

# THE STATE LINE TRIBUNE

"OFFICIAL PUBLICATION OF PARMER COUNTY"

SIX PAGES

FIFTY-SIXTH YEAR

10 CENTS

The American taxpayer has been sold out by another high level politically appointed officeholder. This time we refer to the chairman of the Federal Reserve Board, one William McChesney Martin. Heretofore, Chairman Martin has, in the opinion of this low level thinker, been one of the few rather consistent conservatives in a position of trust and influence in the country. Now, oh sad day, he too seems to have partaken of the poppy of public spending.

In round and rich terms, Chairman Martin pontificates that with our economy in its present position we need a tax boost to slow down inflation -- an income tax boost even bigger than the President had proposed. Our poor, thin, and well-picked pocketbook is already beset with a severe case of precocious paucity. I cannot envision it surviving an additional bout with a new "sur-tax" virus.

Friends, Romans, countrymen, assorted taxpayers, and federal bill footers, let me say again, as I have said in the past, and will probably have cause to say in the future -- there is but one source of inflation, FEDERAL DEFICIT SPENDING. There is but one permanent and direct cure, REDUCE FEDERAL DEFICIT SPENDING. Any other course is but a temporary palliative, a vote seeking politician's Red Herring. Until the supine American taxpayer rises up in sufficient numbers to vote the spendthrifts out of office, he will continue to be officially appointed the fall guy for other's mistakes.

It has come to the tender ears of this writer that the other, and more mature, men's civic organization in Texico-Farwell was somewhat displeased at the outcome of the last ball game between the two clubs. It is our understanding that this group wishes to again joust the local Lions on the field of softball combat. We are happy to see this aged group, arising like a Phoenix from the ashes of defeat, to again sally forth to do determined battle.

All this stuff and nonsense is to say that the local Rotarians and Lions are apt to again stage a ball game for the entertainment of the public. If you missed the first game, this is your chance to have an evening of rare fun and good fellowship. Watch this column for further information as to time and place.

P. S. Being fairminded, in most but not all respects, we will allow a correspondent of the Rotary Club to report, for public consumption, the outcome of the next Donnybrook.

FINAL CONTRACT SIGNED -- Dr. V. Scott Johnson, Clovis physician, signs the final contract making a tract of land (75 acres north of town) the property of Farwell Country Club, while W. D. Prince, chairman of the Country Club planning committee, holds a check for full payment ready to give to the doctor when the signing is completed. Looking on are the doctor's wife, Mrs. Lucille Johnson, and members of the planning committee, Bill Boling, FHA officer manager (from whom funds for the club were obtained), Elmer Hargrove, Hurshel Harding, R. W. Anderson and Gil Patschke.

July 1 --

## Construction Begins On Country Club

Construction is expected to get underway on the Farwell Country Club facilities late this week or early next week, according to W.D. (Bill) Prince, chairman of the planning committee.

Dr. and Mrs. V. Scott Johnson, from whom the land for the club was purchased, were in town Saturday to sign the final contract and receive payment for the land. The club will be located on a 75-acre tract of land one mile north of town.

Warren Cantrell of Lubbock is architect for the project and Cherry and Akins of Lubbock are building contractors. Ralph Douglas of Muleshoe has served as engineer for the project.

Vernon Ward of Chandler, Ariz., who will build the golf course, is expected to arrive in Farwell this week to begin work on the golf course. Bob Jones of Blue Lake Construction of Amarillo, who will construct the swimming pool, will begin work immediately after July 1 as will the construction crew on the club house.

Facilities at the club will include a nine-hole golf course, a swimming pool, (expected to be open early in August) and a

club house. Included in the club house, (3500 sq. ft.) will be locker rooms, recreation rooms, rest rooms, a pro shop and possible facilities for a caretaker to live.

The club house will be constructed of concrete block with a lava rock front. Land of Enchantment Landscape and Garden Center of Clovis will landscape the grounds.

A road will be erected from the highway (60) to the club site with adequate parking facilities also in the plans.

The club is being built at a cost of \$150,000. Funds for the project were obtained through the FHA whose local manager is Billy Boling. Boling has worked closely with members of the planning committee including W.D. Prince, R.W. Anderson, Elmer Hargrove, Hurshel Harding, Gil Patschke, Jack Williams, Fred Chandler, Billy Watts, Herb Potts, Don Gerles and Jack Wardlaw, on obtaining the necessary funds for the club project.

At the present time, the country club has a membership of 153 and Prince indicates that memberships are still available.

All facilities at the club are expected to be ready for use by early spring.

## Okla. Lane Community Sets July 4th Picnic

The annual July 4th picnic at the Oklahoma Lane Community will begin at the community center at 3 p.m. with a softball game scheduled between two of the Little League teams.

Following the opening game, a women's softball game will be played between the ladies from the north and south. Immediately following this game, men from the two areas will meet in a game of softball. In addition to the softball games, games of volleyball will also be played.

A picnic meal will be served at 8 p.m. All families attending the picnic are asked to bring a basket meal. Drinks will be furnished by the Community Association. In addition, ice cream and lemonade will be served throughout the afternoon.

Following the meal a short patriotic program will be presented followed by a brief business meeting.

All residents and former residents of the Oklahoma Lane Community are invited to attend the celebration.

## Second Patrolman Assigned To County

A second highway patrolman Wayne Pierce, has been assigned to the Parmer County area and is scheduled to begin his duties with that department on July 1.

Pierce was graduated from the highway patrolman school on June 23 and will be serving his first assignment in that capacity. However, he has served six years as a member of the Amarillo police department. He is 34 years of age and has been a resident of the Amarillo area for the past ten or more years.

The new patrolman will be filling a vacancy created when Carl Davis, former patrolman here, was reassigned to the San Antonio area last June.

Beginning shortly after the first of July, the county will have the services of two highway patrolmen who will be on duty 24 hours per day, seven days per week. Since the removal of Davis, the county has been without a patrolman on Robert Shedd's day off each week.

