

If radio station KGNC in Amarillo was on the ball Sunday afternoon and took a listener survey, they won in a walk in this area and CBS-TV was awarded the fur lined thunderbug.

Tennis is a very popular sport and one that is increasing in public awareness, but out here in Cowboy Country we are afraid that it does not hold first place in the fans' hearts. Maybe we could have understood better if a game between any other team than "America's Team" had been bumped in favor of the tennis match.

The President is having to mount another massive arm-twisting program for Congress. This time it is over the sale of AWAC type of advanced radar warning planes to Saudi Arabia. If the news coming out of the nation's Capitol is to be believed, at least half of the Senators are adverse to the sale. This we cannot understand.

If there is a place of vital importance to the United States it is the Arabian peninsula. This is a crucial crossroads of the world as well as being a place that literally holds the economic well being of this country in its hand.

This area and Saudi Arabia in particular must have both a stable government and one that is favorably disposed to the United States. The present oligarchy of the House of Saud is so inclined.

This feudal country has recognized that its continued existence is tied to the United States. They have, more than any other OPEC country, tried to ease the oil burden price on the world. They have realized that the free enterprise system holds for them the only promise of an orderly exchange of their wealth (oil) for the goods and services necessary in this modern world.

The United States must preserve the present ruling family in that country. The alternative to the present rulers are wild-eyed religious fanatics of the Khomeini type or representative of the Soviet Union. Neither one of which would be of any help to us. Quite the contrary. It is doubtful if our present economic system could survive the shock of drastic increases in the price of oil or having it cut off entirely.

Thanks to the do-good fat heads, ala diablo canyon in California, we are still in the energy clutches of OPEC nations. We do not believe that the AWAC plane technology threatens Israel. Quite the contrary, as the United States' position is strengthened, so is Israel's. The United States is not going to let Israel go down the tube unless it is denied the military bases and energy wherewithal to successfully defend the Middle East.

We feel that Mr. Begin is in error in opposing the President and that friends of Israel are not likewise truly reading the economic and strategic cards right in the Middle East.

Texico Homecoming Set For Next Weekend

Texico schools will be a hubbub of activity next week as homecoming activities get underway, with the theme "It Will Be Done In '81!"

Homecoming week, September 21-25, will feature its usual fanfare of "dress up day," "green and white day," a special pep rally, and of course, highlighting the event will be the crowning of the 1981 homecoming queen and king.

Candidates for the royal honor include, for king, Jeff Dunsforth, son of Mr. and Mrs. Eddie Dunsforth; Jerry Wimberly, son of Mr. and Mrs. Gerald Wimberly; Kent Harding, son of James Harding; Neal Snipes, son of Mr. and

Mrs. Dennis Snipes; and James Kelley, son of Mr. and Mrs. Glenn Kelley.

Queen candidates are Lisa Crooks, daughter of Mr. and Mrs. Aryle Crooks; Lisa Reid, daughter of Rev. and Mrs. Bob Reid; Jill Jesko, daughter of Mr. and Mrs. Raymond Jesko; Tracy Dobbs, daughter of Mr. and Mrs. Ray Dobbs; and Dana Burk, daughter of Mr. and Mrs. Eldon Burk.

Choosing of the candidates was done by members of the girls volleyball team for king, and varsity football team for queen.

Coronation ceremonies will take place at 6:30 p.m. MDT on the Texico football field,

Friday, Sept. 25. In carrying out Texico tradition, two elementary students were chosen as crownbearers for the ceremony. They are Jeff Lynn, son of Mr. and Mrs. David Lynn, and Tori Harmon, daughter of Mr. and Mrs. Ron Harmon.

Athletic-wise, the week will also be a busy one, with the volleyball girls hosting two important district competitors. Tuesday the girls will take on Tatum beginning at 4 p.m. in the school gym, and on Thursday, Sept. 24, the spikers greet Floyd, also in the Texico gym, beginning at 4 p.m.

On Friday night, the football squad plays host to the

Mountainair Mustangs, with the game beginning at 7:30 p.m. MDT.

Homecoming week will begin with a poster contest Wednesday, and any student, class, or club may enter the event. To do so, contest entrants must sign up with their school secretary, where they will be assigned either a volleyball or football theme.

Posters must be completed by 3:30 p.m. Wednesday for judging, and the posters will then be displayed during the volleyball or football game.

Thursday is dress-up day, and all students are invited to wear their "Sunday best." The day also coincides with school

picture day. Prizes, donated by the Bleacher Bums will be awarded to the best dressed students.

Friday will be Green and White day and all students and faculty members are encouraged to wear something in the Texico school colors. A pep rally will take place at 2:15 p.m. MDT in the school gym, and the cheerleaders are already working on some special Homecoming cheers for the rally.

At 5 p.m. Friday a caravan will weave its way through the residential area of Texico, with a special float carrying the homecoming royalty candidates. The caravan

will disband at Wolverine Stadium just in time for everyone to take part in the Wolverine Booster Club barbecue.

Tickets to the chuck-wagon barbecue are currently on sale from any member of the booster organization and are selling for \$3 for adults and \$2 for those age 9 and under.

Tickets will also be sold that night, at \$3.50 for adults and \$2.25 for those age 9 and under. Following the barbecue meal, the crowning of the new king and queen will take place, followed by the Wolverine gridiron match against Mountainair.

Following the game, an alumni reception will take place in the high school library, sponsored by the Bleacher Bums. It is at this time that all graduates and former students at Texico schools will have an opportunity to visit and re-hash old times. Refreshments will be served.

Currently the varsity cheerleaders are taking orders for mum corsages. Contact any member of the cheerleader squad for further details.

Curtis Wins - -

Tiebreaker Score Decides Weekly Contest 1st Prize

Johnny Curtis of Farwell nabbed this week's \$7.50 first prize in the 23rd annual Tribune sponsored Merchants Football Contest, with 11 perfect piskin predictions, and a tiebreaker point spread of only seven points.

Curtis, who was last year's second place overall contest winner, edged ahead of nine other entrants who correctly guessed 11 winning games this week, with the second place prize of \$5 being divided by Sam Drager of Farwell and D. Wade Cargile of Muleshoe. Drager and Cargile each had a tiebreaking point spread of nine points.

Others who guessed 11 games correctly were Hobby Coffman of Amarillo, 10 points off tiebreaker; James Craig, Farwell, 12 points off; Robert White, Farwell, 13 points off; John Gallegos and Scott Parker, both of Texico and both 14 points off; Don Williams, Farwell, 21 points off; and Teresa King, Texico, no tiebreaker entered.

With the contest entering its third week, James Craig of Farwell stands in first place with 21 points, putting him that much closer to the two tickets to the Dallas Cowboy game December 13 at Texas Stadium.

Falling behind Craig with 20 points and in second place for the contest's top prize are Lynn Burton, Johnny Curtis, Sam Drager, Vicky Lynn, Don Williams, Mark Williams and Mike Woods.

Those with 19 points and in third place are Jack Kirkland, Thad Phillips, Billy Roberts and Robert White.

Fourth place standings, with 18 points, are Scott Brown, Fern Christian, William Dannheim, Richard Engelking, Steve Franse, Peggy Goetsch, Craig Kaltwasser, Sue Kirkland, Donnie McDonald, Carlton Newell, Terry Newell, Scott Parker, W.M. Roberts,

Mrs. W.M. Roberts, Beulah Williams and Leigh Ann Woods.

With 17 points and in 5th place are Charles Aycock, Janene Berry, Jimmy Castleberry, Hobby Coffman, Doug Cole, Marcia Cole, and Jenoyce Ford.

Also, Ray Ford, Carl Dean Goetsch, Louise Green, Duane Hamar, Ken Horn, Teresa King, Carl Kirkland, Max Lonsdale, Clyde Newell, Duane Robinson, Patty Ryburn, Dale Sikes, Ricky Sikes, Jennifer Williams and Bob Finley.

Curtis Is The Winner

Johnny Curtis, first place winner of this week's football contest, accepts his check of \$7.50 from Johnnie Rundell of Farwell Insurance, a contest sponsor. Curtis was one of 10 contest entrants who correctly predicted 11 games, but his

tiebreaking entry won him the top weekly spot. Second place winnings were divided by Sam Drager of Farwell and D. Wade Cargile of Muleshoe, who each had a tiebreaking point spread of nine points with their 11 correctly picked games. The

contest enters its third week with this issue, and James Craig of Farwell is in first place with 21 points, putting him ahead of the other entrants for two tickets to the Dallas Cowboy game December 13 at Texas Stadium.

Yields Said Good - -

Area Corn Harvest Begins

Corn harvest in the area is underway and the late summer's wetness is finally paying off for area producers as many are reporting good yields with some producing as much as 10,000 pounds per acre.

The moisture has also contributed to a larger production, as a USDA report, issued September 11, predicts that 7,940,421,000 bushels of corn will be produced in the United States this year, as compared to 6,647,534,000 bushels last year.

In fact, most everything points in favor of the corn producer, with the exception of price. On Tuesday, corn was selling for \$4.73, as compared to \$6.15 a year ago to date, according to Harry Johnson at Sherley Grain in Bovina.

Parmer County Extension Agent Seth Ralston says that the yields are "basically pretty good" and adds that they are at least 25 percent better than last year, due to the nice wet summer.

"Wet weather has also been

beneficial to the wheat, but some will have to be replanted because the recent downpour washed it away," he said.

