Faculty Complete, Bandmen Hired

Field school trustees, pressed into for a called meeting after the resignation of two teachers earlier this summer, completed the 1971-72 school term at a session Monday night.

The board employed five faculty members, including a high school band director, a choir director, and two fifth grade teachers.

Carolyn Childers, who was hired in June to teach high school physical education and coach girls basketball, and Ann Barton, who was hired this month to teach fifth grade. Childers requested the resignation

after being offered a better salaried position at Lubbock. Miss Barton asked to be relieved of her contractual obligation to teach in San Antonio.

Teachers approved for employment included: --Darle Rountree, formerly of Littlefield, for high school band director. Rountree, a 1961 graduate of Littlefield High School and a 1965 graduate of West Texas State, is now completing a three-year tour of duty in the U.S. Army. A member of the Fourth Army Band, he is scheduled for discharge early in August. Rountree, 28, was band director one year at Lefors and two years at Mission before entering the service. He

is the son of the B.C. Rountrees of Littlefield.

--Mike Threadgill, Valiant, Okla., native, for junior high band director. A June graduate of Texas Tech. Threadgill

did his practice teaching last year at Wilson Junior High in Lubbock. He is 22 years old.

--Koma Sue Donworth, Daughter of Mr. and Mrs. James Settle of Littlefield, for

choir director. She has a master's in music education from North Texas State (1970) and has taught in the Dallas area the past three years.

--Mrs. Judith Newman, wife of ASC

Office Manager Richard Newman, for fifth grade. Mrs. Newman, who has a bachelor's degree from Abilene Christian, has taught in the elementary grades at Matorador the past three years.

--Karen Kay Kratky, a 1971 graduate of Central (Okla.) State, for fifth grade.

Supt. Paul I. Jones told the board he would transfer Deborah Collins, hired last month for fifth grade, to the high school girls physical education and basketball coaching post. Miss Collins, a Petersburg native, recently graduated from West Texas State with a B.S. in physical education.

Next school board meeting will be Monday, Aug. 9, when the board will hold its annual budget hearing.

SCHOOL BOARD'S HAIR

Parliamentary Puzzle

ould call this a parliamentary

or a hairy finish.

ended toward the close of Monday

alled school board meeting.

Bob Roden said he thought the

hair policy for boy students should

ed to allow the block style of hair

ing with the taper cut style.

he intended no change in the rest

ry, which calls for no hair to be

ver the ears, "over the eyes,"

the collar," straight-cut sideburns

than the bottom of the ear and no

made the motion to allow the

block style cut and got a second from

Glenn Batson.

That's when the problem came up.

Board President Wayne Streety offered

an amendment to the motion, saying he

would like the phrase "no extreme hair

styles" added to the change. Dick Hopping

said he agreed.

Trustee Pat Downs said, "We were out

of line when we started the hair policy in

the beginning, because that's a parent

problem, not the school's."

Batson then took issue with Streety's

amendment offer, saying, "I'm not so sure

you can amend a motion unless it's been

tabled, and I want a parliamentary

ruling."

Streety countered: "Every time we've

amended a motion, we've done it the way I

just did it."

Then School Business Manager Sid

Hopping told the board:

"Gentlemen, this is a called meeting for

the purpose of employing personnel, and

as I understand it, you can't take up other

subjects unless you adjourn this meeting

and call another one.

Streety then said: "That settles it, I

declare this meeting adjourned."

And then Roden: "It's okay with me, I'll

just bring it up again at the next meeting."

FOOTBALL TICKETS ON SALE

Season football ticket sales for all

Littlefield Wildcat home games will

begin Monday at the school business

office at 410 Lfd. Drive.

Fans who had reserved seats last

year will be given first choice on the

same seats again this year. They are

asked to pick up these tickets as soon

as possible.

Season tickets are \$7.50 for the five

home games.

AMHERST COLLISION

Three Dead, Six Injured

Members of an Amherst family

of three are in critical condition,

seriously injured and one in fair

condition following a collision between a

pickup and a loaded tractor-trailer at the

intersection of U. S. 84 and FR 37 at

Amherst Sunday morning.

The driver of the pickup, Fabian Gon-

zales, 38, his wife, Adelia, 30, and a 5-year-old daughter, Oralia, were pronounced dead at the scene.

Amado, 2, David, 6, and Janie, 8, are all listed in critical condition in the Methodist Hospital in Lubbock.

A 4-year-old, Arturo, and Antonio, 12, are listed as seriously injured and are in

Lubbock Methodist Hospital after receiving initial treatment at Amherst and Littlefield hospitals. Another child, Angelina, 3, is in fair condition at the Littlefield Hospital.

Texas High Patrolman Bill Angel said all but Mrs. Gonzales were thrown from the pickup, and that the seven children were riding in the back of the pickup.

An eighth child was reportedly left behind at the barracks at the Gage Gin in Amherst, where the family had been living the past few weeks.

Mrs. Jimmy Gage said she talked to the

Fund Established For Gonzales Family

Two funds for the Fabian Gonzales family have been established in Littlefield.

Ralph Mendez opened a fund for the eight surviving children Wednesday

morning when he deposited \$100 at the Security State Bank. All of the Security

tellers will accept donations that will go into the Gonzales children's fund to help

pay hospital and funeral expenses and assist survivors of the Sunday morning

wreck that killed the parents and one of the children and left six other children with

injuries.

At press time Wednesday, Littlefield residents had donated \$71 to a fund

established by the Community Action Committee. The donated funds were

collected by two Neighborhood Youth Corps summerworkers, Josie Rodriguez

and Anita Garcia.

The Littlefield Hospital and hospital employees donated clothing and other

needed personal items. The Lamb County Community Action Center donated various

clothing items, also.

