THE FIRST VICTIM of the Vietnam War from Littlefield, Spec. 4 Jimmy Burk, was buried here Monday and the family of the 21-year-old soldier was given an American Flag in his memory. Young Burk died in a helicopter crash Sunday, Nov. 30.

Community Buries First Vietnam Victim

Tuesday afternoon family and friends of Spec. 4 Jimmy Burk paid their last respects to the 21-year-old soldier in the Littlefield High School Auditorium where Jimmy Burk had attended many assemblies and school functions.

Every seat in the auditorium was filled. The scent of flowers, the harmonious melody of the A Cappella choir singing "Beyond The Sunset" and the flower-decked casket made the familiar setting strange.

Following family wishes, the military aspect was kept to a minimum. The mention of the fatal helicopter crash and two uniformed sergeants from Reese Air Force Base who presented the folded U. S. flag that Jimmy Burk gave his life for to the family at the gravesite were the only military symbols.

Lay leaders of the Highway 385 Church of Christ where Jimmy Burk was a member officiated. Melvin West read the obituary with a trembling voice and Luther Gregg assured the Burk family in their dark hour that somewhere the sun was shining—that there was something brighter ahead for them.

A scout dog handler stationed near Bien Hoa, this 1966 graduate of Littlefield High School who lettered in football, basketball and track, was killed in an aircraft crash in Vietnam, Sunday, Nov. 30.

He was born in Perryton Jan. 12, 1948, and moved to Littlefield with his parents, Dr. and Mrs. Glenn S. Burk, in July, 1949.

Survivors include his parents, two brothers, Don of Littlefield and Roy of Lubbock, a sister Kay of the home; paternal grandmother, Mrs. Ruth Burk of Littlefield; maternal grandparents, Mr. and Mrs. Boyd Rea of Anton, and a great-grandmother, Mrs. Vida Brant of Anton.

Burial was in the Littlefield Memorial Park with Hammons Funeral Home in charge of arrangements.

Pallbearers were Wayne Butler, Lindell Holly, Paul Byrne, Dr. B. W. Armistead, Harvey Patterson, Tommy Patterson, Roland Bell and Herman Monkers.

Honorary pallbearers were Fred Kennedy, Carl Odum, Richard Pryor, Jerry Cox, Willie Bennett, Johnny Achee, Jimmy Butler, Jimmy Landrum, Billy Sherrill, Royce Bussey, Dewey Gibson, Freddy Mullins and Ed Blessing.

Burk Lamb's 3rd Viet War Death

Twenty-one year old Spec. 4 Jimmy Rea Burk is the third Lamb County Vietnam casualty.

Spec. 4 David Lewis Glasscock, 22, of Earth, was killed March 29, 1967, just 19 days before his discharge.

Lance Cpl. Ernesto Sanchez Jr., 19, of Olton, died of gunshot wounds in Quang Tin, South Vietnam, June 15, 1967.

Olton's Dream Realized, Feedyard Industry Open

Open house was held at the Lamb County farmer-businessman owned 500,000 Olton Feedyards, Inc. Monday.

The dedication climaxed an ambitious program that was only a dream six months ago for the 20,000 stockholders. Now the sprawling feedyard with its green pastures on gently rolling slopes seven miles north of Fieldton looks like a small town.

At its present size, the feedyards will accommodate approximately 100 million pounds of locally grown grain annually. Pens that hold either 125 or 250 head will custom fit area farmers' cattle in an average 120 days.

Feedings of 500-600 pounds are made to about 1,050 pounds. Various pens then bid on the cattle buying a ton or more at a time. The Feedyard is in contact with packer buyers all over the country and cattle from Olton Feedyards eventually will go to packing houses as far away as California as near as the Missouri Beef Packers in Kansas.

Personnel at the feedyards assist

customers in purchasing cattle for finishing as well as helping them sell to packing plants. In negotiating, the office keeps in touch with the market with their teletype machine. At any given time employees know the price of beef, the futures and keep abreast of the dressed market price.

About 6,000 head of cattle are in the pens at the new feedyard. At its present size, about 55,000 head can be fed out annually. Future plans call for pens that hold a minimum capacity of 32,000 head.

The computer-operated mill is located at the highest elevation on the property. The continuous flow percentage plant dispenses specified amounts of hay, rolled grain, alfalfa pellets, mineral and ensilage, along with fats and molasses. Fats and molasses are kept at 100 degrees and the rolled milo is heated to 200 degrees for 30 minutes.

Ingredients are dispensed on a weigh belt, carried to a blender or mixer, then elevated to a storage unit which unloads the formula into trucks with built-in scales. The trucks are driven down the

spacious alleyways and unload the mixed feed mechanically.

Pens are well lighted for maximum security and stampede protection. Each pen has its own watering trough that is fed by a continuous fresh water flow.

375 Local Bandsmen Set Concert Tonight

"The sound of music" will fill the Junior High School Auditorium tonight when approximately 375 Littlefield band students present their annual Christmas Concert, beginning at 7:30 p.m.

Christmas music "to satisfy every mood and taste" will be presented, according to Band Director Phil Anthony.

The sixth grade Beginning Band will open the concert with a rendition of the English carol, "Good King Wenceslas," and will present three other numbers.

Following that presentation, the Intermediate Band will assume the spotlight and play "The Twelve Days of Christmas", "Little Irish Suite", "Sounds of Christmas", and "Come Back to Sorrento".

Littlefield Junior High Band will play three numbers, "A Welsh Rhapsody", "Adeste Fideles", and "Carol of the Drum".

Concluding the night's presentation, the Wildcat Band will play "The Tiptrope Walker March", "Mosiaco de

Mexico", and Leroy Anderson's "Sleigh Ride".

Admission to the concert will be \$1 for adults, 50 cents for students, or by presentation of a Band Booster membership card.

Band Boosters will conduct a brief meeting in the auditorium following the concert.

RANCHING 'BEST LIFE'

Billy Webb, At 26, Still Plays Cowboy

WILAH RODGERS

Cowboying got in Billy Webb's blood when he was still a Littlefield High School student.

After high school, Bill majored in ranching at Texas Tech and planned to follow in his dad's certified public accountant shoes.

Now at 26, Alvin Webb's son admits he's done a little bit of everything except ranching. Bill Webb is a lumberman by day, shoes horses on weekends and pounds his gavel and wants to know who'll give a dollar bill, a dollar bill, at evening auctions.

Bill Webb got a taste of ranching in his youth when he did some part-time work at George White Ranch. He got in on a little cowboying, windmilling, fencing, and brandings. "I pestered George White a long time for that job," Webb said. "It was the hardest job I ever had, but ranching is the best life in the world. It just doesn't pay enough."

Webb tried his hand at shoeing a horse for the first time on the White Ranch when it was part of his job to keep all the horses shod.

Now he spends weekends galavanting around the countryside shoeing horses on his little car filled with horseshoes, hammers, nippers, nail rasps and hoof knives. Webb says there are more horses shod in this part of the country than in any other.

"Horses' dispositions are like people," Webb says. "Some have a nice disposition and some don't."

Webb usually takes someone with him when he has a shoe job to do. Hobblering a horse while shoeing is a no-no, and someone is needed to hold the horse.

Besides shoeing horses, Webb breaks

horses for other people, and his part-time work doesn't stop here.

Twice a week he turns auctioneer. He usually auctions off household goods, but finds all auctions exciting. "Whenever any kind of auction pops up, I've got to go," he said. He especially likes livestock auctions and wants to get in the livestock business in some way.

Webb married a Littlefield girl, Ruth Nickelson. She keeps books, or clerks, for the auctions he conducts.

"Who knows?" he said. "One of these days I may even get around to some accounting."

'Messiah' Practice Under Way Here

Twenty-four singers from throughout the Littlefield area met Tuesday night to form a Community Chorus for the first practice session for a public presentation of Handel's "The Messiah".

According to Al Jordan, minister of music and education of First Baptist Church, who is directing the chorus, "there was real excitement displayed by the group as they anticipate singing for this special service."

The program will be presented at First Methodist Church Sunday afternoon, Dec. 21, and all interested singers are invited to rehearse with the group next Tuesday night at 7:30 at First Methodist Church.

Littlefield Ministerial Alliance is again sponsoring the annual event.

Charlotte Hinds is accompanying the singers at the piano and Earl Miller, noted organist and music teacher from Wayland Baptist College in Plainview, will play the organ for the presentation.

ENTRIES SOUGHT FOR LIGHTING

Only two entries to the Annual Christmas Home Lighting Contest have been received at the Chamber of Commerce office, according to the C-C secretary Beth Kelly.

"We only have one more week before entries are judged, and we need several more entries in the competition," she said.

Anonymous judges from "We, The Women" will judge the contest at 7 p.m. next Thursday, Dec. 18, and entries will be accepted through Thursday at 5 p.m.

"However, we need to have the entries in as soon as possible so the addresses may be listed in a proper routing for the convenience of the judges," Mrs. Kelly said.

Four prizes, totaling \$100, will be provided by Southwestern Public Service Co.

First place winner in the contest will receive \$50; second place winner will take a \$25 prize; third place, a \$15 prize and fourth place, \$10.

All persons, including children, living within the city limits of Littlefield are eligible to enter the contest.

