

Somewhere in the passage of the past several weeks summer began to wane and fall to wax. We received a token of this change when we observed some diligent and serious young ladies practicing their twirling and cheerleading routines under the spreading elms at the courthouse. Another omen stared us in the face as we mowed the lawn last week. Our soft maple began to silently shed its summer raiment a leaf at a time. Ah Tempust Fugit and fugit and fugits.

By this time of the year it is almost safe to say that the High Plains in our area will escape any 100 degree days. The time of extreme summer heat is behind us. We will have hot days and humid days. This will make us more uncomfortable than an extra hot day with low humidity. Yup, it ain't the heat, it's the humidity that

Again our sterling TV networks have been getting in their licks. We have been deluged with stories of anti-nuclear demonstrations coinciding with the anniversary of our dropping the atomic bomb on Hiroshima and Nagasaki. One would almost conclude that that act was an unnecessary bit of barbarism on the part of the militaristic and sadistic government of the United

How far from the truth of history can you get?

Granted that this act changed the course of history and propelled all mankind into a new era, the question is was it not better for the USA to have accomplished this feat rather than to have put our heads in the sand and waited for the likes of Adolph Hitler or the Japanese Premier Tovo to have done it.

Had we, at that time, followed today's line of reasoning, there would not have been line of reasoning today. What we are saying is that that act at that time prevented the world from succumbing to dictatorial barbarism.

We saved untold numbers of American service men's lives and also saved many times more Japanese from other forms of death. It was the mete, just, and proper thing to stances.

be, looking back from a 37 year vantage point. Especially if you weren't even born when the action occurred.

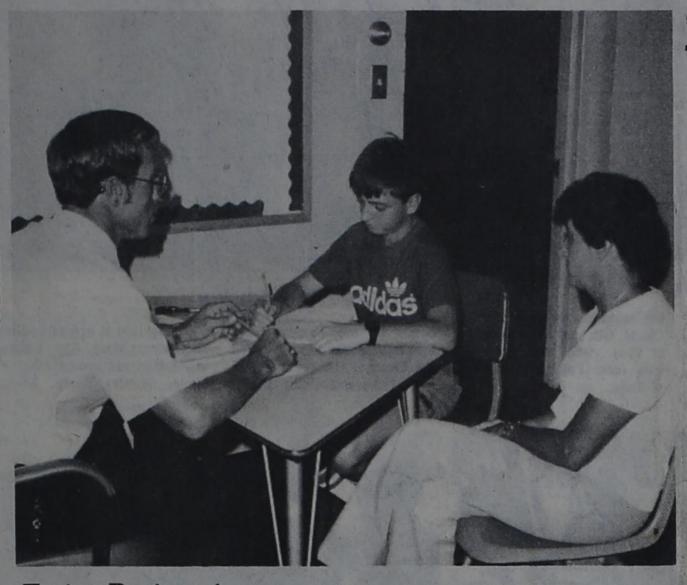

If the only threat to world peace came from the government of the United States there would be no threat. It has not been our country that has enslaved half of Europe. It has not been the United States that has created the most massive military machine the world has ever seen. It has not been our government that has sneered at treaties and left an unbroken string of solemn pledges.

Oh, you fools, take your protests to the walls of the Kremlin, march your banners down Red Square, take your rowboats and sail down the Volga, trespass, if you dare, on the ground occupied by the Iron Curtain. Fat damn chance.

In general, the art of government consists in taking as much money as possible from one class of citizens to give to the other. Voltaire-1694 (sound familiar today?)

FREE SPEECH AND THE A.C.L.U.

On May 20, 1982, U.S. District Judge John Singleton ruled that the children in Aldine schools, outside Houston, could no longer include a phrase praising God in their school song.

That made the American Civil Liberties Union (ACLU) very happy. They had been party to the suit, claiming that the song violated constitutional provisions of separation of church and state.

On July 3rd, the Supreme Court ruled that states can indeed ban the distribution of child pornography. That made ACLU very unhappy. One of their spokesmen was quoted in the press as complaining this violated the constitutional provisions of free speech.

If this all seems strange to you, perhaps it is because it is strange. The ACLU is constantly worried about the "free speech" rights of pornographers, but seemingly is on the other side of the fence

when the question turns on the free speech rights of school children. One cannot escape the conclusion that the ACLU would defend the "right" of school children to distribute smut, but they would deny them the right to sing the praises of God.

And if you ever wonder where the ACLU gets the money to pursue its goals, consider this: a lot of rich people in high places give them a lot of money. Our current Lieutenant Governor Hobby, for example, held a fund raiser for them in his Houston home that raised some \$60,000. He is very proud of his efforts in this regard, defending it repeatedly while out on the campaign trail seeking reelection. That is one of the many areas where he and I are in disagreement. I think there are far worthier organizations for Texans to champion. I would appreciate hearing your thoughts. Just write me at 1213 W. 34th, Austin, Texas 78705.

Heaths, Hudnalls Attend Reunion

Mr. and Mrs. Claud Heath and Bro. and Mrs. Harvey Hudnall, all of Farwell, were among those attending a family reunion in Colorado July 30-Aug. 1.

. The family of the late R.M. McClain of Tribby, Okla., held its reunion again this year at Vallecito Lake near Bayfield, Colo. The get-together is held every three years and this was the fourth reunion of the group.

