and backed onto Salina with the left rear wheel. She was brought first to Littlefield Hospital by private car, and Cruz Hernandez, a former Littlefield policeman, claims his injured daughter was ignored by two emergency room nurses because she is Mexican-American. Hernandez said he took her to the hospital at 7 p.m. and when he arrived at the emergency room with Salina, the two nurses on duty took her name but did not examine her or clean her despite her bloody appearance and screams of pain. He said that after he waited 15

minutes and got no response from the nurses, he took his daughter to Medical Arts Hospital in Littlefield, where she was examined. The child was later transferred by ambulance to St. Mary's Hospital. Kenneth Day, administrator of Littlefield Hospital and Clinic, stated "These accusations are totally false." Hernandez said, "The nurses didn't examine her. They took her name and went back to their desks. Nobody bothered to come and look at my baby, and she was bleeding and hollering and everything else." According to Dr. W. C. Nowlin, See CHARGES, Page 2

CLIPS & TIPS

By JOELLA LOVVORN

CECIL STANSELL of Littlefield brought some of her Peanut Butter Fudge to the beauty shop Thursday while I was there, and we all got a taste of it.

Everyone raved over it so, until I decided I'd print it in my column for the whole world to see.

She also gave me several other of her "quickie" recipes to share with you.

PEANUT BUTTER FUDGE

- 3 cups sugar
- 1 small can evaporated milk
- 1/2 sticks margarine
- 12 oz. bag peanut butter chips
- 1 jar marshmallow creme
- 1 cups nuts (or more if desired)
- 1 tsp. vanilla

Cook the sugar, milk and margarine to a rolling boil; lower heat to medium and cook 5 minutes, stirring constantly.

Remove from heat, stir in the peanut butter chips, marshmallow creme, nuts and vanilla.

(She notes that you can use any kind of morsels you wish.)

JELLO DIVINITY

- 3 cups sugar
- 1/2 cup white Karo
- 3/4 cup water
- 2 egg whites

doctor on call at the time, "One of the women, Mrs. Bennett, went to call me at a restaurant where I was eating and the other one went to the clinic to look for her records, but when I got to the phone, within 30 seconds after they paged me, Mrs. Bennett said they had walked out."

Dr. Nowlin said Mrs. E. Bennett and Mrs. E. Brown had left written statements giving their sides of the story.

At Medical Arts Hospital, Dr. J. H. Oyer examined the child and said he considered her condition to be an emergency. "I felt her condition was too bad to take X-rays here and felt it would be better to transfer her to Lubbock," he said.

"I didn't like her grunting, whining-type cry—it didn't sound natural. And I thought I could feel air under the tissues in her back, which would mean a rib was broken and had punctured her lung, or her trachea was torn," he said.

This is the second time this year that Littlefield Hospital has been accused of negligence in the emergency room. In March, a 3-year-old Mexican-American girl, who had been raped and beaten, was refused hospitalization.

Day said he refused to admit the rape victim because her mother didn't have insurance, didn't qualify for county indigent medical care, and lacked a \$400 deposit.

That patient too was transferred to Medical Arts Hospital, then to Lubbock.

John Tubbs of Sweetwater and Nowlin Tubbs Jr. of Durango, Colo.; her mother, Mrs. Lillian Crowley of Littlefield; a brother, John Crowley of Plainview; and 10 grandchildren.

Boil sugar, Karo and water until it makes a hard ball when dropped in cold water.

Beat two egg whites and add the package of Jello. Pour syrup mixture over the egg mixture and stir in nuts.

Drop onto aluminum foil by the spoonful.

MAYONNAISE MUFFINS

- 2 cups self-rising flour
 - 4 Tbsp. mayonnaise
 - 1 cup milk
- Stir together and put in muffin pan. Cook at 450 degrees until brown. Makes 12 muffins and will go with anything.

COCONUT-PINEAPPLE PIES

[Makes 2]

THE ABUNDANT LIFE

Well done

By BOB

IT IS POSSIBLE for us to be entirely too particular about some things, but all things should be "well done". This is not an effort to justify, or even excuse the perfectionist approach to life; because this approach is unrealistic, and, therefore, unacceptable.

Nevertheless, there is certainly no justification for the sloppy, poorly done work and service. The things we do, deserve to be well done; but this does not require perfectionism. In fact, this perfectionist attitude can make it impossible to do some things well.

