"OFFICIAL PUBLICATION OF FARMER COUNTY"

EIGHT PAGES

FIFTY-SIXTH YEAR

10 CENTS

Last week we had a most enlightening visit with Carthon Phillips. Carthon is now retired from the Air Force and is taking summer courses at the University of Texas at Austin. He was quite concerned over the activities of a group of students operating on the University campus. His description of the general appearances of these persons would lead us to conclude that they violated our sense of decency and cleanliness. We are not overly fastidious but do feel that there are minimum standards of dress and odor that make for a better regulated society. This group do not appear to us to be of this type.

Carthon also discussed the student underground newspaper called "The Rag". This "paper" is being distributed on the campus of the University openly and apparently without interference by the authorities in charge of the University. Carthon has mailed a copy of this publication and it is in the Tribune office for those who would like to come by and look it over. It certainly offends our sense of decency and taste. It also, to us at least, is written from the standpoint of condemning the system of government we love and uphold. Its "news" is slanted and is definitely written from an editorial standpoint. That is, it is not reporting but conveys a political message inimical to our system of government.

We are amazed that this publication goes unchallenged by the school authorities. We are amazed that our elected officials in both the legislative and executive branches of our state government are so lax as to let this trash prevail on the campus of the University of Texas in Austin. In fact, we are amazed, and ashamed, that it is allowed to exist anywhere in the great state of Texas.

The UT is part of the University of Texas System and has a Board of Regents composed of Frank C. Erwin Jr., chairman; Jack S. Josey, vice-chairman; Frank N. Ikard, Joe M. Kilgore, John Peace, William H. Bauer, Dr. Edward Ximenes, Rabbi Levi Olan, Mrs. Ruth Carter Johnson; and non-member Secretary Betty Anne Thedford. These persons are appointed to office on a staggered six-year basis and receive only their expenses for their work. Apparently their effectiveness is commensurate with their pay.

The present political group has been in power in the State Capitol for a good number of years and we suspect these persons were appointed by the incumbents of Austin. We know of no other way to protect your child from pornographic and subversive influences when he goes away to attend a State School than to VOTE the present officeholders OUT and not re-elect those who have been a party to such laxness on our Texas campuses.

We may wail and we may decry this type of activity but we as the electorate must in the long run assume our share of the blame for the actions of elected officials AND THOSE THEY APPOINT. We tacitly condone such actions when we consistently return them to office.

So neighbors, let us examine ourselves as we examine our officials. It might make us uncomfortable.

Quarterback Club Sponsors Feed

All Steer football squad members, dads of football players, members, and prospective members of Farwell Quarterback Club are reminded of the first meeting of the group at Steer Stadium, Tuesday, August 27, 8 p.m. A watermelon feed will be held and a film will be shown. Also, coaches will be given an opportunity to tell something about prospects for the coming football season.

Rummage Sales Will Continue

Theta Rho chapter of ESASorority will continue to hold rummage sales each Saturday afternoon from 3 to 5 p.m. for the next several weeks. The sales will be held in the building next to Rose Drug on Main Street in Farwell.

Anyone having clothing, linens, dishes and other household items to donate is asked to contact any ESA member and items will be picked up.

Saturday Is Family Night

Saturday night, August 24, 8 o'clock is time for the regular family night activities at Farwell Country Club. Mrs. Doris Herington is chairman of the hostess committee for the night of fun, assisted by Mrs. Sarah Marsh and Mrs. Jeanette Ford.

Table games will be played and members are urged to come, bring their families, and enjoy an evening filled with fun and games. Various members are being asked to bring home made ice cream and cake for the social.

New Jersey --

Twin Cities Invaded By Boy Scouts

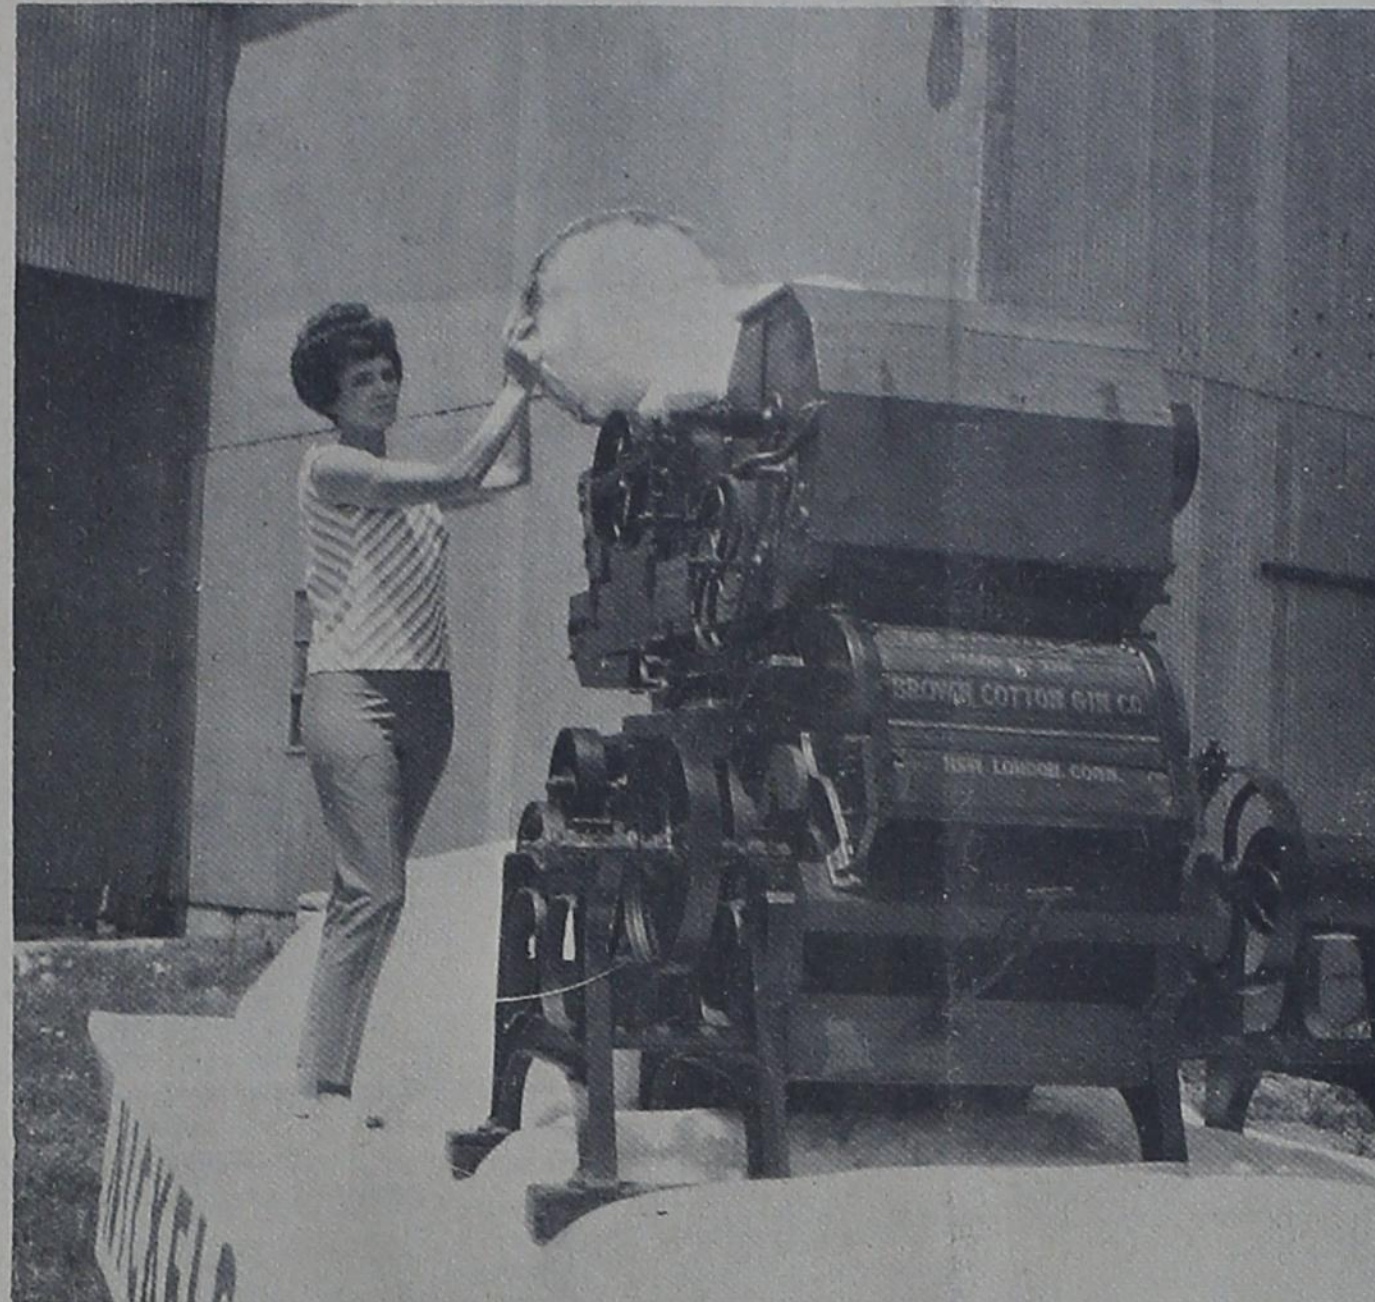

By Chris Moss

An unusual set of circumstances brought the Twin Cities much excitement and pleasure last week when a bus carrying 74 Boy Scouts and eight adult leaders broke down in Farwell and stranded the group for three days.

Around the middle of the morning last Wednesday, local scoutmaster, Gene Bitner, KZOL employee, chanced to glance out the window at the radio station to see what appeared to be hundreds of young men, all in uniform, wandering around the area across the street from the radio station, near a garage. He immediately found his way across the street to talk with the group and learn their reason for being in town.

He learned that they were all from New Jersey and that they had been on a trip to Philmont Scout Camp, near Cimarron, N.M., and were returning home. They had spent the night at Cannon Air Force Base and had come as far as Farwell when the bus broke down, leaving them stranded for what they thought would be the remainder of that day -- it turned out to be three days with delays in getting the necessary parts.

