

ADDITIONAL RAIN PLUS FUNNEL CLOUDS TUESDAY NIGHT

Billion Dollar Rains Drench County

Across Lamb County have as much as 11 inches since the week, but farmers aren't getting any more yet. The soaking rains that finally drenched the parched earth are of the dollar variety. With grain in the fruiting stage and with these million dollar showers, farmers are excited. The rains finally ended the drought that has plagued the area for many months. In the field area, Thursday's rains were the first precipitation measuring inch since May 1. According to the official rain gauge at the Natural Gas Company, rainfall here for the five days of August gives a total of 8.07 inches. This compares to 3.99 inches of August last year. The August showers last week, however, totaled only 4.89

through the first seven months of this year at the Littlefield reporting station. In this county the rains over the six-day period ranged from as much as 11 inches in the Sudan area down to only four inches northeast of Spade. For many dryland farmers, the rains came too late for any kind of cash crop this year. Some had planted haygrazer in June and July and in most instances the delayed rains will provide some grazing for livestock. Irrigation farmers jumped for joy when the showers fell just right to wind up the irrigation season. Due to the extreme dryness of the land without any assistance from nature, most farmers were running well behind their normal watering schedules. The rains came in time to help heavily fruiting cotton that had matured early under the dry condition. The boost to sorghum will pad the pocketbooks of grain growers in the nicest sort of way. Some of the heavier rainfall reports

are in the dryland area where it was too dry to plant cotton and grain this spring. Marvin Bowling recorded 11 inches Aug. 21-25. Since mid-August he has received 17 inches "after it was too late to plant." The Bowlings live in the Bula and Beck Gin area. I. V. Hogue who keeps the rain totals at Pep recorded 10.5 inches over the six days Aug. 21-26. Rains were even heavier southwest and northwest of Pep. James Sokora who lives between Pep and Bula recorded over 12 inches of rain, and at the edge of Bailey County and toward Morton as much as 13 inches were reported. Highway 597 between Pep and Morton was under water at least 40 inches Tuesday morning after an additional 1.5 inches fell Monday night. Many roads in the Pep community were under water. "And almost everyone living off the highway had stuck a vehicle by Tuesday," Hogue added. "But there hasn't been too much complaining," he

added. As a general rule, six to eight inches were an average, but generally rains were lighter in the Spade-Fieldton area. Ed Mitchell who lives three miles north and four east of Spade recorded four inches for the six-day period. "But that was just right," the irrigated farmer added. Some other rainfall totals in the Spade-Fieldton vicinity include 4.5 at the W. B. Jones farm southwest of Spade and 6 inches at the T. C. Faver farm five and a half miles south of Fieldton. In the Olton area 5.5 was an average rainfall for the six days. At Springlake rains totaled between five and six inches with rains heavier in the Earth area. Six miles west of Earth, seven inches were recorded, and south of Earth in the sandhills as much as 10 inches was reported. At Whitharral, rains averaged from 5.5 to 7.5 inches with the heavier rains east of Whitharral.

CALVIN JONES was winner of the Hawaiian trip for two during the drawing Saturday night. Handing him some brochures on the trip is Tom Tollett, Festivities Days Committee co-chairman. (Staff Photo)

Pioneers Gather In Spite Of Rain Threat

OFFICERS for the Lamb County Pioneers for 1975 are, left to right, W. Dickenson, president; A. B. Brown, vice president; V. M. "Pete" Peterman, secretary; Alice Willis, scrapbook custodian; Ray Smith, F. E. Yohner, and Fred Lichte, directors. Not present for the photo was Bill Yohner, treasurer and Louis Hair, director. (Staff Photo)

L.W. EMFINGER of Littlefield and J. H. Roles of Amherst chat after conclusion of the 25th Lamb County Pioneers. Mrs. Emfinger was recognized as the oldest woman present and Roles was the oldest man present at the year's event. (Staff Photo)

High water didn't fail to dampen the spirit of the silver anniversary celebration of the Lamb County Pioneers here Tuesday. Recent rains and wet roads kept some regular attendance away, but more than 340 attended the 25th annual get together of the association. Of that number, about 100 were "gold ribbon" wearers, with the yellow ribbons showing 50 years or more residence in Lamb County. Mrs. J. W. Emfinger of Littlefield at 86 was recognized as the oldest lady present. Eighty-four year old J. H. Roles of Amherst was recognized as the oldest man present. W. B. Dickenson of Olton won the gift for living in Lamb County the longest. He has spent all of his 70 years at Olton, and his dad was the first county sheriff from 1908-1916. In addition to their honor, Dickenson will head up next year's event as president of the Pioneers. Martha Chambers of Houston was presented a gift for traveling the farthest distance. F. E. "Shorty" Yohner presided over this year's activities. Boy Scout Troop 600 presented the color guard under direction of Scoutmaster Bill Yohner. Ray Smith welcomed the group. Mrs. Pat Boone Sr. called the roll for the first school in Lamb County. Four relatives answered for pupils in that first class in Olton before Lamb County was officially organized. Rev. Straus Atkinson, district missionary of the Southern Baptist Convention in Plainview, gave the invocation and memorial service. Special music was presented by Jan Sisson and Stillwell Russell with Lorene Hulse at the piano. Following visitation and registration, barbecued beef and all the trimmings were served. Security State Bank of Littlefield donated the beef for the barbecue, and Littlefield Frozen Food Center donated

the processing. New officers for 1975 are W. B. Dickenson, president; A. B. Brown, vice president; V. M. "Pete" Peterman, secretary; Bill Jeffries, treasurer; Alice Willis, scrapbook custodian; and Ray Smith, Brown, Yohner, Fred Lichte and Louis Hair, all directors. Committee chairmen are Bonnie Huberer, hospitality; Ray Smith, program; Herbert Dunn, registration; A. B. Brown, Buck Phillips and Curtis Chisholm, tables and chairs; Mrs. V. M. Peterman, gifts; Joe Bitner, Kitchen supervisor; V. M. Peterman, beef; Joe Bitner, barbecue; and A. B. Brown, nominating committee.

BEARD CONTEST WINNERS were, left to right, Charles Powell, best all-around beard; Gary Gatewood, most kissable mustache; James Blackwell, most colorful beard; Art Foley, ugliest beard; Monte Phillips, longest beard; and Aubrey Ray, longest sideburns. (Staff Photo)

Rabbit Industries Receives SB Loan

Louis Boothe, president of the Anton Industrial Foundation, was notified Tuesday by Senator John Tower and Congressman George Mahon that a Small Business Loan has been approved for the expansion of Rabbit Industries, Inc. of Anton. Rabbit Industries is a new industry for West Texas, and the general offices will be located in Anton, serving all of West Texas and Eastern New Mexico. When in operation, the new firm will process and provide rabbit meat for the Lubbock-Amarillo area—which includes Eastern New Mexico. Processing pelts, production of fertilizers and blood plasmas will be other uses of the by-products.

