

7,450 Register In County

A grand total of 7,450 persons in Lamb County qualified to voice their opinions in elections this because they took time to register. Registrations were up 691 from last year and down 3 from 1968—a presidential election year. Several important elections are coming up this year, several county, district and state races to be de-

Precinct 2 Only Contest

In the race in the first election for 1970 will be T. L. "Buddy" O. J. Parish. Hudson had entered

the race, but withdrew Wednesday morning. The first Democratic Primary will be held May 2, and the three, along with 28 others, will be placed before citizens for a decision.

Others who filed by deadline time Monday afternoon were:

Commissioner, Precinct 4, Hubert Dykes.

State Senator, 30th Senatorial District, Jack Hightower.

State Representative, 72nd District, Bill Clayton.

Lamb County Judge, G. T. Sides.

Lamb County Clerk, Mary Beth Willey.

Lamb County Treasurer, Lucy M. Moreland.

District Clerk, Ray Lynn Britt.

District Judge, 154th Judicial District, Pat Boone, Jr.

Lamb County School Superintendent, C. Roy Stevens.

Justice of Peace, Precinct 4, J. N. Bowen.

Justice of Peace, Precinct 5, W. T. Tobe Vereen.

Lamb County Democratic Chairman, Glenn Batson.

Lamb County Precinct chairmen:

Precinct 1, Glen Exter.

Precinct 2, Bruce Higgins.

Precinct 3, N. N. Frey

Precinct 4, W. H. Cunningham

Precinct 5, Guy H. Walden

Precinct 6, vacant

Precinct 7, R. L. Masten

Precinct 8, W. P. Holland

Precinct 9, Vernon Qualls

Precinct 10, V. M. Peterman

Precinct 11, Robert Dysart

Precinct 12, Billy Hall

Precinct 13, W. E. Blume

Precinct 14, Johnny Talburt

Precinct 15, Floyd Crawford

Precinct 16, Bruce Porcher

Precinct 17, Orville Cleavenger.

TOP CITIZEN, FARMER TO BE NAMED

Chamber Banquet Friday Night

**Bob Price
Is Speaker**

By JOELLA LOVVORN

An outstanding speaker, a "lively" theme, and presentation of the community's top awards will highlight the program for tomorrow night's Annual Littlefield Chamber of Commerce Banquet, slated for 7:30 in the high school cafeteria.

"We expect from 350 to 400 persons to attend the event, and quite a number of these will be out-of-town guests," Jim Kelly, chamber of commerce manager stated.

Cong. Bob Price, well known to Texans in the field of government will be the featured speaker. His topic will be "Agriculture, Air Pollution and Industry", to fit the theme for the night, "Industry Is The TONIC Littlefield Needs."

Tickets are now on sale in the Chamber of Commerce office for \$3.50 per person.

Rev. R. E. Hall, pastor of Littlefield's First Baptist Church, will serve as master of ceremonies and will recognize out-of-town guests, outgoing officers and directors, and incoming officers and directors.

John Clayton, outgoing C-C president, will issue the president's welcome, prior to musical presentations by the "Dirty Dozen", a choral group from LHS.

"Outstanding Citizen of the Year" Award will be presented by Doyle Patton, and Joe Montgomery will present the "Outstanding Farmer" Award.

A special presentation will be made by new Chamber President Jim Jones, prior to the introduction of the guest speaker, to be made by Mayor J. E. Chisholm.

Special guests for the evening will include D. L. (Cotton) Whitley, president of the Electrically Motivated Vehicle Corporation (EMV) of Amarillo; Glen Cowser, vice president of EMV; Jim Finch, EMV secretary-treasurer; Kathy Minyard, "Miss Littlefield"; and Tonya Bingham, first runner-up to "Miss Littlefield".

Bob Price was elected to the U. S. House of Representatives in November, 1966, and was re-elected to the 91st Congress. He is presently a member of the House Agriculture Committee and subcommittees on: Livestock and Grains, and cotton; is a member of the Science and Astronautics Committee and subcommittees on: Manned Space Flight and NASA Oversight.

He is a member of the Republican Task Force on Agriculture and Rural Affairs, Committee on Committees, and a member of the Republican Congressional Campaign Committee.

He and his wife, Martha Ann (Marty), have three children, Robert Grant, 14; Benjamin Carl, 11; and Janice Ann, 9.

Cong. Price is a graduate of Oklahoma State University and served as a U. S. Air Force jet fighter pilot during the Korean Conflict where he was awarded the Air Medal for his combat missions.

At the conclusion of his active duty, he and his wife returned to Pampa where he owns and operates a ranch and where he was also active in

Teenagers Prepare For Their Big Opening

LITTLEFIELD TEENAGERS planned, scrubbed, swept, dusted, drove nails, painted and mopped for several days to get "Teen Town in operation by opening date Saturday, Feb. 7. The building is located in downtown Littlefield, 318 Phelps Avenue, and will be a place where teenagers may get together for fun times. Memberships at \$1.50 for three months are now being sold.

CRASH NEAR ANTON

Mishap Kills Farm Worker

A 43-year-old farm worker was killed in a truck-pickup crash at Anton Tuesday morning.

This fatality is the second at Anton in less than a month and one of numerous less serious wrecks there in recent months.

Porfiro Gutierrez of Abernathy was pronounced dead at

the scene following the collision about 9:20 a.m. The man was driving west from Abernathy on FM 597 one tenth mile west of Anton and had crossed the railroad tracks and was crossing the four lanes under construction on US 84 when he was in collision with a truck driven by Dewey G. Reep, 27, of Lubbock.

The truck driver was not

injured according to Department of Public Safety official Don Kuykendall who investigated the accident.

Gutierrez was brought to Hammons Funeral Home in Littlefield, then taken to Chambers Funeral Home in Abernathy where services are pending. He is survived by his wife, three sons and two daughters, all of the home.

2 One-Car Turnovers Send 1 To Hospital

A rural mail carrier, Ruth Powell Williams, was taken to the Amherst Hospital for injuries received in a one car mishap west of Sudan Monday morning about 9:15.

Mrs. Williams ran off the road on the right on a curve on FM 298 one mile west of Sudan, and went into a broadside skid when she pulled the '70 Ford back onto the highway. After skidding, the car went off the left side of the highway and overturned one and one quarter times, landing on

the right side, according to Highway Patrolman Weldon Parson who investigated the accident.

One car accident four miles north and two miles east of Earth Sunday resulted in about \$500 damages to a '70 Chevrolet pickup but no personal injuries to the driver.

Rogelio Rodriguez, of Rt. 4, Dimmitt, was traveling north on the dirt road when the left front tire on the pickup blew out. The vehicle overturned and came to a stop on its top, said investigating officer Parson.

Texas DPS Completes New Licensing System

The Texas Department of Public Safety has completed its new licensing system, and as of Jan. 1, operators' driving licenses are now renewed for a period of four years only.

Commercial and chauffeurs' licenses are renewed every two years. Costs for renewing an operator's license is \$6 for the four years, and costs for commercial and chauffeurs' licenses are \$9 and \$12 respectively. The new system has made it possible for the public to go into the office five days a week, from 8-12 and 1-5, for renewals and for the written portion of the driving test.

At present, no written test is required for renewals, unless

specified on the renewal card. Patrolman Weldon Menzer comes from Plainview on Wednesdays to give the outside behind-the-wheel driving test.

The Drivers' License office is located at 600 W. 3rd, in the Community Center building.

The office will be closed on the following days for holidays: March 2, Texas Independence Day; April 21, San Jacinto Day; June 3, Jefferson Davis' Birthday; Sept. 7, Labor Day; Oct. 12, Columbus Day; Nov. 11, Veteran's Day; Nov. 26, Thanksgiving; Dec. 24, 25, 28, Christmas.

Special C-C Section

Further details on the Chamber of Commerce Banquet, photos of officers and directors, and a resume of activities the past year, may be found in Section B of this issue.

Highway Work Set For County

In action that will mean better highway facilities throughout Texas, the Texas Highway Commission has approved a \$406-million, two-year consolidated Highway program, which includes work to be done in Lamb County.

The program calls for construction or reconstruction of US and State-numbered highways.

According to Rhea E. Bradley of Littlefield, resident engineer for the Texas Highway Department, an overpass at the intersection of US Highway 84 and FM 54, on the western outskirts of Littlefield, will be constructed.

Sealed bids for constructing the 1.240-mile-long graded separation are being received by the Highway Department in Austin until 9 a.m. Feb. 18, when they will be publicly opened and read.

Construction plans and specifications, including minimum wage rates as provided by law, are available to prospective bidders through the Littlefield office.

Oscar L. Crain of Lubbock, district engineer, has revealed that funds allotted to District Five were \$16,000,000, consisting of supplementary funds for previously authorized construction, purchase of right of way and new construction projects.

Throughout the state, a total of 1,968.6 miles of non-interstate highways will be built or reconstructed under the program, and the estimated cost of the construction work is \$365 million.

The program also covers the State's portion of the right of way cost of 1,327.9 miles of US and State-numbered highways at an estimated cost of \$40.5 million. On these highways, the state shares right of way costs

on a 5-50 basis with local governments.

In approving the program, the Commission earmarked funds for needed improvement on many routes of the state-maintained highway system.

This will permit the orderly development of plans for construction.

Scout Drive Nets \$560

As of Tuesday night, the Girl Scout Door to Door Mother's Drive had placed approximately \$560 into the 1970 Girl Scout operation fund.

About 30 volunteers canvassed the city while Girl Scouts from Troop 36 sat with small youngsters at the Scout Hut. Some contacts at homes are still to be made.

The Advance Fund Drive is now in progress with the dads and other volunteers contacting businesses and individuals.

A total of about \$3,500 is needed for support of the Girl Scout program this year.

The drive is due to be complete by Feb. 12, when the annual Father-Daughter Pie Supper will be held in the Community Center. Time for the event will be 7 p.m.

FOUR JAILED

Guadalupe Hernandez, 22, of Sudan, was jailed by county authorities Sunday for carrying a prohibited weapon. He was fined \$100 plus court cost.

Three other young men were jailed this weekend on disturbance charges. An 18-year-old Levelland man was charged with disturbance and affray, and two 20-year-old Littlefield men were charged with disturbance. Each was fined \$20 and released.