Pierce and his wife, Lynda, and their two children, a boy and a girl, have moved to Farwell and are making their home at 104 Manana. The family attends the First Baptist Church.

### NOTICE

Board of Equalization of the Farwell school will meet from 9 a.m. until 4 p.m. in the office of Supt. W.M. Roberts on July 10, 11 and 12. All persons having business with the board are invited to be present on one of the days.

## Music Director Hired

A band and music director, James Gain, has been hired for the Texico school, according to Supt. A.D. McDonald. The new music director comes to Texico from Melrose where he has taught for the past two years.

Gain is a graduate of both Tarleton State College and Howard Payne University. He has a B. A. degree in music and also has done extensive studying in the fields of English and science. He is attending Eastern New Mexico University this summer.

In addition to 16 years experience in teaching in public schools, Gain has spent a total of seven years as a civil service instructor with the Air Force. He began his teaching career in 1937. Gain and his wife plan to move to Texico before the beginning of school.

Supt. McDonald states that Texico school is still in need of three elementary teachers, fifth and sixth grades and one for the lower elementary grades.

An elementary principal, Jimmy Rogers, was recently hired.

## THE STARS AND STRIPES

THE STARS AND STRIPES Independence Day 1967-- Oh long may She wave o'er the land of the Free and the Home of the Brave." Let's each do our part to make it so!"

Reports Vary--

## Gentle Rains Fall Over Weekend

What has been one of the finest rains to fall on this area in years and certainly this year, fell steadily throughout Saturday night and Sunday bringing much needed rainfall to the area, and smiles to the faces of most farmers. One farmer stated "This will just about make the crops."

The rainfall varied in the area with State Line Grain, official reporter for the town, reporting three inches on Saturday and Sunday and an additional .9 on Friday afternoon. The Friday rain was accompanied by high winds and soft hail, which did little or no damage in most areas.

However the Friday rain, 1.35 which fell on the Chase Chisman farm one mile southeast of town, was accompanied by

hail which wiped out his cotton crop. Chisman reports a total of 5.35 inches for the period ending Sunday evening.

Mrs. Ted Magness six miles southeast of town, reports no rain on Friday but a total of 4.1 for the weekend.

In the area north of the Twin Cities, rain varied from 1.55 at the Elmer Langford farm (seven miles north) to almost four inches at the Willie Hester farm (seven miles northeast).

On the E.E. Routon farm in the Oklahoma Lane community reports were given of rain in the amount of .8 on Friday and an additional one and one half inches over the weekend.

Sherley - Anderson Elevator at Lariat reports a light shower on Friday with accompanying

light hail and a three-inch rainfall over the weekend.

On the John Hadley farm, five miles south of Texico, approximately 2.60 inches fell on Saturday and Sunday but only a light shower was reported on Friday. Wesley Engram in the same vicinity had approximately four inches of rain.

A report from Bovina indicates that the rainfall in that vicinity was in the amount of from two and one half inches to three inches in the surrounding area. Only a light shower fell in that area on Friday.

The rainfall over the weekend seemed to be quite general with Curry, Bailey, Deaf Smith and Castro counties and all of the surrounding area reporting rainfall in varying amounts.

## Funeral Services Held For H.D. Roberson

Funeral services were held Monday at First Baptist Church in Farwell for Herman D. Roberson, 63, who passed away Thursday, in a Wichita Falls hospital where he had been a patient for the past three months. J.L. Bass, pastor of the church, officiated at last rites. Burial was in the Inez, N.M. cemetery directed by Steed-Todd Funeral Home.

Mr. Roberson had been a resident of Texico-Farwell for the past 22 years and of the Portales - Clovis area for 50 years. He was owner and operator of a service station in Farwell until ill health forced his retirement.

Survivors include his widow, Dolly; three sons, H.D. Roberson Jr., Renton, Wash., Wallace of the US Navy, Jimmie of Clovis; two daughters, Mrs. Louise Wortham, Andrews, Tex., and Mrs. Nancy Newman of Farwell; also eight grandchildren, two great-grandchildren, and three brothers, J.L. of Belen, Morris of Roswell and Jack of Oklahoma City.

Nephews served as pallbearers.

Visitors in Texico-Farwell on Monday were Mr. and Mrs. Lynn Fletcher and Mrs. Glendall Fletcher from Littlefield, Mr. and Mrs. Lynn Fletcher are former Farwell residents.

Leldon Hensley, brother of Mrs. Ted Magness, was a visitor in the Magness home Wednesday and Thursday. He was enroute to his home in Odessa from a vacation in Minnesota.

## Youth Commission Opens Fireworks Stand

As has been the custom for the past several years, the Farwell Youth Commission is again sponsoring a fireworks stand in downtown Farwell, across the street from Rose Drug. The stand, operated entirely by volunteers, is open daily Monday through Friday, from 12 noon until 7.

Beginning Saturday and continuing through July 4th, the stand will be open each day all day, according to Joe Jones, a member of the Youth Commission.

All funds raised by sales of the fireworks is used in the Youth program for Twin Cities

youngsters. Playground equipment has been bought and installed in the Farwell park with funds raised in this manner; backstops have also been placed in the park in order that children may play softball in the area.

In addition, equipment for the summer softball program has been bought with funds raised in this manner.

Area citizens are invited to shop for fireworks for their July 4th celebration or picnic at the downtown Farwell youth Commission Stand. A variety of fireworks may be found at the stand.

FIREWORKS FOR ALL -- Kent Armstrong and Jackie Hitson, Texico boys, purchase a part of their July 4th fireworks from Bart Frazier, volunteer worker at the Youth Commission fireworks stand in downtown Farwell (across street from Rose Drug).

## Offices Remain Closed Monday, Tuesday

All offices in the Parmer County courthouse will be closed on Monday and again on Tuesday, states County Judge Loyde Brewer, who says the long weekend was approved by the Parmer County Commissioners at their Monday meeting. The long weekend will allow county officials and employees to get away for a short vacation or catch up on work long overdue at home. The offices will be open on Saturday and will resume their regular routine of

office hours on Wednesday morning.

