

## 1971 MISS LAMB COUNTY

# Miss Sterling Reigns

Deana Sterling, a brown-haired, brown-eyed LHS junior who is accustomed to receiving her "number 1" ratings in flute and oboe solo and ensemble contest displayed her charms to a packed audience Friday night and was crowned "Miss Lamb County" from a field of 18 beauties.

Miss Sterling is 5' 6", measures 34-23-33 and the 16-year-old daughter of Mr. and Mrs. E. J. Sterling of 1316 W. 13th. She is the third Miss Lamb County named in the annual beauty pageant sponsored by Beta Sigma Phi in connection with Littlefield Festivities Days.

The winner was crowned with a tiara by last year's Miss Lamb County, Linda Horn, and presented a dozen red roses and

a trophy by Kathy Minyard, the winner of the first beauty pageant.

The first runner-up trophy for the 1971 Miss Lamb County title went to 17-year-old Suzy Temple, a brown-haired, green-eyed Springlake-Earth senior student.

Sandy Holmes, an 18-year-old blue-eyed blonde graduate of Spade High School, was named second runner-up.

Brown-eyed, brown-haired, 16-year-old Thriess Bingham, a Littlefield High School junior, and De Aun Ogerly, a 17-year-old brown-haired, blue-eyed LHS senior, were third and fourth runners-up in the contest.

The eighteen beauties were cheered enthusiastically by the crowd as they appeared in swim suits then in formal gowns on the circus-themed stage in "The Greatest Show on Earth."

John Mann, an auctioneer and speech major at Texas Tech University, emceed the pageant. Sorority members dressed as clowns, and a tumbling act put on by 20 members of the Astro Texans of Levelland's McKay's School of Gymnastics, added to the circus theme.

While the judges scored the contestants the audience patted their feet and fanned themselves with their programs in time to Jan Sisson's and 1969 beauty queen Kathy Minyard's solos.

Penny Bryant and Dave Stanley of Levelland and Judy Mann of Lubbock judged the 18 on poise, personality and beauty.

In addition to the trophy, tiara, and roses, the 1971 Miss Lamb County received an 8 x 10 color portrait from Robert's Studio. In addition to playing the flute and oboe in the Wildcat Band, Miss Sterling plays the piano. Her hobbies include water skiing, cooking, sewing and volleyball. She is taking Distributive Education in school and working part time at Findley's Jewelry. Her employers, Mr. and Mrs. Weldon Findley, sponsored her in the contest.

Contestants and their sponsors, other than Miss Lamb County, were Sandy Holmes, Spade Hardware; Sheila Harrell, Wright Prescription Drug; De Aun Ogerly, Pioneer Super Market; Judy Curry, Littlefield Lions Club; Tina Russell, VFW Auxiliary Post; Cheryl Carter, Cox Furniture; Linda Birkelbach, Prescription Shop; Holly Hinkley, "We, The Women"; Suzy Temple, Springlake-Earth Lions Club; Carol Terry, Clint's Cigarette Service; Velva Lee, Holiday Beauty Salon; Thriess Bingham, Tide Products, Inc.; Charlotte Jennings, Littlefield Garden Club; Kathy Tones, Interstate Securities Inc.; Mary Elizabeth Shotwell, Rotary Club; and Molly Green, West Drug.

## Lamb County Holds Higher Market Rating

A nationwide survey of business activity, just released, shows that Lamb County turned in a better performance in the past year than most communities did.

It was accorded an above-average market rating on the basis of the findings, which indicate that local residents earned more and spent more, per person, than was general across the country.

Its relative standing is brought out in a new "Survey of Buying Power," produced and copyrighted by Sales Management, the marketing publication. It contains comparable income and spending figures for each area.

Although 1970 was far from a record-breaking year throughout the United States generally, it was a better one for retail merchants in the local area than for those in most other localities.

The figures show that Lamb County stores ended up with a sales volume of more than \$37,676,000, as against the prior year's \$30,770,000.

It was more than might have been predicted from the standpoint of population alone. With .0063 percent of the national population living in the local area, that proportion of the nation's business would have been its quota on that basis.

It went above that mark, however, and produced .0104 percent of the national total.

The results point to the sturdiness of the local economy. During a period of national recession, in which unemployment was

high and the cost of living rising rapidly, business in the local area held up better than in many sections of the country.

Making it possible was the strong earnings picture. The survey shows that net income locally, after payment of personal taxes, reached a total of \$49,945,000.

It was equivalent to \$9,081 per household, an average arrived at by dividing the overall income by the number of local households.

The relative standing of one community to another, in terms of purchasing power and business vitality is shown in the survey through an "index of sales activity."

Lamb County's index is given as 125, or 25 percent above the national average.

## EXHIBITS, 1,000 ATTEND

# Art Festival Biggest Yet

A thousand persons from a wide area were in Littlefield Friday afternoon to view and participate in the 5th Annual Sidewalk Art Festival on Main Avenue, where 361 exhibits were on display.

Entertainment set off activities of a varied nature for the two-day celebration of the Annual Lamb County Festivities.

The festival was sponsored by "We, The Women," in cooperation with the Chamber of Commerce, Hart's Hardware, Littlefield Glass and the Gallery and the various art groups of Littlefield.

Competitions in the painting division were held in various media on every subject—from animals to landscapes to portraits—done by adults, children and juniors.

There were 156 paintings in that division. Juniors showed nine paintings,

and intermediates showed 15. Others not exhibited in the show for judging were 106 paintings which were placed on sale.

Seventy-five entries were made in the arts and crafts division, with a wide variety of types of handcraft shown.

"I believe our artists this year showed the most interest ever, and we came up with the largest art show we've had in the five-year history," stated Mrs. Vera Griffin, one of the co-chairmen of the show. "We have lots of talent in our area, and we're happy it is shared with us in the show," she concluded.

Taking top honors in the adult painting division for the second time was Mrs. Barbara Perrin with her "Stage Coach Inn". She took the first place title in last year's contest.

Second place winner for the second time was Neva Dell Busby of Springlake, with her "Brave Boy". She took that same title in last year's show.

Third place winner was Mrs. Mary Myatt Hagler of Littlefield and her "Spring Flowers".

Winners in the intermediate division were Darlah Aaron, first place on an autumn scene with trees; Gary Parson, second place with a still life; and Pam Tarr of Levelland, third place with "Poppies".

Junior division winners included Debbie Gregson of Spade, first place; Debra Coy of Spade, second place; and Pam Yantis of Littlefield, third place.

Mrs. Cecil Price's bread flowers took top honors in the crafts division. Mrs. Carl Robison of Dimmitt won second place with her glassed-in arrangement of "Barefoot Boy", and Mrs. R. L. Rodgers of Lubbock won third place on her painted china.

Winners were chosen by popular vote of the viewing public, and all winners received cash prizes and gift certificates from the sponsors.

## FLIGHT SCHEDULED TO INDUSTRY MEET

Anyone interested in hearing ideas on financing industry for the area, and who would be interested in flying to Austin for the meeting, is asked to call Chamber of Commerce Manager Bill Payne at the Chamber office, 385-4451.

House Bill 339 and SBA 501 loan program will be explained.

## Ballard To El Paso Bank

Tommy Ballard has announced his resignation as manager of the Production Credit Association at Littlefield, to accept the position of vice president at the State National Bank in El Paso.

In commenting on his appointment, B. Glen Jordan, president and chief executive officer of the State National Bank stated that Ballard's prime responsibility will be to establish and direct the lending activities of a newly created agriculture division within the bank.

The State National was established in 1881 and is the oldest and one of the largest banks in the El Paso Valley with total assets of more than 213 million dollars.

The Ballards have lived in Littlefield for about two and one-half years and while in Littlefield Ballard has held positions on the Administrative Board of the Littlefield First United Methodist Church; the board of directors of the Littlefield Chamber of Commerce; the board of directors and president of the Littlefield Board of City Development; the board of directors of the Littlefield Rotary Club; the board of directors of the Littlefield Mental Health and Mental Retardation Center; the board of directors of the Salvation Army; and was campaign chairman of the 1970-71

TOMMY BALLARD

Chamber of Commerce membership drive.

Ballard is a 32nd degree Mason and a member of the Scottish Rite Consistory of El Paso.

Tommy and Sissy Ballard and their two daughters, Leslie and Dorcas, plan to move to El Paso in about mid-September.

THESE THREE PAINTINGS took top adult honors at the Fifth Annual Sidewalk Art Festival in Littlefield Friday afternoon. To the left is "Stage Coach Inn", first place, painted by Mrs. Barbara Perrin of Littlefield; in the center is "Brave Boy", second place, by Neva Dell Busby of Springlake; and "Spring Flowers", third place by Mary Myatt Hagler of Littlefield.