Bitner immediately began making plans with the assistance of civic groups and the Chamber of Commerce assisted by local persons for entertaining the group while their bus was being repaired. The group

had lunch at the city park on the first day and the Farwell high school gymnasium was opened for their use. Plans were made for a campfire with local Boy Scouts and Girl Scouts for that evening in the park. All of the boys were taken into local homes for the evening meal and

fellowship with area citizens. They spent the night in the Farwell School gymnasium. Area boys and girls, both scouts and non-scouts, went all out to show the visitors what western hospitality is all about. The group was taken to the country club for swimming,

played golf, and heard a talk on the history of the area by Hugh Moseley, member of the Farmer County Historical Society and county tax assessor-collector. They were also each given brochures on the Twin

VACUUM SWEEPER TOURNEY WINNERS -- Fred Chandler and Joe Helton, of Texico-Farwell, and Charles Smith and A. M. Wilson, both of Bovina, had a high score of 27, or nine under par, to defeat the field of contenders in the vacuum sweeper golf tourney at Farwell Country Club Sunday afternoon. They received the honor of donating a vacuum sweeper to the country club. Bids for the vacuum cleaner are being taken at this time, according to Fred Chandler.

Ray Hubbell Dies In Oklahoma

Ray Hubbell, 88, father of Oscar and Oris (Bill) Hubbell, both of Clovis and former local residents, passed away at Helena, Okla., Saturday morning following an extended illness. Funeral services and burial were held at Helena, Monday afternoon.

Survivors include his widow, Grace; three sons, Oris, Oscar and Olen; a daughter, Mrs. John Keiffer of Helena, formerly of Oklahoma Lane; two brothers, two sisters, 12 grandchildren, and 13 great-grandchildren.

Attending the services from this area were Oscar Hubbell, Mr. and Mrs. Oris Hubbell and Debbie, Mrs. Mitchell Walls, Mr. and Mrs. Jim Moore, Mrs. Harlin Obenshain, and Mr. and Mrs. Kerry Hubbell, children and grandchildren of the deceased; and Mr. and Mrs. T. L. Kent of Oklahoma Lane.

Guy Nickels watches carefully to see that the bats of cotton come out nice and clean. Although it was a slow process, the cotton "did" come out nice and clean and was "indeed" much faster than the older methods of cotton ginning in 1863.

Nickels Gin Co. --

Antique Gin Displayed In Farwell

What's that you have 500 acres of cotton? Well now, isn't that something? No really in this age when 15 bales of cotton can be ginned in a one-hour period, it is really nothing very exceptional.

However, things were not always this way, for back in 1863 a cotton gin could gin only four bales of cotton in each 24-hour period. Such a gin is now on display in Farwell at Nickels

Gin and was also in the Border Town Day parade recently on the Nickels Gin float.

The gin was obtained some two years ago by Guy Nickels from the Eggmeyer Gin Company at Alice, Tex. The 30-saw gin was manufactured by Brown Gin Company of New London, Conn., in 1863 and was installed at San Diego, Tex., near Alice, in 1886. Nickels estimates that at time the gin was manufactur-

ed the cost of buying and installing the gin was probably no more than \$500.

Presently the gin is estimated at a value of some \$5000. It has been donated by Nickels to Texas Technological College for use in the Moss Gallery at the museum for which contract for construction has been let. The museum will be opened sometime in 1970, and at that time the complete 1863 gin will be on display there. Until such time, the gin will be on display here in Farwell at the local gin company and at some of the other Nickels gins around the country. You are invited to come by and inspect this antique machinery.

The gins is so valuable that at one time the Smithsonian Institute tried to obtain it.

Ginners can realize how important the 1863 gin must have been only when they think how cotton was earlier ginned (worked by hand). Yes, indeed it would be hard to gin the present day crops on such a slow device, but in 1863 farmers had only a few acres of cotton and the gin was indeed a speedy way to get the cotton finished and ready to spin into cloth.

BUTANE TANK EXPLODES -- A butane tank exploded on the Walter Haws farm shortly before press time, and first reports indicate that three boys were injured although the report could not be confirmed. Tools and farm implements near the scene of the explosion were burning almost out of control although the Texico and Farwell fire department was on hand to try to extinguish the fire.

High School Enrollment Set

Farwell High School Principal Amos Tatum announced early this week that high school students should observe the following hours when registering for classes on Monday.

Seniors register at 8:30 a.m.; juniors at 10:30 a.m.; sophomores at 1 p.m.; and freshmen at 2:30 p.m. Tatum urges all students to appear promptly at the appointed hour to register.

He also states that students should bring a pen or pencil when appearing to register.

Regular classes will begin on Tuesday, according to Tatum.

Graveside Services For Suttle Infant

Graveside rites were held at Sunset Terrace Memorial Cemetery Saturday for Terry Earlene Suttle, stillborn infant daughter of Mr. and Mrs. Larry Suttle of Roswell. Rev. Philip Baker, pastor of Hamlin Memorial Methodist Church, officiated at the service.

Survivors in addition to the parents are grandparents, Mr. and Mrs. John W. Herrington, Texico, and Mr. and Mrs. H. M. Suttle, Jr. of Farwell.

O. C. McBride

Dear Turnrow Tunkel . . .

I UNDERSTAND that houseboats are becoming popular in the U. S. Many families live in them the year around.

This would have some advantages and some disadvantages. It would eliminate mowing the lawn, but it would also eliminate a husband's best excuse to get away from home for a few days. Can you imagine living in the middle of a lake, and telling your wife you were going on a fishing trip?

AS THINGS stand now, do you see a trend in favor of any particular candidate in the coming election?

Yes, if he doesn't make a serious blunder in the meantime, I think the Enco tiger will win in a landslide.

MOST LABOR leaders have endorsed the candidacy of Hubert Humphrey. Since Sen. Yarborough is very much pro-labor, why did he come out for Sen. McCarthy?

It's sort of complicated, but I'll try to explain. Humphrey is a friend of LBJ's, and Lyndon is a friend of Gov. Connally's. This makes Hubert a friend of a friend of Connally's, and Ralph wouldn't support anyone that close to the Governor.

ACCORDING TO an article in a household magazine, 50 percent of American husbands enjoy grocery shopping. I used to enjoy spending an hour or so browsing around in a supermarket, but not any more. That last 2 minutes at the cashier's counter takes all the fun out of it.

DID YOU read that the Viet Cong have promised free land to South Vietnamese peasants if the Communists win?

That's a mighty tempting offer, but the U. S. might be able to offset it. We could warn those peasants that if they accept the land we'll send Orville Freeman over there to set them up a farm program.

I UNDERSTAND that military and police officials are experimenting with several new weapons to control rioters without causing serious injury.

Figuring out a way to make those people behave without hurting anyone is quite a problem. The Government has already tried bribery, and that didn't work.

'I Am Sick Of ...'

The following address was delivered to the Oak Cliff Lions Club in Dallas at their regular noon meeting June 12, 1968, by their outgoing president, David R. Braden. This was just shortly after the assassination of Robert F. Kennedy.

The sentiments so accurately reflect the thinking of the Tribune's staff that we believe this address should be brought to the attention of as many people as possible. The text of the address follows:

"I would like to remind you today of the motto of Lions International: 'Liberty -- Intelligence -- Our Nation's Safety.' It is in that regard that I make this statement, I make it that someone might speak for the COMMON MAN of this nation--

"Who leads a common life,
 Earns a common salary,
 Has a common ambition,
 A common dream,
 . . . And pays common taxes.

"I speak to you as the for man of common men everywhere -- and as a representative. All America has been told this past week -- over and over -- that we are a sick society, Gentlemen, I propose to you I AM sick -- maybe you are sick too.

"I AM SICK TO DEATH OF BEING TOLD I AM SICK; by government officials who will not enforce law.

"By politicians who dance to the tune of minority groups . . .

"By those in the pulpit and on the college lecture platform who use their office to project the socialistic creed of radicals . . .

"I AM SICK TO DEATH OF BEING TOLD I AM SICK . . . by idealistic aggressive news reporters and evaluators (of whatever media), who have the audacity to tell me I should believe whatever they believe -- knowing I have no vehicle to publicly voice my disagreement.

"I AM SICK OF BEING TOLD I AM SICK: . . . by foppish entertainers draped in Nehru Jackets, feminine necklaces, and a cloak of pseudo intellectualism.

"I am sick of cynical attitudes toward patriotism and our American institutions . . .

"I am sick of sacrificing the cream of American manhood in political wars we are not fighting to win . . .

"I am sick of the decline in integrity and personal honor in this nation . . .

"I am sick of the permissive attitude, laxity, and tolerance to pressure groups and the criminal element that is bringing this nation to its knees in lawlessness . . .

"I am sick of seeing law enforcement agencies and the laws of this nation emasculated by a supreme court and administrators who make their personal creeds the law of the land . . .

"I am sick of dirty, unwashed, foul mouthed people -- whether you call them hippies, beatniks, or pseudo poor people . . .

"I am sick of not being able to take my family to a movie because it is loaded with extraneous offensive matter whose only purpose is to shock . . .

"I am sick of seeing the same phrases in the popular literature of the day that I see scrawled on the walls of public toilets . . .

"I am sick of so-called educators and leaders too weak-kneed themselves to understand the value of discipline in the character of a man . . .

"I am sick of a Congress which legislates out of emotionalism rather than reason, thereby taking away the rights of all . . .