In addition, the commissioners accepted the .6 mile highway loop connecting highway 60 and 84 (by Gifford Hill Western), at their Monday meeting. The loop will be hard surfaced by the state as soon as possible, states Brewer, adding "I hope in the near future."

All other matters discussed by the county body were routine.

STILL A GOOD FRAME -- About all that is left of this vehicle, belonging to Mr. and Mrs. Delbert Martin of Lazbuddie, following a fire on Monday is the frame. The motor, brakes, windshield, radio and other instruments were destroyed by the fire of unknown origin.

Have A Safe  
Holiday

**Editorial**

By Mike Getz

**Optimism Unfounded --**

The summit conference is over, Glassboro, New Jersey, has been glorified along with such locations as Yalta and Camp David. Hundreds of news commentators have talked in glowing terms of optimism about a new era in U. S. Soviet relations but the soldiers still fight and die in Vietnam.

The stand taken by Soviet Premier Alexei Kosygin at his news conference Sunday evening after his last series of talks with President Johnson was about as tough and inflexible as one could get. The U. S. "aggression" must still stop in Vietnam, Israel must still be condemned for her "aggression" against the Arab countries. President Johnson would get a warm welcome in the Soviet Union if "imperialist aggression" was halted and a strictly peaceful policy was followed by the United States government. One is forced to wonder just how fruitful these much ballyhooed high level conferences are.

The thing that never ceases to amaze me is the almost unbelievable optimism expressed by some of our more "intellectual" news commentators. The news broadcast usually goes something like this: "And now let's go to Eric for a few comments on Soviet Premier Kosygin's latest statement. Come in Eric."

"Hello Walter, I think perhaps one should take note of the fact that although Premier Kosygin did say that he hated the United States and that he wished we would go to the devil, he did not say that he hated us 'forever'; therefore I feel that this may be taken as a sign that the Soviet Union may be mellowing in its attitude toward the United States. Officials here in Washington also are optimistic over the fact that Kosygin used the term 'American Swine' only 17 times in his address instead of the usual 27

**On The Farm In Palmer County**

By RONNY MCNUTT  
County Agent

**WHEAT HARVEST REACHING COMPLETION**

Wheat harvest in the county should reach completion by around June 30. The larger portion of the wheat was harvested during the week June 19-24th. The average yields reported for this week is between 30-35 bushels per acre. A few yields of around 50 bushels have been reported, but very few.

**SORGHUM AND COTTON SITUATION**

Corn and milo are making good growth. Some farmers have reported sorghum show-

ing signs of water stress prior to the weekend rains.

I saw a few squares forming in one cotton field this past week, however, cotton is not making too much growth yet.

When a field starts squaring farmers should be on the look-out for fleahoppers and their damage. Fleahoppers damage the small, young squares but do not cause larger squares or bolls to shed. After plants have set more fruit than the cotton can mature under a given set of growing conditions, discontinue fleahopper control. It is recommended that treatment

times; therefore they express hope that the cold war may at last be thawing out. Now back to you Walter."

"Thank you Eric, and that's the way it is, Friday, June 30th, 1967."

The preceding may be a little exaggerated for the sake of effect, but the fact still remains that American officialdom seem to be living in some kind of a dream world. They refuse to face up to the fact that peace to the Soviet Union does not have the same meaning that it does to the United States. They will not realize that Russia has absolutely no intention of easing the cold war so long as she is reasonably successful in waging it. The administration refuses to turn the Arab disaster in the Middle East into a propaganda victory for the United States. We allow the Russians to save face by meekly agreeing to the United Nation's recommendations on the subject which usually amounts to a lot of incoherent double talk.

The hard fact remains, that until the Soviet Union is made to realize in a tangible manner that she cannot succeed in her plans, all the summit conferences in the world will do little good in bringing about a just and lasting peace.

begin when 15 to 35 hoppers are found per 100 terminals.

**HAY TESTS SUGGESTED**

There is one sure way to determine the quality of hay. Have it tested. Al Novosad, extension pasture specialist, says results from the A&M Forage Testing Service show a wide range of differences in quality and feed values of forages tested. A relatively new figure is being included in the analyses --not energy. Novosad says it is a more accurate indication of the worth of a forage than crude protein or total digestible nutrients.

**PASTURE AND FORAGE CROPS COURSE AT A&M**

The ever-increasing importance of pastures and forage crops to Texas agriculture will be emphasized during the annual short course. The short-course will be held July 6-7.

The condition of C.C. Christian who had surgery on Tuesday morning in Clovis Memorial Hospital is described "as satisfactory. He will remain hospitalized for several more days however."

**Fire Destroys Motor**

The Farwell fire department was called to the area near PK Jr. Discount Store Monday during the noon hour where a car belonging to Mr. and Mrs. Delbert Martin of Lazbuddie was burning.

Although the fire was put out almost immediately, the motor in the vehicle and the windshield were destroyed, according to firemen.

Mrs. Martin stated that when the fire was first noticed they were driving down the highway on their way to eat lunch at a local restaurant, when they heard a sound "like we had hit something." When the brakes were applied there were no brakes and immediately flames burst out of the vehicle. How the fire started is a mystery.

# New Mexico Girls State '67

## Editors Note

The following account of New Mexico Girls' State was written by Brenda Sims, Texico representative to the sessions. Miss Sims became ill while at the sessions and had to return home on Wednesday. However, it seems that she gained much in her short stay at the sessions and has come home inspired and willing to try to help her classmates see how wonderful America really is.

**GIRLS' STATE IS GREAT** — Brenda Sims, Texico Representative to New Mexico Girls' State displays some of the pamphlets which were distributed to girls at the sessions.

The Girls' State sessions met for one week, June 18-25, on the campus of the University of New Mexico. The 285 girls attending stayed at Hokona Hall, and they were all on the go from 6:30 until 10:25 or 11:00 p.m., each day, and sometimes much longer.

