BARELY VISIBLE scenes such as this have been prevalent the past few days, when dust-laden winds with gusts up to 75 m.p.h. kept residents inside as much as they could. Similar dust storms appeared Sunday, Tuesday and again Wednesday, and chances of rain in the near future are bringing some hope for relief. Some observers have said it was one of the worst dust storms that have struck the South Plains area in the past 20 years. The dust cloud covered almost the entire length of the South Plains. Less than a 30 percent chance for rain was promised for the area by the National Weather Service for Wednesday, as an intense low pressure system centered over eastern Colorado moves southeastward. Several Littlefield residents reported blown-down fences and blown-away garbage cans. The high winds Tuesday attributed to the death of Jim Marcum. (Staff Photo)

Contested School Board Elections Draw Interest

DICK HOPPING

EMIL MACHA

JERRY TUNNELL

BENNY ZAHN

School board elections Saturday are expected to draw a good voter turnout.

Five are running for two expiring terms on the Littlefield school board. Terms of Dick Hopping and Glenn Batson are up, and Hopping is the only incumbent seeking reelection. Other candidates are Benny Zahn, Beverly Burke, Jerry Tunnell and Emil Macha.

At Anton seven are running for three places. Incumbents are Cruz Aldaco, Walter Hobgood and Charles Couch, and all three are running for another term. Johnny Harper, Charles Edgmon, Richard Burt and Norman Downs are candidates for the three spots.

Springlake-Earth board members with expiring terms are P. A. Washington and Ed Dawson. Only Dawson is seeking another term. Other candidates are Agnes (Mrs. Wilson) Lewis, Eddie Hayden and Kenny Hamilton, making four for two places.

Three are running for two positions at Sudan. Guy Walden and Byron Lynn are incumbents and only Walden is seeking another term. Other candidates are Wayne Swart and Kenneth Vincent.

Five are running for four places at Whitharral. Bobby Grant and Marion Polk are incumbents seeking reelection where Don Stafford makes three running for two places with a full term. Rex Avery and Charles Lorenz are running for the one-year post created when Coy Mills moved into another school district.

Jomeryl Harmon, Harvey Patterson and George Tooley have all signed up for reelection at Amherst where they are opposed on the ballot.

Olton has two expiring terms and both incumbents have signed up for another term, opposed on the ballot. They are Garland DePrang and Burley Faver.

Amherst board members are unopposed. Jomeryl Harmon, Harvey Patterson and George Tooley have all signed for another term.

Spade trustees are running unopposed, also. Terms of Bob Myers, F. H. Glazener and Jimmy Long are ending and all have filed for another term.

Bula has two positions to fill. R. T. Newton and J. E. Layton are incumbents. Layton has signed for another term, but Newton did not. Burley Lee Roberts is running for the second slot.

City Councilmen To Meet Tonight

Littlefield's city council will meet tonight in regular session to discuss seven items of business. Their meeting is to begin at 7 p.m. in the council chamber of city hall.

First on the agenda will be Alvin C. Webb, certified public accountant, who will be present to discuss the annual audit of accounts.

Two matters of old business will be discussed, including a letter received from McCall, Parkhurst and Horton, bond attorneys; and review of the workmen's compensation insurance plan as presented by the current carrier.

Four items of new business are slated for consideration, including:

1. Repeal of Ordinance No. 154 which prohibits the running of water into streets from air coolers.
2. Repeal Ordinance No. 164 which prohibits the keeping of hogs within the city limits.
3. Amend Ordinance No. 177 by adding hogs to the list of animals which are prohibited from being kept within 100 feet of any building or residence.
4. Amend Ordinance No. 109a which deals with angle parking on XIT and LFD Drives in order to correct wording used.

28 Guilty Pleas Are Entered, 14 Passed

County Judge G. T. Sides set county court last week, making the first time criminal cases have been set for trial in Lamb County in more than four years.

Forty-five cases were scheduled on the March list. Pleas of guilty were entered in 28 of the cases. 14 cases were passed and three cases were dismissed. None were heard by a jury.

Nine charges of driving while intoxicated entered pleas of guilty and fines totaling \$1,200 plus court costs were paid. Nine charges of driving while intoxicated were passed.

Fifteen charges of liquor law violations were on the docket. Fines totaling \$1,200 plus court costs were levied against the eight who entered pleas of guilty.

Four cases of liquor law violations were passed and three charges of liquor law violation were dismissed.

Four entered pleas of guilty to check law violations and the four were fined a total of \$175.

Three persons were charged with carrying a pistol. They entered guilty pleas. Two were fined \$25 each and one was fined \$100, plus court costs.

Possession of marijuana charges were entered against three. All three entered See CASES, Page 4

BEVERLY BURKE

Liquor Petition Signers Short

Monday is the return date for the petitions calling for the setting of a local option election.

Approximately 825 certified voters signatures will be necessary to call the election. As of Monday of this week, petitioners said they were more than 200 names short of the necessary number.

Thefts Reported

Kenneth Grace of Anton reported the theft of two 12-volt irrigation well batteries valued at \$40 and the theft of a \$95 12-inch hydrant to an underground irrigation system taken from his farms this week.

