Push-Bentsen Battle Tops Ballot For General Election

Preston Smith-Paul Eggers contest for governor are the big state-wide issues.

Two of the seven proposed constitutional amendments may draw as many voters to the polls as the contested political races.

Proposed amendment number 2 for liquor by the drink is perhaps the most controversial issue, followed by Number 3 dealing with taxation of farm land aimed at urban communities. The seventh proposal that would allow consolidation of governmental offices

and functions is also drawing a number of opponents.

There has been some misunderstanding among Lamb County voters concerning polling places for the Nov. 3 general election.

Tuesday, all registered voters should go to the precinct where they have cast their ballots in previous years, according to Mary Beth Willey, county clerk. Election boundary changes made by the commissioners' court recently do not go into effect until March of next year, and the re-or-

ganization of voting precincts for 1971 does not apply Tuesday.

Precincts, polling places, election judges and alternates for the general election are as follows:

1. Olton -- grade school gym; Fred Hicks, presiding judge and Percy Parson, alternate.
2. Earth -- Community Building; Mrs. B. N. Armstrong, presiding judge, Mrs. Roger Haberer, alternate.
3. Spade -- Spade School,

Jimmy Nelson, presiding judge, Jack Stubblefield, alternate.

4. West Littlefield -- Lumsden Gin, Mrs. W. D. Hall, presiding judge; Mrs. Bill McKinnon, alternate.

5. Sudan -- Community Building, Joe West, presiding judge; Coleman Terrell, alternate.

6. Pleasant Valley -- Community Building; Gerald Allison, presiding judge; B. H. Dyck, alternate.

7. North Sudan -- Farmers Co-op Gin office, Curtis Savage, presiding; Mrs. Dick West, alternate.

8. Amherst -- City Hall; Vernon Stagner, presiding judge; Delvin Batson, alternate.

9. Fieldton -- First Baptist Church; Sherman Rushing, presiding; Vernon Qualls, alternate.

10. Sod House -- Emily Peterman residence; Mrs. Emily Peterman, presiding; G. C. Bearden, alternate.

11. South Olton -- Robert Sullivan residence; Robert Sullivan, presiding; Robert Dysart, alternate.

12. Littlefield -- Courthouse; John D. Smith, presiding; C. O. Stone, alternate.

13. Beck Gin -- Beck Gin office; V. E. Glumpler, presiding; Mrs. Floyd (Black) Seymore, alternate.

14. Hart Camp -- Baptist Church; H. V. Lynch, presiding; J. Fas Moore, alternate.

COTTON HARVEST in the area is in full swing, and gin yards are beginning to show the labors of Lamb County farmers. The farmers are wishing for another week or so of pretty weather, so that harvest can be completed without any damage to the cotton fiber.

WILDCAT BAND put on one of its top performances of the year at halftime of the Littlefield-Abernathy football game Friday night. Shown is a part of the band's routine which will be used in University Interscholastic League marching contests later this month.

ER 14-13 LITTLEFIELD LEAD

Abernathy Blisters Cats

The Wildcats dropped the straight game this Friday night, falling to the Antelopes, 47-

the score, it was quite a surprise for three quarters. Abernathy took the lead when the Wildcats came back on a touchdown and took the lead before the Antelopes intercepted under a drive of five touchdowns in the fourth quarter.

Ed, injury-riddled and a long list of losses, he was in the pattern of two games until the end of the game. Stripping consecutive possessions to Friona and

Hill for 12 yards and a first down at the Dimmitt 46.

Thirteen seconds remained when QB Alan Mackey rolled out of a trap and flung a long, wobbly pass to End Mike Carter. Mike nabbed it at the 10 and made it to the three before he was knocked out of bounds.

The clock now showed one second left, and that was all Mackey needed as he rolled out and dove into the corner for the Cat TD. Calvin Kilby's kick was partially blocked and it was 13-6 at the half.

That seemed to give the Cats some momentum, for they came back out at the third quarter kick-off looking for blood.

break when Lee Roy Danford recovered Punt Receiver Kirk Lane's fumble at the Abernathy 17. Center Wayne Streety and Danford belted Lane just after he took the ball, and Danford captured the loose pigskin.

Three runs made it fourth and two at the Abernathy nine. Then Danford rolled for five and a first down, and Lee Roy scored from the four a play later. Trammell passed to Funk for two and the Cats had a 14-13 lead with 5:41 left in the third quarter.

But the one-point deficit seemed to steam up the Antelopes, because they came charging back harder than ever. Speedy Halfback Charles

Serving on the special canvassing board for absentee voters are Mrs. Frank Rogers, presiding judge, and Tom Hilburn and Mrs. Bobby G. Rogers. Two voting precincts will be eliminated, and these voters will be moved into adjoining voting districts after March, 1971.

Sudan Slates Homecoming

Homecoming for ex-students and teachers of Sudan High School is scheduled for the weekend of Nov. 6-7, according to Bobby J. Markham, president of the organization.

Festivities will begin with the presentation of the homecoming queen prior to the game with Farwell Friday night, Nov. 6. Ex-students and teachers will be honored with a tea and reception at the school between 6 and 7:30 p.m. Saturday night, hosted by members of the Future Teachers of America.

A meal will be served by the Band parents at 7:30 p.m., followed by a business meeting. Graduating classes of 1929 and 1949 will be honored this year, and all former students and teachers are invited to attend the weekend of activities.

ABERNATHY'S CHARLES JOHNSON (22) couldn't find running room on this but he did on a lot of others in carrying for 228 yards in 27 carries against Wildcat here Friday night. Wildcats in on the stop are Porfirio Cristan (12) and Funk (21). In background is Floyd Baldwin (62).