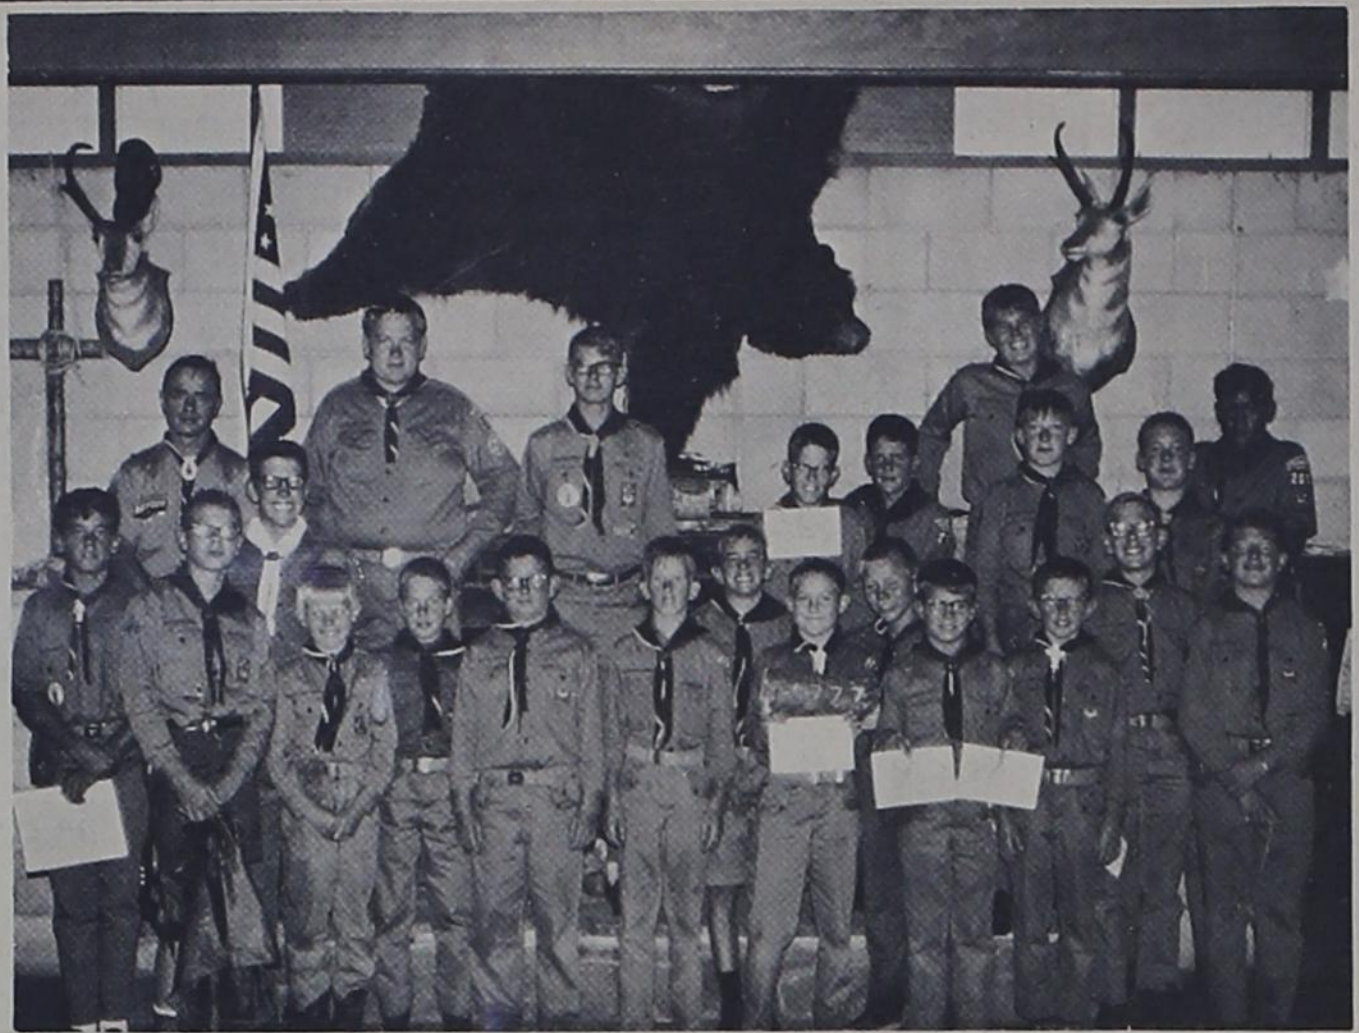

"I am sick of being told I am sick with violence because of assassinations by mentally deranged men, fed on a steady diet of violence and perversion by the nation's periodicals, press, television and movies -- all condoned -- even aided -- by courts which permit license in the name of freedom . . .

"I am sick of riots, marches, and those who force themselves and their ideologies down my throat without qualifications . . .

"I am sick of those who say I owe them everything, because of the sins of my forefathers, when I have looked down both ends of a machine gun barrel to defend them and their right to be here . . .

"Take note gentlemen in high places -- you will not see me in the streets with a placard or a gun -- you will hear the thunder of the common man at the polling place -- casting a vote for . . .

"LIBERTY -- INTELLIGENCE -- OUR NATION'S SAFETY."

AT CAMP WEHINAHAPAY -- Members and leaders of Texico-Farwell Boy Scout Troop 200 gathered in the dining hall at Camp Wehinahay for this year's camp picture. Present were (1 to r top row) Assistant Scoutmaster Bill Yohner, Kenneth Hultman of Grady Troop 205, Scoutmaster Gene Bitner, Mike Casey, Greg Taylor, Donnie Garner, Paul Thornton, Kie Watkins, Mitchell Turnbough, Loren Gibbs, (bottom row) Ted Glenn, Randy Gregory, Tommy Nabours, Ricky Johnson, Ricky Hendrix, Scott Watkins, Jackie Hiltson, David Turnbough, David McMaster, Kevin Stanley, Max Winkles, Kent Blain, and Roy Johnson.

Letter To The Editor

Chamber of Commerce
 Farwell, Texas
 Dear Sirs:
 Thank you and your town for helping all of us really enjoy a time which could have otherwise been one of boredom and unhappiness. We all had a great time, especially those of us who were able to enjoy the party given by the town girls.

We know that you all went to a lot of trouble to make our stay in Farwell as enjoyable as it was and we hope that someday we will be able to do as much for you.

Mr. John Getz
 State Line Tribune
 Farwell, Texas 79325

Texico-Farwell will not be soon forgotten by 74 Boy Scouts and eight adult Scouters from New Jersey. But, it was our people who were lucky--they had a chance to help others.

Not only did these people agree on short notice to include the boys at their Wednesday evening meals, but many also called me the next day to volunteer their services. They combined their efforts to prepare Thursday's fried chicken supper in Farwell Park. Ladies of our communities prepared some fantastic amounts of food for this, and many of our business people donated money and materials to help. Others planned various activities, provided entertainment, furnished cars, and gave of their time.

I had wanted to give you a list of names, but after checking found this to be impossible. It was really what you could call a Texico-Farwell community-wide effort.

But I would like to personally thank our citizens who treated Boy Scouts from New Jersey, as I would wish someone to treat my boys, should our Scouts ever be stranded in a strange town.

Yes, I AM glad I live in the Twin-Cities!

Sincerely,
 Gene Austry Bitner,

Leon Lovelace, son of Sheriff and Mrs. Charlie Lovelace who has spent the summer in Farwell, will leave Thursday for Texas Tech and summer training for the Raider football team.

Jerry Lovelace, another son, will also attend Texas Tech this year, but he will not leave until later in the month.

High Plains Foundation -- Cotton Products Will Be Feature Of Field Day

A cotton products display conducted by the Hale County Cotton Promotion Association, will be a new feature at the 12th Annual Field Day of the High Plains Research Foundation. All kinds of materials manufactured from cotton will be shown in the library located in the Moody Administration building from 1:00 to 4:30 p.m., September 12.

Mrs. Claudine Skipper, Abernathy, vice-president of the association, has been appointed chairman for the exhibit by Mrs. L.E. McDowell, McAdoo, president of the 13 County Woman's Cotton Promotion Association. Hostesses assisting Mrs. Skipper will be Hale County members. Each will serve for one hour so they may also view the other displays. They are Doris Weil, Jaquent Boyd, Louise Harper, Jenevia Higgins, Essie B. Scarborough, Annie Phillips, Nelda Laney and Betty Mooney.

Another display of cotton products used both on the farm and industry will be located in and around the laboratory gin. This 20-saw gin has been an attraction each Field Day. Cotton quality grades will be shown by members of the Cotton Commodity Committee. An experience ginner will also be there to tell how the gin operates to produce research cotton samples for grading and classification.

Members of the cotton commodity committee of the Board of Trustees are Don Johnson, Lubbock, chairman, Donald Anderson, Crosbyton, co-chairman; Aubrey Lockett, Vernon; Woodrow Fleming, Friona; Jack Little, Muleshoe; W.L. Edelman, Friona; Earl Eeds, Plainview; J. D. Smith, Littlefield, Roy Davis, Lubbock; John McQuien, Plainview; Ray Joe Riley, Hart; and Ben Dopson, Lamesa. Three members of the committee will be hosts at the display for one hour each. The ginner who have been invited to explain the gin operation are Henry Heck and A.L. Higgins, Plainview; Bob Lott, Higgins, Hale Center; and Bob Pinkerton, Halfway.

Men To Attend International Fraternity Meeting

Charles Kitten and Doyle Johnson, both students at West Texas State University, will be among the members of Lambda Chi Alpha Fraternity attending the international convention of that organization at the Statler Hilton Hotel in Dallas August 25-28, according to information received from the office of Director Cyril F. Flad of Indianapolis.

More than 1000 members and guests are expected to attend the four-day meeting. Delegates will represent the fraternity's 177 collegiate units in 45 states and three Canadian provinces. Several outstanding speakers will be heard during the convention, including Curtiss E. Frank, vice-chairman of Dun and Bradstreet, New York City, and Senator John Tower.

Amateur Rodeo Planned During County Fair

Members of the American Business Club of Clovis will sponsor an amateur rodeo during the Curry County Fair this year. To be held Wednesday, Thursday and Friday evenings, September 4, 5, and 6, the rodeo is open to all amateur contestants who wish to enter.

To be known as the ABC Rodeo, it will be held in the Mounted Patrol Arena at the Fairgrounds, beginning at 7:30 each evening. Ed Pruitt of Clovis American Business Club is chairman of arrangements.

The rodeo will be conducted under the supervision of H.W. Coonsman of Tucumcari, who will also be providing the stock. Any contestant wishing to enter may contact Coonsman at 2124 South Second, Tucumcari, or call him at 461-2390, Tucumcari. He will have offices in the Bronco Room of Clovis Hotel starting Tuesday, September 3, for those who wish to enter them. Entries will be taken, says Pruitt, until 5 p.m. Wednesday evening.

