46 Years Old - - - And New Twice Every Week

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, JULY 10, 1969

10 CENTS
NUMBER 21

ONION HARVEST was begun last week just east of Anton on the Walter Wood farm. Through Saturday workers had sacked about 46 acres of vegetable. Trucks haul onions from the fields in loads of 800 sacks at a time and are being sold through a broker in Zeeland, Mich., to points in the northeast and southeast U. S. Of the 200 acres Hobgood has, 65 percent are the yellow variety and 35 percent are white. All but 46 acres are injured moderately to severely in recent hail storms.

Annual Earth Rodeo Is Underway Today

Earth's 25th Annual Amateur Rodeo celebration gets underway today with a parade at 5 p. m., followed by a barbecue and "cow punchin' rodeo." Several riding clubs in the area will be participating in the parade which will include activities for the three-day event, to close with Saturday night's performance.

Included in the line-up for the parade are the Lamb County Sheriff's Posse, the County Sheriff's Posse, and riding teams from Abernathy, Silverton, Cochran and Hart.

LARGE APRICOTS were grown in Littlefield by L. D. Stanaford, 965 3rd. The apricots are larger than most varieties that grow in this area. Besides the five apricot trees planted in 1944, he has a regular orchard—three apple trees, six peach, three plum, one cherry, one pear, two pecan trees and six papawes—as well as lots of other summer garden products.

First and second place trophies will be given to best and second-best riding clubs in both the Junior and Senior Riding Club divisions, and first, second and third place prizes of \$30, \$20 and \$10 respectively will be awarded to the floats best displaying the theme, "Happiness Is".

Several floats will be in the parade and 26 girls will be vying for "Rodeo Queen".

The Rodeo Queen will be chosen by public vote today, beginning at 1 p. m. sponsored by the Young Homemakers Club. The voting booth will be placed in front of Pounds Pharmacy until barbecue time, when the booth will be moved to the rodeo grounds, located on the west side of Earth on Highway 70.

Each candidate will be sponsored by a business and she will be introduced to the public in the parade by her sponsor.

The queen will be presented a plaque and will reign throughout the rodeo.

The barbecue will be held this evening at the livestock barn immediately after the parade. Cooks are Gene Templeton, Johnny Murrell, Cecil Parish and Weldon Barton and will be assisted by the Earth Lions Club in serving.

Barbecue will be served free to those who purchase tickets to the rodeo tonight.

Ratjen Rodeo Company will provide

Local Firemen Cook At Girlstown Sunday

Six or eight of Littlefield's volunteer firemen have their meat forks handy, their knives sharpened and are ready to begin barbecuing three steers for the 20th Anniversary Celebration of Girlstown, U.S.A., Sunday.

Three pits are now being constructed on the east side of the dining hall and the men will go to Girlstown Saturday to light fires under a giant pot of pinto beans—150 pounds, in fact—650 pounds of potatoes and 2,300 pounds of beef for the barbecue.

Several thousand visitors from a wide area are expected to tour the

NAME GAME STILL ON

Contest entries are still being sought to name Littlefield's annual celebration, which is coming up August 29-30.

An entry form on Page 5 of this issue can be filled out and turned in to the Chamber of Commerce office.

Monday at 5 p. m. is the contest deadline for entering.

Winning prize has not been announced by the celebration steering committee, but it will be awarded during the big two-day event.

Once selected, the name will be adopted and used for all the annual celebrations in the future.

Local Scouts Off To Jamboree

Three Scouts and Leader Tom Hilburn of Littlefield will join 80 Scouts and leaders from throughout the 20-county area South Plains Council of Boy Scouts of America who leave Lubbock Friday morning for the 7th National Scout Jamboree in Idaho.

Jerry Cox and Alan Mackey of Troop 17 will be attending the Jamboree and David Roden will work as a staff employee in the trading post at the event.

Boarding the chartered buses at Lubbock and Plainview Friday morning will be Scouts from Littlefield, Lubbock, Brownfield, Lamesa, Floydada, Abernathy, Hale Center, Dougherty, Ralls, Plainview, Slaton, Denver City and Kress.

Enroute to the National Jamboree Site at Farragut State Park in Idaho, the contingent will make stops at the Air Force Academy; Fort Carson, Colo., Grand Teton and Yellowstone National Parks; and Bozeman, Montana. The contingent will arrive at the Jamboree site July 14.

Joining approximately 40,000 other Scouts from throughout the country with token delegations from other nations, the South Plains area Scouts will begin the Jamboree July 16.

The Jamboree will continue through July 22 with a wide variety of activities, sports and shows.

Explorer Post Plans To Be Made

An Explorer Scout Post for Littlefield will be formed Thursday night at 7:30 when a group of boys and leaders will meet at the First Presbyterian Church.

The post will be a "road rally" type, according to Warren Dayton, and should appeal to boys interested in auto mechanics and driving skills.

Dayton asked all interested young men to attend.

PLANNING ACTIVITIES for a stadium service Sunday night at 7 p. m. are members of First Baptist Church and their pastor. The "shirt sleeve, no coat, no tie" affair in Wildcat Stadium is open to all townspeople and a cake and ice cream feast will follow the evangelistic service. In the planning session are, left to right, Troy Armes, A. C. Bridwell, Ralph Carter, R. B. Hall and Delton Jones.

Swedish Exchange Student Likes Hamburgers, Pizzas

By **NILAH RODGERS**
Leader-News Staff Writer

West Texas "is so flat and hot" to the tall, well-proportioned, blonde Swedish girl visiting in the Don Reding home at Whitharral.

Gunhild Forsberg from Bollnas, Sweden, is representing her hometown Lions Club in the International Lions Club foreign student exchange program.

"I studied English in school eight years," Gunhild said in correct and well articulated English. "English is a required subject in Swedish schools," she added softly.

She began studying English her fifth year of school, but students now begin English studies their third year, she said.

In addition to English, Gunhild speaks French and German and understands Danish and Norwegian.

Now 19-years-old, Gunhild has just completed 12 years of schooling. She plans to work as a secretary for one year before going to a Swedish university.

Paula Reding participated in the same international exchange program last summer, visiting with a Swedish family in the southern part of Sweden for four weeks.

"I surely did," Paula said, when asked if she influenced her parents in inviting a Swedish girl to come live with them this summer.

The Redings haven't done anything elaborate to entertain their Swedish guest, feeling that just their everyday life and day-to-day activities would better represent the way of life here.

