

Wildcats Win District, Whip Mustangs 34-12

By ANDY ROGERS

The Littlefield Wildcats are for real. Anyone doubting this can find an Olton Mustang and get first hand verification. But be sure and go during visiting hours.

The Cats went into the Olton game with a chance to win the 3-AA district crown, and after taking it easy for three quarters they proved that it was rightfully theirs. Twenty-four of the Wildcat's 34 points came in the fourth period as they rolled over the Mustangs 34-12.

Larry Hobratchk kicked a 25 yard field goal to give the Cats a 13-6 lead opening the fourth quarter. Olton took the ensuing kickoff and returned it to the 25. An official tacked an unsportsmanlike conduct penalty on the play giving the Mustangs the ball on the

40. Glen Johnson grabbed the handoff and started moving right. He was hit by two tacklers, spun around to the left, and cut back across the field. He finally broke into the clear and went all the way for the six points. The Mustang coach decided to go for the two, and the Olton quarterback, Tim Givens, rolled left looking for a receiver. What he found was Hobratchk crashing in, dropping him at the 10. It seemed like a very big play at the time, but then nobody could predict what was about to happen in the next 10 minutes.

Quarterback Terry Bryson went up the left side from the 36, taking the ball to the Cat 49. From the 48, Bryson faked into the line, drawing the defensive secondary in. Meanwhile, Leneral Lewis was sprinting down the left sidelines. Bryson let loose with the bomb, and the

speedy Lewis made a fingernail catch on the 15. He ran on in for the score, and Hobratchk added the kick for a 20-13 lead.

The Mustangs came fighting back, making a first down on the 32. But then Eddie Surratt fought off an Olton blocker and dropped Givens for a 10 yard loss. The Mustangs were forced to punt, and the snap was just a trifle high. The punter handled it, but it gave Alan Mackey enough time to break in and get a hand on the ball. The pigskin went straight into the air, and the Mustang punter performed a football first by fair-catching his own punt.

Pat Henderson carried the ball to the four inch line, and Bryson took it in on a quarterback sneak. Hobratchk

Area 'Okies' Celebrate

The first family to move to what is now known as the Oklahoma Flat community settled there in 1925.

In 1926 Doyle Gilley's grandfather moved to the prairie land being broken out southwest of Littlefield.

The G. O. Ratliff family moved from Oklahoma to the flat West Texas settlement in 1927. That same year the Buck Anderson, V. M. Tipton, Jim Gray and the Ed Wills families, all from in and around Duncan, Okla., came west and settled southwest of Littlefield in what naturally became known as the Oklahoma Flat community.

In the 1920's the father of Raymond, Ray and Hayes Denney came down from Oklahoma and bought several labors of land in the Oklahoma Flat community.

The E. E. Campbell family came out to West Texas from Oklahoma to pick cotton in 1927 and moved out here the following year. The Truman Millicans moved to Oklahoma Flat in 1928.

The first roads were graded in 1928. Mrs. David Vaughn, formerly Claudine Campbell and still an Oklahoma Flat resident, remembers when they all rode to Littlefield in the Ratliff's old Whippet to get groceries.

Of all these early settlers, the Gilleys are still around Oklahoma Flat, Littlefield and Levelland. The Ratliffs and their children live in Littlefield, and the Tipton children reside in this area.

Two of the houses built in the 20's are still standing. Mrs. Ted Gray lives in the old family house which was built in 1927. The Gray house like Mrs. Grace Gilley's house has been added on to.

The men could get together at the Oklahoma Flat gin or grocery store, but the women needed a social activity. So it was that the Oklahoma Flat Club was formed about 1930.

It is believed to be the oldest organization in this part of the country. The club has been in existence for more than 40 years.

Four years ago the Oklahoma Flat Club started having an annual Thanksgiving dinner on the second Thursday in November. All of the women in the community do the cooking, then gather at the Raymond Denney home at the Denny Gin.

The men aren't expected to quit work and clean up for the meal. If they are

busy harvesting grain and cotton, they come to dinner right out of the field. Weather permitting, tables are set up in the yard and the men eat outside.

This year 60 attended the event to make it the largest crowd yet. Besides all the Oklahoma Flat Club members and residents, several former community residents and club members attended.

Among the Thursday guests were Mr. and Mrs. Truman Millican, Mrs. D. W. Holladay and Bernice Gilley of Littlefield, Homer White of Sulphur, Okla., and Mrs. A. A. Gray of Plainview.

After feasting on traditional foods like turkey, dressing, giblet gravy and cranberry sauce, congealed goodies with whipped cream, fruit, nuts and marshmallows, standbys like baked beans and scalloped potatoes, trays and trays of hot rolls and sour dough biscuits, pumpkin and pecan pies, chocolate and coconut creams, pound cakes and cakes with gooey frostings, then remarks like I won't be able to eat for another week, the men went back to the fields.

