Exhibits Underway At Parmer County Livestock Show

Parmer County Livestock Show is scheduled to begin Thursday and end tomorrow (Saturday) with the livestock sale at 1 p.m.

The show is taking place at the Parmer County Community Center and Showbarn in Friona, with area 4-H and FFA members participating in the annual event.

The hog show is to begin today (Friday) at 8 a.m., with

Marcus Phillips acting as judge.

Joe Ed Wise, County Extension Agent from Lamesa, will serve as judge for the lamb show which is set to begin at 4 p.m. today.

The steer show is slated for tonight at 8 p.m. with Spencer Tankersley acting as judge for that event. "We're expecting approximately 325 hogs, 170

lambs and 35 steers for the livestock show," said Seth Ralston, Parmer County Extension Agent.

Ralston issued an all-out invitation to interested persons to "come out and buy."

A Friona man, Chief Buchanan, will serve as overall General Superintendent of the show and James Sides of Oklahoma Lane is the Hog superintendent.

Bill Tanahill of Friona is Sheep superintendent and Steer superintendent is Gene Schueler from Rhea.

Farwell students entered in the show include:

From Farwell FFA, under the supervision of Richard Montgomery: Todd Meeks, Donald Lovelady, Gary White, Jack Smallwood, Sheran Smallwood, Steven Smith, Nic-

ky Liethen, Brian Langdon and Gary Haseloff.

From Farwell 4-H, under the direction of Seth Ralston: Steve Gerles, Lisa Gerles, Danna Ralston, Jeremy Jones, Cory Jones, K.C. Eubanks, Ella Eubanks, Charlie Rose, Teresa Rose, Kevin Owen, Eric Williams, Darren Darby, Brent Green, Mac Langford and Suzahn Inman.

Those students from Okla-

homa Lane 4-H Club entered in the show, under the direction of Ralston include: Wayne Pierson, Brent Stephens, Kristy Stephens, Zed Stewart, Randy Davis, Twila Donaldson, Dana Haseloff, Amber Rhodes, Keith Smith and Lucretia Foster.

From the Lazbuddie 4-H Club, also directed by Ralston: Vandi Tarter.

Spring is slowly creeping upon us. We were reminded of this last weekend as we drove several hundred miles through farming country. It just seemed to us that for this time of the year many more farms are plowed and tilled up just waiting for moisture.

The only help we can be is our observation that over the years the Tribune has run at least one picture and story about a good snow in late February or March. Let us all hope that we can do the same this year.

This week we took the bull by the horns, or more specifically the pampas grass, and burned the bush. Each year for the last several years we have been following this procedure and have always produced a beautiful and vigorous bush in the summer. It seems like a procedure that would kill it, but so far no. If it does die off some year we will have a lot of explaining to our wife on the subject.

The newspaper is often called upon from time to time to solve some odd problems. We came across this explanation of the difference between "dinner" and "supper." John Kelso, columnist for the Austin American Statesman writes -

Some of the good old boys who work in the back shop at this newspaper were talking the other day about the differences between supper and dinner.

There certainly is a major distinction between the two, they contend, and they say I should write a column about the matter - to clear things up once and for all.

Fine. Let's do it. Of the two, dinner is fancier. People who have dinner usually come from the North of Austin, and when they are hungry, they say they are famished.

On the other hand, people who eat supper generally live in South Austin, and when they are hungry they say they are "bout half starved" or "hungrier than a boar hog."

Notice that I have used the expressions "have dinner" and "eat supper." One has dinner; on the other hand, one eats supper.

Another thing: Dinner is served. Supper is never served. It just sort of shows up on its own.

Manners are of the utmost importance at dinner. Grub is of the utmost importance at supper. At dinner, if one listens to anything, it's the classical FM radio station. During supper, however, TV football is darn near mandatory, if there's a game on at the time.

At dinner, one passes the salt. At supper, one lunges for it. At dinner, people refer to the steak as a filet mignon. At supper, a steak is called "a good piece of meat."

When people enjoy their dinner, they label it "fine cuisine." When people enjoy their supper, they say, "Those sure were some good groceries, Marge."

At dinner, butter is served in little, sissy-sized patties and on an appropriate butter dish that mother received years ago as a wedding present.

At supper, the butter comes in a tub Ma found while grocery shopping at Skaggs.

It's all right to have a milk mustache at supper. A milk mustache is not allowed at dinner.

At dinner, it is considered impolite to not try a little bit of everything the hostess has concocted. At supper, if there's something you don't like, it is quite acceptable to mutter, "Ah shore am sick of these darned yams."

Napkins are made out of a woven material at both dinner and supper, but in the case of supper they are often sleeves.

At dinner, one must concern himself with the matter of which fork to use. At supper one wonders, instead, whether

Award Presentation

Mrs. James [Mary Jean] Patrick, second from left, displays the Paul Harris Fellow Award for her late husband, "Pat," presented to her during the recent Texico-Farwell Rotary Sweetheart Banquet. Also

present for the occasion honoring their father were Roger Patrick, left, and Susan Patrick Conner. The Patrick family members are shown with local Rotary chapter

president Hugh Moseley. The Paul Harris Fellow Award is named for the founder of Rotary International and is the highest award given to a Rotary member.

Rucker, Day Crowned Texico's New Royalty

Schree Rucker and Jeff Day were crowned basketball homecoming queen and king Saturday, Feb. 14, culminating week long homecoming festivities at Texico High.

Miss Rucker is the daughter of Mr. and Mrs. Johnny Rucker and Day is the son of Mr. and Mrs. D. Smith Day.

The new royalty was announced during coronation ceremonies held following the boys junior varsity basketball game and prior to the girls

varsity game, against the Melrose Buffaloes.

The new king and queen were presented their crowns by crown bearers Michael Shaw, son of Mr. and Mrs. Ken Shaw, and Becky Lasiter, daughter of Mr. and Mrs. Tim Lasiter.

The couple also received trophies and Miss Rucker was draped in the traditional green velvet queen's robe after being presented a bouquet of red carnations.

Other members of the Texico royal court were Tony Tubbs, son of Mr. and Mrs. Alvin Tubbs; Jeff Dunsworth, son of Mr. and Mrs. Eddie Dunsworth; Ty Rains, son of Mr. and Mrs. Olan Rains; and Kent Harding, son of James Harding.

Also, Lisa Crooks, daughter of Mr. and Mrs. Arlye Crooks; Lisa Coffey, daughter of Mr. and Mrs. O.B. Coffey; Tracy Dobbs, daughter of Mr. and Mrs. Ray Dobbs; and Jill Jesko, daughter of Mr. and Mrs. Raymond Jesko.

The royal court was presented to a capacity homecoming crowd in the Wolverine gym, decorated in the theme "Through The Eyes of Love." Hearts of pink, red and, of course, Texico green trimmed the gymnasium walls as well as victory banners created by various members of the student body.

Honored during the basketball festivities was Joe Blair of Farwell as the oldest alumni in attendance. Blair is from the graduating class of 1933. Also recognized was Linda Wilson Redden of Albuquerque for having traveled the farthest to attend the homecoming activities.

High School principal James Harding was chosen as "Wolverine of the Year," and presented a plaque by faculty member Ronnie Warmuth.

Winners of the contests held during homecoming week were also announced during the homecoming activities.

In the elementary school heart-decorating contest, fourth grader Bret Taylor won first place; third grader Tasha Rucker, second place; and second grader Benjy McDaniell, third place.

Mrs. Nona Beth Holloman's fourth grade won the elementary school door-decorating contest.

The eighth graders won the junior high door-decorating contest, with the drill team coming in second and the junior high cheerleaders placing third.

At the high school, the seniors won first prize for their door, the freshmen with Troy Cochran and Johnny Torres, won second, and the varsity cheerleaders placed third.

Kent Harding won the "Steel

To Late James Patrick - -

Rotarians Present Paul Harris Award

Texico-Farwell Rotarians paid tribute to the late James Walter (Pat) Patrick recently by presenting his wife with the Paul Harris Fellow Award in her late husband's honor.

Mary Jean Patrick accepted the award at the Rotary Club's annual Sweetheart Banquet held Friday, Feb. 13, at Luce's restaurant in Texico.

The award, the highest honor a Rotarian can receive, is the first to be awarded by the Texico-Farwell chapter.

Patrick was chosen for the honor because he was a charter member of the local chapter as well as a past president, according to Hugh Moseley, current chapter president.

The Texico-Farwell Rotary club donated \$1,000 to the Rotary Foundation in Patrick's

name, money that Moseley explains will "help to insure the future of Foundation programs that strengthen understanding and friendly relations among peoples of different nations," adding, "and it will serve as a continuing tribute to Rotarian James Patrick."

The Paul Harris Award is named after Rotary's founding father and was created following his death.

Dudley Bristow, local Rotarian, read the letter from the Rotary Foundation accompanying the award to Mrs. Patrick and presented the award to her.

A brief history of the local chapter was read by member Prentice Mills.

"The local club was chartered on June 12, 1961, under the sponsorship of the Clovis

Rotary Club," he told the group. "Bob Tomlinson was the organization's first president and Bob Crume served as charter secretary." Mills explained that there were 25 charter members at the club's inception.

Those attending the banquet learned that Bob Crume was the chapter's second president and Prentice Mills served as secretary.

Patrick served as chapter president from 1965-66.

Charter members of the group were Smokey Gast, Buck Doran, F.O. Burk, Bud Peyton, Rip Snodgrass, Bob Crume, Harry Sheets, Scotty Levins, James Patrick, Ed Combs, R.O. Tomlinson, Prentice Mills and Herb Potts;

Also, John Spearman, Sam Aldridge, Joe Crume, Ernest

Cain, Bob Anderson, John Aldridge, Johnny McDonald, Jerry Bradshaw, Dudley Hughes and Joe Jones.

Mills also noted that the organization has had at least three father and son members. "Joe and Bobby Crume, Mike and John Spearman, and Herman, Fred and Martin Chandler," he said.

Following Mills' presentation, Wayne Sturdivant of Amarillo, District Governor of District 573, was introduced by Charles Aycock as the evening's guest speaker. Sturdivant represented Rotary International in the absence of District Governor Marvin D. Rohovec of Alamogordo.

The annual banquet and special awards presentation was attended by 46 people. (Continued on Page 2)

Many Arrests Made - -

Activities Heavy For Sheriff's Dept.

Three Amarillo men are currently in custody in the Parmer County jail awaiting extradition to Portales on charges of burglary, according to Parmer County Sheriff Bill Morgan.

The three were arrested by Texas State Police officers on charges of possession of less than two ounces of marijuana, and following their arrest it was learned that they were wanted in New Mexico on the burglary charge.

Currently in custody are Joe Louis Madrid, 27; Felipe Madrid, 22; and Damon King, 17. All three are from Amarillo.

Arrests made this week by Parmer County sheriff's officials include Albert Garcia, Jr., 27, of Levelland on a violation of probation charge.

Carlos Salaz, 17, of Friona was arrested on a Ft. Sumner warrant and has been extradited back to that area.

Arrested on a warrant issued from Potter County, Tex. for a charge of forgery was Michael Ruffins, age 24, of Clovis.

Also arrested this week were Jeff Gomez, 40, of Hereford and Kenneth Joe Hearn, 38, of Farwell, on two separate charges of public intoxication. The men were fined \$28.50 each by Parmer County Justice of the Peace Albert Smith.

In other arrests made this week, sheriff's officials released three men on bond awaiting trial with Parmer County Judge Porter Roberts.

They include Juan Diaz, 30, of Hereford, arrested for DWI and possession of less than two ounces of marijuana; Joe Nathan Pierson, 32, of Bovina, arrested for possession of less than two ounces of marijuana; and Angel Mata, 40, of Friona,

arrested for DWI.