"One day we went skiing at Bull Lake," Paula said. "Gunhild didn't like

Jones Interviewing

Supt. Paul I. Jones was interviewing candidates for the head football coach's post at Littlefield High School Wednesday afternoon.

Jones said he hoped a coach would be named in the next 10 days to succeed Raymond Birchfield, who has accepted a junior high school teaching position.

In three days since the announcement, the superintendent had received six definite applications, and numerous other inquiries. Jones will screen the list of candidates to the "top three or four," who will be interviewed by the school board.

A comparison of deposits and loans for banks in the Littlefield-Lamb County area shows a stable economic picture compared to this time last year, with deposits up 5 per cent and loans down less than 2 per cent.

The six banks in the Littlefield trade area and the Littlefield Federal Savings and Loan were canvassed, comparing the quarter ending June 30, 1969, to the June 1968 quarter.

All but one bank showed an increase in deposits for the same period last year and all but two showed an increase in loans.

Deposits for the six banks on June 28, 1968, were \$30,927,672.36.

Deposits for the six banks June 30, 1969, are \$32,579,813.78, showing a total increase of \$1,652,141.42.

Total loans for the banks last June were \$20,224,172.23, compared to loans made to June 30, 1969, of \$19,864,737.05, down \$359,435.18.

Broken down individually, the following totals were reported:

Doyle Patton at Littlefield's Security State Bank reported June 30, 1969 deposits of \$11,036,599.89, showing an increase of \$959,188.72 over the 1968 deposits of \$10,077,411.17. Loans for '69 are up, with \$6,028,668.17 this year compared to \$5,920,006.21 in '68.

First National Bank of Littlefield shows deposits down and loans down from this same period last year. James Lee reported total deposits for this quarter at \$4,984,815.70 compared to '68 deposits of \$5,617,450.19 down \$632,634.49. Loans and discounts for '69 are down with \$2,663,325.55 and another \$500,000 in Commodity credit

Hair Comes To Town

Shaving permit tags went on sale yesterday afternoon, with members of the Lions Club doing the selling.

The local civic organization is sponsoring a beard growing contest in connection with the August 29-30 annual celebration.

A "jail" is being constructed by the club, to be placed on Phelps Avenue. Offenders (local men not growing a beard, mustache or sideburns) without a permit will be interred.

Price of a permit tag is \$1.

GUNHILD FORSSBERG, Swedish student participating in the International Lions Club foreign exchange program, gets pointers on American customs from Paula Reding. Miss Forsberg has been the guest of Mr. and Mrs. Don Reding and family at Whitharral for the past four weeks.

AREA SERVICEMEN

RAYMOND GUAJARDO JR. Betty Spain of Birmingham, Ala., is serving aboard the heavy cruiser USS Newport News.

Returning from her second tour, the Newport News has completed a seven month cruise of "gunline" duty off the coast of Vietnam.

BILLY W. BERRY The world's largest heavy cruiser will arrive in her homeport of Norfolk, Va., sometime in July.

MR. AND MRS. SUNG DAVID CHYO

Herrera-Chyo Exchange Vows

Templo Bautista, Santa Cruz, N. M., was the setting Saturday, June 28, for candlelight nuptials uniting Miss Precilla Herrera and Sung David Chyo. Recitation of the double ring vows was directed by the Rev. John B. Abbott, pastor of the church.

The bride is the daughter of Mr. and Mrs. Joe A. Herrera of Santa Cruz.

Mr. Chyo is a native of Seoul, Korea.

His foster mother is Mrs. Thomas Vincent Reeves of Canyon.

The couple was united before a bower of white flowers and greenery. Accents of white flowers, candelabra, and greenery completed the church decorations.

Mrs. John B. Abbott, organist, presented traditional wedding selections.

The bride, presented in marriage by her father, wore a formal length gown of white lace and satin. The empire bodice of chantilly lace was interwoven with French sequins. Double rows of lace touched with sequins bordered the sweeping A-line skirt of bridal satin. The lace overskirt cascaded into a chapel train. Her bouffant white nylon illusion veil drifted from a self crown and petal headpiece of seed pearls and French sequins. She carried a traditional old Spanish bouquet made of pearls and satin ribbon.

Bridal attendants were the matron of honor, Mrs. Raymond Fuller of Hobbs, N. M., sister of the bride; and bridesmaids, Misses Ruby and Loraine Herrera, sisters of the bride, of Espanola, N. M.; and Miss Cathy Nelson of Littlefield. Miss Gracie Herrera served her sister as flower girl.

wedding cake decorated with tiny yellow flowers in miniature baskets of white grillwork. It was topped with a miniature bride and groom beneath an archway of white grillwork. Assorted nuts, yellow and white mints, and fruit punch were also served.

For a wedding trip to Colorado, the new bride chose a yellow and white dress of whipped cream made with long sleeves terminating at the wrists with a cascade of ruffles. Her accessories were of white.

Mrs. Chyo graduated from Espanola High School and Wayland Baptist College in Plainview. While at Wayland she was sponsored by the First Baptist Church of Littlefield. Mr. and Mrs. Nelson served as her "church" parents during these years.

The bridegroom was educated in a Presbyterian Mission School in Korea. After graduating from the University of Korea in Seoul, he came to the United States, planning to engage in graduate work. He entered West Texas State University at Canyon and received his Bachelor and Master of Business Administration in Economics, in August, 1968. During the school term of 1968-69 he taught in Waynesville High School, Waynesville, Mo. He will begin working on his Doctor's degree in the fall.

Out-of-town guests included Mrs. Reeves and Mrs. Ralph Nelson.

KAREN JONES

Announces Engagement

Mr. and Mrs. Wallace O. Jones of Earth announce the engagement and approaching marriage of their daughter, Karen, to Harry West Jr., son of Mr. and Mrs. Harry West Sr. of Lubbock.

The couple plans to marry Friday, Aug. 22, at 8 p.m. in the United Methodist Church at Earth.

Miss Jones is a 1967 graduate of Springlake-Earth High School. She is currently attending Texas Tech, majoring in Secondary Education.

West is a 1966 graduate of Monterey High School of Lubbock. He is majoring in History at Texas Tech.

NATION'S COASTLINE The coastline of Morocco is more than 1,200 miles long. The Suez Canal was completed in 1869.

Whitharral Pioneer Honored At Party

By DONNA AVERY

Mrs. Vera Rodgers was hostess for the Whitharral Home Demonstration Club in her home, Tuesday, July 1. The members all brought gifts to honor Mrs. Rodgers on her 80th birthday which was July 8.

