Speaker of the House.

And that's Pete Laney, our State Representative.

It means Pete Laney is in an influential position to help projects that benefit our area.

It means our schools get the best classroom technology available.

It means the needs of our rural communities won't be ignored in the Legislature, where more than three-fourth of the members represent urban areas.

Pete Laney... hometown values... real leadership... working for us.

**Sheriff's Report**

Here is the weekly report from Parmer County Sheriff Walt Yerger:

On Oct. 9, Michael Winders, 21, of Earth, was arrested by the sheriff's office on charges of forgery and burglary of a building. The case is pending before the grand jury.

**Early voting to start at courthouse**

Parmer County residents can do their early voting at the county clerk's office on the first floor of the county courthouse in Farwell starting Monday.

Also, early voting will be handled in Bovina on Oct. 21 and 28 at the bank's community room; and in Friona on Oct. 20, 23, 27 and 29 in the bank's community room.

On Oct. 12, Johnnie King, 31, of Bovina, was arrested by the sheriff's office on a charge of forgery, pending in district court, and theft, pending in county court.

On Oct. 8, Carl Polk, 57, of Friona, was arrested by Friona police on a charge of DWI. The case is pending in county court.

**Recipe of Week**

**Salmon with Mustard Crust and Couscous\***  
 1/2 cup couscous  
 1 teaspoon non-salt herb seasoning mix  
 3/4 cup boiling water  
 1 tablespoon Dijon mustard  
 1 tablespoon water  
 1/2 teaspoon dried dillweed  
 2 tablespoons corn flake crumbs  
 1 (10 ounces) salmon fillet, 1-inch thick  
 Fresh dill sprigs  
 In a medium bowl, combine couscous, seasoning mix and boiling water. Cover and let stand 5 minutes. Fluff with a fork to blend well. Cover and keep warm. In another small bowl, combine tablespoon of water, mustard and dillweed; stir in corn flake crumbs until well blended. Spray broiler rack

with vegetable cooking spray. Preheat broiler. Place salmon fillet, skin-side-down, on prepared broiler rack. Place rack on shallow pan. Press mustard mixture evenly over top of salmon fillet with a fork. Broil salmon 8 inches from the heat about 8 to 10 minutes, until salmon is cooked through. Remove from broiler and let stand 2 minutes. If top browns quickly, cover lightly with foil. Cooking time will vary with the thickness of the fillet. A thinner fillet will take less time. Do not overcook. Cut fillet in half cross-wise; remove salmon with a spatula, leaving skin on the rack. Garnish with fresh dill sprigs. Serve with couscous.

\* Plain or brown rice may be substituted. Do not use rice mixes which most often contain MSG.

### Letter To The Editor

Dear Editor,  
Gee, times are sure good, and our President is real generous with the taxpayers' money.

Especially to the United Nations and working toward a one world government.

He is an admitted liar and that is as bad as a thief.