THE WORK ITSELF, whatever it is, should be done well for its own sake, but the benefit realized by the person doing the work is even a more valuable consideration.

This is one of the essentials in the fullness and richness of one's life. This is not an unreasonable expectation, but, on the contrary, it is the only sensible view. There are two reasons: namely, work that is "well done" is a worthwhile contribution by the worker; and is a very helpful contribution to the worker.

"WHATEVER IS WORTH doing is worth doing well" is an adage that has been used for a long, long time. It has, obviously, come into usage from the crucible of human experience.

The greatest reward for our work is not the financial consideration, but is the personal satisfaction from the realization that we have done our best. Of course, the monetary consideration

is important, and not to be without the satisfaction of well done."

MANY SOCIAL and personal would disappear, if all of us doing whatever honorable work may be available to us. Regardless of how the prestige scale, when we all of the rewards that one's well-being will be increased. There is no substitute for the accompanying life.

"WORK EVERY HOUR, unpaid; see only that you cannot escape your reward, your work be fine or coarse, corn, or writing epics, so of honest work, done to your approbation, it shall earn a sense, as well as to the The reward of a thing well have done it." — Emerson.

THERE IS NOTHING to laziness, idleness, or "sloppy". Our work, whatever it is, it should be done, unless it well. We may not be skillful, we do our honest best, we well. Of course, this action constructive; and we will be better very soon.

IF WE REFUSE to work, half-do our work, we prevent and detract from our own

Very-Wheeler vows read in Whitharral

Donna Faye Avery and David Wheeler were married Friday, June 18, in Cactus Church of Christ, Levelland. The double-ring ceremony was performed by the bride's father, F. J. Collins, pastor of the Church of Christ near Woodville. The bride and groom were accompanied by Mrs. Donald R. Avery, Whitharral, and Mr. and Mrs. J. H. Wheeler of Levelland. The bride and groom were exchanged before the archway of blue carnations and greenery. Spiral garlands graced each side of the arch. The bride, presented in a gown by her father, wore a long-length gown of crinkled tulle, fashioned with a high collar and stand-up collar. The gown's bodice was accented with lace and pearls, and featured a sheer yoke. The bride's face was framed by the front and into the back of the skirt. The bride's hair was styled in a ruffled train; a fingertip veil of illusion tulle was attached to a cap of tulle lace and pearls. The bride's bouquet of stevia, baby's breath and anemone was carried atop a white "something old," she

AN EQUALIZATION PROGRAM FOR THE PEP INDEPENDENT SCHOOL DISTRICT

After careful consideration and study, your Pep School Trustees have employed the Southwestern Appraisal Company, Inc., to make a complete appraisal of the taxable property within the Pep Independent School District.

Why is this program necessary? In the past decade, rapid changes in property values have come about and these changes have brought about inequities in the tax structure. The proper way to correct this situation is to have all property appraised. When this is done, the current market value is determined and this will provide information that will allow the Board of Trustees to apply a percentage of this value for tax purposes, thus bringing about uniform and equal assessments for all property.

Soon our field men will be calling on you to ask permission to inspect your property and we respectfully request your cooperation.

The Constitutional requirement that taxes shall be uniform and equal and based on current market value is of prime importance to everyone. Let's all work for equalization. We assure you that this program will lead to more equal sharing of the cost of your school's services.

Respectfully,
SOUTHWESTERN APPRAISAL COMPANY, INC.

Johnson-Rogers vows repeated

Bertha Susan (Sudie) and Robert Mark Rogers were married Saturday night 22 in the First Church of Odessa.

Robert Parham of Lubbock officiated for the double-ring ceremony and vows which were recited from memory by the couple.

Parents of the bride are Dr. and Mrs. George L. Johnson Jr., Odessa. Mr. and Mrs. Bobby G. Rogers, Littlefield, are the groom's parents.

A wood wind and brass ensemble of friends of the couple provided music for the ceremony. The music selected by the couple included special arrangements by the groom of Wagner's bridal Chorus, from Lohengrin and the Wedding March, Op. 61, #9, by Mendelssohn-Bartholdy.

