## Two Pep Couples Honored At SPC

Parent's Day 1970 at South Plains College was well attended with more than 1,300 served at the noon luncheon.

Mr. and Mrs. Leonard Albus and Mr. and Mrs. Frank Simnacher of Pep received special plaques from the Student Senate, sponsors of the special day.

Two couples each have had five of their children attend South Plains College as full time students since the opening in 1958.

Other awards made by the Senate were the Decoration awards to the dormitories, with first place trophies going to Gillespie and Forrest Halls.

North Sue Spencer captured a second place trophy and South Sue Spencer garnered third.

The percentage award for the dorms that had the highest percentage of their parents present went to the South Sue Spencer and Forrest Halls.

A special distance award went to Mr. and Mrs. Emory Minium of Aztec, N.M., who traveled 525 miles, one way, to be with their son, Jewell, a resident of Lamar Hall.

The day's activities began in the eight dormitories on campus when receptions for parents began at 9 a.m. Parents were taken through the dormitories where they saw the decorations that had been planned in their honor.

The student Center was the scene for a 9:30 a.m. reception in honor of parents of Levelland residents, commuting students and students who reside off campus. Members of the Student Senate hosted this reception.

Most of the parents were taken on informal tours of the campus by their children; all campus facilities were open and members of the faculty were present to answer questions, explain facilities, and just meet the parents of their students.

During the noon hour parents, students and faculty were served a barbecue lunch and treated to a program of entertainment featuring the Texan Band, Tex-Ann, SPC Choir, the Sextette, and "The Lost and Found." Student Body President Fredrick Jackson and Academic Dean

Nathan Tubbs made brief remarks of welcome to the assembled students and their parents. This, the first Parent's Day ever held at South Plains College, is now being planned for an annual observance.

### Activities

**FRIDAY, NOV. 6**  
There will be a Chili supper at the Amherst High School Cafeteria from 5 p.m. to 7 p.m. Chili is 75¢ for 12 and under; 12 and over \$1.00; and 50¢ for an extra bowl. Beans, dessert, catsup, coffee and tea will also be served. Proceeds will go for stage improvements.

**FRIDAY, NOV. 7**  
The Spade FHA will have a Mexican supper in the Spade School Cafeteria following the Spade-Bledsoe High School basketball game. Adult plates \$1.25 and children 75¢. Everyone is invited to attend.

### Whitharral Clubs To Strip Cotton

**WHITHARRAL**—Members of the Whitharral Lions Club and Whitharral Young Farmers will join together Monday to strip a field of cotton and the proceeds from the harvesting operation will be split by the two clubs and used for community projects.

Monday the volunteers will strip cotton on the Rafe Rodgers' farm one mile south and one and one-half west, located on the east side of the Vick Matthews farm. Later, the group may line up more harvesting when club members are not so busy with their crops.

FRANCIS GALT

### Future Plans

Mr. and Mrs. Tommy Galt of Goodland announce the engagement and approaching marriage of their daughter, Francis Madalyn Galt, to Clarence John Albus Jr., son of Mr. and Mrs. Clarence Albus Sr. of Pep.

The couple will wed Dec. 28 in the First United Methodist Church of Morton.

The bride-elect is a 1966 graduate of Three-Way High School. She graduated from South Plains Junior College in Levelland in 1968 and she is now a candidate for December graduation from Texas University with a BS in elementary education.

The prospective groom is a graduate of Pep High School and graduated with high honors from South Plains College in Levelland in 1967 and a graduate from Texas Tech University with honors in 1970, receiving a Bachelor of Science in Chemical Engineering. He is presently a graduate student at Texas Tech, majoring in Chemical Engineering. Albus is a member of Tau Beta Pi, national honorary society for engineers.

### Reception To Honor The Sorleys

**OLTON**—Mr. and Mrs. Emil Sorley will be honored Sunday, Nov. 8, from 2:30 to 4:30 p.m. in the home of Mr. and Mrs. Owen Jones, with a reception in observance of their 50th Wedding Anniversary.

Hosts and hostesses for the event will be children of the couple, Mr. and Mrs. Garland Sorley of Miami, Fla., Rev. and Mrs. H. E. Sorley of Lubbock; Mr. and Mrs. Grady Sorley of Bovina; Mr. and Mrs. Jerry Maynard of Nowata, Okla.; Mr. and Mrs. Don Powell of Friona; Mr. and Mrs. Archie Sorley and Mr. and Mrs. Owen Jones, all of Olton.

Mr. and Mrs. Sorley were married Nov. 11, 1920 in Bosque County. In 1929 they moved to Hale County. Early in 1960 Sorley retired from farming and they moved into Olton and bought a home. Friends and relatives are invited to attend. At the request of the honorees, no gifts please.

**VETERANS DAY** will soon be celebrated by many citizens throughout the United States on Nov. 11. It is in honor of the many men and women who served in the United States armed services for their courage and patriotism for our country.

President Woodrow Wilson proclaimed Nov. 11 as Armistice Day in 1919 to remind Americans of the many tragedies of wars. In 1938 a law was adopted which made the day a federal holiday. Later on in 1954, Congress innovated the name to Veterans Day to honor all United States Veterans.

Many celebrations will be held in the United States in commemoration of this special day, such as parades and speeches. At the tomb of the Unknown Soldier in Arlington National Cemetery at Arlington, Va., a special service will be held.

Other countries, like Great Britain and France, celebrate Nov. 11 as Armistice Day to Commemorate the end of fighting in World War I on Nov. 11, 1918. Canada observes Remembrances Day on Nov. 11. Why not join in the celebration and pay a special tribute to our many Americans who fought and served for us. Treat your "Special Veteran" to an unforgettable meal.

YOU MIGHT want to compose your menu with a deliciously flavored recipe of "Beef Stroganoff", "Saucy Vegetable Trio", served with a salad and "Blueberry Bran Muffins".

1 1/2 cups of sour cream  
Salt, freshly ground black pepper  
Chopped parsley  
Melt four tablespoons of butter in a skillet or chafing dish, add one tablespoon oil to keep butter from burning. Saute beef strips in the hot fat very quickly, browning on both sides. It will take only a minute or so to cook.