Cash donations can be made at either the bank or the Center on the Springlake Highway, and the Center will accept toys,

clothing and other items for the children aged 16, 13, 12, 10, 9, 5, 4, and 3 years of age.

Spotted Showers Fall In County

Most of Lamb County received showers this week, with totals measuring up to .8 Wednesday night.

Wednesday reports included .5 at Embury Gin and .8 northwest of the gin. Beck Gin reported .5 with .7 to the east. Pep measured from .2 to .6; Bula reported a shower to .5 west of Bula. Sudan received .3, Levelland .65, Whitharral none and Littlefield .1 to .15 in the second shower.

The gas company recorded .46 total in Littlefield for the week.

'Catch-Up' Day Scheduled Friday

Dr. Charles 'Bud' Nace, Littlefield veterinarian, has revealed that he will conduct a catch-up day for inoculating horses against the Venezuelan Equine Encephalomyelitis (VEE).

Catch-up time has been set for Friday afternoon at his office on the old Lubbock Highway, or East Business 84 in Littlefield.

In order to have the correct vaccine supply, Dr. Nace has asked horse owners to contact him Thursday at 385-3050, and let him know how many doses to order Friday morning.

Vaccine is mixed and picked up daily in Lubbock, and supplies are limited. The vaccine lasts 12 hours after it is mixed, and must be destroyed if it is not used within that time.

MRS. CHARLENE BIRKELBACH, one of two Leader-News bingo contest winners in the first game, shows her winning blue bingo card to Stanley Aaron at Renfro Brothers Grocery. She picked up the card there, and Aaron gave her the \$25 in Bingo Bucks she received.

OCIE LEE LEWIS accepts her \$25 in Bingo Bucks from Orville Bassett at Shook Tire Company, after a blue bingo card her husband picked up there became a winning card. She may spend the Bingo Bucks just like any other money at any of the sponsoring merchants.

Two Split Bingo Dollars

Two Littlefield citizens walked off with \$25 each, after playing the first newspaper bingo game in the Leader-News and came up with all their numbers marked out.

They shared the \$50 prize for the first game, and will be eligible to join the thousands of Lamb County area readers who are seeking to come up with a winning card this week--this time played on orange-colored cards.

Winners are Charlene Birkelbach and Ocie Lee Lewis, both of Littlefield.

Mrs. Birkelbach's winning card came from Renfro Bros. Grocery, and she says she played five cards before she came up with the winner. She also admits she went through the Thursday, July 22, and the Sunday, July 18, issues of the Leader-News three or four times to be sure she hadn't missed a number on a Bingo Bug.

The other winning bingo card was picked

up at Shook Tire Company by Mrs. Lewis' husband.

Mrs. Lewis played the game, however, and got to claim the \$25 in Bingo Bucks, which she can spend at any of the sponsoring merchants in Littlefield.

She says she doesn't know how many times she went through the two issues of the Leader-News--particularly after she found the one winner. She played several cards, in hopes she'd have another winner.

With another \$50 at stake, Leader-News readers are urged to pick up their orange cards-- come up with all the numbers "X"ed out, and claim the new bingo prize. Check this issue of the Leader-News and last Sunday's issue for this week's numbers in the orange card game.

Veterans' Service, Red Cross Post To Mrs. Streety

Jean Streety will be serving Lamb County residents as executive secretary of the Red Cross and as acting veteran service officer for the Veteran's Administration, following the retirement of Mrs. Ruth Wade, who has served in that same capacity six years.

Mrs. Streety grew up at Whitharral and was an honor graduate of Whitharral High School.

She came to Littlefield and Lamb County 13 years ago when she married Wayne Streety, who is manager of Lubbock Building Products in Littlefield.

They have five children: Gina, 12; Robin, 8; Tim, 5; and twin daughters, Shawn and Sheryl, 3.

Following her graduation from Whitharral High School, Jean took a business course at Merriman's Business College in Lubbock and then worked in the employment office of the college.

In Littlefield, she has worked at Madden-Wright Drug, Franklin's Ready-To-Wear, and Davis Concrete.

The family attends the Missionary Baptist Church, and Jean's only sister, Mrs. Harley Baker, is a home missionary in Needles, Calif.

Jean's mother, Mrs. John Bryant, resides with the family and keeps the Streety children while their mother works.

MRS. WAYDE STREETY (Jean) has accepted the posts of executive secretary of the Red Cross and as acting veteran service officer for the Veteran's Administration. She is currently receiving training in the offices from Mrs. Ruth Wade, seated, who is retiring from the same positions. The Red Cross Board and the County Commissioners took action on the combination job last week, and Mrs. Wade will retire Aug. 15.

THREE WERE killed and six injured in a collision between the pickup on left and this truck at Amherst Sunday morning. Mr. Fabian Gonzales and 5-year-old Oralia were killed instantly, and three children critically injured, two seriously and another child in critical condition. A fund has been established at the Security State Bank to pay for funeral expenses and aid the surviving children.

HOMNY GRITS

By CORNBALL BLEVINS

THE CITY OF LITTLEFIELD has lost one of its not-so-good characteristics these last few days. That being, the distinction of being a "one-sport-town."

Heretofore, if it hasn't been connected with football, it isn't worthwhile.

BUT THESE LAST few days, a certain bunch of enthusiastic and hard-working people has shown us that the kids of Lamb County have more than one talent. THEY CAN ALSO PLAY BASEBALL!

Whatever may happen in Dumas will not detract from the sparkling performance of our All-Stars in the District play in Plainview. Whatever further wins may be achieved, will only be additional frosting on the cake.

BUT, THE WONDER of the whole kettle of fish is, that our town seems ready and willing to support these boys in the play-offs. This is great!

