TRAMMELL keeps the ball for a 4-yard gain as Dennis Hartley (24)

HARTLEY PUNT RETURN KEYS WIN

Wildcats Pound Dimmitt

Littlefield's Wildcats used a great 90yard punt return by Dennis Hartley to break open a defensive struggle and went on to score 21 second-quarter points to rout Dimmitt, 34-3, at the Bobcats' homecoming Friday night.

The victory kept the Wildcats in the thick of the District 3-AA title run along with Floydada and Abernathy.

Floydada stormed from behind to rack up Olton, 28-13, and keep its unblemished record, while Abernathy ran its district mark to 3-1 with a 16-8 win over Friona.

The Wildcats are tied for second with the Antelopes with the same 3-1 record, and they meet Friday night in Abernathy to

decide who stays in the race. A loss would virtually eliminate either team.

LITTLEFIELD'S WIN over Dimmitt marked a return of the brand of football the Cats exhibited in victories over Slaton and Lockney.

The Wildcat defense was back, in all its glory, as Dimmitt managed only 24 yards on the ground, all in the last half after Littlefield had the win iced down.

The Bobcats didn't get a first down until three minutes were gone in the second quarter, and the three they had at halftime came on passes while the defense was in a 'contain" situation.

And it was the defense that turned the

game around after Dimmitt took a 3-0 lead on Danny Frierson's 26-yard field goal just four minutes deep into the contest.

THE CATS showed, for the first time this year, that they could come back after the opposition gained a lead.

Hartley was the man who did it, taking in a 40-yard punt at his 10-yard line and racing back through a field of broken tackles

Denny did a lot of it by himself, because he twisted and bulled through at least three tacklers who had early shots at him deep in Littlefield territory.

Once out of that trap, he turned on the speed and shuttled on down to the TD, while Bobcats were falling like ten pins back upfield.

THE RUN gave Littlefield a 7-3 lead near the end of the first quarter and it turned the game around for the Cats to pour on the coals, offensively, in the second period

Actually, Littlefield didn't make a first down until the last minute of the first quarter.

But when the Cats did get rolling, there was no stopping them.

The key to slowing down the Dimmitt defensive rush, and to breaking open a

runner, was a draw play that came on a third down passing situation early in the second quarter.

County 4-H'ers Place In State Fair

Lamb County youngsters were among the hundreds of 4-H, FFA and FHA members who placed in the State Fair of Texas Junior Livestock Show in Dallas this past week.

According to result sheets released from the show, Jim Fields of the Lamb County 4-H Club was the only one from Lamb County to place a steer.

His medium weight Angus steer placed sixth in that class.

In the swine division, Kent Lewis of the Springlake-Earth FFA placed ninth with his heavyweight crossbred barrow.

Steve Randolph of the Springlake-Earth FFA placed third with his middleweight Yorkshire barrow.

they were expecting and came out with their pocketbooks not quite as lean as they thought they might.

The better impression and the lower fines reflect the philosophy of Stanley Doss, whose term of office began January 1 of this year.

Doss said the justice court is the first court in the land that most persons are brought into, and in many instances this is the person's first offense. "And most of the time he didn't break the law intentionally, but got a ticket due to carelessness." It's in cases where the violator hasn't hurt anyone nor intentionally violated the law that some fines have been reduced. "I try to counsel with those who come in to pay fines so they'll leave here with the right attitude. Then they'll come nearer going out and obeying laws. That's better for social than leaving with a bad attitude," Dos aid.

Some counties charge as much as \$25 for expiration of a motor vehicle inspection (MVI) sticker But Doss fines persons \$5 to \$10, depending on the circumstances, when they are ticketed for MVI lapses. Doss said he has reduced fines in situations where

Retail Merchants Plan Promotions

Littlefield merchants decided to collect a small fee from each merchant who is a member of the Chamber of Commerce, to help with Chamber promotions at Christmas and to replace Christmas lights when needed, during their called meeting Tuesday morning.

Plans were made to send notices to businesses and ask them for 50 cents a store front foot, to help with the promotions and lighting.

Santa Claus has been invited to visit Littlefield Friday and Saturday, Nov. 26 and 27, and all the December Saturdays before Christmas. Santa will have a Santa land headquarters in a downtown building during his visits here.