Remove meat to a hot platter and add remaining butter and oil. Add green onions and let them cook down for a minute. Add wine, Worcestershire sauce and sour cream. Be sure your heat is low-so as not to let the sour cream boil, or it will curdle.

Stir sauce until well blended and heated through and season to taste with salt and pepper. Pour sauce over beef slices and top with chopped parsley. Serves four.

NOTE: This is a dish that should be cooked quickly just before it is to be eaten. It may be cooked right at the table, in a chafing dish.

**SAUCY VEGETABLE TRIO**  
2-10 ounce packages of quick-frozen green peas and pearl onions  
2 tablespoons butter or margarine  
2 tablespoons flour  
1/2 teaspoon salt  
Dash of pepper  
1/8 to 1/4 teaspoon thyme  
1-6 oz. can sliced broiled mushrooms  
milk  
1 tablespoon chopped pimento  
Cook peas and onions according to directions on the package, drain.

Melt butter in a sauce pan; stir in flour, salt, pepper and thyme. Drain broth from mushrooms into a measuring cup; add enough milk to make one cup. Add to butter-flour mixture.  
Cook, stirring constantly, until sauce thickens and comes to a boil.

Add drained cooked peas and onions, mushrooms and pimento.  
Heat, stirring occasionally. You may substitute one package of quick-frozen peas and add one can white onions, drained, with the mushrooms. Yield: 6 servings.

**BLUEBERRY BRAN MUFFINS**  
1 cup Kellogg's Bran Buds  
3/4 cup milk  
1 egg  
1/4 cup soft shortening  
1 cup sifted regular all-purpose flour  
2 1/2 teaspoons baking powder  
1/2 teaspoon salt  
1/4 cup sugar  
1/2 cup frozen blueberries, thawed and drained  
Combine Bran Buds and milk; let stand until most of moisture is taken up. Add eggs and shortening; beat well. Sift together flour, baking powder, salt and sugar; mix in blueberries. Add to Bran Buds mixture stirring only until combined. Fill greased muffin cups 2/3 full.

Bake in moderately hot oven (400 F.) about 25 minutes. Yield: 10 Blueberry Bran Muffins, 2 1/2 inches in diameter.  
NOTE: Fresh blueberries, washed and drained, may be substituted for frozen.

**\$600 Damages**  
**In Accident**  
Damages of \$600 were estimated to a 1969 Chevelle owned by 21-year-old Robert H. Trotter, 608 W. 6th, following a one-car accident about 2:30 a. m. Wednesday.

Trotter was traveling west on U. S. 84 about one mile west of Littlefield when he ran off the road on the right side and hit a concrete culvert.  
The car did not turn over, but extensive damage was done to the underside of the vehicle according to Highway Patrolman Bill Angel who investigated the accident.

During 1969, 7.8 trillion cubic feet of Texas gas were marketed.

OH, THE FUN of Halloween! These two Halloween fashioned hobboblins were among the many children who marched in the Halloween Parade Saturday afternoon in downtown Littlefield. The parade was sponsored by the Littlefield Girl Scouts.

A WOMAN'S VIEW

Problems

By PEARL BRANDON

THERE IS NEVER a time when all our problems are solved.

All my life, when difficult situations arise, I think if I can just get through this particular time everything will be all right.

SOME LOOM up in front of us so high we wonder how in the world we will ever get through this one.

We do though, some how, by taking it one day at a time and doing what is necessary for that one day.

IT IS PRETTY hard in some situations to know what is best to do, or what is right, especially when it concerns other people.

That is when we have to get off to ourselves alone and pray for the Lord to help us... then do what we feel led to do.

SOMETIMES the thing we feel led to do is very difficult even though we know it is right.

I think that must have been the reason Jesus went upon the mountain side and prayed all night. He was faced with making hard

decisions, like the night before He chose the twelve disciples.

It must have been hard to choose Judas whom He knew was not dependable and would some day betray Him into the hands of His enemies.

THEM IT must have been hard for Jesus not to use His power excessively, especially after working hard all day among suffering people and healing only the ones He came in contact with that day when He knew so many needed Him.

Maybe that was what the Devil showed Jesus when he took Him upon a high place and showed Him all the Cities of the world.

INSTEAD of the Wealth and the Glory, Jesus would have seen the suffering and the pain, and would have been tempted to relieve the agonies of the world for the future time according to God's purpose.

Always Jesus had great problems to solve and so do we.

FROM CHILDHOOD on down through old age we have hard situations to face and only through the help of the Heavenly Father can we find the way to solve them.

WILLIAM MARTIN SKIRLOCK

William Martin Skirlock, 79, of Sundown and former Littlefield resident, died Sunday afternoon in the Veterans' Administration Hospital at Big Spring.

He was a step-brother of Mrs. Ruby Craig of Littlefield. Services were conducted Wednesday afternoon at the Lorenzo First Baptist Church, with Rev. Glen Reese, pastor of the Sundown First Baptist Church, and Bob Eads, minister of Sundown Church of Christ, officiating.

Burial was in the Lorenzo Cemetery with Carter Funeral Home of Rails in charge of arrangements.

Skirlock had lived in Sundown since 1956, when he went there from Lorenzo. He had also lived in Littlefield and moved to Crosby County in 1924.

Others surviving besides the step-sister are his wife, Martha; a son, Bill Skirlock of Idalou; four sisters, Mrs. Vera Mason of El Paso, Mrs. Oma Todd of Lubbock, Mrs. Stella Montgomery of Bonham and Mrs. Ethel Ritchie of Denton.

JOSEPH DAVID KIRKLAND

Funeral services for former Littlefield resident Joseph David Kirkland, 62, of Hugoton, Kan., who died Tuesday in High Plains Baptist Hospital in Amarillo after he became ill while visiting his sons in Amarillo, were conducted Thursday in Hereford's First Baptist Church.

Officiating was Rev. H. V. Fields of Grace Gospel Church, and burial was in Rest Lawn Cemetery with Gililand Funeral Home in charge of arrangements.

He was born Oct. 5, 1908 at Gasteville.