County authorities arrested five over the weekend. Four Littlefield men were jailed on drunk charges and one was charged with receiving and concealing stolen property taken in a burglary at Lubbock. Bond is set at \$2,000.

Ambulance Service Contract Signed

Friday during a regular end of month session of the commissioners court, the county signed a contract with the city of Littlefield to operate an ambulance service for the south half of Lamb County including the Littlefield, Amherst and Sudan areas.

There will be a special called meeting of the court Friday morning to hear proposals on how to handle ambulance service for the northern part of the county. Representatives from Earth, Springlake, and Olton will be present for the meeting.

In the Friday agreement, the court decided to collect all possible fees for the ambulance service and the county is to pick up the deficit.

The city's operation of the ambulance service is the result of Hammons Funeral Home's notification to the city council on Jan. 15 that the firm will discontinue ambulance service. However, they are donating a fully equipped ambulance and offering a two-week training for qualified city operators.

AND OLD MODELS alike will be modeling spring fashions for the 'Spring' style show Monday, April 8, sponsored by 'We, The Women'. Inez Lichte, a great-grandmother, will model fashions from J. C. Penney Co. while 4-year-old Kelly Tunnell, daughter of Mr. and Mrs. Jerry Tunnell, will model for Ware's. Other sponsors will be J. C. Penney Co., C. J. Ferman Co. and Moss' Shoes and Sportswear. (Staff Photo)

THIRTY-ONE persons are enrolled in the first class of "Adventures in Attitudes" being sponsored by the Littlefield Chamber of Commerce and Agriculture. The 10-week course will close May 13, and another class will

begin shortly thereafter. Conducting the studies is Ennis Roberts and Associates of Lubbock. For information and preliminary registration, contact the C.C. office. (Staff Photo)

Two Littlefield Girls To Model Spring Fashions

Fashions tuned to the South Plains will be modeled Thursday night at the annual South Plains Area Fashion Show at South Plains College in Levelland.

Among the models will be Linda Horn and Cheryl Carter, both of Littlefield.

The show is scheduled for 8 p.m. in Texan Hall and is being sponsored by the fashion-merchandising students at the College. Tickets are \$1 a person and may be obtained at Levelland State Bank, First National Bank, C. R. Anthony's, The Voyager, Eve's and J. C. Penney's, all in Levelland.

Theme for the show will be "The American Fashion Tune." Fashions will be divided into three categories—clothing reminiscent of the Western era, the nostalgic era of the 1920s, 1930s and 1950s and cotton and other natural fiber fashions.

Barbara Haskett, assistant fashion coordinator for the Dallas Apparel Mart, will serve as fashion commentator. Jim Martin, former SPC student now working at a Lubbock firm, will be master of ceremonies.

An award for outstanding model of the show will be presented by Billie Boyd in behalf of J. C. Penney's of Dallas.

Models for the show include

Miss Paula Bell, Margaret Ingraham, Frank Gonzales and Mrs. Polly Farmer, all members of the faculty at SPC. Mrs. Ruthie Daniel, a secretary in the dean's office at the College, and fashion-merchandising students Ray Smith and Dee Ann Martin, both of Levelland, Leola Killough of Fort Sumner, N.M., Dana Little of Houston, Linda Villegas of Abernathy, Melvena Stewart of Post, Linda Horn and Cheryl Carter, both of Littlefield, Nancy Bass of Spur, Rosemary Bailey of Petersburg, Pam Knighten of Lubbock and Frank Bush of Caldwell.

The community will be represented by Mrs. Tommie Beavers, Jim Godley and Mrs. Mickey McCullough.

Modeling fashions for the younger set will be Brent Bush, son of Mr. and Mrs. Jerry Bush, Chad Young, son of Mrs. Mrs. Delton Young, Mika Courtney, daughter of Mr. and Mrs. Eddie Courtney, and Angie and Amy Everts, daughters of Mr. and Mrs. Michael Everts, all of Levelland.

LETTERS

To The EDITOR

March 23, 1974
Mr. Wade Warren
Lamb County Leader News
Littlefield, Texas 79338

Dear Mr. Warren,

If you feel this is a solicited campaign letter, let me assure you it is not. I hope you will see fit to print it.

Although we are getting our papers a little late, we are trying to keep up with the goings-on in Littlefield, and since the town didn't see fit to let us vote there, guess they won't be too responsive to this letter, either. But, I'm going to write it anyway.

According to what I read, Littlefield hasn't changed at all. Their politics make Duval County and "Boss" Parr look like back-woods hicks! The very idea of calling for another liquor election right during the campaigning for county offices is CERTAINLY dirty pool on some one's part. I meant strictly to keep the county clerk bottled up certifying and working all hours so she can't campaign like she should with two opponents!

A few of you who don't know, should do a little checking into what a county clerk and staff have to go through in order to hold one of these elections. Then possibly you'll look and see that the current county clerk and her well trained, efficient crew have worked far and above the call of duty during the past tenure.

How many of you know the extra hours a county clerk puts in after the doors are closed, both at night and during the noon hour? Or, the extra hours spent during any election? Sure, they get paid and it's part of the job. Certainly they have to be out of the office some, but most of that is in attending to business or at meetings intended toward more efficient office operations that all county clerks in the state attend.