Tickets for the rodeo will be \$125 for adults and 75¢ for children.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER THIRTEEN ON THE BALLOT (HJR16)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article VIII, Constitution of the State of Texas, be amended by adding a Section 1-f, to read as follows:

"Section 1-f. All merchandise, products, goods or wares in the temporary custody of a public warehouseman, who has no financial connection other than as bailee for hire with the owner, shipper, or consignee of the merchandise, products, goods, or wares, are exempt from ad valorem taxation if they are shipped to or from the warehouse by regulated or bona fide private carrier, are held by the warehouseman not longer than six (6) months, and have a predetermined out-of-state destination at point of origin. The books and records relating to out-of-state shipments covered hereby of such public warehouseman shall be available for reasonable inspection by the proper taxing authorities. This amendment shall not act as a validation of any present statute or law, but only those passed specifically pursuant hereto; provided, however, that enabling legislation passed in anticipation of the adoption of this amendment shall not be invalid solely because of its anticipatory nature."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November 1968, at which election all ballots shall have printed on them the following:

"FOR the constitutional amendment to exempt certain property temporarily stored in a public warehouse from ad valorem taxation."

"AGAINST the constitutional amendment to exempt certain property temporarily stored in a public warehouse from ad valorem taxation."

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT (HJR20)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 11a, Article VII, of the Constitution of the State of Texas, be amended to read as follows:

"Section 11a. In addition to the bonds enumerated in Section 11 of Article VII of the Constitution of the State of Texas, the Board of Regents of The University of Texas may invest the Permanent University Fund in securities, bonds or other obligations issued, insured, or guaranteed in any manner by the United States Government, or any of its agencies, and in such bonds, debentures, or obligations, and preferred and common stocks issued by corporations, associations, or other institutions as the Board of Regents of The University of Texas System may deem to be proper investments for said funds; provided, however, that not more than one per cent (1%) of said fund shall be invested in the securities of any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned; provided, further, that stock eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid dividends for five (5) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors.

"In making each and all of such investments said Board of Regents shall exercise the judgment and care under the circumstances then prevailing which men of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs, not

in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income therefrom as well as the probable safety of their capital.

"The interest, dividends and other income accruing from the investments of the Permanent University Fund, except the portion thereof which is appropriated by the operation of Section 18 of Article VII for the payment of principal and interest on bonds or notes issued thereunder, shall be subject to appropriation by the Legislature to accomplish the purposes declared in Section 10 of Article VII of this Constitution.

"This amendment shall be self-enacting, and shall become effective upon its adoption, provided, however, that the Legislature shall provide by law for full disclosure of all details concerning the investments in corporate stocks and bonds and other investments authorized herein."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of the state at an election to be held on the first Monday in November 1968, at which election all ballots shall have printed thereon the following:

"FOR the constitutional amendment providing for investment of the Permanent University Fund by the Board of Regents of The University of Texas in certain types of securities within the prudent man rule."

"AGAINST the constitutional amendment providing for investment of the Permanent University Fund by the Board of Regents of The University of Texas in certain types of securities within the prudent man rule."

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER NINE ON THE BALLOT (SJR4)

SENATE JOINT RESOLUTION No. 4 Proposing an amendment to the Constitution of the State of Texas, amending Section 48a of Article III thereof, so as to provide for contributions on the basis of the full salary of members of the Teacher Retirement System; providing for the submission of the proposed amendment to a vote of the people at an election and for proclamation and publication thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 48a of Article III of the Constitution of Texas be amended so as to read as follows:

"Section 48a. In addition to the powers given the Legislature under Section 48, Article III, it shall have the right to levy taxes to establish a fund to provide retirement, disability and death benefits for persons employed in the public schools, colleges and universities supported wholly or partly by the state; provided that the amount contributed by the state to such fund each year shall be equal to the aggregate amount required by law to be paid into the fund by such employees, and shall not exceed at any time six per centum (6%) of the compensation paid each school district by the state and/or school districts; and provided that no person shall be eligible for retirement who has not rendered ten (10) years of creditable service in such employment, and in no case shall any person retire before either attaining the age fifty-five (55) or completing thirty (30) years of creditable service, but shall be entitled to refund of moneys paid into the fund.

"Moneys coming into such fund shall be managed and invested as provided in Section 48b of Section III of the Constitution of Texas; provided a sufficient sum shall be kept on hand to meet payments as they become due each year under such retirement plan, as provided by law; and provided that the recipients of such retirement fund shall not be eligible for any other state pension retirement funds or direct aid from the State of Texas, unless such other state pension or retirement fund, contributed by the state, is released to the State of Texas as a condition to receiving such other pension aid; provided, however, that this Section shall not amend, alter, or repeal Section 63 of Article 16 of the Constitution of Texas as adopted November, 1954, or any enabling legislation passed pursuant thereto."

Section 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Monday in November, 1968, at which election each ballot shall have printed thereon the following words:

"FOR the amendment to Section 48a of Article III allowing contributions to be made on the basis of full salary of members of the Teacher Retirement System of Texas."

"AGAINST the amendment to Section 48a of Article III allowing contributions to be made on the basis of full salary of members of the Teacher Retirement System of Texas."

Each voter shall mark out one of said clauses on the ballot leaving the one expressing his vote on the proposed amendment. If it appears from the returns of said election that a majority of the votes cast were in favor of said amendment, the same shall become a part of the state constitution and be effective from the date of determination of such result and the Governor's proclamation thereof.

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said special election and shall have the same published as required by the constitution and laws of this state.

Grazing Associations Help Farmers Develop Income

Farmers and Cattlemen are acquiring needed land resources by forming grazing associations and obtaining financial assistance from Farmers Home Administration, the agency's Farmer County Supervisor, Billy R. Boling, said this week.

A grazing association is composed of a group of family farmers and ranchers who join together to acquire and develop land to provide seasonal grazing for livestock belonging to its members. The non profit association is owned, operated, and managed by its members.

"Small farmers," Boling said, "can increase their incomes, make better use of land and water resources, and develop larger equity in land through use of a grazing association. This program often provides small farmers with their only opportunity to remain in farming on a profitable basis."

Other advantages of an association include providing opportunities to improve livestock quality, gain bargaining power in the market place, build more stable operations and strengthen the rural community.

"Results benefit the entire community," Boling said, "because associations accomplish better use of land and water resources and provide expand-

New Amarillo-Clovis pipeline starting operations this week adds another dimension to Santa Fe's marketing and distribution arm.

The Santa Fe Pipeline Company, a wholly-owned subsidiary of the Santa Fe Railway, has completed construction of a new 108-mile common carrier pipeline to handle jet fuel for Cannon Air Force Base at Clovis, as well as petroleum products for commercial users.

This multi-million dollar facility will have a maximum pipeline capacity of 7,200 barrels per day with storage at Clovis for 55,000 barrels of diesel fuel and 70,000 barrels of jet fuel. Amarillo will have storage for 20,000 barrels of diesel fuel and 20,000 barrels of jet fuel.

This new pipeline will provide more economical transportation for the marketing of petroleum in the busy areas of the southwest served by the distribution centers of Amarillo and Clovis.

Santa Fe has more than 8,750 huge 100-ton covered hopper cars (left photo). Each one can be loaded or unloaded in minutes, providing a fast, economical way to move mountains of bulk commodities such as grain, potash, cement, to market or manufacturing plant.

(Right photo) Containers now move from Santa Fe flat cars to and from ships to speed import and export traffic. You can reach Hawaii and the Orient faster through California ports because of more frequent sailings connecting with our fleet of fast freight trains.

Santa Fe's newest market opener is 'Super C,' the world's fastest freight train. Cutting 20 hours from Chicago-Los Angeles schedules for Piggy-Back and container cargoes, it's faster than truck and costs less than air freight.

Please don't think of us as just another railroad...

Santa Fe is the moving part of your marketing arm.

Santa Fe is moving:
 ... with new ideas, new equipment, new schedules and new transportation methods to make distribution and marketing easier.
 ... with new ways to help your planning staff gear Santa Fe facilities to your manufacturing and assembly line systems.
 ... we're opening-up new areas for plant sites, to make market expansion more profitable for you.
 ... we're moving faster to help you reach world markets more easily, by linking your plant with frequent sailings from busy California and Texas ports.
 Santa Fe moves your freight by railway, highway, Piggy-Back, container or pipeline. So don't think of us as just another railroad.
 We're the moving part of your marketing arm.

Life Is What We Make It

by Chris Moss
 "Life is what we make it," stated Merena Nanette Baldrige, daughter of Mr. and Mrs. Fred Baldrige, Texico, Route 1, who lost both arms in an accident at the age of four years.

Miss Baldrige, who was born in Clovis in 1951, spent the first two years of her life on a farm in the Texico community and then moved with her family to Portales where she lived for the next several years. How-

ever, the family returned to their ranch north of Texico some three years ago. In addition to "Nan", other members of the family are Billy, Buddy and Alan, who range in age from four years to 14 years of age.

Some of Nan's earliest memories are of being a "cow-girl"; although she confesses that she doesn't really like to ride horses. It was the cow-girl clothes and guns and holsters which really impressed her and for a while she refused to go anywhere that she couldn't take the guns and holsters.

After the accident, Nan spent many weeks in a hospital and finally was taken to Oklahoma City to be fitted for artificial appliances. After some training, she learned to use the appliances well, but confesses that she has not used them in several years now since she has found that she gets along just as well without them.

She began school at the age of five "almost six" in Portales and continued school there until she completed junior high school. Since she had already learned to do most of the things that any boy or girl of six could do, she found no difficulty in fitting into school life. She learned to write, read and do arithmetic along with other members of her class and was a participant in baseball, track and various other sports.

Although she likes to participate in sports Nan confesses

that her favorite is football (no girls allowed). Whenever it is possible she is always found at the various football games in the area although school, Texico High School, does not field a football team.

Her hobby is collecting records, especially those of Elvis Presley and Johnny Rivers, her most favorite singers. She also likes to attend concerts and other theatre productions and also go to the picture show. During the past two years she has participated in a Spanish type playlet and the Wolverine Variety Show, one of the major dramatic productions at Texico school each year.