Ralston said some corn producers have had some problems with stalk diseases "contributed by the moisture," and that the corn borer problem was "severe this summer."

The agricultural agent anticipates a lot of lodging from southwestern corn borer and stock rot problems and says that the producer will probably be working at getting the corn out of the fields before the heavy winds start.

Ralston said that the summer's rainy season helped the producer with growing costs as many were able to turn off the water for days at a time, which should make a big difference in their production costs.

Fred Chandler at Sherley-Anderson-Pitman in Farwell reports that that elevator has been busy most of the week

receiving corn, with most loads averaging a test weight of 54 pounds per bushel.

Chandler says the corn is still a bit wet, with a moisture content of 24 percent. He said the producers are reporting 10,000 pounds per acre at dry weight.

Linnie McFarland at Sherley-Anderson in Lariat says the harvest is "looking good" and reports receiving 158 loads on Monday alone. Lariat area farmers are reporting yields of 8,800 to 9,000 pounds per acre, and McFarland says some are up to 10,000 pounds per acre.

The moisture content received there has been 24 percent and less, according to McFarland, with a test weight of 52 to 55 pounds which he says "is about normal."

Even though many area farm roads can be seen with trucks carrying loads of corn to the elevators now, the harvest won't be at its peak until next week, report most elevator managers.

With production predicted to be up more than a billion bushels across the nation, and prices down more than a dollar a bushel, will the corn harvest be a profitable one for the producer?

Johnson at Shirley Grain in Bovina says what the United States needs to look for is an export market. Johnson reports that wire services indicate that the Russians will need to buy some 30 to 40 million tons of grain this year, but he states that high interest rates in this country may keep an export market from taking place.

As far as other areas of crop production is concerned, Ralston predicts a good cotton crop, saying there are "excellent yields to be made," but adds that the cotton crop still depends on the weather.

"The cool nights have had a detrimental effect on the cotton, delaying maturity, but there is still good cotton in the county," Ralston explained.

Sheriff Investigating Theft Of Guns, Truck

Investigation of two gun thefts and a stolen grain truck to the sheriff's report this week, according to Parmer County Sheriff Bill Morgan.

Stanley Miller of Bovina reported to sheriff's authorities that his pickup truck had been broken into the night of September 13 and two 22-rifles were stolen.

Miller said the rifles were valued at \$135.

Also on the night of the 13th, Al Hartzog, Jr., of Bovina reported that his 22 Ithaca rifle was stolen from his pickup truck while parked in Bovina. Hartzog says the rifle was valued at \$60.

Bill Hunt of Melrose reported that his 1975 red Chevrolet grain truck was stolen from his property located one mile east

and two miles south of Clay's Corner.

License number of the truck, which was filled with a load of corn, is 1MW88. Hunt says total value of the missing truck and corn is approximately \$17,000.

In other action this week, Otis McMillan, postmaster at the United States Post Office in Farwell, reported that glass had been broken out of one of the post office boxes the night of September 9.

Officials at MBPXL in Friona reported to sheriff's authorities that 27 blank checks had been stolen from that plant about one month ago. Sheriff Morgan now reports that the checks are beginning to show up in Clovis and Friona, and that his department is investigating.

A safe, stolen from Parmer County Spraying on August 20 has been recovered by the Parmer County sheriff's department.

All items in the safe, including checkbooks, ledgers, airplane log books and personal papers were recovered along with the safe, according to Sheriff Morgan. "It looked like everything was all in there," he said.

The safe was discovered on September 11 by Parmer County employee Carliss Woods in a bar ditch three quarters of a mile east of State Line Road. Woods was operating a road maintainer when he spotted the safe in the ditch along the road.

Morgan says there are no suspects in the case.

Tonie Rau of Worley Mills elevator in Farwell tests moisture in a load of corn brought in by K.E. Johnson off the Rounton farm in Oklahoma Lane. The elevator worker says loads of corn have been coming in slowly this week, but things are expected to pick up

considerably over the weekend with the corn harvest reaching its peak during the coming week. Most area elevators are reporting yields of up to 10,000 pounds per acre, but all say that most of the corn being received now is still a bit wet, with a moisture content of 24

percent. The average test weight of corn being received by local elevators is 54 pounds. A USDA report issued September 11 predicts that corn production across the United States will be up more than one billion bushels from last year's harvested amount.

Texico City Park Discussed By CofC

Texico Chamber of Commerce met Monday for its regular session, and among the items discussed was the construction of shelters at the KK Runnels Park in Texico.

Also discussed were the condemned buildings in Texico city limits, and the process of the culvert work being done on State Line Road.

Those attending the gathering were Bill Christian, John R. Hadley, Tony Mendoza, Ann Cooper, Lewis Cooper and Louise Ingram.

Football Contest . . . (Continued from Page 1)

last week's pickings and came in this week with eight correct guesses. Its rival, the Texico High math class, had only six correct games chosen.

The games most missed this week among those with 11 correct games were Vega versus Sunray, and Crosbyton at Kress. The Texas Tech at Colorado game was also a highly missed match with most of the entrants picking the Red Raiders.

The trick to winning the contest's grand prize is consistent guessing, and although the annual game is in its third week, it is still not too late for a newcomer to join in the fun. Entries must be returned to the Tribune office by 5 p.m. CDT Friday, or if mailed, must bear a Friday postmark. Entry blanks are found in each issue of the Tribune or at the Tribune office.

Anyone may enter, with the exception of Tribune employees and their families, and

contestants must be 12-years of age or older.

First prize for weekly winners is a check for \$7.50 with second place guessing power earning \$5. The top prize is two tickets to the Dallas Cowboy-Philadelphia Eagle game slated for December 13, plus \$50 in cash, plus overnight lodging for two at the Regent Hotel in Dallas.

With ten weeks left in the contest, everyone is still eligible for the big prize, so hurry and enter!!

District Court

Rex A. Byrd, 30, of Clovis was arrested and charged with forgery and was to have appeared before a grand jury. Byrd waived his grand jury indictment and appeared before District Judge Jack Young where he received four years probation.

Rites For Former Texico Man

Graveside rites were conducted at 10 a.m. Tuesday, Sept. 15, at Lawn Haven Memorial Gardens in Clovis for Joe D. Clark, 30, who died Friday from injuries sustained in a motorcycle accident in Houston.

Rev. Cecil Kleber, OFM, officiated at the services with Steed-Todd Funeral Home of Clovis in charge of arrangements.

Mr. Clark was born August 2, 1951 in Clovis and graduated from Texico High School in 1969. He was employed with the Houston Power and Light Company.

Randy Field Joins Muleshoe CPA Firm

C.P.A.'s Alex Williams and David Sudduth of Muleshoe, and G. Wayne Adair and Donald A. Williams, of Plainview, announce the addition on September 1 of Randall (Randy) Lee Field as partner in the firm of Williams, Adair, Sudduth & Co.; Certified Public Accountants, of Mule-

shoe and Plainview. Randy Field, 27, has been associated with the Muleshoe branch since August of 1979. A Muleshoe High School graduate, Randy graduated in August 1975 from Texas Technological University with a B.B.A. degree in Accounting. He received his C.P.A. certifi-

cate in May of 1977. Field and his wife, Kay, have two children, Douglass 1 1/2 and Allyson 3 1/2. They reside at 1907 W. Ave. H, Muleshoe. Randy is the son of Mr. and Mrs. Albert Field of Lubbock. Kay is the daughter of Mr. and Mrs. H.A. Douglass of Muleshoe.

Roberts Hears Cases

Parmer County Judge Porter Roberts heard three cases this week, two involving driving while intoxicated charges and one for misdemeanor theft.

Linda Pope, 39, of Friona, charged with DWI, pled not guilty and posted \$500 bond pending a court hearing.

Scott Nelson, 26, of Friona, charged with DWI, also pled not guilty and posted \$500 bond.

Linda Martinez, 27, of Muleshoe, charged with misdemeanor theft, was fined \$150 plus court costs and ordered to make restitution.

Fire Calls

Texico reported receiving no emergency calls this week, but the Farwell Volunteer Fire Department received two.

Both Farwell calls were for ambulances. The first occurred on September 13 at 6:12 a.m. and was sent to a residence at 202 Seventh in Farwell.

An ambulance was then sent six miles south of Farwell on September 16 at 11:15 a.m.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 3, 1981

PROPOSICION NO. 1 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would allow the legislature to authorize cities, towns and other taxing units to grant exemptions from ad valorem taxes on an unproductive, underdeveloped or blighted area in order to encourage its development. The amendment would also allow the legislature to authorize a city or town to issue bonds or notes to finance this development and to pledge future increases in ad valorem tax revenues from the property in such areas to repay these bonds or notes.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the commissioner of the General Land Office to issue patents for certain public free school fund land held in good faith under color of title for at least 50 years as of November 15, 1981."

PROPOSICION NO. 3 ON THE BALLOT

House Joint Resolution 38 proposes a constitutional amendment that would enable the legislature to grant to a state finance management committee the authority to manage state funds. Funds constitutionally dedicated to specific purposes would not be subject to committee management. The committee would be composed of the Governor, Lieutenant Governor, Speaker of the House of Representatives, Chairman of the Senate Finance Committee, Chairman of the House Appropriations Committee, Chairman of the Senate State Affairs Committee, and the Chairman of the House of Representatives Ways and Means Committee.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the use of a portion of the excess revenues of the state for water development, water conservation, water quality enhancement, and flood control purposes; authorizing the use of the state's credit, not to exceed five hundred million dollars, to guarantee the bonds of cities, counties, towns, and other units of local government in the financing of projects for such purposes; increasing the interest rate that may be paid on previously approved, but unissued, state bonds; and authorizing a program to retire state bonds."