Sheriff Solves \$3,000 Burglary

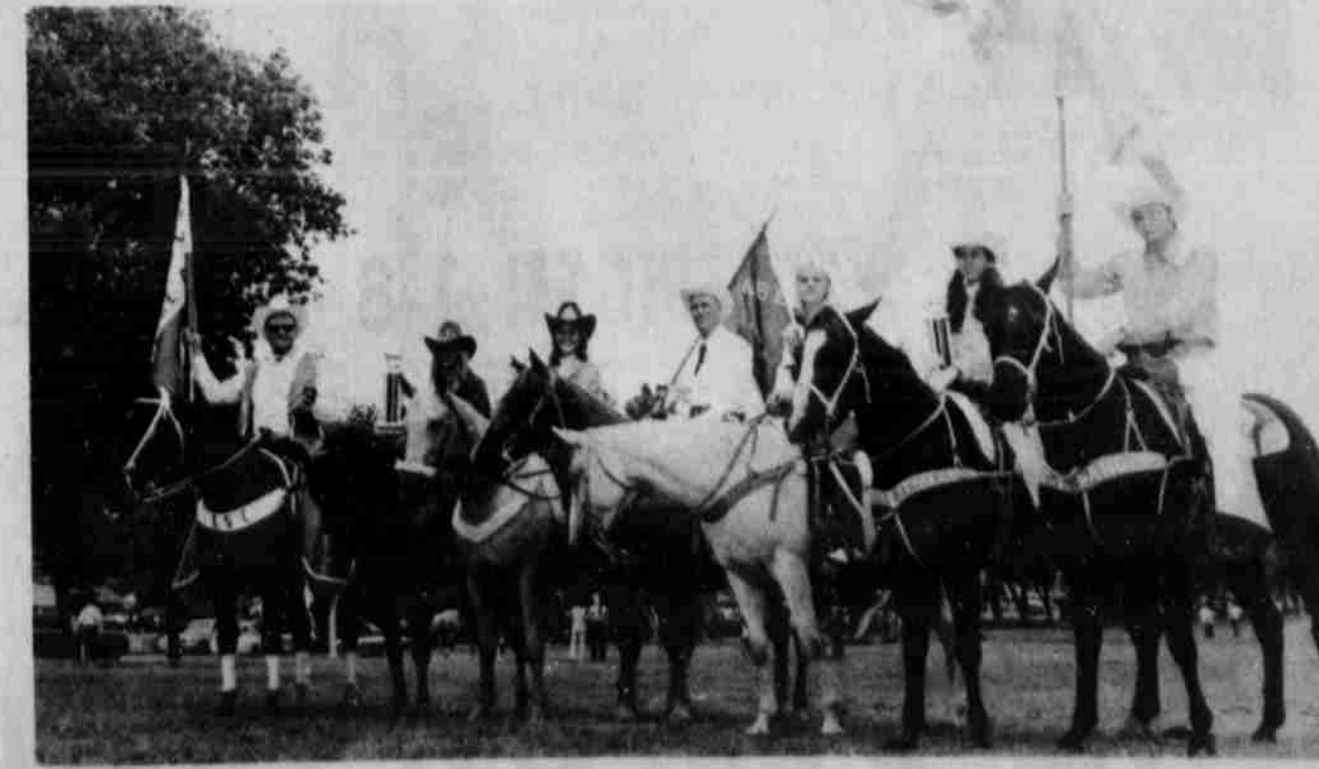

Lamb County sheriff's officers cleared a \$3,000 burglary this week with the arrest of two. In jail with bonds set at \$3,000 each are Adolfo Remero and Jessie Trevino both of Dimmitt. The men are charged with the burglary and theft of four IBM typewriters, two 10-key adding machines, two movie projectors, and two tape recorders from the Sudan Independent School District on Aug. 17. The articles had been sold to in-

Commissioners Court Set Friday

The regular end-of-the-month session of commissioners court is set for Friday, Aug. 30, beginning at 10 a.m. Agenda items include setting the Bookmobile budget for 1975 and drawing

Commissioners Court Set Friday

another name for the Salary Grievance Committee. Names are drawn from the list of grand jurors who served in the last session of jury service.

TROPHY WINNERS in the riding club division of the parade Saturday afternoon were, Senior Division, Lubbock Saddle Club, first place, (two on the left); and the Abernathy Riding Club (the next two). Junior Division winners were Texas Redwings, second place, (third from right) and the Lubbock Rangers (right) first place. (Staff Photo)

Spade Church To Conduct Revival Meet

Fall revival services will begin Sunday, Sept. 1, at the First Baptist Church at Spade, and will continue through Sunday, Sept. 8.

Daily services will be conducted at 10 a.m. and 8 p.m. Monday through Friday, and Sunday services will be conducted at 10 a.m. for

Sunday School, 11 a.m. for morning worship and at 7 p.m. for evening worship.

Evangelist for the services will be Rev. Bill Basse, a lay minister from Andrews. He is a mechanic for Dow Chemical Company of Andrews, and is currently serving as interim pastor at McKinney Acres

Baptist Church in Andrews. The music will be led by Rev. Jim Palmer, pastor of the church at Spade.

"Everyone is urged to come out and enjoy a wonderful time of worship with the Spade Baptist Church," Rev. Palmer stated.

MR. AND MRS. Gary Pryor of Lubbock visited their parents, the D. D. Yantis and Lloyd Pryor last week.

DONNIE McCAIN visited his sister, Mr. and Mrs. Keith Sears and sons in Frost.

MR. AND MRS. Alvin Mills, Sandra and Alvin Ray visited Oklahoma and Arkansas on vacation.

MR. AND MRS. John Norwood spent several days at the Lake in eastern New Mexico.

MRS. R. H. Campbell continues to improve at home following surgery in Lubbock.

MARVIN WAGNER flew to Houston for the weekend with his wife. Her mother Mrs. C. M. Eudy of Littlefield is a patient in the M.D. Anderson Hospital.

MR. AND MRS. Dean Campbell vacationed in New Mexico during a long weekend. They visited in Albuquerque and other places of interest.

WHEN Mr. and Mrs. Lee Payne were returning from a visit with their daughter Veta and family in Ruidoso last week they called on Mrs. Clare McFall Waller in Roswell. She was a long-time resident of Amherst and sent greetings to friends here.

MR. AND MRS. W. P. Holland are in New Mexico and Colorado. They were in

Tres Ritos, Taos and Albuquerque and Gunnison, Greenwood Springs and Durango.

COACH and Mrs. Bert Grimes, Debbie and Amy visited the Joe Miller family recently. They are from Shallowater.

WEEKEND GUESTS in the W. H. Roberson home were her brother, Newt Johnson of Hale Center and her sister, Mrs. Emma Patterson of Hale Center.

MR. AND MRS. T. L. Bennett had her sisters, Mrs. Gracie Lamb of Crockett and Mrs. Gertrude Staggs of Laredo as guests for the weekend. They left Tuesday

for California.

HERE FOR the weekend with their mother, Mrs. Lola Gonzales, were Mr. and Mrs. Willie Gonzales of Houston and Frank and family of Levelland.