Persons wishing to enter are invited to clip the entry blank from this issue, fill it out and mail it to the Chamber of Commerce office, Box 507, Littlefield; or pick up the telephone and call 385-4451 and make your entry.

CHRISTMAS TREES are now on display at the Band Boosters-Optimist Tree Lot on Highway 385, and Mrs. Edwin Coffman, one of the salespersons, straightens a six-footer. Prices on the trees range from \$4.50 to \$10 and all band students are selling tickets which allow prospective purchasers a dollar off the tree price. The tickets will be placed in a box and will be used in a drawing Dec. 21, when a radio, Wildcat season ticket, turkey or ham will be given away. Proceeds from tree sales go for purchase of band equipment.

Board OK's Pipeline, Request By Students

Littlefield school trustees Monday night approved an easement for a gas pipeline on school property at Fieldton, paving the way for residents of that community to be serviced with natural gas rather than butane.

C. A. Duval appeared before the board to make the request for Pioneer Natural Gas Co. Duval said his company would complete the work to give Fieldton natural gas within the next 30 days.

In other activity, the school board approved a Littlefield High School student council request for four council-sponsored dances at the school, employed a new teacher for special education, and increased liability insurance on motor vehicles effective Jan. 1.

A unanimous decision of the trustees on the student council dances came after study of a list of recommendations and suggestions agreed upon both by student representatives and school administrators.

Two of the dances, the Junior-Senior Prom and the all-school dance following

the athletic banquet, will be open to LHS students and invited guests, with guidelines set up to determine eligibility of guests.

Two other dances will be closed to outsiders, and the decision will be chosen by the administration and the student council.

Among other guidelines are: (1) all such functions are under direction of the administration, (2) no groups other than the LHS student council are allowed to sponsor dances, (3) at least three faculty sponsors will be in attendance, (4) finances are responsibility of the student council, (5) all dances will be held on school property, (6) dances will be closed at midnight, and (7) a student will not be allowed to return once he or she has left the dance.

The school board employed Mrs. Jerry Trees as a special education teacher to

Gail Burrus Hurt, Friend Killed In Wreck

Gail Burrus of Whitharral is in traction in a Levelland hospital with a broken collar bone and has a broken wrist following a one-car wreck that killed the friend with whom she was riding.

Twenty-year-old Lotus Wayne Lacey of Gueda Springs, Kans., died at 2:35 Sunday morning in South Plains Hospital at Levelland where the two were taken by ambulance. Lacey had just returned from service in Vietnam and was working in Amarillo and living in Canyon where he planned to enroll at WTSU for the spring semester.

Highway Patrolman Don Kuykendall of Levelland said Lacey was driving west on Texas 116 when he apparently lost control of the auto on a slight S-curve and overturned seven times near the Opydyke Gin.

Miss Burrus is listed in good condition. She is a senior at Whitharral High School and the daughter of Mr. and Mrs. Tom Burrus.

Terrell Named Mason Official

D. C. Terrell of Sudan has been named District Deputy Grand Master for Masonic District 97, which includes five Masonic Lodges in this area. He has been very active in Masonic Organizations.

The appointment was revealed in Waco by the newly-elected Grand Master of Masons in Texas, Hal Burnett of Alpine, as the 134th Communication of the Grand Lodge of Texas was concluded in Waco Dec. 4.

District Deputy Grand Masters are appointed for each of the 134 Masonic Districts of Texas.

They are the personal representatives of the Grand Master, head of the state's largest fraternal organization with some 240,000 members and 965 Lodges in Texas.

Beta Sigma Phi Hears Talk

The Tau Chi Chapter of Beta Sigma Phi met Monday, Dec. 8 in the Reddy Room. Loretta Winfield and Diane Grammer were in charge of the program. Mrs. S. E. Ayres gave a talk on the art of conversation.

Beth Harry and Ann Pullig were hostesses for the night. Final plans were made for the family the Chapter has chosen to sponsor for Christmas.

Those attending were Paula Schroeder, Claire Sawyer, Vada Walker, Carol Brook, Kathy Eddings, Peggy Johnson, Karen Bankston, Joan Bromlow, Diane Grammer, Loretta Winfield, Terri Miller, Janet Houk, Joan Johnson, Darla Crone, Carolyn Spies, Beth Harry and Ann Pullig.

Sorority Has Christmas Party

Members of Epsilon Delta Chapter of Delta Kappa Gamma had their annual Christmas party, Saturday, Dec. 6 at Muleshoe.

The Muleshoe members were hostesses to a Christmas dinner at the Corral Restaurant. Mrs. Owetha Findley led the members in the club collect. Mrs. Blance Johnson gave the welcome and Daphne Smith, president, gave the response.

Immediately following dinner, the group went to the home of Mrs. Blance Johnson for the rest of the program. The home was decorated for the holiday season.

Six candidates were initiated with Anna Lee Neale in charge. Those initiated were Lucy Faye Smith, Elaine Davis, and Bettye Helen Ingram, all from Muleshoe; Carmalita Barnett from Olton; and Marjorie Lasiter and Nan Largent of Littlefield.

Gifts were then exchanged from under a decorated and lighted Christmas tree. Refreshments of coffee, punch, cookies and candy were served.

Attending from Littlefield were, Daphne Smith, Iona Donnelly, Audie Collins, Addie Abernathy, Anna Lee Neale, Irene Lynn, Gladys Houk, Ruth Ford, Edith Seattle, Harriett Cummings, Marjorie Lasiter, and Nan Largent.

Four Area Teachers Visit School Project

Four teachers from the Littlefield area have visited an innovative educational program at Hillcrest Elementary School in Plainview, one of only three such experimental projects in the state.

They include Amherst educators, Lamar B. Kelly, and T. J. Williams, and James B. Settle, and Jack Christian, both of Littlefield.

They visited the Plainview school to see the project in operation in the classroom and to evaluate the program to determine whether it may have any application locally.

The program is called IPI, Individually Prescribed Instruction. It is limited to one elementary school in Plainview and one subject—math. All children in the school, grades one through six, participate in the program.

IPI breaks with traditional instruction because each pupil is "taught" as if he were the only child in school. Each student works on his own assignments at his own level and at his own pace without regard to what others are studying.

In traditional classrooms, all pupils are taught the same subject matter at the same time

and all students are required to complete the work at the same rate of speed. This concept assumes that children are all alike—with the same abilities and interest.

IPI assumes that children are not alike, have different abilities, work at different speeds, and have different interests.

The program in Plainview is co-sponsored by the Plainview Public Schools and the Region XVII Education Service Center.

5 Fellowships Are Available

Bright graduate students with a bent toward careers in public service have until Feb. 1 to apply for five generous fellowships at The University of Texas in Austin.

The state-financed fellowships of \$4,000 each will be available for the 12-month academic year beginning Sept. 1, 1970, for students seeking Master in Public Administration degrees.

Under terms of the fellowships, each recipient

receives intensive academic instruction as well as on-the-job work experience as an intern in some agency of state government.

Application forms are available from Director, Institute of Public Affairs, The University of Texas, Austin, Texas 78712.

Let Penney's Charge Card Be Your Santa

Christmas Cards Need 6-Cent Stamps

There are some Littlefield residents who have evidently forgotten that it now takes a six-cent stamp to mail a Christmas card, whether the envelope is sealed or isn't. This ruling went into effect last year.

George Thompson, officer in charge of the Littlefield Post Office, said a number of Christmas cards have been mailed here with five-cent stamps.

When this happens, the only thing Post Office personnel can do is send the cards to the person they are addressed to with postage due. "I'm sure that people sending the cards don't want the people they are sending the cards to have to pay when they get them," Thompson said.

In Town and Out of Town labels have been distributed on rural and city routes, and postal employees said they would appreciate patrons using these labels and putting rubber bands around the bundles.

The Littlefield Post Office will observe normal hours during the Christmas season with windows open from 8:30 a.m. to 5 p.m. week days and until noon on Saturdays.

Annual Yule Party Planned

Whitharral Young Farmers and Young Homemakers will have their annual Christmas party at the Lions Club Building Friday, Dec. 12, at 7:30 p.m. Each couple should bring a toy suitable for a boy aged 7-11 living at the Pettit Boys Ranch.

Church Women Have Program

"Christmas Joy" was the theme of a program presented by the Christian Women's Fellowship of the First Christian Church in observance of Woman's Day Sunday evening at the church.

A picture of the Passion flower with the cross in the center and the dawn in the background centered the worship area. The picture was made in An Khe, Central Viet Nam, by Ben Marshall.

The program, which was directed by Mrs. Ruby Ried, included the legend of the passion flower by Mrs. Blanch Dodgen; the story of the Cross, by Miss Lucy Robison; Christ's love for us, by Mrs. James Evans; and group singing, led by Doug Morton, minister.

Mrs. Morton and Mrs. Waymon Lewis assisted with the offering.

Mrs. Margaret Marshall gave the benediction.

Open House Slated At Olton State Bank

OLTON—Olton State Bank, marking 40 years of service in Olton, is holding Open House Sunday, Dec. 14 from 1-5 p.m., in their newly remodeled banking facilities.

The Olton State Bank was originally chartered Sept. 29, 1929, and on that date began business in a small temporary quarters. In February of the following year, the bank moved to its first permanent quarters and remained there until January, 1955. At that time it moved into the building which it still occupies.

