

The football contest prognosticators around here will always think that Friona should have beaten Dimmitt. There were only three or four hardy souls who thought otherwise. In pigskin circles, last week was the week of the unexpected. From the high school through the pro ranks the dopsters took a beating on many of the games' final scores.

One contestant, our Mayor, had been lagging in his contest score so he picked against form last week and came up with his best score of the season. We understand he is tending to give others in his family some advice this week.

Last Saturday morning, U. S. Congressman Bob Price paid Farwell a surprise visit. Saturday morning, during football season and grain harvest, is a poor time to attract a crowd, so we took the opportunity for an extended visit with Congressman Price. One point he brought out, which we believe to be of great significance in the forthcoming choosing of a President, is the fact that in the House of Representatives each state will have one vote.

Our impression had been that all 435 Representatives would ballot for the Presidency. Not so. Each state delegation of U.S. Representatives will caucus and vote for a candidate. The candidate getting the most votes of the state's representatives will be the candidate for whom the state's one vote will be cast in the final house vote. This means that a candidate for President could get as few as 25% to 30% of the popular vote and still be chosen as President for the next four years.

We, personally, have agreed with most everything we have heard George Wallace say. However, sober reflection on the possibilities, such as outlined above, will dictate that we cast our vote for Mr. Nixon. We will do this because we, also, want a change in the actions and guiding philosophies of those who run our government. We believe that Mr. Humphrey will be only a weak extension of the philosophies that have directed our government's actions for the past eight years.

In this election, we must make a clear cut decision in our choice of a President. We believe that a vote for the Democratic or Republican candidate is the only actually effective way to put your personal feelings on record. Events of the next four weeks could, of course, change our mind, but this year, of all election years, listen to reason; not political oratory and demagoguery.

We think that this coming November 5th will be one of the most significant dates in human history.

October weather on the High Plains! Is there any better anywhere? We think not. Oliver Sikes stopped us to say that they would be leaving for Florida shortly. Oliver, don't go before the end of October. You may miss some of the grand weather of the year.

**CONGRESSMAN VISITS** -- Congressman Bob Price was a visitor in Farwell for a brief time Saturday morning, talking with local persons in regard to his candidacy for U.S. Representative. He and Frank Hinkson of the Lazbuddie community talk over some of the campaign strategy. Rep. Price had previously spoken at the Water, Inc. meeting in Hereford.

**KEEPS TO SCORE** -- Greg Hargrove, Steer quarterback, pushes past two Morton defenders to go over the goal line for a Farwell TD last Friday night in the Steer's 42-0 romp of the Indians.

For Homecoming --

## Steers Stagger Morton, 42-0

On a soggy and rain slick field, the Farwell Steers put the climax on a weekend of Homecoming festivities by downing Morton's visiting Indians, 42-0, at Steer Stadium last Friday night.

A shower of rain caused the first half of the game to be a contest of fumbles, but the Steers found more handles on the pigskin and rode to a 21-0 bulge by halftime.

The game opened with Farwell's Al Phillips booming a deep kick to the Indian's Alex Soliz who returned to his own 36. The Morton attack could not get going and Morton punted to the Steers where the ball was fumbled but recovered by the Steers. The first Blue and White offensive play ended in a fumble with the Indians gaining possession. Again, the Indians fumbled for no gain.

On the next play, Mighty Mite Mahaney (Robbie) sliced through the Morton line and threw the Indian quarterback for a 12-yard loss and again Morton resorted to a punt. Dean Stovall returned to the Steer 14. Two more recovered Farwell fumbles and a penalty forced the Steers to kick to the Morton 28. After one Morton first down, the Steer defense held and Farwell set up shop on their own 17.

The wet field proved too much and the Steers punted back to Morton. The Indians fumbled on their second play and Farwell recovered on the Morton 19. The Steer ground game took the ball down to the Indians' one-yard line, but they were not able to notch a touchdown. Morton took over on third one with a first and ten.

The hard charging Farwell line rose up and trapped the Indian QB behind the goal for a Farwell safety and their first two points of the evening. Fol-

lowing the safety, the Indians

free-kicked from their own 20.

Farwell safety man Stovall returned the ball to the Steer 49. From there, Al Phillips added a yard and a half, Kyle Sheets made a first and ten taking a pitch-out, Craig Phillips rambled for another first down. Then Al Phillips took off on a 26-yard jaunt, aided by a timely Robert Haseloff block, to score the first Steer touchdown. Al kicked the PAT and with 10:19 left in the second quarter and the Steers lead 9-0.

Farwell's rock-ribbed defense held the Indians and forced them to punt and the Steers came up with the ball on Morton's 38. A completed pass to Kyle Sheets, an Al Phillips run and a Greg Hargrove keeper produced another Steer TD. A wide PAT left the score at 15-0 with 7:50 left in the half. Farwell's strong defense, aided by Milton Walling throwing the Indian ball carrier for a loss, held the Indians and they punted to safety man Dan Prince on the Steer 39.

A series of first downs by Farwell and Morton left the

Steers in possession of the ball at midfield with 1:17 left in the half. A pass to Stovall, a Hargrove keeper, a screen to Al Phillips and 22-yard heave to Prince in the end zone produced a Steer TD with 22 seconds left. The PAT was wide and Farwell entered the half-time Homecoming ceremonies with a 21-0 lead over Morton.

