Dispute Goes Back To Commissioners

DR. W.S. DICKENSON reviews an account of Nazi criminal hangings which occurred 26 years ago in Nuernberg, Germany. The accounts were printed in the

Lubbock Evening Journal and the Lubbock Morning Avalanche on Wednesday, Oct. 16, 1946. He inherited the papers when his parents died last winter. (Staff Photo)

The Lamb County Salary Grievance Committee met Monday night to hear three elected officials who filed salary complaints, after almost four hours of discussion the Grievance Committee was unanimous in only one request—the increase of traveling expenses for Tax Assessor-Collector Herbert Dunn from \$996.96 to \$1,500 annually.

Failure to reach a unanimous opinion on salary increases of \$100 a month each for Dunn, tax-collector; Ray Lynn Britt, district clerk; and Lucy Moreland, county treasurer, means that the dispute now reverts back to the Lamb County Commissioners' Court.

In letters filed last month, the three officials filed salary grievance complaints asking that the Grievance Committee raise the trio's salaries a total of over \$6,000 annually.

The grievances were filed after the commissioners court set the 1973 budget and granted the three annual salary increases of \$300 each.

At the present time Mrs. Britt and Mrs. Moreland receive \$5,580 annually and their salaries were increased to \$5,880. In filing disputes, the county treasurer and the district clerk asked for \$7,200 per year. Dunn's present salary is \$6,660 and his salary was raised to \$6,960 for the coming year. He asked for an annual salary of from \$9,600 to \$10,430 and an increase of traveling expenses from his present \$996.96 to \$1,900.

The unanimous request of an increase in traveling expenses granted by the Grievance Committee was \$400 less than the requested amount.

The Grievance Committee is made up of seven elected county officials, including the three who filed salary grievances, and three laymen drawn from grand jury members who served last year.

County Judge G.T. Sides is chairman of the salary grievance committee and as chairman does not vote. Elected officials are Herbert Dunn, tax assessor; Lucy Moreland, county treasurer; Ray Lynn Britt, district clerk; Mary Beth Willey, county clerk; E.D. McNeese, sheriff; and Curtis Wilkinson, county attorney. Drawn from the list of grand jurors were James "Sandy" Sanderson, Winston Cummings and Quentin Hodge.

Two of the laymen from the grand jury, Sanderson and Hodge, cast the dissenting votes in granting the salary raises.

If, after a hearing, the committee by a vote of six of its voting members decides

to recommend a change in the salary, expenses or other allowances of the persons requesting the hearing, it shall prepare its recommendations in writing and deliver it to the commissioners' court which shall consider the recommendations at its next regular meeting.

The court will meet Tuesday, Oct. 31, to take action on recommendation from the Grievance Committee.

Because the committee was in agreement with the increase of travel expenses for the tax assessor-collector, the raise goes into effect next month without consent from the commissioners' court.

Judge G.T. Sides presented the following statement to the Grievance Committee from the Lamb County Commissioners' Court:

"It has long been the law and tradition that the person or persons on the governing body that raises funds also governed the way that money was to be spent. This committee, meeting here tonight was lawfully constituted by the last regular session of the Legislature of Texas.

"This court still believes that since it is their duty to fix the tax rate, evaluation, and equalize the property tax that they are responsible for the financial affairs of the county, and should therefore determine how the tax money is spent, including the setting of salaries of county officials and employees. As we see it, it is the only way we can discharge the financial responsibilities that are ours by law and by tradition. Past Commissioners' Courts and the present Commissioners' Court has met these financial responsibilities. This has kept this county in good financial condition, and we have been on a cash basis for many years. The present Commissioners' Court would like to continue this kind of record. We hope this committee will give the above statement serious consideration.

"When considering the subject of salary raises, it is well to also consider the financial conditions of the county. At the present time, that is 1972, we will show a small balance of income over expenditures, as we did in 1971. Previous to that, for the last five years, we had spent more than we had taken in. We had a large tax raise effective for the 1971 tax year, and the Commissioners' Court does not feel that another raise should be placed on the people of Lamb County any time in the near future. We also feel that we need an emergency or contingency fund. This we do not have at

Old Paper Recalls War Memories

Headlines on the Wednesday, Oct. 16, 1946 issue of the Lubbock Evening Journal blares, "Nazi Leaders Die On Gallows" and portrayed pictures of five of those hanged the previous day in Nuernberg, Germany.

Dr. W.S. Dickenson, Littlefield chiropractor, inherited the 26-year-old papers last winter when both of his parents died only weeks apart at Lubbock.

The Lubbock Morning Avalanche, printed the same day, features two bold lines of type across the top: "Ten Nazi Leaders Hang; Goering Takes Poison To Escape Gallows."

The story below the headlines reads: "Nuernberg, Germany—Ten

condemned Nazi ringleaders died on the gallows in the Nuernberg jail yard early today, but Hermann Goering, Adolf Hitler's number two man, cheated the noose by swallowing poison in his cell before the death sentence was read to him.

They had been sentenced by the international military tribunal on Oct. 1 for "war crimes, crimes against the peace, and crimes against humanity."

The large portrait in the center of the paper's picture of a noose is that of Hermann Goering, who escaped the gallows. Those around the noose, moving from the top left counterclockwise, are Joachim Von Ribbentrop, Fritz Sauckel, Alfred Rosenberg, wilhelm Von Keitel and Wilhelm Frick.

Others who met the gallows were Col. Gen. Alfred Jodl, Hans Frank, Martin Bormann, Julius Streicher, Arthur Seys-Inquart, and Ernest Kaltenbrunner.

Another headline in the paper blares the words, "Meat Prices Zoom Over U.S." and a drop head continues, "Short Rations Are Reported Over country." Still another drop head in smaller type continues "New York Prices Are Above Levels of Black market."

Dr. Dickenson remarked, "We're still seeing those headlines today!"

Other problems on wage control and the drafting of plans to free foods from ceilings, were also printed on the page.

Dr. Dickenson inherited several papers in the group he received, and among them is an Ulster County Gazette, dated Saturday, Jan. 4, 1800. Included in the classified advertising were ads selling everything from slaves to buggies. The front page format (or layout) looked about like a checker board, with every story having its own little one column headline.

City Councilmen Will Meet Tonight

City councilmen will meet tonight at 7 to discuss two items of old business, as well as three other items of new business.

In matters of old business, councilmen will discuss the hiring of a consultant to evaluate the information from General Telephone Co. in regard to the proposed rate increase, and will discuss an application to the Texas industrial Commission for designation as a rural area.

Other matters on the agenda include the considerations of requests from citizens for tying onto the city water supply, and the addition of street lights to two different areas.

Vicki Oden Wins Contest

Vicki Oden, a Lubbock reader entering the football contest for the first time wins this week's \$5 first place prize with only one miscalculation. She missed the Muleshoe game along with about 100 others who didn't predict this upset.