The first president was G. T. Abbott, L. E. Silcott was vice president and cashier and Key Patterson was bookkeeper.

The bank was chartered for \$20,000.00 capital and \$4,000.00 surplus. Today the bank has capital accounts of more than \$700,000.00.

A large portion of the interior was merely a refurbishing of existing structure. All of the officers quarters were redone with the addition of a conference room which will be used for directors meetings, group discussions and community conferences. The tellers windows were entirely redone with the

addition of a note department. The bookkeeping room was enlarged to approximately twice its original size and a private office was attached to it for the detailed operations officer. Storage which is always a problem has been doubled. The congenial coffee room is part of the new wing which was added to the bank and was constructed mainly for the pleasure of customers.

One of the unusual features in a country bank is that virtually all areas of the bank are carpeted including the lobby.

The exterior has been redesigned to provide more parking for customers and additional landscaping and shrubs enhance the overall appearance of the bank.

Officers of the bank include Earl C. Spruiell, president; Laus Hair, Executive vice president; Gene Trotter, vice president and cashier; Kenneth Burgess, vice president; and Marilyn Ballard, assistant cashier.

Directors are R. D. Brown, chairman of the board, Joe Garrison, vice chairman of the board, G. T. Sides, R. L. Straw, Earl Spruiell, Laus Hair and Gene Trotter.

Arbor Day Kits Are Available

Orders for free Arbor Day program kits are still being accepted by the Texas Forest Service, a part of The Texas A&M University System at College Station.

The kits are free to any public or parochial school teacher or principal in Texas on request.

Each kit contains two quality pecan tree seeds, instructions for planting, a suggested Arbor Day program, and program materials.

The program materials include poems, songs and information about Arbor Day suitable for an Arbor Day observance.

The quantity of kits is limited and are available one per teacher.

Requests for the kits will be filled on a first come-first served basis. Distribution will begin in December.

Address all requests to Arbor Day Kit, Texas Forest Service, College Station, Texas, 77843.

GET BIG BIRD

"Planned-over" turkey is a boon to budget-minded homemakers who have heavy holiday food demands. Buy a larger bird than you need for the major meal at Christmas. Plan at least three other meals around turkey.

OBITUARIES

MRS. BLANCHE BROTHERTON

Services for Mrs. Blanche Brotherton, 73, who died at 11:45 p.m. Friday in a Littlefield nursing home, were Sunday in the First United Methodist Church here.

Rev. Wallace Kirby officiated. Burial was in Littlefield Memorial Park.

She was born Dec. 13, 1895, in Dallas County and had lived in Littlefield the past 27 years.

Survivors include the husband, R. A. Brotherton of Littlefield; five sons, Ben Brotherton of Washington, D. C., Jack Brotherton of Tucson, Ariz., Robert Brotherton of Midland, Jim Brotherton of Colorado Springs, Colo.; and Pat Brotherton of Rock Springs, Wyo.; two daughters, Mrs. Betty Sue Thomas of Belleview, Wash., and Mrs. Margaret Patton of Dodge City, Kans.; a sister, Mrs. Mozella Ansler of McGregor; two brothers, W. L. Branson and G. F. Branson, both of Amarillo; and 15 grandchildren.

JAMES M. DALE

Services for James M. Dale, 65, who died Monday afternoon in Bovina of an apparent heart attack, were Wednesday in the First Baptist Church in Muleshoe, with Rev. Charles Vick, pastor, and Royce Clay, minister of the Muleshoe Church of Christ, officiating.

Burial was in Wilbarger Memorial Park at Vernon by Singleton Funeral Home of Muleshoe.

Dale moved from Vernon to Abernathy in 1959 and from there to Lariat, where he had lived for five years. He was a winner for the Lariat Gin. He was a Baptist.

Survivors include his wife, Dorothy; a son, Gary; and two daughters, Mrs. J. L. White of Quanah, and Mrs. Roy Knight of Abernathy; his mother, C. R. Dale of Vernon; four sisters, Mrs. Earl Abney of Wolforth, Mrs. Joe Haynes and Mrs. Jimmy Cantrell, both of Vernon, and Mrs. Lester Lockett of Meadow; two brothers, G. L. Dale of Muleshoe and Connie Dale of Anton; and eight grandchildren.

KATHERINE O'KELLY MOORE

Funeral services for Mrs. Katherine O'Kelly Moore, 77, of Weatherford, who died in All Saints Hospital in Fort Worth Thursday evening, Dec. 4, were conducted Saturday afternoon in Galbraith-Pickard Funeral Home Chapel in Weatherford.

Mrs. Moore was mother of Mrs. F. E. (Gladys) Yohner and Mrs. C. O. (Floyd) Greer, both of Littlefield.

She was born Sept. 11, 1892 in Georgia and came to Parker County, Texas when she was 9 months old.

Mrs. Moore was a member of Northside Baptist Church in Weatherford, and the pastor of that church, Rev. Joe Griffin, officiated for the services.

Interment was in the Garden of Memories Cemetery at Weatherford.

Other survivors include two other daughters, Mrs. Fred Rea and Mrs. L. C. Thompson, both of Fort Worth; two sons, Chester Moore of Weatherford and Bill Moore of Fort Worth; three sisters, Mrs. Jess McAnally of Portland, Ore., Mrs. Reed Stewart of Crowley and Mrs. L. T. W. Reynolds of Weatherford; 12 grandchildren; and 8 great-grandchildren.

JAMES LUTHER SUTTON

Services for James Luther Sutton, 71, of Mesquite, a former Whitharral and Littlefield resident who was injured in a pickup and grain truck crash near Shallowater Nov. 29 and died at 12:45 Tuesday in Methodist Hospital are set for today.

Funeral will be in Anderson-Clayton Funeral Home Chapel directed by Allie Hanley, minister, Bruton Road Church of Christ, and Omer Dement of Bruton Road Church of Christ.

Burial will be in Laurel Oaks Memorial Park. Survivors include his wife, Leona, four sons, James of Atoka, Okla., and Jessie, Bill and Harvey, all of Dallas; four daughters, Mrs. Pauline Brant of Pampa, Mrs. Nellie Young of Houston, Pa., Mrs. Dollie Faulkner of Sherman, and Mrs. Mary Saunders of Leveland.

What The Leader-News Thinks

Vietnam Is With Us

The Vietnam War has come to Littlefield. It reached Lamb County twice before in 1967 when the deaths of youths from Olton and Earth were reported. And it came to Littlefield earlier when at least two local boys were wounded in the conflict. Now it has reached home again in the death of Littlefield's first Vietnam victim, Jimmy Rea Burk, 21-year-old son of Dr. and Mrs. Glenn Burk. There is not much anyone can say to soften the blow to Jimmy's family and friends. The tragedy makes one search his conscience and ask, "Why?" A life that seemed to have blossomed into good citizenship and personal responsibility has been cut short. We don't know all the right and wrong of the Vietnam War, as far as our country's participation is concerned. Our government decided long ago that we should be

there, protecting against the advance of communism. That decision has been argued at the highest levels, and at what we consider the lowest levels also...in the sometimes unpeaceful demonstrations. Nevertheless, we ARE there, and it seems to us every effort should be bent to accomplish the original goal—halt the advance of communism and honor our commitments. A lesser dedication makes men question our being there at all. Jimmy Burk probably said it better than we can in a recent letter. "...If I can do my part to insure that the people I love will never have to see war, then I have accomplished something and our being here has some meaning after all. "...Let us put our faith and hope in God that this war will not be long in coming to an end."

'On Communism'

SINCE 1917, J. Edgar Hoover has devoted his life to the service of his country. In 1924, he became Director of the Federal Bureau of Investigation. In his long career, one of his principal goals as a federal investigator and law enforcement officer has been alerting the American people to the menace of communism. His tenure as head of the FBI has no parallel. FOR MORE than four decades, the agency has grown in stature and has held the non-partisan respect of Presidents and legislators. Under Hoover, the FBI has scrupulously avoided the role of a national police force. For these reasons, among others, J. Edgar Hoover's book, entitled "On Communism" is must reading. "ON COMMUNISM" is a compilation of quotations from Mr.

Hoover's writings and speeches dealing with communism during its existence in the U. S. Preceding the compilation is an introductory essay in which the FBI Director discusses briefly the historical background of the communist party in the U. S. but concentrates chiefly on the communist party U. S. A. of the 1960's. In this essay, the reader will learn how the communist party infiltrates and subtly guides the new left, antiwar demonstrations and campus riots. IN CALLING on every citizen to be alert to the communist danger, Mr. Hoover concludes his book with the words, "We have a great heritage of freedom to protect. The times call for courage, resolution and integrity, not cleverness, expediency or love of soft living. No man has a right to a 'time out,' a leave of absence—all must be on the front lines."

Christmas Spirit

THEOLOGICALS and historians may have many interpretations of Christmas. But, in our own country, as in other lands, no matter how it is observed, the power of Christmas makes itself felt in every home. Even the most cynical must bow before the moving experience of Christmas. Perhaps this is the best evidence of the authenticity of the events of nearly 2000 years ago that introduced reverence and humility in the life of man. CHRISTIANITY has given man a conscience, a sense of right and wrong and a determination to appear worthy in the eyes of his creator. The tenets of Christianity are the basis of modern civilization.