I have been in and out of quite a number of county clerk's offices in the past 5-6 years while working on Genealogy. Do you know that not three-fourths of them have been as well run as the one in Lamb County? Very few even knew what is legal to be left open to the public and what was not. "Oh," you say, "all that should be public, after all it's OUR business." WRONG!! There are certain things that are to be released to properly identified and authorized persons only. For example, would you like just anyone running their finger down a page of (for example) the death records and notice that your grand father died of "self-inflicted wounds, due to probable temporary insanity" and have this person say, "Well, looks

like old so-and-so inherited a little from the old boy", or some such cruel remark. Most county clerks have told me, "Just go back and help yourself, if you need anything call us." (Please note, this death record law has been in effect for a number of years, since September of 1973 birth records have been added, but either can be obtained, as I said, by the requesting of a certified copy and the fact that you are authorized to make such a request. The only place I have been in that did in fact enforce this law, or either of them, was Lamb Co.)

When I was on my little soap box to try to get to vote in the Littlefield elections, I went to Mary Beth Willey and asked for advice. Rather than give me her opinion of the interpretation of the law, she looked it up, we both read and re-read it, so that there was no misun-derstanding as to its meaning.

You may like Mary Beth Willey, or you may not, but personally, I am paying my tax dollars in Lamb County for a good job to be done by its county officials and not for personality contests! And, Mrs. Willey's office is doing a darned good job!

I feel like some one should speak out and say, "If Mary Beth Willey doesn't come by and shake your hand and ask for your vote, it is because she is in her office doing the job we are paying her to do."

I do not mean to cast reflections on Mrs. Willey's worthy opponents, as I have nothing against either of them, and I am sure they are good. I am saying our County Clerk is earning her money the hard way...if the "drys" lose, they are down her back, and visa-versa. I dare say she is the one person who would give her eye-teeth to see the matter settled once and for all because regardless of the out-come, she is right in the middle every time and gets the blame. And she is paid by the job, not the hour, or the abuse, or phone calls, etc. And for hours spent on these silly wet-dry elections, I'd be willing to bet she is making less per hour spent than the courthouse custodian!!

Mrs. Willey has certainly put extra effort into learning as much as she can about her job and what is expected of her, plus surrounding herself with good employees. I think my tax money has been well spent, and I am not for spending more to train another person for this job that she has worked so hard for.

Yours truly,

CLIPS & TIPS

By JOELLA LOVVORN

NEED A SPRINGTIME menu brighter? Here's a new recipe from the Campbell Soup Company for Golden California Chicken. Condensed Golden Mushroom Soup, orange juice and ginger teamed up in a flavorful sauce add a "spice" for this main course specialty.

GOLDEN CALIFORNIA CHICKEN
2 pounds chicken parts
2 tablespoons shortening
1 can (10 3/4 ounces) Condensed Golden Mushroom Soup
1/4 cup chopped onion
2 tablespoons frozen concentrated orange juice
1/2 teaspoon ground ginger
Avocado slices
Orange slices
In skillet, brown chicken in shortening; pour off fat. Add soup, onion, concentrated orange juice, and ginger. Cover; cook over low heat 45 minutes or until tender. Stir occasionally.
Uncover; cook to desired consistency. Garnish with avocado and orange slices. Makes 4 servings.

HERE ARE A FEW favored recipes that were submitted for my column by the Leader-News' own Nilah Rodgers. "This is my favorite salad dressing," she says. "I use a blender, but this is the way the recipe reads."

POPPY SEED DRESSING
1/2 cup sugar
1 tsp salt
1 tsp dry mustard
4 tps. poppy seed
1 1/2 Tbsp. grated onion
1/3 cup vinegar
1 cup salad oil
Combine and shake or blend. This is good on tossed salads, bean salad, fruit salad or cole slaw. (If using a blender, put all ingredients in except oil and poppy seed. Blend, then add oil and seed. Refrigerate.
"Poppy seed dressing is good used this way, too!"

AVACADO SALAD WITH POPPY SEED DRESSING
Place sliced ripe avocado, sectioned grapefruit and orange slices on lettuce leaf. Pour dressing on the fruit.

"I'm particularly fond of make-ahead salads. This three bean salad and sauerkraut salad can be made a day or two ahead, and is good to the last drop!" Mrs. Rodgers emphasized.

THREE BEAN SALAD
1 (8 oz) can French cut green beans
1 (8 oz) can yellow wax beans
1 (8 oz) can red kidney beans
1/2 cup salad oil
1/2 cup cider vinegar
3/4 cup sugar
1 tsp salt
1/2 tsp pepper
1/2 cup minced green pepper
1/2 cup minced onion
Day before serving: drain beans, place in glass bowl. Add green pepper and onion. Mix oil, vinegar, sugar, salt and pepper. Pour over beans; toss. Refrigerate, covered, until ready to serve. (Dieters could omit oil and use a sugar replacement.)

SAUERKRAUT SALAD
1 qt. kraut, drained and chopped
1 cup chopped celery
1 green pepper, diced
1 onion, diced
1/2 cup cider vinegar
3/4 cup sugar
small jar pimentos
Mix and place in refrigerator 24 hours before serving.

"This jalapeno cheese can be used for dips, as a sandwich spread in omelets, and in vegetable dishes like broccoli, squash and brussels sprouts," Mrs. Rodgers contends.