Switch-Overs Progressing

Eight-party rural telephone systems for subscribers of General Telephone Company of the Southwest in the Littlefield area, will soon be a thing of the past.

According to District Manager Gerald Kehoe, the Company lacks about 80 switch-overs and should have these completed by Nov. 15.

The company began converting the system from eight-party to four-party or less, with 207 telephones involved.

Lamb Cancer Society Earns Golden Award

Officers and members of the state board of directors, and is a high point of the year for volunteers throughout Texas. It provides the volunteer representatives a broader understanding of the society's programs and how it functions.

FOR 2 AT REST HOME

WPA Club' Is Therapy

Room 24 at the Littlefield Hospitality House is the WPA Club room.

The WPA stands for "Will Piddle Around?" according to Mrs. Ola B. Jones and Mrs. Vera Free who occupy the quarters at the west end of the hall.

Mrs. Jones is practically blind from cataracts on her eyes, and Mrs. Free's left side is paralyzed from a stroke, but that doesn't stop their piddling. Mrs. Jones, even though she can't distinguish objects and colors at times, makes yarn and net covered clothes hangers, wall hangings, and other crafts, and Mrs. Free, who was right handed until a stroke 14 years ago forced her to become a lefty, does intricate embroidery and hand work. And together they have made hundreds of soap pillows with Mrs. Jones doing the cutting and Mrs. Free attaching the net.

"She wants to help and I let her," Mrs. Free explained. "I can do the cutting with one hand if I have to, but the net has to be pinned to the bed."

"The swaps work out beautifully," Mrs. Jones said. "I do my part, then she does her thing. We can make one or two after supper before bedtime."

The "WPA Club" is self-supporting as far as buying materials to work with, and any-

thing left over is used for personal items.

"I use my money to have my hair fixed, buy postage stamps, and make little donations to first one thing and another," Mrs. Jones said.

Mrs. Free uses her profits in a similar manner. "I get my hair done," she said, "and buy face creme, powder and lipstick, of course."

The two use their crafts for therapy as well as a way to pass time. "I got Mrs. Webb interested in covering coat hangers," Mrs. Jones said. "She came here after her husband died. He had been blind for 14 years, and you can imagine how lost she was. She was just crying her eyes out until she got interested in doing hand work."

"And Mrs. Hoover has made 35 or 40 of the yarn covered hangers," Mrs. Jones added. "It's therapy for her. As we go along we try to pass what we know how to do along to the other fellow. I've made a lot of things when I couldn't distinguish one color from another, but with my cataract lens I can tell colors."

Mrs. Jones has lived at the Hospitality House since May, 1968. She taught school 30 years before she retired in 1961. Her school teaching in

this area included two years at Witharral, two at Pettit, two at Sudan and nine years at Muleshoe, after teaching her first 15 years in East Texas. "I started teaching in 1918," she said, and my salary was \$75 a month. "I've come a long way, baby," the 75-year-old added.

Mrs. Free is 68 and moved to the home from Abilene "a year, six months and six days ago."

Wreck Kills Calf

Several black angus cattle strayed onto FR 54 about seven miles east of Spade Thursday evening, and a Levelland man hit a calf, killing it, and doing extensive damage to his car.

Edgar Morton, 75, was driving his 1968 Plymouth west about 7 p.m. and came upon the cattle. He hit a calf, went into the bar ditch on the left and sideswiped a power line pole, damaging the front and right side of the car.

Weldon Parson, highway patrolman, investigated the accident and estimated damages to the car at \$750 and valued the calf at \$150.

Morton was traveling alone and there were no personal injuries.

MRS. VERA FREE, left, and Mrs. Ola B. Jones call their room at the Littlefield Hospitality House the WPA Club Room, with the initials meaning "Will Piddle Around." Mrs. Free is paralyzed on her right side and can't use her right hand nor walk without her left leg in a brace, and Mrs. Jones has cataracts on both eyes, but both go right on with their crafts they are displaying.

THE ABUNDANT LIFE Order Comes

By BOB WEAR

DISORDER SEEMS to be the general pattern of life today. According to all indications, the heart-breaking disorder will continue, but it cannot continue forever.

Of course, in some ways, the innocent must suffer with the guilty; but there has never been a time in history when social disorder continued indefinitely.

THERE ARE NATURAL limits beyond which present-day disorder cannot extend. If it is not stopped by the wise and certain application of lawful constituted controls, it will develop to the point where it will be halted by the counter force which it will have generated.

Since disorder is a destructive power, it will eventually become the victim of the monster it is creating. It would be better for all persons, including the disorderly, to stop it by choice; and stop it now.

PEOPLE WHO CAUSE disorder, whoever they may be, are on a course of diminishing returns.

In fact, their way is the way of disaster. They are using their freedom to destroy their freedom. They are wasting their time, energy, ability, intelligence and material substance. What they waste, they can never reclaim.

THE PRESENT IS USED to jeopardize the future. Their disorderly actions make an unsound foundation for an eduring life superstructure.

The destruction which springs from their disorder is laying waste to the things they will need and want some day -- the only things known to mankind which can support and sustain a satisfactory life.

THE ALIENATION FROM good order, from national peace and unity, from productive and useful employment, and from a personally rewarding life structure makes them disorderly strangers in their own land.

The disorderly separate them-

selves for a cause that is not a cause, but a certain calamity. This separation makes them miserable misfits, and to no justified purpose.

THE HOSTILITY WHICH spawns disorder comes from a poorly formed self-concept and misplaced blame. It is not a justified feeling as it is projected toward "the system" or "the establishment."

Most of these people, perhaps all of them, are displeased with themselves; and self-improvement or self-acceptance are the only productive remedies. Expressing hostility toward others is not helping anybody.