The bride was escorted to the altar by her father. She wore a traditional style gown of silk organza, enhanced with Viennese scroll lace. The fitted empire bodice featured sheer yoke and capelet sleeves, both finished with lace. The wedding ring necklace was finished with a narrow ruffle and lace. The bell-shaped skirt and chapel train ended in a flounce ruffle capped in lace. Her four-tiered veil of silk illusion, edged in Viennese lace, fell from a Juliet headpiece fashioned from matching lace and extended over the train. The toes of her white pumps were covered with matching lace. She wore white pearl trimmed gloves and carried a nosegay of mixed spring flowers and miniature ivy, centered with a gardenia.

Serving the bride as maid-of-honor was her sister, Miss Jo Anne Johnson. The groom's sister, Mrs. Danny Harrell of El Paso, and Mrs. Mack Bibb of Lubbock, were bridesmaids. The attendants wore gowns of Quiana, each in a pastel color. The A-line silhouette featured a fitted bodice, softly gathered at the center front, the boat neckline enhanced with a cape collar, which formed a circular seev and flowed into a deep collar in

the back. The A-line skirt flowed to the floor. They wore picture hats to match their gowns, short white gloves and carried nosegays of mixed spring flowers with white streamers.

Best man was James Eca-bert of Houston. Andy Rogers and Richard Rogers, brothers of the groom, were groomsmen. Ushers were Danny Harrell, El Paso, and George L. Johnson II, the bride's brother.

Immediately following the ceremony, a reception honoring the couple was held in the pool area of the Villa del Sol. Annette Harris of Shal-low-water registered guests.

The bride's table, covered with white lace over white, was centered with a nine-taper silver candelabra intertwined with smilax. Silver, crystal and antique dishes of the bride's maternal great-grandmother were used to serve punch and mints. The three-tier wedding cake, with four base cakes, was decorated with dainty pastel blossoms. Each of the four base cakes was centered with pastel flowers and an angel playing a musical instrument. Pastel blossoms of icing cascaded down the dome top of the cake.

The groom's table was covered with a yellow cloth and featured a brown hurricane lamp with greenery. His chocolate cake was centered with bright tulips of icing. Dessert Champagne was served from a green-covered table.

After a wedding trip to Ruidoso, the couple is at home in Lubbock.

The bride is a 1973 graduate of Permian High School, where she was an Honor Society member, member of the band and All-State Band. She is currently a senior student in music education at Texas Tech, where she is on the dean's list and a member of the Texas Tech marching and concert bands. She gives private clarinet lessons.

The groom graduated from Littlefield High School in 1972, class valedictorian. He also was an All-State Symphony member. He is a 1976 graduate of Texas Tech, with high honors, with a B. S. Degree in music education. He is a member of the Texas Tech Marching and Concert Band and the Lubbock Symphony. He is a graduate assistant in the Music Department at Texas Tech.

Relatives in attendance included the bride's grandparents, Mr. and Mrs. George L. Johnson and Mrs. and Mrs. Ance Palmer, Odessa. The groom's grandmother, Mrs. J. B. Wallace of Borger, and Mr. and Mrs. R. C. Ezell, Borger, and family attended. Other guests were from Littlefield, Lubbock, Midland, El Paso, Houston, San Angelo, and Austin.

The rehearsal dinner for the couple was hosted by the groom's parents, Mr. and Mrs. Bobby G. Rogers of Littlefield, at the OilPatch Restaurant, Friday, May 21.

Long-stemmed roses were handed to the guests on arrival. Champagne punch preceded dinner for the 40 guests. Guests included family and friends of the couple and members of the wood wind and brass ensemble, who played for the wedding.

Foster-Butler wedding solemnized at Anton

Cynthia Suzanne Foster of Lubbock, formerly of Anton, and Allen Everett Butler of Anton exchanged double-ring wedding vows Friday night, June 18, in the First United Methodist Church at Anton.

Rev. David Hamblin, pastor of the Aldersgate Methodist Church in Abilene, officiated for the reading of the vows.

Parents of the bride are Rev. and Mrs. B. J. Foster, former pastor of the Anton United Methodist Church and the Spade United Methodist Church.

The groom's parents are Mrs. Al Ross of Garden Grove, Calif. and Everett Butler of Anton.

Rev. Foster presented his daughter for marriage. She wore a white satin gown with tapered alencon lace sleeves and yoke with seed pearls centering flower centers. Her formal chapel-length train and full length veil were embroidered with pearls and alencon lace.