INTERMEDIATE PAINTING winners in the Sidewalk Art Festival are these three youngsters from the area. To the left is Darlah Aaron, first place on "An Autumn Scene"; Gary Parson, second place with a still life; and Pam Tarr of Levelland, third place with "Poppies".

CRAFTS DIVISION WINNERS at the Fifth Annual Sidewalk Art Festival were: first place, Mrs. Cecil Price of Littlefield, with her bread flowers; second place, Mrs. Carl Robison of Dimmitt, with "Barefoot Boy"; and third place, Mrs. R. L. Rodgers of Lubbock, with her painted china.

### Another Oil Well Near Whitharral

Rancho Oil Company has scheduled Number Two Ella Hewitt as a 7,100-foot project in the Whitharral (lower Clear Fork) field of Hockley County, 3 1/2 miles east of Whitharral.

The drillsite is 660 feet from south and 1,980 feet from east lines of Labor 5, League 714, State County School Land survey.

Mrs. W.B. Smith Jr. 285-2385

AMONG OLTON students attending Texas A&M University's fall semester are Mike and Pat Bodkin, sons of Mr. and Mrs. Wilton Bodkin; Pat and Mike Trotter, sons of Mr. and Mrs. Kenneth Trotter; Mike and Pat Phillips, sons of Mr. and Mrs. Glen Phillips; Gary Dickenson, son of Mr. and Mrs. W. B. Dickenson Jr.; Gary Parkey, son of Mr. and Mrs. Deway Parkey; Joe Dale Chitwood, son of Mr. and Mrs. Dale Chitwood, and Jayson Latimer, son of Mr. and Mrs. Forrest Latimer.

MAIN STREET Church of Christ members have planned an attendance drive for Sept. 5. At this date they hope to have 185 people present for Bible School.

KENNETH SJOGREN, a student at Texas Tech, visited in the home of his grandparents, Mr. and Mrs. Art Nafzger, last weekend.

MR. AND MRS. Bob Coen and children vacationed at Colorado Springs last weekend.

MRS. BILL YATES and her grandsons, Morris and Norris Cole of Dimmitt visited in Ruidoso recently in the home of Mr. and Mrs. Joe Dan Yates, Lynn, Danna, Bill and Kirk.

## Miss Avery Bride Of Lanny Modawell

Miss Rita Marie Avery and Lanny B. Modawell recited double ring wedding vows Sunday afternoon, August 22, in the First Baptist Church of Levelland.

Zearl Clark, minister of the Sundown Church of Christ, officiated for the ceremony.

Parents of the couple are Mr. and Mrs. Robert E. Avery Jr. of Whitharral, and Mr. and Mrs. I. B. Modawell of Levelland.

The church was decorated with a center arch covered with greenery and yellow daisies, flanked by two wrought iron candelabras forming the background for the altar and kneeling bench. To the left of the altar stood the eternal candle which was lighted by the bride and groom upon completion of their wedding vows. The church pews were marked with bouquets of yellow daisies.

Traditional wedding music was played by organist, Mrs. Don Raymond, Mrs. Justin Lane sang the "Twelfth of Never", "We've Only Just Begun" and "The Wedding Prayer".

Presented in marriage by her father, the bride wore a Gibson Girl style gown of silk organdy featuring a high scalloped lace neckline. Venise lace braid and flower motifs accented the bodice of her dress and her wide lace cuffed leg-o-mutton sleeves. The softly shirred skirt was encircled at the hemline in the lace, and was complemented by a bouffant chapel length train featuring the lace motifs. She carried a cascade of white roses and stephanotis with a removable white orchid corsage, atop a white Bible.

For "something old" the bride wore pearl earrings, given to her by her brother; "something new" was her wedding gown; "something borrowed" was a handkerchief from the groom's sister; and for "something blue" she wore the traditional blue garter. In her right shoe was a penny minted the date of the groom's birth, and in her left shoe was a penny minted the date of her birth.

Miss Cynthia Dukatnik of Whitharral was maid of honor. Bridesmaids were Misses Debbie Modawell, sister of the groom; Linda Wade; and Marla Sadler.

They wore gowns of sunny yellow, and white Georgette. The bodices were designed with embroidered braided lace, with satin ribbon insertions, and

appliques in a pinafore design. Their yellow dirndl skirts were encircled at the hemlines with wide double-ruffled flounces. The waistlines were defined with wide yellow satin cummerbunds laced at the front. They wore matching yellow picture hats of horsehair braid sprinkled with Venise lace flowers. Each of the attendants carried bouquets of Colonial nosegays with miniature white carnations, and yellow satin streamers.

Serving the groom as best man was Larry Harder of Levelland. Groomsmen were Justin Lane, Rex Avery, brother of the bride, and Ken Stanley, cousin of the groom.

The guests were seated by Tommy Pugh, Rusty Shannon, Jimmy Reed, and Jimmy McCutchin.

Candlelighters were Bobby Avery and Jimmy Avery, both cousins of the bride.

Flower girls were Montica Avery, cousin of the bride and Shonda Renee Neel, cousin of the groom. They were fashioned in floor-length gowns of yellow satin covered with yellow Georgette.

Ringbearer was Theron Clark, cousin of the bride.

A reception followed the ceremony in the fellowship hall of the church. The serving table was laid with a white illusion cloth trimmed in Venise lace. Yellow mums and daisies decorated the three-tiered morning rosebud wedding cake. White columns separated the second and top tier with a miniature bride and groom amid the column. Presiding at the bride's table were Sherri Timberlake and Marianne Reed.

The groom's table was laid with a brown linen cloth with silver appointments and yellow mums flanking the Bible shaped cake. Presiding at the groom's table were Donna Avery, cousin of the bride and Kathy Williams.

The guests were registered by Sharon Stanley of Lubbock, cousin of the groom.

For a wedding trip to Six Flags, the new Mrs. Modawell wore a black and white polyester pant suit complemented with white accessories, and the orchid corsage lifted from her bridal bouquet.

The bride is a graduate of Whitharral High School, and is presently a cosmetologist at Klassy Kurl. The groom is a

MRS. LANNY MODAWELL

graduate of Levelland High School, and attending South Plains College.

The couple will reside at 1805 9th Street in Levelland.

Mr. and Mrs. Glenn Owen of Abilene; and Jimmy and Scott Owen of Dallas, Calvin and C. B. are brothers of Mrs. J. E. and Mrs. Bill Owen.

Visitors in the home of C. R. Colsons over the weekend were Mr. and Mrs. Richard Colson, Ricky, Mitch, David and Linda of Tucson, Ariz.; Mr. and Mrs. Bob Inman, Kerri, Devon and Danny of Clovis, N. M.; Mrs. Freddy Jamieson, Stevie and Lorri Gayle of Las Vegas, N. M. They all attended the Colson reunion in Wellington, Saturday and Sunday.

**SAUCE FLAVOR**  
Soy beans impart the characteristic flavor to Worcestershire sauce.

CATHY JONELL CLARK

## Clark-Moffett Plans Revealed

Mr. and Mrs. A. S. (Gus) Clark announce the engagement and approaching marriage of their daughter, Cathy Jonell to Larry Dee Moffett, son of Mrs. Elsie Mae Moffett of Merkel.

Miss Clark is a 1968 graduate of Littlefield High School, and is employed in the purchasing department of Gebo Dist. Co., Inc. of Plainview.

Moffett, a 1964 graduate of Plainview High School, will be attending Texas Tech University this fall. He plans to major in entomology. He is presently employed with Sun-Vue Fertilizer in Hart. He has served four years in the United States Army.

The couple plans a September 25 wedding in the Crescent Park Church of Christ of Littlefield.

## Mrs. Nelva Hardin Receives Degree

ANTON—Mrs. Nelva Hardin, daughter of Mr. and Mrs. E. C. Spradley, recently received her Masters of Elementary Education degree from Texas Tech University. She graduated with a 3.8 grade point average.

Mrs. Hardin is employed as a lead teacher at St. Christophers School in Lubbock. The school is an ungraded program where students progress at their individual ability rates. Teachers work in teams, so as to promote individualized instructions.

## What About Tomorrow?

Like earning a driver's license or passing a test to enter college, credit is a privilege—not a right—granted to a customer when he has demonstrated his ability and willingness to pay his bills on time.

You may not need credit now, but what about tomorrow or the next day?

Just one past due account can stop you from buying a home, getting that loan you need, or getting that new job you want.

Your credit good or bad depends on you. Past due accounts reported to your credit adv.

## Let The Reader Beware

Lawyers may enjoy some examples of writing which, for one reason or another, gets close to what the writer was attempting to say, but actually says something quite different. These are taken from letters of application for support which were received by the local welfare department in Baltimore, Maryland.