Demonstrating their superiority, the Steers took only two minutes of the third quarter to score on another Hargrove keeper. A Phillips PAT then made the score 28-0. The Steers kicked to Morton and Al Phillips promptly stole the first Indian pass on the Morton 34. In six plays, ending with a pitch-out to Kyle Sheets, the Steers again took only two minutes to score. A Steer PAT put the game at 35-0, with 7:43 left in the third stanza.

Coach Troy Booth began to give all his players game experience with the younger boys taking over from the varsity, led by Quarterback Gene Sheets. A real crowd pleaser was Farwell's big 220-pound tackle

## Frank Ford Answers Statement On Water, Inc.

Frank Ford, Republican candidate for State Representative in this district, has replied to statements made in last Thursday's Hereford paper by Bill Clayton's Hereford chairman, R. C. (Dick) Godwin.

"Mr. Godwin knows very well that I support Water, Inc., the local water associations, and the importation efforts wholeheartedly," said Ford, "but I am glad that he put his accusation that I oppose water importation in print as that statement and the one that I am not a member of Water, Inc. have been put out orally for several weeks." Ford added that he did not believe that Rep. Clayton was aware of these things, and did not hold him responsible.

"The greatest part of the voters in this district who have been watching this campaign," Ford continued, "know that I have spoken out often for greater concern for water resources planning, including flood control dams, more conservation efforts, and importation plans. I have encouraged Congressman Bob Price to push forward feasibility studies bringing water to this area from the lower Mississippi River, as congress must fund both the studies and actual work on any importation."

"People who know the facts know that I have been very interested in this problem for 18 years, that I worked in the legal division of the State Board of Water Engineers, and that my brother, Dr. Davis L. Ford, a civil engineer, is Assistant Director, Center for Research in Water Resources in Austin."

Ford concluded that he recognizes and appreciates Rep. Clayton's knowledge of water problems and would support him "as many others would if he should be defeated, for a state job where he could put his full talents to work for this district without the many pressures of dealing with the hundreds of other issues which confront a legislator."

## Rain Hampers Harvest

Rain in the area was reported in varying amounts last Friday afternoon. In Texico-Farwell 3/4 inches of rain was reported while in the area south of town one inch of moisture was reported.

At the country club 1/10 inch of rain fell and farther north of town (10 miles) at the Elmer Langford farm only .30 inch of moisture was reported.

Asa Smith at Sherley-Anderson Grain Co. in Lariat reports .4 inch of moisture in that area. He also reports that the rains have hampered harvest operations with grain in many instances still to wet in middle of the week, to harvest. Smith also states that the grain yield is down this year from that of last year, due mainly to the insects and hail when the grain was in the bloom stage. He states that it is his belief and most farmers agree that the yield is down from 1,000 to 2,000 pounds from that of last year.

## Lions Fall Round-Up To Be Held In Texico-Farwell

Fall Round-Up of District 40X Lions International will be held in Texico-Farwell October 19-20.

Speaker for the noon luncheon at Farwell High School cafeteria Sunday, Oct. 20, will be Robert J. Uplinger of Syracuse, N. Y., third vice-president of Lions International. The guest speaker is past director and past president of the Syracuse Host Lions Club and was elected to his present office in June of this year. He has served as district governor and earned the 100% District Governor's Award. He has been called upon to fill numerous district posts including a term as chairman of the New York State Council. His efforts on behalf of Lionism have earned him a Key Member award, two Extension awards, a merit award, a service award and a New York State Council award.

ROBERT J. UPLINGER

The Round-Up will get underway at 3 p.m. (MDT) with registration at Holiday Inn in Clovis and registration continuing at the Texico High School cafeteria from 5-7 p.m. on Oct. 19. A banquet is planned at the Texico school cafeteria at 7:30 on Oct. 19. Jim Pierce will give the invocation, and Jim

Rogers will lead the Pledge of Allegiance. Willard Smith of Clovis Evening Lions Club will act as master of ceremonies for the banquet.

On Sunday, Oct. 20, activities get underway at 7 a.m. with registration at the Farwell school cafeteria. Coffee and doughnuts will be served during the registration period. Joe Helton, local Lion and District 40X Governor, will call the meeting to order at 8 a.m. after which Harry B. Martin, president of Texico-Farwell Lions Club, will extend the welcome to visiting Lions. Response will be given by L.J. Fraudenorfer, past district governor.

Twenty-minute seminars will be held on the following subjects: presidents and vice-presidents, secretaries and treasurers, attendance and membership, club projects, eye bank, and conventions. Conducting the seminars will be Bert Jones, Artesia; Gerald Dorrough, third deputy governor, Clovis Noonday Club; Oran Robinson, Conchas Dam; Clyde Allensworth, second deputy governor, Roswell; Tom Embury, Lovington; Joe R. Sanchez, Santa Rosa; and Loyd Franklin, Clovis Noonday Lions.

At 12:30 a luncheon will be held at Farwell school cafeteria with Willard Smith again acting as master of ceremonies. Lenton Pool will give the invocation and James Craig will lead the Pledge of Allegiance. Presentation of awards will be made by John Getz, Cabinet Secretary, Carl Rodolph, Clovis Noonday Lions Club and past International Director, will introduce the guest speaker. The convention will adjourn following the luncheon on Sunday.

