URELY
ERSONAL

By John

This column marks our first anniversary of producing a weekly item for the Tribune. A year ago, I thought that putting a few words on paper each week would be no great chore. A year later, I have changed my mind. Finding something to say each week that will be of interest to the community is not easy. We have asked that folks tell us their ideas and thoughts that would be of interest, and a few times we have had some excellent suggestions. We would appreciate more. Again we say, this newspaper is not a partisan or one-sided organ. It is our desire to reflect the thoughts and aspirations of all citizens in our area.

In the presentation of the news we want to give equal space to all sides of the news. We will welcome and will print letters to the editor. These must be signed, but we will withhold the names if so requested. There are two places in the paper where the publisher and editor can express their views. These are a column such as this and the editorial space. These are signed and acknowledged as personal opinions and should be taken as such. If you agree or disagree with these columns, write us a letter and we will give your views equal space in the paper. These views will be labeled as such, not worked in as news items.

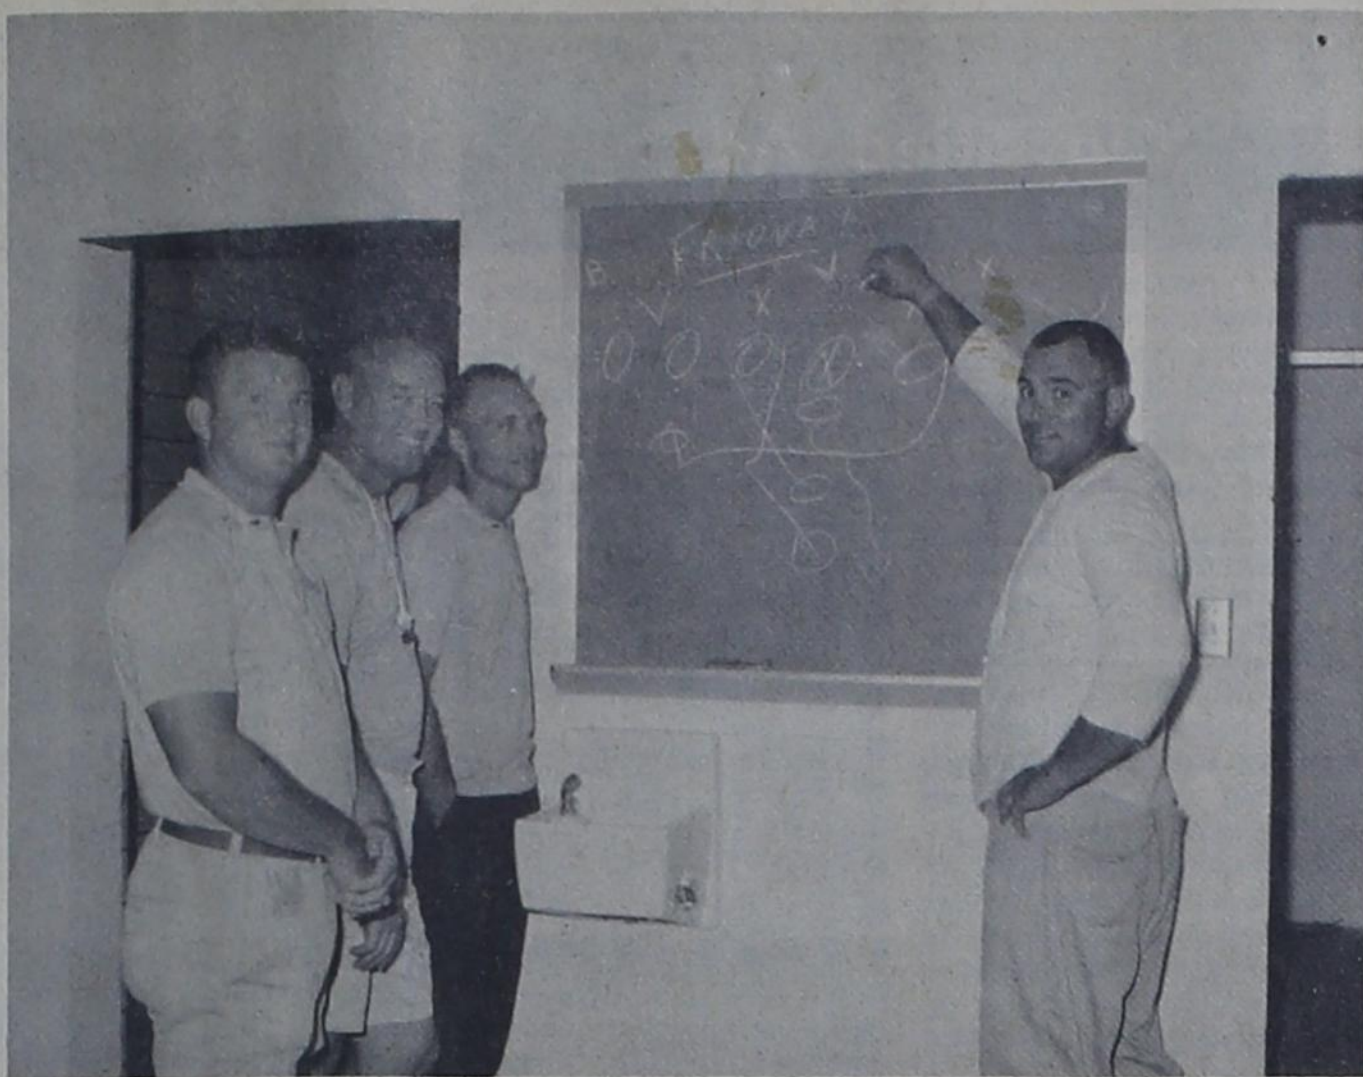

We have never made any secret of our personal philosophies -- political, religious, or moral. We attempt to give equal space to news of any event that is newsworthy, even if it is not in accordance with our personal beliefs. There are various ways of slanting the reporting of the news. We find it constantly in the TV news reports. The news reporter more often than not "interprets" the news or otherwise adds editorial comment to what is a straight forward news item. Then there is the matter of giving prominence to an item. A favorite trick is to give front page display to an editor's favorite candidate and to bury the opponent's news on inside pages.

We do not know if this is deliberate on the part of the large area dailies, but do find it a rather frequent occurrence. We are beginning to suspect that the esteemed editor of the Lubbock Avalanche-Journal may be resorting to this in his paper. We find that the activities of Waggoner Carr, for example, get more frequently better positioning than the activities of John Tower. We can understand his personal feelings in this case, but do feel that journalistic integrity demands that all of his readers' interests and viewpoints should receive equal treatment in the news columns.

We at the State Line Tribune will try to give everybody's candidate equal news treatment. In our signed columns we will feel free to give our personal views and expect them to be so recognized. The political season is upon us and this is a matter in which we wish to go on record now.

In furtherance of this desire, we ask that we be informed of the activities in the community. We are small and do not have the resources to hire a staff to be able to know of all the things that go on in our area. We would rather be called a dozen times about an impending event than not be notified and miss the news as it is being made.

Through your support, help, and understanding, we will make the Tribune one of the outstanding weekly papers in this area, a paper that is worthy of the finest community on the high plains.

WHO SAID IT'S ALL MUSCLE -- Steer coaches Toby Booth, head coach, Bill Adams, Vernon Scott and Jerry Dee Owen map out strategy for defeating Friona Chieftains in the season opener tonight (Friday). Game time is 8 p.m. at Steer Stadium.

Steers, Chiefs Meet In Season Opener

Farwell Steers and Friona Chiefs square away for the first game of the current football season tonight (Friday) at Steer Stadium. Game time is 8 p.m., and all area fans are urged to be there to cheer the Steers on to victory.

Coach Toby Booth commented that the Chieftains have good speed and a fairly heavy line, and their defense looks good this year. "They will be 'up' for the Steers and we expect a rough and tough ball game," added Coach Booth.

In commenting on the Steer squad, Coach Booth said, "we are in good shape with nobody on the hospital list; all members of the team should be in good physical condition for the Friday night game."

In the pre-season scrimmage with Portales last week the Steers looked better than had been anticipated and Coach Booth commented that the squad looked better than at the same

time last year; "we were more mobile," he stated.

The Steers are returning nine lettermen from last year's team which won six and lost four games. Returning regulars are Bobby Field, quarterback; Johnny Schell, halfback; Larry Suttle, fullback; Al Phillips,

Gametime 8 Gates Open 6:30

Superintendent W. M. Roberts announces that the gates at the Farwell football field will be open beginning at 6:30 p.m. Friday in order that persons wishing to park their cars inside the fence may do so. Charge for cars parked inside is 50¢ each. General admission to the games is \$1.25 for adults and 50¢ for all students.

These prices will be carried out for the entire season. Game time is 8 p.m.

halfback; Cal Wilkinson, halfback; and Charles Norton, guard.

Farwell defeated Friona last year 8-7 and Steer fans and coaches are hoping for a repeat performance this year.

T. E. Graves Services Held Recently

Funeral services were held in Kermit recently for T. E. Graves, brother-in-law of Mrs. Monty Parsons and Edward Yoder of Texico. Mr. Graves passed away following a lengthy illness.

Survivors include his wife, Anne Yoder Graves, five sons, five daughters, one brother, three sisters, 26 grandchildren and four great-grandchildren.

Several relatives from Texico-Farwell and the Clovis area attended the funeral services.

FIRST LOAD OF MILO -- Guy Austin and an employee, J. C. Johnson, brought the first load of 1966 milo in to Sherley-Anderson-Pitman elevator on Saturday at 5:25 p.m. The maize was from the Austin farm in the West Camp community where the land is much sandier than in the area nearer town, thus allowing combines to get into the fields earlier. Moisture content of the 17,220 pound load, according to Johnnie Williams, elevator manager, was 12.60 and test weight was 56 lbs. The Texas 666 maize, planted the third day of May is making a yield of 6,000 lbs. per acre. Austin's daughter, Mikala, a sophomore at Texas Tech, received a \$25 bonus on the load.

First Grain Received Saturday

The first load of 1966 grain sorghum arrived in Farwell Saturday afternoon at 5:25 p.m.

Guy Austin and an employee, J. C. Johnson, brought the grain in to Sherley-Anderson-Pitman elevator from their farm in the West Camp community. Johnnie Williams, elevator owner, reports that the grain was unusually dry with a moisture content of only 16.20. Test weight

of the grain was 56 lbs. per bushel.

First load of grain sorghum arrived in Lariat at the Sherley-Anderson Grain Co. at approximately 4:30 p.m. Saturday. Test weight of the load at Lariat was 17.45 and it weighed 54 lbs. per bushel, Bill Hight, who farms the Magness farm west of Lariat, brought in the load to Lariat.

Persons bringing in the first loads received the customary \$25 bonus check.

Other elevators in the vicinity have not reported any grain brought into their elevators. However, with the advent of

dry weather harvest is expected to get into full swing within the week.

Football Contest --

Armchair Football Gets Underway

Can you punt, pass, kick, or "just sit in the old armchair and call the games right?" Then limber up the old writing arm and unsling the pen and get ready for the annual football contest which gets off to a start in this week's edition of the Tribune.

Each week for the next 12 weeks, an entry blank listing the games, high school, college or professional, will be carried in the Tribune along with the Farwell game, as a tiebreaker, courtesy of local merchants. A "Grand Prize" of twotickets to the Cotton Bowl game and \$50 expense money will be presented, at end of the contest, to the person who has called the greatest number of games correctly in the 12 weeks.

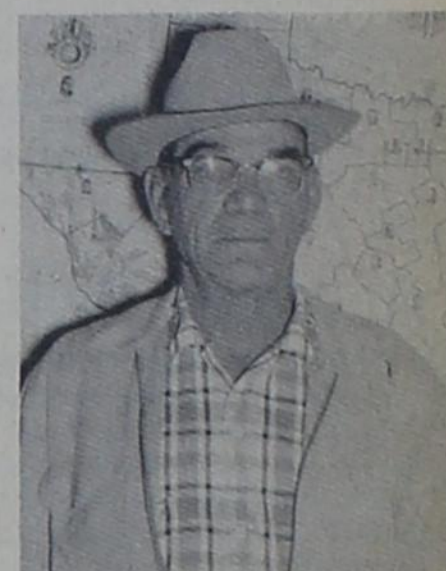

In addition, each week prizes of \$5, \$3 and \$1 will go to the persons calling the most games right. Contestants must pick a winner in each of the games and a score for the Steer game. The Steer game will not count on the outcome of the weekly contest or the grand prize, except in cases of a tie.

All entries must be in the Tribune office no later than 5 p.m., each Friday and all contestants must be 12 years of age or older to participate. Grand prize winners during the seven years the contest has been in progress include Bunk Phillips (1959); Maxine Williams (1960); A. D. Kirk (1961); Thelma Alexander (1962); Dodie Actkinson (1963); Mrs. Buster Herington (1964); and Coach Jerry Dee Owen (1965). Who will this year's winner be? -- "It could be YOU!"