His last visit here prior to Christmas eve night will be all day Thursday, Dec. 23, and area children are invited to pay him a visit

Daylight Time

Texas citizens have one more week of Daylight Savings Time before their clocks will be set back one hour to Central Standard Time. The federal law which governs Daylight Time calls for the change back to Standard Time on the last Sunday in each October-and this year it will be Oct. 31.

Six months of Daylight Saving Time will fade into history at 2 a.m. that morning, and the hour that was lost Sunday, April 25, will be gained.

make their plea

Although the biggest percentage of those who go through justice court to do so on traffic violations, those charged with misdemeanors such as distrubance, drunkeness, simple assault, in addition to those charged with felony offenses go through the JP office also.

Doss believes in preserving human dignity. "Just because a man has been

STANLEY DOSS

run without mercy

Since Doss took over JP duties in January, he has handled 765 traffic, misdemeanor and felony cases, plus 45 cases dealing with license suspension where persons have received three or four violations in a year, or where drivers are considered unsafe because of age, eyesight or other disabilities. Of the total number of cases, 75 are from the sheriff's office, and 690 were handled by the Department of Public Safety

Office hours don't catch all the business that goes through a justice court. Doss is often called at night and on weekends to handle out-of-state traffic violations. Doss said a state law directs highway patrolmen to bring out-of-town traffic offenders in to pay fines if a JP is available. "One Saturday afternoon while I was trying to watch a Texas Tech football game on television. I had to go down (to the courthouse) three times. Then I was called out again at 11 that night."

Some persons like to cry on the JP's shoulders, and recently Doss found that this isn't restricted to office hours either. A woman had been coming in complaining that her husband kept getting drunk and beating her up. Doss said he took her complaint but didn't issue a warrant for the man's arrest but told her that if he beat her again to call him and he'd have him arrested. When Doss' phone rang at 2 a.m. last week, it was the woman. "Judge, he's done it again." she said.

"At 2 in the morning?" Doss demanded

District Court Orders Teacher Reinstatement

The Bula school board has been ordered to reinstate a fired teacher on its pay roll temporarily

The order to put Sammy D. Sawyer back on the school pay roll was given by U.S. District Judge Halbert O. Woodward Wednesday after the Bula school board and school superintendent were ordered to appear for the hearing in Lubbock.

The twenty-four-year-old teacher and bus driver was fired Oct. 4 because of his hair style. But although the court ordered the board to pay the teacher's salary temporarily, the court left the decision of whether the teacher could return to the classroom to board members.

James Sinclair, superintendent of Bula schools, said Thursday that the school will pay Sawyer's salary temporarily as or-dered, but that the board didn't allow Sawyer to return to his job as math and chemistry teacher in Bula High School. Supt. Sinclair said the "temporary"

reinstatement will probably be about 20 days from Wednesday, or until Sawyer has time to appeal his case to the Texas Commission of Education in Austin. Sinclair said he expected Dr. Edgar would hear the case within 30 days

In the court case in Lubbock Wednesday, Judge Woodward ruled that the board members denied due process to Sawyer in terminating his contract for his refusal to cut his hair in compliance with a dress code adopted by the board for faculty and students.

"It is evident that Sawyer was not given any written notice of the school board meeting at which his contract was terminated, nor any written notice of the complaint against him," Woodward said. The federal judge ordered board members to comply with the Texas Education Code and give Sawyer the required written notice on or before Oct.

But, he pointed out, "A hearing by the board on the issue at this time would be

CHARLES GRACE has all the jack-o-lantern material at hand he could wish for with six acres of pumpkins to choose from. His grandfather, Jack Grace, started growing pumpkins four years ago, found the venture profitable and has planted several acres of pumpkins every year since then. In addition to being a money-making crop, Grace finds pumpkins ideal to come back with when cotton crops are hailed out since the vegetable can be planted after the middle of June and still mature.

JUST ABOUT everthing is comparative, isn't it?

20

To a country woman, any town over 15 or 20 thousand population is a city, and anything over fifty is a BIG city.

RIGHT AFTER moving into an apartment in a city in order to get jobs that pay money in order to subsidize farming that hasn't been lately, country people are understandably a little lost

While I was still hesitant about driving downtown (well mercy, there's two one way streets down there, stop lights and stop signs, traffic cops and all other kinds of nonsense), the door bell rang

IT WAS A LADY from a local church that said she had come to invite me to a welcoming coffee and that people were her hobby

I wasn't very happy about being a hobby of anybody's, but agreed to go to the coffee with her

ALL THE WAY to the coffee she kept calling this part of the country a desert, adding that she was from Arkansas.