Seven persons missed only two of the 16 winners. Virginia McLelland of Amherst wins the \$3 second place prize for coming closest to the actual scores of the two games in the tie breaker.

Mrs. Pat Donnelly and Lesa Berry tied for third place with both of them 21 points away from the final scores.

Raymond Duvall, Sharrise Cowen, Gaylene Rogers and Mrs. Doris Robison all scored 14.

Nineteen scored 13 this week.

Besides the Muleshoe-Morton upset, the Farwell-Springlake-Earth game was the most often missed tilt.

Two contestants failed to put their names on their entries. If a reader thinks he should be in the running and can't find his name in the contest standings in this issue, call the office and tell us what color ink, which teams you picked and the scores you put in the tie breakers and an attempt will be made to give the proper credit.

There are some real changes in the season standings this week. Several contestants tried to pick some upsets in a catch-up attempt and bombed out.

Randy Dayton moves into first place at the halfway mark of the contest.

Mrs. Byron Ford of Sudan and Floyce Pierce of Littlefield share second place slot.

Tied for third are Doug Ferrin, Joe Don Parrott, Richard Hopping, T.W. Bryson and Alan Mackey all of Littlefield, Winston Cummings and Phelps Blume of Amherst and Lilburn Bales of Sudan.

Absentee Balloting Expected To Be Heavy

Absentee balloting in the Nov. 7 general election and local option election is expected to be the heaviest ever, according to Mary Beth Willey, county clerk.

Balloting by absentee started Wednesday morning, and at that time 146 mail-in requests had been received in the general election (county-wide) and 63 requests had been received for the local option vote (inside city limits only).

Going by these figures Mrs. Willey said she predicted as many as 600 may vote absentee in the general election and predicted as many as 350 may cast absentee votes in the local option election.

There were 425 absentee votes in the last general election four years ago. One hundred seventy-one voted absentee in the local option election in 1967.

In those elections, 18, 19 and 20-year olds could not vote.

The increase in absentee votes this year is due largely to the younger voters who are away in college and for servicemen who vote absentee.

Concerned Citizens To Meet Sunday

The Concerned Citizens of Littlefield will meet Sunday afternoon at 2 p.m. in the Flame Room of Pioneer Natural Gas Co.

The organization will continue the planning that was begun in last Sunday's meeting, and the committees that were appointed will present reports on the progress made.

All interested persons are invited to attend the session.

Club Hears Report Micronesia Thursday

The Club met in evening, Oct. 12, in the home of Mrs. Daphne Smith. During the business meeting, Marjorie Richey, President, introduced Mancil Hall who explained a new housing project that is being considered for Littlefield. This is a government project designed for Senior Citizens regardless of financial status. It will be composed of 40 units or apartments.

Mrs. Lucille Betts, in charge of the program, introduced a special guest, Rex Gilstrap, Gilstrap, in keeping with the program on "Americanism" gave a report on a trip he took this summer to Micronesia. Micronesia is an American Trust Territory of the Pacific Islands that was allocated to the United States by the United Nations in 1947.

Using slides and commentary, Gilstrap took the group along on his 22-day tour from Hawaii, Guam, Saipan, Tinian, Truk, Panape, Majuro, and Kwajalein. Especially interesting was the fact that Gilstrap made his own pictures. Refreshments of homemade ice cream, cake, and coffee were served to 13 members and a guest.

Churches To Hear TANE Speakers

Still-growing problems of alcohol and drug abuse will be the subject of sermons by representatives of Texas Alcohol Narcotics Education, (TANE) Sunday, Oct. 22, in six churches in the Littlefield area.

"New addicts are added each year to the estimated 12 million alcoholics and 200,000 narcotics addicts in the United States. TANE's purpose is to prevent alcohol and drug problems through education," said Dr. Albert F. Tucker, TANE's Executive Director.

A Texas non-profit corporation, TANE has been in existence since 1935. Programs include the Speaker's Bureau; public school assembly programs; teacher in-service training workshops; publishing books; production of audio-visual aids and other educational aids, research and public information; a free film-lending library; and an annual drug education workshop, co-

sponsored with Baylor University.

Though it is a Texas organization, TANE's books and film strips were sold last year in all 50 states, and in 15 foreign countries.

TANE is supported financially by contributions from churches, individuals, business, and industry. It is governed by a board of directors representing each section of the state and each denomination of supporting churches.

The church in Littlefield to have a TANE speaker is the Church of The Nazarene, Rev. Curtis Steen, pastor.

Churches in the Littlefield area to have speakers are Central Baptist Church at Anton, Rev. Harmon Bishop, pastor; First United Methodist Church at Anton, Rev. Carl Oglesby, pastor; First Baptist Church at Whitharrai, Rev. Kenneth Harlan, pastor; First Baptist Church at Spade, Rev. Johnny Lee Jr., pastor; and First Baptist Church at Sudan, rev. Eddie Freeman, pastor.

Who pays the liquor tax?

The consumer pays the liquor tax. The liquor industry only collects the tax from the liquor customer.

Who gets the liquor tax dollar?

81% goes to the state. 19% goes to the local government.

Who must clean up the mess?

State and federal share of clean-up costs.

Why would anyone want to legalize more liquor in our state?

The truth is, there are really only two reasons anyone would want to legalize more liquor in our state and thereby increase the number of people using liquor:

1. Consume it, he wants to drive liquor more responsibly.
2. Profit. He wants to profit from the sale of liquor.

WHAT IS THE TRUTH? WHO PAYS THE TAX? WHO GETS THE TAX DOLLAR? WHO CLEANS UP THE MESS? WHO WANTS TO LEGALIZE MORE LIQUOR?

this time. Our courthouse and jail is about 18 years of age now. We could need money for repairs to heating unit, air conditioning unit, or other unforeseen general repairs at any time. For this we need the contingency fund.

"Let us now consider the request to the Salary Grievance Committee in the order in which they were handed in on September 1972. The first one was from Ray Lynn Britt, District Clerk. You have read or heard her request. She requested a raise from her present salary of \$5880.00 per year to \$7200.00 per year. This is a raise of 22.44 plus percent. This figure to be \$1320.00 per year raise and it would also cost the county an additional \$151.80 to pay the 6% retirement cost and 5.8% Social Security cost on the additional salary.

"When Ray Lynn Britt took office in 1967 the salary was \$3280 per year. She has received two raises of \$300.00 per year each since that time, to bring her present salary to \$5880.00. In addition to this the county has gone into the retirement system which cost the county 6% of the annual salary, or at present salary of \$316.80 per year. The county also pays approximately 2/3 of an insurance policy for her, which cost the county \$396.00 per year, and this cost may increase considerably within the next few months. Social Security costs will also continue to increase. All of this, along with the \$2,973.24 set aside by the retirement system for prior service, make a substantial increase in her wages and in what it cost the county to maintain the office of the District Clerk.

These facts and figures along with the fact that she has a full time deputy, which allows considerable flexibility in her work schedule makes her position rather attractive.