Perhaps the powers that be should take note.

IF YOU'RE LOOKING for certain individuals to which to express your gratitude, you might look up Jerry Williams (whose Coke truck has been standing idle) Gary Fitzgerald (who's given a lot of time during the baseball season) and Doc Brown (the hardest workin' guy you've ever seen).

These, of course, in addition to a good

bunch of fans and hard working kids. Their efforts are being rewarded.

SURE, FOOTBALL'S just around the corner and when time comes I'll be just as enthused about that as anyone. But sports "in season" is what it takes to have a well-rounded program of athletic activity for our youngsters.

While some may excel at one sport, another may have a different talent. All are worthy of development. AND, they don't have to be state champions in order to merit our support!

WHILE OUR CITY has been busy trying to woo new industry into town, we notice that at least three enterprises are building and going into operation.

These, without fanfare and public solicitation for funds, I've said before, and it's worth repeating: We'll do a lot better if we try to make our own way, rather than trying to persuade others to come into town and invest their money.

AFTER ALL, if we don't have confidence enough in our town to put our own roots down, why should we expect others to come bargin' in and invest in what we display (by our actions) as a losing proposition!

These new firms deserve our thanks for their vote of confidence.

A 'TEENY HOPPER' visited the Leader-News office Monday morning, while the front door was left open for some fresh air. This isn't his dime--and besides he'd have to have 15 cents to get a paper these days.

Farm-Related Mishaps Killed Four In 1970

At least four deaths in Lamb County during 1970 are attributed directly to farm-related accidents.

The four deaths involved two tractor accidents and two spray pilots. E. H. Gray of the Spade community fell off a tractor and a rear wheel spun on his legs that later resulted in his death. The other tractor accident involved a Levelland man who was changing a tractor tire for a Littlefield farmer and the jack slipped and the weight of the tractor and attached basket cotton stripper fell on his head.

L.D. Hafley, 46, of Littlefield, and Raymond McGeehee, 29, Springlake, were killed while spraying grain sorghum last summer. A third pilot, Delbert Howell of Olton received burns and chemical reactions from spray when his plane crashed.

Numerous other accidents involved accidents with butane, including the destruction of two homes, and several tractor fires.

In addition, almost two dozen Texas Highway patrolmen in Lamb County investigated accidents involving collisions with farm tractors, trailers, animals and similar connections with the farming industry.

Property damage resulting from these accidents amounted to more than \$16,000. With these facts and figures in mind, Lamb County Judge G.T. Sides proclaimed this week as "Farm and Ranch Safety Week" in this county.

The four deaths in this county combined with 245 more across Texas for 250 fatalities for farm and ranch residents last year.

Farmers, ranchers and their employees are urged to reverse this "unwelcome harvest" and the needless suffering by renewing efforts.

Farming remains one of the most hazardous occupations in this country, but many of the present losses could be prevented with the use of safety protection tools such as seat belts, fire extinguishers, slow moving vehicle emblems and tractor roll guards and crush resistant cabs.

In his proclamation, Judge Sides said "the citizens of Lamb County are proud of our farm families from whom comes our abundance of food and fiber; therefore, our citizens are deeply concerned about the safety and well-being of this segment of our population as they go about the sometimes hazardous task of producing the commodities needed by the entire population."

The proclamation said the week-long special farm and ranch safety campaign is a co-ordinated effort by local and state agricultural and safety groups.

The judge urged farm families "to become more safety conscious, not only during "Farm Safety Week" but every day of the year."

PAUL HARVEY

Self-Help

CAN YOU IMAGINE a straight-A student, seeking a job, being told, "This job is for B students; you're not qualified." That's what's happening to some of our unemployed aerospace workers. Under civil service those with higher qualifications are frequently denied jobs in lower qualification categories.

FOR THAT and other reasons, unemployed scientists and engineers and technicians are ganging up, seeking employment outside government. They have formed their own self-help organization called VEST.

Let's see what they're up to.

THERE'S LESS compassion for the unemployed professional. He continues to live in the nice house in the comfortable neighborhood and drives the recent car and wears a starched shirt.

But his savings are just as depleted, his bills are just as overdue, his family can be hungry, too.

AND MUCH PUBLIC welfare for which others are eligible, he, a homeowner, is not. With curtailment of activity in the aerospace industry, engineers, scientists and technicians are seeking other employment.

PRESIDENT NIXON'S program for Technology Mobilization and Re-Employment has helped some. Such men get help with phone bills and travel expenses to seek jobs in other cities.

Simultaneously, the American Institute of Aeronautics and Astronautics has made a concerted effort to bring technical workers and available jobs together.

AND AN OUTGROWTH of the organization called VEST, Engineers, Scientists, Technicians and Scientists, Inc. In impacted areas--Seattle, San Diego, Dallas-Fort Worth--and other local chapters are organized and or 20 local unemployed become coordinators. They interview and evaluate qualifications, search and contact employers. Sometimes the member finance a patent and the jobs.

WORKING IN co-operation with the State Employment Commission, provided office space, phone and certain supplies.

It's a tedious, sometimes dreary chore. But for a man accustomed to busy, even working without pay, than not working at all.

AND IN EACH chapter almost every day there is the encouragement of a rescued colleague from the having placed him in a position commensurate with his qualifications. For employers, VEST is a timesaving clearinghouse for specialists, already presifted.

FURTHER, EMPLOYERS are that the "cost-plus spaceworker" do adapt to the frugality of the industry. And that private industry begun to utilize space workers in such efforts as recycling one example.

Out of the inevitable dislocation employment reshuffle will come fusion of new blood in old arteries will benefit both of them and all.

