FIFTY-EIGHTH YEAR

10 CENTS

Calls 10 Correct --

Hardage Top Winner In Football Contest

Gene Hardage, a constant entrant in the Merchants Football Contest for many years, was the top winner in the initial contest round this year. Hardage was among a group of five persons who called all 10 games correctly, and he only missed the tie-breaker score by 10 points to make him the big prize winner for the first week.

Twenty-eight persons called nine of the games correctly and eight games were called right by 67 contest entrants. A total of 226 persons got into the guessing game in its first week.

For the next 11 weeks, a list of 10 high school, college and professional football games will appear in the contest entry blank. Entrants must choose a winner of each of the games and pick a score on the tie-breaker game. This score will be used only in the event that two or more persons call the same number of games correctly.

Everyone is urged to get into the contest while it is young and continue to enter each week. Grand prize is a trip for two to the Cotton Bowl game on New Year's Day plus \$50 expense money.

Two tickets to the Sun Bowl game in El Paso and \$25 expense money comprise second place winnings. Only requirement for entering is that a person must be 12 years of age or older. Entry blanks should be in the Tribune office by 5 p.m. Friday or if they are mailed, they must bear a Friday postmark.

Twenty-six local and area merchants sponsor the annual contest which is in its 12th year in the State Line Tribune. Holiday Store is the latest merchant to add their name to the list of sponsors.

Coaches

At Campo

Leon Lovelace is beginning his first year of teaching and coaching in the school system at El Campo, Tex. Lovelace, a graduate of Farwell High School and Texas Tech, is teaching history and is coaching the junior varsity football team at El Campo. Leon is the son of Sheriff and Mrs. Charlie Lovelace of Farwell.

Ladies Golf Group Has Play Day

High Plains Ladies Golf Association held its monthly play day at Farwell County Club Wednesday, Sept. 9, with 24 ladies participating. Clubs from Olton, Muleshoe, Hereford, Dimmitt, Friona and Farwell were represented. Morton is the other town in the association whose members meet once each month at one of the member clubs for a day of golf and luncheon.

Kay Renner of Friona was medalist of the field with 92. Sharron Hughes of Farwell had a low net of 79 to lead the group.

In the championship flight, Loraine Ward of Muleshoe and Helen Ann Whorter of Hereford tied for low gross with 94. Billie Norfleet of Olton had low net of 84. Loraine Ward was low putter with 29.

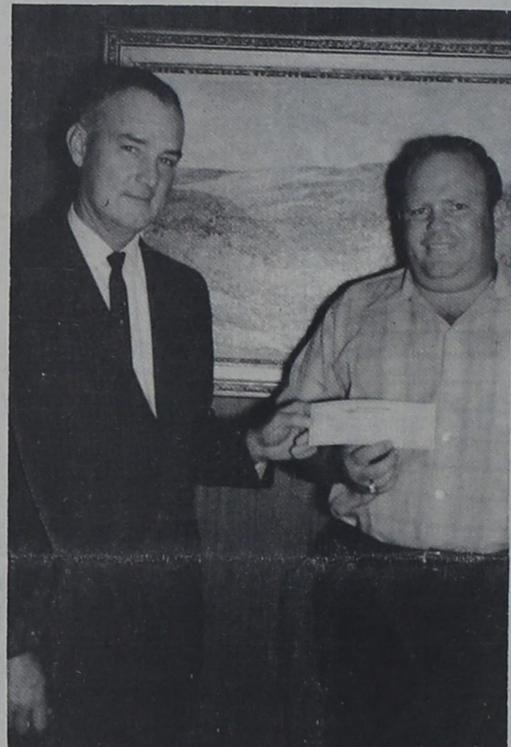

Narcia Messenger of Friona had a low gross of 102 to lead the first flight and there was a three-way tie between Sis Deeds of Farwell, Polly Holland of Muleshoe, and Bobbie Villas of Dimmitt with a 93 score for low net. Winning low putts was Ola Mae Trimble of Muleshoe with 30.

In the second flight, Doris Herington of Farwell had low net with 81. She also tied with Kathryn Skarda for low putts with 34.

Ruth Straw of Muleshoe had low net of 102 in the third flight and also had low putts with 30.

Fourth flight low net winner was Bernice Hill of Muleshoe with 93. She also had low putts with 38.

Following play the group enjoyed a covered dish luncheon at the club house. Special thanks were expressed to all ladies who provided the luncheon and to Messdames Dardanelle Helton, Lillie Christian and Bernice Norton for assisting with serving the meal.

FIRST TIME WINNER -- Gene Hardage, left, says this is the first time he has ever won a prize in the annual Merchants Football Contest although he has been a constant entrant throughout the years. Presenting him a check for \$5 for the first place award is Joe Jones of Security State Bank, one of the contest sponsors. Hardage called all 10 games correctly and was only 10 points off on the tie-breaker score to garner first place honors. Four other persons also called all the games correctly.

ALL THE WAY -- Gary Erwin (No. 42) goes all the way into the endzone to give the Steers their first score of the night in their first game of the season against Friona last Friday night. Erwin carried the ball some 13 yards for the touchdown and came back to run the identical pattern for a two-point conversion for the Blue and White.

27-16 --

Steers Lose Opener To Chiefs

By Will Anderson
The Farwell Steers got their 1970 season underway in a spirited though fruitless game with the Friona Chiefs in Steer Stadium Friday night before a large crowd.

Friona won the contest 27-16, with three of their touchdowns coming in the first half. The Chiefs' offense got 16 first downs while their defense allowed but 10 to the Steers.

