Monday we noticed that the wind blew — somewhat. We also noticed in the news that towns in Indiana and Ohio were awash in spring floods. The day after a sand storm is a darn sight better than the day after a flood. Aren't you glad you live on the Golden Spread?

One of our readers passed us a little ditty called "The Public Servant's Lament." We happen to think that many of the ideas expressed also apply to the ink stained wretches of the fourth estate.

The Public Servant's Lament
If I express myself on a subject, I'm trying to run things.
If I'm silent, I'm dumb or have lost interest.

If I'm always at my office, why don't I get out and learn what's going on.
If I'm out when they call, why am I not attending to business.

If I'm not at home at nights, I'm not carousing.
If I'm home, I'm neglecting important outside contacts and activities.

If I don't agree with persons, I'm bullheaded.
If I do agree, I don't have any ideas of my own.

If I don't do what I'm requested, I'm a darn poor official.
If I do, well, that's what I'm paid for.

If I give someone a short answer, I'm "too big for my britches."
If I attempt to explain the pros and cons of an issue, I'm a know-it-all and long winded.

If I'm well dressed, I think I'm a big shot.
If I'm not, I'm a poor representative of my office.

If I'm on the job for a short while, I'm inexperienced.
If I've been here a long time, it's time for a change.

There used to be a song that went something like this, "That's where my money goes, to buy my baby shoes." With most of us it is reasonably easy to see where our money goes. On a national scale we wonder where our money goes. Lately we have been hearing that the Federal Government's borrowing soaks up our supply of money, thereby forcing up interest rates. Reagan has been catching "all get out" for his projected budget deficit because it will soak up borrowing money that could be used by business in the country.

We have tended to agree with this analysis for years. However, recently, several items in the papers have caused us to have some doubts of the complete validity of this argument.

We see that U.S. Steel has bought up shares in Marathon Oil for a merger that cost in the range of \$6,200,000,000. The steel industry is reputed to be in dire straits, so where did this big bag of bucks come from? Did it come from the available pool of credit? If so, would the economy have been better served if that \$6.2 billion had been doled out in smaller parcels to dozens or even hundreds of other businesses needing credit? We don't know.

Also for some time the situation in regard to vast sums of money loaned to Poland has been in question. Did the multi-buck banks use money for that purpose that could have been loaned to deserving U.S. companies? Again, we just don't know.

These and similar reports lead us to the uneasy conclusion that there is possibly more money available at less than the present ruinous interest rates, for use by the hundreds of small businesses that comprise the bulk of the actual commerce of the United States.

All that is needed is a distribution of this credit pool

Farwell's Top Citizens

Robin Gregory, left, and Johnny Actkinson were named Farwell's Woman and Man of the Year last Friday night at the annual Farwell Chamber of Commerce Awards Banquet. Mrs. Gregory and Actkinson

are both active in community affairs and were described as "doing things far and above the call of duty to make Farwell a better place for all of us." A local attorney, Actkinson is one of the

community's leaders in all youth programs, while Mrs. Gregory, a well-known Panhandle area artist, devotes much of her time to philanthropic projects with her sorority, ESA.

Plays Set Tuesday - -

UIL Contests Hosted By Farwell Schools

District 3-AA University Interscholastic League (UIL) activities get underway next week beginning with one-act play contests on Tuesday, March 23.

Students at Farwell High have a special interest in the annual UIL contests as they will be hosting many of the events.

Farwell School Superintendent W.M. Roberts is serving this year as the UIL Director General.

Farwell has been the winner of the UIL Sweepstakes Trophy for the past two years, competing in activities and contests that include everything from headline writing to musical sight reading, and from golf playing to acting.

To earn the sweepstakes trophy last year, Farwell amassed 185 points in athletics, including girls and boys golf, girls and boys tennis, and girls and boys track; and 140 points

in literary events, including journalism, ready writing, spelling, typewriting and drama.

This year's UIL Literary Meet, taking place April 2 at West Texas State University in Canyon, is also being hosted by Farwell.

"That means that we are responsible for everything... making sure it runs smoothly," high school principal Don Malone said.

Excitement and nervous stomachs will probably abound next Tuesday night as would-be actors and actresses compete in the UIL One-Act Play contests, at the Farwell High School Auditorium.

The performances, put on by students from Bovina, Springlake-Earth, Hart, Kress, Vega and Farwell, will begin at 5 p.m. CST. Admission is \$1 per person.

"We would like the entire community to come out for

this," said Malone. "We're very proud to be hosting this UIL event, and think it will be a very entertaining evening."

Malone said he didn't know what time Farwell's performance would begin.

Directed by faculty member Randy Long, the Farwell play is entitled "Rise and Shine," written by playwright Elda Cadogan.

Students in the play include Rocky Ford, Vicki Heard, Claud Gobble and Polly Turner. The stage crew includes Tim Hughes, Paul Fulcher, Shelley Ford and alternates Cathey Gobble and Cynthia Ancira.

Other UIL schedule of events include: April 3 is the day for the high school and junior high district track meet at Farwell.

On April 5, the boys and girls golf teams will begin round one of district play at Vega, with

Rehearsals are underway for next Tuesday night's UIL one-act play contests, to be hosted by Farwell High School in the school auditorium. Six area schools will be competing

in the event, which will begin at 5 p.m. CST. Admission is \$1 per person. Farwell's play, "Rise and Shine" is being directed by Randy Long. "Caught in the act" of

rehearsals this week were Farwell actors from left, Cathey Gobble (alternate), Claud Gobble, Shelley Ford and Rocky Ford.

Farwell - - Top Citizens Named At Chamber Banquet

Farwell's Man and Woman of the Year, described as persons who "do things to make this town better for all of us," were named last Friday night at the Farwell Chamber of Commerce annual awards banquet, which also featured a musical production from "The Sound of Music."

Robin Gregory and Johnny Actkinson were named to the annual top citizens honor, each receiving an engraved plaque. Mrs. Gregory, who was introduced by last year's Woman of the Year, Joann Getz, was also presented a bouquet of fresh flowers sent to the banquet by her parents who were unable to be present.