Sulphur Springs and Steve Foster of McLean.

Candlelighters were Bryan Butler and Kirt Copeland, both of Anton.

Amy Foster of McLean was flower girl and Brett Butler of Anton was ring bearer.

Vows were exchanged before an altar rail covered with ivy and holding votive candles. Baskets of pastel flowers flanked spiral candelabras, intertwined with English ivy.

Musical selections of "A Part of You", "Wedding Prayer" and "Whether Thou Goest" were presented.

For her daughter's wedding, Mrs. Foster wore a mauve rose dress with a lace jacket, and matching accessories.

Mrs. Ross wore a dress of peach chiffon and matching accessories.

Following the wedding, a reception was served in the fellowship hall of the church. Assisting in serving the wedding cake and punch were Laurie and Rhonda Ross, sisters of the groom.

For their wedding trip, the new Mrs. Butler wore a powder blue pants suit.

They will reside in Anton. The bride has been attending West Texas State University, where she was affiliated with the Delta Zeta Sorority, and will be graduating from Texas Tech in May.

MRS. ALLEN EVERETT BUTLER

Mrs. Campbell attends graduation ceremonies

AMHERST— During the last two weeks of May, Mrs. R. H. Campbell of Amherst visited in three states attending graduation exercises for her grandchildren.

On May 14 she was in Weatherford, Okla. with the Jean Campbell family for the graduation of Marilyn Kay from school of pharmacy of Southwestern University. She was a member of "Who's Who Among University and College Graduates". She is presently employed with the pharmacy at St. Mary's Hospital of Lubbock.

May 16 she attended commencement exercises of St. John's College in Santa Fe, where another granddaughter,

Glenda Kay Holladay graduated cum laude with major and minor in physics and philosophy. She received the Milburn E. Tidings award for public speaking and cash award for scholastic standing. She is the second daughter of Ruth Holladay of Canyon. She is employed to teach at Casady School in Oklahoma City.

The next happy event was May 20 to be present at the annual band concert at Amarillo High where her younger granddaughter was finishing high school and was a member of the band where Janet Claire Campbell received a scholarship to State University at Manhattan, Kans., also an award as the most useful band student of the year.

Mrs. Jim Rainey, sister of Janet, and eldest granddaughter of Mrs. Campbell, earned her University degree in Dallas, but was in Amarillo for Janet's honors, so Mrs. Campbell did not attend as she was delegate and attending Annual Methodist Conference in Glorieta, N.M. Mrs. Rainey is employed in the business field.

The family has honored Mrs. Campbell with a surprise party on her 81st birthday since she returned home.

Xi Nu Nu hosts picnic

The Xi Nu Nu chapter of Beta Sigma Phi hosted a picnic at Laguna Park Wednesday, June 16, for the students of the Littlefield School for Special Children.

Sandwiches, chips, brownies, Cokes, and popsicles were served.

Members present were Marilyn Parker, Judy Vaughn, Carolyn West, Sheila Hanlin, and Edith Birkelbach.

Texas TOPS met at Medical Arts Hospital in the dining room for a regular meeting.

Lola Wasson read the minutes and they were approved. The roll call was read and was answered with TOPS or gainer.

Juanita White, leader discussed the quilt the group is making, and members decided that a large white square will go in the middle for the Bicentennial part of the quilt. The letters of names in the middle of the quilt will be red and blue on a white background. The names will be painted on each square with pen paints.

According to a member, "With so many of our members absent it has been hard for us to finish our quilt. The Texas TOPS club wants to extend an invitation to Margie Dickerson, Jerry Daniels, Earlene, Patty Zahn and Ada. Try and come back for our regular meeting. We all need each other's support."

She continued, "We would like to say 'Welcome' to our visitor, Angie Duke. If she joins she will be our second teen member."

Other teens in Littlefield who would like to "Take Off Pounds Sensibly" are invited to visit or join.

Queen for the week was Mildred Smiley, Runner-up was Norma Holtcamp. Secret pal gifts were exchanged and all members said the pledge in unison.

Texas TOPS 102 wishes Mr. and Mrs. Long a happy vacation and hopes she will see us lighter.

