Little League Association Slates Honor Day, Naming Of All-Stars

Fun, excitement and surprises are on tap for all area baseball fans who venture to the Texico-Farwell Lions Club Ball Park July 4 as members of the local Little League Association and the local Little League players honor parents of Little Leaguers on Parents Day.

According to Jim Walker, president of the local Little League Association, activities are to be kicked off at 4 p.m. CDT at the ball park as the Farwell Hardware Softball Team and a team composed of Texico-Farwell Lions and Rotarians battle in slow-pitch softball action.

Purpose of the softball game is to aid the Little League Association in raising funds for a pitching machine through various donations which are expected to be made during

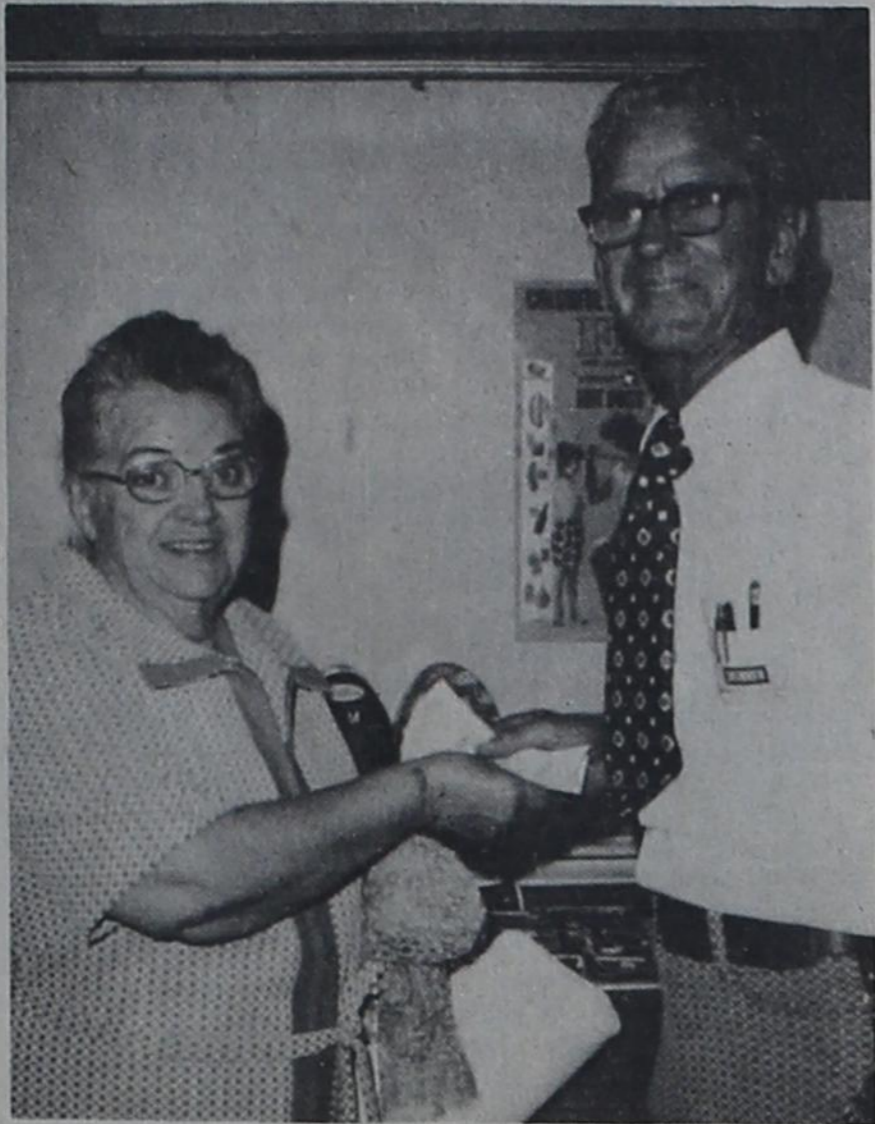

the Parents Day activities. Included in the fund-raising campaign will be the sale of tickets for one-half beef to be given away by the Little League Association during the District Tournament scheduled later this month. Other fund-raising activities for the day are still in the planning stages, according to Walker.

Walker stated that total cost of the pitching machine which the association hopes to pre-

sent to the Little League is \$400. The machine will be used by both batters and fielders to practice batting and various fielding techniques.

Also scheduled for the evening of the fourth are the two final games of the 1974 Little League season and naming of the 1974 All-Stars. Games are to begin at 6:30 and 8:30 p.m. Walker related that a definite time for announcing the All-

Stars is pending but it will be scheduled for either between the two finals games of the season or following the final inning of the 8:30 game. Walker reminds parents of Little Leaguers, "This is your day. So come on out and support YOUR Little Leaguer and the association," and urges baseball and softball fans from throughout the area to turnout and watch the final games of the current season.

TOP WINNER -- W.D. Nicewarner, manager of the Pay-n-Save No. 11 store in Farwell, presents Mrs. C.A. Tunnal with a \$200 merchandise certificate. Mrs. Tunnal was the top winner of the drawing held in conjunction with the grand opening of the store June 28-29.

Pay-N-Save Has Grand Opening

Pay-n-Save No. 11, 209 Ave A in Farwell marked its grand opening June 28-29 with store specials, free cokes, 10 cent hamburgers and a merchandise and S&H Green Stamp giveaway.