Sponsors of the contest this year are Shuman-Haseloff Insurance Agency, Sherley-Anderson-Pitman, Security State Bank, Worley Grain, Farwell Equipment, Lariat Gin, State Line Grain, Oklahoma Lane Farm Supply, Oklahoma Lane Gin, Clara's Spur, Farwell Grain Exchange, Continental Oil

Company - Paul Wurster - Consignee, Texaco, Inc., Woodrow Lovelace - consignee, Capitol

Food, Kelly Green Seed, Nickels Gin, Piggly Wiggly, City Cleaners, and Williams Fertilizer.

GEORGE CRAIN

George Crain Services Held

Funeral services were conducted from the Lazbuddie Church of Christ Tuesday afternoon at 3 p.m. for George W. Crain, 61, a Lazbuddie resident since 1933. D. L. Thompson, minister of the Lazbuddie Church of Christ, officiated at last rites and burial was in Lazbuddie Cemetery directed by Singleton Funeral Home of Muleshoe.

Mr. Crain, a native of Clay County, Alabama, and a former resident of Sudan, passed away at Green Memorial Hospital in Muleshoe Sunday night at 9:30 p.m., following a series of heart attacks. A farmer, Mr. Crain was serving his second four-year term as Farmer County commissioner, precinct four, at time of his death. He had been nominated for a third term in the May Democratic primary.

Survivors include his wife, Clara Belle; two daughters, Mrs. J. J. McDonald, Lazbuddie, and Mrs. Mike Lankford, Dimmitt; three sisters, Mrs. Oris Testerman, Littlefield, Mrs. Robert DeLoach, Sudan, and Mrs. Gadye Blount, Hubbard; two brothers, Arthur and Grover, both of Waco; and five grandchildren.

Pallbearers were G. W. Mimms, C. W. Bradshaw, J. W. Gammon, John McGeehee, Raymond McGeehee, Jim Roy Daniel, Jimmie Ward, and Bobby Blackburn. Honorary pallbearers were Harold DeLoach, Charles Lovelace, Charles Jefferson, J. H. Clay, Roy Daniel, Duane Darling, Clayton Graff, and Raymond Houston.

FIGHT TEAM, FIGHT -- Leading cheers for the Steer football squad this year are, left to right, Cindy Phillips, Connie Phillips, Ginger Hughes, Linda Meeks and Leslie Cooper. Standing is head cheerleader, Joyce Kay Watts. The cheerleaders attended cheerleading school at Texas Tech recently and were recipients of first place awards on four of the nights they were in competition and a second place award on the first night of the school.

Services Held For W. D. Wilson

Funeral services were held Tuesday at the Dale Lee Sherwood Memorial Chapel for W. D. Wilson, 63, father of Loren Wilson of Texico, who died Sunday in Carlsbad, Rev. J. L. Downs officiated at last rites and burial was in Mission Gardens Cemetery directed by Sherwood Mortuary.

Mr. Wilson, a retired carpenter and a resident of California, had been visiting relatives

in this area for several weeks prior to his death. He had been ill for the past eight months. He had lived in the Texico area from 1930 until 1956.

Survivors include a son, Loren Wilson, Texico; a daughter, Mrs. H. R. Wall, Carlsbad; a step-daughter, Mrs. D. F. Waldon; two brothers, four sisters, two half-brothers, and six grandchildren.

Car Wash

Freshman class of Farwell High School is looking for "Dirty Cars" which they will wash shining clean at their "car wash" set for Saturday, Sept. 10, 10 a.m. until 4 p.m. at the Bill Moss Texaco Station in Farwell. Cars will be washed for \$1.50 each.

All proceeds from the fund raising event will go into the class treasury to be used for class projects during the year.

Broom Sale

Dates for the annual Lions Club "broom sale" have been set for Friday and Saturday, Sept. 16-17. A truck loaded with the articles for sale will arrive in Farwell late on Friday afternoon and the sale will be in progress through the following day. The truck will be parked on the Holiday Parking Lot. Items for sale include mops, dust mops, brooms of various sizes, wax applicators, ironing board covers, and all types of miscellaneous cleaning supplies.

Editorial by Mike Getz

A Place Called Earth

Suppose that there really are flying saucers and that they have indeed been observing this planet for the last twenty years...

TITLE: A COMPREHENSIVE REPORT ON CONDITIONS EXISTING UPON THE PLANET EARTH.

SUBJECT: Earth, a small insignificant planet, occupying the third position from its sun on the outer extremities of the galaxy known as the Milky Way.

DOMINANT FORM OF LIFE: A peculiar species of strange beings known as man. Level of intelligence is suspected to be low due to the fact that these unusual creatures possess but a single head.

Dietary habits are believed to be extremely crude since thousands of these creatures have been observed burning meat over what appears to be tiny chunks of black wood.

Definite migratory habits have been established for these creatures. Patterns of migration are somewhat mixed however and lead to a certain amount of confusion.

There is evidently a special day set aside for the worship of their gods, as thousands of the male of the species are observed to arise at the first ray of sunlight on this certain day...

The younger of the species are believed to worship their own separate gods, as thousands of them have been observed screaming and knocking each other down, just to get into the place of worship.

Letters To The Editor

Dear Sir: Please permit me to say hello to all there in Farwell, Randy and Donnie start school tomorrow...

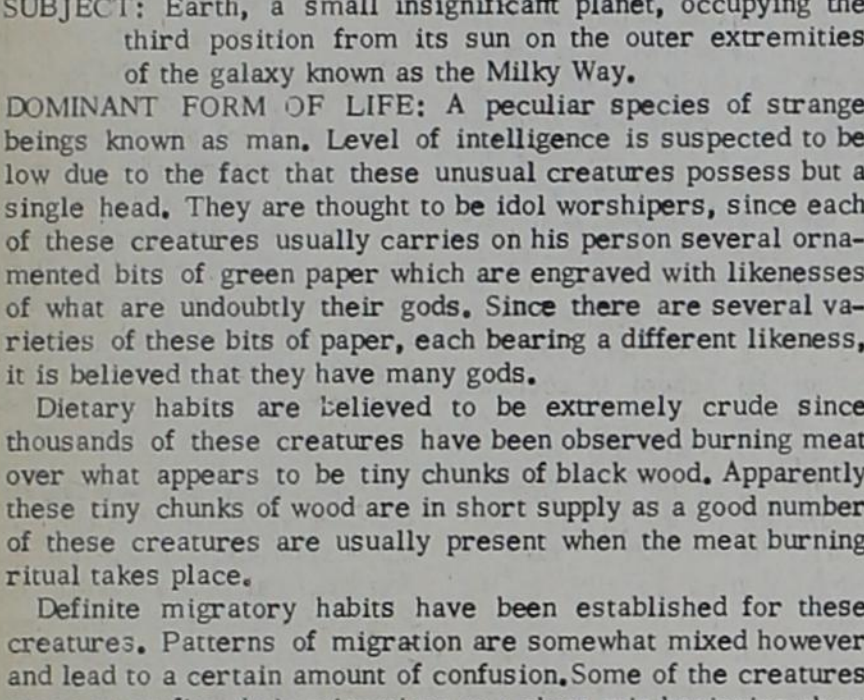

Whats Cooking At Farwell School

MONDAY: spaghetti and meat balls, blackeyed peas, cole slaw, applecobbler, bread, butter, milk.

Beautiful Homes
In Dexico-Farwell

The lovely home of Mr. and Mrs. Clyde Magness, completed late last summer, is located on Fourth Street in the 900 block in Farwell. As one might suspect grounds at the Magness home are in the latest design, since Mrs. Magness is a garden enthusiast.

Revised Figures Show Enrollment Up

Revised figures released by Supt. W. M. Roberts early this week revealed that the enrollment at the Farwell High School had climbed to 673, 37 more students than had enrolled during the first week of classes.

Of the total 202 are in high school; 177 in junior high and 294 in the elementary grades. The present figure is 23 more than were enrolled during the 1965-66 school term.

In the Texico school, Supt. A. D. McDonald indicated that the enrollment was up "a little" over the 380 figure released last week, but he said, "Some students have withdrawn and others have enrolled, making it hard to arrive at a figure for the overall enrollment yet." He indicated that it might be as much as 20 days before the school could release a definite number of students.

"The move to find work for all is exceeded by those who are not all for work." - Don Major, Thurston County (Wash.) Independent.

85 Total Country Club Has 23 Additional Members

Members of the planning committee for the Farwell Country Club and family recreation center announce the names of 23 additional persons who have paid their membership fee this week.

Added to the list of 62 persons who have already paid their membership fees are Darrell Norton, Bill Christian, Glenn Phillips, Leroy Williams, Wagner Motors, Bill Whitesides, Doc Stewart, H. Y. Overstreet, R. L. (Bud) Clark, T. J. Glenn, Glen Marsh, Joe Magness, M. C. Billingsley, C. E. Christian, Bob Hart, Don Gerles, John Aldridge, Oswald Jones, Hurshel Harding, Henry Haseloff Jr., John McFarland, E.D. Chitwood Jr., and L. S. Pool.

The FHA, from whom funds for the project are being obtained, has stipulated that at least ten per cent of the loan must be on deposit by time the loan is consummated. Therefore, persons planning to obtain membership should do so in the near future.

Plans call for the construction of a nine-hole golf course, an outdoor Olympic swimming pool, a clubhouse with an adjoining apartment, and a paved road

giving access to the clubhouse, at a total cost of \$150,000.

Persons desiring memberships may pay the \$100 now or they may pay \$25 now and \$25 per month for the next three months.

Acreage Survey Starting

Postmaster J. R. Smart announced today that Rural Mail Carriers will begin distributing 1966 Acreage Survey Cards to patrons on their routes about September 14.

The Post Office Department assists USDA in making this survey each year. These reports, directly from farmers, are the basis for official estimates for Texas acreage of all crops harvested in 1966.

To be sure this community is well represented in the survey, Postmaster Smart urges each patron receiving a card to fill it out and return it to his mailbox.

Rural mail carrier working on this project is Lee E. Meeks, Route One.

Season Opener --

Texico Softballers Defeat House 33-5

Texico Wolverines began their softball season last Friday with a lop-sided win over House, defeating the House softballers 33-5.

The Texico aggregation garnered 25 hits off the pitching of Joe Charles Morris, who was replaced in the fourth inning by Akin, who gave up several other hits. Morris was charged with the game loss.

While Texico was able to garner hit after hit from the House pitchers, Roy McDaniel, Texico pitcher, gave up only three hits and struck out ten men. McDaniel was replaced by Larry Burns in the fifth inning and Burns gave up one hit during the final two stanzas of play. Five Texico players had home runs during the afternoon. Rickey Stanley is catcher for the team.

Other members of the team are Manuel Martinez short stop, replacing Jim Webb who is moving to Lubbock; Bobby Russell, first base; Jackie Billingsley, second base; Roddy Pearce, third base; left field, Duane Williamson; short field, Larry Burns; center field, Leslie Harrelson; right field, Bobby Joe Stewart.

Other team hopefuls are Charlie Tipton, Lynn Hughes, Junior Ortiz, and Rocky Wilson.

The junior high boys lost a thriller to House 10-9 in the season opener. Battery for Texico was Butch Chumley and Mitchell Turnbough.

Next games for both of the boys teams are set for today (Thursday) at 2:30 p.m. when the locals will face Dora here. The girls will play their first game of the season at Grady today at 3 p.m.

Coach Johnny Green commented that it is going to be hard to improve on the record made by the softball team last year when they won seven and lost one. Texico is favored to win the county trophy, due to the pitching of Roy McDaniel, rated as the outstanding pitcher in the league. Texico also has some "big sticks" this year, commented Coach Green, something that has been lacking in previous years.

Texico Wolverine Softball Schedule

Thursday, Sept. 8 -- Jr. and Sr. Girls, Grady at Grady Jr. and Sr. Boys 2:30 Dora at Texico

More Workers Needed For Library Fund Drive

Mrs. Bert Williams, chairman of the fund drive for the Farwell school libraries, which has annually been sponsored by the Farwell PTA, no longer active, announces that the organization is in need of additional workers to assist with the fund drive especially in the Oklahoma Lane and West Camp communities.

Other members of the committee are Mrs. Neal Stewart and Mrs. Bill Roberts. Persons who will assist with the fund drive are asked to contact either Mrs. Williams or a member of her committee.

The local ESA organization has volunteered to assist with the fund drive this year, according to Mrs. Williams.

Mrs. Williams indicates that for the first time the school has sufficient space to keep its library books and are in need of many other books to fill the waiting shelves, provided for in the new library in the new building.

Each year the PTA has been able to raise approximately \$600 in the "Yule Card" project to buy additional library books and workers in the fund drive are hoping for a repeat performance this year.

Mrs. Sophie Davis, librarian in the high school, says the library presently has something like 3,500 books available for student use, but that they can use an additional 6,000 books in the available space. Especially needed at this time are reference books. "By contributing to the library fund, through the proper channels you will assist the school in securing the necessary reference books," said Mrs. Davis.