Sheriff Morgan also reported that a 14-year old juvenile is currently in custody in the county jail. The youngster is a suspected run-away from Amarillo, and authorities from there will pick him up.

In other action, the sheriff's office has investigated the following reports:

Farwell High School authorities reported that six basketballs were missing from the

gymnasium, placing a value on the balls at \$50 each.

ENMR Telephone Cooperative reported that their Farwell building has been entered and various tools were missing. Some vandalism also occurred in the incident, but no dollar amount was placed on the damages or loss.

Ronnie Puckett of Lazbuddie reported that his automobile engine had been vandalized. Upon investigation it was learned that dirt had been

poured in the motor, Morgan said. Cost of the damage was set at \$1500.

Tide Chemicals of Farwell lost a Lincoln Welder and approximately 50 gallons of gasoline were siphoned from company trucks last weekend. Total value was placed at \$400.

Harold Jones of Oklahoma Lane reported losing a 12-gauge shotgun, missing since last month from his home. Jones said the gun is worth \$150.

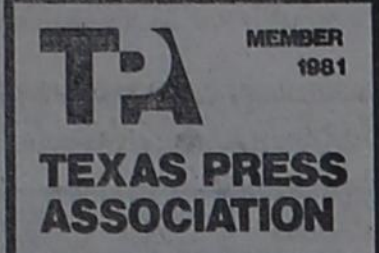

Postal Peekers

Students in Marcia Cole's kindergarten class at Farwell enjoyed a recent tour of the Farwell Post Office given by postmaster Otis McMillan, right. The students, including, from left, Jimmy Boone, Kristi Jones, Karen Aycock, Paul Winegeart and Joni Hernan-

dez, were told what happens to their letters once the stamp has been placed on the envelope, and dropped in the mail box. A demonstration on the letter cancellation machine as well as a lesson on how the mail is distributed was given to the children. While at the

post office the kindergartners also mailed handmade Valentines, after watching their envelopes be weighed for the correct amount of postage due. The kids then purchased their own stamps and dropped the Valentines into the mail box.

Funeral Rites Held For Alfred E. Hapke

Funeral services for Alfred E. Hapke, 80, of Texico were conducted Monday, Feb. 16, at 1 p.m. in Steed-Todd Chapel in Clovis. Officiating was Ken White Sr. and Gene Phillips of the Reorganized Church of Jesus Christ of Latter Day Saints. Burial was in the Texico Cemetery under the direction of Steed-Todd Funeral Home.

Mr. Hapke died Thursday, Feb. 12, at his home in Texico. He was born December 18, 1900 in Ashton, Neb., and had lived in this area since 1948. His wife, Nellie Madge, preceded him in death March 18, 1972.

An infant son also preceded him in death.

Survivors include three sons, Richard Hapke of Alexandria, Va., Frank Hapke of Yukon, Okla., and Robert Hapke of Honolulu; four daughters, Joan Crosby of Mesquite, Tex., Naomi Hapke of Los Alamos, N.M., Audrey Kittrell of Texico and Dorothy Hancock of Lubbock, Tex.; fourteen grandchildren and one great-grandchild.

Pallbearers were Bill Craft, Keith Scott, T.J. Kittrell, Perry Winkles, Gayle Doolittle and Kenneth Workheiser.

Services Conducted For J.L. 'Shanks' Ivy

Funeral services were conducted Sunday afternoon for longtime Lazbuddie resident J.L. "Shanks" Ivy, 71, who died Thursday morning, Feb. 12, at his home in the Lazbuddie community.

Officiating at the services in the Church of Christ at Lazbuddie was Andy Rogers, minister of the Church of

Christ in Antlers, Okla., assisted by David Lasater, minister of the Lazbuddie Church of Christ.

Burial was in the Bailey County Memorial Park near Muleshoe under the direction of Ellis Funeral Home.

Mr. Ivy was born July 14, 1909 in Collin County, Tex., and moved from there to the Lazbuddie area in 1926. He was a member of the Lazbuddie Church of Christ, a farmer and cattleman, and a dealer for DeKalb Seeds for many years.

He was married to Odessa Tipton Ivy who preceded him in death on January 7, 1968.

Survivors include two daughters, Mrs. Darrell Stephens of Farwell and Mrs. Gary Coker of Lazbuddie; two sisters, Mrs. Jaunita Garrett and Mrs. Oneita Wagon, both of Muleshoe; four brothers, Olen Ivy of Lazbuddie, Tony Ivy of Vanita, Okla., R.B. Ivy of Dimmitt and D.B. Ivy of Muleshoe; and five grandchildren.

The senior class placed first in the cake-decorating contest and the sophomores came in second. The cakes entered in the contest were auctioned during the basketball games.

In keeping with tradition at Texico school, various dress days were held throughout the week. Wednesday was Dress Up day and Karen Snodgrass and Charlie Bibbs emerged as winners in the junior high school division. Pam Hoyl and Earl Bibbs won first place at the high school.

Eldonna McCormack and Stanley Cross were dressed the tackiest at the junior high on Tacky Day, and Nikie McDaniell and Mike Arnold won the high school level prize.

There was no Green and White Day winner at the junior high; however, the faculty and staff were chosen as the winners at the high school.

What helps the typist

Typists who are married do better work than typists who aren't married. More keyboarding, fewer mistakes. That's the claim of a researcher in the West Germany city of Paderborn. At first glance, you might think the wives studied in this particular project just naturally happened to be swifter than the single ladies, coincidentally. But the researcher tested numerous young unattached women, then tested them again shortly after they went to the altar. Their efficiency jumped considerably immediately after the marriages.

When do you open the yuletide presents around your scatter, on Christmas Eve or the following morning? The Eve openers are in the majority. Fifty-five percent of the families do it then. The other 45 percent open the gifts on Christmas morning.

DOG SOUP

Q. In the vernacular of truckstop waitresses, what's "Dog Soup"?
A. Water.

Q. Why is "bone china" called that?

A. Because it's made from bone ash, the white porous residue left from heated dehydrated cattle bones. Plus clay. Plus other ingredients. European pottery makers came up with it when trying to duplicate fine Chinese porcelain.

Q. What's the average price of a two-bedroom house in California's Santa Monica or Beverly Hills?
A. Santa Monica, \$206,000. Beverly Hills, \$411,000.

Oklahoma City is not the only state capital with the name of its state in its own name. But not one citizen outside that state can think of the other capital city. Can you? Those oft-mentioned tavern types win bets with this small query, too. Answer is Indianapolis.

Do you generally trust physicians? Fifteen years ago 73 percent of the people in a sizable sampling said yes to that. A few weeks ago only 30 percent said yes.

Judge Boone Hospitalized; District Court Cancelled

Jurors called to hear 11 criminal cases in Parmer County District Court last Tuesday and Wednesday were sent home due to the unavailability of Judge Pat Boone.

Judge Boone and his wife Janet were listed in serious condition in a Lubbock hospital following a two-car wreck Sunday, Feb. 15, on the Tech Freeway in Lubbock.

A hospital spokesman reported that Boone suffered a fractured pelvis and punctured lung in the incident and his wife received fractured ribs and a punctured lung. Prior to the accident, the

judge was scheduled to hear the criminal court cases for which 114 prospective Parmer County jurors had been summoned by Parmer County Sheriff Bill Morgan.

According to Parmer County District Clerk Dorothy Quickel, the court hearings have been postponed until a temporary judge can be appointed to handle the cases.

Mrs. Quickel said that a completely new list of jurors will be summoned for the court cases which are to take place "as quickly as everything can be arranged," she said.

Farwell Yearbook In Financial Bind

Because of "hard economic times," the Farwell High School annual staff reports serious budget troubles due to the rising cost of annual production, according to yearbook sponsor Shirley East.

"It is estimated that the 1981 Roundup will cost approximately \$6300, not including photography expenses," she said. "The staff will be paying \$18.50 per annual but will try to sell them to the student body for under \$12 each."

Mrs. East explained that the approximate \$6 loss per annual is usually absorbed by advertising sales, "but due to sharp rises in inflation and less consumer buying, ad sales are

down," she said.

To make up the monetary loss, the annual staff will be accepting donations from area businesses and citizens. "All donors will have their name published in the annual," the advisor said. "The annual staff will be going door to door soon to accept donations."

In addition to the page for donors, the staff has set aside space for those wishing to say congratulations to seniors. "Any person can congratulate up to three seniors for a minimum donation of \$5," Mrs. East said.

For further information, contact Mrs. East at Farwell High School.

Winning Door

Michael Day and Dena McDaniell are members of the elementary class which won the door decorating contest at Texico last week. The students in Mrs. Nena Beth Holloman's fourth grade class took first place honors in the elementary

school division in the decorating contest held in conjunction with Texico's homecoming. The eighth grade won the junior high division and the senior class took the high school decorating honors.

Jerry Monk Attends Advisory Board Meet

Jerry L. Monk of Farwell was among 26 Pioneer dealers who recently served on the second President's Advisory Board for the Southwestern Division of Pioneer Hi-Bred International, Inc. at Plain-

view. Monk and other dealers met during the first week in February to discuss the needs of farmers and how Pioneer could better serve these needs.

Jim Lindsey, president of the Southwestern Division of Pioneer, said the advisory board meeting "was very productive."

The seed dealers who served on the advisory board represented all major marketing areas of Texas, Oklahoma and New Mexico, the three states that make up the Southwestern Division of Pioneer.

The dealers were selected for service on the advisory board based on their experience in the seed business and

in marketing. "The conclusions drawn from the opinions expressed by these 26 Pioneer dealers will benefit every one of our dealers. Farmers will also benefit because each dealer in attendance had a very real concern for the well-being of his customers," Lindsey said.

Commissioners Court Chooses Co. Depository

The Friona State Bank is to serve as the Parmer County Depository, this resulting from action taken at the Parmer County Commissioners Court meeting held February 9.

Bids from two banks were received by the Commissioners Court, from First State Bank of Bovina and from Friona State Bank. "After much discussion as to which bid would be best in the long run, the board unanimously approved to accept the bid of the Friona bank," said County Judge Porter Roberts.

The board also took under consideration two bids received on the motor grader advertised by Precinct No. 4. One bid was offered from West Texas Equipment Co. and one from Deckard Equipment Co. "After comparison of the machines offered and the trade prices offered," said Roberts, "the board accepted unanimously the bid of Deckard Equipment with a trade difference of \$46,879.32."

In other action, commissioners voted to purchase a \$2,450 Minolta copy machine for the office of the Parmer County District Clerk. Dorothy Quickel, district clerk, appeared before the court requesting consideration of the machine and after discussion of various machines and prices, as well

as the need, the board approved the purchase.

A bill was received from Wilhelm T.V. and Appliance of Friona for the food freezer purchased by the Parmer County jail in the amount of \$475. Board members voted unanimously to pay this bill.

The travel allowance for the Veterans Service Officer, which had been overlooked when the salary schedule was adopted last month, was discussed and it was decided to continue the allowance at \$150 per month, effective January 1, 1981.

It was also voted that an allowance for supplies in the amount of \$20 per month be sent to Jerrald Schueler until January 1, 1982.

The commissioners voted to purchase three-year or 36,000 mile extended coverage insurance on the extension department pickup.

It was decided that \$150 will be given to the County Child Welfare Board to buy supplies and get the newly-formed organization started in its operation.

After discussion of a proposed bill governing Emergency Medical Services, it was decided that the court should lend their support to this bill.

Also, telegrams were sent to Texas' State Senator and State Representative in support of a

bill to increase the amount of money left in the county from license tag fees. The board approved the payment of these telegrams.

Also, the board approved to renew the subscription to the "Information Guide on County Government."

A request for right-of-way easements to cross two county roads were approved from Deaf Smith Electric Cooperative, Inc.

