Cold Snap Causes Gas Cut Back

Freezing temperatures whipped by gusts of whirling snow skidded the chill factor to minus 30 degrees and below Tuesday.

The arctic cold gripped not only the immediate area but the entire South Plains and Panhandle, and so much natural gas was consumed that some industrial consumers were asked to curtail their operations Tuesday.

Charles Duval, manager of Pioneer Natural Gas in Littlefield, said industrial consumers with interruptible contracts were asked to curtail certain operations, jins, compresses, laundries, and pressing establishments using as dryers were asked Tuesday to cut back or not run until pressure built up in the gas lines.

Temperatures dropped to a low of seven, but the 30-40 mph north winds zoomed the chill factor to 30 degrees below zero.

This was the first time in more than 20 years that the gas company cut back or cut off industrial complexes. Duval said that the extreme cold and high winds involved the entire system and that industries from Amarillo north, Midland south, Midland west, and Ralls, Crosbyton and Turkey were all affected at the same time.

Homes and schools were not affected, however.

FREEZING WEATHER this week has been a chilling experience for most Lamb County residents, and some were well dressed for the occasion. James Alan Jones, 7-year-old son of Mr. and Mrs. Jim Jones, found a good way to keep hands, nose and ears warm after he attended the mystery show Tuesday night.

Dry Beginning Has Soggy End

This past year started out as one of the driest on record and ended up with 24.04 inches for the year.

Before planting time when farmers needed moisture, not enough rain fell to give farmers moisture to plant on, then after most crops were in and it was considered almost too late to plant cotton, the rains started to fall.

Over most of the county through the last part of May, not more than 1.50 inches had fallen.

Then in late May and early June, rains totaled 10 inches and more. Rains slackened off in July to just a little over an inch, then in August more than 3.5 inches fell. It turned out that the August rains were just a foreshadow for the September rains that totaled more than six inches over the entire area.

The 1971 rains came after one of the driest years since 1934, when only 9.45 fell. Only 10.61 inches were measured in 1969. The average rainfall for Littlefield since 1911 has averaged 18.85.

Here are the total measurements of rain for each month during 1971:

January	0	3.62
February	.50	6.18
March	1.88	1.05
April	1.8	.68
May	5.87	.93
June	3.22	
July	1.10	24.04
Total		

Separate Charges and 5 In Jail

Five persons were arrested by county and state officials this week.

Three-year-old Glenn Travis May of Dallas remains in the county jail on a vagrancy charge.

Blake Smith was released Tuesday after paying a \$25 fine on a check law violation. Jail term of 20 days was suspended provided he pays two checks in full.

Highway patrolmen arrested William Earl Jones of Amherst Saturday and charged him with driving while intoxicated after he was stopped on the west end of the by pass. He was fined \$200 as court cost and seven days in jail.

Manuel Barrera of Olton was picked up by Sweetwater authorities on revocation probation.

Two thefts were reported to county authorities this week. Joe Bitner reported the theft of cotton taken from the end of his field located two miles north and two miles east of Littlefield.

Jerry Young reported the theft of John Perry dual gauge wheels valued at \$300 from his farm two miles south and one-half mile west of Lumsden Gin.

'71 Bale Count Near 57,000

Roy Wilson at the Texas Employment Commission made a survey of the 31 gins in Lamb County and revealed that a total of 56,959 bales had been ginned in Lamb County when high winds and arctic cold slammed the area this week.

Three gins in the Olton area led the 1971 cotton harvest with 12,817 bales of cotton tagged out for the season.

Littlefield's six gins were second in the number of bales tagged out with 9,993 bales.

Five gins in the Earth-Pleasant Valley

area had issued a total of 8,120 green tags for the 1971 crop.

Four Amherst gins had tagged out 6,672 bales of cotton when the bad weather hit.

Three gins at Spade had issued 5,830 green tags.

Hart Camp and Fieldton gins weighed in 5,605 bales of cotton through Tuesday.

Gins at Sudan and the Beck Gin in the Sudan area issued 5,557 green tag bales through Tuesday.

Springlake gins had weighed in 3,265 bales of cotton.

72 More Jurors Called

A supplemental list of 72 petit jurors was drawn for jury duty today.

Scheduled for trial is the case of Paul Luevan who is charged with the shooting death of Elias Valenzuela at Olton on Nov. 7, 1970.

The following persons are to report to the district courtroom on Jan. 6 at 9:30 a.m.

E. J. Houston, Olton
J. A. Terry, Littlefield
Gertrude Johnson, Littlefield
Charla Faye Smith, Olton
Doretha Nichols, Amherst
Herbert Wendborn, Earth
Betty Duvall, Amherst
Calvin Price, Littlefield
Vesta Perkins, Springlake

Police Investigate Cash, Speaker Thefts

City police are investigating two cases of theft which have been reported early this week.

A citizen reported that \$80 in change and bills was taken from a small box on a table in her front room on Weidel Street sometime between 12 noon and 6:30 p.m. Saturday.

Clint Penn reported Monday that a speaker, Serial No. CJ30N, was taken from in front of the Palace Theatre.

Bank Deposits' Upward Trend Is Stymied By Late Harvest

Crop Loan Repayment Stalled By Weather

The late crop and inclement weather that has prevented farmers from gathering the 1971 crop has played havoc with year-end bank deposits.

Deposits are down at the First National Banks in Littlefield, Amherst and Sudan, and the Citizens State Banks at Earth and Anton. In every case, bank officials cited the late harvest and cut in expected yields as the cause for the declining deposits.

Seven of the eight institutions had more loaned out at the close of 1971 than at the end of 1970. The increase in loans and discounts again reflects that farmers have not gathered and sold enough crops to repay their loans.

Littlefield Federal Savings and Loan, Security State Bank and Olton State Bank were the only establishments with deposit increases.

BUT DESPITE the decline at five of the eight institutions, the overall deposits were up \$1,619,721 over deposits on Dec. 31, 1970. The totals from all eight topped \$60 million.

Loans and discounts for the eight were up \$2,936,267 over L&Ds at the close of 1970.

Withdrawable savings were up over a million and a half at Littlefield Federal Savings and Loan. Littlefield Federal had \$14,098,264 on deposit compared to \$12,438,618 a year ago, up \$1,659,646. Loans were up \$1,151,051 to \$11,413,193, from \$10,262,142 on loan at the end of 1970.

Littlefield's Security State Bank was up in both deposits and loans and discounts. Deposits in 1971 totaled \$14,648,130, up \$598,150 from the \$14,050,980 in 1970. Loans and discounts of \$6,584,829 were up \$577,413 from the \$6,007,416 in 1970.

The First National Bank of Littlefield had deposits of \$5,818,066 on Dec. 31 compared to \$5,916,112 a year ago, down

\$98,046. Loans and discounts were up \$533,638, from \$1,892,023 to \$2,425,661.

OLTON STATE BANK showed an increase in both deposits and L&Ds. Olton had deposits of \$9,804,949 this December, compared to \$9,350,559 in 1970, up \$454,390. L&D were up \$1,361,777, from \$5,951,570 from \$4,590,793.

Deposits are down \$319,772 at the First National Bank of Sudan. Deposits at the end of December totaled \$4,265,413, down from the 1970 total of \$4,585,185. Loans and discounts at the Sudan bank are up \$226,722 from this date a year ago mainly because farmers haven't sold enough cotton to pay off their loans. L&Ds at the end of 1970 totaled \$1,159,763; L&Ds at the end of this year totaled \$1,386,485.

Deposits are down and loans and discounts are up at the Citizens State Bank at Earth. Deposits for 1971 totaled \$3,780,433, down \$205,718 from the 1970 figure of \$3,986,151. L&Ds were up to \$1,918,790, up \$255,929 from the 1970 L&D of \$1,662,861.

Amherst's First National Bank had deposits of \$4,964,134 at the end of 1971, compared to \$5,135,703 at the same time a year ago, down \$171,569. Loans and discounts were up \$245,330 with this year's L&D at \$1,019,343, up from \$774,013 in 1970.

Deposits at the Citizens State Bank at Anton were down \$296,360 from last year. The Anton bank had \$3,265,145 on deposit, compared with \$3,561,505 in 1970. Loans and discounts were down \$1,414,594, with \$1,462,427 at the end of December compared to \$2,877,021 last year. A big part of the decrease was a drop in federal fund loans.

KIMBERLY ANN BERRY is Lamb County's first 1971 baby. She was born at 11:50 a.m. Jan. 1 in Littlefield Hospital, weighed 6 lbs. and 4 ounces, and measured 20 inches long. She is the daughter of Mr. and Mrs. Clark Berry of Littlefield. Her grandparents are Mr. and Mrs. Ray Rowen of Dawson and Mr. and Mrs. Shelton Berry of Purdon.

1972 License Plate Applications Mailed

If you own one or more of the more than seven-and-a-half million motor vehicles in Texas, some important mail is coming your way.

The first of 7.5 million renewal applications from the Motor Vehicle Division of the Texas Highway Department were dispatched from the post office's facilities in Dallas on Friday, Dec. 31.

Owners of motor vehicles should be receiving the renewal applications — for obtaining 1972 Texas license plates — early in January.

The actual motor vehicle registration "season" at county tax offices does not begin until Feb. 1.

However, vehicle owners may go ahead and order their license plates by mail immediately.

All that is required is to send the entire renewal application, the registration fee and \$1 for each vehicle to be registered to the local county tax office. License plates will be returned by mail after registration begins formally on Feb. 1.

Vehicle owners should allow at least 30 days for processing and delivery. The application should be sent to the local county tax office — not to the Texas Highway Department.

License plates can be obtained in person at county tax offices and designated substations beginning on Feb. 1.

In any case, registration will go faster if the owner leaves the three-part form intact and does not separate any of the three parts.

Complete, easy-to-follow instructions are contained on the form and on the envelope.

Deadline for displaying 1972 license plates is midnight, April 1.

Gallivanting Cat Makes Fast Trip

Deputy Sheriff Gary Lightfoot has a "catty" story.

During the holidays, the deputy's mother and step father, Mr. and Mrs. Hubert Feaster of Colorado City, visited Gary and Linda Lightfoot at their apartment on the second floor of the courthouse.