Randy Chandler kicked for the Steers to start the action and Friona set up shop on their own 45, driving the 55 yards to pay dirt in 13 plays. Their strong ground game got them to the two-yard line where Donny Lewellen went in for the first score. PAT was kicked by Bob Drake to put the Chiefs in front, 7-0.

Larry Erwin game the Steers good field position as he returned the Friona kickoff to the Friona 46, but the Steers had only gone five plays when a deflected lateral gave Friona the ball. Working from their own 49, the Chiefs worked downfield to be stopped on the 13 by a fierce Steer defense.

Farwell took over on downs, but the stubborn Friona defenders forced a punt. Friona started again from their own 42, this time sustaining a drive to the six where Mike Royal plunged over to make the score 13-0. The PAT was again true and the Chiefs lead 14-0.

Gary Erwin took the ensuing kick in the end zone and ran it out to the Farwell 20, but the Steers' troubles were not over as a fumble on the 41 returned the ball to Friona. Bill Bailey and Wes Clark worked the ball to the Steer six where a pass from Friona quarterback Don Fortenberry was snagged in the end zone by Mike Royal to send the Chiefs ahead 20-0. This time the try for point-after was deflected.

The Steers started their next series on their 25 and went 58 yards in 10 plays on the passing

of quarterback Gene Sheets to Brett Hargrove and Larry Erwin. As luck would have it, time ran out with the fired-up Steers only 17 yards from the goal.

To start second half action Gary Erwin returned the kick 15 yards to the 30. Farwell's offensive play was short-lived and they were forced to kick from their 37.

Friona took over on their 37 and had to punt six plays later. A roughing-the-kicker penalty against the Steers gave the ball back to the visitors on the Farwell 39 and they went on to score touchdown number four. Don Fortenberry carried the ball the final six yards around right end for the tally. PAT was good.

Neither team could sustain a drive for several minutes, then Farwell put together 65 yards in 10 plays for their first score. Gary Erwin drove around right end for the final 13 yards and also ran the two-point conversion.

Farwell's defense buckled up and held the Chiefs, forcing them to punt to Farwell on the 50. The fired-up Steers hit paydirt in only five plays. The scoring came on a keeper by Sheets after a terrific fake. Gary Erwin again ran the conversion to make the score read 27-16.

Friona started from their 45 and ate up much of the clock with time consuming ground plays. They were forced to punt after seven plays and Farwell took over at the 22. Friona intercepted a Steer pass with 35 seconds to go and were content to let time run out.

After the Steer-Chiefstain encounter, Coach Toby Booth noted that at times he thought the Steers looked like a pretty good ball team, adding that they lacked consistency in both the offense and defense. As is customary in most first-of-season games, the Steers made several mistakes and these and the en-

ding penalties hurt their chances. With two more games to go prior to district play, it is hoped the Blue and White will be able to "iron out some of the wrinkles." Coach Booth says that with the desire, drive, determination and spirit that this bunch of boys has, that they should develop into a pretty fine ball club and he feels confident they will improve each week.

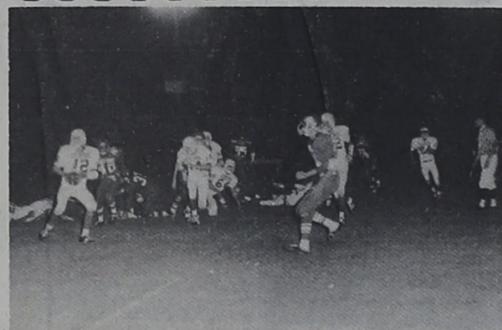

Farwell To Host Dimmitt

The Farwell Steers will host the Bobcats of Class AA Dimmitt in their second game of the season this Friday night at 8 o'clock in Steer Stadium.

This will be the second Class AA team for the Steers to face in as many weeks and they are smarting from a 27-16 defeat at the hands of Friona's Chiefstains.

According to Farwell coaches, the Dimmitt team is fast and quick. The Bobcats, with lots of depth and speed, will probably outweigh the Steers about five pounds per man. They will have basically the same setup as last year's aggregation which licked the Steers to the tune of 41-20.

Coach Toby Booth, head Steer mentor, says the Bobcats will be as strong or stronger than any team the Blue and White will meet this year.

FAKING 'EM OUT -- Farwell's quarterback Gene Sheets fakes a handoff during the third period of the Steer-Chiefstain game Friday night which saw Friona victorious 27-16. On the next down, Sheets once again used the same fake and drove across the goal line on a 19-yard scoring jaunt for the Steers' second TD of the night. Erwin carried across the PAT for two more points to wind up the Farwell scoring at 16.

Texico Boys To Arizona School

That was the way Coach Jim Wynne summed up the story for his Texico Wolverines' 13-0 loss to Whiteface. Too many things went wrong for us, he said, adding that the Green and White really played good ball, but when a team is penalized some 200 yards for errors, it's just too much to overcome. "We held the Texas squad scoreless until the final seconds of the third period when they scored on an intercepted pass," Wynne said, "so it was just a matter of making too many errors."

Ronnie Autrey and Bobby Lockmiller, both graduates of Texico High School, left last week for Phoenix, Ariz., where they are enrolled in the Granite Computer School of Phoenix. Ronnie is the son of Mr. and Mrs. Edd Autrey and Bobby is the son of Mr. and Mrs. Sterling Lockmiller. Taking the boys to Phoenix were Mrs. Sterling Lockmiller and Mrs. Kathlene Lockmiller of Clovis. After the boys were settled in their new quarters, the group then went to Las Vegas, Nev., to visit friends and enjoy sight seeing.