The board approved the following soil conservation work:

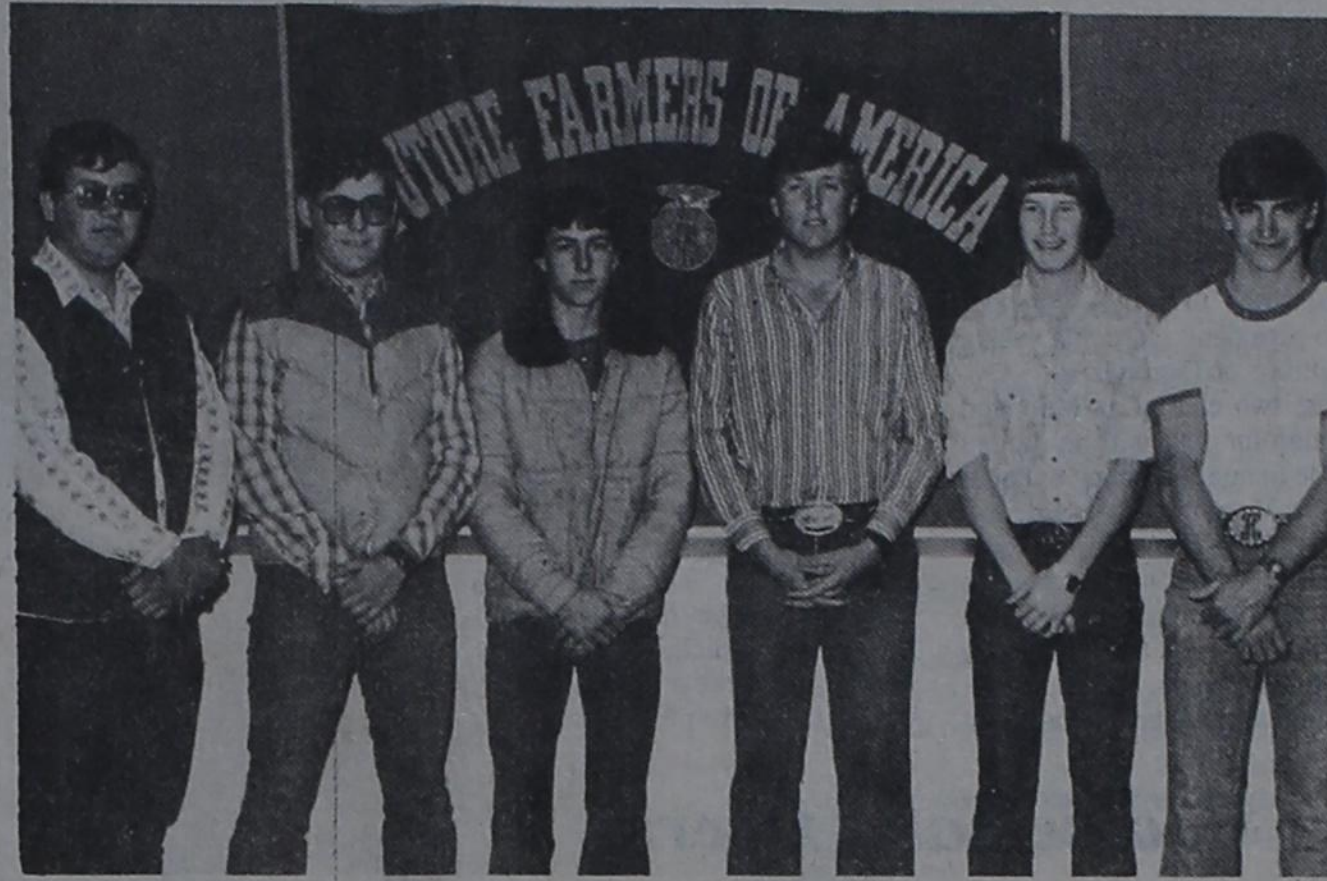

Precinct 1: Jim Roy Wells, \$105; D.L. Carmichael, \$122.50; Tom Pruett, \$70; Mike Riethmayer, \$105; Floyd Reeve, \$105; R.W. Woodruff, \$52.50.

Precinct 2: H.H. Horton, Jr. \$12.50; Arnold Dailey, \$245.

Precinct 3: Mike Haseloff, \$12.50; Dale Gober, \$37.50; J.T. Actkinson, \$87.50; B.D. Chitwood, \$653.92; Bert Williams, \$647.50; Bruce Billingsley, \$17.50.

Precinct 4: John N. Agee, \$62.50; Ronnie Puckett, \$70; James H. Jennings, \$200; Fred Burch, \$52.50; Gordon Duncan, \$67.50; L.M. Smith, \$100; and J.T. Mayfield, \$25.

The final boarding care bill on Dora Fields was received in the amount of \$217. The board approved its payment.

Farwell FFA Officers

Officers in the 20-member Farwell FFA chapter include, from left, Jack Smallwood, reporter; Steven Smith, treasurer; Gary White, president; Donald Lovelady, vice-president; Steve Jones, secretary; and Gary Haseloff, sentinel. Richard Montgomery is advisor to the Farwell chapter.

Shop Talk

Rudy Jacobs, (left) FFA State President of Amistad, N.M., talks shop with Texico FFA chapter officers Neil Snipes, vice-president; and Jeff Duns- worth, president. Jacobs spent the day at Texico school last week, visiting with members of the FFA chapter as well as all Vo-Ag students. He is to be the guest speaker at Texico's annual FFA Awards Banquet set for April.

Farwell's City Election: Voting, Filing Explained

March 4 is the deadline to file for candidacy in the April 4 municipal election to be held in Farwell. Voters will have the opportunity to elect two councilmen and a mayor during this election. These positions are presently being filled by Fred Chandler, John Curtis and Walter Kaltwasser.

Persons wishing to run for Farwell public office must file at City Hall to have their name placed on the ballot.

At presstime only one person had filed for candidacy, incumbent councilman Fred Chandler.

Farwell resident Don Williams has been appointed by the city fathers to serve as election judge for the upcoming election.

Those who plan on voting absentee in the April 4 election

will need to go to the Farwell City Hall and obtain an application to do so, according to Janie Bowery, city clerk. The clerk also pointed out that absentee applications are available at this time.

"Absentee voting will begin 20 days prior to the election and will end four days prior to the election," the clerk said. This means that persons have from March 16-31 to vote absentee. When returning an absentee ballot by mail, it must bear a postmark no later than March 31.

Absentee ballots may be obtained either by mail or in person at the Farwell City Hall, during regular business hours.

"Any eligible voter who will be unable to be in the city on

election day may vote by absentee ballot," Mrs. Bowery said, adding, "Voters who are physically unable to appear at the polls due to illness should write or call to have a ballot sent to them."

To be eligible to vote in the April 4 election, a person must have resided within the Farwell city limits for 29 days and must be registered to vote at least 30 days prior to the election, which gives them a deadline of March 5.

Hospital Board Schedules Election

Farwell Hospital District Board has set an election to name new board members for Saturday, April 4.

Members of the hospital board whose two-year terms are expiring are Pudge Rose, Lee Hutchins, Robert White, LaMoin Williams and Jim Berry.

Anyone wishing to have his

name placed on the ballot may do so by filling out an application which may be picked up at the Farwell Clinic. Deadline for registering for a place on the ballot is Wednesday, March 4.

The hospital board election is to take place on the same date as the Farwell School Board and Farwell City election.

Lazbuddie Board Election April 4

In its regular meeting Jan. 8, the Lazbuddie ISD Board of Education called for an election to be held Saturday, April 4, 1981 for the purpose of electing two trustees for a full three-year term.

Gene Paul Jarman was appointed election judge and Judy Brockman and Robert Gallman were appointed clerks with Robert Gallman as alternate judge and Carri Flores as election interpreter.

Dennis Owen was appointed clerk for absentee voting. Absentee voting will begin on

Monday, March 16, and continue through Tuesday, March 31, from 8 a.m. to 5 p.m. on each day which is not a Saturday, Sunday or official state holiday, at the Lazbuddie ISD Tax office.

The terms of Alfred Hicks and Max Steinbock will expire this April. Application for a place on the ballot may be made at the Superintendent's office Feb. 3 through March 4. There has been no applications filed at this time, according to Sam Barnes, superintendent.

Have you ever gone to the store for strawberries -- but went home with the little shortcake package and whipping cream, too?

Perhaps you bought the extras just because they looked good in the supermarket display.

Do your children find great delight in picking out all the sugar-coated cereals the store has to offer?

This may happen because these cereals are displayed at children's eye levels.

Also, you fell for marketing gimmicks.

Not so bad, since all that is fun occasionally -- but not so good if you sacrifice family nutrition with frequent gimmick buying -- impulse buying.

To avoid this, take time to plan purchases. Shop with a list so you aren't vulnerable to "point-of-purchase" influences at the supermarket.

Read labels and study food advertisements.

Understand as much information as possible about nutrition and needed serving sizes.

Also learn about the "cost

per serving" method of buying meats and produce. "Cost per serving" starts with "cost per pound" or "cost per ounce" -- then you must figure how many servings that pound will make or how many ounces will make a serving.

In addition, seek information from your County Extension Office about food buying and nutrition. Many booklets and pamphlets are available to the public at no charge throughout the County Extension Offices across Texas.

Finally, be aware of supermarket gimmicks such as the strawberry shortcake displays and the sugar-coated cereal shelf placement.

Other gimmicks include colorful banners, slogans and marketing products themselves -- all of which induce a mild-hypnotic-trance in many consumers, according to one study.

Remember, unless you're careful, these gimmicks can lead to the purchase of more high-profit, eye-appealing, self-gratifying -- and less nutritious -- buying.

Texico FHA Group To District Meet

In conjunction with National FHA-HERO week, 18 members of the Texico Future Homemakers of America chapter attended a district meeting in Portales last Wednesday, according to club sponsor Kendale Burch.

The meeting was held in the ballroom at Eastern New Mexico University.

Purpose of the gathering was to elect and install new officers participating in the

installation service." Theme of the meeting was "Searching For Gold Through FHA-HERO." Each chapter in the district created and presented a banner depicting how the FHA-HERO organization enriches members' lives.

These same banners are to be used as part of the decorations at the state convention March 19-21 in Albuquerque.

City Of Texico Gets EMS Grant

A grant of \$1,159 has been received from the New Mexico State Health and Environment Department by the Texico City Commission for supplies for Emergency Medical Services (EMS).

According to Texico city clerk Marie Christian, the funds have been granted to Texico for the third consecutive year, and are provided by the state for training or equipment to be used in the city's EMS division.

The city commission passed a resolution in support of the EMS at their Tuesday night meeting held at City Hall.

In other action, the commissioners discussed the water hammer on the city's KKR Well. According to Mrs. Christian, "When the well is turned off after being shut off it blasts the line," and she further explained that it seems the city may have "a stronger well than we had planned."

The city fathers voted to consider three possible solutions to the well problem. The first will be to discuss the problem with an engineer of water systems, whom they feel, will most likely recommend either installing a smaller motor or smaller bowls.

Also during the meeting, city employee Billy Hammit requested that plates be installed to cover meter boxes as people have been driving over the boxes and destroying them. The plates are to be installed as soon as possible.

A resolution was passed on the open meeting agreement, which Mrs. Christian explains is a resolution that must be passed by all New Mexico municipalities each year. "To insure that all open meeting

laws are observed." Remodeling of the old fire station by the Senior Citizens was discussed and it was decided to obtain estimates on any work to be done before the City of Texico decides what to do with their part of the building.

The Senior Citizens organization obtained the space in the old fire station when the volunteer fire department moved into their new building. It was decided that Mrs. Garland Edge, the city's fire department dispatcher, will take over the janitorial responsibilities of the new fire department.

The city has recently purchased two new tires for the solid waste department from Milton Autrey.