IGNORANCE is a significant factor in the disorder which presently threatens our well-being. Many of the disorderly persons are being used by sinister and alien forces. Others are immature, inexperienced, impudent and rebellious.

A high percentage of these people is ego-centric, self-indulging and irresponsible. Some are probably conscientious, but they are confused.

DISORDER IS BROTHER to all kinds of evil, because it is an evil too. It is never associated with anything that is helpful, and useful, and upbuilding, and constructive. It is always associated with the things that are harmful, and wasteful, and disruptive, and destructive.

THE ANSWER to problems is not in disorder, because the disorder is the biggest problem of all.

The present disorder has gone much too far. There is no satisfaction in the knowledge that it will eventually consume itself. We cannot afford to wait for this, because the loss would be too great.

DISORDER MUST be stopped by the wise and firm administration of the legal power available for support and defense of orderly social processes.

PAUL HARVEY Impact

TWO MILLION students ringing doorbells for political candidates could decide some races.

The newest Harris Survey indicates their impact may be significant.

How significant?

LAST MAY a survey of students showed 53% wanted time out from school for political campaigning. This month, 63%.

May they irritate more voters than they will persuade?

Among older voters, 38% say they will welcome a visit by the young campaigners; 54% doubt that they will be influenced by such a visit.

NONETHELESS, persuasive students could decide some close races. In a normal off-year election there are fewer than 50,000 volunteer workers; this election there will be that additional two million.

There is a question about the tax-exempt status of schools which allow time off for campaigning, but many are willing to gamble with that possibility in the interests of encouraging this involvement.

IN WHICH DIRECTION will these young people lead? Pollster Louis Harris affirms that young people, generally, favor change. Many have expressed themselves in favor of accelerating social evolution, accelerating withdrawal from Vietnam, accelerating -- change.

President Nixon, cognizant of the youth-factor in this campaign, has sought to the extent he can identify his Administration with peace overtures, reduced casualties, reduced draft.

VICE PRESIDENT AGNEW'S

sweeping renunciation of campus demonstrations and demonstrators has quite properly been narrowed to more specific targets.

Similarly, student campaigners, seeking to influence the electorate, are dressing conservatively, avoiding abrasive rhetoric, keeping campuses comparatively cool.

THE IDEALISM, characteristic of youth, is manifest in their concern for preservation of our environment. If they did not have this election-year outlet for some of that righteous wrath, I fear they would by now be picketing or bombing some of our more flagrant and indifferent polluters.

I was realizing the other day that I, at 50, have lived through one-fourth of my country's history.

YET HOWEVER YOUNG our Republic appears to be, it has been a model for stability. It has endured longer than any other government ever has.

It has endured largely, I believe, because of the built-in safety-valve which allows us to blow off superfluous steam--relieve internal pressures--every couple of years. And I welcome the participation of younger Americans in the elective process.

WHETHER YOU and I and they are on the same wave length on all issues is less important than the fact that we shaped our country to suit ourselves; now it's their turn.

They are discovering, as Sir Winston Churchill did, that "Democracy is the world's worst form of government--except all those other forms that have been tried from time to time."

HONNY GRYS

By CORNBALL BLEVINS

Yet, after so much talking it up, here it is!

I WONDER if there would have been so much unrest among the youngsters if this thing had been kept secret.--Or, if the older might not have had more confidence in the young?

To hear our news commentators guessing over the national networks, what might be student reaction over some court ruling or other, leaves me colder than a mother-in-law's kiss!

I'M OF THE FIRM opinion, that the youngsters have been talked into a lot of the late goings on by such public guessing and suggestion!

Of Course, I have no idea what you'd do to throttle a wild-eyed news commentator, whose job depends on the sensational!--Of a certainty, we could turn off our tvs, but, we can't turn them ALL off!

BUT, LIKE OR NOT, this power of suggestion continues to drivel from our self-appointed news analyzers and right through our own tv into our own homes!

We wonder if these fellows have no idea of their responsibility,--or, if they like to encourage these happenings?

A WOMAN'S VIEW Channels

By PEARL BRANDON

THE PEOPLE in the church were singing, "Make Me A Channel of Blessing."

I thought that is a strange thing to pray for--to be a channel. Then I realized a channel could be many things.

A CHANNEL can be a road where the traffic flows from one end of the country to another.

A channel can be the vascular system of your body where the life giving blood flows from your heart and back again.

A CHANNEL can be a narrow bit of the sea where ships may pass--or a river that rises with it's head in the mountains and flows toward the ocean gathering other small streams on the way until by the time it reaches the sea it is broad and deep.

A CHANNEL can be the veins of

Since Junior has utmost confidence in his parents ('Til he learns better) he feels they must be telling the truth. --So-o?--In order to keep his parents from being liars (he has to protect his parents). He tries to live up to their expectations.

NOW, I WANT to know: just who was the smart-aleck that started talking about the generation gap?? 'S funny, I hadn't noticed it until it was being so well publicized! Could it have been someone that wanted to promote such an idea?

IT'S A WELL KNOW fact that you can talk a kid into 'most anything if you start at an early-enough age.

If you want an incorrigible on your hands, just start telling your friend (in his presence) how hard he is to manage.--Give a kid a reputation, and he'll most always, try to live up to it!

IT TEARS me up to hear a parent lament in Juniors presence: "I just can't do a thing with that child! --Or, "He won't eat spinach, nor anything that's good for him! --And again: "That's the laziest kid I have ever seen! --And some more "He has a terrible temper! --"A natural-born rebel!"

a tree that allows the sap to flow through it, helping it to grow and bear fruit. A channel can be a pipeline buried under the ground by men to carry water or oil, or gas to the cities of the world.

A CHANNEL can be a telephone line bringing beloved voices from far away--or electric wires lighting our homes.