"Considering the above facts and the financial condition of the county and the salary of the county officers and employees we feel the present salary of \$5880.00 to be a fair and equitable salary. We, the Lamb County Commissioners' Court ask that you make no change in the salary.

"The next request was by Lucy M. Moreland, Lamb County Treasurer. Since the present salary and the requested increase are the same, the financial figures that were given in the District Clerks request would also apply to this request. There might be a slight difference in the insurance cost. There is a difference in the amount set aside by the retirement system Lucy M. Moreland has \$8,436.23 set aside for prior service in the retirement fund. These facts, along with the fact that the office of county Treasurer has a relatively light work load and flexible work schedule leads us to believe that the salary of \$5880.00 per year makes it an attractive position. We ask no change be made in the salary as set by the Commissioners' Court.

"The next request for salary review by the Salary Grievance Committee was by Mr. Herbert Dunn, Lamb County Tax Assessor-Collector. Mr. Dunn has given several ways in which you might consider setting a salary for his office. He has also quoted several statistics, mostly on a percentage basis. He also states that in 1952 the salary was \$4800.00 and the expenses were \$1000.00. On page 619 Volume 4 of the minutes of Commissioners' Court, dated January 11, 1954, we find the following: Deputies \$2400, \$2400, \$2160, \$2040 and extras \$1200. Salary of Tax Assessor \$4800, expenses \$700.00.

"With four full time deputies as listed, one extra full time, salary and expenses,

the cost of the office would have been \$415,700 for salary and travel expenses.

Last month September 1972, the pay roll for deputies was \$1800.00, on an annual rate of \$21600.00. Add the \$6900.00 salary that became effective October 1, 1972 and the \$1000.00 expenses account, the present cost of the office is on the annual rate of \$29,500.00. In addition to this we have the expense of having the voter registration and tax roll computerized at a cost of over \$3000.00 per year. So the expense of the office has fairly well kept up with the increased work and money taken in by this office. We would say it has more than increased in proportion to the revenues that finally accrue to the county.

"If this committee should allow the salary of \$8400.00 that would be 21.7 plus % raise from the present salary of \$6900.00 or a 25.7 plus % raise from the 1971 salary. The raise asked for in the expenses account is 90%.

"Mr. Dunn states that living cost has increased over 100% since 1952, and living cost has increased 71% during the last 10 years. We do not have figures to confirm nor disapprove these figures, but we feel sure the average family income of Lamb County has not kept pace with the figures he quotes. On page 530 of 'Sales Management Magazine', June 10, 1965 shows the average household effective buying income for Lamb County to be \$5530.00 and 79.6% of all household to be less than 47000.00. We think this makes Mr. Dunn's present salary of \$6900 plus \$1000 expenses stand fairly well in line with the income of the families of Lamb County.

"In addition to the above facts and figures we would also ask you to consider that when we joined the Texas County and District Retirement System in December of 1968 that \$17,597.86 was set up as a credit for prior service for Mr. Dunn. Also the 6% retirement, the 5.5% Social Security cost and the insurance cost also apply in his case as in the two previous cases being considered. We ask that no change be made in the salary and expense account set by the Commissioners' Court for the Office of Tax Assessor-Collector.

"In 1971 Lamb County paid out \$309,547.16 in salaries and wages. We realize that the people who are asking for raises are not asking for like raises for everyone, but the Commissioners' Court must consider what is fair and equitable for all. If all should receive a 22.44% raise it would cost the tax payers of Lamb County \$69,464.38 plus 11.5%, or \$7988.40 on the above figures to take care of the retirement and social Security cost. There would be no way to pay these without another large tax raise. We do not believe this would be fair to the people of Lamb County, so we again ask you to make no change from the salary and expense accounts that have been set by the Commissioners' Court."

OBITUARIES

OZELLA BRYANT

Funeral services for Mrs. Ozella Bryant, 60, a longtime resident of Plainview who died Friday morning at Austin following a long illness, were conducted Wednesday afternoon in the First Baptist Church in Plainview.

Officiating was Rev. Carlos McLeod, pastor. Burial was in the Otton Cemetery, with Lemons Funeral Home of Plainview in charge of arrangements.

Mrs. Bryant had lived in Austin with her son the past two years. She had been a nursery supervisor at Plainview's First Baptist Church more than 25 years.

Surviving are two sons, Bobby Bryant and Jerry Bryant, both of Austin; a daughter, Mrs. Betty Peterson of Littleton, Colo.; three sisters, Mrs. C.B. Fancher of Otton, Mrs. Ray Caviness of Carlsbad, N.M., and Mrs. N.C. McDowell of Meridian; three brothers, J.E. Miller of Canyon, W.E. Miller and J.F. Miller, both of Otton; and eight grandchildren.

DELOREZ BASQUEZ

Funeral services for Delorez Basquez, five-week-old daughter of Mr. and Mrs. Benito Basquez of Loop, were conducted Tuesday afternoon in the First Baptist Church of Loop.

Officiating was Rev. Raymond Severa of Seminole, with burial in the Loop Cemetery under the direction of Webb Funeral Home of Seagraves.

The child died early Saturday evening in Lubbock's Methodist Hospital following a short illness.

Survivors other than her parents are the grandparents, Mr. and Mrs. Manuel Basquez of Loop and Mr. and Mrs. Iain Perez of Littlefield.

VIRGIE BELLE SMALLWOOD

Funeral services for Mrs. Virgie Belle Smallwood, 73, of Levelland, who died Saturday morning at Methodist Hospital in Houston following a sudden illness, were conducted Monday morning in the First Baptist Church at Levelland.

Rev. Robert Jenkins, pastor, and Rev. Franklin Swanner of Kingsland, officiated. Burial was in the City of Levelland Cemetery with George Price Funeral Home in charge of arrangements.

Mrs. Smallwood was born in Enterprise, Okla. and had lived in Levelland since 1925. She and her husband, J.L. Smallwood had operated the Smallwood Gin until 1971.

She was active in the First Baptist Church and served as church secretary many years. She was a member of Chapter 797 of the Order of Eastern Star in Levelland and was a past Worthy Matron.

Survivors are her husband, J.L. Smallwood; four brothers, William F. Spears, of Seminole, Okla., V.E. Spears of Lampasas, George Spears of Littlefield and Tom Spears of Matador; and three sisters, Mrs. C.C. Swaringen of Dickens, Mrs. Ruby Thompson of Madador and Mrs. Gladys Wilson of Hurst.

IRONICAL THING about it being that now it'll be up to them to sit down and figure out what to do with it, with Uncle's approval.

SENSIBLE SOUNDING enough, they tell us that the federals have taken up all the available tax-base, leaving very little for the cities, county, and state. (AMEN!)

THE ABUNDANT LIFE

Being Amiable

By BOB

WE MUST NOT permit the rudeness, the harshness, the ill humor, the suspicion, and the unfriendliness which characterize the talk and conduct of so many people to become prominent in our lives.