1. I am forwarding my marriage certificate and six children. I have seven, but one died which was baptized on a half sheet of paper.
2. I am writing the Welfare Department to say that my baby was born 2 years old. When do I get my money?
3. Mrs. Jones has not had any clothes for a year and has been visited regularly by the clergy.
4. I cannot get sick pay. I have six children. Can you tell me why?
5. I am glad to report that my husband who was missing is dead.
6. This is my eighth child. What are you going to do about it?
7. Please find for certain if my husband is dead. The man I am living with now can't eat or do anything until he knows.
8. I am very much annoyed to find you have branded my son illiterate. This is a dirty lie as I was married a week before he was born.
9. I am forwarding my marriage certificate and three children, one of which is a mistake as you can see.
10. In answer to your letter, I have given birth to a boy weighing 10 lbs. I hope this is satisfactory.
11. Unless I get my husband's money pretty soon, I will be forced to live an immortal life.
12. You have changed my boy to a girl. Will this make a difference?
13. I have no children yet as my husband is a truck driver and works day and night.
14. In accordance with your instructions,

I have given birth to twins in the enclosed envelope.  
15. I want my money as quick as I can get it. I've been in bed with the doctor for two weeks and he doesn't do any good. If things don't improve, I will have to send for another doctor.

## 52 To Die?

COLONEL WILSON E. SPEIR, director of the Texas Department of Public Safety, today estimated that traffic accidents over the long Labor Day weekend will claim 52 lives in the state.

Speir called for motorists to avoid drinking while driving, avoid fatigue, and modify their driving speed in accordance with expected heavy traffic conditions.

IN AN EFFORT to hold the toll down, the DPS and local law enforcement agencies, in cooperation with the news media of Texas, will conduct "Operation Motorcide"—a public awareness program designed to focus attention on the traffic problem.

Special reports on fatal traffic accidents will be prepared at DPS Headquarters and released three times daily during the holiday period which runs from 6 p.m. Friday, Sept. 3 to midnight Monday, Sept. 6.

ALL AVAILABLE uniformed officers of the Department of Public Safety will be on the highways during the holiday to enforce state traffic laws, and maximum use will be made of radar and breath testing instruments.

Speir said DPS personnel would do all possible to keep traffic flowing smoothly and safely on this final holiday weekend of the summer.

FRONT YARD FOOTBALL is seen almost everywhere in Littlefield as the small-fry shape up for the upcoming football season. Pictured is Mark Williams as he throws a flying tackle on David Barrett. Mark is the son of Mr. and Mrs. Jerry Williams and David's parents are Mr. and Mrs. Charles Barrett.

## HOMINY GRITS

By CORNBALL BLEVINS

WHILE I'M BUSY at the job of being a wet blanket, I may as well go on record as being a little dubious of the value of the "Jesus Movement" among the young rebels of our time.

As has been said before, they've been so busy rebelling against the establishment, they'd almost forgotten to include the established church in their demonstrations. Now, they're getting around to that also.

WHILE ANY movement toward Christ is a hopeful sign, it could be that the purpose of the movement could well defeat any benefit of the cause.

A fad is a fad, any way you cut it. And, once it's passed, it's hard to revive with any lasting qualities.

TRUE AS IT may be that I could go along with the youngsters in their rebellion against the denominational mess that men have made of the church, I must recognize that the FOUNDER of the church is holy and divine.

Neither do I think that He'll take kindly to being made a box-office attraction of His person, nor that He'll appreciate the desecration of His body. (The Church).

SOME THINK that the movement away from the church, as such, is due to its own mixed up values. They also mention the hypocrisy that's so prominent. Others say that the young don't think it "cool" to be in subjection to the older people of most congregations—Especially their ideals.

Really, the wonder of the matter may be that our religious intellectuals can take the same Bible and come up with so many different teachings!

You wonder how this may come about? Well, the differences are NOT based upon

what the Book teaches! It's the things NOT taught that causes the divisions.—F'r instance:

WE'D ALL AGREE that according to Matthew 17:27, that Peter was told to go catch a fish, take the money from it's mouth, and go pay the taxes for the Lord and himself.

Probably, we'd even agree that Peter did just as he was told.

THE THING THAT WE ARE fouled up about, is whether Peter walked, ran, or rode a bicycle to do his Lord's bidding! (This is SO important!)

If you're one of those that can stand and publicly thank God for the privilege of worshipping Him according to our own superstitions and prejudiced ideals, according to the many religious divisions of the church, and their multiplicity of doctrines, perhaps you'd do well to study your Bible a little closer. Especially the Lord's prayer as outlined in John 17.

SOME OF THE commentators say that these youngsters are very FUNDAMENTAL in their teachings. They use ONLY the Bible. What, pray tell, else SHOULD they use? When the religious leaders realize that the multi-divided condition of the church may be driving the youngsters from its doors, perhaps they may be constrained to take a closer look at themselves and try to rectify the condition!

IF SO, THEN we could say that good was coming from the movement of the "JESUS FREAKS".  
The question I have to ask is, "What's so complicated about simplicity?"

## THE ABUNDANT LIFE

### The World We See

By BOB WEAR

THE WORLD WE SEE is not the same to all of us, because all of us are different, and, in many ways, we see the world as we are. We see what we are prepared to see.

This is not necessarily undesirable or the source of difficulties, but we know, that, for many people, it is permitted to be a source of troublesome human relationships. This is uncalled for, because we have the potential for doing better.

FOR INSTANCE — To some people, a tree is an object of beauty; but to others, it is just a tree. This is caused by differences in experiences, in knowledge, and in the sense of values.

To another person, the tree may be so many board feet of lumber. To another, the tree is just an obstruction. The tree is the same tree, but the people differ.

THESE PEOPLE CAN make a horrible situation out of their differences, or they can, with understanding and tolerance, face the reality and accept it graciously.

If one of the persons owns the tree, he can let it mean to him whatever he wishes and do with it as he pleases.

THE TRAGEDY IS NOT in the differences, but in the senseless and unprofitable conflict that some people create because of them.

We must not dislike the person who doesn't have the same view of the tree that we have. Conversely, the person whose view of the tree differs with our view has

no just cause to dislike us.

THE SAME PRINCIPLE applies in all areas of human interactions, and to everything else in our world. We see many things differently, because we are different.

We can improve our view of the world we see by being constantly busy improving ourselves. This will be of special value in the world of people. Let us remember that prejudices, intellectual dishonesty, and unnecessary limitations in our knowledge will certainly give us a distorted and limited picture of the world we see.

OUR SALVATION is in continuous and careful self-evaluation conducted in the light of the best available guidance.

This does not mean that we can always learn to see the world as others see it, but it does mean that we can understand. This is one of the greatest human accomplishments — learning to understand. We can do this.

OUR SAFETY VALVE is in wholesome and justified toleration. Of course, some things cannot be tolerated.

Toleration is a good thing in its place; but you cannot tolerate what will not tolerate you, and is trying to cut your throat.—Froude.

THE WORLD WE SEE can be a better world for all of us if, in addition to the personal view, all of us do our best to see it through the eyes of each other; and try to understand.

FIRST, SECOND, and third runners-up for the 1971 Miss Lamb County title talk candidly following the choosing of the top five contestants in the Miss Lamb County Pageant at the LHS auditorium Friday night. Miss Temple's mother is Mrs. Peggy Temple of Springlake. Miss Holme's parents are Mr. and Mrs. J. E. Long of Spade, and Mr. and Mrs. E. D. Bingham are Thriss's parents. DeAun Ogerly, daughter of Mr. and Mrs. Ivan Ogerly of Anton, was also named in the top five.

## A Fad?

IF YOU TRY to order a popular make bicycle these days, you will have to wait weeks, or maybe months, for delivery. What's this all about.

BECAUSE THE WORLD goes in circles, historians say that observing Europe you can foresee what the United States will be.

That seems to mean that we are in for a multiplicity of political parties, more apartments, fewer houses, barricaded display windows, smaller lawns, smaller cars -- and more bicycles.

BIKE MAKERS turned out 5 million last year, will turn out 7.5 million this year. Some sell for as much as \$500.

Yet they have not begun to satisfy the increasing demand.

IT'S NOT A children's toy any more. Five years ago 5 percent of all bikes were sold to adults; today 20 percent.

New York's Mayor Lindsay and Chicago's Mayor Daley, themselves riding bikes for transportation, exercise or recreation, have designated "bike routes" in the big cities.

New York Congressman Koch is asking Congress to allocate federal money to build bicycle paths alongside highways, as Britain already does.

THE BIKE RIDER, on our congested city streets, may whizz past long lines of stopped cars -- but the evolution is not being accomplished without friction. Some cab drivers swear at him.