While some years are good car years, 1971 has been a

VINTAGE YEAR FOR PLYMOUTH SATELLITE

ONE OF OUR BEST YEARS.
It takes something special to come up with a Vintage Year. But that's what '71 has been for Chrysler-Plymouth. Everything--from drawing board to final assembly--has come together in great fashion. We like to think our slogan "Coming Through" had a lot to do with it, because it's more than a phrase. It's a pledge, a dedication to one purpose: To come through for you with the kind of automobiles you want, not only in style, size and price--but also in quality you can live with for years to come. A good example is Plymouth Satellite.

DESIGN IS RIGHT-ON.
Plymouth Satellite started out a new idea in intermediates, the only all-new intermediate for the year. The idea was that a 2-door and 4-door model should have different designs so that interior dimensions would not be compromised. The idea came across so well, *Road Test Magazine* voted it "U.S. Car of the Year."

NOW, A GREAT SELECTION COMING THROUGH FINAL CLEARANCE PRICED.
While some years are good car years, '71 has been a Vintage Year for Chrysler-Plymouth. Quality shines and shows in every line. A drive in a Plymouth or Chrysler will prove how our '71 models have come through. Check out our great selection. We think you'll find that a quality car at a final clearance price is what "Coming Through" is all about. Forus.Foryou.

Motorcyclist Hurt At Springlake

A motorcycle rider was injured when the cycle he was riding collided with a car at Springlake Sunday afternoon and the cyclist was thrown into the signal light at the intersection.

Ruben DeLeon Jr., 22, of Friona was traveling east on a '68 Triumph cycle and Nettie Peach Wilson of Lubbock was driving south.

The driver of the car stopped at the signal light then pulled into the path of the cycle, according to Bill Angel, highway patrolman.

The cycle rider was thrown across the hood of the car and then hit the signal light on intersection U. S. 70 and 385, and the impact of his body broke the light.

DeLeon was brought to Medical Arts Hospital in Littlefield by an ambulance from Earth and later transferred to Friona.

THE ABUNDANT LIFE Defy Depression

By BOB WEAR

DEPRESS MEANS to press down. Depression describes the condition of being pressed down.

We are not able to bear up under a weight; that is, we do not withstand or bear up. It should help us to know that we do have the privilege to defy (confront with assured power of resistance) depression.

THE PESSIMISTIC philosophies which are so prominent today, and which find expression in so many ways, are enough to keep all of us depressed.

If we do not put forth great effort to withstand depression, it will surely dominate us.

SLIGHT FLUCTUATION between the high and low of daily living seems to be normal, but this is never so great that it throws us off balance.

This normal range of change in our feelings is not harmful to us.

WHEN THE DEPRESSION is frequent and prolonged, we are in serious trouble.

If the condition becomes manic-depressive, we must have the assistance of well-trained professionals. Such therapy will help most persons.

THE DEPRESSION which seems to come into the lives of most people, once in awhile, is not a serious problem unless it is permitted to stay with us.

It will certainly dominate our life if we do not oppose it vigorously. The feeling of sadness; the inactivity; and the self-depreciation are not necessarily overwhelming, but will overwhelm us if we let them do so.

WE CAN EXPECT some depression, but when we have properly conditioned ourselves and recognize it for what it is, it will never be a significant impairment in effective living.

We can get rid of it almost as soon as it begins its miserable work. It must have our consent before it can have any harmful control over us.

"NO POWER in society, no hardships in your condition can depress you; keep you down, in knowledge, in power, in virtue, in influence, but by your own consent."--Channing.

When we are busy with our work, and

honestly interested in doing a job, depression is not a serious threat. This kind of activity will help depression, because it is constructive, encourages us, and uplifts us. It contributes to our sense of useful and helpful person. Idle, hearted work will invite depression. Many other undesirable personal faculties.

WE CAN BE USEFUL in many ways, and being useful, together realization that we are useful, effective in defending ourselves the onslaughts of depression.

There is so much to be done in service that all of us can find that we can do best. Thus we strong.

A WELL-ESTABLISHED faith, best known defense against depression. It also helps just to remember depression is not omnipotent; it can be successfully defied.

Last Call Is Issued For 'TEXAS'

A last call is being issued to citizens who wish to see "TEXAS" it is presented in Palo Duro County.

Deadline for calling in reservations and paying the \$10 fee Monday, Aug. 2, at 5 p.m. at the Chamber of Commerce office in Hall.

The \$10 fee covers the cost of bus fare, reserved seat tickets, showing of "TEXAS" and the picnic meal before the show begins.

A bus has been chartered by the Chamber of Commerce, and we are going fast, according to manager Bill Payne.

The tour will leave from the side of City Hall at 4:30 p.m. on Aug. 6.

Rodney Luke was best man for his brother. Groomsmen were Stanley Luke, brother of the groom, and Dana Crandell of Amarillo. Ushers were Billy Brewer of Bula, half brother of the groom and Danny Luke also brother of the groom, of Amarillo.

Mother of the bride was attired in an aqua knit dress with white accessories. Mother of the groom wore a light blue knit dress with white accessories. Both wore corsages of white carnations.

A reception followed in the fellowship hall of the church. They will be making their home near Great Lakes Naval Base, Wakugan, Ill., where he is now stationed.

The bride and groom are both graduates of Amarillo High School and both have attended Amarillo Junior College. He entered the service in February.

Attending the wedding from Bula were his mother and step-father, Mr. and Mrs. Bill Brewer and son Billy and his grandmother, Mrs. Bertie Clawson of Littlefield.

Couple Slates Wedding Date

BULA—Mr. and Mrs. O. B. McElroy of Knox City announce the approaching marriage of their daughter Rosie to Mike Risinger, son of Mr. and Mrs. W. C. Risinger of Bula.