When we arrived, we had been warned of a fire drill, but no one expected it at 6 a.m. the first morning we were there. Each morning the girls assembled outside the dorm to give our Pledge to the Flag of our United States of America and unite in singing "America the Beautiful."

Purpose of the week was for each girl to learn how our government operates on the city, county, and state levels. But even more important, each girl learned how to become a better citizen, helping to strengthen her community so that the community might benefit through her efforts and good citizenship.

I was in the city of Cactus, Washington County, Federalist party (and of course the Federalist were the best. All we had to do was convince the Nationalist of this, which wasn't an easy job.

I'll never be able to forget the girls I met and became friends with at Girls' State, as one of the counselors said, "These girls represent the top 285 girls in New Mexico." I

have never met girls who were more kind, considerate and interested in every girl with whom they came in contact. They were even more interested in the operation and security of their government.

Due to my illness I was only able to attend the city and county elections, State elections were last thing however, many of us found ourselves writing in the dark.

I was in the city of Cactus, Washington County, Federalist party (and of course the Federalist were the best. All we had to do was convince the Nationalist of this, which wasn't an easy job.

I'll never be able to forget the girls I met and became friends with at Girls' State, as one of the counselors said, "These girls represent the top 285 girls in New Mexico." I

## Celebrate Two Years Without Accident

Employees of Gifford-Hill Western were treated to a barbecue meal on Tuesday evening for having completed two years without loss of time due to injury of employees.

Master of ceremonies for the social was Jim Wiman, division manager in Farwell. Earl Hitt, safety superintendent of the Dallas branch, showed a film on safety to the group. Other company officials in Farwell for the celebration were vice-president and general manager in Lubbock, Bruce Spencer, Jr.,

vice-president of production in Plainview, Malcolm Hammond and Mrs. Hammond; Mr. and Mrs. Newton Vance, division manager at Plainview; Mr. and Mrs. Wayne Newson, division manager at Hereford, Mr. and Mrs. Don Walser, dispatcher at Hereford.

Door prizes were presented to Mrs. Tommy Sandoval - mix master; Mrs. Jill Armstrong - electric can opener. Hazel Gast was recipient of the award for answering the most questions correctly on the safety film.

## Work Progresses On Restoring Town Park

Much work has been done on restoring the Texico Town Park to its former beauty and usefulness as a recreation area since the project was first begun by the Texico Woman's Club some two months ago.

Since that time, grass has been seeded and a nice lawn is in evidence; concrete has been run for a tennis court; flower and shrubs have been set out and planted, and one set of swings has been remodeled and installed on the playground area.

Tentative plans call for a sprinkler system for irrigation purposes; concrete picnic tables, and backstops to be installed at the tennis courts in order

that the courts may also be used for basketball games.

The Chamber of Commerce has been of much assistance in helping with the project supplying men for much of the work and also making a cash donation. Others making contributions to the project have been Texico PTA, Firemen, Ray Meares, Woodmen of the World; Citizens Bank-Texico Branch, Rip's Western Wear, J.D. Kelley, and Woman's Club.

Payton Ramey at Golden West Seed Company has donated many of the flowers which have been set out at the park. Earl Roberts has also donated flower plants.

Speaking for the Woman's Club, Mrs. Howard Leavell expresses thanks to the many persons and businesses who have assisted with the beautification project.

## Attend Funeral

Mr. and Mrs. Doyle Crow accompanied by Mrs. Mary Spurlin were in Frenship, Ark., last week to attend the funeral of Charlie Crow, brother of Doyle Crow.

They returned home on Saturday.

Mrs. Cassie Morgan is spending this month visiting in California with her daughters.

Shurfine <b>Apple Butter</b> 28 oz. <b>3/1.00</b>	Shurfine <b>Coffee</b> 1# <b>65¢</b>	Shurfine <b>Grapefruit Sections</b> #303 <b>4/1.00</b>	<p><b>Who is the INDEPENDENT?</b> How can you save money at the supermarket?</p> <p>There is probably no word that has been bandied about more before the American consumer than "independence." It has been used indiscriminately over the years and has come to mean many things. It has been used to describe a person who is self-sufficient, a person who is not dependent on others for help, a person who is not dependent on others for money, a person who is not dependent on others for love, a person who is not dependent on others for respect, a person who is not dependent on others for anything.</p> <p>But in the supermarket, "independence" means something else. It means the ability to buy the goods you need at the lowest possible price. It means the ability to buy the goods you need at the highest possible quality. It means the ability to buy the goods you need at the highest possible value.</p> <p>At Shurfine, we pride ourselves on our independence. We are independent of the high prices that have been paid for so long. We are independent of the low quality that has been sold for so long. We are independent of the low value that has been sold for so long.</p> <p>At Shurfine, we are the only supermarket in the area that has the ability to buy the goods you need at the lowest possible price, at the highest possible quality, and at the highest possible value. We are the only supermarket in the area that has the ability to buy the goods you need at the lowest possible price, at the highest possible quality, and at the highest possible value.</p> <p>At Shurfine, we are the only supermarket in the area that has the ability to buy the goods you need at the lowest possible price, at the highest possible quality, and at the highest possible value. We are the only supermarket in the area that has the ability to buy the goods you need at the lowest possible price, at the highest possible quality, and at the highest possible value.</p>

**GIRLS STATE IMPRESSIONS** -- Roberta Chisman, Farwell representative at the Texico Girls' State sessions, works busily as she types out a story of her experiences at the sessions from which she returned on Sunday.

# 'Girls State'

**Editors Note**

Roberta Chisman, Farwell representative at Girls' State, tells of her impressions of the session in the following article: "GIRLS' STATE" by Robert Chisman

It has been my distinct privilege to represent my school and community at this year's session of Texas Bluebonnet Girls State.