Actkinson was introduced by John Lovelace, brother of the late Charles Lovelace, last year's Man of the Year.

In introducing Actkinson, Lovelace remarked that the Man and Woman of the Year Honor goes to "the community's top people. The people who have given of themselves and given of their time and talent to make this town better for all of us," adding that he believes that "the things these people do for us will live on forever."

"Welcome To Farwell's Balloon Fiesta" were the words greeting those attending the annual affair, which included the usual meal of steak and all the trimmings.

Decorated by Theta Rho Chapter of Epsilon Sigma Alpha sorority, the cafeteria was aglow in spring colors and huge wall mountings of colorful hot-air balloons.

Each of the tables, draped in white and trimmed with brightly colored napkins, had a row of miniature hot-air balloons down the center.

A special poster covered one of the walls, created by Marcia Cole's Farwell kindergarten class. Each of the youngsters had added their own special touch to the creation by designing their own balloons. The poster also featured cotton ball clouds.

The meal of steak, baked potato, peach cobbler, lettuce salad, and homemade roll was prepared by cooks Johnny Actkinson, Joe Jones and Marlon Inman, and the Farwell cafeteria staff including Robbie Johnson, Linda Moss, Lillie Hughes, Bea Howard, Patsy Lonsdale and Judy Gump.

Dinner time music was provided by Ed and Juanita Hardage, with some vocal

accompaniment by out-going Chamber president Fred Chandler.

Following the meal, musical entertainment was presented by last year's Portales Inn Dinner Theater cast from the Sound of Music.

The show, performed with only the essential props, included such popular tunes as Do-Re-Mi, The Sound of Music, and Aldeweiss. Clyde Powell, formerly of Farwell, portrayed Captain Von Trapp in the performance with his children and nieces and nephews playing the Von Trapp children.

Don Criss was the narrator, giving the story line at the close of each musical number. Glenda Powell was the show's pianist.

Master of ceremonies for the evening was Fred Chandler, and the introduction of guests was done by Chamber secretary Dutch Quickel. Rev. Don Holladay gave the invocation, and Rev. Dudley Bristow gave the closing prayer. Introduction of the 1982-83 Chamber officers took place. Don Williams will take over the reins as president, Dr. J.R. Ivins will continue to serve as first vice-president, and Jerry Monk will continue to act as second vice-president.

Those who will serve as chamber directors include Johnny Actkinson, Otis McMillan, John Getz, Lee Hutchins and Fred Chandler.

Border Town Days Queen Polly Turner was a special guest of the Chamber, ac-

companied by her mother, Sandra Turner.

Out-of-town and other special guests recognized included Louise Ingram, Ann and Lewis Cooper, and Mayor John and Evelyn Hadley, all of Texico; Scott and Claire Brown, Lazbuddie; Rosa Roberts, Mr. and Mrs. Leon Hagelantz, Nancy and Al Jolly, and Tim and Esther Martin, Clovis; Loucile Foster of Fort Worth;

Also, Robert and Susan Harris, ENMR Telephone Cooperative; County Judge Porter and June Roberts, Jo and John Blackwell, and Judge and Leslie Rushing, Friona; and Bill and Linda Quickel of Hobbs, N.M.

Also introduced was Frances Lovelace, wife of the late Charles Lovelace.

J. Actkinson, Mrs. Gregory Contribute Much To Farwell

Friday night wasn't the first time Robin Gregory and Johnny Actkinson were named to receive a community or other type of award, as they are both now and have been active members of their schools and community.

Named as Farwell Chamber of Commerce Man and Woman of the Year, the two were cited for their many contributions to the Farwell town and area.

It was during his high school years that Actkinson, now a local attorney, was chosen by his fellow classmates as "Most Likely To Succeed," a title which time has proven true.

An award winning athlete during his school days at Farwell High, the Texas Tech law school graduate also served as class officer for four years, three of which he served as president; was in the all-star drama cast and was a delegate to the Attorney General's Youth Conference.

He attended Tech on a baseball scholarship, and graduated with a BA degree in accounting in 1970.

He entered Tech Law School that year, following his marriage to his wife Diane.

Following his law school completion, he and Diane moved to Farwell where he joined the law firm of Aldridge Harding and Aycock, and since that time he has been an active member of Rotary Club,

Chamber of Commerce, Jaycees, Little Dribblers Association and the Farwell Youth Commission.

He is an active member of Hamlin Memorial United Methodist Church where he serves on the Board of Trustees and the Administrative Board.

In addition to his legal duties as former County Attorney and now District Attorney, Actkinson also went back to school and obtained certification as a public accountant.

He was named as one of the Outstanding Young Men of America in 1975.

He and his wife Diane have three children, two sons and a daughter.

Mrs. Gregory is an acclaimed artist, her works having been shown throughout the Panhandle.

Her artistry, which was once a hobby, has turned into award winning recognition. Many of her paintings are owned and treasured by many local residents.

She is a member of Theta Rho Chapter of ESA sorority and has held many offices in that organization, including president. In 1980, she was chosen "Girl Of The Year" for the local chapter.

For the past three years she has served as chairman of the

sorority's decorations for the Farwell Chamber of Commerce banquet. Her artistry has turned the Farwell cafeteria into a new place each year.

Several times she has donated her highly valued works of art to charitable causes which have been raffled at high prices for a worthy organization.

She is an avid athlete, jogging daily, golfing throughout the spring and summer, and hitting the ski slopes in the winter. She also plays tennis and has a special interest in photography.

Mrs. Gregory teaches the "Pairs and Spares" Sunday School Class at Hamlin Memorial United Methodist Church on a rotating basis, and sings in the church choir.

Mrs. Gregory was introduced by last year's Woman of the Year, Joann Getz. Actkinson was introduced by John Lovelace, brother of the late Charles Lovelace, last year's Man of the Year.

In making his introduction, Lovelace commented that the Man and Woman of the Year award is a great honor given to those community members who "work far and above the call of duty to make Farwell a better place for all of us. The things they do will live on forever," he said.

Amber Rhodes Wins County Spelling Bee

Two Farwell Junior High school students, Amber Rhodes and Melinda McMillan, once again battled it out in the county spelling bee, with Amber emerging as the Farmer County Champion. The county bee was at Farwell Tuesday.

