Rock 'N Roll Jamboree Set Feb. 13 At Center

Farwell Convalescent Center's annual Rock and Roll Jamboree has been scheduled for Friday, Feb. 13, at the Center, according to Linda Winegeart, Center activities director.

The fund raising event, which takes place each year near Valentine's Day, will continue from 8 a.m. to 5 p.m. CST with residents "rocking and rolling" in their rocking chairs and wheel chairs to raise money for the American Heart Association.

Last year's Jamboree at the Center netted \$750, and this year's goal is \$800.

Rockers and rollers raise the money by obtaining pledges from area citizens. Anyone may sponsor a participant in the event by pledging a certain amount of money for each hour rocked or rolled.

A Jamboree Queen and King will be selected at the end of the day, chosen from those who have rocked or rolled the longest time. Onlookers will be asked to clap for the candidate of their choice.

Last year's royalty was Opal

White and the late W.W. Vinyard.

The Jamboree is an annual event organized by residents, staff members and Auxiliary volunteers in a combined effort to raise money for what they feel is a worthy cause. It is also a project of the Texas Nursing Association, and nursing homes all over Texas will participate in similar events to help raise money for the Heart Association.

As in past years, the Farwell Jaycees will assist in the event by taking pledges over the phone and by picking up donations from those unable to

bring their pledges to the Center.

The telephone number to call in pledges is 481-9035.

Local and area groups and individuals will provide the entertainment throughout the day.

A prize will be awarded to the resident of Farwell Convalescent Center who rocks or rolls the most hours.

Funds raised from the Jamboree for the Heart Association are used to finance research projects and to educate the public concerning all aspects of the association and heart care.

Their Hearts Are In It

Texico students, from left, Sharon Anders, Teresa Golledge and Lisa Coffey are three of the group that has already begun making decorations for the February 14

basketball homecoming at Texico High. The school is to be decorated in pink and hearts carrying out the theme "Through The Eyes Of Love." Contests, dress days and a

pep rally will all be featured during homecoming week, with the crowning of a new king and queen taking place during the basketball clash against Melrose Saturday, Feb. 14.

Feb. 14 - -

Texico School Turns Pink For Homecoming

The halls of Texico school will be filled with pink and red hearts next week as festivities get underway for the February 14 basketball homecoming.

"Through The Eyes Of Love" is the theme for this year's event which is to feature contests, dress days, a pep rally and, of course, the crowning of the basketball royalty during one of the halftime ceremonies.

One of the events to be held during the week is called "The Heart Give Away." All Texico girls will wear a heart and will be allowed to talk to the boys when they are in a classroom. If a discussion between a boy and girl takes place in the hallway, the girl will then have to give her heart to the boy.

The four classes at the high school will compete in a cake decorating contest. Grades 9-12 will each decorate one cake trying for the big prize.

The entire school, grades

K-12, will participate in a door decorating contest, and all elementary school students will make one heart each for decorations to be used throughout the school.

The junior high cheerleaders are in charge of placing placards and posters around the town of Texico publicizing the week's events.

Special "dress" days are to be held three days prior to Saturday's game time festivities. Wednesday, Feb. 11, will be Dress Up Day; Thursday, Feb. 12, is Tacky Day; and Friday, Feb. 13, is Green and White Day. Everyone is encouraged to participate in all three "dress" days.

Ribbons will be awarded for first, second and third place winners for both male and female.

A pep rally is slated to take place Friday, Feb. 13, at 3:15 in the new school gym. The Texico Wolverines will play the Melrose Buffaloes in Texico's

final season games of the year. The games are to begin at 5 p.m. MST.

During halftime of the varsity boys game, the varsity cheerleaders are to present a special dance routine.

The junior class parents have announced that they will sponsor a homecoming dance. Complete details will be in next week's Tribune.

Names of the homecoming candidates and time of coronation also will be announced in next week's Tribune.

Today (Friday) is the last day to order a corsage for the homecoming games. Corsages sell for \$6 and may be ordered through today from any junior class member.

They may be ordered with initials, player's number, the word "mom" or the letter "T" on top of the carnation. Persons ordering corsages will be able to pick them up at 4:30 p.m. Saturday, Feb. 14, in the school gym.

Work Finally Begins On Texico Paving Program

After a long wait and one missed deadline, work on Texico's town roads finally began last week.

According to Texico Mayor John R. Hadley, road crews are currently in the process of grading up the roads to prepare them for caliche. "As soon as the weather warms up, oil and chips and sealer will be added to the caliche base," Hadley said.

The mayor commented that progress on the roads "is real good. They've had a couple of very good days."

In the original agreement between the State of New

Mexico and Texico, paving was to have begun in late September and was to have been completed November 1, 1980.

But due to a communication problem, the deadline was extended and workers have six months from now to complete the estimated \$50,703 project.

According to city clerk Marie Christian, there are only two miles of community streets to be paved. She states that the State of New Mexico will pay 43 percent of the cost and the remaining 57 percent is to be paid by Texico.

Five miles of Texico roads were paved in 1979 and it is

believed that once this final two miles is paved all road work in Texico will be complete.

The project is under a cooperative agreement with Curry County and the state which is why county machinery is being used in the road work.

Some labor is being furnished by the county in addition to the machinery, and Texico is providing the oil and diesel for the vehicles, also water and some manpower.

Hadley said he has "no idea" when the road work will be completed.

Ready For Road Work

Work has begun on Texico's road improvement program, and according to Mayor John R. Hadley, county road workers are currently in the process of grading up the roads and preparing them for

caliche. As soon as the weather warms up, oil, chips and sealer will be added to the caliche base, he said. A county road worker is shown here tightening up the blade on his grader

before work is begun. It is estimated that two miles of Texico roads will be paved when the process is done, completing all proposed paving in that town.

Bulletin: Time Change For Livestock Show

The Farwell Junior Livestock Show set for Thursday night was to begin at 6 p.m. CST rather than at 7 p.m. as previously announced.

Reason for moving the show's start up an hour is so that the event will not continue until such a late hour for the students and adults involved.

The show is at the Preston Martin fertilizer barn in northeast Farwell and everyone is invited out to attend.

Sweetheart, and Robin Vinton, FFA Plowgirl, are to present trophies and ribbons to show winners.

Trophies will be awarded to the grand champion and reserve champion in each division. A showmanship trophy will also be given in each division.

The Farwell Jaycees are again sponsoring the show.

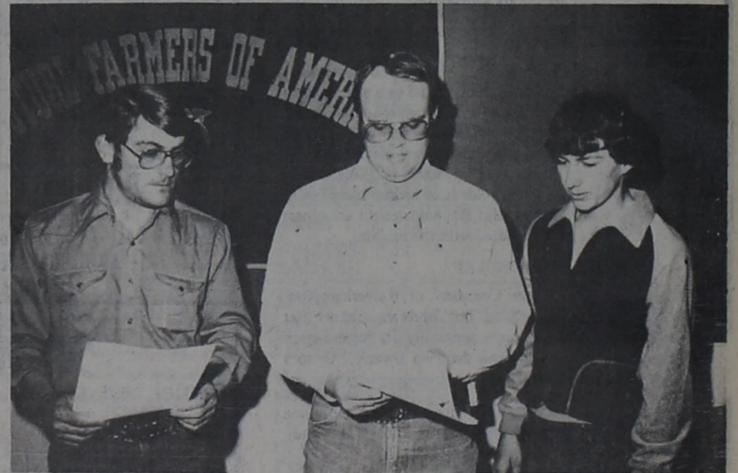

Worley Grain and Sherley-Anderson-Pitman elevators are furnishing the trophies and ribbons for the show which is featuring steers, lambs, gilts and barrows.

Michael Haseloff is serving as the show's superintendent with Richard Montgomery, Farwell Vo-Ag instructor and FFA advisor, supervising the FFA entrants and Seth Ral-

ston, Farmer County Extension Agent, in charge of the 4-H participants.

The 4-H club has a concession stand at the event.

Both Ralston and Montgomery feel that the local show gives the students an opportunity "to learn more about showing animals and to prepare them for the county show."

Show Plans Finalized

In preparation for the annual Farwell Junior Livestock Show, set for Thursday, Feb. 5, show superintendent Mike Haseloff, Farwell vo-ag instructor and FFA advisor Richard Montgomery, and FFA president Gary White plan the final

details. Site of the show is the Preston Martin fertilizer barn on north Ninth Street. Weighing-in was set to begin at 8:30 a.m. and the animal exhibition was to begin at 6 p.m. CST. Participants are Farwell FFA

and Farwell 4-H Club members showing their livestock. Farwell Jaycees are again sponsoring the show, and Worley Grain and Sherley-Anderson-Pitman elevators are providing the trophies and ribbons.

URELY
ERSONAL

by John

President Reagan is getting off to a rapid start in implementing many of his campaign promises. He has announced that there will be some deep budget cuts in many areas. Apparently one of these areas is repealing the very recent Department of Education ukase to expand the bilingual programs across the country.

His given reason is that it usurps the rights of the states in setting their own educational standards. We hope that he follows this philosophy in many other areas where the federal bureaucracy has intruded into state and local functions. This will save tax payers a tidy bundle.

It is an axiom that governmental functions are performed more efficiently at the lowest possible level of government. Tax dollars sent to Washington, D.C., always shrink drastically when and if they are returned to the states or localities.

The President has looked the Soviets in the eye and told them that they will have to prove, in the future, that they can be trusted to honor international agreements. This is a must as their past track record of honor and truthfulness is almost zilch. It's about time we officially recognized their propensity for international deceit.

We think our open admission of Russian duplicity will help the government of the USSR and the USA better understand each other and lessen the possibility of a miscalculation in future world actions by both countries. International intrigue may be a chess game but it will help if both sides have a clear understanding of each other's limits and tolerances. The President's statement would be hard to misinterpret.