There is the channel of time through which we move from infancy to old age; then through the channel of death into eternity.

THE MOST important channel of all is the spiritual channel through which the love of God flows into us and through us blessing the lives of other people.

Through the channel of prayer we may contact the living God and receive from Him strength to face whatever comes.

WHAT KIND of channels are we?

The Matadors and the Bulldogs both drew scores in the second period with the difference being that the Matadors ran a two-point conversion on their TD and the Bulldogs kicked for one point. The half-time score ended with Matador in the lead, 8-7.

Bobby Clayton scored the TD for the Bulldogs on a run from four yards out. Eddie Moates kicked the extra.

Donny Jackson scrambled for 25 yards and the second quarter score for the Matadors. Jackson also carried the ball in for the two-point conversion.

The fourth quarter was the determining one for the Matadors. Donny Jackson scrambled for 25 yards and the second quarter score for the Matadors. Jack-

son also carried the ball in for the two-point conversion.

The fourth quarter was the determining one for the Matadors, Bill Barnhill galloped 12 yards for the touchdown that put the Matadors ahead by seven. The point try failed and left the score at 14-7. Amherst from this point could not keep a drive together to pull out the win. The Matadors, with wins over both Amherst and Anton, stand

at 2-0 in the loop. They hold a 4-3 season record. Amherst will next take on Nazareth with a 2-4-1 record. The Bulldogs still have a chance for the loop title with a 1-1 district mark.

Smyer Outruns Bulldogs, 57-24

By GARY BRYSON
Leader-News Sports Writer

Bula, after making the comeback trail, hit the skids again Friday night at Bula with a 57-24 loss at the hands of a district foe, the Smyer Bobcats. Bula now holds a 2-5 season record.

Smyer started the game off with a TD the first time the Bobcats had the ball. In five plays they marched 69 yards for the score. Smyer's workhorse Jim Kelly carried the ball across from the five and Johnny Roocha kicked the extra point.

When Bula got the ball on the kickoff the Bulldogs were determined to get back. In 15 plays the Dogs ran 53 yards before Ron Risinger carried across from the four. A pass from Risinger to end Jerry Sowler was good for the two extras, and the Bulldogs had captured the lead, 8-7.

Smyer then got the ball and came back with a first period score in eight plays. A pass from Ronald Stroope to Ronnie Berry for 30 yards capped the 62-yard drive. Kelly ran across for the extra points to give Smyer a 15-8 edge.

In the second quarter Smyer had the only score when Stroope scampered from the nine yard-line. Roocha kicked the extras.

Smyer struck in the first four plays of the third period on a four-yard run by Kelly. The extras failed. Bula ran four plays when they got the ball but the Bulldogs could go nowhere. Smyer then took the ball and moved 53 yards for a score. The TD came on a pass from Stroope to Kelly that covered 43 yards.

On Bula's first down, Risinger fumbled and the Bobcats recovered in good field position. On fourth and six the Bobcats attempted and made a fieldgoal to make the score 37-8.

Bula took that kickoff and drove 31 yards for its second score. Risinger crossed over from the one-yard line and then ran the extras in to give Bula 16 points.

On Bula's kickoff, the Bulldogs recovered a fumble and began another scoring drive. The Dogs gained 33 yards and ended up at the Smyer one-foot line. Three times the Bula ball carrier hit the goal line, but the officials said he didn't make it. On fourth down, Risinger went across and his body was halfway into the end zone, but the officials denied the TD. The ball was given over amid a hail of jeers. On Smyer's first down, the Bulldog line got in and held the carrier behind the goal for a two-point safety. Bula now trailed 37-18.

Bula took the free kick and

began a drive that ended 50 yards behind the line of scrimmage. The Bula squad was penalized four times for 50 yards. On fourth down, when it finally came, the Bulldogs failed to get anywhere and Smyer took over on about the 15 of Bula. Two plays later, Kelly sprinted 10 yards for another Bobcat score. The extra-point kick was good and Smyer led, 44-18.

Smyer then took the initiative again and scored from the one-yard line on a run by Skip Alexander. Mitch Snider kicked the extra point.

Bula drove for a TD in four plays when Risinger connected with Mitchell Autry on a 14-yard pass. The extras failed.

Smyer then took an onside kick at midfield. In two plays Kelly drove across from the 17 for the final score of the game. The score ended with Smyer 57 and Bula 24.

Smyer stands at 2-0 in loop. Cotton Center at 1-0 and Bula is third with a 1-1.

ANTON FALLS TO LAZBUDDIE

Just as predicted, before the game, for Anton to stop Lazbuddie the Bulldogs would have to stop Charles Lee. In the 64-6 victory for Lazbuddie Friday night, Lee crossed the goal-line for 30 points.

Lee did everything for Lazbuddie but drive the bus. Lee made scores of almost every kind against the Anton defense. He ran in from 25 yards, 25 yards, 42 yards, and 12 yards. To top that off Lee turned a halfback pass into a Lazbuddie TD, when he connected with Loy Clark for a 47-yard scoring aerial. Finally, Lee topped his night with six points that came on extra-point conversions.

The other top rate runner for the Longhorns was Mike Casey. Casey scored on runs of 10, 78, and five yards. He also ran in four extra points. Mark Barnes, Arthur Graves and Jerry Barber each ran across extra-point attempts.

Tommy Gilbert of Anton connected for a 20-yard score with Bill Walthall in the fourth period. The points-after attempt failed.

SENIOR BACK Mitchell Autry gains valuable yardage for Bula against Smyer before getting tackled by an unidentified Bobcat.

Sudan Holds Off Bovina, 39-26

Sudan's Hornets outlived the Bovina Mustangs there Friday night to keep alive their hopes for the District 3-A title. Sudan came out with a 39-26 victory.