Melinda and Amber were winners of the school level spelling contest conducted last week, with Melinda taking first place honors.

And once again as speller after speller from Bovina, Friona, Lazbuddie and Farwell were eliminated Melinda and Amber once more found themselves alone on the stage as words were given to them to spell. The girls competed for six rounds alone.

Winning first place in the intermediate division after the six rounds was Amber, giving

her the opportunity to compete at the Spelling Bee in Amarillo April 24. She is the daughter of Rev. and Mrs. Howard Rhodes, and her winning words were "subbasement" and "unaccompanied."

The 7th grader entered the county level contest as Farwell school's second place winner from last week.

Intermediate runner-up was Melinda McMillan, last year's county winner, and first place winner in last week's school event. She is the daughter of Mr. and Mrs. Otis McMillan.

Junior bee winner was Steven Moore of Friona. As the junior level winner he will attend a luncheon in Amarillo and be presented a trophy there.

Judging the event were Flo Davis, definition judge; and

spelling judges Nelle Craig, Billie Worley and Gretchen Montgomery.

Farwell elementary principal David Gobble was chairman for the county event.

Pronouncer was Debbie Jan-

ezich. There were 18 contestants in the intermediate level bee, spelling 83 words. Nine students competed in the junior bee, spelling 74 words before a champion was selected.

**County Judge Proclaims
 Hire Older Worker Week**

Parmer County Judge Porter Roberts signed a proclamation last week designating March 14-21 as "Hire The Older Worker Week" in this area.

Older Worker Week is an annual event designed to spotlight the valuable qualities of the mature worker. Green Thumb employs about 1,000 senior Texans in 107 counties. Sponsored by Texas Farmers Union, the program provides part-time work opportunities for people over 55 who are "loaned" to non-profit organizations to provide needed services in rural communities. Green Thumb State Director Diane Parrish says, "Older workers value job security while younger workers tend to change jobs frequently. The fact that older Americans lived through the Great Depression while younger workers grew

up in an affluent age perhaps affects the way each sees the need for security. Consequently, there seems to be less job dissatisfaction among older workers."

The increasing number of retirees returning to the workforce and employers' favorable receptiveness to their return is evidence of a changing trend in American society. Only a few years ago, 65 was considered to be the traditional retirement age. Mandatory retirement policies were accepted without question and complied with automatically by almost everyone. But today, 79% of workers age 55-64 and 73% of those over 65 say that they prefer at least part-time employment to total retirement according to a National Council on Aging survey.

Sen. Richard Lugar (Ind.), says "For most Americans, work means everything. It's a definition of our lives, the way in which we serve others. To be cut off arbitrarily by law or regulation is devastating." Surveys have shown that maximum intellectual function is achieved between the ages of 40 and 65. Older employees can evaluate tasks and project outcomes more accurately than can young workers. This

wisdom gathered through experience would appear to account for this. Recognizing this fact, many employers are taking a second look at the mature worker when openings are available in their companies. John Deere, farm equipment manufacturer, hires retirees to guide 14,000 tourists that come to the plant yearly. Union Carbide, Connecticut General Life Insurance and Bankers Life and Casualty Company are among the growing number of businesses who are actively recruiting older employees.

"Hiring the experienced is good business," says Green Thumb Director Parrish. "Green Thumb helps locate jobs for older workers in the private job market," she says, "and when looking for openings, we find that the ticking off of birthdays is the least important measure of a person's true value to an employer."
 Texas Farmers Union Green Thumb is an equal employment opportunity, affirmative action employer with a state office in Waco. For more information, contact Green Thumb, P.O. Box 7898, Waco, Texas 76714 (Phone 817-776-4700).

Twin Oaks Opening Set This Saturday

Farwell's newest business, a unique gift and interior design shop, Twin Oaks, owned and operated by Peggy Snider of Farwell, will have its grand opening Saturday, March 20, from 9:30 a.m. to 5:30 p.m. CST at 410 Third Street.

The shop is located in what was the old W.W. Vinyard residence, a 65-year-old house that had just been sitting there in various shades of deterioration for several years. After Mrs. Vinyard's death and Mr. Vinyard's re-location to a convalescent home several years ago, the uninhabited house began to show signs of neglect.

Then after Mr. Vinyard's death two years ago, the estate put the lovely old house up for sale.

An attractive and well-constructed house, many area residents saw its potential for re-furbishing and some even suggested that the old resi-

dence, built in 1917 as an office for Capitol Freehold Land Co., be purchased to house a library and historical data of the Farwell area.

However, although that idea was never enlarged upon, the house has now been purchased and has been transformed into a unique and distinctive shop offering gifts of all types and custom interior design.

Turning this eye-catching old house into such a place was the brainstorm of Peggy Snider, energetic Farwell resident and well-known area artist and decorator. Since Mrs. Snider has made her home next door to the Vinyard home for many years, she naturally realized the building's potential far better than anyone.

And so, starting last October, Peggy, plus many relatives, friends, and various painters, carpenters and electricians, began the task of making the old home into a real showplace

as well as a business place.

"We didn't change any of the basic things about the old three-bedroom house. We moved no walls, changed no ceilings or anything of that nature since we wanted it to look like the home it was. Mainly all it required was an enormous amount of time, paint, sweat and elbow grease, along with a few tears. And I'd never have been able to accomplish all of this without the assistance of many friends and relatives who aided me in many ways - physically and emotionally -- while in the re-decorating process," Mrs. Snider said.

A few windows were changed or replaced, but the home is still much as it was when a family lived there, and a person entering the place has a feeling of entering a home instead of a business establishment. And that is something Peggy insists she wants,

"An informal atmosphere where customers can look at things at leisure without a feeling of pressure."

And she has taken painstaking care to arrange the gifts and accessories so that they do not appear to be "assembly line" style.

Cocoa brown carpeting in the living room is accented by wall upholstery in a floral tapestry design in hues of brown, tan and blue on one wall while the other walls are upholstered in blue satin-look design. A dining setting in this portion of the house shows off the line of wicker furniture carried plus the hand applied linens that set off place settings of fine porcelain and stainless silverware.