They stand between man and the jungle from which he emerged so long ago. Much of the confusion, much of the strife and intellectual decay we see around us today but reflect a denial of the ancient truths that have guided Christian behavior for about 20 centuries. AS WE APPROACH another Christmas season, we should try to analyze the thing we call the Christmas spirit. It is far more than good cheer, happy Christmas cards and presents under the Christmas tree. The Christmas spirit separates man from the beast. Christmas is a time of renewal, as well as rejoicing. It is the most important moment of the year.

THE ABUNDANT LIFE

In Due Season

By BOB WEAR

IT IS OBVIOUS that many good people are failing in life because they become discouraged and grow weary in well doing. They give up. Most of these folk could eventually know the joy and satisfaction of accomplishment and approval, if they would allow sufficient time for the harvest. It would come in due season. MUCH OF THE FAILURE in the human experience is found in the unwillingness of people to work and wait. Too many, especially the young, want everything to happen at once. There is a general shortage of patience and perseverance. Impatience is always a mistake, and often leads to great loss and sorrow. HONEST AND INTELLIGENT acceptance of reality should impress us with the fact that there must be adequate time allowed for the fruition of our efforts.

Otherwise, we are very likely to fail. We are given this Divine exhortation: "Let us not grow weary in well doing, for in due season we shall reap, if we do not become discouraged." WILLINGNESS TO SOW is commendable, but the sowing of the seed is in vain for all who are not willing to work and wait for the harvest. There is a time for sowing and a time for reaping, but they are separated by working and waiting time which cannot be ignored. Here is an old proverb which expressed the idea very well: "Patience is power; with time and patience, the mulberry leaf becomes silk." WE MUST BE PATIENT while we continue to study, work and otherwise meet all obligations. Thus, in due season, we will be rewarded with a satisfactory degree of accomplishment.

PAUL HARVEY

Live Longer

PRESIDENT NIXON has asked Congress to create a commission on population growth to concern itself with America's otherwise frightening future. With our population expanding at the rate of a new city of a quarter-million people every month we are running short on air, water and food. Some ecologists are convinced mankind cannot survive the remaining 31 years of this century.

THE PRESIDENT wants birth-control information made available to the 5 million American women with low incomes—we don't know how.

Actually, the life expectancy of adult Americans is going down! The fact that Americans are now averaging a longer life is mostly because of a reduction in infant mortality and control of childhood diseases.

BUT THE LIFE expectancy of a man or woman 35, in our nation's major cities, has been decreasing in recent years. Rockefeller University Prof. Rene Dubos, a Pulitzer Prize-winning microbiologist, says environmental pollution is killing us, "threatening the future of the human race." But you still can live longer if you want to.

THE COUNCIL ON AGING of the American Medical Assn. has researched the "aging process" for 15 years. Its chairman, Dr. Frederick Swartz, says "old age does not kill anybody." He says we kill ourselves with our excesses. Dr. Swartz concludes that any American can live an additional 10 years if he will "exercise, keep

alert, stay slim, stop smoking and get checkups."

IN OTHER WORDS, it's pretty silly for Americans to despair about air and water pollution while they continue to smoke cigarettes and drink alcohol in excess.

There is one researcher named Johan Bjorksten who believes he has discovered the secret of aging and can develop a youth drug which will extend the human life span indefinitely. Upjohn Co. is backing his theory with an investment of \$250,000.

But here, too, arresting the degenerative processes of old age will not repair organs or tissue destroyed or damaged by misuse.

SO, IF YOU and I want to be ready to enjoy that pill that'll help us live "indefinitely" we'll need to preserve bodies which are otherwise healthy.

Interesting paradox, isn't it? On one hand, the earth's problem of "too many people living too long" threatens us with starvation.

ON THE OTHER HAND, we who are here want to stay. And it may be that mature Americans will contribute answers to some of the problems they themselves help create.

I keep remembering that Winston Churchill and Benjamin Franklin and Michelangelo and Verdi and Victor Hugo made some of their greatest contributions to their world and their posterity after each of them had passed the age of 80. Besides, it ought to be fascinating to stick around if only long enough to see how mankind gets himself out of this mess.

Guard Your Packages

"Christmas shoppers should take every precaution to protect their packages and automobiles from thieves," warns Littlefield Police Chief F. A. Fitzgerald. The chief said that Christmas shoppers who leave their cars unlocked and packages in the back seat are leaving an open invitation to thieves of all kinds. "We have this problem every year, and most of the reports of theft involve the shopper who runs inside for a quick purchase. Car thieves frequently prowling shopping areas where shoppers are likely to leave cars unlocked and keys in ignitions while they 'run inside for a second,'" the chief said. "During the holiday season, the thief not only has more cars to pick from, but often can find a car filled with packages. Thus, he can get two birds with the same stone—the car and the packages—and have an early Christmas," he emphasized.

"Always lock your door, even if you'll only be away from the car for a few minutes, and be sure all windows are closed. "When you leave the car, put your packages in the trunk and be certain it is locked. Don't tempt thieves by placing your parcels on display inside the car. "The same goes for a house with gifts under the tree in large windows for the public to see. Keep your windows and doors locked so that thefts will not be as easy. "Keep in mind too, that depending on the type of insurance you have bought, thefts of personal property from your home, a motor vehicle or trailer—other than a public conveyance such as a bus or a taxicab—may be covered ONLY if the thief forces entry while all doors, windows and other openings are closed and locked," the chief concluded.

CARD OF THANKS

We extend our deepest appreciation for the many expressions of sympathy and the many deeds of kindness extended us during our period of sorrow. We know the Lord's will is always done. May you have his richest blessings.

THE FARMER'S WIFE Polite To End

By LIBBY MUD

PATROLLING THE HIGHWAYS of our great and mighty state is a very nice young disappointed patrolman, whom I shall call Mr. Cluck, which isn't really his name but doesn't miss it far. The reason he's sort of disappointed is that he was convinced that I had either stolen the car I was driving when we had our little encounter or my driver's license or maybe both and his prize theft suspect turned out to be just a dumb old honest farmwife. Not that he said this, gracious no, he was far too polite, even while he was radioing in to check out the stolen car list or something.

I HAVE SINCE TRIED to analyze just exactly what got the two of us off on the wrong foot in the beginning and have come to the conclusion that two factors contributed to it: I had changed my hair color since my driver's license was issued and during his training period, nice young Mr. Cluck missed school the day they taught HOW TO ASK THE CORRECT QUESTION TO GET THE EXACT INFORMATION YOU WANT. He had every right, indeed the duty, to siren me to a halt. I was speeding, just a little, and I won't even mention the fact that he was under an overpass while I went over it, because I am one of those that think patrolmen should jolly well screen themselves if they so desire.

HE GREETED ME pleasantly and friendly and I handed him my driver's license. He scribbled on his little pad for what seemed hours and then fired his first wrong question. "What model Olds is this?" I said it was a 1967.

HE SHOT ME a respectfully questioning look, walked around to the front of the car, came back and informed me the model was 88, the year was 1968. I said that was impossible, I well remembered the day we got it in 1967.

He patiently explained about cars coming out earlier than their years or some such and asked his second wrong question. "Is this a family car?" I said no, it was mine.

"IT'S REGISTERED in your name?" That was not what he asked, so I told him the station wagon was my husband's, the pick-up the hired

hand's, the jitney the kids', but one was MINE. He politely but firmly said "family car", again scribbled interminably and fired his wrong question.

"THIS ROUTE 2, where I told him gee, it went all Muleshoe, down through Need and Circleback, out to Bull through Sudan, and on up to sandhills. His blue eyes turned to steel some reason, but he still managed to retain politeness as well as touch of acid in his voice.

"I MEAN ON what Route 2 is your house located? I told him we must be almost the very end of it because we get our mail until a dinnertime. Nice Mr. Cluck must be a religious young man, because closed his eyes in prayer, grabbed the chance to do a praying myself.

"LADY, just how many miles which direction from town is house?"

I asked which town did he in mind. I'll say this for Mr. Cluck and training: they're both pretty good. I thought for a minute there he was going to go to pieces and cry right away he straightened up and regained his composure, which more than I was able to do.

WHEN HE SPOKE again in a low, slow, polite voice with deadliness of a two-edged sword and I think I know now just those people used to feel when heard a gunslinger's pronouncements before letting rip.

"I have in mind the town on your driver's license." Well, we finally got the straightened out, but I still thought that the correct question we have saved us both a lot of even though he never would know all about Route 2.

THAT'S WHEN HE retreated his radio. When he came back asked me to please sign the title. Wondering if I should sign my name like on my license, I thought how would he like for me to Polite to the end, he said, "Lady, just your usual signature whatever in the world that be."