Sudan hit first on a two-yard plunge by Gregory McNabb. The extras failed.

Bovina came right back in the second period with a TD by Walter Martinez from the 10-yard line. The extra point kick failed and the game tied up 6-6.

Sudan again struck in the second quarter on a 57-yard screen pass from Bo Lance to McNabb. Kim Ingram this time booted the extra point. Sudan then held a 13-6 edge.

Leroy Pearson of Bovina retaliated with a 13-yard run to try to even up the score. The extra point try failed and the Hornets had a one-point edge through halftime, 13-12.

Sudan's Hornets opened up the second half with a TD run from 18 yards out. Steve Edwards was the ball carrier. Edwards also carried the ball across for the two extra points, for a 21-12 lead.

In the fourth period everything broke loose. Sudan held onto the lead but Bovina came within one touchdown. Sudan struck

first on a pass from Lance to Roger Boyles for 13 yards and the score. David Weaver came right behind with a 57-yard scoring run. The extra-point conversions failed on both scores, but it was 33-12.

Roy Ramirez bulled past the goal for a TD for Bovina from the one-yard line. Pearson got another TD on a seven-yard run and he also ran for the extra points. This is the point that another TD and two-point conversion for the Mustangs could have put them out in front by one point---but.

Edwards of the Hornets made the score instead and gave the Sudan team a 13-point lead, 39-26.

Sudan still has a good chance to pull out the district title. After Friday night they entered a three-way tie. Vega, and Kress and Sudan are the leaders, with the Kress team really shining after a 64-22 romp over Farwell Friday night. Sudan will have Farwell and Kress to face in that order, in the last two games.

Undeclared Elks Trick Whitharral

The Cotton Center Elks visited Whitharral Friday night and were treated to homecoming activities and tricked the Panthers in a 52-12 romp for their 24th consecutive win.

Carl Hoelscher made Whitharral's first TD running over from the eight yard line in the second quarter. Whitharral's second score came in the fourth period when Johnny Graham ran from the 12.

Kyle Burnett scored 26 points for the Elks, and Dennis Barrett added 24 for a combination of 50 and James Crump added a two-point conversion.

Whitharral made 17 first downs, penetrated eight times and fouled five.

The Elks have gone to regional the past two years and have their sites aimed for the honor again. Sixteen points is the most they've allowed their opponents in this year's winning streak.

Linda Wade was crowned Homecoming Queen in a special half time performance, and Johnny Graham was introduced as the Football Hero.

Mustangs Rip Morton, 35-12

By EMIL MACHA
Leader-News Sports Writer

The winless Morton Indians attempted to capture a herd of Mustangs but were bucked off, 35-12, before a homecoming crowd at Olton Friday night.

The tall, lanky Braves rode the Ponies for awhile by taking advantage of breaks, but found the going too rough as they attempted to penetrate the Olton defense, especially at the goal line.

It was a ground game for Morton as Terry Harvey teamed up with Larry Thompson, Elton Patton and Kevin Kuehler to carry the ball after the opening kick off from their 21 to the Mustang five.

The Pony defense bowed their necks and bucked off the Indians on their fourth down bid for a score.

But the Indians capitalized a little later when the Mustangs fumbled again and Morton recovered at the Olton seven.

With blood in their eyes, the Tribe scored on a one-yard drive by Eddie Lewis, with 1:50 left in the first quarter. The point after was good.

Steve Stockdale led the Mustangs stampe by passing a couple of times to Keith Workman and completing a 70-yard drive with a four-yard pass to Luis Rey.

Olton tied the game 6-6 with 30 seconds left in the quarter. Stockdale completed his first of five extra points to give the Mustangs a 7-6 lead.

The second quarter was a different game as each team gave up the ball on downs before Olton recovered an Indian fumble and drove 63 yards for another Mustang TD that was climaxed on a 14-yard pass from Stockdale to Workman. The point extra was good. Olton led 14-6 with 5:25 left in the half.

A fumble by Olton on the second half kickoff from Morton was covered by an Indian on the mid-field stripe.

Dressed up in new war paint, the Braves charged 43 yards in seven plays. After a short pow wow the fourth down pass

play was complete, but was caught out of bounds.

Each team had a fruitless series of downs before the Mustangs bunched and started their drive after returning an Indian punt to the Morton 42.

Speedy Mike Parsons took a pass from Stockdale and galloped 47 yards before an Indian outpaced him and knocked him out of bounds on the one-yard line.

Workman drove over for the Olton TD. Stockdale kicked the extra and Olton led 21-6, with 4:25 left in the third period.

Fumbles again took their toll and the Indians got the ball again on the Olton eight. Two plays later Terry Harvey stalked four yards for an Indian six-pointer to make it 21-12.

The third quarter ended with the Indians in control of the ball after Keith Embry intercepted a Mustang pass.

Olton got the ball after a Morton fourth down pass was incomplete and started a 69-yard drive that was highlighted by Stockdale on a 26-yard gallop over the goal.

The extra point was good. Olton led 28-13 with 10:21 left in the game.

An Indian fourth down pass was intercepted by Alfred Garcia on the Olton 21. The interception started another Mustang drive that ended with a pass from Stockdale to Parsons and gave the Ponies another score.

Stockdale's kick for the extra was good.

Olton enjoyed a 35-12 lead with 7:43 left in the game.

The big "Hosses" for Olton defensively were Alfred Garcia, linebacker; Luis Rey, corner back; and Johnny Arroyos, end.

The Indians' big "Chiefs" were Embry and Collins.

Springlake-Earth Tops Hart, 36-0

The Hart Longhorns went under a powerful offensive attack by the Springlake-Earth Wolverines, 48-0, Friday night at Hart.