DR. AND MRS. B. L. Burditt and Cindy were in Austin Friday to Sunday. Cindy was the Junior bride's maid in her cousin Kay Burditt's wedding Saturday.

MR. AND MRS. W. P. Stone were at their Greenbelt Lake cabin Saturday.

MRS. E. E. Beason was taken by ambulance to Methodist Hospital, Friday. She is in the intensive care unit.

Amherst Senior Citizens Feted With Cake Supper

AMHERST—The Senior Citizens of Amherst enjoyed an ice cream and cake supper, Tuesday, Aug. 20, at the Community Center.

Members of the senior citizen group brought freezers of ice cream and an assortment of cakes.

Musical entertainment was provided by Charles Smith, Mrs. Daisy Smith, Otis Wither, Bill Owens, Forrest Martin, Forrest Moore and Albert Finley.

Piano and accordion selections were presented by

J. R. Boarman of Phoenix, Ariz. who was here visiting his cousin, Mrs. Jim Bradley.

Sponsor for the evening was the Amherst Variety Store.

Mmes. Artie Humphreys, Artie Shavor, Verneil Batson, and Hazel Davis served refreshments to approximately 60 persons who attended.

Due to the First Baptist Church revival next week, there will not be a Senior Citizen meeting Sept. 3rd. The next meeting will be Sept. 17th.

DEBRA MYERS AND DON WILLINGHAM

Myers-Willingham Wedding Set

Mr. and Mrs. Bob Myers of Spade announce the engagement and approaching marriage of their daughter, Debra Myers, to Don Willingham, son of Mr. and Mrs. Joe M. Willingham of Garland.

The couple has set Oct. 19 as their wedding date, and the ceremony will be conducted at 7:30 p.m. in the Spade United Methodist Church.

The bride-elect is a graduate of Spade High School and South Plains College in Levelland, where she served as sophomore senator and was

affiliated with the Education Association and received her degree in secretarial science and employed as a clerk at Texas Tech School of Medicine.

The prospective bride is a graduate of Garland School and was a member of the South Plains College team two years, presently employed as assistant golf pro at the Municipal Golf Club in Levelland.

All friends and relatives of the couple are invited to attend the wedding.

Sing-Along Set Tonight

A Gospel Sing-Along will be conducted tonight at 8 in the Amherst Community Center. All kinds of Gospel songs will be sung, and the public is

invited to attend. Solos, duets, quartets, and congregational singing will be featured.

GENERAL REVENUE SHARING

ACTUAL USE REPORT

General Revenue Sharing provides federal funds directly to local and state governments. Your government must publish this report advising you how these funds have been used or obligated during the year from July 1, 1973, thru June 30, 1974. This is to inform you of your government's priorities and to encourage your participation in decisions on how future funds should be spent.

Students Named On List

A total of 21 Texas Tech University students from Littlefield, were recognized for academic achievement during the spring semester and were listed on the deans' honor rolls.

To qualify for the recognition, students must achieve a grade average of 3.0 on a 4 point scale.

Included on the honor rolls were:

Agriculture: Jonnie Wimberly.
Arts and Sciences: David D. Barton, Shelly D. Grant, Charlotte G. Hinds, Barbara A. Huckabee, and Robert M. Rogers.

Business Administration: Kim W. Hill, Oleta L. Mercer, Stanley F. Sadler, Glenn W. Timmons, and Gene M. Williams.

Engineering: Roy W. Thompson.

Home Economics: Holly G. Hinckley, Billie R. Richey, Patricia I. Sanders, and Carolyn A. Williams.

Education: Mary A. Glumpler, Jeanette Lowe, Judy C. Mathis, Amy C. Owens, and Joe W. Williams. Approximately 21,500

students are enrolled in the six colleges and two schools at the university: Agricultural Sciences, Arts and Sciences, Business Administration, Education, Engineering, and Home Economics and the Graduate School and the School of Law. Texas Tech is one of the major universities in the state and third largest in enrollment.

AROUND LITTLEFIELD

WITH THE LEADER-NEWS STAFF

MR. AND MRS. Oscar Arend of Colorado Springs, Colo. visited his parents, Mr. and Mrs. H. J. Arend over the weekend. They were accompanied by Mrs. Oscar Arend's mother, Mrs. E. F. Rowell of Amarillo.

PERSONS ATTENDING the Pickrell Family Reunion Sunday at Lake Ransom Canyon near Lubbock include: Cleo and Buck Links of Littlefield; Mr. and Mrs. Mickey Pickrell of Olton; Leonard Stamps of Fieldton; Guy and Edith Hays and children, Laura, Chris and Dwayne of Fort Worth; Odessa and Jake Mitchell of Olton; Lawrence and Patsy Barron and children, Jerry, Deborah, Dale and Alan of Lubbock; Earl and Juanita Stamps of Dickens; Wanda and Milvin Kelm of Plainview; Jerry Wells, Terry, Michael and Sharla D'Ann of

Levelland, Bill and Rachel Pittillo, Mick, Kent and Rod of Olton; J. W. and Adele Wells of Hart Camp; Chad and Kristi Metcalf of Levelland; and Rose Marion and Bobby Day of Lubbock.

Miss Hemphill Honored With Courtesies

Sherry Hemphill, bride-elect of Ricky Hafley, was

Margaret Fain To Co-Chair

ACC Homecoming

Miss Margaret Fain, daughter of Dr. and Mrs. J. R. Fain, of Littlefield, has been named student co-chairperson of Homecoming, 1974 at Abilene Christian College.

Miss Fain, a 1971 graduate of Littlefield High School, is a senior home economics education major. At ACC, she has been a sophomore and junior class favorite and has been named to the dean's honor roll two semesters.

She and Blair Francis of El Paso, the co-chairpersons for student activities at homecoming, will serve during the homecoming weekend, Oct. 18-19, on the ACC campus.

honed with a going away party Friday, Aug 16 at Texas Instruments where she was employed.

Cake and Cokes were served on the last break of the day. The bride was given a long stemmed yellow rose.

Sherry Hemphill, bride-elect of Ricky Hafley, was honored with a wedding shower Thursday night, Aug. 22 at the Blue Flame Room.

The guests were greeted at the door by the bride, and registered by Charlene Terry. Cake and punch were served from the bride's chosen colors of yellow and white.

The couple was given a gift certificate from the hostesses.

Special guests were the mother's and sisters of the couple.

Hostesses were: Joyce Albus, Juanita White, Donna Cawthon, Mildred Montgomery, Merle Davis, Forrest Houk, Brenda Boomer, Gail Bussey, Seva Ray, Bernice Reeves, Vickie Smith, Della Mae Stansell, and Edna Pryor.

The couple plans an Aug. 31st wedding in the chapel of the First Baptist Church at 4 p.m. All friends and relatives are invited.

THE ABUNDANT LIFE

Be Agreeable

By BOB WEAR

WHEN WE THINK ABOUT the attitudes which are helpful to us, and enable us to get along with others; we must not overlook the great value of agreeableness.