After they had been there awhile, they decided to drive around. When they came down a big white cat ran out and started rubbing around their legs. Mrs. Feaster exclaimed that the cat looked like her cat. "Can't be," her husband scoffed. But Mrs. Feaster checked the cat for a grease spot she knew he had and sure enough there was the spot of grease.

When the Colorado City visitors got ready to go home, they didn't see the cat. "I don't think Hubert really believed it was theirs, anyway," Lightfoot said.

But when they arrived back home, the big white cat was missing.

A week later the cat arrived, foot sore, hair missing from its ears where it had walked through the weeds, and too tired to eat. The white kitty averaged more than 20 miles a day in the 150 mile trip through the rough land between Littlefield and Colorado City.

KYLE SHIPLEY aids the Great Merlin in the spirit writing performance Tuesday night, when the answer to a question appeared between the slates without any apparent physical contact with the slates. Proceeds from the Tuesday and Wednesday night shows will go toward financing a band trip later this year.

City Arrests Eleven During Holiday

City police have arrested 11 persons since Dec. 31, and most have been tried, fined and released.

Three were arrested Friday, Dec. 31. One was jailed and charged with drunk in public, and is serving out his fine in jail.

Two females, an adult and a juvenile, were arrested and charged with disturbance by affray. They appeared before Judge Ben Noble, were fined and released.

On New Year's Day, two were jailed after being charged with drunk in public. They were tried, fined and released.

One was arrested for minor consumption, was tried, fined and released.

Sunday, two were jailed and charged with drunk in public, two others were charged with drinking in public, and one was charged with disturbance by affray. All were jailed, tried, fined and released.

Marriages Down, Divorces Up In '71

Cupid dragged his feet this year.

For the year 1971 there were 18 fewer marriages and 12 more divorces than in 1970.

One hundred fifty-six couples were married in Lamb County during 1971, compared to 174 marriages in 1970. August was the big month for the love bug to bite in '71. Twenty-three couples were married in August. April and November were the slack months with seven.

Fifty-three divorce decrees were granted in Lamb County in 1971, up from the 41 divorces granted in 1970.

In the matters of life and death, there were fewer births and fewer deaths recorded in the county during 1971 than there were during 1970.

There were 355 babies born in 1971, down 10 from the baby-a-day 365 total last year.

One hundred eighty-two deaths were recorded in the county in 1971. During 1972 there were 195 deaths filed.

Victory Choir Has Meeting

The Victory Choir of First Baptist Church met Tuesday evening in the home of Stillwell Russell for rehearsal and fellowship.

Refreshments were served to 29 persons attending. They were Messers. and Meses. Bill Jeffries, Buch Ross, Dewey Hulse, J.D. Evins, Jack Fore, Stillwell Russell; Meses. Cora Martin, Flora Beest Boone, Maude Tony, Hazel Cole, Lupe Torres, Willie Benton, Bessie Massengill, Rose Bass, L.L. Dunn, M.T. McKinnon, Miss Ellen Massengill; Rev. A.J. Kenner, Buddy Wells, Glenn Blackmon, U. E. Kelly and Dan Heard.

The next meeting will be in the home of Mr. and Mrs. Buddy Wells, 620 East II, at 7 p.m. Everyone has been asked to bring a covered dish.

STUDY WORKSHOPS
Workshops to brief teachers on best use of reading and math test results will be held in 20 centers beginning Jan. 10.

MRS. RAYMOND DALE SEWELL

Miss Henson Bride Of Raymond Sewel

Miss Nancy Norma Henson became the bride of Raymond Dale Sewell in a double ring wedding ceremony Friday evening, Dec. 31, in the First Baptist Church Chapel at Littlefield.

Rev. A. J. Kenner, officiated for the ceremony before an archway of greenery with pink carnations scattered throughout and candelabras with pink carnations flanking either side of the archway.

Parents of the couple are Mr. and Mrs. T. A. Henson of Littlefield, and Mr. and Mrs. Sam Sewell of Spade.

Given in marriage by her father, the bride wore a formal-length Princess style gown of white taffeta, featuring an Empire waist and long tapered sleeves. Seed pearls and embroidered lace trimmed the gown, and her long chapel length train. She carried a bridal bouquet of white roses, with a touch of pink, and a white orchid, atop a white Bible.

The white Bible, presented to the bride by the YWA's, served as "something new", "Something old" was a ring of her mother's; "something borrowed" as a linen handkerchief; "something blue" was the traditional blue garter; and she wore a penny in her shoe minted the year of her and the groom's birth.

Lauren Rowell of Amarillo attended the bride as maid of honor.

Mrs. Danny Sewell of Lubbock was bridesmatron. They wore light pink polyester street-length dresses, designed with Empire waists, long full sleeves, trimmed with hot pink buttons. Hot pink velvet ribbon chokers with light pink sequins and drops enhanced their necks.

Ricky Henson, brother of the bride, served as ring bearer.

Best man was Jimmy Sewell of Spade, brother of the groom.

The guests were seated by Danny Sewell of Lubbock, brother of the groom, Bill Elliott of Littlefield, and Tommy Henson of Alpine, brother of the bride.

For her daughters wedding, Mrs. Henson wore a light blue dress featuring a pointed yoke and cap sleeves, and white accessories.

The groom's mother was attired in an avocado green dacron knit sheath dress, designed with raglan sleeves, and accented at the waistline with a belt. She chose bone accessories to complete her ensemble.

Musical selections were "Whither Thou Goest" and "The Lord's Prayer" presented by soloist, Diane Perkins and organist, Charlotte Hinds.

A reception followed in the parlor of the church. Assisting in serving the traditional wedding cake and punch were Carolyn Lumsden, Rosann Funk and Mrs. Danny Sewell.

Others in the houseparty were Meses. A. C. Bridwell, H. A. Carter, J. D. Cox, Earl Elliott and Edna Mae Mangum.

The bride chose a hot pink dress with full sleeves and a long scarf, white accessories, and the corsage lifted from her bridal bouquet for her going away costume.

The bride is a junior student at Texas Tech, majoring in music, and the groom is a freshman at Tech, majoring in business.

They will be at home at the University Village, 3102 4th, Apt. 161, Lubbock.

AMHERST

MRS. LESTER LaGRANGE
246-3336

MRS. AUBREY JONES, Mrs. N. B. Embry and Mrs. W. P. Holland were among those attending the announcement tea given by Mrs. Melvyn Dutton at her home in Petersburg Saturday afternoon.

Her daughter, Deborah and James Tompkins of Plainview are to marry March 25 in the First United Methodist Church, at Littlefield.

MR. AND MRS. Ted Long visited his sister, Mrs. Katie Karr in Portales, N.M. Sunday.

MRS. JOMARR MORGAN of Amarillo and her sister, Mrs. Herman Davis of Anderson, Calif. visited the Ross Morgan Sr.'s in Littlefield, the Albert Johnson's, Misses V.O. and Willie White and Mrs. Jon Cornelius here.

MR. AND MRS. George White of Ackerly visited his sisters, Misses V. O. and Willie White and other relatives Christmas.

GOOD DRIVERS
The American Cancer Society is proud of its volunteers who offer their cars and their time to drive cancer patients to and from the homes to treatment centers.

Dinner Party Honors Couple

Dr. and Mrs. Aaron J. Williams honored their son, Allen Williams and his bride, Miss Cathy Barton with a dinner party Monday evening, Dec. 27, at Underwoods Restaurant in Lubbock.

The guests were seated at tables, bearing their names on pairs of white wedding bells, tied with orange blossoms and emerald green ribbons, the bride-elect's chosen colors.

The honoree's table held a centerpiece of two small hurricane lamps nestled among greenery, and a small bride and groom flanking the arrangement. Other tables featured holly leaves and burning emerald green tapers.

Packages wrapped in white and green, and a small Christmas tree with lights, were featured at a nearby table. The gifts were presented to the wedding attendants by the bride and groom-elect.

The wrapped favors for the dinner party were kitchen gadgets, later earned by the honorees, for guessing what was in each one, from clues of written "poetry", given to them by other couples present.

At the end of the evening, the honorees read a poem of "thanks" to those present.

Guests attending were Mr. and Mrs. Jack P. Barton, parents of the bride-elect; Rev. A. J. Kenner; Dr. and Mrs. Nathan B. Williams of Hot Springs, S. D., twin brother of Dr. A. J. Williams; Mrs. Johnson, maternal grandmother of Miss Barton; Mr. and Mrs. Ronnie Mangum; Mr. and Mrs. David Perkins of College Station; Tony Brown of Houston; and Mr. and Mrs. Tommy Coker of Tula.

Randy Walker, Miss Connie Wimberly, Miss Trishia Chandler, David White, David Barton, Miss Cindy Wattenbarger, Lynn Barton, Miss Gail Williams, Steve Mangum, and Richard Barton.

Moss Shoes For The Whole Family

LITTLEFIELD

MRS. J. B. McSHAN 385-4337

Mr. and Mrs. Charlie Calvert and as holiday guests Mr. and Mrs. Darwin Pierce of Garland, N. M.; Mr. and Mrs. Iino Jones of Dickinson; Tyones and wife and daughter of Lafon; Mr. and Mrs. Gary Hilcoat and daughter of bilene; and Mr. and Mrs. Seph tephens of Houston.

Mrs. A. F. Wilson accompanied her daughter and family, Mr. and Mrs. W. H. Berry and Lesa to Downey, Calif. for the holidays. They were guests of Mr. and Mrs. Billy Wayne Berry and family and Mr. and Mrs. Ellis Wilson.

Mr. and Mrs. Joe Pat Hart and family of Borger visited his mother, Mrs. Bertha Hart, on New Year's Day.

Mr. and Mrs. Marvin Mauldin and daughter of Lubbock visited his aunt, Mrs. Bertha Hart, Sunday.

Dr. Jack Garlington and daughter, Ann, have returned to Salt Lake City after a visit in Lubbock with Mr. and Mrs. Ivan Fowler and Mr. and Mrs. Ellis Formen and family and Mrs. E. J. Newgent in Littlefield.