I told her that is wasn't desert, it was prairie, and pretty lush at that, what with all the rains that had been falling.

SHE EYED ME like I was out of my ever'lovin' and said it was a desert and if it weren't for her garden, she would blow her top

I described to her what this land was like before irrigation and especially during drouths

She turned white as I kept trying to make her see it is NOT a desert now

SHE SIGHED and said thank heavens, she had her garden and her hobby

At the coffee, I met this lady that kept referring to "this hick town". I kept talking about "this city", and it was quite some time before we realized we were each speaking of the same place.

I thought it was pretty great to be able to get every single thing one needed in one city, and she said but darling, there is simply no selections.

And she added that there was simply no diversion whatsoever.

I ASKED WHAT did she want to be deverted from, and she asked where had I come from

I told her that I was fresh from a farm that was close by a farming community of less than a thousand people.

She turned a little pea green as I described the farm life to her and she kept murmuring how utterly midwestern it all. sounded

SHE COULDN'T BELIEVE that I had only been able to obtain a telephone about five years ago and still considered it a great luxury

As for the nearest doctor being ten miles away, she never did really quite recover from that

WHEN SHE LEARNED there was only one grocery store, no druggist, no five and ten, no discount stores, etc., etc., she asked how was I still alive.

I told her I guessed it was from not having to drive in all the traffic like was downtown here, and she burst into laughter

SHE SAID SHE was from Dallas and considered herself to be merely sluming out here in the sticks and could hardly wait until her husband got the promotion they were waiting for that would take her back to Dallas and civilization.

Didn't see either one of these ladies until quite sometime later I ran into each one separately in a local eating establishment

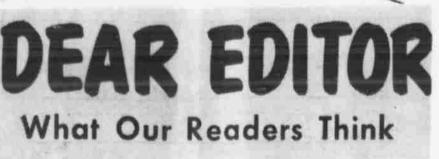

NEITHER ONE of them remembered me, until I remained the Dallas lady I was the midwestern farm wife and the Arkansas lady I was her hobby from the prairie. They each still considered this a hick

town in the desert.

I still considered it a city in the prairie.

LIKE I SAID, everthing is comparative, isn't it?

'Concerned'

Lamb County Leader Littlefield, Texas

Attn: Mr. Bill Turner

Dear Bill:

I would appreciate it very much if you would print this letter in your paper.

time my two boys went to school there. I have never enjoyed living in a town as much as I did living there.

People were friendly and always willing to lend a helping hand. Then my husband and I were transferred to Hobbs, N. M. I was very unhappy to leave Littlefield because of its people, schools and its concern for its fellow man.

It was also a great place in which to raise a family. Now I am not so sure that my feelings were right.

I found out that there is a man who I feel has given his all to the city of Littlefield, that has been discharged from his job.

Far Out

I have seen this man stand in the rain and snow everyday to see that all the children at school got home safely, because he was concerned: I have seen him get up at night just to help some couple who were having family problems: just because he was concerned: I have seen him talk to teenagers for hours over some problem they were having because he was concerned: I have seen him during a tornado alert, sit on the highway and watch clouds for hours so he could protect the citizens by sounding the alarm, because he was concerned: I have seen him work many extra hours himself so other patrolmen could have a little extra time off, because he was concerned.

Now this man's honesty has been questioned! Aren't you concerned? I am, because he is my father.

THE ABUNDANT LIFE **Personal Hurts**

good, sound principle of life.

'Cultivate consideration for the feeelings of other people if you would not have your own injured. Those who complain most of ill-usage are those who abuse others the oftenest." -Anon.

By BOB WEAR

I am writing this letter to all the people of Littlefield, Texas. I was a resident of Littlefield for 5 1/2 years and during that

possibility of hurting us. Therefore, we can condition ourselves to the extent that we are not hurt or, if hurt, the intensity is greatly reduced. One fact is clear; we must not go about life with "our feelings stuck out

SOONER OR LATER, most of us can expect to be hurt. When it happens, we need to know what is taking place and how to handle our disturbed feelings.