It seems that many of us are too much inclined to treat others as they treat us. We are often too ready to react to unfriendliness by being unfriendly. We are often too ready to react to unfriendliness by being unfriendly.

TO WHATEVER extent we do this, we are adding to the undesirable social climate, and damaging our own personality and undermining our personal effectiveness. It is so much better for us and those with whom we interact, when we are amiable.

BEING AMIABLE does not mean that we are weak or naive. It does not mean that we are inane and lacking in spirit, but that we understand the need for and value of a friendly, sociable, and congenial disposition.

WE CAN be, and must be strong enough, and courageous enough to talk and act in the way we know to be best. We must not let the ugly talk to behavior of others control our talk and behavior, but must have enough personal integrity to be the person we want to be. This is the wise guideline for all of us.

MAKING OURSELVES difficult is not going to help us or anybody else, but will create problems on top of problems. Many of the things that would be relatively easy and pleasant become heavy burdens, when there is harshness, severity and hatefulness in human interchange.

Cats Excited Over Game

Excitement is building around the Wildcat football camp. Team spirit and enthusiasm are high after Friday night's win plus the anticipation of entering district play this Friday.

Littlefield tackles 2-4 Dimmitt on the Bobcat field at 7:30. Dimmitt's most impressive win this season was their 20-7 victory over Lockney.

The Bobcats have a better defensive team than offensive, and they consistently play good teams very well. For the past two years they have opened their district against defending champ Floydada and both times they have played the Whirlwinds within one touchdown of winning.

It is highly likely that Dimmitt will play the defending champion Wildcats their best game of the season Friday if they hold true to tradition.

Add to that the fact that if it is for any team in the district to win district championship and that entertains Littlefield on their behalf for an idea of what is in the offing.

Two of Dimmitt's very good have been out, and if they Friday the picture can Dimmitt's best running back was injured early, and another back, Euing, was out last week.

Outstanding Bobcat player includes QB Terry Powell, a senior captain who is a real good defensive safety. Florencio Acevedo, a 155-pound halfback is Dimmitt's best threat.

Outstanding linemen include Sanders, 175-pound senior Smithson, 185-pound junior, Broderson, 195-pound junior. Bobcats run from a power some variations, they have a team quickness and are complete Littlefield in size. Littlefield downed Dimmitt last year.

Dear Abby

Does honesty pay?
Readers write in

By Abigail Van Buren

(© 1972 by Charles Scribner's Sons, Inc.)

DEAR ABBY: The woman who wondered whether she was "Honest or Stupid" for returning that which she had found, was obviously disgruntled because no rewards were offered.

If one expects to be rewarded for honesty, it means that honesty today is a rarity, and I don't believe it.

A number of years ago I was stranded in Durham, N. C., after having lost my wallet. A Negro bellhop paid my hotel bill plus breakfast, and when I obtained cash by wire to send me on my way, I left a repayment plus a reward for his kindness to me.

When I returned home I found a letter with the reward money returned to me from the bellhop, stating there was no price on his friendship to man. I was deeply moved by his action and shall never forget it. By the way, I am white, which made no difference to my black humanitarian friend.
H. A. L., PANORAMA CITY, CAL.

DEAR ABBY: You gave a good answer to the woman who asked "Does it pay to be honest?" ["Honesty pays in the currency of honor and self respect."]

May I add a postscript? In determining what is right, I find it is helpful to consider the alternative.

With regard to the abovementioned situation, the alternative would have been to keep the items she found instead of returning them to their rightful owners, rationalizing, "I probably won't even get a 'thank you.'"

This type of rationalization would surely create nagging guilt feelings which would be harder to live with than the resentment of unexpressed gratitude on the part of the owners.

Again and again I have found that considering the alternative has made the immediate unpleasantness much easier to bear, and helped in making the right decision.

THE REVEREND C. W. KIRKPATRICK
LUDLOW, MASS.

DEAR ABBY: In reply to "Honest or Stupid," I wish to relate an experience I had some years ago in Philadelphia:

While shopping on my lunch hour in the five and ten cent store, I noticed a woman's large pocketbook setting on the counter. It was a shabby bag of expensive quality. I looked around to see if anyone appeared to be looking for it, and since no one was, I looked inside for the owner's identification. I felt so guilty searching a stranger's purse you'd have thought I had stolen it.

There was a wallet bulging with several hundreds of dollars—maybe more. I was too nervous to count it. Also, a large bunch of keys, and several credit cards, bearing the owner's name and address.

I felt so conspicuous, and half fearful that I would be approached and accused of stealing it, I rushed immediately to the Lost and Found Department and turned it in, leaving my name and address.

Several days later I received a nice note and a lovely handkerchief supposedly from the "owner" of the purse. She mentioned that altho she had only "a few dollars" in her wallet, she was grateful to have had her keys and credit cards returned!

I quickly realized that her purse had not been returned intact. Most of the money had been removed. Imagine how I felt!

I learned a lesson then and there. If I ever found anything again, I would NOT turn it in. I would leave MY name and address at the Lost and Found, with instructions to have the owner contact ME. That way I'd be sure of its safe return.
REALLY STUPID

DEAR ABBY: Concerning rewards for being honest: I was raised on a farm in Indiana by a father who didn't spare the rod, and I thank God for him every day of my life. When other kids were being rewarded for being "good," my father used to say, "It's not what you'll get if you're GOOD, it's what you'll get if you're NOT GOOD you ought to worry about."
84-YEAR-OLD HOOSIER

DEAR ABBY: My husband owns several large factories and he had in mind promoting a bright young man to a responsible executive position.

We invited him and his wife for a weekend at our summer place. The wife arrived with an armload of paperback books, and during the time she and I were alone, instead of visiting with me, she read continuously, stopping only for meals!

I was amazed, as I am considered good company, and can converse on any number of subjects.

The problem is not that I was antagonized by this young woman's extreme rudeness, but my husband's organization holds many social get-togethers to which the wives are invited, and courtesy is a requirement.

Because wives are now being carefully looked at before promoting their husbands, should I tell my husband he would be making a big mistake to promote that young man?
BOSS' WIFE

DEAR WIFE: If you really want to help your husband, don't put the kibosh on a bright young man who could be an asset to his organization. Instead, tell the wife in a friendly manner that her conduct last weekend is no way to help her husband to get ahead. Perhaps she didn't intend to be rude, but was overwhelmed and frightened by "the boss' wife," and took refuge behind her books.

DEAR ABBY: I've been sleeping with a piece of wedding cake under my pillow every night since June 17 because I heard it would get me a man. Is this true?
ALWAYS A BRIDESMAID

DEAR ALWAYS: I can't guarantee you a man. But you'll get plenty of ants!

Extension Service Sponsors
Open Meeting On Arthritis

The Texas cooperative Extension Service and the Arthritis Foundation are sponsoring an open meeting to be held Thursday, Oct. 26, 7:30 p.m. at the Levelland Senior High School cafeteria in Levelland.