IS THE CREW that handles the Drivers' License Division of the Texas Department of Public Safety, located in Littlefield's Community Center. Jerry will give written tests in the office five days a week and will issue renewals 8-12 and 1-5. Patrolman Weldon Menzer of Plainview gives the behind-the-wheel test all day Wednesday for those who wish to get new licenses.

CONGRESSMAN BOB PRICE

THE ABUNDANT LIFE

The Happy Habit

By BOB WEAR

THERE IS A VERY real sense in which habits become part of us. We soon cease to think of them as habits.

They become fixed elements in our life structure.

Ovid said it this way: "Habits change into character."

WE BELIEVE that happiness can be made a habit, a habit that will eventually become a working part of our personality. We must understand that we do have the privilege to choose between happiness and unhappiness.

It is easy enough to find cause for being unhappy. If we make this our choice, we will certainly find what appears to be sufficient cause for our misery.

On the other hand, we can find good cause for happiness if we look for it. If we are wise, we will make this our choice.

AN ELDERLY MAN appeared on a national TV program some time ago. In the course of the interview, he made a statement that is worthy of our serious consideration.

He was asked how he accounted for his easily recognized disposition. He replied, "When I wake up each morning, I have a choice between being happy or unhappy. I always choose to be happy."

HAPPINESS IS A STATE of mind. There seems to be general agreement that this is true. "No man is happy who does not think himself so." --Antoninus.

This state of mind, however, doesn't just happen. It must be wisely established and diligently nourished and kept in good order.

WE CAN FORM the happy habit--the habit of being happy. "The habit

of being happy enables one to be freed, or largely freed, from the domination of outward conditions." --R. L. Stevenson.

COUNTING OUR BLESSINGS, and being properly grateful for them helps us to maintain the happy habit.

Accepting the obvious Biblical truism that, "A man's life does not consist in the abundance of the things he possesses" will also help us.

Living in accord with the best life principles we know is another essential in the happy habit.

IF WE THINK of happiness as a duty, we will find it easier to be happy. This will help us to successfully resist many of the ordinary causes of unhappiness. Accepting this concept is most certainly justified.

Accepting the duty of being happy is best for us, and for the people around us. "The world is both better and brighter when we dwell on the duty of happiness, as well as on the happiness of duty." --J. Lubbock.

MOST OF US can be happy in our present, general situation if we will be happy. A minor adjustment or modification here and there may be necessary, but the point is: we can be happy.

"If you cannot be happy in one way, be happy in another; this facility of disposition wants but little aid from philosophy, for health and good humor are almost the whole affair. Many run about after felicity, like an absent-minded man hunting for his hat, while it is in his hand."

THE HAPPY HABIT will enrich and enhance the total life experience for all of us.

More Than 'Nuts And Bolts'

BY MRS. BEULAH DUNLAP

"Success is a rare paint, hides all the ugliness."

So surmised Sir John Suckling back in the Seventeenth Century, and yet how very true today in 1970, for sparkling success is indeed a brilliant paint that covers up all the rough, uneven bad spots, all the blemishes, leaving a glossy hue for all to admire.

And success in our present civic undertaking, though seemingly a far-off, often almost unobtainable goal, is indeed not easy to come by.

IT TAKES MORE THAN NUTS AND BOLTS!

All of us are naturally quite proud of OUR TOWN, our town of Littlefield, Texas, whose population in 1960 was 7,236.

We love Littlefield; we love the good things it stands for and represents--the good memories that OUR TOWN holds for each of us.

But most assuredly we will readily agree Littlefield, Texas, can--not easily perhaps--but Littlefield can double and triple its population shortly if each of us works hard enough and long enough!

Littlefield can grow in population, in meaning, in purpose, and in its reputation and significance.

Of course, all of this can not be accomplished simply by wishful thinking, by hoping, or mere discussion. We must DO something about it, and we can do something about it if we think positively and act positively.

.....Yes, we are proud of Littlefield!

We are proud of her impor-

tance in the county and in our great Lone Star State.

We are proud of her churches, her schools, her farms, her hospitals!

We are proud of the manufacturers we do have: cottonseed products, pipes, fertilizers, and vegetables.

But we do need more industry in Littlefield! We need to look into the near future and the far future! We need to think of the tomorrows.

Most of all, we must be certain that Littlefield grows today and tomorrow and continues to grow in all the tomorrows to come!

And it seems logical that if we want OUR TOWN to increase in importance, in strength and in population that we must act now. We must do something about it NOW and not procrastinate!

We must not sit back and be content to let our children and our grandchildren attempt to do something, for that could be too late, much too late.

IT DOES TAKE more than nuts and bolts and screws and hammers to cause a successful city and community to thrive and grow!

It takes many things, many people, many wishes, many plans, many prayers, and yes, many, many hours of plain hard work!

INDUSTRY IS THE TONIC that Littlefield needs! It is the springboard which can make our community grow in those proverbial leaps and bounds!

INDUSTRY will give our city that extra punch, that special push, that renewed vitality that will be so beneficial, not only to us as citizens but to the en-

tire county and state.

INDUSTRY has done just that for hundreds of cities and towns, so why not OUR TOWN? OUR TOWN that means so very much to you and to me, and our neighbors and friends!

INDUSTRY puts life--new zing--into a community and causes it to grow and improve unbelievably! INDUSTRY brings the hustle and bustle of activity, of action, or being alive to a community.

INDUSTRY brings incentive to all concerned. INDUSTRY puts many local people to work, provides many jobs, offers countless opportunities to hundreds of people.

It is so true that INDUSTRY'S payrolls can boost the city's economy one thousand per cent. More money will be made in Littlefield; more money will be spent in Littlefield!

It is as simple and easy as that. Only good can come out of bringing INDUSTRY to OUR TOWN. Only benefits--multiple benefits--are in store for us all.

A civic project, such as we have in mind, brings out the best in all of us!

Such a program brings forth cooperation and community effort that will bind the city of Littlefield more closely together than most of us could ever dream possible!

It will make better friends out of old friends and new friends out of strangers.

Too, in all of our planning and working and striving to bring new industry to OUR TOWN, let us remember to ENJOY our project, to enjoy our part in attaining this expected success! We can derive immeasurable

pleasure from working and planning and thinking and withing and dreaming together!

IT TAKES MORE THAN NUTS AND BOLTS!

And, thinking about NUTS and Bolts, we will admit that it may take a little NUTTINESS as we go along with the seriousness of our undertaking!

But in our case, the "behaving the wheel" may not be such a foolish and foolhardy nut after all. These "nuts" behind this wheel or program for OUR TOWN may end up with the biggest kernel of all!

Too, some people sometimes might even say, before all the project is completed, that there are a "few screws loose" here and there!

But I am confident we will be able to take this kind of jovial criticism with a sharp sense of humor. One smile is indeed worth a thousand frowns!

IT INDEED TAKES MORE THAN NUTS AND BOLTS!

As we continue toward the successful goal of bringing INDUSTRY to Littlefield--OUR TOWN--let us ever be reminded of these thoughts we have shared together.

Let us not forget that "SUCCESS IS A RARE PAINT, HIDES ALL THE UGLINESS."

In other words, when we have attained success for our city--and likewise for ourselves--by bringing new vitality through INDUSTRY, we will, no doubt, agree it was worth the sweat and tears it took to obtain it.

This success will be well worth the cost, however high, to each of us.

HOMINY GRITS

By CORNBALL BLEVINS

MY HOPE IS that I never become a chronic objector. I've seen so many of my fellowmen that are opposed to everything that's new, or different. Reminds me of the old lady that was planning a trip to visit a son in a distant city: "Are you going by aeroplane?" a friend asked, "Certainly not", was the retort, "I'm going by automobile, just like the Good Lord intended".

TRADITIONS are hard to break. WE BELIEVE JUST WHAT WE WANT TO BELIEVE, REGARDLESS OF FACT! Here-in lies a part, at least, of the CAUSE of the "generation gap".--Our kids want straight answers, not fantasy!

They want honesty, not hypocrisy, or pretense! Yet, our minds refuse to accept that which we do not want to believe.--Our kids, tho, want the FACTS, sir--just the facts!

I WAS LISTENING to some doctor of psychology, some time back. Really, the reason I was listening, was because I was in my car, (no TV)--He was giving forth on the subject of "Cybernetics" (A study of the animal "mans' mind, compared to machine.)

Anyway, he advocated that men use a very small percentage of their mental capacity. (How true!)--He further advocated a course to "expand" the human mind.

I WASN'T INTERESTED in his

discourse, because, shux, I don't use half of what I KNOW anyway! (That's the excuse some of our kids give for their using LSD--mind expansion--that is:--I know alcohol will do the same thing, 'cause when I was a kid, I made the mistake of imbibing to much, once.--next morning my mind was "expanded" way out of proportion!) But, one thing he said snapped me to attention: "The human mind, after age 45, begins to REJECT CHANGE!"

Since I was JUST passed 45, my first reaction was indignant denial! --If there's anything I resent, it's a "Know-it-all", that does!-- Now, I'm not so sure he's not right.

ANYWAY, WE NEED to find a common ground that we can meet our children on.

In times past, the parents often walked the floor, wondering where their kids were, and, what they were doing--now the kids sit and watch TV and wonder about the parents, they don't HEAR what we tell them, because they're watching what we DO!!!

For this common meeting-ground (with these kids) how about trying TRUTH?--Or, do you have a BETTER substitute??

MIGHT BE THAT some changes are necessary.--AND MIGHT BE,--that some of these JUST PASSED 45 MINDS WOULD BE A GOOD PLACE TO START!!!!

"I saw the movie."

PAUL HARVEY

A Deception

HOW EASILY WE can rattle some capsules in a big glass bowl and draw lots to see who goes to war and who does not.

With righteous wrath we outlaw gambling with dollars yet proclaim this gambling with human lives as "the only fair way."

THERE'S A MUCH fairer way: Draft us old guys and leave these enlightened young ones free to try to work us out of the multiple messes their parents got them into.

Already the draft lottery is failing to live up to the promises for it.

When the big drawing took place, young Americans draft-eligible the first year were told the odds were one-in-three they'd be called. Now the draft calls have been reduced but the odds have gone up to one-in-two.

LAST MONTH, young men with birthdays in the first 100 dates drawn were told they'd likely be called sometime during the year.

Now some draft boards expect to take men with numbers in the 200's this second month.