Pale blue carpeting is featured in the other bedrooms where the walls are also covered with upholstery.

The new floor coverings, wall upholstery or wall paper, and new coats of paint throughout have transformed every room into something special, with appropriate accessories adding to the room's individuality.

Peggy does the wall upholstery herself and it is one of the specialties of Peggy Snider Interiors. Fabrics for the upholstery, as well as for the custom made draperies and bedspreads, are by Norman Salsburg. Peggy will also do custom tables for weddings, receptions, showers and other special occasions. Custom windows are also available and Kirsch rods, fixtures and all types of blinds are used. A special treatment of a long narrow window in the kitchen area is an example of the way window treatment can change the appearance of an entire room.

Individual brass decorator items, brass lamps by Stiffel, hand painted miniatures in both wood and glass from all over the world, all types of bathroom accessories, kitchen gadgets and utensils, canisters, pottery and mugs, a charming line of toys and dolls, and original oil and watercolor paintings by local and area artists, are but some of the original and unique gift ideas offered in Twin Oaks.

It also offers decorator service in the very popular wicker furniture showing various styles in occasional chairs, dining chairs and table, and game sets.

Peggy cordially invites everyone to come by to see her new shop during the grand opening.

"We can re-decorate any room in your home with our fine line of fabrics and furniture and will be happy to show you our fabric samples as well as ideas for room rearrangement or other decorating ideas," Peggy said.

"Remember, besides being open Tuesday through Saturday, we also welcome appointments," she added.

Inside Twin Oaks

Peggy Snider, proprietor of Twin Oaks gift and decorating shop, shows some of the items on display at her shop which is having its grand opening

spreads and tables, plus wall upholstery and interior decorating. The new business is located at 410 Third Street, Farwell.

Special Window Treatment

In the kitchen area of Twin Oaks, newly-opened gift and decorating shop in Farwell, owner Peggy Snider points out how special window treatment can change the looks of a room. The full, eyelet-trimmed curtain is custom made by Norman Salsburg and is a

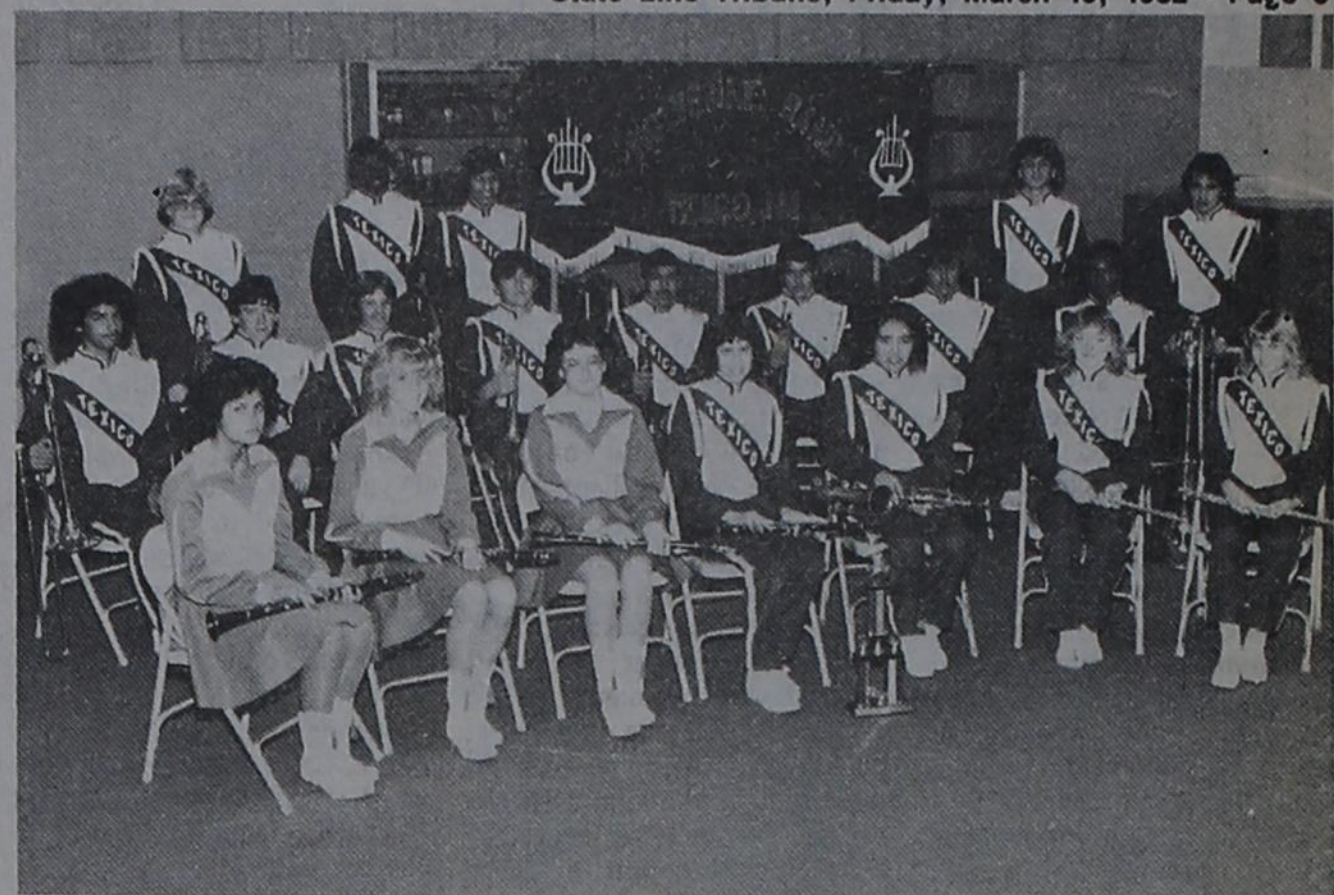

specialty of the new business, along with custom bedspreads, tables, and wall upholstery. Grand opening of the business, 410 Third Street, Farwell, will be Saturday, March 20, from 9:30 a.m. to 5:30 p.m. Everyone is invited.

