Memorial Day Service Set

A special flag-raising ceremony will be conducted in Littlefield Memorial Park Monday morning at 10 a.m., in honor of the deceased veterans who are buried in the two cemeteries. Presenting the special ceremony will be members of the Veterans of Foreign Wars, Women's Auxiliary and the American Legion. The public is invited to view the colorful "Avenue of Flags", featuring funeral flags of the deceased, which will outline the front drive of the cemetery.

Chamber Sponsors Commemorative Coin

A special commemorative coin available in either 24K gold plate, .999 fine silver, 10 Ga. antiqued silver or 10 Ga. antiqued bronze and featuring a sketch of the city of Littlefield's namesake, Major George W. Littlefield on one side and a scene depicting early days on the Halseil Ranch will be available before Festivities Day due to action taken by the Board of Directors of the Littlefield Chamber of Commerce and Agriculture.

The directors met in a special session Friday afternoon and voted unanimously to sponsor the medal and to sell coin sets and individual coins. While delivery is not expected before two months, it is imperative that anyone desiring these commemorative coins contact the Chamber office or any director to reserve their selection since there will be only a limited number of coins struck at the mint.

It was also decided by the directors that first choice of coins would be limited to the Chamber membership. The strikingly beautiful coins (a sample of the coins struck for Tulsa was on display) will become valued collector's items and will surely increase in value due to the precious metals used. Slightly larger than a silver dollar, the coins will be available in four coin cases, three coin cases, two coin cases and individually. Only 60 of the four coin sets were ordered and Chamber Manager Bill Payne reported that orders for 27 had already been turned in.

A special meeting for all artists who are interested in submitting a pen and ink sketch for both sides of the coin will be held Sunday at 3 p.m. in the meeting room on the second floor of city hall. The artists will receive detailed information concerning the drawings from committee members Benny Zahn, Tom Tollett, Carol Black, Ken Day, Rad Richardson and Payne. The artist whose drawings are selected will have his or her name on each coin as the designer and will also receive an artist's proof set. This will be a continuing series and an annual community service project of the Littlefield C of CA.

Mayor Signs Proclamation Designating MS Weeks

Mayor J. E. Chisholm has officially proclaimed May 25 through June 16 as "Conquer Multiple Sclerosis Weeks in Littlefield" and "I urge all citizens to support the '74 MS Hope Chest Campaign to find the cause, prevention and cure for multiple sclerosis—the mysteriouscrippler of young adults."

According to the proclamation, Multiple Sclerosis is a crippling disease of the central nervous system that distorts and sometimes blocks nerve impulses that control many vital bodily functions and is the greatest cause of disability among young adults in their prime career and family-building years between 20 and 40.

The cause, cure, prevention and effective treatment for the disease still remain unknown and it is estimated that some half million Americans are victims of MS and related neurological diseases.

The South Plains Chapter of the National Multiple Sclerosis Society provides many needed services for three registered MS patients and their families in Littlefield, and help is available to others who wish to be registered with the society.

Contact Bill Thrasher, National MS Society, South Plains Texas Chapter, 501 Myrick Building, Lubbock, Tex. 79401, or you may call him at 806-747-3963.

Merchants Close Memorial Day

According to a survey made by the Littlefield Chamber of Commerce and Agriculture, most Littlefield merchants will be closing Monday, Memorial Day. Both banks and Littlefield Federal Savings and Loans will be closed, along with all state offices, U.S. governmental offices, the Chamber of Commerce, utility companies, and most downtown merchants.

Vet Clinic Thursday

A vaccination clinic is being held for Thursday, May 30, at the Littlefield Veterinary Clinic, beginning at 10 a.m. and continuing through 5 p.m. Dr. Howard Head, DVM, will vaccinate animals, and will also have vaccines available to those who wish to vaccinate their pets. Certificates will be writing certificates for each year, in order to speed up the process.

Within the Littlefield city limits, rabies vaccinations are given yearly, so if yours have not been vaccinated to date, this will offer an opportunity to do so. For those who live outside the city limits, rabies vaccinations also bring their animals. Rabies license is \$3 for females and \$4 for males and spayed females. Rabies vaccine is \$3 and the distemper vaccine is \$4. Leptospirosis will cost \$7.