JALAPENO CHEESE
1 lb. Velveta cheese (half of a 2-lb. box)
1 cup evaporated milk
chopped jalapeno peppers to taste
dash of garlic powder
Melt in double boiler or lowest setting. It will be very thin, but will thicken after refrigeration. If you prefer American cheese, use a tall can of evaporated milk to a pound of cheese.

TIPS AND TIDBITS:
WHEN USING tracing paper to mark patterns, use an empty ball-point pen. It works beautifully and doesn't tear pattern pieces as a tracing wheel sometimes does.

METAL WASTE BASKETS will last longer without the bottoms rusting and wearing through if the insides are coated with a thin coat of melted paraffin when the can is new.

KEEP AN inexpensive powder puff in your flour canister for use when dusting cake pans, pastry board and cookie sheets. The flour will be more evenly distributed and there's never any waste.

THE ABUNDANT LIFE

Modesty Helps

"OBSERVING the proprieties of dress and behavior" is a correct, general definition of "modesty." Then, such words as "unpretentious," "decent," "evasive," and "humble" are accurate synonyms.
Sincere "modesty" is one of our most helpful and desirable characteristics, and we ignore and neglect it only when we no longer care about ourselves; or about what is best for us and those whose lives we may touch.

IMMODESTY (indecent) will do as much as anything else, perhaps more, to subvert one's life; and, if practiced by great numbers of people, it will destroy the structure of a social order.

It is probably the most corrupting manifestation of human degeneracy, and has always been a significant factor in dying civilizations.

Historically, this fact is clearly portrayed; and is a warning that should be respected and heeded.

When we consider the obvious weakness and destructive influences of immodesty, it seems very strange that there is so much deliberate show of it; and that so much is done to try to make modesty seem undesirable.

"YOU LITTLE KNOW what you have done, when you have first broken the bounds of modesty; you have set open the door of your fancy to the devil, so that he can, almost at his pleasure every after, represent the same sinful pleasure to you anew; he has now access to your fancy to stir up lustful thoughts and desires." - Baxter.

MODESTY IS NOT WEAK, but is

strong in itself, and is essential to human structure interaction among a dependable guard and other ennobling thoughts.

It does not weaken any one of a strong character and self-confidence and personal are never damaged by modesty but are actually much more of good results.

"MODESTY HELPS" every part of everything while. In fact, it is a strong and truly influential

It is companion to integrity; to good manners, to associations with our fellow every other desirable and of human thought and action.

"MODESTY HEIGHTENS" virtues which it accompanies shades in painting, it raises every figure, and makes the beautiful, though not superb, would be without it." - Addison.

THERE ARE MANY and we are thankful for their many helpful contributions.

They help preserve every true and honorable, and maintain the social climate of life-principles which contribute the betterment of humankind preserved and followed.

Turn Row, and he can't defend. Doubt if he'd get very rough before school board election.

ONE THING I do want to say, though, he's skating on thin ice. Questions MY wife has because she married ME. From smartest thing she ever did.

Now if he's insulting his wife that's between him and her. I'd say, there could have been sequences.

FOR YEARS I've California's Governor REAGAN. Since my young been living out there and I've state several times, I've had to hear a good bit about how running the affairs of state.

His late avowal of faith has not, in the least, dulled admiration. I've known all along a gutsy kind of guy and not fight for what he thinks is comfortable to know that he deserted the ship, as some Republican rats have done.

SO GO AHEAD and put his presidential ballot. He's the fellow I'd like to vote for!

Turn Row COMMENTS

STARTED OFF on the wrong foot this morning. Had a bad day yesterday, lost a little dribblers' basketball game last night by one point, and started this column by misspelling every word because I didn't have my hands on the home keys on the typewriter.

Was late for the "Early Riser's Lion Club" this morning, had an appointment to have the tires on my pickup balanced at 8 a.m., and noticed that the cord is showing on one tire. There is still 300 miles left on the 40,000 mile warranty and here it is 9 a.m. and I'm still unshaven and haven't changed clothes to begin today's work. And I should be in Silverton in about an hour.

AND NOW FOR the good news. April showers are coming our way with the first to be this weekend. Around the 12th and 15th we will have more moisture, and again more rain during the 24th to the 27th of April.

Then it will be the first planting time for some farmers and the second time will be after the 19th of May. This will be followed with more rain the last three days in May and then possibly another planting for some farmers.

Between these rains there will be high winds—and beware of tornados. Other than these elements mentioned, everything else will be about normal.

FOR YOU EARLY planters, the soil temperature for the 10-day average is in the mid-forties, about 30 degrees too cool to plant.

OBITUARIES

CLOA GALLAWAY
Mrs. Cloa Gallaway, 84, of Olton, was dead on arrival at Central Plains Hospital in Plainview at 5 p.m. Monday, April 1.

Funeral services were held Wednesday afternoon in the First United Methodist Church at Olton.

Officiating were Rev. Al Jennings, pastor, and Elmer Crabtree, retired Methodist minister of Olton.

Parsons Funeral Home was in charge of arrangements for burial.

She came to Olton in the fall of 1906, and married George Galloway in Dec. 1909.

Mrs. Gallaway was a native of Marion County, Iowa and had served as secretary to the county Clerk of Lamb County in 1908.