"Purpose of this meeting is to inform persons of all ages in this area of the South Plains about arthritis and what can be done for this disease, states Mrs. Lynn Bowerman, County Extension Agent.

A qualified group of authorities on arthritis will be on hand for the program.

Dr. Wm. A. Riley, chairman of the West Texas Chapter of the Arthritis Foundation Medical Committee will speak on "What is Arthritis?" the various kinds, symptoms, diagnosis and treatments.

Dr. Pete Rhymes, also a member of the medical committee, will speak on "Surgery and Arthritis." He will discuss "How much it can help in the knees, hands, feet and hips."

The role of exercise and physical therapy in the treatment of arthritis will be discussed by Jim Thompson, a physical therapist in this area. Under Thompson's direction there will be demonstrations of certain treatments, exercises and self-help equipment used with arthritis.

After a coffee break, this group of authorities will answer questions from the floor.

This meeting is open to all persons of this area without regard to race, color, or national origin. "It should be a very informative program on one of today's major health problems," Mrs. Bowman concluded.

Card Of Thanks

Words cannot express our heartfelt thanks to the many friends and neighbors who so hastily came and helped in our time of need. To Dr. Chatwell & nurses who did what they could for him and transferring brother to Methodist Hospital so hastily by Mr. Payne. To Dr. Jack Dunn & the nurses and staff at Methodist Hospital for their untiring efforts in his behalf. We also wish to take this means of expressing our heartfelt thanks to the many friends who have expressed their sympathy to us in many ways in our time of sorrow. To the many who provided food, to those who sent flowers, also those who contributed to other worthy causes, we wish to say "Thank You." To those who have been so wonderful to send cards and letters, which mean so much to us, you will always be remembered. We also want to thank Pastor Schuster for his comforting sermon and services rendered to our beloved brother. Also for the food provided by the ladies of the church, who served us on the day of his funeral. To the casket bearers and to Hammons personnel who conducted their services in such wonderful manner in our brother's behalf. We wish to thank you, May God's richest blessings rest on each and everyone of you. MRS. ADOLPH LUECK, MRS. ALVIN LINGNAU, RUFUS OGERLY AND FAMILIES.

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

Cotton program provisions aimed at increasing the 1973 income of High Plains cotton producers were urged on the U.S. Department of Agriculture by Plains Cotton Growers, Inc. in a statement submitted to the Department Oct. 13.

The Lubbock-based cotton producer organization, representing growers in 25 counties, made its recommendations in response to a Sept. 16 Federal Register announcement that USDA will soon decide on the cotton loan level for 1973. Commodity Credit Corporation sales policies, the percentage of set-aside to be required, bagging and bale tie specifications and other variables under the Agriculture Act of 1970.

"We are asking USDA for a higher loan, for CCC sales policies that don't give government cotton an advantage in the marketplace over grower-owned cotton," said P.C.G. President Ray Joe Riley of Sunnyside, "and we are asking that the 20 percent of base allotments required for cotton set-aside not be changed in 1973."

The Act of 1970 says the loan level shall be set at 90 percent of the previous two-year average world market price for middling-inch, 3.5 to 4.9 micronaire cotton at average location, except that the Secretary of Agriculture may adjust the loan downward if he deems it necessary to keep the price of U.S. cotton competitive in domestic and foreign markets.

PGC's recommendation to the Secretary for 1973 is "That the loan level for 1973-crop upland cotton be set at the highest level permissible under the language of the 1970 Act."

Calculations within the industry show that 90 percent of the average world market price for the period August 1, 1970 through July 31, 1972 comes to around 24.5 cents per pound and certainly no lower than 24 cents. The difficulty in arriving at an exact world market average for middling-inch cotton in the U.S. stems from several things.

First, middling-inch cotton is not traded widely enough around the world to establish a meaningful average, therefore the average for strict middling-inch-and-a-sixteenth cotton is used and must be adjusted to a price for middling inch.

Also, to convert the world price back to a U.S. price, freight costs, insurance costs, handling charges, currency differentials and a number of other items must be taken into consideration.

Of the loan for 1973 PGC's statement went on to say "There is wide agreement within the industry, including merchants and mill owners, that a market price of 25 cents per pound will not seriously affect cotton's competitive position with substitute fibers."

It was also pointed out that a higher loan is needed to protect producers against the disastrously low prices that appear to be the fate of 1972-crop cotton, and that without greater price protection producers could be expected to plant minimum acreage to cotton in 1973.

This brings up "the very real prospects for a continuous cycling from short supplies and high prices to long supplies and low prices and back again," which PGC pinpointed as the "greatest single existing threat to the U.S. cotton industry."

Current CCC resale policy sets a minimum sales price for middling-inch cotton, then sells other qualities at market-determined premiums or discounts above or below that price, which according to PGC's statement results in unnecessary and undesirable cycling of cotton through the loan.

Under this policy "Some qualities can and do sell from CCC stocks at or below the loan value and below CCC's acquisition cost," PGC said.

"When this happens growers in possession of current-crop cotton of those qualities are forced by CCC competition to use the loan instead of the marketplace."

So PGC's recommendation to the Department is "That the minimum price at which CCC re-sells any quality of cotton be 115 percent of the loan price for that quality, plus interest and carrying charges."

Riley said the implementation of these two program changes for 1973 would raise the effective "floor" under 1973 cotton prices by some five cents per pound, and added, "Not only are we in desperate need of greater price protection, but the changes we recommend are fully justified under the law and by current conditions within the industry."

Soybean Picture Good, But Watch Harvesting

The soybean picture across Texas looks good as the crop moves toward maturity. Some 210,000 acres are expected to be harvested this year and recent prices are up near the \$3.40 per bushel level. Per acre yields should be in the 27 or 28 bushel range.

"This could mean some good profits from the 1972 crop," points out R.J. Hodges, agronomist with the Texas Agricultural Extension Service. "However, the harvest operation is critical and each year losses are high."

The Texas A&M University specialist notes that harvest losses generally average about three bushels of soybeans per acre. "Proper harvesting could cut these losses by at least two-thirds. At current prices, that's almost \$7 an acre."

The first step in getting off to a good harvest is to check the moisture content of the beans, points out Hodges, when the moisture level reaches 13 percent, it's time to start combining. As the moisture content decreases, shattering losses increase.

"Careful operation of the combine is the key to cutting harvest losses. Go slow and keep the cutterbar close to the ground."

The agronomist recommends a ground speed of 2 1/2 to 3 miles per hour. Reel speed should be slightly greater than the combine's ground speed. The reel should run deep enough in the beans to control the stalks and should be 6 to 12 inches ahead of the cutterbar.

"Harvesting during the early morning when the straw is damp from dew can reduce shatter losses," explains Hodges. "Under such conditions, the combine's cylinder speed should be increased (800 rpm's for a 22-inch cylinder)."

Slower cylinder speeds will reduce the number of cracked beans. The agronomist suggests a close check of the operator's manual to determine initial settings for the cylinder speed and concave spacing.