Surviving are three daughters, Mrs. Robert Venton of Farwell, Tina Kirkland and Cathy Kirkland of Hugoton; six sons, J. D. and Billy D. Kirkland of Amarillo, Jack Kirkland of Farwell, Bobby Kirkland of Hugoton, Walter E. Kirkland of Gower, Mo., and Jeral L. Kirkland and Mrs. Jack Herring of Temple; two brothers, Dick Kirkland and Lester Kirkland of Vega; and 17 grandchildren.

OBITUARIES

LORA BELLE HICKMAN

Funeral services for Mrs. Lora Belle Hickman, 63, of Earth, who was dead on arrival at South Plains Hospital in Amherst Sunday morning following an apparent heart attack at her home, were conducted Tuesday afternoon in the First Baptist Church in Earth.

Officiating were Rev. David Hartman, pastor, and Rev. Bruce Giles, pastor of the Westmoreland Baptist Church of Lubbock.

Burial was in the Earth Cemetery, with Parsons-Ellis-Singleton Funeral Home of Earth in charge of arrangements.

Mrs. Hickman was a native of Boyd and had lived at Earth since 1948, when she moved there from Premont.

She was a member of the Earth First Baptist Church, the Earth chapter of the Order of Eastern Star and the Daughters of the Nile of Amarillo.

Surviving are her husband, Harvey; a son Harvey Hickman Jr. of Edna; a sister, Mrs. Almer Barton of Earth; a brother, W. A. McCool of Farwell; and one grandchild.

WILLIAM CECIL GRIMES

Funeral services were held for William Cecil Grimes, 45, Wednesday morning in the Roberts Funeral Home Chapel in Hobbs. He was a resident of Hobbs, N. M. and formerly of Amherst. Burial was in the Prairie Haven Cemetery.

Grimes, a prominent Hobbs businessman, was found shot to death at his residence there about noon Monday. According to reports, Grimes heard noises outside his home shortly after midnight and took a flashlight out to investigate.

His body was found by family members under the carport, indicating he was apparently shot almost immediately after stepping outside his home.

Police indicated two shots were fired, but Grimes was hit only once by a bullet from a high-powered rifle. The bullet entered his body under the left arm, tearing through his body and coming out on the right side.

Survivors include his wife, Mary Grimes; two daughters Cecilia Day of Odessa and Cynthia Grimes Neal of Hobbs; and a son, Williams Grimes Jr. of the home.

MRS. ODESSA RICKER

Funeral services for a Littlefield native, Mrs. Odessa Ricker, 44, of Griggs, Okla., who died Wednesday night in a Houston Hospital where she was scheduled to undergo open heart surgery, were conducted Saturday afternoon in the Keyes High School Auditorium in Keyes, Okla.

Rev. Pat Johnson, pastor of the First United Methodist Church of Keyes, officiated. Burial was in the Elmhurst Cemetery in Guymon, Okla., under the direction of the Henson Funeral Home.

Mrs. Ricker was a resident of the Griggs area 25 years and was wife of Loris M. Ricker, superintendent of the Plainview School District there in Oklahoma.

She was a member of the First Baptist Church of Keyes.

Surviving besides her husband are two sons, Nelson Ricker of Texhoma, Okla. and Paul Ricker of Guymon Okla.; two daughters, Mrs. Harry Fox of Hardesty and Mrs. James P. Barnum of Irving; her father, John B. Williams of Irving; four sisters, Mrs. Chester Smart of Hardesty, Mrs. Ralph Tharp of Lubbock, Mrs. Harley Smith of Abilene, and Mrs. Glen Roberts of California; two brothers, J. B. T. O. 'POP' ERWIN

Funeral services for T. O. 'Pop' Erwin, 73, of Lubbock, former resident of Littlefield who was dead on arrival at Methodist Hospital early Monday, were conducted Tuesday afternoon in the First Nazarene Church of Lubbock.

Rev. W. M. Darough, pastor, officiated and burial was in Resthaven Memorial Park with Rix Funeral Directors in charge of arrangements.

Erwin moved to Lubbock from Littlefield in 1950.

Surviving are his wife, Era; two daughters, Mrs. Iris Nelson of Lubbock and Mrs. Eldora Norris of Santa Barbara, Calif.; a brother, G. M. Erwin of Visalia, Calif.; a sister, Mrs. L. P. Carnes of Oklahoma City, Okla.; four grandchildren and four great-grandchildren.

JAMES EDGAR FULLER

Funeral services for James Edgar Fuller, 70, a resident of Olton for 51 years were conducted Wednesday afternoon at the Olton First Baptist Church.

Rev. John E. Lewis officiated. Burial was in the Olton Cemetery under the direction of Lemmons Funeral Home of Plainview.

Fuller died early Tuesday morning in University Hospital in Lubbock after an extended illness of approximately 10 years.

He was born at Woodbury and was married to Delia Bartlett in Wellington on Dec. 29, 1913. He was

a graduate of Wellington High School, West Texas State University and North Texas University.

Fuller had served as a Lamb County commissioner. He built the first gin in Olton and established and operated the first store in Olton, which also served as a post office, in 1919.

Survivors include his wife, Della Fuller; one son, Jack Fuller of Austin; and four sisters, Mrs. J. S. Hannon of Mundy, Mrs. J. A. Graham of Denver, Colo., and Mrs. Esdell Bartlett and Mrs. Bryan Denley, both of Wellington.

THE ABUNDANT LIFE

No Utopia

SERIOUSLY, IT WAS the Halloween Spooks that got into the news office and scrambled my last article. Really, it may have made more sense the way it was printed than it did the way I wrote the thing.

COME TO THINK of it, it COULD have been the editor, since I haven't paid for my space, of late!

UTOPIA MEANS "No Place". The word is usually defined as a place or condition of ideal perfection in laws, government and social conditions. It is sometimes used to mean an impractical scheme for social improvement.

The nearest utopian place on earth was the garden of Eden, but this situation was not perfect.

THE UTOPIAN DREAM is just that -- a dream. The perfectibility of human society is impossible. The people who seem to think that it is possible are causing themselves and everybody else grievous troubles.