W.D. Nicewarner, store manager, estimates that during the two-day celebration between 2,000 and 3,000 free cokes were served and approximately 1,000 10 cent hamburgers were sold.

Pay-n-Save Corporation purchased the store April 29 from C.G. Davis, who operated under the franchised name of Piggly Wiggly.

"We wish to express our appreciation for the people who came in during our grand opening," stated Nicewarner. Approximately 2,000 to 3,000 people visited the store during the two days, according to Nicewarner.

Mrs. C.A. Tunnal of Farwell was the top award winner with a \$200 merchandise certificate. Other winners were Johnnie Williams of Farwell, \$100 mer-

chandise certificate; Nadine Langston of Farwell, \$50.00 merchandise certificate; O.C. Richards of Oklahoma Lane, \$25.00 merchandise certificate.

Winning 1,000 S&H Green Stamps was G.L. Medley of Farwell, and Cora Langston of Farwell won 500 S&H Green Stamps.

Little Leaguers To Be Honored At Annual Hot Dog Feed, July 13

The grounds of the Farwell City Park will be the scene of much activity on the evening of Saturday, July 13, as members of the four Little League teams representing Texico-Farwell gather for the annual Hot Dog Feed. Time of the feed has been set for 6 p.m. CDT.

According to Hugh Moseley, spokesman, the Hot Dog Feed is an annual custom of the Texico-Farwell Rotary Club during which players and coaches are recognized and

honored. During the final gathering of the boys as team members, they will be fed hot dogs with all the trimmings. All Rotarians are expected to be present to aid in preparing and serving the meal.

No special programs or speeches are on tap, according to Moseley, and awards earned by the local baseballers are to be presented at various times prior to the Saturday event. Moseley stated that "good eatin' and fun" will be the main items of the day which will mark the end of the 1974 Texico-Farwell Little League season.

Teams to be represented by players and coaches are Worley Grain, Kelly Green, Aldridge Insurance and Tide Products. Final games of the current season were to be played Thursday, July 4. All-Stars were to be named during the final night of the season and will represent the local Little League during the area and district tournaments to be played during July and August at the Texico-Farwell Lions Club Ball Park.

Farwell Equalization Board Schedules July 16 Meeting

Members of the Farwell Board of Equalization will meet at City Hall on July 16 at 6 p.m. CDT. The Board is

composed of Joe Hughes, John Dempster and Harlin Obenshain, all property owners.

The Board will review and equalize the tax roll. The meeting is open to the public and anyone who desires to discuss his tax situation is invited to attend.

Should there be more people than can be heard at the July 16 meeting, the Board will recess and another date will be set for continuing the hearings.

Penny Anderson Golf Tourney Set

The fourth annual Penny Anderson Partnership Golf Tournament will be held July 20 and 21 at the Farwell Country Club with shotgun starts beginning at 10 a.m. and 3 p.m. each day.

The entry fee of \$40.00 per team will be returned as gift certificates for merchandise in the club to the first, second and third places in each flight.

Teams will be flighted by the handicap of the partner with the lowest handicap, with the first 50 teams accepted. Any person may declare for the championship flight.

Players and wives will be honored at a pool party and hamburger cookout the evening of Saturday, July 20. The party will begin after all players are off the golf course, around 8 p.m.

★ Queen Entrants Wanted

Now is the time to turn in your entry for the Border Town Days Queen Contest! Competition is open to freshmen, sophomore, junior, and senior high school girls from both Texico and Farwell. You don't have to have a fee or a sponsor, but you must have access to a horse, and be able to handle a horse.

Girls will be judged on horsemanship, personality, and appearance. If you are interested in entering the contest, please call Karen Lovelace at 481-9265 before July 13th.

Gala Fourth Of July For Oklahoma Lane Residents

Plans have been made by the Oklahoma Lane Community Association for the annual Fourth of July picnic, scheduled to begin around 6 p.m. at the Oklahoma Lane Community Center.

Chairman of this year's celebration is Mrs. Vernon Symcox, and Mrs. Roland Hillock is in charge of refreshments. Pat and Pam Mayfield and Susan Symcox are in

charge of the games. Entertainment for the get-together will include baseball games and other games for the younger children, such as sack races. Following the evening meal, which was scheduled to begin about 8:30, a patriotic program was to be presented.

The Oklahoma Lane 4-H Club is in charge of the program. Those attending also enjoyed singing.

Concluding the program was a fireworks display. Harold Carpenter is chairman.

Residents, former residents and anyone interested in a good time were to gather for the picnic.

CONSTRUCTION BEGINS -- Construction on the new Parmer County Law Enforcement Center has begun with the clearing of trees from the north side of the Court House and the elimination of cement steps and sidewalk from the north Court House entrance. As the construction men work in the background, County Judge Archie Tarter, left, discusses the work with construction superintendent, Harold K. Haynie of Farwell. The contract for construction of the facility will allow 260 working days for completion. John C. Cornell, Inc. was awarded the bid in the amount of \$277,715.

Farmers Reminded Of July 15 Farm Program Signup Deadline

With less than two weeks remaining until the July 15 deadline for farm program sign-up and certification, Parmer county grain and cotton farmers are reminded that program participation provides disaster insurance and eligibility for support loans and payments.

"Now that crops are planted, we want to remind farmers to come to the ASCS county office at their convenience to sign up and certify - just as long as they do so by no later than July 15," stated Prentice L. Mills, county executive director.