She was a member of the First United Methodist Church in Olton.

Surviving are three sons, Cecil Gallaway of Houston, Charles Gallaway and Wilbur Gallaway, both of Olton; a daughter, Mrs. Gladys Womack of Midland; a brother, Artie Erb of Little River; 11 grandchildren; and 11 great-grandchildren.

HAZEL VIRGINIA HACKETT
Services for Mrs. Hazel Virginia Hackett, 81, a former Olton resident who went to Austin two years ago, were conducted Wednesday afternoon at the 9th and Columbia Street Church of Christ in Plainview.

Mrs. Hackett died at 5 a.m. Monday, April 1, in an Austin convalescent home after a long illness.

Gene Polvado, minister, officiated. Burial was in Plainview Memorial Park with Lemons Funeral Home of Plainview in charge of arrangements.

She had moved to Plainview in 1937 from Olton and made her home with a son, Raymond Hackett. Her husband, W. A. Hackett, died in 1953.

She was born in Springfield, Mo., and was a member of the Church of Christ.

Surviving are five daughters, Mrs. Monte Beneaux of Glenwood, Calif., Mrs. Ted Schrode of Los Angeles, Calif., Mrs. Clare Hill, Mrs. Dorothy Davis and Mrs. Boots Wagner, all of Austin; two sons, Fred Hackett of Camarillo, Calif., and Raymond Hackett of Plainview; 11 grandchildren; and 10 great-grandchildren.

Bake Sale Earns \$350 For Fete

Too many cooks? Aye, but for \$350 they make the cakes that much sweeter.

Thirty four cakes baked by members of the varsity and junior varsity football squads were auctioned at the Littlefield High School Annual Bake Sale Friday for a grand sum of \$350.

The previous record for the bake sale, which has been held annually the past 10 years, was \$300. The highest price for a cake bought by an LHS student was \$20, which was paid by Debbie Elliott for Stanley Patterson's cake. Randy Cook and Ricky Richards' cakes each sold for \$17, and they were purchased by Jill Owens and Mari Louise Bennett, respectively.

Auctioneer J. W. Bitner purchased the most expensive cake, which was Buddy Jungman's, for \$25. Three cakes sold for \$4. The lowest price paid.

Proceeds from the sale will go to the All-School Banquet, to be held April 6.

Apollo '74 is the theme, and the Junior High Cafeteria will be decorated like a space ship.

Jill Owens Takes First In Meet

By STEPHANIE BENNER

Wildcat fens placed fourth at the Hereford track meet March 30. They scored 45 points. They were outscored by Canyon with 164 1/2 points, Olton with 131 1/2 points, and Friona with 60 points.

Jill Owens placed first in the high jump (5' 1") and fourth in the hurdles. Shebra Johnson placed third in the 220 yard-dash and second in the 100. Georgia Ann Jackson placed fourth in the broad jump and fifth in the 100 yard-dash. Patti Chusholm placed fourth in the 800 dash. Penny Walter made fourth in the high jump and fifth in the 220. Littlefield freshmen also placed fourth in the meet with a total of 43 points.

The fens placed third in the track meet March 23 at Farwell with 80 points. Shebra Johnson set a track meet record in the 220 with 28 seconds flat. Jill Owens also set a record with a 4' 9 1/4" leap in the high jumps.

THE CAKE HELD BY AUCTIONEER J. W. BITNER HELPED ADD DOLLARS TO THE \$350 MADE AT THE ANNUAL STUDENT COUNCIL BAKE SALE MARCH 28. THE MONEY WILL GO TO PAY EXPENSES FOR THE ALL-SCHOOL BANQUET APRIL 6. BITNER, FORMER LHS STUDENT, ALSO DONATED A \$25 CAKE TO THE TEACHERS AT LHS.

Lyrics Brainwash Hearers

By CINDY WATTENBARGER

Many lyrics in the songs of today tend to "brainwash" people as singing commercials do about products.

Song lyrics describe many types of loves. A realistic song of love describes the mature, growing affection, trust, and companionship of true love. Songs such as "Behind Closed Doors," "Satin Sheets," "He Did With Me," "Pillow Talk," and "Stay Awake" emphasize the physical type of love. Many young people are becoming confused because the feeling of physical attraction is relatively new to them and they believe it can only be love. Physical attraction happens suddenly and some speak of it as falling into "love at first sight." "First Time Ever I Saw Your Face," "You're Sixteen," and the old Beatles hit, "When I Saw Her Standing There" have the "love at first sight" lyrics.

Many song lyrics of today describe the tragic love. Songs such as "Honey," "Last Kiss," "Fire and Rain," and "Time in a Bottle" have tragic endings. One is mourning over the death or loss of his love. The listener is saddened and almost sympathetic with the singer.

Some people are so influenced by songs that they listen for lyrics that they feel suit them perfectly. Victims of unrequited love find themselves dwelling on the tunes of "Cherish" or "Diary" by Bread. "Natural Woman," "Without You," and "Everything I Own," suit people with their love being a satisfaction of their personality needs. Then there are those who have "Loved and lost." Songs that suit them are "Killing Me Softly," "There Won't Be Anymore," by Charlie Rich, "Mean Mistreater" and "Heartbreaker" by Grand Funk.