PROPOSICION NO. 2 ON THE BALLOT

House Joint Resolution 117 proposes a constitutional amendment that would authorize a person to receive a patent to land from the Commissioner of the General Land Office under certain conditions. Application for the patent must be made within five years from approval of the amendment. The land must be surveyed, public free school land not previously patentable. The person must have a properly recorded deed to the land, which he acquired without knowledge of the patent defect and which title he and his predecessors in interest have held for at least 50 years. The person and his predecessors in interest must have continuously claimed the land and paid the taxes for at least 50 years.

This amendment does not apply to beach land, submerged land, or islands. An applicant may not use this provision to

PROPOSICION NO. 4 ON THE BALLOT

House Joint Resolution 6 proposes a constitutional amendment that would provide that one-half of the surplus tax revenues

above the spending limit provided by Article VIII, Section 22, of the Texas Constitution would be placed in a Water Assistance Fund to be used as provided by law, including projects for water development and conservation, water quality enhancement, and flood control purposes or any combination of these purposes.

PROPOSICION NO. 4 ON THE BALLOT

House Joint Resolution 81 authorizes the governing body of a county, city, school-district or other political subdivisions to exempt from taxation a portion of the market value of a residence homestead. The portion exempted may be as much as 40% for 1982-1984; 30% for 1985-1987; and 20% for 1988 and after. The amount of an exemption may not be less than \$5,000 unless the legislature by general law prescribes other monetary restrictions on the amount of the exemption. An eligible adult is allowed to receive other applicable exemptions provided by law. An exception is made where ad valorem tax has previously been pledged for the payment of debt.

PROPOSICION NO. 5 ON THE BALLOT

House Joint Resolution 49 proposes a constitutional amendment that would exempt livestock and poultry from taxation. Currently, farm products in the hands of the producer and family supplies for home and farm use are exempt.

PROPOSICION NO. 5 ON THE BALLOT

House Joint Resolution 49 proposes a constitutional amendment that would exempt livestock and poultry from taxation. Currently, farm products in the hands of the producer and family supplies for home and farm use are exempt.

PROPOSICION NO. 7 ON THE BALLOT

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the issuance of additional bonds to finance the veterans' land program and to increase the maximum interest rate allowable on veterans' land fund bonds."

PROPOSICION NO. 5 ON THE BALLOT

House Joint Resolution 49 proposes a constitutional amendment that would exempt livestock and poultry from taxation. Currently, farm products in the hands of the producer and family supplies for home and farm use are exempt.

PROPOSICION NO. 7 ON THE BALLOT

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the issuance of additional bonds to finance the veterans' land program and to increase the maximum interest rate allowable on veterans' land fund bonds."

Cotton Producers To Pay User Fee

The U.S. Department of Agriculture proposes to institute a users' fee for classing of producers' cotton and increase fees for other services. USDA is proposing to make the new fees and increase effective October 1, 1981.

The producer users' fee will be 60 cents per bale for the classing service. Previously, this service was provided free by USDA under provisions of the Smith-Doxey Act. The users' fee is required under the recently enacted Omnibus Re-

conciliation Act of 1981. Changes in the fees for some of the most widely used services include:

The fee for classing cotton under the Cotton Standards Act would be increased from 90 cents to \$1.00 per sample.

The fee for rewriting classification memoranda would be increased from \$1.50 to \$1.80 per sheet.

The fee for a combination classification for cotton futures would be increased from \$1.50 to \$2.00 per sample.

Johnny Rivas Is New Law Officer

Johnny G. Rivas, son of Maria Rivas of Texico, was one of three Muleshoe Police Department student law officers to graduate from the 22nd Graduating Class of SPAG's 320 hour Basic Law Enforcement School.

The graduating ceremonies were held at the Gridiron Restaurant in Lubbock with

presentation of awards made by SPAG president H.L. "Bill" Young.

Colonel Leo E. Gossett, assistant director of the Texas Department of Public Safety, was the banquet speaker.

Rivas was among 36 class members who graduated from the course.

Texico Booster Club members Gardys Johnson, left, and Janie Day begin preparations for next week's booster club sponsored chuck wagon barbecue to be held in conjunction with Texico's homecoming festivities. Tickets to the

barbecue, which is to take place from 5-7 p.m. MDT at Wolverine Stadium, are \$3 for adults and \$2 for those age 9 and under, and are on sale now. Those who buy their tickets to the mouth-watering

meal ahead of time, from any booster club member, will save a little money as the prices will be higher at the gate. Following the barbecue meal, crowning of the homecoming king and queen will take place.

Karen Snodgrass, Dana White Win In HPJRA Rodeo Finals

For the third consecutive year, Karen Snodgrass of Texico won first place in the High Plains Junior Rodeo Association barrel racing finals conducted in Farwell recently.

The daughter of Mr. and Mrs. Roy Harvey Snodgrass of Texico, Karen has been entering junior rodeo events for many years, and has spent this past summer competing in HPJRA and other rodeo events throughout West Texas and Eastern New Mexico.

For her HPJRA finals competition she was awarded a belt buckle. Karen competed in the 13-15 year old age group.

Another local belt buckle winner, and a newcomer to HPJRA competition, was Dana White of Farwell.

The daughter of Mr. and Mrs. Robert White of Farwell, Dana took first place in the flag race competition in the 12 and under age group.

These girls and other HPJRA finals winners were presented their awards at an

awards banquet conducted in the Farwell cafeteria, which was decorated with an old west theme.

The rodeo was held at the Farwell arena under the direction of the Farwell Jaycees.

Texico Marine Is Promoted

Marine Lance Cpl. Jesse H. Rivas, son of Maria Rivas of Texico, has been promoted to his present rank while serving with Marine Aerial Refueling

Squadron 352, Marine Corps Air Station, El Toro, Calif. A 1979 graduate of Texico High School, he joined the Marine Corps in March 1979.

New Faculty Members Arrive At Farwell

by Doug Cole
Farwell School Correspondent

There are five new faces in the ranks of the teachers at Farwell High this year, including Diane Alfaro, Mike Prokop, Martha Wheeler, Joyce Baker and Bruce Dollar.

Assisting Kay Stanton in the Resource Room this year is Diane Alfaro, wife of Randy Alfaro of Clovis. Mrs. Alfaro graduated from high school at Hobbs, N.M., and then attended Oral Roberts University at Tulsa, Okla.

She graduated this year with a degree in special education and learning disabilities. Farwell is her first teaching job, and she claims she "really likes the school." Her husband, Randy, just ended an Air Force stint following his assignment at Cannon AFB in Clovis.

Mike Prokop of Clovis is one of the two new coaches hired at Farwell this year. He coaches JV girls' basketball, junior high football and is the line coach for the Steers varsity football team.

He teaches senior health class at Farwell High as well as a life science class at the junior high. Prokop is a 1975

graduate of Clovis High School where he was both an all-state player and a high school All-American in football, and a member of the track team.

He went on to Eastern New Mexico University where he earned a bachelor of science degree and played football for four years.

Following his graduation in 1980, Prokop served in the Portales Police Department as a patrolman, and as the head scout and graduate assistant football coach at ENMU.

Martha Wheeler, a transplanted Oklahoman now residing in Clovis, says she likes small schools because "the kids are better." Mrs. Wheeler is the new home economics instructor, teaching Home Economics I and II, Child Development, Consumer Education, and Home and Family Living.

A graduate of Comanche High School in Oklahoma, Mrs. Wheeler was awarded both a BS degree in Home Economics from the Oklahoma College of Women and a masters degree in secondary education from ENMU.

She has lived in New Mexico for 20 years, ten in Roswell

and the past ten in Clovis. Besides teaching at Grady High School and Gattis Jr. High in Clovis, she assisted her husband in a carry-out food business in Roswell, and a packing plant at Clovis.

The mother of two is now involved in further graduate study for a degree in Home Economics at Texas Tech. Besides the kids, she says she likes small schools because of the advantages they offer in teaching, and the fact that the parents are more involved in school affairs.

Joyce Baker, Farwell High's biology teacher, has lived in this area all her life. After graduating from Clovis High School in 1965, Mrs. Baker earned a degree in biology and chemistry from secondary education in 1978 from ENMU.

Her last two years have been spent teaching at Sacred Heart, a private school in Clovis. Her job at Farwell, which also includes teaching science and 8th grade reading, is her first job in a public school.

Her husband Ron is a New Mexico State Police patrolman.

The couple resides in Clovis, and has two children, ages 5 and 7. Mrs. Baker adds that she is "very impressed" with the Farwell school system.

Bruce Dollar, head football coach and athletic director, grew up in Farwell where he graduated from high school in 1967. He attended West Texas State University until 1970 when he served as a medical corpsman in the U.S. Army, stationed in Vietnam.

During his tenure in Vietnam, from April of 1970 to November of 1971, he was decorated twice.

In 1973 he graduated from West Texas State University with a BS degree in the teaching fields of history, government, health and physical education.

Before returning to Farwell, he held coaching jobs at both Wellington and Stratford. Both have been very successful in their football programs.

Lazbuddie Young Homemakers Have Officer Installation

Lazbuddie Young Homemakers installed new officers when the organization met Thursday, Sept. 3, at the school cafeteria.