**WINNERS ALL** -- Mrs. Tommie Snodgrass, left, first flight first place winner, and Mrs. Betsy Stone, right championship runner-up, hold the silver trays they were presented for their awards; while Mrs. Julia Langford, championship flight low net winner, displays her silver relish dish and the plaque on which the name of the club champion was engraved. Mrs. Beverly Christian, second place first flight winner, also received a silver relish dish. The tournament was completed with a covered dish luncheon Thursday.

## Sundown Is Next Foe For Farwell Steers

Farwell Steers will go against the Sundown team, who Coach Toby Booth says is one of the best Class B teams in the area, tonight (Friday) at Sundown. Earlier this year, Sundown defeated the Sudan Hornets, 15-14.

Coach Booth stated that Farwell sports fans should not be fooled by the fact that Sundown is a Class B school. "They have one of the finest fullbacks in the area," he said.

Game time is 8 p.m. at Sundown.

\*\*\*\*\*

First conference game is set for Friday, Oct. 18, when the Steers meet Springlake at Springlake. The next week, Oct. 25, they will continue conference play by meeting Kress Kangaroos at Steer Stadium.

In the final three games of the season, they will meet Vega, there, and Bovina and Sudan, here, in conference games.

Coach Booth urges all sports fans to go to the games and support the Steers.

## One Killed In Sunday Accident

One person is dead and two have been hospitalized as result of a two-vehicle accident at Clay's Corner near Lazbuddie Sunday afternoon at 5 o'clock.

Killed in the accident was Mrs. Donald Park, the former Miss Brenda Gayle Truelock, who had been married only two hours and 50 minutes at time of the accident which resulted in her death. Injured were her husband, who has been hospitalized in Muleshoe, and Pete Jesko, Friona, Route 1. Neither of the men were seriously injured according to Robert Shedd, highway patrolman who investigated the accident. Jesko is hospitalized at Clovis Memorial Hospital.

The Jesko vehicle, a 1968 Dodge pickup, was struck broadside by the Park vehicle, a 1965 Chevrolet, at the center of the intersection, according to Patrolman Shedd.

## Bill Clayton Appreciation Dinner Set

Herman Jesko is chairman of the finance committee in charge of ticket sales in Farmer County for the Bill Clayton Appreciation Dinner to be held in Littlefield Monday, Oct. 14. The affair will be held at the Junior High School gymnasium.

Chairman of the tickets sales in Bovina is Dolph Moten;

In addition to Bill Clayton, who has been serving the 72nd district as representative since 1962, other speakers will be Ben Barnes, democratic nominee for Lieutenant Governor, Rep. Gus Mutchner, next Speaker of the House, Rep. Ralph Wayne of Plainview, and Senator Jack Hightower of Vernon.

## O. C. McBride

## Dear Turnrow Tunkel . . .

Don't you think many current television shows are unfit for children?

It's pretty hard to shock kids these days, but some of the shows are so raw that my wife and I are embarrassed to watch them together. We have worked out a little system -- she watches the afternoon soap operas, and I watch the late shows at night.

\*\*\*\*\*

I read that a prominent scientist said there are intelligent beings on other planets, and they have been observing life on Earth from flying saucers. If he's right, why have none of them landed?

Well, the man said they were intelligent.

\*\*\*\*\*

Russia and the U.S. have agreed not to use the moon for military purposes. Do you approve?

Yes. Judging from those photographs, keeping soldiers happy on the moon would require a heckuva good PX.

\*\*\*\*\*

Have you been reading about the gal with the well-filled sweater who has been attracting huge crowds along Wall Street during the lunch hour?

Yes, but I'm not surprised. Bankers and stockbrokers are always interested in figures, and you'll have to admit that 43-25-37 is a pretty nice Dow Jones index.

\*\*\*\*\*

Did you know that "catfish farming" is increasing in the South? More than 26,000 acres of farm ponds are being used for fish production. Sounds like an interesting business, if Orville Freeman can be kept out of the act. He'd probably want to set up a government loan program, and give each producer a catfish allotment.

\*\*\*\*\*

I read that after four years, the Government's "aid to Appalachia" program has not been successful. Fellow in the barber shop the other day said he was against all this foreign aid. He said we ought to help Americans first, and if the Appalachians didn't like it, let 'em go ahead and turn Communist.

## GETTING OUT... the Vote

Mrs. Jones is active in all types of community work. She is active in politics at the local level. From a list of voters at her elbow she telephones to see if any local residents need the services of the various car pools. Because of this service many who could not otherwise do so, get to the polls and vote.

But more than this, Mrs. Jones is a friend and servant of God. She supports her church and its services because she knows it is the center of all that is good and worthwhile in the Community. It is a place where the souls of men are uplifted and saved.

We, ourselves, would do well to emulate Mrs. Jones. May we urge that you, also, not only vote, but help get out the vote -- that you not only attend church, but support it actively with your service.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

A WINNER every time when you bring your grain to Worley Grain Co., states Herb Potts as he congratulates Robert Haseloff on winning second place prize in the weekly football contest. First place winner, Randy Jones, was unavailable for a picture.

Football Contest --

Second Prize Added

Fourth week of the merchant's armchair football contest saw eight new entries and a second place prize added. Contestants will now be vying for not only the two tickets to the Cotton Bowl and \$50 expense money, but also for the second prize, two tickets to the Sun Bowl game and \$25 expense money. The second prize has been added due to the sponsorship of more merchants than ever.

The Sun Bowl game will be played on Dec. 28 in El Paso and offers the added attraction of a Disneyland Show at half-time.