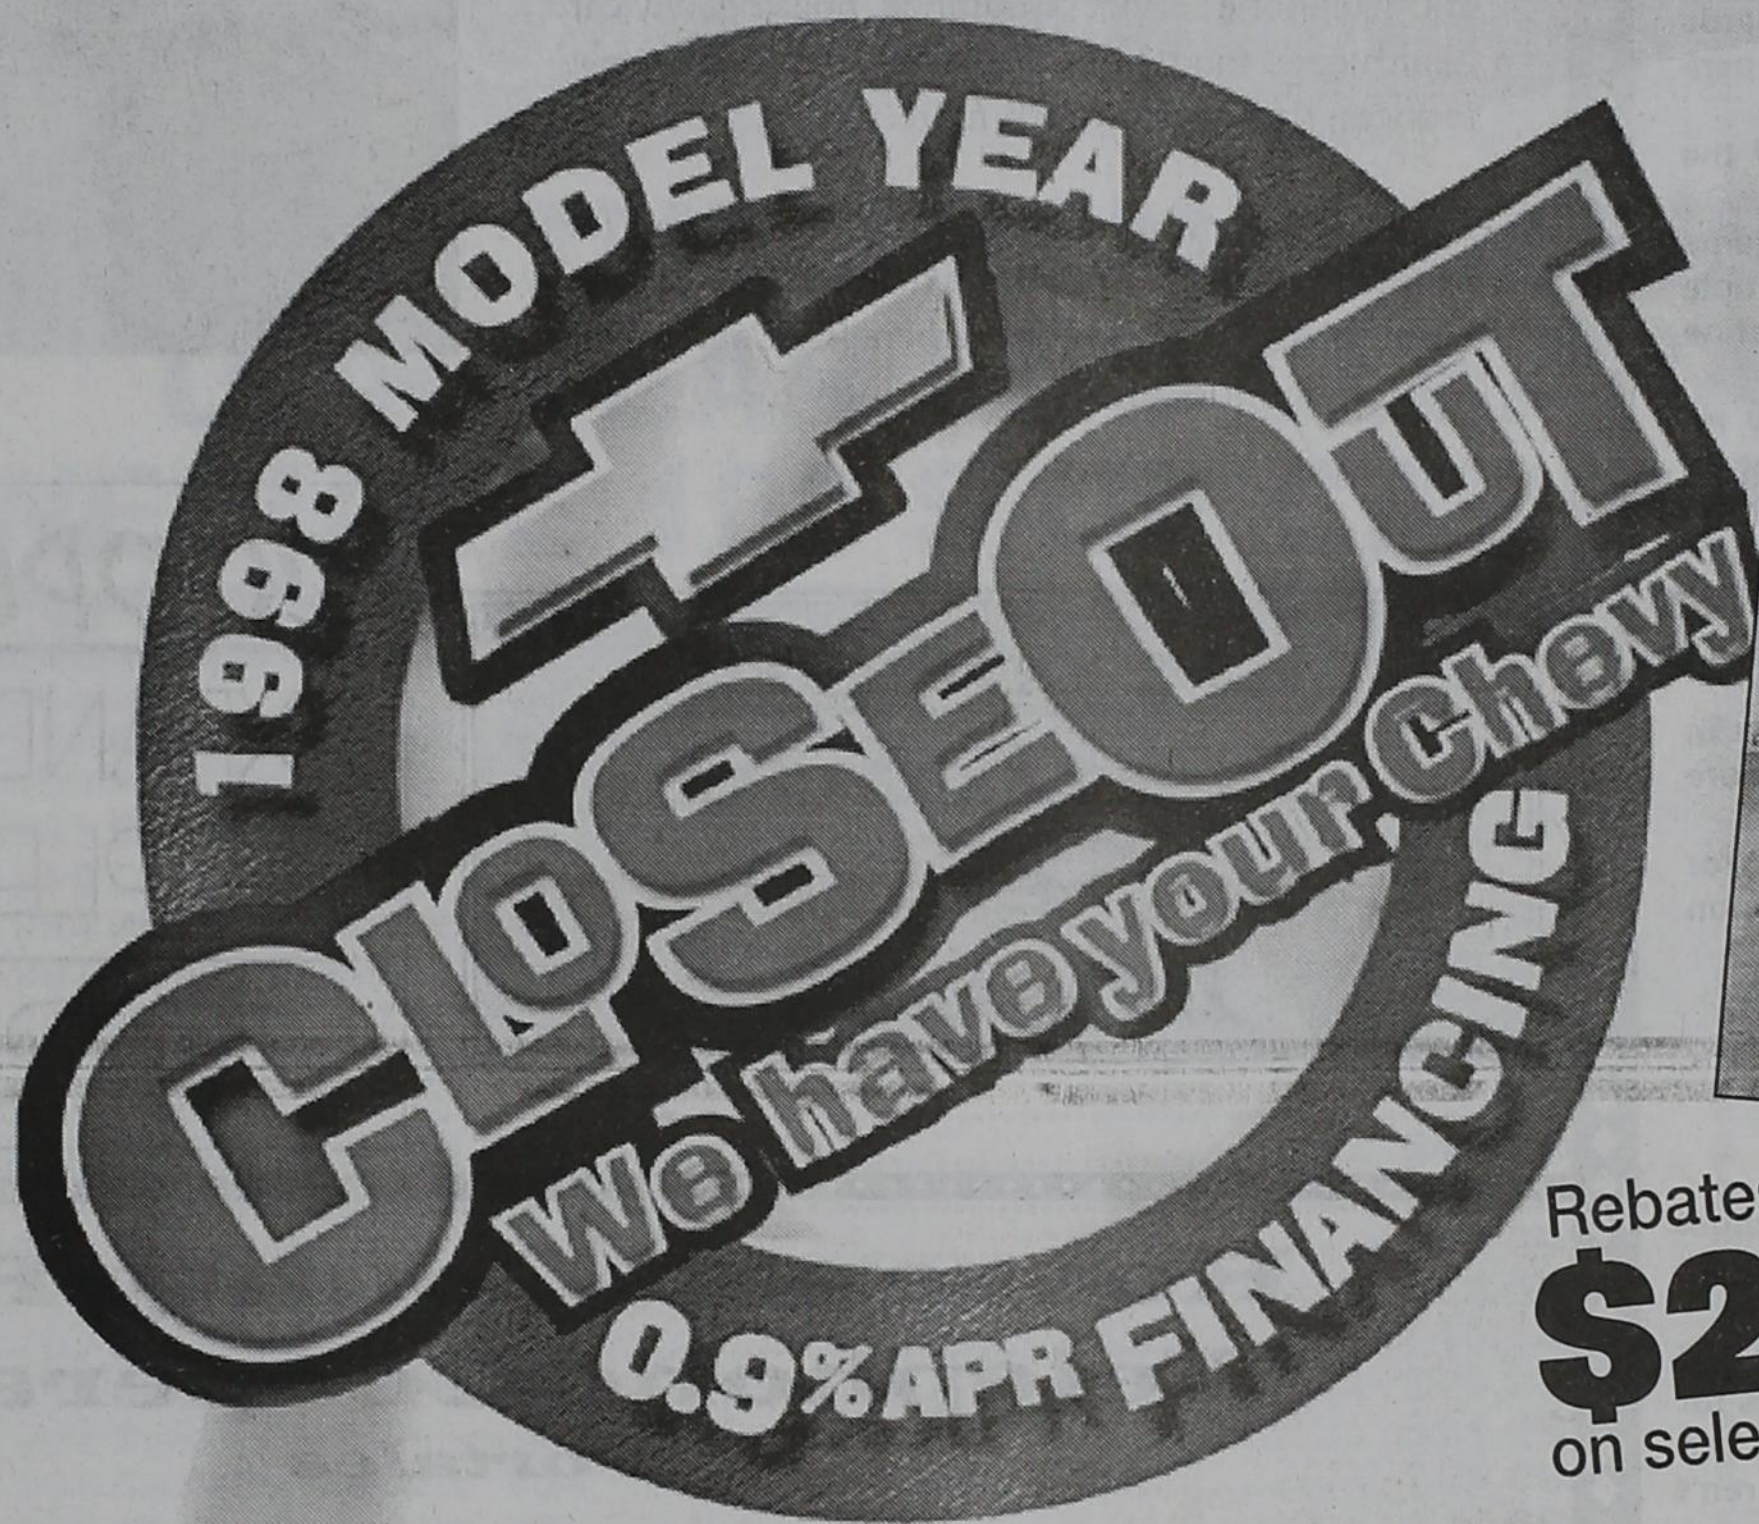

In the six years, Clinton has been our President, the national debt has increased one trillion, 748 billion, 223 million dollars.

No wonder times are good. Are we going to let him bankrupt our country?

Bill and Hillary Clinton are the two biggest, smartest crooks that ever lived in and disgraced our country.

Our President's sex life has been only a small part of the disgrace and damage he has done to our country. He should be impeached at once.

Cade Christian

### Christian selected

The faculty of Farwell High School had selected Cade Christian as the school's representative to the 1999 Hugh O'Brien Youth Leadership Conference.

Cade, a sophomore, was chosen for his leadership, sensitivity and concern for others, as well as his desire to learn and share with others.

