

## Absentee Balloting Begins In Area City, School Votes

### THURSDAY NIGHT Bands Slate Concert

1970-1971 Littlefield High School Band will be presented in concert on Thursday, March 25, at 8 p.m. in the Littlefield Junior High School Auditorium. The public will have an opportunity to select the 102 member band to perform at the Region 16 UIL District and Sight Reading Contest. They will play a Belgium March entitled "Des Parachutistes," composed by C. A. Wiley of Lamar Tech. The concert is a light and colorful march featuring the sounds of the woodwinds, brass and percussion. A descriptive work by W. Francis McBeth will be featured. A third composition to be performed is "The Concert," composed by Tommy Fry

of Odessa. This work shows the many contrasts that can be achieved by the complete use of woodwinds, brass, and percussion. After performing their UIL selections the band will demonstrate for the audience the methods of sight reading a composition they have not played before. They will follow the same procedure used in UIL.

On the same program the Intermediate Band will perform. Selections the seventh graders will play are: "Born Free"; "Suite in A Minor Mode"; "Little Irish Suite"; and "Knight of the Round Table." The public may be admitted to the concert by showing their Band Boosters membership cards or by purchasing a ticket at the door.

## Young Man Jailed on 'Speed' Forgery

17-year-old Littlefield man, Jesse Masso Jr., was jailed Thursday on a charge of forgery after an attempt to get a prescription for "speed" filled at West last week. The doctor's prescription for Desoxylin, a trade name for the methamphetamine more commonly known as "speed," was made out by a Robyn Turner and was written on a doctor's prescription pad. Dr. Masso said he became suspicious when he noted that the prescription called for an overdose, or twice the normal dosage. West said he would double check the dosage before the prescription. West said he placed a call to the doctor, Dr. Marable, an M.D. in general practice at the Medical Professional Building on Lubbock, but the doctor was out for the day.

misdeemeanor charge would be \$3,000 and two years in jail. This was the first charge against the man in Lamb County, but a felony drug charge was filed against Masso in Lubbock County in January of this year and was still pending when he was arrested this week.

West said he remembered filling prescriptions for a couple of his customers at the Lubbock doctor who had written the young man's prescription, and that he checked his files and found them. The pharmacist at Police Chief F. A. Fitzgerald's office, he said, because it was not the signatures were not the doctor's.

West's telephone conversation with Marable, the doctor said about 40 prescriptions blanks had recently been filled from his office. West appeared before County Judge Sides Thursday. He was released on \$1,000 bond after making a \$1,000 bond. The maximum sentence for the

SUZANNE HUNSINGER is the new secretary for the Chamber of Commerce and has been at work the past week. She replaces Connie Skarda, who is moving to Lubbock. Mrs. Hunsinger, her husband, Charles, and their two-year old daughter, Amy Anne, came to Littlefield in November from Cordell, Okla. Hunsinger is employed by Southwest Pellets Corp., which is owned by his father-in-law, Buddy Green of Littlefield.

## Messamore New President Of County Water, Inc. Unit

Alvin Messamore was elected president of the Lamb County Unit of Water, Incorporated at the annual meeting Wednesday night. Delbert Ross is vice president of the

county group and Paul Carmickle was re-elected secretary-treasurer.

Charlie Duval is county membership chairman of this association that was formed to bring water from the Mississippi River across the state of Texas.

Gerald Ivy, a staff member of Water, Inc. headquartered in Lubbock, told the 24 members present that if the May 18 bond issue to build the transportation canal passes, Bull Lake will hold three times as much water as is in Lake Meredith.

The proposed canal to import the water will be 200 feet wide and 40 feet deep and will move 300 million gallons of water per second.

There are 50 Water Inc. members in Lamb County now and one goal of the upcoming membership drive will be to at least double this figure since 100 members are needed for a county unit. At the present time Lamb County is one of four combined counties and John D. Smith is the director at large. One hundred members in Lamb County would make Lamb County a single unit and eligible for its own director in the association.

### School Races In Abundance

Absentee voting in the local and all area school trustee and city elections began this week.

Absentee voting for places on the Littlefield board and nine other school elections continues through March 30. Ballots for Littlefield trustees are available in the school tax office on Lfd. Drive and at all area school secretary-tax offices.

Ballots for city races at Littlefield, Earth, and Olton can be obtained at the city halls, and absentee ballots may be cast until four days prior to the election.

In the Littlefield races, six are running for two places on the school board, and three incumbents (1) on the city council are unopposed.