In a heartwarming outpouring of affection and esteem area residents honored recently retired Sheriff Charlie Lovelace. Isn't it great to live in an area where the homely virtues of life are recognized and appreciated?

We were looking up an article in one of the past November issues of the Tribune and sneaked a peek at one of our old columns. We were then quoting from the Almanac about the winter's weather. The almanac said that we would have the most of our winter and snow early and that by the middle of January we would be both warmer than usual and dryer than usual.

The good ol' almanac so far has done a better job of forecasting the weather months in advance than the Amarillo weather guessers did on a day-to-day basis.

Last week we waited in vain for the snow or rain or both that was so confidently predicted. Like an old song asked, "How in the heck can I wash my neck if it ain't gonna rain no more?"

According to Postmaster Otis McMillan if Farwell grows enough to fill the latest section of new boxes at the post office our town might be considered for a person to deliver mail to the homes. We presume that if this occurs and a woman is hired to make the home deliveries she will be officially known as a person rather than a mailman.

There it was the first of February and the professionals were still playing football. Don't know if we ever had a football game in February before but from that sad exhibition we don't care if it never happens again. The Pro Bowl is one thing we can comfortably do without.

Texico Man Dies In Tragic Mishap

James Jefferson Love, a 55-year-old Texico man, died of an apparent heart attack Sunday, Feb. 1, while driving from his home on Anderson Street to the Clovis High Plains Hospital after complaining to his family of chest pains.

Deputy Medical Investigator David Ash pronounced Love dead at the scene. According to a New Mexico State Police report, Love's vehicle ran off State Road 108 (Pleasant Hill Road) through a barbed wire fence, traveling across a field, then across the airport road (East 21st) and through another fence before crashing into a parked farm plow.

The car's engine was still running and the vehicle was in

drive position when New Mexico State Police investigating officer John R. Sena arrived at the scene.

It is reported that Love had complained of chest pains to his wife before leaving their home around 7 a.m. MST for treatment at the Clovis hospital.

Five Texico volunteer firemen also responded to the scene; however, it was a Clovis Fire Department ambulance that transported Love's body to Muffley Funeral Home.

An autopsy was performed and the police report indicated the death to be the result of natural causes.

Funeral Rites Held For James J. Love

Funeral services for James Jefferson Love of Texico were scheduled for Thursday, Feb. 5, at Steed-Todd Chapel in Clovis at 1 p.m. MST. Burial was to be in the Texico cemetery.

Born January 8, 1925, in Meeker, Okla., Love died of an apparent heart attack Sunday, Feb. 1.

The 55-year old resident of four years had grown up in Meeker before moving to Santa Maria, Calif., where he had been a charter member of Elks Lodge No. 365 in Oceano, Calif.

Mr. Love was a six-year U.S. Navy veteran having served in the South Pacific. He was employed at Southwest Cannery in Portales at the time of his death.

Mr. Love is survived by his

wife Mickey "Casey" of the home; nine children, Yanti Love, Jimmie Love and Tice Love of the home; Linda Hardin of Hollister, Calif.; James Jefferson Love Jr. of Suttercreek, Calif.; Jeannie Simmons of Woodward, Okla.; Randy Ray of New York, N.Y.; and Rebecca Herron of Clovis; and six grandchildren.

Also surviving are his mother, Agness Mason of Meeker; two brothers, Roy Love of Meeker and Louis Love of New Castle, Calif.

Yellow accents

A woman in a bright yellow dress appears bustier and hipper than she'd look in some neutral hue. A woman in a green dress seems less large in both places. That is the contention of a designer who picks costume colors for a living. This notion received considerable publicity in the Hollywood heyday of the 1930s when one particularly popular combination was the yellow sweater with the green skirt.

BURT REYNOLDS

Q. Didn't Burt Reynolds learn how to act by watching Marlon Brando?

A. Not to act, more likely. Maybe you remember, Reynolds early tried to pawn himself off as a sullen angry lead, a sort of recycled Brando with a high school diploma. The character he pretended was maybe one half as smart and one quarter as attractive as the real Reynolds, who didn't even grow to lifesize until he started laughing at himself. I like to think that Reynolds is to pickup trucks what John Wayne was to horses. But Reynolds could act otherwise, if he wanted to. He's gifted with the brights.

Farwell Post Office Has Gain Of 220 Boxes

Farwell's United States Post Office has been increased by 220 boxes this month, something that postmaster Otis McMillan claims "shows area growth."

When McMillan first took the reigns as Farwell's postmaster in May 1975, the Post Office had a total of 530 post office boxes. Five months later the postal boxes were increased by 102 giving the town a total of 632 boxes. All of these boxes have been filled.

"We have averaged an increase in rentals of about 25 boxes per year," he said. "There was a definite need for these new boxes. I have been told that once these boxes (the 220) are filled the head office will discuss city carrier with me."

To install the additional boxes, construction workers moved a wall back, which added approximately 77 square feet to the postal box area.

This means that the same 77 square feet was deleted from the back room.

Farwell's new boxes were obtained from the Amherst post office.

Though only two of the new boxes are rented at this time, McMillan feels sure the others will be taken soon. "I think we'll fill quite a few of them. At the end of the summer we

may lose 10 or so when people move, but it all evens out in the fall."

Farwell's is a second class post office. The facility was built and occupied in 1968. A post office size is determined by the work and revenue it generates. Revenue is determined by what it costs the post office to handle 1,000 pieces of mail per year.

Crooks, Thornton Elected

Texico school board election was held Tuesday with light voter turnout at the polls.

Aryle Crooks, who ran unopposed, was re-elected to his post on position two of the board.

For position one, Roy Thornton defeated opponent J.B. Taylor by a vote of 69 to 49. Thornton fills a vacancy created by Ronnie Curry who chose not to seek re-election.

According to Texico School Superintendent James Pierce, a total of 119 persons voted in the election at City Hall.

'Cruse Family' Coming To Clovis

"The Cruse Family" from Jacksonville, Fla., will be featured in a free concert presented in cooperation with Clovis Youth in Action Saturday, Feb. 21, at 7 p.m. at Marshall Auditorium in Clovis.

"The Cruse Family," whose spokesman is an ordained Baptist minister, has received praise and widespread acclaim for their interdenominational ministry through the Word and music in concert and radio airplay of their records.

Their music crosses boundaries from country to ear-pleasing middle-of-the-road and contemporary. "The Cruse Family has something for everyone!" say the sponsors.

Services Wednesday For Frank Derrick

Funeral services for Frank Derrick of Farwell who died Monday, Feb. 2, at Parmer County Community Hospital in Friona were conducted Wednesday, Feb. 4, from Steed-Todd Chapel with the Rev. Dudley Bristow officiating.

Burial took place at Sunset Terrace Memorial Gardens in Farwell under the direction of Steed-Todd Funeral Home.

Born September 25, 1912 in Vici, Okla., Mr. Derrick had been a resident of Farwell for the past five years, and was in

the ranching business.

Survivors include his wife Ina Derrick of the home; two sons, Billy Derrick of Farwell and Edward Lee Derrick of Dimmitt; four brothers, Laurin Derrick of Lovington, Vernon Derrick of Dexter, Verl Derrick of Bovina and Clyde Derrick of Tatum; one sister, Wanna Lee Belyeu of Dexter, and seven grandchildren.

Pallbearers were Randle Belyeu, Kenneth Belyeu, Dean Belyeu, Raymond Derrick, Bob Derrick and Lee Pearson.

Mrs. Robbia Hughes Buried In Clovis

Funeral services were held Monday, Feb. 2 at the Sixth Street Church of Christ in Friona for Robbia Hughes, age 88, who died Friday, Jan. 30, at High Plains Baptist Hospital in Amarillo.

Burial was at Lawn Haven Cemetery in Clovis under the direction of Parsons-Ellis of Friona.

Born at Aurora, Ark., November 21, 1892, Mrs. Hughes had been a resident of Friona since 1961.

She married Calvin J. Hughes October 10, 1916 in Fayetteville, Ark. He preceded her in

death in 1963. She was also preceded in death by a son, C.J. Hughes, Jr., in 1929.

A member of the Sixth Street Church of Christ, she is survived by one son, H.L. Hughes of Texico; one daughter, Reba Mollindo of Phoenix, Ariz.; one brother, Lee Spurlock of Senaeca, Mo.; five grandchildren and two great-grandchildren.

Pallbearers were Cecil Bass, Estis Bass, Otis Neel, Rene Sneed, Jerry Powell, Elmer Fryar, Joe Clark, Jr., and Floyd Culpepper.

Brother Dies In Hereford

E.O. Walker, 73, of Hereford died Tuesday, Feb. 3, in a Hereford hospital. He was a brother of E.A. Walker of Farwell.

Mr. Walker was born in 1908 in Sherman, Tex. He had resided in Hereford for the

past 15 years and was a former Bovina resident.

He is survived by his wife Maggie of the home and one daughter, Hattie Sue, in addition to the local brother.

Funeral arrangements were pending at press time.

Putting Up The Mail

Farwell Postmaster Otis McMillan slips a letter into one of the 220 new boxes recently installed in Farwell's post office. Of the 220 boxes only a few have been rented, but

McMillan is confident that the rest will be rented shortly. Once that occurs, his district office will discuss the possibility of Farwell obtaining a city

mail carrier. The added boxes make a total of 852 postal boxes at Farwell, something McMillan says "means area growth."

Sheriff's Report

Parmer County Sheriff's officials are investigating three recent thefts including hand guns, a transfer pump and \$7,000 worth of weed killer.

K.H. Cox of Lazbuddie returned from a week away from home to find two pistols and a rifle stolen from his residence.

Jerry Engelking of the Lazbuddie community reported a transfer pump with a 3 h.p. motor missing from his field.

Tide Chemical located east of Friona reported to the sheriff's department that thieves had broken a pad lock off a box car and took \$7,200 worth of Treflan and Roundup Weed-Killer. "This sort of thing has happened to other people, it just never got to Parmer County before," said Sheriff Bill Morgan.