THE REASON, we're told, is that the nation's 4,000 draft boards do not have uniform supplies of eligible men.

Again, Washington's Selective Service headquarters promises somehow to "make it fair and equitable."

THE BEST WAY to do that is to stop fighting today's wars with yesterday's weapons.

Masses of marching men are as outdated as the slingshot in an era of advanced technology.

President Nixon says he's willing to take "risks for peace"; then let's end the draft altogether.

THERE IS NO WAY our 6% fraction of the world's mothers can produce enough boy babies to police the earth with bayonets; even if we should, there is no way we could.

What's needed to guarantee our own nation's security is the most sophisticated military technology in the hands of a streamlined volunteer force of highly trained technicians.

You shove that kind of fist in the face of the world, you'll keep any enemy at arm's length.

"Young men for war; old men for counsel!" has made no sense since the dawn of the nuclear age.

IF 59 IS NOT TOO OLD to pilot an airliner it's not too old to pilot a bomber.

And if we're going to fight modern wars with antique weapons, we old guys have had some experience with those.

Besides, many of us dogfaces left over from the Big War spent such a little while in safe, behind-the-lines jobs that we have yet to wade through mud and blood as our young are being asked to do.

BESIDES, IT'S WE older men who got us into this mess; let the old men get us out. We backed into the fire; it's our rear that ought to get blistered--not our sons'.

Besides, most of us have enjoyed our nation's most shining hours. We have grown fat on the bountiful fruits of our beloved republic. It is we who owe a debt.

OUR SCHOOL-AGE generation has not yet harvested the first fruits, has not had time to live a life, to love a wife, to father children.

Let's give these keen young intellects opportunity to mature and perhaps they, wiser than we, may one day lead us out of the jungle.

As Time Goes By

Excerpts From Our Files

--10 YEARS AGO (Lamb County Leader, Feb. 4, 1960)

FINAL RUSH

A last-minute rush by political candidates Monday gave the county two new contested races, eliminated one contest and brought a new hopeful into a race which was already contested. Four men filed for commissioner of precinct 2 after Mrs. Clyde Goodwin, the incumbent, withdrew. Sheriff Dick Dyer drew Loy Dalton of Littlefield as an opponent. Don Cihak, a Littlefield attorney who had announced for county attorney, withdrew, leaving incumbent Curtis Wilkinson unopposed. The contest for state representative drew another candidate, school teacher Clarence Hamilton of Springlake.

TEENAGER SURVEY

High school students from Littlefield and Anton are among teenagers throughout the nation who have been chosen by "machine" to take part in Project Talent, a national survey of the talents of American youth.

A WOMAN'S VIEW

Times of Trial

By PEARL BRANDON

LAST SUNDAY we buried our own little Craig Jaquess, a beautiful, little boy whose brief visit on this earth was just a little more than two months.

The death angel came in the night and took him home, leaving his broken-hearted parents, as well as a host of other relatives who loved him and who love them.

WE ALWAYS WONDER why these things happen. "Why did this happen to me?" "Where have I failed?"

So many great hard questions come into our minds.

Ours is a close-knit family. What hurts one hurts us all.

HOW I DO wish I could help Lloyd and Dixie, but there is so little anyone can do at a time like this.

Kind friends come and go and you

--20 YEARS AGO (Lamb County Leader, Feb. 4, 1960)

ALL-TIME HIGH

Poll taxers in Lamb County certain to attain, have already attained in fact, an all-time high, with several tax paying stations in the county yet to be reported. Clarence Davis, Tax Collector-Assessor late Tuesday noon, Early afternoon, Mr. Davis stated that 4,280 poll taxes had issued, and the probability that late Tuesday sales (Tuesday the deadline) the number may increase when the final tabulation was made by several hundred.

BAND ENTERTAINED

The Band Parents Association, headed by Mrs. T. A. Yeager, entertained with a party for members of Littlefield Band, and leader Don Hayes. The party was given in appreciation of the fine performance of the band at the football games of the fall months.

hardly know they were there--you'll remember.

BUT NOW....."Oh, Lord, hurt....What can I do?"

I don't have the answer to questions. All I can say is, to take all the circumstances use them to live a better life. Open your heart and the blessed Father washes bitterness and hurt.

LATER ON when you of someone losing a child you want to go immediately to the share their sorrow.

Who knows the brief two little Craig lived on this earth have done more good than a life time lived by someone else.

THE FATHER said, "I forbid them not, for of such a kingdom of Heaven."

Advisory Board members to be installed are Mr. and Mrs. Bill Weige, Mr. and Mrs. Wayne Streety, Mr. and Mrs. Hollis Smith, Mr. and Mrs. Edwin

Day Care Centers Need Sure Footing

(EDITOR'S NOTE: This is the third article written to describe day care centers and their functions.)

LADYCLARE PHILLIPS County HD Agent

There are two types of day care centers.

Family day care homes are family homes in which children (who lack the care and guidance of their parents during the day) are placed for day-time care.

These homes are selected, developed and supervised by child welfare or other social agencies concerned with children.

Day care centers provide group care to children usually three years of age or over, who need care during the day. They cannot meet all the problems that beset children and they do not make up for lacks in financial assistance.

Day care homes and centers must be licensed by the state

licensing authority. In a few places, this responsibility rests with a local department of government.

Parents participate in the cost of the day care center to the extent they are able to pay, and funds are available through state and local public welfare agencies.

Any group planning to establish a new facility would do well to assure itself of some reasonably sure and adequate financial backing, even before it enters into a contract.

This is often done by interested church groups, service clubs or civic groups in sponsorship of all or part of the fund-raising drives.

HEAT ORANGES FIRST
The white inner stinger fibers of oranges will come off more easily when peeling for salad if the orange is first heated for a few moments in the oven. The same applies to grapefruit.

FISHY LEGACY
Bermuda's Coney Island was named after the Coney fish, sometimes know as a butter fish.

MOVIE RATINGS FOR PARENTS AND YOUNG PEOPLE
The objective of the ratings is to inform parents about the suitability of movie content for viewing by their children.

THE SKAT

OFFICIAL LHS NEWSPAPER

***THE WAY IT IS

By JUANITA SAMANIEGO

"Teen Town," a great get-away place for all teenagers on Saturday nights, will open Feb. 7. Teen town will be located at 318 Phelps Avenue and recreation such as ping-pong, pool, pinball and television will be available. Refreshments will also be furnished.

"Teen Town" was created in an effort to provide some kind of recreation for teenagers besides dragging main or going to the show. Membership cards are now on sale for \$1.50 for three months. These tickets are being sold by Amy Owens, Martha Brown, L. D. Holt, Dave Jordan, Steve Owens, Sally Davidson and Mary Davidson.

Off-Season Hard Work

The most forgotten boys in Littlefield High School are probably the boys in football's off-season program.

The 1970 football season is quite away off but the boys in off-season are already starting to prepare. In the off-season program, the boys run through tires, do agility drills, some fun drills, and different types of running. The boys run wind sprints to develop their speed and quickness. Long distance running develops the boys endurance and builds up their legs.

The off-season is very hard work, but there is some fun mixed in with the workouts. The boys get to divide into small groups and compete in different games.

Golf Team In Swing

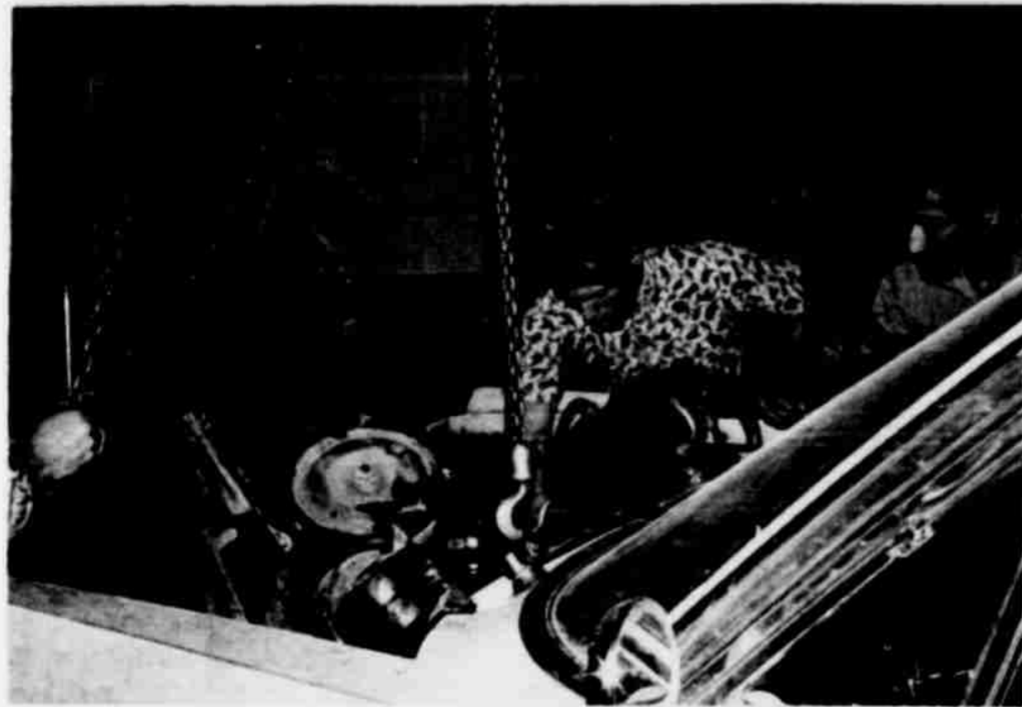

The LHS golf team is getting into full swing after six weeks of practice.

Members of the team are Phil Chambers, Dave Jordan, Mike Talbert, Dennis Cowan, Glenn and Danny Short and Kerry Nicholas. Practice starts at 3:00 Monday through Friday and lasts until they finish playing nine holes of golf.

Teenagers Want Reasonable Restrictions

"Teenagers do want some restrictions—reasonable ones!" This was one statement heard by parents and teachers present at the PTA meeting on Tuesday Feb. 3.

The discussion on "The Times for Parents to Say No"

AUTO MECHANICS boys put out a fire which ignited while they worked on an engine.

Ag, Auto Mechanics Taught

Auto Mechanics is taught by Mr. Sid Landers. He has taught Auto Mechanics at Littlefield High School for six years. Mr. Landers teaches 40 students. In the first three periods he has 25 students and in the afternoon classes he has 15 students.

