Contest is a family affair

It's here again -- the 39th issue of the Area Merchants Football Contest.

Please, please, please don't forget to turn in your entry today (Friday), either at our office, through the mail or over the phone.

I know a lot of folks are out on the farm and can't get to town to drop off their ballots. Not to worry! Just call us at 481-3681 and we will take your entries over the phone.

We just appreciate it when everyone enters our fun contest.

The package we offer the overall winner is for America's Team, the Dallas Cowboys, to host division rivals the New York Giants on Dec. 21 at Texas Stadium.

Other goodies include \$50 in cash, free breakfast at the hotel, transfers to and from the game, and other goodies.

We buy our Cowboys' package through the team's travel agency. They offer several packages and we get the most expensive. I can assure you that past winners have had a blast -- just ask last year's champion, Sheryl Taylor.

The thing I really enjoy about our contest is that it's a family affair.

I can't tell you the number of families who participate each year -- there are a whole lot of them. What parents tell me is that it's lots of fun to sit around the dinner table at night and discuss who will pick which teams.

It's a great way for moms, dads and their kids to interact. And, remember, there is no cost involved. It's not gambling. It costs nothing to play. But it is a great game that families can play together.

Of course, families are not just the only group which plays. There are a bunch of businesses, ranging from Clovis to Lazbuddie to Friona to Muleshoe which play, too.

Our contest is open to everyone. The idea is to provide a fun time for our area residents. We aim to please!

A few important notes:

-- The deadline each week is 5 p.m. on Friday. That's when you have to get your entries to us, either in person at the Tribune office, by phone or via mail (Tribune, PO Box 255, Farwell, TX 79325).

-- You don't have to be a football genius to play. The idea is to have fun. And forget the supposed superiority of males in picking winners. Women win just as often.

Last year's overall champ was a lady. And ask the folks at Helton Oil who usually leads the way year after year -- Dardanella Helton!

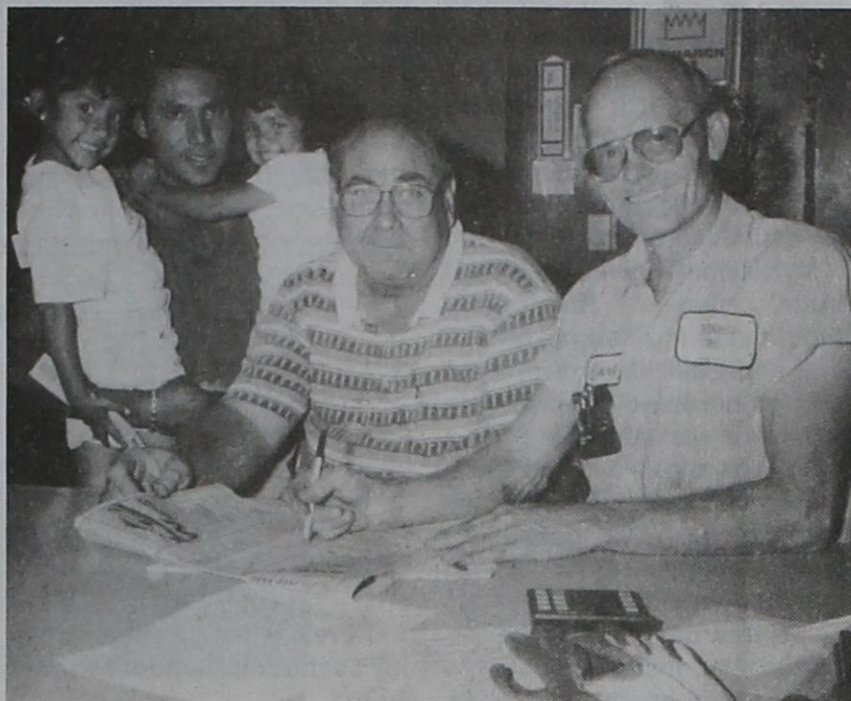

And two years ago, Belinda Partain won the weekly prize twice -- a rarity. And her husband is Texico's head football coach. I bet she rubbed it in!

-- You don't have to play every week to enjoy the fun. We give our weekly cash prizes. But if you want a shot at the overall title, you must try not to miss any weeks.