Leading in the contest at the end of four weeks is Greg Meeks with 27 games called correctly. In second place with 26 games right is Mrs. Gwen Hughes, while third place entries are Mrs. Roy Everett, Earlene Porter, Mae Porter, and Gloria Herington with 25 games called right.

First place weekly winner in the fourth week was Randy Jones a student at Eastern New Mexico University, who called seven games correctly. Robert Haseloff also called seven games correctly, but was six points farther off on the tie-breaker game score than was Jones. Third place winner for the week was Leon London, who had called six games right. He

Reeves Services Held Friday

Graveside rites were held at the Portales cemetery on Friday for Wilford Birdell Reeves, 51, of Clovis, former Farwell resident, who died the previous Sunday at his home. Mr. Reeve was a partner in the Nickels Ginning Co. of Muleshoe.

He is survived by a son, Richard Pryor Reeves of Houston, and his mother, Mrs. Henrietta Reeves of Clovis, and also two grandchildren.

Pallbearers were Doyle Green, Claude Riley, L. L. Gilley, Bobby Nickels, Ed Nickels and J. A. Nickels. Chapel of Memories Mortuary was in charge of arrangements.

AN EASY SALE -- Tiny Lynn, local recording artist, was quick to buy a can of "Pollywogs" candy from David Turnbough (left) and Max Winkles, members of Texico-Farwell Boy Scout Troop 200. Sales will continue through Monday night, when the troop will sell door-to-door in Texico and Farwell. Boys will not be in uniform Monday night, due to Boy Scouts of America regulations, but will wear identification cards. Each can of candy sells for one dollar.

School Carnival Set

Friday, Oct. 18, 8 p.m., is time for the annual school carnival at Texico School. The carnival is being sponsored by the Student Council and funds raised at the event will be used for additional tables and chairs in the elementary and high school libraries.

Highlighting the affair will be the coronation of a carnival queen and carnival king. The king and queen will be selected by "penny" vote and you are invited to participate by supporting the boy or girl of your choice.

Full details on the carnival will be carried in the next issue of the Tribune along with pictures of the king and queen candidates.

GOOD CITIZEN -- Gary Green, son of Mr. and Mrs. Doyle Green and a sixth grade student at Farwell Junior High, is not only a "good" football player but also a "good" citizen having been chosen "good citizen" for the week Sept. 30-Oct. 4.

Plans Fund Raising Events

Farwell High School Band is planning a trip to the Tri-State Band Festival at Enid, Okla., in May. In order to raise funds for the trip, the band and Band Boosters club members will be sponsoring several events throughout the school year.

First of the fund raising events is a car wash, set for Saturday, Oct. 12, across the street from Marshall Junior High school and next door to the Dairy Queen in Clovis. The event will start at 9 (MST) and end at 7 p.m. Also in the near future, the band will be selling Halloween candy.

Band Boosters are planning to compile and sell a book of favorite recipes of area cooks. Therefore, if you have a favorite or unusual recipe, call Peggy Snider, 481-3864; Mrs. L. C. Herington, 481-3867; or Mrs. Ted Glenn, 481-9094. Present plans call for the cookbooks to be compiled and sold in January.

Also on the agenda for the year is a Variety Show, planned for the early part of December. The show will feature local talent, student and adult, and promises to be an entertaining evening for all.

FHA Salute To Soldiers Project Begins

Farwell FHA has begun a project "Salute to Soldiers" with gifts to be mailed by Oct. 15. They are inviting anyone who wishes to do so to participate by donating items for the packages which will be sent to Vietnam. Anyone who wishes to contribute items may contact Nedda Foster, Rene Walser, Becky Taylor, Tina Rundell, Camille Hobbs, Linda Meeks or Vickie Blain, and the items will be picked up.

Items which may be shipped include candy - no chocolate, cookies-non-perishable, Kool-aid (pre-sweetened), razor blades, toilet articles, paperback books, Redi-Pop (popcorn which may be popped in the container), and several other non-perishable foods.

Mrs. Florence Mason Buried

Funeral services were conducted from Muleshoe First Methodist Church Thursday afternoon for Mrs. Florence M. Mason, 89, of the Lazbuddie area, who passed away after a short illness at Clovis Memorial Hospital Tuesday morning.

Officiating at last rites was Rev. J. Waid Griffin, Rev. Johnny Tims and Rev. Jack Welch. Burial was in Bailey County Cemetery at Muleshoe with Singleton Funeral Home directing.

Born in Brown County, Kan., Mrs. Mason came to Muleshoe in 1928 from Kiowa County, Okla. She was a member of the Lutheran Church.

Survivors include three sons, Lee R., Clarence R., and Marvin C., all of Muleshoe; a daughter Mrs. Jim Mann, also of Muleshoe; 11 grandchildren, 25 great-grandchildren, and one great-great grandchild.

Mrs. W. N. Foster, who was hospitalized in Clovis for several days for treatment and tests, has returned home and is in satisfactory condition.

## NURSERY NEWS

By Alvin Woodburn  
Garden Center Nursery  
Clovis, N.M.

We had the pleasure of attending the Redbud Garden Club flower show this past week at Farmers Electric hospitality room. From the quantity and quality of the exhibits, it could easily be said that there are some mighty fine gardeners in this area. There were a lot of plants displayed that gave us a lot of ideas that we hadn't thought of before. Of course, the ones that exhibited the different entries didn't just happen onto them. Like about everything else we undertake, we must expend some effort -- to reap much.