In addition, Autrey has promised the city he will look into securing chips for the city's chip and seal project for the road work. John Hadley was appointed manager for the chip and seal project.

Cris Billingsley attended the meeting as a representative of the Texico Women's Club and a discussion of several general projects took place.

Before the meeting adjourned it was decided to sort out all the equipment in the city's barn to obtain more usable space.

Those attending Tuesday's meeting were Mayor John R. Hadley, commissioners Vane Doshier, Lewis Cooper, and Donnie Morris; employees Billy Hammit, Dave Panter, Mickey Fenn and Marie Christian.

Visitors at the meeting were Max Carter, Milton Autrey, Edward Autrey, W.W. Moore and Cris Billingsley.

Nominations Taken For Chamber Awards

Deadline for nominating Farwell's Man and Woman of the Year candidates is March 6 according to I.W. Quickel, vice-president of Farwell's Chamber of Commerce.

The two chosen as Man and Woman for 1981 will be named at the annual chamber banquet set for March 12 at the Farwell school cafeteria. The annual affair is to begin at 7:30 p.m. CST and will feature a steak dinner. Cost for the evening is \$7.50 per person.

A guest speaker for the event

has not been named yet, although chamber member Jerry Monk advises that his committee has been "working quite extensively" on obtaining a speaker and says full details will be available next week.

A nomination blank for Man and Woman of the Year candidates may be found elsewhere in the Tribune. The blanks must be delivered or mailed to Quickel or Tom Nichols, Chamber president, before the March 6 deadline.

Cookie Sales Over; Response Was 'Great'

"Our 1981 cookie sale is officially over, however, we still have a few boxes of some varieties if anyone in the community wants these," reports Mrs. Sherry Curtis, chairman of the local Girl Scout Cookie Sales this year.

The cookie chairman says that response to this year's sales was "just tremendous" and the sale was termed as excellent by the Brownie Troop leader.

Girls of Brownie Troop 385 started their sales on January

30 and continued through February 15 with each girl averaging a sale of 82 boxes of cookies.

Mrs. Curtis expressed appreciation to everyone who responded so generously to help make the sales such a success and said that anyone who wished to purchase additional cookies may do so by calling her at 825-3535 and the cookies will be delivered.

Varieties still on hand early this week included mints, savannah and chocolate chip.

Howard Accepts Internship

Mark Howard, son of Mr. and Mrs. W.D. Howard of Texico, is one of four students from Texas Tech University currently in Washington, D.C., on a three-month internship in partial fulfillment of a degree in Agriculture Economics.

Do you shop in a hurry? Fly around the store, pack your cart quickly when time is at a premium? And when you get home, do you find you've picked some products that are not what you wanted?

It can happen to anyone, especially with all the imitations on the market. There are imitation cheeses, milks, spreads, bacon, eggs, meat and whatnot.

You may already have seen the effort to counteract this trend. It's the use of a "REAL" Seal emblem on genuine dairy products. The seal is a symbolic drop of milk with the word "REAL" inside. It's federally registered.

If you're making a whirlwind trip through the store, just pick up the products that have the symbol on them. You won't have to take time to study the label!

Should your shopping list contain foodstuffs used daily, remember you can tour just the outer aisles for dairy foods, meats, vegetables and bread. Know which aisles contain anything else so you won't get detoured.

Another time-saver: Make your shopping list according to the store layout and you can whiz through your shopping.

Candlelight Ceremony Unites Kimberly Naegle, Tim Norton

Kimberly Sue Naegle of Bovina and Timothy Gerald Norton of Farwell exchanged wedding vows in a candlelight double-ring ceremony on Saturday, Feb. 7, in the First United Methodist Church of Bovina.

Officiating at the ceremony was Rev. N. Scott King of the First Presbyterian Church of Clovis.

Parents of the couple are Mr. and Mrs. Casper C. Naegle of Bovina and Mr. and Mrs. Gerald Norton of Farwell.

Presented in marriage by her father, the bride wore a formal gown of ivory chiffon designed with a closely fitted bodice of Alencon lace encrusted with pearls. Scallops accented the Queen Anne neckline. Long sheer bishop sleeves were tucked at the shoulders and fell to deep lace cuffs forming points over her hands. The cuffs were accented with scallops and clusters of pearls and were closed with self fabric buttons.

The skirt of chiffon formed a tulip front which had a lace-edged underlay of deep inverted Venice lace encrusted with pearls. The gown swept to back fullness and extended into a chapel length train. She wore a matching lace mantilla which extended past the hem of the gown. The mantilla was designed with deep scalloped edges and encrusted with pearls. Appliques also accented the back of the veil.

She carried a Hogarth arrangement of stephanotis, ivory roses and baby's breath with seed pearls, French net and streamers of picot ribbon throughout. For something old she carried a lace handkerchief belonging to her mother; something new was her dress; something borrowed was a Bible; and something blue was a garter which was made by the bridegroom's maternal grandmother.

At the center of the altar was a double arch candelabra with palm trees on either side. In front of the arch was a heart-shaped candelabra with an arrangement of ivory roses. Palms and leatherleaf fern flanked the seven-branched spiral candelabra. Two large bouquets of yellow roses and mixed flowers, accented with rainbow ribbon streamers, were at the sides of the altar.

The first two rows of pews were marked with mixed flower bouquets and ribbons. A unity candle which was lighted by the couple during the ceremony stood at the front of the first row of pews.

Dianna Naegle of Canyon, sister of the bride, was the maid of honor. Bridesmaids were Sharmy Christian of Farwell, Sandi Koonz and Joan Carson, both of Lubbock, and Debe Longbotham of Canyon.

The bridal attendants wore formal gowns of chiffon, each in a different rainbow shade. They were designed with blouson draped necklines and split sleeves. The closely fitted bodices were accented with a peplum and had a tiny satin ribbon at the waistline. The attendants carried arm bouquets of mixed flowers and rainbow ribbon streamers and wore matching floral and ribbon hairpieces.

Vick Christian of Farwell served as best man. Groomsman were Charles Christian, Dwayne Mitchell and Russ Jones, all of Farwell, and Cap Naegle Jr., of Bovina, brother of the bride.

Ushers were Ray Norton of Farwell, cousin of the bridegroom; David Norton of Farwell, uncle of the bridegroom; Jason Jamison of Marble Falls, cousin of the bridegroom; and James Castleberry of Farwell.

Kimberly Kirkpatrick of Bovina, flower girl, wore a formal dress of yellow organza and carried an off-white wicker basket filled with yellow daisies and decorated with rainbow ribbons. She wore a matching hairpiece.

Corey Kirkpatrick, also of Bovina, was ring bearer. He wore a black tuxedo with yellow shirt and carried a handmade needle point pillow which was designed by the bride's sister and had the name of the bride and groom and their wedding date on it.

The bride's mother wore a formal length peach chiffon dress with matching jacket which tied at the waist. A gardenia corsage with pearls and ivory ribbon completed her ensemble.

The bridegroom's mother wore a formal gown of violet crepe georgette with a peplum-accented bodice and a gardenia corsage.

Organ music was provided by Mrs. Joe Bradburn of Bovina, and vocalists were Mr. and Mrs. Grady Sorley, also of Bovina. Prior to the processional they sang, "If," and during the ceremony Sorley sang "The Lord's Prayer."

Immediately following the wedding, a reception was held in the home of the bride's parents. The wedding table was covered with a floor-length ivory crepe cloth topped with a quilted valance. The centerpiece was a four-light candelabra filled with ivory roses, baby's breath and fern.

The four-tiered wedding cake had hand molded flowers cascading down the sides and was topped with a bouquet of hand molded flowers in rainbow colors. Brass table appointments were used to serve fruit punch along with white chocolate mints, hors d'oeuvres of sausage balls, turkey puffs, beef turnovers and cheese rolls.

A brass coffee service along with additional snacks and tidbit trees were featured at a counter in the den. Another table draped with matching cloth held a brass flowing champagne fountain where the couple toasted each other using brass goblets.

Serving cake and punch were Nina Briggs, Hillary Stotter and Carla Cortis, all of Los Angeles, friends of the bride. Mary Jane Wilson and Karen Kirkpatrick of Bovina were also members of the houseparty. All wore gardenia corsages adorned with rainbow ribbons. Arrangements of mixed flowers with rainbow ribbons, Swedish ivy, and baskets of mixed daisies decorated the home.

After a week-long trip to Colorado, the couple is at home at 207 3rd Street, Farwell.

The bride is a graduate of Bovina High School. She attended Pacific Palisades High School in California studying art for a semester, and also participated in a 45-day American Leadership Study Group tour of Europe studying art. She also attended West Texas State University, Canyon.

The bridegroom is a graduate of Farwell High School, was employed by Santa Fe Railroad and is now engaged in farming south of Farwell.

Pre-nuptial courtesies extended the couple included a miscellaneous shower in the home of Mrs. A.M. Wilson in Bovina; a miscellaneous shower in Farwell at Hamlin Memorial United Methodist Church; a "spice-recipe" luncheon hosted by Mrs. Gabe Anderson Jr. of Bovina and Mrs. Gabe D. Anderson III of Lazbuddie; a "bed and bath" shower hosted by friends of the bridegroom's family in the

home of Mrs. S.A. Torgeson of Clovis.

The bridegroom's family hosted a rehearsal dinner in their home on the evening of February 6, serving members of the wedding party, family and friends.

Separate tables were covered with runners of material in rainbow colors. A small heart made of pottery dough with yellow ribbons attached bore the name of each guest designating the seating. Bouquets of mixed flowers also decorated the tables.

Those attending were served hors d'oeuvres and punch prior to the dinner which consisted of barbecued beef brisket, ribs, baked potatoes, green beans, relishes and hot bread with peach cobbler for dessert.

Mrs. Darrell Norton and Mrs. David Norton, both of Farwell, and Mrs. Herman Gerjes of Texico, aunts of the bridegroom, assisted in preparing and serving the meal.

Jamboree Raises \$300 For Heart Association

A little over \$300 was raised in last week's annual Rock 'n Roll Jamboree held at Farwell Convalescent Center. The amount of money donated was less than half of the amount hoped for.

The annual event, held to raise money for the American Heart Association, netted over \$700 last year, and this year's goal was \$800, according to Linda Winegeart, Center activities director.

Dr. J.R. Ivins, a member of the Parmer County Heart Association, has said that donations are still being accepted and may be called into his office at the Farwell Clinic at 481-3336.

However little money was raised, the day-long happening, held in conjunction with other nursing homes throughout the country, was filled with entertainment provided by local citizens, and all Center residents took part in rocking in their rocking chairs or rolling in their wheel chairs.

Highlighting the occasion was the crowning of the new Jamboree King and Queen, chosen by audience applause at the end of the day's activities.

Flo Lindsey and Floyd Wall were crowned as the Center's new royalty, each receiving a crown and a box of sweetheart candy from Center administrator May Ann Resch.

The two had rocked and rolled for the heart fund effort all day.

Entertainment was provided throughout the day by Turner Paine and Fred Chandler who played the fiddle; Claud and Lawrence Gobble who sang and played the guitar and fiddle; and Sheree Montgomery who played the accordion.

Jackie Perales sang a song accompanied by Mrs. Spinks, and Johanna Mesman presented a skit to the residents;

The Kitchen Band of Clovis furnished more musical entertainment, the Farwell High School Twirlers performed as

well as four members of the Texico High School Band.