Mrs. Rodgers and her family came to Whitharral in 1923. She and her family, Jeanette, Elisabeth, and John, who were all small children, and her husband, John W. H. Rodgers, moved into a half dug-out.

Their home was located one mile north and 3/4 mile west of Whitharral. Her family was the third family to move into the community. Wagon ruts were all the roads that existed at that time.

Her son little John later died in a diphtheria epidemic which claimed the lives of several small children in the community. Little John was the first to be buried in the Whitharral Cemetery.

Mr. and Mrs. Rodgers and their three children came to Whitharral from Wellington in a covered wagon. They had lived there for two years.

Mrs. Rodgers was raised in Red River County.

In 1923 she and Rodgers purchased 177 acres from the Yellowhouse Land Co. in the new Whitharral Community.

It is said that Rodgers brought his shovel with him and would dig holes in this sandy new land. He bought the

first piece of land where he found moisture.

Rodgers, through observation, decided that the prairie dog was the best faring animal in these parts. So he decided that if the prairie dog did so well living underground so could he.

He then moved his wife and three small children into the half dug-out.

The Rodgers' second son, Rafe A. Rodgers, was born April 26, 1926. Rafe still lives in the Whitharral community along with his wife, Nilah, and three sons, Terry, Monty, and Brody.

In 1945 Mr. and Mrs. Rodgers moved into Whitharral to make their home.

Rodgers died in December of 1949. In 1965, Mrs. Rodgers moved into her new brick home in Whitharral where she still lives.

Mrs. Rodgers lives by herself and is still very active. She is interested in club and church work and is admired by all who know her.

IRISH COASTLINE The coastline of Northern Ireland is 240 miles long.

Party Honors Cindy Strange

Miss Cynthia Kay Strange was honored Sunday on her first birthday with a party given in the home of her parents, Mr. and Mrs. John Strange.

Cindy received a coaster horse, a sandpail with a face, a large multi-colored ball, a red wagon, a doll in a bed and numerous items of clothing.

Mrs. Strange served the guests fruit punch, chocolate cake and vanilla ice cream.

A small cake with one large pink candle on it was presented to the honoree.

Out of town guests attending the party were Mr. and Mrs. Odie Harner, Mr. and Mrs. Jerry Gray and Mr. and Mrs. Don Duffey, all of Lubbock.

Church Celebrates Birthday Sunday

Parkview Baptist Church will celebrate its 20th birthday Sunday.

Scheduled on the program for the day, besides the regularly scheduled services, will be an anniversary message by the pastor, Rev. R. N. Tucker, and recognition of the charter members and members who have been on the church rolls for a long time.

The church was organized by men of the Brotherhood of

Littlefield's First Baptist Church in 1949. The first service was conducted July 17 that year, and was named "Westside Baptist Chapel," a mission sponsored by First Baptist Church.

Rev. E. R. Ingram was the church's first pastor, and church membership rolls indicate there were 114 charter members listed the first day.

"Westside Chapel" became a fully organized church June 4, 1950—nearly a year after its inception—and the name was changed to Parkview Baptist Church.

Rev. D. C. Lindley, longtime area Baptist minister, donated four lots for the church on which the building now stands.

There are several charter members who are still in the fellowship of the church, and they will be recognized at the service Sunday.

SPADE
MRS. OPAL PRESLEY
233-2562

LA SHAWN ZAHN of Lubbock spent from Thursday until Saturday with her grandparents, Mr. and Mrs. J. R. Inklebarger.

MRS. J. R. INKLEBARGER and daughter, Mrs. Bob Watson and children of Cotton Center were in Lubbock Wednesday. The Watson children are enrolled in a swimming class there.

THE METHODIST YOUTH and Baptist Youth had a swimming party at Littlefield Tuesday night. Afterwards refreshments were served in the Methodist Fellowship Hall. The sponsors and 32 guests attended.

MR. AND MRS. Brodie Gray of Lums Chapel were guests in the home of Mr. and Mrs. E. H. Gray, Tuesday of this week.

MRS. THURMAN MOODY and Elizabeth of Wichita, Kans., have returned home after having spent several days in the home of Mr. and Mrs. L. A. Presley.

MR. L. A. PRESLEY and Mrs. C. W. Rosson of Sudan were honored with a surprise birthday party Saturday night in the Presley home. Those present for the occasion were: Mrs. Thurman Moody and Elizabeth of Wichita, Kans., Mr. and Mrs. E. H. Gray, Mr. and Mrs. Ronald Lappe and children of Lubbock, and Mrs. Presley and Rosson of Sudan.

Thirteen out of this group attended "Texas" at Palo Duro Canyon Friday night.

'Ya Gotta Wanna' Theme Of Meet

The youth division of First Baptist Church in Muleshoe is sponsoring a youth-led week of events, titled "Ya Gotta Wanna!" beginning July 27 and continuing through Aug. 3 at the church, located at 220 West Ave. E in Muleshoe.

"This theme expresses the belief of the youth here that in order for anyone to accomplish anything in life—and especially in regard to his personal relationship to Jesus Christ—he's 'gotta wanna,'" said Mack M. Moore, minister of music and education at the church.

Services will be conducted at 8 p.m. nightly, with the youth choir meeting at 7:15 each evening for rehearsal. Visiting youth have been invited to rehearse and sing with the group.

"The public is cordially invited to attend, where adults, as well as the youth of this area, are most welcome," said Rev. D. C. DuBose, pastor of the church.

Youth minister for the week will be Rev. Dean Allen, a graduate of Hardin-Simmons University in Abilene who is currently enrolled in his second year at Southwestern Baptist Theological Seminary in Fort Worth.

LITTLEFIELD

MRS. J. B. McSHAN 385-4337

HD Club Has Meeting

The Oklahoma Avenue Home Demonstration Club met July 3 in the home of Mrs. J. M. Griffin.

Mrs. Dee Myers presided over the meeting. Roll call was answered with "My Most Expensive Bargain."

A steak dinner was planned for the members' husbands sometime in August.

The program was turned over to the county agent, Lady Clare Phillips, who spoke on "Consumer Credit."

Members attending the meeting were: Mmes. Ples Helms, Brady Helms, Jerry Huff, C. D. Mills, Dee Myers, C. F. Davis, J. W. Bitner, Dorothy Crawford, Vena Maner, and hostess, J. M. Griffin.

The next meeting will be July 17 in the Brady Helms' residence.

brother-in-law, Mr. and Mrs. Roy Young.