And you don't have to have great scores to win the overall title. Most champions average just over 8 games right a week, out of 12.

So, please, try our game -- and have a fun time!

Football contest time

Getting ready for this year's football contest are the folks over at Tri County Tire and Tri County Video -- they are two of the contest sponsors. Tri County is one of the many businesses where all the employees participate in the contest, to see who has the best gridiron acumen! Pictured are, from right, Carl Dean Goettsch (whose wife is a former overall contest champion), Robert White and Mario Lara. Perched upon Mario's shoulders are his two daughters, Sasha, 3, and Pamela, 4. They may be too young to enter this year's contest (you have to be at least 12) but they are looking forward to when they are eligible to play!

Booster Club readies for a new year

(Editor's note: Our area school Booster Clubs are vital for the success of our extracurricular programs. We invited Jan Littlejohn, president of the Texico Booster Club, to write the following article to help explain their importance. Regardless of which school district you live in, please consider supporting your Booster Clubs.)

By Jan Littlejohn

Members of the Texico Booster Club are looking forward to a great year! We are planning special activities and are looking forward to assisting our student groups, teams and individual students -- whether financially or with our time and efforts. In order to accomplish our goals for this year, we could use your help. By increasing our membership and income, we will be able to help out our students when and where needed.

What does the Booster Club do? Good question!

Odyssey of the Mind, FHA, FFA, and the Bleacher Bums are some of the organizations the club has assisted in the past. Individual students have also received financial assistance for their involvement in contests, workshops and All State games.

The Booster Club purchased the paint and supplies needed for the murals in the elementary and high school libraries, and purchased the elementary school playground equipment. We purchase the trophies and plaques given for high school sports awards each year.

Last year, we donated money to the Accelerated Reading Program for the elementary school, and paid for the new mascot uniform (featured in last week's Tribune) for the high school. We are eager to help where and when needed, so if you are aware of an activity or project that we can assist with, please present it to the Booster Club for consideration.

For money-making projects, we offer t-shirts, sweatshirts, caps, jewelry, and jackets for sale during the school year, sell raffle tickets, and have various contests and drawings at home games.

We invite anyone who is interested in the club to come to our next meeting, at 7 p.m. Monday in the high school library. Try us -- you'll like what we are doing, and join us! Being a member of the Booster Club only takes a little time and effort on your part and with your effort we will be able to support our students and schools more generously. Our annual membership dues are only \$5.

Farwell Spraying sold

Eric and Susan Williams are the new owners of Farwell Spraying Service. They purchased the business from Duane McDaniel last week.

Duane will still be flying the spray plane for the duration of this season. He is looking forward to retiring. Duane

has been the owner of Farwell Spraying Service since January 1980.

Eric and Susan are very excited about their new venture and are looking forward to continuing service to all their customers.

Bank reception

As the Farwell Chamber of Commerce Business of the Month, the Farwell Banking Center of Muleshoe State Bank recognized all members of the Chamber and their employees at a reception Aug. 27 from 5:30 to 7 p.m. Among the folks attending were Leigh Ann Woods, left, and Leesa Patterson.

Football contest is under way!

The annual fall past-time -- the Area Merchants Football Contest -- begins its 39th season today. The entry blank is on the back of this newspaper issue; more entry blanks are available at the Tribune office.

In order to have a strong chance at the grand prize, it's vitally important to enter every week. So be sure to fill out your entry blank and get it to the Tribune office by 5 p.m. Friday (today). Entries sent by mail must be postmarked by that time, also.

And, remember, we do take your ballots over the phone. Area farmers really appreciate this service. Just call 481-3681 with your picks -- before 5 p.m.

The top prize for the winner of the 12-week contest will again be two tickets to see the Dallas Cowboys, the team which has dominated the 1990s pro football world, winning a trio of Super Bowls. This year, the winner gets to watch the 'Pokes first hand as they take on the New York Giants at Texas Stadium on Dec. 21 at noon.

The grand prize winner also gets \$50 in cash, a night's lodging for two at the Radisson Hotel, game day breakfast, transfers to and from the game, and other goodies.