It should be noted that to "be agreeable" does not demand that we have no convictions, and it does not require unjustified compromises. We must, however, never make the mistake of being stubborn just for the sake of being stubborn.

We must "be agreeable" whenever we can, and we can do so without giving up any wisely conceived convictions.

IT IS ASSUMED by many that we have no choice but to be disagreeable in our associations with others. It is assumed that it is impossible to disagree without being disagreeable. This is a false assumption.

The truth is that we can always be pleasant, and it is very important that we remember to be pleasant. Of course, it is easy to be pleasant as long as there is full agreement of views between us and others; but when we reach the point of disagreement; we may be inclined to become unpleasant. We must not do this, because there is no just cause for doing so.

WE CAN "BE AGREEABLE", even when we disagree with others; and when others disagree with us.

We do this in the sense that we can maintain good manners, a congenial disposition, and a pleasant mood together with pleasant talk.

IF WE LET ourselves feel challenged by the differences which will develop

within the general framework of human associations, we cannot maintain an agreeable attitude and manner.

There is no good reason, however, to let these differences upset us, and cause us to be something other than our best self. If we will support a steady pleasantness, we can function very well in all situations.

WE FEEL BETTER about ourselves, and are much more effective in our associations with our fellowmen; when we are agreeable. There is nothing to be gained by letting ourselves be hateful, and generally disagreeable.

In fact, to do so will most certainly cause more undesirable and unnecessary problems. We will be creating problems where none would otherwise exist, and this is foolish. At the very best, there will be enough problems.

WE MUST WORK at being agreeable, and be busy trying to make this trait a prominent constancy.

This accomplishment may be easier for some than it is for others, but it is a possibility for all of us. We don't do this because others are agreeable; some will be, but some will not.

WE WILL ENJOY, and appreciate those who are pleasant; and this will make it easier for us to "be agreeable".

"IT TAKES A LOT of thought and effort and downright determination to be agreeable." -Everson.

AGREEABLENESS will prevent many difficult problems, and will help solve most of those which do arise.

HIPPITY - HOP

CLIPS & TIPS

By JOELLA LOVVORN

FAD DIETS are rampant, costing Americans more than \$100 million annually for reducing aids including pills, books, special clothing, and diet foods and drinks.

Sally Springer, with the Texas Agricultural Extension Service, The Texas A&M University System, notes that these fad diets may be harmful to the health, and weight loss often isn't permanent.

"Fad diets severely limit food choice, often emphasizing only one or two foods. Nutritionally balanced diets include a variety of foods, giving the dieter a chance to eat foods he likes," she says. Common fad diets suggest alterations in the protein, carbohydrate or fat intake. But all these nutrients are necessary for good health. Severe restrictions of any one may cause undesirable metabolic changes in the body.

However, excess amounts of any of these energy nutrients convert to fat if a person eats more calories than his body needs for energy.

"Weight loss on fad diets is often more than five pounds a week. Losing two pounds each week is the normal suggestion from most physicians and nutritionists. This helps the body adjust slowly and gives the dieter time to change his eating habits so the weight loss will be permanent," she notes.

EVERYBODY LIKES dessert, but most people eat it with varying degrees of guilt, feeling they really shouldn't be consuming so many calories and/or so much fat.

Everybody who is at all health conscious wants plenty of protein in the daily diet.

The food budget is under considerable strain these days. Put these three factors together, and it becomes obvious. What this country needs is an inexpensive dessert that's relatively high in protein, low in calories and fat, and so absolutely delicious that the family feels it's getting a treat.

Now that your dessert problems are solved in theory, here's the actual solution. Serve an iced milk sherbet for dessert. This sherbet is pretty to look at, light and refreshing to the taste. Best of all, it's good for you because it's made with instant nonfat dry milk, the milk that supplies all of the protein with none of the butterfat.

For calorie counters, cholesterol watchers and active school children who need all the protein power they can get, iced milk sherbet is a treat that's hard to beat.

Tonight, serve your own family one of these delicious and nutritious desserts. You owe it to yourself! (Note that both

recipes can be doubled or tripled to fit your freezer.)

HIGH PROTEIN STRAWBERRY SHERBET

(Makes about 6 cups) 1 cup fresh or thawed frozen unsweetened strawberries 1 1/2 cups liquid instant nonfat milk 1/2 cup sugar 1 egg white 1/2 teaspoon vanilla 1/4 cup water

Mash or puree strawberries. Soften gelatin in water. Place 1/4 cup milk and sugar in saucepan. Add softened gelatin and cook over low heat, stirring constantly, until gelatin is dissolved (1 to 2 minutes). Remove from heat. Beat egg white until soft peaks form. Add vanilla. Gradually stir in remaining 1 cup milk, strawberries and gelatin mixture until blended. Chill 2 hours. Freeze according to ice cream freezer directions.

HIGH PROTEIN CHOCOLATE SHERBET

(Makes 5 to 6 cups) 1 1/2 cups liquid instant nonfat milk 1/2 cup water 2 cups liquid instant nonfat milk 1/2 cup sugar 1 ounce melted unsweetened chocolate 1 egg white 1/2 teaspoon vanilla

Soften gelatin in water. Place 1/4 cup milk and sugar in saucepan. Add softened gelatin and cook over low heat, stirring constantly, until gelatin is dissolved (1 to 2 minutes.) Remove from heat. Gradually stir remaining 1 3/4 cups milk into melted chocolate to form smooth mixture. (If milk is added too fast, chocolate will not distribute evenly.) Beat egg white until soft peaks form. Add vanilla. Gradually stir in gelatin mixture and chocolate mixture until blended. Chill 2 hours. Freeze according to ice cream freezer directions.

TIPS AND TIDBITS:

RAW FRUITS and vegetables are good tooth decay fighters. Their crisp, crunchy and juicy interiors can help cleanse sticky food from teeth before bacteria can build up.

WHEN "WASHING" fruit, it's a good idea not to let the fruit stand in water. Some lose food value and flavor that way and others get "water soaked."

USE A MUFFIN tin to make individual salad and dessert gelatin molds. In half the tins, mix grated vegetables with the gelatin and in the other half add fruit and/or nuts. You have both salad and dessert ready.

To The EDITOR LETTERS

Mr. Wade A. Warren Publisher Lamb County Leader-News P O Box 72 Littlefield, Texas 79339

Dear Wade:

It was certainly my pleasure to see and visit with you. Unfortunately, campaign schedules in a statewide race make it impossible to sit down and have a long talk.

I owe a debt of gratitude to you and all the news media for informing the people of the importance of the Comptroller's Office and the goals I have for it.

Thank you for the coverage you have given me in the past, and if I may be of assistance to you in your work, please don't hesitate to call on me.

Sincerely,

Bob Bullock

August 24, 1974

Joella Lovvorn, Editor Lamb County Leader Littlefield, Texas 79339

Dear Miss Lovvorn,

We would appreciate your help in our campaign to recruit Girl Scout leaders in your community.