Running for the board of education are E. D. "Buddy" Bingham (1), Flannery Newton (1), Arlen Simpson, Jackie Hefington, Glenn Batson and Dick Hopping. Mayor J. E. Chisholm and Councilmen Paul Carmickle and Dr. James Shotwell all filed for reelection.

At Olton, Uil Gunter (1), Garland DePrang (1), Robert C. Dennis and Burley Faver are running for three expiring terms on the school board. In the Olton city election, Parley Myers, incumbent mayor, and C. J. Givens and Walter Struve, incumbent aldermen are unopposed.

P. A. "Stump" Washington (1), Gene Templeton (1), Ed Lawson, and Calvin Wood are running for the two places on the Earth-Springlake board of education. In the Earth city election, Larry Tunnell (1), Doug Parish (1), Ross Middleton and Troy Byers are seeking two city council posts.

Three are seeking two school board positions at Sudan. They are Guy Walden (1), Byron Lynn (1), and Thomas Moss. Running for three expiring terms on the Amherst school board are Joe Miller (1), Harvey Patterson, Barry Bearden, Hudson Cantrell, Joe Meryl Harmon and George W. Tooley.

At Spade the terms of all three incumbents are expiring and all three filed again. They are Muggs Glazener, J. E. Long and Bobby Myers.

Five candidates are running for three places at Anton where none of the incumbents asked to be reelected. Candidates are Norman Dawson, Charlie Couch, Cruz Aldaco, Weldon Swan and Walter Hobgood.

Whitharral candidates are F. E. Sadler (1), Marion Polk (1), Bobby Grant (1) and Don Avery.

Two posts are open at Bula and Elwood M. Autry (1) and Robert T. Newton filed. Sudan, Amherst, Springlake and Anton, the other area towns that have city governments, will not have elections this year.

### SCHOOL TRANSFER DEADLINE JUNE 1

Area residents who are planning to transfer their school-aged children from one school district to another school district should go to the superintendent's office where they are planning to transfer and request a transfer before June 1. After the June 1 deadline, transfer requests will not be considered.

"DOGGONIT," yells Kerry Rainbolt, 7-year-old son of Mr. and Mrs. Jerry Rainbolt, "when will baseball season ever get here?" The dachshund, "Pepper", is unperturbed about Kerry's dilemma. Kerry will be starting his second year of baseball in Littlefield's age 8-18 youth baseball program this year.

### WRECKING YARD PERMIT OK'D

## Loyalty Day Parade Gets City's Approval

Littlefield city councilmen granted a special use permit to A. D. Ward for the relocation of his City Wrecking Yard, and approved a request from the VFW Ladies' Auxiliary for a Loyalty Day Parade in downtown Littlefield May 1.

Ward was present for the public hearing and agreed to the special conditions the permit calls for in maintaining the yard. He agreed that the weeds would be kept down as specified.

The Loyalty Day Parade will begin at the courthouse at 2 p.m. and proceed down Phelps Avenue to Third Street.

Councilmen voted to maintain the Little League and Babe Ruth Baseball parks for the 1971 summer season, as has been done in the past. Maintenance will include watering and mowing the grass on the fields.

Councilmen decided to let Ace Bridwell be responsible for the organization and supervision of a city pigeon shoot. Permission will be obtained from property owners before any shooters get on buildings.

A discussion concerning the extension of water lines to the Cole Addition was tabled until another meeting.

The discussion involved the adding of three fire hydrants—one each on Thompson, Greenfield and Harris Streets. Councilmen asked the city manager to get

other information on the matter before a decision would be made.

Other routine business included the approval and amending of the minutes, approval of the payment of bills, and viewing the departmental reports.

## Area Youngsters Place At Lubbock

Several area youngsters made a showing with their entries at the 38th Annual South Plains Junior Livestock Show in Lubbock last week.

Bruce Bridges, of the Earth 4-H Club, was awarded the reserve champion steer carcass title with his lightweight crossbred steer.

In the livestock judging contests, Benny Fisher of the Anton FFA was the high-point individual runnerup, and the Anton FFA was rated fifth place in overall judging teams.

In sheep judging contests, David Doty of the Sudan FFA took second place in individual honors and his team won third place in the sheep judging teams category. Youngsters who placed animals in the top three of the breed judging include:

- STEERS: Heavyweight Angus-2. Gary Lichte, Littlefield 4-H; 3. Danny Carter, Amherst 4-H. Lightweight Hereford-1. Danny Carter, Amherst 4-H. Mediumweight Hereford-3. Pat Boone IV, Littlefield 4-H.
- LAMBS: Heavyweight Southdown or Shropshire-3. Mariana May, Olton 4-H.