Farwell 3rd Graders Learn History, Art Of Masking

As part of their Social Studies class at Farwell Elementary School, students in Nelle Craig's and Verona Traynor's 3rd grade classes studied the art and history of mask making, each of them making and creating their own facial mask.

"We learned about the uses of masking, such as religious ceremonies and theater and drama productions," Mrs. Craig said. "And the use of masks for therapy or for fun, such as halloween parties."

Mrs. Craig said the students learned that the first masks ever used were made from actual animal heads.

Before creating their own masks, molded from their faces, the students chose a character and then researched it.

The process of making the masks was aided with the help of volunteer Murlene Smith who came to the class each Friday and helped the students. "We really couldn't have done this without Murlene," said Mrs. Craig. "She has been such a tremendous help to us."

To make the masks, the student had his or her face covered with petroleum jelly. Then, one of the teachers placed wet strips of plaster tape, such as the kind used on broken legs or arms, over the face, everywhere but the eyes and nostrils.

"The molding was not and should not be done by children," Mrs. Craig said.

The tape then took 20 minutes to dry, and to remove the mask "the children wig-

gled their faces and it sort of popped off," Mrs. Craig said.

Mrs. Smith helped the students with the painting and placing of hair on the masks.

False eyelashes, wigs, pieces of yarn, fake fur and paint were all used in the finishing touches to the masks.

Once completed, the students in Mrs. Craig's class wore their masks during their recent one-act play production, "Chaos In The Library."

Mrs. Craig made a special board in the classroom where the masks hung to greet all who passed by.

"They took the masks home this week, and it sure hurt to see them go. We worked so hard on them. The children really learned a lot, and we all enjoyed this part of our studies," she said.

Don't Breathe

One of the Farwell third graders who had a mask made from her own face's outline sits quietly and motionlessly as

Verona Traynor applies the strips of plaster tape. Before having the tape placed on her face, the youngster had her

face covered with petroleum jelly. Once the strips dried, she simply wiggled her face to make the mask pop off.

Farwell Kindergarten Slates Registration

Kindergarten registration for the 1982-83 school year will take place at Farwell Kindergarten Friday, April 30, from 12:45 to 3:15 p.m. CST.

Children registered must be five years old by September 1, 1982 in order to be eligible for kindergarten, said Marcia Cole, instructor.

To register, a child must have immunization records and a birth certificate. "Only official copies of birth certificates are accepted and they must have been obtained from

state offices," Mrs. Cole said. Sara Owen, school nurse, will be available to review immunization records during the registration period.

Preferences of morning or afternoon sessions will be taken as space and balance of classes permits. Morning session will be from 8:30 until 11:20 a.m., and afternoon sessions will be from 12:50 to 3:40 p.m., Mrs. Cole said.

Finishing Touches

Volunteer teacher's aide Murlene Smith, left, helps Dena Resch put the hair on her almost finished mask. Mrs. Smith used part of an old wig

for the hair for Dena's mask, which was painted with bright paint for the eyes, cheeks and lips. Mrs. Smith came to the

classroom of Mrs. Nelle Craig each Friday to help the students with their mask-making project.

Finished Masks

Once completed, the masks made by Nelle Craig's students were displayed in her classroom for all to see. Each

student got to choose his or her own character for the mask making. The students learned

the first masks ever worn were made from actual animal heads.

Texico Boys Make History, Take Third Place At State

For the first time in the history of boys basketball at Texico High School, the Wolverines returned from the state championship tournament with a trophy.

The third place win by the 1981-82 team is the first ever for a Texico boys squad. In Texico's two previous trips to the state playoffs, first in 1940, and again 1960, the Wolverines were defeated in their first rounds of play.

But the 1982 edition earned a ranking at the tournament, and had two players, Tony Tubbs and Brad Steward, named to the New Mexico All-Tournament squad.

And according to coach Ken Shaw, "We'll be back there next year. I know it won't be another 20 years! We've got the capabilities of going for the next two or three years," he said. Shaw also said that "playing in 'the pit' (UNM arena) is a real experience. These younger players will want to go back for sure. They'll work for that."

The Wolverines closed out their season with an impressive 22-6 record. Their third place win at state means they are in the top three of 39 other Class A schools in the state of New Mexico.

Their first competition at the state meet was against Wagon Mound, a team they defeated 84-72. The Wolverines played a fast game against Wagon Mound, but at the end of the first quarter were ahead only by two points.

The local squad closed the first half of play with a six-point lead, but were behind by two at the end of the third stanza.

The Green and White outscored Wagon Mound in the final quarter, doubling the amount of baskets pitched in by the opposition to take the game 84-72. The 28-point final quarter scoring surge assured the Wolverines a chance of playing in the semi-finals.

Scoring against Wagon Mound were Brad Steward, 20; Tony Tubbs, 18; Jeff Day, 15; Kevin West, 9; Kent Harding, 5; Mike Arnold, Todd Geries and Earl Bibbs, 4 each; Joe Steward, 3; and Jeff Duns-worth, 2.

Probably the game most talked about is the game against Cliff, the tourney's eventual state Class A winners.

The Texico boys lost a heart-breaker to the Cowboys by a mere one point, after being ahead by three in the final

minutes. The game was a see-saw match from the start, but Texico held a 15-12 lead after the first quarter. At one point in the second period, Texico led 27-22, and in going into the final period, the Wolverines led 41-37.

Cliff outscored Texico 11-6 in the final stanza and with 20 seconds left on the clock, Cliff hit the bucket for the winning basket, taking away Texico's chances of playing for the state title.

"Cliff has a tough team," said coach Shaw. For the final eight or nine weeks of the season they were rated number one in the polls.

And on the other hand, Texico's mentor feels real good about coming that close to beating the eventual state champions, because "They blew Floyd away. (In the finals.) I mean blew them away, and we only lost by one," Shaw said.

Scoring in the Cliff game were Tubbs with 23; Brad Steward and Jeff Day, 10 apiece; Kevin West and Joe Steward, 2 each.

Although the loss to Cliff dashed Texico's hopes for the state crown, the local boys still

had the opportunity to try for a third place trophy, and try they did as they took the win over Rehoboth.