DEAR EDITOR What Our Readers Think

Sends Greetings

Dear Editor, The Christmas Season always is a time to remember people who mean a lot to us. It is this remembrance that caused us to take time to write to you and ask you to publish this, that all our friends "at home" may hear from us. We have been at the Heart of Texas Baptist Encampment now since March 1. It was not easy to leave old friends and neighbors and go to a new place not knowing anybody. But we have found that as we live and try to serve our Lord that new friends are made and opportunities of service are unlimited here in Brownwood. We are associated with over 200 churches in 11 counties and work with three area missionaries in summer camps, and weekend winter retreats. We, and two other couples are the only residents who live in our camp, consisting of 26 acres on the Lake Brownwood shore. During the year some 6,500 people attended services, with many decisions made for the Lord while here. We do miss friends and family at Littlefield, but we eagerly wait for the two papers each week, even though they are late getting to us. Many friends helped us so much in our sorrow as we returned to Littlefield because of the sickness and death of our mother, Mrs. Tisdale, in October. But we were eager to return to our new work. Merry Christmas to all and a Happy New Year and keep on being kind to your neighbor.

Your friends,
Hershel and Irma

A Postscript

Box 391 Littlefield, Texas December 6, 1969
Dear Sir: This is, I guess you could sort of postscript to my brother Jimmy's letter. The family as now know what it means to be loved and lost. I only wish that had been a better brother before left. I would like to say this about war, and about our relations with the men. It makes a difference whether or not approve of the war itself. It's happening, and there are there...OUR men. Even if we not like the war, we can still more encouraging to them. The a long way from home, and the awfully lonesome. I don't know I'll ever know what it's like there, but I had a brother knew, and I read his letters. Our men in Vietnam, everywhere in the world, every ounce of our support, and our prayers. And we need them. Sincerely yours,
Don E. /s/ Don E.

assuring a constant supply of clean water at all times, even on the coldest of winter days.

Loading chutes accommodate double and single deck trucks, and a dipping vat is located near the chutes.

There is a hospital unit in each section so sick cattle are moved at a minimum. Two hundred yards is the maximum

cattle must travel for treatment, compared to three-fourths to a mile sick cattle must be moved in some feedyards.

At its present capacity, Olton Feedyard, Inc. expects to use about 100 million pounds of locally grown grain annually purchased directly from county elevators at market price.

There are 20 blocks of original stock and about 24 stockholders. Additional money to build the plant was borrowed from Production Credit Association. Stockholders include Merrill Brigrance,

Ross Bryant, Doug Giles, J. L. Carson, J. E. Carson, Frank Cornelius, J. Frank Daugherty, Cloys Fancher, A. J. Givens, Delmer Givens, Owen Jones, Elmer Moore, John Norfleet, Owen Norfleet, Earl Spruiell, Quentin Redinger, Gilbert Roberson, Roy Roberts, Archie Sorley, Don Spain, Jack Straw, Frank Struve, Fred Thompson, Laus Hair, Ken Burgess, Gene Trotter, F. A. and T. J. Roberson.

Owen Norfleet is president of the board of directors; Jack Straw, first vice president; Frank Cornelius, second vice

president; Earl Spruiell, secretary-treasurer; and Owen Jones, assistant secretary-treasurer.

Charles Koontz is manager of the feedyards. From Roswell, N. M., Koontz has 14 years' experience in livestock feeding. Koontz formerly was manager of Diamond A. Cattle Company and overseer of five feedlot operations in New Mexico, California, Arizona, Hawaii, and extensive grazing programs. He has a BA degree from Poly Tech in California.

Dr. Van Brimhall is assistant manager.

Dr. Brimhall is a graduate of the University of California School of Veterinary Medicine of Davis, Calif., and has 10 years' experience in feedlot health and management.

Garland Ruthart of Canyon is office manager. Ruthart is a West Texas State University graduate and has been in livestock and the livestock-related business nine years.

Carmelita Murrell of Springlake is secretary to the managers.

Melvin Hines of Olton is mill

superintendent. Walter Earne Springlake assists Hines.

Head cowboy is Ralph Pollard who years in commercial feeding, and Nicholson is in charge of sick cattle.

The bulk of farmers and ranch feeding cattle at the Olton Feed Inc. have been feeding in some facility. The management expects say the main benefit of the cattle industry is that it creates a local demand for county-grown feedstuffs.

Tech Registration Packs Distributed

Registration packets for the Spring Semester at Texas Tech will be distributed from the Coronado Room in the Tech Union Thursday and Friday (Dec. 11 and 12) and Dec. 15-18.

Permits will be available according to last names as follows: A and B, Thursday (Dec. 11); C-F, Friday (Dec. 12); G-J, Dec. 15; K-N, Dec. 16; O-S, Dec. 17; and T-Z, Dec. 18.

Printed on the back of each registration permit will be the student's assigned time to register during the sign-up period, Jan. 12-14.

Dates and places for counseling in each college of the university will be explained in a dean's letter included in

the packet, along with the permit to register, Form B, and other auxiliary forms.

Equipment and personnel will be available in the Coronado Room to make corrections, to accommodate requests for academic transfers and other problems concerning registration permits, said D. N. Peterson, registrar.

"A careful check of the permit by the student before he leaves the Coronado Room," Peterson said, "will eliminate errors and delay when he registers in the Coliseum. The student should check his permit as to correct name, social security number, college, classification and residency before leaving the Coronado Room."

Grain Sorghum Production

Grain sorghum production on the High Plains is down from last year, according to Grain Sorghum Producers Association.

This is in contrast to earlier pre-harvest reports GSPA that total production this region would equal 1968.

The area south of Lubbock reports yield reduction up to 50 per cent.

Lubbock to Amarillo reports production off up to 25 per cent.

The North Plains production is off up to 25 per cent. Most farmers indicate yields 1,000 to 1,500 bushels below 1968.

Farmers, Use Caution In Grazing Cotton

Farmers in Lamb County should proceed with caution when considering to turn their livestock out on harvested cotton fields, states County Agricultural Agent Buddy C. Logsdon.

If the crop has been sprayed with a defoliant, desiccant, insecticide or herbicide during the past season, it is best to keep livestock out of the field. Some of these chemicals are highly toxic to animals and death can occur when treated fields are grazed.

Besides causing direct death of animals, chemical residues obtained from grazing treated fields may also contaminate meat or milk, points out Logsdon.

The best guide to follow in determining whether or not to graze a particular crop is to read all directions of any pesticides or other chemicals applied and to be familiar with their restrictions and limitations. In fact, this decision should be made early in the spring when plant various insect and weed control programs.

Logsdon emphasizes that it is the producer's responsibility to adhere to all restrictions on grazing fields that have been chemically treated. If doubt exists concerning the use of certain chemicals, grazing restrictions, contact county Extension office, or the County Agent.

PACKAGED TREES
 Christmas tree lots have opened in parts of Texas. Something new has been added to several Christmas trees on lots already open in parts of Texas: packaged Christmas trees. Trees are placed in tubular plastic netting such as that used to package produce. This holds all parts of the tree snug and makes it easier to handle and retain moisture.

Dear Santa
 I have been a good boy this year. So would you please try to bring me a basketball goal, a lawn edger, a Johnny Cash record, and a little red fire truck with ladders on the sides. Thank you. My little twin brothers would like something to ride and some toys. Thank you for them, too. We will leave you something to eat when you come to our house. Love, Gary Vaughn Randy and Donnie, too.

Dear Santa
 I want a truck that carries cars, a wrecker truck, and a new dump truck. I also want an electric train. I wish you a Merry Christmas. Bring my grandmother some perfume and my granddad new shaving stuff; they will be visiting us from Elk City, Okla. Please bring all little boys and girls everywhere some toys and candy. I am five years old. Your Christmas helper, Mark Williams 1205 West 3rd St. Littlefield, Texas

Dear Santa
 I want a doll house, Barbie, play Wig, a play car and dryer. Please bring my little sister a doll, talking Barbie, clothes, play dishes, and a washer and dryer also. I love you Santa. Thank you for always being so nice to me. I have a nice Sleigh Love, Tonya & Michelle Mills Star Route 2 Littlefield, Texas

Dear Santa
 My name is David Tunnell. I am 11 years old. My big sister is writing this letter because I want a bicycle, a bicycle, and a bicycle. I've been as good as any little 3 year old can be. I love you, David Tunnell Littlefield, Texas

Dear Santa
 Please bring me a race track and some silly sand. I have been good. Love, Bradley Wheeler

CORNER 8th AND FARWELL
 Always Plenty Of Soft Water

Col. J.W. Bitner Jr. Has Gavel, Will Travel

Col. J. W. Bitner Jr. is auctioneer, collector of antiques and guns and a trap shoot enthusiast.

Bitner will buy out complete farming units, buying all farming equipment from farmers going out of business, or buys single pieces of farm equipment and miscellaneous goods. Many of these items Bitner buys are on the lot at 411 West Delano Avenue. Bitners are dealers of farming equipment, antiques and various items. Bitner and his dad sell items off the lot and through auction sales.

No auction is too large or too small for Bitner. He holds any type auction—farm and dairy sales, real estate, furniture and livestock. Persons planning an auction contact Bitner who looks at the merchandise and writes up a sale bill.

Prior to a sale Bitner distributes 1,500 to 2,000 bills of sale and advertises in local and area papers.

People from all over Texas and New Mexico come to Bitner's sales. Crowds range to 250 persons and sales last eight to 10 hours.

Bitner is called on for all types of community and club sales. He has auctioneered at the Pep auction for the past nine years, and has sold goodies made by varsity football players for five years. "Anything to help the community," Bitner said.

The most unusual thing Bitner has sold was a hospital delivery table. He will sell anything. If you're planning a sale, call the West Delano office, 385-5627 or 385-4625 or 385-3489.