MYRTLE HAIRE FINISHES 100 MILES

The Swim Of Things

Myrtle Haire does the "hair carry," she says. "I think I can do almost anything in the world I take a notion to do. It comes to being physically fit. I can swim two hours in the pool and spend the rest of the day in the yard—even digging up and still have energy left for her many other hobbies. She started swimming lessons after she turned 60. That was the first I had ever had for adult women."

During this time she has sandwiched in three art courses in painting. "But I told them when I started that I wasn't giving up my swimming," she said. "And the teachers know not to expect me on certain days." Besides enjoying the water and exercise, Mrs. Haire likes the side benefit of keeping trim. Lean and hard, she admits that she once wore a size 18 dress. Her instructors, Gene Hildreth and Marv Mauder, say Mrs. Haire is their star pupil, and the only grandmother they know who has a billfold full of swimming cards mixed in among pictures of seven grandchildren.

Brazos River Authority Meeting Slated Friday

Proposals and suggestions will be discussed at a public meeting in Lubbock, Texas, on the development of a water quality management plan for the Brazos Basin and adjacent areas as it will affect the water quality of the Brazos River in Lamb, Castro, Parmer, Bailey, Cochran, Crosby, Floyd, Garza, Hale, Hockley, Littlefield, Lynn, and Terry counties. The meeting is sponsored by Panhandle Planning Commission, the Brazos Association of Government, and the Brazos River Authority in the South Plains Electric

Co-op Building, 110 Amarillo Highway, Lubbock at 7 p.m.

Purpose of the meeting, Colonel Walter Wells, general manager of the Authority, said, is to describe the procedures to be used in developing the basin-wide water quality management plan for the Brazos Basin and adjacent Gulf Coast areas, present the stream standards and other factors on which the plan will be based, answer questions concerning the planning and offer an opportunity for public comment and suggestions.

The basin-wide plan is being developed by environmental engineers, water quality specialists and other staff members of the Authority under the direction of Carson Hoge, Director of Planning and Development for the Authority.

All or parts of 74 counties are included in the overall planning area, which comprises all of the Brazos River watershed and adjoining Gulf Coast areas. Public meetings are being held throughout this planning area to acquaint the general public with the plan and to assure that the final plan submitted to the Texas Water Quality Board meets the needs and desires of the people in the planning area.

The Governor's office, more than two years ago, designated the Brazos River Authority as the State agency to develop a plan for improving and protecting the quality of surface water in the 45,000 square miles of the planning area.

Library Membership Drive To Be Conducted Tuesday

The Friends of the Library will conduct the annual association membership drive Tuesday morning, May 28, in the Littlefield business area.

The 1974 membership drive will be under the direction of Peachy Hampton, Twila Goben and Lucy Moreland, all dedicated "Friends" of the Lamb County Library. These Friends of the Library will be assisted by other "friends" of the Library.

The money will be used to buy additional books for the local library, which can be used by all age groups in the county. In addition, material will be bought for use in the show-and-tell machine and for flannel-board demonstrations, which are utilized by the younger age groups in the county.

The Lamb County Library presently has over 13,000 volumes. The usage in 1972 was 22,486 volumes; in 1973, 33,318

volumes, and the first quarter of 1974 indicates that the current year will show a larger usage than any previous year.

The Lamb County Library provides, during the winter months, a story hour each week, plus a book review for adults each month. During the summer months, there are two hours per week for the three to four-year age group, and one hour for the five to six-year age group.

Friends of the Library donate approximately 1,000 hours per year in assisting the librarian, Mrs. Nora Hicks, and her assistant, Mrs. Dorothy Spencer, in making the library services available to the citizens of Lamb County. The library hours are 10 a.m. to 5 p.m. during the school months, and 10 a.m. to 5 p.m. during the summer. The library is not opened on Saturday.

The membership dues are \$1 per individual, \$5 for a sustaining membership, \$10 and \$25 for a business membership, and \$100 for a life-time membership.

Hubert Henry, of the Friends of the Library, emphasized that the annual membership drive is not to be confused with a future campaign that will be made by the Lamb County Memorial Library Cooperation for funds to be used in the construction of a new library building.

Nursing Course To Be Offered

Time for the sessions will be at 10 a.m., 2 p.m. and at 7 p.m. in the Willy Room of the Lamb County Electric Coop building.