One of the plants that was shown to good advantage was a grouping of blooms and a branch of the clematis vine. Clematis is a very nice perennial and an ideal plant to use. They don't require a lot of special attention and will reward the culturist liberally for the effort spent. There are quite a variety of colors in the blooms, as well. Again, even without special care, there are certain practices that will pay off.

Most of our plants will grow roots during the winter months and make the top growth during the summer. A plant that has the correct amount of plant food, soil conditioners and other items will use them as nature intended and will be a much healthier, sturdier, more disease and problem free plant.

A study of the "Wise Garden Encyclopedia" tells us that "clematis (klem'-ah-tis) is a genus of herbaceous perennials or woody climbing plants of the buttercup family, widely distributed in the temperate regions. They thrive in well dug and enriched light loamy soil and appreciate an annual dressing of rotted manure." Some of the enemies are leaf spot, stem rot, and the clematis borer. A good application of "Sulfa-sol" will furnish enough sulphur to help considerably in controlling all of them, and at the same time, furnish enough iron to give the leaves and blooms a rich color that we like. When nature furnished us with the soil in this area, we were given enough lime to last a long time.

Mr. and Mrs. C. C. Christian accompanied by Mr. and Mrs. Luther Grissom and Lola Jean of Bovina spent the week-

end making a tour through Cimarron Canyon, Tres Ritos and visiting the Red River area to see the aspens.

Each day is a new and exciting experience for Mrs. W.W. (Gale) Engram who moved to Texico-Farwell a few years ago after spending most of her life in Clovis.

Mrs. Engram, the former Gale Shipman, daughter of Mr. and Mrs. Wesley Shipman and granddaughter of Mr. and Mrs. Joe McGregor, former Farwell residents who now live in Clovis, grew up in Clovis and attended Clovis schools. She was graduated from Clovis High School in 1963 and almost immediately moved to Albuquerque where she was employed by the Public Health Services as a laboratory clerk. She later worked as a dental assistant in Albuquerque and finally moved to Farwell where she was employed in the local offices of Southwestern Public Service Co., until her marriage to William Wesley Engram, a local young farmer. The Engrams have one son, David Joe.

This industrious young lady spends much time in canning jars of fruit and vegetables to stock the family larder, and in keeping her yard and garden. In addition, she is an accom-

plished seamstress, making most of her own clothes. She has entered clothing in the Cotton Extravaganza on various occasions. As a child and teenager, she was a 4-H club member and finds this training a great boon in the duties of making a home. She is also an excellent cook and is always willing and eager to try any new recipe to tempt the palate of her family.

Presently she and her husband are assisting her parents in remodeling an old school bus into a camper to be used for fishing trips, hunting trips and for "just generally enjoying life on outings," which the family plans to take in the future. The remodeling job is a joint enterprise with each contributing his share of the necessary funds and labor.

Mr. and Mrs. Engram are joint chairmen for publicity of the Young Ranchers and Farmers Association of Curry County and of the Texico Community, and she serves as first vice-president of Texico Woman's Club and is also chairman of Foreign Missions of Kingswood Methodist Church Woman's Society of Christian Service,

where the family is active in church circles.

Favorite sports of the couple include football and basketball. Her husband participates in a Men's Basketball League each fall and winter, thus allowing Mrs. Engram to spend much time (at ball games) exchanging favorite recipes and household tips with other young wives whose husbands are also in the league.

Included in the list of favorite foods for the Engram family is Chicken - Rice Casserole served with a peach dessert.

**CHICKEN - RICE CASSEROLE**  
Boil one medium size chicken until it is tender and slips from bone; bone and dice chicken and set aside saving broth. Now add 2 1/2 cups quick cooking rice to broth and cook until tender, add salt to taste. When rice is tender add one small can cream chicken soup and cut up chicken and pour entire mixture into casserole dish. Top with 1/2 cup grated cheese and place in moderate oven, 375 degrees, bake approximately 15 minutes or until cheese melts. Remove from oven and serve with tossed green salad for a quick and complete meal.

**PEACH DESSERT**  
Using large can peach halves, place peach halves on cookie sheet and into each half put a small pat of butter, sprinkle with cinnamon and nutmeg, place in broiler for 6-8 minutes or until butter melts. Serve immediately. Peach halves may be garnished with cherry.

PEP CLUB BEAU -- James Symcox, senior Steer end who was injured in the first game of the season, was crowned "Pep Club Beau" at halftime ceremonies Friday night at the Homecoming game. No one was more surprised than James who was a picture of embarrassment as he accepted a congratulatory kiss from Karen Verett, Pep Club president.

HOMEcoming QUEEN Debbie Chandler accepted her crown from Co-captain Al Phillips at Homecoming activities Friday night. She was crowned 1968 homecoming queen and football sweetheart. Miss Chandler is a senior and daughter of Mr. and Mrs. Fred Chandler. Co-captains Kyle Sheets and Milton Walling presented the "queen" with a bouquet of red roses and a gift from the team members.

## Main Street Lazbuddie

Captain and Mrs. Don Watson of Ft. Rucker, Ala., are parents of twin daughters, born Oct. 7. The little girls, who weighed 6 lbs. 10 oz. and 6 lbs. 4 oz., respectively, have been named Donna Relaine and Annie Christine. Grandparents are Mr. and Mrs. Coy Wheeler, Columbus, Ga., and Mr. and Mrs. C. A. Watson, Lazbuddie. This is the fourth set of twin girls in the family, since Mrs. C. A. Watson, has twin sisters and twin daughters and also another set of twin granddaughters.