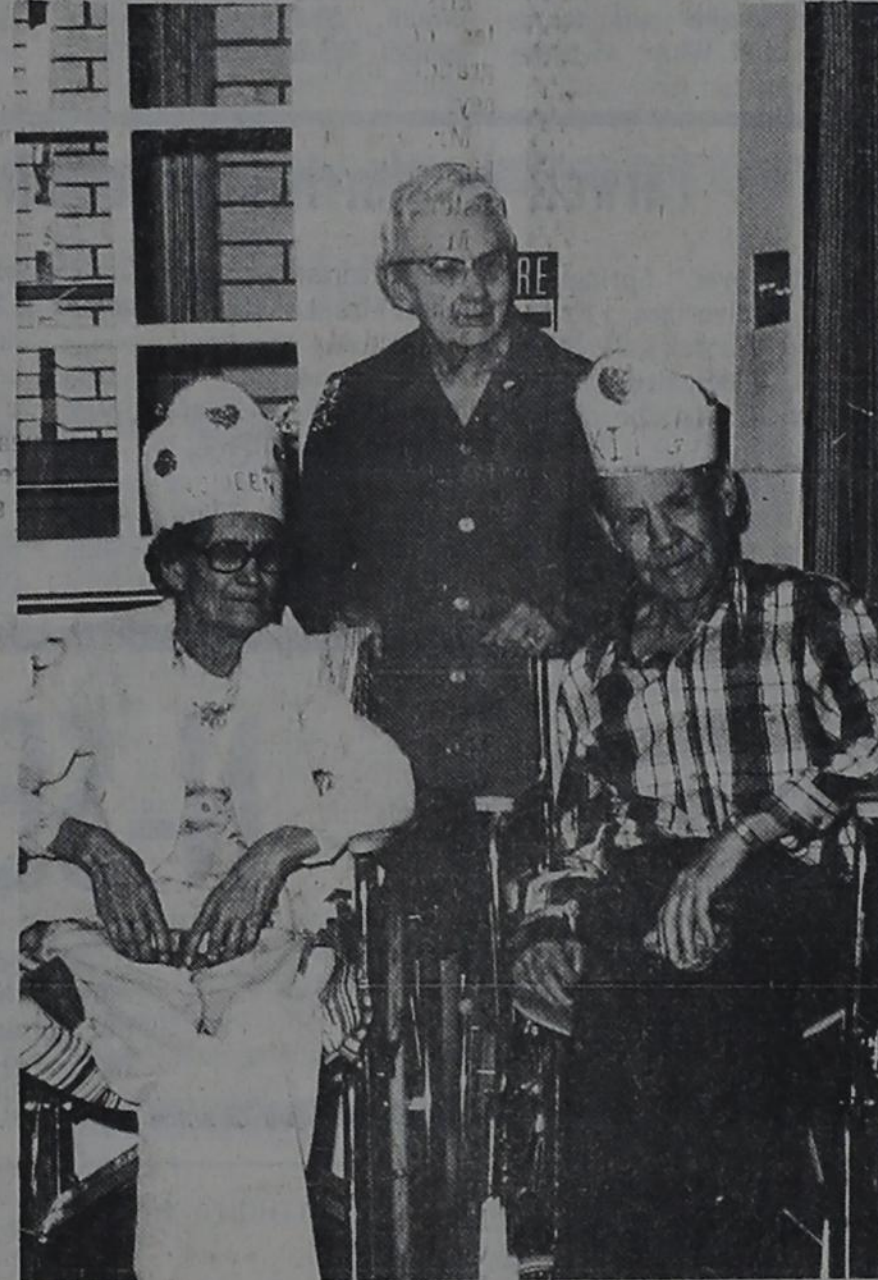

Members of the Texico band who performed were Dennis Chaves, Johnny Cantu, Jeff Johnson and Jesse Orozco, as well as the Texico Band Director, Jerry Sadberry.

Playing the electric organ was Ed Hardage.

Miss Winegeart expressed

special thanks to the many Center volunteers who provided their time to make the Rock and Roll event the success it was.

Those cited for their efforts were Dora Verner, Alvenia Cox, Mary Mesman, Nan Preston, Gertrude Foster, Mammie Day, Gladys Kaltwasser and Carrie Christian.

Center Royalty

Flo Lindsey (left) and Floyd Wall were crowned Farwell Convalescent Center's new king and queen last Friday following the annual Rock 'n Roll Jamboree. The royal couple spent the entire day rolling in their wheel chairs to raise money for the American Heart Association. Alvenia Cox, center, was cited by the Center staff for her many hours of volunteer time in the Rock 'n

Roll event. Although the Center had hoped to raise its goal of \$800, which was to be \$100 over the amount raised last year, the event netted only \$329.50, less than half the amount hoped for. Dr. J.R. Ivins, local member of the Parmer County Heart Association, advises that donations may still be made by calling the Farwell Clinic at 481-3336.

Farwell Kindergartners Imagine U.S. Presidency

February being the month of many US Presidents, Marcia Cole's kindergartners at Farwell have been studying about the presidency, patriotism and the American Flag.

In addition to learning a song called "You Can Grow Up To Be President," the children were asked to answer the question "What would you do if you could grow up to be president?"

Mrs. Cole reports that the answers were "Great!" and some very astute of kindergartners. Some were thoughtful and some were very funny.

Here is a sample of the children's responses:

"Get towns to tell me if they have problems and could I help."

"I don't want to be President."

"Help people."

"Play golf."

"Put bad people in jail."

"Just be good to everybody."

"Exercise a lot."

"Give people what they need to help them."

"Share my food with the hostages."

"The yellow ribbons everywhere."

"Play baseball."

"Write a speech to have ready when I go to the house where I please."

"Beat up the people who put the hostages in jail."

"Put my hand on the Bible."

"Make a law that you couldn't own a slave."

"Nothing!"

"Thank all the people for letting me be President."

"I'd tell the people things."

"I'd tell everybody I was President."

"Talk!"

"Raise my hand and say I will be a good President."

"Ask a lot of questions."

"Help the people."

"I would be on T.V."

"Buy a car."

"Presidents tell people about the states."

"I wouldn't like to be President."

"Fly around in my jet."

"Tell everybody everything."

Officers Named For Companion Class

Companion Sunday School Class of Texico First Baptist Church met for their regular monthly meeting on February 5.

The meeting opened with a devotion given by Corine Green based on Matthew 22:36-39.

The business meeting began with some officer changes. New officers for the class are Corine Green, president; Barbara Broxon, vice-president; Kathy Leatherwood, treasurer; Terri Gleaton, secretary; and Cynthia Spence, assistant secretary.

It was decided to begin having a summary of the meetings printed in the local newspaper so all members can stay current with class business.

Since there are no current projects the class will concentrate on visiting inactive members. Visitation is slated for Thursday evenings at 7 p.m. MST, the church's regular visitation time.

Also discussed were ways to cut down on class expenses, such as using homemade meals, knickknacks, or home

grown plants as gifts.

Names were exchanged for secret pals who are to be remembered on birthdays and anniversaries.

Future meetings will include the Baptist Young Women, and there is no meeting set for March.

Beginning in April, the class will get together on the first Tuesday of each month at 6:30 p.m. MST.

For further information on the class, phone Terri Gleaton at 481-9252.

Texico Baptist Women Have Two Meetings

The Baptist Women of First Baptist Church of Texico have gathered for two meetings recently, their regular Royal Service program and their regular Bible study.

The Royal Service program was presided over by Mary Dell Brown, in the absence of Mora Schlueter.

The meeting opened with Lois Hudnall playing "More Love To Thee, O Christ," on the piano. She then read the names of missionaries having birthdays on that day. Margaret Horne led the group in prayer.

Topics of the program were "What's In A Name," with "Cooperative Ministries With National Baptists," "Interracial Ministries," and "Black Southern Baptists," read by Margaret Horne, Helen Bowers, Velma Kelley and Bobbie Gilliam.

Mary Dell Brown gave the closing remarks and Shirley Miller dismissed the meeting with prayer.

The Bible study session

opened with Lois Hudnall playing on the piano, "Faith Is The Victory," then reading a scripture taken from Hebrews 4:12-16.

Names of missionaries having birthdays were told and Margaret Horne led in prayer. Pastor Joel Horne brought the lesson on "Gifts Of The Spirit," using scripture from First Corinthians.

Members attending the meetings included Mesdames S.G. Jones, Shirley Miller, Margaret Horne, Lois Hudnall, Helen Bowers, Velma Kelley, Mary Dell Brown and Gracie Dane; and Brother Horne.

Marriage Licenses

Three marriage licenses were issued from the office of Bonnie Warren, Parmer County Clerk, this week.

They were issued to Larry Eugene Haney and Maggie Sue Mares; Joe Wesley Cunningham and Daphne Lynn Williams; and Joe Mark Millroy and Vicki D'Aun Snodgrass.

IT'S TIME TO BUNDLE UP

Winter is here and time to bundle up to be warmer and more efficient with the energy you use.

Here are some tips that will help you wrap up your home to use energy more efficiently.

- * Add an extra blanket of insulation in the attic.
- * Secure ductwork joints with screws and wrap with tape to stop air loss.
- * Feel warmer by installing storm doors and windows.

- * Change the heating unit air filter when dirty.
- * Caulk and weatherstrip air leaks and infiltration around all doors and windows.
- * That about wraps it up for the basics. It's good to know there are some things you can do and depend on to be more comfortable this winter.

Steerettes Face Springlake Again

Farwell's varsity Steerettes lived up to the expectations of their coach this season and will now enter the district tournament. "I knew we had the potential to go this far," remarked first year coach Vester Joiner prior to his team's entering district playoff competition. "The girls had a good attitude all season and really worked hard," he added. "They were eager to get after it." The Steerettes are rated number four in the district.

Joiner's varsity girls boast a season record of 14 and 10, something he explains is a new record for him. "This is the first time a team of mine has ever won 14 games in my first season with them." The Steerette roundballers have a district tally of 5-5.

"The girls really came around during district games," the coach said. "Springlake is the only team to beat us twice and Vega is the only team we beat twice. We split all other competitions," recalls the coach.

It is ironic that Springlake-Earth was the team's only double season loss, as the Farwell girls were to meet the number one-rated Lady Wolverines Thursday night in opening district tournament competition at Hereford.

"Our season field goal average is 35 percent and we have yet to shoot that against Springlake," Joiner explained prior to the game. "If we shoot our average I think we'll win. I just hope we don't get the jitters."

Joiner said his game plan is to run a new defense on the Springlake Wolverines, "and try and stop their outside shooting. We'll also pull some new offense. Our goal is to do new things and surprise them," he said, "but it all depends on how we shoot from the floor."

The Steerettes, with four returning lettermen, entered two tournaments this season, placing third in the Anton tournament winning two of three matches; and bringing home the first place trophy from Lazbuddie after winning

three consecutive tournament games. For the season, the girls totaled 1130 points in 24 games, averaging 47 points per game.

A total of 1287 field goal buckets were attempted, and 439 connected, for an average of 34 percent.

In free throws, the girls shot an impressive 53 percent, hooking 252 out of 475.

The season's leading scorer was Janene Berry with 338 points for the season. Berry averaged 14 points per game, shooting a 36 percent average. Berry is followed by three

other triple digit scorers. Ginger Ellison poured in 186 total points; Sharmy Christian, 168; and Karen Magness, 121.

Senior Robin Vinton cashed in with 89 total points; Donna Meeks and Jennifer Williams had 47 each; Sandra Coates, 46; Kay Geuther, 45; Lari Curtis, 31; and Judith Schilling, 12.

Berry totaled in with 88 free throws; Ellison, 52; Vinton, 29; Christian, 26; and Coates, 14.

Also pumping in free throws were Magness and Williams, 11 each; Geuther and Curtis, 7 each; Meeks, 5; and Schilling, 2.

Steers End Season With Loss To S-E

Farwell varsity Steers closed out their season with a loss to Springlake-Earth last Friday night, 53-47.

"The boys played real well during this game," remarked coach Mike Martin. "A cold third quarter really hurt us, but the boys came back with determination," he said.

The two ball clubs played a tight first half, being tied 12 points at the end of the first quarter and Farwell being only one point behind at the half, 28-27.