The bride-elect is a 1969 graduate of Knox City High School and has attended West Texas State University.

The prospective bridegroom is a graduate of Bula High School, attended South Plains College and West Texas University and is a graduate from Texas Tech. He is employed as soil scientist for the Soil Conservation Service in Knox City.

The couple will be married at 6 p.m., August 14, in the First United Methodist Church of Knox City.

Friends and relatives of the couple are invited to attend the wedding.

Two Students To Graduate In Amarillo

Among the 62 members of the first graduating class at Texas State Technical Institute of Amarillo will be two students from Earth.

They are Mary Lou De La Cerda, daughter of Mr. and Mrs. Paul De La Cerda of Earth, and Paula Wilborn, daughter of Mr. and Mrs. Nathaniel Ingram of Earth.

Both students attended Springlake-Earth High School and both have majored in technical communications at State Tech the past year.

Miss De La Cerda was chosen president of her class and was a member of the Student Center Committee.

Miss Wilborn was chosen secretary-treasurer of her class during the first trimester, and vice president of the class for the second trimester. She was also chosen as a member of the Student Congress of TSTI.

The first fulltime classes on the State Tech campus began Aug. 31, 1970, with 275 students enrolled.

Members of the first-year program will graduate at 8 p.m. Aug. 5 during ceremonies to be held in the TSTI Chapel, located on the southeast portion of the 1500-acre campus.

"Delivering the commencement address will be F. V. Wallace of Amarillo, a member of the TSTI Board of Regents," according to Dr. J. N. Baker, general manager of the Mid-Continent Campus.

Farm Safety

While special emphasis is given to the prevention of farm and home accidents during the week of July 25-31, the Texas Farm and Ranch Safety Council rural residents should never treat the subject lightly.

Theme for this year's week is "Protect Yourself—Work Safely."

And adds the Council, this means the use of safety devices on every piece of equipment used on the farm or in and around the home.

Anne Harris Wed To Michel Laroche

Mrs. Michel Laroche, the former Anne Harris, daughter of Rev. Dr. and Mrs. W. Donald Harris of New York City, former minister of the Presbyterian Church of Littlefield in 1940 to 1941, is now residing with her husband in New York City following their wedding trip to Bermuda. They were married in New York on May 20.

Her father is director of Spanish ministries of the United Presbyterian Church Board of National Missions.

She is the granddaughter of the late Rev. and Mrs. J.

William Harris of Dilly. Her grandfather was the founder of Inter-American University in Puerto Rico. She is also the granddaughter of Mrs. Wilson Kimble of Floydada, and the late Dr. Kimble.

The bride, who is on the teaching staff of the French department of Rye High School, attended Baytown Texas High School prior to her graduation from Edgemont High School.

She received a Bachelor of Arts degree from Trinity University at San Antonio, and a Master of Arts from Middlebury Vermont College following a year of graduate study at the Sorbonne in Paris. She formerly taught in the public school systems of Montgomery County, Md.

Laroche is the son of Mr. and Mrs. Leon Laroche of Bayonne, France.

He is a graduate of the Lycee Saint-Louis and the Ecole Centrale in Paris, he was awarded a Master of Science degree from Johns Hopkins University and is presently a doctoral candidate in the field of systems production in the Columbia University Graduate School of Business Administration.

He is the recipient of a Fulbright travel grant in addition to an advanced study scholarship and assistantship from the Columbia University.

He expects to complete his Ph.D. degree in June of 1972, after which he and Anne will reside in Paris.

Mrs. Brantley Hosts WMU Meet

Amherst—Mrs. Maurice Brantley was hostess for the Annie Armstrong Circle of the Baptist WMU at the home of her mother, Mrs. M.T. McKinnon, near Littlefield, Monday afternoon, July 19.

The mission study chairman Mrs. Charles Nixon led the lesson "Living Through your Problems" from chapters 12 and 13 of the book "A woman's Choice" by Eugenia Price.

Mrs. Brantley, circle chairman presided. The next meeting will be at 8 p.m., July 28 with Mrs. J.P. Brantley as hostess.

Mrs. A.O. Dickson led the closing prayer for those wanting special prayer and for missionaries having birthdays.

Refreshments of coconut cake and coffee were served to Mrs. Charles Nixon, A.D. Dickson, James Holland, Charles Jones, Bill Bradley, Maurice Brantley and guests Connie Nixon and Mrs. McKinnon.

PROTECTIVE CABS

In 1970, accidents involving farm and ranch machinery took the lives of at least 40 persons. The Texas Safety Association says these deaths can be prevented if agri-businessmen will keep children away from and off of machinery, avoid tractor upsets, and equip tractors with protective frames or cabs, and use safety belts.

MR. AND MRS. CLINT PENN

Penn Is A Man Of Many Trades

By BILLIE HARRIS

Clint Penn and Fay Dowdy were childhood sweethearts and attended school together in Brinkman, Okla., before they married. The young couple headed west in 1938, with all of their worldly possessions in the back of a 1928 Chevrolet. Their first home was in the Oklahoma Flat community southwest of Littlefield and it was a one room half dug out.

They later moved into Littlefield and did cafe work before operating and buying three cafes. They still owned one cafe until a few years ago.

With five music or juke boxes, Penn started out in a new career that has been a very successful one. He now has 135 candy, pinball, and cigarette machines and juke boxes in the area towns of Amherst, Anton, Earth, Littlefield, Muleshoe, Olton, Spade Springlake and Sudan. Needless to say, supplying, collecting from, and repairing the machines keeps one man pretty busy, still Penn is engaged in several other activities. He is responsible for recorded music in many

businesses, as well as recorded music downtown that was added as part of Littlefield's beautification project, and has several rent houses.