He decided to teach Auto Mechanics hoping that he could instruct high school students in the automobile trade. He would also like to teach some basic knowledge and skills of automobile work.

According to Mr. Landers, the best methods for teaching Auto Mechanics is classroom instruction and actual work on automobiles. He states that both are equally important in the course. The classroom work develops knowledge about automobiles and the working on automobiles develops a student's skills.

February At A Glance

THURSDAY, FEB. 5
Levelland (H) Fort Worth Livestock Show through Saturday.

MONDAY, FEB. 9
FHA 4:00; Science Club 7:30

TUESDAY, FEB. 10
Slaton (T)

Practice meets will start in February and competition in District play will start in March.

As of yet the team has no coach, but Coach Jim Jefferies will coach the team after basketball season.

A few more will participate as soon as basketball is over in February.

The main purpose of Auto Mechanics is for a student to gain a basic knowledge of automobiles and a working experience in servicing them. Vocational Agriculture is taught by Mr. Lindal Nelson. He has taught at Littlefield High School for two years.

Mr. Nelson decided to teach Ag because he has always enjoyed working in some field of agriculture. He also enjoys working with boys. Mr. Nelson has 41 students in his classes.

"The best methods for teaching Vocational Agriculture," states Mr. Nelson, "is answering questions, reviewing and testing." The students go on field trips to supplement outdated books and to have an actual experience in modern agriculture.

Boys taking Vocational Agriculture have projects which can be of any type of livestock or crops. Ag students show livestock at different stock shows in Texas.

All-School Banquet Tops S.C. Meeting

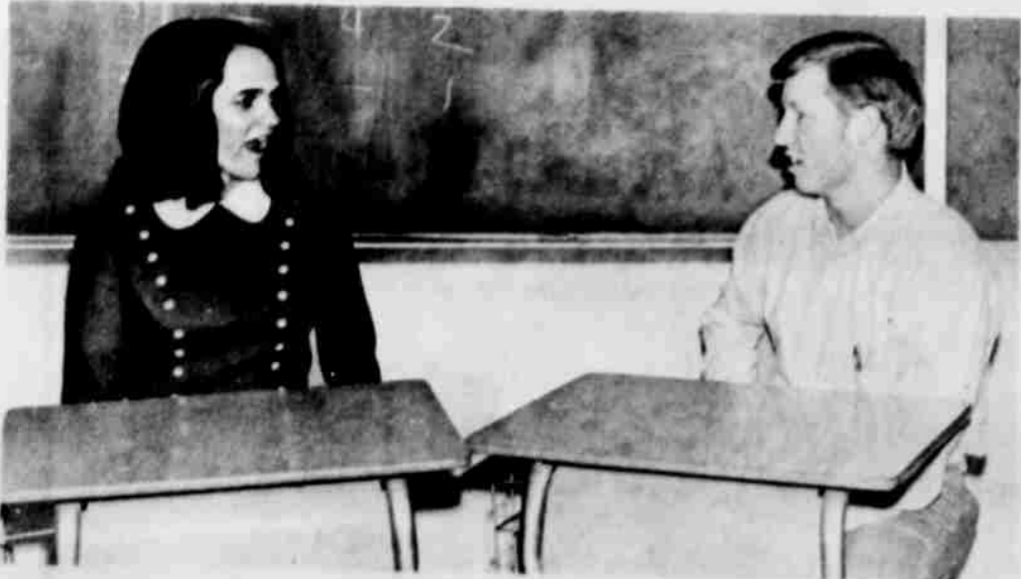

The weekly Student Council met at 8:00 a.m. Tuesday, Jan. 27, in the biology lab. Lynn Barton, vice-president, presided over this meeting due to the absence of Mark Jordan, president.

First the Council discussed the decorations for the All-School Banquet. The decorations are now being priced and later the final stages of preparing for the banquet will be underway. The banquet has been scheduled for March 21.

The selling of valentines was also discussed. Committee chairmen will begin work now to have the valentines ready for Feb. 11-13. Anyone may purchase a funny serious or singing valentine.

was presented by Margaret Fain, a junior, and L. D. Holt, a senior. Many parent-child problems were brought up and discussed to see the points of view from both parents and teenagers.

It was said that any parent

MARGARET FAİN and L. D. Holt discuss their plans for the program they presented to PTA Tuesday night.

Sight - Our Most Important Sense

This story was taken from Seventeen Magazine, Feb., 1970.

Sight is the most important of our senses, for nine-tenths of our knowledge is gained through our eyes.

Eyes serve another purpose to attract. They reflect your personality. You show your interest and your concern by the way you look at someone.

Although vision is an incredibly complex process, surprisingly little goes wrong with it. Close to three-fourths of all teenagers have normal vision.

Nature has provided excellent protection for your eyes; the bony socket in which the eyeball rests, the lids which blink closed about every five seconds, and the flow of tears which lubricate and wash the eye. But the environment has hazards to be wary of sun which can burn, smog which causes smogging, dust particles that may scratch. All these can harm your eyes and sometimes harm them permanently.

How should you guard your eyes from danger? Never stare directly into the sun with sunglasses. Its rays can burn the retina.

Accidents cause one out of every twenty cases of blindness in the United States, and they occur most frequently during the junior high years. If your eye is injured, don't rub it. You may lodge a foreign object more firmly or invite infection from bacteria. Always seek professional help if the natural flow of tears doesn't float the particle away after an hour.

If you are hit in the eye, chances are it will blink closed fast enough to protect you. It only takes one-twentieth of a second to blink.

Burns can cause permanent eye damage. Smoking or drinking will not damage your eyes permanently, but they may cause changes which temporarily limit visual acuity.

The sharp sting of a soap-sud in the eye results from irritation to the conjunctiva, the delicate membrane which lines the eyelid and front of the eyeball. If your eye feels as if it has a grain of sand in it, if it burns, tears look red or has a puslike discharge, you may have conjunctivitis.

No matter how much warning you receive, you cannot ruin

your eyes by overusing them. You won't do any permanent harm by long hours of reading or watching television, but your eyes may feel uncomfortably tired. An occasional intermission will help alleviate these symptoms.

Don't watch T. V. in a dark room. It doesn't make the screen any clearer.

Cosmetics are rarely dangerous to eye health. Try to avoid splashing black pigment in your eyes since it may cause a mild irritation. Never borrow or lend mascara or eyeliner.

Nevertheless, you are frequently judged by what people read, accurately, or not, in your eyes. The way you use

them—casting them down boldly looking people in the eye—does give an indication of the kind of person you are.

Time Out For Sports

The Littlefield Wildcats defeated Brownfield to win for a victory, but fell to a score of 94-60.

The Cubs victory was to the 62 per cent from the field.

Leading scorers for the cats were Charles Carter 21; Charlie Holt, 14; Mark Jones, 13; and Gary Nace 12.

The Cats had a good percentage of shots, 42 per cent but it was not enough to off the Cubs.

The leading scorer of ball game was John Scott Brownfield, who put in points.

Littlefield Junior V dropped its game to the Brownfield JV 57-33.

The leading scorer for Littlefield JV was Ralph with 14 points.

The Wildcats started the second round of district play fell to the league leading Panther Panthers 105-46.

The Cats out shot Dunbar free throws by hitting 26 for a 69 per cent average but the Cats only came with 14 field goals.

Max Hutchins was the leading scorer with 18, Gary Nace Charles Carter had eight.

The Cats now stand at district record.

The Littlefield JV last at Dunbar JV 104-47.

Jay Trammel and Jerry Cary made 10 each. Ralph made 10 and Matt Giles eight.

LHS Speaks Out

QUESTION: What do you think is in store for the U. S. in the Seventies?

Shirley Durham (Sophomore) thinks the main goal for the U. S. in the 70's will be to further the U. S. might even be a woman president at the of the decade.

Larry Birkelback (Senior) look for wars to end and I will be a different state doing things in every business. I think that men will be on the moon and feel that the computer will play a big part in our lives.

Brenda Feagley (Sophomore) think there is a good chance that the Viet Nam War end, at least I hope so. I think there will be a greater emphasis placed on education because this country is liable to go completely computerized and someone has to program the computers.

Evah Tucker (Senior) - A continuing downfall is in the 70's. It has gone so far in this direction that it is late to turn back. Man's continuing success will lead to destruction.

Charlie Holt (Senior) - The lions in clothing will do a great deal. Women and will probably start dressing alike. The hippie movement come to an end, but some kind of thing worse will happen. There will be more cars on the highways. The program will start expanding its projects on the moon. There will be experiment stations and all kinds of things.

Tina Martinez (Senior) - In that in the 70's man will be living on the moon and be to come and go as he please. don't think that the war in the United States will be involved in other wars.

Monte Trotter (Senior) - In the 70's will be a decade further space exploration. cure for cancer will be covered as well as for diseases. The youth will continue to voice their opinion through protest, and the nation of the U. S. will worse if anything.

KAT CLUB members cheer the basketball team as points are being scored.

Vocational Courses Prepare Students For Future Life

Vocational courses are offered to introduce high school students to the basics of the business world and the fundamentals of being a future homemaker.

Mrs. Joycelyn Henry, Distributive Education teacher, has been teaching the ways of the business world since 1966.

Mrs. Henry decided to teach DE because she wanted to teach something pertaining to business.

In order to take DE you must get a job. Some students locate their own, but the job must be approved for DE. Some employers call Mrs. Henry requesting students to work for them. In August, Mrs. Henry calls on some business people to locate DE trainees in their store. There are some businesses that have had DE students for years and the program has worked so well for them that they request students year after year.

The purpose of DE is to train students for a distributive job, for business leadership of tomorrow, to develop poise and personality in the students, to train him to assume responsibilities and to teach the importance of distribution in our economy.

Mrs. Henry uses several methods in teaching DE. She lectures, shows films, goes on field trips and has group planning and execution in window decoration.

Mrs. Henry teaches her students to be honest with employer's time, money and merchandise, to perform an honest day's work and to do the best job possible.

Another important part in today's life is homemaking. Mrs. Frances Jones teaches this in her home economics classes.

Mrs. Jones teaches courses in food, clothing, child development, preparation for marriage, family living and budgeting and buying.

Mrs. Jones teaches some units such as food and clothing from eight to 10 weeks. Other units may cover one to three weeks. In many cases, the areas or subjects overlap, such as home safety, child development, foods and home management.