Springlake came out in full force in the third period pouring in 15 points compared to Farwell's 5. The Steers came on strong in the final period pumping in 15 points to boost their score, but it wasn't enough to take the game and

visiting Springlake won with a 6 point lead.

High scorer was Richard Carpenter with 14 points; followed by David Daniel with 12; Alan Eubank, 7; Boyd White and Waverly Coates, 5 each; and Dwayne Winter, 4.

Carpenter pulled down 10 rebounds, followed by Coates with 9; Winter, 6; Eubank, 4, and Daniel and White, 3 each.

Coach Martin expressed pride in his team for their season efforts. "I'm very proud of the boys for the way they have tried all year," he said. "We improved and I feel our underclassmen will benefit from this season next year."

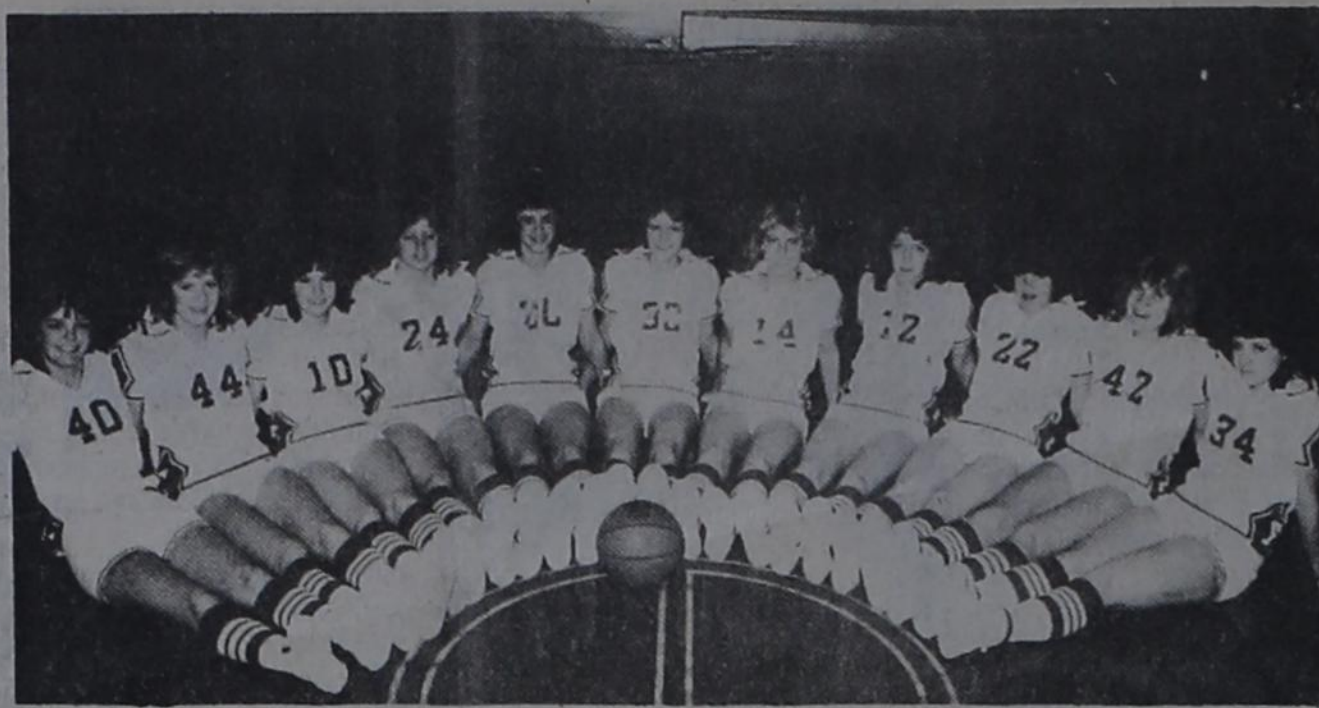

The varsity coach also expressed appreciation to his team's seniors "for the effort they have put forth this season."

Little Dribbler Meeting Scheduled

Interested parents of children wishing to play in the "Little Dribblers" basketball program at Farwell should attend the league's organizational meeting Monday, Feb. 23, at 7 p.m. CST in the Farwell gymnasium, according to Vester Joiner, league coach. Joiner explained that the

youth basketball league is for third, fourth, fifth and sixth grade students. "The third and fourth grade will be the minor league, and the fifth and sixth grade is the major league," he explained.

Mike Martin is also a coach in the basketball league.

1980-81 Steerettes

The 1980-81 Steerettes are district-tournament bound after ending the round robin action in number four position behind Springlake, Bovina and Kress. The Blue and White finished district action with a

5-5 record and a trip to the district tournament to face number one rated Springlake-Earth Thursday night at 7. Composing this year's team are, from left, Janene Berry, Sharmy Christian, Robin Vin-

ton, Ginger Ellison, Kay Geuther, Karen Magness, Judith Schilling, Lari Curtis, Sandra Coates, Jennifer Williams and Donna Meeks. The Steerettes are coached by Vester Joiner.

We're Number One!

Boasting an undefeated district record of 8-0, Farwell's junior varsity Steerettes, under the coaching supervision of Bill Phillips, emerged from this past basketball season as the district's number one team. The Blue and White JV girls

had a season record of 16-5. Members of the winning squad are, from left, back row, Tonya Meeks, Tammy Obenshain, Sandy Coates, Kelly Davis, Elaine Vaughn, Suzahn Inman, Sheran Smallwood, Sandra White, Darrisa Ford,

Norine Jones, Lezlie Castleberry and manager Tammy Little. Kneeling are coach Phillips, Shana Blain, Jane Ward, Geretta Hutchins, Shelly Ford, Vickie Herd, and Sharon Kalbas.

Steerettes Fall To S-E

Farwell's varsity Steerettes took full charge in the beginning of their roundball clash with Springlake-Earth last Friday night, but the local girls lost their momentum following the halftime break, and consequently lost the game, 61-55.

"We did not make one field goal in the third quarter," commented coach Vester Joiner following his team's second loss to the visiting Springlake team. "We had 13 attempts at the basket but just couldn't hit a one."

For the first half the two squads played a nip and tuck game, with Farwell managing to lead at the end of the first two quarters by a slim one point margin.

But in the second half the Steerettes came out cold and never seemed to get it together. Springlake took the third quarter 47-36 and then the

game by six points. Farwell hit only 15 baskets out of 62 attempts from the field, giving them a 24 percent average in field goals.

Taking high scoring honors were Ginger Ellison with 15; Karen Magness, 13; and Janene Berry, 12.

Also adding points in the losing effort were Sandra Coates and Sharmy Christian, 4 each; Robin Vinton, Kay Geuther and Donna Meeks, 2 each, and Lari Curtis, 1.

Following their win over the Blue and White, Springlake emerged as the number one team in the district, and Farwell is rated fourth.

The two clubs were scheduled to meet once again as district action got underway Thursday at LaPlata Junior High gym in Hereford. The match-up between the Steerettes and Springlake was set for 7 p.m. Thursday night.

Two In The Bucket

Karen Magness [32] shoots two points into the Farwell nets during Friday's roundball clash against Springlake-Earth. Farwell lost the game to the visiting Wolverines 61-55, their second loss to Springlake this season. Magness pumped in 13 points during the losing

effort. Standing ready to assist is Sharmy Christian [44]. The Steerettes were to meet Springlake-Earth again Thursday during playoff competition for the district title. The district tournament is being played at LaPlata Junior High in Hereford.

Farwell Jr. Varsity Basketball Results

A win over Springlake-Earth's Wolverines Friday night gave Farwell's JV Steerettes an undefeated district record of 8-0 and the district championship title. Farwell won the game 35-32 on the Farwell courts, giving the charges of Coach Bill Phillips a season record of 16-5.

Farwell was a bit sluggish in the first and second periods, falling behind 13-8 at the quarter and 20-16 at the half. However, the girls had a "super comeback in the fourth quarter," according to coach Phillips, and took the game with a 3-point edge.

It was during the final period that the Blue and White managed to pour in 13 points to win their final game of the season.

Leading scorer was Kelly Davis with 11 points. She was cited by her coach for "playing really well," during the game. Also adding points were Suzahn Inman, 7; Lezlie Castleberry, 5; Sharon Kalbas and Norine Jones, 4 each; and Elaine Vaughn and Jane Ward, 2 each.

Farwell's Brent Green sank a 20-foot jump shot at the sound of the final buzzer to win the roundball clash between the JV Steers and Springlake-Earth 62-60 last Friday night.

The game was a highly competitive one as the teams were tied at the half with 30 points each and tied at the end

of the third period with 43 points each. As the clock ticked away the final seconds of the game, once again the teams were tied 60-60. Ball handling was fierce for both squads, but before the buzzer ended the game, Green grabbed and sunk the ball, ending the possibility of overtime play.

"This was a great way to end our season," commented coach Ted Phillips, "and I'm equally proud of the hustle the kids showed all year."

Taking high scoring honors for the Blue and White was Claud Gobble with 29 points.

Farwell Jr. High Basketball Results

Farwell's 7th grade girls played "their best game of the year" Monday night, according to their coach Bill Phillips, even though they lost the clash to the Springlake-Earth Wolverines 25-5.

The Farwell team trailed 6-3 at the end of the first quarter and were held scoreless in the second period to trail 10-3 at halftime.

The girls were able to net 2 points in the third quarter but were once again held scoreless in the final period.

Scoring were Sherilyn Thigpen and Cheryl Stanton, 2 each, and Jeanette Chavers, 1.

The 8th grade girls were also defeated by the Springlake-Earth team, losing 13-11, placing them with a season record of 6-10.

The young Steerettes fell behind in the first quarter 8-4 and were never ahead during the entire game.

Sheila Smith had 6 points and Cynthia Ancira poured in 5.

The 7th grade boys lost a heartbreaker to Springlake's Wolverines, being defeated 28-26. The boys were in the lead for most of the game, but according to their coach Royce

Baker, "They did not play well in the fourth quarter," and lost the game.

The boys' season record is 7-3 and they finished second in the district.

Farwell jumped to an early lead over the Wolverines, leading in the first quarter 6-4. The teams were tied 12 points each at the half. The young Blue and White hooped for 10 points in the third period to lead 22-19, but poor playing in the final quarter sent the boys to a two-point defeat.

Scoring for Farwell were Kevin Owen, 8; Eric Williams and Jesse Anzaldua, 5 each; Carlos Nicolas, 4; and Steven Jaime and Sean Knowlton, 2 each.

Following their 39-30 win over Springlake-Earth's 8th grade team, Farwell's boys tied for third place in the district.

Farwell's 8th graders took a slim one point lead in the first quarter, 11-10, stretching that to 18-13 at the half.

Another 12 points in the third quarter sent them ahead 30-17. The Blue and White pumped in 9 points in the final quarter to secure the victory.

"We played very well," said coach Royce Baker. "We have

won five of our last six games and finished the season 7-8."

Roger Robertson was high scorer for the junior high boys with 17 points. Also adding points were Todd Davis, 7; Steven Stancell and Brian White, 4 each; Ricky Sikes, 3; and Mike Sanchez and Sammy Sanchez, 2 each.

For the season, Roger Robertson emerged as his team's top point getter, obtaining more than half of the squad's 415 total points. Robertson poured in 245 total season points, and hit the boards for 115 rebounds.

Also adding points to the Farwell effort were Steven Stancell, 51; Todd Davis, 37; Brian White, 29; Sammy Sanchez, 18; Mike Sanchez, 9; Ricky Sikes and Mark Cole, 8 each; Ray Galvan, 6; and Sergio Arce, 4.