Texico-Vaughn Meet Tonight

Texico will host Vaughn in a District 4-A contest set for tonight (Friday) in Wolverine Stadium at 8:30 p.m. (CDST). This will be the third 1970 outing for Coach Jim Wynne's Wolverines who stand 1-1 on the season. Texico was victorious over Portales B, 13-12, and were shut out 13-0 by Whiteface, Tex., last week.

The Wolverines met Vaughn in their first game of the season last year when Texico resumed football after a 32-year layoff and the Eagles whitewashed the inexperienced Texico group 54-0.

Coach Wynne says that the Vaughn team, which has only recently joined District 4-A with Texico, Roy and Melrose, has a new coach this year and is in a rebuilding process. He adds that he is optimistic about the game since the Eagles were just defeated by Ft. Sumner 66-0; however, he is quick to add that the Wolves will be prepared for a tough game and that they are definitely not underrating the Vaughn team. Wynne says that Vaughn is not a small ball club, but probably is not quite as strong as last year's aggregation.

Having the advantage of playing on their home field is a plus for the Green and White and they'll be ready for a good game, says Wynne.

All sports fans are encouraged to be on hand to see the game at 8:30 p.m.

Whiteface Trips Wolverines, 13-0

By Dale Fought
Texico's Wolverines traveled to Whiteface, Tex., Friday night for their second game of the 1970 football season and were shut out 13-0 by the Texas Squads.

Mistakes proved costly to the Green and White as their errors were turned into scores by Whiteface. The first half saw a defensive battle with neither team being able to get a sustained drive moving.

Texico received the opening kickoff and Monty Lambert took the ball to his own 27. Texico then was penalized twice for delay of game to make it second down and 15. Albert Steward gained seven yards on a third and eight try and Monty Lambert picked up five more, but still left the Wolverines in punting position.

Texico's defense rallied and held Whiteface who had to punt on fourth down and the Wolverines went into action on their own two-yard line. On the fine ground game of Lambert and Steward, the Green and White had the ball on their own 31 with first and 10. Here the Whiteface team held and Wes Clark punted for Texico.

That continued to be the see-saw pattern of the first half with neither team breaking down the other's defense. Each team had one first down at the half time intermission.

To open the second half, Texico kicked and held the runner at the Whiteface 28. On second and five, Randy Skaggs broke through to recover a fumble for the Wolverines and put them in good scoring position. However, mistakes and penalties

again halted a scoring drive for Texico and they had to give up the ball.

Whiteface managed three first downs and had fourth down and 10 to go, only 11 yards from paydirt. Skaggs and Lambert broke up the play to turn the ball over to Texico.

Again the Wolverines failed to gain yardage or a first down and were forced to punt. The teams traded the ball back and forth until late in the third period when Texico was again operating from deep in their own territory. Loss of yardage on the ground prompted quarterback Mike Casey to go to the airways, but failed to connect with Johnny Dane on his first throw. Terry Yell came in to replace Casey and on third and 11 from their own 19, Yell's pass intended for Dane was picked off by a Whiteface lad who ran it into the end zone for the game's first score. The point-after-touchdown try was no good to leave the score 6-0, Whiteface.

In the fourth period, Texico managed one first down, but failed to near the goal line. Whiteface picked up two first downs and marched on to score on a quarterback keeper around right end. This time the PAT was good and Whiteface lead 13-0.

Texico's last chance for scoring was stopped when a Casey to Dane pass was intercepted to stop the threat. Steward was the top ground gainer for the Wolverines with 64 yards followed by Lambert with 30.

"Just too many mistakes,"

PURELY PERSONAL

By John

This is a very important year in Texas politics. The people who we elect and those who have continuing terms will be the ones to decide how big the tax bite will be in next year's legislature. It is freely predicted that next year we will need to levy more new taxes on the saddle-sore Texan than the king size bill did in 1969.

Already the political jockeying has begun. One of the leading jockey'ers for position is our rising political figure, Lt. Gov. Ben Barnes. Barnes has apparently gone along with the distinct possibility of a sales tax boost, but in a burst of typical political bumkum also declaims that the State Senate should insist on balancing any revenue bill with a corresponding tax on business.

This is pure political chicanery. Businesses do not pay taxes; only people, the final consumer pays the tax. In the long run it is the poor stiff at the end of the line who pays the tax bite and he also pays the expenses of several levels of distribution that collect the various taxes. A big boost in sales tax could be distasteful, but may in the long run be cheaper for the consumer.

As it stands today, the manufacturer is a tax collector; he adds his tax plus his office costs to his product. The distributor is a tax collector; he, too, adds his tax payments plus his office costs of keeping records. The wholesaler is a tax collector and his tax bill and internal expenses are added to the selling price. Finally, the retailer is a tax collector and his tax bite plus overhead for mountains of government records are added to the price of the goods before it finally reaches John Q. Public.

Thus, Johnie Q. has stood the gaff for the huckstering politicians' reluctance to let him know how much tax he is actually paying.

It is our observation that several generations of Texas politicians have been adept at this game and we are apparently about to be blessed with a protege from the master.

Thanks to Kirt Martin for the pictures of the Farwell-Friona football game. The reason the Editor did not make pictures was because he got "stoned" -- kidney stoned, that is.