Signup and certification are as important as ever to producers this year. The new program provides for disaster payments to participants if their feed grain, wheat or cotton crops are lost or the yield substantially reduced because of natural disaster. Also, as in prior years, eligibility for sup-

port loans and payments is dependent on being in the program. Accuracy is extremely important in certifying crop acreages.

"Remember, July 15 is the last day farmers can sign up and certify their farm program

participation," said Mills. "We hope that every eligible producer has visited the Parmer County ASCS office by then."

The opportunity to sign up is available to farmers without regard to race, color, creed, national origin, or sex.

Farwell Lodge 977 Installs New Officers

Newly elected officers of Farwell Lodge No. 977 were installed in a public ceremony on Friday, June 28 at the Masonic Hall in Bovina. Prentice Mills, District Deputy Grand Master was the installing officer, with Tom Atkins as Installing Marshall.

Langston, junior warden; Lester McClain, chaplain; back row left to right, Carl Rhea, junior deacon; Johnny Watford, Tiler; Truman McKillip, senior deacon and H.W. Roberts, secretary. Additional officers to be installed include Floyd Coates, senior warden; Harry Charles, treasurer; and I.W. Quickel, junior steward.

PURELY PERSONAL

by John

This Fourth of July marks the end of an era in celebrations for the small fry, and we suspect for many of the bigger fry. Beginning the fifth of July, the "big bang" firecrackers and assorted noise makers from torpedoes to devil chasers will be only a memory. The Big Daddy on the Potomac has outlawed firecrackers forevermore.

This was done at the urging of safety and consumer groups to save countless fingers and eyes that annually paid tribute to the explosives used in our annual Independence Day celebration.

A person can hardly argue with the preservation of sight and hands but we cannot help but feel that something will go out of the "Good Ole Fourth".

As a side effect of this ban of firecrackers we think that many of the public demonstrations will eventually lose out because of the great expense involved in producing only a relative few fireworks by the industry. An axiom of business says that as production quantities go down, production costs go up.

We suggest that you enjoy the public displays in the surrounding areas this year. There might not be many more years of these spectaculars left to view.

'Tis always a loss on these baldies when a big tree is removed for progress. We are glad to see the ground being prepared for the start of the Parmer County Law Enforcement Center, but were saddened by the several stately trees that were lost in the process. It looks like somebody could take a chain saw and lay in a supply of firewood and thereby profit.

Procrastination is not only the thief of time but could also be the thief of some of our worldly goods. Another Farwell City Commission meeting has come and gone without any meaningful discussion of a local law officer for Farwell. The continuing disappearance of our new street signs should be a spur in that direction.

Well, the "sexest" is at it again. We read where it is now being suggested that the Church services and literature be overhauled to eliminate the "Father", i.e. male image. How does "God of our Parents" strike you as a hymn, or is it a hermn?

Also we noted that the "Happy Hookers" had a convention at the Glide Memorial Methodist Church in San Francisco. This particular institution has a track record for holding the unconventional convention. The program was reportedly bawdy songs, belly dancing and seminars. We wonder what that great Person in the sky thought of that conclave?

We are not sure if we will have a fall this year or not, from the football standpoint, that is. The NFL and the Players Association are still at loggerheads, and training time is fast dwindling away fellers. Of course we could settle for the high schools and the colleges and the WFL and just forget about the NFL for a season or two.

It might restore harmony in uncounted households on Sunday afternoons if pro football was off the boob tube. Families might even get to know each other and Church attendance could pick up. If we were on either side of the fence in the NFL dispute we would be sort of anxious to settle before it was discovered that the great American public could get along without us.

"PRIDE IN AMERICA"

It is becoming increasingly difficult to appreciate that our country offers more opportunity than any nation in the world . . . BECAUSE

Today this country's detractors show little regard for our institutions.

Most Americans have strong convictions in these institutions that are the cornerstones of our great country:

- Faith in God
- Brotherhood of Man
- Free Enterprise
- Governance by the People
- Individualism
- Service to Humanity

Constantly it is repeated that Americans no longer enjoy individual expression.

THE UNITED STATES JAYCEES know better because of their affiliations in 6,700 communities throughout this great country.

History has proven that the American people can unite when threatened! Once again we are threatened but not by outside forces.

Our new threat is one of self-doubt reinforced daily by the repetition of negative examples.

THE UNITED STATES JAYCEES are tired of those who daily condemn our society as deteriorating!

The time is NOW for the sleeping giant of public "Pride" and positive individual participation to awaken.

Unite with THE UNITED STATES JAYCEES in rekindling our "Pride in America" -- the key is YOU!

This meeting is open to the public for taxpayers in the district to have their tax problems heard, according to W.M. Roberts, superintendent. The Board serves to equalize taxes, and has the authority to lower or raise evaluations on property.

The Consumer Alert

by John L. Hill
Attorney General

AUSTIN -- Vacation bound? There's a chance you might also be heading for trouble if you haven't taken certain precautions before leaving home.

Law enforcement experts and our Consumer Protection Division attorneys say that what is vacation time for most folks is working time for many burglars, pickpockets, and con men.

They suggest that you plan in advance to burglar-proof your home and to guard against possible thefts or consumer frauds on your trip. While the number of such occurrences is small compared to the number of vacationers, it only takes one bad experience to ruin a trip.