The main purpose of Girls State is to instruct the youth of today of their duties, privileges, and rights of American Citizenship. As stated in the '67 manual: "It is the belief of the American Legion Auxiliary that from active individual participation in governmental affairs of a mythical state will come a broader understanding of the responsibilities of citizenship in a democracy. It is also sincerely hoped that a deeper appreciation for the citizens' great privileges will be acquired."

Girls State is a mythical 51st state organized and administered for citizenship training purposes. The organization of this state illustrates to the citizen, responsibilities which she will be called upon to assume as an adult.

To me, Girls State meant all these things, and many more! Girls State helps to inspire a young person's future goals. Girls State also gives self-direction. It is very inspirational, and I sincerely wish that every young person could have the opportunity to attend.

Girls State teaches the basic fundamentals of city, county, and state governments. It increases the person's necessary knowledge to become a more responsible leader of America. Girls State has been a time of re-examining myself, and thinking of my future goals. I will carry the memories of this great experience throughout my entire adult life.

Most of all, Girls State teaches three very important things: Americanism, Patriotism, and Individualism.

**Returns From Hospital**

Bob Hammonds, local farmer who suffered a serious heart attack some ten days ago has returned to his home from Parmer County Community Hospital. He is confined to bed for another week after which he will be allowed up a part of the time if he continues to improve satisfactorily.

Mr. and Mrs. Joe Helton were visitors in the home of her parents, Mr. and Mrs. J. E. Whately, in Amarillo, on Monday. They also visited with Elmer Teel, who is hospitalized in that city.

## At Home In Parmer County

By CRICKET B. TAYLOR  
County HD Agent

An error of just one word can change the complete meaning or give the wrong information on a subject. That happened last week in this column when the word "silver", was used instead of "simple". The word applied to "simple shoes and handbags" and not "silver". These things happen sometimes regardless of how careful we are.

**FOOD IDEAS**

Budgets are always good conversation pieces. If you're interested in how to get the most for your food money, these practical tips may help.

Make note of supermarket special sale ads and plan menus that take advantage of them. Plan your menus ahead as much as a week in advance. Pre-planning makes shopping easier and will help you to avoid monotony and repeated use of the same foods at mealtime.

Since a great deal of food money goes for impulse spending, jot down a grocery list and stick to it. Budget-watching doesn't mean sacrificing the convenience of meal preparation, nor serving dishes that are uninteresting. Quite the contrary!

You can serve tempting and economical main dishes and a different one each day. Following are some suggestions:

After one hearty dinner on baked canned ham, use what's left over in a pleasing main-dish salad. Combine cubes of canned ham and sharp cheese

with drained canned cut green beans and some chopped green onions. Then toss the ham mixture with vinegar-sparked mayonnaise and season to taste. Serve it chilled and mounded in lettuce cups with a colorful garnish of cucumber slices and tomato wedges.

**EASY-TO-FIX HOT WEATHER DISHES**

These are always welcome and can be economical and can meet the daily nutritional needs too.

For a favorite warm weather salad meal, mound shredded lettuce on a platter and put chunks of drained canned salmon on it. Complete the arrangement with deviled eggs, cucumber wedges, and slices of tomatoes. Serve French dressing with this vegetable-seafood combination.

Prepare a main dish on top of the range by tender-cooking chopped onion with sliced vienna sausages in butter. Gently stir in canned pork and beans, add a little catsup, and garnish with crushed corn chips at serving time.

Precooked dry beans that cook in 20 to 30 minutes are now on the market in most states. Old fashioned navy bean soup or popular baked beans can be ready for the table in less than an hour from start to finish.

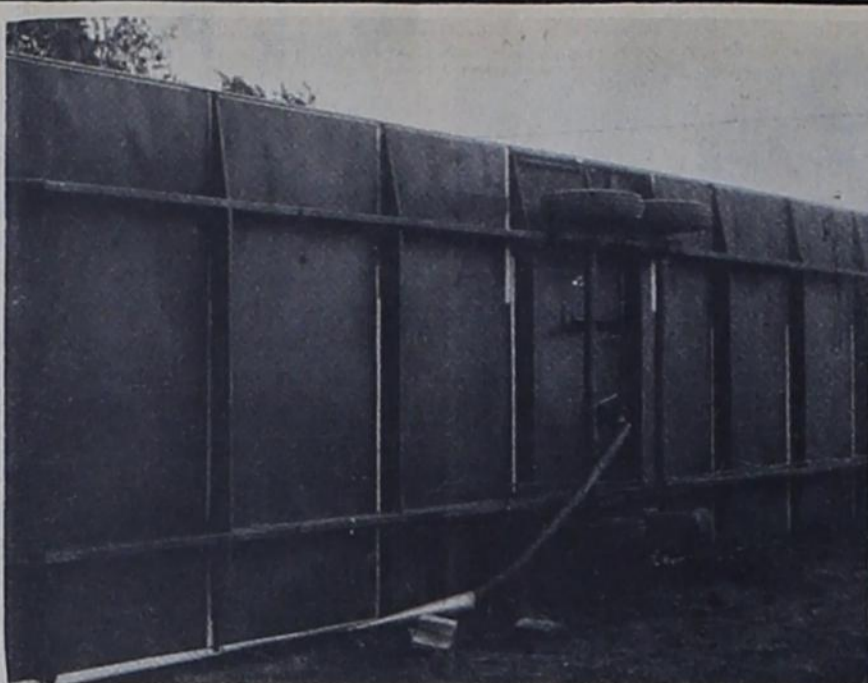

Start asking for these at your grocery—they are real time savers.

## Students Probe Mental Health In Summer Program

Wally Moeller, son of Mrs. Beulah Hobbs, is participating in a summer work-study program as a counselor at Springer Boys' Home. An honor student (3.8) this year at University of New Mexico, Moeller and ten other junior and senior students interested in sociology and psychology were selected from among 250 applicants by the state institutions after they had applied through their universities.

The program was started three years ago at Highlands University. Participating agencies working with selected college students are the State Hospital in Las Vegas, Girls' Welfare Home in Albuquerque, and the Springer Boys' Home.