School patrons are asked to contribute the money they usually spend for Christmas cards mailed locally, to the fund. At Christmas time a "giant Yule Card" will appear in the Tribune bearing the names of all contributors to the fund and wishing each and everyone a "Merry Christmas," says Mrs. Williams in urging patrons to make plans now to contribute to the library fund this year.

Orville Freeman Dedicates Flood Prevention Dam

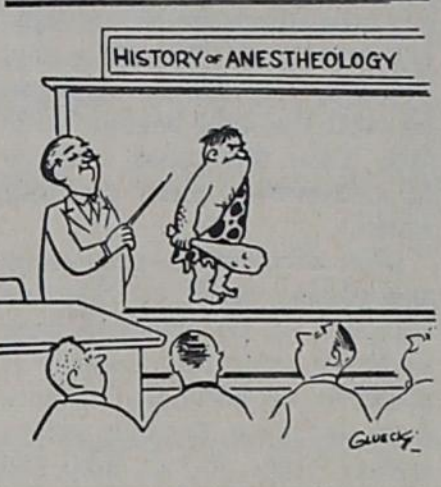

United States Secretary of Agriculture Orville L. Freeman dedicated the 1000th flood prevention dam built in Texas. Dedication ceremonies were held September 8 at the dam site 12 miles northeast of McKinney just off Texas State Highway No. 121.

A large delegation of United States Congressmen, Department of Agriculture officials and conservation leaders from all parts of Texas attended. The Collin County Soil and Water Conservation District sponsored the dedication. They also sponsored the Sister Grove project, which drains into the Trinity River. These projects are designed to prevent flood damage to crops, bottomlands, roads, bridges, and cities.

Other major benefits include outdoor recreation and protection of downstream municipal and industrial water supplies. Local watershed sponsors secure easements and rights-of-way and maintain completed structures at no cost to the Federal government. The Soil conservation Service administers construction funds and provides engineering services for design, layout and construction.

Other agencies assisting the Collin County SWCD in the Sister Grove project include the Agricultural Stabilization and Conservation Service, the Texas Agricultural Extension Service, and the Farmers Home Administration.

My Neighbors

Meeting Held To Interest Athletes In Christian Activities

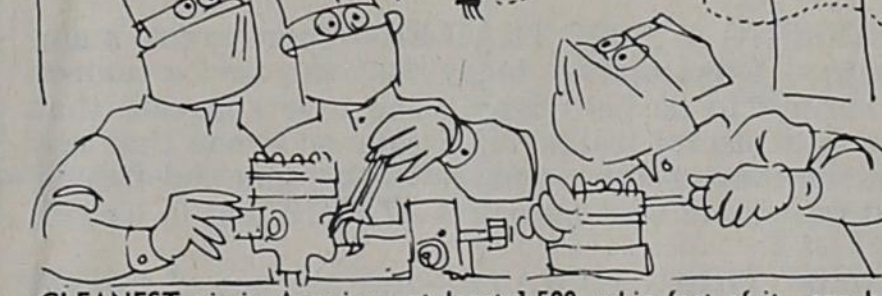

A meeting was held at the Farwell High School Auditorium on the first day of school for the purpose of enlisting boys, coaches, and local ministers in organizing a chapter of "Fellowship of Christian Athletes."

Farwell coaches, Toby Booth, Bill Adams, Jerry Dee Owen and Vernon Scott, along with ministers, J. L. Bass, Paul Wilkinson and Jerry Henson, attended the meeting which was also attended by 23 Farwell athletes.

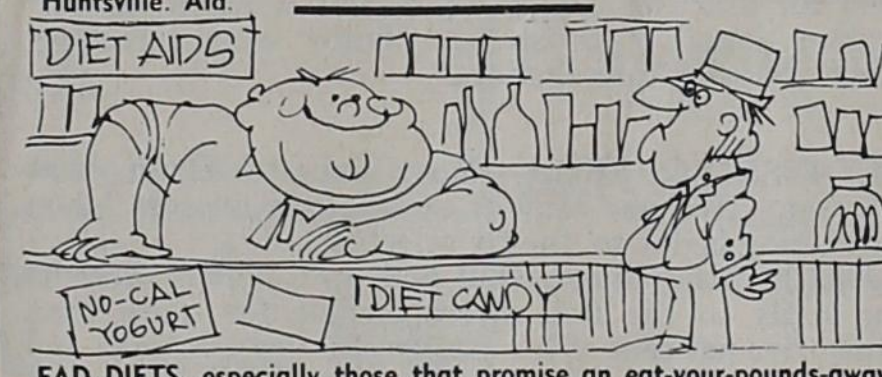

Purpose of the organization as explained by Coach Jerry Dee Owen, a member of the "Fellowship", is: "To confront athletes and coaches, and through them the youth of our nation with the challenge and adventure of following Christ, participating in His church and serving Him through our vocation."

An organizational meeting will be held at a later date.

SCIENCE SKETCHES

CLEANEST air in America—at least 1,500 cubic feet of it—can be found in South Chicago. It's the filtered, air-conditioned contents of a "clean room" installed by National Cylinder Gas to clean, assemble and test components of a storage and pumping system that delivers particle-free nitrogen to the George C. Marshall Space Flight Center, Huntsville, Ala.

FAD DIETS, especially those that promise an eat-your-pounds-away route to a svelte figure, are "nonsense, nutrition-wise" say four Purdue University nutritionists.

Wholesome Goodness In EVERY Drop. It's Quality Milk AT ITS BEST

ASSIST in conquering Cystic Fibrosis by attending the benefit tea and art exhibit being sponsored by Theta Rho Chapter of ESA Sunday afternoon. Mrs. Bert Williams, a member of the organization, works busily getting invitations ready to mail to out-of-town art lovers.

Theta Rho Sponsors Art Show, Benefit Tea

Theta Rho Chapter of ESA will be hostesses for a benefit tea and art exhibit Sunday afternoon, Sept. 11, 3-5 p.m. In the community room of Security State Bank, proceeds from the benefit will go into the chapters Cystic Fibrosis fund, an annual project of the organization, headed by Mrs. Donna Jordan as chairman.

All persons are invited to visit the exhibit and see works of some 130 New Mexico artists who are donating the paintings to be sold to raise funds to assist with the fight against Cystic Fibrosis. In addition to the paintings which are on display, colored slides of many other paintings by the contributing artists will be shown continuously throughout the afternoon. The paintings will be sold at

public auction at the New Mexico Fair, in the Fine Arts Building on October 14-15. Persons wishing to place sealed bids for the paintings may do so Sunday. All bids submitted will be attached to the back of the paintings and opened at time of the auction.

Waste Water Illegal

By Milton Meade
Soil Conservation Service
Parmer County

Irrigation water is the life line to farmers here on the High Plains and the waste of this valuable resource cannot be justified in this modern age of farming.

Farmers have technical assistance available to them

Tonight -- Band Sets First Performance

Patty Tatum, drum major for the Farwell High School marching band, announces that the band is practicing early and late for their first performance of the season which will be at the Steer-Chieftain football game, tonight, Sept. 9, at Steer stadium.

Miss Tatum announces that the school fight song, lyrics by Charles Turner and words by Odus Walser, will be used at all games. In order that everyone may become familiar with the words and join in to cheer the Steers onward to victory, we are reproducing the words of the song.

"Charge Mighty Steers, we are all backing you; Fight for the white and blue, Charge Mighty Steers as we know you can do, and to your school be true. Fight on big team with a great one, two, three,

Fight on to VICTORY Fight for power and glory, We'll repeat this story You are the team we love." Miss Tatum says that the band will perform at all Steer games this season and will have an encore of the Patriotic show, presented last year. In addition, the 67-piece band will participate at several marching contests and in several area parades. Twirlers are Debbie Hargrave, Sharon Williams and Sharon Busbice.

My Neighbors

"Okay, I've ushered all the kids to bed—now help me take this down before our dinner guests arrive."

parts, as a tractor does, an investment that doesn't require an additional hired hand. It is an investment that increases the valuation of the farm and in all probability give you a greater return per dollar invested than that new combine or tractor you just purchased.

What are some of the needed water conservation practices that will help you reduce waste of water?

1. A properly designed irrigation system that takes in consideration soil type, the crop to be grown, the amount of water that is needed for the crop, the total amount of water, and the time normally required to apply water.

2. It may be some type of land preparation such as land leveling for uniform water application.

This is just a few of the things that can be done to help conserve water.

What are you doing to help conserve our water?

The schoolgirl, often was busy with the contents of her vanity bag. Once the teacher caught her in the act -- red-handed, too -- and said severely, "School is not a beauty parlor. You are here to learn the three R's, and you won't find them in the mirror."

"Excuse me," replied the young hussy meekly; "you will if it is spelled correctly."

Bennie Stancell Promoted To Spec. 4

Bennie F. Stancell, son of Mr. and Mrs. J. V. Stancell of West Camp and husband of the former Carolyn Tallant of Muleshoe, has recently been promoted from PFC to Spec. 4 (Corporal).

Stancell, a 1961 graduate of Farwell High School, has been stationed near Frankfurt, Germany since February. Mrs. Stancell joined him in March. Corporal and Mrs. Stancell are planning a trip home to spend the Thanksgiving holidays with their families.

Their address for anyone wishing to write is: Spec. 4 Bennie F. Stancell, U. S. 54352582, H.H.D. 28th Trans. Bn., A.P.O. 09028 New York, New York.

The Old Timer

"The trouble with school drop-outs is not that they can't see the handwriting on the wall, but they can't read it."

European Tour

By Mike Hinkson

Tamra Jennings and I have just returned from a trip to France, Scotland, and England. We left August 4 from Lubbock via plane to New York where we flew by Air France to Paris. The trip was arranged by Rev. Matt Matthews, Youth Director of the North West Texas Conference of Methodist Churches. The group was composed of 43 youth and four adult sponsors from this conference. While in Paris we visited Notre-Dame Cathedral, Luxembourg Gardens, Eiffel Tower, Concorde Square, the Arch of Triumph, the Opera House, and Napoleon's Tomb. The weather was cool and damp while we were there. There were many side-walk cafes where families and tourists dined. There was no age limit on drinking wine, beer, or other drinks. It is not uncommon to see small children drinking wine. In many of the places where we ate we had to pay for our water. We had a hard time making ourselves understood.

We flew from Paris to Glasgow, Scotland, where we rode a motor coach the remainder of the trip to London. I was greatly impressed with the beauty of Scotland. It was rolling country with small mountains. The countryside was green with tall grass, many trees and hedges. The homes were old, stone houses, most of them being two-story. At Edinburgh we saw the Royal Scottish Academy, the Sir Walter Scott Monument, the Edinburgh Castle, the Old Calton Burying Ground, and many more. The temperature was about 40 degrees and rainy during our stay in Scotland.

Our journey to London took us through many small villages and towns including Bladon where Churchill is buried in a little country churchyard.

In Epworth, England we visited the home of John and Charles Wesley, the founders of the Methodist Church.

In Stratford-On-Avon we visited the William Shakespeare sites, including his birth place and the Holy Trinity Church where he is buried. In Oxford and Bristol we visited more Methodist shrines. From Bristol we went to Bath where the World Methodist Youth Conference was being held.

In London we toured many famous places, such as St. Paul's Cathedral, Tower Bridge, London Tower, Buckingham Palace, Westminster Abbey, Windsor Castle, Big Ben, and many more interesting and exciting places. The cathedrals were magnificent both inside and out with much gold in their designs.

The church services we attended are similar to ours except there is more singing and longer sermons.

The main drink in Scotland and England is hot tea.

In London Tamra and I were able to attend the World Methodist Youth Conference. At the conference were 2,500 delegates from all over the world to represent the Methodist Church. In the Central Methodist Hall where the conference was held there were only 3,000 seats. This left only 500 seats for the general public. Tamra and I felt fortunate that we were able to attend.

August 22 we left London to return home. We missed our flight from Paris, but by taking two different flights we all arrived in New York. After some delay we arrived back in Lubbock August 23 a tired but happy group.

We had a wonderful and exciting tour. I feel it was a great opportunity to have made this trip. We feel we have acquired a wealth of knowledge from this experience.

WORLD TRAVELERS -- Tamra Jennings and Mike Hinkson of Lazbuddie point to Paris, France on the globe, which is the first place they landed enroute to the World Methodist Youth Conference in London. Tamra is wearing a kilt bought in Scotland. Mike, son of Mr. and Mrs. Frank Hinkson, and Tamra, daughter of Mr. and Mrs. J. B. Jennings, have been invited to show their slides and tell of their experiences at the Muleshoe PTA, Lazbuddie Methodist Church and the Friona Modern Study Club.

TIPS FOR OUTDOORSMEN

by Vern Sanford

.22 BIRDSHOT CARTRIDGES—If you are one of those rare sportsmen who is so good a shot with conventional shotgun loads that there is little challenge left, try shooting birds—quail and smaller game—with a .22 rifle, loaded with shot-filled cartridges. Size 8, 9, and 10 are good shot sizes to use. Using such a pee-wee load is guaranteed to test the skill of even the best marksman—and the shot won't hurt your gun barrel.