Some of his hobbies are coin collecting and arrowhead hunting. One of his favorite sports is game hunting and quite often in the fall months he rises long before the sun does to go hunting for sandhill cranes or other seasonal game.

Mrs. Penn said she enjoyed the "good old days," but they were pretty rugged. She went hunting with her husband back then and crawled across the ground on her stomach as he said that was the only way not to scare the ducks.

The Penns have four children. Pat, the son, is the oldest and lives in Richmond, Calif. He is the manager of an import and export company. Lee is his pretty wife and they have a six year old daughter named Brandy.

Two of the Penn daughters are married to men in the armed forces. Judy's husband is

Richard Johnson and they live in Satellite Beach, Fla. Sandy's husband is Gary Bushover and they live in Fort Gordon, Ga.

Christy, the youngest daughter, is an eighth grader at Littlefield Junior High School.

They are members of the First Baptist Church and when the young people are entertained with hamburgers after a ball game or other affairs that require cooking, Penn is usually one of the chefs.

He is also a Mason and a member of Woodmen of the World.

The family has a favorite vacation spot at Antonita, Colo. They have been going there for a number of years where they enjoy trout fishing most of all, and the scenery of beautiful mountains, trees and rivers.

Their attractive home in the Crescent Park Addition is very comfortable and is furnished with many interesting antiques. The pride of the family is a beautiful round table that was used by Penn's mother and father, and the old-fashioned high-backed chairs are treasured by the Penns.

New Scout Trainee Assumes Duties

Marc S. Wittenberg, formerly of El Paso, has been named an executive trainee in the South Plains Council, Boy Scouts of America, according to an announcement by H. W. Oehler of Lubbock, Scout Executive of the 20-county Scout Council.

Wittenberg assumed his new duties July 15, and succeeds Kenneth Cole, who resigned to do graduate work at Southwestern Theological Seminary.

Following a two-month period as an executive trainee, Wittenberg will attend the National Executive Institute for professional Scouters at the Schiff Scout Reservation in Mendham, N. J.

Following his return, he will be commissioned as a District Scout Executive with responsibility for the four county George White District of the South Plains Council. The area includes Hockley, Lamb, Bailey, and Cochran counties.

Wittenberg is a native of Worcester, Mass. where he was active in Scouting as a boy. He has recently served as an assistant Scoutmaster, Roundtable Commissioner, Neighborhood Commissioner,

and Webelos Den Leader Cub Scouts. Wittenberg is a graduate of the University of Texas, El Paso, where he received a BA degree in Psychology. He served in the U.S. Marine Corps, and was discharged in 1964.

In making the announcement of the appointment of Wittenberg, Oehler said that part of the continuing work of the South Plains Council is to serve the Scout throughout the 20-county area.

Wittenberg will work more than 300 adult hours helping them bring the program to more than 100 in all communities of the George White District.

Funds for the operations of the South Plains Council, and the services of the staff, are provided through Sustaining Members. Enrollment programs are being conducted in the communities of the district from United Fund campaigns in some communities. Wittenberg is a bachelor and resides in Levelland.

Sunnydale Reunion Is Scheduled Here

The annual Sunnydale reunion has been set for Sunday, Aug. 1, at the Community Center of Littlefield.

The building will be open at 10 a.m. for those who arrive early and a basket lunch for their family.

The building will be open at 10 a.m. for those who arrive early and a basket dinner will be served at 1 p.m.

Those living near enough are asked to bring a basket lunch for their family, and some to spare, for those who live farthest away.

A short business meeting will be conducted, and Mrs. Lyle

Brandon will present memorial program.

The program will include young folks singing, playing, and gospel songs.

Officers for 1971 are: Taack of Hart, president; Mitchell Sisson of Littlefield, vice-president; Mrs. Taack of Hart, secretary; Mrs. Lyle of Littlefield, program chairman; and Bill Cape and Mrs. Toney, planning committee from Littlefield.

All current and former residents of Sunnydale community are invited to attend.

GONZALES FAMILY

Funeral services for Fabian Gonzales, 38, his wife, Adelia, 40, and their daughter, Oralia, 6, were conducted Tuesday afternoon in the First Baptist Church of Amherst.

They were killed in a two-vehicle accident Sunday morning at Amherst, when six other members of the family were hospitalized with injuries.

Burial for the three was in the Amherst Cemetery, with Payne Funeral Home in charge of arrangements.

The six survivors were riding in the back of the family pickup when the driver drove into the path of a tractor-trailer rig, driven by Jerry Yalch, 33, of Los Lunas, N.M., according to the investigating officer's report.

Gonzales was a seasonal farm laborer, and had moved his family to the Amherst area about four weeks ago. They had lived at Kennedy before coming to this area.

ACCIDENT

Continued From Page 1
driver of the pickup a short time before the wreck.

Mrs. Gage said she was awakened early Sunday morning by a Spanish woman and a little boy who drove up in front of the Gage house in a pickup and honked. The woman told Mrs. Gage there was a man down at the barracks "causing trouble."

A short time later Gonzales walked up to the Gage house, according to Mrs. Gage, and Gage told the man he didn't allow drinking and that he would have to move, but that he wanted him to go back to the barracks and sleep and that he would talk to him again Monday.

Gage said Gonzales told him that he would go to bed, but instead he loaded his family into the pickup and left "driving fast" toward Amherst.

Certification

Deadline Look
Lamb County and area farmers until Monday to certify their 1971 cotton acreage.

At press time Wednesday, Newman said all but about 100 farmers had certified their 1971 cotton acreage. The deadline was expected to be through Friday.