He is the son of Gene and Sherry Christian of Farwell.

Kolby Kimbrough was chosen as an alternate.

I'm proud that I've been your **Good Neighbor** agent for **12** years.

Thank you for trusting me to serve all of your insurance needs.

Coach Lynn named as Big Lick winners: Shay Norvell, left, for defense, and Phil Peabody, for offense.

## Hagerman trips Wolverines 16-13

By Greg Qualls

Texico played the Hagerman Bobcats last Friday in a way game. The Wolverines came close to winning, but ended up on the short end, 16-13.

Texico, 3-3 on the season, will open district play against Questa at 1 p.m. mt Saturday in Questa. Questa is new to Texico's district so this will be the first time that the two teams play.

The game started with Hagerman receiving the ball and fumbling it on the Texico 47 yard line and Texico recovered. Two plays later, Eric Stanley ran it in for a touch own, but it was called back on questionable penalty.

That didn't matter though, because a few plays later, Eric Smith ran the quarterback sneak up the middle for 23 yards and the score. Josh Boazmans kick was good and the opening score was 7-0.

The first quarter ended with Texico in possession of the ball on their own 20 yard line.

The second quarter was mainly defensive. Both teams moved the ball well. Hagerman got into the red zone a couple of times. But each time they were stopped by the Wolverine defense.

Towards the middle of the third quarter, Texico nearly repeated their second quarter performance by stopping Hagerman in the redzone. But on 4th down, Morales sneaked by the Texico defense for their first TD of the game. The two point conversion run by Bejerano was good and the score was 8-7.

A long pass put Hagerman on Texico's 13 yard line before the third quarter ended.

Three plays into the fourth quarter, Morales ran 3 yards in for the TD. A pass from Becerra to Bejerano made the score 7-16.

Late in the fourth, Trey Sprinkle plunged 1 yard in for Texico's final touchdown of the game. The 2-point conversion attempt failed.

## 'BomfoG was great'

by Greg Qualls

BomfoG was in concert on Oct. 10 at the Farwell School auditorium. They were brought here by the First Baptist Church of Farwell.

I know what you're asking, "Who the heck are BomfoG?" BomfoG is a Christian alternative band. Their name stands for Brotherhood of Men Fatherhood of God. They came from San Angelo and for a band are very young. Most of them aren't even out of college yet.

They started the band in September 1997. They say it was frustrating at first because they couldn't find time to get together. So they prayed about it and said that they were going to practice for six weeks and then see where the Lord wanted them to go from there.

After the six weeks they continued to practice. And last March they decided to go for it and had their first concert -- it was a hit. So they decided that it must be God's will for them to continue.

Now where did they get the name? Well one of the band members found it in a magazine article. He took it to the band and it just stuck.

It was great pleasure getting to listen to the band. Their music is great, but even better is their message behind the music. I can't wait until they come back to Farwell again.

# WHEN IT COMES TO DESCRIBING AMERICA'S CO-OPS, THE SKY'S THE LIMIT!

The nation's 47,000 cooperatives are big and small. They serve 120 million people in all 50 states. And, they're located everywhere — cities, towns, suburbs and throughout rural America.

Providing goods and services as economically and efficiently as possible is their first order of business. And as locally owned and controlled businesses, co-ops are unique because of their commitment not only to the people they serve but also to their communities.

You'll find co-ops for credit and financing, electric and telephone service, insurance, housing, day care, health care, food, farm marketing and supply, news services, florists and much more.

For years co-ops have been expanding horizons for the people they serve. In their own words: "It's just good business, and it works for the benefit of our neighbors, our communities and for our country too."

**Area cotton yields expected to be lower**

From Plain Cotton Growers:

Overall, the area is expecting yields to be significantly lower than recent years. There are weak prices and widespread crop losses.

The Texas Ag Statistics Service estimates Texas Upland cotton at 3 million bales.

The High Plains, composed of reporting districts 1-N and 1-S, accounts for 2.07 million the total or 69 percent of the 1998 upland cotton estimate.

The estimate includes changes.

Harvested acres dropped 180,000 in 1-N and 10,000 acres in 1-S.