Most of the time, perhaps all of the time, when we are hurt, it is the result of the action of people who have some special meaning to us. Our hurt feelings will often be caused by the words or deeds of friends or loved ones. Even in these instances, part or all of the trouble may be in our own faulty overly-sensitive attitudes.

IT IS EASY to expect too much of others. especially those most closely associated with us. In our expectations, we are often unfair to them and to ourselves.

When they fail to measure up to our expectations, we usually feel hurt. In avoiding personal hurts, we must be very careful and sensible in what we expect of other people.

THE PROPER CONCERN for the feelings of others is one of the best protections for our own feelings. This is

MEMBER

9

ONE MARK OF MATURITY is the capacity of taking no account of, or not regarding, evil done to us.

It may seem difficult to overlook at the time, but if we will manage ourselves wisely it can be accomplished to a degree that well rewards our efforts.

WE CAN DO MUCH in overcoming our sensitivity in all areas of human association by constantly improving our emotional balance. This can be done, and should be done, without making ourselves too hard.

This emotional balance requires the development of a high level of wholesome self-esteem. This sound and justified estimate of self will absorb many experiences which might otherwise hurt us.

A PROLONGED, deep-seated, personal hurt will impair our effectiveness in every department of living

In fact, it can overburden us to the extent that we are not able to carry the legitimate loads as we should.

WE MUST ALWAYS put the best construction upon what others say and do; give them the benefit of the doubt. We will usually be glad we did.

Our potential emotional strength wisely developed will save us from most of the great loss that can be caused by hurt feelings.

lastened before the car will start.

This was ordered, the government said, because despite the fact all new cars now come equipped with seat belts, less than 30 per cent of the people use them.

So, after 1974, the seat belt will be hooked up with wires someway with the ignition switch, and the car won't start unless the belt is fastened

This sounds like a good idea and if it works it ought to be utilized further. For example, instead of a key to start your car with, the government should require a punch card and a complicated slot on the dashboard. With the right holes punched, and the card inserted, the car starts only if the seat belt is fastened. But another series of holes won't let it start unless you've registered to vote, another

tically everything, morally, ecologically, politically, etc., you could come up with a system whereby anybody who could still start his car after 20 years of driving would be qualified to serve on the Supreme Court without even being investigated. Like it is, if you investigate far enough, you may find nobody is qualified for the Court or anything else.

However, if the government limits its fastened-seat-belt rule just to seat belts, what's to keep a man from carefully fastening all the seat belts in his car with nobody in them, sitting on the one in the driver's seat, and taking off as usual? I've always said Congress ought to study human nature more.

Yours faithfully,

HOWNY GRAS By CORNBALL BLEVINS

thing, if I needed it!

Nonetheless, it'd be nice to know I COULD buy one if I wanted it!-Maybe that's the rub!

I owned one of these things once. Came close to shooting a close relative with it one night. That would have been a tragedy. (I think)

ANYWAY, I GAVE the gun to him the next morning and haven't owned one since

The idea of making guns illegal because you can use them to kill people, to me, is ridiculous. How about cars (The number one killer)" And, what about knives? (very popular in Midland, it seem).

How about bricks, ball bats, iron-pipes, bottles, gasolined rags and such? All can be deadly weapons.

I SUPPOSE WE (by the same reasoning) could do away with all birthcontrol items and stop adultry?

To my mind the most important legislation that could be done, would be to put the teeth back into our laws! We're gonna have to control the criminal. Not his tools!

WE CAN'T MAKE a good boy out of junior by keeping all harmful things away from him -- JUNIOR, HIMSELF, is what we'll have to control!

Meanwhile, if I get the urge to take this pea-shooter out and plink a few tin-cans, or, scare a Jack-Rabbit, I'd like to feel free to do so.

AND, A SPECIAL phooey to youey and your think-alikes, Mr. Tully!!

ROBERT LEE "BOB" GOFF

Robert Lee "Bob" Goff, 64, a Childress area cowboy, died Saturday morning in Childress General Hospital after a long illness.

He was a brother of Mrs. Annie Smythe of Olton.

Funeral services were pending at presstime Saturday with Newberry Funeral Home in Childress.

Goff was born June 12, 1907 near Tell, and had spent all of his life in the Childress area except for a few years he worked on ranches in Arizona.

Ranches on which he had worked include the Matador, Buckle L, Smith, JA and Pitchfork. He had worked on the Pitchfork Ranch eight years, prior to the time his health forced him to retire two years ago.