Mr. and Mrs. Armon Perrin and family spent the holidays in Oklahoma City, visiting her parents, Mr. and Mrs. Clarence Hunter and her brothers, Mr. and Mrs. Less Hunter and Mr. and Mrs. C. V. Hunter and families. They also visited his mother, Mrs. I. J. Perrin and his sister and husband, Mr. and Mrs. George Moore and Glenn in Paulsvalley, Okla.

Mr. and Mrs. Jodye Giddins and family of Post were Christmas guests in the home of her parents, Mr. and Mrs. Tommy Lewis.

Mr. and Mrs. W. P. Elliott recently returned from spending the holidays in Phoenix, Ariz. and in Riverside, Calif., where they were guests of her brother, J. D. Fraley and wife.

Mr. and Mrs. Ted R. Stokes and daughter, Marcie Renee of San Angelo were holiday guests in the home of Mr. and Mrs. R. M. Nicholas and Kerry. They also visited other relatives and friends. Ted received his degree from Sul Ross on Dec. 22 and plans to enter law school at Baylor in September.

Mr. and Mrs. Mancel McLarty of Biloxi, Miss. were holiday guests of his mother, Mrs. T. H. McLarty.

Patricia Russell of Westminister, Colo. has been spending the holidays with her parents, Mr. and Mrs. Stilwell Russell.

Mr. and Mrs. W. J. Harpole of Plainview were Sunday guests in the home of Mr. and Mrs. J. B. McShan.

Mr. and Mrs. Byron Thompson and children of Los Alamos, N.M. spent the weekend in the home of Mr. and Mrs. A. B. Hilbun.

The Presbytery of Palo Duro will meet in Westminster Presbyterian Church in Lubbock today. Ruling Elders Bruce Porcher and Edwin Costman will be representing the First Presbyterian Church of Littlefield.

Mr. and Mrs. Joe Hoover and family of Monroe, La. are visiting her parents, Mr. and Mrs. Bee Street.

Miss Pam Stafford, a student at Baylor University, was guest of her parents, Dr. and Mrs. D. J. Stafford during the holidays. Other guests were their son and wife, Rev. and Mrs. Mike Stafford.

Houston Hoover is a patient in Methodist Hospital where he underwent heart surgery Tuesday. His two sons and daughter came to be with their parents. They are Bob Hoover of Chattanooga, Tenn., Joe Hoover of Monroe, La. and Mrs. Fred Schkade of Rowmond, Calif.

Billie Harris spent Christmas and New Years weekend in Walters, Okla. visiting relatives.

Howell Wilson of Baltimore, Md. and Elizabeth McDonald of Lubbock spent New Years afternoon visiting Mr. and Mrs. A. L. Parrish. Mrs. Parrish has been ill for quite some time.

Mr. and Mrs. Clyde Stone of Plainview visited in the home of Mr. and Mrs. A. L. Parrish over the weekend.

DEBORAH DUTTON

Mrs. Orville Bassett and girls and Ruby Bassett of Littlefield.

John Dick Carl of Torrance, Calif. spent the weekend with his parents, Mr. and Mrs. J. H. Carl.

Mrs. Paul Mauldin of Lubbock spent the past weekend in the home of her sister and husband, Mr. and Mrs. Oscar Wilemon.

Mr. and Mrs. Cecil Hall had as guests, one day last week, her sister and daughter, Mrs. Hugh Fry and Janna of Lubbock and her brother and daughter, S/Sgt. Harold Rutledge and Gail of Larado.

Mr. and Mrs. Otto Jones had as their guest at Ruidoso over the weekend, Mr. and Mrs. Doug Darden, Mr. and Mrs. Kim Lindner, and Steve Hammock, Carolyn and Don Mask, and Debbie Jones, all of Lubbock.

Engagement Announced At Tea

The engagement of Miss Deborah Dutton to James Edward Tompkins was announced by her parents, Mr. and Mrs. Melvin B. Dutton of Petersburg, during a tea given Saturday by the bride-elect's mother in the Dutton home.

Tompkins is the son of Mr. and Mrs. Melvin Tompkins of Rotan.

Mrs. David Myrick of Corpus Christi, sister of the bride-elect, and Miss Sherry Dutton of Anton, cousin of the bride-elect, assisted Mrs. Dutton and the bride-elect in the receiving line.

The serving table featured decorations in the bride-elect's chosen colors, in shades of pink. Miss Jennifer Davis of Earth, cousin of the bride-elect, registered the guests and Mrs. Eldon Davis also of Earth, served.

Members of the house party were Mrs. Jason Justice and Mrs. Claude Montgomery, both of Petersburg.

Miss Dutton, a graduate of Littlefield High School, is a senior elementary education major at Texas Tech. Tompkins is a graduate of Rotan High School and received a BS degree in civil engineering from Tech. He is employed as a civil engineer by the Texas Highway Department in Plainview.

The couple plans to wed March 25 in the First United Methodist Church in Littlefield.

Activities

THURSDAY, JAN. 6
THE OFFICIAL BOARD of the Hospital Auxiliary of Littlefield will meet at 9 a.m. in the dining room of Medical Arts Hospital.

EDITORIAL

Welcome New Voters

To our new voters 18, 19 and 20: Welcome to the smartest, dumbest, loudest, quietest, most concerned, most apathetic, most easily duped, hardest-to-convince, most independent club in the world—the US Electorate.

YOU NOW HAVE a share in our democracy equal to that of any millionaire or pauper. Your new franchise is one which many who are well over 18 have been fighting for since they were 16 or 17.

Don't take your new voting power lightly. Use it. Register. Become a loyal Democrat, a true-blue Republican, a power-swinging Independent, a conservative or a liberal. Study the issues. Listen to the candidates. Get involved. Learn to stand for something, so you won't fall for anything. Take that vote to the ballot box every chance you get. Be jealous and protective with it. And be prepared to guard it with your life.

Pollsters already are saying that you won't be much different than your parents about using your right to vote. They're claiming that only 40 percent of you will bother to register, and that only a fraction of you will actually vote in any given election.

We hope you'll prove the pollsters wrong, for if this nation of ours is to realize the full potential that has been offered in its charter—that is, the full measure of every freedom for every living soul in our nation—then it needs your help and your voice at the ballot box.

IT MAY BE THAT our older generation, in giving you the vote, is pleading for your help. Those responsible for ratifying this new constitutional amendment may have been admitting that the generations before yours have fouled up, that we haven't allowed our democracy to work as well as it should, that we have too long been concerned more with show than substance. Perhaps they felt the need to include Americans who can see the everyday prejudices which many of us allow to pass unnoticed, Americans who aren't afraid of altering the status quo, Americans who are more concerned with the national conscience than with the national bureaucracy.

In his book, "The Greening of America," Yale law professor Charles A. Reich proposes this thesis:

"There is a revolution coming. It will not be like revolutions of the past. It will originate with the individual and with

culture, and it will change the political structure only as its final act. It will not require violence to succeed, and it cannot be successfully resisted by violence. This is the revolution of the new generation."

Professor Reich argues that attempts to change government policies through the political process have failed, and that our government has become such a huge, self-serving monstrosity that further attempts to right the wrongs of our society by direct political action are futile.

WE CANNOT AGREE that our government will not respond to direct political action through the normal channel—the ballot box. If a revolution is to be, our Constitution provides the means for it—the ballot box. Through our nation's 200-year history, we have indeed had several revolutions. We have brought about sweeping changes in national direction that would have required armed revolts in many countries. But our revolutions have been brought about mainly through the use of the same bloodless battlefield—the ballot box.

Of course our democracy has its faults. But what form of government hasn't? Winston Churchill termed democracy as "the worst form of government yet devised by mankind—except for every other form ever devised." Often our democracy works with maddening slowness, but it works nonetheless.

It may take your entire lifetime or longer to cure the ills that plague our society today. But those ills that should be cured governmentally can be cured if enough of our government's members—voters—demand that they be cured. Our democracy was built to respond to the vox populi—the voice of the people—and if your demands have merit, they'll be heard.

But not unless you make full use of your new power to vote. If you simply don't care, you'll actually be an enemy of democracy.

THE CHALLENGE and the opportunity are now yours, if you will take advantage of your new status as voting Americans. Go to the county tax assessor's office and sign up. It's free.

Then use your new voting power every chance you get. You'll find that when you get into the voting habit, it isn't any big chore. In fact, sometimes it can be a heck-ava big thrill.

"It's a new model to satisfy the equal-time requirements"

THE ABUNDANT LIFE

Subjectivism

By BOB WEAR

SUBJECTIVISM is the view that "the supreme good is the realization of some type of subjective experience of feeling, as pleasure."

It also embraces "the doctrine that individual feeling or apprehension is the ultimate criterion of the good and right".

PEOPLE WHO PERMIT themselves to be subjectivists cut themselves adrift upon the sea of life.

They have neither chart nor compass; they have no guide but their feelings; there is no lighthouse to warn them; and they have no certain destination.

THE PHILOSOPHY of Immanuel Kant (1724-1804) presents the view that "our knowledge is only subjective". He said that time and space are merely forms of sensation, and that no one can know anything except by experience.

This faulty view has caused untold loss in the lives of people. Yes, most people learn some things by experience; but this is not adequate learning. No one ever lives long enough to learn by experience what is needed for the best of living. We must be able to learn many things without experiencing them.

CAN EACH PERSON be a law unto himself? Can each of us be unrestrained in making our own rules and standards? What chaos! What human misery! Subjectivism negates the self-evident truth that "The way of man is not in himself: it is not in man who walks to direct his own steps."

THE TOTALLY subjective view for the human experience is totally inadequate. It produces more and more uncertainty; an increasingly narrow life; a life with no meaningful direction of movement, but just a kind of wandering to and fro plus a growing sense of futility.

Haunting fears of uncertainty eventually become a devastating influence upon such a life.

WE ARE NOT RIGHT just because we think we are, but "subjectivism" tells us that we are. Is there no fixed, objective truth? Is "truth" just whatever I may think it is? If so, then truth is just whatever you think it is.

When we differ, and we will, we make truth contradict truth. How can this be? Of course, all of us know that "truth" cannot contradict "truth". It is obvious, therefore, that "truth" is not in "subjectivism". We must learn "truth" from sources outside of ourselves.