We are sorry that there are no pictures of the Texico-Whiteface football game, but a malfunctioning camera prevented this.

It Rained!

Most areas of Parmer County have received good soaking rains this week. Asa Smith, located at Lariat, reports that he received .5 of an inch just during the Tuesday night rain. This brings his yearly total to 10.4 inches.

Up to the middle of Wednesday morning, Fred Chandler of Farwell said they had measured 1.5 inches with the water still coming down. At the Texico Feedlot, Martin Kube approximated that one inch had been received up to Wednesday morning. While in Texico, B. A. Rogers had just read the gauge that showed 1.5 inches had fallen with more still coming down.

Country Club Championships This Weekend

Club championships for men and women will be decided at the annual golf tournament at Farwell Country Club this Saturday and Sunday, Sept. 19 and 20. Last year's champions were Vernon Scott and Sis Deeds.

Tea off time on both days will be 1:30 p.m. and a covered dish supper will wind up the activities after Sunday's round of play. All club members are invited to enter the tournament.

There will be two flights for the women, an 18-hole flight with nine holes to be played each day, and a 36-hole flight with 18 holes to be played each day. Women may choose in which flight they wish to compete. There is no entry fee.

Wolverine Of The Week

RANDY SKAGGS

Wolverine of the Week for outstanding play, both offensively and defensively, in the Texico-Whiteface game last week is Randy Skaggs. Skaggs plays guard on offense and is a defensive linebacker. Coach Jim Wynne commented that Skaggs was in on "about 20 tackles" during the contest and played good ball all night.

each new or renewal subscription one free 8x10 color photograph will be offered.

Persons wishing to take advantage of this offer must fill in the coupon in the advertisement elsewhere in this issue or come by the Tribune office and pick up a coupon. One should indicate the time of day most convenient to have the photographs made. The photographer will work late in the evening if that will be the most appropriate time for your family.

After receiving all the coupons, a time and date will be set for making the pictures and persons will be notified of the time of their appointment. The pictures will be taken at the Tribune office.

Even though you may have recently subscribed or renewed your subscription, you may add another year to your present subscription and take advantage of this offer. Subscription rates remain \$4.25 in Parmer and adjoining counties and \$5.25 elsewhere.

Samples of the portrait work offered is on display at the Tribune office. These will be completed and back to you in time for Christmas and would make nice family gifts.

To March In Fair Parade

Farwell's Junior High Marching Band will be marching in the parade to kick off the annual Tri-State Fair in Amarillo on Monday, Sept. 21, at 10 a.m. The band may be seen on Channel 7 television during the parade activities, says Lynn Burton, band director.

Steers Of The Week

GENE SHEETS

LARRY JONES

Chosen for the honors of Steers of the Week following the Farwell-Friona football game are Gene Sheets as back of the week, and Larry Jones as lineman of the week. Both were cited for fine play in the first game of the season which saw the Steers fall at the hands of Friona's Chieftains, 27-16. Sheets was hitting his receivers with pin-point accuracy in the passing game and pulled some slick fakes in the running game. Jones was a stalwart in the line making several fine plays from his guard slot.

FAIR WINNERS -- The Grand Champion lamb at the Curry County Fair belonged to Ozema Crosswhite, left, age 14, of Clovis. Ozema is a member of Blacktower Girls 4-Hand is the daughter of Zeno Crosswhite and Naoma Crosswhite. The Grand Champion

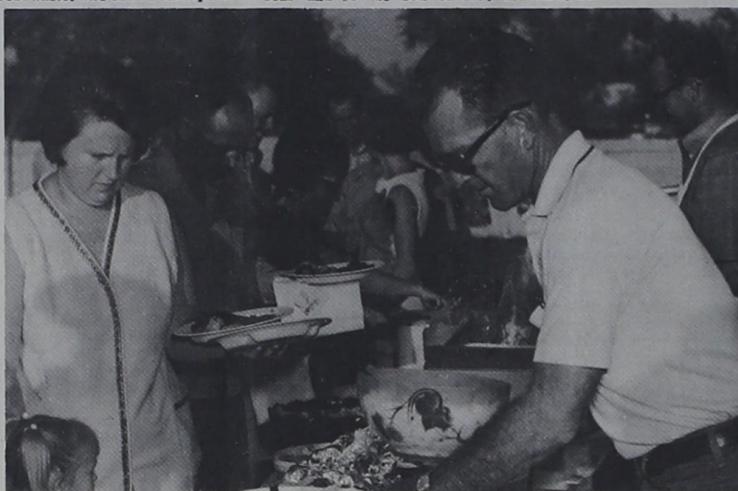

is an 89-pound Hampshire lamb. The Reserve Grand Champion lamb belonged to Freda Leavell, age 12, and Monty Leavell, age 10. Both are members of the Texico 4-H and their parents are Mr. and Mrs. Howard Leavell of Texico. The Reserve Grand Champion is a 100-pound Suffolk lamb.

 Labor Day visitors in the home of the C. C. Christian family included their two daughters and families. Coming from Albuquerque for the weekend were Mr. and Mrs. Van Crume and daughter Keralee. Mr. and Mrs. Benny Darnell came from Amarillo with their three sons, Ray, Randy and David. All of the families gathered at the home of the Troy Christian family for lunch Sunday.

One Year Is A Long, Long Time

A year in the life of most of us seems to zip right by, but when your leg is in a cast and you have to use crutches to get everywhere you go, 12 months can be an awfully long time. A witness to this testimony is Mike Flowers, 18-year-old son of Mr. and Mrs. W. H. Flowers. This week makes exactly one year that Mike, a senior at Farwell High, has worn a cast from hip to toe on his right leg.