Tony Barton scored first with a 72-yard kickoff return. The TD came after the Wolves had pushed the Steers back into their own end zone for a safety. The extra point was added and the Wolves led, 9-0. Barton again hit in the first period with a 30-yard run. The extras were added and the score widened.

Barton struck in the second

period on an eight-yard made the score 14-0. Post hit for two TDs second quarter and more were added, after one to give Springlake-Earth 0 halftime lead.

Barton sprung his more in the third period 11 yards and Wolverines Guy Davis scrambled yards in the fourth quarter the last Springlake TD.

The Wolverines are at 2-3 in the district will next face Kress.

Frosh, JV Whip Tulia

JESSE DAVILA steps high over Bill Hamblin as he chalks up yardage in the Littlefield JV's 36-8 victory over Tulia here Thursday night.

It was another one of those weeks for the Littlefield 9th Grade and the JV. The 9th took the Tulia Hornets to the cleaners, 20-14, and the JV put the axe to the JV from Tulia, 36-8 here Thursday night.

The JV now stands at 4-3-1 and the 9th holds a respectable 4-3 record. If these teams are indicative of the teams to come for the Cats, varsity squads in the future could be very tough.

Kenny Owens of the 9th Grade was the only team member to score for the Cats. Owen scored on runs of 33, 13 and four yards. Owens also ran for two extras after one of the TD's. Besides all the scoring coming from his plays, Owens gained 143 yards in 18 carries to give him an average of 7.9 yards per carry.

Pat Henderson, Floyd Smith and Terry Bryson also were outstanding ball carriers. Henderson gained 22 yards on seven carries, Smith picked up 15 yards of five, and Bryson hit the line four times for gains of 20 yards.

The 9th trailed the Hornets in the first down category but led both in yards passing and yards rushing. Tulia gained 189 yards rushing and none passing with 16 firsts, the Cats gained 191 yards running, 53 passing on three of seven complete for 10 first.

Owens, Bryson and Gary Brown stood out on the offensive

squad, and Owens, Bryson and Kelly Pratt were the stars. The 9th will play next game Thursday night against Muleshoe's Mustangs.

THE WILDCAT JV has a fine job in the game Tulia. The JV gained 50 on the ground, 57 yards on nine of 17 completions, a total of 21 first.

Tulia picked up 15 firsts, completed one of six passes, yards, and gained 22 in the rushing attack.

One of the things the Hornets was that jumped on five Hornet while losing only one selves.

Randy Trotter was the gun for the Cats. He seven out of 10 completions, a gain of 72 yards on TD's.

J.E. Johnson caught passes for TD's and ran for 45 yards gained. Johnson pass receiving scores in the first quarter on a 12-yard pass. Bill Brown ran the extra two points of the scores.

Jesse Davila ran the Cat TD from three yards. Trotter ran for the points this time. Randy Pope a five-yard pass from Dayton for the next score, and Hamblin ran.

The final Littlefield came on a three-yard Larry Hobrastchik, but the points attempt failed. Hobrastchik, Lee Carter, Joe Cristan, Hamblin, Soria and Tommy all made over 10 yards. Jesse Davila and Ray gained over 50. Davila up 116 on 17 carries and doza gained 74 in 15 carries.

The coaches praised the as outstanding team effort. JV will face Morton at 7:00 Thursday.

KENNY OWENS, lower left, scores for the Littlefield Freshmen in their 20-14 win over Tulia here Thursday. Other Wildcats are Benny Saenz, center, and Chris Pope, 82.

J.E. JOHNSON roams for a big gain for the Littlefield JV in their win over Tulia at Wildcat Stadium Thursday night.

Decision of the Leader-News scoring judges will be final.

To be eligible for the 2 free tickets to the New Year's Game at the COTTON BOWL, the total number of correct guesses will be totaled through the 12-week season.

Entry forms must be in the Leader-News office, 313 West 4th Street, no later than 5 p.m. Friday. Forms mailed to the Leader-News, P. O. Box 72, must be postmarked Friday. All late entries will be voided by the judges.

LIMIT—One entry per contestant per week.

Johnson, who wound up with 228 yards rushing on 27 carries for the night, ran three straight times for a 40-yard total. Then a pass interference ruling against the Cats gave Abernathy a first down at the Littlefield one, where Johnson punched it over.
Points try-failed and Abernathy led, 19-14, with four minutes left in the third quarter. After the kick-off, Littlefield couldn't move, but Abernathy, now with the momentum, gobbled up yardage. Johnson got off a 55-yard scamper to the Littlefield 18, then Harrison ran the rest of the way for a TD.
When QB David Davenport passed to Bobby Rogers for the extras, it was 27-14, Abernathy, with 59 seconds left in the third quarter.
And that, for most purposes, was the ball game. The charged-up Antelopes just ran away with it in the fourth quarter.
They tallied on a 35-yard pass from Davenport to End Bruce Kinart, a five-yard run by Johnson, and 20 seconds after that, on a 60-yard return of a pass interception by Harrison.
Harrison had scored the first Abernathy touchdown of the game with 11:57 left in the second quarter.
The Antelopes got their 13-0 lead with 0:58 left in the first half when Davenport connected on a 63-yard scoring pass to Lane.

Farmers Union Sets Day Night Meet

County Farmers Union will meet Monday at the Willie Room of the building in Littlefield. Delegates to the meeting will be Dec. 3 and 4.

At the last meeting of the committee for the coming year, the Secretary of Agriculture insisted that the 70 percent of parity minimum might push the support figures above the \$1.35 per bushel ceiling. As a result, the bill was amended by the House and Senate conference to provide for only 68 percent of parity in 1973.