At the institutions, the students interested in the care, treatment and rehabilitation of the incapacitated mentally ill, retarded, and delinquent, are using their formal education with practical work experience.

**WAS IT A TORNADO?** -- This seems to be the question uppermost in the minds of most Twin Cities residents since the high winds on Friday which ripped a trailerhouse loose from its moorings and threw it on its side. Above is the trailerhouse home of the Peugh family, located at Ave D and 8th Street, overturned by the winds. Tree limbs in the area near the Farwell school were also torn off and scattered about by the winds. The winds (clocked at 74mph) were accompanied by heavy rains and soft hail in town; however, in the area south of town on the Chase Chisman farm, a cotton crop was destroyed by hail which was accompanied by 1.35 inches of rain. The deluge fell in only a few minutes time, according to Chisman, who quipped "I won't have to strip cotton this fall-for it's already been done for me." He added in a more serious tone "I saw it coming as I was bringing in my last load of wheat which we had just completed harvesting." Many residents believe the storm was nothing more than extremely high winds while others stick to the belief that it was a "tornado."

## Report From The Sheriff's Office

Sheriff Chas. Lovelace reports that on June 21 he was notified of a burglary at the Charles Russell farm, five miles northwest of Friona. The burglary occurred some time between June 5 - June 20, according to Sheriff Lovelace.

The items taken in the burglary were three tables, including two end tables and an oak dining table; one three-quarter mattress and two full size mattresses; one bedstead (light colored wood); and a new turquoise blue three-burner camper range (Holiday brand). The burglary occurred at a house usually occupied by a hand on the farm.

Anyone seeing articles fitting the description of any of the items should notify the sheriff's office in Farwell immediately.

Lloyd Claude Hester, who had previously been indicted on a DWI offense and had jumped bond, has been arrested and is now in custody awaiting trial. Manuel Garcia of Hub was arraigned before JP J. R. Thornton on a forgery charge (passing an \$86 check on W. T. Johnson). His bond was set at \$1,000 and he is in jail awaiting grand jury action.

## Has Visitors

Mr. and Mrs. Carthon Phillips and family have been recent guests in the home of his mother, Mrs. Kate Phillips, and in the Glenn Phillips home. Phillips, recently retired from the U.S. Air Force where he served as a Lt. Col., is attending the University of Texas.

## Has Tonsilectomy

Shonda, age four, daughter of Mr. and Mrs. Bill Flowers of Portales, and granddaughter of Mr. and Mrs. Herb Potts, spent a few days with her grandparents following a tonsilectomy recently. She has now returned to her home at Portales and is recuperating satisfactorily.

## Post Nuptial Shower Honors Recent Bride

The home of Mrs. C.C. Christian was scene for a post-nuptial shower honoring Mrs. Ronnie (Donna Rundell) Thomas last Saturday. Other hostesses

Railyn Joi Is Name Given To Rundell Baby

Mr. and Mrs. Mickey Rundell, of Wilson, Tex., announce the birth of a daughter on June 16. The little girl, who weighed 7 lb. on arrival, has been named Railynn Joi.

Rundell a former Farwell resident is now coaching at Wilson.

Grandparents are Cecil Rundell, formerly of Farwell, and Mrs. Viola Rundell of Lubbock.

## Daughter Visits In Garner Home

Visitors in the home of Mr. and Mrs. Howard Garner for the past three weeks have been their daughter, Mrs. Barbara Gale, and children, Garrett and Andrea, from Grand Junction, Colo. They plan to return home after the July 4th holiday.

## Condition Satisfactory

Elmer Teel, local manager of Southern Union Gas Co., who underwent surgery at St. Anthony hospital in Amarillo on Sunday night, is reported to be in satisfactory condition. He will be hospitalized for several more days. His address for those who wish to write or send cards is Room 426, St. Anthony's Hospital, Amarillo, Tex.

## Returns From Vietnam

Dr. Robert Mehler, who has been in Vietnam with the Armed Forces for the past ten months and received his discharge from the service at San Francisco, Calif., on June 17.

He and his wife, Nancy, and children will leave July 6 for Cleveland, Ohio, where he will resume his second year as an intern at the University Hospital, where he is studying internal medicine.

Mrs. Mehler (Nancy Aldridge) and children have made their home in Farwell while Dr. Mehler was in Vietnam.

Janice Leopold who recently returned from Tucson, Ariz., left late last week for California where she will visit with relatives for the next few weeks.

## Billingtons Visit Miami Beach

Mr. and Mrs. Sterling Billington returned Monday night from a week spent sightseeing and visiting Oklahoma, Tennessee, and Miami Beach, Fla. In Oklahoma, they visited with Mrs. Frances Jarnigan, an aunt of Billington at Erick, and in Tulsa with Mr. and Mrs. Virgil Taylor, a Navy buddy of Billington.

In Tennessee, they toured Ruby Cave and visited Rock City. They also stopped for short sightseeing tours in various other places in the state.

for the courtesy included Mmes. Garland Hahn, Carolon Davis, Cotton Robertson, W.H. Gibbs, Carliss Woods, Clara Billingsley and Vernon Holt.

Chosen colors of the honoree green and white, were used in room decorations and carried out in refreshments. Serving table was laid with white lace over green and centered by a floral arrangement of white interspersed with greenery. The gift table was also covered in white and centered by a floral arrangement.

Novelty corsages, presented to the honoree; her mother, Mrs. Robert Rundell, and mother of the groom, Mrs. Jewell Thomas; were made from an assortment of household articles and tied with ribbon bows. Mrs. Rundell and Mrs. Thomas assisted the honoree in opening gifts. Gifts were registered by Carylton Davis.

White cake squares with green icing trim were served with green punch, mints and nuts to approximately 50 persons who called during the receiving hours. Mrs. Hahn and Mrs. Robertson presided at the serving table.