Classes will be limited, and reservations must be made by June 3 at 5 p.m. by calling 385-3005 for Mrs. Abernathy or 385-5425 for Hope or sending your name and address to P. O. Box 432, Littlefield, Texas 79339.

The only cost involved will be the \$1.75 cost of the hand book.

Double ring wedding vows were exchanged Saturday night, May 25, between Pamela Sue Brandt of Littlefield and Kenneth Mark Grace of Anton, as they stood at the altar centered with a unity candle flanked by arrangements of pink and lime green Fuji mums, white and pink daisies and baby's breath.

Officiating for the reading of the vows was Rev. James Ristvedt, pastor of Emmanuel Lutheran Church.

Parents of the couple are Mr. and Mrs. E. J. Brandt of Rt. 1, Littlefield, and Mrs. and Mrs. Kenneth L. Grace of Rt. 1, Anton.

As E. J. Brandt presented his daughter for marriage, she wore a gown of organza over

satin, featuring a high fitted bodice, scoop neckline, Bishop sleeves with cuffs and a chapel-length train. Venice lace accented the bodice and back of the skirt. A small pleated ruffle accented the edge of the skirt and train. Her three-tiered chapel-length veil featured scalloped venise lace around the bottom edge, and was held by a headpiece of organza over satin, with Venice lace appliques. The dress and veil were made and designed by the bride's mother.

The bride carried a bouquet of tapered pink sweetheart roses, white stephanotis and baby's breath, atop a white Bible. Her removable pink Cattleya orchid was nestled in the center.

Mrs. Jim Reichman of Flagstaff, Ariz. was her sister's matron of honor. Bridesmaids were Pam McNeese of Littlefield and Lisa Teinert of Victoria, the bride's niece.

They wore floor-length gowns with high fitted bodices, wide scoop necklines with circular ruffles, A-line skirts and ruffled sleeves fashioned from sheer pink polyester with white flocked flowers with green over pink gingham.

Brent Couch of Anton was best man. Groomsmen were Alan James of Anton and Matt Grace of Anton, brother of the groom.

Ushering the guests to their pews were Jim Reichman of Flagstaff, Ariz., brother-in-law of the bride; James Turnbow of Lubbock, cousin of the groom; and Jeff Hobgood of Anton.

Rhonda Synatschk of Anton served as flower girl and Phillip Ristvedt of Littlefield was ring bearer.

Candlelighters were Charles Grace of Anton, brother of the groom; and Phillip Teinert of Victoria, nephew of the bride.

For her daughter's wedding, Mrs. Brandt wore a floor-length gown of light green polyester crepe, styled with an empire waistline and long sheer sleeves.

Mrs. Grace chose a pink floor-length gown with a pleated skirt, lace bodice and long sleeves. The waistline was accented by a pink fabric belt. Both mothers wore pink orchid corsages.

For something old and borrowed, the bride wore the first wedding rings of the groom's grandmother, Mrs. Otto Taylor; "something new" was her wedding attire; "something blue", a garter made by her sister, Betty Teinert; and she wore pennies minted in the years of the couple's birthdates and the year of their marriage.

Registering the guests was Mrs. Jimmie Gray of Littlefield.

Traditional wedding music

included the processional "Trumpet Air" by Purcell; solos, "Whither Thou Goest", "Wedding Prayer", "Wedding Song" as the couple lit the unity candle; and the recessional, "Trumpet Voluntary", by Clark.

Organist was Mrs. Buster Owens of Littlefield, and solos were sung by Rev. Archie Echols of Lubbock.

Following the wedding, reception was served in the parish hall of the church. Serving the traditional wedding cake—a four-tiered cake decorated with pink roses and topped with a bouquet of pink icing roses—were Mrs. Hubert Teinert, sister of the bride, and Mrs. Ray Parker of Hurst, aunt of the groom.

The serving table was laid with a white organdy cloth with ruffled skirt over hot pink, and was centered with an arrangement of pink carnations, white daisies, baby's breath in a silver bowl, flanked by single pink candles.

Members of the houseparty were Mrs. Louis Boothe, Mrs. Thomas James, Mrs. Clarence Hobratschk, Mrs. U. J. Hobratschk and Mrs. Richard Motl.