And the reason the Tribune is able to offer this contest, plus the weekly cash prizes of \$15 for first place and \$7.50 for second place, is due to the following sponsors:

1. Texaco Oil & Gas, Farwell
2. Town & Country Insurance
3. Tri County Tire
4. Tri County Video

Rules for the 1997 contest will be the same as in the past. A person must be at least 12 years old to enter. Entrants must choose 12 teams they think will win the selected games.

Games will be divided by high school, college and professional ranks. In case of a tie game, unless the tie was predicted by the entrant, that game will not be counted.

Each entrant must remember to pick a tie-breaker score, a very important feature of the contest since many weekly winners (and overall winners) have been determined by the tie-breakers.

The person naming the most games correctly each week will receive a check for \$15. The second place winner will get \$7.50.

Each week's scoring is tabulated and kept on record at the Tribune office. The standings are posted each Monday and may be seen during regular business hours.

Food collected

In support of the USDA's "Hunger and Nutrition Initiative," the Parmer County Farm Service Agency will have a drop box for any canned goods or non-perishables folks may wish to donate to our local food bank.

The Life Saver Food Bank serves 111 agencies in Texas

and New Mexico. They distribute meals or boxes of groceries to those in need -- seniors, orphanages, churches and civic clubs with food box programs, etc.

Donations will be collected from Sept. 2 through Sept. 12 at 300 Ave. B in Farwell.

Kathy Mercer

New Texico clerk-treasurer appointed

Kathy Mercer, of Clovis, is the new Texico clerk-treasurer, Mayor Nathan Tharp announced Tuesday.

Tharp chose Ms. Mercer after interviewing four applicants last week.

Ms. Mercer will start her new duties fulltime the week of Sept. 22.

She replaces longtime clerk-treasurer Marie Christian, who retired last month.

"I'm thrilled to be here," she said. "I feel fortunate to be chosen from a field of qualified candidates. I promise Texico residents that I will do my best."

Ms. Mercer has a lengthy list of positions which has honed her administrative skills and supervisory experience.

Since 1993, she has served as assistant manager for data control with the High Plains Waste Management Association, headquartered in Clovis. This has been the regional solid waste project involving local governments, including Texico, from a 7-county area of Eastern New Mexico.

Previously, she has been employed as an executive secretary at First Savings Bank, Clovis; office administrator, Sarlo & Mann Investment Co., Los Angeles; advertising sales coordinator and traffic manager, Transtar Radio Network, Colorado Springs, Colo.; and office manager and bookkeeper, KWKA/KTQM radio station, Clovis.

Ms. Mercer has been active in community service since coming to Clovis.

She has served as chairman of the Clovis Music Festival arts and crafts fair, members of Clovis Pioneer Days Committee, produced Pioneer Days rodeo dance, produced Old Fiddler's Contest and Talent Search Contest at the Curry County Fair, been assistant director of the Country Music Jamboree, and helped with the Old Lyceum Theater restoration.

Banter

The death of Princess Diana, of Great Britain, was a real tragedy.

I never met the lady but did correspond with her once, back in the early 1980s after her son, William, was born.

At the time, I was the editor of the Prince William County newspaper in Virginia.

I thought it neat that our county bore the same name as her son. So I had a beautiful plaque made with an inscription akin to "From Prince William to Prince William" on it.

And her staff sent back a very nice "thank you" to us.

From Teresa Mesman:
Sunday, Sept. 7, is Grandparent's Day. While some may view it as just another day that sells greeting cards, I view it as a special day to honor some very special people.

I have been blessed in my life to have had three of the most wonderful grandparents in the world. I never knew my maternal grandfather, but I also feel like I've been guided

and watched by him through my life as well.

My Mamaw was soft, gentle and very proper. She passed away four years ago, but I can recall the sweet smell of "To A Wild Rose" perfume and talcum powder. She taught me how to behave like a lady in church and how to properly eat cherry tomatoes without squishing them all over the place. She also instilled in me a deep love for reading the Reader's Digest and for knowing what the weather will be for each day.

My Mamaw and Papaw are

the epitome of kindness and "salt of the earth." My Papaw has the most kissable bald head and has taught me how to spot a great piece of wood for woodworking, how to work a baseball glove into something awesome and how loving your fellow man is the greatest reflection of God's love for each of us.