N-SERVE

HOW IT WORKS

N-SERVE blocks bacterial action that would quickly convert ammonium fertilizer to nitrates. Nitrates are subject to rapid loss through leaching and denitrification. This blocking action keeps nitrogen in the soil longer so that it becomes available slowly as it's needed. This reduces the crop stress that would occur from temporary nutrient shortages if you had to rely on side-dressings to maintain a steady nitrogen supply.

Texico Boys Lose Two, Win Two

In their past four roundball games, Texico's varsity Wolverine boys won two and lost two, giving them a season record of 6-12 and a district record of 4-6.

The Wolverines traveled to Elida on February 6 and to Tatum on February 7, returning home defeated both times. Elida's game went back and forth for both squads after the two were tied at the end of the first quarter at 8 all. Texico trailed by one point at the half and led by one point at the end of the third period. The clubs sent each other up and down the court in the final period and scoring remained close, but Elida emerged the winner, 45-43.

High scorer during the Elida match was Tony Tubbs with 18 points. Kent Harding pumped in 9; Gary Mitchell, 6; Ty Rains, 4; and Todd Gerics, Craig Horne and Brad Stewart, 2 each.

Tubbs led with 18 rebounds. Next the Green and White journeyed to Tatum, losing 85-54. Texico trailed at the end of all four quarters, never managing to gain the momen-

tum needed to take the victory. Tubbs led in scoring with 14 points, Mitchell had 13 and Horne had 12. Also scoring were Gerics, 4; Ty Rains, Kent Harding, and Brad Stewart, 3 each; and Earl Bibbs, 2.

For their game with Dora last Friday night and one with Melrose last Saturday night, the Wolverines proved that when they are all healthy and suited up, they can win.

The Green and White pulled off two victories last weekend, one for a Parent's Night crowd at the Texico gym, and one for Homecoming crowds, also on the Wolverine courts.

Texico played host to Dora Friday night and emerged winner with a one point margin, 48-47.

The teams were tied at the end of the first quarter 11 points each, but Dora pushed ahead in the second period to take the halftime lead 25-19.

Texico burned the nets for 16 points in the third quarter but still were behind 36-35 at the end of that period. An all-out effort in the final period poured in 13 points for the Green and White, giving them

the game in a one-point squeaker.

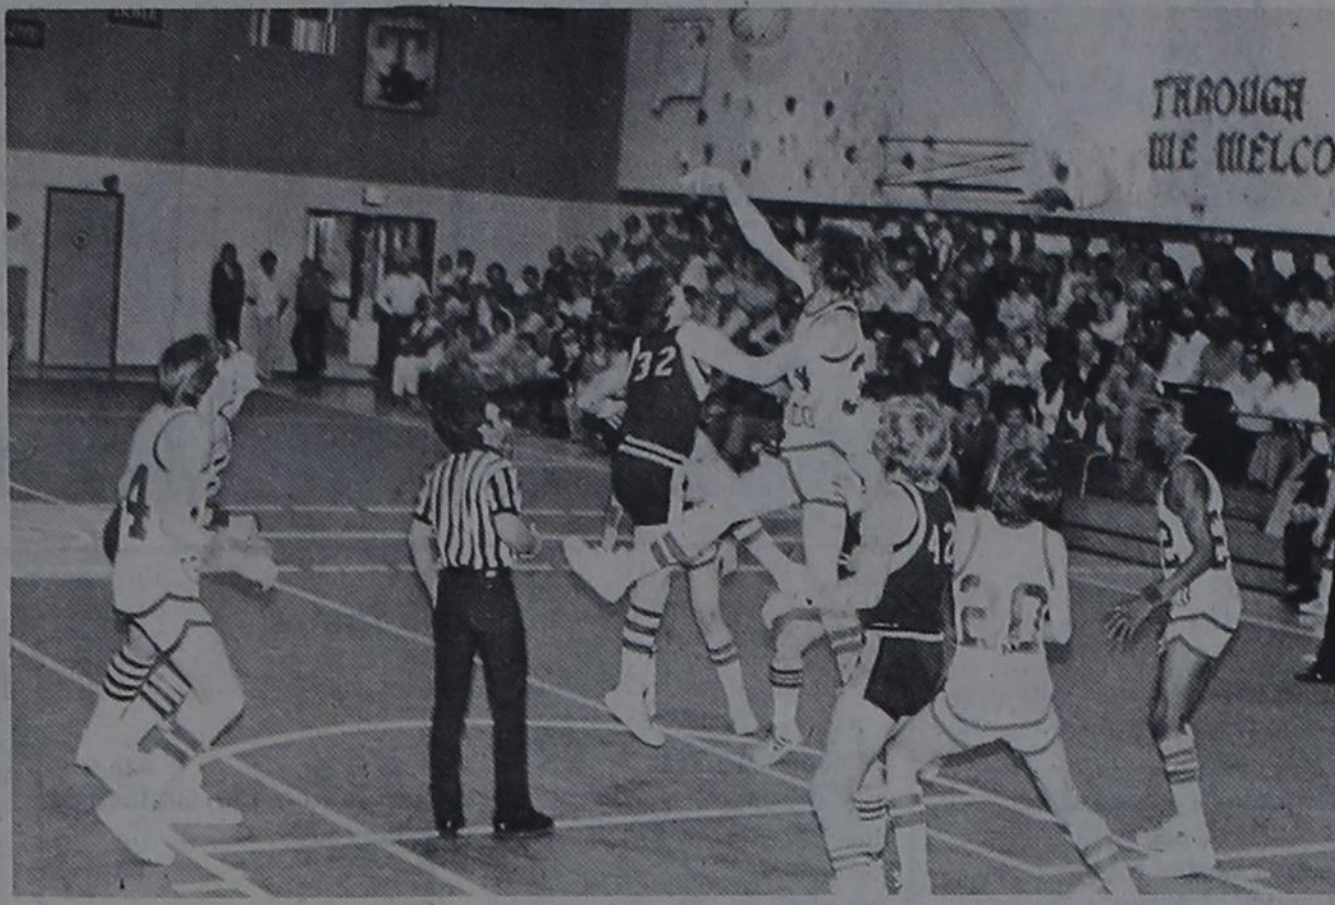

Mitchell took high scoring honors with 17 points; Jeff Dunsworth had 12; Tony Tubbs, 8; Jeff Day, 7; and Gerics and Harding, 2 each.

Their second victory came the following night against Melrose, and it was another squeaker, Texico winning 74-71.

Melrose took an early lead at the end of the first quarter, 20-14. Texico trailed at the half, 38-36.

Both squads hit the buckets for big points in the third period, and Texico took the lead, 58-54. Equal points were made by both clubs, as each added 17 points to their tallies, however, Texico emerged the winner by the 3-point margin.

Tony Tubbs led his team in scoring with 21 points, Mitchell and Day had 14 each; Dunsworth, 11; Harding, 8; and Gerics, 6.

Wolverine Girls Win; Now 10-0 In District

Texico's Lady Wolverines had another two-win weekend February 13 and 14, pushing their district tally to 10-0 and giving them the distinction of being the number one rated team in their district.

Their win over Dora Friday night was a slim one as the Green and White girls were cold in their shots from the field. "We played pretty well even though we didn't shoot well," commented coach Roy King. "Everytime we play Dora they give us outside shots and we just can't hit them," he added. The girls connected with only 4 out of 21 shots from the outside.

"Dora's whole game plan was to stop Ruth Scott, and they did," he said, "however, Lisa Coffey picked up the slack for Ruth and did us a super job."

King commented that it is his team's "super defense" that keeps the girls on the winning side of the score. "Our defense keeps us in the game when we're not shooting well," he said.

Texico trailed 8-6 at the end of the first quarter and 16-13 at the half. The Green and White managed to pull into a slim one point lead at the end of the third quarter play, 25-24, and won the game by a 4 point edge, 36-32.

High scorer was Lisa Coffey with 13 points. Tracy Dobbs had 9; Carletta Fitz, 7; Ruth Scott, 3; and Schree Rucker and Becky McDonald, 2 each.

In rebounds, Scott grabbed 12 and Coffey had 10; Rucker and Fitz, 4 each; Dobbs, 2; and McDonald had 1.

The girls averaged 31 percent in free throws.

The Lady Wolverines handed

Melrose a 55-42 defeat Saturday night, one of the highlights of Texico's homecoming.

According to coach King, Ruth Scott came away from her poor shooting game of the night before, "to play a super game against Melrose. She shot better than she has all year hitting 11 out of 14 shots," he said.

King also cited Tracy Dobbs for her outstanding performance during the Melrose clash. "I thought she played exceptionally well. I feel Tracy is one of the best point guards in the State," the coach reflected.

Despite his team's 20th win of the season, the coach still feels his girls are having trouble shooting from the outside. "We're still having trouble with 15-20-foot shots," he pointed out. "We connected with only 5 out of 33 from that range Saturday night," he added.

The Green and White took a 4 point lead at the end of the first quarter and led at the half 25-20.

The girls hit the cords for 16 points in the third period, while allowing only 9 from Melrose. Scoring became even for both squads during the final period, but Texico came out the winner by 13 points.

Scott took high scoring honors with 25 points; Coffey poured in 11; Dobbs, 9; Rucker 6; and Jill Jesko and Fitz, 2 each.

Texico averaged 35.5 percent from the field and 70 percent at the free throw line.

The Lady Wolverines now enter district play, seeded number one. The girls will play in the finals only, tonight (Friday) at 7 p.m. at the Texico gym.

"The heart has its reasons which reason knows nothing of." Blaise Pascal

Girls Host District Finals

Semi-final and final district playoff action for varsity basketball girls was to begin Thursday in the Texico gymnasium at 7 p.m. MST.

Winners from district playoff games to have taken place Tuesday night in Melrose and Wednesday night in Dora were to meet under the Texico nets in the semi-final round Thursday night to see which team would tackle the Number One seeded team in the district, Texico's Lady Wolverines.

The trophy round is set to begin tonight (Friday) at 7 p.m. on the Wolverine courts. Winner of the final district playoff game will then advance to regional playoff action and finally on to state competition.

Coach Roy King expressed concern over tonight's district finals, saying his girls have had "too many close games" this season for him to feel completely confident.

The coach explained that since his team is seeded number one in the district they are not required to play in any of the playoff action except the finals.

by Texico Journalism Students

Saturday the Texico 7th and 8th grade boys traveled to Portales to take on the Lambs. The Green and White came away with one win and one loss.

In the 7th grade game the Wolverines fell behind 26-16 at halftime and went on to lose by a score of 50-28.

Joe Loera was high scorer for the Wolverines with 12 points. John Thomas added 6 and Stanley Cross had 5.

Mark Meeks and Jody McDonald rounded out Texico scoring with 3 and 2 points respectively.

In the 8th grade contest the Wolverines jumped out to a 6-2 first quarter lead and went on to win by a score of 31-10.

Danny Powell led the Wolverines in scoring with 15 points. Bill Bibbs had 10, and Rusty McCormick, Buck Gaddis, and Buddy Adkins had 2 each.

Last Monday, Tuesday and Wednesday the Texico 8th grade boys participated in the Floyd tournament.

After advancing through the first two games the Wolverines narrowly won their final game to win the first place trophy.

In their first game the Wolverines took on San Jon. Texico jumped out to an 18-11 halftime lead and although they were outscored 12-6 in the second half the Wolverines held on for a 24-23 win.

Billy Bibbs led the Texico scoring attack with 16 points.

In their next game the 8th graders played Yucca. The Green and White scored 8 points in the first quarter while holding Yucca scoreless.

The game was never close and Texico went on to win by a 36-15 score.

Billy Bibbs paced the Wolverines in scoring with 22 points. Other scorers for the Green and White were Buck Gaddis, 10; Danny Powell, 3; and Buddy Adkins, 1.

In the championship game, Texico took on the host team Floyd.

The teams were even at halftime with 14 points each, and the Wolverines trailed by two points as the third quarter ended.