New officers are Janice Bradshaw, president; Marca Morris, vice-president; Reta Mimms, secretary-treasurer; Sheryl Engelking, historian; and Debbie Weir, reporter.

Outgoing officers who were commended for doing a good job in their posts last year included Mandi Seaton, president; Cindy Cargile, vice-president; Cindy Hall, secretary-treasurer; Marca Morris, historian; and Sheryl Engelking, reporter. Cassandra Cargile is the chapter advisor.

In other business, the pecan sales and two new projects were discussed. The pecans are selling for \$4 per pound, \$24 per half case, or \$48 per

case. New projects discussed were the Christmas bazaar and the community cookbook. Sheryl Engelking is chairman of the bazaar and Cindy Cargile is chairman of the cookbook.

Representing the Lazbuddie chapter at the Area Young Homemaker meeting on September 5 were Marca Morris, Cassandra Cargile and Cindy Cargile. The chapter "Little Sister," Susan Glover, attended the area banquet in Amarillo that night. She is a senior at Lazbuddie High.

A membership tea was planned for Thursday, Sept. 17, for anyone wishing to become a member of the Young Homemakers organization.

Other activities for the meeting included the revealing of secret pals and the discus-

sing of new names for the main project of the year, our Senior Citizens. The Senior Citizens that our club will honor this year include Dixie Barnes, Vivian Ham, Bertha Hardage, Effie Jennings, Sam Layman, Alfred Scott, Myrtle Steinbock, Theadora Steinbock, Willie Steinbock, Nola Treider, Clara Weaver, and Josephine Wenner.

Members present for the meeting included Ellen Gallman, Patty Robinson, Joann McDonald, Nellie Vice, Billie Mason, Marca Morris, Janice Bradshaw, Debbie Magby, Lana Cobb, Reta Mimms, Rickie Seaton, Mandi Seaton, Sheryl Engelking, Jenny Mitchell, Cindy Cargile, Vickie Burch, Debbie Smith, Debbie Weir, and Cassandra Cargile, advisor.

Homemaker Officers

New officers of the Lazbuddie Young Homemakers include, from left, Sheryl Engelking, historian; Debbie Weir, reporter; Reta Mimms, secretary-treasurer; Marca Morris, vice-president; and Janice Bradshaw, president. The of-

ficers were installed at a meeting of the group September 3 when members discussed new projects for the coming club year. New members are invited to join the Young Homemakers for their monthly meetings.

Engrams Attend Family Reunion

Mr. and Mrs. Ted Engram of Farwell returned home Saturday, Sept. 12, from a trip to Seattle, Wash., where they attended a reunion of Lennie's family, the McCauleys.

When the local couple left here on August 19, they drove to Grand Junction, Colo., where they visited with cousins and friends. Then they flew to Seattle to the reunion site.

McCauley children and their families attending included Mrs. Engram of Farwell, Evelyn Strantz of Seattle, Wilson McCauley of Portland, and Mary McKay of Longview, Wash. Twenty-nine persons were on hand for the reunion.

The Engrams also enjoyed going to the locks to watch the fishing boats coming and going

at Seattle and then went on to Longview to visit the McKay family. They flew around Mt. St. Helen's volcano and Mrs. Engram reports that it was really quite a sight, that no description or TV picture really shows what it is actually like. They also went to the site of a nuclear plant and then went on to Portland to visit her brother and his family including his children and grandchildren.

They spent some more time at Grand Junction en route home, then spent one night at Red River before arriving in Farwell on Saturday. They said the fall colors in the higher elevations near Red River were already quite a lovely sight.

Mabel Beck Attends Women's Ag Group Meet

Mabel Beck of Farwell recently traveled to California to visit her daughter, Charlotte Slocumb, and while there, had the opportunity to attend the California Women for Agriculture's State Board Meeting.

"The California farmers have a similar problem to that of Texas, which is to educate

the city people regarding agriculture," Mrs. Beck said.

The Women's Ag group sponsored a Farmers' Fair while Mrs. Beck was there, at Fort Mason on Pier 2, near the Golden Gate Bridge.

"The purpose for the Fair was to bring before the city people more knowledge about

farming, what is really involved in farming and what the farmer gets for his crops," Mrs. Beck said.

Other activities the fairgoers could enjoy seeing included sheep shearing, horse shoeing, bees producing honey, butter churning, weaving and spinning wool.

"Produce booths showed the grains in the stalk, grapes on the vine, and other booths sold a variety of fruits and vegetables at the price farmers receive. Many people were surprised at the difference between the price the farmers receive and the price charged at the grocery store," she recalled.

Produce for sale included everything from apples, artichokes and avocados selling for five for a dollar; beans, bell peppers, five cents each; and broccoli, carrots, cauliflower and corn all the way to zucchini. Tomatoes were sold at two pounds for two and a half cents and lemons were two cents each. Cantaloupes were 15 cents each and crenshaw melons brought 35 cents each.

"The sole purpose of the Fair was to educate city residents as they are so far removed from the farm and they have no idea of how much they depend on the farmer, and they finally realized that

much of the information they receive about farming is inaccurate," Mrs. Beck commented.

"We found out that less than four percent of the American population are farmers who feed the entire country, and 150 years ago farmers outnumbered the rest of the occupations in this country by more than three to one. The number of farmers today is outnumbered by non-farm families 25 to 1," she said.

"It was also stressed to us that out of the meager amount received by the farmer for his

produce, he has to pay all of his expenses. The display helped the consumer to equate the packaged products that they buy in the store to the actual crop that is grown in the field, and to the farmers who produce them," Mrs. Beck pointed out.

Mrs. Beck said being with the Women's Ag group, of which her daughter is a member, and attending the Fair sponsored by them "was a wonderful experience, I just loved every minute of it and took notes the entire time. I really learned a lot!"

Mrs. Landrum Hostess For SS Class Meeting

Mrs. Bessie Landrum was hostess for the Monday afternoon meeting of Friendship Sunday School Class of First Baptist Church, Farwell.

In the absence of outreach leader Gladys Hardage, Estelene Billington presided at a brief business session.

Following the business portion of the program, each member then quoted her favorite scripture and told of something the Lord had done for her lately. Beulah Williams closed the session with prayer. The hostess then served

refreshments of pound cake, fruit squares, strawberry salad, pretzels, crackers, coffee and tea.

Present were Sallie Chandler, Alma Sledge, Bessie Landrum, Beulah McWilliams, Estelene Billington, Elsie Hardage, Pearl Gerles, Beulah Williams and Leatha Jo Roberts.

Farwell Homemakers Observe Week With Special Activities

September 14-20 has been designated as Young Homemaker Week in the state of Texas, and the local YH Chapter has been extremely busy with their usual church, community and family volunteer projects in conjunction with the special week.

The week kicked-off with a Membership Open House tea at the home of Gwen Corn in Farwell, where the group gathered to welcome prospective members into the local group.

During the week, the members have treated Farwell school administrators and faculty members with baked goods thanking them for their service to the students of the community.

Some of the members' crafts and hobbies have been displayed around town in various businesses, in an effort to show the public some of the things Young Homemakers are involved in. The displays range from homemade afghans to refinished furniture.

The organization also sent flowers to area churches, thanking them for their service to the community.

The local group not only is active during the annual Young Homemakers week, but continues their volunteer service throughout the year, as well as providing members with monthly programs.

The chapter has been honored many times over the past two years at district conventions, being chosen "outstanding new chapter" in 1979 and "outstanding chapter" in 1980. In addition, many of the Farwell members have served on the district board as officers, and this past year, Sharon Eubanks was responsible for the convention's program.

During the past year, the women have contributed greatly to the community with their service projects and monetary donations.

The chapter provides the monthly birthday cake at the Farwell Convalescent Center, and at Christmas time provides stocking stuffers to the residents of the Center.

The club has also given cash donations to the Portales Children's Home, and has contributed much time and effort to the Clovis Zoo Improvement group.

In an effort to procure playground equipment for the Farwell elementary school, the Farwell Young Homemakers sponsored the Campbell Soup label drive. And since their group is affiliated with the school system, they assist each year with Public Schools Week, serving as hostesses and making baked goods at the annual school open house reception.

A Mother's Day Tea is held each year for the moms and grandmothers of members.

In addition, the ladies work very closely with the Farwell Chapter of Future Homemakers of America, helping the young girls with their various school and home projects.

For the upcoming year, the chapter has a full slate of educational programs to be given at monthly meetings.

For September, the group will hear Southwestern Public Service representative Connie Moyers give a lesson on "Energy Efficiency in the Home." Mrs. Moyers will return for the October gathering and speak to the group on "Holiday Foods."

In November, Peggy Jones will give a few tips on furniture upholstery. A November social is slated next, with graphoanalysis to be given by Burd Kirkpatrick of Clovis.

A program on house plants and the green house will be presented in December, and in January, Charles Guthals of Clovis will speak to the group on landscaping.

A Valentine social is set for February, and in March the group will be given some tips on home decorating. The Farwell Volunteer Fire Department will give a demonstration on fire equipment in April, and in May the local chapter will wrap up its busy year with the election of new officers, their annual Mother's Day Social, and a program on hats by Rita Welch.

The May social will also include the naming of the chapter "Willing Worker" and "Outstanding Member," honors that were bestowed on Patsy Camp and Beverly Foster last year.

Young Homemaker membership is open to any woman, married or single, ages 18-35. The Texas Education Agency is the sponsor for the Young Homemaker group across Texas, and advisors of chapters are employed homemaking teachers. Mrs. Martha Wheeler is the local group's advisor.