WE MUST BE REALISTS, but this does not force us to discard practical and well-formed ideals. There is a balance, a point at which realism and idealism can be compatible. We might call this sensible blending either "realistic idealism" or "idealistic realism".

THE HUMAN SITUATION is neither all bad nor all good. It is just human.

TRYING TO FORCE a utopian social order is the most certain way to destroy what god we have attained, and makes further advancement toward better conditions impossible.

This becomes, in human behavior, what may very well be the most destructive and undesirable imperfection of all. Nothing is perfect in this life, and nothing is going to be perfect.

This fact of life, however, does not lessen the possibility of improvement.

FINDING FAULT SEEMS to be

one of the most popular actions in the present day pattern of human behavior. These people can see the flaws, but they do not see anything else.

Thus, they minimize the strong features, the good, and the desirable aspects of the human scene; and maximize the weaknesses, the evil and the undesirable.

Thereby, they exert erosive and dissipative influence upon the whole social order.

THERE ARE SOME FAULTS, and some flaws, and some shortcomings in everything that is human; but this is not just cause for despair, or disorder, or destructiveness.

Sensible concern is always appropriate; wise efforts to improve and correct are justified and necessary; but impatience, disgust, rejection and disillusionment do not help anybody or anything.

THERE ARE SOME good things; there is some decency; there is some strength; and some things are right.

We must make the most of these, protect and preserve them while we work constructively within the established framework to make all of the improvements we can.

If we will work together in good order, with patience, intelligent concern and in a spirit of brotherhood, all of us will gain much.

SOME REALITIES can never be changed, and these must be accepted. We are surely smart enough to identify these.

We must, to the very best of our ability, determine what can be improved and what must be accepted as is. Once this is done, we can move ahead in the development and maintenance of the best possible personal and social situations.

THE UTOPIAN DREAM is too visionary for humanity, because humanity and human experience must be forever imperfect. Imperfect, yes; but let us not make them impossible.

AT OUR NATION'S back door there is increasing ethnic ferment involving Mexican-Americans. They are represented by one angry Mexican.

In San Antonio, Beto Martinez says, "The day will come when any gringo (that's any white man, any non-Mexican) . . . when any gringo in this part of the country will be shot on sight."

A FEDERAL OFFICIAL charged with gauging the mood of minority groups says, "There's an awful lot of ferment among our nation's Mexican-Americans. To some it seems inevitable that violence will result and they believe it may well come this summer."

Picturesque San Antonio, Texas, with half its 650,000 population comprised of Mexican-Americans, is the present epicenter of this ferment.

THE Wall Street Journal sent Richard Shaffer to San Antonio to evaluate the threat. He heard divergent views.

Mayor Walter McAllister expects no trouble. Police say "Beto and the few crazy kids who follow him are nothing to be afraid of."

BUT THIS SAME federal observer says "There are brown power militants who are as full of the violence as anything the black power movement ever saw."

In San Antonio and throughout the Southwest Mexican-Americans who have become prominent in business, the professions, politics. The number of well-educated Mexican-Americans in the mainstream of middle-class society is large and growing.

AND THERE ARE the slums, the ghettos--Mexican-Americans call

them "barrios"-- in most every Southwestern city. New Mexico's Sen. Joseph Montoya says "Mexican-American poverty is worse in Texas than any place...."

A UNITED STATES Commission on Civil Rights says "Mexican-American citizens are subjected to unduly harsh treatment by law-enforcement officers..." Unemployment in the San Antonio barrio is 30 percent.

IN THESE dilapidated overcrowded shacks on the wrongside of town they see on TV--a brighter world beyond the barrio. Where their envy might become ambition for betterment, it is easy for a man like Beto Martinez to promise them "instant improvement," to encourage violent revolt.

MARTINEZ is 32, a high school dropout, unemployed, wears a goatee and sunglasses even in the darkest bars. He calls himself "Minister of War" for MANO, the Mexican-American Nationalist Organization.

Martinez has done time for marijuana and for sodomy. His few hundred followers are mostly ex-convicts who preach that whites are "racist enemies who should be driven out of the Southwest."

HE TELLS his recruits to "get guns where you can, preferably from addicts who steal them. Don't make public speeches. Try to appear harmless. Wait." Now, do we of the news media--just by limelighting the likes of him--help to create another Frankenstein's monster?

OR DO WE HIDE our eyes and take the chance that such as he might sneak up on us in the dark? I weighed both and chose "light."

JOHN PAYTON

Services for John Williams, 55, of Whitharral, were held at 2 p.m. Monday at the Whitharral Baptist Church. Rev. Clarence Tabb officiated. Burial was in Resthaven Memorial Lubbock under the direction of George Price Funeral Home.

Williams died Saturday at 10:25 in the hospital in Big Spring following a lengthy illness.

Born October 2, Comanche, Williams Lubbock before the Whitharral in 1920, was bookkeeper, editor of the Farmers Club Whitharral. He was of the Whitharral and a member of the Littlefield First United Methodist Church.

THE PHILOSOPHER

Amateurs?

(Editor's note: The Sandhills Philosopher on his Johnson grass farm examines the computer age this week, we suppose.) Dear editor:

I don't know about the rest of you but I've never understood what goes on inside a computer, oh I know it can figure out at what angle and what speed to fire a rocket from the earth to land at a given spot on the moon but hasn't been able to figure out how to get a letter from Lubbock to Littlefield on time, but exactly how it works is something I leave to the scientists.

What got me started on this was an article I read in a newspaper last night about an international conference of 400 lawyers called in Brussels to examine the effect of computers on human beings.

According to them, the computer can become "a horrifying tool for prying into the affairs of the individual." They said it can become a "threat to the individual and his private life due to the great mass of information about private lives that can be assembled and called up instantaneously."

I think those lawyers are getting excited over nothing. What I mean

is, information about private lives has been found out and stored up in some human brains long before computers were even dreamed of, and most of the time it has been released not only instantaneously but repeatedly.

I never have heard of a town yet that didn't have some people who could give you down to the last detail a full report on the private lives of 90 per cent of the population, and they were working on the other 10 per cent.