Surviving are three brothers, Jim Goff and Tom Goff, both of Tell, and Willie Goff of Rosenberg; and five sisters, Mrs. Lillie Shepherd of Winston, Ore., Mrs. Frankie Childers and Pearl Shackleford both of Tell, Mrs. Ella Bridges of Childress and Mrs. Annie Smythe of Olton.

unfair to board members and the plaintiff. There's bound to be some bitterness as a result of this suit.

"Therefore the plaintiff is ordered to present his case to the Texas Commissioner of Education within 15 days after presentation of required written notice. We'll see where we stand then after this court receives notice from the commissioner."

Woodward ordered Sawyer to make that appeal direct to the state commissioner instead of to the county authorities as outlined by law

Sawyer filed the suit Oct. 8 naming board members Ivan Clawson, president; J. E. Layton; Robert T. Newton; Raymond Austin Jr. and Bennie Claunch; and James Sinclair, school superintendent, as defendants.

Sawyer told the court Wednesday he entered his third contract to teach mathematics and chemistry at Bula High School Aug. 17 but was told by Sinclair Oct. 1 that he must cut his hair or be fired by the school board. He said he then was informed Oct. 4 that he was to meet with board members that night to discuss his failure to comply with the board's dress code

He said he refused to cut his hair and the board terminated his contract by a majority vote. He has not taught at Bula High School since that meeting.

Clawson told the court Wednesday he

also give an inspirational talk in the afternoon. Sheryl Churchill, state Acparts to make trouble teens director, will be directing the Acteens Directors and Leaders Conference. limited time

There will also be all age level conferences being held.

Pastor Issues Sermon Topics

The Lord's Supper will be observed at the Littlefield Missionary Baptist Church at the conclusion of the morning service today.

The message by the pastor, will be "In Business, What Is Our Business?" at 11 a.m. Rev. J. B. Cagle will preach on "When Everything Seems To Go Wrong," Sunday evening at 7 p.m.

The junior and senior high departments of the church met at the church Saturday for a hayride and wiener roast.

Sunday School classes for all ages are conducted at 10 a.m. and a nursery is provided. All classes will study Colossians, chapter three.

The Missionary Baptist Church offers "bus service" to those who need transportation, by calling 385-4900.

The church choir will provide special music for the Sunday service, directed by Leroy Turvaville.

The pastor, Rev. J. B. Cagle, is teaching a series of lessons on "Great Questions In The Old Testament" at 7:45 p.m. Wednesday evening.

ACQUIRE RELEASES Every veteran who sells a home purchased with a GI loan should get a "release of liability" from VA before signing a sales contract, the agency advises.

THE LEADER-NEWS, LITTLEFIELD, TEXAS, SUNDAY, OCTOBER 24, 1971, PAGE 9

TO

It's so easy. . . Anyone can enter! Read the rules. . . Start Winning RULES OF THE CONTEST:

All you have to do to be eligible for the weekly cash prizes is complete the form below and turn it in to the Leader-News office. In each merchant's block is a game. Mark out the team in all blocks you believe will lose. Then in the "Tie Breaker" box, put the scores you believe each of the teams will make. Weekly judging will be based on the total number guessed correctly. In case of a tie, the tie-breaker will be used to determine the top winners. Decision of the Leader-News scoring judges will be final.

To be eligible for the 2 free tickets to the New Year's Game at the COTTON BOWL. the total number of correct guesses will be totaled through the 12-week season.

Entry forms must be in the Leader-News office, 313 West 4th Street, no later than 5 p.m. Friday. Forms mailed to the Leader-News, P. O. Box 72, must be postmarked Friday. All late entries will be voided by the judges.

LIMIT-One entry per contestant per week.

BE SURE to complete the forms by PRINTING plainly your name and complete address. Contest winners will be announced in each Thursday's issue of the Leader-News.

CAPTAIN Larry Sharp, right, USAF, Chief of the Defense Contract Administration Services Office in Utica, New York, was presented the First Oak Leaf Cluster to the Air Force Commendation Medal in ceremonies in Utica on Oct. 13. Presenting the medal is Captain M. W. Harris, U. S.N., Commander of the Boston Region of the Defense Organization. The citation which accompanied the medal recognized Captain Sharp's contributions to the Air Force, Air Force ROTC, and the University while serving as Assistant Professor of Aerospace Studies, New Mexico State University, in Las Cruces, N. M. Captain Sharp, a 1958 graudate of Littlefield High School, is the son of Mr. and Mrs. Larry L. L. Sharp of Littlefield.