Sierra is still in custody in the jail as he was wanted on a warrant involving violation of parole. He will go to trial in Parmer County for the parole offense.

The department is investigating all three reports.

Judge Roberts Hears Cases

Parmer County Judge Porter Roberts heard only one case in his court this week.

John Sierra, 31, of Friona was charged with driving without a valid driver's license, fined \$100 plus court costs and sentenced to five days in the Parmer County jail.

Sierra is still in custody in the jail as he was wanted on a warrant involving violation of parole. He will go to trial in Parmer County for the parole offense.

N-SERVE

HOW IT WORKS

N-SERVE blocks bacterial action that would quickly convert ammonium fertilizer to nitrates. Nitrates are subject to rapid loss through leaching and denitrification. This blocking action keeps nitrogen in the soil longer so that it becomes available slowly as it's needed. This reduces the crop stress that would occur from temporary nutrient shortages if you had to rely on side-dressings to maintain a steady nitrogen supply.

300 Persons Gather To Honor Lovelace

Approximately 300 friends, neighbors and area law enforcement personnel paid tribute to former Parmer County Sheriff Charles Lovelace on Sunday, Feb. 1, at a come-and-go reception given at the Hamlin Memorial United Methodist Church in the Fellowship Hall.

Lovelace and his wife greeted the 300 guests during the reception hosted by his former colleagues in recognition of his 32 years as Parmer's top lawman.

Out-of-town law officers attending the three-hour affair were Dee Clements, former Bailey County sheriff, and his son, Travis Clements, a deputy at the Lubbock County sheriff's office;

Also, Jack Young of Muleshoe, district attorney from the 154th Judicial District; Otis Foster of Clovis, representing the New Mexico State Police; Bob Henderson of Muleshoe, present Bailey County sheriff; Lynn Huckaby, Texas Highway Patrolman from Muleshoe; and Dave Panter, deputy town marshal from Texico.

Representing the local office of the Texas Department of Public Safety were officers Arturo Lopez and Jim Bishop.

Tom Atkins and Garland Freeman, two former Parmer County deputies, were also in attendance to pay tribute to their former boss. Atkins, a

Farwell resident, retired from the Parmer County sheriff's department in 1976. Freeman, who now lives in Amarillo, retired from service in 1974.

Among the guests was a surprise visitor, Lovelace's son Johnny, who flew in from Richardson to attend the event honoring his father.

The Parmer County Commissioners Court and Parmer County officials and employees presented the former sheriff with a pair of cowboy boots and a plaque which read: "In Appreciation, Charles Lovelace, Parmer County Sheriff, 32 years."

Also honoring the retired sheriff with gifts were the cities of Farwell and Bovina. Each presented him with gift certificates for \$125 to Rip's Western Wear shop.

Area friends and local organizations showed their appreciation with gifts on the money tree and long time friend Clyde Goodwine of Friona recited a special poem to pay tribute to the retired sheriff.

"We had a good representation from all areas of the county," said one of the reception organizers. "I think Charlie was very pleased."

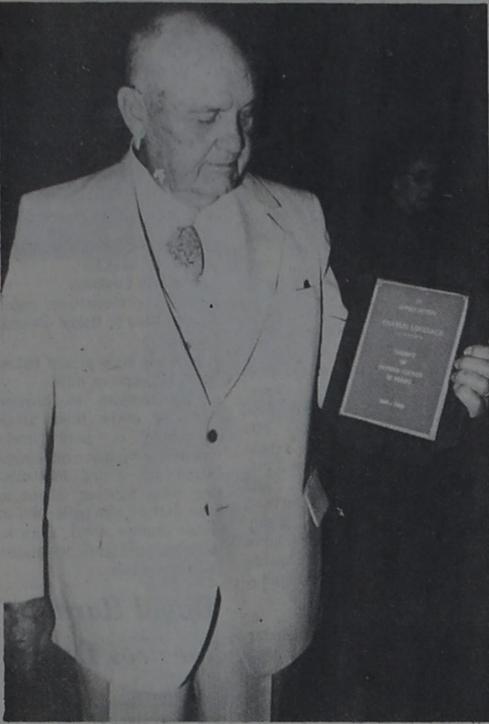

Along with his many gifts, Lovelace was also given the register which the 300 guests had signed. In charge of

registering all the guests were Betty Morgan and Cynthia Bishop.

Refreshments were provided by Peggy Snider, Cynthia Bishop, Avis Haile, Murlene Smith, Irene Woods, Gaynell Bentley, Cleo Gregory, Dorothy Wommack, Robyn Palady, Gloria Atchley, Lillie Davis and Betty Morgan.

A scrapbook spanning his 32-year career in law enforcement was displayed on a table along with the plaque, the new cowboy boots, a card signed by all the county officials and employees, and the money tree with the gifts from his friends and former colleagues.

Lovelace retired from his post as sheriff in January of this year.

In Appreciation

Former Parmer County Sheriff Charles Lovelace displays a plaque presented to him by the Parmer County Commissioners Court and Parmer County officials and employees honor-

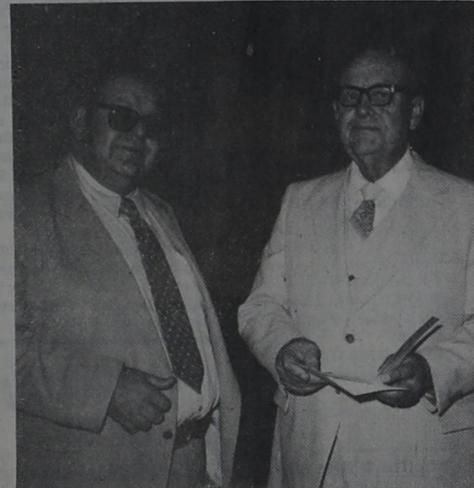

ing him for his 32 years as sheriff of the county. Lovelace was given the plaque, along with a pair of boots, at a recent reception attended by 300 persons.

Farwell Presentation

Farwell City Commissioners Johnny Curtis [left] and Fred Chandler [right] presented Parmer County Sheriff Charles Lovelace with a gift certificate for \$125 to a local western wear shop on behalf of the city of Farwell. Lovelace

was honored for his 32 years of law enforcement service to Parmer County at a come-and-go reception Sunday, Feb. 1. The City of Bovina also presented Lovelace with a \$125 gift certificate.

Bovina Presentation

Area Persons Form New Computer Club

The organizational meeting of the Llano Estacado Computer Club was held January 30 in the hospitality room of the First Federal Building on North Prince in Clovis.

Thirty-three persons were in attendance with Warren Knuckols chairing the meeting as spokesman and Walter Conner serving as acting secretary.

Officers were elected for a three month period. After members have become better acquainted another election will be conducted. Current officers are James Ljunggren, president; John Wisner, vice-president; Walter Conner, secretary-treasurer; Bob Anson, publicity officer; and JaDan Sudderth, librarian.

The club will be meeting again at 7 p.m. MST on February 16 and on March 16, at the site of the initial meeting. All persons interested in or owning a computer are invited to attend these meetings.

Registration to join the club is \$5 per person and yearly dues will be decided later. To date 21 persons have registered to become club members.

Stockholders Meeting Set

The Federal Land Bank Association of Muleshoe will have its annual stockholders meeting on February 10 at 2 p.m. at the Corral Restaurant in Muleshoe.

The Association will have election of directors at this meeting. Nominees are incumbents Gordon Duncan and Arlin Hartzog. Other nominees are James Clayton and Jerry Engelking.

All stockholders and interested guests are invited.

Letter To The Editor

Dear Editor:

I would like to call your attention to a special fund-raising program that the Farwell Convalescent Center Nursing Home is conducting on February 13th from 10:00 a.m. to 5:00 p.m.

The residents of our facility will be participating in a ROCK 'N ROLL JAMBOREE. They will be rocking in rocking chairs and rolling in wheel chairs to fulfill their obligation to earn monies donated or pledged to them by sponsors. All monies raised will be turned over to the local American Heart Association to help in the fight against heart disease -- America's No. 1 killer.

As chairman of this special one-day event, I would like to extend an invitation to members of our community to visit our facility on February 13th and enjoy the festivities with us. At the same time, checks may be made out to the American Heart Association and forwarded to my attention at our facility.

Also, over the next several days, volunteer solicitors will be calling on community groups, asking them to sponsor those residents who will be rocking in rocking chairs and rolling in wheel chairs.

Thank you,

Linda Winegeart
Chairman, Rock 'N Roll Jamboree
Farwell Convalescent Center

Portraying Area Homemakers

by Mary Sobin
Newlywed Lori Phillips is this week's featured area homemaker, who says that even though she married an athletic coach, she knows "absolutely nothing" about sports, and laughs when she adds, "I'm VERY unathletic."

Lori Suzanne Cox and Farwell coach Ted Phillips were married December 27 in Childress, just a few weeks after she turned 20 years of age. She's a born and bred Texas girl having been born in Stamford. She then moved to Ft. Worth, from there to Cleburne and finally landed in Childress where she graduated from Childress High School.

Following her high school graduation she attended West Texas State University and graduated with a secretarial certificate in the fall of 1980.

She and her new husband met two years ago at a dance and have been going together ever since. It can be complicated when you're married to a coach and aren't exactly a sports nut yourself, she says, "I really knew nothing about sports until I met Ted," she says laughing, "he tried to teach me tennis once but that didn't work out at all."

However, since arriving in Farwell she has attended all Farwell's home basketball games. Her husband coaches the junior varsity boys team.

Lori began a new job at the Security State Bank in Farwell last week and says she is glad to be back working. She has worked in banks all through high school and during the

holidays while enrolled at WTSU. Her father is president of the bank in Childress, so she is familiar with the banking routine.