## Easter Holiday Set April 12-16

Students in Littlefield schools will observe the Easter holidays April 12-16.

Classes will dismiss at 3 p.m. Friday, April 9, and buses will run at that time, according to Paul I. Jones, superintendent.

Studies will resume Monday, April 19, at the usual time.

### AT 2 P.M. IF WEATHER FAIR

## CD Tornado Test Today

LAH RODGERS  
News Staff Writer

Littlefield fire department and the civil defense unit will test the local defense tornado warning system at 2 p.m., according to Leon M. fire chief.

If the weather is cloudy, the test will be held, but if the weather is fair, six sirens will be sounded at full volume to check out equipment as the tornado season nears.

Residents are reminded of the use of the sirens as a warning device on this first of spring. The vulnerability of this area to the ravages of tornadoes has been painfully established in the past years, and spring is usually the worst time for threats of destructive and sometimes deadly storms.

Throughout the tornado season the sirens will be blown to warn residents of a possible tornado. The sirens have been cited for the checking of the civil defense

warning system today, residents can know to take cover when six blasts are sounded. One long blast after the warning signals an all-clear.

From now until the threat of tornadoes is over, if there are cloudy conditions, sirens will not be blown here, even for a fire. This is to reduce confusion.

Durham stresses that after today residents can be assured that they need to take cover when they hear sirens during bad weather.

One long blast of the fire whistle signals a fire, but fire whistles will be blown only on clear days. All local volunteer firemen are notified of fires through receivers in their homes, now, and the sounding of the fire whistle is used more as a warning for motorists to watch out for a possible speeding fire truck than to alert firemen.

"When you hear on your radio or T.V. that there is a possibility of a tornado on either side of a line running from one point

to another point," Durham said, "that is a tornado WATCH. The only time we will blow the six blast warning is when a tornado has actually been cited. And that's a tornado ALERT meaning you'd better take cover-quick."

There are about 15 radios in Littlefield, all on the same frequency, and when conditions warrant their use, all of these units will be out spotting tornadoes. These local units include the fire department, police department, highway patrol, and other civil defense units. In addition, there are others in the county civil defense unit.

These public servants and volunteers have an unlisted hot line number direct to the local radio station during any emergency so that everyone may receive direct information immediately.

Persons are urged to rely on this service for information and tie up phone lines only to report citations and pertinent information.

SIT-IN DEMONSTRATION? No, it's a civil defense drill at Elementary 1. With tornado season nearing, Littlefield students had their first drill this week in what they are expected to do if there is a tornado alert—sit with backs to an inside wall with heads down and hands covering heads.

MRS. DONALD MASK

## Jones-Mask Vows Said In Lubbock

Mr. and Mrs. Donald Bounds Mask are honeymooning in Nassau following their marriage Saturday evening, in the First Christian Church in Lubbock. Reverend Doctor Dudley Strain officiated for the ceremony.

The bride is the former Miss Carolyn Kaye Jones, and daughter of Dr. and Mrs. Walter B. Mantooth, Jr. of Lubbock and the late Jarold Jones of Littlefield.

Mask is the son of Mr. and Mrs. William Bounds Mask of Lake Ransom Canyon in Lubbock.

The bride, presented in marriage by her father, wore a gown of bluish silk organza accented in white silk lace and bluish ribbons. The Princess silhouette was designed with a high wedding band neckline of lace. Long lantern sleeves were gathered to tiny cuffs of lace and ribbons. Vertical stripes of the ribbons and lace ruffling covered the front of the gown and was defined with lace and ribbons. Her bouffant train swept to chapel length. Her double veiling of silk illusion was caught to a matching bonnet of the vertical stripe lace and ribbons, and drifted beyond the length of her train. She carried a bouquet of multi-colored spring flowers.

Miss Deborah Ann Jones, sister of the bride, was maid of honor. Matron of honor was Mrs. Tommy Boyce of Bainbridge, Md., sister of the groom. Bridesmaids were Miss Ann Mantooth of Austin, sister of the bride, Miss Pat Hamilton, Miss Robin Martin, and Miss Kay Rogers, all of Lubbock, Miss Pam Martin of Pampa, and Miss Sally Davidson of Littlefield.

They wore organza gowns of watercolor prints, designed with decollete necklines and full blown sleeves. Their Empire waistlines were sashed with blue velvet ribbons. Bows and long velvet streamers complemented their softly shirred skirts. Fresh flowerlets were

sprinkled in their hair. They carried votive candles surrounded by spring flowers.

Mask was his son's best man. Groomsman were Tom Mantooth, Dub Mantooth, both brothers of the bride, Randy Neugebauer, Ken Foley, Stan Medlar of Lubbock, Craig Dearden of Ft. Worth, and Pat Makey of Midland.