"Once the harvesting operation starts, a close field check is important to determine losses," suggests Hodges. "A loss of four beans per square foot is equal to about one bushel per acre. Of course, it's important to check pre-harvest losses."

For extra profits from your soybean crop this year, the agronomist advises adjusting the combine properly, checking the moisture level of

the crop, and then be the harvest operation pace. "A little extra spent in the field can mean more dollars at the marketplace."

MISTAKES, DISTRICT GAMES EYED

LHS Coaches Expect Tough Fight From Bobcats Friday

BY ROBERT ROGERS

Quarterback (Terry Bryson) did well, and (Randy) Cook and (Kenny) Francis did a tremendous job blocking. On defense, I would say (Kenny) Owens played a good game. (Bill) Hamblin, (Jerry) Cox, Cook, and Johnson also had fine games defensively."

The Wildcats won that game 17-14 on a touchdown in the final seconds. Summing the game up, Blakely said, "We tried to give it to them a couple of times, and they finally wound up giving it to us."

Ricky Richards, who started at offensive guard for the Cats in their first five games, did not play against Roosevelt because of an appendicitis operation. About 15 of the Wildcat players went to Lubbock Saturday morning to present Richards with the game ball. Richards is not expected to play again until the last couple of games, and then only if he recovers rapidly. Doug McCain, a sophomore, filled in at guard, and did a commendable job, coaches reported.

Getting back to the district race, Blakely predicted that any team in the district had a shot at the crown. Friona was the pre-season choice to give Littlefield a hard time, but Blakely considers Oton on an equal basis. "I can't really tell who will be our toughest opponent. I know Friona will be tough, and Oton is always sky-high for us. But after what Morton did to Muleshoe (The Indians beat the previous unbeaten Mules 27-20), they certainly can't be overlooked. "We will have a hard time every week, but that's the price you pay for being on top. Of course, I'd rather be on top already than be trying to knock somebody else off."

Blakely and Weaver agreed

HOMEcoming was particularly exciting for these three LHS students. From left to right, Debbie Sorley, Tonya Pckrell and Shelly Grant were Homecoming Queen candidates. They were presented at the pep rally Friday. Miss Pckrell was crowned Queen at the Wildcat-Eagle game. All three girls are cheerleaders and spend many long hours boosting Cat spirit.

HONOR ROLL, COURT OF HONOR Scholastic Recognitions Told

BY TANDY TALBURT

Thirty three Littlefield High School students are on the first six weeks Honor Roll and Court of honor, out of a total of 353 high school students.

To make the Honor Roll, a student must have all As and Bs in every course, including band, choir and P.E. Students making As in every course are eligible for the Court of Honor. These two scholastic recognitions were started last year at mid-term to try to inspire students to make As and Bs.

No Seniors were named to the Court of Honor, but there were 11 on the Honor Roll. These included David Barton, Terri Birkelbach, Weidon Culp, Shelly Grant, Jackie Gregg, Irene Moya, Jeanie Reast, Kari Riveksrud, Mary E. Shotwell, Debbie Sorley and Johnnie Wimberly.

Carol French and Barbara McBride made up the junior Court of Honor, and the Honor Roll consisted of David Barker, Terry Bryson, Judy Cannon, Terri Chandler, Ann Coffman, Kim Jungman,

Larry Lobaugh, Bruce Peel, Kelly Pratt, Janice Ray, Andy Rogers, Linda Sherley, Beth Williams, David Williams and Larry Wright.

Tonie Gardner was the only person the sophomore Court of Honor, and Richard Barton, Stephanie Benner, Janice Cannon, and Lisa Roberts made up the Honor Roll. Mrs. Ima Roycroft, LHS counselor, commented, "I think it's especially nice that Kari made the Honor Roll, since she's working in a foreign area."

School Board Members Serve Double Duties

BY CAROL HAYNES

Contrary to the prevalent belief of some LHS students, the school board members are not "a lot of old bald men who are jealous of us kids with hair." In fact, most of the members have full heads of hair and full heads to boot.

The Littlefield School Board members have a wide range of interests, and occupations from lawyer to TV repairman. All find time from their busy schedules to work with financial problems of the schools, personnel employment, and major policy problems.

This year the board members are Doug Walden, president, Pat Downs, Werner Birkelbach, Glen Batson, David Hampton, Dick Hopping, and Mickey Ratliff. Doug Walden, president of the board, is the office manager of Littlefield Co-op Gin. Walden said he is very interested in young people and participates with 4-H and Ag activities. According to a fellow board member, Walden is a very "stable thinker."

great friend of the athletes of Littlefield High School," observed another member of the school board. Batson is a member of the Quarterback Club.

Dick Hopping can also be classified as a sports fan because he is a former Wildcat, and was a star with the University of Texas Longhorns.

Hopping is a farmer in the Fieldton community.

Long time Littlefield resident David Hampton is a great supporter of girls basketball.

Hampton is employed by Tide Fertilizer. He and his wife have three children.

The Littlefield school board has as one of its members this year an aspiring young attorney, Mickey Ratliff. Ratliff resides with his wife, a son and a daughter.

Ratliff is an excellent friend of the students and is always "willing to go to bat for them."

Friday 13 Here Early For Pair Of Students

Going to the Homecoming bonfire can be fun and exciting but it can also be like playing with a huge match. This was the case for Mike Morris, LHS senior.

Morris was taken to the Littlefield Hospital by Billy T. Grant and treated for first degree burns on both arms and face and second degree burns on his right arm.

He is now recovering at his home.

Morris was reportedly pouring gasoline on the firewood when the blazes from another side of the wood pile ignited.

Friday 13 came a day early for Morris. Thursday night, at the Homecoming bonfire and pep rally, Morris suffered first and second degree burns after flame ignited and caught fire on his arms.

Tim Walker, LHS senior, also suffered burns on the face. He was treated and released.

EDITORIAL

BY PAM BRANDT

Spirit is said to be very high in Littlefield. Many townspeople come to the pep rally every Friday. But where is the spirit two to three minutes before the game is over? Why do many people get up and leave then?

Many want to get out of the rush after the football game. Needless to say, there is a lot of congestion in the traffic.

Many think they know what the outcome of the game will be, so why stay?

But, what about the football team that is still out on the field playing? They can't just quit because they think they know the outcome of the game. Especially when the team is behind do they need backing from the crowd. Imagine how the boys feel when the game is over and they look into the stands and find maybe half a crowd to cheer them as they leave the field?

It was once said that an athlete cannot hear the crowd cheering and shouting but a silent crowd is deafening. The student section is doing a good job of cheering the team on, but it is sad to say that the adult section isn't responding too well. Many students stand up the entire game. They also stand up during all of the pep rally. Why can't we show our team how very, very proud we are of them when by standing up? They deserve it because of the fine playing they have done. It means just as much to the boys to see the townspeople 100% behind them.