Mr. and Mrs. E. C. Rodgers were in Dallas the past weekend attending the furniture market.

Mr. and Mrs. Dan French and girls spent the 4th and the weekend in Amarillo visiting relatives.

Guests in the Clem Sorley's home Friday and Saturday were his aunt, Mrs. Lucille Shaw and her friends, Mr. and Mrs. Harry Steele from Clearwater, Fla.

Mr. and Mrs. Curtis Chisholm attended the funeral of her brother-in-law, Charlie Berry, 70 years old, at the Greenlawn Church of Christ in Lubbock Saturday. Berry died Thursday in the West Texas Hospital after a long illness.

Gary Don Pierce of Lubbock, grandson of Mr. and Mrs. Joe Edwards, left Thursday accompanied by his parents and brother, Mr. and Mrs. Perry Pierce and Randy,

for Oakland, Calif., where he will be assigned for overseas duty.

Mr. and Mrs. Ben Crawford and grandson, Jamie Stehlik, returned home Sunday night after several days spent in Las Vegas, N. M.

Mrs. Helen Saxon is a patient in Medical Arts Hospital after having had surgery Monday afternoon. Her son and wife, Mr. and Mrs. Emmitt Saxon and sons from Skellytown and her sister and husband, Mr. and Mrs. Jewel Mullins of Lubbock have been visiting with her.

Mr. and Mrs. John Nail spent the 4th with their son and family, Mr. and Mrs. John D. Nail and Jane Ann in Memphis, Texas.

Mrs. Winnie Campbell returned home Monday from El Paso where she had been visiting in the home of her niece and husband, Mr. and Mrs. W. D. Langford. Her brother and wife, Mr. and Mrs. J. D. Fraley of Riverside,

Calif., met her there. Her brother returned home with her for a visit. His wife went to Lake Buchanan to visit their son. Mrs. Campbell and Fraley will join her there this week.

Mrs. Dutch Higgins spent last week in Lubbock visiting her sister and husband, Mr. and Mrs. Tom Campbell and with her daughter and son-in-law, Mr. and Mrs. Rip Elms.

Guests in the home of Mr. and Mrs. Donald Brestrup last week were: Thursday and Friday, Miss Sharon Traugott, a student at Texas Tech and Friday, Mrs. Brestrup's mother and sister, Mrs. Eta Barton of Alpine and Mrs. Buddy Hall of Post. Saturday and Sunday guests were Mr. and Mrs. Don Taylor and Mr. and Mrs. Dick Taylor and son of Roswell.

Mrs. E. J. Newgent returned home last week from a month's visit in Salt Lake City, Utah, visiting her son-in-law, Dr. Jack Garlington and children. The Garlington's left this week for Monrovia Liberia, Africa. Jack will be teaching in the Cuttington College and the two older children Jo and Ann will attend the college. The younger son, Bob, will be a freshman in the high school. They expect to be gone a year.

Miss Jonell Tatum, a recent graduate of Baylor University, has assumed duties as assistant to the children's librarian in

the Arlington Public Library at Arlington. Miss Tatum has been visiting in the home of her parents, Mr. and Mrs. Forbes Tatum.

Recent guests in the Forbes Tatum home were their son and family, Mr. and Mrs. Gary Kent Tatum, Mark and Gaylynn of Creve Coeur, Mo. He is the regional manager for Wohl Shoe Company of St. Louis, Mo.

Out of town guests visiting in the home of Mrs. Roy L. Byers over the weekend and also attending the First Baptist Church Dedication were: Z. T. Byers of Houston, Mrs. W. C. Adams of Lake Whitney, Major and Mrs. Bill Adams of Korea, Mr. and Mrs. Bob Hubbard and children of Idalou, Mr. and Mrs. Roy Byers and Ricky of Springlake, Miss Pansy Boen of Springlake, and Troy Byers and children of Earth.

Guests of Mrs. Hedda Henson this week are: a daughter and son-in-law, Verna and Delmer Paxton from Yucaipa, Calif., a granddaughter and family, Verndell and Jim Gallagher and daughter, Cathy, and son, Kelley, from Keneoba, Calif., a grandson and family, Phil and Jan and two daughters, Sandy and Pam, from Yorba Linda, Calif., a daughter, Olga and husband, Tommy Fulbright, from Austin, Norma Hargrave and Vesta and Jeff from Lubbock.

What The Leader-News Thinks

It's Our Time. . . .

The \$100,000 which will be raised in Littlefield to help kick off operations for EMV Electric is a drop in the bucket compared to what the planned industry might someday return the community in benefits.

The idea of offering inducements to industry is nothing new. Most all cities which are attracting industry these days do so with an inducement which they hope and believe will be returned many times in future years.

Andrews raised somewhere around \$100,000 in a few minutes' time a few months ago in laying the

groundwork to attract a garment manufacturing concern.

Plainview only last month went out to secure \$135,000 to assist Missouri Beef Packers in location of a site near that city. That amount—plus another \$31,000—was raised in 10 days' time.

Last year, when Friona went all out to get a Missouri Beef Packers plant, the city of about 3,000 population, came up with \$100,000 in a short time.

Once the green light is given to start getting our money together in Littlefield, our opinion is that it will be done in short order here, too.

Friona Counts Benefits Of Beef Packing Plant

By BILL ELLIS
Publisher, The Friona Star

houses to the total, it comes to \$940,000 in construction during the past 12 months.

We still think that the \$100,000 investment by residents and businessmen of Friona in the property donation as an inducement to get the plant located in Friona was a good investment. It's paying dividends right along, and besides, the city has received more than \$100,000 worth of publicity—or advertising—during the past couple of years.

Missouri Beef Packers has had a colorful first year. The plant broke all records for numbers of cattle killed on both its first day and first week of operation.

The plant was also beset with the typical problems which confront new industries. It was beset by a strike during its formative months, but managed to weather the storm without too much loss in production, and presently has everything lined out in its labor situation.

With all this behind them, Missouri Beef Packers should be ready to come into its own during its second year of operation. So, we pause today to wish them "Happy Birthday", and hope that the years ahead will be prosperous ones.

... DEPOSITS

Continued from Page 1

Loans, compared to loans of \$4,032,866.64 in '68. The decrease was \$1,369,541.09.

Citizens State Bank of Earth shows an increase in deposits with \$2,913,016.19 this year and \$2,907,713.55 at the same period last year, giving an increase of \$5,302.64. Loans are up \$246,311.63 with total loans of \$2,289,493.10 at the end of June last year, compared to \$2,535,804.73 for '69, Ann Jones reporting.