For the second year the Girl Scouts are conducting a national advertising program for new leaders. Test runs of this advertising have been successful, and in our area we are hoping to utilize this national concern to help recruit leadership in our own communities, including yours, where it is definitely needed.

Attached is a set of proofs, some of which we hope you will place in your paper as a public service during September when we have our national kickoff.

Very sincerely,

Ralph Sellmeyer, Chairman Public Relations Committee.

Dear Sir,

We at First Baptist Church are announcing a revival meeting beginning Sept. 1-6 at Anton.

The Singing Joe Cruse Family, known throughout the United States, will be leading us in these special days of worship.

We are writing all newspapers, T.V., and radio stations in hope that you will also announce our revival as a public service to your subscribers and listeners.

Enclosed you will find information you may use in the advertisements.

Please allow us as a church, and as subscribers and listeners, to Thank You in advance for using this in whatever way you choose.

Gratefully Yours,

Members of First Baptist Church Dr. David C. Evetts, pastor Anton First Baptist Church

27 August, 1974

Mr. Wade Warren Lamb County Leader-News Littlefield, Texas 79339

Mr. Warren,

May I take this means to thank everyone who was involved in Littlefield's 6th Annual Festivities Days. For those who were involved in the long hours of planning and hard work through to the very last details of cleanup.

Especially to Bill Payne and the Chamber of Commerce office, Tom Tollett and Benny Zahn and the Lions who planned the barbecue, Joe Carlisle and Carlisle-Oldham Ford, for their building, Also J. L. Marcum and Bert Wallace for their long range planning

Education Class To Begin Sept. 16

An adult education class will begin Monday, Sept. 16, at 8 p.m. in the Elementary I building in room 19.

Those interested in taking the course may sign up in the Junior High School Library, or call Mrs. Pressley, 385-5423.

Survivors include his widow; four sons, Dan of Cortez, Colo., Bobby of Muleshoe, Donnie of Mesquite and Hollis Field of Pittsburg, Tex.; a daughter, Mrs. Mildred Reasoner of Hobbs, N.M.; 16 grandchildren and six great-grandchildren.

GEORGE R. NEWMAN Funeral services for George R. Newman, 86, a retired Enochs farmer, who died Thursday at Lubbock Methodist Hospital, were conducted Saturday afternoon, Aug. 24, in Enochs Baptist Church.

Officiating was Rev. Charlie Shaw, pastor. Burial was in Enochs Cemetery by Singleton-Ellis Funeral Home of Muleshoe.

Newman, born in Kingsberry, had been an Enochs resident 30 years. He married Vertner Stokes in 1926 at Snyder.

HOMINY GRITS

By CORNBALL BLEVIN

FROM THE LOOKS of things, I'd say we'd ought to move Festivities Days to the middle of the month of May!—That's when we need rain!

SPEAKING OF RAIN, it couldn't have come at a better time for us Littlefieldites, seeing as how the city is having to repair our water main. Of course I'm wondering how much the rain will slow the repair work.

Wouldn't have made much difference at our house, anyway. Since getting my last water bill, I'd already decided that a yellow yard might not look so bad after all, especially if it was gonna cost so much GREEN to keep it watered.

GUESS YOU KNOW why some of us call all traffic lights, "Red-Lights". That's because they're always red anytime we approach them.

There's one of those gadgets less than one-half block from my house, and anytime I want to go that direction, I'm always faced with the proposition of having to wait for that light to go through its cycle.

I've tried every trick in the book to slip up on that monster, but no matter what, it'll stop me at least 90 percent of the time. Other people can drive down the street, and cruise right on through the thing, while it gives them a pretty green smile, but, not Cornball. And the hurrier you are, the slower it works!

ANWAY, I EXPERIENCED a feeling of deep satisfaction, a while back, when

I saw some city employees taking the thing down. I was further elated when I saw them putting up posts for stop signs—After all a stop sign will let you proceed, immediately, provided there's no cross traffic. Ah, Progress! I'm enthused.

But, alas, a couple of days later a light had been re-installed in that old familiar intersection. My disappointment was hard to swallow.

I haven't checked with the city boys, but I'd like to know if that replacement is a new light, or just the old one with a new coat of paint? If it's a new one, I'm thinking of walking down to the corner, introducing myself to it, and telling it how much better it looks than the old one. A little flattery might help me get off on the right foot with the gadget.

BUT IF IT'S THE old one I couldn't afford to say anything. I've made too many uncomplimentary remarks about the monster, and it'd recognize my voice.

On the other hand, just forget it. I've given the thing a couple of trial runs, and if it's not the same old light, then they're mighty close kinfolks—That old Red Frown looks too familiar!

NOPE, 'TWASN'T ME that put that humper sticker saying, "Bald is Beautiful" on Turn Row's vehicle. I don't even know where to get 'em. 'Twould be a gross mis-statement on his part, anyway.

Turn Row COMMENTS

By EMIL MACHA

I DON'T KNOW HOW the city dads in Cincinnati, Ohio figured it, but we West Texans are getting the blame for 10 tons of dust that has settled on their fair city or area. Yes, that's right they claim that due to dust storms in West Texas, they have had nine tons of dust to settle on each square mile of a certain area.

Wonder if there is some way we can charge them for the fertile soil that was stolen from us by mother nature? They should be guilty of receiving stolen goods.

SPEAKING OF STOLEN goods, it reminds me of inmates and jails and prisons. Of course each to his own as far as opinions go, but I can't help but ignore the movement toward prison reform.

I do admit that each inmate must be treated as a human, but look at it another way. In most instances, these inmates did not commit just one crime and were locked up. With the judicial system we have, most are given a second chance before being put behind prison bars. Many have had second, third and fourth chances, and still defy the laws of our society.

These people know right from wrong, and even with most getting every break from the courts of this fair land, they still say they didn't have a chance. All of us have had a chance, but some did not take advantage of it.

Our courts would rather let eight guilty persons go free than to convict one innocent person, and those who finally make the jails and prisons have taken advantage of one or more law abiding citizens in some violation of the

law. These laws are accepted by our society to govern the same society. In other words, our inmates knew better than to defy society. Once a person defies the laws of the land, they should be taken out of this society.

I feel that if the Supreme Court would let the courts put more teeth in the various laws of the land, it would curtail crime, and crime would be going downhill instead of the opposite direction.

I hope that what has happened in Huntsville, Amarillo and now at Stephenville, will be a lesson to others to take their punishment as given to them and utilize this time to their advantage, instead of a disadvantage to themselves as well as to many other people who have become victims of circumstances. Nuff said.

WEATHER REPORT— Rainy the remainder of August and most of September. Let us not look too grim at this report, just think what it will do for next year.

SOME FARMERS have reported cotton opening for the past three weeks, but now that the wet weather has finally arrived, I'm sure that it will slow up the maturing of the crops. In a few weeks, all will be created equal as far as crop maturity.