Nan is primarily an outdoor girl though and serves as handyman around the ranch, making the drive into Clovis or Texico-Farwell, as the case may be, for any equipment that might be needed. She has been driving a car since the age of twelve years and got her driver's license at the age of 15 after completing driver training at Texico school.

Summer sports which she especially likes are swimming and rabbit hunting. Like other teen age girls, she confesses that she likes boys-and one in particular. She spends much time reading; mystery stories are her favorites. Last year she served as co-editor of the Wolverine's Tale, school paper,

Leaves For Hawaii

Janell Hudnall, daughter of Rev. and Mrs. Harvey Hudnall of Texico who has been teaching in Farmington, N.M. for the past several years, left Friday for Hawaii where she will be teaching English and psychology in junior high school at Pahala this year.

Miss Hudnall and a friend, Ruth Phillips, of West Covina, Calif., are visiting in Honolulu this week with Mr. and Mrs. Mack Cox, cousins of Miss Hudnall, who have been living in Honolulu for the past five years. Miss Phillips will return to teach in California.

Visitors In Williams Home

Recent visitors in the home of Mr. and Mrs. E. G. Williams have been Mrs. Sue Holt from Lindsey, Calif., Mrs. Maggie Ross from Artesia, and Mr. and Mrs. Herbert Williams and Danny, Lubbock. Danny Williams is still visiting in the home of his grandparents; however all of the other visitors have returned to their homes.

Attend Funeral

Mr. and Mrs. Gene Deeds and children were in Amarillo on Monday to attend funeral services for Greg Holtzclaw, four-year-old son of Mr. and Mrs. Don Holtzclaw, who passed away in San Antonio Saturday, after a swimming accident on Wednesday while the family was on an outing to Hemis Fair.

School Lunch Schedule

AT TEXICO

Monday: hamburger on bun, lettuce, pickles, onions, sliced tomato, buttered corn, fruit cup, milk.

Tuesday: steak and gravy, creamed potatoes, tossed salad with Romaine, hot rolls, butter, apricot preserves, milk.

Wednesday: pizza, buttered potatoes, green beans, loaf break, fruit cup, chocolate milk.

Thursday: barbecued beef, candied yams, pineapple and cottage cheese salad, hot rolls, butter, chocolate cake, milk.

Visitors In Ramey Home

Visitors this summer in the Peyton Ramey home have been Mandy White of Houston; Mrs. Ben Cook, Quanah; Mrs. Perry Stroud, Childress and Mrs. S. C. Ramey, Hereford.

Mr. and Mrs. Ramey have spent several weeks this summer vacationing in Colorado, Cowles, N.M., and Dallas, in addition to taking several short trips.

Ladies Country Club Association Plans Meet

Meeting of Farwell Ladies Country Club Association has been postponed from Friday, Aug. 24, until the following Friday, Aug. 30, 9:30 a.m.

Hostesses for the social will be Mmes. LaVita Gurley, Mona Hardage, Alta Geries, Geneva Farmer, and Mildred Haseloff.

Mrs. Bernice Norton, president of the association, urges a good attendance as several matters of business should be discussed.

John Getz and Johnny McDonald spent the weekend at Sacramento Methodist Camp in Sacramento, N.M., attending the Laymen's Retreat. They left Friday around noon and returned Sunday evening.

Troop 200 Boy Scouts Camp At Ft. Sumner And Santa Fe

Boys of Texico-Farwell Boy Scout Troop 200, sponsored by Farwell First Baptist Church, participated in a double camping experience August 9-11.

Camping Friday was at Alamogordo Lake, near Ft. Sumner. Boys tried their luck at fishing, worked on advancement, and explored the nearby lake areas.

Saturday the troop visited Tres Ritos in Carson National Forest before establishing camp on Rio Pueblo River, north of Santa Fe. Hikes along the river inspired plans for building a raft for transportation down the river in November.

Children Participate In Headstart Program

Twenty children were enrolled in the summer headstart program at Farwell school during the months of June and July under guidance of Mrs. Lauretta Pool, instructor, and Rose Auilera, teacher aide. Headstart is designed to help children become familiar with many advantages they might have missed and to assist in preparing them for attendance in regular school classes. Children enrolled in the classes must be five and six years of age.

During the program this summer at least half of the group who were enrolled knew little, if any, English. Although no formal English classes are taught, the children were able to learn many words through games, stories, and free play.

Children in the program are also taught many of the social graces and how to work with other children and adults.

Mrs. Pool states that without the volunteer workers, the Headstart Program could not have been so successful. The volunteer workers were able to help the children and also assist the teacher wherever possible.

Since individual attention is quite important in the program, it was possible for each child to receive the needed help with the assistance of volunteers.

The children were taken on

seven field trips to places in the area including Oasis State Park and Clovis businesses and parks. Volunteer workers included Lucy Jaime, Lupe Cantu, and Jesse Cantu, sisters and brothers of some of the children in the program. Girls who assisted in the program as a part of their homemaking activities were Sherry Watford, Gwen Rundell, Marsha Lovelace, Polly Dollar, Jean Kirk, Trummie Christian and Janiene Taylor.

Breakfast and lunch was prepared and served to the children by Mrs. James McDorman and Celia Aguilera. Mr. and Mrs. H.R. Crook were in charge of transportation for the group.

Children attending the Headstart Sessions were Ismelde Bueno, Manuel Bueno, Alicia Cantu, John Robert Cantu, Juanita and Leonor Cantu, David Dawkins, Jr., Sammy Delgado, Rosalindo Galvan, Raul Garza, Mary Jane Guana, Juan Guillen, Martha Guzman, Roy Dale Hill, Angelica Jaime, Berta Loera, Daniel Medina, Margaret Medina, Dianna Reyna, Rickie Sierra and Hortensia Glaven.

Mrs. Allie Burris returned last week from a trip which took her to points in Oklahoma, Texas, New Jersey, Florida, Louisiana, North Carolina, Virginia and Washington, D.C.

Why do people who can afford any central heating system almost always pick the least expensive?

95 percent of the centrally heated homes in this area that cost over \$50,000 are heated by natural gas. Obviously, their owners could have bought any system they wanted. Why natural gas? Because people with money demand the best, even if it happens to cost less. How is natural gas best? Five ways: (1) Fresh. Gas systems bring fresh air in from outside, heat it, and distribute it through your home. (2) Even. Gas systems circulate fresh air evenly to every corner of the house: no hot spots, no cold spots, no stale air, no odors. (3) Clean. Gas systems filter the air sky-blue clean. (4) Dependable. Gas is famous for its dependability: gas gets through regardless of the weather. Gas lines are down underground where high winds and heavy icing can't get at them. (5) Economical. Gas systems heat for 1/2 the cost of electric systems, and even people with money do not object to saving money. And of course, you don't need expensive additional insulation when you heat with gas. Result of all this excellence: 95 percent of the over-\$50,000 centrally heated homes in this area are heated by natural gas. Happy P.S.: 95 percent of the centrally heated under-\$50,000 homes in this area also do it with gas!

Terri Brown Is Bride Of Arlon Jesko

The sanctuary of Second Baptist Church, Amarillo, was setting for the double ring ceremony uniting Terri Lee Brown and Arlon Joe Jesko in marriage Sunday, August 4, at 3 p.m.

Mrs. Jesko is the daughter of Mr. and Mrs. Herman Lee Brown, 1521 Poplar, Amarillo. Jesko is the son of Mrs. Stephen Joe Jesko, 1816 Wallace, Clovis, formerly of Texico-Farwell, and the late Mr. Jesko. Dr. Herbert E. Bergstrom, pastor of Parkland Baptist Church, Clovis, directed the vows which were repeated from memory before the palm bedecked altar. Multibranch brass candelabra entwined with English ivy held tall, white candles. Focal point was provided by a formal arrangement of white gladioli and mums flanked by emerald fern.

Wedding music was provided by Joe Provence, Plainview, vocalist, accompanied by Mrs. Madeline Henshaw, Amarillo, on the organ and Teddie Brown, Amarillo, sister of the bride, on the harp. Miss Brown also played "The Lord's Prayer" as a harp solo.

The bride, given in marriage by her father, was attired in a gown of white imported Irish linen and Venice lace. Tiny linen covered buttons enhanced the back closing. Venice lace formed brief overlaid sleeves and trimmed the sabrina neckline. The controlled A-line skirt fell from the empire waistline and swept into back fullness, cascading into a chapel length train. Appliques of Venice lace flowers traced a delicate pattern on the bodice.

Her coil of pearls held the tier veil of imported silk illusion. She carried a cascade bouquet of stephanotis and fluer de mur. Mrs. Jesko presented a rose to her maternal grandmother, Mrs. Nancy Chadwick, and to her mother as she came down the aisle. She presented one to the groom's mother as she left the altar.

The bride's traditional blue garter was made by Mrs. H. J. Roberts of Hereford. For something old, she carried a lace handkerchief which had belonged to her maternal great-grandmother. The pearls she wore were borrowed from Mrs. James Dowlen. In her shoe, the bride had pennies minted in the year of her birth.

Maid of honor was Jackye Brown, Amarillo, sister of the bride. Bridesmaids and brides-matrons were Teddie Brown, Mrs. Ralph Denney, Linda Murri, and Mrs. Jim Wood, all of Amarillo.

The maid of honor wore a gown of sky blue worsted silk. Other attendants were identically attired in formal length controlled A-line gowns of mint green worsted silk with avocado green lace forming a vertical line down the front as it cascaded from the scalloped sabrina neckline. Attendants carried baskets of blue and green pompoms and English ivy.

Flower girl was Jill Dowlen of Amarillo. Ringbearers were Jeff Dowlen, Amarillo, and Stephen Jesko, Ft. Worth, nephew of the groom. Lighting the candles were Scott Brown, brother of the bride, and Charles Waller, both of Amarillo.

Attending his brother as best man was Roger Jesko, Fort Worth. Groomsman were Jerry Goree, Ft. Worth, Barry Arwine, Plainview, Pat McDaniel and Mike McDaniel, both of Clovis.