My Mamaw gives the best hugs, makes the most mouthwatering "sugar bread" and can quilt like a pro, even though her hands have begun to shake sometimes. She is 82 years old. She threw a glass of water in my face when I was five because I wouldn't open my mouth to take some medicine.

To this day, I've never forgotten the incident, but I've got the best breath control for swimming and diving! She's taught me patience, tolerance and how to trust in the Lord, through good times and bad.

I love my grandparents deeply and pray that my chil-

dren will come to love and respect their grandparents as much. They earned my affection, not through gifts or just plain status as my elders. They spent time with me, even though we lived miles apart. They talked, walked and shared with me. They expressed their love for me

through hugs, kisses and prayer.

So, if those that think that Grandparent's Day is just another Hallmark moment, so be it. I choose to celebrate the day and to celebrate the fact that Grandparents are great...especially mine!

Wolverines win season opener

by Greg Qualls

The Texico Wolverines beat the Cloudcroft Bears 39-6 in their season opener last Friday at Dexter. Texico is now 1-0 on the season and travels again to Dexter tonight (Friday) at 7:30 mst. This time their opponent is Dexter.

Texico dominated the first half, jumping out to a 26-0 lead. Most of this scoring was made by Pecos Chumley, one of the key players of Texico's offense, scoring 27 of their 39 overall points.

The first quarter started off with the Wolverines kicking to the Bears. Texico's defensive wall kept them from going anywhere, forcing a punt. Tobie Askew returned the punt with a 50-yard run.

Only 3 plays later Chumley scored with a 13 yard run up the middle for a touchdown. Texico was ahead, 6-0. when the extra point kick failed.

Then, two Texico possessions later, Chumley went for a touchdown again, scoring on a 70 yard gallop up the middle. He must have been coated with butter before the game because the defensive players were slipping off him left and right all night. The kick again failed and Texico was ahead, 12-0 at the first quarter end.

Mel Askew started off the second quarter with a 55 yard run down the sideline for another TD. This was followed by

Chumley kicking the extra point.

Later on in the quarter Tobie Askew recovered a Cloudcroft fumble on the Bears' 26 yard line. Four plays and 24 yards later, Chumley hit the line for a 2 yard TD. He again kicked the point after.

With a couple of minutes left in the half, Eric Stanley stopped a possible touchdown pass by sacking Garrett Moser, Cloudcroft's starting quarterback.

The second quarter drive of the Wolverine offense was only slowed when Coach Barry Partain put in his second string of offense. They finished off that great first half with a lead of 26-0.

The second half started with Texico kicking to Cloudcroft. A few plays later, Tobie Askew stripped the ball from the Bears' runner, giving Texico the ball on its own 49 yard line.

Later, Mel Askew fumbled the ball but this was no upset for Texico as he recovered his own fumble and ran 7 yards for a first down. A few plays later Pecos Chumley attacked again with an 18 yard run down the sideline for another Texico score. Texico's kick was blocked and the score was 32-0.

Toward the end of the 3rd quarter, Texico recovered a fumble, giving them another shot at the endzone. They took advantage with a 14-yard TD pass from Eric Stanley to Jake Boazman. Chumley kicked the point after, making the score 38-0.

Coach Partain started off the fourth quarter with his second string kicking to Cloudcroft's first string. They worked their hearts out keeping Cloudcroft from progressing up the field but Cloudcroft got away and Charles Chambers made the only Cloudcroft TD of the game. Cloudcroft's kick try failed.

The game ended with the Texico second team offense downing the ball on Cloudcroft's 7 yard line with 15 seconds left in the game as Texico chose not to run up the score.

Team statistics were: first downs, Texico 12, Cloudcroft, 4; rushing yards, Texico, 289, Cloudcroft, 48; passing yards, Texico, 26, Cloudcroft, 0; total yards, Texico, 315, Cloudcroft, 48; punting average, Texico 3 for 49.3 average, Cloudcroft 4 for 29.4 average. Texico passing was 2 for 6; Cloudcroft was 0 for 7. Texico had 3 fumbles; Cloudcroft 4. Texico was penalized 8 times for 60 yards; Cloudcroft once for 5 yards.