In her spare time, Lori enjoys sewing, cooking, crocheting and making afghans. Her living room is accented with her creations, from hooked rugs to an afghan in the Farwell school colors of blue and white. She also handmade the pillows on her couch in earthtone colors of grays and rusts.

Lori says she and Ted plan on living in Farwell "for as long as they'll have us," and says she is enjoying it here.

Her family lives in Childress and Ted's family lives in Memphis, Tx.

Lori has consented to share the following recipes with our readers:

HERB BREAD RING

Sift together:
1 1/2 c. cornmeal
1 1/2 c. flour
4 t. baking powder
1 1/2 t. salt
1 t. thyme
1 1/2 t. poultry seasoning
Add:
1 1/2 c. chopped onion
1 1/2 c. chopped celery
1 c. pimentos

Combine:
1 1/2 c. milk
3 beaten eggs
1/2 c. shortening

Add liquid ingredients to dry ingredients. Stir until well moistened. Pour into a 3 quart mold, well greased. Bake in hot oven, 400° for 35-45

SPANISH SQUASH

Cook 2 cans squash in pan until water boils away. Add butter, salt and pepper to taste. Mix in one can chiles and tomatoes. Place squash mixture alternately in layers with cracker crumbs and grated cheese, making sure casserole is well greased. Bake in moderate oven until well done and cheese is melted.

SALSA

1 can (1 lb. 12 oz.) tomatoes, drained and chopped
2 cans (4 oz. ea.) green chiles, drained and finely chopped
1 c. finely chopped onion
1 T. finely chopped canned jalapeno pepper
1 clove garlic
1 T. peanut or salad oil
1/2 t. pepper
1/4 t. chili powder

1. Make salsa one or two days ahead. In medium saucepan, combine all ingredients. Stir to mix well. Bring to boiling, stirring. Reduce heat and simmer 20 minutes, stirring occasionally. Refrigerate, covered, overnight or longer.

2. To serve, reheat gently or serve cold if desired. Serve with tortillas. Makes 2 1/2 cups.

Newly Wed Homemaker

This week's featured area homemaker is Lori Phillips, new bride of Farwell coach Ted Phillips. The new Mrs. Phillips is a born and bred Texas girl and a graduate of

Childress High School, and holds a secretarial certificate from West Texas State University. She is currently employed at Security State Bank in Farwell.

THE MICROWAVE HOTLINE

By Pat Quarles, Director
Microwave Information Center of Campbell Soup Company

Look! The Cookbook You Requested

By combining the many suggestions received from our panel representing consumers throughout the United States, along with the expertise of the Center's home economists, we developed the microwave cookbook you requested. It's called *Cooking With Confidence in Your Microwave*.

The book is the most comprehensive microwave cookbook available, containing sections on microwaving tips, terminology, menu suggestions and instructions for frozen and canned foods. Its 200 pages contain over 180 recipes (with easy-to-follow directions) tested for usage in all countertop microwave ovens available in the market place. In addition to being

illustrated, the book is filled with 100 color photographs. Since accurate recipe timing is critical to microwaving success, the book features a free-standing easel back for easier reference.

Here's a sample of the good eating that's in store for you.

Chicken Andalusia
Follow the directions carefully for arranging the chicken in this elegantly sauced recipe with the taste of Spain - the chicken will be tender and succulent.

- 2 pounds chicken parts
- 1 can (10 3/4 ounces) condensed cream of mushroom soup
- 2 cups cubed eggplant
- 1/2 cup chopped drained canned tomatoes
- 1 medium clove garlic, minced
- 2 tablespoons water
- 1/4 teaspoon poultry seasoning
- Dash pepper

1. In 2-quart oblong glass baking dish, arrange chicken skin-side down with thicker pieces toward the edge of dish. Cover with plastic wrap.

2. Microwave on HIGH 8 to 10 minutes, turning dish once. Drain; turn chicken skin-side up. Combine remaining ingredients; pour

over chicken. Re-cover.

3. Microwave on HIGH 8 to 10 minutes, turning dish once.

4. Let stand, covered, 2 minutes. Stir sauce before serving. Makes 4 to 6 servings.

Chinese Pasta
A wonderful duo of Oriental and Italian cuisine. Gravy makes a speedy sauce that coats each strand of pasta lightly for a unique main course for company.

- 1/2 pound round steak, cut in thin strips
- 1 cup thinly shredded cabbage
- 1 cup diagonally sliced green onions
- 2 cups cooked linguine
- 1 can (10 1/2 ounces) au jus gravy
- 1 cup drained bean sprouts
- 1 can (about 4 ounces) sliced mushrooms, drained
- 2 tablespoons soy sauce

1. In 2-quart round glass casserole combine beef, cabbage and green onions. Cover with glass lid.

2. Microwave on HIGH 2 to 3 minutes or until beef just loses its pink color, stirring once. Stir in remaining ingredients. Re-cover.

3. Microwave on HIGH 6 to 8 minutes or until hot, stirring once.

4. Let stand, covered 2 minutes.

Fad Diets Are Often Dangerous

If "Lose Weight" is one of your New Year's resolutions, be sure to steer clear of fad diets which supposedly offer a quick and relatively painless way to take off unwanted pounds, says Mae Martha Johnson, Extension food specialist at New Mexico State University. "The effect of most of these diets could be short-lived and even dangerous."

The fact that there are so many fad diets that are popular should tell you something, says Mrs. Johnson. "If any of the diets were really successful in keeping the pounds off, we wouldn't have so many different ones to try."

You'll find new diets every-

where - in magazines, paperbacks and social gatherings. It's up to you to spot and avoid dangerous fad diets.

Beware of any diet that claims to be a revolutionary new idea or 100 percent successful. Fad diets are often based on testimonials or the author's own experience rather than scientific research. Also shy away from any diet that claims persecution by the medical profession.

A good diet should include some servings from all four food groups - meats, milk, cereals, and fruits and vegetables.

Remember that weight control is really a matter of

burning more energy than you consume. Burning 500 more calories per day than you eat will cause you to lose one pound per week. That may not sound like much at first until you realize that's 52 pounds by this time next year!

Finally, after you safely lose your weight, remember that a return to poor eating habits will cause the bulges to return. Avoid the habits which put the pounds on in the first place, Mrs. Johnson says.

Recipes Using Girl Scout Cookies

PUDDIN' YOGURT PARFAITS

One 8-oz. carton (1 c.) favorite flavor yogurt
1 c. milk
One 3 3/4-oz. pkg. vanilla instant pudding and pie filling mix
12 Savannah cookies, crushed
Combine all ingredients except pudding in small mixing bowl; beat at low speed on electric mixer about 2 minutes. Layer pudding mixture and crushed cookies in 4 parfait glasses or dessert dishes. Chill; serve within 3 to 4 hours after assembling. Makes 4 servings.

MOCHA MINT MALLOW PIE CRUST:

32 Thin Mint Cookies
1 tablespoon butter or margarine, melted, cooled

FILLING:
1/2 cup milk
2 tablespoons cocoa
1 tablespoon instant coffee powder or crystals

One 10-oz. pkg. marshmallows (about 37 marshmallows)
1 cup heavy cream, whipped or 2 cups prepared non-dairy whipped topping

For crust, place 9 cookies in blender container. Cover; blend about 15 seconds or until finely chopped. Empty into small bowl; repeat with additional 9 cookies, reserving 14 whole cookies. Combine chopped cookies and butter, mixing well; firmly press onto bottom of well oiled 9-inch glass pie plate. Bake at 375°F. about 5 minutes. Cool about 15 minutes; arrange reserved cookies around inside edge of pie plate to form side crust, pressing cookies gently into bottom crust. Chill.

For filling, heat combined milk, cocoa and coffee powder in 3-qt. saucepan over low heat, stirring occasionally until cocoa and coffee are dissolved. Add marshmallows; continue cooking over medium-low heat, stirring constantly, until mixture is smooth. Remove from heat; pour into large bowl. Chill 30 to 40 minutes or until slightly thickened, stirring occasionally, or place bowl in pan of ice water about 10 minutes or until slightly thickened, stirring occasionally. Fold in whipped cream; pour into chilled crust. Freeze at least 8 hours before serving; garnish with whipped cream, if desired. MAKES 9-INCH PIE.

MICROWAVE OVEN DIRECTIONS: For crust, cook at HIGH 1 1/2 minutes. Arrange reserved cookies around inside edge of pie plate to form side crust, pressing cookies gently into bottom crust; chill.

For filling, cook combined milk, cocoa and coffee powder in 3-qt. glass bowl at HIGH about 1 minute or until cocoa and coffee are dissolved. Add marshmallows; continue cooking at HIGH 2 to 3 minutes or until mixture is smooth, stirring after each minute of cooking. Chill 30 to 40 minutes or until slightly thickened, stirring occasionally, or cool about 5 minutes; place bowl in pan of ice water about 10 minutes or until slightly thickened, stirring occasionally. Proceed as recipe directs.

CHOCOLATE CHIP FOUR-LAYER DESSERT

CRUST:
One 8-oz. pkg. Chocolate Chip Cookies (18 cookies)
3 tbs. butter or margarine, melted

LAYERS:

One 9-oz. pkg. frozen non-dairy whipped topping, thawed
One 8-oz. pkg. cream cheese, softened
1 c. confectioners' sugar
3 c. milk
Two 3 3/4 to 4 1/2-oz. pkgs. instant pudding and pie filling mix, any flavor

For crust, place 6 cookies in blender container. Cover; blend about 15 seconds or until finely chopped. Empty into medium-sized bowl; repeat with remaining cookies. Combine chopped cookies and butter; mix well. Reserve 2 tablespoons mixture; firmly press remaining onto bottom of ungreased 11x7-inch baking dish. Bake at 350° F. about 6 minutes. Cool thoroughly.