Those attending the recent Open House tea were all officers, including Beverly Foster, president; Gwen Corn, vice-president; Lori Winegeart, secretary; Patsy Camp, treasurer; Ruth Anne Bennett, reporter-historian; and Sharon Eubanks, parliamentarian.

Also present were Sheree Montgomery, past president; Cindy Billingsley, Nelda Wilhite, Becky Martin, Tina Sides and Martha Wheeler, advisor.

Present were Mesdames Velma Kelley, Nora Day, S.G. Jones, Margaret Horne, Mary Dell Brown, Bobbie Gilliam, Lois Hudnall, Mora Schlueter and Gracie Dane.

Leaving here on August 16 the local couple joined their daughter and family, Mr. and Mrs. Frank Fipps, Kevin and Chris, and the boys' babysitter Edna, for the "once in a lifetime" journey. The Fipps family, who live in Oklahoma City, had planned the trip for the group and they all traveled together in a large van.

Their first stop was in Memphis, Tenn., where they saw Elvis Presley's mansion and other topics of interest, and then it was on to Nashville where they toured the Music Hall of Fame, which was "a real thrill," according to Mrs. Dannheim. They especially enjoyed glimpsing Elvis' gold Cadillac, along with guitars and other musical instruments owned by one-time country music stars.

From there the group headed on through West Virginia, Virginia and on to Pennsylvania. At Levittown they were guests of their son and family, Mr. and Mrs. William Dannheim Jr.

While in this area they toured William Penn's Colony, and saw the monuments, boats and other historical items where George Washington crossed the Delaware.

In New Jersey they finally got to the seashore where they waded in the ocean, went sightseeing along the boardwalk, and went to Surf Island where Dannheim Sr. and grandson Chris went to the top of a huge old lighthouse. Mrs. Dannheim reports that "it was just too high" for the rest of the trouper and they were satisfied to view it from below. She also said that one of the most thrilling things to see was the tide as it went out.

They also went to a shipyard where they toured the USS Olympic and the submarine USS Becuna. During the tour of this latter vessel they were eight feet under water and that experience was "a little strange," the Farwell woman said.

Next was a trip to Philadelphia where they saw the zoo which they reported was "just gorgeous."

In the Washington, D.C., area they made stops at the White House, the Capitol Building, Lincoln memorial, Arlington National Cemetery, Robert F. Kennedy Memorial Stadium (a big treat for the guys), and many other memorials and landmarks around the vicinity.

Florida was to be the next place visited and off the travelers went, back through Virginia, on to North Carolina and then to South Carolina. It

Dannheims Take Trip Through 18 States

Willie and Lorine Dannheim of Farwell returned home August 29 from a trip to the New England-Eastern Seaboard area, and back along the coast all the way to Florida on a sight-seeing journey that covered parts of 18 states.

At Pensacola, Fla., they enjoyed seeing the ocean from another view and said the beaches were covered with sand "as white as snow. They noted with interest all the new buildings, motels etc. being built right out on the beach front.

Vacation time was nearing an end; so it was a hurried trip back through Mobile, Ala., on to Mississippi, Louisiana, Arkansas, Oklahoma, and back to Texas.

Mrs. Dannheim said that it was her second time to visit the son in Pennsylvania, but that it was Dannheim's first time to go there. They both say that it was a "once in a lifetime" event and one that they will remember for a long long time.

McDormans Have 10-Day Family Trip

Mr. and Mrs. James McDorman of Farwell and her sister, Hester Robertson of Clovis, returned home Friday from a ten-day trip to Seymour, Tex., and Purcell, Okla., where they visited the McDormans' sons and families, Larry and Carolyn and sons Larry Jr. and Gaylon; and Glyn and Sharon and children Marney, Ira James and Collin Glyn.

The local trio drove through Munday, Tex., where the sisters had attended school in 1925.

While in Seymour, Mrs. McDorman attended a high school football game with her son Larry. Grandson Gaylon is in the band at Seymour and grandmother was surprised when she discovered the band playing the school song that was the same as Farwell's!

Both Larry and Carolyn are teaching in Seymour schools, Larry is a teacher and coach in the high school, and Carolyn helps with the three and four year olds.

The traveling group also went by Archer City, Tex., Velma's birth place, to visit an uncle, Irby Fish. Ben Kemp of

Sweetwater, Tex., a brother of Velma and Hester, was also visiting the uncle and it was a grand time to re-hash old times.

A stop in Wichita Falls, Tex., was also on the traveling agenda to visit with grandson Larry Wayne, Jr., who is a sophomore at Midwest University.

The group then spent four days with the Glyn McDormans at Purcell, Okla. Glyn has recently transferred there with General Telephone Co. from Norwalk, Ohio, and is working as a service administrator in dispatch control.

On the way back to Farwell the trio stopped in Pauls Valley.

Mrs. McDorman says, "It was a real nice trip, but we were glad to get back home!"

Wedding Reminder

Friends and relatives of Carrie Elizabeth George and David Randolph Harding are reminded of the couple's wedding ceremony, scheduled for Saturday, Sept. 19.

Vows will be exchanged at 6 p.m. CDT at the Grace First Presbyterian Church in Weatherford.

The bride-elect is the daughter of Mr. and Mrs. Henry T. George of Weatherford, and the prospective bridegroom is the son of Mr. and Mrs. Hurshel R. Harding of Farwell.

Thank You

Karon and I wish to express our personal thanks to the men of the Farwell Ambulance Service.

We do not realize how much you mean to this community until times of emergency. You made the trip to the hospital safe and assuring because of your experienced help. Thank you for a job well done.

Also, our love and thanks to everyone in this area. Knowing such precious friends as you make our lives richer each day. You hold a treasured spot in our hearts because you are so kind to us.

To my way of thinking nothing will compare with lots of good neighbors whose customs are rare. They are the most considerate, day in and day out, as good as real angels, without doubt. If you're sick or you're well, no difference it makes. They stand by you through all with whatever it takes. They tell me in cities you don't know the name of folks you live right by - I think that's a shame. I may be old fashioned, but just take it from me - Among a lot of good neighbors is the best place to be. I one time imagined that when I grew old there'd be nothing like owning a lot of real gold. My fancies have changed now, and I've learned by this time it's not gold I'll enjoy most; but these neighbors of mine.

To us YOU are very special. May God always bless you. Dudley and Karen Bristow Proverbs 27:9

Texico Baptist Women Have Royal Service

Baptist Women of the First Baptist Church of Texico met at the church on September 2 for their regular Royal Service program with chairman Mora Schlueter in charge.

Mrs. Lois Hudnall played "Satisfied With Jesus" on the piano to open the meeting and then read a scripture from James 5:7-12, and then read the names of missionaries having birthdays on that day. She then gave a summary of the missionary of the week, Elias Golonka, whose birthday was on September 2. Mrs. S.G. Jones led the group in prayer.

Theme of the day's program was "The Cooperative Program and Personal Giving," with sub-topics of "The Cooperative Program and Bold Mission Thrust," "An Individual's Way of Giving," "What Else Motivates Her Giving," "Husband and Wife Decisions" and "The Cooperative Program is Great." These topics were given by Nora Day, Velma Kelley, Bobbie Gilliam, Mary Dell Brown and Mora Schlueter.

Mrs. Schlueter closed the program with prayer.

In the absence of president Helen Bowers, Lois Hudnall conducted a short business session in which a suggested goal was set for the "state missions" which will be voted on by the church.

Present were Mesdames Velma Kelley, Nora Day, S.G. Jones, Margaret Horne, Mary Dell Brown, Bobbie Gilliam, Lois Hudnall, Mora Schlueter and Gracie Dane.

Wolverines Fly Over Eagles With Winning Score Of 20-7

by Mike Arnold
Wolverine linebacker Lynn Tubbs put on a dazzling display of alertness, quickness and speed last Friday night as he picked up a Lubbock Christian fumble in full stride and raced down the sidelines untouched for a 77-yard touchdown.

Tubbs' touchdown run came with 7:17 to go in the 4th quarter, stopping a Lubbock Christian High School drive and the Wolverines went on to win the contest 20-7.

Both teams had trouble hanging onto the ball in the first quarter, with Lubbock fumbling on their first two possessions, and Texico mishandling the ball its first three possessions.

On one Texico fumble, Lubbock got the ball on the Wolverines 13-yard line with 1:23 left in the 1st quarter, but the Wolverines held the Eagles scoreless.

The Eagles were fired up in the second quarter and scored on the third play on a Chuck Stevenson one-yard run. The extra point was good, but that was to be all the scoring for the Eagles. The Wolverine defense stiffened and the offense got rolling, with 5:02 remaining in the 2nd quarter, and the ball on their own 3-yard line.

With Earl Bibbs, Willie Bibbs, and Todd Geris moving the ball on the ground, and Jerry Wimberly completing passes to Kent Harding and Kevin West, the Wolverines moved downfield and with 54 seconds showing on the clock, Wimberly hit West for a 17-yard TD pass. The PAT was unsuccessful leaving the score at halftime Lubbock 7, Texico 6.

The Wolverines came out of the dressing room ready to play in the second half as they ran 20 plays to Lubbock's 4. Todd Geris received the opening kickoff and returned the ball to the Texico 30-yard line where the Wolverines started to roll.

With the Bibbs brothers and Geris running the ball for 12 consecutive plays the squad moved the ball down to Lubbock's 34-yard line. A Wimberly 32-yard pass to Harding placed the ball on the 23-yard line. Two plays later, E. Bibbs ran the ball from 1 yard out, making the score 12-7 Texico.