Song lyrics can be so influencing that John Lennon once said that if he mentioned even casually in a song that little girls should kill their mothers, there'd be a wave of matricides all over the world.

In the 30's the song "Gloomy Sunday" was said to have such a depressing effect on some suicide-prone souls that many radio stations would not play it.

"The reason birds fly and we can't is simply that they have perfect faith, for to have faith is to have wings."

next school year

LHS To Start Quarter Plan

By MICHELE SAWYER

Next year LHS will be starting on the quarter system. Instead of having the regular two 90 day semesters the school year will consist of three 60 day quarters with the fourth quarter as summer vacation.

According to principal Jack York, "The quarter system won't affect the school at all except report cards will be given at the end of each quarter."

"Each quarter is to be independent of each other," York said, "and the school year will be the same length as always."

Mrs. Ima Roycroft, counselor, said, "Starting with next year's Freshmen one will be required to have 60 quarter credits to graduate. This will be no different than the 20 credits now required because each quarter is one quarter credit."

Some classes will have new names such as Fundamentals of Math (FOM) which is Consumer Math and Related Math. Each course will be designated by a different number. English I-2Q would be English I second quarter. Some of the credits one must have to graduate under the quarter system are 12 quarter credits for English, six for math, six for history, two for government and one for economics. All the courses that are now one semester, such as health, will be two quarters long. Some one quarter subjects are Home Economics, Choir, Band, Speech, General Drafting, Architectural Drafting, General Shop and Wood working.

Some students and teachers think that due to the two days of school missed for flu there is one day yet to be made up. However, according to York all the days have been made up, so no extra school day is necessary.

Due to the energy crisis, the Texas Education Agency has proposed that next year students be required to attend school 171 days instead of the regular 180 days.

Volleyballers Give Up Championship Titles

By DEBBIE BIRKELBACH

The Littlefield Wildcat Volleyball team was unsuccessful in defending the district championship that they have held for the past four years, at the District Tournament in Olton March 29.

The Wildcats drew a bye in the first round of action. In the second round Morton, the new district champions, brought an end to Littlefield's dominance on the district volleyball court by beating the Cats 15-7, 15-7. The six Cat starters played both games.

Coach Bobbie Pylant said "I think this was the best we've played all year. We received some bad calls that hurt us a lot."

Some players also said it was their best games of the year.

One player said, "It was the worst game of defense we've ever played. We were getting our serves over but we couldn't keep them. We got some bad calls, but we had a lot of chances to win."

When asked why she thought the team has fallen down from the past, one player answered, "We goofed around in practice too much."

"The team this year was made up of only two seniors with the rest of the players being juniors and sophomores."

Next year we should be stronger, if we stop goofing off," a team member commented.

SKAT Takes Top Honors, KATALYST Wins Second

For the third consecutive year, LHS's student newspaper, the SKAT, won top UIL honors in Austin. The Award of Distinguished Merit, the highest award given, was presented to the Littlefield delegation in Saturday ceremonies by the state press conference director, Dr. Max Haddick.

At that same meeting, the KATALYST, for the first time in its history, was given the second highest award in total newspaper rating, the Award of Achievement.

All high school newspapers in the state competed with other schools in their division for the honors. The SKAT was entered in "Page in local paper" division and the KATALYST was entered in the mimeographed category. Papers are judged not only on writing, but also on layout, headlines, art work, format and news coverage. The judges, who are top journalism professors in the state, and other news media people, rate the papers by number of points in each category.

At the annual state convention, which attracts about 6,000 students and sponsors from Texas, Individual Achievement Awards were also given to students for articles that had been published previously in their school papers. Bruce Peel, senior SKAT staffer, walked off with a first place medal for his reporting of the upcoming Littlefield-Floydada district football game in November. Last year, SKAT/KATALYST editor Andy Rogers, won the same award.

Rogers won another award this year, still in sports writing, but this time for his column, "Sports Shorts" where he suggested several new Olympic games be played.

Dona Davis, recent winner in SEVENTEEN magazine's Lead contest in New York, brought another honor home for her school by taking a second place medal at the convention for her news reporting. The story judged for the prize was about Greg Bell, LHS sophomore, who was injured in an electrical mishap last semester.

The Atlanta High School newspaper, Hi-LIGHTS, ranked over the KATALYST division in mimeographed category with a first place. Mrs. Bill Turner, former English and journalism teacher at LHS, is the sponsor of that publication.

The trio of UIL press conference winners are competing this week in Olton at district level in four journalism categories, news writing (Miss Davis, entry), editorial writing (Peel, entry), feature writing (Rogers, entry), and headline writing (Peel, entry). Results of those contests will be known Saturday. Winners will advance to the regional competition in Odessa in April.

Cats Lose Tro Title To Friona

The Wildcat track team went to Olton Saturday for meet, and it was oh so close!

The Cats came in second after a nip and tuck with Friona all day. The lead exchanged hands several times.

Littlefield started out with a one-two-three finish and put Randy Cook captured first with a toss of better than 47' for second and Ricky Richards threw over 47' for second and Ricky took third place honors.

Continuing a dominance of the field events, Mike first in the pole vault with a vault of 12'. Bill Turner fourth in the broad jump with a leap of 20'. Bryan added field event points with a 5'8" jump in the high jump was good for third place.