CHOOSING A CAMP TRAILER—There are so many trailers on the market today that the novice camper is certain to be bewildered. One user suggests that the most useful trailer for a camper is one that has built-in conveniences, such as bunks, gun and fishing rod racks, and that measures 17 to 19 feet in length.

HANDY THING TO HAVE—Ask any one of a dozen experienced sportsmen who do much camping if he has a roll of friction tape with him and he will answer yes. This little commodity is invaluable outdoors. It is ideal for starting campfires in wet weather, or for binding together brush and limbs when erecting quickie bad-weather shelters.

FLY-FISHING SKILL—Most experts claim that less than five per cent of an angler's success when fly-fishing is due to the fly selected. On the other hand, skill and aptitude in presenting a fly to the fish is responsible for more than ninety-five per cent of his catches. Think of that, chum, next time you lazy out on your fly-casting practice.

The Road Report . . . BY ARBA

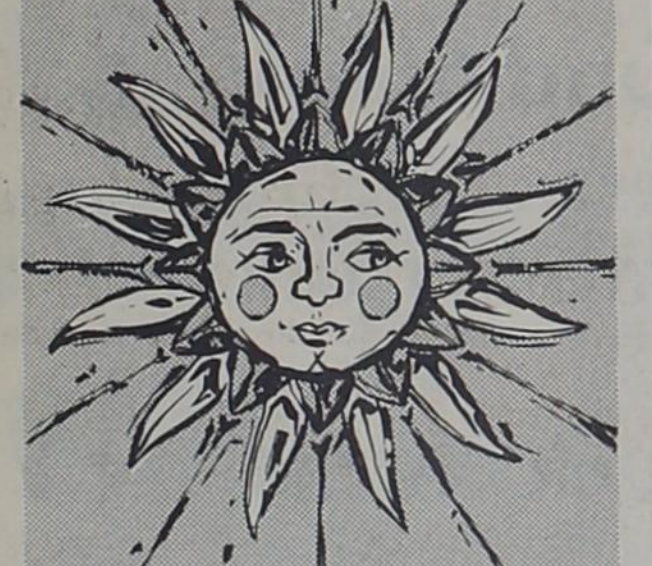

"About one-half of fatal accidents are single-car accidents."

Faulty driving, emergencies and distractions are the main cause of single-car accidents involving women. Those involving men are usually the result of speed, drinking or drowsiness. The chances of being involved in a single-car accident are about 2 1/2 times greater if the driver is alone.

PROGRESSIVE BUSINESS & CIVIC-MINDED PEOPLE OF MULESHOE AND VICINITY

This department has been worked up largely as a reflection of public opinion. No person has written of themselves or their business. All articles have been compiled by a representative of The State Line Tribune as he saw conditions. These people are all leaders in their various lines of endeavor and the cooperation of those citizens in Muleshoe who helped make this department possible is sincerely appreciated.

Joe King

It is a privilege in this Muleshoe review of progressive men and firms that have been such a great aid to the growth and development of this section of West Texas to place such a man as Joe King of the Western "66" Company on an equal plane with all others in this rank. In the past, few men have exceeded him in contributing of their time and energy to the onward progress of Muleshoe and the surrounding country.

Mr. King is generally recognized as one of the more conscientious business men in this district, and he retains that distinction in the admiration and respect of his wide circle of friends. Also his interest in, and the very valuable assistance he has rendered to the many projects of a civic nature, reflect the principles which he has always so successfully applied in the management of the Western "66" Company.

We congratulate Joe King on his record, and sincerely hope that his career will be as useful, and completely successful in the years ahead as it has been in the past.

direct action, and whether the problem at hand is one concerning his own business or that of a civic nature, he attacks it with optimism and vigorous enthusiasm. Add to this his acknowledged business ability, and his keen sense of values, and it is easily understood why he is almost invariably successful in business or other matters.

We feel it is our duty to call the attention of our readers to these worth-while characteristics of "Bob" Hooten, and to pay him a well deserved tribute for his straight forward business methods, and for the unselfish interest he has shown in public welfare.

Spud Thomas

One of the more progressive business men of Muleshoe, and one who deserves the respect and good will of a great many residents of the city is capable, friendly, Spud Thomas of Thomas Electric, whose wide knowledge and long experience in the electrical contracting business has raised him into a position of prominence in his line.

It is because of this that Thomas Electric has earned a reputation for reliability -- second to none.

Mr. Thomas is also civic-minded, and has always been ready to contribute his time and energy to any plan which promises to benefit this entire district. And the people of Muleshoe may regard with particular satisfaction the many services which he has performed in the interest of progress and civic betterment.

We urge our readers to look to Spud Thomas as a dependable business man of whom we may well be proud. His devotion to the city has been constant, and his achievements well merited. We wish for him further success.

Joe L. Langer

Muleshoe owes much to those progressive citizens who have taken an active part in the growth and progress of the city, and who have helped to make it the business center for this section of West Texas. In mentioning some of those, it is only fair to include Joe L. Langer, whose outstanding knowledge of the house moving business, backed up by his many years of experience, has brought him to the forefront in his particular field.

Mr. Langer is wholly deserving of our sincere praise, and these few words of commendation are but a just recognition for the many activities he has conducted on behalf of the general welfare of the community.

The honest and successful conduct of his business affairs is not only a reflection of his character, but has also been a strong factor in maintaining him in a position of leadership in his field of endeavor.

We trust that Joe Langer will continue to serve the people of Muleshoe and the surrounding area for many years to come.

Dale Newsom

The city of Muleshoe has assumed its place of importance in this section of the Southwest because of the efforts of far-seeing business men who are helping in developing its industry, or in some manner extending the trade advantages of the locality. One of those who has taken an important part in many progressive movements is Dale Newsom of the Dale Newsom Gin.

Mr. Newsom is devoting his share of time and energy to the growth and development of Muleshoe and this district, and it is fitting at this time that we attempt to express in a small way, our appreciation for his unselfish contributions to the general welfare of the community.

He is a man of wide acquaintance, whose many friends admire and respect in him, those virtues which inspire confidence and promote good feeling. And his upright business methods are but an outward reflection of his inherent appreciation for fair practices. We congratulate Dale Newsom on his splendid record of service, and wish him continued success.

George Mayo

It is fitting in this review of conscientious Muleshoe business men that we acquaint our readers with the one to be credited with having maintained the Higgenbotham - Bartlett Company, in the enviable position it holds in the business life of this area. That personality is George Mayo, whose genius for organization, and for converting new ideas into actual deeds, has played a vital part in the distinctive reputation which this reliable company now enjoys throughout this entire district.

Mr. Mayo has found time, in addition to his business interests, to give thought and energy to community projects. He is a citizen whose talents have been steadfastly devoted to the best interests of the city. He has been successful in his own business, and in the promotion of the general welfare of the community.

We are glad to pay this brief tribute to him, and to say that this district owes much to the many benefits which George Mayo and the Higgenbotham-Bartlett Company have rendered to this section of the Southwest.

Alton Turrentine

Alton Turrentine is one of the more successful restaurant operators of Muleshoe who, by maintaining a constant standard of service and high quality foods, has made the Cross Roads Cafe one of the more popular eating places in the community. We are glad to give him credit for his well-earned success in a field which is so highly competitive.

It is also a pleasure to give him credit for taking part in community affairs, and lending his assistance to various activities and public projects. When to take part in such matters, he always does so without ostentation, but in a quiet manner which lends dignity to his cheerful acceptance of his share of the civic load. It is a pleasure to be associated in the promotion of community activities with such a man as Mr. Turrentine.

This review of progressive and civic-minded people of Muleshoe would not be complete were we to fail to include Alton Turrentine. His is the kind of success which deserves recognition, and we wish him many more years of the same.

Lauranette Mason

A city grows and prospers by reason of the public-spirited men and women who take an active interest in its development. Muleshoe has its share of these progressive and civic-minded individuals, and one who is deserving of recognition is friendly, likeable, Lauranette Mason of the Merle Norman Studio of Cosmetics, featuring the new custom fitted Sculptress Bra.

Her business ability, coupled with a thorough knowledge of the business have been major factors in maintaining the Merle Norman Studio of Cosmetics in a position of leadership throughout the Muleshoe area. She not only in her business activities, but also in her attention to civic duty, assumed an active part in community affairs.

She has always been ready and willing to contribute her time and energy to the promotion of any project promising to benefit the community as a whole, and has often sacrificed personal interests to be of assistance to the city. Her efforts are deserving of commendation and support.

We congratulate Lauranette Mason on her past achievements which, in our opinion, indicate a similar successful career in the years ahead.

Merlyn Neel

Merlyn Neel, who just recently assumed the management of the Muleshoe Antenna Company, quite readily demonstrated his executive ability by his quickness to appreciate the obligations and responsibilities of his new position, and to conduct his affairs accordingly. Although he has been the manager of the company for a comparatively short time, he has already made many new friends and satisfied customers for the Muleshoe Antenna Company.

Mr. Neel is an active, energetic individual, whose sincere and friendly personality and desire to be of service is rapidly earning a place for him in this region. He has always taken an interest in community activities, and in due course of time, will assume his full share of civic responsibilities.

Merlyn Neel deserves a word of praise for having so adequately established himself in his new endeavor, and we are glad to give him this brief mention.

John Fried

Because this is a period of growth and expansion for Muleshoe, those progressive business men who had the foresight and ability to lay their plans so as to be able to take advantage of those conditions, are entitled to more than ordinary acclaim. We are therefore, glad to pay tribute to John Fried of John's Custom Feed Mill, for he has become a well known figure in the business and commercial life of this section of the Southwest.

Mr. Fried's persistent optimism and steadfast belief in the continued future prosperity of the people of Muleshoe and vicinity, are characteristics which are deserving of our highest praise.

John Fried has also always shown a willingness to do his part in civic advancement, and has contributed his bit, in a great many different ways, to projects promoted for the welfare of the city. We believe that a business man of this kind is entitled to our sincere praise, both because he has achieved success in his business and private affairs, and because he is willing to contribute to the public good.

Cecil Osborne

In bestowing credit upon some of the more progressive business men of Muleshoe, who in one way or another have contributed their bit to improve both business and civic conditions, we wish to publish a few words about Cecil Osborne of the West 6th Texaco.

Mr. Osborne has set a standard for himself, and the operation of his business that under present existing conditions, has been very difficult to maintain. However, that he has done so is proved by the large volume of business which his Texaco station continues to handle, much of which is due to his unceasing attention to detail, and his ability to cope with new and unexpected problems.

Cecil Osborn is also civic-minded and has, when asked, cheerfully cooperated on those civic activities to which he has been able to lend assistance. He more than deserves the respect and good will which he has earned, and his many personal friends and customers are confident that he will continue to maintain his usual integrity and high standards.

Ruby Green

In compiling this review of progressive Muleshoe business people, we have endeavored to select those citizens who, by the manner in which they have conducted themselves and their businesses, have earned for them positions of leadership in their various fields of activities. Such a woman is Ruby Green of the Spudnut Shop, who is well known, and has a great many personal friends and customers throughout this entire district.

Mrs. Green's main interests have not been solely confined to her own business and private affairs, but have also included her contributions in one form or another, to those projects of a civic nature which come within the scope of her activities.

Ruby Green is a woman of wide experience, whose exploits in the business and civic life of Muleshoe and vicinity, merit more than a passing mention, and the writer is privileged to pay this brief tribute to one person who well deserves more credit than is accorded her here.

Roy And

Hazel Dyer

To be a consistent and persistent booster of any community, often takes courage and plenty of optimism. It is because of their unflinching faith in the future of Muleshoe and the surrounding country, and their unflagging efforts to promote its development that Roy and Hazel Dyer are selected now for this brief tribute.

Mr. and Mrs. Dyer have proven very ably that they are restaurant and drive in operators of unusual ability, for it is largely due to their ideals of service, coupled with a de-

termination to serve only the very best of food, that the Corral Drive In holds its high position in the public's favor.

And their personalities and energy in directing the operations of the business are important factors in their outstanding success.

We are glad to pay tribute to Hazel and Roy Dyer, and to point out to our readers that theirs is the guiding influence responsible for the splendid service and delicious foods, served in a delightful atmosphere, to be had at the Corral Drive In at 1008 West American Blvd. in Muleshoe.

Margaret Beene

We desire in this Muleshoe review to call the attention of our readers to the well-earned position which Margaret Beene has reached in the business and civic life of this region. During the comparatively short time she has been operating Young Mother Hubbard's Nursery, she has made many personal friends as well as having earned the good will of her associates for the straight-forward manner in which she has conducted her business affairs.

Mrs. Beene is working hard to deserve the confidence which the people of the community have in her, and she continues to work hard to maintain in every way, that high standard which she has set, not only for herself, but for the operation and management of Young Mother Hubbard's Nursery as well.