All-Cotton Show Scheduled Tuesday

Sigma Mu Epsilon, the Mid- public to attend the show and Management Club of South promote cotton. Plains College, is sponsoring an all-cotton style show beginning at 8:15 p.m. Tuesday, Oct. 26, in Texan Hall of SPC.

The spotlight of the night will be on one of the models, Miss Debbie Wright, South Plains Maid of Cotton. Miss Wright is from Tahoka and a senior at Texas Tech University.

In December she will compete for National Maid of Cotton in Memphis, Tenn. While modeling her wardrobe, Mrs. Sallye McCarty will narrate. Clothes to be modeled will be from the Dallas Apparel Mart, and fashions from the stores in Levelland and Lubbock. Area students and SPC faculty members will participate in the show

These will include Ruthie Smith, Miss South Plains; Kathy Trull, Miss Cotton of Crosby County who will be presenting fashions along with ten SPC coeds and four SPC men students.

An informal setting of cotton fabrics by the experimental research of cotton fabrics at Texas Tech will be featured. Table decorations, posters and bumper stickers have been furnished by the Natiional Cotton Council.

Door prizes will be given throughout the evening, many of them made of cotton. Admission will be \$1.

Club members encourage the

NOISE LEVELS

Too few persons realize that excessive sound levels frequently can be found in and around the typical home, and that these noise levels can be hazardous to the human hearing mechanism. Some kitchen appliances can generate as much noise as a milling machine and that a power lawn mower can be as noisy as a printing press.

Debra McCoy, vice-president; Terri Wallace, treasurer; Debbie Myers, secretary; Markeeta Leonard, reporter;

graduating senior present.

The undefeated Anton Bulldogs thrilled the homecoming crowd by beating Matador, 35-13, in a District 3-B opener Friday

Alvin Williams started the excitement in the second play of the game as he broke loose and ran 66-yards for a Bulldog touchdown. Brent Couch kicked the extra point. Williams gave a repeat performance in

the second quarter as he broke loose from what looked to be sure tackles and ran 62yards for another score. The extra point failed.

Anton drove to the 11-yard line in the third period. Williams again took the spotlight and drove in for his third TD of the evening. Couch passed to Phillip Botello for a two point conversion. A blocked punt left Anton in good field

position and set the stage for Williams to plow five more yards and another score. The point after failed.

Matador hadn't gone to sleep as they also scored in the third stanza on a 56-yard pass play from Bill Barnhill to Dewayne Campbell. Barnhill kicked the point after. Tommy Betts scored for the Bulldogs with a 1-yard charge in the fourth quarter and Couch passed to Bill Walthall for two extra for the final Anton score.

Matador scored in the final play of the game with a 32-yard TD, but failed to make the extra point try.

Anton is 6-0 for the season and Matador is 3.3. Anton will take on Lazbuddie at home Friday in another conference tilt.

Hornets Sting Cowboys, 28-21

It was nip 'n tuck for the Sudan Hornets at Happy Friday night, but Sudan got in the last lick and nicked Happy, 28-21, in the The Cowboys gave the Hornets a scare early when cowhand Steve Cole scored on

a 16-run. Cole kicked his extra. Sudan's senior back Roger Boyles came back quickly on a 17-yard touchdown, and Bo Lance tacked on the PAT to tie up the game at 7-7.

The Hornet backfield showed its grit in the second quarter with Boyles grinding in on a five-yarder, and Lance bowled over for the two-point conversion. Displaying versatility, Lance connected with Roger Bellar on a 25-yard pass play for another touchdown. The point-after attempt failed. Happy made the home crowd happy

again in the third frame when Bill Looney scampered from the 24 for another Happy TD. A two-point conversion try failed Sudan added to its lead in the third quarter with Lance plowing over again from the one. In the fourth quarter, Happy's Bill Pearson went in for a TD from the eight, and Cole added two extras, but time ran out for the Cowboys at the 28-21 mark. Sudan is 1-3 in district and Happy is 2-2. The Hornets host Bovina at 7:30 this Friday.