Some motorists purposely brush him aside, some strafe him with spittle. And there is ever the instinctive antipathy of stray dogs.

IF AND WHEN the bike rider gets where

he's going, there's no place where there is, the parking lot.

Thievery runs high; in Ohio bikes a month are reported stolen. What's good exercise for the road-clogging car traffic -- and pollutes less than a bike.

Weather remains a factor in air commuter, but Old World have learned to adapt to customized rain gear.

ON THE SUNSHINE side of the United States should more bikes comparable to that which streets of Paris, the benefits of What's good exercise for the road-clogging car traffic -- and pollutes less than a bike.

Weather remains a factor in air commuter, but Old World have learned to adapt to customized rain gear.

MANY AMERICANS say taken up bike riding for health lose weight. For the lazy jogger than nothing.

Olympic athlete Bob Rode rode a bicycle from coast to publicize a breakfast cereal. future highway and city plans accommodate the inevitable bicycle traffic.

AS IS, most turnpikes are most side roads are neglected. Evolution sets its own pace. time for transportation that space, costs less money, is more

AND IF EUROPE is what we're all going to be having joying it more.

## THE PHILOSOPHER

### Risky Business

Editor's note: The Sandhills Philosopher on his Johnson grass farm sounds about half-way serious this week.

Dear editor:

Every time somebody gets taken advantage of, somebody wants to pass a law to stop it, and it was with amazement I read an article in a newspaper last night that Congress is considering a law to keep airlines and telephone companies from losing money by prohibiting them from extending unsecured credit to political candidates.

The reason is that the airlines are stuck with more than 2 million dollars in unpaid debts by political candidates and their campaign organizations, and the telephone companies have nearly \$400,000 in similar unpaid bills.

The article pointed out that the debts cross both political party lines, and in addition to the Democratic and Republican National Committees, debtors include Richard Nixon, Hubert Humphrey, the late Robert Kennedy, and Eugene McCarthy, the unpaid debts running into the thousands of dollars.

So, Congress is considering passing a law protecting the airlines and telephone

companies by prohibiting the extending credit to candidates.

We've got so many laws we guess one more will hurt anything too bad the airlines and telephone companies aren't smart enough to newspapers did years ago.

It didn't take newspapers many political campaign 50 years ago to the most uncollectable debt or owed by a defeated candidate.

They sized up the situation, and of rushing to Congress to get a preventing them from giving political candidates, each newspaper set up a simple rule: All Publicizing is Cash In Advance.

Of course, this eliminated a lot of bureaucrats combing the country sure no newspaper was raising money by letting candidates circulate advertising bills, but anybody confidence in Washington probably got jobs with some other

In time, the big airlines and companies may get as smart about nature and bad debts as The Law and The Avalanche Journal.

## OBITUARIES

### ROSA LEE BURKE

Funeral services for Mrs. Rosa Lee Burke, 63, of Lubbock, who died at her home late Tuesday, were conducted Thursday afternoon in Harwell Heights Baptist Church.

Rev. Everett Ward, pastor, officiated and burial was in the Peaceful Gardens Cemetery with Sanders Funeral Home of Lubbock in charge.

Mrs. Burke was a native of Alvarado and had lived in Lubbock since 1923. She had formerly lived in Anton and Lorenzo.

Surviving are her husband, Charlie; a sister, Mrs. E. C. Bradley of Anton; and a brother, J. B. Ketchum of Lubbock.

### ROY RAWL RANKIN

Roy Rawl Rankin, 61, brother of Rankin of Littlefield, died at Memorial Hospital Friday morning an apparent heart attack.

Funeral services will be at 10 a.m. at the Paducah First Baptist Church. Rev. Robert Beck, pastor and Dr. Widmer, pastor of the First Methodist Church, officiating.

Burial will be in the Garden of Hope Cemetery with Norris Funeral Home in charge.

He was a rancher and farmer born in Collingsworth County.

Others surviving are his wife and three daughters, Mrs. Janice Levelland, Mrs. Patsy Shallowater and Mrs. Sharon Guthrie; three sons, Bobby Midland and Dale and Gerald of Shallowater; seven sisters, Clarence Childress of Canadian, Maxwell of Quail, Mrs. Ester Lawrence Brisson and Mrs. Daisy of Wellington, Mrs. Pauline Perryton and Mrs. Bernice Childress; another brother, Rankin of Tulia; and 14 grand-

### UCC RATE FROZEN

County Clerk Mary Beth Willey announced Friday that the doubling of the rate charged for Uniform Commercial Code (UCC) financing statements and the state tax that was to be added to all convictions effective Sept. 1 has been frozen by the wage and price freeze.

The extra charge of \$2.50 in municipal and justice of peace courts, the extra \$5 fee in county court for misdemeanor convictions and an additional \$10 fine for all felony convictions is null and void as long as the freeze is in effect.

Any other fees that were to go into effect by the new laws enacted by the 62nd legislative session are not to be changed as long as the freeze lasts.

### TREATMENT

Summer is the time when you're particularly likely to encounter mer's ear. This infection, or otitis malady, should be immediately brought to the attention of a medical ear

## Notice

AN ACT BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS: SENATE BILL 249, Section 1. (a) This Act shall apply to every county in this State. In all the counties, each owner of any livestock shall within six months after this Act takes effect, have his mark and brand for such stock recorded in the office of the county clerk of the county. These owners shall record the marks and brands whether the brands and marks have been previously recorded or not.

There is no number of brands which may be per county by a person requirements of governing the recording of brands are met. Minor marks or brands that of the father which must be rerecorded as per new law.

After the expiration months from the date this Act, (February) records of marks now in existence shall no longer have effect or alteration of six months records made after takes effect shall be or considered in marks and brand County.

It is important to files for it August November 1, 1971, files for it by February. If he has not filed February 29, 1972, may file for it after. The fee of \$1.00 company each Appear Record or to Return and Brands.

The Lamb County Office will begin Applications to rerecord marks and Monday, August 30, 1971, thereby; giving the Office more time to determine that there are no duplications. In the Producer files his records and it is to that said brand recorded by another in the County Clerk said Applicant requested brand available.

The applications in the Clerk's Office may be obtained at the County Clerk's Office staff will be happy to completing and filing applications.

FACTS CONCERNING RERECORDING OF BRANDS IN TEXAS

All brands and marks on Texas livestock must be rerecorded with County Clerks after August 30, 1971, according to a new law passed during the last session of the Texas Legislature. Producers will be given a six-month period (August 30, 1971 through February 29, 1972) in which to register these brands and marks and the location on the animal which they are currently using, after which time any unrecorded brand will be available for use on a "first-come" basis. Producers shall record the marks and brands whether the brands and marks have been previously recorded or not.

All brands and marks must be rerecorded every 10 years. Each County Clerk records for his or her given county only, so many producers may need to record their brands in additional counties if their operations are extensive.

The owner shall have the right during this six-month period to file the mark and brand now recorded in his name. In the event it cannot be determined from the records who first recorded the brand and mark in the county, then the person who has been using such mark and brand the longest shall have the right to have the brand and mark recorded in his name.

It should be noted that it is illegal to brand livestock without first properly recording the brand with the County Clerk in the county in which the livestock are held.

When the brand or brands are recorded, the location on the animal on which the brand is to be applied must be designated. If the brand is to be applied to more than one location on the animal, it must be so recorded and each additional location for the brand on the animal shall constitute a separate recording.

The Application Registrar Marks may be obtained at the County Clerk's Office staff will be happy to completing and filing applications.

## Moon Rock On Display At Research Foundation

The Hale County Soil & Water Conservation District will give area people their first opportunity to view an actual "Moon rock" Thursday, Sept. 9, according to Jimmy Lewis, Unit Conservationist in Hale County.

The High Plains Research Foundation will provide the facilities during their 15th Annual Field Day and the moon rock will be on display in the Killgore Building at the Research Foundation Headquarters at Hallway from 10 a.m. until 4:30 p.m. on Sept. 9.

"Representative Bob Price is assisting us in making this rare opportunity available, and will be escorting this display from NASA headquarters in Houston," said Lewis.

Visitors who attend the activities will also have an opportunity to make tours of the Research Farm from 1:30 p.m. to 4:30 p.m. and will hear presentations on minimum tillage research, feed values as affected by cultural practices,

excitement in seed treatment and the pros and cons of herbicide usage.

In addition, a special presentation on 15 years of Soil and Water Conservation will be featured with color slides by Jim Valliant, water engineer and director of research for the Foundation.

Another major attraction will be the growing farm show and equipment display. Over 50 exhibits have already been prepared. Visitors will have an opportunity to see the latest ideas and innovations in agricultural equipment, irrigation systems, hybrid seeds, chemicals, and other farm related products.