Miss Teen Bicentennial launched

A search is being made throughout America to find a teen girl to become Miss Teen Bicentennial of America for 1976.

All girls between the ages of 13 and 17, regardless of race, creed or color, who are American citizens and have never been married, have the opportunity to win this coveted and historic title. This distinguished honor will not only lead her to excitement and fortune, but will symbolize the contribution of the young teens to the growth and prestige of this nation.

There is no theatrical talent required.

Boy Scout Council presents colorful Flag Day ceremony

Boy Scouts carrying nine historic flags were joined in a colorful Flag Day ceremony Monday morning by the Reese Color Guard dressed in revolutionary uniform and carrying flintlock muskets.

The Scouts carried the Pine Tree and Rattlesnake Flags, as well as the Betsy Ross Flag, the first stars and stripes adopted by the Continental Congress, June 14, 1777.

Also included was the "Star Spangled Banner", the flag

with 15 stripes that inspired Francis Scott Key to write the "National Anthem" at Ft. McHenry, Sept. 14, 1814.

The flag ceremony, sponsored by the South Plains Boy Scout Council, was held on the lawn and in the sunken courtyard of Briercroft Savings and Loan, 50th Street and Avenue Q.

The review included a simulated firing of the "First Shot" in the "Spirit of '76" South Plains Council Scout Roundup.

Spirit of '76 Roundup Chairman, Ford Mitchell, called the Bicentennial a great opportunity for the Boy Scouts to join in a total effort to recog-

nize America's matchless heritage. "It's a time for commitment, when we on the South Plains go out to give youth the experience that'll last time," Mitchell said.

A revolutionary cannon backdrop for ceremony the sunken courtyard. Plains Council President Tidmore, received each historic flag as it was donated by the Scout Color Guard. Council Scout Executive Bob Bouse, concluded program by reading the Scout Bicentennial Declaration, and by asking participant to sign the

Wayland plans Bicentennial official Museum opening

Wayland Baptist College is celebrating its own Bicentennial in this year of celebrating the official formal opening of the Texas Panhandle Regional Heritage and Llano Estacado Museum on campus on Independence Day, July 4th.

Although several minor projects still to be completed before opening, museum exhibits immediately following into the facility.

The American Revolution Bicentennial Committee of Plainview, chaired by Dr. Morris, selected the museum as its showcase Heritage '76 project and also as its major lasting reminder of the bicentennial celebration in Plainview.

Although the formal opening is set for July 4th, the official Bicentennial of the United States, museum opening ceremonies will continue through Aug. 21, the centennial of the creation of Hale County in which both Wayland and the museum is located.

The Llano Estacado Museum forms a unique link between Wayland College and the community. It is included in the academic structure of the college as an adjunct to the American Studies program which is unique within itself.

Morris says the American Studies program receives support and coordination through the American Studies Institute of the Southwest which was formulated by Wayland leadership. "The Institute has a separate board of directors drawn from the Wayland Board of Trustees and the area at large with no restrictions as to race, sex, color, or religion."

The Institute's board, in turn, delegates its museum authority to the Museum Advisory Board which draws its membership from the college faculty, the Hale County Historical Society, the college student body, and the area at large.

The Museum Advisory Board then works with the dean of the college and the board of the American Studies Institute to select and maintain a competent staff for the museum. Thus the museum represents a broad cross-section of the community

MY PRAYER
 Oh Lord, my God, these few small things I ask of you today;
 To walk calmly in the midst of the mad crowd;
 To feel serene in the presence of chaos;
 To be quiet in the din of clanging cymbals;
 In a world that argues, let me express joy;
 In a world that is suspicious, let me honor truth,
 In a world of heartbreak, let me be compassionate
 Teach me to share—with grace;
 To care—with tenderness;
 To be sufficient—with strength enough left over to find a quiet place and kneel before you for forgiveness.
 —Paul M. Stevens

S-L&H on hot streak

Starnes Constructin-L&H Durocs won its third and fourth Jr. Babe Ruth games in a row this week to improve its record to 7-5 and prepare for the big game tonight against league-leading B&C Pump.

B&C, now 11-1, has a two-game lead over Tasty Taco (6-3) in the loss column and need only win one of its last three games to lock in early July. The schedules are being re-worked to allow the All-stars more practice time before the district tournament in Plainview.