Individual stats: rushing-- Tobie Askew, 8 for 62 yards; Chumley, 6 for 140 yards; Mel Askew, 4 for 89 yards, Madison Cross, 2 for 5 yards; Eric Smith, 4 for 20 yards. Receiving-- Boazman, 2 for 26 yards. Passing-- Mel Askew was 0 for 4; Eric Stanley was 2 for 3 and 26 yards and 1 TD pass.

PNM Gas to seek rate increase

PNM Gas Co., which serves Texico, has asked the state to approve an increase which would raise most customer bills about 11 percent.

Hearings probably won't be held until next spring on the request.

The company said it needs more funds to keep pace with higher operation and maintenance costs, including 6 percent higher labor costs.

Wolverines of the Week

Coach Barry Partain picked as his Wolverines of the Week: on offense, Pecos Chumley (above); on defense, the entire Wolverine defensive line.

Sheriff's Report

Here is the weekly report from Parmer County Sheriff, Rex Williams:

On Aug. 26, Johnny Trevino, 30, Friona was arrested by Friona police on a charge of indecent exposure.

In county court he was fined \$350 plus \$157 court costs and given 3 days in jail.

Lower taxes!

The Farwell Hospital District has good news for taxpayers -- lower taxes.

The district board voted Aug. 26 to increase its tax rate by 3 percent. But due to higher assessed valuation, the rate will be lower.

This year's tax rate was .0441 cents per \$100 assessed valuation. Next year's will be .0427.

NOTEWORTHY SALUTATION

"All the churches of Christ salute you" (Rom 16:16). Thus did Paul convey greetings to the church in Rome; greetings from many other churches scattered throughout the world.

The church in Rome was outstanding. In Paul's day, Rome was the hub of the wheel; the capital of the world. It was strategically located and enjoyed commercial intercourse with many provinces. Rome is perhaps more closely interwoven with the history of civilization than any other city. It appears that all the threads of ancient history were gathered in Rome and from Rome issued many of the single threads of modern history.

It is likely that "sojourners from Rome," in Jerusalem when the church was established, composed the nucleus of the church (Acts 2:10). Christianity took root in the city among the Jews. (Pompey established a Jewish colony, 63 B.C.). In the outset, the mass of Christians were of obscure and plebian origin; but soon Christians were found in the upper crust, even in Caesar's house (Phil 4:22).

The church in Rome became famous. Their faith was spoken of far and near -- "throughout the whole world" (Rom 1:8). It was a good church. It was an informed church (Rom 15:14). Moreover, it was an obedient church. "For your obedience is come abroad to all men" (Rom 16:19).

Paul was the most famous herald of truth in the apostolic era. He made three great evangelistic tours and established churches in many areas. Paul did not establish different kinds of churches. He did not establish one type of church in Derbe and another type in Corinth. Far from it! He did not advocate denominationalism; he was definitely opposed to divisions and sectarian strife (1 Cor 1:10f). He preached the doctrine of seven ones (Eph 4:4,5). He made Christians and Christians compose the church. Churchianity (denominationalism) did not exist until after the 16th century.

So it was but natural that the most famous apostle should offer greetings to the most famous church: "All the churches of Christ salute you."

You are invited to visit the church of Christ that meets at 5th & Ave C in Farwell. For information call 481-3833 or 481-9153. Welcome.

Greenthaners visit Australia

by Teresa J. Mesman

Pastor E.R. and Arlene Greenthamer of Lariat recently returned from a trip to Melbourne, Australia where they visited their son Mark, daughter-in-law Christine and grandchildren Nathaniel and Joanna.

While they were there, they attended a "Footy" game. Australian Rules Football is a mixture of soccer, football and rugby. The players wear no pads to play this rough and tumble game. The ball resembles an American football. The players drop kick the ball to each other around an oval shaped field towards a goal during 4 - 30 minute quarters. The teams make no substitutions, even when a player is injured. The fans really get into the spirit of the game as well wearing their team colors and cheering for them.

The Footy game the Greenthaners went to was held in the Melbourne Cricket Stadium and was attended by 90,000 people. What makes this number even more amazing is that there were 5 other types of ball games being played around Melbourne that were each attended by at least 25,000 to 30,000 people.