Mike received a broken leg in the Steer-Dimmitt football game last September 19, and on September 20 underwent surgery at Lubbock Methodist Hospital and the leg was put into a cast. Since that injury Mike has had five operations -- six if you want to be technical, since surgery was performed on both legs during his last session in the hospital.

Operation No. 1 last fall included putting a rod into the bone of the injured leg, and in February, Mike had additional surgery to remove the rod. Infection was apparently keeping the wound from healing and the bone from knitting properly; so a third operation was performed to put tubes into the upper portion of his leg to help with the infection problem.

Number four in the series was for a skin graft to cover the hole in his leg; and what is hoped to be his last one, number five, was performed June 25 in Dallas when Mike had surgery on both legs -- grafting bone from his good leg to his injured one.

At a checkup in Dallas two weeks ago, Mike's family heard their first words of encouragement in all these months when the surgeon said the grafts appeared to be looking good. Heretofore, most of the news about Mike's leg had been dismal. He returns to Dallas in the latter part of October for another checkup, and if everything looks good, his doctor says Mike might possibly have a short cast put on his leg instead of the long one he's had up until now.

In any event, it looks like he will be wearing a cast of some sort until early 1971. Mike's big goal is "To Walk in '71." He says everyone takes the act of walking for granted, but right now it just seems like a "big dream" to him.

Mike and his family are pretty philosophical about the whole thing although it has certainly been a trying experience. They take the attitude that "we'll hope this works, but if it doesn't, we'll have to try something else." The family also agrees that it takes a great amount of faith in God to get through such an ordeal.

During the first weeks of his convalescence Mike was confined to a wheel chair, but he soon discarded that conveyance and has made it on crutches ever since. He has kept up fairly well in his school work and says he could never have made it if all the kids in school hadn't been so great to carry his books and aid him in so many ways. There were many times

that the effort to attend classes was quite painful and unpleasant.

Mike has raised hogs as an FFA project and has kept the animals since his accident, but admits he has really had a lot of help on this project from his father and big brother, Larry.

Mike's sister Debra is one of his biggest helpers, assisting him with school paraphernalia and getting him to and from school.

Betty, Mike's mother, says she thinks Mike felt more physically able to attend school when classes started this fall than he had at any time since the accident. She commented that he has been "a real trouper" through the entire time, and their biggest wish is for his "dream" to come true.

Betty comments that since she and her son Larry, who also played football at Farwell High and received a serious back injury while playing the sport, that she is glad Debra is a girl!

Three New Patrolmen On Duty In County

Parmer County now has two highway patrol units and four patrolmen on duty in the area with the recent location of a patrol car in Friona. A car has been located in Farwell for quite some time.

The Farwell unit is being manned by Patrolman Robert Shedd and rookie Glen Ray Fant who is a July graduate of the Texas Department of Public Safety and Law Enforcement Academy. Fant, who replaces Mike Greer, is the son of Mr. and Mrs. Chester E. Fant of Quanah.

Taking over the new location at Friona are Jack Walker, patrolman who was transferred from Amarillo, and a rookie, Bob Dorris, also a recent grad-

uate of the Public Safety Academy. Dorris, formerly of Canyon, is unmarried and is making his home in Friona.

Walker is the son of Mr. and Mrs. E. M. Walker of Farwell and is married to the former Jacqueline Gast, also formerly of Farwell. They have a two-year-old daughter, Jana, and are making their home at 1518 Fifth Street, Friona.

Some of the Home Demonstration Club members met this past week to complete plans for their club yearbooks. One of the items discussed was "thoughts" for each meeting. Maybe you'll enjoy some of these as much as we did.

Most of us just think we think.

Common sense is instinct and enough of it is genius.

To solve a disagreement, decide what, not who, is right.

A life of ease is a difficult pursuit.

We talk on principles, but we act on self interest.

The wise man carries his possessions within him.

Peanuts are listed on the USDA plentiful foods list for this month. Try this recipe using salted peanuts.

CHEWY TOFFEE PATTIES
Grease large mixing bowl and

measure into bowl:
4 cups crisp rice cereal
1-1/2 cups salted peanuts
Set aside until later.

Combine in sauce pan:
1-1/2 cups firmly packed brown sugar
3/4 cups light molasses
1/2 cup water
1 tablespoon plus 1 teaspoon vinegar

1/8 teaspoon cream of tartar
Cook over medium heat until mixture reached 250 degrees F. (mixture forms hard balls when dropped into cold water)

Remove pan from heat. Blend in 1-1/2 teaspoons baking soda. Mixture becomes fluffy and porous. Pour syrup over cereal-peanut mixture. Mix well with greased spoon. Allow to cool slightly before shaping patties. Keep hands well buttered while shaping patties.

Cool on waxed paper. Makes about 36 2-inch patties.

Nita Moore, Donald Dale Repeat Wedding Vows

Miss Nita Lee Moore and Donald Gene Dale were united in marriage on Wednesday, September 9, in the Assembly of God Church in Olton with Rev. Gene H. Davis, uncle of the bridegroom, officiating at the double ring ceremony.

Parents of the couple are Mr. and Mrs. Otis Moore of Whiteface and Mr. and Mrs. R. D. Dale of Oklahoma Lane.

The bride was attired in a street length white suit and carried a bridal bouquet of white spider mums surrounding a bronze orchid. Something old, borrowed and blue was a garter and something new was her bride ensemble.