I'm not saying it is always 100 per cent accurate, but when it comes to finding out and storing up a great mass of information about private lives, the amount of detail they have assembled out-computers a computer ten to one, and they can be switched on any time of the day or night without electricity. In fact, if they aren't switched on, they turn themselves on automatically.

Those lawyers ought to realize that a computer can't hold a candle to people when it comes to finding out what other people are doing privately.

Yours faithfully, J.A.

Juvenile Arrested On Burglary

A 13-year-old juvenile was arrested this week on a burglary charge. The boy was jailed Monday and went before County Judge G. T. Sides Tuesday and was sentenced to the Gatesville correctional school until he reaches 21 years.

Severino Rodriguez was arrested Sunday on a check law violation charge. Rodriguez appeared before Judge Sides Monday and entered a plea of

guilty. He was sentenced to a fine of \$100 plus \$42 court cost and 30 days in jail with jail time suspended provided he pays the fine, court cost and makes restitution for the following checks: Pay & Save, \$20 and \$25; Pioneer, \$25; Fair Store, \$20; Thelma's Fruit Stand, \$10; and Askew Station, \$5.

Willie Lee Williams of Sudan was arrested by the Sudan deputy Saturday and charged

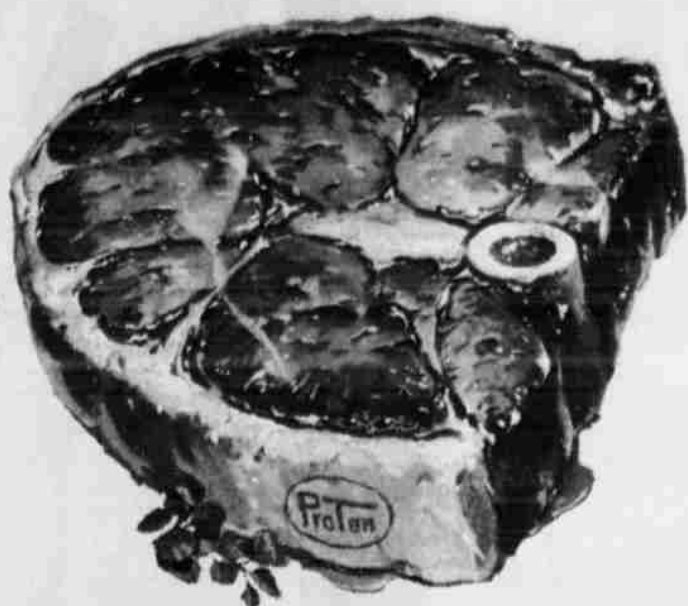

with driving while intoxicated. The defendant appeared before the county judge Monday and entered a guilty plea and was sentenced to a fine of \$100 plus court cost of \$42 and three days in jail.

Two Sudan men, aged 18 and 44, were arrested late Saturday night by Lamb County sheriff's deputies Jerry Collins and Gary Lightfoot. The 18-year-old was charged with being drunk and Nathaniel Williams was charged with carrying a pistol. Williams was fined \$100 plus \$42 court cost.

A 41-year-old man from Odessa, H. E. Hollins, was

arrested early Monday and charged with simple assault. He was fined \$80.35.

The only offense report at the sheriff's office this week was a report from E. O. (Buster) Feagley of the theft of several trailer tires and wheels taken from his trailers two and one-half miles southwest of Littlefield. The subject or subjects used a bumper jack Friday or Saturday night to remove two radial B. F. Goodrich tires, 215 x 14, 4 new Goodyear farm tires size 900 x 14, 4 white Coby wheels, 4 yellow Big 12 wheels and two new B. F. Goodrich 6-ply tires.

OFFICIAL LHS NEWSPAPER

## LHS Has New Study Hall

"It's a lot of fun. It's great. I really like it," says Janna Gilbert, senior. "I like it because it gives the student a sense of freedom and responsibility," says Pam Stafford, senior. "I think it's really great because it gives the students a chance to relax and prepare themselves for the rest of their classes," says senior Charlotte Hinds. These students are referring to the new study hall program

now on an experimental basis at LHS. The juniors and seniors from all study halls, except sixth period, may go to the cafeteria under teacher supervision and relax, talk or study. If they like, they may return to the library or to the quiet study hall. This study hall program is on an experimental basis in only two periods to see what problems may arise. At this point there have been no problems

according to Beryl Harris, principal. Mr. Harris said the reason he is trying this program is because students have to sit six or seven hours and be quiet and it is hard for students to relax in the short time between classes. He said even working people get a break. Although it is unlikely this year, it is hoped that the program will gradually be enlarged to include juniors and seniors in all study halls.

The main problem now is the shortage of teacher supervision for every period.

Mr. Harris asks the study hall classes which are not under this program for their continued patience.

WINNERS from the Levelland Cross Country Track Meet are, left to right, Jesse Davila, second place; Carlos Cristan, fifth place; Adolpho Aguirre, eighth place; and Albert Sanchez, tenth place.

## Army ROTC Scholarships Offered

The Army has announced that 981 four year scholarships, ranging in value as high as \$10,000 each, will be offered to high school seniors for matriculation at colleges and universities throughout the United States in school year 1971-1972. These Army ROTC scholarships are awarded annually to outstanding male high school seniors who are motivated toward a career as Army officers. The scholarship includes tuition, fees, books and laboratory expenses, plus \$50. per month for the duration of the scholarships, and may be used at any of the 280 colleges or universities in the United States offering Army ROTC in the fall of 1971.

Selection for these four year scholarships is competitive and is based on the results of the CEEB-Scholastic Aptitude Test or the American College Test, high school academic record, and participation in athletic and extracurricular activities. Applications must be submitted by Jan. 15, 1971.

Young men interested in competing for a scholarship must make the necessary arrangements with their high school counselor to register to take the CEEB-Scholastic Aptitude Test that will be administered on Nov. 1 at LHS or the American College Test at the University of Texas at El Paso on Nov. 17 or Dec. 12.

The closing date of applications will not allow any time for receipt of scores later scheduled testing. The Army Reserve Training Corps (ARTC) to develop college educators for the active and reserve components.