The Bitners also export. All types of farm equipment is sent to South America and Mexico. They also ship equipment all over the U. S.

Bitner is a '59 graduate of Littlefield High School and attended South Plains College. He attended auctioneering school at Fort Smith, Ark., in 1962 and has been pounding the gavel since then.

He and his wife, Raynell, are both members of the First Christian Church and both like to collect and re-do old furniture. Bitner is a gun collector and likes skeet shooting. He has his own trap in his back yard, and makes all area trap shoots.

Coeds Win Honors

THE EXPRESSION on Dianne Perkins' face spells out happiness as she holds the crown which she will wear this year as Lions Club Queen.

Dianne Perkins was crowned Lions Club queen and Tonya Bingham sweetheart at the Lions' luncheon held Wednesday, Nov. 26.

They were chosen from a group of 10 senior girls competing for the title.

Each of the contestants told the Lions their full name, parents' name, school activities and their future plans. Out of the 10, three were selected and a runoff was held.

The queen and sweetheart will attend the Lions Club meeting held every Wednesday.

A ROSE in hand symbolizes Tonya Bingham's reign as Lions Club Sweetheart.

Dianne will represent the Littlefield Lions in the district queen competition, at the District 2-T2 convention to be held this spring.

Dianne's activities include membership on the annual staff, co-head cheerleader, National Honor Society, Student Council and band. After graduation, she plans to attend Baylor University where she will major in commercial art.

National Honor Society, Student Council, Kat Klub, Future Teachers of America, Future Homemakers of America and Band occupy much of Tonya's time. She will attend Abilene Christian College after graduation where she will major in homemaking.

Dianne's parents are Dr. and Mrs. Albert Perkins. Her older sister, Brenda, also reigned as Lions Club Queen.

Tonya's parents are Mr. and Mrs. E. D. Bingham.

GEOFFREEN GRIZZLE prepares to sing one of the songs that helped her take the first place position at the NATS Convention.

Grizzle Takes First Place

Geoffreen Grizzle, an LHS senior, traveled to Oklahoma City, Nov. 9 and returned to Littlefield, Nov. 12 after winning first place at the National Association of Teachers of Singers Convention.

The convention was held at Southwest College in Oklahoma City.

Geoffreen won first place in the junior and senior girls division. She was required to sing three songs by memory to a panel of three judges.

Geoffreen rated over 90 percent, therefore, she became a semi-finalist and had to sing one of the three songs to a panel of three different judges.

She again rated over 90 percent and was listed among the five finalists. Three more judges then numbered the five finalists with Geoffreen winning first.

Geoffreen auditioned on "Amarilli", which she sang in Italian, "Hark Tis The Limit" and "Bird Song".

An award of 25 dollars given which she gave to voice teacher, Mrs. Mary of Lubbock. She has taken lessons from Mrs. for four years.

Texas, New Mexico, Kansas, Oklahoma, Arkansas, Colorado joined in competition. There was a total of over 500 students in the divisions.

Family Given Food

The National Honor Society met Dec. 8, to discuss Christmas plans.

Providing a family food on Christmas is an on-going project. A committee of Nancy Henson, Donarex Bowen, Kay Armistead will choose the family.

Each member is asked to bring a potato, a can of vegetable and a fruit. The will be bought from the treasury. This will be presented to the chosen family on Dec. 19.

All NHS members are to help decorate the Christmas tree this week.

A new trophy case committee was appointed. Steve Owens, president, is Jean Keeling, Evah Juanita Samaniego and Britt, chairman.

Nancy Henson, treasurer, gave a report paying dues. She stated four members have not paid. NHS decided to give Dr. Mrs. Glenn Burk and Kay expressing their sympathy to the loss of Jimmy Burk.

Plastic Units Main Topic

Mr. Otto Pugliese, a registered laboratory technologist at the Littlefield Hospital, was the guest speaker for the Science Club, Monday, Nov. 24.

Mr. Pugliese spoke to the club about the development of disposable plastic units which he and Mr. Fred Martinez created. Mr. Martinez is also a registered laboratory technologist.

"These plastic units contain everything needed for laboratory work on such substances as glucose (blood-sugar) and cholesterol (fat substances). They cut down contamination, give much better results than the glass tube, and in the long run, are less expensive for hospitals," Mr. Pugliese told the club.

Time Out For Sports

Today, the Wildcats meet Ralls for the first game to be played in the Abernathy tournament at 12:45.

The Cats have already doubled their last year's record with two victories. The Cats started out the season with a victory over the Abernathy Antelopes with a 62-55 margin. Gary Nace led the scoring for the Cats with 17 points.

Last Tuesday night the Cats fell to Hereford with a final score of 60-48. At times it looked as if the cats would push ahead of the Hereford Whitefaces in scoring, but Hereford seemed to have some good breaks. Charlie Holt, Charles Carter and Nace led the Cats with each scoring 10 points. This loss put the Cats 1 and 1 at the end of the second game of the season.

Thursday, the Cats entered the Slaton tournament and opened with Roosevelt. Roosevelt was victorious over the Cats with a final score of 58-49. Carter was high point man with 12 points.

After the loss to Roosevelt, the Cats came back and rolled over Spur 41-32. This victory gave the Cats a chance for the consolation trophy, but their hopes for consolation were destroyed when Colorado City won the scoring contest against the Cats 58-46. Nace led the scoring with 12 points.

The Cats have had their ups and downs and they now stand 2-3 for the season.

Littlefield Junior Varsity dropped their opener to Abernathy 60-41. Ralph Funk tossed in 17 points to lead the scoring.

The Littlefield JV lost to the Whitefaces 74-37. Funk hit for 12 points while Michael Carter had nine and Matt Giles eight.

They entered the Anton Tournament Friday playing their first game with the Spade Varsity. The outcome showed the Spade Longhorns on top 56-37. Ralph Funk led in scoring with 17 points and Leroy Danford added 10.

Whitharral stopped the Littlefield JV in a thrilling 51-48 margin. Littlefield led the first three quarters, and the scores were tied three times before Whitharral took a one-point lead and added a field goal the final second. Danford shot 16 and Funk raked in 15.

The JV now stands 0-4 for the season.

FFA Holds Banquet

The Littlefield area Future Farmers of America attended the district banquet Monday, Dec. 1, in the Springlake-Earth high school cafeteria.

Eleven members of the Littlefield chapter made the

trip. Betty Boone, the club sweetheart and Dianne Perkins, plowgirl, also attended.

The main purpose of the banquet was the awarding of leadership banners.

Betty Boone, representing LHS was chosen as second runner-up in the district sweetheart contest.

After the presentation of the awards and the sweetheart contest, a lecture was given by Bill Sarpalius of Clarendon Junior College. Sarpalius is a former FFA state president.

FHA Holds Annual Supper

The Future Homemakers of America held their annual Shepherd's Supper at Mrs. Frances Jones' house Thursday, Dec. 4.

Mrs. Jones, FHA sponsor, has invited the girls to her house every year for the past several years. She makes a pot of stew and the girls bring the salads and desserts.

After eating, members played a few games, watched television and assembled the FHA Yearbooks.

Monday, Dec. 8, the girls and Mrs. Jones went to Pioneer Natural Gas for a demonstration of Christmas candies and foods.

Mrs. Dorothy Redwine was the demonstrator.

Betty Crocker Exam Given

The Betty Crocker Test was given to a group of Senior girls Dec. 2 in the Home Economics room.

The following took the test: Tonya Bingham, Ruan Richardson, Mary Jane Sanchez, Dianne Perkins, Pernicia Savage, Jackie Sims, Linda Rodriguez, Kay Burk, Kim Bridwell, Rita Munger,

Nancy Henson, Vicki Coe, Pam Cox and Cindy Kerby.

The students were allowed 35 minutes to answer multiple-choice questions 10 minutes to answer discussion question.

The results of the test arrive in six weeks.

Math Important In Life

This week the math department will be explored by "THE SKAT".

We have three math teachers in high school this year. Mr. Henry Ford, who teaches three classes of geometry and two classes of consumer math; Mr. Kenneth Largent, who teaches analysis and trigonometry, along with Algebra I and II, and Mr. A. H. Burton, who teaches consumer math and general business, have a difficult task in getting math across to the students of LHS.

Mr. Burton uses various methods in teaching, involving problems pertaining to the needs of the individual members of the class.

He stated, "Math is essential regardless of one's occupation.

"The reason I teach math is because I like to help others and try to give them training which will be beneficial in everyday life."

Mr. Burton hopes his students receive a foundation for higher math. He hopes that each of his students will achieve the fundamental principles of math which will assure accuracy in solving problems which arise in everyday living, regardless of his or her occupation.

He received his degree in math from Texas Tech.

Mr. Ford, in giving his reason for teaching geometry, said, "My best math teacher in high school was my geometry teacher and I saw it was one of the most challenging subjects. The training you get from geometry is as good as can be

found in any subject. It is one of the most thought provoking courses you can take."

He uses logical reasoning and makes valid conclusions from the accepted facts known in teaching his classes of geometry and math.

Having the ability to do logical deductive and inductive reasoning to get across to his students, is Mr. Ford's challenge.

He thinks that the enthusiasm in his classes grows as the year progresses.