Distributing the rice bags was Miss Sally Wilkinson of Littlefield.

For their honeymoon trip to Ruidoso, N.M., the bride wore a light green seersucker-look doubleknit pantsuit, with the orchid corsage lifted from the bridal bouquet.

This summer, they will reside in Nashville, Tenn. where the groom will be working for Southwestern Publishing Company.

The bride is a 1973 graduate of Littlefield High School, and completed her freshman year at Eastern New Mexico University in Portales where she was working on a secretarial administration major.

The groom is a 1972 graduate of Anton High School and completed his sophomore year at ENMU in Portales. He was majoring in finance. He will be a junior at Texas Tech this fall.

The rehearsal dinner was held Friday night at the Villa Inn in Lubbock, with Mr. and Mrs. Kenneth Grace serving as hosts.

Centering the table was an arrangement of pink carnations, white daisies and baby's breath.

The bride and groom presented gifts to all in the wedding party.

A bridal luncheon honoring Pam Brandt was given by Mrs. Thomas James and Mrs. Jimmy Taylor at the Gold Room of Hemphill-Wells Saturday, May 18.

Centering the table was an

arrangement of pink carnations and baby's breath. A gift of crystal was given to the bride by the hostesses.

Guests attending were, the honoree; her mother, Mrs. E. J. Brandt; Pam McNeese, Druanne Gray, Mrs. Otto Taylor, Mrs. Jack Grace and Mrs. Kenneth Grace.

Memorial Day, 1974

THE HISTORY of our nation is a history of courageous men who put personal liberty above all else—and who were willing, if need be, to lay down their lives for it.

From the War For Independence to, and including the recent Vietnam War, whenever Americans have seen the dignity of the individual endangered by totalitarianism, they have not hesitated to take up arms to protect the precious freedoms on which our America was founded.

THIS YEAR, as we honor the memory of all Americans who, down through the years, have given their lives in the cause of human freedom, let us remind ourselves of our constant obligation to guard well the ideals and principles for which those Americans fought and died.