Some farmers are debating as to what to plant for a cover crop. Many realize that something needs to be done in order to prevent another dust bowl like the one in the '30's. One or two farmers can not control all the sand that might blow next

OBITUARIES

JOHN W. MOREE

Funeral services for John W. Moree, 80, a retired farmer and Earth resident for 30 years, were held Saturday afternoon in First Baptist Church with Rev. David Hartman, pastor, officiating.

Burial in the Earth Cemetery was under direction of Parsons-Ellis Singleton Funeral Home.

year. All will have to cooperate for dust control, and if this is not done in unity, many of us may not be able to get a crop started until late 1975. Of course now that we have had from seven inches of rain and up, many farmers may be able to control their land by just plowing. Again each time you plow, you will lose a certain amount of moisture. Who knows what is best?

A SMALL TOWN is usually a place that is divided by a railway, a main street, two churches and a lot of opinions.

MOREE DIED THURSDAY AT HIS HOME.

Survivors include a son, Hollis Moree of Springlake; three daughters, Mrs. Helen Berry of Seminole, Mrs. Ethel Mae Ehrhard of Plainview and Mrs. Christine Pollan of Sulphur, Okla.; a sister, Mrs. Arthur Bales of Bonham; a brother, Mack Moree of Honey Grove; 24 grandchildren and nine great-grandchildren.

GEORGE R. NEWMAN

Funeral services for George R. Newman, 86, a retired Enochs farmer, who died Thursday at Lubbock Methodist Hospital, were conducted Saturday afternoon, Aug. 24, in Enochs Baptist Church.

Officiating was Rev. Charlie Shaw, pastor. Burial was in Enochs Cemetery by Singleton-Ellis Funeral Home of Muleshoe.

Newman, born in Kingsberry, had been an Enochs resident 30 years. He married Vertner Stokes in 1926 at Snyder.

and work downtown Friday Saturday.

Also to all the merchants tributed to the very successful Saturday. The organization commercial floats and donated parade were a big help in making a BIG success. To Cliff his fine parade announcing.

A Texas-Size Thank You to for electricity to the concession Littlefield Public Works for the and especially to Rad Richardson.

And you, Mr. Warren, newspaper coverage, pictures coverage.

Dear Editor:

Mr. McKinnon is a very good writer. He either has a lot of education or is very talented at putting words together. Maybe both. If he would ever change occupations he could get a job as "Weather Man Editor" for the Washington Post.

Given the readers the redneck drought spells down to 1949. I would like to continue down through droughts for the last hundred years and tell what caused them. I'll bet I've heard of.

In 1945, West Texas had a year. The dry land was never only the few irrigation farms crops and a September from them. The old timers said "atomic bomb" caused that drought. I can hardly remember drought of the early 30's, but I remember that they blamed a guy named Hoover. That is, all the "die hard Republicans" blamed it on that new fangled called a tractor.

Then I remember the boys in Spade talking about years of 1917 and '18. It was some of them dry-planted their '17, went and fought in World War I when they came home after their cotton was just coming blamed that spell on the bomber army was dropping on the range.

The I heard of the worst drought it happened all over the Mid West in the 1850's. It was about a drought and I know a guy who lived in it and he is supposed to be an expert, and he said it was some cowboys that came out. He said they had a big party at some kind of weed and the smoke drought. I'm sure glad won't have to be proved in court.

If you say that two pounds of iodine from New Mexico comes in Ohio, you could also say that blast in Texas caused the San earthquake. The U.S. Weather says this present dry spell is by a high pressure ridge western part of the U.S. and keeps the storm patterns out of the rain. I'll go along with the present at least.

It is said that over 100 moisture passes over this area in the form of clouds. If I learn a way to milk these clouds to 10 or 20 percent of this moisture have part of the answer to the problem. I read recently government is going to seed for rain from Texas to the west. There are quite a few who say work, but just 10 years ago it was that man would never walk on water. Mr. McKinnon stated in his letters that the wells around here were going dry and that could mean real estate prices if someone sell. There's still around 20 water around here where I live have good crops for the kids we've had. I haven't had much the past three years and I think there hasn't been much roof Littlefield, so I'm going to see Suppression.

Mr. Wade Warren

Lamb County Leader-News Littlefield, Texas 79339

Public Notice

NOTICE Notice is hereby given pursuant to Article 3883i, Sec. 15, of Vernon's Civil Statutes of the State of Texas, which states the following:

"The Commissioners Court shall not exercise the authority vested in said Court by virtue of this Act, except at regular meeting of said Court and after ten (10) days notice published in a paper of general circulation in the county to be affected thereby of the intended salaries to be raised and the amount of such proposed raise."

The Commissioners Court of Lamb County, Texas, will take under advisement at its regular meeting on the 9th day of September, 1974 at 10:00 o'clock A.M. the setting of the salary of the following elected official of Lamb County, Texas. Said salary to be effective on September 15, 1974: OFFICIAL: JUSTICE OF THE PEACE, PRECINCT NO. 2

PRESENT ANNUAL SALARY \$1,200.00

PROPOSED ANNUAL SALARY \$2,400.00

That at said time of said meeting the Commissioners Court will consider the proposed salary increase and take action upon the same. WITNESS MY HAND this 31st day of July, A.D. 1974.

LAMB COUNTY COMMISSIONERS COURT By: Mary Beth Willey County Clerk and Ex-Officio Clerk of Commissioners Court, Lamb County, Texas (SEAL)

NOTICE OF PUBLIC HEARING

A public hearing will be conducted in the Council Room in City Hall, September 5, 1974, at 7:00 P.M., for the consideration of the budget of the City of Littlefield, Texas, for the 1974-75 Fiscal Year. A copy of the budget is on file at the office of the City Secretary.

Card Of Thanks

I wish to thank everyone for all the kindness, visits, cards and flowers during my illness. Special thanks to Dr. Chatwell and all the nurses. Earnest Williams

The family of I.D. Onstead would like to express their appreciation for the cards, visits, and food during the illness and passing of Irvin. Also, a special thank you to all the men who sat up during the nights. May God bless each and everyone. Mrs. I.D. Onstead, Rev. & Mrs. Norris Onstead and family, Ronnie Onstead and family, Mr. and Mrs. Donald Gilreath and family.

Public Notice

NOTICE OF HEARING TO CONSIDER THE DISSOLUTION OF PANHANDLE WATER CONSERVATION AUTHORITY OF THE STATE OF TEXAS

Notice is hereby given that a hearing will be held by the Texas Water Rights Commission, pursuant to Section 70.251 et seq., Texas Water Code, to dissolve Panhandle Water Conservation Authority, which is located in Armstrong, Bailey, Briscoe, Carson, Castro, Childress, Collingsworth, Cottle, Dallam, Deaf Smith, Donley, Floyd, Gray, Hale, Hall, Hansford, Hartley, Hemphill, Hutchinson, Lamb, Lipscomb, More, Motley, Ochiltree, Oldham, Parmer, Potter, Randall, Roberts, Sherman, Swisher, Wheeler, Cochran, Hookley, Lubbock, Crosby, Lamm, Dawson, Terry and Garza Counties, Texas, and which was created by special act of the Texas Legislature in 1937. The Commission anticipates dissolving the District for reasons of inactivity and failure to perform any of the functions for which created during five consecutive years and having no outstanding bonded indebtedness.