Guests were seated by Max Hutchins of Amarillo, Jeff Keeling, Steve Hamlett of Lubbock, and Pat Simek of Seymour.

Michelle Boyce, niece of the groom, was flower girl. Her dress was floor length bluish organza to match the brides dress. Jim Davidson of Littlefield was ring bearer.

Mrs. Boyce Wyrick, organist, accompanied Miss Nancy Goodman, soloist. Mrs. Lamar Forrest presented a violin solo.

The couple was honored with a reception in the First Christian Church following the ceremony.

The bride is a 1970 graduate of Coronado High School of Lubbock. She is presently enrolled in Texas Tech University, where she is a member of the Alpha Lambda Delta Women's Honor Fraternity, and a "Little Sigma" in the Sigma Chi Social Fraternity.

Mask is a 1968 graduate of Coronado High School. He is a Cadet 1st Lt. in the Air Force ROTC and a member of Sigma Chi Social Fraternity. Mask is a junior at Texas Tech University, majoring in marketing and plans to attend law school upon graduation. He is employed at Dom's Ltd. Men's Store.

Mr. and Mrs. Mask will be home at 2413 Broadway, Apt. D. in Lubbock.

## Gayle's Bakeries

By GAYLE MILLS  
LEADER-NEWS SOCIETY EDITOR

CHOCOLATE seems to be a favorite of almost everyone—but sometimes when we make the same old chocolate pie, cake or candy over and over it soon gets a trifle tiresome.

Here are a few suggested recipes with a new twist to an old flavor. Some are a little time consuming—these you might want to save for that special occasion. The others only take a short time to prepare.

**TAKE THESE** chocolate confections, so easy to prepare, and they are delicious. They are a creamy homemade candy, candy-shop pretty, and luscious enough for the most discriminating bonbon fancier.

1 package (8 squares) semi-sweet chocolate  
1/2 cup butter or margarine  
1 3/4 cups sifted confectioners' sugar  
2 tablespoons light cream  
1 teaspoon vanilla  
Chocolate sprinkles or finely chopped nuts

Partially melt chocolate with butter over hot water. Remove from water; stir rapidly until chocolate is entirely melted. Blend in sugar, cream, and vanilla. Chill until mixture will hold its shape—about 1/2 hour.

Form chocolate mixture into small balls; then roll in chocolate sprinkles. Makes about 5 dozen confections.

**NOTE:** Confections should be stored in the refrigerator.

**THIS CAKE** made with potatoes, is an old-fashioned recipe that's a little time consuming—but worth it. It is deliciously spiced and extra moist—because the potatoes keep it that way.

**CHOCOLATE WALNUT POTATO CAKE**

1 6-ounce package (1 cup) semi-sweet chocolate morsels  
1/2 cup milk  
3/4 cup hot unseasoned mashed potatoes  
1 1/2 cups sifted all-purpose flour  
1 cup granulated sugar  
2 1/4 tps. baking powder  
3/4 tsp. each cinnamon and nutmeg  
3/4 tsp. salt  
1/4 tsp. soda  
2/3 cup shortening  
3 eggs  
1 tsp. vanilla  
1 cup chopped walnuts

Combine chocolate morsels and milk, and heat together over hot water until chocolate melts.

Prepare potatoes, using instant mashed potatoes if desired. Combine with chocolate, and cool while measuring remaining ingredients. Resift flour with sugar, baking powder, spices, salt and soda into large mixing bowl.

Add shortening and chocolate mixture. Blend until moistened, then beat at low speed for two minutes, scraping bowl frequently. Or beat by hand 300 strokes.)

Beat in eggs and walnuts. Add remaining ingredients. Beat on high speed for 2 minutes. Turn into greased and floured 8-inch layer cake pan. Bake at 350 degrees for 40 minutes. Let stand 5 minutes, then turn out on racks to cool.

Put layers together. Creamy Chocolate Frosting and decorate with walnuts.

**TRY THIS** creamy frosting on the above **CREAMY CHOCOLATE FROSTING**

1/3 cup butter or margarine  
1/3 cup milk  
1 6-ounce package semi-sweet chocolate  
3 1/4 cups sifted powdered sugar  
1 tsp. vanilla  
Dash salt

Melt together over heat, butter or margarine and semi-sweet chocolate morsels. Remove from heat and gradually blend in powdered sugar, vanilla salt. Beat until mixture is stiff and spreadable. Sufficient frosting for 8-inch layers.