The All-stars were to be selected last night, said league president Dwight Starnes, and the roster will appear in Sunday's Leader-News.

S-L&H 14 SECURITY STATE 13

S-L&H got four runs across in the bottom of the last inning Saturday to edge Security State 14-13.

The Bankers had gone ahead 13-10 in the top of the fifth, but S-L&H's rally foiled their bid for an upset.

Brady Bradley got the win and slapped a single. Rex Freeman had two singles, and Louis Flores, Lupe Martinez and Ruben Torres each had a hit.

Steve Vargas ripped a double and two singles for Security State. Norris Wilson hit a double and Bobby Guajardo singled. Pablo Trevino pitched.

S-L&H 19 SUDAN 9

Louis Flores had a stellar night Monday in Sudan as he led S-L&H to a 19-9 win over the home team.

Flores, one of the smallest players on the team, blasted a homer, double and three singles, stole four bases to give him 29 for the season without even being caught, and pitched the last two innings of the game, striking out five of six batters.

Lupe Martinez backed up his performance with a double and two singles, and Johnny Ortiz chipped in two doubles. Winning pitcher Brady Bradley, Rex Freeman, Robert Flores and Ruben Torres all hit singles.

Vic King was on the mound for Sudan and sliced three singles. Mike Jones added a hit.

SUDAN 13 ANTON 9

Sudan won its fifth game of

the season Saturday by stopping Anton 13-9.

Mike Jones took the win, and whacked two singles and a double. Vic King also hit two singles and a double, Odell Johnson rapped two singles, and Timmy Williams doubled.

Ham pitched for Anton and hit a double. Carrom reeled off a triple, double and single, and Deacker tripled.

B&C PUMP OVER SECURITY STATE

Security State lost its fifth

straight game when they had to forfeit to B&C Pump Monday due to lack of players.

C-O takes odd route

Strange as it may seem, Carlisle-Oldham has won just five of its 10 minor league games this summer, but is still leading the pack.

The reason: C-O is un-

defeated for the year. The five games they haven't won they have tied, including two deadlocks with Leader-News and Security State this week.

The 11-11 tie with Leader-News was especially frustrating for the Newsmen. In last place with a 1-5-3 record, L-N has played Carlisle-Oldham four times this season. They've tied the leaders three times, and lost the other outing 15-6.

The minor leaguers, who had been playing only three times a week, will now be playing five times weekly until the season ends July 3.

C-O 11 LEADER-NEWS 11

Leader-News scored one run in the top of the fourth Monday to throw their game with Carlisle-Oldham into a 11-11 tie.

C-O had big innings in the first and third with five runs in each, while the Newsmen got four in the first and six in the

second. Cliff Davis pitched for Leader-News. Feraunte Lewis socked a double and single, while Brian Killough and Chris Clark whacked singles.

Freddie Hernandez handled C-O's pitching and hit a double and single. George Medina slapped two singles, and Ronald Hernandez singled.

C-O 6 SECURITY STATE 6

Security State, down 6-1 going into the bottom of the last inning, rallied for five runs to pull out a 6-6 tie with C-O Friday.

Freddie Hernandez again pitched for Carlisle-Oldham, and joined teammates Ronald Hernandez, Gary Sawyer and Chuck Sawyer with singles.

Eric Dumoss pitched for the Bankers and swatted a double and a single. Jimmy Ratliff and Steve Rainy chipped in singles.

Lions, Pioneers keep rest of Pee Wees at bay

The Lions and Pioneers showed why they have been the class of the Pee Wee league all summer as both won two games this week.

The Lions are on top of the pack with a 11-1 record, their only loss coming last week to the Alley cats. The Pioneers are in second at 10-2, and their only losses have been at the hands of the Lions.

The Lions have a good shot at unseating the Pioneers, last year's champs, for the league crown. They only need one win in their last two games to do it.

LIONS 15 CHIEFS 9

The Lions scored the maximum five runs in each inning Friday to scalp the Chiefs 15-9.

Dale Bradley was the winning pitcher, and joined teammates Leo McCarty, Paul Castillo, Kerry Jones, Mike Pierce, Todd Tapley, Scott Montgomery, Michael Montgomery, Blake Dalton and Paul Mendez as top batters.

Tim Boomer, Rad Heffington, Rickey Bush, Kevin Pearson, Rodney Williams, Raymond Mooney and Clint Overland led the Chiefs.