The hearing on this matter will be held by the Texas Water Rights Commission in the Stephen F. Austin State Office Building at Austin, Texas, on October 2, 1974 at 10 o'clock a.m. All persons interested in the dissolution or continuation of the above named District are requested to appear and present evidence for or against the dissolution of the District.

s/Burke Holman Burke Holman, Acting Chairman TEXAS WATER RIGHTS COMMISSION Date: August 16, 1974

BOOKMOBILE SCHEDULE

The High Plains Bookmobile will be in this area next week. Tuesday, Sept. 3: Morton, 9:30-12. Wednesday, Sept. 4: Circleback, 9-10; Bula #1, 10:30-11:30; and Bula #2, 12:00-12:15.

Thursday, Sept. 5: Amherst, 9:15-10:15; Springlake #1, 11:00-11:45; Springlake #2, 12:15-1:15; and Earth, 1:15-3:45.

Friday, Sept. 6: Pleasant Valley, 10-11; Sudan #1, 12-1; and Sudan #2, 1:3-4:5.

Coach Carlin To Head Up Scout Roundup

Texas Tech University's Head Football Coach will head up the All American Roundup for the South Plains Council, Boy Scouts of America, reports Jack Baker, Council President.

Approximately 4,500 boys will join the All American Team during the last four months of 1974 in the 22 counties of the South Plains Council.

Boy Scouts Campaigning For Increased Enrollment

The name Boy Scouts of America strikes magic in the hearts of many. To a boy of nine or 10 it

means fun and games, handicrafts, being with one's buddies, and doing the things

he likes to do. For a boy 11 and up, it is campfires, sleeping under canvas, hiking, physical activity, and being with his friends.

school before the date rally. Scoutmasters for the are: Troop 600, Bill Troop 637, Wayne Troop 641, Roland Bell 642, Tommie Varga Troop 638, contact Dayton. Those interested Cub Scouts should Claude Burnett.

Bridal Shower Honors Couple

AMHERST—Miss Malinda Edwards, bride-elect of Terry Mangum was honored with a miscellaneous bridal shower in Mrs. Dean Carpenter's home Saturday morning. Guests were registered in the bride's book.

Debbie Cummings and Carla Nicholson presided at the refreshment table. It was laid with a lace-edged white net cloth over yellow. The center decoration of slender yellow tapers, yellow satin ribbons featured a miniature bride and groom. They served coffee cake, nuts, mints with spiced tea and coffee.

The large array of useful gifts included a set of club aluminum cookware in harvest gold color and a matching electric blender and toaster. It was displayed in the master bedroom.

'Gloryland Two' To Sing

"The Gloryland Two" singers of Lubbock will be featured during the evening worship hour at Parkview Baptist Church Sunday night

Clois Tames, John Norwood, C. R. Roberts, Joe Chambers, Ronnie Harmon, Winston Cummings, Glenda Young, A. J. Mote, Glynn Brandstatt, Marie Sawyer, Nell Cook, Jeannie Gage, Joe Miller, Jimmy Rose, Lib Bales, Betty Duvall, Dale Weaver, Joe Thompson, Troy Tolbert, Lavelle Hardwick, Gene Priddy, Lloyd Pryor, B. L. Burditt, Melonie Foley, Leroy Sawyer, Sharon Carpenter, Tany Armistad and Dean Carpenter.

Out-of-town guests were the groom-to-be's mother, Mrs. Joe Mangum of Wolforth, Mrs. Don Bucholz, Lubbock, Mrs. Leroy Sawyer, Mrs. Ralph Carter and grandson Chris, Mrs. Harry Woody, Mrs. Gertrude Kelsay, Mrs. Paul Barker, and Mrs. Otis Witcher, the honoree's grandmother, all of Littlefield.

In the high school age group, it is a coed activity which involves a program designed to give experiences in many fields, including career interests. To adults, it can be a hobby, a business, fun, and a matter of helping youth grow. Boy Scouts of America means many things.

For the George White District and the Scouts and Scouters of Littlefield it means reaching more boys and having them join scouting.

The roundup theme for 1974 is the "All American" Team. Every Cub Scout, and Explorer in the District can make the All American team by inviting a boy to join scouting. A distinctive patch will be presented to each scout recruiting a boy with a star awarded for each additional boy recruited. When a unit reaches its goal the unit leader is awarded a coffee mug and the unit receives a pennant. All awards except the patch will be presented at the District Banquet to be held in January, 1975.

Any boy 8-10 years old and his parents are invited to attend a combined pack meeting of Pack 638 and Pack 641 Aug. 29 at the Littlefield Community Center.

Mrs. Morgan Celebrates Birthday Sunday

AMHERST—Forty-eight were here Sunday to help Mrs. R. R. Morgan celebrate her 90th birthday.

Mrs. C. E. Pressley, Alvord; Mr. and Mrs. Bernard Nelson, Uvalde; Mrs. Velma Howell, Dallas; Mrs. Irene Raynes, Littlefield and Mr. and Mrs. Toy Stine were daughters here and sons Carl Morgan, Amarillo, Clyde Morgan, Meridian, Mr. and Mrs. Buster Morgan and sons, Dimmitt, Mr. and Mrs. Horace Morgan, Muleshoe and Alton (Red) Morgan, Amherst were here to complete her family of ten.

Others were Mr. and Mrs. Michael Nelson and girls, Hurst; Mrs. Butch Walt and

girls, Albuquerque; Beth Ann and Devon Britt, Lubbock; Mr. and Mrs. G. D. Webb, Adrian; Mr. and Mrs. Bill Adams and Amy, Lubbock; Mrs. August Falkenberg, Randy and Vicki, Kress; Mr. and Mrs. Darrell Stine and girls, Lubbock; Mrs. Ruby Gresham, Winters; Mr. and Mrs. Darrell Gresham and Richard, Edmonson; Dan Gresham Jr., Plainview; Mr. and Mrs. Larkin White, Mrs. Sude White and Mrs. LaVelle Hardwick of Amherst.

POPULAR FASHIONS

Feminine blouses in soft fabrics—often combined with lace—continue to be a popular fashion item.

Any boy 11 years old and older is invited to attend, along with his parents, any troop meeting. Troop 600 meets on Thursday night, Troop 637 meets on Monday night, Troop 641 meets on Tuesday night, Troop 642 meets on Wednesday; and those interested in joining Troop 638 should contact Warren Dayton at the Southwestern Public Service.

A community-wide scout rally for Cubs, Scouts and Explorers will be held in September at the Community Center.

More information on the rally will be presented in

Four Seniors On Wolverine Squad

With only four seniors on their 32 man roster, Springlake-Earth may seem a little thin at the top. But backing those seniors up are 11 juniors, many of whom slaved a lot last year, and 15 sophomores. So even if the Wolverines fall short of a championship this season, the next two years should be outstanding one.