Southwestern State College in Oklahoma is where he received his math degree. He obtained his master's degree from West Texas State University.

Mr. Largent does not use any certain method in teaching. He just tries to get it across so the student can understand it better.

He received his Bachelor of Arts degree from Western State College in Colorado, majoring in physics and education, and minoring in math. His minor in math was a result of his enjoyment of the subject in high school and college. It is also the reason he chose to teach.

Mr. Largent wants his students to develop logical thinking as well as to learn the basics of mathematics needed for everyday life and background for advanced courses.

Landers Goes To Boston

Mr. Sid Landers, sponsor of the Littlefield Chapter of Vocational Industrial Clubs of America, is attending the sixty-third annual convention of the American Vocational Association in Boston, Mass., this week.

The theme of this convention is "The Possible Dreams... Accessibility, Quality, Quantity." This theme will be discussed and elaborated on at the meetings Mr. Landers attends.

Buy Your Christmas Tree From Band Boosters

THESE WILDCAT football players received honorable mention in District 3-AAA. They are (left to right) Monte Trotter, defense, Randy Mitchell, offense, Steve Owens, offense and defense, Eddie Hickman, offense and defense, Charlie Holt, offense and Larry Purdy, defense.

LHS Speaks Out

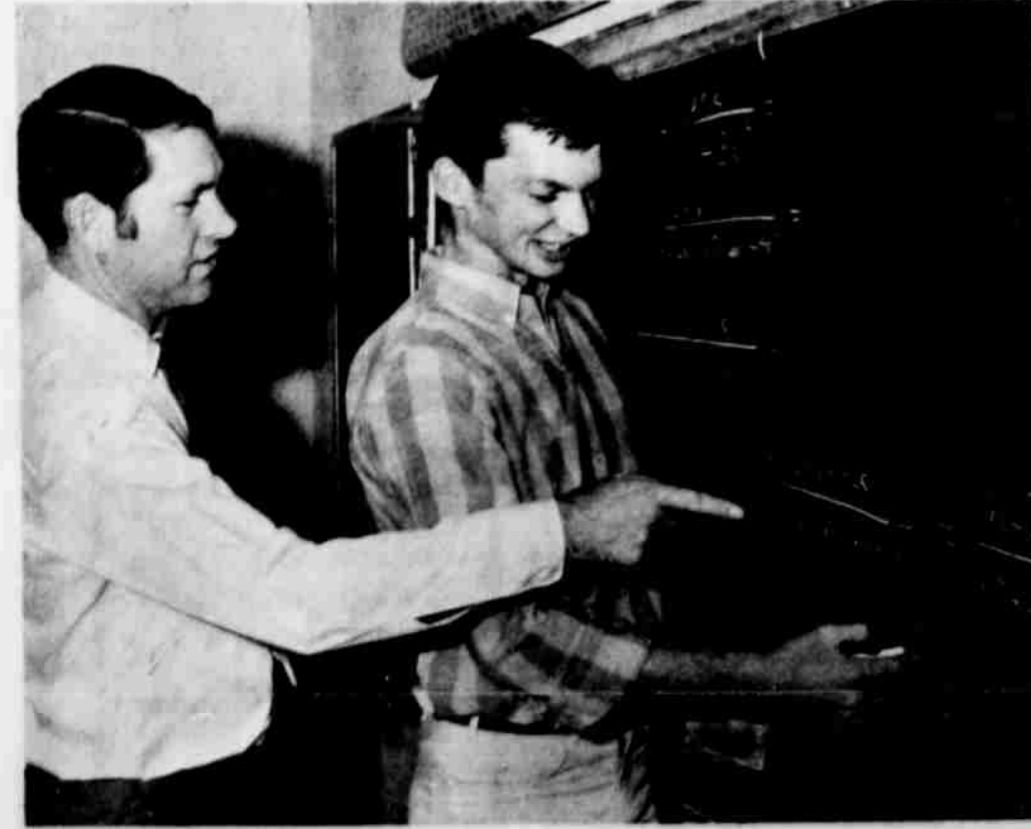

DO YOU THINK THAT "TEEN TOWN" WILL BE A SUCCESS? WHY OR WHY NOT?

Buddy Witcher (Jr.)—"No, it will probably last two or three months and the people will not be interested in it any more. That is the way the Teen Scene and the Wildcat Den turned out."

Kim Klobber (Sr.)—"Why of course not. It would last a couple of weeks maybe. There is not enough people in this town to keep something like this working. I know I wouldn't help to make it a success. There are better places to go besides Teen Town."

Diane Maner (Sr.)—"Teen Town will be a success if it has the support of the students. So far, there has not been too much interest and if it is not boosted, Teen Town may as well be forgotten. In my opinion it would be good, and it would give the students something to do, and somewhere to go."

Carol Cox (Sr.)—"Yes, I think Teen Town will be a success. The kids here need more activities and I think Teen Town would be ideal."

OH YEAH? Are you sure that's right? Mr. Kenneth Largent, math teacher, and Wayland Hutto are pretty sure of their result after working an Algebra II problem.

SUGGESTED FOR IMMATURE AUDIENCES

Happiness Is...

Santa Claus!!!

really make it go, so try to support it by attending the meetings. Let's really get behind it, so we can start enjoying it sooner.

Freshman: No more achievement tests!!! Yaaaaaaay!!!

JUST 6 MORE DAYS OF SCHOOL!!!!

Each week on Tuesdays and Thursdays at 8:00 a.m. in the junior high auditorium "Panel Discussions" are held. This began last week, and seems to be helping in creating a greater understanding between students and teachers. We've discussed things such as dress, homework, and other gripes about LJH. Coming to these meetings helps you realize things here aren't really that bad, it's just that you've got to have something to gripe about!!! All teachers are urged to come cause it's really worthwhile!!! And all you students set your alarm a few minutes earlier—and try to make it. It doesn't matter if you're late, just so you're there!!! Besides, you can get out of home room, excused!!!!

Willie: Pop!!!

C.C. You had your chance!!!

K. W. How's flower-boy?

All good things must come to an end, and one just did! In case some of you don't know, Trisha Wedel is moving to Andrews, this weekend. We really hate to see her go, and I know she hates to!!! She's really leaving a lot behind, but I'm sure she'll have a lot going for her when she gets to Andrews!!! Trisha, we are going to miss you!!! Please write often, and keep us up to date on you.

This past Monday was door-decorations day. All of the home-room classes decorated their doors in a way to show their Christmas spirit. The student council judged them, and the winner received a prize.

Winners will be announced at the Christmas Assembly next Friday.

Charyl: "How many sexes are there?"
Liz: "Three".
Charyl: "Three!!! Can you name them?"
Liz: "Sure! Male sex, female sex, and insect!!!!"

Connie Bowman: "My pop can't decide whether to get a new cow or a tractor for his farm!"

Stanley: "He's certainly look silly riding around on a cow!"
Connie: "Yeah, but he would look a lot sillier milking a tractor!!"

Gary L: "I've forgotten how far I've read in my book."

Jimmy S.: "Just look for the place where the clean pages start!!!"

Mrs. Sawyer: "Michele, did you give the gold fish fresh water?"

Michele: "What's the use? They didn't drink what I gave them yesterday!!!!"

Ann M.: "Hello, Chuck. Fishing?"
Chuck R.: "Nope. Drowning worms!!!"

Sudden Thought: Don't worry about your station in life. Somebody'll tell you where to get off!!!

SUDAN WINS THREE

Sudan edged by Cotton Center Tuesday night, 40-38. The Hornets took an early lead and were able to maintain it throughout the game.

Larry Hanna was high point man for the winners with 16 points, followed by Jerry Bellar with 10 points.

In A-girls play, Sudan defeated Cotton Center 61-30. Connie Lance led the scoring rampage with 30 points, followed by Angela Pickett with 20 more.

The Sudan B-girls romped over Cotton Center, 50-11.

ANTON DOWNS SMYER

Anton continued its undefeated ways by downing Smyer, 66-26. The win gives Anton a 6-0 season record.

Troy Tidwell led the scoring pace with 15 points followed by James Turnbow's 13.

Anton girls won over the Smyer girls 49-40. Gayle Kesey poured in 28 points. Miss Thompson tossed in for 22 points for the losers.

Anton also won the B-boys tilt, 56-22.

PEP DROPS TWO

In district basketball play Tuesday night Pep was defeated by Whiteface 59-43. Randy Brownlow scored 16 points for Whiteface, and Dave Shannon led the Pep squad with 12 points.

The Whiteface varsity girls stopped Pep, 41-17.

Pat Jones dumped in 21 points for Whiteface, and Sherri Demel made 7 for Pep. Pep JV squeaked by Whiteface 43-40.

SPADE JUNIORS WIN

Spade Junior high teams rolled to their second victory in district play Monday night.

The Spade boys dropped Hart with a 29-23 victory. Ronnie Nix was high point man for the victors, while Robinson led the opponents.

The Spade Ferns came on strong and defeated Hart 25-13. Brenda Hopper led the victors with 13 points. Bailey led Hart with 7 points.

BULA-WHITHARRAL

Dianne Crume swished the nets for 31 points for the unbeaten Bula Dogettes in a 67-30 win over the Whitharral sextette Tuesday night.