Naman said, "The effect of the Nixon Administration farm bill is to set a rigid ceiling on income for feed grains producers. In this time when inflation continues to cause costs to spiral upward, I think this is not only unfair to farmers, it is unwise. A farm depression could plunge the rest of the economy into a general depression."

Extension Service Takes Tree Orders

Application blanks for ordering windbreak trees from the Texas Forest Service have been received in the County Agent's Office, according to Buddy Logsdon, County Agent.

A number of species are available. They are: Arizona cypress, Austrian pine, bald-cypress, black locust, black walnut, catalpa, Chinese elm, cottonwood cuttings, eucalyptus, green ash, loblolly pines, mulberry, orange ponderosa Pine, shortleaf pine, slash pine, sweetgum and sycamore.

For orders to be valid, orders must be of 100 or more trees, received by February 12 and accompanied by payment of \$2.50 per hundred. Shipment will be made beginning in mid-December and will continue through the first week of March. The planter agrees that the seedlings will not be used for ornamental purposes.

Logsdon suggests those interested in securing these trees, to get their applications in now as there is a limited amount of certain species.

Application blanks may be secured by calling or writing the county agent's office.

WITH ALL THOSE elephants, there's gotta be a Democrat somewhere. Mrs. Harry (Mary Jo) Heckard, of 617 S. Sunset in Littlefield who owns more than 300 elephants of various sizes, shapes, colors and materials, admits she votes a straight Democratic ticket, but that her husband is a Republican "who doesn't own a single donkey." Her collection grew from an elephant teapot given to her when she graduated from high school. Mrs. Heckard's elephants are in a variety of woods, ivory, blown glass and ceramics and include those used for ashtrays, cream pitchers, pipe holders, book ends, etc.

Gayle's Gatherings

By GAYLE MILLS
LEADER-NEWS SOCIETY EDITOR

THROUGHOUT THE YEAR, there may be many special occasions you and your family may like to celebrate—or even your guests. A victory get-together is a wonderful time for a big celebration. Maybe your favorite candidate may have won an election, your daughter was elected class officer, your husband received a big promotion or even you yourself was elected to a special position in a club group. Such victories call for a smashing celebration, with extra special food.

Keep the menu centered around the honoree, but present an exciting menu of food served as a fest or buffet. Regardless of what victory you are celebrating (or if you are) provide the family or guests with good food, good drink and good fellowship.

VICTORY CELEBRATION MENU

- Shrimp Cocktail
- Beef Tenderloin with Mushroom Sauce
- Stuffed Baked Potato
- Tossed Salad with Roquefort Dressing
- Your Favorite cake recipe
- Vanilla Ice Cream with Butterscotch Sauce

SHRIMP COCKTAIL

Desired amount of cooked shrimp
Desired amount of celery, chopped fine
1/2 cup of chili sauce
1/3 cup of catsup
2 tablespoons horseradish
1 1/2 teaspoons Worcestershire sauce
Clean shrimp, removing black line from back. Chill. Add the celery; mix well. Season. Place four to six shrimp in a lettuce-lined cocktail cup, set in ice, for each serving. Combine remaining ingredients; mix and chill. Serve over shrimp.

BEEF TENDERLOIN WITH MUSHROOM SAUCE

1/2 cup sherry
1 bay leaf
1 clove of garlic
1/2 teaspoon dry mustard
1 medium onion chopped
2 tablespoons butter or oleo
1 beef tenderloin or 1/2 pound per serving with suet
1 can sliced broiled mushrooms
Salt and pepper to taste
Combine sherry, bay leaf, garlic and dry mustard; let stand 30 minutes. Sauté onion in butter in a large skillet or broiling pan. Place meat in pan with suet on top; pour over sherry mixture. Bake, uncovered, at 325 degrees about 45 minutes or until meat thermometer registers desired doneness. Remove meat; add mushrooms, salt and pepper to pan juices. Thicken sauces lightly; serve over thick slices of meat. 6-8 servings.

TOSSED SALAD

1 head iceberg lettuce
1 head Romaine lettuce
1 avocado, peeled and sliced
Lemon juice
2 grapefruit, peeled and sectioned
Roquefort dressing
Wash and drain lettuce; tear into pieces. Line salad bowl. Brush avocado slices with lemon juice to avoid darkening. Arrange grapefruit and avocado slices attractively on lettuce. Serve with Roquefort dressing. Yield: 6 servings.

ROQUEFORT DRESSING

1 cup sour cream

2 cups mayonnaise
3/4 cup buttermilk
1/8 cup French dressing
1 teaspoon garlic powder
1/4 pound Roquefort or bleu cheese
4 drops of Tabasco sauce
4 drops of Worcestershire sauce
Mix all ingredients, covered, in blender. Keep tightly covered in refrigerator. Yield: 1 quart.

STUFFED BAKED POTATOES

6 medium baking potatoes
3 tablespoons butter
1/2 cup warm cream
Salt and pepper to taste
1/4 cup bacon crumbs (opt.)
1 cup grated cheese
Bake potatoes in 400-degree oven for 60 minutes or until done. Cut crisscross slits in top of potatoes; scoop out pulp and mash. Add butter, cream, seasonings and bacon crumbs. Refill potato shells; sprinkle generously with grated cheese. Brown in the oven until well heated or wrap to freeze. Bake in 350-degree oven for 20 to 30 minutes before serving. Yield: 6 servings.

City Police Investigate

TV Theft, Several Wrecks

City police are investigating the theft of a black and white 21-inch Motorola television set from the Charles Nace residence Friday night, sometime between 6:45 and 9:45.

Entry to the residence was gained by prying the north door to the house from inside the garage.

Six adults have been jailed by police since last Saturday—all were charged with drunk and disturbance. Their cases have been tried, fines paid and all are released.