It was a see-saw game as the teams battled it out. Texico maintained a steady lead, but a free throw by Rehoboth put the Green and White behind by two at one point in the second quarter.

Tubbs pitched in two points to tie it up, and the scoring went back and forth. Then Rehoboth surged to a three-point lead, aided by foul shots. At the intermission, Texico trailed by one point, 33-32.

An exciting second half kept the fans on the edges of their seats and the scoring remained equal for both teams.

Texico had as much as a 7-point lead, their biggest margin of the game, early in the fourth quarter, but a one-and-one in the final four minutes brought Rehoboth to within one.

Eight straight points by Rehoboth in the final quarter put Texico behind by one, and with 3½ minutes to go, Todd Geries tied the score with a free throw.

The game continued with its bucket-to-basket scoring for each team, the squads were tied with 38 seconds remaining

at 65 points each.

The remainder of the game was more action for Texico as Kevin West hurled in two big points to put the Wolverines ahead by a bucket.

Harding rebounded the ball for the Green and White, after West missed a free throw and West was then deliberately fouled, placing the sophomore at the charity stripe for another chance to score.

The free throw was good, the buzzer sounded, and Texico won the thriller 68-65.

"We have the best team in the state as far as I'm concerned," said Coach Shaw. "I never worked with a better bunch. I bet I'm one of the happiest guys around."

The coach also had high praise for the Twin Cities community, saying "The fans filled the gym all season. I thought that was tremendous. Our community and administration has really backed us. We have really been supported," he said.

The Thrill Of Victory

How sweet it is! Texico Wolverines congratulate each other after their 84-72 win over Wagon Mound in the opening round of the Class A state championship basketball playoffs in Albuquerque last week.

The thrill of victory was short-lived, however, as the Green and White tasted the agony of defeat when they fell in second round action to Cliff, the team that would eventually wind up as Class A state

champs. Losing by one point in the final seconds to Cliff pitted the Wolverines against Rehoboth, a team they defeated to take the third place state trophy. (Kay West Photo)

Tubbs, Steward Named To All-Tourney Team

For their performance during the State Championship Class A boys basketball tournament, Texico Wolverines Tony Tubbs and Brad Steward were named to the New Mexico All-Tournament team, chosen by sportswriters and sportscasters at the tournament in Albuquerque.

District foe Floyd also placed two players on the team, Bruce Lee and Britt Cooper, and their coach Dwayne Kibbe was named coach of the year.

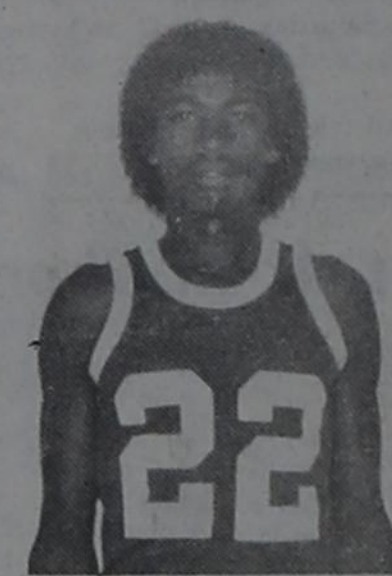

Others named to the State All-Tournament squad were Bert Shelley and Troy Shelley, Cliff; David Slim and Stuart Benally, Rehoboth; John Valdez, Des Moines, and Pat Larranaga, Encino.

Rookie Of The Year

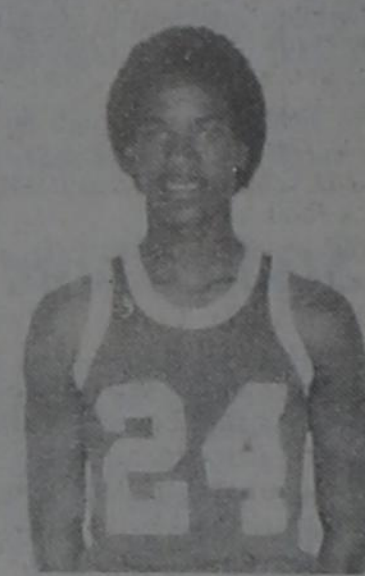

Eastern New Mexico University Zia volleyball player Lisa Coffey was named Rookie of the Year for her performance on the ENMU team.

The Texico High School graduate was the lone freshman starter on the Zia's squad this past season.

The 5'7" spiker was third on the team in stuff blocks with 61, had 295 kills, and 29 serving aces.

Texico Wolverine Tony Tubbs [22] puts it in for two, as the Green and White took their opening game in the state tourney with an 84-72 win over Wagon Mound. Underneath the basket are Brad Steward [24] and Todd Geries [20]. Action was fast-paced in the high scoring tourney opener for the Wolverines who were seeing

their first state playoff action since 1960. The Green and White ended their season with a third place state ranking, defeating Rehoboth, after falling to eventual Class A state champion Cliff in their second game. Texico had an impressive 22-6 season record. (Kay West Photo)

Season Wrap-Up - -

Coach King Lauds Team, Says Season 'Successful'

With an impressive 23-4 season record, posting a 10-0 district tally, the Texico Lady Wolverines closed out their season two weeks ago, finishing as second place victors at the Class A state tournament.

"Overall I thought we had a very successful season," said coach Roy King. "We lost a lot of important players last year and I didn't know whether we could replace them or not. But we had some great players this year who stepped right in and did the job."

On their way to the state playoffs, the girls posted tournament titles along the way at Roswell-Goddard and EPAC, and had players named All-Tournament for the three tournaments in which the team competed.

At the Roswell-Goddard event, Ruth Scott, Tracy Dobbs and Lisa Crooks were selected to the all-tourney team; Scott and Dobbs made it on the EPAC all-tourney squad; and Scott was named to the Farwell All-Tournament team, even though the Green and White lost two consecutive games at the Farwell event.

"The turning point of our season was when we lost two straight games at the Farwell Tournament to Friona and Bovina. We lost by a total of three points, but after that we realized that we could get beat. We then ran off 18 straight wins," King said. "And with a

little luck and no injuries in the finals of the state playoffs, we could possibly have won the title again."