The PAT was unsuccessful and the 3rd quarter ended.

After an Eagle punt in the 4th quarter, the Wolverines got the ball back on their own 44-yard line with 10:17 left in the game.

On Texico's first play, Wimberly and E. Bibbs fumbled a handoff and Lubbock recovered on Texico's 40-yard line.

The Eagles moved down to Texico's 21-yard line, and threatened to score. But on a 3rd and 10, Wolverines defensive player James Robinson broke through the line and hit

Lubbock's quarterback causing a fumble. An alert Tubbs scooped up the ball and raced down the sidelines untouched for a 77-yard TD. The successful PAT was a pass from Wimberly to E. Bibbs. The Eagles' wings were clipped and the final score was Texico 20 and Lubbock 7.

"We had the opportunities in the first half but just didn't capitalize on them," recalled Wolverine coach David Lynn following the game. "But the team decided to play the second half, and that made the difference. The kids played a good ball game, we just didn't capitalize when we should have," he said.

Coach Lynn awarded the weekly Big Lick award to Jerry Wimberly on offense, and Kent Harding, Jeff Dunsworth and Todd Geris on defense.

The coach also had high praise for James Robinson for his 15 tackles, the most important of which was the tackle that caused the Eagle fumble, which was picked up by Lynn Tubbs, producing a 77-yard TD run.

Tonight the Wolverines will tackle another flock of birds, the Cardinals from Eunice.

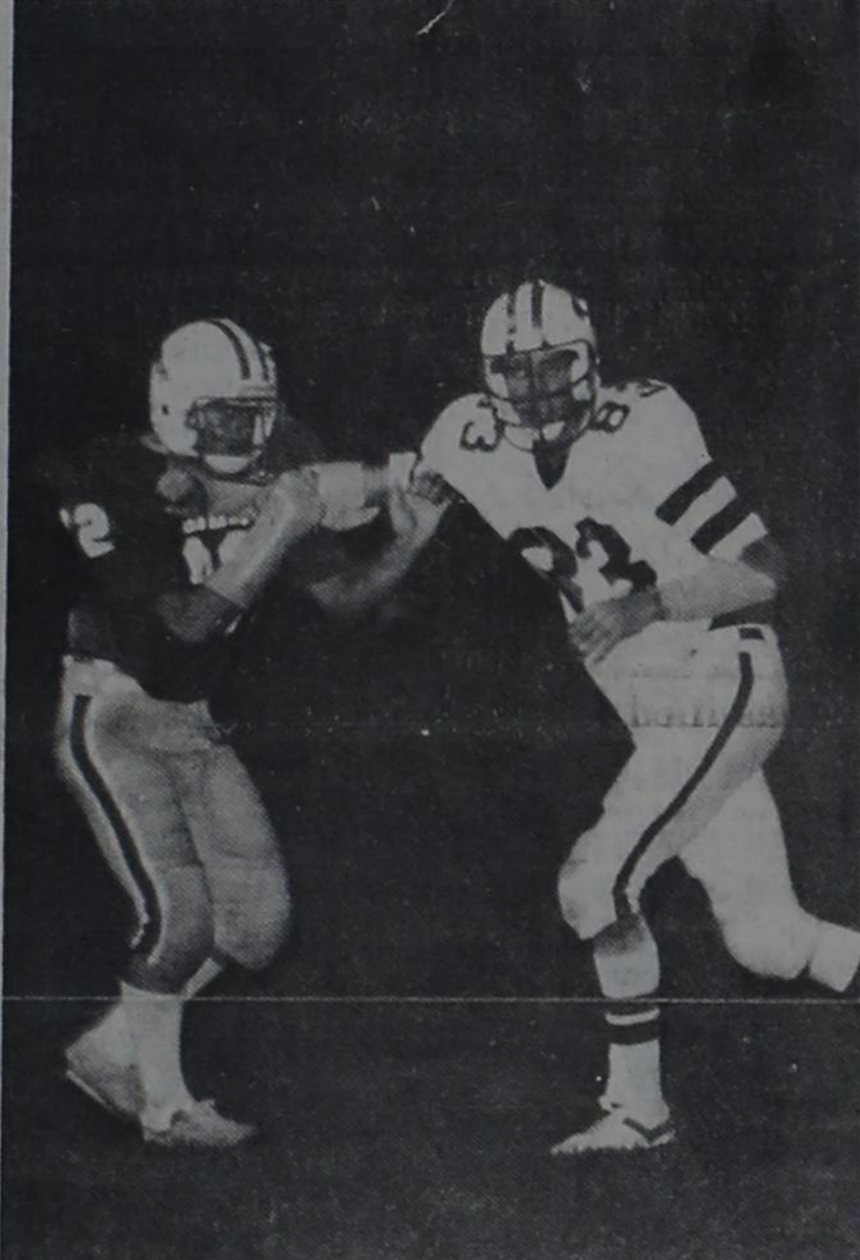

The game will be an especially competitive one for Coach Lynn as the high school is his high school alma mater.

For the season, Eunice is 0-2 but coach Lynn says the ball club has "a pretty tough schedule" and he feels the Cardinals will arrive at Texico "ready to play."

"They think this will be the game they'll win. So far they've been able to compete real well. If we win this, we'll be able to tell what kind of football team we have," the coach said.

Eunice, an AA Class School, is a young team according to Lynn, "and not very big in size."

Outta My Way!

Wolverine Kent Harding [83] puts a strong arm on an Eagle opponent at last Friday night's Lubbock Christian-Texico gridiron clash as he clears the way to catch a Jerry Wimberly thrown ball. Harding had three ball carries during the game for 45 yards. Texico won the clash 20-7 in what began as a sloppy game for the Wolver-

ines but tightened up following the half for some stiff defense and outstanding offensive plays. Tonight the Wolverines play host to Eunice. Game time is 7:30 p.m. MDT. Coach David Lynn says even though the Eunice Cardinals are 0-2 for the season, the game should be "highly competitive."

Turf Grabber

Earl Bibbs [40] refuses to relinquish the prized pigskin until the referee blows the whistle, and continues to push himself forward in an effort to gain more precious turf in last Friday night's victorious foot-

ball game against Lubbock Christian High School. For the night, Bibbs was the big yard gainer having 19 carries for 89 yards. The hustling Wolverine also scored one of the three

touchdowns for the Green and White. Tonight the Texico gridiron squad will take on the Eunice Cardinals at Wolverine Stadium beginning at 7:30 p.m. MDT.

Junior Wolverines Override Portales

by Texico Journalism students
Last Thursday was a good day for the junior high Wolverines as they defeated their opponents, the Portales Lambs, by a score of 16-0.

The young Wolverines ended their first quarter scoring drive by a one-yard dash into the end zone by Billy Bibbs. Bibbs also ran for the extra points, and at the end of the first quarter the young Green and White led 8-0.

In the second quarter Bibbs broke loose again to do some key blocking with Kyle Snipes. Bibbs then bounded down the sidelines 99 yards for Texico's second score.

Buck Gaddis hit Danny Powell in the end zone for the conversion. The Portales squad once again failed to score when pushing the ball, and at halftime Texico led 16-0.

The second half was a defensive stalemate with the teams failing to cross the goal line.

Wolverines contributing to the cause were Jay Robinson who had the most quarterback sacks with two. Leading tacklers for Texico were Buddy

Adkins, Ronnie Galvan, Doug Thornton, Jay Robinson, Billy Bibbs, Dusty McCormick, Danny Powell, Bobby Stewart and Kyle Snipes.

Coach Scott Parker presented the "Big Lick" award to the

entire offensive line, and on defense the weekly award went to Billy Bibbs and Doug Thornton.

For rushing, Bibbs led the way with 19 carries for 190 yards.

Sports Car Club Sets Auto Show

The Curry County Sports Car Club will be conducting its annual Auto Show at Hilltop Plaza September 26, and entries for the car show are still being accepted.

The show will be open to the public, and entries will be taken from 8 a.m. until noon. Entry fee is \$10 and judging will begin at noon.

Classes to be entered include

cars, pickups, vans and antique autos.

Awards will be presented at a special banquet to be conducted at the Holiday Inn in Clovis beginning at 7 p.m. MDT. Cost for the affair, which will be semi-formal, is \$8.50 per person.

For further information on the 3rd annual car show, contact David Deaton at 763-3447.

Pictures Taken Tuesday For Texico Students

September 24 is the day school pictures will be taken for Texico students. The pictures will be taken by Blunk's Photography of Clinton, Okla.

The photographers advise

that students avoid wearing light, bright colors, and to wear cool, deep colors. Those shirts with a three quarter inch sleeve "give the best look," the company says.

Creative sitting fees for seniors are to be paid at the time of the photo sessions.

Muleshoe Falls Twice To Texico Lady Spikers

Texico varsity lady spikers continue their winning streak, even though their coach is not totally pleased with their playing.

"We're still not clicking the way we ought to," explained the coach, Mike Littlejohn, following his team's two wins over Muleshoe. "We have better passes, but we don't spike them over like we should. Hopefully, the close game on Tuesday scared them a little and we'll begin playing better," he said.

The varsity volleyball girls defeated Muleshoe in their first clash last Thursday 15-2, 15-5. Following the game, which was played on the Muleshoe courts, Littlejohn said the team's passing, sets and spikes "need work."