Myrtle Steinbock was winner of a color TV given away by an area beauty shop last week.

Mr. and Mrs. Marion Green and family from Stratford were visitors at Lazbuddie Methodist Church last Sunday.

Mr. and Mrs. Joe Bates Jennings are spending the week at the Jennings ranch near Del Rio, Tex.

Mr. and Mrs. Harvey Bass and Mrs. C. A. Watson were in Lubbock to visit with their father, H.I. Bass, on Sunday at the Methodist Hospital. Mr. Bass, 95 years of age, who is a resident of a Muleshoe Nursing Home, fell Saturday breaking a hip. He is doing as well as can be expected.

Mr. and Mrs. Chunky Ivy and family from Roswell visited in the home of Mr. and Mrs. Olen Ivy Sunday. Other guests in the Ivy home were Mrs. T. D. Reed and Mr. and Mrs. Junior Matthews.

Mr. and Mrs. Bill Henson and Jeff from Levelland were

## SMITH-DOUGLASS DRY FERTILIZERS

Questions most frequently asked about proper lubrication by farmers and ranchers.

Q. What do you mean by "API Engine Service Classification" and these letters MS, DM and DS?

A. This system developed by the API (American Petroleum Institute), provides a guide for the selection of oils suitable in various engines. It classifies general ranges of service needs based upon Engine design and construction-Operating conditions-Fuel Characteristics.

Here's how it works. Each service class is designated by letters. This provides a convenient means for the engine manufacturer to indicate the service characteristics of his various engine designs and hence their lubrication requirements. Similarly, oil companies use the letter designations to indicate which class, or classes, of service each of their motor oil brands is suitable. Operators can thus select the types best suited to their needs.

If gasoline or other spark ignition engine is involved, there are three kinds of service to consider, with the M standing for "gasoline Automotive". Service ML-light service, Service MM-moderate service, Service MS-severe service.

If a diesel engine is involved there are likewise three kinds of service conditions to consider, with the D standing for "Diesel Automotive".

Service DG-general (not severe operating conditions), Service DM-moderately severe operating conditions, Service DS-very severe operating conditions.

YWA's Have Salad Supper

Young Women's Association of Farwell First Baptist Church held a salad supper at the community room of Security State Bank last Wednesday to welcome new members, bid adieu to Mrs. Omata Scott who is retiring as YWA leader, to install officers, and to thank ladies who have assisted in their program throughout the past year.

Officers installed for the coming year include Sue Lawson, president; Sheila Garner and Marriam Busbice, study leaders; and Linda Meeks and Debbie Chandler, activity leaders. Leaders for the group during the coming year will be Mrs. Pat Owen and Mrs. Sue McNutt.

Ladies who were honored by the group included Mmes. Maxine Williams, Caroline Anderson, Hattie Coffey, Irene Henson and Carol Dean Huggins. Mrs. Lois Smith, WMU president, was in attendance at the meeting as a special guest. New members welcomed were Sheila Garner, Debra Garner, Vickie Blain and Meredith Anderson.

Other members attending the social were Linda Meeks, Rene Walsler, Sue Lawson and Debbie Chandler. Also attending were Mrs. Joel Tankersley and Mrs. Jackie Tankersley.

Spends Four Weeks In Illinois

Mrs. Hedwig Gast returned home Tuesday from a four-week visit in Earlville, Ill. While in the Illinois city, she attended the 100th anniversary celebration of the Emmanuel Lutheran Church, where her parents and grandparents had been charter members. She also visited with many relatives and friends including sisters and brothers. "It was a wonderful trip indeed," said Mrs. Gast.

WTSU CHEERLEADER --- Connie Phillips, daughter of Mr. and Mrs. A.F. Phillips and a freshman student at West Texas State University has been named a cheerleader at the school for this year. Miss Phillips, who served as cheerleader at Farwell School for several years -- head cheerleader and homecoming queen during her senior year -- was named for the cheerleading honor in a student election Tuesday. Twenty-three girls from the freshman class had tried out for the honor of participating in the election last week, with Miss Phillips making the highest score on the test which included poise, ability, personality and presentation of cheers as well as several other categories. Six girls were chosen cheerleaders from the ten girls who had previously been selected to participate in the election on Tuesday.

She'll rate rave reviews when she wears this fabulous furled fashion coat. Lavished with Blue Fox, the FRIEVANA fabric features well-designed and tailored details. The one-piece back hangs in a free-swing silhouette. A luxury look that's labeled Bettie Jean, of course.

# National 4-H Week

National 4-H Week, October 6-12, will be observed across the nation by more than three million 4-H youths, a half-million volunteer leaders, thousands of professional workers and friends of 4-H.

The unprecedented expansion of 4-H in the last decade will be highlighted, according to Cricket B. Taylor and Ronny McNutt, Parmer County Extension Agents.

One of the advances in 4-H project work has been more emphasis on science, experimentation and efficient farm and home management. Personal development and leadership also have been accelerated.

Introduction to 4-H via television is another major advance. Projects such as general science, automotive, electric, dog care and training, and emergency preparedness are among the TV series offered by the Cooperative Extension Service. About a million boys and girls between nine and 19 years of age have participated in TV this past year.