"SUBJECTIVISM" is the rejection of all "objective" moral standards and laws. This is one of the reasons the human scene never makes any substantial improvement.

MUCH OF THE MISERY, and the disorder, and the confusion of these days in which we live is the bitter fruit of the stubborn subjectivistic philosophy.

SOME THINGS are right, and some things are wrong; not because I think they are, or because you think they are; but because they are established as such in the great body of objective truth.

WHEN SUBJECTIVISM dominates a person, he loses touch with reality; because much of reality is apart from personal reflections and feelings. When ever this happens, people are in trouble.

Water Election Slated Jan. 11

The election to fill offices for the Board of Directors and County Committeemen of the High Plains Underground Water Conservation District No. 1 will be held Tuesday, Jan. 11.

Candidates for the position of district director for the District Director's Precinct 2 — Cochran, Hockley and Lamb Counties — are Selmer Schoenrock of Levelland, Hockley County; and D. A. Ramsey of Morton, Cochran County.

Voters in Lamb County will also be choosing three persons, one from each of County Commissioner's Precincts 2 and 3, and one Committeeman-at-large, to fill positions on the District's 5-member Lamb County Committee.

Candidates for these offices are: Gene Templeton, County Commissioner's Precinct 2; W. W. Thompson and Mack Steffey, County Commissioner's Precinct 3; and Donnie Clayton and T. H. Lewis for the office of Committeeman-at-large.

The five polling places in Lamb County are: the Olton Co-op Gin at Olton; Earth Gin at Earth; City Hall in Sudan; County Courthouse in Littlefield; and Farmers Co-op Gin in Spade.

Persons who hold a valid voter registration certificate and who reside within the bounds of the District in Lamb County can vote for one candidate for the office of director, and for one candidate for county committeeman-at-large. However, only qualified voters residing in County Commissioner's Precincts 2 and 3 can vote for one County Committeeman for only that County Commissioner's Precinct in which they reside. The election Judges at each of the polling places will have a map showing the area in Lamb County within the District and the County Commissioner's Precincts therein.

The district covers all or parts of 15 Southern High Plains Counties. It is governed by a 5-member Board of Directors, advised by five Committeemen from each of the 15 counties.

The district issues permits for the drilling of water wells, and regulates the waste of groundwater. It is also responsible for the annual water-level measurements, and the water-depletion, income tax allowance program.

Frank Rayner, the district's manager, noted that the conservation of groundwater is the immediate economic concern of everyone in this area. He urged all qualified voters to exercise their right and responsibility to vote. He observed that, "Good government is no accident, it is a creation of public interest."

HONNY GETS

By CORNBALL

ONCE IN A WHILE it behooves us to pause and take a serious look at ourselves. This time of year we are prone to take stock, make new resolutions and what not.—And, well we should.

I suppose, in early life, most all of us have some inborn ambition to make our mark in life. We'd like to be noticed and, have it said that the world is better off by reason of our having been here.

IT MAY BE A matter of course that as we suffer disappointments and backsets in our noble plans, that our ambitions may become dimmed. As a result we become satisfied to take a back seat and just drift with the tide.

Thus, it becomes easy for us to become a parasite of the community, instead of a builder. From here we begin to develop the idea that the world owes us a living, and we're ready to take it's handouts without any conscientious scruples.

OH YES, INDEED, we're even prone to become quite belligerent when the handouts are slow in coming around.—We'd like to have all the fun and leisure while the ambitious pick up the tabs and do the work.

Here may be the beginning of the welfare state.—However, the matter of finance isn't all I have in mind.

WOULDN'T THE SAME line of thinking apply in matters of citizenship?

We're a little prone to let others take care of the little details of community building. We dislike becoming involved in P-T-A, booster clubs, or community projects. Neither baseball leagues, festivities days, or what have you.

WE SHY AWAY from public life. (Like serving on the board).—Neither do we want to be on the jury. We aren't too proud of our vote in our public elections, and times we're not interested enough anything about the candidates that we might vote intelligently.

In spite of this, we're ever ready our criticisms and complaints which decided we're being taken for Seems we should recognize the (free-riders don't get to DRIVE

WE MAY HAVE the same idea of church. We think it's good and we to prosper. However, we're content to let the giving, the teaching, and various duties that are ever present. We claim membership in the institution, it weren't for the efforts of others, cease to exist.

—THEN, as the year is underway, perhaps it would be good little reviewing. If our community better by reason of our being here be that we belong in the parasite class. If we are only interested in the community can do for us, I'm

IF WE'RE NOT putting anything in the pot, we surely have no right complain about the taste of the

SEEMS IT WOULD be a good resurrect that ambition of making world a better place to live, and I of no better place to start than here.—And—ratt NAOW!

OBITUARIES

JOSEPH WELDON WISDOM

Funeral services for Joseph Weldon Wisdom, 61, longtime Littlefield resident who was dead on arrival at Littlefield Hospital, Friday night, Dec. 31, were conducted Sunday afternoon at Parkview Baptist Church in Littlefield.

Rev. R. N. Tucker, pastor, and Rev. Billy Calame of Palestine, officiated. Burial was in the Levelland Cemetery, with Hammons Funeral Home of Littlefield in charge of arrangements.

Wisdom was a native of Fannin County and had lived in Littlefield 22 years. He was a barber.

He is survived by his wife, Aline; two sons, Ed Wisdom of Levelland and Larry Wisdom of Canyon; a daughter, Mrs. Billy Barker of Plainview; two brothers, Clarence Wisdom of Bonham and Albert Wisdom of Santa Rosa, N. M.; his sister, Mrs. Bill Helton of Commerce; four grandchildren; and one great-grandchild.

HARRY J. ENGMAN

Harry J. Engman, 78, of Lubbock, died Sunday morning, Jan. 2, in Highland Hospital following a long illness.

Engman, a former Littlefield restaurant operator, had lived in Lubbock since 1958, when he moved there from Ruidoso, N. M.

Rosary was said Wednesday night in Resthaven-Singleton-Wilson Chapel, and funeral services are set for 10 a.m. today at Christ the King Catholic Church in Lubbock.

Rev. Edwin Pawlak, pastor, will officiate and burial will be in Resthaven Memorial Park.

Engman was a native of Abilene, and had operated restaurants in Amarillo, Hereford and Littlefield.

He was a member of the Elks Lodge, and was an Army veteran of World War I.

Surviving are a son, Dr. Bill Engman of Durango, Colo.; a daughter, Mrs. Marguerite Todd of Lubbock; nine grandchildren; and four great-grandchildren.

MINNIE GRAHAM

Funeral services for Mrs. Minnie Graham, 80, longtime Littlefield resident who died Saturday, Dec. 31, in Littlefield Hospital, were conducted Sunday afternoon in Crescent Park Chapel in Christ.

Bob Wear, minister, officiated at the burial was in Littlefield Memorial Home with Hammons Funeral Home in charge of arrangements.

Mrs. Graham was a native of Scotland and had lived in Littlefield 20 years.

She is survived by her husband, Ed Graham; six sons, Edgar and Carl Graham, both of Abilene; and Larry Graham, Everett, Wash., and John Graham, Efton Graham and O. B. J. Jr., all of Littlefield; one daughter, Fannie Rogers of Littlefield; two sons, John Cary of Evening Shade, Ariz., and Mrs. Ina Patterson of Pampa, Okla.; and Mrs. Belle Whitlock of N. M.; 14 grandchildren and 25 grandchildren.

GARCIA DOMINGO LOPEZ

Services for Garcia Domingo Lopez of Lubbock, who was found dead in his home Sunday morning Jan. 2, in a field between his feet, investigators said. Lopez had lived in Lubbock four years and Justice of the Peace F.H. ordered an autopsy.

Surviving are a son, Santos Lopez; daughter, Silvia Lopez, both of the Fort Worth; five sisters, Mrs. Rosa Lopez, Mrs. Ange Anglieta Ornelas, Mrs. Barela, Mrs. Janie DelValles and Patsy Valles; and four brothers, Lopez of Olton, Gilbert Lopez, Cleo Lopez and Fred Lopez.

J. R. HEARD

Services for J. R. Heard, 57, area ginmer who died in Methodist Hospital early Tuesday morning, were conducted Wednesday afternoon in the Good Price Funeral Home Chapel in Levelland.

Rev. Bob R. Robbins officiated. Heard had managed gins 18 years and was owner of gins at Slain, Whitharral. Prior to his illness, Heard managed the Petersburg Deli Company.

He was born in Sayre, Okla., Jan. 1914, and attended high school at Childress. He also attended Texas Tech University.

He was a member of the Elks Club, Hillcrest and Levelland Country Club, Geophysical Exploration Society and Levelland Methodist Church.

Surviving are his wife, Marie, mother, Mrs. Bessie M. Heard of Levelland; a son, Capt. James R. Heard, III stationed with the U. S. Army at Lawton, Okla.; two brothers, O. C. Jr. of Lubbock and Perry Heard of Lubbock; and two sisters, Mary and Lufkin and Ruth Clapp of Lubbock.

Police Check Two Accidents

Two automobile accidents occurred in the Littlefield city limits Saturday.

Early Saturday morning, a 1967 Ford Mustang, driven by Louis Aguilar Jr. of Littlefield, was traveling north down Highway 84 bypass, ran off the pavement, hit the shoulder and turned over.

Saturday afternoon, a 1965 Chevrolet, driven by Mary Ybarra of Anton, was traveling west on East 9th and hit a parked 1970 Chevrolet pickup owned by Glen Batson of Littlefield.

The pickup was parked on the wrong side of East 9th (headed eastward).

Damage to the Ybarra Chevrolet was to the right front fender. The pickup was damaged on the right front fender and along the side of the pickup bed.

CLEAN WINDOWS

You may not even see what you have not completely cleaned the front and rear windshields of after a snowstorm.

'Anyway You Plow It'

AGRICULTURE is still the nation's largest industry.

Three out of every 10 jobs are connected to farming.

Nowhere in the world, at anytime in history, has a nation had a more abundant, low-cost, high-quality supply of foodstuffs.

"THE AVERAGE AMERICAN", comments a leading business executive, "spends only 16.7 per cent of his take-home pay for food".