One two-year old youngster, Carlos Davilla, was hospitalized Sunday morning after he was struck by a car on West First Street.

The youth was following his older sister across the street and ran from behind a parked car, when a 1970 Chevrolet, driven by Wyleta E. Eddings of Littlefield, skidded 18 feet and struck the child's head with the left front fender just above the headlight.

The child was admitted for observation and had a large

bump on the forehead just above the left eye.

Tuesday afternoon, city police investigated a two-vehicle collision on Phelps Avenue.

A 1970 Chrysler, driven by Frankie B. Montgomery of Littlefield, had been traveling north on Phelps Avenue, had stopped at the light waiting for it to change, when a 1968 Ford, driven by Eva Brooks Griggs of Anton, backed from the curb into the right rear panel of the Chrysler.

Thursday afternoon, two vehicles collided on the yard of Littlefield Seed and Delinting. A 1962 Mercury, driven by Arthur Guajardo Jr. of Littlefield, was traveling west behind a 1952 Ford, driven by Harrison Ballard of Littlefield, which was attempting to make a left turn into the place of business, and the Guajardo vehicle struck the right rear bumper with its left doors and rear fender.

Citizens To Vote On Death Penalty

When the eligible voters of Texas go to the polls November 3, (or stay away from the polls) the vote will be cast for or against the death penalty of hundreds of citizens who have not committed a crime.

Alcohol is the greatest killer on the highways. The Department of Transportation in 1968 reported, "The largest single factor leading to fatal crashes" is alcohol. The department reported a national death toll for 1968 of 55,200 with 2 million persons injured.

In 1968 Texas had 3,481 people killed on the highways with 217,000 injured. The national Safety Council states that drinking is involved in "At least half of the fatal motor vehicle accidents."

Every citizen should realize that to stay away from the polls is a positive vote for liquor-by-the-drink. People voting for

Tips Given To Help With Christmas Mail

Postmaster George Thompson today listed six tips on how residents of this area can help meet tight Christmas budgets this year by careful mailing of cards and parcels.

For the most efficient mailing, Thompson suggested the following steps:

1. For servicemen overseas - "SAM" (Space Available Mail) Christmas parcels can be sent until November 20 for only the small domestic parcel post charge involved from the Littlefield area to East or West Coast points of embarkation for military mail. Parcels up to 5 pounds and 60 inches in combined length and girth are accepted at this low rate.

2. Larger parcels (up to 30 pounds with the same length and girth limitations) can be sent as "PAL" (Parcel Airlift) mail, provided they are mailed by November 27. The charge is only \$1 per parcel, plus the regular domestic parcel post postage - much less than charges that would apply later if straight airmail service must be provided.

3. For all packaging, invest in good quality, sturdy wrapping materials. This small investment can help insure undamaged delivery of valuable gifts and prevent delays which might result if rewrapping were required in transit.

4. Insure parcels realistically to cover full value but do not overinsure. A \$10 gift, for example, can bring only \$10 compensation, if lost, even if "insured" for \$100.

5. Get plenty of stamps on your first trip to the post office to avoid the time and expense of additional trips.

6. Use ZIP Code as a tool for economy in mailing. When it is used consistently on parcels and cards, ZIP Code helps prevent errors in delivery and expedites handling. If only a few Christmas cards go astray, an investment of several dollars may be lost, for example.

"The key to efficient Christmas mailing," Thompson commented, "is to mail early and carefully. Clear addressing, with the ZIP Codes, proper packaging and early depositing can prevent most problems and provide the greatest value for money spent for postage."

people lining the street near his home. He said he was happy to be home and thankful for his friends. He will soon be started on treatments.

MR. AND MRS. Lee Pearson, Randy and Bethany of Muleshoe visited their parents, Mr. and Mrs. J. C. Pearson of Enochs.

MR. T. A. THOMAS is still in Morton Memorial Hospital and is not improving much. His daughter, Mrs. Ruby Holiday is helping take care of his parents.

MRS. C. C. SNITKER fell and injured her knee and separated the cap. She had a rattlesnake bite on the opposite leg about six months ago and had just gotten able to walk without help.

Forum

'Tours' Italy

The Forum met Thursday night, Oct. 22, in the home of Mrs. Edward Betts.

Mrs. Kenneth Lynn presided over the business meeting during which two Forum members were appointed to act as judges of contestants in the Halloween parade Saturday.

In further business, Mrs. Addie Abernathy reported on plans being formulated for the Forum to combine beautification and Americanism in a local civic project.

A program, given by Mrs. Hazel Ward, took club members on an armchair tour of Italy. Mrs. Ward emphasized the cultural and creative contributions made to the world by Italian artists, and stated that even our nation's capital building shows an Italian influence in its tall columns and arched doorways and windows.

The Forum will meet next on Nov. 12 in the home of Mrs. Robert Richey when Mrs. Ward Betts will give a program on Germany.

WHICH IS MORE IMPORTANT, THE MAN OR THE PARTY LABEL?

Lloyd Bentsen tells you to vote Democratic. Yet, he does not tell you why.

He has been challenged to debate the issues with George Bush. And he refuses. He talks long and loud about what he is against, but never about what he is for.

George Bush on the other hand is a can-do candidate. He has introduced and supported important new rural area economic improvement bills. He has fought against gun control legislation. He has supported welfare reform bills designed to get able people off welfare and back to work. He is against a guaranteed annual income. He is for more participation by the private sector and against increased government spending.

George Bush's congressional record is a brilliant one. He is extremely popular with his constituents because he has shown them what he can do. George Bush is a now candidate, looking to the future. Compare this to the candidate of the tired old Democratic machine. George Bush can do more. For Texas. For the nation.

GEORGE BUSH. HE CAN DO MORE.