The girls did retain their District 6A title from the previous year, but relinquished their Region B crown to county-rival Melrose, the same squad who took the local girls' state title.

For the season, Texico pitched in a total of 1,324 points, shooting 39.5 percent from the field and 63.8 percent from the free throw line.

Leading scorer was R. Scott who posted 621 points for the season, averaging 23 per game. Her season high was 32 points during the state tournament.

Scott had a total of 361 rebounds, averaging 13.4 per game, posted 50 steals and had 19 assists. For the season, the Texico junior shot an impressive 75.8 percent from the charity stripe and 53 percent from the field.

Tracy Dobbs was second leading scorer with 262 points for the year. Dobbs averaged 9.7 points per game and shot 33.5 percent from the field. She had a total of 118 rebounds and 132 assists.

Jill Jesko pitched in 127 points for the Lady Wolverines, averaging 35 percent from the field and 46.8 percent from the free throw line. Jesko had 184 rebounds for the season and 65 assists.

Also scoring in three-digit figures were Lisa Crooks with 109 points, shooting 31.3 percent from the field and 40.9 percent from the charity stripe.

Crooks tallied 56 rebounds for the season and aided with 68 assists.

Others who scored include Cheryl Scott, 63; Sharlet Taylor, 43; Pam Hoyl, 30; Valda Cavallero, 23; Cassie Chavers, 17; Karen Snodgrass, 16; Chary Jesko, 8; and Dana Morris, 5.

C. Scott had 97 rebounds; followed by Taylor with 89; Hoyl 45; Chavers, 38; Snodgrass, 18; Cavallero, 14; C. Jesko, 4; Morris, 3; and Anna Gross, 1.

King is optimistic about his 1983 edition of the Lady Wolverines also. "We have three seniors who will be leaving, Tracy Dobbs, Jill Jesko and Lisa Crooks. All three did an outstanding job this season, but we were able to play a lot of young girls this year and I think they should all come back and help us next season," he said.

King also had praise for the team's fans and supporters. "We had a lot of support from our school and its administrators and also from our fans," he said. "They were all outstanding all season. We also want to thank our booster club for everything that they have done for us this season."

Tennis Winners

Bringing home first place trophies from last week's tennis meet at Canyon were Farwell court players Lezlie Castleberry, girls singles; and Alan Eubank and Doug Cole, boys doubles. On Friday the Farwell tennis team will compete at Plainview.

Doubles, Singles - - Farwell Tennis Players Earn Trophies At Meet

Three Farwell High tennis players returned from their season opener at Canyon last week with first place trophies in the girls singles and boys doubles divisions.

Lezlie Castleberry, last year's state qualifier, hammered four opponents at the meet to bring home the girls singles first place trophy, and doubles duo Alan Eubank and Doug Cole breezed through their bracket to win the boys doubles first place trophy.

Castleberry won her first round over Wilson of Ralls, 6-1, 6-2. In the second round of play, the Farwell player beat Horton of Friona 6-2, 6-2.

In the semi-finals, Castleberry had a tougher go of it, defeating Kysar from River Road 6-1, 7-5. And in the finals to capture the first place win, she found a little trouble against Willard of Higgins, winning 7-6, 6-1.

Cole and Eubank defeated the Muleshoe doubles team 6-2, 6-1 in their opening round, and beat the Kress doubles team 6-1, 6-4.

Friona's doubles duo was a bit tougher, the Farwell boys winning 7-5, 6-2. And in the finals, Cole and Eubank beat Hale Center's boys 6-1, 6-4 to take the first place win.

Janene Berry also competed in girls singles action, advancing all the way to semi-final play, where she was defeated by Willard of Higgins 6-3, 3-6, 5-7.

In her opening round, Berry beat Madrigal of Hale Center 6-1, 7-6. And in the second round, she defeated Gerber of Nazareth 6-4, 6-3.

Other Farwell tennis team members who competed in the meet but who were defeated in their first round of play were Johnny Daniel, Todd Christian, Mark Cole and Dale Sikes.

Twin Cities Girls - - Berry Named To Super Team, Joins Dobbs As All-Star

Farwell Steerette Janene Berry has been named to the Amarillo Globe-News Super Team as a second team outside shooter. In addition, the Farwell senior will join Texico Lady Wolverine Tracy Dobbs as a member of the 14th Annual Golden Spread All-Star Basketball team.

The two will compete in a roundball game March 27 at the Amarillo Civic Center playing for the West squad.

Farwell Coach Vester Joiner commented that Berry's quickness and marksmanship from long-range aided the Steerettes to a District 3-AA championship this year, adding that Berry averaged 18 points per game. She also had a five rebound, five steal average per game.

As a Lady Wolverine, Dobbs

averaged 10 points per game, five rebounds and five assists per game. "She was our ball handler most of the time," said Texico Coach Roy King. "She was the key to our team."

Berry's being named to the

Amarillo Globe News Super Team was, in Joiner's words "a real honor. Only 10 girls from the Panhandle area were chosen, from Class 5-A schools on down. We're very proud of Janene," he said.

Mesman Takes Two 1sts In Track Meet

Farwell's Johanna Mesman helped give her team a 7th place ranking at the Lorenzo track meet last weekend by running for first place wins in the mile and two mile run.

Also bringing home a couple of ribbons was Jane Ward who took third place in the 100 meter hurdles and 5th place in the long jump.

Mesman's time in the mile was 6:16 and in the two mile

event was 13:28. "The times don't look fast, but you have to remember the girls were running into about a 50-mile-per-hour wind," explained coach Mike Prokop.

Ward ran the hurdle event with a time of 17:86 and had a measurement of 14'7" in the long jump.

The Steerettes finished with a team total of 28 points for the

7th place win, competing against 24 other schools.

Mesman and Ward were the only two Steerette thinclads to place in the Lorenzo event, but Coach Prokop is still pleased. "Our girls did a good job for their first time out this season," he said. "The competition was tough. Very tough."

The Steer tracksters did not place in the Lorenzo event.