For filling, combine 1 c. whipped topping, cream cheese and sugar in small mixing bowl; beat at medium speed on electric mixer until smooth. Spread evenly over cooled crust. Combine milk and pudding mix in small mixing bowl; beat at low speed on electric mixer about 2 minutes or until thickened and smooth. Spread evenly over cream cheese mixture. Spread remaining whipped topping evenly over pudding; sprinkle with reserved crumb mixture. Chill about 4 hours or overnight, as desired; cut into squares to serve. Makes 11x7-inch dish of dessert.

Microwave Oven Directions: For crust, cook at HIGH about 3 minutes, rotating 1/4 turn after each minute of cooking. Cool thoroughly. For filling, prepare as recipe directs.

ICE CREAM SUNDAY PIE

CRUST:
1-1/2 c. finely crushed DUTCH N SUCH (about 17 cookies)

3 tbs. butter or margarine, melted

FILLING AND TOPPING:
1/2 gallon vanilla ice cream, softened

2 tbs. chopped walnuts or pecans
2 tbs. caramel flavored topping
For crust, heat oven to 375°F. Combine all ingredients; mix well. Press evenly onto bottom and sides of very lightly oiled 9-inch pie plate. Bake at 375° for 6 to 7 minutes or until edges are light golden brown; gently press crust back into place while still warm with metal spatula, if necessary. Cool; freeze.

For filling and topping, spoon softened ice cream into prepared crust; freeze several hours or until firm. Let stand at room temperature about 5 minutes before serving. Sprinkle with nuts; drizzle with topping. Makes 9-inch pie.

CHOCO TORTONI DELIGHTS

1 c. marshmallow creme
2 tbs. milk
1 t. almond extract
1 c. heavy cream, whipped or 2 c. prepared non-dairy whipped topping
9 Chocolate Chip Cookies coarsely broken
Beat together marshmallow creme, milk and almond extract until smooth. Fold in whipped cream; fold in cook-

ies. Spoon into 6 dessert dishes; freeze several hours or until firm. Makes 6 servings.

CRUNCHY PEANUT BUTTER BALLS

6 Savannah Cookies
1 c. sifted confectioners' sugar
1 c. shredded or flaked coconut
1 c. raisins
1/2 c. chunk style peanut butter
2 to 3 tablespoons milk

Place cookies in blender container; cover. Blend about 1 minute or until finely chopped. Combine remaining ingredients, mixing until mixture holds together. Shape to form thirty 1-inch balls; roll in cookie crumbs. Chill; store in refrigerator. Makes 2-1/2 dozen no-bake cookies.

David Harding Receives Degree

David Harding, son of Mr. and Mrs. Hurshel Harding of Farwell, was recently graduated from Baylor University with a Bachelor of Business Administration degree at the close of the 1980 fall semester.

Nearly 400 degrees were granted by the university, according to Gordon Wilson, Baylor registrar. Harding, along with other fall graduates, will join spring 1981 graduates for commencement exercises in May.

Baylor has graduated more than 64,000 students, including the fall graduates, since the first degree was conferred in 1854. Degrees awarded at the end of the semester included 337 bachelor's degrees, 50 masters degrees, one education specialist and three doctorates.

Twenty-seven law students received juris docto degrees November 15 during Baylor's fall quarter law commencement exercises.

Added Treats from Heart-Shaped Boxes
Heart-shaped boxes are just too pretty to throw away. Make this happy duck, or one of the quick ideas, from your leftover Valentine candy boxes.
Duck
Use this darling duck as a children's centerpiece for a party or for a letter holder.
Make the duck's body from a box, about 9" x 9" x 2". Cut the box and lid in half, as shown. Cut the open edge in a curve for the top of the body.
For the base, cut a salt or oatmeal box vertically to 3 1/2" high. Cut in half vertically and slide one half into the other, as shown, and glue. Cut slots in the center to hold the duck's body.
Enlarge the drawing and cut two cardboard heads, including tabs at neck, for joining to the body. Glue tabs to inside edges of body and glue tops of heads together. Add cardboard wings. Paint and decorate with flowers or foil cutouts.
Additional Suggestions
Here are a couple items you can easily make.
Lipstick Caddy: For this dressing table accessory, use a small heart box. Cut holes in the top to fit the lipsticks. Add bead feet. Decorate with cupid or flower cutouts, glued to a pencil and inserted at the back of the caddy.
Jewelry Box: Choose a heart box with a lid that extends beyond the sides, or cut a heart 1/2" larger all around than the box to use for the lid. With cord, hinge the lid to the box through holes punched in the top curves of the heart. Cover with fabric or decorate as you like. Line the box with fabric and add bead feet.

Alpha Rho Members Host Clovis Chapter

Members of Alpha Rho Lambda chapter of Beta Sigma Phi met in the home of Naomi Walls for their regular monthly meeting Tuesday, Jan. 27.

Mary Ann Lingnau presided over a short business meeting and club members voted to purchase two barbecue grills for the Texico City Park with the proceeds collected from the club's recent pheasant hunters breakfast.

Plans were finalized for members to attend the sorority Valentine dance to be held February 14 in Clovis.

Alpha Rho Lambda will be honoring Linda Foster as the Farwell chapter sweetheart.

A comical style show was presented to Xi Alpha Sigma chapter of Clovis, who were in attendance as the club's guests.

A salad supper was served to those attending, including the 15 Clovis members as well as local members Kendall Burch, Pauletta Curtis, Charlotte Donaldson, Linda Foster, Gay Goettsch, Gloria Hutchins, Laura Jacobs, Mary Ann Lingnau, Sheree Montgomery, Anita Ralston, Gaye Roberts, Sandra Joiner, Kiltie Johnson, Pam Smith, Cynthia Thigpen and Nedda Travis.

The door prize was won by Anita Ralston.

Texico 4-H Club To Elect Officers

An organizational meeting of the Texico 4-H Club is set to take place Sunday, Feb. 8, at the Texico Community Building, according to Kay West, Texico faculty member.

Scheduled to begin at 2 p.m. MST, the meeting will feature the election of new officers as well as the enrollment of new members. "All prospective

new members and their parents are invited to attend," Mrs. West said. "Any student who will be age nine before September 1 is eligible to become a member."

Those who have a desire to become a Texico 4-H member but who will be unable to attend Sunday's meeting should contact Mrs. West at Texico High School.

Marriage Licenses

Five marriage licenses have been issued this past week from the office of the Parmer County Clerk.

The licenses went to Jesus Murguia and Yolinda Arias; Fritz Juan Barreras, Jr. and Hilda Hernandez; Wilbur Lewis Brooks and Stephenie Ann Kube;

Also, Timothy Gerald Norjton and Kimberly Sue Naegle; and Ray R. Cruz and Sarah Hope Ramirez.

In Colorado

Mrs. Olen Schlueter of Texico and her son, Delbert Garner, visited her home town of Basalt, Colo., last month. While in Colorado they also visited her daughter, Barbara Gale, at Grand Junction.

The two then traveled to Belleville, Ill. to visit her granddaughter, Sheila Garner Howerter, and her Air Force husband Ron. The Howerters are currently assigned to Scott Air Force Base but are awaiting an assignment to Germany this summer.

Daughter Born To J. Kirklands

Mr. and Mrs. Jack Allan Kirkland of Abilene, formerly of Farwell, announce the birth of a daughter on Thursday, Jan. 29. The young lady, who has been named Kati LeAnn, weighed seven pounds, 12 ounces. She has one sister, three-year-old Kaci SuAnn.

Maternal grandparents are Mr. and Mrs. Richard Hart of Abilene and paternal grandparents are Mr. and Mrs. Jack Kirkland of Farwell. Paternal great-grandmothers are Mrs. Della Kirkland of Amarillo and Mrs. Beatrice Green of Clovis.

Mrs. Dave Hofland Is Shower Honoree

Mrs. Dave Hofland, nee Ruth Ann Whitesides, was honored at a post-nuptial bridal shower on Saturday afternoon, Jan. 31, in the home of Mrs. Delbert Black of Farwell.

The honoree and her mother, Mrs. Bill Whitesides of Farwell, were presented corsages of daisies accented with multi-colored wine ribbons.

Guests were served from a table centered with a green ivy plant in a straw basket decorated with a wine-colored bow. The plant was a gift to the honoree from the hos-

esses. Assorted cookies and wine-colored pineapple sherbet punch were served. Crystal appointments, tapers in wine-colored crystal holders and white napkins bearing the names of the couple completed the table decor.

Hostesses in addition to Mrs. Black were Joann Getz, Doris Darby, June Magness, Joyce Harding, Beverly Obenshain, Barbara Horner, Ruth Prather, Linda Gerles, Bonnie Warren, Sandra Turner and Barbara Knowlton.

Their gift to the honoree was a set of cookware.

Get-Acquainted Party Honors New Resident

Mrs. Mamie Greenwood, a new resident of Farwell, was honored at a get-acquainted and welcome neighbor party Friday afternoon, Jan. 30, in the home of Dolly Herington.

The new resident is the daughter of Ava Nell Sewell and the grandmother of J.R. Sewell Jr., of Farwell.

Assisting Mrs. Herington as hostesses were Altha Herington and Courtney, Jo Hammonds, and Snooks Meeks and granddaughter Stacy Sewell.

Refreshments of cookies and punch were served while the group visited and got acquainted with Mrs. Greenwood. Gifts were also presented to

the honoree. Attending in addition to the hostesses were Hattie Coffey, Ava Nell Sewell, Millie Capps, Sydney Chadwick and Jody, Jackie Smallwood and Jean Hendrickson.

Jerry Halmons Have Daughter

Mr. and Mrs. Jerry Halmon of San Angelo are parents of their first child, a daughter, born Friday, Jan. 30.

The new arrival has been named Ondria Lynn. She weighed seven pounds, 12 1/2 ounces, and was 20 1/2 inches in length.