Here's a list of things to check before you leave:

-Stop mail, newspaper, and other deliveries.

-Tell a neighbor or your apartment manager that you will be gone and ask them to keep an eye on the place.

-Leave a few lights on or buy an automatic timer to turn certain lights on and off each evening.

-Cut your lawn just before leaving and, if you will be gone a long time, have someone cut it while you're away.

-Check all windows and doors to make sure they are locked. A sliding glass patio door can be more securely fastened by wedging a stick at the top or bottom of the door.

-Check with your local police if you plan an extended vacation. Many forces offer a

"close patrol" of homes where persons are away. If your police force does, you will need to tell them what cars or persons, if any, will be making authorized visits to your house.

-Have your telephone put "on vacation." Your callers will be told that the telephone has been temporarily disconnected at your request, and you can have them referred to another number if you wish.

-Avoid mentioning to casual acquaintances or strangers that you will be on vacation. Also, avoid telling your newspaper's society editor of your trip until you have returned.

DOES YOUR FERTILIZER CONTAIN SULPHUR?

Smith Douglass Pelleform does!

You used to take sulfur for granted. You can't afford to anymore. Environmental controls have reduced the amount of sulfur in the air. You don't get carry-over you once did from sulfur dust insecticides and fungicides.

How can you economically furnish sulfur to your crop? Use Smith-Douglass Pelleform. It gives you not only nitrogen, phosphorus and potash but sulfur... plus Trel, Smith-Douglass' exclusive formula of trace elements. And it's all combined in every clean, green pellet. Pelleform's easy handling, even spreading.

Rely on Pelleform Bermuda Booster to produce high-yielding pasture. The sulfur in Ber-

muda Booster is important to cattle. The Texas Plant Food Institute Newsletter reports that sulfur helps control nitrate accumulation to minimize losses from grass tetany and nitrate poisoning.

Pelleform comes in a special analysis for peanuts. Extra amounts of calcium and potash help produce good yields of firm, heavy, high-quality nuts.

You'll like Pelleform. It's the kind of complete and balanced fertilizer you need to make money from farming today. Talk to your Smith-Douglass man!

Citizens Bank Ends Season Undeclared With 12-0 Record

The Citizens Bank "Bombers" met three separate opponents in a total of 12 clashes during the 1974 Pee Wee League season for Texico-Farwell and succeeded in downing their various foes to take the Pee Wee League Championship

with a record of 12-0. Hot on the heels of the Citizens Bank team but too far away to grab the first place slot was Interstate Fertilizer with a season record of 7-5. Sliding into the third place position was Gifford Hill, 3-9, and Sherley-Anderson-Pitman finished the season with a 2-10 record.

Tide Captures 1974 Little League Title

No scores are available in Little League games played Thursday, June 27; however, action saw Aldridge Insurance topping Kelly Green, and Tide Products over Worley Grain.

In action Monday Tide Products defeated Aldridge Insurance 8 to 3, thereby clinching the 1974 Little League championship. Kelly Green trampled Worley Grain 18-6.

Current standings are Tide, first; Aldridge Insurance, second; Worley Grain, third; and Kelly Green, fourth.

Little League enthusiasts are encouraged to attend the games on July 4 as games that day wind up regular Little League activities for 1974. Parents of Little Leaguers will also be honored.

The day's activities will be kicked off with a slow-pitch softball game between Farwell Hardware and a team composed of Texico-Farwell Lions and Rotarians.

SWCD News

Dry, hot weather continues in Parmer County. This is not news. It does make us all more conscious of how much irrigation means to each of us.

Native grass pastures in the northern half of the county are still as brown as they were after frost last fall. There has not been enough rainfall to green up even careless weeds or Johnson grass.

Irrigation water management is very necessary right now because our crops are using maximum amounts of water. Good management is needed to apply an adequate amount of water on each crop at the right time. Tail water systems are proving their worth during this peak water use season. Some producers would not be able to keep up with their irrigation without tailwater pits.

City dwellers are also finding it is necessary to manage the water on their lawns and gardens. Good, uniform, thorough grass waterings create beautiful lawns and save money on water, too.

See Herb Evans at the Soil Conservation Service in Friona for further details.

Sharon Williams Receives Degree

Sharon L. Williams of Farwell was one of more than 5,000 students from all 50 states receiving degrees at the commencement exercises of the University of Arizona recently. She received a bachelor's degree in education.

The 79th commencement honored summer school and fall semester graduates in addition to spring semester candidates for degrees.

TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — The energy crisis may bring lower auto insurance premiums, and the State Insurance Board has put off its annual rate hearing to see if that's possible.

The hearing won't take place until late September this year. By then, the Board hopes to get statistics on accidents and insurance claims for the first quarter of 1974.

The 55 miles an hour speed limit approved in special legislative session last December did not take effect until January 20. Driving was also curtailed sharply during early months of the year because of gasoline shortages.

Church Group Enjoys Campout

A group of 11 boys and their two counselors from the First Baptist Church of Texico enjoyed a campout June 21 and 22 at Palo Duro Canyon.

The boys, members of the Royal Ambassadors of the Church, were in grades one through six. Counselors were Bill Boling and Dee Brown.

The group enjoyed hiking and exploring the area and did their own cooking around a campfire.

Johnny Boling, a student at Wayland Baptist College, brought a Japanese student from the college to speak to the group.