The coach cited Cheryl Scott and Pam Hoyl for their hard drive during the first Muleshoe match.

On Tuesday, the Texico ladies hosted Muleshoe and the two-game victory did not come as easily as it had only a few days before.

Texico did win the match, 15-8, and 15-12, but Littlejohn was still a bit disappointed at the team's playing.

"The only bright spot was our serving, and that wasn't great," he said. The coach did praise Lisa Crooks and Pam Hoyl for their powerful serving during the game saying Crooks had 9 out of 10 serves, with 3 aces. Hoyl also took 9 out of 10 serves.

The varsity girls now face

three consecutive district games, beginning with an away game at Melrose on Saturday. Game time is 10 a.m. MDT.

Next the Lady Wolverines will host district rivals Tatum on Tuesday, and Floyd on Thursday, beginning at 4 p.m. MDT.

Littlejohn points out that the team's serving has been "strong so far," and that defense has been "pretty good. Our offense has to get a lot better to beat some of our tougher district teams," he said.

The coach also said that he and his girls are currently in the process of putting in new offensive strategy, and once underway the Lady Wolverines will have a total of three offensive plays to initiate. "The new one is to be a lot more complicated than those we had last year," he said.

Texico's junior varsity volleyball team soundly defeated their Muleshoe opponent on Tuesday taking the first two games 15-9, 15-5. "The girls did a good job. They are beginning to jell as a team," Littlejohn said following the game. "Their serving was very good. And they were all good on defense." The coach also cited passing as a bright spot in the game.

Kandy Keeler and Valda Cavallero received praise from the coach for their serves. Keeler had 12 out of 12 and Cavallero had 11 out of 12.

Volley ball was invented and played in Holyoke, Mass. in 1895.

Anton Bounces Over Lazbuddie

"I can't fault them at all for their effort," said Lazbuddie head coach Terry Campbell concerning his team's second season loss last Friday night against Anton. "We're making a few mental errors, and we'll have to work on those," he added.

The Longhorns suffered a 27-0 defeat on the Anton turf, putting their season tally at 0-2. "We played well the first half," Campbell said. "And we held them until the fourth quarter, but our mental errors are hurting us."

Campbell had praise for Bart Elliott and Joe Gonzales saying they were big contributors to the Longhorn effort.

Perhaps tonight will be the Longhorns' first season win as they will have their first home game, playing against Sundown.

The Roughnecks boast 12 lettermen and nine starters returning from last season. "We'll try and eliminate our mental mistakes, and that should keep us in the game," said Campbell.

Game time is 8 p.m. CDT at Longhorn Stadium.

Bulldogs Bite Steers 20-13

by Doug Cole
Farwell School Correspondent

In a hotly contested battle that wasn't decided until the final two minutes, the Amherst Bulldogs stunned the Farwell Steers 20-13 Friday night at Amherst. The loss leaves the Steers still looking for their first win after two clashes on the turf.

Amherst tailback Barry Johnson was a thorn in the Steers' side all night long as he rambled for 174 yards and accounted for all of his team's points. His 11-yard run with just 1:20 left in the game clinched the Bulldog victory.

The Steers got off to a fast start in Friday's game. After forcing Amherst to punt on their first possession, Farwell took over on their own 10-yard line.

On the Steers' first play from scrimmage, Steer running back Santiago Lucio raced around left end for 58 yards before finally being dragged down by two Bulldog defenders at the Amherst 32.

Hard running by Lucio, Robbie Armstrong, and quarterback Alan Eubank kept the drive going with a first down at the 25. After an incomplete pass and a fumble, the Steers were faced with a 4th and 6 on the Bulldog 21. A 12-yard pass reception by David Daniel kept the Blue and White scoring chances alive.

Quarterback Alan Eubank's 2-yard TD run with a mere 4:25 left in the quarter gave Farwell its first score of the season and climaxed a 90-yard drive which ran over 5 minutes off the clock.

Raymond Sierra's PAT kick gave Farwell a 7-0 lead.

Following the kickoff, the Steer defense again forced Amherst to punt after Brent Green broke up a pass play on third down. If the Steers' play up until this point was any indication of things to come, a repeat of last year's 49-0 thrashing of the Bulldogs wasn't unthinkable.

However, on the Steers' first play after receiving the punt, they suffered an interception, only the first of five turnovers that would plague the local team.

It took the Bulldogs only 4 plays to capitalize on the turnover, as Johnson sprinted in the end zone from 16 yards out. In the PAT attempt, Farwell's Ricky Armstrong burst through the line and blocked the kick, preserving a 7-6 lead with 11:36 left in the first half.

The Steers were unable to score in their final two possessions of the half, but a swarming defense, led by Rocky Ford, Jimmy Bernal

and Ricky Armstrong, trapped Bulldog runners behind the line of scrimmage three times in the final moments of the first half.

The half ended with Brent Green deflecting a long pass away from an Amherst receiver.

The third quarter began on a sour note when a Steer fumble on their own 40-yard line put Amherst in scoring position again.

The Bulldogs, led by the running of tailback Barry Johnson, capped a 40-yard drive when Johnson crashed over the goal line from the 2 at 7:50 in the third quarter.

Again, the PAT failed, this time a run. Johnson was stopped cold by Claud Gobble and Jimmy Bernal.

Once again a turnover on the Amherst 15-yard line stopped the Steers from scoring midway through the third quarter. But the defense bottled up the Bulldog attack when Rocky Ford and Ricky Armstrong stopped the Bulldogs on a 4th and inches at the Steer 36.

A roughing-the-kicker penalty gave Farwell a first down at the Amherst 34 late in the third quarter. Alan Eubank ran 14 yards on an option down to the 20, but a holding call backed the Steers up to the 35. On the very next play, Jimmy Bernal outran two Bulldog defenders and gathered in a perfect strike from QB Alan Eubank for a touchdown. The PAT attempt was no good, but the Steers enjoyed a 13-12 lead at the end of the third quarter.

After an exchange of punts, Amherst got the ball on their own 39 with 7:15 remaining in the ball game.

A costly facemask penalty negated the efforts of Bernal and Armstrong, as they tackled Bulldog ball carriers twice behind the line of scrimmage. The penalty gave Amherst a first down on the Steer 48.

Again, the Bulldogs ran effectively on the Steers, and made a first down on the 26. After a hard hit by Raymond Sierra, the Steers dodged a bullet when Claud Gobble covered an Amherst fumble, giving the Blue and White a chance to run out the clock and win the game with 3:07 left to play.

But disaster struck in the form of yet another turnover, a Steer fumble at their own 38-yard line with 2:32 to go in the game.

The Steer defense could not stop the Amherst running game in the final moments of the contest, and with just 1:20 to go in the game, Johnson sprinted into the end zone for the winning score.

The run by Johnson for the PAT was successful, and the

Bulldogs had crept ahead of the Steers 20-13.

Farwell got the ball back at 1:13 in the fourth quarter, but could not move downfield. After four straight incomplete passes the Bulldogs took over and merely ran the last 50 seconds off the clock to preserve a 20-13 win over the Farwell Steers.

"I'm not disappointed. They played as hard as they could play and everyone did their job," said head coach Bruce Dollar following the game. "They played much better than they did against Plains, it was like night and day."

Dollar cited Santiago Lucio for his outstanding yardage gain, a total of 140 yards rushing. David Daniel and Brent Green also received praise from their coach. "Daniel caught two passes to obtain two important first downs for us," the coach said, and "Green did a good job of blocking, and knocked down a Bulldog pass."

Dollar continued by lauding players Jimmy Bernal, for catching a touchdown pass; the entire offensive line, including Claud Gobble, Steve Schilling, Ricky Armstrong, Lenny Beal, and Rocky Ford; Robbie Armstrong "who did a real good job for us, and it was his first game as a starter," the defensive line; Raymond Sierra for 28 tackles; and all three secondary players, including Alan Eubank and David Daniel who had 15 tackles each.

Tonight (Friday) the Steers travel to Morton for a gridiron pow-wow with the Indians, a team they have beaten the past two years on the Farwell turf, and a team that is also 0-2 for the 1981 season.

"They are every bit as good as Plains," says Farwell coach Bruce Dollar, adding "and a whole lot bigger. They will probably outweigh us by a good 20 pounds."

Dollar says the Indians possess more "talent" than Plains and predicts the game to be "very competitive. I'm optimistic though. If we don't fumble we'll be in the game."

Computer Know-How

Farwell educator Edward Wees explains the workings of the school's newest computer to student Tracy Williams. The computer made its arrival at

Farwell last week, opening up a whole new course to be offered to math students. Just your "basic" computer at

present. Wees says he hopes to obtain a print out machine for the new piece of equipment in the near future.

Computer Arrives At Farwell High

by Doug Cole
Farwell School Correspondent

A new teacher's aid arrived at Farwell High School Wednesday afternoon in the form of an Apple II computer. The new computer is being used in a class taught by math instructor Edward Wees.

In Wees' class, students are taught to program the computer for a variety of functions. Some of the possible uses mentioned are the keeping of the school's financial records, assisting principal Don Malone in the planning of the class schedule, and even keeping records of the statistics for the boy's basketball team.

For now, however, the computer is being used solely in Wees' class. Students enrolled in the class include Lenny Beal, Santiago Lucio, Lila Grippin, Olivia Mendoza, Ginger Ellison, Dale Sikes,

Farwell Boosters To Sponsor Bus

Farwell Booster Club will sponsor a charter bus for Steer fans who want to attend the Kress football game October 16. The gridiron clash with Kress is the first district game for the varsity Steers.