## Registration To Continue At South Plains

South Plains College dormitories opened at 10 a.m. Wednesday and registration for the fall semester began Thursday morning, Aug. 26, in the Technical Arts Center.

Classes will begin at 8 a.m. Monday, Aug. 30.

Registration will continue through Sept. 3 and the first holiday of the semester will be Labor Day, Sept. 6.

Evening College registration will continue from 6:30 to 8:30 p.m. Aug. 30 through Sept. 3.

## July Savings Bond Sales At \$12,707

C. O. Stone, Chairman of the Lamb County Savings Bonds Committee, reported today that sales of Series E and H United States Savings Bonds in Lamb County totaled \$12,707 during July.

Sales for the first seven months were \$74,607 for 57 per cent of the 1971 sales goal of \$130,000.

July sales in Texas amounted to \$16,810,210 compared to \$15,454,922 during the same period of 1970 -- an increase of 8.7 per cent. Year-to-date sales were \$118,726,731, while 1970 sales totaled \$106,206,174 for an increase of 11.7 per cent.

National sales during the month were \$458 million -- 16.3 per cent above 1970 July sales. Sales for the seven-month period totaled \$3,243 million -- 17.4 per cent above a year earlier. Exchanges of Series E for Series H Bonds amounting to \$151 million were reported for the first seven months of 1971 compared to \$146 mil. exchanged in 1970.

## County Jails 4 This Week

Lamb County sheriff's officials filed four charges against four persons this week.

Danny Wallace was filed Saturday for check law violation and paid a \$20 fine.

Walter Lewis was charged with simple assault Sunday and paid a \$20 fine Monday.

Gene Nixon failed to appear for arraignment Friday on a charge of destruction of private property and a new bond of \$5,000 was set.

David Cristan was picked up Friday for Farwell authorities on a charge of violation of probation.

that guidelines are expected following the 90-day freeze and may affect implementation of parts of the contract.

The company and CWA announced August 6 they had reached agreement on the three-year contract that would increase wages and benefits approximately 16 per cent the first year. Ratification by the membership was in progress but not finalized when the wage-price announcement was made by President Nixon Aug. 15.

The contract agreement, ratified by CWA members in Oklahoma, Arkansas, New Mexico, Louisiana and Texas, includes wage increases, hospital insurance benefit and premium payment improvements, changes in vacation plan and eighth holiday, among other changes.

ROBISON was jailed and charged with not shaving permit Friday afternoon. He was arrested on U.S. 84...

## Hurt In Three County Mishaps

Three rural wrecks were reported Friday.

One occurred when a 45-year-old Lubbock man, John [Name], went to sleep at the wheel of his pickup while traveling northwest on U.S. 84 about 10 miles east of Sudan.

The car ran off the road on the left and traveled down about 300 feet, then rolled and bounced up on the right another 50 feet.

The driver was brought to a hospital by ambulance. Givens' passenger in the car was not injured.

Another accident occurred near Springlake Friday afternoon and Friday night.

Edgar Britt of Tatum, N.M. was driving a 1970 Renault and pulled in front of a 1965 International truck trailer at the intersection of U.S. 385 and 70 at Springlake about 3:40 p.m. The truck driver, Thomas Fojtak of Guy, hit the car then ran over a telephone booth and tore down a traffic sign before coming to a stop. There were no personal injuries, but the car was heavily damaged.

The third accident occurred about 10 p.m. when Michael Barton Wadzeck of Hereford and driving a 1965 Ford struck a Black Angus cow that had strayed onto U.S. 385 seven miles south of Springlake. The cow was owned by Dr. Bill Murphy of Dimmitt. The cow was killed and the car received about \$100 in damages.

## Telephone Workers' Contract Ratified

Communications Workers of America announced Friday the ratification of a three-year contract with General Telephone Company of the Southwest.

Officials of both company and union said they are working through their respective representatives in New York and Washington to determine the effect of President Nixon's wage price freeze on the final contract agreement.

L. Gray Beck, president of General Telephone, and Owen Rabourn, vice president-personnel, will meet with union officials in September to officially sign the agreement.

Company and union officials said that under recent rulings, wages and fringe benefits could not become effective until after the termination of the wage-price freeze. The officials added

LITTLEFIELD DEFENDERS Jesse Davila (22), Dennis Hartley (24) and Jerry Cox (62) stop a Tahoka runner after a short gain.

WILDCAT FB BILL HAMBLIN breaks away from Tahoka defenders for 22 yards in the longest run from scrimmage of the evening.

OUTSIDE LINEBACKER Lenerl Lewis, 152-pound junior, hangs a Tahoka ballcarrier.

# Littlefield, Tahoka Tie

## Wildcats, Bulldogs Score 3 Times Each

**NEWSPAPER BINGO 43**

**A REMINDER!**

Winter will soon be here. Now is the time to get those winter clothes out and have them cleaned.

**FIELDS CLEANERS & MENS WEAR**

The Littlefield Wildcats and Tahoka Bulldogs wound up in a 3-3 standoff here Friday night in a controlled scrimmage session.

Although there were bright spots for both teams, the overall performance was marred by early season miscues.

Coach Jerry Blakely, viewing his Wildcats for the first time against outside opposition, said he was disappointed "in the hitting."

"Tahoka got after us and hit us pretty good," he said, "but we didn't. We're going to find out who wants to play."

Early in the scrimmage, Tahoka used a 30-yard pass play to reach the Wildcat 5, but the Bulldogs fumbled away a scoring chance at the 2, when J. E. Johnson fell on the pigskin for the Cats.

Littlefield came right back with a drive to the Tahoka 3, using three runs of 18, 17 and 10 yards by TB Ralph Funk to eat up most of the yardage. But a fourth down fumbled snap cost the Wildcats a score.

The only score of the night from long range came on a 31-yard TD pass from QB Jay Trammell to flanker Porfirio Cristan.

A play earlier, Trammell threw a perfect pitch to Split End Arturo Soria, but the ball slipped away from Soria at the goal line.

Tahoka had a similar problem on its next possession, when Cristan slipped while trying to cover a Bulldog receiver. This chance was foiled when the ball trickled off the receiver's hands.

The longest run from scrimmage of the

night was a 22-yard jaunt by FB Bill Hamblin.

Late in the scrimmage, with Littlefield holding a 1-0 lead, Tahoka got three scores on series run from the 10-yard line.

Then Littlefield got a pair of scores from the goal line series. Funk went 10 yards on a pitchout for one tally and QB Alan Mackey hit Split End Larry Hobradsch with a seven-yard scoring strike.

Overall Trammell hit 3 of 7 passes for 51 yards and a TD. Mackey hit 1 of 4 for seven yards and a score.

Funk carried 20 times for 96 yards, while Hamblin ran 3 times for 24. FB Dennis Hartley carried 7 times for 17 yards.

Hartley did a good job both offensively and defensively, said Coach Blakely. The coach also said Rickey Sanchez, 174-pounder, was a bright spot at offensive tackle.

Linebackers Matt Giles and Lenerl Lewis showed up well on the defense.

**SOME FOUR RETURNING**

**Hornet Backs Experienced**

Hornet Coach Bill Adams plans to show every time the Hornets this fall. Sparking the fireworks missing, well-rounded backfield seniors and a junior.

Back Bo Lance stands 6-2 and is a good field general. A gent, Lance is an outstanding well as a very accurate passer.

rates among a set of runners another senior, Roger Bellar.

10, 170, plays halfback. Quick and fleet-footed, he can go both ways up among the best runners

Roger Boyles, 5-10, 165 pounds, is a seasoned senior. Boyles is one of the best runners in the district and is a good field general. Quick and strong, he plays as a linebacker on defense.

gram made a name for himself as a kicker last year when he kicked field goals, one of them for 43 yards.

5-11, 170-pound junior can play both ways up among the best runners

junior, Kevin May, 5-9, 160, was the junior varsity last year and did a good job in the gritty backfield this season.

experienced backs supply depth and for one of the best all-around in their district in addition to the tradition the Hornets are known for. After a 7-3 district record in their district, the Hornets are at a district schedule of strong, red teams where everything is on the line and they expect to snatch it.

tackle Eugene Lopez leads the backfield this fall. Lopez, a 6-0, 205-pounder, made All-South Plains, All-District and All-Area selections last year and with another good year, this could be a top college prospect. Lopez is both ways and is one of the best in the area.

receives support at the tackle from Keith Downs, 6-2, 160, and Albert, 5-11, 155-pound senior.

Hedges, 5-10, 174-pound senior is another quick, aggressive player. Hedges is new at Sudan, coming from Abernathy.

wards, a 6-foot, 175-pound junior is one of the Hornet's finest.