The bride is a graduate of Whiteface High School and attended South Plains College, Levelland, and Texas Women's University, Denver, where she received her degree in library science. At the time of her marriage she was employed as cataloging librarian at South Plains College.

Dale is a 1962 graduate of Farwell High School and has served two years with the United States Army, serving one year in Vietnam.

Mr. and Mrs. Dale are at home in the Oklahoma Lane community where he is engaged in farming.

MRS. DELTON WILHITE

Nelda Winegeart Becomes Bride Of Delton Wilhite

In an afternoon ceremony on Sunday, Sept. 6, in the Oklahoma Lane United Methodist Church, Miss Nelda Kay Winegeart became the bride of Delton Eugene Wilhite. Parents of the bride are Mr. and Mrs. Paul Winegeart and the bridegroom's parents are Mrs. Emma Lue Wilhite and the late Lonnie Wilhite.

Rev. C. Woodrow Williams performed the double ring ceremony before an altar decorated with fern trees entwined with white satin roping and blue bows. White doves were in the tree branches. Completing the setting was a white kneeling bench and a memory candle.

Mrs. Clyde Powell, organist, provided traditional wedding selections and accompanied Clyde Powell as he sang "Almost There" and as the couple knelt, "The Wedding Prayer." Given in marriage by her father, the bride wore a formal gown of Chantilly lace and bombazine. The molded basque bodice of all lace featured a high yoked neckline and long lace sleeves gathered to petal point cuffs. The bouffant skirt was accented by a cascade of scalloped lace ruffles at the front, and the panniers of bombazine was outlined in scalloped lace. Her detachable court train of bombazine, caught at the shoulder with twin bows, was outlined with a border of lace insertion.

Her elbow length veil of imported illusion was held by a cluster of white petals outlined with seed pearls. She carried a cascade arrangement of white stephanotis atop a white Bible which was a gift from Mrs. Maude Primrose.

Following tradition, something old was a bracelet which was worn by the bride's grandmother at her wedding; something new was an opal necklace, a gift from the bridegroom; something borrowed was her wedding dress; and something blue was a garter, a gift from her maid of honor. For good luck she carried pennies minted in the years of the

couples' birth dates in her shoes.

Maid of honor was Marilyn Winegeart, sister of the bride, and bridesmatron was Mrs. Patsy Camp, sister of the bridegroom. They wore dresses of blue bonded lace with matching headpieces and each carried a long stemmed white rose.

Danny Letz of Lubbock served as best man, and groomsmen were Frank Magness, also of Lubbock. Ushers were Buddy Watkins of Ada, Okla., brother-in-law of the bride; and Jay Herington and Kenneth Wilhite, both cousins of the bridegroom.

The bride's mother wore a dress of navy and white knit with white accessories and a white rose corsage. The bridegroom's mother chose a light blue knit ensemble with bone colored accessories. Her corsage was also of white roses.

Following the benediction, the couple lit the memory candle, and as they left the church they presented white roses to their mothers.

Fellowship Hall of the church was the scene of a reception honoring the couple. The bride's table was laid with a white cutwork cloth over blue satin and was decorated with

Diptons Do Be Honored At Golden Anniversary

CONVERT YOUR HOME TO COMFORT ELECTRIC HEATING NOW...AND WE'LL INSTALL STORM WINDOWS... *free!*

Now is the time to bundle up your home for winter. Now is the time to install whole-house, comfort electric heating because, right now, with every qualifying electric home heating installation, we'll install *free* a complete set of storm windows for the heated portion of your home. All you need do is call Southwestern Public Service Company. Our electric heating specialist will gladly and professionally determine the exact heating requirements for your home.

Modern electric comfort heating is already being enjoyed by over 4 million American families! . . . almost 5,000 in our area alone. The reasons are many, but what most people like about clear electric heating is the *comfort* it gives. An even warmth from floor to ceiling creates a comfort unlike any other heating method. You owe it to yourself and your family to get the facts about electric heating! . . . and now is the time to do it.

Storm windows have proven their value in keeping out cold, wintry winds, holding down

inner heat loss and contributing to lower heating costs. The storm windows now offered *free* with qualifying home electric heating installations, are 2-track, aluminum windows with screen, and custom made to fit your own windows. Storm windows do an excellent job of combating dust storms, too.

IS YOUR HOME ELIGIBLE?

This offer is available to residential customers of Southwestern Public Service Company, living in existing single family homes and qualifying for the special residential electric heating rate. Should you already have storm windows or windows of such design or shape that they do not lend themselves to normal installation, do not despair -- we have a special, most attractive plan for you, too.

Otis Bryans Visit Relatives

Major and Mrs. Otis F. Bryan Jr. and children, Sean, Paul and Deirdre, left Farwell last Friday after a combination moving and vacation trip. In Farwell they visited Mrs. Bryan's parents, Mr. and Mrs. C. G. Davis, her grandparents, Mr. and Mrs. Ebb Randol, and her brother and family, Mr. and Mrs. Carl Glenn Davis and children. They also visited her paternal grandmother, Mrs. J. I. Davis in Portales.

Major Bryan has been stationed at Air Force headquarters in Arlington, Va., for three years where he did research in tactical warfare. He will now be stationed at the University of Chicago where he will study for a doctorate in business with a major in organizational behavior.

Mrs. Bryan and children stayed with her parents while Bryan looked for living quarters in the Chicago area. Their

new address will be 3822 White Cloud Dr., Skokie, Ill.