It enables a young man to prepare for a position of leadership in either a military or civilian career of his choice. The ROTC program is specifically designed to give college men "on-campus" training and experience in organizing, motivating, and leading others.

It includes instruction in self-discipline, stamina, and bearing - qualities that contribute to a man's career. Many college men do not take ROTC, but instruction because of its leadership training experience are not normally provided in the academic curriculum required for a college degree.

The young man who receives training that will help him become a leader during his college years and for the rest of his life should take Army ROTC.

A student is encouraged to participate in the Army ROTC program. He should make application prior to Sept. 1, 1971.

A letter of application for a two-year program should be addressed to the Professor of Military Science at the college at which the student wishes to enroll.

Students desiring information on the four-year ROTC scholarship program should contact their high school counselor or the Science Department at the college or university offering Army ROTC.

This will be held at Plains College this year. The event will host the district FFA Organization. FFA boys are urged to

### GOD'S PSYCHIATRY

A DEVOTIONAL  
By WAYLAND HUTTO

All of the people in our world are seeking and longing for a purpose in their lives. It's not just the radical or the long-haired youth, but every one.

Everyone is trying to find the key to happiness, to contentment, to peace. It is obvious that all of us have looked in the wrong places, and suffered to some extent for our mistakes, but it is said that we learn from those mistakes.

Every human being--especially the young--has been influenced considerably by the so-called "hippie" philosophy.

We want PEACE. We want FREEDOM from war and violence. We want SINCERITY, not hypocrisy.

We want a life filled with LOVE. It seems that some will stop at nothing until their desires have been adequately fed.

How will our desires be met? By alcohol? By drugs? By sex? Jesus Christ is "the way, the truth, and the life."

He is the answer. He alone can give us peace and free us from war and violence.

He not only erases our hypocrisy and replaces it with sincerity, but he also gives a definite plan of life to follow. Most of all Jesus gives us a love that lasts forever.

It seems that Jesus has all the answers, doesn't it? You are right--He does.

### Time Out For Sports

By ALBERT SANCHEZ KEITH SITTON AND BILL ORR

Littlefield almost tasted victory Friday night, until the late third quarter when Abernathy had sprung up and scored five times in 16 minutes.

Abernathy scored twice in the first half to put them out ahead 13-0. Littlefield came back and with one second left to play in the first half, the 'Cats scored on a short run by Mackey.

Wildcats started up again when they recovered a fumble on the 17 yard line of Abernathy territory.

The 'Cats scored, and with the 2 point conversion made, the scoreboard showed 14-13. Littlefield's one point lead caused the Antelopes to make their fears come back, and they scored. That made the score 19-14.

This touchdown inspired Abernathy to score five times in the last 16 minutes. The final score was 47-14. Next Friday the Wildcats will travel to the state-ranked Floydada.

Littlefield's Junior Varsity took their fourth win of the season by stomping Tulia, 36-5 last Thursday night in Wildcat Stadium.

Led by Randy Trotter's two TD passes, the Wildcats ripped out 392 total yards. Trotter hit on seven out of ten passes for 72 yards.

J. E. Johnson caught four passes during the game. Two catches counted for 12 points. Jesse Davila, Randy Posey, Bill Hamblin, Larry Hobrathsch, also scored against Tulia.

Also making a good showing were Lee Goss, Joe Cristian, Arturo Soria, Tommy Crosby and Ray Mendoza.

The JV will try to improve their 4-3-1 record against Morton today at home. Game time is 7 p. m.

The student body is urged to support our Junior Varsity.

### LHS Speaks Out

By PAM BRANNON and PATTI FOLEY

Should we be so disrespectful as to call policemen "pigs"? Why or Why not?

Kim Hill, (Sr.)--"Policemen are there to enforce the law. In my opinion we should be more respectful toward them because it's their job to help you."

Rick Sibert, (Soph.)--"I don't think so, because the poor old fellows are just trying to make money like the rest of us. It's a job."

Molly Green, (Jr.)--"I think this depends on if you have something against them or not. Policemen are to help you if you need it, but sometimes they are the ones who end up making the trouble. I think it's disrespectful to call them "pigs", but to me that's exactly what they are."

Kay Jackson, (Sr.)--"In some instances it is disrespectful to call a policeman a 'pig'. If the policeman is trying to catch a robber and is unable to do so they should be given respect for at least trying. If a policeman is continually giving the same person a ticket or arresting him for just anything because he doesn't like the person, this person has a right to call the policeman something."

Jessie Martinez (Jr.)--"No, we should not be so disrespectful as to call policemen 'pigs'. Because a policeman may not like what he is doing but he is doing it for the betterment of the people."

Tommy Crosby, (Soph.)--"No, they do their job to the best of their ability, and we should be ashamed to bad-mouth

a policeman because he is trying to help."

Butch Brown, (Soph.)--"No, cause they're doing their job and no matter how bad a job we think they are doing we shouldn't be disrespectful."

Pat Glazener, (Soph.)--"I don't think we should, because they're humans like we are. We don't like to be called names, so why should we call them names? A policeman has a job to do, just like the same as our parents have jobs to do. Anyhow, what would we do if we didn't have men brave enough to be policemen? What would the U. S. be like then? It would be chaotic, and we wouldn't have anyone to turn to if we got into some trouble, and we needed help."

Linda Birkelbach, (Soph.)--"No, I feel they are here to help us live a clean and respectful life. Although we may not agree with them all the time, where or what would we be without them?"

Danny Mean, (Jr.)--"I think it depends on the individual, I would not call them 'pigs', but a lot of people would and they would think nothing of it."

Carolyn Gray, (Jr.)--"It all depends, like if I get a ticket I will call them some name because I would be mad. I might call them a pig then. But if I just see one pass by I think it would be disrespectful to call them a pig."

### SPIRIT OF '71

(Editor's Note: This was taken from a pamphlet put out by the General Telephone System, Volume 81, Sept. 1970.)

"Even though this typewriter is an old model, it works quite well except for one of the keys. I wishd many times that it workd prfctly. It is true that thrx arx forty-onx keys that function well enough, but just onx key not working makex thx diffxrxncx.