In the running events the Cats started out with a finish in the sprint relay. The team is composed of Parmer, Gary Lichte, Stanley Patterson and Samman. Turner and Richard Barton both placed in the 100 hurdles (times not available). In the 100 yard relay Bryson won fourth place with a 19.7 time.

Turner came back to take second place in the intermediate hurdles with a time of 42.0.

Patterson took second place honors in the 440. Buddy Jungman won the 880 in 2:07.0.

Bryson placed fifth in the 220 by running a 22.4. Barton placed fifth and sixth respectively in the mile relay team of Turner, Bryson, Patterson and won third with a 3:40.0.

First and second place winners qualified for the meet in Odessa the third week in April.

LHSers With UIL Activities

By CENA STORER

This week 30 LHS are participating in the University Interscholastic League Literary Debate. Dona Davis, Peter Arnette, and Stan Swinton went to Olton to compete in the events.

Those students participating in the UIL contest Tuesday were Rita McKinnon, Michelle Cannon, Michele Carla Sanders, Barton, Randy Blum, Pratt, Danny Brody, Sheldon Zahn.

All other literatures will be completed Saturday in Olton.

Participating events will be Typing and Rita McKinnon debate. Shariene persuasive speaking. Parrott in prose. Sheila Dangerous interpretation. Copying and planning. Tandy Talbert. LHS contestants are Zahn, Janice, Debbie Birkelbach, Gregg will enter Number Sense. Bundick, Loreta, Sharla Grant will enter division of typing. Rhonda Hall will enter Healy representing shorthand competition.

DONA DAVIS met Peter Arnette, Pulitzer Prize winner, and Stan Swinton, director for Associated Press, in New York City March 14. Dona was awarded an honorable mention by Seventeen magazine for her "Lead" contest story about Tommen Crosby. While in New York, she was recognized and given an award at a Columbia University journalism convention. (Personal Photo)

Sponsor Home Needed

By ANDY ROGERS

Somewhere in a foreign country far away, a high school pupil is sending in his or her application to become a foreign exchange student. That person will be notified that a high school in a small town in the Texas Panhandle is seeking a student, and he or she will pack a couple of suitcases and leave family and friends for a year in America.

It happened just that way last year when Kari Rivalsrud arrived from Norway and stayed with the Buster Owens' family. Next year, LHS will take in another foreign exchange student, if an interested and willing family can be found for the student to live with.

The LHS student council has already raised the \$1000 necessary to sponsor the student, whose name is picked more or less at random by the American Field Service. Tom Hilburn is the adult supervisor of the Littlefield AFS Program.

He said that all the details have been taken care of except for the finding of a family. The only requirements the family has to meet are that they have school age children and are financially stable. Families that are interested in taking in a foreign exchange student can get applications from Hilburn.

Friona Topples Littlefield For Cinder Championship

The Friona Chieftains captured the District 3-AA track title Saturday in Olton, edging the defending champs Littlefield 130-116.

"We had a tremendous team effort," said Wildcat Track Coach Lewis Boomer. With two events left, Littlefield was tied for the lead. But Friona won both events (the mile and the mile relay) to go with their victories in the discus and the high jump, and there was just no way for the Cats to come back.

Robert Mayberry led Dimmitt to third place, as he scored 28 of Dimmitt's 96 points. Morton with 72 and Olton with 70 finished out the field.

The first and second place finishers at district win tickets to the regional meet April 19 and 20 in Odessa. Six Wildcats will be competing there.

Randy Cook will be in two events at regional. He won the shot at the district meet with a 50-6 heave, and tossed the discus 130-2 for second. Ricky Richards won second in the shot with a 47-7. Mike Cotter won the pole vault, clearing 12 feet. Buddy Jungman took the 880 with a time of 2:07.2. Bill Turner grabbed second in the 330-yard intermediate hurdles (42.0), and Stanley Patterson was runner-up in the 440-yard dash (54.7).

Boomer said the six regional qualifiers will continue their track workouts while the rest of the team is through for the year. "We won't be competing anywhere this week," Boomer said, "because most schools are having their district meets. But next week we'll be running in the regional qualifiers meet at Hereford." The state meet is in Austin May 2 and 3.

Boomer had predicted before the meet that Friona would be the team to beat at district. But, "Friona was not as strong as we thought," he commented after it was all over. "They only won four events, but they had a lot of depth and managed to score a lot of points that way. We would have liked very much to win, but I can't fault our effort. I was real pleased with our performance."

The mile relay team of Turner, Patterson, Jungman and Terry Bryson clipped six seconds off their previous season best and took third

place with a 3:40.3. The sprint relay squad (Ronald Parmer, Gary Lichte, Patterson and Sammy Schlottman) finished fourth in 47.3. In the 120-yard high hurdles, Turner finished fourth (17.2) and Richard Barton was fifth (17.3). Bryson finished fourth in the 100 (10.8) and fifth in the 220 (23.7). Brian Goss was fifth in the mile (5:34.1) and Barton took sixth (5:36). Ricky Hopping was third in the shot (46-4) and fourth in the discus (125-6). Turner added third place points in the broad jump

(20-1 1/2), and Goss placed third in the high jump (5-8). Boomer pointed out that Steve Cruz ran his best time of the year in the 440, a 56.0, but failed to qualify. "We had a lot of people who didn't qualify but who have done a real good job for us all year long," Boomer said.