Reversing the effects of the acreage loss was an increase in the expected yields in those areas.

Estimated yield in 1N were upped 10 pounds to 596 pounds and yields in 1-S were upped 59 pounds to 491 pounds per acre.

The net result is no change in the projected size of the High Plains crop. That is not the case Beltwide, where the estimate cropped projected U.S. Upland cotton production from 13.1 million to 12.8 million bales.

A man's character is like a fence - it cannot be strengthened by whitewash.

After one of the hottest and driest years we have had in a long time, we discovered the importance of getting every drop of water to the root zone so the plant can use it.

The increase in production you will realize after redesigning your sprinkler to utilize every drop of water available will more than pay for the cost of having this done in just a short time.

Come by and let us show you how to increase your production by improving your water distribution through your pivot sprinkler.

## Amherst turns back Lazbuddie, 42-34

It was a battle of 6-Man powerhouses and Amherst came out on top, defeating Lazbuddie, 42-34, last Friday.

Amherst is now 6-0 while Lazbuddie is 4-2 overall and 0-1 in district.

The Longhorns host a weak Cotton Center team tonight (Friday) in an away district game.

The first quarter was Amherst's as the Bulldogs shot out to a 16-0 lead.

The Longhorns answered in the second quarter with 2 TDs of their own -- on a 3-yard run by Adam St. Clair and a 1-yard plunge by Jeffery Seaton. The scores were followed by two Seth Black kicks for 4 more points as Lazbuddie took the lead.

But Amherst scored on a 11-yard pass play before the half. The kick for extra points failed and Amherst went into halftime ahead, 22-16.

Both teams tallied TDs in the 3rd quarter as the game remained close. St. Clair scored for Lazbuddie on a 2-yard run; the kick failed. Amherst scored on a 45-yard interception return; the kick failed.

In the final quarter, the teams again traded touchdowns.

Amherst scored on a 1-yard run and a 14-yard pass.

Lazbuddie tallied on a 36-yard run by Seaton and a 15-yard pass from Josh Morris to Black.

Rushing -- Lazbuddie, 24 for 160 yards, Amherst, 27 for 201; passing - Lazbuddie, 18 of 30 for 264 yards; Amherst, 2 of 20 for 22; penalties - Lazbuddie, 4 for 30 yards; Amherst, 4 for 30 yards.

It was a frustrating game for Coach Mark Scisson.

"We got into a hole in the first quarter and could never get out of it. They made an inside kick and recovered it in that quarter," he said.

"And we had a couple of fumbles, plus late in the game threw an interception."

Scisson noted that some of his players are still banged up a bit and the team isn't play-

## Vaughn shows champion heifer

Texico School students had several top finishes at the Eastern New Mexico State Fair.

Aaron Vaughn took a 1st in the dairy heifer category, and Tanner Allen had a 6th place.

In the chester pig division, Brette Hadley took 3rd and Elizabeth Richards was 6th.

Wade Richardson had a 3rd place in the hamp pig division.

ing that well. "We're not 100 percent," he said.

He gave credit to Amherst, also, for playing well.

The frustrating part was that Lazbuddie marched the ball up and down the field far better than Amherst. Lazbuddie gained 424 yards to Amherst's 223.

But Amherst came out on top in the scoring column.

## Longhorn of the Week

Coach Scisson named Seth Black as his Longhorn of the Week. The end had six receptions for 74 yards and one touchdown.

## Hale Center blanks Farwell Junior High gridders

Farwell Junior High lost both its games last week to the Hale Center JH teams. The 7th grade fell 8-0 and the 8th grade lost 40-0.

Coach Thompson said the 7th graders played a very good game and were not scored upon until 2:30 left in the 4th quarter. "They were very much improved over last week's performance," he said.

Players having good games were Tyler Myers, Cale Stevenson, Nico Soto and Grant Gregory.

The 8th grade Steers got put into a hole early and never were able to pull themselves out, said the coach. "At times, they played very well, and at times they were not all there."

Players with good performances were Mark White, Lonnie McFarland, Carlos Garcia and Randy Armstrong.