As a sophomore, Edwards was All-District defensive corner last year.

aid he expects a lot from center Graves, a 5-11, 155-pound senior.

heard is as good if not better than in 3-A. A junior, Heard is 5-10, 170.

Humphries, a 5-10, 155-pound senior is another junior student who is expected to turn in some fine performances.

ded receivers who can catch in a variety of ways. Roger Swarts and Adams said 5-10, 155-pound Swarts is as good an end as the Hornet has ever had. West, a 5-10, 150-pounder has good hands and is a good

is lacking in experience, and the 1971 campaign slightly weaker. But with their fearsome four and a line that is improving with speed, the Hornets are definitely a team to contend with for all foes.

**SUDAN HORNET** captains Bo Lance, Roger Boyle and Eugene Lopez, and Duane Gray, head football coach, look over statistics and rosters of their 3-A opponents. These three seniors lend the bulk of experience for the Hornets who are returning only 4 defensive and offensive lettermen.

**DOGS HAVE DEPTH, RUNNERS**

**Anton Kingpin In 3-B**

Color the Anton Bulldogs the favorite for District 3-B champs.

Running is their game, and with raw-boned talent like Quinnion Williams and the Walthall brothers, they've got to be winners.

Out of 41 enthusiastic gridders coming out for varsity ball, 17 are returning lettermen and seven talented kids come up from the junior varsity.

Williams is rated "All-State potential" after rushing 1,262 yards and running up 116 points last season.

Williams, a 190-pound senior back, will provide a big part of the Bulldogs running game for Anton's Pro I offense.

Bill and Mark Walthall tie down tight end and tackle spots. Bill is a senior and the lighter of the two All-District 3-B 1970 selections. Mark, a 195-pound junior, is the only gridders in 3-B to make All-District as a sophomore.

Texas sportswriters have picked Williams and Bill among the "Top 22" in Class B football, and have named the Bulldogs second in the state.

With material like 160-pound junior fullback Tommy Betts, Phillip Botello who plays defensive back, quarterback Brent Couch, fullback Robby Kiser, defensive back Domingo Ramirez, and halfback

Alvin Williams Anton adds depth to its running.

If the Bulldogs have a weak point it's defense, but they are working on that. And with a little time the Dogs will be hard to fault.

John Synatschek, a 160-pound junior guard, Leroy Medlock, a 150-pound senior flanker, Quinnion Williams and his little brother Alvin and the Walthalls are among those who play both ways.

Other defensive starters are senior guard Jeff Hobgood, a 215-pound sophomore center Quinn Martin, 200-pound senior tackle Ruben Rendon and Brent Webb, a 200-pound sophomore at nose guard.

Head Coach Jim Gwaltney is in his second year as head mentor. His assistants are Rich McKay, Loyd Turner and Dennis Wright, all three new to the Anton system this year.

Gwaltney said the Dogs are going to be tough after mid-season when they begin their district games with Matador on Oct. 22. Lazbuddie may be the toughest opposition in 3-B and district tales may be told Oct. 29 when the Bulldogs give them a taste of football at its very best on their home field.

**ANTON BULLDOG** coach Jim Gwaltney has a fast backfield with the depth capable of bringing home the trophies. Gwaltney details a play for Mark Walthall, Quinnion Williams and Bill Walthall. All three gridders made All-District last season. The Dogs scrimmage Ropesville there this Friday and Sudan there next Friday.

**Plug Those Dove Guns!**

Those dove hunters busily unplugging their shotguns for the dove season had better take another look at the law, according to Texas Parks and Wildlife Department officials.

When the Parks and Wildlife Commission removed the three-shell limit on shotguns, they did it only for non-migratory birds such as quail and turkey.

Migratory birds, and these include both mourning and white-winged doves, can be legally hunted with shotguns only if the shotguns are permanently plugged to hold three shells. Other migratory birds in Texas are ducks, geese, brant, coots, rails, gallinules, jacksnipe, woodcock and sandhill cranes.

"We've had some reports that dove hunters are happily anticipating the coming dove season because they can do more shooting with unplugged guns," said James U. Cross, executive director of the department.

"These hunters have obviously misinterpreted the law," he said.

**FILM TUESDAY**  
The Quarterback Club will meet Tuesday night at 7:30 at the school cafeteria.  
The coaching staff will be on hand to show the season thus far, and to discuss the Takoka scrimmage will be on.

**Season**

**as Wednesday**  
**County**

Season opens Wednesday, Sept. 1, and runs through October 30. Ducks can be hunted from noon until 10:00 p.m. on the first day of possession after the second day. Shotguns must be plugged for hunting all migratory birds, and dove are migratory. Shotguns should be plugged when hunting geese, also. The teal duck season opens Sept. 11 and closes Sept. 19. Teal are four per day and eight per season after the second day during the season only. Hunting hours are one-half hour before sunrise to sunset and a total count 10 points in the regular season.

Season in the Texas Panhandle opens Oct. 25. In the Trans-Pecos and Pecos region extends October 2-31. In both places the limit is one day on special permit only. Season is provided on the sandhill crane, from Oct. 30 to Jan. 30 in the zone, an increase from 72 days to 93 days; and from Dec. 4 to the eastern zone, up from 37 days to 60. Limits are three daily and six in the season.

Season opens Dec. 11 and runs through Dec. 19, with two a day bag limit in possession after the second day and feet of the pheasants must be cut to the carcass.

Season opens Oct. 16 and 17 in the zone, Terry, Yoakum, Cochran, Collingsworth, Donley, Gray, and Ochiltree, Roberts and counties. Prairie chicken bag limit is one a day and four in possession.

YOU  
COULD  
EASILY  
WIN  
**\$50**

This Week  
In Cash Value  
Bingo Bucks

A New Game  
Will Start In Today's  
Leader-News. Watch for  
more numbers in Thursday's  
Leader-News.

## HERE'S HOW IT WORKS...

**PICK UP FREE BINGO CARDS:** Each week (adults only, please) pick up your FREE Bingo cards from any of the sponsoring merchants listed below. Rules of the game allow the merchants to give you only one card on each store visit. However, you may make as many visits as you wish each day of the week. THE MORE CARDS YOU PLAY—THE BETTER ARE YOUR CHANCES OF WINNING.

**HOW TO PLAY:** Check the ads in each week's issues of The Leader-News. The ads of the merchants listed below will contain one or more "Newspaper Bingo" numbers in the "Bingo Bug" symbol (shown above). Occasionally numbers in the "Bingo Bug" symbol may be found elsewhere in the newspaper. Be sure to check the Classified Ad section for additional numbers. IF YOU CAN MATCH (JUST CIRCLE OR "X" THE MATCHING NUMBERS) ALL 24 NUMBERS ON ANY ONE OF YOUR BINGO CIRCLES WITH THE NUMBERS PUBLISHED IN THE SUNDAY AND THURSDAY ISSUES OF THE LEADER-NEWS—YOU HAVE A "BINGO"—AND YOU ARE A WINNER!!!

**AT LEAST \$50.00 WEEKLY!!!** Winners will share a weekly prize of \$50.00 (in "Bingo Bucks"—they spend the same as cash with any of the sponsoring merchants listed below). If there is only one winner, he wins all of the \$50.00. If there is more than one winner, all winners will share the \$50.00 in equal amounts. If there are no winners any week, the \$50.00 weekly prize will be added to the following week's prize fund.

**CHECK EACH ISSUE OF THE PAPER:** Each game is complete in each week's Sunday and Thursday's issue of The Leader-News. A new set of Bingo numbers will be published each week in the sponsoring merchants ads—and possibly elsewhere in the paper. A new color of Bingo cards for each week's game will be available at the sponsoring merchants' stores. To be eligible to win, you must play Bingo cards of the correct color for that week's game. The color of the cards for each week's game will be announced on this page.

**IF YOU ARE A WINNER:** If you have a winning Bingo card, ON WHICH ALL 24 NUMBERS HAVE BEEN MATCHED WITH THE NUMBERS APPEARING EACH WEEK IN THE SUNDAY AND

THURSDAY'S ISSUES OF THE LEADER-NEWS, print your name, address, phone number, and the name of the store where you got your winning card, and mail to this paper at Box 72, Littlefield, Texas 78239 (the envelope containing your winning card must be received by 5:00 p.m. Tuesday of the following week)—or bring your winning card to the office of this newspaper at 313 W 4th Street, Littlefield, Texas by 5:00 p.m. Tuesday of the following week.