She has also shown a willingness to assist in every manner at her disposal in the growth and development of Muleshoe, and is always ready to lend her support to civic projects, Margaret Beene deserves our heartiest congratulations on the splendid record she has already established, and we sincerely hope for her continued success.

E W. Evans

Muleshoe has attained a prominent position in the business and commercial life of this section of West Texas because of the foresight of those men who had the ability to envision the possibilities of the community, and the trade area it serves. And a wide awake progressive man who justly should be included in this category is E. W. Evans of the Evans Oil Company.

Such men have, many times over, proven their worth to the community, both as business men and as active workers in the civic betterment and progress of the city. And Mr. Evans has earned the good will and respect of his fellow citizens for contributing his bit to the general welfare of the city, and the people as a whole.

It is our duty to include E. W. Evans in that group of dependable and civic-minded men who are doing so much for Muleshoe, and to express the wish that he will continue for many years to forge ahead with the success which he has enjoyed in the past.

Jerry Spies

Jerry Spies has proved his progressiveness by constantly adding to, and increasing the service which the Quality "66" Service has extended to the people. The large volume of business handled by his Phillips 66 station proves that "service" to him, is not "just a word", but something to be rendered to the motoring public to the fullest extent of his ability.

In addition to his close attention to his business affairs, Mr. Spies was never a man to dodge his civic responsibilities, and help in those matters has always been cheerfully given.

He fully appreciates the value of good will, and has more than his share of that intangible commodity because of the manner in which he meets all business and civic obligations. He is a credit to the community, and is thoroughly established in the forefront of the business life of the city.

Jerry Spies has many friends in and around this district, and it is a pleasure to bring him before our readers in this review of progressive Muleshoe business men.

Mildred Howell

It isn't the size or volume of a person's business which determines its value to the community in which they live. But rather by the manner in which it is conducted. Which, to a greater or lesser degree, reflects the personality and character of the individual. The value of Mildred Howell's business to the city is a reflection of her progressiveness, and a determination to render the utmost in service, a policy which has caused the Decorat-

ors 216 Floral to be so well thought of, and so widely patronized by the people of Muleshoe and the surrounding area.

That same dependability and honesty which has made her so successful in her own business, has also fitted Mrs. Howell to be of assistance on community projects and public drives. Moreover, she does so cheerfully, and with a friendly spirit of cooperation that is always more than welcome.

It is a pleasure to include Mildred Howell in this Muleshoe review, and to wish her further success in her particular field of endeavor.

Dorothy Bowers

To serve the public honestly, efficiently, and cheerfully, is the basic foundation many progressive business men and women of Muleshoe have found to be the shortest route to success. In making this statement, the one we have in mind is Dorothy Bowers of Dot's Shop. The popularity and patronage enjoyed by her many services accentuates the ideals of courtesy and efficiency which she has consistently applied in the management of the business, and in the servicing of its patrons.

The conduct of such businesses, and those who operate them have done much to make Muleshoe the business center for many miles around, and it is fitting that we give credit where credit is due to such women as Mrs. Bowers for her part in the onward progress of the city. In so doing, we are merely putting into words the opinions of those who know her.

Dorothy Bowers has earned her success by the method in which she has served the public, and accepted both civic and business responsibilities, and we wish her every success in the future.

Bertie Purcell

We wish in this edition to pay tribute to Bertie Purcell of Dairy Delite, for her many services to the city of Muleshoe, and her splendid record of achievements in the business life of the city.

Mrs. Purcell probably has as wide a circle of friends as any other person we could name, because she is just naturally the kind of individual who makes friends with almost everyone, and always conducts herself in such a manner as to deserve the respect and good will of all who know her. Muleshoe is fortunate in being able to number among its more progressive business people, citizens of this type.

She is always ready and willing to lend her support to the promotion of any project which promises to benefit this entire district.

She may be depended upon, and her services to the public are too many in number to be described here. It may be sufficient to say that we consider Bertie Purcell an asset to the community, and a progressive business woman of whom the city may be proud.

Kenneth

R. Henry

In critical times such as these, it takes business men of more than average ability to carry on their operations successfully. In making this statement, the one we have in mind is one of Muleshoe's more dependable insurance counselors, Kenneth R. Henry of the Henry Insurance Agency, who has a wide circle of personal friends and policy holders throughout this entire district.

His contagious optimism and freely expressed belief in the assured future prosperity of the people of Muleshoe and its metropolitan trading area, are characteristics which are to be appreciated in a progressive business man. He has always taken an interest in community affairs, and shown a willingness to shoulder his share of the civic load.

It is such men as Kenneth Henry who, because of the successful conduct of their business and private affairs, and their eagerness to contribute to the public good, who are wholly deserving of a few words of commendation. It is a pleasure to pay him this brief tribute.

Eddie Lane Sr.,

Buddy, &

Eddie Lane Jr.

When a man gains recognition for the progressive and straight-forward manner in which he has managed his business affairs, and also for his many contributions to civic projects, he is to be complimented for his achievements.

A man belonging to this category is Eddie Lane Sr., of the Lane Real Estate & Insurance Agency, a pioneer business man of Muleshoe who is regarded with respect and admiration by a great many residents of the city and the surrounding country.

We also think it appropriate in this review to give credit to some of the younger generation who are carrying on so ably in the footsteps of their fathers. And two who certainly deserve such credit are Buddy and Eddie Lane Jr., who now shoulder their full share of responsibility in the operation and management of the insurance and real estate agency established by their father many years ago.

It is such men as Mr. Lane and his two sons who have a distinct value to their city, and we take pleasure in paying them this brief, but sincere tribute.

H. J. Leal

Successful business men as a rule, show their appreciation for their success by their often repeated demonstrations of civic pride. This is a fortunate fact. Otherwise a city would be lacking in that progressive element that advocates and develops various projects of a civic nature that are indicative of a progressive community.

And H. J. Leal of Leal's Tortilla Factory & Restaurant, is a man who has never failed to lend a hand when it comes his turn to help on some worthy project promoted for the general betterment of Muleshoe and the adjacent territory.

Mr. Leal takes a genuine pleasure in this method of showing his appreciation for his success, and in so doing, recognizes his civic responsibilities to the community.

It is such men as H. J. Leal who become acknowledged leaders in both business and civic enterprise, and we compliment him on having attained that position in the city.

Harry And

Wilma Waddle

Recognized as two of the more progressive business people of Muleshoe, Harry and Wilma Waddle of the Western Drug, perform a real service for the people of their city, and their contributions to civic betterment are too well known to require repetition in these columns. Their personal success has been achieved in a large measure, because they never miss an opportunity to further the service they render to the public. A policy which has, and continues to build up good will for the Western Drug throughout this entire region.

Mr. and Mrs. Waddle are deserving of praise, and this brief tribute is but a just recognition for the many services which they have performed in the way of both business and civic activities. Also their reputations for the successful conduct of their business affairs is no greater than their reputations for the honest practices which characterize their every transaction.

We congratulate Wilma and Harry Waddle on their splendid records, and trust they shall continue to serve the people of Muleshoe and vicinity.

Mr. & Mrs.

Butler Stevens

Mr. and Mrs. Butler Stevens of the Swap Shop, are two of those progressive citizens upon whom the community depends a great deal for leadership in business or other matters. They are also civic-minded and have in the past, and no doubt will continue in the future, to give more of their time and energy for the welfare of others than themselves.

They are the kind of people who makes friends, and friendships once formed by them are never broken by an unfriendly act on their part, and they spare no efforts in order that their services to the surrounding area shall be more dependable.

The Stevens' have never been known to inject themselves into a situation for the mere purpose of gaining publicity. However, they proceed in a calm and unostentatious manner, and accomplish their objectives with a quiet dignity.

We do not hesitate to recommend Mr. and Mrs. Butler Stevens to our readers as good examples of the more progressive type of business people who are aiding in the growth and development of Muleshoe and the surrounding country.

Farm and Ranch Loans Long Term Low Interest Ethridge-Spring Agency - Friona Phone 247-2766

James R. Jennings

In all business and professional pursuits, there are those who have met with success because they have honestly deserved it, and such a man in his particular vocation is James R. Jennings of the Jennings Insurance Agency, who well deserves the reputation he has earned for being one of Muleshoe's more dependable insurance counselors. His thorough knowledge of everything pertaining to the insurance business is exemplified by the manner in which he fulfills each and every demand made upon him in line with his business.

Furthermore, such experience as Mr. Jennings has gained in the successful operation and management of his agency has been turned to the advantage of his fellow citizens by applying the same principles to the promotion of those civic projects to which he has been called upon to lend his able assistance. Thus his success in business has further enhanced his value to the city.

We appreciate the opportunity of including James Jennings in this group of dependable and civic-minded men who are actively taking part in the evolution of the business life of Muleshoe.

Roy D. Whitt

And R. W. Watts

In every community, there are a number of business men who can be pointed out as having taken a three-fold part in the onward progress of their city. Two well known executives of Muleshoe who belong in this category are Roy D. Whitt and R. W. Watts of the Whitt & Watts Implement Company, authorized John Deere Farm Machinery, sales and service.

Their leadership in their line of business is recognized throughout this entire district. And their furtherance of civic activities, and support of those organizations whose main objectives are directed along lines of civic betterment and community progress is well known to their immediate associates.

Mr. Whitt and Mr. Watts are men who are equally well liked and respected by their intimate friends and their colleagues. They are loyal to the community, thankful for their success in business, and have shown their appreciation by their contributions to various civic movements of benefit to the city.

We congratulate F. W. Watts and Roy Whitt for being good citizens, dependable business men, and boosters of this section of West Texas.

Loses Hand In Farm Accident

Word has been received by local relatives that David Widner, 17, son of Mr. and Mrs. Robert Widner of Holtville, Calif., lost his left hand in a farm accident recently.

Young Widner, grandson of Mrs. Fred Barker, lost the hand while employed on a farm project in Nevada during summer vacation from Holtville High School where he is a senior. He lost the hand when it became entangled in a power shredder.

The hand was badly mangled, but for a time doctors believed that they might save it. However, all fingers, excepting the thumb, have been removed to the center of the palm and further surgery is planned in the near future.

He is hospitalized in San Francisco where he was transferred one week after the accident. At this time it is not known how long he will be hospitalized, but he remains in good spirits and is planning for the time he can return to classes.

His parents are teachers at Holtville.

SPRINGLAKE-EARTH STAGE BAND

General Exodus; Students Leave For College

Shouts of glee can be heard from the youth in the Twin Cities as they anticipate with much excitement the general exodus which comes with the nip of fall in the air when students will be college bound again, many for the first time and others to continue to pursue studies in their chosen fields.

In the first group are at least 20 1966 graduates of the Farwell High School and some ten or 11 Texico 1966 graduates. Among the Farwell graduates who will set forth on the venture into college life for the first time are Diane Lovelace, daughter of Mr. and Mrs. Woodrow Lovelace; Delton Wilhite, son of Mr. and Mrs. Lonnie Wilhite; Donna Dale, daughter of Mr. and Mrs. R. D. Dale; all to Texas Tech.

Enrolling at Wayland College will be Sherry Bass Field, daughter of Rev. and Mrs. J. L. Bass; Rip Walser, son of the Odus Walsers; and Martha Coffey, daughter of Mr. and Mrs. Claude Coffey.

Enrolling at West Texas State University for the first time

will be Farwell graduates Doyle Johnson, son of Mr. and Mrs. Clarence Johnson; Becky Strain, daughter of the W. W. Strains; and Charles Kitten, son of Mr. and Mrs. Edmund Kitten.

Attending Eastern New Mexico University are Mike Camp, son of the Joe Camps; Larry Gregory, son of Mr. and Mrs. Buck Gregory; Bill Roberts, son of Mrs. Elsie Roberts; Jimmie Mace, son of Mr. and Mrs. Alvin Mace; Jack Walker, son of Mr. and Mrs. E. M. Walker; and Jeanie Blair, daughter of the Joe Blairs.

Other Farwell graduates of 1966 planning to attend either a college or business school include Maudie Stancell, daughter of the J. V. Stancell; Edith Ann Walling, daughter of Mr. and Mrs. Mitz Walling; Teresa Quicke, daughter of Mr. and Mrs. I. W. Quicke; Larry Flowers, son of the William Flowers; and Melynda Ritchie, daughter of Mr. and Mrs. Roy Ritchie.

Attending Eastern New Mexico State University will be 1966 graduates Lynelle Ingram, daughter of the Wesley Engrams; David Duncan, son of Mr. and Mrs. Pearl Duncan; Jimmy Hill, son of the John Hills; Leon Smith, son of Mr. and Mrs. Clarence Smith; Peggy Hughes, daughter of Mr. and Mrs. H. L. Hughes; and Gary Meier, son of Mr. and Mrs. Frank Meier.

Local students returning to college to pursue studies include: Mrs. James Craig, Mrs.

Glenn Phillips, Mrs. Joe Vandant, Kathleen Smith, Callalya Roberts, Hal Ed Helton, Kathy White, Mikala Austin, Mike Getz, Dickie and Tommy Williams, Jerry and Leon Lovelace, Gary Singleterry, Joe Teel, Glendon Moss, Linda Campbell, Jerry Field, Peggy Eason, Donna Dunn and many others unavailable for contact.