Any boy or girl can be a 4-H'er; as a regular club member, a TV member, or a short term project member. The Extension Service has worked out simplified programs to fit

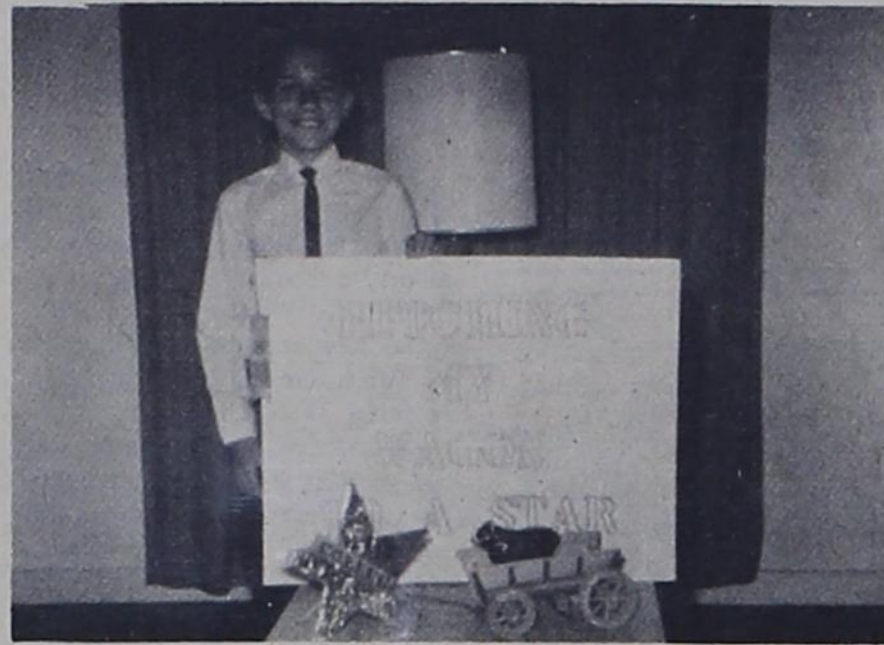

families in isolated or low-income communities.

The 4-H youths are engaged in projects or activities that cover just about every home situation, personal goal and ability. Among some 50 programs which carry awards for outstanding achievement, are home economics, health, safety, field crops science, conservation, livestock, marketing, photography and veterinary science.

Support comes from private industry in the form of scholarships, educational trips, reference books and technical assistance. The county and state Extension Service is the mainstay of the overall 4-H program.

"There's something for everyone in 4-H -- including parents -- and everyone gets something out of 4-H," observe the Extension Agents. Working on projects of their own choice often paves the way for a college education or a future career, they added.

The slogan for National 4-H Week is "Join 4-H ... A World of Opportunity." Parents are invited to learn more about 4-H and enroll their youngsters. Information can be obtained from Ronny McNutt, phone 481-3619.

MONEY MANAGEMENT demonstration given by Kelly Head, member of the Lucky Clover 4-H Club, won second place in the county contest and fourth in the district contest. Instructor for the course was Mrs. John Christian.

### "WHERE THE ACTION IS"

Where the action is seems to be utmost in the minds of many of our young people today, according to Jack Seibert, editor of the National 4-H News magazine. They must have the feeling of belonging, of being wanted, of being "where the action is." And being a part of that action is important, too.

With their vast supply of almost unlimited energy, many times it is difficult -- and in some instances impossible -- to keep their energies and interests channeled in the right direction.

Too often, newspapers carry front page stories of youth who have expended their energies just for the right direction.

"Look at me, please, I just want to be noticed," is what they seem to be saying. But, by the time they are on the front pages, it may be too late.

Already they have lost their self-respect -- the respect of others in their own age group -- the respect of adults -- the respect of their communities. They've lost sight of the true value of responsibility toward themselves; toward others. And they have lost respect for the rights of others.

"The answer is 4-H Action," says Seibert. Action by belonging to a 4-H Club -- action by being wanted to join an organized club -- action by participating in its leadership and by sharing in its responsibilities.

Beginning in September 4-H members between the ages of 9 and 19 began enrolling for a new 4-H year. If any prospective 4-H members want to join 4-H they are encouraged to make the next local 4-H meeting in their community. The meeting time and place for each club is as follows:

Lazbuddie meets fourth Monday night of the month at 7:30

p.m. in the Lazbuddie School Cafeteria; Bovina meets the first Tuesday night of the month at 7:30 p.m. in the Bovina School Cafeteria; Friona meets the second Monday of the month at 7:30 p.m. in the Friona Methodist Church; Farwell meets the third Tuesday of the month at 4:00 p.m. in the Farwell City Hall; Oklahoma Lane meets the second Monday of the month in the Oklahoma Lane Community Center.

4-H'ers do varied projects in science, agriculture, home economics, personal development, community service, leadership and citizenship.

The major projects boys from Parmer County participate in are beef, swine, sheep, crops, rifle, horse and electricity. There are some 32 other subject matter areas in which boys may have projects.

The key to a successful 4-H program is interested and active adult leaders and parents. Adult leaders give leadership and training to 4-H'ers in the various project areas. More leaders are needed to provide training in the various project areas.

# 4-H, A World Of Opportunity

by Joyce Harding

More than three million 4-H club members are observing 4-H Club Week over the nation this week. Motto for the group is "To make the best better," and the 4-H's stand for hands, health, heart and head.