After Bryan rejoined his family here, they visited Dr. and Mrs. E. A. Moody in Irving, Tex., and Mr. and Mrs. Ronald Karg in Port Isabel, Tex. Dr. Moody is an ophthalmologist who specializes in treatment of eye diseases in infants and children. He and his wife and Mrs. Bryan are all graduates of Abilene Christian College.

Karg, who owns Purdy's Lodge in Port Isabel, was a high school classmate of Bryan.

Highlight of the trip was a fishing session on the 700 foot wharf at Purdy's. Sean Bryan, five years of age, caught one fish, but commented, "we had to throw it back because it was too small." Major Bryan added, "There are bound to be some fat ones there because they fed themselves to all the bait on the hooks." Karg noted that fishing had been excellent with the catch having been some 75-100 each night.

Mrs. Roberts Hosts

Sorority Meeting

Mrs. Rosa Roberts was hostess to members of Theta Rho chapter of ESA sorority for a Mexican dinner in the sorority's initial meeting of the new year Monday night, Sept. 14, at a Clovis restaurant.

Following the meal, the group met in Mrs. Robert's home for a business session with Sue Kirkland, new president, in charge. Activities for rush season were discussed and it was decided to sponsor another girl from Girls Town. Mem-

bers also voted to send a donation to help with medical expenses for a New Mexico boy who is suffering a rare liver disease.

Attending the meeting besides the hostess were Mesdames Dickie Chandler, Doris Ford, Lillie Christian, Dardanelia Helton, Donna Jordan, Linda Gerles, Nell Walling, Alice Vinton, Patsy Berry, Phyllis Herington, Maxine Williams, Lamoine Williams, Sue Kirkland and Sarah Marsh.

Club Meets Thursday

Oklahoma Lane Home Demonstration Club met September 10 at the Community Center. Roll call was answered by giving ideas on how parents can help the teacher.

Charles Turner provided a program on the "Healthy Mental Attitudes of Children."

After the program was presented, minutes were read and approved, and the treasurer's report was given. Refreshments were served by Mrs. Liz Kaltwasser.

Those attending were Mesdames Tommie Fulcher, Bobbie Gilliam, Gladys Kaltwasser, Liz Kaltwasser, Mary Helen Gohlke, Louetta Kitten, Mary Ellen McKillip, Jerry Waller and Mary Allsworth.

Visit In Oregon

Mr. and Mrs. Charlie Felts returned last weekend from a 12-day sightseeing trip which took them to Burns, Ore. At Burns, they are guests in the home of their daughter and family, Mr. and Mrs. Warren Skelton and children. On the return trip, Mr. and Mrs. Felts drove through the California Redwoods and report that this was a most enjoyable tour. In Santa Fe, N.M., they visited with their son, Charles, before returning home.

Visit In Vincent Home

Recent visitors in the home of Mr. and Mrs. L. R. Vincent have been her niece and family, Mr. and Mrs. Terry Horton, Art and Kevin of Enid, Okla., her sister and family, Mr. and Mrs. R. V. Summers of Clovis, and Mr. and Mrs. Glenn Lesly of Spearman (formerly of Farwell), Bob and Bobby Hill of Clovis, Mrs. Don Thompkins, Kacia and Kim of Clovis and Rev. W. C. Strickland of Portales.

Dies In Ft. Worth

Word was received here recently of the death of Mrs. Lanfear of Fort Worth, relative of several area persons.

Mrs. Lanfear, a sister of the late Mrs. Dollie Barker, was an aunt of Mrs. Elmer Langford, Mrs. Joyce Coffman, Mrs. Chris Moss, Mrs. Mary Lu Harrelson and Judge Barker, all of this area. Mrs. Lanfear had visited here many times.

1970 QUEEN OF The Curry County Fair is Miss Cella Trimble, daughter of Mr. and Mrs. G. H. Trimble of Route 1, Texico. TAX MAN SAM SEZ:

In a recent report on federal tax collections the Internal Revenue Service says that the total Internal Revenue collections for the United States in the calendar year 1969 was \$195,141,923,000. Texas tax collections ran more than \$8 billion for the first time. Collections in the Dallas District, covering our area in northern Texas, amounted to \$3,593,898,000, of which \$2,791,651,000 came from individual income and employment taxes. Since each of us must pay about 1/5 of our total pay as our share of our country's cost, it is obvious that taxes are and will continue to be very important to us.

Soybean Producers Schedule Referendum

Parmer County soybean producers, along with those in other producing areas of Texas, will decide by referendum whether or not a check-off program will be initiated for their commodity. The check-off will be one-half cent per bushel on soybeans sold and will be deducted at the point of the first sale. Working under the provisions of the Texas Check-Off Act of 1969, the Texas Soybean Association has petitioned for and been granted permission to hold the September 26 referendum, says Parmer County Agent Mack Heald. All soybean producers, including farm owners, tenants and sharecroppers are eligible to vote. The referendum will be conducted under the supervision of the Texas Commissioner of Agriculture and he will announce the results after receiving the returns from the counties. The referendum carries if the Commissioner finds that two-thirds or more of those voting voted "yes" or that those voting "yes" produced at least 50 per cent of the total production in the area during a designated period. Producers must report their production in the area during a designated period. Producers must report their production at the time of balloting for the designated period, notes the county agent. At the time of the referendum, a producers commodity board will also be elected. Upon notification of election, the board members will meet and organize. One-third will have two-year terms; another third, four-year terms; and others, six-year terms. Term lengths will be decided by drawing lots. Successors will hold office for six years. It will be the responsibility of this board to handle all phases of the operation of the program. The money collected must be used only for developing and carrying out jointly with others or separately programs of research, education, promotion, and disease and insect control designed to encourage production, marketing and use of soybeans. This, points out the