**HERE'S AN EASY** pie, using a chocolate crumb crust.

**CHOCOLATE MORSSEL PIE**

1 6-oz. pkg. semi-sweet chocolate pieces (1 cup)  
1 egg  
2 egg yolks  
1 tsp. rum or rum extract  
2 egg whites  
1 1/4 cups heavy cream  
1/2 sq. unsweetened chocolate

Melt semi-sweet chocolate pieces over hot water. Remove from water. Beat in whole egg and yolks at a time. Add rum. Beat until they form peaks. Add egg whites. Beat with beater is raised; fold in cream, whipped, and egg mixture. Spoon into pie shell. Refrigerate until well set.

**CHOCOLATE WALNUT CRUMB CRUST**

1 1/3 cups of (eighteen 3/4" wafers)  
3 Tbsp. butter or margarine  
Let butter soften. Place piece of wax paper on board; stack crackers center. Wrap, making fold in paper; tuck ends. Roll fine with rolling pin. Roll out in a plastic bag.

In 2-cup measuring cup, fork, mix 1 1/3 cups crumb soft butter until crumbly. Add 2 Tbsp. mixture. Back of spoon press against bottom and side of 9" pie pan. Bake at 375 degrees for 10 minutes. Cool; fill as recipe directs with reserved crumbs.

# HOMINY GRITS

By CORNBALL BLEVINS

eid, hominy grits  
 I'M GLAD I'VE got a hole in each side of my head. Otherwise I'm afraid recent sandy breezes would have filled my head full'a rocks.  
 Reminded me of some of the atmosphere I saw way back in the thirties.  
 Used to see them things come up outta the west in a huge red roll reaching from the north to the south--Some of them were something to remember, especially, if you lived in a two-room shack!

IF THERE was a cloud with it, the color would be black instead of red. It was enough to make the faint-hearted head for the "Fraid-hole". (As the cellars were called). Several times we played it brave and later wished we were IN the cellar!  
 It wasn't uncommon for the day to become so dark from the clogged air that it was necessary to light the lamps, that it may be only two or three o'clock in the afternoon.

I SUPPOSE the most costly storm that I remember happened on Thanksgiving day of '26. The wind was blowing up to gale proportions nearly by the time of sun-up. It grew worse as the day grew older, and three-fourths of the crops were still in the field.  
 In my mind's eye, I can still see those giant-sized tumble-weeds racing across our opened cotton. They went in the west side of the field a large yellowish-brown mass, and out the other side a rolling ball of cotton. It reminded one of a stampeding herd of cattle!

THE BEST cotton-harvester of our time could not have cleaned those cotton stalks any cleaner than did those tumble-weeds!  
 That must have been one of the things that made this country so great for so long. Only the healthy, hardy, and the fool-hardy would stay here!

I STILL get my kicks from the uninitiated when they are seeing their first duster.  
 A salesman from below the "Cap" was in the shop, some three weeks ago. He had just traveled the road from Levelland here, during one of our more blustery days. The dust was pretty thick.

"I'M TELLIN' yuh, I never seen anything like it!" He declared; "There were times that yuh couldn't see fifty feet! And them big-bushy-things kept jumpin' across the road in front of me. Some of them dang nigh hit my car!"  
 Reminds me of the old couple that got caught in California, some years back, in one of their lesser earthquakes. Next morning the wife said, "Dad, don't you think we ought to call the kids, back in Texas, and let them know we're all right?"

"HECK, NO!", was the answer, "If you'll just get our things together, we'll DRIVE back, and TELL them we're all right!"

# DEAR EDITOR

## What Our Readers Think

### Hat's Off

Dear Editor,  
 I wish to thank you for the Leader-News. I think it is the best country paper we have ever had. Good for you.  
 I was just carried away when I read the Editorial page, last Sunday March 14. Get that paper and re-read it.  
 Dear readers, The Sandhills Philosopher J. A. Cornball Blevins Hominy Grits, Paul Harvey Vultures, Rev. Bob Wear, the Abundant Life, Mrs. Pearl Brandon A Woman's View and a new writer, Joe G. Gilbert, "What's Your Bag?" read it again.  
 Yes, God will care for all our needs. He is our heavenly Father.  
 The earth is the Lord's and the fullness thereof; the world and they that dwell therein. Psa. 24:1.  
 Yes, but God first. He is our source.  
 I would like to see you all, at church Sunday Bible study 10 a.m. preaching at 11

a.m. Bro. R. N. Tucker will bring the message from God's Holy Word.  
 We thank God for our pastor.  
 Next Sunday's lesson, Jesus coming back to earth, prepare for his coming. Matt. 24:25:1-13. We cannot know the day, but we can know it is soon. Jesus tells us how he is coming.  
 Rev. 20:21 Most of the prophets tell us about Jesus' first coming to save man and how he was to suffer and die, rise and go back to the Father. Isa, Daniel, and Amos and more I'm sure tells us. This Holy Bible is God's word. It is true.  
 Bro. R. N. Tucker brought a good message on the second coming two weeks ago.  
 I think it is most important for our day. Watch and pray, Jesus is coming soon.