## Visits In Lockhart Home

Mr. and Mrs. David Lockhart and daughter, Jennifer, spent the past week visiting in the home of his parents, Mr. and Mrs. John Lockhart in Texico. Over the weekend, Mr. and Mrs. David Lockhart were joined in a trip to Albuquerque by John Lockhart. Mr. and Mrs. Lockhart are spending this week in Big Spring with the Schroeder family.

## City Clerk Doing Well

Mrs. Janie Bowery, Farwell city clerk, who recently underwent surgery in Lubbock has returned to her home and is able to be back at work for brief periods of time two or three days each week.

Mrs. Bowery, who had spinal surgery, states that she will be unable to do heavy work for several months, but hopes to be able to do her office work in a short time.

## Teachers Attend Summer Classes

Three Farwell faculty members are attending classes at Eastern New Mexico University this summer. Attending the classes are Coach Vernon Scott, and Mr. and Mrs. Clyde Powell.

## Marriage Licenses Issued

Marriage licenses issued from the office of the Parmer County Clerk in recent days went to: Marcello Belman and Rebecca Lopez-June 19; Louis Ronald Watts and Patricia Lang - June 20; Everett E. Autrey and Doris Luleen Brand, June 24.

## Visit In Benderman Home

Mr. and Mrs. J.B. Benderman have had as guests in their home this week Mrs. Bill Harlan and Mrs. Larry Harlan, both of Albuquerque. Mrs. Bill Harlan is a daughter of Mrs. Benderman and the younger Mrs. Harlan is the granddaughter. The ladies returned home on Tuesday.

## Announce Birth Of Son

Mr. and Mrs. Jon Schroeder of Big Spring, Tex., announce the birth of their first child, a son, on Monday, June 26, at 10:20 p.m. The little boy, who weighed 9 lb. 2 oz. at birth, has been named Jerry.

Grandparents of the new arrival are Mr. and Mrs. John Lockhart of Texico and Mr. and Mrs. W.W. Schroeder of Plainview.

Mrs. Schroeder will be remembered as Betty Ruth Lockhart.

Mrs. Lockhart and Kathy are spending this week in Big Spring with the Schroeder family.

## Leopolds Join Friends On 25th Annual Outing

Mr. and Mrs. Larry Leopold and family spent the weekend camping with several other families in the mountains of New Mexico. The outing, an annual affair, is for members and former members of the Twosos Sunday School class in Albuquerque.

The families have been taking the outing since 1945. While on the camping trip, the Leopolds celebrated their 25th wedding anniversary.

The Leopolds were joined on the outing by their daughter and son-in-law, Mr. and Mrs. Lloyd T. Acre of Denver.

## Visit In Lubbock

Rev. and Mrs. Harvey Hudnall, Wayne Hudnall, Callalya Roberts, and Mrs. Johnny Warrick visited in Lubbock on Monday with Mrs. Nora Hudnall, mother of Rev. Hudnall, and a sister, Mrs. Robert Johnston.

They also visited with Roger Johnston, who has recently returned from a tour of duty in Germany with the U.S. Army. He is scheduled to return to New Jersey for further assignment following his leave.

## Uncle Ray's "Hot Air"

The more things a man is ashamed of, the more respectable he is.

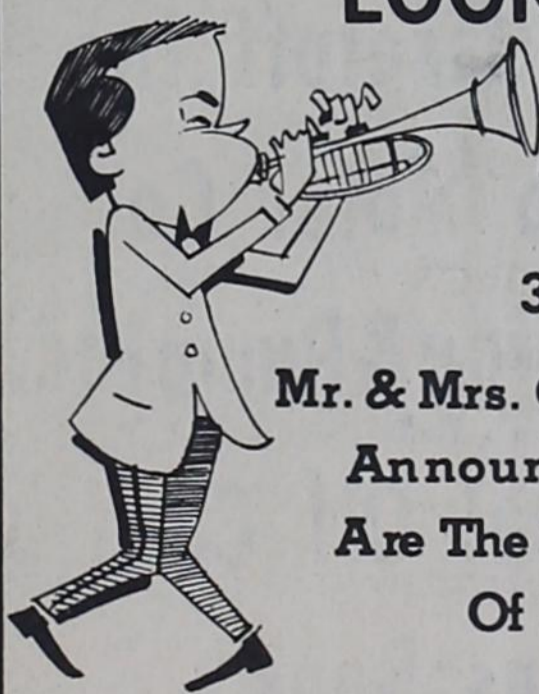

An old-timer is one who wonders where all the action was when he was a teen-ager.

The action for a picnic is at Uncle Ray's. All your picnic needs at low prices.

## Social Honors

### Former Residents

The home of Mr. and Mrs. Elmer Langford was scene for a social honoring Mr. and Mrs. Lester Caldwell, Salem, Oregon, formerly of the Pleasant Hill Community, on Saturday evening.

Friends and former neighbors of the couple spent the evening visiting with the couple and reminiscing about by-gone days.

Assorted cakes were served with ice tea and coffee to Messrs. Alvis Clark Pearl Singleterry, Maurice Clark, Orris Eshleman, Leon Langford, Ray Hungate, John Sorrows, Sherman Horton, Elmer Langford, and W.C. McBride, Mrs. Lucille Singleterry and Gary, and Mrs. Dessie Rutledge.

## Belinda Beth Booth Arrives June 24

Reverend and Mrs. Eddie Booth announce the arrival of a daughter, Belinda Beth, at Parmer County Community Hospital Saturday, June 24.

The little girl, second child for the family, weighed 6 lb. 12 oz. at birth. Other child in the family is three-year-old Sheri.

Maternal grandparents are Mr. and Mrs. T.W. Wise of Albin, Okla., Paternal grandparents are Mr. and Mrs. Marshall Booth of Whitney, Tex.