PRIVATE EYES, that's what Chicago youngsters are becoming when they take a self-guided tour at the city's Field Museum. The tour, called "The Eyes Have It," helps them read nature's signs and shows them how to detect secrets of the outdoors.

They go from strength to strength.—(Psalms 84:7)
Often we hear of a person accomplishing some feat of strength that would seem physically impossible under ordinary circumstances. When the strength was needed, we are given the extra power to meet the situation. With God we were able to meet the challenge before us. God is the source of all life, all strength, all power. We can trust God to guide us through every day.

"I shoot golf in the low 70's. If it gets any colder I quit."

Stage Band Plays For State Meeting

The Stage Band of Springlake-Earth High School were guest performers during the 26th annual membership meeting of Texas Electric Cooper-

atives, Inc., in San Antonio, August 17-19. The musical group provided entertainment for the Fiesta de las Cooperativas banquet and

beauty pageant at which Miss Texas Rural Electrification for 1966-67 was named, Laura Gass, 18, of Comfort, was crowned.

A crowd of more than 600 enjoyed the band's performance. Their trip to the convention was sponsored by Bailey County Electric Cooperative, Muleshoe. Dean Foshee is director of the band.

GSPA Discusses World Market For Grain Sorghum

Freeman Davis recently attended a Grain Sorghum Producers Association meeting of directors and community directors in Amarillo. The future of grain sorghum on the world market was the main point of discussion.

Davis reported, "It is no longer considered that we have the surplus of grain sorghum on hand that we had in years past. Through the work of GSPA the value of grain sorghum has been brought before the eyes of the world, especially its place in the markets as an efficient, nutritive livestock feed. Experimentation using grain

sorghum products for human consumption is presently underway. Be on the lookout at county and state fairs for booths in which grain products will be used in cooking demonstrations and samples will be available for tasting."

"The GSPA is financed solely by farmers who give two pounds out of every 1000 pounds they carry to the elevator in-past the gspa program," added Davis.

Davis reports that anyone interested in obtaining further information about GSPA should contact the county directors, Gene Smith or Jim Roy Daniel,

By Mary Whitman

Stamp collecting offers fascinating insights into the world around you — past and present.

Postage stamps first appeared in 1840, and since then, more than 200,000 different types have been issued.

"Stamps are windows to world history," says Ervin J. Felix, stamp editor at Whitman Publishing Company, Racine, Wis. "If anyone could assemble all types in one collection, he would have a detailed panorama of history dating back before the Christian era." Stamps come in a vast range of shapes and sizes, on virtually every conceivable subject, continues Felix.

You don't need any specialized knowledge to start collecting, and the few materials required are inexpensive.

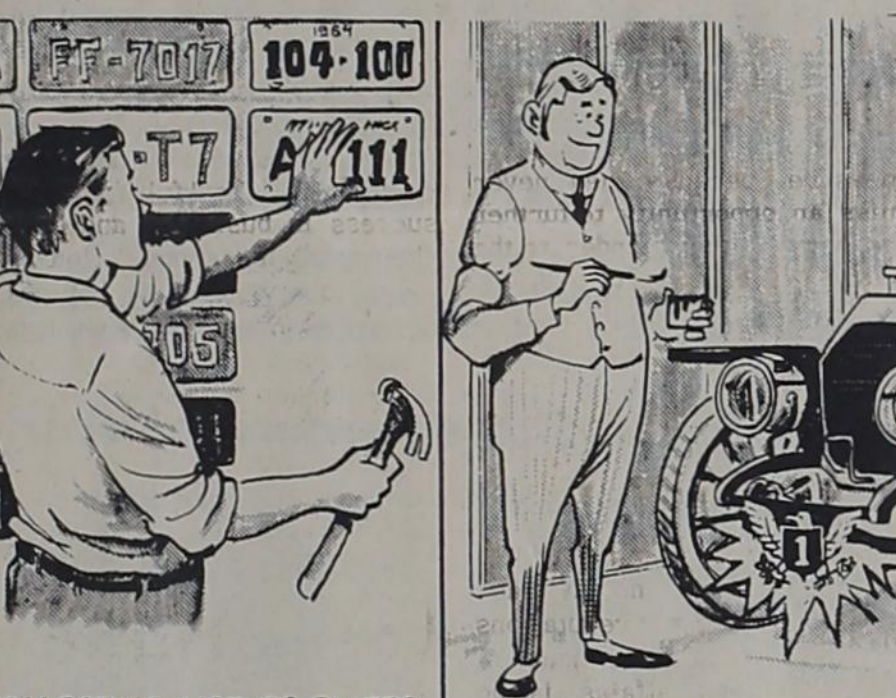

Most youngsters are introduced to the hobby by a stamp-collecting parent, aunt or uncle eager to share knowledge with an inquiring child. There's a romantic lure to stamps from far-away nations, and once an adult gives a youngster a few duplicates from his own collection, it's often the start of a life-long hobby.

All you need to begin are stamps, an album, stamp tongs, hinges for mounting stamps in the album, an instructional booklet, and a little guidance from an adult philatelist (or stamp collector).

Colorful new stamp packets are available at variety stores and stamp dealers, together with attractive new albums and a variety of philatelic accessories. A *Let's Collect Stamps* booklet, priced at 50 cents, provides all the basic information needed. Many of these low-cost items are designed for the advanced collector, as well as the beginning philatelist.

Stamp collecting provides a very definite assist to education by furnishing added dimensions to history and geography. It also ties in with other hobbies. "Name your hobby interest, and chances are there's a topic in stamps to match," concludes Felix.

COLLECTING LICENSE PLATES

COLLECTING LICENSE PLATES IS BECOMING A POPULAR HOBBY. EVERY YEAR, STATES PROVIDE A COLORFUL CROP OF NEW PLATES, AND MANY END UP ON THE WALLS OF COLLECTORS' GARAGES OR DEHS.

ANTIQUE PLATES ARE COLLECTORS' PRIZES. IN THE EARLY DAYS, CAR OWNERS MADE THEIR OWN TAGS.

NOW, ALL PLATES ARE 6x12 INCHES, BUT THERE ARE COLORFUL DIFFERENCES. FOR EXAMPLE, 25 STATES HAVE ADOPTED REFLECTIVE "SAFETY TAG" PLATES THAT GLOW AT 2,000 FEET IN REFLECTED LIGHT. STUDIES SHOW THEY HELP REDUCE REAR-END ACCIDENTS.

LOOT FROM EUROPE -- Janis Billingsley and Leslie Cooper display the kid gloves from Paris, sweater and blanket from Scotland, and hot pot mats from England, purchased during their recent trip to Europe.

My Trip To Europe

(EDITOR'S NOTE - The following account of a trip made to Europe this summer with a group of young people from the North West Texas Conference of Methodist Churches made by Janis Billingsley, daughter of Mr. and Mrs. Leon Billingsley, is described by Miss Billingsley in the following article. Leslie Cooper, Farwell, daughter of Mr. and Mrs. Lawrence Cooper, Mike Hinkson and Tamara Jennings, both of Lazbuddie, also made the trip.)

By Janis Billingsley
On the afternoon of August 4 at 4, we left Lubbock and flew to Dallas, New York, and on over to Paris. Our flight took about 11 hours. At the airport we were met by our courier, and he took us to our hotel. That night at supper everyone was surprised at the hardness of the bread and the strong cheese.

August 6th we toured Paris. We saw the Arch of Triumph, started by Napoleon and finished in 1838, and the Tomb of the Unknown Soldier, located here. The tomb is not guarded at any time. We also saw the Eiffel Tower, built in 1889 to show the use of steel for a World's Fair. Some of the other sights were: Paris Opera, Notre Dame Cathedral, Invalides Church -- where Napoleon is buried, Place de la Concorde -- where the American Embassy is located, and the outside of Luxembourg Palace. It was interesting to know that people can not build modern buildings inside of Paris city limits, but they can outside of the limits.

August 7th we left Paris and flew to London and then on to Glasgow, Scotland. Here we got on a bus and traveled to Edinburgh. The rest of the afternoon and the next day were free to shop. The night of August 8th, we attended an outdoor concert. This featured the Scottish bagpipes and dancers.

August 9th we left Edinburgh and went to Leeds. The next morning we toured the Wesley College in Leeds. We then went to Epworth where we saw the Epworth Wesley Memorial Church, the birthplace of the Wesleys, and the church where Samuel Wesley is buried. We traveled on to Lincoln where we spent the night.

The next day we traveled to Birmingham, the second largest city in the British Isles. August 12th, we went to Coventry where we saw the most modern cathedral, built in 1962. This cathedral has a tapestry of Christ, which is the largest woven tapestry in the world. This will probably be the last cathedral built, because it takes so long. Then we saw Warwick Castle, and the ruins of Kenilworth Castle. Later that afternoon we arrived at Stratford-upon-Avon, where we spent the night. August 13th we visited the Collegiate Church where Shakespeare is buried, Ann Hathaway's Cottage, and the birthplace of Shakespeare. The next day we went to Oxford where we saw Christ Church College, Jesus College, and Lincoln College. We also saw the grave of Winston Churchill and Blenheim Palace where he was born. That night we attended church services at Stratford-upon-Avon.

August 15th, was free. August 16th, we went to Bath where we saw Kingswood school. This is where John Wesley started the first Sunday School. The World Methodist Youth Conference was being held here. We went on to Bristol where we saw the Horse Fair, Wesley Chapel, the grave of Suzanna Wesley,

and the house where John Wesley lived.

August 17th, we left Bristol for London. On the way we saw Windsor Castle, Runnymede Field where the Magna Carta was signed and there is a Kennedy Memorial here. We saw where Churchill and Eisenhower met to work out D-day, a monument to Queen Victoria, and the American Embassy.

August 18th, we toured historical London. We saw: St. Paul's Cathedral, Lord Mayor of London's home, Bank of London, London Bridge, London Tower, Tower Bridge built in 1895, Marble Arch, the home of the Prime Minister and the Horse Guards, National Art Gallery, Buckingham Palace, Big Ben, Westminster Central Hall, and Westminster Abbey.

August 19th, we visited the Wesley Chapel. That afternoon was free to go to the World Methodist Conference. The next morning we attended the Conference and that night we went to the Youth's presentation at Southlands College. Sunday morning we attended church at the Hinde Street Methodist Church and attended the conference that night.

On August 21st, we left London for home. I sure did enjoy my trip, but it felt good to get back in the United States.

Backyard Cookout Fetes Chariteer Class

Mr. and Mrs. Chuck Smith were hosts to a backyard cookout Monday night for the Chariteer Sunday School class. The guests were served hot dogs with all the trimmings and watermelon for dessert. Volleyball was the highlight of the entertainment. Those attending including their children numbered 56.

Present were Messrs, and Mmes. Gene Smith, Ted Treider, Jerry Smith, Dan Smith, Gary Hicks, Joe Bullock, Ray Precure, Wayne Peterson,

Calvin Beach, Keith Menefee, Wayne Moore, Orville Burnett, John Agee, Clyde Redwine, and Gilbert Londeria.

Methodist Church --

Choir Concert Set For Sunday Night

The Chancel Choir of Hamlin Memorial Methodist Church will present a concert of sacred music on Sunday, September 11, at 6:15 p.m. in the church sanctuary. The public is invited to attend.

liams, and Mrs. Archie Tarter. Mrs. James Craig is director of the 26-voice choir. Miss Diane Lovelace is organist.

The program will be based on the theme, "Music and the Christian Year." Rev. Hardin Atkins, pastor of the local church, will assist the choir by explaining the meaning of the different periods of the Christian Year. The choir will present hymns and anthems appropriate for Advent, Christmastide, Epiphany, Lent, Eastertide, Pentecost and Kingdome.

Members of the music committee of the church will host a reception immediately following the concert. Members of that committee are Mrs. Glenn Phillips, Mrs. Lenton Pool, J. H. McDorman, Mrs. Jack Wil-

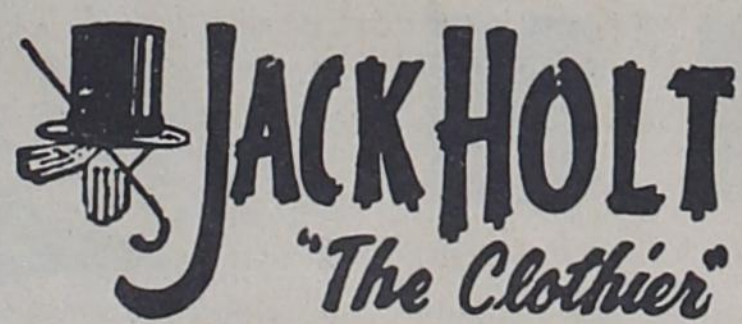

iams, and Mrs. Archie Tarter. Mrs. James Craig is director of the 26-voice choir. Miss Diane Lovelace is organist.