Ushers were Roy Donaldson, Oklahoma Lane, Larry Donaldson, Plainview, and Danny Murphree and Dennis Howell, both of Friona.

A reception in the fellowship hall of the church followed the ceremony. Guests were registered by Jan Blue, Amarillo. Presiding at the bride's table were Carol Coffey, Farmington, N.M., and Mrs. Cliff Harden, Lockney. Kay Lyons, Amarillo, served at the groom's table.

Music at the reception was provided by Jim Woods, vocalist, accompanied by Teddie Brown at the piano. For a wedding trip to Houston, Mrs. Jesko selected a pink worsted silk A-line dress with matching jacket of contrasting colors, accented by white accessories.

The couple is at home at 825 Norwood Drive, Colonial Apartments, number 211, Hurst, Tex. Mrs. Jesko will teach in the Hurst public schools in the fall and Jesko will attend Southwestern Baptist Theological Seminary, Ft. Worth.

Both Mr. and Mrs. Jesko are 1968 graduates of Wayland College, Plainview. Mrs. Jesko graduated from Palo Duro High School, Amarillo, and Jesko from Clovis High School.

While attending Wayland College the bride was cheerleader and Autumn Festival Queen in 1966; and Homecoming Queen in 1967 and 1968. She also served two years as vice-president of Campus Religious Organization and two years was voted, "Spinning Wheel," an honor given for leadership and popularity.

In his senior year, Jesko was president of the Campus Religious Organization, campus favorite and Autumn Festival King in 1967, class favorite in 1965 and 1966, and was voted, "Spinning Wheel" for two years. He also served as youth director at First Baptist Church in Hereford.

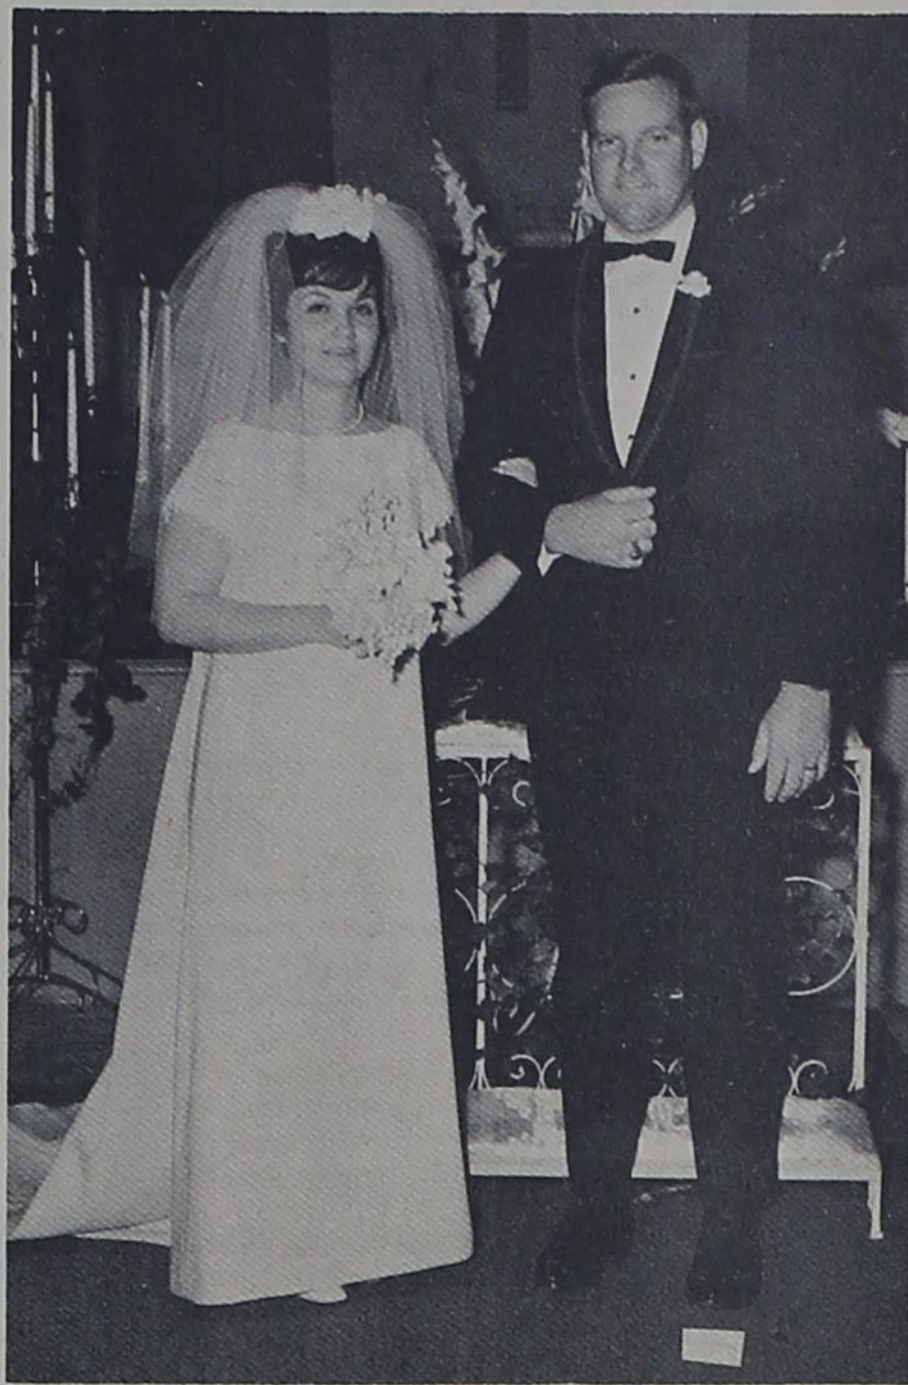

Courtesies honoring the couple were a rehearsal dinner at Supphen's Restaurant, hosted by Mrs. Steve Jesko; a lingerie shower in the home of Mrs. Joe Provence, Co-hostesses were Misses Lynn Heath, Tish Whitney, Carol Coffey, and Mrs. Provence; a shower in the home of Mrs. Ralph Denney, assisted by Lina Murri, First Baptist Church, Hereford, which Jesko served as youth director, honored the couple with a church-wide shower.

Another shower was held in the hospitality room of First Federal building in Clovis. Hostesses were Mmes. G. W. Armstrongs, George Reiser, Max Mitchell, A. R. Self, J. A. McDaniel, Carl Deaton, Ernest Pounds, Charles Hargrove, Sylvia Compton, Opal Jackson, Lonnie McQueen, Billy D. Griggs, Dick Gressett and Gordon Spies.

Out of town guests included, from Clovis, Mr. and Mrs. J. A. McDaniel, and Pat and Mike, Mrs. A. R. Self, Mrs. Paulie Jones, Mrs. Leonard Kimbrough, Mr. and Mrs. Gordon Spies and children, Mr. and Mrs. Earl Hudspeth and Elaine. From Plainview were: Mr. and Mrs. Joe Provence, Mrs. Zelma Morrison, Mr. and Mrs. Larry Donaldson, Mr. and Mrs. Barry Arwine, Johnny Beck, Mr. and Mrs. Ron Wesley, Miss Darlene Gillespie, Miss Rhea Davidson, Miss Linda Roberson, Curt Sharp.

From Hereford, Mr. and Mrs. Ken Rogers, Miss Connie Hoover, Don Hair, Miss Mary Sue Neff, Miss Becky Owen, Steve Hendon, John Stagner, Greg Herring, Jerry Sublett, Mr. and Mrs. Lynton Allred, Mr. and Mrs. Harvey Penner and Jan, Mr. and Mrs. R. G. Cook.

From Friona, Miss Risa Howell, Charles Howell, Mr. and Mrs. Curtis Murphree and children, Mr. and Mrs. Joe Jesko, Mrs. Lucy Jesko, Judy, Elaine and Debby. Others included: Mr. and Mrs. W. C. Word and Debbie, Pampa; Bob Pardue, Houston; Carol Coffey, Farmington, N.M.; Mr. and Mrs. B. D. Blacklock, Oklahoma City; Miss Norma J. McPherson, Vernon; Miss Danise Sigmon, Iraan; Mr. and Mrs. Kirby K. RA's From Texico Church Attend National Congress

Six members of the Royal Ambassadors and their counselor from Texico First Baptist Church were in Oklahoma City the past week to attend the fourth National Royal Ambassador Congress.

The Congress is held each five years. Theme of the Congress was "World Missions—Our Missions." Thirty states

were represented by 10,323 boys. The group heard several Southern Baptist Missionaries from around the world tell of the mission fields. They also saw an RCA rodeo produced by Jim Shoulders, former World Champion Cowboy and rodeo performer, especially for Royal Ambassadors. Another highlight of the Congress was an

Mr. and Mrs. Max Gary of Norman, Okla., announce the birth of a second child, a daughter, on Aug. 13. The little girl has been named Jamie Lynn. She weighed 8 lb. 1 oz. at birth.

Other child in the family is five-year-old, Jana. Maternal grandmother is Mrs. Allie Burris of Texico. Paternal grandparents are Mr. and Mrs. Doc Gary of Coleman, Okla.

A Daughter For Gary Blains

Announcement has been made of the birth of a daughter to Mr. and Mrs. Gary Blain recently. The infant, who has been named Gia Michelle, weighed 9 lb. 3 oz. at birth. Paternal grandmother is Mrs. Billie Blain. Maternal grandparents are Mr. and Mrs. John Wall of Clovis. Local grandparents include Mr. and Mrs. Ed Blain and Mr. and Mrs. L. T. Utsman.

Post Nuptial Shower Honors Mrs. Dean Seiber

A post-nuptial shower was held last Wednesday in the parlor of Hamlin Memorial Methodist Church for Mrs. Dean Seiber, nee Jackie Magill. Hostesses for the bridal courtesy were Mmes. Walter Kaltwasser, L. L. Cooper, Elmer

Langford, Bunk Phillips, T. W. Lowery and Leon Billingsley. Blue and white, chosen colors of the honoree, were used in table decorations and carried out in refreshments. Serving table was covered in white lace over blue and centered by

an arrangement of white shasta daisies and blue delphiniums. Crystal and milkglass table appointments were used and napkins bearing the names "Dean and Jackie" in blue completed table decor. Floating pineapple punch was served with individual white cake squares, iced in white and topped by minute blue confection roses, and mints and nuts. Misses Connie Phillips and Altha Lowery presided at the serving table.