This compares with 37-39 per cent for his

counterpart in western Europe and Japan, the East Indian who pays 60 per cent of his paycheck for food and the Russian who must pay 65 per cent.

In a period when productivity has been steadily falling for the country as a whole, output per man-hour of farm labor has increased 6.6 per cent per year since 1950.

AS THE BUSINESS executive puts it, "Anyway you plow it, this is real productivity improvement."

PHILOSOPHER

Need Answers

Editor's note: The Sandhills Philosopher on his Johnson grass farm ought to know the President isn't going to have time to answer the question he asks this week.

Dear editor: I know that President Nixon is going to have a lot of things on his mind when he visits Red China in February but I sure wish he had time to find out something that's bothering me about that country.

According to an interview I saw on television the other night with two Americans of Chinese extraction who talk English and Chinese fluently and who have just returned from a visit to China, everybody over there or down there I guess I ought to say knows about Mr. Nixon's forthcoming visit.

"I talked with lots of people," one of the men said, "even lots of farmers, and they all know about the coming visit. They know that Dr. Henry Kissinger has visited there twice preparing for the trip. They know he's a brilliant scholar and they're looking forward to the President's visit."

"You mean even the farmers know

about it," the T.V. reporter asked.

"Yes, I talked with lots of farmers, and they all know about it."

The thing I want Mr. Nixon to find out is where abouts on those oxen-drawn plows do the Chinese farmers keep their radios?

How do they keep from missing a lot of news while trying to listen to the radio and yell at their oxen to gee and haw, however that may be translated into Chinese?

I don't know anything about China, but I understand there are 800 million people living there and two-thirds of them are farmers. What I want to know is, if they all know about Henry Kissinger, how come they never found out about modern tractors?

If two-thirds of the people in the United States were farming, instead of 8 per cent, there'd be so much food and produce stacked up a man couldn't get his car out of his garage.

I guess you could tie your radio to the handles of a walking plow or around the neck of the off-ox, but still Mr. President I'd like to know.

Yours faithfully, J.A.

LITTLEFIELD YOUTH participated in several performances of the "Great Merlin Mystery Show" Tuesday night. These photos depict two of the volunteers in different performances, while other volunteers watch.

Annual Wayland Homecoming in Plainview Feb. 18

"People to People" will be the theme for the occasion as Wayland Baptist College students and exes gather for the annual Homecoming festivities Feb. 15-19, according to Sherry Stark, secretary of alumni affairs for Student Government at Wayland.

Among the plans for the '72 Homecoming "People to People" is a parade filled with floats exhibiting the theme and work of students. Also included will be a new phase of the organization on campus is asked to sponsor an activity for the exes leading to that organization. The parade goes out from the downtown Homecoming committee asking "clubs and organizations to provide full cooperation during the days of exciting school spirit and giving back more alumni than ever before."

Evans, correspondence; Kathy Good, pep rally and bonfire; Jan Jeter, advertising; Robert McHugh, chapel; Rhonda Rogers, social; Gail Smith, coronation, and Kathie Turner, banquet.

Sherry Stark, Secretary of Alumni Affairs, looking forward to participation in these events that are approaching so soon, and have faith in your cooperation directed at the betterment of our own college. Now let's relate "People to People."

Airman Geronimo Romo In Honored Squadron

Airman First Class Geronimo Romo, son of Mr. and Mrs. Geronimo V. Romo of Levelland, is a member of the squadron that has won the coveted Hughes Trophy as the top fighter-interceptor unit in the U.S. Air Force for 1971.

Airman Romo serves as a weapons mechanic at Homestead AFB, Fla., with a detachment of the Aerospace Defense Command's 48th Fighter-Interceptor Squadron. The 48th is headquartered at Langley AFB, Va., but has detachments at Homestead and New Hanover Airport, N.C.

Equipped with all-weather supersonic F-106 Delta Darts, the 48th serves as the front line of defense guarding the approaches of the United States

GERONIMO ROMO

from Washington, D.C., to the Florida Keys.

The unit was cited for scrambling on more than 300 missions, which included intercepting and identifying lost aircraft, foreign aircraft without proper flight clearance and even fishing vessels of foreign nations that were trespassing in territorial waters of the U.S.

The trophy, donated by Hughes Aircraft Corporation, was created in 1953 to recognize the importance of outstanding achievements in the aerospace defense mission.

Airman Romo is a 1969 graduate of Whiteface High School. His wife, Polly, is the daughter of Mr. and Mrs. Steve Garcia of Rt. 1, Olton.

Wayland Microterm Is Now Underway

The first semester at Wayland Baptist College in Plainview has ended and final preparations are underway for the fifth annual microterm, a three-week period of concentrated study, scheduled for Jan. 3-21.

Twenty-five courses will be offered during the three-week period. During the short semester, a student may earn a maximum of four hours of college credit. Classes

generally meet each day for three hours.

Course offerings from 9 a.m. to 12 noon, Monday through Friday include painting, taught by Pat Nobles, instructor in art; general ecology, which has an afternoon lab from 1:30 to 4:30, taught by Gerald Thompson, assistant professor of biology; general chemistry, also with an afternoon lab, taught by Dr. James C. Cox, head of the department of chemistry; and comparative economic

systems, taught by Dr. Vance C. Clapp, head of the department of business administration. Also included will be composition and reading, taught by Dorothy Watters Jamar, assistant professor of English; world literature, taught by Dr. John Zimmerman, professor of English; modern poetry, taught by Dr. Don Cook, head of the department of English; the ancient world, taught by Zenobia Self, instructor in history; and recent American history, taught by Gwin C. Morris, assistant professor of history.

Other morning courses are fundamentals of mathematics, taught by Dr. James R. Mosher, associate professor of mathematics; fundamentals of music, taught by Maudell Meredith, assistant professor of music; music education in the elementary schools, taught by Earl W. Miller, assistant professor of music; and safety and first aid, taught by Sylvia Nadler, instructor in physical education.

Still other morning courses are federal and state government, taught by Mary Zumot, instructor in political science; systems and theories of psychology, taught by Dr. North E. West, head of the department of psychology; New Testament history, taught by Dr. J. Ivyloy Bishop, chairman of the division of religion and philosophy; evangelism, taught by Dr. Fred Howard, head of the department of religion; religion and the fine arts, taught by David Kirkpatrick, assistant professor of religion and philosophy; urban-rural sociology, taught by Mark Turnbough, instructor in

sociology; introduction to public speaking, Robert Bowers, instructor in speech; and practicum in theatre, taught by Jerry P. Watson, assistant professor of speech and theatre.

A course, vice and narcotics control, taught by Glenn B. Hunsucker, instructor in law enforcement, will meet from 6:30 to 10:30 p.m. on Monday, Tuesday, Thursday and Friday evenings.

The Wayland Band will meet in an arranged time class.

Bowling will be taught by Danny Murphree, instructor in physical education, from 12:30 to 3:30 p.m. each afternoon.

Introduction to music, taught by M. E. Rodman, assistant professor of music, will meet from 9 to 11 a.m. each day.

Interested persons should contact the Registrar's Office at Wayland about microterm courses. Registration will be held on Jan. 3 at 8 a.m.

Federal Land Bank Loans 100 Million

W.H. McCown, manager of the Federal Land Bank Association of Littlefield announced that The Federal Land Bank of Houston closed more than 100 million dollars in loans during 1971.

The previous record for loans closed in a single year was set in 1965 when the Bank closed more than 94 million dollars in loans.

"Farmers generally have been a little more optimistic this year, a little more confident of the agricultural economy", McCown stated. "Then too, the number of land sales are up somewhat this year over last year." This year will also be a big year, McCown predicts. "By midyear we will have the new Farm Credit Act implemented. This will permit us to lend more money in some instances and will also broaden the scope of our loan service to agriculture in other respects", he stated.

The Federal Land Bank of Houston makes farm and ranch estate loans throughout Texas and on Dec. 30 had more than 575 million dollars in loans outstanding to more than 35,000 farmers and ranchers.

The local association makes and services loans in Lamb County.

Officers and directors of the association are Harry Brantley, president; Ray C. Hulse, vice president; Drexel Lawson,

directors; Paul S. Chisholm, director; and Elmer Hall.

Pam Foster Is Honored

Pam Foster, daughter of Mr. and Mrs. Victor Foster of Littlefield, and a student at Parsons College, has received special recognition for her community service efforts in Fairfield during the Christmas holidays.

She is a member of the Society of Independent Girls, who prior to the College's Christmas vacation, sponsored a canned food drive for needy families in Fairfield.

Following the food drive, the girls prepared special holiday baskets and delivered them throughout the community.

The SIGS organization seeks to foster good character and citizenship among the Parsons College women, provides an atmosphere conducive to good scholarships and promotes good college spirit.

Dr. Carl W. Kreisler, Parsons President, cited the organization for the service it performed and conveyed the many expressions of gratitude for the activity it performed.

Witnesses Meet In Convention

"Isn't it strange that man, highest form of earthly life, does not live as long as some plants and animals? Why does the human body grow old and die? Is this inevitable?"

These were some of the questions that were propounded and Scripturally answered by E. R. Brandt, district supervisor and principal speaker of Jehovah's Witnesses at their convention in Levelland Sunday afternoon as he delivered the featured public address, "Can You Live Forever—Will You?"

The address was delivered to a capacity crowd of 1,246, 32 of which had publicly demonstrated their faith in this provision Saturday morning, symbolizing their dedication to God by water baptism.

The purpose of the "Keep on Doing It More Fully" assembly was to stimulate family units of the ministerial society to acts of love in ministering good news to the people.

BAD RESULTS

In addition to the risk of sustaining a hearing loss, an employee exposed to excessively loud on-the-job noise also is likely to be more accident prone, to display job dissatisfaction and to produce poor workmanship.

TWO CATEGORIES
Hearing losses resulting from exposure to excessive sound levels can be divided into two categories. The first type is a temporary loss in which the victim eventually regains his hearing ability. The sound type — a permanent loss — leaves the victim with reduced hearing ability for the rest of his life.

surrounds the visitor to our home. This atmosphere of serenity in our environment is a source of inspiration to the bereaved.