Farmers are encouraged to certify their cotton acreage they can harvest every acre that is economically feasible. Toward this goal, the ASCS committee is authorized to pay 90 per cent of the farm's 1971 yield in calculating payments for 1972 and 1973. This 90 per cent has been upped from 80 per cent in 1970.

Some farmers, especially in the dry land areas are faced with the decision before certifying. The choices they can apply for "acreage" credit and plow up the acreage they can leave the cotton and whatever crop it may produce. drouth.

Newman said he is sure farmers are having a hard time deciding to do, but added that these who certified did not represent any of the county but were pretty well over the county.

In some cases farmers are paying to the ASCS office and the adjustments after the visit to plowing crops up and have acreage measured out. Newman said payments are going out weeks after certifying.

All Stars Sock Graham

SPORTS

LITTLEFIELD'S JR. BABE RUTH All-Stars got a community send-off as they left for the state play-offs in Dumas. City Councilman Paul ... right, subbed for Mayor J. E. Chisholm in wishing the boys well. ... speakers were Gene Pratt, left, and Jerry Kehoe, president of the ... of Commerce. In background is Manager Jerry Williams, shown ... introduced the players.

Team Is 1-1 In Play-Offs

The Littlefield, Amherst and Sudan Jr. Babe Ruth All-Stars took Graham to a 6-3 cracking to stay alive in the State play-offs at Dumas Wednesday.

The local team got three runs in the first inning for an early lead.

Mark Hanna hit a triple to drive in Colotis Twitty for the first run in the game. Donnie Noles connected with a long double and drove in Hanna and Johnny Villafranco for runs number two and three.

Graham and Littlefield were scoreless for the next two innings, but Graham tied the game in the top of the fourth.

Danny Cushion relieved Villafranco on the mound and shut out Graham the rest of the way.

Villafranco knocked in Noles with the lead run for the Littlefield All-Stars in the fifth inning.

Gary Brown singled to drive in Villafranco for run number five for the winners.

The last score of the game was a run by Kenny Owens on a squeeze bunt by Kelly Pratt.

Littlefield's hitting department included Hanna with a pair of triples for his three times at bat. Villafranco with a triple, Kenny Owens with his three bagger, and Noles with his double.

Danny Cushion was the winning pitcher, allowing one hit. Villafranco started for the winners.

Gilmore pitched for the losers.

The win allowed the Littlefield, Amherst and Sudan All-Stars to play Lamesa later Wednesday. Details of this game will be published in Sunday's Leader-News.

The local All-Stars bowed to the Lubbock All-Stars in the opening round of the Jr. Babe Ruth state double elimination tournament, 8-1, Monday at Dumas.

Johnny Villafranco scored the only run for the losers in the top of the first inning.

Lubbock got two runs in the bottom of the first and another in the third.

Littlefield threatened in the fifth to tie the game with runners at second and third, but the threat died without a score.

Lubbock capitalized on Littlefield errors and scored five more runs to put the cap on the win.

Joe Jim Norman was the winning pitcher. Donnie Noles was the loser, though he allowed only four Lubbock hits.

IT'S A HAPPY Littlefield Junior Babe Ruth All-Star team as District Director Gene Trotter of Olton shakes hands with manager Jerry Williams and hands him the District Championship Trophy. The championship advanced the Littlefield, Amherst and Sudan All-Stars to Dumas for the state play-offs.

Junior Babe Ruth All-Stars Win District, Head For State

The Littlefield, Amherst and Sudan Jr. Babe Ruth All-Stars dropped Plainview, 5-2, to win the District Championship Crown Saturday at Plainview.

Mark Hanna set the local squad afire as he connected with a two-run homer in the first inning.

In the second inning, Kenny Owens scored on Johnny Villafranco's triple then Villafranco came in on an error.

Neither team scored in the third inning. Littlefield got its fifth run in the top of the fourth.

Plainview crossed the plate for the first time in the bottom of the fourth, and got a second run in the bottom of the seventh. Leading hitters for the winners were Villafranco with a triple and a single and Hanna with his home run. Gary Brown got a double and a base hit. Donnie Noles, Richard Tamplin and Owens hit singles.

David Criswell paced the losers with a double and a single. Darrell Holley hit a pair of singles. Huffine, Williams, Martin and Field got base hits.

David Criswell paced the losers with a double and a single. Darrell Holley hit a pair of singles. Huffine, Williams, Martin and Field got base hits.

Noles was the winning pitcher, allowing eight hits.

Holley was the losing pitcher.

The victory came after Littlefield had lost its first game in the District Jr. Babe Ruth tourney, 7-4, Saturday, to the same Plainview team.

The local squad was ahead, 3-0, going into the fourth inning but failed to hold Plainview as they rallied back with two runs in the fourth, one run in the sixth and another in the seventh.

Littlefield came back in the seventh with a run to tie the game.

Extra inning play netted three runs in the top of the ninth for Plainview and the win.

Criswell paced the winners in the hitting department with a pair of doubles. Westhood and Jackson each got a couple of base hits. Chavez hit a triple.

Johnny Villafranco led the local All-Stars with three singles. Mark Hanna, Donnie Noles, Richard Tamplin and Clotis Twitty hit singles.

Huffine was the winning pitcher, allowing seven hits.

Tamplin hurled for the Littlefield, Amherst and Sudan All-Stars.

Trotline Tags Now Necessary

Due to recent action by the Texas Parks and Wildlife Commission, those who fish in freshwater with trotlines in regulatory counties must tag their lines with something at least as durable as the trotlines.

There are quite a few materials which fit this description, but the most practical material to use for trotline tags, which must have the name and address of the owner and the date the line was set out, is plastic, according to the Texas Parks and Wildlife Department.

Plastic tags can be custom made by the fisherman with an embosser costing less than five dollars and available in most variety stores.