SPONSORED BY LISD Three LHS Students Work In NYC Program Here

BY CINDY HUBER

Jessie Fuentes, Larry De La Fuentes and Linda Williams are the three students participating in the Neighborhood Youth corp. this year.

This is an organization sponsored by the Lubbock Independent School District and the purpose of the program is to find employment for certain students. This organization was started by the Department of labor in 1965 as an equal opportunities ACT.

Jessie Fuentes is working as a custodial assistant in Littlefield High School with Mr. Abeyta serving as his supervisor.

Larry De La Fuentes is also a custodial assistant in elementary with John Houston as a supervisor.

In Junior High Linda Williams is working as library assistant and Mrs. Grissom is her supervisor.

Jack Christian is coordinator of the NYC at Littlefield and he stated that the main purpose of NYC was to "give them a working environment in a learning situation."

Picture Taking Sessions Slated Next Week

Class pictures will be made Oct. 24 in the school auditorium by Wylie Roberts. Junior and sophomore students will have their official annual pictures taken that day.

Roberts is a professional photographer in Littlefield. He owns and operates Roberts' Studio, in addition to taking annual pictures.

The price of the pictures is \$3.39 payable upon approval, and the annual staff is responsible for distributing them.

HOMEcoming '72

HOMEcoming '72 began with a parade Thursday followed by a bonfire at Wildcat Stadium. The climax came Friday with a victory over the Eagles and the crowning of a new Homecoming Queen. Several prize-winning entries in the parade are pictured here.

VICA won first place in the float division, Choir won first with a hearse and funeral procession for a dead Eagle (on top of car) and second place winner Rodeo Club's entry livened up the parade with sputtering smoke and flying feathers.

KOMMENT

BY TONYA PICKRELL

What could be a better way to start the day than with hearing the Wildcat Band play "Maroon and White" and "Victory"?

The band, under the direction of Mr. Darle Rountree, has played a great part in promoting school spirit. Besides playing the school song on Friday mornings, the band is always on the go at pep rallies, football games and any other school function where they can help raise the spirit.

Every LHS student should be thankful for the great part the band has played in promoting the school spirit and students should all show their gratefulness the next time we see a band member or Mr. Rountree.

All Friday Games Are District Tilts

Beginning Friday, all football teams in the area will start playing for keeps as conference play begins. Some of the teams have been in district competition for some time, while the remainder open conference play this week.

Amherst, after enjoying an open date Friday, will travel to Matador, this week for another conference game. The Bulldogs have been coming up on the short end of the score, although they have been real competitors. In their last game they held Lazbuddie to 12 points before going down in defeat, 12-6.

Madador has been hot and cold. They have lost to teams like New Home and Sandown, and won over Meadow.

Anton opens their district play this week, and will be traveling to Plains. The Bulldogs have had only one defeat this season, that was to Hart.

Plains has taken wins from Bovina, New Deal, Farwell and Sudan.

Undefeated Bula hosts Flowergrove this week in six-man football. Flowergrove was dumped their last two times out.

Springlake-Earth entertains Kress this week in another

conference game. The Wolverines, 3-3 in season and 1-1 in district, were edged out by homeless Farwell 21-20 in a homecoming game at S. E. Friday.

Kress squeaked past Dimmitt 8-7 last week and edged out Farwell, 15-13 the week before.

Sudan travels to Bovina for another district encounter. The Hornets, 2-4 in season and 0-2 in conference, were dropped by Hart 14-7 Friday and by Springlake-Earth 7-3 the week before.

Bovina won over Vega 28-16 last week and were downed by Plains 14-0 the week before.

In class AA competition, Otton travels to Friona. The Mustangs had trouble getting started this season by losing their first four games, but came alive and beat Abernathy 26-23 and Idalou, 27-21.

Friona lost only one game this season and it was to Muleshoe. They won over Dalhart and Lockney.

Whitharral is mid-way in their conference play and will host Three Way in a homecoming gridiron battle Friday.

The Panthers had not been able to muster a win this season, although they did play

Klondike a 26-18 ball game in eight man football.

Three Way has a 1-5 season. Their only win was over Wellman, 28-24 three weeks ago Friday. Three Way was beaten by Smyer, 20-6.

Amherst, Anton, Bula and Otton games start at 7:30, the remainder of the area teams start their games at 8 p.m.

Roosevelt Defeats Littlefield JV

The Roosevelt junior varsity downed the Littlefield JV, 7-0, Thursday.

Littlefield played without two starting backs, tailback Buddy Jungman was ill. Another back was ineligible, due to grades.

Although the JV failed to score, Coach Lewis Boomer said the team played well defensively.

Last week the Littlefield JV won 9-0 over Lubbock High.

Benny Williams scored from 35 yards out, and Ben Farmer tackled the opposing quarterback in the end zone for a safety. 50-yard run by Benny Williams was called back on a clipping penalty.

This week's game with Morton was cancelled. It was hoped that another game could be scheduled but there was no definite plans at press time.

In some developing countries, over 50 per cent of the teachers have had no professional training.

JAKE RICE of 1420 W. 4th Street caught this 50-pound yellow cat last week at Stamford Lake. He caught a 15-pounder the same day. Both of the big fish were caught on African perch live bait on a trot line.

Pep Splits Wins In Opening Game

Pep opened its basketball season Tuesday, with the girls winning and the boys losing to Christ the King from Lubbock.

The Buffalo girls turned a 6-4 first quarter lead into a 37-35 win with Miki Demel bucketing 13 points. She was assisted by mitzi Abus with 12, Mary Franklin hit six, Gail Dusterhaus, Pam Demel and Beverly Abus each sank a two-pointer.

Mosser was the leading scorer for Christ the King with 30 points.

In the boys' action, Christ the King doubled Pep 56-28, with Bessie and Castillo teaming up for 40 points to pace the winners.

The young Buffalo herd was led by Lafayette Demel who swished the nets for 10 points. Roger Vick got eight and Danny Miller hit four. Seven Abus, Sidney Abus and Gary Abus each sank two points.

Whitharral Homecoming Plans Are Scheduled

This week is Whitharral Homecoming. The roster of events includes a giant bonfire Thursday night south of the football field after the junior high football game against Smyer.

Friday there will be a Homecoming Parade, beginning at 2:30 p.m. in front of the Southside Church of Christ building preceding north. Organizations entering floats or other entries are Whitharral Young Homemakers, Band Boosters, Boy Scouts, Baptist Church, Post Office, Lions Club, Volunteer Fire Department and the school. Grades 1 through 6 will have a bicycle decorating contest and ride in the parade. The contest is sponsored by the Whitharral Future Homemakers. Prizes will be given Whitharral and area bands will also march in the parade.

At 3 p.m. a pep rally will be held in the new gym. All parents, friends, ex-students and teachers are invited to attend. The Football Hero will be revealed at this function. Candidates are Louis Barrera, senior, and Bud Reding, jr. and Greg Wade, soph.