HAMMONS FUNERAL HOME

UNITED STATES DEPARTMENT OF AGRICULTURE

Rural Electrification Administration

APPENDIX A

Statement of Nondiscrimination

Lamb County Electric Coop. has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

"Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D. C. 20250, or the Rural Electrification Administration, Washington, D. C. 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 90 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations."

Consignments welcomed.

DR. NATHANIEL H. PULLING, project director of automotive safety (left) watches his assistants prepare the car bumper prototype for crash testing.

Car Bumper System Meets Federal Standards

Automotive engineers have developed a unique two-stage hybrid car bumper system which prevents all but minor damage in car-to-car collisions at speeds up to 10 mph.

Because this bumper prevents any costly damage to the car in front impacts of 10 mph, it goes beyond Federal Motor Vehicle Safety Standard No. 215 effective for 1974 which only requires that safety-related equipment remain operational.

The result of more than a year of testing bumpers, the two-stage prototype uses rubber springs and crushable cylinders of aluminum honeycomb to absorb impact energy.

The rubber springs cushion the shock of low speed collisions below 6 mph without crushing the aluminum honeycomb.

Higher speed impacts cause metal shear pins to break allowing the honeycomb to absorb greater impact energy by crushing.

The honeycomb, if crushed, must be replaced. The rubber springs can be used repeatedly. To replace the honeycomb after a collision the bumper face plate must be removed. The repair cost should be about \$15 depending on local labor rates. That represents a considerable savings over the average repair costs for a 5 mile per hour collision, which is usually more than \$200.

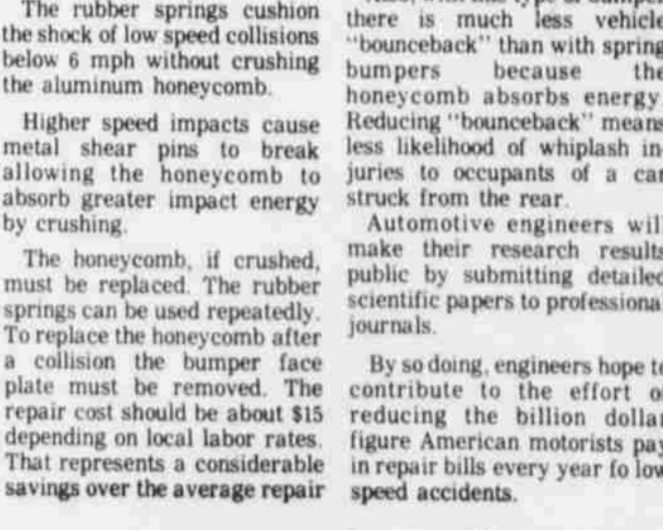

As a result of this unique two-stage design concept, the bumper protects even a lightweight, small car from damage when hit by a heavier car in a low speed collision below 6 mph. And it lessens the danger of injury to occupants of the smaller auto.

"An advantage the two-stage bumper system offers is the possibility of reducing or preventing damage in collisions between cars of differing weights and bumper resiliency," says Dr. Nathaniel H. Pulling, project director for automotive safety.

Also, with this type of bumper there is much less vehicle "bounceback" than with spring bumpers because the honeycomb absorbs energy. Reducing "bounceback" means less likelihood of whiplash injuries to occupants of a car struck from the rear.

Automotive engineers will make their research results public by submitting detailed scientific papers to professional journals.

By so doing, engineers hope to contribute to the effort of reducing the billion dollar figure American motorists pay in repair bills every year for low speed accidents.

Two-Stage Hybrid Car Bumper

Schematic Diagram of Test Prototype

How It Works

The rubber springs cushion the shock of low speed collisions. During a low speed car-to-car impact below 6 mph the aluminum honeycomb is not crushed.

At higher speeds the capacity of the rubber springs is exceeded and the shear pins break, allowing the honeycomb to absorb collision energy by crushing. The weight and speed of the cars determine the amount of honeycomb used to absorb this energy.

Private Refugio Samarron, whose parents and Mrs. Santiago Samarron, and wife, live in Earth, recently completed eight weeks of training at the U.S. Training Center, Infantry, Polk, La.

Speed Up VA Payments

Veterans enrolling for training for the spring can speed their VA payments by submitting required information to the VA school prior to enrollment, according to Jack Cohen, Regional Director at Waco.

Also to help veterans, the VA has changed procedures on enrollments to permit mission of documents to colleges by veterans who not had time to get certain of eligibility from the VA to the school start date.

Veterans should submit copy of their separation proof of dependency application for education to prior to enrollment if possible. If circumstances do not permit the veteran to do this and enrollment has started to submit his "package" required documents to the school.

Most colleges and universities have agreed to accept "package" and forward to VA for processing along the certification of enrollment.

The key to rapid start Bill checks for veterans will start school for the time in the spring semester get his "package" of documents as soon as possible, said.

Servicemen getting "outs" before the end of the year who plan to start school in the GI Bill in January apply for their certification as soon as possible if they head off GI Bill payments.

Veterans and service desiring information education benefits should contact their local VA veterans county service organization representatives.

The VA office in Littlefield, located in the basement of the courthouse.

Information may also be obtained by writing the Regional Office, 1400 N. Valley Mills Drive, Waco, Texas 76710.

WTCC Water Committee Hears Annual Report

Arthur P. Duggan Jr. of Littlefield, chairman of the West Texas Chamber of Commerce Water Committee, was among more than 200 officers, directors, members and guests who were in San Angelo Nov. 18-19 for the mid-year board meeting of WTCC.

The event was conducted in the Houston Harte University Center on the campus of Angelo State University.

Duggan presided for the Thursday afternoon meeting of the Water Committee, when various reports were heard and recommendations were approved.

Homer Garrison of Hereford, former Littlefield resident, serves as chairman of the Agriculture and Ranching Committee, and presided for that committee's meeting.

Duggan's report included the following statement and proposed program for the future.

"A revolution!
"It's a revolution we're in; the fourth great revolution for mankind. First was the Agricultural Revolution, when a big change from nomadic existence occurred. There followed the Industrial Revolution and then the Technological Revolution.

"Now what might be called the Societal Revolution is in full blast, affecting water, air, industry, cities, all walks of life. From it we will emerge with a cleaner, better environment and a better way of life.

"Like any other revolution, this revolution has created the rise of many problems and excesses. Of particular consequence to us right now is an over-reaction sparked by overly zealous individuals, which has brought to a screeching halt many important water development projects.

"The water situation is of particular consequence to the West Texas Chamber of Commerce because the State of Texas is likely to lose its shirt and West Texas might lose more than its shirt unless before the turn of the century water in vast quantities is imported into West Texas. And if the project were to be authorized today, it likely would be nearly the year 2000 before imported water would be flowing in significant quantities in West Texas.

"A dismal outlook? Perhaps.

But there is light. If the people of West Texas, the people of Texas, and the people of the United States of America knew all the facts, there would be overwhelming support for cheaper relative costs for meat, fabrics, food and a cleaner environment—all of which will be the result when water is delivered in large quantities into Texas and into West Texas.

"In essence, you have much of the result of investigations carried on by your Water Committee. Inquiries were made of knowledgeable persons with the Texas Water Rights Commission, Texas Water Development Board, the Governor's Statewide Input-Output Project, Water Inc., and Texas Water Conservation Association.

"An on-scene look was taken of the California Water Project, which transports 10,000,000 acre feet of water, some of it 600 miles, and lifts some about 3,000 feet—only slightly less in volume, distance and height than required for West Texas to receive water from the Mississippi River.

"From a National standpoint, there has been appointed a National Water Commission, charged with the task of formulating a National water policy by the year 1973. This commission obtained a report containing incorrect and damaging conclusions concerning West Texas (example: that the High Plains of West Texas is only marginally suited for cotton production—and this of an area that produces between 15 and 20 per cent of ALL cotton produced in the United States).

"So, Commission members were invited to Texas, and they came. The West Texas Chamber of Commerce provided airplanes for transportation of Commission members and staff from Austin to Lubbock and return, and the West Texas Chamber of Commerce provided testimony at Austin and Lubbock meetings of the Commission members.

"The West Texas Chamber of Commerce was represented at the National convention of the National Water Resources Association.

"One principal objective adopted by the NWRA is to carry on a National educational program in order to acquaint the public with environmental

improvements achieved through water development projects along with significant recreational benefits plus water to drink, manufacture products and provide food and fiber at lower costs to the American public.

"You were represented at the Waco pilot meeting of the Brazos River Basin Natural Salt Pollution Control project. The benefits of this removal of salt from Brazos River water will accrue mainly to those living beyond the bounds of West Texas.

"At a public meeting in Abilene your committee endorsed the project provided pollution of ground water reservoirs is prevented, at this same time, calling attention to the fact that West Texas will support cleaning up of water for lower Brazos River users primarily by creating salt water impoundments in West Texas and requesting those same people to support water for Texas and West Texas.

"The main thrust of Water Committee investigations and conclusions is contained in the attached report to the Water Committee plus recommendations contained therewith."

"It is believed vital the recommendations be adopted by the West Texas Chamber of Commerce.

PROPOSED PUBLIC RELATIONS PROGRAM
Suggested First Stage: Start in West Texas.

Objective: To bring home to the people of West Texas the importance of water to them regardless of their means of making a livelihood. The underlying philosophy being that until West Texans are united in their understanding of and approach to our water problems we can't effectively seek the state and national support we need, even though the economic advantage to other sections of the state and nation may be as great as those that will accrue to West Texas.

Basic Theme: "Work for Water — Water Works For You."

Means of Projecting Theme And Accomplishing Objective: Utilization of major media in area of West Texas Chamber of Commerce. Radio and television through series of public service spot announcements. Newspapers through series of advertisements, which newspaper, hopefully, would run as public service. Preparation of a basic billboard which would be utilized as public service (this may be accomplished best in off-season for outdoor, which is normally after introduction of new model automobiles and Holiday season.) Stuffer for bank statements and envelope billing. Articles for employee publications of member companies. Establishment of a speakers' bureau.

Cooperating Organizations: Local Chambers of Commerce; Water, Inc.; groundwater conservation districts; Texas Water Conservation Association; agricultural research organizations; colleges and universities.