Love... is not provoked... but rejoiceth with the truth. (I Cor. 13:4-6)

If working conditions appear strained, a peaceful, soothing word from us may give others assurance. Regardless how irritated or unreasonable someone may appear, we must remember that love is not provoked. Instead of feeling hurt or angry we will bless them into the Father's care and keeping. Let's rejoice in His love.

DRESS RIGHT... You Can't Afford Not To

304 MAIN CLOVIS

Mrs. Foster Tells Of Holy Land Trip

Mrs. Lucille Foster, mother of Mrs. Bonnie Warren and daughter of G. W. Magness and former Farwell resident now living in Abilene, has recently returned from a trip which took her into the "Holy Land" and various countries in Europe.

The tours are planned by International Tours and are designed to create friendship and understanding among the people of the nations of the world. Some 26 persons from the Northwest Texas Conference of Methodist churches made the tour along with Mrs. Foster. Although the tour was planned through the cooperation of the Methodist churches, people of all faiths made the trip.

Mrs. Foster says that they usually traveled in large groups of from 90-100. Travel during the entire trip was in the most primitive manner (camel) to the most modern (plane). Other modes of travel included horse and buggy, boat, bus, train, and subway.

First stop for the group was Cairo, Egypt, where they found the people hostile although polite. Life in Cairo, says Mrs. Foster, is from the most primitive to the ultra modern. One of the most amazing things was that even the smallest child had a speaking knowledge of English, enough to understand and get the things the tourists asked for. "It was here that we first began to realize our lack of being able to converse in any but our own language," said Mrs. Foster. "It was quite embarrassing," she added, emphasizing the need for stressing the teaching of foreign languages in our school.

The Nile river is all that has been said to be, "The life giving river," she stated, with the residents using water from the river for all of the necessities of life from washing clothes to drinking water, recreation, irrigation and in some places, for a sewer. Farming in the area was done

in primitive fashion, with hand tools to the most modern, using the latest in farming equipment.

Lebanon, next country visited by the group, was one of the friendliest places visited, with the natives of the country going "all out" to make the visitors feel welcome. "One could feel the difference in the attitude of the people here and in Egypt," stated Mrs. Foster. In Lebanon the people are progressive and are well able to live at home where they are able to provide for their own needs.

The Mediterranean Sea was a beautiful blue and was one of the most fascinating sights seen on the entire trip.

Arriving in Jordan, the tourists found the people to be hostile with Moslems in their long robes a common sight on the streets.

The tourists visited the old sites where they were dazzled by the magnificence of the buildings which were adorned with jade, ivory, gold, and silver, and also visited the buildings which have recently been constructed in the area which are of the most modern design and architecture.

Jerusalem, Jordan, and Jerusalem, Israel, are divided by a barb-wire fence and no one, not even tourists, are allowed to pass from Israel to Jordan, but all visitors must go from Jordan to Israel through a wire gate. The tourists were escorted to the structure where their luggage was placed on the ground and the tourists told to "pick it up and go into the other area". "Believe me, they don't even want to go into the other area," stated Mrs. Foster.

From Jerusalem the tourists' next stop was in Tiberias, near the Sea of Galilee, known as the "most peaceful in the world." "It was anything but that," stated Mrs. Foster who was in the city when the Assyrians and Israelites had one of their many skirmishes with loss of life involved.

In telling of the incident she

relates the following account:

"On Monday morning we were awakened by what sounded like gunfire, but what we assumed was a car backfiring. At breakfast we noticed something burning and commented that someone was finally going to burn trash; since the trash accumulates in heaps to mar the beauty of the streets. Later we were taken on a tour of the town by our second guide while our regular guide attended to some business. Finally we returned to the Sea and were able to cross, all the while noting that planes were flying low overhead."

Unable to stand the suspense no longer and upon arrival in Tel Aviv where they obtained a newspaper, the tourists found that they had been sitting right in the middle of one of the skirmishes. "Yes, the Sea of Galilee is divided in the middle by buoys, and planes from either side, Assyria or Israel, know better than to cross the boundary, even though they both claim the Sea as their own."

"Tel Aviv is much like San Diego, Calif., and its sister city, Hoffs-Joppa of Biblical times, is much like San Francisco. However, the border guards use some of the most primitive guns along with some of the most modern equipment. Border guards even ride camels."

Stops were made in Italy where the tourists visited Vatican City and Rome; Athens, Greece, where the people of the country were found to be especially friendly and glad to have visitors; Paris, France, and finally London, England.

The attitude of the people of Paris was not one of hostility, but they were not especially friendly either, says Mrs. Foster, who attributes their attitude to that of their leader. People on the tour were in agreement that the people of France want to be on the side of the victor, no matter who; therefore, they are reserved in their attitude to Americans, although they are not unfriendly.

In Greece they found the children happy and the dogs fat assuring them that Greece is a progressive nation, for whenever they went when they found these conditions prevailing, they found a progressive nation, says Mrs. Foster.

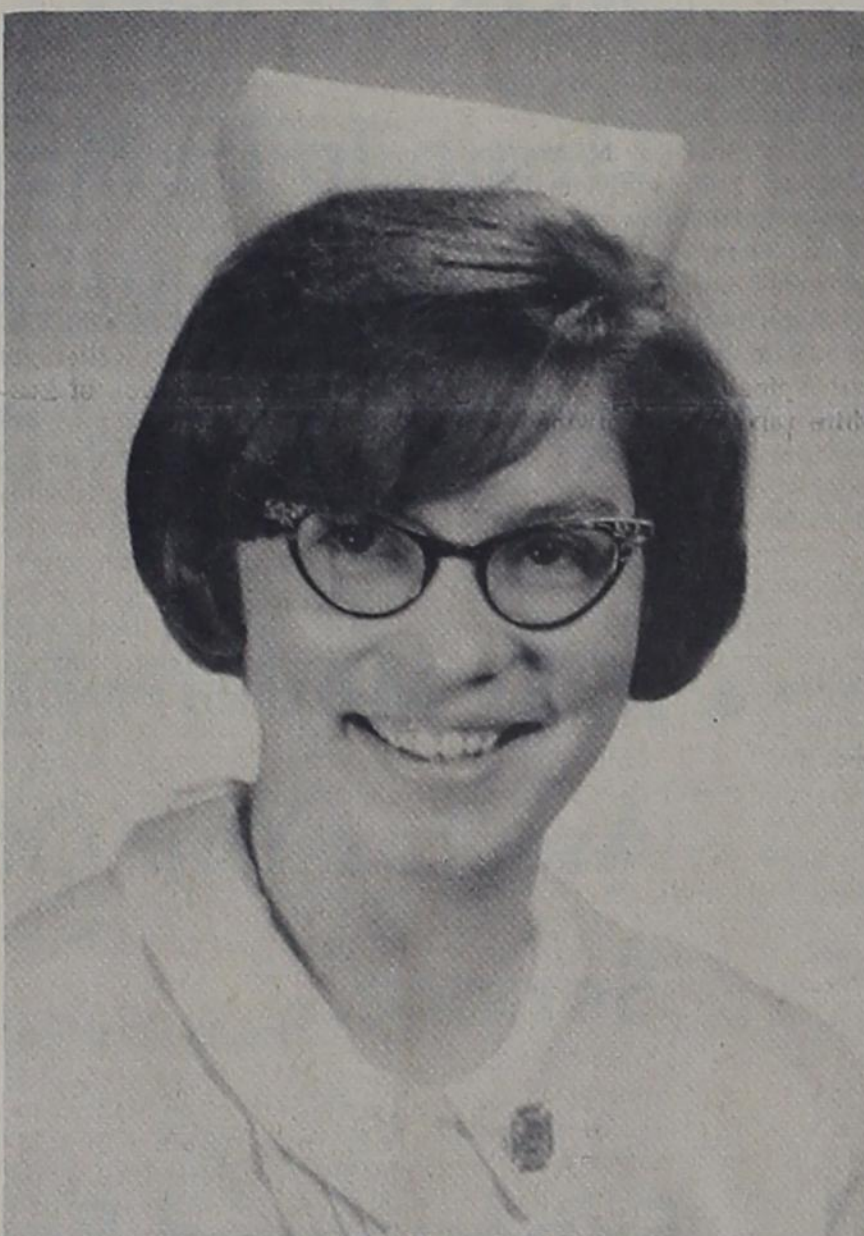

Highlight of their stop in London was a visit to the International Conference of the Methodist Church, one day of which they missed due to the air strike. Dr. Outler from Southern Methodist University was the speaker heard by the tourists.

The farms in England are something out of this world, stated Mrs. Foster, who describes them as small, wonderlands of beauty, with their prize animals, lush green grass and beautiful flowers. All of the farming in England is mechanized and some irrigation is used.

The tourists also visited Stratford-On-Avon and Mrs. Foster tells of the thrilling sight of seeing the swans which populate the area. They also visited the Shakespearian haunts and many other scenic spots in England.

"It was a fast moving trip, taking only 22 days, but time was well spent," states Mrs. Foster, who concluded by saying "I made the trip because I never believed half of the things people told me about conditions in those countries, but since having been there I can truthfully say, it is much worse than anything we might have been told."

She returned to Abilene on August 25 and has been visiting in Texico-Farwell during the weekend.

Margaret Haseloff Receives Degree

Margaret Haseloff, daughter of Mr. and Mrs. A. H. Haseloff and a 1963 graduate of Farwell High School, was graduated as a registered nurse in ceremonies at the Holy Cross Lutheran Church in St. Louis, Mo., Sunday afternoon.

Miss Haseloff has been a student at Lutheran Hospital School of Nursing in St. Louis, for the

past three years. Following graduation and state board exams, she will return to Farwell with her parents for a visit until Oct. 1 when she will assume duties as a surgical nurse at Clovis Memorial Hospital.

Mr. and Mrs. A. H. Haseloff were in St. Louis for the graduation as were Rev. and Mrs. Herbert Peiman, grandparents of the graduate.

DOT DATE LOAF

- 1 cup California dates or packaged diced dates
6 eggs, separated
1/2 teaspoon salt
2 1/2 cup sugar
1 cup toasted sliced almonds
1/2 cup diced candied citron
2 squares (1 oz. each) unsweetened chocolate, grated
1 teaspoon grated lemon rind
1 cup sifted all-purpose flour

Cut dates into small pieces (or use packaged diced dates). Beat egg yolks until thick and lemon-colored. Gradually beat in salt and sugar. Add dates, almonds, citron, chocolate and lemon rind; mix to distribute evenly. Blend in flour. Beat egg whites until stiff. Fold into fruit mixture. Turn batter into greased and floured 9 x 5 x 3-inch loaf pan. Bake in 300-degree (slow) oven 1 hour and 10 minutes or until toothpick inserted in center comes out dry. Invert on wire rack to cool. Remove from pan. If you wish, garnish with halved or diced dates, pressing dates lightly into top of loaf. Wrap in foil, saran or waxed paper and let stand overnight before slicing. Makes 1 loaf.

The Old Timer

"Flattery is a commodity that makes everybody sick except those who swallow it."

A MORE BEAUTIFUL YOU -- Properly applied makeup makes for a "more beautiful you," emphasizes Mrs. Laurantette Mason as she applies eye makeup to Carolin McGuire of the Lazbuddie Young Homemakers.

Skin Care Studied By Young Homemakers

Mrs. Laurantette Mason of a cosmetic studio in Muleshoe demonstrated how to care for skin and the proper use of eye makeup for the Lazbuddie Young Homemakers Thursday. In addition to the program, plans

were made to attend the Area I Convention in Tulsa, September 10.

Those present included Mesdames Don McDonald, Roy Lee Farley, Jerry Engelking, Wayne Peterson, Charles Fry, Ronnie Ivy, Joe Tartar, Carolyn McQuire, Jimmie Dale Seaton, Ronald Elliott, JeDon Gallman, and Eva Dean Ivy.

Take Up Your Cross Is Installation Theme

Golden Circle Sunday School Class of Texico First Baptist Church met in the fellowship hall of the church for its quarterly salad supper and officer installation on Tuesday night with members of the TEL and Ruth Classes as guests.

Mrs. Harvey Hudnall, installing officer, used as her topic "Take Up Your Cross". Each new officer was presented with an illuminated miniature cross as she was installed. Officers installed included Mrs. Nora Day, teacher; Mrs. J. O. Morris, president; Mrs. John Hill, vice-president; Mrs. F. S. Thigpen, treasurer; Mrs. Jack Watts, secretary; Mrs. Johnnie Chappell, devotional chairman; Mrs. E. A. Hudson and Mrs. T. J. Tipton, group captains.

Guests in attendance were Mesdames Anson Bowers, Olan Schlueter, Harvey Hudnall, B. A. Kelley, and Leroy Looper.

School Lunch Schedule AT TEXICO

MONDAY: sloppy joes, cole slaw, fruit jello, cinnamon rolls, milk.

TUESDAY: Salisbury steak, creamed potatoes, harvard beets, hot rolls, butter, spiced applesauce, milk.