Bill Clayton Slates Water Plan Film

Representative Bill Clayton will be at a special meeting promoting Water, Inc. at the Lamb County REA Building Friday, July 11, at 8 p.m.

A new film on the proposed water project will be shown and Rep. Clayton will answer questions in a discussion session.

Rep. Clayton urges everyone interested in the Texas Water Plan to be present at the meeting.

PAUL HARVEY

Scales Tilted

THE WILD WEST was tamed the first time by prompt six-gun justice; you stole a horse, you hanged!

Today you can steal an airliner and get away with it. Little wonder crime continues to increase nine times faster than our population is increasing.

IN WASHINGTON, D. C., there are now more armed robberies in one month than in all of last year!

FBI Director J. Edgar Hoover says the urgent need is for "quick apprehension, prompt trial and substantial punishment commensurate with the crime."

He says, "Soft justice, judicial leniency, has increased the crime rate."

WHAT'S MEANT by "soft justice"?

New York City recently intensified its drive to curb criminality, arrested 292 persons in six days in Times Square.

Of those 292 only 12 ever received any punishment.

FURTHER, of 563 persons arrested in New York City one recent month on narcotics charges, 142 had been arrested five or more times, 86 ten or more times, 56 fifteen or more times, 21 twenty or more times. Four had 25 previous arrests and one had 46!

Police risked their lives to bring that man in 47 times for an assortment of crimes and each time he was released, including the last time.

POLICE CHIEF Garelik said, "It's self-defeating to have to arrest the same people over and over again. Our system of criminal justice has been perverted; we are criminally unjust to a repeatedly victimized public."

President Nixon has proposed an increase in the number of judges to expedite the administration of justice. He is hopeful of arming those judges with authority to jail chronic lawbreakers without bail, pending trial. This would cut down on the number of known criminals running around loose.

BUT THE PERMISSIVE-

... SWEDISH

Continued from Page 1

like the U. S. mountain climates, she said.

Paula Reding has taken her guest on numerous shopping trips.

"The stores and the people in the stores are very nice," Gunhild said, "but the clothes are more expensive. And I very often see myself."

The two girls visited Carlsbad Caverns and went to WTSU at Canyon where Paula attends school. They also attended "Texas" in Palo Duro Canyon and went shopping in Amarillo.

Gunhild won the gift for traveling the farthest distance at the "Texas" pageant. "And we met some people running a smorgasborg in Amarillo that knew Gunhild's dad, Paula said, when they worked with him at a ski lodge in Sweden.

"They mixed Swedish up with English," Gunhild said, "when they talked to me.

Gunhild said the food here is much more spicy than Swedish food. But she especially likes hamburgers, steak and pizza. Gunhild said they didn't have drive-in restaurants in Sweden. "And we don't have drive-in movies," she said.

"We haven't served any Mexican food, yet," Mrs. Reding said. "But we will before Gunhild goes back. I was worried about what kind of cheese we could buy here that she would like," Mrs. Reding said, "but Gunhild doesn't like cheese. I was surprised. I thought all Swedish people liked cheese."

Gunhild sampled her first chuck wagon food at the big Fourth of July Rodeo and celebration at Stamford. Five Swedish foreign exchange students visiting in this area sat together at the rodeo and ate the chuck wagon meal as guests of the Stamford Lions.

After the rodeo the Reding family and Gunhild went to the lake for more sunning, boating and water skiing.

Before Gunhild's four week visit ends her hosts hope to take her to El Paso and Juarez "so she can visit another country while she is in close."

Gunhild is the youngest of three children. Her father is a construction engineer and builds dams, roads and houses. Her mother teaches commercial subjects in Swedish schools. Gunhild learned shorthand and typing in her mother's classes.

Gunhild's brother has a Ph.D. in mining engineering, and her sister is studying history at one of the Swedish universities.

"I cherish very much the opportunity to visit in the United States," Gunhild concluded.

NESS which spawns disrespect for authority starts in childhood and any remedy, to be effective, must also start there.

Elementary school mischief, unpunished, leads to open revolt in high school.

High school revolt, unpunished, leads to college demonstrations.

COLLEGE DEMONSTRATORS who get away with it may later sack, loot and burn whole neighborhoods.

It is argued that demonstrations based on a grievance are quite unlike what we legally recognize as "crime."

"Yet we have seen that one, excused, leads to the other."

PHILADELPHIA ATTORNEY Lewis H. Van Dusen Jr. says, "Civil disobedience is a defiance of authority and thus encourages lawbreaking."

In our recent much-vaunted "progressive" theory that a child should be allowed to do whatever he wants, we have spawned a generation of adults who think they can seize whatever they want.

The lesson must be retaught at both ends.

Families Switching Homeplaces

Of the 40 million or more Americans who will be changing their home addresses this year, how many residents of Lamb County will be among them?

Do local people pick up and move as frequently, or more so, than those in other areas?

According to data compiled by the government, their record indicates that they do more moving about than people in most parts of the country.

And the time of year when they are prone to do so is fast approaching. The most popular season for moving is the summer. Statistics show that between 70 and 80 percent of it takes place in the months of June, July, August and September.

The extent to which the Lamb County population is given to moving is revealed in another government study, covering a five-year period, based on data gathered in connection with the last census.

It reveals that 10,291 local residents were living in different homes than those they had occupied five years earlier.

Of this total, 6,172 had merely moved to new locations within the county. The other 4,119 were people who had come from outside the county to take up local residences.

As to the number of people who may have moved out of the county in the five-year period, no figures are given.

What is boils down to is that 54 out of every 100 persons in Lamb County over the age of five changed their addresses at least once in a period of five years.

This mobility rate, 54 percent, was higher than the rate reported for the nation as a whole, 47 percent.

In the West South Central States, it was 51 percent and, in the State of Texas, 52 percent.

Why do people move?

The reasons are numerous.

Frequently it is the economics of life that dictate the change. Sometimes a family moves in search of better jobs or business opportunities. Or because a man is transferred by his company. Or because the family has become better off financially, and wants to live in a fancier home.

Marriage, the birth of a child and other social changes are also cited as major motives for moving.

... RODEO

Continued from Page 1

the rodeo stock for all three events.

Prizes will be awarded winners in calf roping, bareback riding, saddle bronc riding, girls' barrel racing, bull riding and team roping.

Entrance fees were to have been paid before Wednesday.