Length of First Stage: Six — twelve months.

Suggested Second Stage: "Texas Needs West Texas — The Nation And The World Does, Too!"

Objective: To create understanding throughout the state and the nation that the optimum development and distribution of water is in the interest of and vital to the State and the Nation.

Strategy: To solicit assistance of national companies and organizations who have economic interest in the future of West Texas to utilize their resources in pointing out the value of our area to the state, nation and world. To improve the image of West Texas and the producers of the region. To lay to criticisms of the ecologists and the environmentalists that are attached automatically to any water project.

Means of advancing Strategy: This probably needs a professional advertising and public relations counsel and may go beyond being solely a volunteer effort.

Cooperating Agencies: Same as Stage 1, plus businesses with interests in area.

Length of Second Stage: Until the first drop of imported water reaches the Plains.

BEGIN CONSERVATION
While a hearing test will not in itself alleviate a hearing loss, such a test is the first step most hard-of-hearing people must take on the road to obtaining help from surgery, medical treatment or a properly fitted hearing aid.

Arthur P. Duggan, Jr. of Littlefield, Chairman of the WTCC Water Committee; and H. Leon Slaughter of Abilene, WTCC Projects Director.

Hearing Is Scheduled On Big Bend Nat'l Park

The National Park Service of the Department of the Interior has announced that public meetings will be held at Alpine on Jan. 15, to receive comments and suggestions regarding a wilderness proposal and master plan draft for Big Bend National Park.

Frank F. Kowski, director of the National Park Service's Southwest Region, with headquarters in Santa Fe, said the meetings at Alpine will be held in the Community Room, City Hall building, 309 West Avenue D, Alpine, Texas 79830.

The Master Plan discussions will be held at 9 a.m. and the Wilderness Proposal hearing will begin at 1 p.m.

Kowski explained that the service is holding the meetings in order to solicit the public's views and desires.

The Master Plan for Big Bend National Park is the basic document that will be used as a management tool and as the basis for future decisions affecting public use and enjoyment of the park.

In accordance with Public Law 88-577 of September 3, 1964, known as the Wilderness Act, the purpose of the public

hearing is to receive comments and suggestions concerning the appropriateness of the proposal for establishing wilderness areas within Big Bend National Park.

Thirteen separate areas within the park, totaling 523,800 acres, have been found suitable for wilderness designation and are proposed for inclusion in the National Wilderness Preservation System. This would encompass most of the Chisos Mountains and representative portions of the Chihuahuan Desert.

Persons or groups desiring to express themselves on the Wilderness Proposal are requested by the National Park Service to notify the Hearing Officer, in care of the Superintendent, Big Bend National Park, Big Bend, Texas 79834 by Jan. 12. Written statements will be accepted for 30 days after Jan. 15.

Those persons wishing to express views on the Master Plan proposal are asked to advise the Superintendent, Big Bend National Park. Written statements regarding the Master Plan will be accepted by

the Superintendent for the following Jan. 15 meeting.

Persons wishing to express views on both proposals do so in separate statements. Written statements regarding Wilderness Proposals are part of the official record included in the material presented to Congress for consideration in designating Wilderness Areas.

The draft Master Plan Wilderness Proposal is available for examination at Big Bend National Park headquarters, the Southwest Regional Office, Old Santa Fe Trail, Santa Fe, N.M.; and in Room 1000, Department of the Interior Building, Washington, D.C.

A limited number of packets containing information on the draft Master Plan and Wilderness Proposal are available to representatives of interested organizations. Groups from the Superintendent, Big Bend National Park, Big Bend, Texas 79834, or the Southwest Regional Office, National Park Service, Box 728, Santa Fe, New Mexico 87501.

Farmers Must File Social Security Reports

Farmers have until Jan. 31 to report Social Security taxes withheld from their employees' wages during 1971, according to Ellis Campbell Jr., District Director of Internal Revenue for North Texas.

The reports should be filed on Form 943, Employer's Annual Tax Return for Agricultural Employees.

Campbell said that any farmer who pays an employee cash wages of \$150 or more a year must withhold Social Security taxes. These taxes must also be withheld on wages under \$150 for any person hired 20 days or more a year.

For tax purposes, a farm employer includes anyone who furnishes and pays workers to perform agricultural labor on his behalf or for someone else. Campbell said a "crew leader" is an employer under this definition.

The 1971 Social Security tax rate is 10.4 percent of the first \$7,800 of taxable wages paid a farm employee. Half the tax is paid by the farmer and the other half by the employee.

Farmers must give a W-2 wage and tax statement to every worker they pay \$600 or more a year. Employees paid less than \$600 should receive a statement covering their Social Security taxes, Campbell said. More detailed information is

available in Publication 51 (Circular A), "Agricultural Employer's Tax Guide." Send a post card to District Director, Internal Revenue Service, 1100 Commerce Street, Dallas, Texas 75202 for a free copy.

PRODUCTS SHOW

An equipment and products show will be the highlight of the Texas Plant Food and Equipment Exposition Jan. 4-6 at the Sheraton-Fort Hotel and the Tarrant County Convention Center in Fort Worth. The exposition is the annual meeting of the Texas Plant Food Institute and is a redirecting of the annual Texas Fertilizer Conference.

MEMBER FDIC LITTLEFIELD

VOLUNTEER FIREMEN made a run north east of Spade Tuesday afternoon to stop a fire at the James Steffey residence. An attempt was being made to thaw frozen water lines with butane, when the outer wall was ignited.

Hart Dealer Charged

J. H. Davis, a livestock dealer of Hart, has been charged with violating payment and recordkeeping requirements of the Packers and Stockyards Act, the U. S. Department of Agriculture said today.

USDA's Packers and Stockyards Administration charged in an administrative complaint that J. H. Davis issued insufficient funds checks in payment for over \$94,000 worth of livestock from January through April, 1971, and failed to pay for the livestock within the time required.

Davis has since paid for all the livestock purchases. He purchased livestock in western Texas and eastern New Mexico.

P&SA also charged that J. H. Davis failed to keep complete accounts and records which correctly disclosed all transactions involved in his dealer business under the Act.

Livestock dealers are required under P&S regulations to pay for livestock by no later than the close of business on the day following purchase, unless credit has been arranged in advance. This is designed as a measure of financial protection for sellers.

Davis has a right to request a hearing on the charges. If the charges are proven, he could be placed under a cease and desist order, and his registration could be temporarily suspended.

The P&S Act is a fair trade practices law. It promotes and maintains fair and open competition in the marketing of livestock, poultry and meat. The Act is administered on a nondiscriminatory basis.

The record in this case is open to the public.

Copies of the complaint, P&S Docket 4603, may be obtained from the Information Officer, Packers and Stockyards Administration, USDA, Washington, D.C. 20250.

Amarillo College Initiates Spring Semester Signup

The Electronics Department at Amarillo College will offer electronics classes for beginning electronics students this coming spring semester.

This will be the first spring semester in which first semester freshman electronics classes will be offered at Amarillo College. In previous years these classes were offered in the fall semester only.

Electronics students at Amarillo College may choose from four degree programs —

biomedical electronics technology, electronics technology, electronics engineering technology or electronics computer technology. The Associate in Applied Science Degree is awarded for the successful completion of any of these programs.

While the primary objective of each program is to prepare the student for immediate employment in the electronics industry, these programs may be transferred into a bachelor's degree curriculum at a number of colleges and universities.

'Famous Trees' Now Available

Orders for the second edition of "Famous Trees of Texas," a hard-cover book in full color, are now being accepted by the Texas Forest Service, a part of the Texas A&M University System, College Station.

The first edition printing of 25,000 copies was sold out in less than 10 months.

The Moody Foundation of Galveston provided a \$40,000 grant to assist with the publishing of the book and also made possible its free distribution to all public libraries, junior and senior high school libraries, and college and university libraries in Texas.

Major changes in the 200-page book, which features 96 trees in full color, include the replacement of the Grigsby Pecan, which was destroyed in a windstorm, and five national champion big trees, which have been dethroned.

Their replacements include Bailey's Oak of Bailey's Ghost fame near Angleton; the Dueling Oak near Edna, where two Texian generals exchanged shots; the memorial oaks at Peach Point, near Freeport; two hanging trees — Page's Tree in Clarksville and the Center Hanging Oak on the Shelby County Courthouse square; and the nation's largest Texas Palmetto, located south of Brownsville.

The retail price of \$5 includes state sales tax and handling.

In addition to the Texas Forest Service and bookdealers, copies may be purchased from Texas Garden Clubs, Texas Federation of Women's Clubs, Daughters of the American Revolution, and Daughters of the Republic of Texas.

While a hearing test should be part of everyone's annual physical checkup, this is particularly important for persons 55-years-of-age and older. An annual hearing test for persons 55 and older is particularly important because persons in this age category frequently encounter presbycusis, or a loss of hearing because of aging.

IT WAS TIME for a change and after 35 years, C. A. Duffy, president of the First National Bank in Amherst made the change when the bank donated a new electric clock to the school to be used in its basketball program. Duffy gives Mrs. Lilburn Bales and Mrs. Jimmy Cowan a check to pay for the new \$800 clock. Amherst basketball coach Charles Harrington looks on. Inset is a picture of the new clock on display on the south wall of the Amherst gym.

Amherst Opens District With Nazareth Win

The Amherst Bulldogs opened district play by dropping Nazareth, 49-38, Tuesday night at Nazareth.

The Bulldogs had to come from behind in the third quarter to take the win.

Nazareth was ahead 23-20 at the half but fell as Amherst took a 35-31 lead going into the final stanza and scored 14 more points to keep the lead.

Randy Miller scored 15 points for the winners and Doug Cummings hit 10.

The Bulldogettes got their 11th season win by dropping Nazareth, 36-29.

The winners led in every quarter for the win.

Alane Weaver sank 18 points to pace the winners and Jeana Young added 12.

Miss Kleiman bucketed 17 for Nazareth.

In "B" girls' action, Nazareth took a 26-

24 decision from Amherst in overtime play.

Amherst blanked Nazareth in the first quarter and led the winners until the final seconds of the game.

Tonya Bearden hit 15 points for Amherst and D. Weathering scored nine for Nazareth.