Larry Gage led the Panther scoring in a 76-34 win over the luckless Bulldogs. Gage counted on nine field

goals and five free throws for 23 Panther points. Johnny Graham added 16 and Mark Thoms contributed 10. Mitchel Autry had nine points for Bula with Jimmy Risinger putting in eight and Rony McCall and Steven Newton made seven points each.

Kathy Lynn Williams slapped the nets for 15 points for the home team. Sheila Medlin and Sharron Turney added 27 points to Miss Crume's 31.

Anton Boys, Spade Girls Win Tournament Titles

JAMES TURNBOW, voted Most Valuable Player in the Anton tournament, dribbles past Roy Thompson of Spade and to the first place trophy for the host team. Darrell Hill of Anton was also named to the all-tournament team along with Eddie Moates of Amherst, Ron Berry of Smyer and Raymond Sewell of Spade.

James Turnbow, named Most Valuable Player in the 7th Anton Invitation Basketball Tournament, led the host Anton Bulldogs to a 44-40 championship victory over Spade Saturday night with 14 points and Darrell Hill added 13 for Anton.

Raymond Sewell was high for Spade with 15 points and teammates Danny Johnson and Gary Hairston added 11 and 10 points each for the Longhorns.

It was nip and tuck for the title with Spade leading at the end of the first three quarters.

Amherst-Bledsoe Amherst lost their bid for third place in the Anton tourney when Bledsoe tripped them 56-44. Terry Young scored 18 for Bledsoe and Eddie Moates led the Amherst Bulldogs with 15 before fouling off and Mickey Johnson chipped in 12 points.

The Amherst Bulldogs came from a 7-point deficit at halftime to tie the Antelopes 42-42 at the end of the third period, but the Bledsoe five raced ahead in the fourth while Amherst managed only two points.

Spade-Amherst The Spade Longhorn feds took the girls' tournament first place trophy with a 55-27 blitz over the Amherst sextette. Christy Adams chunked in 24 points for Spade and Christi Batson and Debbie Mills hit 13 and 11 each for the losers.

Belinda Thompson of Spade and Linda Gossett of Amherst were named to the all-tournament team. Other girls selected in the all-tournament choice were Sandra Martin, New Deal; Cynthia Dukatnik, Whitharral; and Patricia Byrum, Anton.

Christy Adams of Spade was voted Most Valuable Player.

CHRISTY ADAMS, voted Most Valuable Player, and Debbie Myers of Spade battle Amherst's Shirley Gilliland for the ball during the championship game of the Anton tournament Saturday night. Miss Adams fanned the nets for 24 points and led the Longhorns to a 55-27 win and the first place trophy.

Anton Bulldogs won the championship title of their tournament by defeating Spade 44-40 Saturday night. Here the team accepts congratulations and the first place trophy in the 7th Anton Invitational tournament.

Smyer-Whitharral The Whitharral Panthers failed to pull through with the consolation title with a 49-32 Smyer smear. Ron Berry hit 14 for Smyer and Monty Rodgers tipped in 10 points for Whitharral. Whitharral's five tied Smyer in the first quarter and took a three-point lead at halftime.

New Deal-Whitharral New Deal feds trounced Whitharral 57-38 for third place, but not before Kathy Williams scored on eight field goals and 10 free throws for 26 points for the Pantherettes.

The Whitharral six led New Deal in the first two quarters, but fell behind five points in the third quarter and got farther in debt in the fourth period.

S.E. Girls Beat Quitaque Springlake-Earth girls were victors over Quitaque Monday night, but Springlake-Earth boys were defeated, 73-53.

Wolverette Vicky Gregory was in the limelight, ripping the nets for 56 points and led the Springlake-Earth team to a 74-64 win over the Quitaque six.

Cat Comeback Beats Abernathy, 63-46

Carter Hits 22, Nace 16 As Record Goes To 3-3

The Abernathy Antelopes may have thought they were playing the New York Knicks here Tuesday night in the third quarter of the Littlefield-Abernathy non-district basketball game.

After mounting a 30-20 halftime lead Abernathy come back out confidently, but the Wildcats put together their best scoring spree of the season.

It was boom-boom-boom for Littlefield as the Wildcats hit 16 straight points before the Antelopes finally were able to scratch.

As the quarter ended the Wildcats had run their lead to 49-38, outscoring Abernathy 29-8 in the last eight minutes.

Coach Jim Jefferies' crew came out pressing at the half, and the Cats forced Abernathy in numerous errors. By the time the Antelopes called time out to regroup their shattered game plan, Littlefield was ahead by 40-32.

Charles Carter, Gary Nace, Steve Owens, Charlie Holt and Eddie Hickman led the big comeback.

Carter hit for 22 during the game, including an 8-point third quarter. It was a season high for a Wildcat and a personal career high for Carter.

Nace tallied 16 in the contest, and six in the big quarter.

Holt had 10 for the night, with six coming in the third. Owens had six for the game, four in the third period, and Hickman got his night's total of five in the hot-shooting quarter.

The Wildcats hit 33 per cent of their shots for the game, and

a bristling 52 per cent in the third period.

Snodgrass led Abernathy's first half rampage, hitting 14 of his total of 16. The Wildcats limited him to a pair of free throws in the last two quarters.

The victory made Littlefield's record 3-3 for the season. The Cats dropped their third game last Saturday afternoon to Colorado City in the Slaton tourney, 68-55.

Littlefield JV dropped the opening game of the night, 51-40.

Littlefield led at the half in that game 30-28, but the Cats were victims of cold-shooting and errors in the second half. Scoring was balanced, with Holt and Nace hitting for 12, Owens 11, Carter 10 and Max Hutchins 8.

Littlefield travels to the Abernathy tourney this weekend, and the Cats meet Ralls in the meet's opener at 12:45 p.m. today.

Other first round games are Crosbyton-Spur at 3:15 today; Hale Center-Petersburg, 5:45 today; and Abernathy-Cotton Center, 8:15 tonight.

Ralls-Littlefield loser meets the Crosbyton-Spur loser at 12:45 p.m. Friday. Winners play at 5:45 Friday.

Hale Center-Petersburg loser will play the Abernathy-Cotton Center loser at 3:15 Friday, with the winners meeting at 8:15 Friday.

Consolation final is at 1 p.m. Saturday, the third place game at 4 p.m. Saturday and the finals are at 8 p.m. Saturday.

Here is the Wildcat summary for the first six games of the season.

Anton and Whitharral boys' basketball teams are competing in the South College Second Annual Divisional Basketball tournament for class B high schools.

The Anton Bulldogs try to win at 1:20 this afternoon (Saturday) and Anton girls meet the Union girls at 2:30 today.

A Bulldog win will pit them against either Sundown or Bledsoe at 6:20 Friday; a loss will move them into consolation and a 12:10 Friday game with the losers of these games. If the girls win, the consolation game will be at 5 p.m. Friday. A losing opener will move them to play Friday morning at 11.

Whitharral girls will play at 10:30 Friday if they win and at 11:30 Friday if they lose.

A win for the Whitharral girls will give them a whack at the consolation game at 12:10 Friday, and a loss will move them for a 2:30 p.m. consolation game.

Funk, Rhodes In Grudge Fight

Main event at the Littlefield Sports Arena Saturday night will feature a grudge match that Amarillo and Lubbock couldn't get.

It brings together Terry Funk and Dusty Rhodes, who have a grudge going since Rhodes shoved a cigar in Terry's eye during a television interview.

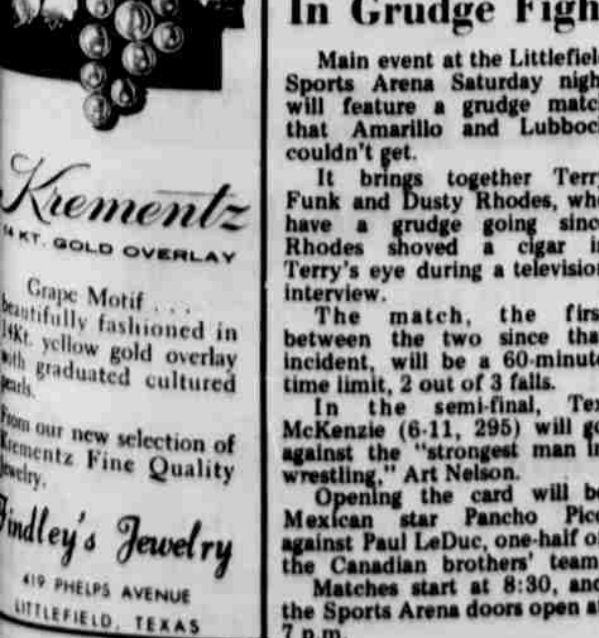

The match, the first between the two since that incident, will be a 60-minute time limit, 2 out of 3 falls.

In the semi-final, Tex McKenzie (6-11, 295) will go against the "strongest man in wrestling," Art Nelson.

Opening the card will be Mexican star Pancho Pico against Paul LeDuc, one-half of the Canadian brothers' team.

Matches start at 8:30, and the Sports Arena doors open at 7 p.m.

IT'S A TOUGH BATTLE as Wildcat Steve Owens (21) tangles with an Antelope for control of the ball. Owens scored six points for the night, four of them in a hot third quarter for the Wildcats.