Tom Phelps was elevated from his assistant post to head coach after the Wolverines sputtered to a 2-8 record last season. He inherited five offensive and six defensive starters, with four boys going both ways.

Del Davis (Sr., 200) will start both directions as a tackle, and is the mainstay of the Wolverine line. Randy Latham (Jr., 180) will play guard and defensive tackle. Randy Bills (Jr., 185) is a guard and defensive noseguard, and Doug Jones (Sr., 160) is a running back and defensive end. Jacob Miller (Jr., 160) will start in the backfield.

Brad Bridges (Jr., 165) returns at defensive end along with Mike Bosquez (Sr., 160).

Phelps is looking for strong play from a foursome of newcomers. Juniors Larry Dean and Brad Barden should log considerable playing time as running backs, and sophomores Rodney Geisler (fullback) and Brent Been (center) will also see action.

Last year, Springlake-Earth had one of the fastest teams around, with three players of the Hornet's sprint relay team that made it to the state meet. "Next to our inexperience, I'd say our lack of speed is the main difference in this year's club and last year's," Phelps said. "We don't have the type of speed we've had in the past, and this has got to affect us. But I would say our size is above average, so maybe

things will balance out. Our line, which had me worried for a while, is definitely improving. Still, we're going to have to win a lot of games on defense if we're going to be successful."

Phelps will run his team out

of a variation of the winged T offensively and will use a standard five-man front on defense.

NEXT ISSUE: The Sudan Hornets are spotlighted.

SCHEDULE: Sept. 6-Amherst-H; Sept. 13-Plains-T; Sept. 20-Dimmit-T; Sept. 27-Sudan-T; Oct. 4-Shallowater-H; Oct. 18-Vega-H; Oct. 25-Bovina-T; Nov. 1-Hart-T; Nov. 8-Kress-H; Nov. 8-Farwell-H.

THE SPRINGLAKE-EARTH WOLVERINES have a youth movement going this season as juniors and sophomores dominate the 32 man squad. New Head Coach Tom Phelps (left) and Line Coach Bill West have high hopes for this foursome of players: Del Davis (No. 60, 200 pound Sr.), Brent Been (No. 61, 160 pound Soph.), Doug Jones (No. 33, 160 pound Sr.) and Rodney Geisler (No. 31, 150 pound Soph.). (Staff Photo)

Duck, Goose Seasons Split Again

A second consecutive year of split duck and goose season was set for most of Texas by Parks and Wildlife Commissioners in their August meeting in Austin.

Acting within federally approved migratory waterfowl hunting frameworks, the commissioners established a 45-day duck season in the High Plains Mallard Management Unit of Texas for Nov. 4-24 and Dec. 7, 1974-Jan. 19, 1975.

The High Plains Mallard Management Unit is defined as that part of Texas lying west of a line from the International Toll Bridge at Del Rio, northward along U.S. Hwy 277 through San Angelo to Abilene, along State Highway 351 from Abilene to Albany and U.S. Hwy 283 from Albany to Vernon, and easterly along U.S. Hwy 183 to the point of intersection with the Texas-Oklahoma line in Wilbarger County.

A 58-day duck season was set for the rest of Texas: Nov. 9-24 and Dec. 9, 1974-Jan. 19, 1975.

The 100-plus point system was modified somewhat for this season:

-100-point ducks-canvasbacks and redheaded ducks.

-70-point ducks-Mallard hens, wood ducks and hooded mergansers.

-15-point ducks-Bluewing and cinnamon teal, pintails, widgeons, gadwalls, scaups, shovelers and mergansers except hooded.

-35-point ducks-All other species and sexes (to include mallard drakes, greenwinged teal and mottled ducks).

The season remains closed on New Mexican ducks, black-bellied and fulvous tree ducks.

As was the case last year, canvasbacks and redheads may not be hunted in the coastal counties of Aransas, Brazoria, Calhoun, Cameron, Chambers, Galveston, Harris, Jackson, Kennedy, Kleberg, Matagorda, Nueces, Refugio, San Patricio and Willacy.

Bag and possession limits for this eastern portion of the state are five geese to include not more than one Canada or one white-fronted goose.

The possession limit can include no more than two Canada geese or one white-fronted goose, or one of each.

In that part of Texas to the west of U.S. Hwy 81, an unbroken 93-day season was set for Oct. 19, 1974-Jan. 19, 1975. A daily bag limit of two birds was set; possession limit of four geese to include not more than one Ross' goose.

Sandhill or little brown crane seasons remain much the same as last year for the two parts of northwest Texas in which they can be hunted.

An Oct. 26, 1974-Jan. 26, 1975, season was set for that part of the state lying west of a line running from the International Toll Bridge at Del Rio northward along U.S. Hwy 87 to its junction with U.S. Hwy 17 at San Angelo, northwesterly along U.S. Hwy 87, including all of Howard and Lynn Counties, to its junction

with U.S. 287 at Dumas; northwesterly following U.S. 287 to the point of intersection with the Texas-Oklahoma line in Dallam County.

Nov. 30, 1974-Jan. 26, 1975, was established for hunting sandhills in that area of the state west of a line from San Angelo along U.S. Hwy 277 to Abilene, then along State Highway 351 from Abilene to Albany and U.S. Hwy 283 from Albany to Vernon, easterly along U.S. Hwy 183 to the point of intersection with the Texas-Oklahoma state line in Wilbarger County; and east of a line from San Angelo along U.S. 87 excluding all of Howard and Lynn Counties, to the junction of Highways 87 and 287 at Dumas, and then along U.S. Hwy 287 from Dumas to the Texas-Oklahoma in Dallam County.

Sandhill bag and possession limits are three and six respectively.

Coot seasons will run parallel to the respective duck seasons; bag limit is 15, possession limit is 30.

The Dallas Cowboys (2-2) host the Kansas City Chiefs (2-2) on Saturday night in Texas Stadium. The Cowboys dropped a 16-7 decision at New Orleans last Saturday night while the Chiefs were defeating the San Francisco 49ers, 26-7.

The teams are tied 2-2 in pre-season play, including last summer's 27-16 Cowboys victory in Dallas. The teams have met once in the regular season, the Cowboys posting a 27-16 win in 1970.

KICKOFF is at 8 p.m. Saturday in Texas Stadium.

Both Tom Landry of the Cowboys and Hank Stram of the Chiefs are the only head coaches their teams have had. Each took over a new franchise in 1960 and each built a winning machine from scratch.

LITTLEFIELD TAKING TOURNAMENT ENTRIES

Littlefield Country Club is still accepting entries for its Labor Day Weekend Partnership.

Entry fee is \$40 per team, with shotgun starts at 9 a.m. and 2 p.m. both Saturday and Sunday. The tournament is limited to 60 teams and the first 30 teams asking for the early tee off time Saturday will get it.

The first day scores will "light" the teams for the final day. Deadline for entering the meet is 10 p.m. Friday. Those interested may contact Ernest Mills, Jim Upton or Neil West at the Littlefield Country Club pro shop. (385-5000).