The methods that Mrs. Jones uses in teaching homemaking are lectures, discussions, demonstrations, films for information and inspiration and student projects in which the student practices a method or technique.

The reason Mrs. Jones is teaching homemaking is because she was always a homemaker and liked cooking, sewing and home decorating. She feels that in today's world the joys and satisfactions of homemaking should be pointed out to all young people, boys as well as girls.

FTA Goes To State Convention

The six girls, along with Mrs. Dalphine Smith, sponsor of the FTA, will leave Lubbock by bus, along with other members from various schools in the area.

They plan to leave Lubbock at 9:00 a. m. Thursday Feb. 12, and should return to Lubbock Sunday Feb. 16 around 4:00 p. m.

Six members of the Littlefield Future Teacher of America Convention in Fort Worth starting Feb. 12 through 16.

Carolyn Lumsden, Jan Christian, Terry Walker and Dana Reast were chosen according to number of points they earned for doing various jobs. These four girls, in order to go, also had to attend the District Convention held early in December.

Margaret Fain, who was to run for State office, at the District Convention will go to Fort Worth also. She will be running for the office of Recording Secretary. Kelly Fain will go to the convention and serve as her campaign manager.

The group has worked on the following songs to sing: "My Special Angel", "More", "A Time for Us", theme from "Romeo and Juliet", "Unchained Melody" and their usual closing number "May Each Day."

Soon after eating, the group will present their program, Congressman Bob Price will deliver his speech on "Agriculture, Air Pollution, and Industry."

"All models include car plugs for parents!"

SUGGESTED FOR IMMATURE AUDIENCES

Happiness Is...

Having A Valentine !!!

A VALENTINE is something most at. A Valentine that lasts all year at Valentines' Day is just a day to be glad you are that he (or she) sent!! So, get busy!! And for gosh ya don't have a Valentine--get one, three.....

er loves me. As I'm dear, time for straight year!

BARBER was brand new and he his customer's face badly. Sensing customer was getting nervous, the barber said, "Do you want someone else to give you a razor too, so I could give you a Valentine?"

J: "Where do you keep your Valentine?"
In the bathtub.
What do you do when you take a Valentine out?
Fold it 'um!!!

Guess what, Dad? I had only one Valentine!
That's great son! How did you get it?
I had only one tooth!!

BEEN proposed that every bowler should sponsor an Explorer post. So of this project would be, "Get the streets and into the alleys!"

THURSDAY the freshmen will take sweater-award tests. Those freshmen wish to take a special test in algebra, Spanish, or science will compete. Good Luck, all you "smart" ones!

Do you know what Matt Dillon did?
No, What?
Dodge Fever!!!

NER BLING led off through rainy weather to be executed by firing squad. You are, to march me through like this.

ard: You're complaining! Think of me as a nervous mosquito--and I'll be a jitterbug!!

DO BELIEVE in black cats, walking ladders, breaking mirrors, and all that. So, you'd better stay in next Friday! Of course, lots of bad things happen on 13th!! Beware!!!

SIGN AT A garden-supply store:
"Warning--After planting our seeds, step back, quickly!"

R. V.: "What did one barber say to the other barber as a hippie went by?"
Joe: There goes the enemy!!!

Sharon: I didn't sleep well last night.
Donna: Why not?
Sharon: By mistake I plugged the electric blanket into the toaster, and I kept popping out of bed all night!!

TWO FIVE-YEAR-OLDS were looking at the wrist watch one of them had just received. Neither kid knew how to tell time, but neither would admit it. Said the one without the watch: "Pat, what time is it?" Said Pat (sticking out his arm with the watch): "Well, there it is." Said the first: "Doggone! It sure is!!"

Jesse: I understand that your brother fell off a scaffold and died.
James: That's right.
Jesse: I'm awfully sorry. What was he doing up there?
James: Getting hanged.

THE 8th and 9th grade basketball teams are now involved in a tournament at Muleshoe. Their next games will be Monday night with "Christ The King", from Lubbock.

GET BUSY, Cupid!!!!

Mrs. McCowen: Do you know what the Great Plains are?
Ben Farmer: Sure, B-52's!!
HAPPY BIRTHDAY Pixie, Jackye, and Teresa!!!!

"TEEN TOWN" is progressing rapidly. If you would like to buy a membership card, contact Debbie Sorley. A card costs \$1.50 and entitles you for three months. Things should get started this weekend. We would like to thank all the parents, teachers, students, and everyone who has helped with this project. Let's make it go over good!!!!

Pam: What do they call people who live in Naples?
Donna: Napoleons!!!!

Show me two midgets living on a British Island in the Atlantic off the coast of the Carolinas, and I'll show you a pair of Bermuda shorts!!!

TODAY SCHOOL will get out at 3:00 for a PTA meeting! So mommies don't forget to pick your kiddies up early!!!!

HAVE A GOOD week and, well, just have a good week!!!!!!

Gene Templeton Named To Grain Sorghum Board

Gene Templeton of Earth has been named to represent Lamb County on the Texas Grain Sorghum Producers Board.

He will join 28 other county representatives to form a 29-man advisory committee which will be making recommendations to the Board concerning problems which face the grain farmers in their county and projects they feel the Board should sponsor.

The Texas Grain Sorghum Producers Board was established in a referendum last Oct. 6 for the purpose of developing research and promotional projects aimed at increasing the net profit to grain farmers.

This work is financed by an assessment of five cents per ton paid by the producer which is collected at the first point of

sale or processing.

TGSPB Chairman, K. B. Parish of Springlake, said, "This advisory committee will give each county representation to the Board and we are grateful that these men have agreed to serve as they will be a vital part of the Board's activities."

Parish added, "We are indebted to the county agents and their Crop Committees for selecting such a fine slate of representatives."

The Board remained neutral in who was selected, only asking that they be grain farmers and leaders in their county.

The Board set insect and disease control as their primary goal, with special emphasis on green bug control. Project work will begin soon.

FIELDTON

MRS. RAY MULLER 262-4203

MR. AND MRS. Homer Hukill left Monday for Mangum, Okla. From there they will go to Oklahoma City, where Mrs. Hukill's brother will undergo major surgery this week.

WMU MET Monday afternoon at the Fieldton Baptist Church for their weekly meeting. Those present were Mimes, Earl Phelan, Marvin Qualls and Ray Muller.

DEANN STAMPS spent last Friday night and Saturday at Olton with her grandparents, Mr. and Mrs. J. D. Stamps.

MRS. PAUL HUKILL spent several days last week as a patient in the South Plains Hospital at Amherst.

MR. AND MRS. Earl Phelan and Mr. and Mrs. Roy Muller visited Friday night in Littlefield with Mr. and Mrs. Donnie Howell.

THERE WAS a birthday supper honoring Tisha Short last Friday night at her home. Those present were Mr. and Mrs. Bobby Short and family, Mr. and Mrs. A. D. Short, Mr. and Mrs. Bill Nicholas, Mr. and Mrs. Junior Nicholas and Kerry, Ra-

nell Funk and Mr. and Mrs. Wayne Cowan.

MR. AND MRS. Wayne Cowan returned home Wednesday night after spending several days fishing at Falcon Lake.

AMHERST

MRS. LESTER LA GRANGE 246-3336

MRS. PAULINE VAUGHN returned last week from Joplin, Mo., where she attended the graduation of her daughter (Doris) Mrs. Duane Carter of Miami Okla., from the Missouri Southern College. Prior to entering the Missouri college she had graduated from Northeastern Oklahoma A&M Junior College at Miami. She was a 1945 graduate of Amherst High School. She, her husband, Duane, and two sons have lived on a ranch near Miami and now live at nearby Welch, Okla. She has accepted a position in the State Employment Office in Miami since her mid-term graduation. She accompanied Mr. and Mrs. Mike Carter of Sudan to Oklahoma.

THERE WAS A family reunion in the John Enloe home Sunday, Mr. and Mrs. Wayne Enloe of Vernon, the John Enloes of Earth, Ledford Enloes of Rocky Ford and Mr. and Mrs. Carl Enloe and Tasha of Littlefield were here. In the afternoon, their cousins, Mrs. Ray Enloe and Mrs. Ida Mae Enloe of Lubbock, joined them for a visit.

MRS. WILLARD Ammons and three grandchildren of Littlefield, visited her sister, Mrs. David Harmon, when all their family was here Saturday.

DAUGHTERS of Mr. and Mrs. David Harmon were here for a family reunion Saturday. Mr. and Mrs. Harvey Patterson and family, Rev. and Mrs. Jerrell Tharp and family of O'Donnell and Mr. and Mrs. Ronnie Coffee of Dallas visited. MR. AND MRS. William M. Hughes of Lovington, N. M., named their daughter, Carrie Lee, born at the local hospital Jan. 26. Mrs. Hughes is Mrs. Eugene Priddy's niece.

MRS. CALVIN TAYLOR and Mrs. I. W. Butler of Vernon visited Amherst relatives Friday night and Saturday. Mrs. Taylor is guest of her sister, Mrs. M. V. Cowan, and Mrs. Butler was guest in the Lloyd Edwards home.

THE HIGH SCHOOL senior play, "No Boys Allowed", will be presented Saturday at 7:30 p.m. Price of admission will be \$1.25 and 75 cents.

MRS. ROGER BRITT returned from Austin last week, where she had gone to welcome her grandson, Barry Scott Yarbrough, son of Mr. and Mrs. Douglas Yarbrough.

MR. AND MRS. Emery Blume are visiting relatives in Vernon and Manitou, Okla., this week.

WEEKEND GUESTS in the Henry Brown home were Mr. and Mrs. Charley Brown of Clovis and Mr. and Mrs. Guy Brown of Lubbock.

MR. AND MRS. Jimmy Copeland, Kurt and Kalette of Anton were guests of his grandmother and aunt, Mrs. A. F. Copeland and Mrs. Don Turner, Sunday.

MRS. EILL BRADLEY, Mrs. Gene Vaughn and Mrs. Maurice Brantley are visiting relatives and friends in Dallas this week.

DAVID Van Hoozer, Mrs. B. L. Burditt's brother of Kerrville, underwent surgery at the South Plains Hospital Monday. His parents, Mr. and Mrs. F. R. Van Hoozer, accompanied him and are guests of their daughter and family.