On The Farm In Parmer County

By R. MACK HEALD

Livestock producers should be aware that 1974 has the earmarks of an extremely bad screwworm season, and we should make every effort to reduce the number of outbreaks. A positive case of screwworms has already been found in the Bovina area.

Livestock producers can support the screwworm eradication effort by carrying out three key practices: 1) Inspecting their animals frequently; 2) Treating all found wounds with an approved product; and 3) Collecting and sending worm samples from wounds to the USDA Screwworm laboratory at Mission, Tex., for identification. The post office box is 969.

As cases are confirmed, sterile screwworm fly treatment is initiated by the USDA. It is vitally important for program officials to know where cases are too numerous.

As spring migrations of fertile flies from south of the Rio Grande continue, the cases move northward across Texas rather rapidly.

If you need collection vials you can come by my office and pick them up.

Most of the 1974 cotton crop has been planted, but it's far from being in the bale. In fact, most prognosticators now look for a much shorter crop than first predicted, leading to a

Mrs. Beulah Hobbs returned to work at the Court House on June 26, following a 10-day hospitalization in Methodist Hospital in Lubbock. She underwent physical therapy twice a day. She was released from the hospital on June 26.

Mrs. Mary Guyer, mother of Mrs. Charles Lovelace, was admitted to the Friona hospital Sunday, June 20, for medical treatment. She will be confined to the hospital for an indefinite period, and family members don't know exactly when she will be released. According to a family spokesman, visitors, with the exception of family members, are discouraged. The family reports that she "is doing better now."

Woodrow Lovelace is back at work and "doing just fine," according to Mrs. Lovelace. He was released from Clovis Memorial Hospital Friday, June 28, following a two-day hospitalization for tests.

Hubert Ellison of Farwell was dismissed from Clovis

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60633

PAUL'S LETTER TO THE ROMANS

One of the most enlightening books of the Bible, and indeed of all literature, is St. Paul's great Epistle to the Romans.

Paul was by nature and training a logician, perhaps the greatest logician of all time, and in this case his words were Spirit-inspired, so that we have in his epistle to the Romans a powerful logical argument as to God and man, condemnation and justification. It is wonderful thus to have God's plan of salvation explained for us. This is all too lacking in modern evangelism.

The doctrinal argument of Romans begins by demonstrating the moral depravity of man and says, even to the self-righteous: "Therefore thou art inexcusable..." (2:1).

The apostle then goes on to show that the law was given, not to help men to be good, but "that every mouth may be stopped, and all the world may be brought in guilty before God" (3:19). The conclusion: "Therefore by the deeds of the law shall no flesh be justified in His sight, for by the law is the knowledge of sin" (3:20).

Honor America July 4 EDITORIAL

A DAY TO HONOR AMERICA July 4th, 1974

John Hancock of Massachusetts signed the Declaration of Independence with a bold, elaborate and most legible flourish. It was followed by the signatures of 55 others from the 13 American colonies, 198 years ago today.

And in signing this document they called their erstwhile colonies, "FREE AND INDEPENDENT STATES", by appealing to the Protection of divine Providence (the capitals are theirs) and did "mutually pledge to each other our lives, our Fortunes, and our Sacred Honor."

On July 4, 1776, this was no empty pledge. It meant very starkly that each signer had affixed his signature to his own death warrant. Each inscription convicted its perpetrator, automatically, of treason.

Yet such was the overwhelming strength of their patriotism in their fledgling nation that they pledged their all that it might be achieved.

And in years of battle, blood, hardship and often despair, it was achieved. Today nearly two centuries later, we of America are still a nation bound by the principles set forth in that Declaration and in the Constitution which followed it.

John Adams, second President of the United States, wrote of July Fourth—"It ought to be solemnized with pomp and parade, with shows, guns, bells, bonfires, and illuminations, from one end of the country to the other, from this time forever more."

Our nation has survived much, from minor upheavals to major corruptions, to bloody civil war. But that Declaration and that Constitution remain intact. We still pledge to them our lives, our fortunes, and our sacred honor.

And in these troubled times, more than ever, we might take heed of one of our most prominent contemporary constitutional lawyers, Louis Nizer, who in a recent address at New York University Law School, said:

"Ours is a great and noble nation. We must not give vent to despondency or skepticism. . .our great nation couldn't have achieved its eminence in science, business, and culture without a healthy core. . ."

We hold these truths to be self-evident. . .

And by honoring America's founders we also honor America, itself.

Prepared by the Honor America Committee of the American Historic and Cultural Society, Inc., Washington, D.C. 20004.

Farm Bureau Hosts 'Fun' Tour For Area Residents

Approximately 38 area women representing several local organizations participated in the Curry County Farm Bureau's Fun Tour Tuesday, June 18. The tour included several area farms and related facilities, and was made by bus.

The tour, which began at the local Farm Bureau office, was under the guidance of Barbara Miller, state informational director, and Helen Kelley, county chairwoman.

While making stops at the farms of L. E. Davis, Dewey Gayle Pierce and Roy Lee Richardson, the women were given such information as the cost of irrigated wheat, the cost of drilling an irrigation well, cost of farm equipment, and beef facts, among others.

The participants asked questions of the farmers on everything from the planting of the seed to the harvesting. According to one source, the price of pesticides is up 50 percent and fertilizer is up 175 percent from one year ago.