Maternal grandparents are Mr. and Mrs. T.J. Kittrell of Farwell. Paternal grandparents are Mr. and Mrs. H.C. Wright of San Angelo. Great-grandparents include Mrs. T.P. Kittrell of the Farwell Convalescent Center and Mr. and Mrs. Carl Buttry of Coleman, Tex.

Attend Funeral

Mrs. Olen Schlueter and Ann Schloss of Texico attended the funeral of Ray Nicewarner, Mrs. Schloss' brother, in Abilene on Wednesday, Jan. 28. Mr. Nicewarner was a former Texico resident but had lived in Abilene for several years.

The Way I See It

Kindergartners Joey Martin (left) and Lorri Murray had their eyes examined by members of the Baptist Young Women's organization of the Farwell First Baptist Church. Cheryl Phillips, left, and Eva Dean Stephens were among the group who administered the eye exams to local children at

the Farwell Elementary School Tuesday. The Early Childhood Vision screening clinic exam is a requirement for all children who plan to attend Farwell schools. The Baptist Women administered the test as a service to the community and school system.

Influenza, or "the flu," can mean more than a bad case of the sniffles for the aged and chronically ill. Here are answers to some frequently asked questions about flu.

WHAT FLU IS

QUESTION: Just what is influenza, or the flu?

ANSWER: Influenza is an acute respiratory illness. Symptoms include fever, coughing, sore throat, a runny nose and general aches. Most patients recover completely within a week, although many continue to feel unusually tired for some time.

FLU DANGERS

QUESTION: Can influenza be dangerous for certain individuals?

ANSWER: The risk of complications and death from influenza is high for those over age 65 and for children and adults with chronic health problems. These problems can include diabetes, severe anemia and disease of the heart, lungs or kidneys.

In addition, patients who are on medications that lower the body's resistance to infection, are considered to be in the high-risk group.

Pneumonia is another factor that makes the flu dangerous. Either "primary" pneumonia due to the influenza virus itself or "secondary" pneumonia caused by bacteria invading the diseased respiratory tree, is a complication that prolongs the flu beyond its usual one-week course.

FLU VACCINE

QUESTION: What type of influenza vaccine is being offered this year?

ANSWER: According to the Texas Department of Health the vaccine recommended for the 1980-81 winter is a trivalent preparation offering protection against B/Singapore/79 and two other strains, A/Brazil/78 and A/Bangkok/79.

Persons 28 years of age and older will require only one dose of the new vaccine.

The Texas Department of Health is making flu vaccine available for high-risk groups through the department's regional public health clinics, local health departments, private physicians, and nursing and convalescent centers.

About 80,000 doses will be available free to high-risk individuals.

Because of the lack of

exposure to previous strains, people under 28 who did not receive at least one dose of the 1978-79 or 1979-80 trivalent vaccine will require two doses of the new vaccine.

FLU TYPES

QUESTION: What are the different types of influenza?

ANSWER: Three types of the influenza virus that have been identified are called types A, B and C. Research has shown that influenza A and B viruses change their genetic make-up slightly each year. The annual changes are known as "drifts."

As a virus changes, or "drifts," immunity created by previous infection or vaccines becomes less effective.

In the past, influenza-A viruses have caused major outbreaks about every 10 years.

On the other hand, influenza caused by type B viruses have had widespread occurrences, but the disease is generally milder.

Type C viruses never have been associated with a large epidemic.

Chase Away Your Bathroom Blahs

TEXIZE

If you've ever moved from one house or apartment to another only to face a depressing bathroom with dingy tile, you know how disheartening a move can be.

Of course, if you're handy, you can redo part of the room in interesting ceramic tile. The cost drops remarkably when you do your own installation.

Before you take down the old and put up the new, take a deep breath, step back, and view the whole picture. To be sure the bath and shower area is sparkling clean, remove soil and many common household germs from washable surfaces with a

solution of Pine Power® disinfectant cleaner and water. It cleans, disinfects and deodorizes all at the same time.

If you do decide to proceed with re-tiling, you'll probably achieve the most dramatic effect with the least difficulty if you do just a single wall. You'll find that ceramic tile is now available in many different shapes and colors, so you can create a unique design and color scheme.

Some of the most attractive designs in tile include random mosaic or graphic geometric patterns, or a single figure of one color inserted in a contrasting solid color wall. If you're so inclined, you can even produce a mural in tile.

IT'S TIME TO BUNDLE UP

Winter is here and time to bundle up to be warmer and more efficient with the energy you use.

Here are some tips that will help you wrap up your home to use energy more efficiently:

- Add an extra blanket of insulation in the attic. • Secure drafty joints with screws and wrap with tape to stop air loss. • Feel warmer by installing storm doors and windows.
- Change the weatherstripping on exterior doors. • Caulk and weatherstrip all leaks and infiltration around windows and doors.
- That about wraps it up for the year. It's good to know there are some things you can do and depend on to be more comfortable this winter.

Historical Commission Sets Meet

Parmer County Historical Commission was to meet in monthly session Thursday, Feb. 5, at the Bovina Senior Citizens Building, 106 North in Bovina. Mrs. Judy Cotton, representative of Craftsman Printers of Lubbock, was to be the guest speaker. All interested persons were urged to attend.

The county history book committee is now stressing general history for the county as a whole as well as individual communities, organizations and businesses.

"We need lots of information," says Grace Whitefield, co-chairman. "If any of you remember happenings, events, conditions, weather or anything of yesteryears or present that you could share with us, it would be greatly appreciated."

"Just jot it down and send it to Parmer County History Book, P.O. Box 577, Friona, Texas 79035," she urges.

Memorials, tributes and family histories are still being accepted.

It is also a good time to send in an order for a history book or books. Cost for each book is \$35.00 plus \$2.50 for postage and handling if mailed, reminds Mrs. Whitefield.

Intestinal Fortitude

Steerettes Fall In Hart, Kress Games

The varsity Steerettes fell twice in recent roundball action losing to Kress and Hart, giving the local girls a district tally of 3-4.

Their loss to Kress Tuesday night came after a hard fought game on the Kangaroo courts, Farwell losing 47-42, after coming from behind in the third quarter to tie up the score.

"The girls showed a lot of desire to come from behind like they did," said coach Vester Joiner, "they really got after it. But a couple of mistakes in the end is what hurt us. But the girls played well, they really did. They did a super job," he said.

Kress outscored Farwell by a big 15 points in the first quarter leaving the Blue and White behind 23-8. However, Farwell narrowed that gap in the second period, but still trailed at the half by 9 points.

While holding Kress to only 2

points in the third quarter, Farwell hit the cords for 11 points to tie the game 35-points each. However, the Kress powers overcame Farwell and the Steerettes fell by 5 points.

High scorer was Janene Berry with 15 points. Also adding points were Ginger Ellison, 10; Sharmy Christian, 6; Kay Geuther, 5; and Donna Meeks, 4; and Karen Magness, 2.

The girls connected with 17 out of 52 field goal attempts for a slim 32 percent.

For the third time in as many games, the Steerettes were ice cold in shooting from the floor in their January 30 clash against Hart, connecting with only 14 of 62 attempts at the nets.

It was strictly a case of poor shooting that lost the game for Farwell, averaging 22 percent from the field.

Hart set the pace in the first

quarter, leading 16-6. The tempo continued in Hart's favor and the hosts led at the half, 24-13.

In the third period Hart held their visitors to a mere 8 points while hitting for 16 points. A six-minute scoring surge in the final period for Farwell boosted their tally by a strong 22 points, but not enough to win the game and Hart took it with a 13 point lead, 56-43.

None of the Steerettes managed to score in the double digits, Sharmy Christian led in point making with 9, followed by Janene Berry with 7 and Ginger Ellison and Karen Magness, 6 each. Also scoring were Sandra Coates, 5; Robin Vinton, 4; and Judith Schilling, Donna Meeks and Jennifer Williams, 2 each.

Farwell Jr. Varsity Basketball Results

Their 46-28 win over Hart last Friday night gave Farwell's junior varsity girls a season tally of 13-5 and places them undefeated in the district, 5-0.

The girls took control in the first quarter, 14-10, and directed the pace for the rest of the game. While the young Steerettes managed to lead by only 5 points at the half, a 12-point scoring spree in the third period stretched that lead by 14 points, and another hefty 14 points in the final quarter gave them the game with an 18-point spread.

Suzahn Inman burned the nets for 14 points taking high scoring honors. Lezlie Castleberry scored 10; Sharon Kalbas, 8; Elaine Vaughn, 7; Tammy Obenshain, 3; and Norine Jones and Jane Ward, 2 each.

In the rebound department, Kalbas pulled down 6; Inman

and Vaughan, 5 each; Sandy Coates, 4; Castleberry, Kelly Davis and Darrisa Ford, 3 each; Jones, 2; and Obenshain, 1.

The junior varsity Steers were defeated by Kress Tuesday night in a game controlled totally by the hosting Kangaroos. Following this loss, the Farwell JV now holds a season record of 3-9.

The young Steers were left behind in first quarter, 11-8, and never managed to pick up enough momentum to come from behind. At the half Kress still led 21-18. The Kangaroos hung on to their lead throughout the second half and the game was lost by Farwell 48-40.

Scoring for the Steers were Raymond Sierra, 22; Claud Gobble, 10; Jimmy Bernal, 4; and Dale Sikes and Johnny Daniel, 2 each.

Girls Win Fourth - -

Eighth Grade Steers Net Tourney Third

Farwell's 8th grade boys basketball team participated in the Springlake-Earth tournament last weekend, defeating two Springlake-Earth teams and bringing home a third place trophy. The young Steers won two out of three games, their one loss was to Hale Center, 41-31.

In their first court action, the Blue and White tackled Springlake's 7th grade team, taking the game 37-12.

Farwell controlled the tempo of the entire game leading at the half 21-4 and holding Springlake-Earth scoreless in the third period. Eight more Steer points in the final quarter gave Farwell the first win in the tournament.