PIONEERS 12 ROADRUNNERS 10

The Pioneers shut down the Roadrunners with only one score in the last inning Friday to pull out a 12-10 victory.

Lloyd Champion picked up the win. Julian Sierra, Randy Vaughn, Cory Stovall, Donny Vaughn, Bill Cooper, Darrell Horne, Phillip Birkelbach and Steve Castillo got hits.

Doug Gilbert, Chris Scott, Brad Kloiber, Danny Gonzales, Sheldon Macha and Joe Galindo paced the losers.

PIONEERS 14 FIREBALLS 11

The Fireballs fell behind 5-2 after one inning Monday and could never come back as the Pioneers doused them 14-11.

Donny Vaughn and Darrell Horne slugged two homers each to lead the winners. Winning pitcher Randy Vaughn, Cory Stovall and Steve Castillo also hit homers.

and Julian Sierra, Lloyd Lee Champion and Rick Fulfer added hits.

Larry Sierra and Tammie Reed hit homers for the Fireballs. Steve Rangel, Roger Lowe, Aaron Holland, Scott Giles and Leonard Mendoza added hits for the losers.

LIONS 12 ROCKETS 8

The Lions won their 11th game of the season Monday with a 12-8 victory over the Rockets.

Mike Pierce was credited with the win. He joined Dale Bradley, Leo McCarty, Paul Mendez, Todd Blevins, Michael Montgomery, Paul Castillo and Scott Montgomery with hits.

Joe Vargas, Sammy Christian, Mellett Blackwell, Bryan Mansell, Tory Blackwell and Jr. Hernandez spearheaded the Rocket attack.

Birkelbach, Firemen set up showdown

Birkelbach and Fire Dept. won major league games this week to add fuel to their race for the championship.

Both clubs are now 9-3 for the year, a whole game ahead of third place WOW and two games in front of faltering Lamb Co. Electric.

Just a week and a half ago, those four teams were locked in a four-way tie for the top spot. Now, if the trend continues, the championship may not be decided until the last day of the season, when Birkelbach and the Firemen meet July 3.

WOW 17 LAMB CO. ELECTRIC 2

With their heart set on battling back into the thick of the major league championship fight, WOW walloped the Electricians 17-2 Friday.

The Woodmen scored four runs in the second, six in the fourth and five more in the sixth to bury LCE, which lost its second straight game.

Scott Yarbrough had the hot bat for WOW, banging out a homer, double and two singles. Winning pitcher Randy Kemp and Scott Lewis both notched doubles.

James Randall was tagged with the loss but cracked a pair of singles. Kerry Rainbolt, Chris Merrifield and Sam Jackson each added a single.

BIRKELBACH 22 ROTARY 0

Birkelbach swamped the unfortunate Rotarians with 22 runs Saturday and Scott Butler pitched a shutout as Birkelbach piled up its ninth win.

Rotary's record fell to 3-9. Butler allowed only one hit to the bewildered Rotarians, a single by Raymond Sierra. He was backed up offensively by Mike Williams, who crashed a two-run homer and a pair of singles; Rocky Bowman, with a double and to singles; and Brent Dalton, who ripped a double and single.

FIRE DEPT. 16 LIONS 12

The Lions lost their 12th straight game Monday, going down to the blazing Firemen 16-12.

Fire Dept. has own four of its last five games to tie for the major lead.

Leslie Yarbrough's home run paced the winners. Curtis Williams notched a double and two singles and Brian Pace popped two hits. Adrian Solis picked up the win.

Todd Simpson was the Lions pitcher, and slugged a grand-slam homer in the second inning to go with a single. Armando Sierra helped out with two singles, and Greg Dempsey doubled.

L-N turns in triple play

Leader-News has been having a rough time of it this season, but one play last week had to bring a smile to even the most disappointed fan's face.

The Newsmen, 1-5-3 for the year and in last place in the minor league, were in the middle of game against Security State. With runners on first and second and one out, the Security State batter hit an infield fly to Leader-News second baseman Gary Vaughn.

Vaughn caught the ball, tagged the runner on second base who had been playing off the bag, and threw back to first baseman Brian Killough to catch the runner on first base. Three up, three down on one play, the only triple play in Little League ball this summer.