Guests were registered by Carolyn Langford and Rose Aguilera. Corsages made from minute kitchen utensils tied with blue and white ribbon bows, were presented to the honoree, her grandmother, Mrs. W. F. Gable, and a sister, Mrs. Terry Lovett, Mmes. Gable and Lovett assisted in opening gifts.

Some 20 persons attended the social and many others unable to attend sent gifts.

Girls Honored

Three girls, Sharon Booth, Pam Nance and Deborah Glenn, who sold flags for Girl Scout Troop 121 recently, were treated to an evening of fun Monday evening, when they enjoyed a picnic at Buffalo Lake and from there went to Palo Duro Canyon and the Pioneer Amphitheatre to see the production "Texas" by Paul Green.

During intermission of the production, the girls, along with a Cadette Girl Scout Troop from Friona, were recognized.

Mrs. Ann Glenn, speaking for the troop said, "On behalf of Troop 121, I would like to thank all of the citizens of Texico-Farwell for buying United States flags to be flown during Border Town Days and all holidays during the year. We like to think that we have made a start in making Texico-Farwell nationally known as the most patriotic community in the nation -- where a U. S. flag is displayed on every place of

NURSERY NEWS

Those of us who have "grass-hoppered" around all summer now find that Fair Time is rapidly approaching. It is not too late, to make an effort to help those who have worked so hard to exhibit the products of the county at this specially designated time.

A word to the 4-H members that are in Home Beautification projects this year. You have a much larger selection in which to compete than those did who tried for the sweepstakes four to five years ago.

The time left from now until the Fair is hardly enough to dress a yard, but it is time enough to make plans for the next one.

I wish someone could come up with a quick remedy for the ailments of fruit trees that have plagued us this year. So far, we have been unable to pinpoint it to one thing.

Ford Outlines Program For Reducing Crime Rate

Frank Ford, Republican candidate for State Representative, has outlined a three point program for reducing the rising crime rate in Texas.

"Salaries for our Department of Public Safety and local law enforcement personnel must be such as to keep an attract high-caliber, dedicated men," said Ford.

"Volunteer work with youth must be stressed to help our young people develop into good citizens, and support for law enforcement evidenced in home and school."

"Finally, we must elect a President of the United States who is pledged to appoint an Attorney General and Supreme Court Justices who will show some concern for the rights of law abiding citizens."

Humble Oil Company --

Levy In Professional Geophysicist Position

T. Keith Levy, a graduate of Farwell High School and the University of Texas and husband of the former Norma Thomas, also of Farwell, has recently been appointed to the position of professional geophysicist in the Eastern Marine Division of Humble Oil Company, according to J. D. Skelton, assistant manager.

During this time he formulated some of the new field procedures that have proven so successful in the Anadarko Basin.

KEITH LEVY

The new district which Levy will serve will be responsible for Humble's exploration activities in the northeast Gulf of Mexico and along the East Coast from Maine to Florida. "In frontier areas where little is known of the geology, his experience and maturity of judgment have proven to be a valuable asset to Humble's exploration effort," the assistant manager said.

Following graduation from the University of Texas Levy was employed by Carter Oil Company after a period of training in the field and in Oklahoma City Division offices as a working geophysical supervisor for western Oklahoma.

Following assignments in Oklahoma City and Amarillo, Levy in 1962 was made supervisory geophysicist of the newly consolidated Amarillo District.

In 1965 he was transferred to New Orleans and the following year was assigned to work on a special division project involving frontier areas. Levy came to Houston with the newly created Eastern Marine Division and is assigned to the frontier zone.

He and his wife, Norma, have three children. His mother, Mrs. T. E. Levy, lives in Tulsa, Okla.

4-H'ers and parents responded well for the Bull Town 4-H exhibit that was held in the Legion Hall on Friday. The exhibit included information about 4-H project work and Achievement Awards. Also, 4-H'ers in the parade looked very "sharp" in their green vests and 4-H emblems.

County Extension Clubs will start off the fall program with the County Council meeting at 2 p.m. Monday, Sept. 2, at County Agent's office in Farwell. Also, 4-H Clubs will start regular monthly meetings again in September. Enrollment for the new year will be in order, as well as election of new club officers.

KEEPING UP - News in clothing are the new sweatshirts being made from knit polyester

and cotton blend which makes them washable again and again without changing shape or color.

The traditional man's shirt is being replaced by fall shades of mandarin orange, raspberry pink and striped shirts. Really nothing dull about the way the male population will look.

FOOD PRESERVATION -- seems to be high on the list at this time of year. A point to be kept in mind is the nutritive value and quality of these foods, which depends largely on the treatment before freezing, storage temperature, and method of cooking and serving.

For freezing, select ripe fruit which is slightly riper than for canning, but not soft nor mushy. Tree or vine ripened fruits contain more vitamins and have a richer flavor. In general, fruit

On The Farm In Parmer County

By RONNY McNUTT
County Agent

Over the past two years Rolling Plains Livestock Research Station at Spur has come up with following results on feeding dry grain versus reconstituted grain:

1. Sorghum grain of 25-30 percent moisture can be harvested and stored without spoilage in air-tight structures.
2. Moist grain in unground form is unsatisfactory for finishing cattle.
3. Ground moist sorghum grain produced weight gains equal to or superior to those of animals fed ground dry grain.
4. Carcass characteristics showed no significant differences which could be attributed to sorghum grain treatment.
5. Cattle fed moist sorghum grain have required approximately 10-20 per cent less dry matter per pound of gain.
6. The digestibility of dry matter and organic matter have been improved 15-30 per cent in moist grain.
7. The feeder may not realize the improvement in feed efficiency normally associated with reconstitution if the dry grain is ground before water is added or if the temperature within the moist grain is too low for the initiation of germination.

area an irrigation after the middle or last of August (normally about August 20) may prove of little value.

Soybeans

Maximum yields from soybeans normally require a summer irrigation prior to bloom initiation with succeeding applications made on 10 to 20 intervals until pods are well filled.

The period of high moisture use usually occurs in the months of August and September.

Castorbeans

In years of normal rainfall the first irrigation water usually is applied in late June or early July just before the first racome or seed head appears. The peak water requirement period usually is during July and through August, when plants are fruiting heavily.

Castors require approximately 20 to 24 acre-inches of water to produce high yields. The time of last irrigation usually is from September 1 to 10, according to the growing season.

Fire Calls Answered

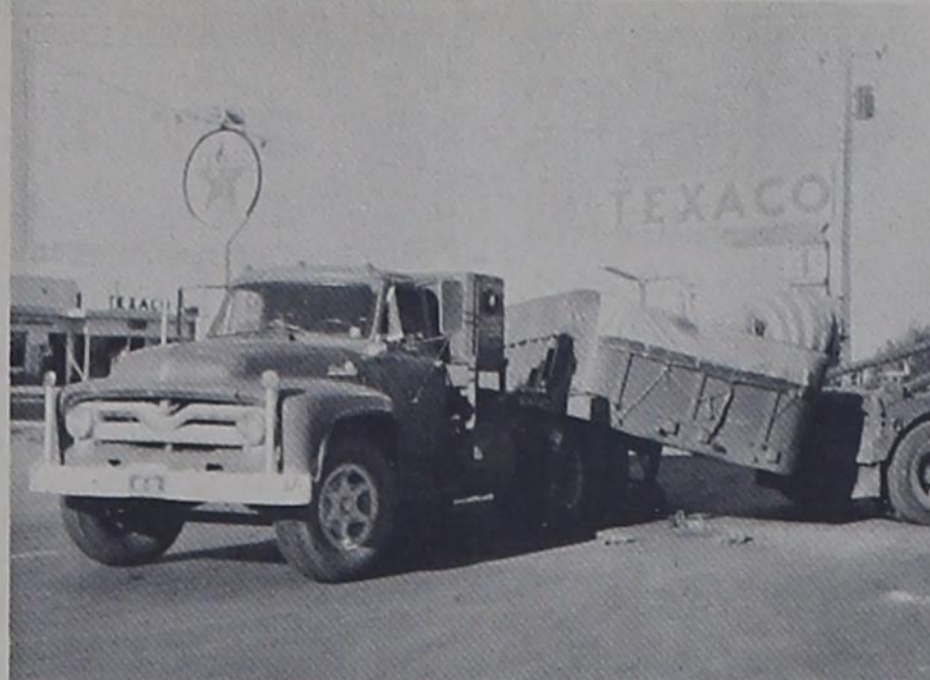

Texico Volunteer Fire Department made a run Monday afternoon to the area west of Texico where a grass fire was

burning out of control on the railroad right of way. The fire was quickly brought under control.

Farwell fire department has made no runs during the past week, according to Mrs. Wagner.

Marriage Licenses Issued

Permits to wed were issued from the office of Parmer County Clerk Bonnie Warren in recent days to Dale Eugene Gober and Tonya Vee Ivy-Aug. 14; and to Ronnie Procter and Lizbeth Castleberry-Aug. 16.

LOOKS BAD -- This truck was stranded in the middle of Main Street in Texico Monday morning for some four hours after the fifth wheel came unhooked. Town marshal Jim Light said "I was not notified of the incident and only heard about it later in the morning." Who owned the truck and where it was going and with what it was loaded was not learned. First reports were of a two-truck accident.

Freezing Vegetables And Fruits

By Cricket B. Taylor
The Extension Office is having many calls this time of year on the preparation of vegetables and fruits for freezing. Often the question goes like this, "My neighbor says she just washes, packages and freezes her corn or vegetables and she likes the results; is this method recommended?"

The answer is always this: For a good quality product, it is necessary to heat vegetables

before freezing to slow or stop the action of enzymes. Until vegetables are ready to pick, enzymes help them grow and mature. After that they cause loss of flavor and color. If vegetables are not heated enough, the enzymes continue to be active during frozen storage. The vegetables will develop off-flavors in a few months and may discolor and toughen. Heating also wilts and makes vegetables easier to pack.