Lazbuddie Track Teams Win At Lorenzo Meet

Jeff Jesko and Terry Steinbock were the two Lazbuddie varsity boys track team members who placed at last weekend's Lorenzo track meet, with Stacy Ivy and the girls mile relay team winning points for the Lazbuddie girls.

Coach Terry Campbell said that the boys track team had a total of 18 points in the meet, thanks to Jesko's 1st place in the pole vault event and Steinbock's 2nd place ranking in the same event.

To take the first place win, Jesko vaulted 12'. Steinbock's

11'6" won him the second place ribbon.

Stacy Ivy jumped 4'10" in the high jump event to win a 6th place ribbon, while Susan Glover, Sharon Glover, Becky Schacker and Ivy ran for a 3rd place win in the mile relay event with a time of 4:39.6.

The girls team had a total of 13 points.

This was the first meet of the season for the Lazbuddie thinclads who will next compete at Robert Lee Friday, March 19. The Lazbuddie Jr. High track team will be at Bovina Friday.

Burger Barn Guttered

Approximately \$15,000 worth of damage resulted from a Saturday morning fire at the Burger Barn in Texico, according to owner Mike Burns, who said that the fire is believed to have broken out in the kitchen. Burns said he is waiting for contractors to begin "remodeling" the hamburger spot, and

that the structure itself was not damaged, only the inside. "The new plate windows are in and the inside has been cleaned out," he said. The fire was extinguished by members of the Texico Volunteer Fire Department. It was reported to them at 5:47 a.m. MST.

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635

THE WAY TO HEAVEN

Perhaps you have heard the story of the man who inquired from a mountaineer the way to a certain destination. The mountaineer stammered and stammered and finally said: "You can't get there from here."
We may smile at this; but the results would be even more amusing -- and sad -- were we to ask the average person on the street the way to heaven.
What is the way to heaven? It is interesting to read in God's Word what many think about this. In Proverbs 14:12 we read: "There is a way that seemeth right unto a man, but the end thereof are the ways of death."
What are some of these "ways" that "seem right" to men, leading them to hope for heaven? Joining a church? Being baptized? Doing one's best? Keeping the ten commandments? Loving one's neighbor as himself? These are a few of the ways that men follow, hoping to gain eternal life, but they all come under one heading: "Do good."
But what do the Scriptures say about this? In the Gospel according to John there are recorded for us seven "I am's," which the Lord Jesus Christ used in speaking of Himself. One of these is found in John 14:6: "I AM THE WAY, the truth and the life; NO MAN COMETH UNTO THE FATHER BUT BY ME."
This passage has a double significance, since it was not only the declaration of the Lord Jesus Christ, but at the same time a declaration of the divinely inspired Scriptures.
From this verse we learn not only that Jesus is the only way to the Father, but also that He is "THE TRUTH" to be believed and trusted in. Thus we can believe the Lord Jesus when He claims to be the way to heaven.
But according to this passage He is also "THE LIFE." As we place our faith in Him, as the One who died on the cross for us, we receive eternal life. "HE DIED THAT WE MIGHT LIVE."

Parmer County Appraisal District Bovina, Texas Explains H.B. 885

Homeowners who are 65 years of age or older and failed to receive their school district homestead exemptions in 1979 have until April 1 of this year to do so. In this way, elderly homeowners will be able to take advantage of the tax freeze associated with the \$10,000.00 homestead exemption.

According to a law passed by the Special Session of the 67th Legislature, over-65 homeowners who qualified for the school homestead "tax freeze" in 1979, but did not apply for the limitation, may file an application with the chief appraiser of the appraisal district in which the home is located.

Applications must be made with Mrs. Patsy Nance before April 1, 1982.

To qualify for the tax limitation, on January 1, 1979 a homeowner must have satisfied these requirements:

- Be 65 years or older
- Own his home
- Use that home as his principal residence

The chief appraiser will consider all applications and notify each applicant before April 15, 1982. If the application is approved, the chief appraiser will make an entry on the appropriate school district's 1982 appraisal records.

This entry will indicate the amount of tax the over-65 taxpayer should have paid in 1979, had he been granted the \$5,000.00 general homestead exemption and the \$10,000.00 over-65 homestead exemption. No refunds of taxes paid will be given for 1979, 1980, or 1981. For 1982, the taxpayer's

amount of homestead taxes paid may not exceed the amount of taxes the school district would have imposed on the homestead for 1979, had the taxpayer been granted his homestead exemptions. This frozen tax amount will remain in effect as long as the homestead remains the same.

For applications, contact Mrs. Patsy Nance at the Parmer County Appraisal District office, P.O. Box 56 Bovina, TX 79009 or call 238-1405 or Enterprise Number 83371.

Fireman's Auxiliary Service Team (FAST) met March 8 with Captain Teddy Spears presiding.

Main topic of discussion during the meeting was the project of the Texico Volunteer Fire Department which is to sell 1000 tickets on a pickup to be given away during Border Town Days in July. Proceeds from this project will be used to help purchase a new ambulance for the department.

The group agreed to assist the firemen in selling the tickets and Jerri Herrington volunteered to make posters and place them around the Twin Cities.

Attending the meeting were Teddy Spears, Glenda Thigpen, Marie Christian, Kim Chancy, Jerri Herrington and Frances Kube.

"The most useful virtue is patience." John Dewey

The first use of the term "Old Glory" to designate the US flag was made by a New England seaman, William Driver. Before setting sail for the Orient in 1831, he had the flag unfurled and said, "I name thee Old Glory!" The term caught on during the Civil War.

ALLIS-CHALMERS ANNOUNCES

9.9% 5 YR. FINANCING.

THE "SAFE HARBOR" LEASE/OWNERSHIP PLAN

The company that gave you incredibly low cost financing in 1981 has gone a good deal one better. Our better deal gives you all the advantages of leasing, plus ownership. And a lower total cost. It's called the "Safe Harbor" lease/ownership plan, and it makes Allis-Chalmers equipment more affordable than ever.

At the end of the 5 year term, simply pay \$1.00 (One Dollar) more and the machine is yours. This deal is good for all new Allis-Chalmers farm equipment—tractors, combines and implements. The savings are tremendous, even compared to our special "low rate" retail financing plan. Just look at the figures.