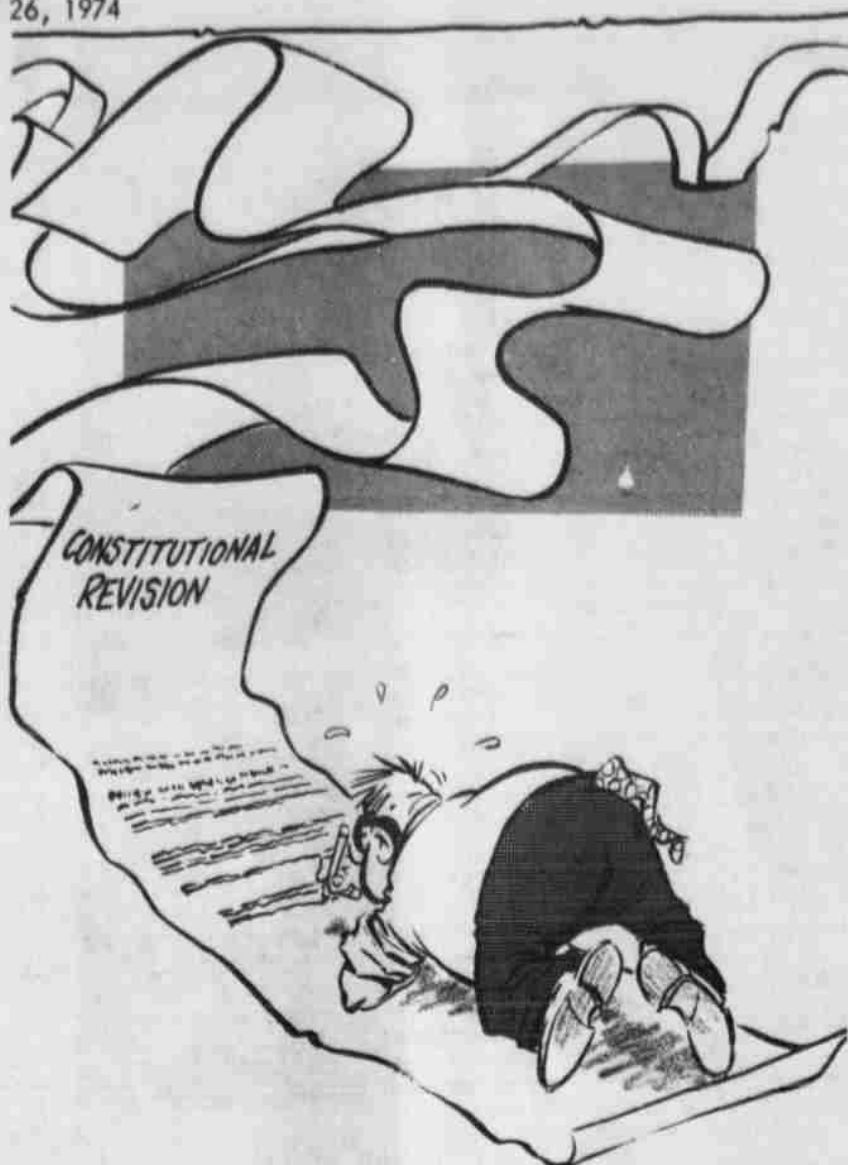

Some Americans believe it is fashionable today to be "right on" with the left liberal movement and political militant groups in ridiculing anything connected with patriotism, law and order, the military and patriotic holidays in general. Americans who ignore or even ridicule our war dead should be reminded that they have their free speech and their good life today only because of the sacrifices of those who were willing to fight and, if necessary, to die for those precious rights.

THOSE WHO are continuously nit-picking and finding fault with our Nation today, should count their blessings and imagine what America and Europe would be like if Germany had won in World War I or II. If these dead had not given their lives in the winning of it, God knows how vile and brutalizing to mankind the past half century could have been!

One reads of battered babies and remember young Americans who were killed in war, before they could know the joys of fatherhood, and wonder if they would have fought with the same determined spirit had they known that the freedom for which they were fighting would be so cruelly abused.

IT WOULD BE a sad mockery indeed if, through indifference or plain neglect, we the living ever permitted the way of life for which Americans have given their life's blood to be destroyed by the very ideologies against which those Americans battled to the death.

The sincerest tribute we can pay to Americas war dead is to appreciate what our American system of individual freedom, opportunity and enterprise really means to each of us. The Americans who died for our Nation believed in a better future. It is up to you to "Be Counted Again" and work for this future!

THE END IS IN SIGHT!

A Woman's View

By PEARL BRANDON

THIS IS A SORT of an obituary for Mrs. Arval Hanks who was buried Wednesday.

I am writing this on Wednesday, May 22, very early in the morning. We are leaving to attend the funeral of Mrs. Arval Hanks who formerly lived in our Sunny Dale community west of Littlefield.

Many old-time friends will remember her as Doll and she was always warm hearted and jolly.

She has been very ill for several months at Burkburnett where she and her husband Arval have been living the last several years. He is very ill also at this time.

Arval and Doll had eight lovely daughters—all are still living. Hazel lives here. She is Mrs. Clifford Jaquess. Mrs. Dorothy Howard lives at Lawton, Okla.; Annie Laura, wife of Rex Jaquess lives at Ada, Okla.; Allie May, whose husband is Buren King, is an Air Force officer, at Sheppard Air Force Base, their home is at Burkburnett; Ester married Carlus Tubbs who was a Littlefield boy—she lives in Oklahoma City; Fay is married to Dennis Moore who works for the post office in

Oklahoma City; June also lives in Oklahoma City. I don't know her husband's name or what he does.

Pat, the youngest, lives in Baton Rouge, La.

THEY ALL are doing well and have lovely families.

Mrs. Hanks is the grandmother of Lloyd Jaquess who lives here in Littlefield.

IN OUR Sunny Dale memorials we always use this poem by James Whitcomb Riley. I would like to dedicate it to Doll.

"I cannot say and I will not say That she is dead, she is just away. With a cheery smile and a wave of the hand,

She has wandered into an unknown land. And left us dreaming, how very fair It needs must be since she lingers there.

And you—o you, who the wildest yearn For the old time step and glad return— Think of her faring on, as dear in the love of there as the love of here; Think of her still as the same, I say; She is not dead—she is just away!

THE ABUNDANT LIFE

Criticism Helps

WE WILL BE CRITICIZED, if we try to do anything worthwhile; and we will probably be criticized if we don't. This disapproval can hurt us; it can be very discouraging; but not unless we want it to be.