While at the Roy Lee Richardson farm they were told that the cost of farm equipment had skyrocketed as everything else has. A tractor,

they were told, which sold a short time ago for \$8,000 was now going for \$15,000, for the price of the tractor alone.

Highlight of the tour was the stop for luncheon at the Pleasant Hill Community Center, where the tour members and news media were treated to barbecue and all the trimmings.

At the conclusion of the tour which saw the group going through an implement busi-

ness, an elevator and flour mill, the ladies were told by Mrs. Kelley, "We like the farming business, and wouldn't be in any other for anything. We realize that everyone has his troubles; all we are trying to do is get your understanding of the farmer's problems."

The general consensus of opinion among the women who participated in the tour was, "It was very thorough provoking."

FARM BUREAU FUN TOUR - Boarding the bus for the 1974 Farm Bureau Fun Tour the morning of Tuesday, June 18, were some of the representatives of area organizations invited to make the tour. To the right is Eddie Harrington, president of the Curry County Farm Bureau, and Helen Kelley, county chairwoman.

Well, we Parrs are back from our vacation trip. We covered many a mile, went through states, and saw lots of old friends. In Spokane, Wash., we visited with the Jim Wimsans, who send their regards to all their friends in Farwell. We also went to Expo '74, where our son, Gralee, had fun practicing speaking Russian to the REAL Russian people at the Russian Pavilion. (He minors in the language at Texas Tech University). We then visited with some good friends in Portland, Ore., for several days before heading for home.

Sal and Jelly Vincent recently attended a banquet for the Tuesday Night Mixed Bowling League. The banquet was held at the Holiday Inn at Clovis. Out of 20 teams in the League, the Vincents won the second place trophy. Their team is sponsored by Bender Oldsmobile-Cadillac-Datsun, Inc. of Clovis.

Mr. and Mrs. "Brownie" Brown, Winslow, Ariz., and Mr. and Mrs. Everett Christian had supper with the John McFarland family Wednesday night. The Darrell Nortons dropped by later in the evening for a visit.

Dinner guests in the home of Rev. and Mrs. W.T. Perry last Friday were Mr. and Mrs. Kenneth Moore, San Jon, N.M., Col. Moyers Shore, Bard, N.M., and Clay Shore, Denver, Colo. Overnight guests in their home on June 30 were Dr. and Mrs. Earl Nowlin, Albuquerque. Many residents of the Texico-Farwell area will remember Dr. Nowlin as the former District Superintendent of the United Methodist Church, who resided in Clovis.

Mrs. Linnie Mae Crook, Darrell and Jaquetta, have just returned from a two-week trip to Point Pleasant, W.Va. where they visited in the home of Gari Lynn and Pat Worley and family. They came home via Mesquite, Tex., and spent some time with the O.D. Jones family. They had a real good time and saw lots of pretty and interesting sights. While in W.Va. they visited several glass factories and enjoyed watching the glass blowers work.

Mrs. Aileen Teel visited with her parents, Mr. and Mrs. A.J. Brunson, in Portales Sunday.

Mrs. Doyle Ford, Mrs. O.C. Harriman and Doug spent the weekend in Electra, Tex., in the home of Mr. and Mrs. John Lee. The ladies attended a wedding shower for Vickie Lee, bride-elect of Doug Harriman while they were there. (I found all this especially interesting, since I grew up in Electra.)

Mr. and Mrs. Ralph Franse visited in Portales Sunday in the home of Ralph's parents, Mr. and Mrs. Walter Franse. Two of his sisters, Helen and Betty Franse, were there from Los Angeles, Calif., also two of his brothers, Clarence and Roy Franse, and their families, and a sister, Marie LaGrone, all of Clovis, were there. Other relatives joining the group were Frances Christoe and Rusha Smith, both of Portales.

Mr. and Mrs. Weldon Cross,

Dallas, and granddaughter Wendi, were guests in the home of Mr. and Mrs. L.R. Vincent all last week. Mr. Cross is a sister of Mr. Vincent's. They were enroute home from Denver, where they had visited with their son and family. Mr. and Mrs. Duane Cross, Wendi was returning to Dallas with her grandparents for a visit. On Wednesday night while they were here, the Vincents took them to Palo Duro Canyon to see "Texas," and on Thursday they spent the day in Clovis visiting with Mr. and Mrs. R.B. Summers and Mr. and Mrs. Leonard Smith.

Take the high cost out of cleaning rugs and upholstered furniture by making your own shampoo.

A quart of cleaning shampoo at the store costs about \$2, but you can make the same cleaner for less than 10 cents.

Use a rotary egg beater to whip one-fourth cup of light-duty detergent with one pint of warm water into a stiff foam.

To prepare the upholstery or rug for cleaning, first thoroughly vacuum any dust and ground-in dirt. Then clean a small area at a time with a soft brush or mechanical shampoo applicator, using only the dry suds.

It's a good idea to try this first on an inconspicuous area of the item to make sure none

Topping Off
The Summer

This flippy little blouse is the perfect topping for the summer of '74. Bonded under the bustline, sashed in the back, and billowing with brief sleeves, it can spruce up jeans or slacks with a gently feminine appeal.

McCall's Carefree™ Pattern # 4028 can be as cool as it is pretty if you use printed 50% cotton and 50% polyester. And it can be as pretty as it is cool if you make it of batiste or eyelet. The pattern is available in sizes 8 to 16 and could brighten up your summer like a refreshingly gentle breeze.