WEDNESDAY: corny dogs, lima beans, orange-pineapple jello, loaf bread, butter, peanut butter no-bake cookies, milk.

THURSDAY: hamburger casserole, green beans, carrot-raisin salad, hot rolls, butter, spice cake, milk.

FRIDAY: enchiladas, buttered corn, shredded lettuce, loaf bread, butter, fruit salad, milk.

Brenda Lee Show Feature of Fair

Completion of arrangements for the 1966 Tri-State Fair in Amarillo was announced today by Rex Baxter, manager. The Tri-State Fair is scheduled to get underway September 19 and is slated to continue through September 24. According to Baxter, this is the greatest array of spectacular events in the history of the Tri-State Fair.

Headlining the Tri-State Fair this year will be "The Brenda Lee Show" featuring the world's number one girl singer, Brenda Lee, backed by that famous group "The Casuals" and a star studded cast of over a dozen nationally known entertainers such as Vic Dana, the well known recording artist; internationally known composer, conductor, arranger, and harmonica player, Richard Hayman; and the world renowned ventriloquist, Jimmy Nelson, just to name a few.

The youngsters will enjoy their turn at the parachute jump and have a free chance to win one of three gasoline powered Monza Junior carts to be given away at the Cinesphere Show. Everyone will be entertained by the antics of the trained porpoise, Skipper! There will be thrilling old west gun fights by the Six Gun City Crew. All this and much more, not to mention the glamor and excitement of the fun filled mid-way, animal exhibits, and litterly hundred

Sherry Bass Bride Of Jerry Field

Sherry Kay Bass, daughter of Rev. and Mrs. J. L. Bass, became the bride of Jerry Ray Field, Plainview, son of Mr. and Mrs. Billy Field, Muleshoe, in an impressive double-ring ceremony read by the bride's father at the Farwell First Baptist Church Thursday, Sept. 1, at 7:30 p.m.

Vows were exchanged before a setting of 15 branched brass candelabra holding white tapers, bouquets of white gladioli and giant mums, flanked by two nine branched candelabra of brass, bearing white tapers. Centering the setting was a brass kneeling bench entwined with white satin ribbon. Background for the entire setting was of palms and woodwardia fern trees. Focal point of the setting was a minute brass candelabra at the left of the altar, holding three white candles, two of which were lighted by the candlelighters preceding the ceremony. When the couple had been pronounced husband and wife they blew out the two burning candles and "together" lighted the central candle, symbolizing their life together.

Both the bride and groom presented red roses to their respective mothers as the bridal party entered the church.

Billy Field, father of the groom, played appropriate nuptial selections preceding the ceremony and accompanied Cliff Hardin, soloist, as he sang, "Twelfth of Never," and "Each for the Other," prior to the entrance of the bridal party and "Wedding Prayer" as a benediction.

Candlelighters were Pamela Bass, cousin of the bride from Brownfield, and Martha Coffey, Farwell. Serving as ushers were Bobby Stice and Joe Jesko, both of Clovis, Bobby Field, Muleshoe, brother of the groom, served as best man and another brother, Max Field, Friona, was groomsmen.

Maid of honor for her sister was Joyce Bass, another sister, Jana, was bridesmaid. They wore identical floorlength dresses of red satin designed similar to that of the bride, except that they were sleeveless. They wore crowns of silk organza roses with shoes in matching hue. Each carried a long stemmed white mum.

Tina Gerles, daughter of Mr. and Mrs. Herman Gerles, was flower girl. She was attired in a floorlength dress of redsatin, red shoes, and wore a red silk organza crown identical to that of the other bridal attendants. She carried a white lace basket filled with white rose petals. Her corsage was of miniature white pom pom mums.

The bride, escorted and given in marriage by her father, wore a formal wedding gown of white peau de soie, designed with a fitted bodice, long sleeves which came to points at the wrists and a round neckline accented by appliques of white lace roses. The applique roses were repeated at the hemline. The detachable train was adorned by a

MR. AND MRS. JERRY FIELD

self bow at center back of the waistline.

Her tiered fingertip veil of white silk illusion fell from a small crown of soft pearls. She carried a cascade of red roses surrounding a white cymbidium orchid atop her white Bible.

Carrying out tradition, something new was her wedding dress made by her mother; borrowed was a necklace from her sister, Joyce; old was her mother's wedding band; and blue was the traditional garter. For luck she carried in her shoes pennies minted in the year of her birth and that of the groom.

For her daughter's wedding, Mrs. Bass chose a two-piece suit of blue crepe with matching blue beads and earrings. Her accessories were black and white and she wore a white cymbidium orchid corsage.

Mrs. Field chose a navy blue two-piece dress with black and white accessories. Her corsage was also a white cymbidium orchid.

Immediately following the wedding, a reception was held in the Fellowship Hall at the church. Serving table was covered with white lace over red and centered by an arrangement of red roses.

The tiered cake, separated by columns, was decorated by minute red confection roses and topped by a bride and groom figurine. Crystal and silver table appointments were used. Napkins inscribed with the names "Sherry and Jerry" and the wedding date, "Sept. 1, 1966" completed table decor.

MRS. GARY DON COKER

Ivy-Coker Exchange Vows By Candlelight

In a candlelight ceremony at the Lazbuddie Church of Christ Saturday at 7:30 p.m., Johnnie Beth Ivy, daughter of Mr. and Mrs. J. L. Ivy, Route 1, Friona, exchanged wedding vows with Gary Don Coker, son of Mr. and Mrs. Roy Miller, also of Route 1, Friona. The double ring ceremony was read by Leroy Thompson former pastor of the church.

An archway of candles centered the altar arrangements with spiral candelabra holding white tapers and entwined with woodwardia palms on either side. Large baskets of white gladioli and blue asters accented with pastel blue bows completed the altar setting. White tapers set in clusters of palm branches stood in each window.

Music for the wedding was provided by a choir from the Sixteenth and Pile Church of Christ in Clovis. They sang "O Promise Me", "Whither Thou Goeth," and the traditional wedding march.

The bride, escorted to the altar by her father, wore a formal white gown of peau de soie. The straight skirt was accented at the waist and hemline with Alencon lace and seed pearls. Her dress was designed with a beauty neckline and long petal point sleeves featuring a Watteau train which fell from the waist.

Her fingertip veil of illusion was attached to a circular head piece accented by a bow of peau de soie and seed pearls. Her bouquet was a cluster of white roses and streamers.

The bride chose as something old a brooch belonging to her grandmother; new, her dress; borrowed, a pearl ring; and blue, a garter.

Eva Dean Ivy, sister of the bride, was maid of honor, and Charlotte Seaton was bridesmaid. Both wore identical dresses of pastel blue peau de soie featuring slightly gathered floor length skirts and waist length jackets accented by buttons down the back and elbow length sleeves. Their headpieces were bows of blue peau de soie covered with a circlet

of blue net. Their bouquets were of cascading white carnations accented with blue artificial grape clusters.

Candlelighters were Donnie Coker, brother of the groom, and Deana Coker, cousin of the groom. Ringbearers were Mark Mimms and Eddie Bruce Miller, brother of the groom.

Best man was Lloyd Bradshaw and groomsmen were Ronnie Taylor, both of Lazbuddie. Ushers were Danny Miller and Max Eubanks, also of Lazbuddie.

The reception was in the Methodist Church Fellowship Hall. The bride's table was laid with gathered white net over a white cloth. The tiered cake was accented with blue flowers and two heart-shaped cakes on either side. The bridal bouquet provided the centerpiece, and crystal and silver appointments completed the setting.

For a wedding trip to points in New Mexico, the bride chose a royal blue knit suit and matching tapestry accessories.

The bride is a 1965 graduate of Lazbuddie High School and has attended South Plains College. She is presently employed at Muleshoe State Bank. The groom is also a 1965 graduate of Lazbuddie High School and has attended West Texas State University. The couple plan to make their home near Lazbuddie where he is engaged in farming.

Bride-Elect Is Shower Honoree

Fellowship Hall of Farwell Church of Christ was scene for a bridal shower honoring Eva Parsons of Dumas, bride-elect of Jerry Venable, on Friday evening.

Pink and white were used in decorations and carried out in refreshments. Serving table was laid with a white lace cloth over pink and centered with an arrangement of pink flowers flanked by pink candles in crystal holders. Crystal and silver table appointments were used. Napkins inscribed with the names "Eva and Jerry" in gold, completed table decor.

Individual cake squares, white with pink icing, were served with punch, mints and nuts to approximately 30 guests. Mrs. Jerry Dee Owen presided at the serving table. Guests were registered by Mrs. Duane Herington.

Mrs. W. C. Parsons, mother of the bride-elect, and Mrs. Vic Venable, mother of the groom-elect, were presented with corsages made from kitchen utensils and ribbon bows, as was the honoree. The mothers assisted the honoree with opening gifts. Mrs. Duane Herington registered the gifts in the bride's book.

In addition to the 30 persons attending, many sent gifts who were unable to attend.

Hostesses for the bridal courtesies were Mesdames Grady Herington, Lewis Sharp, Paul Wilkinson, Ebb Randol, L. T. Utsman, R. S. Shuman, Duane Herington, Jerry Dee Owen, Bob Hammonds, and C. J. Huffaker.

Christian Family Social Held Saturday

The annual Christian family get-together was held at the Oklahoma Lane Community Center Saturday with approximately 100 family members and guests in attendance.

Following the dinner, a shower and get-acquainted party was held honoring Mr. and Mrs. Gerald Christian, who were recently married, with Mesdames C. C. Christian, John Christian and C. E. Christian as hostesses.

Serving tables were covered with party tablecloths and centered with artificial floral arrangements. A sheet cake, inscribed with the words "Best Wishes Doris and Gerald," was served with punch to the assembled guests.

TO WED -- Mr. and Mrs. A. F. (Bunk) Phillips announce the engagement and approaching marriage of their daughter, Linda Luann, to Jerriell Wayne Irby, Abilene, son of Rev. and Mrs. V. B. Irby of Raton. Friends and relatives are invited to the October 23, 2:30 p.m. wedding at Hamlin Memorial Methodist Church and to the reception which will follow in the Fellowship Hall. Invitations are not being sent locally. Father of the groom will officiate at the ceremony. Miss Phillips, a graduate of Farwell High School, attended McMurry College one year and her fiance is a junior student at the college.

Mrs. Kaltwasser Is Convention Speaker

Mrs. Walter Kaltwasser, president of the Texas District Lutheran Women's Missionary League, was recently guest speaker at Concordia Lutheran Church in San Antonio, to the women of the north and south Alamo zones. Her topic was "A Christian Woman's Role in the 20th Century."

She also was convention speaker at Kearney, Neb., at the Southern Nebraska Lutheran Women's Missionary League. During the two-day meet at the state teacher's college her topic was "Time and Eternity."

During the convention, a historical pageant showing the history of the church during the past century was presented. Over 1,000 persons were in attendance at the convention.

Visit In Moss Home

Visitors in the home of Mr. and Mrs. Bill Moss and children, Glenda, LaJuana and David Sublett, on Saturday night were Mr. and Mrs. Gene Ray Williams and Carla, Dallas; Mr. and Mrs. Ollius Killingsworth, Kay and Larry and Sidney Killingsworth, all of Muleshoe; Mrs. Bobby Bryant, Morton; Mrs. Bennie Barrow and Tracy Lynn, Clovis; Glendon Moss, Alamogordo; and Crystal Moss.

My Neighbors

"Yes kids today just don't appreciate the old ways—just sitting on their lands until their oil is discovered."

*Right now, Southern Union Gas Company will help YOU prepare for winter by lighting your furnace and checking your heating equipment without charge as a part of its normal service to customers.

If, however, you call after October 14, there will be a charge of \$2.50 as the Company's fall light-up program will then no longer be in effect.

When chilly weather arrives Southern Union is flooded with light-up calls. As a result, you may have to wait several days for service. So have a gas company serviceman come to your home now — and avoid the rush! CALL SOUTHERN UNION TODAY!

Visitors In McFarland Home

Mr. and Mrs. Charlie Bowers and daughter, Lawndale, Calif., Mr. and Mrs. Everette Christian, Redondo Beach, Calif., and Mr. and Mrs. M. L. Mc-

Fraland, Pierre, South Dakota, are visiting in the home of Mr. and Mrs. John McFarland and family.

The Bowers and Christian families are also visiting with other friends and relatives in the area. They will return home this weekend.

What is there about traveling salesmen?

Well, one thing about a traveling salesman is that he gives his car hard usage. Business calls require a lot of start and stop driving. And that's when corrosive engine wear can cause serious damage.

Actually, start and stop driving is the kind of driving most of us do most of the time. So, to protect your motor under these severe conditions, your Phillips 66 Dealer recommends Trop-Artic All-Season Motor Oil. Trop-Artic starts protecting at low temperatures, and keeps on protecting at high operating temperatures. It's a light oil, a medium oil and a heavy oil, all in one!

To keep your car running better longer, get Trop-Artic Motor Oil at any station where you see the Phillips 66 Shield.