### A WOMAN'S VIEW

## Beautiful Days

By PEARL BRANDON

NOT LONG AGO I visited a lovely woman in a hospital who was very seriously ill.  
 The weather was rough that day... one of those West Texas sand storms, which we don't ever seem to get accustomed to, was blasting right out of the north.  
 "HOW IS THE weather outside?"  
 "Horrible!", I said, "it's one of those terrible, nasty days."  
 She said, "When you reach the place that I am in, there are no terrible days as far as the weather is concerned. When your days are numbered all of them are beautiful."

I THOUGHT how true that is. Why should we complain when the wind blows and kicks up the dust?  
 Even sand stormy days belong to the Lord, though sometimes we would like to charge them off to the Devil. Only the Lord can create days and all His days are good.

ALLEN DALE, on his talk show from San Antonio on the radio always starts off with, "It's a beautiful night in San Antonio," regardless of the weather they are having.

A friend of mine sent me this lovely poem by Helen Lowrie Marshall.

"Good morning, Lord... another lovely day  
 Help me to keep it so, dear Lord, I pray.

May no small, careless word or deed of mine  
 Let fall a shadow there to spoil the shine.

No act of kindness, thoughtlessly undone,  
 Make dim the lovely morning's bright clean sun.  
 Help me keep this day as good as new.  
 Till at its close I give it back to you.

WHEN WE are young the days seem to stretch out ahead endlessly and we are prone to bounce them off carelessly.  
 "What's a day lost now and then when we have so many!"

BUT AFTER we begin to grow old its different, we try harder to make them count.

There is so much we would like to do and so little time left. The Bible says, "This is the day the Lord has made; we will rejoice and be glad in it."

WON'T IT BE wonderful when we get over there where the days are not numbered.

"When we've been there ten thousand years bright shining as the sun,  
 There's no less days to sing God's praise Than when we first begun.

HALLELUJAH!

## THE ABUNDANT LIFE

### Lift The Latch

SEVERAL YEARS AGO, in the rural area where we lived, there was a country store which filled an important place in the lives of the people who lived there.  
 Adjacent to the main store building, there was another building known as the feed house in which the flour and feed were stored.

WHEN THE CUSTOMER bought a sack of flour, he went to the feed house and helped himself.  
 The door to this building was opened by a string, called "the latch string", which was fastened to the inside latch. Attached to the door, there was a sign bearing the inscription--"Lift The Latch". When this was done, the door could be opened.

WE HAVE FOUND that life is much like the door to this feed house of the country store.

It contains all of the things we need for rich and abundant living, and all of these things we need are available to us when we pay the price that entitles us to "lift the latch".

THERE ARE MANY DOORS of opportunity that can be open doors to us if we are interested enough to qualify for the right to "lift the latch". Sitting around

wishing for what we need, or thinking we will find both spiritual and material blessings.  
 They are not free, but they are available to each person who will pay the price.

WHEN WE OPEN the right door, we will find both spiritual and material blessings.

WE MUST DEVELOP our own capabilities, learn the great art of discipline, and the skill of successful interaction with other people.  
 Our skills and general knowledge must be made effective by "work".

Then we are ready to "lift the latch". There is much to be gained by those who will be diligent and industrious.

"IF YOU WOULD" relish food, lift it before you take it; if you would wear clothing, pay for it before you wear it; if you would sleep soundly, take a conscience to bed with you.

When the price has been paid, we are ready to "lift the latch" and go to the storehouse of the abundant life which we are entitled.

## THE PHILOSOPHER

### Gab!

(Editor's note: The Sandhills Philosopher on his Johnson grass farm wonders around through some statistics this week.)

Dear editor:  
 It's not very important, but I was reading in a newspaper last night that there are now 255,200,000 telephones in the world.

Furthermore, as you might guess, nearly half of those, or 114,798,000, are in the United States. We've got one phone for every two people.

But what interested me was a further breakdown in the statistics, reporting that people in the United States last year made 156,450,000,000 phone calls. If you lost track of the zeroes, that's over 156 billion calls.

Moreover, that comes out to an average of 745 telephone conversations for each man, woman and child, the report said.