### RULES OF THE GAME

**NO OBLIGATION OR PURCHASE NECESSARY:** There is no obligation or purchase necessary. A copy of the paper is available for playing the game at the office of this newspaper—also at the public library—also a Bingo card and/or copies of The Leader-News containing the Bingo numbers may be obtained by mailing your request to this newspaper (please print your name and address clearly). You may play as many cards as you wish—they are free. Get additional cards—one at a time—each day.

**DIFFERENT COLORED CARDS EACH WEEK:** The color of the cards changes each week. To be a winner, you must play Bingo cards of the correct color for that week. Mutilated or altered cards will not be honored. ALL 24 NUMBERS ON A CARD MUST BE MATCHED TO WIN.

**CHANCE DETERMINES NUMBERS:** Bingo numbers for each week's game are drawn strictly at random at the office of this newspaper. Some duplication of Bingo numbers may appear in the merchants' ads—or elsewhere in the paper. This duplication does not affect the game or the total numbers drawn. All numbers for each week's game will appear somewhere in the sponsoring merchants ads—and possibly elsewhere in the paper. Employees of this newspaper and members of their families are not eligible to win any of the prizes. Newspaper Bingo is a program copyrighted and registered by Marketing-Research Associates, Minneapolis, Minnesota.

# Your Church IS NOT a playground for Saints but a hospital for Sinners Attend Regularly

## GOD Believes in You...

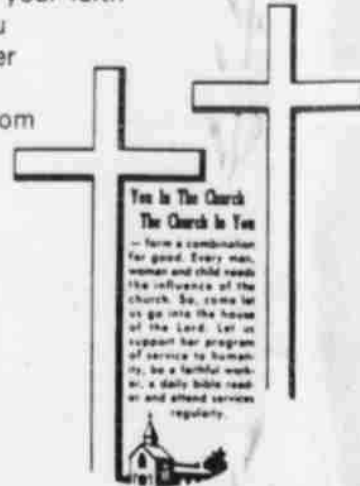

When He asks you to remember that He sent His son to remind you of His love; When He sees you struggling from a sea of cynicism and doubt; When He hears you speak out for right; When He senses your belief in all people regardless of color or creed; When He sees you burying your prejudices to do kindness to the careless, show concern for the lonely and offer love to the lost.

Certainly God moves closer to you when He feels your confidence in yourself is alive and your faith in the future is secure; When He sees you working together for others for a better community, supporting law and order and striving to banish poverty from the earth;

When He sees you and your family, even the little ones, in your place of worship, proclaiming your faith with your presence.

Then you are showing your belief in God.

You are living up to His belief in you.

## ANTON

MRS. C. D. NELSON

997-4261

MRS. HOBERT PARKER returned home Sunday from a two weeks visit in Ft. Knox, Ky. with her son SFC Hobert M. Parker and family. While there she visited Lincolns birthplace and the Brenheim Forrest.

MR. AND MRS. Leon Wooten and Mrs. Claud Roberts visited several days last week with Mr. and Mrs. Ewell Roberts and Mr. and Mrs. Delmar Wooten and family in Houston.

MISS PATSY KESEY left Sunday for Ely, Nevada where she teaches school, after spending the summer with her parents, Mr. and Mrs. H. C. Kesey.

DONALD ROY Dieterich, 10-year-old son of Mr. and Mrs. Alvin Dieterich of Riesel, died at 3:30 p.m. Wednesday, August 18, in M. D. Anderson Hospital, at Houston. He had been ill three months. Funeral services were held at 3 p.m. Friday, August 20 at Trinity Lutheran Church of Riesel, with burial in the church cemetery. Rev. L. C. Castens officiated. Survivors are the parents, a brother, Glen, grandmother, Mrs. Frieda Pursche and Mrs. Gretchen Dieterich, five uncles and three aunts. He was the nephew of Mrs. Florence Synatschk of Anton and Mrs. H. A. Heckmann of Olney, formerly of Littlefield.

JOHN STEPHENS of Ft. Hood visited his mother, Mrs. F. D. Stephens and his sister, Mr. and Mrs. Buddy Spears over the weekend.

SUNDAY DINNER guests in the home of Mr. and Mrs. Paul Reed and Leonard were Mrs. Josie Reed of Lockney, Mr. and Mrs. Curley Reed and family of Winnie, Okla., Mr. and Mrs. Roy Reed and son of Lubbock and Mrs. A. L. Reed of Anton.

MR. AND MRS. Kenneth Sudduth and family of Conway, Ark. visited his parents, Mr. and Mrs. Herb Sudduth over the weekend.

MISS PAULA WHITFIELD of Georgetown has been visiting her mother, Mrs. Edith Whitfield, before returning to college.

MRS. MAVIS COUCH attended graduation exercises at

## 'Samaritan' Sunday Set By Lutherans

In a second thrust at raising \$1,500,000 for "Project Neighbor," a social concerns endeavor, congregations of the American Lutheran Church throughout the country have been asked to designate Sept. 5 as "Good Samaritan Sunday."

Responding to a 1970 convention directive that the Project Neighbor campaign be "spurred on to a successful conclusion," George A. Parks of Los Angeles, national chairman, has addressed a letter to the 4,822 congregations of the church suggesting additional cash gifts.

Funds raised by the special drive are used to augment a \$500,000 annual appropriation by the ALC, originated in 1968, to alleviate national crisis conditions in community originated projects. Although the 1970 goal was \$1,500,000, receipts have totaled less than half that amount—\$603,232.

Appropriation of specific grants from the fund has been made the responsibility of the ALC's Coordinating Committee on National Crises (CCNC), headed by Clemente Saenz, Jr., a Mexican American, of San Antonio.

Many of the projects receiving grants from the CCNC have been enabled through "seed money" gifts from the ALC to tap other resources for expanded activities, sometimes with federal funds.

The designation of Sept. 5 as Good Samaritan Sunday is because the widely used Scripture reading for worship will be the New Testament parable of Jesus about the unfortunate traveler who became the victim of highway foul play and was aided by a resident of hostile Samaria.

Abilene Christian August 13, and a large graduates at noon Friday daughter, Mrs. Sharyn received her BS Degree.

MR. AND MRS. Paul and Mr. and Mrs. Ray were in Ruidoso, N.M. weekend.

TOTAL ENROLLMENT Anton School for the was 410. This number Kindergarten through This is approximately students less than the enrolled at the beginning school last year.

MR. AND MRS. McGrew and family home of Mr. and Mrs. Hardin, and children family reunion Sunday, 14, with their children together for the first years. Those present and Mrs. Floyd M. Carey, Karen and Lubbock; Mr. and Mrs. McGrew, Wayne and Austin; Mr. and Mrs. McGrew, Scott and Abilene; Mr. and Mrs. Gene Moore, Soya and Mr. and Mrs. Robbie Dana, Tim and Donna and Brenda McGrew, Tarvin McGrew, all of and Dixie Carter. Other visitors were Mrs. Bob Davis and Mrs. L. C. Burt and Mrs. Bobby Phillips daughters, all of Dallas.

MR. AND MRS. Phil honored their daughter, her second birthday, Aug. 24, in their home present were Mrs. Rhonda of Spade, Jerry Graham and Bruce of Littlefield, Lightfoot and Shane, Eaton and her granddaughters Tammy and Debbie and Ralph Bishop, all of Cake, punch and ice cream served and games were played.

THE HIGH SCHOOL met Sunday night in the Mr. and Mrs. Hoyt Games were played watermelon and were served to 25 persons.

# Army Worms Maging Grasses

Trains over much of the revived ranges and brought on lush green grasses appeal to livestock but to army worms. The pests have the scene in several states in recent weeks.

Army worms generally appear in late summer and where lush growth in grasses and forage explains Dr. John Entomologist with the Agricultural Extension Service. "Small grains planted in winter grazing are very susceptible to plants can be stripped in short order," he says. "Young worms are less than 1/2 inch long. Their eggs from pale green to black."

He explains that the have two characteristic lines extend along the prominent white in the worm's head. "In the end, army worms can be effectively controlled if measures are taken as soon as infestations appear. Applying 1 1/4 pounds of Sevin (80 percent wettable powder) per acre usually gives adequate control. Toxaphene at 3 pounds of actual material per acre is also effective but there can be no grazing by dairy animals or animals that will be slaughtered in 56 days.

Parathion and methyl parathion can also be used but have a 15-day waiting period prior to grazing or harvesting. Both are extremely hazardous to applicators and are subject to drift.

Thomas cautions producers to follow the manufacturer's directions on the label of any of these materials.

"Army worms are mainly night-feeders but are also active on cloudy days," adds Thomas. "Grasses should be inspected frequently and carefully to detect army worm activity, especially during cool, wet weather."

THE DUNKING TANK, sponsored by the Lions Club, was a popular attraction in downtown Littlefield during two days of Festivities Days. Here, one druggist, Neil West, aims a throw at the target to dunk another druggist, James Walker--and succeeded.