First place winners in events will be presented a trophy buckle by Earth merchants and a \$5 jackpot will be awarded to the junior roping winner.

Each night a pony express tournament will be held, with teams from Bovina, Plainview and Tulla competing against the Earth team.

An ex-professional rodeo clown from Hugoton, Kans. Buddy Heaton, will make nightly appearances too.

A saddle will be given away during the final performance of the rodeo Saturday night and tickets may be had by contacting any member of the Earth Roping Club.

THE ABUNDANT LIFE

Our Wealth Is . . .

By BOB WEAR

WITH OUR MATERIAL wealth diminishing day by day through inflation, higher taxes, wastefulness and unbelievable government expenditures; it is time to take inventory.

NO WELL-INFORMED person bellitties the need for, the usefulness or the desirability of material wealth.

Nevertheless, it is quite possible that we have, for too long, thought this to be our greatest wealth.

In fact, this is the one great reason why we are losing our material wealth.

WHILE WE HAVE been busy thinking about, and working to increase and trying to preserve the wealth of silver and gold, other potential wealth has been neglected.

Goldsmith, in the Deserted Village, said, "Ill fares the land, to hastening ills a prey, where wealth accumulates, and men decay."

ARE WE PERMITTING the glitter of material wealth to blind us to our true wealth potential; people of integrity, industry and thrift? Have we worshipped at the altar of materialism so long that we are in grave danger of losing our national soul? Richard Hovey said, "The wealth of nations is men, not silk, and cotton and gold." Have we forgotten?

What has happened to the spirit of dedication and devotion which once motivated the greatest service and most skillful work ever known in the affairs of men?

In every area of essential service, even some with great material rewards, there is an unbelievable shortage of dedicated and skillful persons. To whatever extent this is our situation, and it appears to be widespread, we are poverty stricken.

IT IS TRUE of the nation as of the individual; it is wealthy because of what it is, not because of what it

I Can Dream

WELL, I SEE by the papers that five drug companies are going to have to cough up \$120 million to give back to consumers of their aeromycin, terramycin and tetracycline products.

That's good news to consumers. Bad news maybe for the pharmacists that have to do the book and paper work to see just who all used how much of the stuff from 1954 to 1966.

SEEMS THE manufacturers illegally agreed to fix prices and overcharge John Q.

This has started me to thinking of a whole new business for some enterprising people. We now have specialists to make out our income taxes, why not have specialists to investigate all charges of anybody overcharging?

YOU KNOW, a Private Investigator of Overcharging. He could make his dough by splitting halves with the person for whom he recovers money.

I could use a full time Investigator.

First of all, I'd see what he could do about the little savings stamp problem. I still boil because I'm forced to help pay for those little gooey things just because the majority of women want to save them.

MAYBE HE COULD get me refunds for years and years back just on all the different savings stamps I've been forced to save.

And then one year I put postage stamps of a cent higher denomination than was required on all of my Christmas cards. I've grieved ever since. Maybe, just maybe, he could get the post office to refund a penny a stamp to me.

AND THEN THERE'S those seat belts and harness contraptions I had to pay for on my car. Now I will not argue the fact that I probably should use them, but I don't, nor would I have bought them had I not been forced to. Do you reckon he could get around Ralph Nader on that?

Then there's junk mail. Have you ever figured up the matches it takes

has. Someone has said, "The affluence of a state consists not in treasures, solid walls, armaments, and nobles' wealth," and safety, is in having learned to live with the necessities of life and the necessities of honorable and well-spring citizens."

A CAREFUL LOOK at the destructiveness caused by the affluence of our materialism probably our most tragic loss of gratitude has been the poor.

Too much too soon the multitudes in incapacity appreciation.

MANY WILL NEVER the joy and strength learning to labor and to work. It has been well said, "The loss of gratitude is usually the greatest misfortune to children. It takes the muscles of limbs, the brains out of the heart and virtue out of the heart."

OF COURSE, we are for material wealth, but to say that it was never in our master and we its real wealth must be in resources.

Our wealth is our honesty, industry, our morality, our right sense of values, the wholesomely intelligent each other, and our reverence for God.

This is our wealth.

OUR TRUE WEALTH well-ordered home, law-abiding community, strong educational facilities, free enterprise system, Christ-centered church life.

It is in our love for the good, and the beautiful, and honorable. This is our wealth.

WE MUST NOT ignore for material wealth, but wealth is not in things; and what we do.

THE FARMER'S

to burn all of that unasked for mess?

A CERTAIN SERVICEMAN repairman has charged me for 11 miles for years, and is only 10 miles from my home ten cents a mile, there's a fortune.

There's a certain person gives me a severe headache every time I'm around him. He requires two aspirins at a time to recover from just a few minutes exposure. Think of the pain there, considering the fact that he's been around her off and on ages.

A ROAD NEAR my house chucked hole that I'm sure shortened the life of my car. Good Private Investigator. Overcharging should be able to do something from somewhere about that.

In a little town not too far there's a mechanic that I should forgive.

He tightened the belt on my compressor or something like that. The air conditioner on my car paid him. Two miles later, it slipped again. I went back and said the belt was worn out. He said to have a new one, he didn't one, go somewhere else.

DID I GET my money back? But just maybe a good Investigator of Overcharging I'd let him keep the amount recovered amount there.

And telephone bills. I'm sure that I don't talk as long as distance calls as long as company claims. There's a small fortune involved right there.

DOG FOOD'S another brand bought a brand for years ago, place, only to find out later it was three cents cheaper per block away. Reckon perhaps this sort of thing could be and on, and it's great fun to up how much money a good Investigator of Overcharging make for you.

WHY DON'T YOU make your own list and dream a little.

THE STATE OF TEXAS County of LAMB NOTICE IS HEREBY GIVEN That by virtue of a certain order of sale issued out of the Honorable 99th District Court of Lubbock County, on the 13th day of June, 1969, by J. R. Dever, Clerk of said Court for the sum of One Hundred Seventy-Five and 05/100 (\$185.05) Dollars plus interest at 7% per annum from March 29, 1968, plus attorney's fees of \$65.00 and costs of suit, under a judgment, in favor of Municipal Investment Corporation in a certain case in said Court, No. 59442 and styled M U N I C I P A L INVESTMENT CORPORATION vs. O. H. THOMPSON and wife, VANETA STOVAL THOMPSON, placed in my hands for service, I, E. D. McNEESE as Sheriff of Lamb County, Texas, did, on the 2nd day of July 1969, levy on certain Real Estate, situated in Lamb County, Texas, described as follows, to-wit: Lots Six (6) and Seven (7), Block Forty-Nine (49), Original Town of Oilton, Lamb County, Texas; and levied upon as the property of O. H. THOMPSON and wife, Vaneta Stoval Thompson and that on the first Tuesday in August 1969, the same being the 5th day of said month, at the Court House door of Lamb County, in the City of Littlefield, Texas, between the hours of 10 a.m. and 4 p.m., by virtue of said levy and said order of sale I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said O. H. Thompson and wife, Vaneta Stoval Thompson.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the NEWS AND LEADER, a newspaper published in Lamb County.