They also toured a new dynamic skyscraper that had just been built in downtown Melbourne. While they were there, they ran into a few people from New Guinea. Pastor and Arlene were missionaries there for many years and are fluent in "Pidgeon," the native language. The people were very surprised, yet delighted when Pastor broke into a conversation with them in their native tongue.

The Australian language is very interesting to listen to and to learn. Although it is English, the Aussies have a many interesting nicknames and twists to the language. For instance, one does not rent a car, they "hire a car." They don't rent apartments, they "rent a flat." They don't play tick-tack-toe, they play "Knots and Crosses." And when one wants to fill their truck up with gas, they "pull the ute up to the bowser to get a little petrol."

When you see Pastor and Arlene around town, you might also ask them about their experience on the airplane with the "Hair Ostesses"!

The family of Wendol Christian extends our sincere appreciation for all the acts of love and concern shown to our family during the loss of our loved one.

Thank you for your prayers, calls and words of encouragement. Your support with food, flowers, cards and visits is helping us through this difficult time.

With Christian love,

Farwell outscores Whiteface in second scrimmage

The Farwell Steers head into their season opener tonight (Friday) on the heels of a successful scrimmage last week against Whiteface.

Farwell outscored the Antelopes, 3 TD's to 1.

Opening on defense, good tackles were recorded by Clint Corn, Mark Lunsford, Demesio Mendoza and Brian Hager.

After being stopped twice, Whiteface managed to score on a 3-yard run.

On offense, Farwell moved the ball well behind its first team.

Tyler Chadwick ran for 13. Then Brett Curtis grabbed a Chadwick pass for 12 more yards. Farwell scored on a 60-yard TD pass from Chadwick to Lunsford.

Still on offense, the Steers kept moving. Mendoza ran for 11. Chadwick hit Jason Miller with a 20-yard throw. Then David Everett ran for a 35-yard touchdown.

Curtis caught another pass, good for 15 yards, before it was time for Whiteface to be on offense again.

This time, the second units played.

On defense, Brandon Lunsford had a strong tackle. Then Kolby Kimbrough nabbed an interception.

On offense, QB Eulogio Ruiz ran for 15 yards. On one outside run, Paul Franse threw a block that took out three Whiteface defenders.

Then it was time for the first units to play again. On defense, Curtis, Miller and Corn recorded excellent tackles.

On offense, Curtis caught a

25-yard pass from Chadwick. Then Chadwick hit Miller with a 16-yard TD throw.

With the second units in, Ruiz and Tobe Diaz had good tackles. Ruiz also ran for 20 yards.

Athe scrimmage ended with all the coaches off the field as the first units played. On defense, Matt Schwertner recovered a fumble, Hager had a strong tackle, Lunsford had two good tackles and Mendoza had an interception.

The Steers host Smyer tonight at 8.

Individual stats showed:
Rushing -- Tyler Chadwick, 5 rushes for 12 yards; Jason Miller, 6 for 15; David Everett, 7 for 55.

Passing -- Chadwick, 8 for 18 and 176 yards.

Receiving -- Miller, 3 receptions for 60 yards; Brett Curtis, 7 for 51; and Mark Lunsford, 3 for 65.

Steers of the Week

Coach Brent Terry named as Steers of the Week for their fine play in last week's scrimmage, clockwise from top left: David Everett, Tyler Chadwick, Mark Lunsford and Brett Curtis.

Longhorns blank Chillicothe in scrimmage

The Lazbuddie Longhorns had a tougher opponent in last Friday's scrimmage, but still came out on top, outscoring Chillicothe 3 touchdowns to none.

Chillicothe was the team that knocked Lazbuddie out of the state playoffs last year, 36-35.

Longhorns Coach Mark Scisson said his team looked very good defensively, holding Chillicothe to only two first downs. Last week, Groom only had one first down against the stingy Longhorn defense.

But Scisson said his offense needs to step up. They didn't score in the first series, but did push across a trio of touchdowns in 7 plays in the second series.

The Longhorns scored on a TD pass from Josh Morris to Jason Thomas and a pair of TD passes from Morris to Chris Smith. Also, Brice Foster contributed with some fine running.

Jeffery Seaton played at the running back spot in place of Adam St. Clair, who broke a thumb in last week's scrimmage.

The Longhorns open the 1997 campaign tonight (Friday) at 7:30 p.m. when they host Meadow.