Opportunity in foods and nutrition, field crops, clothing, and livestock, along with many others, await club members, who work on the projects of their choice. Working on projects of their individual choice helps the members in paving the way for a college education or future career in his chosen field.

Brothers and sisters may team up to work on projects together, with mom and dad joining in as adult leaders. Recreation is not overlooked in the overall program with family nights planned for the entire family.

In addition to helping families in the rural areas 4-H programs are planned by the Extension Service to assist families in the large cities -- programs are being planned in the Ghetto's by large business firms who believe in helping people to help themselves. One such company backing the Urban Action of 4-H is General Foods Corp., who also sponsors the national food and nutrition awards program annually.

In Parmer County, many 4-H members are busy working on projects. Each year Deaf Smith County Electric Coop, honors 4-H boys and girls with an Achievement banquet. As an

adult leader and former Gold Star Award winner, I am proud to be a part of this organization. Won't you join us in observing "National 4-H Week?" Through competition in numerous 4-H Club projects, youngsters learn an important principle of Democratic society. They learn to compete against each other with their projects to better prepare each for the necessary competition in adulthood to be a real success.

Mr. and Mrs. R. M. Bradley spent the weekend in Shamrock visiting in the homes of Mr. and Mrs. Homer Steen and Mr. and Mrs. Frank Weiss and also visiting with several other relatives.

Parents are the most important link in the 4-H chain, except for the 4-H member. Parents provide support to 4-H'ers by showing interest and participating in the various 4-H activities. Parents many times serve as subject matter leaders. Parents interest is essential for member interest and success.

This combination of 4-H'ers, parent, adult leader in addition to local businessmen support equals a successful future generation of people.

Support your local 4-H club members by being an interested parent, serving as an adult leader or through your contributions.

GARDEN PROJECT---Andy Bowery, Oklahoma Lane 4-H club member, prepares the soil for his garden. Gardening is only one of the various projects available in 4-H club work.

BACK TO THE FARWELL 40 -- Dan Prince, No. 84, Steer safety, runs the ball back to the Blue and White 40-yard stripe midway of last week's Farwell-Morton game.

ALL ALONE, but not for long. Gene Sheets, Farwell QB, appears to have the field all to himself, but suddenly a deluge of Morton tacklers swarmed him under in the third quarter of last week's game at Steer stadium.

**Steers --**

(Continued From Page 1)

Charlie Bowery taking over the fullback chores.

Farwell scored one more time on a dancing 80-yard punt return by Dean Stovall. Al's PAT boot ended the scoring at 42-0, with 10:30 left in the fourth quarter.

The remainder of the game was a seesaw battle with neither team penetrating. On two occasions, Mark Williams, the last man between the Morton ball carrier and the goal line, saved the Blue and White from being scored upon.

When the game ended, the younger Steers had pushed to the Morton 17-yard stripe on an interception by Gene Sheets and a completed pass from Sheets to Dennis Ensor.

"Blocking by the linemen was superior, passing by the ends was great, and the backs did a fine job as did the defensive men in holding the Morton Indians...in short, the overall effort of the Steers was one of the best efforts this season," commented Coach Toby Booth following the Steer-Indian game.

**Young Farmers Meet At Pleasant Hill**

Young Farmers Committee of Texico and Pleasant Hill met at Pleasant Hill Community Center October 1 with 14 adults and several children in attendance.

State Representative Hoyt Pattison was guest speaker. He spoke on "How a Bill Becomes a Law in the State Legislature and the Various Processes Through Which it Must Pass." Following his informative talk, a question and answer session was held.

No local meeting of the organization will be held in November; however a county meeting will be held, with date to be announced later. Next meeting of the Pleasant Hill-Texico local will be at Texico the first Tuesday in December.

**Visit Mackenzie**

Texico-Farwell Boy Scout Troop 200 recently had an afternoon at Lubbock's Mackenzie Park playground, after attending Sunday services at Farwell Church of Christ. Twenty boys took part in the day of activities, with their leaders, Gene Bitner and Bill Yohner. Troop Institutional Representative Neil Stewart also accompanied the group to Lubbock.

Troop 200 journeyed to the Sandia Mountains at Albuquerque October 5-6 for a two-day camping experience. Camp was set-up near the 9,000 foot level of Sandia Crest. Two trips to the highest point of the Crest were also made Saturday. Thirteen boys hiked the mountain trail to observation points along the mountain's highest points.

During the camp, Kent Gast was invested as a new Tenderfoot in an outdoor candle ceremony. Randy Stovall completed his First Class Cooking requirements. Conservation projects for Star Scout was begun by Mike Casey and Ronnie Winegeart. The troop held its own church service Sunday morning, directed by Mitchell Turnbough, Kent Blain, and Terry Armstrong.

Others attending the event were Donnie Garner, David McMaster, Ricky Johnson, Scott Watkins, David Turnbough, and Jackie Hison of Roswell Troop 7.

Troop 200 sold candy in Bovina Monday night. Sixteen members of the troop sold 97 cans in two hours. Sales in Bovina are a "trade-out", as Bovina Troop 202 sells Halloween candy in Texico-Farwell each year.

**BREAKS ARM IN FREAK ACCIDENT**

Claire McFarland, daughter of Mr. and Mrs. John McFarland, was hospitalized last week for several days following a freak accident in which her left arm was broken.

At time of the accident, Claire was standing on one of her brother's shoulders inserting a light bulb in a ceiling light when she lost her balance, falling to the floor and breaking the arm between the wrist and elbow.