Witness my hand, this 2nd day of July 1969.

E. D. McNEESE
Sheriff Lamb County, Texas.

Insurance, Real Estate

Judd Walker likes to help his policy holders in any way he can. Because he is so outstanding in rendering service, his insurance company has presented him with an award plaque every year since it started giving this award in 1958.

In addition, Walker has qualified for his company's seminar every year since 1946. These meetings are held in different parts of the country each year and Mr. and Mrs. Walker have made interesting trips to many states and foreign countries.

Trips to Havana, Cuba, Monterrey, Mexico, and two trips to Mexico City along with trips to New Orleans, La., San Francisco, Calif., Scottsdale, Ariz., and all of the larger Texas cities are included in this long list of interesting points visited.

Judd Walker has come across some very unusual policies and interesting people while helping persons with their insurance problems.

One policy he came across was written in long hand back in the 1800's when people who wrote very pretty script were hired much as typists are hired to type a policy today.

Judd said millions of dollars are lost every year where policies exist and the family doesn't know about them.

In making his rounds one day he learned of a policy where the policy holder had been dead for 19 years. The policy had been paid up for 45 years, and until then the family was unaware the policy existed. Judd was instrumental in helping the beneficiaries collect on the policy that they had no idea even existed.

The odd thing about this was the people he helped weren't Walker's policy holders. "It's all in a day's work," Walker said. "More than 50 per cent of my service work is on companies other than what I sell."

Judd Walker handles all types of insurance. He has been writing life insurance for 22 years. He added fire and casualty about 14 years ago. He has health insurance, automobile insurance and farm insurance.

Recently he added real estate sales to his business transactions. Robert Richards handles real estate for Walker. Listings are mostly residences, but includes farms, ranches and city property.

Walker really enjoys talking with persons over 65 years old. "Some very unusual conversations come about," Walker said, "and believe it or not, a lot of these senior citizens buy life insurance."

Walker has lived in Littlefield 22 years. He is a native of Palestine, Texas.

Hobbies include hunting, fishing and a small amount of golfing. He is a member of the Optimist Club, Chamber of Commerce, BCD board and the American Legion.

The Walkers have three children, a married daughter, Diana; Randy, a 1969 graduate of LHS, and Kathy who will be a seventh grader this fall.

Soft Water Saves Money

Soft water saves, not costs money. When you load your washing machine with clothes and turn hard water in, it is the same as throwing in a few rocks. These rocks in the water do the same work a handful of rocks would, wearing out clothes.

If you've got rocks in your water, yell "Hey Culligan Man," and Andy Davis will fix you up with one of those Culligan soft water systems.

Water in this area is hard, and this hardness is due to calcium and magnesium—literally rocks—in the water. Hardness of water in this area varies, but it is all HARD. Anything over 10 grains of hardness is considered extra hard. Water in this area averages 20 grains of hardness or above. And that's hard!

Andy Davis explains water softness this way: up to one-half grain is soft; one half to 3 1/2, fairly soft; 3 1/2 to 7 grains, hard; 7 to 10, very hard, and anything over 10 is extra hard.

"Water in the Anton area is 56," Andy said, "and one well northeast of Littlefield tested 186."

Your Culligan man offers free water analysis. If you'd like to know how hard your water is, call Andy Davis; his office

number is 385-3111. His home phone is 385-3543, or call Andy's wife at M. Laundry, 385-5694.

Minerals in the water causing hardness are very treatable, easy to soft with the Culligan ion-exchange soft water units.

Culligan uses two ratings on soft water service bottles. Size of the family amount of water used determines how often a service call is needed.

You may have soft water for as little as \$3.50 per month, the minimum rate. Industries learned many years ago that it is cheaper to treat water first than correct problems that calcium minerals cause.

Soft water in a home eliminates one-third of the work required to clean. Less soap is needed with soft water. Because there is no hard water scum, a swipe of a sponge cleans sinks and lavatories.

Soft water prevents water heaters from caking with calcium, and no longer water lines stop up until there is a pressure.

Andy serves the Anton, Amber, Sudan, Earth, Muleshoe and Littlefield areas, "and all points in between." For free water analysis, call Andy Davis, Culligan man.

Three-Way Tie Possible As Majors Finish Play

If you want to know who is the Little League Majors champion for 1969, you'll just have to wait until the final game of the season Saturday night.

The final outcome could be one team on the top, a two-way tie, or even a three-way tie...just depending on how two games end.

It was all set up Saturday night when Lions edged defending champion Rotary, 1-0, to throw the standings into a tie between the two clubs. Each stands at 11-3 for the season.

Lions face Optimist this evening and Rotary takes on Butane Saturday.

Butane is only a game out now, with a 10-4 record, and could throw the final standings into the three-way tie. But only with a win over Rotary and an Optimist victory over Lions.

A Lion win tonight, coupled with a Rotary loss Saturday, would be an outright championship for Lions. A Lion loss, and Rotary win, would be a repeat championship for Rotary.

But the battle for final standings isn't only for first place. One has developed between Batson and Optimist for fourth place.

The two have met only once during regular season, and have had troubles with rain ever since. Both regular games were rained out, and an attempt to play a late game Saturday night

was even rained out in the third inning.

So the two will have to double up tonight and Friday to complete their schedules. Optimists will play Lions at 8 this evening and then come back in a doubleheader to play Batson. Friday, Batson faces W.O.W. in the 8 p.m. contest, and then doubles against Optimist in the late game.

The Batson game Friday is W.O.W.'s last chance for a victory after suffering 14 straight losses. But the Woodsmen have forced several to pull out all stops in the

fading moments of their games before a final decision was known.

LIONS-1 ROTARY-0
Jay Lee hit a double down the first base line to drive in Danny Martinez for Lions' only and winning score to defeat Rotary 1-0, Saturday night.

Danny Brockington was the winning pitcher with only three hits allowed. Gary Brown was the losing pitcher with only one hit allowed.