**FIRST CENSUS**  
First United States Census was taken in 1790.

## OLTON

**Mrs. W.B. Smith J.** 285-2385

MRS. EMMETT WATKINS entered Hi-Plains Hospital in Hale Center Monday for tests and treatment.

MR. AND MRS. W. M. Keating and their grandson, Cleve, spent several days recently vacationing in Tres Ritos, N. M.

MRS. L. G. Elkins visited several days recently in Hale Center with her sister, Mrs. Fisher, who is receiving treatment at Hi-Plains Hospital in Hale Center. Mrs. Fisher was injured recently in a car accident.

MRS. WILLIE GENE Green spent last week at Carrinco Lodge in Ruidoso, N. M. studying art under Tom Knapp. She studied in oil and ink paintings. The Lodge which is owned by Mr. and Mrs. Herb Kreggerson, has been turned into an Art Studio. Workshops were conducted here all summer by famous and talented artists.

MR. AND MRS. Del Roy

## Scouting Lamplighters Program Implemented

Lloyd Davis, Southwestern Public Service Division Superintendent, and chairman of the South Plains Scouting Council Organization and Extension committee reported that a plan to organize a minimum of 41 new Cub Packs and Boy Scout Troops in the 20 county area was implemented Aug. 24.

At a meeting of the Council committee that evening the "Lamplighter" program of new unit organization was proposed and accepted as the best method for this fall.

The seven districts of the Council were represented and a total of 41 new units were listed as "probables" for completion by Nov. 23.

Each District representative is in the process of securing men to be known as "Lamplighters" to organize the units identified as needed in each district.

Each Lamplighter will work closely with a person from a probable sponsoring organization in setting up the new Troop or Pack.

Davis indicated also that each Lamplighter will be given a small red lantern at the District "kick-off" meeting for the sponsors and his responsibility is to keep the lamp lighted, literally, until the unit is organized.

The final success report meeting of the "Lamplighters" will be held in conjunction with the Council Executive Board meeting Nov. 23.

Attending on the 24th were: Roy Patterson, Cliff Keho, Willis Lusk, Jr., Dr. Jim Reynolds, Bill Oehler, Warren Green, Bob Hurst, and Davis of Lubbock; Doug Palmer of Ralls; Wilson Bond of Floydada; Bill Yohner of Littlefield; Earl Gerstenberger and Marc Wittenberg of Levelland; and Tom Baker of Plainview.

**OLD RECORDS**  
Though no one knows for sure when and where man first grew sorghums, records show they were cultivated in Africa, China and India — 4,000 years ago!

## New Identification Cards Will Soon Be Available

Colonel Wilson E. Speir, director of the Texas Department of Public Safety, said today that effective Sept. 1, Texans will be able to obtain a special personal identification card.

The card, which was authorized by the 62nd Texas Legislature, is laminated and contains a color photograph of the holder. It is the same size as a Texas drivers license.

Information appearing on the card will include the holder's date of birth, height, sex, and eye color. Each card will have a special identification number issued by the DPS.

Speir said the cards should be of value to those persons who do not hold a Texas drivers license, but who need some sort of official card to help establish their identity.

In order to obtain a personal identification card, the applicant must appear at a DPS drivers license field office on or after Sept. 1, execute a special application form, present a birth certificate or other documentary evidence of identity and date of birth, be fingerprinted and—pay a statutory fee of \$5.

The special cards, which will be mailed from DPS Headquarters in Austin, will be

dated to expire four years from the applicant's next birth date.

Also effective Sept. 1, certain persons having military service connected disabilities will be exempted from drivers license fees.

Speir said those individuals with a 60 percent or more service connected disability will be entitled to the free drivers license provided they meet other requirements which apply to all applicants. At the time of application for a new or renewal license, the disabled veteran must present the DPS drivers license office an official communication from the Veterans Administration Regional Office showing that he is currently receiving compensation from the Federal Government in connection with a 60 percent or more service connected disability.

**A warning about "YELLOW'S"**

Nembutal, a white powder in yellow capsules or yellow tablets is a barbiturate. Barbiturates are drugs which depress the central nervous system; they should never be taken without a doctor's prescription. Misuse can result in severe disorders.

## FOR THE PRESENT

# Retired Colonel Calls Littlefield Home

By BILLIE HARRIS

It took quite a bit of arm twisting to get retired Army Lt. Colonel Harry E. Phelps of Littlefield to give details about his life and career. "I don't like to talk about war," he said, "and that is rather difficult in talking about 30 years of military duty."

"However, the country must have trained men for defense purposes. About 75 percent of the male population today has served in the armed forces, and I do not know of a single one who likes to talk about those experiences."

Phelps was born in Nebraska and was raised on a ranch 30

miles north of Buffalo Bill's home at North Platt, Neb. He lived in the northwest until he was 17 years old. He attended the University of Washington for a year and said he mostly had a military education.

In 1916 he served under Gen. Pershing in Mexico until 1920 when his time was up. On Jan. 1, 1925, he joined the Texas National Guard and made promotions up to first sergeant by 1927. He was given a straight examination for second lieutenant. The rifle company that he transferred to in 1928 required more officers and he was promoted to first lieutenant. Before being promoted to captain he was in command of Company I, of the 142nd Infantry.

In 1940 he was called to active duty and attended the advance course of the infantry school at Fort Benning, Ga. Another captain and Phelps were refused a promotion because of not having been in long enough for promotion through channels. They wired Oscar B. Abbott, the officer who had given the examination in the 20's, who by that time was a brigadier general with the Eisenhower staff in Washington, D. C. He was promoted to major, Phelps had immediately transferred to the Army Air Force after completing the advance course at Fort Benning.

Phelps organized the first consolidated mess company in the Air Force, which was later used as a pattern for other Air Force installations. In 1942 he was called to San Antonio and assigned to the surgeon's office headquarters of the Fourth Army, there he drew the plans for physical examination for all the military divisions and unnumbered units within the Fourth Army area, which covers five states.

In 1944 two important

highlights took place in Phelps' life. That year he married Dell Carrell and he was promoted to Lt. Colonel.

Just prior to the Korean conflict Col. Phelps was in charge of all the medical inoculations and physical examinations, plus the hiring of the civilian personnel who were required to get the job done. One of the first major assignments of that medical operation was the famous 45th Division from Oklahoma.

Upon retirement in 1956 Col. Phelps said that he and Mrs. Phelps decided to become Nomads and would move when they grew tired of a certain location. Before settling temporarily in Littlefield, due to Mrs. Phelps' mother's health, they resided in Austin, Kerrville, Midland, and Albuquerque.

Before moving to Littlefield Phelps was an active Shriner. Viewing football and baseball is a favorite pastime and he also enjoys traveling. Mrs. Phelps is an active member of the Hospital Auxiliary and spends time almost every day with people who are confined at the Hospitality House.

Mrs. Phelps pointed out the fact that Col. Phelps had a large number of medals that he received while in the Army, but the colonel modestly left out any mention of them. Perhaps they are a part of the wars he doesn't like to talk about, but even without talking about war and the medals he earned, Col. Phelps certainly has had a very colorful life and a successful career.

He said he isn't sure where they will wind up when they leave Littlefield to continue being Nomads, but he understands his retirement check will be sent wherever they go. Col. Phelps just passed his 75th birthday.

## Judgment Pending In Probate Case

No judgment was rendered Wednesday by Collingsworth County Judge Zook Thomas in a case contesting probate of the will of Mrs. F. O. Masten of Wellington, formerly of Sudan. Judge Thomas said Wednesday he would take the "case under advisement until he could receive additional briefings from attorneys concerning testimony."

The judge did not set a specific date on when judgment would be rendered.

The case was initiated when F. O. Masten filed a petition June 4 asking that the probate be denied.

The will of Mrs. Masten, who died in April, 1967, was filed in probate court on May 24, 1971. According to terms of her will, Mrs. Masten, wife of F. O. Masten, a prominent Panhandle farmer, requested that 10 institutions each receive 10 percent of her estate, which was valued at over \$100,000.

The institutions were Lubbock Children's Home, Lubbock Christian College, Boles Children's Home, Abilene Christian College and Highland Church of Christ in Abilene, Portland, Ore., York College of York, Neb., Tipton's Home of Tipton, Okla., Western Christian College of Weyburn, Saskatchewan, and Michigan Christian College, of Rochester, Mich.

The people and industries of Hermopolis, the capital of Syros in the Aegean Islands, now obtain their domestic water requirements from the Aegean Sea, thanks to a 220,000-gallon-per-day desalination plant. To handle the highly corrosive salt water, about 115,000 feet of copper-nickel tubing are used in the desalination plant.