ORGANIZATIONAL MEET SET FOR 5th, 6th GIRLS

An organizational meeting is slated Thursday for all parents who have girls in the 5th and 6th grades and who are interested in their girls playing basketball.

The meeting will be held in the Elementary II gym at 7:30.

All interested parents are urged to attend.

Sudan Stings Happy Girls, 'B' Boys

Sudan took two out of three games from Happy Tuesday night.

The Sudan girls whipped Happy, 53-43, for a 10-point lead and their first district win.

The Sudan ferns led in every quarter, their biggest lead was a 20-point spread at the end of the third period.

The winners, in a team effort, set the stage for Tanya Chester to sink 18 points, trailed Georgia Ray with 17 and Cecie Bandy and Deanna Phillips made nine points each. Becky Via hit 30 for the losers.

The Sudan Hornets lost their fourth district outing to Happy, 76-61. The Hornets trailed in every quarter but in a fourth quarter catch up attempt narrowed a 20 point lead by Happy in the third quarter to only a 15 point lead at the final gun.

Bo Lance took high point game honors by sinking 20 points for the Hornets. Mark Hanna hit 10 and Jerry Price connected with nine. Happy's Payne paced the winners with 16 points, Coole hit 14, Looney 13 and Hargraves sank 10.

Kevin May sank three points in overtime play to give the Sudan "B" team a 60-57 win over Happy.

Sudan came from behind a 21-5 first quarter deficit to tie the game 57-57 at the end of regulation play and went on to win with May hitting a field goal and a free throw.

Richard Tamplin sank 25 points and Roby Lynn hit 10 for Sudan.

McNeil connected with 17 points and was trailed by Tackitt's 15 and Barrett's 11 for the losers.

S-E Boys Fall, Girls Edge Farwell

Greg Slover bucketed 21 points to a losing cause as the Springlake-Earth Wolverines were downed by the Farwell Steers, 65-60, in basketball action Tuesday night. Kevin Hargrove was the high point man for the winners with 29 points.

In girls' action, Janet Britton sank 27 of Springlake-Earth's 39 points to pace the winners to a 39-36 win over Farwell.

Springlake-Earth trailed 18-17 at the half and had a 26-25 lead at the end of the third quarter in a comeback attempt.

JIMMY CLAYTON was fishing for white bass, using a Dixie Jet spoon, at Lake Buchanan when this 10-pound yellow cat was a surprise catch for both Jimmy and the fish. Jimmy is the 9-year-old son of Mr. and Mrs. John Clayton III.

S-E, Olton Teams Capture Title

In the Farwell Invitational Basketball Tournament Saturday, Springlake-Earth bested Kress, 66-58, for consolation honors. Larry Thomas bucketed 16 points to pace the winners and Mike Mothreal hit 18 for the losers.

In other boys' action Olton was downed by Freshup, 56-52 for the third place. Mike Wright outscored Mustang Collin Johnson, 23-12.

In girls' tourney action, Olton toppled Springlake-Earth, 49-37 to capture third place. Rebecca Hodges hit 26 points for the winners and Janet Britton sank 25 for the losers.

In Friday's battles Olton was dumped by Dora, N. M., 63-41, and Springlake-Earth tripped Boys Ranch, 55-47.

In Friday's girls' action, Farwell reached the finals by dropping Springlake-Earth, 56-46, and Dimmitt won over Olton, 56-28.

Mustangs Split Wins With Dimmitt

A hot second quarter by Dimmitt gave the Bobcats the edge to go ahead and win over Olton, 63-57, Tuesday night in basketball action.

Danny Ebeling and Jerry Matthews scored 18 points each for the winners. Steve Stockdale hit 17 for Olton.

In girls' action, Olton took a 13-12 lead at the end of the first quarter and turned it into a 40-23 win over Dimmitt. Rebecca Hodges took high point honors for Olton by hitting 30 points. Nancy Tisdale sank 15 for the losers.

Outsiders Basketball At Spade Tonight

Spade will host an outsider basketball game Thursday, Jan. 6, at 7:30 p.m., in the Spade School gym. The admission is free.

Playing as the home team will be the Downers from Texas Tech. Their team consists of Bob Adams, Gary Hairston, Wayne Matthews, Danny Sewell, Raymond Sewell, all of Spade; Gail Morris of Lazbuddie; Stanley Sadler of Whitharral; and Troy Tidwell of Anton.

The Downers will play Littlefield Coca Cola. Playing for Littlefield will be Jerry Williams, Jim Healey, Buster Smith, Gary Fitzgerald, Gary Nace, Jim Upton and Larry Reast.

The concession stand will be open during the game.

Signup Scheduled For Little Dribblers

Little Dribblers Basketball is about to begin in Littlefield for boys 9 through 12 years old.

Signup cards will be handed out at school Monday, Jan. 10, and these cards must be completed and returned with an accompanying birth certificate and a \$3.50 registration fee by the night of Jan. 13.

Jerry Burke, president of the Little Dribblers, said the deadline for signup is the night of Thursday, Jan. 13, when there will be a meeting at 7:30 in the XIT Room of Security State Bank.

The Thursday meeting will be the last chance to sign up. In the event a boy wishing to play cannot be present, he must leave his signup card, birth certificate and

money at the Credit Bureau office at the meeting.

Boys who were born on or after Sept. 1, 1959 will be eligible to participate in the Little Dribblers.

This is Littlefield's second year of teams for 9-12 year-olds. Last year were six major and six minor teams, but the teams participated in League play. This year the Little Dribblers will be part of Little Dribblers of Levelland.

There are some coaching positions for the Littlefield Little Dribblers interested in coaching may contact Jerry Burke or Bill Healy.

MACKEY LEADS SCORING

Longhorns Lick Cats

The Longhorns drubbed the Wildcats 75-44 at Lockney Tuesday night.

Alan Mackey led Littlefield scoring with 15. J. E. Johnson notched nine, Pat Henderson, four, Ken Albert, three, Jay Trammell, six, and Dennis Hartley and Mike Carter two each.

Lockney doubled the Wildcats in the first and fourth quarters. Bill Hill slapped in 28 for the winners, who are now 14-2 for the season and 2-0 in district.

Littlefield's junior varsity socked it to the Lockney JV, 60-33. It was victory No. 8, against 2 losses.

Terry Bryson and Chris Pope popped in 15 a piece. Randy Cook and Kelly Pratt notched 10, Gary Brown and Kenny Owens added four and Craig Ratliff, two.

It was easy going for the Littlefield with a long lead in all four quarters.

GIRLS FALL, 45-26

Lockney's girls out-paced the Littlefield JV girls 45-26 Tuesday night.

The Littlefield six were only six at half-time, then Lockney gained momentum.

Pam Turvaville hit 13 and Jill added 9 for Littlefield. Coach Collins cited Jackie Gregg outstandingly.

Littlefield meets Bula Thursday morning in the Amherst Tournament, their next regular game is with Abilene here Friday at 5 p.m.

Anton Blasts Spade, Spade Girls Victors

The Anton Bulldogs took a 104-39 win from the Spade Longhorns. Tuesday night in a district opener.

The Bulldogs hit from 14 to 36 points in each quarter while the Longhorns were held to six points in the first stanza, 11 in the second period, eight in the third and 14 in the final quarter.

Alan James and Leroy Medlock shared high point honors with 20 points each for the winners. Mark Grace and Elisha Thomas bucketed 18 a piece and Terry Belcher sank 16.

Spade was paced by Randy Gray with 14 points. Jimmy Sewell hit nine.

In girls' basketball action, Spade squeaked past Anton, 48-47. Free throws seemed to be the big factor as Spade hit 28 out of 40 and Anton connected with 21 of their 34 attempts.

Debbie Myers was top scorer for Spade with 21 points. Brenda Hopper connected

with 17. Pam Bell scored 13 to lead. Kirsti Stone sank 10 and Pat Melton hit 10 Monday night. Anton took a 65-50 over Meadow.

The winners bounced to a 18-6 lead at the end of the first quarter and held it to win. Leroy Medlock hit 22 points for Bulldogs, Terry Belcher sank 13 and Grace hit a dozen.

Billy Wright scored 21 points for losers and Larry Mason hit 12.

In girls' action Monday, Anton beat Meadow, 56-47. The Bulldogettes won one point lead at the half but stumbled in the third quarter and seemed unable to regain their pace. Pam Bell sank 23 for the 'Doggettes and Carolyn Hogue 10.

Miss Williams hit 26 for Meadow. Wilson connected with 16 and Miss K... 14.

Anton meets Meadow again today at Ropesville Tournament for an enco...

Pep Squeaks Past Bula, Bula Girls Win Again

With 26 seconds left in the game, Johnny Demel sank a two-pointer to give Pep a 59-57 win over Bula Tuesday night.

Pep led Bula until the final minutes of the game. The game was tied 57-57 and a field goal by Demel gave the Buffaloes their 13th win for the season.

Dave Shannon sank 17 points to pace the winners, LaFette Demel hit 14, and Randy Kuehler and Johnny Demel sank 13 each.

Bula was paced by Ron Risinger who connected with 25 points. Steve Newton hit 12 and Kenneth Turney sank 11.

In girls' action Tuesday, Bula kept their record perfect by winning over Pep, 53-33.

Bula's balanced front three all hit in the double figures, with Lisa Risinger taking game honors with 20 points. Shelia Medlin sank 17 and Gwen Pollard hit 16.

Pep was paced by Miki Demel with 15 points. Mary Franklin hit eight, and Glenda Green and Barbara Glumpler made five points each.

In other basketball action, Pep took a 59-42 win from Lazbuddie Friday night. The Buffaloes rallied in the second period to take the lead and set the stage for the win.

Randy Kuehler hit 21 for the Buffaloes. Dave Shannon hit 18. Other scorers for Pep were Johnny Demel, LaFette Demel, Curtis Albus and David Demel.

Lazbuddie was paced by Arthur G... with 19.

In girls' action, Pam Demel connected with 24 of Pep's 47 points to win over Lazbuddie 47-19.

Miki Demel hit 17 for the winners. Mary Franklin hit 14 and Barbara Glumpler Mary Franklin with four and two p...