QUARTERBACK Alan Mackey picks up three yards in the fourth guarter after a block from Bill Hamblin (20).

LARRY BIRKELBACH, Wildcat end, catches a pass from Jerry Trammell for two extra points to give Littlefield a 28-3 lead just before halftime Friday night.

Continued from Page 1

blocks by Hartley and Guard Scott Mc-Neese to go 57 yards for a TD at 10:33 of the second quarter.

Larry Hobratschk kicked his second straight extra of the game, and 13th consecutive of the season, to make it 14-3. After the Cat defense stopped the Bobcats, Funk used a second down play to go 73 yards down the right side for a 20-3

Littlefield lead at 6:52 in the guarter. Hobratschk hung on "13", however, and missed his extra point try.

THE CRUSHER for Littlefield came just 43 seconds before the half when QB Jay Trammell connected on a 51-yard pass play to Hartley, who used a great downfield block by Hobratschk to go in for the

This time Littlefield went for two extras. and Trammell hit End Larry Birkelbach for the two points to make it 28-3 at the half.

Littlefield's fifth TD came late in the third quarter after Hartley intercepted a Bobcat pass at the Dimmitt 36.

Four plays later. Funk went 26 yards for his third score of the game, using a Hartley block to clear the way. Hobratschk's effort to start a new PAT string failed and it was 34-3.

Dimmitt's game in the second half was almost all aerial, but the Bobcats didn't reach Littlefield territory until the fourth quarter, when Coach Jerry Blakely was giving some regulars a rest.

The Bobcats used a pair of penalties and a pair of pass completions to reach the Littlefield 38 midway in the fourth quarter

Their fourth down play was a screen pass, but Birkelbach diagnosed it perfectly and nailed the Bobcat runner for a 3-yard loss

Then Littlefield's second offensive unit kept the ball the last 5:19 of the game. using the barrelling runs of FB Bill Hamblin to drive 50 yards to the Dimmitt 10 as the game ended. In all, Hamblin carried 12 times for 42 yards in his fourth quarter offensive action.

THE WILDCATS had a ton of standouts in the game.

Coach Blakely said Saturday morning that Littlefield got "some tremendous downfield blocking, and our runners had a great night.

He named J. E. Johnson, Hobratschk and Birkelbach for their fine downfield blocks

We were a little inconsistent in our blocking on the line, at times it was good. at other times it wasn't," Blakely said.

Funk easily got his 1,000 yards rushing as he added 226 to make his year's total 1,136. Hartley carried the ball only six times offensively, but he chalked up a net of 65 yards and brought his season rushing total well over 300 yards.

Defensively, the Cats had a great team effort, with Hartley leading the secondary and Linebacker Matt Giles and Tackle Danny Estrada manhandling the Dimmitt forwards.

Blakely also named Jerry Cox for fine work from his defensive tackle post, Johnson for good efforts at outside linebacker and Mike Carter for excellent defense against the Bobcat passing attack.

Bula Bites Union To Grab Crown

Bula clinched their district title Friday night with a 32-20 scamper over Union.

Halfback Steven Newton got off a 65yard run in the first quarter for the first Bula TD, and fullback Ron Risinger kicked for another two points. Risinger added another six points with a TD run from the two, then kicked for two more.

The Bulldogs blanked the Wildcats in the first quarter, then Union's Gary Luker scored on a 10-yard run in the second quarter while holding Bula.

Risinger went over on a one yard run in the third and kicked again. Steve Miller scampered 20 yards for a Union TD and kicked. Risinger scored again on a five-yard run

in the fourth and added two more on a kick. Luker added six for Union with a 10-yard run, but again the Wildcat's points after failed. Union is 3-2 in loop play.

Bula is 6-0 for the season and 5-0 in district with only one district game remaining. The Bulldogs meet Southland there Friday. The bi-district game with either Highland or Ira will be announced at a later date.

Turkeys Gobble

Amherst, 11-8

The Turkey Turks squeaked past Amherst, 11-8, in Turk Stadium Friday night to get their first District 3-B win.

The Turks opened the game on an 80yard drive that ended with a 6-yard touchdown by Jerry Green. Ike Ferguson ran the conversion. It was ball swap for the remainder of the

half as the Bulldog defense tightened and held the Turks to their lone TD.

Amherst gave to the Turk defense as they charged in to block a punt in the third quarter.