As the final buzzer sounded,

Ronnie Galvan sank a free throw and sent the game into overtime with a score of 22-22.

The Wolverines outscored Floyd 6-2 in the overtime period and won the championship game by a score of 28-24.

Billy Bibbs again led the scoring for Texico with 18 points. Rusty McCormick had 7 points; Danny Powell added 2; and Ronnie Galvan had 1.

Texico Jr. High girls hosted Portales February 14, defeating the Lambs 9-6 in the 7th grade game, with the 8th and 9th losing 19-21.

It was a slow scoring first half in the 7th grade game with Lucia Jesko scoring the only point making the half time score 1-0.

Coming out of the locker room Texico held onto the lead, scoring 6 while Portales only scored 1. In the fourth quarter Portales outscored the Wolverines 5-2.

Despite Portales' efforts, Texico came out on top with the final score 9-6.

Scorers for Texico included Helen Jo Boardman, 6; Kelly Lynn, 2; Lucia Jesko, 1.

In the 8th and 9th girls game, Texico managed to put 4 points on the board in each quarter, and lost the game in an overtime period.

Portales scored only 2 points in the first quarter, 8 points in the second period, none in the 3rd quarter, and 6 in the 4th period to tie the game.

In overtime, Portales outscored the Wolverines 5-3 to win the game, 21-19.

Scoring for Texico were Cheryl Scott, 6; Valda Cavallero, 7; Chary Jesko, 4; and Elayne Horner, 2.

Texico Jr. Varsity Basketball Results

The boys played host to Dora on Friday night and Melrose on Saturday night, treating homecoming fans to two JV victories.

Texico had complete control during the game with Dora, defeating them 47-21. While the local squad managed to make 12 points during the first quarter of play, Dora was held to only 2. Scoring was even for the two clubs in the second period, but Texico still led 21-11 at the half.

The Wolverines hit the cords for 14 points during the third quarter, while again allowing only a meager 2 points from Dora. Another 12 points in the final period secured the victory for Texico with a 26 point lead.

Doyle Duncan led his team in points, cashing in with 10. Also adding points were Paul Salguero, 7; Joe Steward and Mike Arnold, 6 each; Earl Bibbs and Willie Bibbs, 4 each; and Danny Reid, Lynn Tubbs, and Tobin Tate, 2 each.

Getting rebounds were Salguero, L. Tubbs, and Opie Kelly, 8 each; E. Bibbs and Mike Arnold, 6 each; W. Bibbs and Tommy Boardman, 3 each; Duncan, Ronnie Dunsworth, and Terry Tubbs, 2 each; and Reid, Lloyd Williams, Kevin West, Dennis Chavez, Steward and Scott Elliott, 1 each.

The JV Wolverines put forth "100 percent" according to

their coach Scott Parker to come from behind a 16-point Melrose lead at the half to win the game 55-54.

"I told the kids during halftime that if they put forth 100 percent during the last half of the game, there was no way we could lose. They did it and we won," he said. "I think they now realize that if you give 100 percent you'll win and they had a super team effort," he added.

Parker pointed out that because of his team's all-out effort, no one player really outshined the other. "They all added points and grabbed rebounds," he said.

Texico trailed 10-4 at the end of the first quarter and then again 31-15 at the half. Their team effort came through in the third quarter and Texico boosted their tally to trail by only 4 points at the end of the third period, 38-34.

Scoring was close for both clubs in the final quarter and Texico poured in their winning points during the last two seconds of play to win the game by one point.

Scoring for the Green and White were Earl Bibbs, 13; Danny Reid, 11; Paul Salguero and Lynn Tubbs, 8 each; Dennis Chavez, 5; Willie Bibbs and Lloyd Williams, 4 each; Doyle Duncan, 2.

For the season, Texico has averaged 54 points per game, compared to 36 for their opponents. In their 12 season games, the junior Green and White attempted 74 field goals, connecting with 26, for a 36 percent average.

The boys shot 231 times from the free throw line, making 109 of those, for a 46 percent average.

Earl Bibbs led his team in points, pouring in 104 for the season, out of 10 games played. Other leading scorers were Lloyd Williams, 70 points; Doyle Duncan, 68; Kevin West, 60, (out of 7 games); Danny Reid, 52 and Lynn Tubbs, 44.

In ending out his season, coach Parker had high praise for his junior varsity boys. "I wouldn't trade these kids for anything," he said. "They do everything you ask of them and more. They practice during the morning and then come back on their own time in the afternoon and practice. They're a great bunch of kids," the coach added. "I was very pleased with the overall season."

Texico's JV girls managed to hold Dora scoreless in the first quarter of play, and kept

control of the entire game to beat the visiting roundballers, 29-20, on the Wolverine courts.

Scoring was slim for both teams in the first half, Texico leading 4-0 at the end of the first period and 8-4 at the half.

Both squads hit the nets for double digit points in the third quarter, but Texico kept their lead, 21-15. Another 8 points in the final period clinched the match for the Green and White.

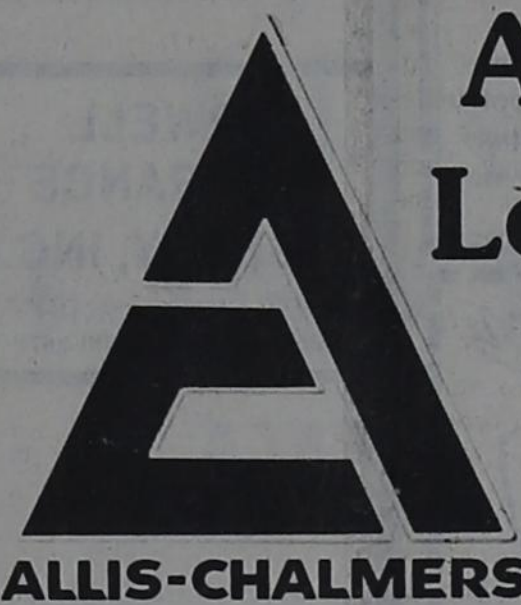

"Our free throws hurt us," said coach Roy King. "We attempted nine and connected with only one."

The coach pointed out that

even though his team boasts a winning record of 9-1, this victory was extra sweet as Dora is the only team to have beaten his JV girls. "This was our revenge game," he said.

Leading scorer for the young lady Wolverines was Pam Hoyl with 9 points. Lisa Crooks had 8; Jill Jesko and Sharlet Taylor, 4 each; and Valda Cavallero and Cheryl Scott, 2 each.

In rebound action, Hoyl pulled down 11; Taylor, 10; Jesko, 3; Cavallero and Terri Fenn, 2 each; and Crooks, Karen Snodgrass, Scott and Dana Morris, 1 each.

TWO MINUTES WITH THE BIBLE
 BY CORNELIUS R. STAM PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635
THE SPIRIT OF TRUTH
 "Howbeit when He, the Spirit of truth is come, He will guide you into all truth" (John 16:13).
 How blessed to know that the Author of the blessed Book which has changed so many hearts and lives and homes, is "the Spirit of truth."
 The Spirit did not, of course, reveal all truth at one time. "The law was given by Moses"; later the prophecies were penned by men of God as they were "moved by the Holy Spirit" and still later our Lord uttered truth "kept secret since the world began."
 But even our blessed Lord, while on earth, did not lead His followers into all the truth which God would have His people know. "I have yet many things to say unto you," He said, "but ye cannot bear them now. Howbeit, when He, the Spirit of truth, is come, He will guide you into all truth" (John 16:12,13).
 But when the Spirit came at Pentecost, did He immediately lead the disciples into all truth? Not yet. They still proclaimed the prophetic program, the message which our Lord had taught them and committed to them (Luke 24:45; Acts 1:2,3).
 It was not until some time later that the glorified Lord revealed "God's purpose and grace" to and through the Apostle Paul, and the Spirit in turn caused others to understand it (Gal. 2:2,7,9; Eph. 3:1-5; 11 Tim. 1:9).
 The glorious message revealed to Paul is the capstone of divine revelation, thus he says that it was given to him to "fulfill (complete) the Word of God" (Colossians 1:25).
 St. Paul wrote more books of the Bible than any other writer and in them we have the fullness of divine truth as God would now have us know and understand it!

Twin Cities Observe Annual Freedom Week

The basic principles of freedom will be emphasized during the week of February 22-28, according to Jim Claiborne,

Freedom program chairman for the Clovis Sertoma Clubs, as Sertoma International will be observing Sertoma's Annual

Freedom Week. Both Twin Cities' mayors, Walter Kaltwasser of Farwell and John R. Hadley of Texico, signed proclamations designating the last week of February "Freedom Week" in their towns.

Local Sertoma members will join hundreds of other Sertoma clubs throughout the United States, Canada, Mexico and Puerto Rico in this annual freedom celebration "that has brought praise from school, church and public officials everywhere," Claiborne said.

Both Farwell and Texico schools will be taking part in the celebration as each fifth grade student in the Twin Cities school systems will receive a copy of the Declaration of Independence at special ceremonies held at the school.

The presentations are to be made at assemblies throughout the week of February 22-28, while thousands of other Sertomans hand out similar documents to children in other schools across the nation.

"Millions of freedom presentations have been made, both to students and to newly naturalized citizens, since the program began in the early 1950's," Claiborne said.

Clovis Sertoma presidents Joe Roark and Ralph Ulibarri pointed out that this program is intended to bring freedom nearer to the individual.

"We can't help but feel that a child's own copy of our greatest guarantee of freedom, the Declaration of Independence, will bring him nearer to the basic belief underlying our democratic way of life," Ulibarri said. "There are always huge framed copies of the Declaration of Independence hanging in public libraries and other public buildings, but we Sertomans feel that freedom isn't something you look at; it's something you take home with you and enjoy," he concluded.

Declares Freedom Week

February 22-28 has been declared Freedom Week in both Farwell and Texico by mayors John R. Hadley of Texico and Walter Kaltwasser of Farwell. Kaltwasser is shown here presenting a copy of the Farwell proclamation declaring the last week in February as Freedom Week to Clovis Sertoma Club president, Ralph Ulibarri. Children in the

Twin Cities' fifth grade classrooms will be presented a copy of America's Declaration of Independence by Sertoma Club members during special assemblies. "We can't help but feel that a child's own copy of the Declaration of Independence will bring him nearer to the basic belief underlying our democratic way of life," Ulibarri said.

Texico Team 2nd In '42' Tourney

The Texico team of the Curry County "42" League won second place in the 31st Annual "42" tournament held in Clovis, Monday night, Feb. 16. The local group placed second to Center Aucutt, whose members Clifford Wall and D.E. Wall were the tournament's high couple.

The tournament, held in the Youth Recreation Building in Clovis, consisted of 10 teams with 10 members each.

Teams entered in the tournament were Broadview, Center Jesko, Pleasant Hill, Clovis Lacy, Center Aucutt, Ranch-

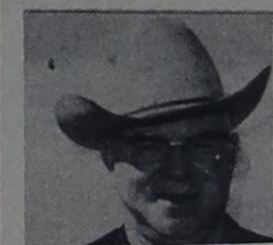

vale, Clovis Stinson, Clovis Patterson, Texico and Clovis Fleming. Farwell's Albert Smith is "42" league secretary and a member of the Clovis Patterson team.

All members of the Texico team received trophies for their tournament win. They include Johnnie Chappell, Martin Kube, T.J. Kittrell, Ray Dobbs, Joe Myers, Rick Ketcherside, Roy McDaniel, Earl McDaniel, Truman Kittrell and Bill Smith.

The Pleasant Hill team captured the season's first place

honors with a record of 8-1. Members of the team include Jerry Walker, Bill Bead, Herman Gerries, Burry Thatcher, Howard Whitener, Paul Barnes, Dewey Pierce and Gerald Whitener.