Somxtimxs, it sxxms to mx that our schoolsystem is somx-what lixx my typewriter--not all pxoplx arx working properly.

You may say to yoursxlf, "Well, I am only onx pxrson, I won't makx or brxak the SPIRIT of thx school. But it doxs makx a diffxrxncx bxcaxux any school, to bx bffctivx, nxxds thx activx participation of xvry stxdnt.

So, thx next timx you think you arx only onx pxrson and that your xfforts arx not nxxdxd, rxmxxbxx this typewriter and say to yoursxlf, "I am a key pxrson in our school and I am nxxdxd vxy much."

ART CLASS projects are on display in the hall. Melody Waters, senior, and Hazel Ward, art class teacher, look at the recently completed candleholders, glass shaped bottles, plaster and rick-rack went together to make the unusual finished product.

## Veterans To Receive Questionnaires, Checks

Jack Coker, director of the Veterans Administration Regional Office in Waco, has alerted two million veterans and dependents who get monthly VA pension checks that they will receive annual income questionnaires with their Nov. 1 checks.

He asks these pensioners to do two things:

- Fill out the questionnaire accurately and completely.
- After signing it, the recipients should return the form promptly to VA -- no later than Jan 15.

Coker pointed out that as 1971 pension payments will be based on submitted information, the questionnaires must be returned by the Jan. 15 deadline to insure non-interruption of pension checks.

VA pension is paid to veterans totally and permanently disabled from non-service-connected disabilities. Widows and children of deceased veterans may also be eligible for VA pension if they meet certain income limitations.

Parents of deceased who receive dependent indemnity compensation also required to return the questionnaires. The annual income questionnaire requests information the amount of income the beneficiary received in 1970 the amount anticipated in 1971. It was emphasized that questionnaire is not to the VA, beneficiaries not only lose next year's fits, but may also be required to refund payment made during 1970.

Each year, hundreds of beneficiaries are inconvenienced because they promptly return or complete their income questionnaires, Coker pointed out. He urged veterans and dependents who need help questionnaires to contact nearest VA office. The office in Lubbock is located 1612-20 Nineteenth Street. # Sudan-Farwell Tilt Tops Area's Gridiron Schedule

By GARY BRYSON  
Leader-News Sports Writer

Only four area teams are left in contention, in any way, for district titles after Friday's round of games. Olton, still in the running would have a chance to take the crown if Abernathy should beat Dimmitt and then upset the powerful Whirlwinds of Floydada.

If the Olton Mustangs did manage to end up in a three-way tie for the lead spot with Abernathy and Floydada, a flip of the coin would determine which of the teams was to continue on to bi-district.

Sudan, Vega, Farwell and Kress are all tied in the 3-A district race. Sudan stayed out in front of Bovina Friday night to share a place in that crowded top notch. The Hornets will be in the top game of the week as they face Farwell at home.

Amherst still has a bid going for the district 5-B race, even with Friday's defeat at the hands of Matador. The Bulldogs outpassed and outran the Matador squad but couldn't make up a seven-point deficit.

Bula is the fourth of the area teams that is still in the running for loop championship. Bula, too, met with a stiff attack and fell before the trampling hooves of the Smyer Longhorns. It wasn't a case of the Steers outclassing the Bulldogs it was just that Smyer's offense was too much. Bula fell 57-24.

OLTON will travel to Lockney this week to tangle with the Longhorns. If the Mustangs win, they will have a good chance to stay in the running.

The Mustangs can't let their guard down now for the Steers have proven to be a tough lot. The Steers will be behind the running of Charlie Mathis, 165-pound junior halfback, and Pat Bennet, 160-pound junior. Both have excellent running ability and will pose a problem for the Olton defensive line.

The Longhorns are standing 2-3 in the loop with losses coming from Floydada, Abernathy and a 14-12 loss by Dimmitt. Olton is 4-1 in loop action with their sole loss being at the hands of the Whirlwinds.

The Lockney squad will be in for a real headache, too, when Steve Stockdale and crew come calling. Stockdale and teammate Mike Parsons were on the Lubbock Avalanche-Journal Honor Roll for the week. Stockdale hit on 15 of 30 passes for 230 yards gained and three TD's. The Mustang quarterback rushed eight times for 83 yards and one of the scores. On top of his passing and running Stockdale excelled in his extra-point department with five out of five kicks being good.

Stockdale also punted for the Mustangs for an average of 46 yards in three boots to lead the Olton team to a 35-12 win over Morton. Parsons did his share by holding on to nine of the Stockdale passes for 129 yards and a score.

THE BIG GAME of the week is that between Sudan's Hornets and the Farwell Longhorns. Both teams desperately need the win to stay in contention for the 3-A district crown, and both now hold records of 4-1 in loop action.

The Longhorns will attack the Hornets behind a strong passing game. The man to watch will be Gene Sheets. Sheets threw two scoring passes in leading his Steers over the Springlake-Earth Wolverines 14-8. Randy Chandler and Gary Erwin were

another Bulldog for the Nazareth squad to reckon with.

ANTON, like several other area teams, is having a tough year. In seven outings this year they have captured one win. This week Anton will face the Turks of Turkey at home.

BULA is the final team in the area that is still in a position to win a district title.

Bula is sparked by a good offensive unit behind the running of Mitchell Autrey, Steve Newton and Jim and Ron Risinger. Bula is faced with the same problem as Anton—poor defensive play.

Bula will host Three-Way this week in an attempt to salvage a chance at the crown in District 1-B. This will be the first loop tilt for the Three-Way team.

WHITHARRAL has lost all hopes in district, but the Panthers are eager to win. Whitharral's boys have played hard the entire season but have not been able to come up with a victory, and they stand at 0-8.

The Panthers will entertain Guthrie this weekend in a non-district game.

## 8th Grade B Breaks Tie, Rolls To 24-8 Victory

The 8th Grade "B" of Littlefield met the 7th Grade combined Monday afternoon and scored a 24-8 victory.