Before the critic can defeat us, he must have our cooperation; we will have to help him, and it seems very foolish to do this.

MOST OF US LET CRITICISM irritate us, even when we refuse to let it defeat us; and this is letting it be too important to us. It is better to ignore it.

Many times it is given for this very purpose, to irritate us, because the critic gets some kind of strange satisfaction in the knowledge that he can annoy us. Let us not give him this satisfaction.

THE WISE VIEW toward "criticism" is that it helps. There are two possibilities. First, the criticism may be justified; and we must consider it from this standpoint.

If it has merit, let us make the corrections which it indicates; and then go ahead with what we are doing. If the "criticism" is not justified, it can still be helpful.

WHEN WE ARE BEING criticized, we can be sure that somebody is watching us; and this knowledge can be helpful. We will want to be more alert so that we can keep our mistakes to a minimum.

When we are being criticized, we are less likely to become careless. When we assume the mature attitude toward

"criticism", we will respect it will help us.

IF WHAT WE ARE doing is not cause other interest to us. In some instances, the way we can get the help.

Here is just another example of not becoming upset by criticism. Even though it may be ugly and grossly help; if we handle it with calmness and good judgment.

MOST CRITICISM is careless, but some is wise and appreciated. It is necessary to make sharp distinctions between careless kind and the sound both kinds help us.

SOME PEOPLE SEE everything. This seems to be community life. Regarding being done, and how necessary it is; there will usually be

WE MUST NEVER let critics discourage us, but let us use our positive energy by letting their criticism level of interest in determination to succeed

School's Out

YOU KNOW SCHOOL is out when half-eaten peanut butter sandwiches appear in the most unlikely places at all hours of the day, when baseball gloves replace textbooks and cries of "What do we do NOW, Mom?" fill the air.

For with the golden days of summer comes the traditional outpouring of the

youngsters from school buildings across the nation.

THE LAST DAY of school heralds several months of "freedom," to be savored at the beach, campgrounds or maybe just the neighborhood park.

For many, it means summer jobs.

Whatever the seasonal school closure signifies, it is to be hoped that the youth of the USA will find time to pause and reflect upon the many blessings they enjoy simply because they are Americans.

NOT THE LEAST of these blessings is the right to an education.

If these young people can appreciate all that is America and build upon it constructively—taking care to blend freedom with responsibility—we will be able to entrust with confidence the future of the United States to those following behind us.

Carillon Bells Dedicated Here This Morning

The dedication of the 'Bud' Lowe Memorial Carillon will be held this morning during the 10:55 a.m. worship service at First Baptist Church.

The carillon was given by the family of the late E. M. 'Bud' Lowe, and consists of a clock-controlled magnetic tape player and an audio-amplification system.

The instrument can be set to automatically play a pre-determined number of carillon selections or bell ringing programs at chosen times of the day.

SPEAKING of patience, I suppose that's one characteristic that we find will grow shorter, as we grow older. That especially, in regard to the younger generation.

We find it hard to understand why they aren't as wise as we are, even though we haven't bothered to teach them. We just can't grasp the reason they make the same mistakes we made.

SURELY THEY SHOULD know better, after all, haven't we shown them an example of all they SHOULDNT BE??

SUMMER IS NOT necessarily a time for rest and relaxation for many of the youth in the area. As a matter of fact, it is an opportunity for some of the youth to shine in various sports such as Little Dribblers and various leagues of baseball.

It does me good to see our youth participate because as a rule our society is beginning to lean toward the lazy side, with all the automation to do our work for us. A good workout occasionally does the body good.

Back to sports, I guess that Sundays and Wednesday nights are about the only nights that you do not usually see some kind of a ball game in the area. Baseball is in full swing and tournament play in girls' little dribblers is really getting hot over in the Junior High Gym.

I'd like to take this opportunity to invite you to watch our little girls in action as Littlefield is fortunate again to have the Girls' Little Dribblers Regional All-Star Tournament this weekend. Let's get out and support this effort.

For those of you who like to travel, the Senior Division of Littlefield's Little Dribblers All-Stars will go to Canyon Monday night for a game with Dalhart. They will play for an opportunity to compete in the National Tournament in Levelland in June. Should they beat