Dimmitt's Mayberry was the leading scorer in the meet, winning the 100, 220, and coming in second in the broad jump, to go along with his leg on the Bobcats' winning sprint relay team.

Shoettes Open Girls LD Season With Victory

In the inaugural girls Little Dribbler game of the year Monday, Vicki Tunnell scored all of her team's points as the Moss Shoettes edged the Pay & Save Checkers 12-10.

The Checkers were led by Sharon Stout with six points. Sharla Bridwell and Becky Lobaugh both scored two.

In major league action, Virgie's Beauties held off a fast closing Perry's Variety team for a 16-15 win.

Robin Messer paced the victors with 11 tallies, followed by Christi Mixon with three and Elaine Turner with two.

Gloria Brockington tossed in eight points for the Perry's squad. Geniece Ward had five points and Patti Bryant two.

In the third game Monday, the McCormick Trimmers trimmed the Security Staters 31-27.

Jamie Lee poured 16 markers for the Trimmers. Carol Kirby added seven, Pam Fisher six and Tammy Freeman two.

Sally Wilkinson had the scoring punch for the losers with 15, and Sandra Healy was responsible for the Staters' other 12 points.

Eighth Graders Only Littlefield Track Winners

The Littlefield eighth graders became the only Wildcat squad to win a district track title this year when their 125 total beat second place Friona Saturday at Olton.

The seventh grade squad finished second in their division at the same meet, barely beating Morton 95 1/2-95.

Willie Don Mason paced the eighth graders with three wins. He took victories in the broad jump, the 50-yard dash and the 100-yard dash. He also ran a leg on the 440-yard relay squad that won second, along with Weldon Wood, Brett Middlebrooks and Raymond Baiza.

Baiza took a trio of seconds, finishing as runner-up in the high jump, the broad jump and the 440. Donnie Green won the pole vault and James Kemp finished sixth. Middlebrooks was third in the shot and sixth in the discus, and joined Stan Jackson, Kemp and Baiza on the fourth place 880-yard relay team.

Terry Foley placed second in both the shot and the discus. Robert Hill finished fourth in the mile, and Tommy Twitty was sixth in the 100. Jeff Ratliff was fourth in the 100-

yard hurdles, Randy Taylor was fifth in the high jump, David Jones was sixth in the 60-yard high hurdles, and Jackson was sixth in the broad jump. Garland Pierce finished eighth in the 880 and Ronnie Milligan was ninth.

For the seventh graders, Rudolph Smith was first in the 100-yard low hurdles, and second in the 100 dash and the broad jump. Richard Morgan was third in the pole vault and the 50, fourth in the 100 and fifth in the long jump. Ben Davidson was third in the 440, Jeff Lust was sixth in the 100 and the 440, Wayne Lucas was fourth in the shot and the discus. Kenny Williams was fourth in the 60-yard high hurdles and sixth in the low hurdles. Donny Green was fifth in the pole vault and fourth in the 440, Arizona McCormick was fifth in the high jump, Chris Duran was fifth in the 880 and Van Jaquess was sixth in the 880. The 440 relay team of Jeff Lust, Richard Morgan, Ben Davidson and Rudolph Smith finished second, and the 880 relay of Ronny Martin, Johnny Ortiz, Donny Green and Davidson was fourth.

Annual Dance Festival Scheduled At Lubbock

The Lubbock Area Square And Round Dance Federation presents the 15th annual festival April 5th and 6th at the Fair Park Coliseum in Lubbock.

Ken Bower of Hemet, Calif. and Jerry Haag from Cheyenne, Wyo. will call the square dancing. Manning and Nita Smith from College

Station will direct the round dancing.

The Lubbock Area Square And Round Dance Federation is composed of 25 square and round dance clubs in West Texas and Eastern New Mexico, including Circle Eight of Littlefield.

LITTLEFIELD CHAMBER OF COMMERCE AND AGRICULTURE
"We, The Women" are sponsoring a style show April 8, at 7:30 p.m. in the High School Auditorium. Commerce Ambassadors will assist with the show. CHAMBER OF COMMERCE directors will meet Thursday morning, April 11, in the council chamber City Hall.

FIELDMAN NEEDED
Established, large, Texas Cannery needs representative in your county to contact growers about planting Southern Peas to be combined in our company. Complete program available to growers—seed, farming technology and training for produce. Must be well-known in agricultural circles. Knowledge of pea farming would be helpful. Work would be mainly during period just prior to planting of early spring and fall pea crops so we need someone who could start immediately. Call collect for full information. Mr. Bob AC214-592-6571 or 593-6656.

WHY-WEAR-A-GIRDLE PANTY HOSE

Slims & Trims & Makes the Girdle Obsolete!

Now you can control the little bumps and bulges and still move as freely as if you were bare!

Slendo's WHY-WEAR-A-GIRDLE panty hose does slimming and trimming you'd expect of a girdle without a girdle's constricting tugging and binding. A blend of nylon and spandex with the ribbed control panty gently molds and holds you as the luxuriously sheer legs cling to every curve for perfect day-long fit.