The 8th "B" scored in the first, second and fourth periods. The eighth grade attack was led by quarterback Chris Andrews. Andrews carried nine times for gains of 84 yards and one of the 8th scores. Andrews made the first 8th TD on a run from four yards out. Jerry Feagley scored the two extras.

Ricky Hopping of the 7th retaliated in the first period with a four-yard run to add six to the 7th side of the scoreboard. John Baiza ran for the extras for the 7th.

Jimmy Stites broke away from the line for a 30-yard score in the second quarter of play. Terry Jennings scored the two extra points. Brad Grisham made the final tally for the 8th Grade on a run from the eight-yard line. Stites made the two extras.

Daniel Blevins picked up 46 yards for the 8th on seven carries in the game. Jennings gained 45 yards on six runs, Stites 47 yards in five carries and Stanley Patterson 29 yards in three times carrying the ball. The 8th gained 236 yards in all on the ground and none in the air.

Angel Sanchez was the leading carrier for the 7th Grade. Sanchez gained 67 yards in five carries. Baiza hit the line four times for gains of 33 yards. Hopping gained 23 yards on four carries and Ronald Parmer picked up 17 yards in four attempts. The 7th gained 98 total yards in the loss.

Chris Andrews, Terry Jennings and David Blevins stood out offensively for the 8th Grade. Glenn Smith, Stanley Patterson and Roy Turner stood out on the 8th defense.

Angel Sanchez and Ricky Hopping were the 7th offensive stars while John Baiza and Jerry Stamps stood out on the defense.

Whitharral girls won their third consecutive game when they hosted Shallowater Tuesday night and paced them 29-25.

Kathy Lynn Williams was high scorer for Whitharral with eight field goals and two free throws for 18 total points. Rita Avery added seven points for the home team and Christy Clevenger scored four.

Whitharral made 7 of 23 at the Charity line for a 30.5 percentage to Shallowater's one of eight tries and 12.5 per cent.

In the B game, Shallowater took a 22-18 victory. Terri Howard was high for the blacks and red with eight points.

Whitharral plays Smyer Tuesday in a home game with the junior high girls starting at 7 p.m. followed by the WHS A team at 8.

## Jehovah's Witnesses Attend Convention

Jehovah's Witnesses from 16 area congregations have returned after having attended a three-day convention at the Nolan County Exhibits Building in Sweetwater over the weekend. Members saw 11 new members ordained.

Robert Torres, presiding minister of the Littlefield congregation further informed that a peak attendance of 1,220 was on hand to hear the main discourse Sunday afternoon, entitled, "Who Will Conquer The World in the 70's?"

The speaker, Blosco Muscariello from the New York Watchtower headquarters pointed out to his audience that many nations and political figures are bent on world conquest.

"Today," he said, "average people like us—men, women and school children, are dying because of this issue of world conquest."

Muscariello then reviewed epoch events in world history which reveal a common thirst for political power... from Alexander's Ancient Greece to modern day Communism...

then rapidly switched his audience's attention to the Bible.

"It may surprise you," he said, "to think of the Bible as a book which promotes world conquest, but a world conqueror has been selected by the Creator himself, his name is Jesus Christ."

## Watch For Trailers On Highway

Cotton harvest is swinging into high gear, and with the busy season safety hazards arise.

To prevent a rise in accidents this fall, Department of Public Safety officials remind farmers of Texas motor vehicle laws concerning cotton trailer.

A license plate is required on any cotton trailer with a gross weight exceeding 4,000 pounds and this includes many empty trailers used in this area. Because of the short season, a minimal charge of \$5 per trailer is made on the plates.

Safety for motorists is of prime importance, and there are several safety features that are required by law, including reflectors, turning signals and tail lights.

Under any condition when a hand and arm signal would not be visible both to the front and rear, trailers must be equipped with turn indicating lamps or devices.

The rear trailer is required to have one stop lamp and one tail light in working order mounted on the rear of the trailer. The tail light must be clearly visible from a distance of 500 feet, and the stop light must be plainly visible from a distance of 100 feet during bright sunlight or at night.

When pulling two trailers, only the rear trailer must be equipped with a lighted stop lamp, and these must be wired so that they are lighted whenever the head lamps and auxiliary lights are on.

The maximum length of loads is 65 feet.

Amber reflectors must be mounted on the front of each trailer, and red reflectors are required on the sides and rears.

Farmers are also reminded that the speed limit on loaded cotton trailers bearing farm license tags is 30 miles per hour.

## Treat Cattle Now To Control Lice

Lice are starting to infest some cattle and horses in the area and now is the time to start a control program that will prevent lousy animals when winter rolls around.

"Proper treatment of lice-infested animals now will kill all lice and will keep them free of the tiny insect pests this winter unless they contact other untreated animals," explains Dr. Bill Clymer of Lubbock, area entomologist with the Texas Agricultural Extension Service.

"Don't wait until your cattle are rubbing down the fences before you treat for lice. Give them a thorough dusting, spraying or good dipping now before the weather turns bad and their hair gets long."

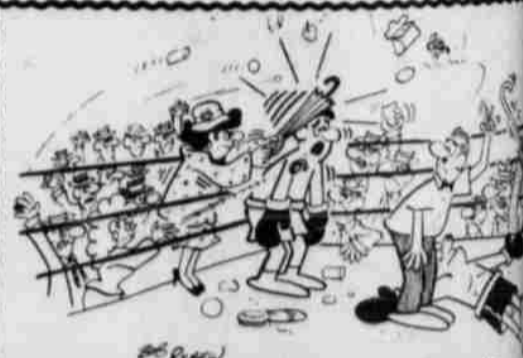

Clymer says that dipping is usually the best treatment but that spraying under high pressure also does the job. A

thorough soaking is necessary for lasting control. Animals placed with treated herd should be treated to joining the herd.

The entomologist says in preliminary tests treatment dust bags have given good seasonal control where they are used properly. Either force use choice installations or animals to treat them. This cuts treatment considerably since handling animals is eliminated.

"Most insecticides are applied twice, 14 to 21 days apart, for the best control," points out Clymer. Second spray is to kill hatching from eggs laid prior to the first dipping.

Check the label on the pesticide container making your purchase.