MR. AND MRS. John Enloe, Mr. and Mrs. Gene Enloe and Mr. and Mrs. A. B. (Bun) Enloe attended funeral services for their niece, Mrs. Opal Clay, 54, in Pampa Saturday.

MR. AND MRS. Ledford Enloe and her parents, Mr. and Mrs. Ralph Rudd of Springlake, returned from Galveston Saturday. Rudd had been in John Sealey Hospital there several weeks, where he underwent major surgery.

THE MEETING DATE of the Amherst Study Club has been changed from Feb. 16 to Feb. 9, due to a conflict with a county teachers meeting. Mrs. T. J. Williams and Mrs. V. Commons will be hostesses.

AMONG THOSE from out of town attending the surprise birthday party for Charlie Harmon last Thursday were, Mrs. Sherwood Tyler, Mr. and Mrs. Travis Winters, Mr. and Mrs. Ross Morgan, Paul D. Bennett, Mrs. Marvin Collins, Mr. and Mrs. A. T. Hedgpeth of Littlefield and Mrs. Cliff Williams and her mother, Mrs. Alexander of Sudan.

MRS. EUGENE YOUNG, Mrs. Hudson Cantrell and Mrs. Troy Jones attended an associational workshop for G. A. and Sunbeam workers at Earth First Baptist Church Thursday.

MRS. JETTIE BROWN of Grand Junction, Colo., is a patient in the local hospital. She is here for a visit with her son, Mr. and Mrs. Henry Brown.

MR. AND MRS. Michael Liles and son of Lubbock visited his parents, the Ralph Liles, during the weekend.

MR. AND MRS. Claud Cook and granddaughter, Claudia Cook and Susie Humphreys were Portales visitors Sunday.

VISITING HIS parents, the Lee Paynes, Sunday were Mr. and Mrs. Bob Payne of Shallowater.

MR. AND MRS. Ronnie Coffee of Dallas were here for the weekend with her parents, Mr. and Mrs. David Harmon.

E-4 RAYMOND GUJARIBLO Jr. of Ft. Sill, Okla., arrived Jan. 29 and will be here with his parents and other members of his family until Feb. 14.

DEBBIE GRIMES of Shallowater was guest of Lisa Miller Saturday night. Her parents and sister, Mr. and Mrs. Bert Grimes and Amy, came for her and spent Sunday with the Miller family.

MRS. JOE MILLER has a new nephew, Mr. and Mrs. Curtis Childress of Bunkley, Ark., have a son born at the Baptist Hospital in Little Rock last Friday.

WEEKEND GUESTS of Mr. and Mrs. C. F. Carrico were their son, Mr. and Mrs. Herschel Carrico, Martha and Kay of Lubbock.

MRS. GLENN WILLSON was in Amarillo Wednesday to Friday with her sister, Mrs. Dick Madison.

GUESTS IN THE C. V. Harmon Wednesday of last week were her aunt, Mrs. Viola Cox, and her daughter, Mrs. Ray of Lubbock.

VISITING THEIR mother, Mrs. Gene Smith, during the weekend were her son, Carl of Houston, and daughter and family, Mr. and Mrs. Charles Hensley and Paula of Big Spring and Mr. and Mrs. Charles Smith.

AREA COTTON INDUSTRY leaders attending National Cotton Council's 32nd annual meeting Atlanta, Ga. Feb. 2-3, included J. D. Smith of Littlefield, left; Don Marble, South Plains; and Alford, Lubbock. Smith is a trustee of Cotton Producers Institute, Marble a council delegate, and Ford is president of CPI.

'We, The Women' Begin New Year

"We, The Women", an organization affiliated with the Chamber of Commerce, begins its fourth year March 16.

The organization sponsors several events each year, and proceeds from money-making projects go to sponsor other "city-benefiting" projects.

In 1969, the organization donated funds to the Lamb County Library and the Retarded Children's School, helped the Rotary Club with the annual chest x-ray mobil unit, helped financially with the "tallest windmill" and the purchase of a historical marker to go on it, conducted its Third Annual Sidewalk Art Festival, printed a

cookbook and donated to the Spies-Cristian Fund. Also provided costumes for "The Month", to judge the Home Lighting Contest, helped sell memberships at the Lamb County Museum.

Also helped Sears with a new program, sponsored Jan Christian in the "Littlefield" contest, cooked Food Fair in November, placed shrubbery at the Rotary II.

A committee, headed by Beulah Dunlap, is doing preparations for tomorrow's Chamber of Commerce

IT PAYS TO TRADE IN LITTLEFIELD

Cox Plumbing & Tin Is In 45th Year

Bob Cox, owner and operator of Cox Plumbing and Tin Shop, has been in business in Littlefield 45 years. Plumbing has come a long way since Bob started his plumbing shop here in 1925, and Bob keeps up on the latest. Whatever your needs, whether it is some small do-it-yourself supply piece or a major turn-key commercial job, Cox Plumbing can fill your needs. Cox Plumbing handles repairs and installation of refrigerated air. They also have washed air, or evaporative coolers, motors, excelsior pads, foams--everything needed to get those air conditioners going again for this coming summer. Lennox is the main line in refrigerated air, here, Arctic Circle, Alpine. Universal and Wright are some of the brand names in evaporative coolers. In plumbing repairs, Cox has everything from a washer for that leaky faucet, to the completely new, never

leak, never wear out fixtures. Cox does all types of commercial and residential plumbing repairs. Call Cox Plumbing and Tin Shop at 385-4020 for a plumber who really knows his business, or stop by the business location at 706 E. Third and browse around the home handyman's supply. If it is just entertainment you're needing, Bob will tell you some fishing tales. Bob is a salt water fishing enthusiast and goes to Guaymas, Mexico, once or twice a year. And he's caught just about every kind of fish there is to catch. His take includes yellow tails, groupers, red snappers, triggers, barracudas and porpoise, among other familiar salt and fresh water fish. It isn't unusual for him to bring back a thousand or two thousand pounds of fish from his excursions off the California coast in "Old Cortez" country.

If you find your name in small print on this page, you may go to that advertiser and collect \$2 with no obligation.

WHITHARRAL

Mrs. J.E. Wade 299-4267
The Whitharrel Investment Club held a barbecue at the Lions Building Tuesday evening for members and their families. Each family brought a covered dish to complete the meal. Approximately 35 attended the supper.
Mrs. Ervin Sadler returned Wednesday, Jan. 23, from Denison where she spent several days attending her sister, Mrs. Larry Meckley. The Meckleys are the parents of a baby boy, born Jan. 27.
Students returning to West Texas State this week after mid semester break are Paula Reding, Judy and Sharron Wade. The girls registered for their classes last week.
Karen Hayes Waller was honored with a lingerie shower Thursday in the home of Miss Gayle Burrus. Punch and individual cakes were served to Debra Grant, Linda Wade, Cynthia Dukatnik, Beth Pelfrey, Rita Avery, Marla Sadler, Christy Clevenger, Pan and Cindy Waller and hostesses Kathy Wade, Gayle Burrus, Shari Throckmorton, Ann Denney, Sharon Wade, Kathy Roberts, and Kathy L. Williams. Judy Wade and Karron Johnson were also hostesses but were unable to attend.
Sharron Wade showed slides and gave a talk on Japan, to Mrs. Becky Howes reading classes Thursday morning. The material was gathered during Sharron's trip to Japan last summer.
Mrs. Lou Emma Edwards had eye surgery Monday, February 2, at St. Anthony's Hospital in Amarillo. She has suffered with glaucoma for a number of years and had to have the eye removed.
Mrs. Aubry Hudson was admitted to a Lubbock Hospital for major surgery, January 27, where she remains a patient.

OBITUARIES

LENE ELLIOTT

Mrs. Carlene Elliott, 75, who died in West Texas Hospital in Lubbock after a lengthy illness, was Sunday afternoon at the First Baptist Church with Frank Guy, pastor, and Rev. Neil Guy, assistant pastor, officiating.

Burial was in the Resthaven Memorial Park by Sanders Funeral Home.

Mrs. Elliott moved to Lubbock County in 1929 from Shallowater and had resided in Shallowater.

Survivors include two sons, Milton and David; two sisters, Mrs. S. J. Shallowater and Mrs. James Littlefield; a brother, H. V. Newman; and two grandsons and one great-grandson.

RA ROBERTA REED

Mrs. Roberta Reed, 74, a native of Shallowater, died Sunday in the Heritage Home after being a resident there three years.

Mrs. Reed had been an Olton resident 42 years before moving to Plainview.

Funeral services were Tuesday in the Olton First Baptist Church with the Rev. R. H. Carson, pastor, officiating.

Burial was in Olton Cemetery by Parsons Funeral Home.

Survivors include her son, J. C. Hamby; two daughters, Mrs. Ivan Dunworth of Las Vegas, and Mrs. Jack Dowdy of Garden City; three sisters, Mrs. Augusta Mapperyton, Mrs. Nollia Barton of Pampa, and Mrs. Callie Crawford of Athens; and two grandsons, Preston Henson of El Cajon, Calif., and Eddie Henson of Lodi, Calif.; nine grandchildren and four great-grandchildren.

JACQUESS

Funeral services for Craig Jaquess, 2 1/2 years old son of Mr. and Mrs. Lloyd Jaquess, were conducted Sunday afternoon at the First Baptist Church.

Mr. Jaquess was found dead in his crib Saturday.

The cause of death, according to the examining physician, was natural causes.

Mr. Jaquess was born Nov. 10, 1969 in Littlefield.

Funeral services were in Littlefield at the First Baptist Church with the Rev. R. H. Carson, pastor, officiating.

Burial was in Littlefield Memorial Park with Hammons Funeral Home in charge of arrangements.

Survivors include the parents, those surviving are: Mrs. Van and Jay of the home; one grandchild; Mrs. C. B. Jaquess of Littlefield; Mrs. Neimast of Littlefield; great-grandmother, Mrs. J. A. Hanks of Burdick; and Mrs. L. W. Jaquess of Littlefield.

L FUENTES

Funeral services for Ezekiel Fuentes, two-day-old son of Mr. and Mrs. Ezekiel Fuentes, were held at the Trinity Baptist Mission with Pat Gloria officiating.

Burial was in Olton Cemetery by Parsons Funeral Home.