Some of those attending arrived early in the week, staying in campers or nearby cabins, while others came only for the weekend.

On Saturday, many rode horses on the trail rides, some fished, rode rafts down a small river, and set up camps and visited.

A family gathering was held Saturday night in the camp grounds where all met for a hamburger cookout. It had rained in the area all week, Mrs. Hudnall said, but Saturday and Sunday the days and nights were beautiful. "Everyone enjoyed talking over old times and bringing everyone else up to date on the family news," the local woman said.

Several family members attended Sunday morning worship services at the Vallecito Baptist Church where Bro. Danny Pearce, formerly of Texico, is the pastor.

The main gathering and dinner was on Sunday in the community building where everyone enjoyed each family's "new" or "favorite" dish. The afternoon was spent in visiting, looking at old photographs, photographs of new family additions, and taking family group pictures.

Several family members were unable to attend, however, there were 38 persons present from six states. A business meeting to plan upcoming reunions was also held.

Children of the late R.M. McClain who attended were Mrs. Cordelia Heath of Farwell, Mrs. Esther Cox of Farmington, N.M., Ruford (Spence) McClain of Slaughter, La., and R.M. McClain of Drumright, Okla. Haskell ginia Castillo.

Letter To The Editor

State Line Tribune Box 255 Farwell, Tex. 79325

John Getz, Publisher

Dear Sir:

I obtained a copy of your paper, thanks to Mrs. Beulah McWilliams, while visiting in Farwell. And though you don't have a "letters to the editor" section, I wonder if you would be so kind as to print the following item?

We, the undersigned, want to take this means of thanking all those who made our visit a most memorable one. We had a great time visiting with old acquaintances and making new ones at the Donaldson re-

We did so enjoy the church services with Galen and Jerry in charge. And the entertainment provided by Zelda, the trio, Ruth, Gladys, and Louise, and the solo by Tammy, and last, but not least, the solo by Sterling. It was a great time of fellowship and fun. There was an abundance of food and it was all delicious. And such WANTED--To make a deal yummy desserts.

We also want to thank Mr. and Mrs. Frank Edwards, Mr. and Mrs. Sterling Donaldson, and Mr. and Mrs. Joe McWilliams for having us in their homes for overnight guests. In addition, our thanks to Mr. and Mrs. J.C. Boone, Mr. and Mrs. Charlie Hromas, Mr. and Mrs. Arnold Hromas, Rev. and Mrs. Jesse Terry, Mr. and Mrs. Harold Carpenter, Mr. and Mrs. Wendol Christian, and Mrs. Ruby Tucker for all the food they provided.

We had the pleasure of seeing "Texas" in the Pioneer Amphitheatre, Again, thank you all so much for making it all possible.

And I (Flossie) want to add a special "thank you" to the mothers of Texas for teaching such lovely manners to their sons. I went to the local grocery store with Mrs. Beulah McWilliams and I was surprised at the friendliness. There were two gentlemen in the store who stepped back to let me pass. They touched the brims of their hats and said in their Texas (I love it) drawl, "How are you all?" You Texans know how it comes out: "Hower Ya'll?" I was amazed. In Calif., most men don't even hold the door for you, much less tip their hats. And speak to a stranger-never.

So, thank you all, loved ones and strangers alike, for being

We love you.

Club Hosts First Annual Couple's Golf Tournament

Twenty-seven teams competed for a purse of \$2,075 in the first annual "Couple's Tournament" held at the Farwell Country Club last weekend.

The tournament, which was Friday, Saturday and Sunday, featured golfers from Farwell, Clovis, Portales, Littlefield, Bovina, Muleshoe and Lovington, N.M., to name a few.

According to Joyce Sikes at the country club, the tournament was unique in itself because it was scored on a point system. One point was awarded for a bogie, two points for a par, three points for a birdie, five points for an eagle, and 10 points for a double

The tournament was divided into three flights, said Mrs. Sikes, with three places awarded in the first two flights, and four places being awarded in the third flight.

Winners in the champion flight were Brett Hargrove of Lubbock and Gracie Leary of Portales, first place and \$150 each; Jim Berry and Joyce Sikes, both of Farwell, second place and \$90 each; and Peter and Diane Goldbaum of Clovis, third place and \$60 each.

Winners in the first flight were Ronnie Cary of Bovina and Jeanette Ford of Farwell,

first place and \$168.75 each; Arnold and Shirley Galbraith of Vega, second place and \$101.25 each; and David George and Patt Turner, both of Bovina, third place and \$67.50 each.

The four places awarded in the third flight went to Keith Herington and Dolores Williams of Farwell, first place and \$150 each; Jerry and Wy Haragon of Lovington, N.M., second place and \$112.50 each; Dale Sikes and Kay Geuther of Farwell, third place and \$75 each; and Buster and Doris Herington of Farwell, fourth place and \$37.50 each.

Gift certificates were awarded to the winners based on the entry fee in their particular flight.

Awards were also given to those individuals who hit the longest drive, hit closest to the pin, and the winning putters.

Hitting the longest drive on hole one in the men's category was Kurt Krause of Clovis, and Denise Wilson hit the longest drive on hole nine in the women's division.

Hitting the closest to the pin was Demp Foster on hole seven for the men and Sharron Hughes of Farwell also on hole

seven for the ladies. Winning the putting contest for the men was Ricky Henson of Littlefield, and Helen Fritz of Clovis was the top woman