Now considering the fact a lot of people don't talk on the phone at all, like infants, and a lot don't have access to phones for

long hours at a time, like farm laborers and bus drivers, etc., plus a lot of people don't even have more than 745 phone calls a year. So to that 156 billion calls, somebody talk at least 10,000 times a year average of about 30 times a day.

I can believe it. I'm not calling names, but I can believe it.

Just to be doing, I figured up how the world is paying for its telephones, more or less. Just the average phone costs a flat \$10. That's \$1,266,000,000 a month. That's \$15,192,000,000 a year, not counting distance calls. When you add long distance charges, I'd say it's costing the something around 30 billion dollars a year.

I started to figure up how much transmitted in those 30 billion dollars of calls a year but I never was any small fractions.

Yours truly

# WORSHIP IN CHURCH

and get a spiritual lift for the whole week

## Americanism

Liberty, as proclaimed by law and constitutions, can never have full meaning without the added ingredients of Fraternity and Brotherhood; without the spirit of friendliness and unselfishness... love for one's fellows. Those powerful qualifying attributes help spell out what Americanism is.

When one sees a family unit, parents and children, with Bibles in hand, attending church to worship as they please... then one is witnessing Liberty in its finest and most fullsome forms. For that, too, is American. Freedom of religious worship is equally important, along with economic freedom and freedom from oppression, in America. Then worship God as you please but be sure to worship... that is Americanism.

## Thad Minyard Gets Masters

Thad Minyard received his Master of Business Administration degree from Southern Methodist University at Dallas, in January of 1971. His areas of advanced study were management and marketing.

While attending S.M.U. Minyard was invited to join Beta Gamma Sigma, National Business Honorary, upon completion of degree.

Minyard is presently employed by Varo, Inc., at Garland, as the midwest regional sales manager.

He, his wife, Gennie, and two sons, Corey and Tommy, reside in Plano.

Minyard was a 1962 graduate of Littlefield High School, graduated from Texas Tech University in 1966. He is the son of Mr. and Mrs. J. F. Minyard of Littlefield.

### HORSE POPULATION

The Census of Agriculture stopped counting farm horses in 1959 because their numbers had declined so rapidly.

DAVID JONES gives teammate Emory Moody an assisting eye as Moody goes up for two. Longhorn David Goen rushes in hoping for a rebound. The Raiders beat the Longhorns, 17-10.

## Raiders Undefeated, Bucks, Bears Win

The Raiders in the major league of little league basketball remain undefeated after downing the Longhorns, 17-10. Other games played Thursday night were a 14-8 win over the Chapparals by the Bucks and the Bears downing the Horned Frogs, 27-8. Paul Harlan took high scoring honors for the night as he hit the basket for 20 points in leading the Bears to their victory. Teammate Jackie Lobaugh hit seven. The Horned Frogs were paced by Kevin Gardner with three points. Billy Owens and Jodie Torres each got a pair and Kyle Shipley hit one. Dennis Jackson's 12 points and Stevie Jackson's two gave the Bucks the necessary edge to down the Chapparals, 14-8. The Chapparals were led by Herbert Spencer who hit the bucket for six points, and Brady Bradley who sank a two pointer. The team effort of the Raiders to stay

undefeated proven successful again as they dropped the Longhorns, 17-10. Jay Lee, James Kemp, Tommy Twitty, and Emory Jackson scored four points each for the winners. Bill Healy hit the basket for one. Ralph Mendez took scoring honors for the Longhorns with five points. David Cutshall and Jeff Birkelbach got two each and Brad Walden sank one. Next Tuesday's action will be the Bucks against the Snooks, the Celtics will battle the Chapparals, and the Longhorns will be pitted against the Bears.

### Volleyball Tourney Slated At Levelland

The Levelland Jaycees will host their second annual volleyball tournament in the Levelland High School gymnasium, March 30 through April 3. It is hoped that this year's tournament will be the best in West Texas. Any team wishing to enter should send \$10.00 (check or money order) entry fee to Levelland Jaycees Box 403, Levelland, Texas, 79336. Along with the entry fee, send the names, addresses and telephone numbers of at least two team members. Brackets for 32 men's and 32 women's teams have been drawn. For further information write to the Levelland Jaycees at the above address. Individual trophies will be given to each team member on the first, second, and third place teams in each division. Entries must be in by March 24, 1971.

### Varsity Volleyballers Advance In Tournaments

The Littlefield varsity volleyball team extended their record to 13-Friday night with wins over the Whitharral team in the opening round of the Pep Tournament. Littlefield took the set 15-7 15-3. A week ago the Littlefield squad was handed its first defeat when they went up against Denver City in the opening round of the South Plains Torney. Littlefield went on to beat their own "B" team, Klondike's "A" and Wellman for the consolation spot in the tourney.