Vernon Bland Graduates From Technical Institute

Vernon L. Bland, son of Mr. and Mrs. Lawrence Bryant of Farwell, has graduated from James Connally Technical Institute in Waco. The commencement exercises took place Friday, August 2.

Bland is a 1967 graduate of Farwell High School. During his enrollment at ConnallyTech he was a member of the annual staff, achieved the Dean's Honor Roll, and was secretary of the Baptist Student Union. He has completed a one-year course in commercial art and advertising.

Medical Center Dedication Sunday In Bovina

Dedication ceremonies will be held Sunday afternoon at the new medical center in Bovina. The ceremonies, at which Lt. Gov. Preston Smith will speak, will begin at 3:30 p.m. Another special guest for the occasion will be Dr. Cornelius K. Blesius, who opened his medical practice in Bovina on July 1.

Chamber Sets Meeting

Regular meeting of Farwell Chamber of Commerce and Agriculture is set for Gateway Cafe Tuesday, August 27, at the noon hour. A good attendance is encouraged by president John Getz.

Kent Blain, a member of Texico-Farwell Troop 200, although not a visiting scout consumes his share of the juicy watermelons served at the campfire meeting on Wednesday evening.

Boy Scouts --

Cities by the local Chambers of Commerce.

On Thursday when it became apparent that the group would not be able to get out of town that day, plans got underway to entertain the group again. With Mayor Elmer Hargrove as guide the group left Farwell in several cars and station wagons, accompanied by Glenden Suddarth driving the Bovina Boy Scout bus loaded with the boys, for a tour of the Parmer County Cattle Company, Sherley Grain Co., at Bovina and to attend Bull Town Days in Bovina.

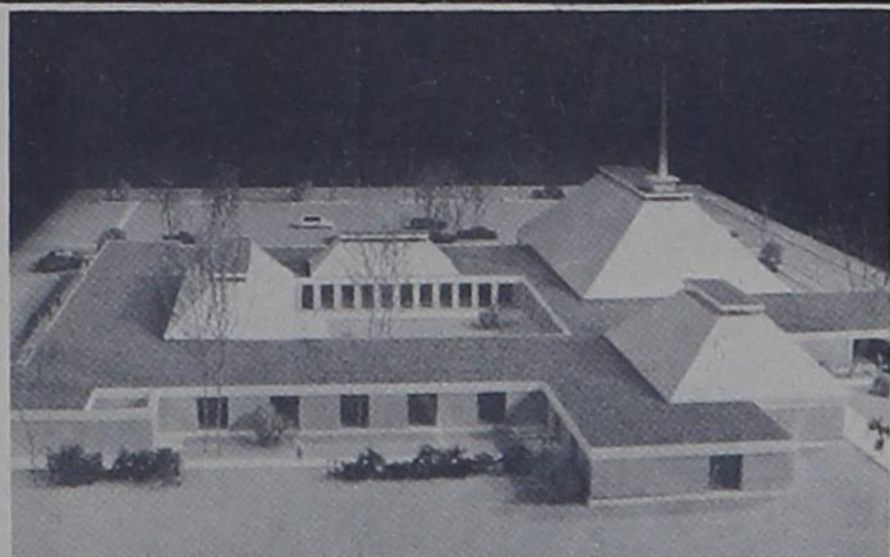

The boys were able to attend the calf roping and other Bull Town events before returning to Farwell for another swim at the country club and a picnic at the park.

The group joined by local Boy Scouts, Girl Scouts and other residents, consumed at the picnic some 40 fried chickens, 25 pounds of potato salad, seven gallons of baked beans ten loaves of bread, twelve gallons of iced tea and 200 ice cream bars, in addition to watermelons and other seasonal food, all of which was provided by local citizens.

Before leaving the Twin Cities on Friday, the group and their leaders expressed their gratitude to the citizens of Texico - Farwell who had made their stay such an enjoyable experience. "This misfortune couldn't have happened in a nicer place," said the entire group as they bid farewell to area residents with whom they had become acquainted in their short stay.

Yes, I'm glad I live in Texico-Farwell, aren't you?

MODEL OF NEW CHURCH -- Parkland Baptist Church of Clovis will have groundbreaking services at their new location near the intersection of Lexington and Ashford streets Sunday, August 25, at 2:30 p.m. The church plant will be built in phases and the first phase will consist of a chapel and educational building accommodating about 300 people and will cost approximately \$150,000. Sam Pool, son of Mr. and Mrs. Lenton of Farwell, will represent the architect, Architectural Studio of Roswell, at groundbreaking ceremonies. Everyone is invited to attend this special service.

Bowling League Approve FM To Organize Blacktopping

Farwell Ladies Bowling Association met Tuesday evening, with Mrs. Chris Ivy in charge of the meeting. Plans were made for organizing the leagues the first week in September. All ladies interested in bowling should make plans to attend the meeting if they wish to participate in the league.

Win In Toumey

Bill Prince and Leon Langford were in Muleshoe Sunday afternoon to participate in the annual Muleshoe Invitational golf tournament. Prince played in the championship flight and Langford was winner of the fifth flight.

Parmer County Commissioners Court in a meeting on Monday approved blacktopping a road connecting U.S. Highway 60 and the Farm to Market Road two miles southwest of Black. In other business, bills for the previous month were approved and warrants issued for payment of same.

Mr. and Mrs. Ronald Stevenson of Phoenix, Ariz., are visiting in the home of Mr. and Mrs. L. L. Jacobs and daughter, Sheila. They plan to return home later this week. Sheila recently returned from Arizona where she had spent six weeks visiting in the Stevenson home.

AFTER CONSUMING 20 watermelons provided by several local persons, the visiting Scouts, Troop 200 Boy Scouts, and local Girl Scouts joined in singing around a campfire.

VISITING SCOUTS harmonize with local girls at Farwell City Park following an evening filled with activities provided by various families in the community.

SHARE WITH THY NEIGHBOR -- Cindy Phillips, Farwell cheerleader, and Gil Barno, one of the visiting Scouts, seem to enjoy the thought of sharing the watermelon they are holding.

School Begins Monday --

Farwell Faculty Complete

Opening day of school in Farwell will see the faculty complete, according to Supt. W.M. Roberts, who says two resignations have been accepted in recent days and teachers have been found to fill the vacancies. Eddie Booth, who has been teaching departmental work in

the elementary school, is moving to Roswell where he has accepted assignment as pastor of a church, and Miss Jean Jackson, who had been hired earlier in the year to fill a vacancy in first grade, has also submitted her resignation.

Replacing Booth will be Mrs.

Cindy Fuqua of Portales. Mrs. Sammy Baker, wife of the local Methodist minister, has accepted a first grade teaching position. In addition, Larry Scott has been hired to teach junior high school English. Superintendent Roberts and Coach Toby Booth will be filling the vacancy in the math department created by the resignation of Ken Livingston who has moved to Kirtland, N.M.

The superintendent stated that buses will run at the regular time Monday morning, arriving at the school around 8:20 a.m. to bring elementary and junior high school students to school for a full day of activities. High school students will register according to the schedule released by principal Amos Tatum, and found elsewhere in this paper. High school students will not begin their regular classes until Tuesday.

High Plains Field Day Set

The Twelfth Annual Field Day of High Plains Research Foundation will be held Thursday, September 12, at the Foundation Research Farm at Halfway. Dr. Tom Longnecker, Director and Executive Vice-President, in announcing the date, said, "The second Thursday in September has long been established as the date for our Annual Field Days."

Five of the Commodity Committees of the Board of Trustees are planning to have exhibits of plants and products of each commodity. These exhibits will be located in the farm shop, Seed Production Laboratory and the 20 Saw Laboratory Gin. Throughout the afternoon, members of the committee concerned, plus other invited to assist who are interested in the agricultural production displayed, will be hosts for the exhibits. Plants, products, treatments and equipment used for each of the several phases of agricultural research will be shown.

Field tours of the Research Farm featuring studies underway at the Foundation will start

at 1:00 p.m. and continue until 4:45 p.m. Guides for each large truck will be professional agricultural personnel.

A popular feature of the Field Days has been the display of the latest in farm equipment and supplies. The various manufacturing firms supply the display and have representatives on hand to explain and sometimes demonstrate. The various firms are allotted space on the grounds of the Halfway Community Building on the basis of first reservations being received being given priority on sites for their equipment or products.

The display of activities and programs of the various governmental agricultural services is another feature of the Field Days. Included are: Farm Administration, Extension Division, Soil Conservation Services, Tri-County Weed Control and Home Demonstration Services.

The evening program will start at 5:00 p.m. An outstanding Agricultural speaker is a feature of the evening program. Attendance prizes will be drawn using names of those who register. Another drawing will be held for current members of the Research Foundation.

Dr. Longnecker stated that the attendance for the last several years has numbered from 3,500 to 8,000. We are expecting a large attendance this year as there are some new and interesting research results to be shown.

School Monday --

Teacher, Aides Hired At Texico

At a called meeting of Texico school board on Tuesday night, approval was given for hiring Mrs. John Wagner to fill the remaining position on the faculty. Mrs. Wagner, a graduate of Fresno State College with a master's degree in science, major in biology, has not taught before but has been engaged in social work in Clovis.

Teacher aides will be Mrs. Ruth Reid and Mrs. Betsy Autrey. Mrs. Reid worked as an aide last year in the high school. All other vacancies on the faculty have been filled earlier in the summer and school will begin with a complete faculty, according to A.D. McDonald, superintendent.

Visitors in the home of Mrs. Allie Burris recently were Mr. and Mrs. Wayne Watts and daughter, Wendy Rene, of Beeville, Tex.

TALK IT OVER -- Coaches Vernon Scott, Toby Booth, Larry Taylor and Jerry Dee Owen watch closely as the Steer squad works out and talk over the prospects for the coming year. Steers have been having two practices in a day since Aug. 19 and are scheduled to scrimmage Portales on Saturday, Aug. 31.

Buses will run on Monday at the regular time to bring children to school and will return them home that afternoon. Lunch will be served at the school cafeteria and classes will meet for short periods after students are registered.