The Turkey offense was unable to move the ball so Sam McKay booted it through the uprights for a 3-pointer and a 11-0 lead over the Bulldogs.

Amherst narrowed the gap in the score in the fourth stanza on a 10-yard pass play from Randy Miller to Halfback Jesse Sutton. Miller charged over for the two extra

The Bulldogs will host 3-3 Matador next Friday in another district bout.

RALPH FUNK is shown on one of his big gains against Dimmitt. Funk carried 20 times for 226 yards. Wildcats in the background are Dennis Hartley (24) and Rickey Sanchez (72).

Billfold Stolen

Julia Galan at Littlefield Hospital reported to city police Friday night that her billfold was taken from the cloak room of the Hospital.

The billfold contained five credit cards and her driver's license.

in public. One was an alien and was released to the Border Patrol, and the JV, 9th Win, Lose At Morton

Littlefield's JV posted a come-frombehind victory over the Morton Junior Varsity at Morton Thursday night, 20-13. The Littlefield Frosh dropped a 14-8

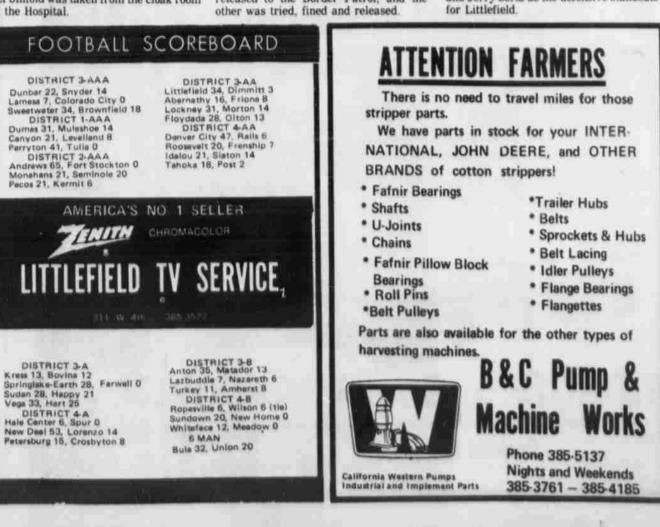

decision in their game with Morton's 9th. Behind 13-7 at the half, the Cat JV's went ahead on Leon Hodge's 35-yard touchdown

run and Kenny Owens' extra point, 14-13. Owens made the first Littlefield TD on a 3-yard run, and he added the final tally of the night with a 2-yard run in the fourth quarter. He kicked the extra on his first TD, but the final try was blocked.

Coach Lewis Boomer named Linebacker Bennie Saenz, Tackle Floyd Smith and Cornerback Terry Bryson as defensive standouts.

In the 9th grade game, Tailback Buddy Jungman got the only Cat score when he ran 21 yards on the final play of the game. Jungman also ran the extra points.

Coach Robert Bolton named Jungman and QB Tommy Batson as outstanding on offense, and he picked Tackle Jimmie Lopez and linebackers Rodney Logsdon and Jerry Soria as the defensive standouts for Littlefield.

In other action Friday, police juiled two Latin American men on a charge of drunk

Congressman Introduces Bracero Legislation

Saying it is possibly the only and dependable in means to save the family farm point out that is and ranch in the southwest. Congressman Bob Price has introduced legislation to reinstate the bracero program.

The House Agriculture Committee member said his bill will renew the law which was in effect from 1951 to 1963 to allow Mexican Nationals to work in the United States.

Wages are typically low because farmers and ranchers do not make enough money themselves to pay industrial wages to laborers," Price noted. "However, the amount they can pay means a great deal to the Mexicans who make

much less for the same kind of work in their country. The Congressman said the hearing losses bat present welfare and unemployment compensation system Children can be also has contributed to the farm labor shortage. In some cases individuals receive more money from these two items than by

working in agriculture. "Looking back, the bracero program had substantial appeal for those involved. It provided U.S. farmers and ranchers with a steady, dependable supply of labor at costs they could afford. Mexicans who participated liked it because it enabled them to make more money than they could earn in Mexico. The government of Mexico liked it because it brought additional dollars into their country and helped alleviate their own employment problems," Price said

"Farmers and ranchers in the southwest, and particularly in northwest Texas where agriculture is dominant, still stands in dire need of steady