county agent, makes it a self-help program. Producers who do not wish to contribute to the program through the check-off may ask for a refund on paid-in assessments. A written request must be made within 60 days from the date of the check-off payment on a form provided by the Producers Commodity Board. The program may be terminated at any time by a simple majority vote of qualified producers. Heald said that the voting place for Parmer County producers would be Security State Bank, Farwell, and that polls would be open from 8 a.m. until 5 p.m. on September 26 with a representative of the Texas Soybean Association in charge. All eligible producers are urged to cast a ballot in the referendum and the county agent says that those desiring more information on the program should contact his office.

Longhorn Roundup

by Mike Casey

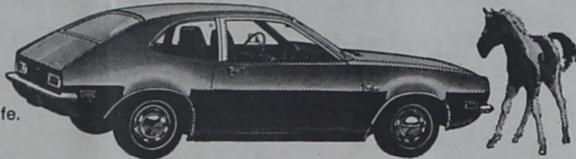

The 1970 edition of the Lazbuddie Longhorns got off to a winning start by downing the Longhorns of Hart 38-8 in a game played at Hart last Friday night. At the end of the first half the score stood 8-6 in favor of Hart, but the Lazbuddie Longhorns exploded for 32 points in the final two periods to overcome that margin. Lazbuddie's first touchdown came on a 60-yard run by Arthur Graves in the first quarter of play. The conversion attempt was no good and Lazbuddie lead 6-0 until the middle of the second period when quarterback Charles Lee attempted a short jump pass. The ball bounced off the chest of the intended receiver and was intercepted by Hart near Lazbuddie's 20-yard line. Johnny Ethridge, Hart's right halfback, took the ball in for the tally five plays later. That ended the scoring until the third period. Three times during the second quarter, Lazbuddie was inside Hart's 30-yard line only to be set back by numerous penalties.

for Lazbuddie as he put them ahead to stay on his 40-yard run into the end zone. Charles Lee ran over the two-point conversion. Mike Casey scored once more for the Longhorns on a 21-yard jaunt. Mark Barnes ran the two-point conversion across. Lazbuddie scored once again in the third quarter when Charles Lee ran over from 10 yards out. Barnes again ran the two-point conversion. The final Lazbuddie score came in the last quarter when Graves crossed the goal line from eight yards away. Lee ran for a two-point PAT to make the final score read 38-8. Lazbuddie rushed for 424 yards and added an additional 15 through the air. Graves picked up 150 yards and Casey was credited with 128. The Lazbuddie defense held the hosts to a total of 90 yards offense, all of this on the ground. Lazbuddie picked up 20 first downs while Hart managed only 10. Next game for Lazbuddie will be the Tatum Coyotes at Lazbuddie this Friday night, Sept. 18, at 8 p.m.

County FHA Housing Notes New Record

Parmer County has just enjoyed a record year of home building and home improvement through credit services of the Farmers Home Administration, the agency's supervisor, Billy R. Boling, announces. Boling reports that \$1,297,080 was channeled into the county through Rural Housing loans for better town and country housing during the fiscal year ended June 30. Loans the previous year totaled 63 for \$650,040.

Farmers Home, a Department of Agriculture agency, supplements all other housing credit available in towns of up to 5,500 population and the rural countryside. Its services in Parmer County the past year included 98 loans totaling \$1,297,080 for purchase or improvement of individual family homes. The loans provided better housing for an estimated 588 people in the county. "The record for fiscal 1970 means that our housing service was 64 per cent greater the past year," Boling said. "This uptrend was directly opposite to the general national downturn in housing activity." Boling adds that the year begun July 1 appears certain to topple the record set in fiscal 1970. The agency is geared to virtually double its housing services again this year, with \$1.4 billion in authority nationally to insure home loans for families of low and moderate income. "Key to the program's rapid growth is a new position of equality for rural America in the nation's housing goal," Boling says. "Rural areas have half of the nation's bad housing, and they now have half of the nation's housing goal for the 1970's." "We expect the sharp uptrend in rural housing to continue. In the Farmers Home Administration, we fully expect to do

our part in bringing rural housing up to modern standards for every family."

LONGHORN WARMUP -- Going through their paces at a practice session are these Lazbuddie Longhorns who are trying for another B-District title in Class B. Preparing to go through "the blaster" is Donnie Coker. Handing off the ball to Coker was Ricky Seaton. Onlookers are, left to right, Arthur Graves, Loy Dale Clark, Brad Trelford, Dionne McGee, and in the foreground, Randy Bush. The Longhorns tromped the Hart eleven 38-8 in their season opener last Friday night at Hart and this week will host the Tatum Coyotes at Lazbuddie at 8 p.m.

Boling says progress in rural housing has been speeded up through new authorizations put into effect by Farmers Home earlier this year. "We now make loans to rural homesite development organizations, and we work with rural builders to assure that homes they build on a multiple basis will meet quality standards for Farmers Home loan insurance."

The Supervisor asserted that the rural housing program is "one of the main channels pouring private capital into rural community progress." Farmers Home Administration insured loans serve families or organizations unable to secure home financing through other sources. County through the Farmers Home Administration office at 708 Avenue A, Farwell.