### Sr. Babe Ruth Meeting Scheduled

Boys who were born between July 1952 and August 1955, and are interested in playing in the Senior Babe Ruth Baseball program this summer, are asked to sign up Monday night at 7:30 in the XIT Room of Security State Bank. Others interested in the program are urged to be present to help transact the business on the charter, selection of managers, coaches and umpires. Boys who are eligible must have, or be able to produce, their birth certificates.

# OBITUARIES

## NANNIE KATHRYN STOREY

Funeral services for Mrs. Nannie Kathryn Storey, 73, a prominent Littlefield citizen who had resided here for 50 years, were conducted Saturday afternoon in the Crescent Park Church of Christ.

Bob Wear, minister, officiated. Burial was in the Littlefield Cemetery under the direction of Hammons Funeral Home.

Mrs. Storey died about 7:15 a.m. Thursday in Littlefield Hospital after a lengthy illness.

She was born in 1898 in Vernon, and had formerly taught in the public schools here. Mrs. Storey was a member of Crescent Park Church of Christ and had taught a Sunday school class 40 years.

Mrs. Storey was a past worthy matron of the Order of Eastern Star here, and awarded a lifetime membership to the organization last year.

She was a past president of the Littlefield Women's Club and had held appointive offices in district and state levels of the Texas Federation of Women's Clubs.

She was a widow of W. D. T. Storey, postmaster here from 1934 until 1964.

Her son, David Storey, was killed in France in World War II.

Survivors include two sisters, Mrs. R. L. Bows of Brownfield, and Mrs. Earl Anthony of Laplace, La.

Pallbearers were L. C. Hewitt, Hubert Henry, Sid Hopping, Benny Zahn, Eldridge Latimer and Prentice Caraway.

## Witnesses Return From 3-Day Meet

Expressions of satisfaction with their highly successful three-day assembly of Bible education and counsel held at the Brownwood Coliseum were heard from returning delegates of the local Spanish congregation of Jehovah's Witnesses this past weekend.

"We had a joyous occasion for Christian association with member delegates from 15 congregations composing Circuit S-3, and the opportunity to increase our knowledge of the Bible's prophetic message and how to better teachers in conducting home Bible studies."

### TESTING PHASES

Since August 1970 the two Concorde prototypes (British-French supersonic transport aircraft) have gone into their fourth testing phase which has taken the two aircraft from the Mach 1.5 range up into speeds of Mach 2 (twice the speed of sound). The only precedents for large aircraft flying above the speed of sound were the U. S. B-58 and B-70 bombers.

declared Roberto Torres, presiding minister.

Highlight of the convention was Sunday's public talk entitled "What's Behind The Spirit of Rebellion?" delivered to an audience of 1,125 by R. Cornelius district supervisor.

The speaker stated the many reasons people rebel. Some teen-agers rebel because of the hypocrisy and materialism of their parents, a wife may rebel perhaps because of a dominant husband, and people in general rebel against the economic and social system that produces distinctions of classes and lack of respect for life. As the speaker stated "Whether sincere or selfish, rebellion has not solved man's basic problems. It should be avoided, God's Word condemns it."

"The solution is the Kingdom of God, which will soon bring an end to all injustices that cause rebellion."

"Jehovah's Witnesses do not promote the establishment, but neither do they rebel against the superior authority. They avoid

rebellious against God, and do not oppose the arrangement that God permits.

"It is evident that Jehovah's Witnesses' way of life is practical and peaceful. Many of

the problems that face mankind have been solved by them.

How? By letting the Bible guide them in their daily lives."

The highlight of Saturday was the baptism of 16 ministers.

## NEW GT LEE RADIAL BELTED

### 2 PLUS

— 2 Radial Body Plies  
— 4 Belt Plies of Styrene

**CONSTRUCTION**

Two radial plies of polyester cord run straight across the centerline from head to head. Polyester is unmatched for resilience, strength and durability and provides a soft ride, long wear and is resistant to bruising, free of flat-spotting. Between the polyester plies and the tread are four rayon belts which form a near-rigid support for the tire tread, holding it tightly, where it belongs, against the road, and effectively preventing motion and scrubbing that shortens the tread life of ordinary tires.

**REVERSE MOLDED**

Lee's reverse molded process produces a tire that comes out flat and straight against the road when the tire is inflated. It gives the wall and tread both structural strength and resiliency and helps put every square inch of tread contact area to work.