Roger Robertson led with 22 points. Also scoring were Ricky Sikes and Brian White, 4 each; and Sammy Sanchez, Steven Stancell and Brent Dollar, 2 each.

Their loss by 10 points to Hale Center was a heartbreaker as Farwell had remained close in scoring throughout the game, even though they never managed to take the lead.

Hale Center had an early first quarter domination on the scoreboard leading 9-4 at the end of the first quarter, and again at the half, 19-14. Farwell watched as that lead was stretched further in the third period 31-19 and while the Blue and White did manage to hit for 12 points in the final quarter, Hale Center still took the game 41-31.

Once again Robertson was leading scorer, burning the nets for 18 points. Others scoring were Stancell, 6; Todd Davis, 4; Brian White, 2; and Sanchez, 1.

In their final game Farwell defeated Springlake's 8th grade team to take the third place crown, 35-31.

This clash with Springlake was close and hard fought as Farwell held a narrow lead in the first quarter of 6-5 and both teams were tied 15 points each at the half.

Springlake slipped ahead in the third period leading 27-23, but a shooting surge by Farwell in the fourth quarter gave the Blue and White the win and a trophy.

Robertson hit for 17 points, taking high scoring honors. Stancell had 7; Davis, 5; Sanchez, 3; White, 2; and Sikes, 1.

"The boys played well, especially defensively," said coach Royce Baker following his team's third place win. "Our new defense looked good."

GIRLS WIN FOURTH
The eighth grade Steerettes won one out of three tournament games last weekend in the Springlake-Earth tournament, netting them a fourth place honor in the three-day event.

Their only win came with Springlake's 7th grade team, 18-15.

Farwell managed to have control, though with only a slight edge during the entire game. The Blue and White led at the end of the first quarter 5-4 and at the half 10-7. Another 6 points in the third period gave them a 16-11 lead and a slim 2 points in the final period won the game 18-15.

Cathy Gobble took high scoring honors with 8 points, followed by Sheila Smith with 6, and Shayline Jones and Denise Ford, 2 each.

In their match with Sudan,

Farwell's young Steerettes fell hard to a score of 53-7.

Scoring for Farwell were Gobble with 3 points and Sandy Coleman and Sonia Chisom, 2 each.

In their clash with Springlake's 8th graders, the girls remained close, but never managed to pick up enough momentum to take the lead.

Springlake led in each of the four quarters and finally won the game 21-18, putting Farwell in fourth place for the tournament.

Gobble hit the hoops for 7 points; Jones had 4; Chisom, 3; and Ford and Smith had 2 each.

"The girls had good hustle but didn't shoot as well as they should have," said coach Bill Phillips, "all the girls gave their best efforts though, so they have nothing to be ashamed of."

Steers Split Games With Hart And Kress

Farwell's varsity Steers lost a close one and won a close one in two highly competitive games, pushing their season record to 8-12 with a district total of 2-5.

Their loss to Kress Tuesday night was a real heartbreaker as Farwell had remained close, even led at halftime, throughout the night.

"We played very well most of the night," said coach Mike Martin, "we lost our composure a little in the last four minutes. If I had to pick one thing that really hurt us it would be free throws. We scored more field goals than Kress, we could just not hit our free throws."

The two teams were tied at the end of the first quarter with 10 points each, and at the half Farwell led 26-21.

Scoring remained close for both teams in the third period; however, Kress managed to come from behind for a third period lead. A lot of hustle in the final quarter pushed the scoring into the fifties, and Kress took the game 56-51.

"The kids played real hard and stayed with our game plan," the coach commented, "we are still improving with every game."

Richard Carpenter took high scoring honors with 17 points and David Daniel had 13. Also scoring were Dwayne Winter, 10; Waverly Coates, 7; and

Alan Eubank and Gary White, 2 each.

In rebounds, Carpenter had 9; Winter, 8; White, 4; Eubank, 3; and Boyd White and Daniel, 2 each.

In a game of hustle and defense, the Steers slipped in and took a narrow win over Hart last Friday night, 37-35. "We won on defense really," said coach Mike Martin following the game. "The boys showed a lot of hustle to come from behind and win the game."

Martin said that Hart slowed the ball down later in the game, "but we played very well the last three or four minutes."

The teams were tied 8 points each at the end of the first quarter, but Hart managed to take the halftime lead, 16-14.

Scoring 11 points in the third quarter compared to Farwell's 9 kept Hart in control of the game. However, the Steers surged in and burned the nets for 14 points in the final period and won the two-point squeaker.

David Daniel led his team in scoring with 14 points, Richard Carpenter had 10 and Boyd White had 7. Also scoring were Dwayne Winter with 4 and Alan Eubank with 2.

In rebounds Winter grabbed 8; Carpenter, 7; and White, Daniel and Eubank, 3 each.

Children's Fishing Tourney Scheduled

A children's fishing tournament has been scheduled to take place at Clovis' Green Acres Lake February 15, sponsored by the Clovis Evening Sertoma Club, with assistance from the City of Clovis Park Department and the New Mexico Fish and Game Department.

The first annual event will take place from noon until 4 p.m. MST according to Tommy Zorns, publicity chairman.

"This is a community service sponsorship of the Sertoma Club and there is no charge for entry," he said, "any child 11 years of age and under is eligible to enter."

Zorns said that trophies will be awarded for the following: most fish caught, first fish of the day caught, and largest fish caught. "As there is a limit to the number of fish anyone can catch in one day, tie-breaker rules have been established," Zorns stated.

Parents of the children entered in the tournament need not be present according to Zorns, "However they are encouraged to attend, but they may not assist the kids in their fishing."

The Sertoma Club is sponsoring the event for the purpose of offering to the smaller children of the area an opportunity to participate in an outdoor activity.

"The City of Clovis Park Department has approved this event and the New Mexico Fish and Game Department will make a special stocking of Green Acres Lake to assure a plentiful supply of fish for that day," Zorns said.

All Twin Cities youth are invited to participate.

Upcoming Sports Events In Texico And Farwell

Texico varsity basketball girls are to tackle Elida tonight (Friday) at Elida and will play Tatum tomorrow (Saturday) at Tatum. Coach Roy King states that all games with Elida "are real close" and recalls that during the Lady Wolverines' last meeting with Tatum, his girls won by 51 points. Texico is currently 6-0 in district play.

Also competing against Elida and Tatum are Texico's varsity and junior varsity boys. Game time is 5 p.m. MST.

Farwell's varsity boys are out to save their pride tonight (Friday) as they take on state-rated Vega. "We've got something to prove to ourselves," said coach Mike Martin. "Vega has one heck of a team, and win, lose or draw, we've got our pride at stake. It's a challenge for us and we'll get after it."

Also clashing with the Vega Longhorns will be the varsity and junior varsity Steerettes.

The ball games begin at 5:30 p.m. CST in the Steer gymnasium.

TWO MINUTES WITH THE BIBLE
 BY CORNELIUS R. STAM, PRES.
 BEREAN BIBLE SOCIETY

A RANSOM FOR ALL
 "For there is one God, and one Mediator between God and men, the Man Christ Jesus; who gave Himself a ransom for all, to be testified in due time" (1 Tim. 2:5,6).
 Man in his present condition is not fit to stand in the presence of a holy God. If we are honest with ourselves we will feel the need of a mediator, a go-between, who can represent us in the presence of God. Job felt this when, realizing this need, he cried: "Neither is there any daysman that might lay his hand upon us both" (Job 9:33).
 Thank God, a "daysman" or "mediator" has been provided for sinful man—a go-between, who can represent us before a holy God. This Mediator is Christ, Son of God and Son of man.
 What a blessing to know that the Son of God became the Son of man so that the sons of men might become the sons of God! Though perfect and sinless, He died in disgrace upon Calvary's cross as a malefactor so that His payment for sin might be credited to our account and we might stand before God without one sin to our charge.
 Though Christ's death for sin was credited to all believers, even of past ages, it was not proclaimed until sometime after the cross, when God, in grace, saved Saul of Tarsus, the chief of sinners (1 Tim. 1:15). This is why the Apostle declares that Christ "gave Himself a ransom for all, to be testified in due time."
 It was when Saul, the chief of sinners, was saved on the road to Damascus, that God began to show to him that Christ had died as "a ransom for all," and God now sent him forth to proclaim this glorious message.
 This is why Paul's epistles are so filled with references to salvation through the cross, the death, the blood of Christ. And it is on this basis that the Apostle offers to all, salvation by grace through faith in the finished work of Christ, and proclaims to all the simple plan of salvation: "Believe on the Lord Jesus Christ, and thou shalt be saved" (Acts 16:31).

Wolverines Fall Twice To Melrose And Floyd

Following their losses to Melrose and Floyd, Texico's varsity Wolverines have a season record of 4-10 and are currently 2-4 in the district.

Their loss to Melrose was by 21 points, and took place on the Buffalo courts.

Texico managed to keep up with the hosting Buffs during the first and second quarters, trailing by only 5 points at the end of each period.

However, Melrose surged in and scored big in a 30-point shooting spree during the third period, while Texico managed only 18. The point spread widened to 78-61 and another 20 points for Melrose in the final period gave them the game at 98-77 in one of the higher scoring games this season.

Back on the courts following a bout with a sprained ankle was Tony Tubbs who led his team in scoring with 20 points. Also scoring were Ty Rains, 14; Jeff Day, 13; Gary Mitchell, 8; Kent Harding, 6; Jeff Dunsworth and Brad Steward, 4 each; and Todd Gerries, Mike Arnold, Herbert Bibbs and Earl Bibbs, 2 each. The boys shot at 73 buckets

and connected with 24 for a 33 percent field goal average. Getting the most rebounds was T. Tubbs with 22. Also rebounding were Dunsworth, 16; Day, 10; Mitchell, 8; Harding, 7; Arnold, 6; Rains, 5; Steward and E. Bibbs, 3 each; L. Tubbs, 2 and Gerries, 1.