Cost for the bus ride to Kress will be \$8.75 per person, and the seats will be sold on a first come, first served basis, as only 47 seats are available. The bus will depart from the Farwell school parking lot promptly at 5:15 p.m. CDT. For reservations, contact Doris Ford.

Stacy Turner, Robbie Armstrong, and David Daniel.

The students are encouraged to work at their own pace in a workbook detailing how to program a computer. The main goal of the class, according to Wees, is to "learn how to use the computer as a tool."

Eventually, as more students learn how to use the computer,

it will be used to demonstrate problems in physics, algebra, geometry, and trigonometry classes. By the beginning of the second semester, Wees hopes to obtain some accessories for the new computer, mainly a printer. "A printer will give the students a copy of their programs to study when they are not working at the computer itself," he said.

Mac Langford Makes Key Play For Sul Ross State Team Win

Former Farwell Steer Mac Langford, playing strong-side linebacker for the Sul Ross State University Lobos, made the winning touchdown for his team in Abilene Saturday when he ran a blocked McMurry punt 11 yards for the tally. The visiting Sul Ross team won the game 41-36.

The freshman from Farwell is attending the four-year college on a football scholarship after having lettered four years as a Steer lineman and place kicker. In his senior year at Farwell he was named to second team all-district honors

and during his high school career was many times named Steer of the Week and also received more than one "Big Hit" award.

His parents are Mr. and Mrs. Leon Langford of Farwell who say regretfully that they were not at the game Saturday to see Mac score his first college touchdown; however, they do plan to attend this weekend's game.

Curtises Attend Reunion

Members of the J.W. Crim family met with Buck and Darlene Crim at their cabin at Lake Ft. Cobb in Weatherford, Okla., over the Labor Day weekend for a family reunion. The three-day family affair was spent fishing, skiing and swimming, according to Evelyn Curtis of Farwell, one of the family members who attended.

"A cook-out was planned for every day, where visiting and picture taking took up a lot of our time," she said, adding that "everyone had a real great time."

Evelyn and her husband

Fred Curtis attended from Farwell, and others who traveled to the gathering included Earl and Mabelena Monroe, Clovis; Lois Johnson and grandson Robbie, Garland, Tex.; Buck and Darlene Crim, Weatherford; their children, Doyle and Gayla Crim, Jeremy and Summer, Oklahoma City; and Jeff and Lisa Selsor, Weatherford.

Also, Max and Barbara Crim, Muleshoe; their daughter Cindy Hall and Brandy; Greg Crim, Dallas; Kirk Crim, Amarillo; Inez Bessent, her son Jim Bob Bessent, Lubbock; and her granddaughter, Gloria Sue Hansen, Midland.

'Harvest Time' Topic For Faith Class Meet

Faith Sunday School Class of First Baptist Church of Farwell met Monday evening Sept. 14, in the home of Bernice Pennington with president Elizabeth Range presiding.

Special prayer was offered for Karen Bristow, Nadine Langston and other sick persons in the community.

Mrs. Pennington brought a devotion on "Harvest Time,"

challenging the ladies to grow younger and wiser as the seasons move toward harvest time of life.

Refreshments of cheese canapes, cherry delight pie, coffee and soft drinks were served to Loyce McCleskey, Elizabeth Range, Naomi Austin, Carol Dean Huggins, Jo Schell, Gladys Hromas, Lavelle Childs, Edith Martin and Bernice Pennington.

Loan Rates Increased By Federal Land Bank

Interest rates on all Land Bank variable rate loans will be increased to 11 percent on farm loans and 11 1/2 percent on rural residence and farm-related business loans, William C. Liles, manager of the Federal Land Bank Association of Muleshoe announced this week.

These rates become effective October 1, 1981.

"There continues to be substantial upward pressure in the bond market with no relief from the record high interest rates anticipated in the near future," Liles said.

"The September bond issue carried a face rate of 17.85 percent on nine-month bonds and 17 percent on 2 1/2 year bonds," he continued.

"The Bank's average cost of funds prior to the issue was in excess of 11 percent."

Liles said that marketing conditions and a ceiling cost earnings spread prompted the increase in the variable interest rate.

"Certainly we regret this action is necessary," he said. "However, even with the increase, our rate remains substantially below market."

Mexican Meal In Minutes

You've just gotten home from shopping for shoes or for that perfect wedding gift for your sister and everyone is tired - but so hungry! Now's the time to cook up 4 or 5 hearty servings of Chili Rice Pronto - fast and easy.

Saute 3/4 cup thinly sliced onions in a saucepan in 3 tablespoons butter or margarine until tender but not browned. Add 1 1/2 cups Minute

rice, and saute until golden brown, stirring frequently.

Add 2 cans (15 oz. each) chili, 1 3/4 cups water and 1/2 teaspoon salt. Bring to a boil. Then, cover, reduce heat and simmer for about 5 minutes.

Thanks to packaged enriched pre-cooked rice, you have a savory simple meal that is prepared in only a few minutes!

John and Joann Getz
Publishers of the State Line Tribune
Farwell, Texas 79325

Dear John and Joann:

I want to offer our congratulations to you on the 70th anniversary of the State Line Tribune in Farwell and Texico. We feel that you have really provided a great service for Farwell and Parmer County.

Those of us here in the Farwell Public Schools know that you have been one of our best supporters during the years past, and we know that you will give us the help and encouragement that we need in the future. Your coverage of all of our school activities is great. You have supported our athletic teams, our students participating in the other UIL activities, and school news in general. It may seem that we take all of these things for granted, but we really do appreciate your support.

Not only have you been a fine supporter of the school, you have also been a leader in helping to promote the things that make Farwell a better place to live. You have been active in the work of the Lions Club, the Chamber of Commerce, and under your leadership our Border Town Days Celebration gets better each year.

My family and I appreciate the friendship you have shown to us through the years.

Congratulations again to you on the 70th Anniversary of the State Line Tribune, not only for providing us with a fine paper, but for the role you have played in our lives personally and the good leadership you have given our community.

Sincerely,

W.M. Roberts, Superintendent

Dear Mr. and Mrs. Getz:

I would like to express my appreciation to you for the outstanding job the Tribune has done in reporting the school and community activities during the past seventy years.

Your assistance in reporting information to school patrons has been an asset to us many times.

I wish you continued success for many more years to come.

Sincerely,

Farwell Educators Attend Workshops

Several Farwell educators attended week-long basic skills workshops at the District XVI Service Center in Amarillo recently, taking courses in language arts and math.

Those attending the language arts seminars were Marcia Cole, Pat Owen, Edith Martin, Betty Turner and Debbie Janezich.

The workshops were conducted by three consultants, including Dr. Charlotte Lam of Oklahoma State University in Weatherford, Okla.; Dr. Louise Roberts of Phillip University in Enid, Okla., and Dr. Anne

Dysun from the University of Texas.

Attending the math workshop were Frances Boling and Karolene Inman. They were instructed by Dr. Gibb, University of Texas, and Dr. Ed Likens, math consultant for El Paso Independent School District.

TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60633

PAUL'S THREE "I AM'S"

Three times in Rom. 1:14-16, the Apostle Paul uses the phrase "I am," and each one carries an important message for every true believer in Christ.

First, he says in Verse 14: "I am debtor"—debtor to all men to tell them about the saving work of Christ. But why was he indebted to people he had never even seen? For several reasons:

First, he had in his hand what they needed to be saved from the penalty and power of sin. If I see a drunkard lying across the railroad track and I do nothing about it, am I not a murderer if he is killed? If I see a man drowning and I have a life buoy in my hand but do not throw it to him, am I not a murderer if he goes down for the last time? If I see millions of lost souls about me and, knowing the message of salvation, do not tell them, am I not guilty if they die without Christ?

Further, Paul felt himself a debtor to others, because the Christ who had died for his sins had also died for the sins of others. As he says in II Corinthians 5:14, 15: "CHRIST DIED FOR ALL, THAT THEY WHICH LIVE SHOULD NOT HENCEFORTH LIVE UNTO THEMSELVES, BUT UNTO HIM

WHO DIED FOR THEM AND ROSE AGAIN."

Finally, the Christ who had died for Paul's sins had commissioned him to tell others of His saving grace. Thus he says in I Corinthians 9:16, 17: "WOE IS UNTO ME, IF I PREACH NOT THE GOSPEL! FOR... A DISPENSATION... IS COMMITTED UNTO ME."

Paul could say further what every true believer should be able to say: "Not 'but,' rather 'SO, as much as in me is, I AM READY..." (Rom. 1:15). He was ready to discharge his debt because he had that with which to discharge it—the wonderful "gospel of the grace of God." And he did indeed make this message known to others with all that was in him.

And now the third "I am." 1. "I am debtor." 2. "So... I am ready." 3. "FOR I AM NOT ASHAMED OF the gospel of Christ, for it is the power of God unto salvation to every one that believeth..." (Ver. 16). Paul was always proud to own Christ as the mighty Saviour from sin. Do you know Him as your Saviour? Or are you ashamed to tell others of His saving grace?

Awards Aplenty For Area Fair Competitors

A lot of hard work is put into raising livestock for show, preparing crafts and hobbies for judging and growing fruits and vegetables for showing, but many Texico and Farwell students, faculty members and other adults were able to see the results of their hard work last week as many were awarded prizes for their livestock, crafts, agriculture baked goods and other hobbies at the Curry County Fair in Clovis.