Corn Borer
alert!
southwestern corn borers are
threatening your corn crop

Stop southwestern corn borers before they can cause profit-robbing damage to your corn fields. Use dependable, economical SEVIMOL® 4 carbaryl insecticide... a free-flowing liquid blend of molasses and SEVIN featuring simple measurement and no pre-mixing. It's ideal for ground or air application.

SEVIN carbaryl is biodegradable, and compared with other agricultural insecticides it ranks low in toxicity to people, farm animals, birds and fish. Chances of illegal residues occurring on adjacent crops are less with broadly registered SEVIN carbaryl than with insecticides registered on fewer crops.

See bee caution on label. SEVIMOL 4 should be your choice. It lets you get tough on southwestern corn borers... and get tough sensibly.

STOP! All pesticides can be harmful to health and the environment if mis-used. Read the label carefully and use only as directed.

At the morning worship service at Hamlin Memorial United Methodist Church, Rev. Perry baptized his granddaughter.

Luncheon guests in the Perry home that day, in addition to their daughter and family, were Mr. and Mrs. Tom Hargrave of Hereford and Mr. and Mrs. Butch Hargrave and children of Lubbock.

Church Group To Ute Lake

Approximately 29 persons, including youth and sponsors, from the First Baptist Church of Texico spent Saturday at Ute Lake. The group enjoyed swimming, water skiing and picnicking.

Sponsors making the trip were Mr. and Mrs. Bill Boling, Mr. and Mrs. Bud Pearce, youth directors, Mrs. Truman Kittrell, Mr. and Mrs. Charles Bradley and Mrs. John Summers.

MRS. TERRY ARMSTRONG

Jeanne Newcomb, R. Winegeart Exchange Double Ring Vows

Nuptials uniting Jeanne Ann Newcomb and Ronnie Winegeart were exchanged Saturday, June 8, in an afternoon ceremony at the First Baptist Church of Texico. The bride is the daughter of Mr. and Mrs. Billy Gene Newcomb of Texico. Parents of the groom are Mr. and Mrs. Bobby Joe Winegeart of Texico.

The double ring vows were read by Rev. John C. Summers before an altar setting centered with a 15-branch candelabra bearing light blue candles and decorated with emerald foliage and flanked on either side with three-branch candelabra and potted palms.

The musical program included "The Twelfth of Never" and "The Wedding Song" presented by pianist Regina Kelley and soloist Linda Autrey.

The bride was escorted to the altar on the arm of her father and given in marriage by her father and mother. She was attired in a gown of cascading ruffles of scalloped acetatenylon chanti lace which swept to a cathedral train. Pearled chanti lace accented the scallops of the sabrina neckline and the lace bodice was enhanced by lace fitted sleeves which formed a point at her wrists. Her three-tiered veil of illusion, which fell into a chapel train, was caught by a small cluster of daisies.

The bride carried a white satin Bible topped by a cascade arrangement of blue carnations and white daisy pom poms accented with white satin picot streamers.

In keeping with tradition, the bride carried a handkerchief belonging to her maternal grandmother, Grace McMillan, for something old; something new was her bridal gown; something borrowed was her veil which belonged to Linda Winegeart; and for something blue she wore the traditional blue garter. In her shoes she wore pennies given her by her aunt, Carmen Phillips, which were minted in the birth years of the couple.

The bride is a 1973 graduate of Texico High School. She also attended Wayland Baptist College in Plainview.

The bridegroom, a 1971 graduate of Texico High School, is currently employed in the trucking industry.

The couple is now making their home in Texico.

Mrs. Van Crume and children, Keralee and Chad of Albuquerque, are visiting in her mother's home, Mrs. Carrie Christian, through the July 4th holiday.

The family arrived June 22 to visit while Mr. Crume is on a business trip to Hawaii.

Mrs. Crume, children and Mrs. Christian visited another daughter of Mrs. Christian, Mrs. June Darnell and family, in Amarillo recently.

Mr. and Mrs. Cecil Bowery and son, Micheal, of Houston, Tex., are visiting in Farwell this week. They arrived Monday.

The Bowerys are visiting with Mrs. Bowery's mother, Mrs. Gay Martin, and with Mr. Bowery's mother, Mrs. Janie Bowery.

The bride attendants wore floor-length blue gowns with ruffles accenting the hemlines. The empire waist bodices featured square necklines with velvet ribbon trim. They each wore a small blue veil attached to a blue satin bow.

The junior bridesmaids wore royal blue polyester knit gowns featuring ruffled empire bodices. They wore baby's breath interspersed in their hair. Each bride attendant carried a single carnation with baby's breath trimmed with blue tulle and streamers.

Serving the bride's table was John Winegeart of Colorado Springs, Colo. Brother of the bride, Nathan Newcomb, was groomsmen and also served with Dwayne Foreman, cousin of the bridegroom, as candlelighter and usher.

During the ceremony, the couple took two burning candles from a three-branch candelabra and together lighted the one remaining candle. They then snuffed the two candles symbolizing their unity as one.

As the couple started down the aisle after the ceremony, the bride and bridegroom each kissed their mother-in-law.

Mrs. Newcomb, who was escorted to her seat by her son, Nathan, selected a petal pink formal-length gown for her daughter's wedding. The gown featured an empire waist with a square neckline trimmed in embroidered braid and was accented by full Kabucci sleeves.