Texico hosted Floyd on Saturday, Jan. 31, and sent Floyd home as the winners in a 69-60 game.

Floyd took an early lead in the first quarter and Texico never managed to get out from under it. At the half, Floyd led 41-28 and even though Texico scored 14 points during the third quarter, Floyd still led by 10, 52-42.

High scorer was Gary Mitchell with 16 points. Also scoring were Ty Rains, 13; Jeff Day, 12; Kent Harding, 9; Tony Tubbs, and Jeff Dunsworth, 4 each; and Mike Arnold, 2.

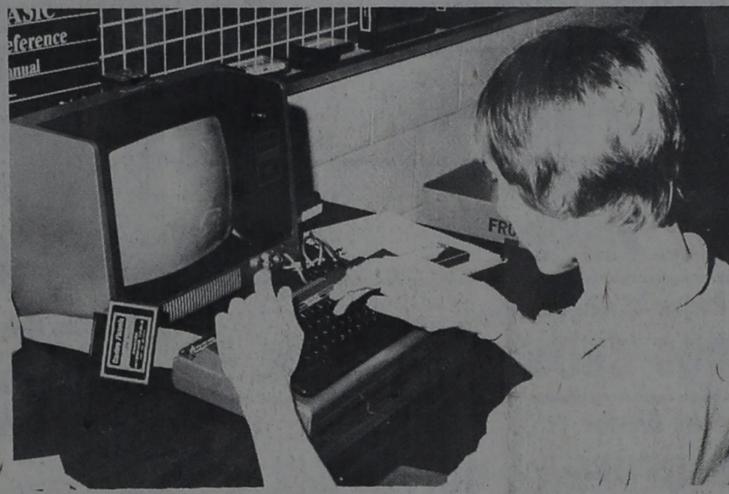

In rebounds, Mitchell and Rains had 13 each; Harding and Dunsworth, 11 each; Day 3; and T. Tubbs and Brad Steward, 2 each.

New Warm Up Suits

Texico Booster Club recently presented the varsity girls' basketball team with new green and white warm-up suits. The team members received the new outfits during a specially called pep rally. Modeling their new attire are, from left, back row: Pam

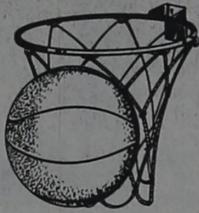

Hoyl, Jill Jesko, Ruth Scott, Tammy Landis, Lisa Coffey, Carletta Fitz and Coach Roy King; kneeling: Valda Cavellero, Becky McDonald, Sharollet Taylor, Tracy Dobbs, Schree Rucker and Lisa Crooks.

This Does Not Compute

Bobby Louderback, a Texico High School student, puts in some practice time on one of the two computers in the school's math department. According to math teacher Ron Warmuth, Texico is one of the very few schools its size to have computers as a teaching

aid. "As far as I know we're the only one this size in the state of New Mexico to have them. And very few high schools have them at all," Warmuth said. The computers are used in learning logic skills, coordinate systems, programming in computer language and as IQ builders. "My third grade daughter can use them," to the Programs run from the sim-hardest, "I got 50 percent right on one program." Currently, four of Warmuth's math students are learning programming but by the end of the school year all of his geometry students will be.

Texico Girls Roll On Unbeaten In District

Texico's varsity basketball girls had a two victory weekend January 30 and 31, defeating Melrose and Floyd, giving the Lady Wolverines an undefeated district record of 6-0.

The girls traveled to Melrose on Friday and played what coach Roy King called "the best game we've played in the three years I've been coach. We played as good as we are capable of playing."

King remarked that the reason his girls were playing up to their complete potential was because "the kids were really up for this one. If Melrose had beaten us they would have tied us for the district lead."

Texico's female roundballers shot an impressive 47.5 percent from the field and according to King, "didn't make many mistakes."

The coach said that the clash with Melrose was "by far the most fast paced game we have played, it was all running up and down the floor. Melrose likes to run and gun. They don't hold on to the ball, they run and shoot."

Texico scored in the double digits during all four quarters, leading at the half 31-22. The girls hit for 18 points in the third period, and allowed only 8 points for the Buffs. Another 15 points in the final quarter gave Texico the district win with a 29-point spread.

Ruth Scott hit the cords for 21 points leading her team in scoring. Lisa Coffey had 15 points and Schree Rucker had 10. Also scoring were Tracy Dobbs with 8; Becky McDonald, 4; Jill Jesko, Pam Hoyl and Lisa Crooks, 2 each.

Scott led in rebounding with 12; Coffey had 9; Rucker, 5; Dobbs and Tammy Landis, 3 each; Hoyl, 4; and McDonald, Carletta Fitz and Jesko, 2 each. The girls shot a 50 percent free throw average.

Dobbs led her team in assists with 9. Others were Rucker, 5; Coffey, 3; Scott and Fitz, 2 each; and McDonald, Landis and Hoyl, 1 each.

To push their district record to 6-0, the girls hosted Floyd on Saturday and handed the visiting Broncos a narrow defeat of 40-39.

"Even though we won this game, this was the most lack lustre game we have played all year," commented King. "We just didn't move well at all. We were lucky to have won."

Texico took control in the first quarter but the Broncos slipped into the second period and switched the tempo to their favor and grabbed the halftime lead of 22-20. Floyd

still led in the third quarter by a narrow 2 points, but Texico took over the fourth period and finally won the game by one point.

"We had been hitting free throws in pressure situations all year long, but not during this game," said the coach. "We had won all our close games on free throws this year but with Floyd we missed two one on ones in the last 30 seconds of the game."

Scott led the pack in scoring with 23; Dobbs had 8; Coffey, 6; Rucker, 2; and Fitz, 1.

Rebounding was light with Scott grabbing 9; Coffey, 8; McDonald and Fitz, 3 each; and Rucker and Dobbs, 1 each.

In assists, Rucker had 8; McDonald, 3; and Coffey, Scott and Dobbs, 1 each.

Texico Jr. High Basketball Results

Texico's 7th and 8th boys and junior high girls traveled to Floyd and brought home two victories over the Broncos on January 27.

In a game combining 7th, 8th, and 9th grade girls, the junior Wolverines defeated Floyd 27-22.

At the end of the first quarter the score was 7-2 in favor of the Wolverines. Texico remained on top at the half with the score of 16-8. Although Floyd outscored Texico in the third period, the Wolverines kept their lead 17-16.

High point scorer for the Wolverines was Helen Jo Boardman with 8 points. Also contributing were Karen Snod-

grass, 7; Dana Morris and Cheryl Scott, 6 each.

Texico's 7th and 8th grade boys, led by the scoring and rebounding attack of Billy Bibbs, captured the victory over the Broncos, 44-42.

The Broncos and Wolverines were neck and neck at the end of the first period 6-6. Going into the locker room at halftime Texico was down by two, 16-18.

The third quarter score was 30-34 with Floyd leading. In the final period, the Green and White pulled ahead to win the game 44-42.

Bibbs led all scorers with 38 of the Wolverines' 44 points. Danny Powell added the final 6 points for Texico.

Texico Jr. Varsity Basketball Results

Just like their big sisters, Texico's junior varsity girls also boast a winning season record, theirs being 7-1. The young Lady Wolverines traveled to Melrose last Friday and defeated the Buffalos, 44-29.

The board showed a score of 11-4 in Texico's favor at the end of the first quarter and another 11 points in the second period gave the Green and White a halftime lead of 22-7. Both teams went on a shooting spree in third period, Texico hitting the hoops for 15 points and Melrose for 12, but the Buffs were still unable to take the momentum away from Texico and the young Lady Wolverines took the game with a 15-point spread.

"We took the ball away a lot in the first quarter," recalled coach Roy King. "Jill Jesko and Lisa Crooks played outstanding defense especially in the first half."

King also cited Pam Hoyl saying "she played the most outstanding of all the girls."

Even though his girls hold a shining record of 7-1, King still

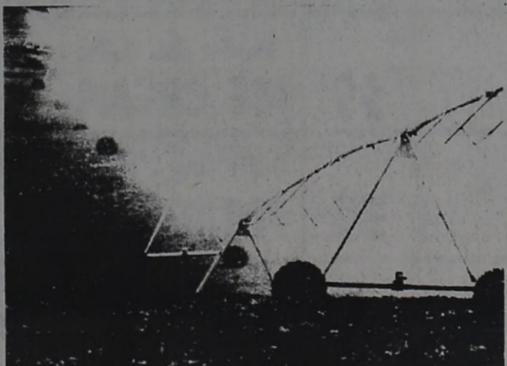

feels there is room for improvement. "We're still not shooting as well as we can. We only shot 30 percent this game."

Hoyl hit the cords for 10 points followed by Landis with 9; Crooks, 7; Sharlet Taylor and Jill Jesko, 6 each; Karen Snodgrass, 4; and Valda Cavallero, 2.

Hitting the boards for rebounds were Hoyl and Taylor, 9 each; Landis, 7; Jesko, 3; Terri Fenn and Crooks, 2 each; and Snodgrass and Scott, 1 each.

The girls have only one game remaining this season, at Dora on February 13.

Tribute To Ex-Hostages

As have many children and adults throughout the nation, students at Farwell Junior High School paid special tribute to the returned American hostages from Iran. Members of Liz Phillips' social studies class participated in a tree planting and decorating ceremony recently. Some of the students taking part in adorning the newly-planted evergreen with yellow ribbons are, from left, Mark Cole, Wade Hearn, Amy Dotson behind tree, and standing is Manuela Terrazas. The planting ceremony took place in front of the school building with the entire student body present. Sammy Sanchez was in charge of the introduction and Roger Robertson read "The Four Freedoms." Also participating in the program were Sherlyn Thigpen, D'Ann Curtis and Cathey Gobble. The student body sang "The Spangled Banner" at the end of the program.