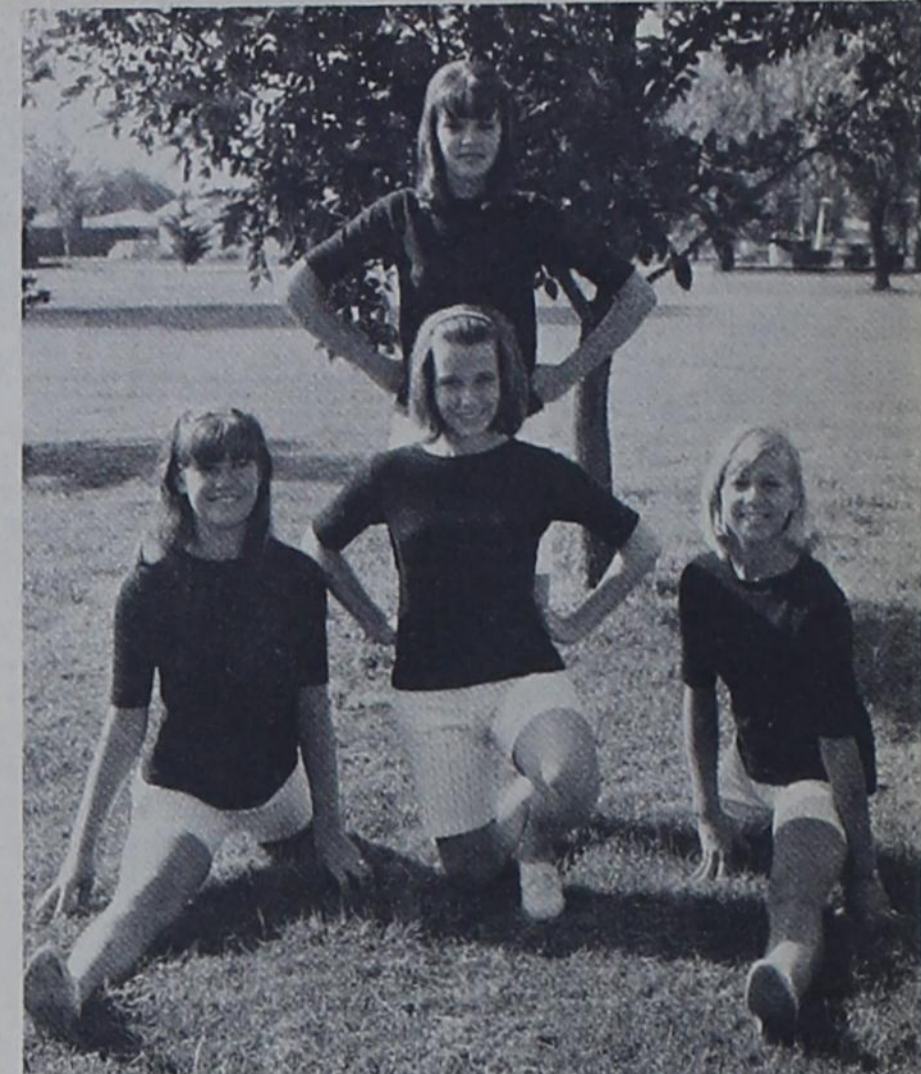

## Get-Acquainted Coffee Honors Two Newcomers

The home of Mrs. R.W. Anderson was scene for an informal get-acquainted coffee honoring Mrs. Cap (Sue) Naegle and Mrs. William (Louise) Brigham Wednesday morning.

Mrs. G.D. Anderson, Jr. of Bovina was co-hostess for the social.

Mrs. Naegle and Mrs. Brigham have recently moved to Farwell from Roswell. Their husbands are associated with G.D. Anderson, Jr. in the operation of Parmer County Cattle Co.

Mrs. Bill Prince presided at the coffee service. Serving table was centered by an arrangement of white daisies and yellow snapdragons. Arrangements of snapdragons and daisies were also used in the living room and den of the Anderson home. Melon and pineapple balls, strawberries, cinnamon rolls, coffee cakes and miniature sausages were served to the 45 ladies in attendance.

ATTEND CHEERLEADERS CAMP -- Texich High School cheerleaders will leave July 1 for a ten-day cheerleader camp at the University of Oklahoma in Norman. They will learn the fundamentals of cheerleading as well as many yells and gymnastic stunts suitable for high schools. Cheerleaders include Loyde Brown, standing; LaWanda Yell, Glenda Kelley and Jan Chumley, Susan Murrell is also a cheerleader but was not present for the picture.

## FHA Officers Attend Workshop At Tech

Officers of Farwell FHA were in Lubbock Thursday to attend a leadership workshop for FHA officers at Texas Tech.

Following registration at 10 a.m., a general assembly was held with Ross Lynn Spradling, a 1967 Texas Tech Home Economics graduate, as speaker. She discussed "Designs for Leadership."

Following lunch at a downtown restaurant, the officers attended small work groups for their particular office. In these

workshops they learned many new ideas which will be of assistance to them in planning the club work this year.

Attending the sessions were Carolyn Langford, Nedda Foster, Jackie Megill, Nancy Patschke, Cindy Phillips, Melody Roberts and Sheila Garner, FHA members and Mr. and Mrs. Guy Austin and Mr. and Mrs. Ned Foster. Mrs. Austin is FHA advisor and homemaking teacher in Farwell school.

# INDEPENDENCE DAY

## July 4th 1967

# THE IWO JIMA STATUE

The Invasion Of Iwo Jima Took Place On Feb. 19, 1945. Thirty Thousand Marines Came In 800 Ships Supported By The United States Fleet. The Summit Of Mount Suribachi Was Reached On Feb. 23, The Island Captured On March 16. After Twenty-Six Days Of Continuous Fighting The Battle Of Iwo Jima Ended, Having Cost The Marines A Total Of 19,938 Casualties.

'The cost of freedom is always high — but Americans have always paid it. And one path we shall never choose is the path of surrender or submission.'

Let us pause this day to honor the many Americans who fought the many battles for freedom. And let us rededicate ourselves to the principles for which they made the supreme sacrifice.

The Following Texico- Farwell Merchants Will Be Closed Tuesday, July 4th