Survivors include the parents, those surviving are: Mrs. Pat Fuentes and Mr. and Mrs. Ezekiel Fuentes, all of Olton.

THOMAS L. MATTHEWS

Services for a longtime resident of Lamb County, Thomas L. Matthews, 75, who died Saturday morning in the Littlefield Hospital, were Monday in the First Baptist Church with the Rev. R. B. Hall, pastor, officiating.

Burial was in Littlefield Cemetery by Hammons Funeral Home.

Matthews was a retired postal clerk. He came to Littlefield from Leggett. He was a member of the Order of Eastern Star, a member of the Masonic Lodge, and a charter member of Littlefield's American Legion organization.

Survivors include his wife, Minnie; three daughters, Mrs. Jean Bullock of Odessa, Mrs. Linda Tregoe of Ft. Walton Beach, Fla.; and Mrs. Tommie Porter of Lubbock; two sisters, Mrs. Ida Handley of Vidor and Mrs. Leora Keese of Summerville; two brothers, W. A. of Moscow and Tandy of Tulsa; and six grandchildren.

MRS. SARAH ELIZABETH GRAY

Mrs. Sarah Elizabeth Gray, 92, died Saturday in a local rest home following an extended illness.

Funeral services were Monday in Henderson Funeral Chapel with burial in City of Lubbock Cemetery.

Survivors include two daughters, Mrs. Jane Rieger of Lubbock and Mrs. J. R. Hatch of El Dorado, Ark.; three sons, Herbert of Kerrville, T. D. of Tow and Walter of Littlefield; 11 grandchildren; 36 great-grandchildren and two great-great-grandchildren.

MRS. MARGARET E. ROUNTREE

Mrs. Margaret E. Rountree, 95, mother of Jesse A. Rountree and B. C. Rountree of Littlefield, died in St. Joseph's Hospital in Wellington at 10:30 p.m. Monday, Jan. 25.

Funeral services were Thursday in First Baptist Church in Wellington with Rev. Leroy Gaston, pastor, and Rev. Russell Pogue of Petersburg, officiating.

Burial was in Fairview Cemetery.

Mrs. Rountree was a Baptist and early member of the Home Demonstration Clubs. She was an "Original Daughter" of the United Daughters of the Confederacy.

Mrs. Rountree is survived by four other sons, R. H. Rountree of Clarendon, Joe Rountree and Ernest Rountree of Lutie, and Tracy Rountree of San Jose, Calif.; three daughters, Mrs. W. H. Lowry of Spokane, Wash., Sam White of Wellington and Mrs. Grace Duncum of Oklahoma City; 19 grandchildren and 45 great-grandchildren.

MRS. NELLE EDNA FRONABARGER

Services for Mrs. Nelle Edna Fronabarger, 83, who died Monday night at 9 p.m. were Wednesday in the First Christian Church with Doug Morton, pastor, and Dr. Robert Austin of Seymour, officiating.

Burial was in Littlefield Memorial Park by Hammons Funeral Home.

She was a member of the Christian Church. She had lived in Littlefield three and one-half years moving here from Bula.

Survivors include a son, Jack of Stanley, N. M.; two daughters, Mrs. W. C. Risinger of Bula, and Mrs. Ruby Reid of Littlefield; 12 grandchildren and 14 great-grandchildren.

TCU Fund Campaign Underway

Texas Christian University has revealed a funds campaign for \$100 million by 1980, with \$43 million as the goal by 1973, when the University will observe its centennial.

Beeman Fisher, TCU trustee and chairman of the campaign, said, "The \$43 million is the largest goal ever set for a four-year campaign by a private institution in the Southwest."

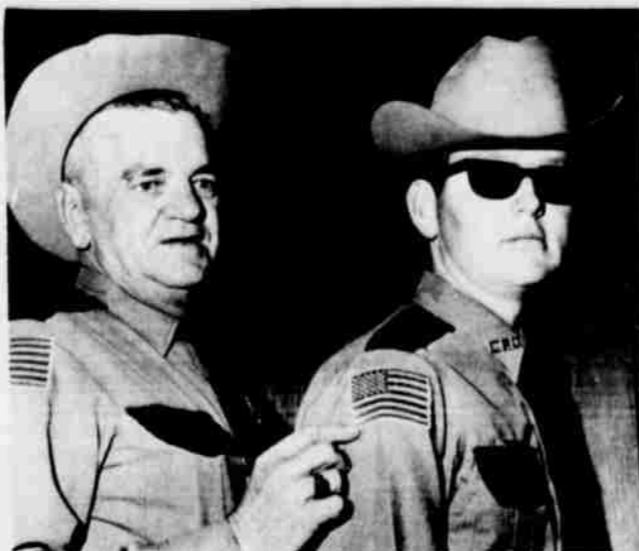

"This multi-million-dollar campaign will provide the finances necessary to insure the growth in quality higher education for which Texas Christian University continually strives."

The campaign will support a comprehensive "New Century Program" which was approved earlier by the TCU Board of Trustees.

Faculty members, trustees and administrators together had worked out the goals of the pro-

gram. After two years of intensive study, they put major emphasis on growth in quality of students, of faculty, curriculum and campus facilities.

The "43 by '73" campaign puts major priority on the need for endowment funds. Of the \$43 million goal, more than half--\$25.2 million--is needed in new endowment by 1973.

POLICE CHIEF F. A. Fitzgerald points out the new American flag patch on patrolman Strange's new uniform. The flag patch has reduced the assaults on police officers in many cities.

Losing Land To Urban Growth

Urban growth in Texas is steadily cutting into the State's agricultural lands, a new USDA study indicates.

The conservation needs and land use inventory shows that during the decade of 1958-1967, agricultural land in Texas dropped by some 780,000 acres. This represents an area bigger than Lamb County.

The report shows that 500,000 acres of this land went into urban and built-up areas; some went to federal uses; and a lesser amount went under water in ponds and reservoirs.

For the nation, the 10-year shift from agricultural lands totaled almost 15 million acres.

The inventory also reveals that two out of three acres in Texas still need some form of soil and water conservation treatment.

AUCTION

LOCATION: STITCH-IN-TIME SHOP, 306 PHELPS AVENUE, LITTLEFIELD, TEXAS
SATURDAY, FEB. 7, 1970
1:30 P.M.

- OWNER: MRS. DAN COTNAM
REASON FOR SALE: DUE TO ILLNESS, EVERYTHING WILL SELL AT PUBLIC AUCTION.

LITTLEFIELD SPORTS ARENA

64-47 AT LUBBOCK

Estacado Outpaces Cats

Estacado and visiting Littlefield both needed hand warmers for their shoots from the floor, but Estacado employed a full-court press, cashed in on turnovers and grabbed 56 rebounds to out-class the Wildcats 64-47.

Littlefield jumped off to an early 8-4 lead and it wasn't until the end of the first quarter that Estacado evened the score. Then Estacado ran up 20 to Littlefield's eight in the second stanza for a 30-18 half-time lead.

Littlefield scored 19 to Estacado's 20 in the fourth quarter, shooting 47 per cent from the floor.

Charles Carter made eight of 11 free throws and added four field goals for 16.

Max Hutchins and Charlie Holt led the Cat rebounding. Charlie Holt snatched off seven offen-

sive rebounds, 10 defensive rebounds, and hit on six of 18 field goals for 12 points. Max Hutchins grabbed 10 offensive and two defensive rebounds and hit 50 per cent from the floor, connecting on six of 12 field goals.

Gary Nace and Kim Hill added five and two points re-

spectively to complete the Cat's scoring.

Lasei Green gained high point game honors with 19 and led the Matadors to their fourth north zone win after three consecutive losses.

Littlefield is 1-6 in the district play and 6-16 for the year.

8th, 9th Scheduled In Muleshoe Tourney

Hosting Littlefield eighth grade A and B and the Littlefield ninth grade basketball teams each dropped a game to Muleshoe Monday evening.

Allan Mackey hit 12 of the Littlefield ninth graders' 32 points with Muleshoe rolling to 52. Larry Hobratsch connected on six points for the home team.

Muleshoe's eighth grade A team grabbed an 18-1 first-quarter lead and soared to a 50-27 win.

Gary Brown sank seven points and Terry Bryson, Kenny Owens and Randy Cook scored six points each.

Muleshoe's eighth grade B team turned a 16-2 half time score into a 38-13 victory over

the Littlefield 8th B here Monday. Leo Herrera had six points for the losers.

Monday night this team travels to Lubbock to play Christ the King at 5 p.m.

The eighth A and ninth graders will be in the Muleshoe Junior High Tournament. Littlefield eighth graders are scheduled to play Muleshoe at 3 p.m. Thursday. A win will set them to play again at 7 p.m. Friday, and a loss will mean a match at 11 a.m. Friday.

Littlefield ninth graders open ninth grade play against Morton at 8:30 p.m. today. If they win, they will play again at 7 p.m. Friday. Losers of the opening matches will meet at 12:15 p.m. Friday.

Estacado JV Grabs Win

Jay Trammell and Ralph Funk paced the Littlefield JV Friday evening when Estacado JV registered a 76-46 win on their Lubbock court.

The Littlefield JV allowed Estacado a one point lead, 14-13, in the first quarter. The gap widened 30-21 at half time and Estacado put a win for Littlefield out of sight by pouring in 25 and 21 points to Littlefield's 14 and 11 in the last two periods.

Estacado hit 50 per cent on free throws, making six of 12. The Littlefield JV averaged 36 per cent, completing five of 14.

CATS MEET LEVELLAND

Littlefield plays host to Levelland here tonight with the Friday game moved up due to the Chamber of Commerce banquet scheduled here tomorrow night.

Play begins at 6:15 p.m. with the two junior varsities clashing.

The Wildcat and Lobo varsity teams meet immediately after the JV game.

ANTON WINS AGAIN

Whitharral failed to upset Anton Tuesday night, but the Panthers gave the Bulldogs a few scares before they pulled out an 83-61 win.

Whitharral took an early lead and held a 20-17 advantage at the end of the first quarter.

James Turnbow pumped in 25 for Anton followed by Darrell Hill's 16. Troy Tidwell's 15 and 12 from Terry Belcher. Anton and Three Way are tied for the district 6-B championship at 12-1 each with two games yet to go.

Larry Gage paced Whitharral with 21. Monty Rodgers added 16 and Johnny Graham 12 for the Panthers.