IN MINORS

Coke Boys, News Battle For Second

With Security State already declared the champion of the Minors, holding a 13-1 record and only one game remaining on its schedule, the battle for second place in the final standings looms.

And this is the final week of play. The battle for second has developed between Coca Cola and defending champion Leader-News. The Coke Boys must close out the season Saturday night against champion Security, while the Newsmen face V.F.W. in their final this evening.

Coca Cola is 9-4 and Leader-News is 9-3.

The Veterans pulled the major upset of the season by defeating Security 12-10 Saturday, but the outcome was not entered in the records because they couldn't field nine members of the team and had to declare a forfeit. The Vets are in last place with a 1-12 posting.

COCA COLA-14 PIGGLY WIGGLY-7

Ray Vargas of Coca Cola only allowed one hit to assist his teammates in overcoming Piggly Wiggly 14-7 in the Minors Tuesday night.

The leading hitters for Coca Cola were Ruben Silvis with a

double and a single Birkelbach and with a double each.

The leading Piggly Wiggly was Trevino and Rite with a single each.

Benny Trevino was losing pitcher.

VFV-12 SECURITY STATE-0

VFV was forced to Security State, because they only played one game.

Kevin Gardner was winning pitcher with two hits. David Dain was losing pitcher.

Stan Jackson and Trevino were the hitters for Security single each.

VFV hitters were allowed any hits.

Babe Ruth All-Stars Host Lubbock Friday

The Littlefield Babe Ruth All-Stars will be battling for their first birth in a District tournament Friday, when they host Lubbock at 8 p.m. at the local ball park.

Instead of playing at Lubbock Friday as originally announced, the two teams will play here, and then move to Lubbock the following evening.

The game at Lubbock, to be played in Connie Mack Stadium at McKensy Park, will begin at 6 p.m. Should a third game be necessary to determine the winner, it will be played that night. The winner qualifies for the District tourney.

This is the first year for Babe Ruth ball

here, after changing over from Pony and Colt Leagues.

Members of the All-Star team, who are 14 and 15 years of age, include Dennis Cowen, Jay Trammell, Chuck Blevins, Ralph Funk, Larry Birkelbach, Brad Nace, J. E. Johnson, Danny Estrada, Matt Giles, Eddie Surret, Glenn Short, Bo Lance, E. Jefferson, Ron Risinger and Doug Cummings.

Dagwood Conley and Richard Eddings are coaches. Joe Johnson is manager.

In practice games this week against Muleshoe, the All-Stars have split victories.

The Babe Ruth All-Star tournament will be played next week at Morton.

13-Year-Olds Win First Game

After allowing Post to score all nine of its runs in the top half of the first inning, the Littlefield 13-year-olds Babe Ruth All-Stars rebounded to capture a 13-9 final decision in their opening game of the district tournament Tuesday night at Slaton.

Donnie Noles was the winning pitcher. The team was slated to play again last evening. A win there would put Littlefield into the finals this evening at 8 p.m.

Sportsmanship Awards Made

One of the most prized awards made each year in the local Little League program is the Sportsmanship Award.

League president Bob Bromlow announced the two winning teams of the 1969 season during the benefit ball games Saturday evening.

They are the Lions in the Majors, coached by Mike Colter, and Production Credit in the Minors, coached by Sonny Bell.

Trophies were presented to the coaches in recognition of the honor.

Voting on the Sportsmanship Awards is done by the league umpires.

Road Runners Still Undefeated

Brent Jones just about did it all Thursday in helping his Road Runners win 14-3 over Barracudas.

The youth pitched the entire game and was three-for-four at bat, including a grand slam home run. Teammates Jimmy Clayton, Tracy Birkelbach and Jimmy Avery chipped in two hits each to aid the cause.

Eddie Elms had a home run for Barracudas, and Dennis Jackson accounted for a triple.

THE PENNEY STORY

Should you throw away your iron or keep it as a door stop?

By ROBERTA NASH

Perhaps your iron isn't obsolete just yet. But with Penn-Prest, most women never iron at all. They just let their dryer do the ironing.

(Of course, if you haven't a tumble dryer, you may have to touch up in some cases. But just a touch up. Even then, I've found you really say good-bye to the drudgery of ironing.)

Please don't confuse Penn-Prest with some other 'permanent press' process that may have disappointed you. This one is different.

The J. C. Penney Company stands behind it.

POLYESTER KNIT SHIRTS

Now you can have all of the mock turtle-neck shirts you want. Textured polyester knit is machine washable and dryable. Great colors. 6 to 16.

PENN-PREST® WOVEN SHIRTS

Tapered 'ivy' model in handsome gingham plaids or oxford solids. Polyester/cotton blend irons itself in the dryer. 6 to 18.

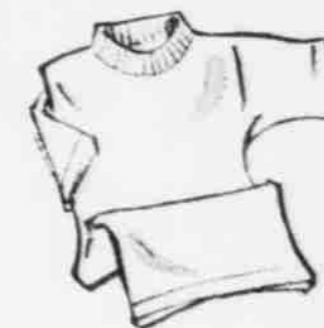

PENN-PREST® WESTERN JEANS

10-oz. blue denim of cotton/nylon with vulcanized double knees (sizes 4-12 only). Regular or slim styling in sizes 4 to 16.

PENN-PREST® WALK SHORTS

University Grad plain front walk shorts in exciting plaids or solids. Cotton/polyester tumbles dry, wrinkle free. Sizes 6 to 18.

BOYS' COTTON T-SHIRTS AND BRIEFS AT A STOCK-UP NOW PRICE!

2 for 99¢

Fine quality cotton T-shirts and rib knit briefs at a price too good to miss. Full cut for comfort and fit. Charge his now and be ready for back-to-school. Sizes 4 to 16.

THE PENNEY STORY

"One eye on quality; one on price"

By ROBERTA NASH

More often than not, in a store's newspaper advertising, the emphasis is on the *price* of merchandise, for this is the *news* that readers want to know.

But the Penney people want to be sure you understand that this emphasis on price does not represent the thinking *within* the Penney organization. The thing that makes Penney wheels go round is *value*, or what you *get* for that low price.

"We have to keep one eye on quality and the other on price," is the way one of our buyers put it.

PRINT AND SOLID 'CAPRI', REG. 1.98 yard

Perfect for now thru Fall... this never-iron blend of Fortrel® polyester/rayon. Fashion and basic colors. Machine wash, tumble dry. 44/45" wide.