The mother of the bridegroom was attired in a blue and white double knit gown accented with covered buttons down the front of the dress. Both mothers wore a shoulder corsage of white carnations.

Following the ceremony, a reception was held in the fellowship hall of the church. The bride's table was enhanced

with a white net cloth over blue trimmed with blue ribbons. The table was centered with the wedding cake and a crystal punch bowl placed at one end. The white multi-tiered cake was trimmed with white flowers encircling each tier which were topped with blue flowers. Crowning the top tier was a cupid figuring and wedding bells.

The groom's table was covered with a white lace cloth trimmed in gold. Mrs. Carmen Phillips, aunt of the bride, made the galamanch sheet cake for the groom's table.

Serving at the bride's table were Sondra Hatcher and Edith Zachrel. Servers presiding at the groom's table were Pat Baer and Carmen Phillips and guests were registered by Linda Winegeart. Reception hostesses were Mrs. John Lockhart, Allie Burris and Ann Schloss.

Out-of-town guests attending the wedding were the maternal grandparents, Mr. and Mrs. Hyrm McMillan of Logan, N.M., uncle and aunt of the bride, Mr. and Mrs. Lewis Terry of Houston; uncle of the bride, F.J. Terry, Jr. of Shallowater; and aunt of the bride, Ramona McMurry and her son Tommy of Lubbock.

For her going away outfit, the bride chose a light blue pant suit accented by a necklace which was a gift from the groom.

Following a wedding trip to Dallas and Mississippi, the couple is now at home in Texico.

A rehearsal dinner was hosted by the bride's parents at Clara's restaurant the evening of June 7.

Nuptial courtesies included a miscellaneous shower at the Texico Community Center. Hostesses were Barbara Ohlson, Linda Allen, Juanita Foreman, Nora Day, Evelyn Hadley, Linda Autrey, Betsy Autrey and Aileen Pearce.

MR. AND MRS. RONNIE WINEGEART

Georgia Autrey Becomes Bride Of Terry Armstrong

Georgia Autrey became the bride of Terry Armstrong in a candlelight ceremony performed Saturday, June 22, at the First Baptist Church of Texico. Parents of the bride are Mr. Everett Autrey of Texico and the late Dollie Autrey. The bridegroom is the son of Mr. and Mrs. Deward Armstrong of Farwell.

The couple was led in double ring vows by Danny Pearce of Abilene before an altar accented by a half moon candelabra holding 15 candles, two spiral branch candelabra and a kneeling bench. Background decorations were complemented by a three-piece unity service and emerald green trees.

Musical selections were provided by Cheryl Boling, organist, and Regina Kelley, pianist. Soloist was Linda Ann Autrey.

The bride, given in marriage by her father, was attired in a floor-length gown fashioned with a fitted bodice and full bishop sleeves with deep cuffs of candlelight angleskin peau. The bell silhouette skirt featured an accordion pleated edge accenting re-embroidered venise lace. Her peau bonnet cap enhanced by venise lace flower trim held a fingertip veil of candlelight tones to match her gown. She carried a cascade bouquet of white roses, baby's breath, status and cushion pom poms entwined with ivy.

Following bridal tradition, the bride wore her mother's wedding ring as something old; something new was her wedding dress and veil; something borrowed was a lace handkerchief and she wore the traditional blue garter.

Serving her sister as matron of honor was Mrs. Millie Curry of Texico. Bridesmaids were Kim Pearce of Texico, Karen Pool and Jo Pearce, both of Plainview. Flower girls were Michelle Autrey, daughter of Mr. and Mrs. Emmitt Autrey, and Dollie Autrey, daughter of Mr. and Mrs. Ardell Autrey.

The bride's attendants wore floor-length blue and white checked gowns featuring empire bodices with short puffed sleeves and three-tiered skirts. They wore blue floppy hats with gross grain ribbons and carried bouquets of multi-colored spring flowers.

Kent Armstrong, brother of the bridegroom, served as best man with Butch Chumley of Texico, Johnny Autrey of San Jon, N.M., and Emmitt Autrey of Farwell acting as groomsmen.

Ring bearer was Emmitt Autrey, III, and serving as candlelighters and ushers were Randy Skaggs of Texico and Johnny Dane of Pleasant Hill.

For her step-daughter's wedding, Mrs. Autrey selected a sleeveless floor-length gown of pastel blue. The mother of the bridegroom was attired in a floor-length gown of pastel green with long sleeves. They each wore a miniature corsage of carnations.

Following the ceremony, a reception was held in the fellowship hall of the church. The bride's table was covered with a white lace cloth over blue

accented by the bride's and attendants' bouquets and featured the wedding cake. The three-tiered cake was enhanced by white grapes, white doves and blue flowers with the tiers separated by Grecian columns. A crystal punch bowl, candle branches and mint dishes featuring blue rose mints and nuts completed the bride's table.

The bridegroom's table was covered with a blue lace cloth and was centered with a silver coffee service and chocolate cake and nuts.

For a honeymoon trip to Ruidoso, N.M., the bride chose a light blue three-piece pant suit.

The bride is a 1973 graduate of Texico High School. She also attended Wayland Baptist College in Plainview.

The bridegroom, a 1971 graduate of Texico High School, is currently employed in the trucking industry.