Kathy Lynn Williams swished the nets for 44 total points

Area Cage Results

and led the Whitharral sextette to a 55-48 win over visiting Anton. Miss Williams collected 18 of her points coming at the charity line.

Pam Bell led Anton with 19, Gayle Kesey tossed in another 17 and Gene Ann Herrin accounted for nine.

OLTON SPLITS PAIR

In District 3 AA basketball action, Olton swatted Abernathy, 57-42, to register its second win in the second half.

Steve Stockdale paced Olton with 21 points, followed by Mike Parsons with 19.

Mike Kerr hit 12 for Abernathy.

In girls' action, Abernathy squeaked by Olton, 52-50.

Diane McCune scored 27 for the winners, and Rebecca Hodges netted 24 for the losers.

Abernathy won the B-team girls' game 46-26.

SUDAN WINS 3-A GAME

Sudan won over Bovina Tuesday night, 65-60, in District 3-A cage action.

Jerry Bellar took high game honors with 34 points for the Hornets.

Tony Foster sparked the losers with 24.

Sudan girls scored a 70-42 win over Bovina's girls.

Angela Pickett pumped 29 points for Sudan.

Sudan won the B-team girls' game, 29-12.

Bovina won the B-team boys' game, 76-43.

SPADE GIRLS WIN

In District 5-B basketball action, Spade fell to Lazbuddie, 71-52.

Monte Barnes paced Lazbuddie with 21 points, and Don Sewell hit 16 for Spade.

Spade is 2-5, Lazbuddie 7-1. The Spade fens used every trick in the book to out-point Lazbuddie, 59-26.

Belinda Thompson bucketed 29 for Spade.

Vicki Robinson hit 17 for Lazbuddie.

SEARH GIRLS WIN

Springlake-Earth boys lost to Farwell, Tuesday night, 76-49.

In girls' action, Springlake-Earth won over Farwell, 68-44. Janet Brittain paced the winners with 23 points, followed by Vic-

ANTON FORWARDS Gene Ann Herrin (13), Pam Bell (23) and Gage couldn't get their hands on the ball here as two Whitharral guards team up to keep away. Whitharral bested the Anton six 55-48 before a capacity crowd Tuesday night.

24 Killed While Hunting

Hunting accidents killed 24 persons in Texas during 1969, according to reports from game management officers for the Texas Parks and Wildlife Department.

In 92 hunting accidents reported, 142 persons were involved, of which 69 were under 21 years of age, and 40 were 16 years of age or younger.

In three of the accidents, the shooter injured two victims with one shot.

Rifles were involved in 48 of the accidents, shotguns in 34, and handguns in 10. Self-inflicted wounds accounted for 40 of the 92 accidents.

No accidents were reported among archery hunters.

By comparison, 170 persons were involved in 106 accidents, 37 of them fatal, in 1968.

Forty-nine of the accidents involved shotguns; 45 rifles; and 12 handguns.

Sub-adults--either victims or shooters--numbered 101 in the 1968 accidents, and 60 of these were 16 years of age or younger.

Price...

Continued from... numerous civic, hospital, and youth organizations. He taught a music school class at the Methodist Church in Pampa. Price has been a member of the family members of the church. Cong. Price has been in numerous other business organizations, and to Congress in Littlefield's Electric. Price has been in numerous other business organizations, and to Congress in Littlefield's Electric. Ten SPC Students Perform At NMMI

Ten area students will be included in three groups from South Plains College at Levelland who will go by chartered bus to Roswell, N. M., Friday, for the SPC Texans-New Mexico Military Institute game.

The groups are the Texans, cheerleaders and the Texas Band.

Among members of the Texans are Linda French of Littlefield and Frances Hanna of Sudan and among cheerleaders are Kathleen Carson of Olton and Lynda Packard of Springlake.

Six students from Littlefield are included in the band. They are Robert Moreno, John Smith, Judy Diersing, Linda French, Jan Williams and Lloyd White.

The students will leave the college campus at 10 a.m. and will perform at 8 p.m. All of the students are living in Roswell, N. M., Furr's Cafeteria. The band will perform at 8 p.m. At half-time, the band will perform a jazz set. The theme music for the movie, "The Odd Couple," will be played. The band will present a high kick drill to the music of "Gie Girl."

Accompanying the group will be Mrs. Mary Sha. Sponsor: Miss Carol Dean of Women's Job. Band director: and Mrs. Bryant, cheer-leader.

Gymnastics Meet Set Saturday

An invitational gymnastics meet at South Plains College Texan Dome Saturday is expected to draw about 175 to 200 participants.

The meet will include both college and high school gymnastics teams.

Eight high schools and seven colleges have indicated that they will be here to participate.

There is no admission charge and the public is invited to attend the events beginning at 4 p.m. Mrs. Janelle Spears is wo-

For A Busy Littlefield

Last year everyone was all wrapped up in Littlefield, "The Blue Ribbon City."

And this year it's a Red Letter Year for Littlefield.

Heading the list of red letter days is June night when the contract was signed in Amarillo

naming Littlefield headquarters for the building of the world's first practical electric car, EMV (Electrically Motivated Vehicle), designed and developed by D. L. Cotton Whatley of Amarillo.

Things took another swing in

the right direction recently when Littlefield residents raised \$100,000 within a few hours to merge the EMV Corporation into a \$1 million corporation, the ELECTRICAR Corporation, with Littlefield's \$100,000 subscription stock representing 10 per cent of the total.

Hopes are high here that mass production on the ElectricCar will begin early in 1971.

THE FIRST annual event was held in August. Named "Littlefield Festivities Days," several days of activities revolved around the festival. Miss Kathy Minyard was selected the first "Miss Littlefield" in the festival beauty pageant. Tonya Bingham and Deborah Dutton were first and second runners-up.

Men all over the county sprouted beards, goatees and mustaches for the beard growing contest.

The sun smiled on the downtown parade that brought the biggest crowd to Littlefield in years, with some estimates of 3,000 present Saturday morning.

The premier showing of the ElectricCar added to the attractions. A downtown museum, liars' contest, youth races in the park, a big teen dance and a square dance were among other festivity features.

LITTLEFIELD became home for the "Tallest Windmill in the World" in May. A 108-foot windmill, topped with a maroon and white 12-foot wind wheel, was erected on Delano Avenue at the end of XIT Drive to stand sentry over Littlefield and attract tourists.

Higher than 10 stories, in the heart of this All-America city finalist, this windmill is a replica of an even taller one, 132 feet, that brought water to thousands of cattle on the Yellowstone Division of the famous XIT Ranch.

IN ATTRACTING TOURISTS to Littlefield, billboards proclaiming Land of Coronado--land of vision--visit this land... you'll like it, and similar slogans were put out around town for historians who like to feel a part of adventurous predecessors.

ONE OF THE high points of the year was the membership drive that boosted Chamber members from 189 to 240 and raised enough money to cover the budget for the first time in three years with \$300 left after meeting the budget.

Downtown Christmas decorations are paid for now, with the final payment being made late in the year.

Cotton Whatley and Paul McCormick
... Signing For ElectricCar's Future

1970

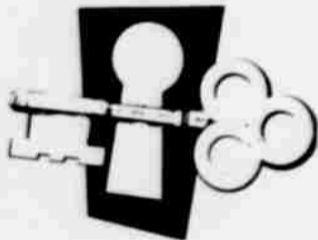

... a year of challenges accepted... opportunities welcomed... goals attained. This is a time of real personal progress for each of us, and a time of dynamic development for the entire community. The year of success for the individual and the Littlefield Chamber of Commerce.

CHAMBER GET OFF
TO A GOOD START IN 1970.

JIM JONES

brought up in the oil and gas business."

Jim's dad, R. P. Jones, was a wholesaler in Anton from 1935-43 when he went into the grocery business. Then Jim's brother Glen bought the Mobile distributor business in 1946 and Jim worked for him while he attended high school at Anton.

Jim graduated from Anton in 1953 and got his degree from Texas Tech in 1957. Following graduation from Tech he worked for Continental Oil Company for three years, then for Dennison, Incorporated, institutional food dealers.

The Jim Jones family moved to Littlefield in December 1963, when Jim became a commissioned agent for Conoco. In addition he has been managing the service station on Delano for the past two years.

Shortly after moving to Littlefield, Jones joined the Chamber of Commerce where he has been treasurer and president elect. Chamber plans under his leadership call for a continuation of this year's program, doing something about a community center in the Flats, and another good membership drive. "I'll have to hump it if I beat this year's drive, won't I?" Jim commented on the jump from 169 to 240.

Jim is seldom overlooked when it comes to fund raising drives. He has served on the Boy Scout and Girl Scout drives, Salvation Army, Red Cross.... "I don't know whether a banking and finance degree helps when it comes to raising or borrowing money, or not," he said.

Jim's hobby is wood work. "Mostly tinkering," he said. Some of his tinkering includes building a play house for his children, Diane, 8, and Alan, 5, a storage room and a porch onto his house.

The Jones are members of the Methodist Church and Jones is commissioner of finance on the administrative board and president of his Sunday school class.

Mrs. Jones is the former Jane Ann Whitfield of Anton. Mrs. Jones teaches sixth grade remedial reading in Littlefield schools. She has been teaching nine years and finds little time for civic work but helps with the March of Dimes and Girl Scout drives.

Chamber President

Outgoing C-C President, John Clayton, said the first time he came through Littlefield in 1922, "there wasn't a cotton picking thing here."

Clayton has been a resident of Lamb County for 39 years, moving to Amherst in 1931. He moved to Littlefield from Amherst in 1941.

He is a businessman of longstanding, a partner in B&C Pump and Machine Companies in Littlefield and Levelland.

In addition to being outgoing president, Clayton has served in several positions in Chamber of Commerce work.

He is a past president of the Board of City Development, and served on various committees of this board.

He has been president of the Salvation Army advisory board and worked with the Boy Scouts for several years.

Clayton is a member of the Parkview Baptist Church where he is a song leader.

Clayton and his wife, Mildred, have a son, John Clayton III who is a partner in the B&C Pump and Machine, one daughter, Mrs. Kip (Phyllis) Cutshall and "five of the sweetest grandkids you ever laid eyes on."

JOHN CLAYTON

We are proud to have had a part in the collective efforts of the CHAMBER OF COMMERCE which has made our community such a fine place to live.