The embosser can also be used to make name tags for other things so the owner can keep up with his possessions.

Each separate trotline must be tagged regardless of its length. Purpose of the regulation is to cut down on the number of abandoned trotlines. Trotlines without tags will be removed.

Trotlines in saltwater must be licensed as provided by statute.

The license tag is \$1 for each 300 feet of line or fraction thereof.

Commission Adopts Game Bird Seasons

Texas Parks and Wildlife Commission has set dates for the state's dove and early teal duck season.

The commission in a special meeting in Dumas also set seasons on other migratory birds (except waterfowl) and deer for business items.

There were no changes in bag or possession limits from last year, and each year 1971-72 will be the same number as the previous year's seasons.

The mourning dove season on mourning doves in the South Zone will be Sept. 1 through Oct. 12 noon to sunset.

South Zone, the dates are Sept. 25 through Nov. 23, except for the counties which have a season for white-winged doves.

The mourning dove season in the North Zone will be Sept. 19 through Oct. 12 noon to sunset.

The daily bag and possession limit is two for both species.

The early teal season this year will be through Sept. 19. The daily bag will be four birds in the aggregate of teal (blue-winged, ring-necked and cinnamon), and the possession limit is eight in the aggregate.

Waterfowl seasons, bag limits and possession limits included: rails, Sept. 1 through Oct. 15, from one half hour before sunrise to sunset, bag limit for large rails (king and lesser) 15 in the aggregate, and for small rails (sora and Virginia) 25 in the aggregate and possession 25 in the aggregate, woodcock, Nov. 20 through Dec. 15, from one half hour before sunrise to sunset, bag limit five, possession 10; snipe or jacksnipe, Nov. 20 through Dec. 15, from one half hour before sunrise to sunset, bag limit eight, possession 16; and gallinules, Sept. 1 through Nov. 9, from one half hour before sunrise to sunset, bag limit 15, possession 30.

Both the migratory waterfowl seasons and quail seasons will be set later.

The migratory bird seasons, bag limits and other regulations will be detailed in the 1971-72 Migratory Game Birds Hunting Digest to be published by the department this fall.

'Loner' Population On Rise In County

A dramatic increase has taken place in Lamb County in recent years in the number of single people living alone and maintaining their own households.

These men and women—some young and some old—who would have been living with relatives or others in former years, are now able to swing it financially, by themselves. And, it appears, they are getting great satisfaction out of their ability to do so.

In Lamb County, according to a study of data compiled in connection with the recent Census of Housing, no less than 16.8 percent of all dwelling units are now occupied by singles.

Throughout the United States as a whole, the percentage is 17.6. It is 16.7 percent in the West South Central States and 16.3 percent in the State of Texas.

Included in the "singles" category are people who have never married as well as divorced and widowed persons who have not remarried.

The extent of the change in the local area is to be seen by looking at comparable figures gathered 10 years ago. At that time only 11.5 percent of the units were occupied by singles.

In most other parts of the country, similarly, there have been big increases in the number of one-person households.

As a result of this development, the average household is smaller than before. It declined from a median of 3.0 persons per unit to 2.7 in 1970.

In Lamb County, the latest figures show, the number of one-person households is now 946, as compared with the 1960 total of 745.

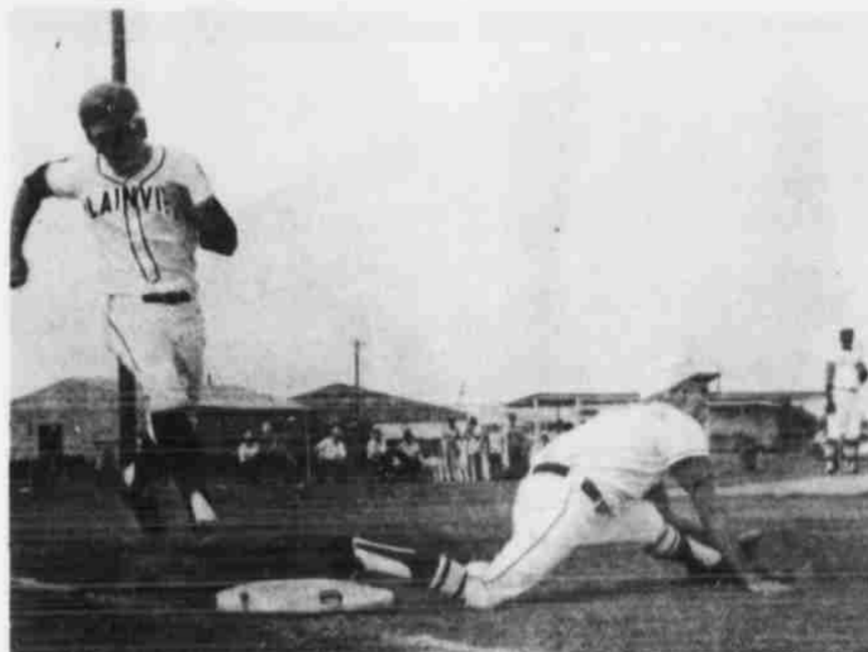

Analysts offer a variety of explanations for these changes. They point to the rise in job opportunities for women, which has made them more self-sufficient economically.

Many more women are in the unattached state because of the rise in the number of widows and divorcees in the last decade. However, a bigger proportion of them have become self-supporting because of job availability, social security, pensions and other resources.

The living alone trend is growing rapidly, also, among young unmarried people, especially in the larger cities. More than a million of them now have their own places.

"Mind if I take a look?"

LITTLEFIELD ALL-STAR Dan Jefferies stretches at first base in an attempt to nip a Plainview runner during the District Junior Babe Ruth All-Star Tournament held in Plainview. Littlefield went on to win the tourney.