From 5 p.m. to 7 p.m. the Whitharral Lions will serve a chili supper. Tickets are \$1 per person and can be purchased from any Lions Club member or bought at the door.

The Football game between the Whitharral Panthers and the Three Way Eagles begin at 8 p.m. During time activities a Homecoming Queen will be crowned. Candidates for this honor are Darlene Burns, Senior, Grant, Junior, and Cynthia Wade, Sophomore.

Darlene is the daughter of Mrs. Joel Burns and the cheerleader, a member of annual staff, and has been chosen as FFA Plover Girl. She is a member of the Basketball team and Whitharral Future Homemakers.

Joli Grant, daughter of Mr. and Mrs. Bob Grant, is a student. Joli is a cheerleader and a member of the Panther Band and the Club Sweetheart. She is forward on the basketball team and is officer in Band and Future Homemakers.

Cynthia Ann Wade, daughter of Mr. and Mrs. Wade, is a sophomore cheerleader, an officer in Whitharral Band and Future Homemakers of Amherst. She plays guard on the basketball team and is officer on the annual staff.

The Panther Band will perform during half time. After the game the Whitharral ex-student Association host a reception to which exes, friends, teachers interested persons are invited to attend.

NOTICE
The roads in precinct (3) in the Fieldton, Hart Camp and Spade Communities have become so bad in the past few years that it is nearly impossible to get down them if there is a small amount of rain or if a little irrigation water breaks out. Most of the roads are low in the middle with borders on each side. This causes the water to puddle and a big hole to exist even after it is dry. Many farmers have pleaded with the present Commissioner to do something about this to no avail. These roads not only cause undue wear on the farmers vehicles but also on the school buses, mail carrier and delivery vehicles that travel these roads. In precinct (3) we have four to five hundred dollar land and two bit roads.
The Farmers of Fieldton, Hart Camp and Spade Communities plead with their neighbors and all the voters of the City of Littlefield, that are in Precinct (3) to join with us writing in the name of:
GEORGE STEWART
George Stewart is a farmer in the Hart Camp Community. He is about 35 years old and has lived in Lamb County most of his life. He is married and has two daughters. He has served in the Armed Forces of this country. He belongs to the First Baptist Church of Fieldton. He is of sound judgement and good reputation, also well thought of by all that know him. He knows how to work with and repair machinery.

Homemakers Host Supper

Whitharral Young Homemaker officers were installed for the coming year at the last meeting of the club. Preceding installation the group enjoyed a salad supper. The serving table was centered with a white cloth, centered with a red floral arrangement and candles. Dining tables were also covered with white cloths, centered with red streamers, red and white flower rings circling red tapers. The head table where the candle light installation took place was centered with an arrangement of fresh red and white carnations.
Mrs. Coy Mills, outgoing president installed Mrs. Roger White as president; Mrs. Don Avery as first vice president; Mrs. Bob Grant as second vice president; Mrs. Don Stafford, secretary; Mrs. Loyd Hood, treasurer; Mrs. Lowell Herring, historian; and Mrs. George Wade as reporter.
The group voted to sponsor the homecoming poster contest. There will be several categories with prizes to be awarded in each division. Plans were made for a Halloween Costume Party, Saturday night, October 28, for the Young Farmers and Young Homemakers. A covered dish meal will be served.
Attending the meeting were Mmes. Barbara Grant, Patsy Tripp, Johnnie Sue Polk, Fredda Kristinek, Sandy Mills, Polly Bryson, Glenda White, Lois Avery, Sarah Jones, Cheri Rodgers, Betty Stafford, Shirley Grant, Esfa Mae Hisaw, and Alicia Addington, the Advisor.

Lions Club Names Queen

WHITHARRAL LION'S CLUB observed ladies night, Thursday evening with a luncheon in the Lions Building. Joli Grant was chosen Lions Club Queen and Connie White was named Sweetheart. Competing for the honors were Donna Avery, Darlene Burns, Joli Grant, Cynthia Wade, Sherri Gage, Connie White, Charla Hisaw and Terri Howard.
Lion Boss Louis McCormack was in charge of the business meeting during which members voted to enter a float in the homecoming parade. The group discussed the chili supper preceding the Homecoming game. The supper will begin at 5 p.m. serving thru 7 p.m. Tickets are \$1 per person and can be purchased from any Lion's Club member or bought at the door.
Lion Boss McCormack announced that Whitharral Lions will host the Zone meeting November 2nd. He also stated the guest speaker for the Lions regular meeting, October 19 will be Mr. Louis Hernandez, Director of Radio and T.V. Servicing at South Plains College. All club members are urged to attend. Approximately 45 members, wives and other guests were present.
Friday morning the Lions Club members working with the annual broom sale ate breakfast at the Lions Building before starting their sale routes. Attending and assisting with the sale were George Wade, Loyd Hood,

4-H Clinic Scheduled For Lubbock

4-H members, adult leaders and County Extension agents from the 20 counties in Extension District 2 will assemble at the South Plains Fairgrounds in Lubbock Saturday, Oct. 28 for an all-day livestock showman's clinic. Purpose of the clinic is to provide adult and junior 4-H leaders the opportunity to learn new skills for working with youth toward the expansion of the 4-H livestock program.
The clinic will feature demonstrations on beef cattle, by Floyd Terrell from Hale County; sheep, by Buddy and Jay Winter of Idalou and Leland Bartlett of Lamesa and swine, by Dub, Chris and A.W. Marshall, Jr. of Lubbock.
The role of the project leader in 4-H will be presented by Ed Garnett, Area 4-H & Youth Specialist for Extension Districts 1 and 2 and coordinator for the clinic.
Dr. Gilbert Hossis, Area Extension Swine Specialist, will work with leaders on health and nutrition of swine projects.
The program is scheduled to begin at 9 a.m. and conclude at 5:30 p.m.
Further information may be obtained from the Lamb County extension office, 385-4004.

Not everyone should drink. But everyone who does should drink sensibly.
There are great numbers of people who have strong reasons for not drinking—religious, physical and personal reasons. And their desire to abstain should be respected by all.
It's a fact, however, that adult drinking is normal behavior in most circles today. The majority of people in this country choose to drink. And most who do so do not abuse the privilege.
They know that liquor is an adjunct of the good life. And that the enjoyment of liquor entails a responsibility to themselves and to society.
They know, too, that liquor is one of the most skillfully-made products in the world. And that to truly enjoy its quality and flavor, one should sip it slowly, consume it with food, take it in the company of others—all in relaxing, comfortable circumstances.
We urge you to remember this the next time you're enjoying a friendly round with family or friends. And ask you to respect the wishes of anyone who'd rather have fruit juice or soft drinks instead.
If you choose to drink, drink responsibly.

Veteran's Day
OCTOBER 23 1972
We dedicate this day to all the American heroes throughout our nation's history who rallied to her cause in time of war and trouble. Gratefully, we remember the men who served, who fought, and who lay down their lives so that the American dream might survive.