But before the women gathered up their dishes, there was one more item on their agenda, a 70th birthday celebration for Mrs. Gray. The women sang "Happy Birthday", three club members read poems and they presented her with a butterfly pin.

BALLOTING DUE MONDAY

Chamber of Commerce members are reminded to cast ballots on directors and have them in the C-CA office by 12 noon Monday, Nov. 13.

School Board Meets Monday

Names of a text book selection committee will be presented to Littlefield school board members for approval at the trustees' regularly scheduled meeting in the school tax office here Monday night.

Other items on the agenda include presentation of things in the planning stage for LHS by High School Principal Jack York, an audit report and accounting practices and presentation of the financial statement.

Sacred Heart Turkey Dinner Served Today

763 POUNDS OF GERMAN SAUSAGE were hung and smoked in preparation for Sacred Heart Church's Annual Sausage and Turkey Dinner today in the Community Center. Shown making the preparations are Herbert Dolle and Joe Krizek. (Sacred Heart Photo)

The annual Thanksgiving sausage and turkey dinner, sponsored by the Sacred Heart Catholic Parish in Littlefield will be served today from 11 a.m. until 3 p.m. in the Lamb County Community Center at West Third and Ripley Streets.

Men of the church prepared 763 pounds of sausage Thursday night and women have cooked the turkey, home made bread, home made apple, cherry, pumpkin and pecan pies for the meal today.

The Parish Council of Catholic Women, along with the youth of the CYO, will be serving the meal.

Approximately 800 people were served more than 400 pounds of turkey and 700 pounds of sausage during last year's dinner, and the parish is expecting more to turn out this year.

Tickets may be bought at the door. Prices are \$2 for adults and 75 cents for children.

Sausage will be sold at \$1.50 per pound to take home.

Band Boosters Plan To Attend UIL Meet

Littlefield Band Boosters will meet Monday night at 7:30 in the Wildcat Band Hall of Littlefield High School to discuss plans for the University Interscholastic League (UIL) marching contest in Lubbock this week.

The marching contest will be held in Jones Stadium at Texas Tech, and parents and friends of all band students are urged to make plans to watch the contests at Lubbock.

The Littlefield Junior High band will be marching at 10:20 a.m. Tuesday.

The UIL has the Littlefield Junior High band classified as a class CC band. A class CC band is a Junior High school with 250 enrollment and which marches band students in the 8th and 9th grade.

The Wildcat Band will be in competition with 17 other AA bands in our area or district. A high school with an enrollment of 230 to 500 is classified as AA.

The Junior High band will have a picnic lunch of sandwiches and cold drinks in Mackenzie Park after their contest, courtesy of the Band Boosters. The Wildcat Band will eat at Furr's Cafeteria off 4th Street.

The Band Boosters would welcome the parents and friends of the band

students to this UIL contest," states Hubert Henry, president of the organization. "By having a large enthusiastic crowd in the stadium when each band steps off in contest on the astro turf at Jones Stadium, will make these Littlefield band students stand ten feet tall," Henry stressed.

"Each of these band members deserves the wholehearted support of the Littlefield community," he concluded.

The visitors at Jones Stadium are asked to park behind the west stands and sit in the west stands in a group.

Vote Canvassing

Lamb County commissioners will canvass the votes in both the general election and the local option election when they meet in regular session in the commissioners' courtroom Monday.

Commissioners canvass votes in the general election the first time they meet in regular session after the election, and votes in the local option election can be canvassed a minimum of five days after the election, thus canvassing of votes in both of the elections will be Monday.

Each bond division supplied a financial institutions. More forms, cards, letters and labels were placed in San Francisco to computerize the bids and labels. The coins were produced.

Four months to transport the coins from treasury vaults in New York to the U. S. Bullion Depository at West Point, N.Y. Each coin is inspected and separated.

The coins are being packaged in sealed presentation cases. The order requests of coins will be filled in San Francisco by a GSA which will scan each order for address, bid and to ensure that no more than one bid from a person each of the three years.

Approximately 90 days after the sale the computer will tabulate bids and rank them according to size and bid at the rate of 50,000 per day. The computer-printed labels are applied to the bids and will be sent to bidders by registered mail.

Post office estimates that it can handle 10,000 packages a day, so bidders receive coins by June 1. A note of interest—if the entire bid were placed in one stack the stack would tower five miles high and weigh 77 tons.

Leader Training Meeting Open To All Clubs

Mrs. Lynn Bowermon, County Extension Agent will be giving leader training for a program entitled "Convenience Foods vs. Home Prepared" at 10 a.m., Wednesday, Nov. 29, at her office in the courthouse.

Any club or organization which would like to send a club representative to receive this program training will be welcome.

The objective of the program will be to make homemakers aware of differences in cost of convenience foods versus those prepared at home.

A convenience food to a homemaker in years past was buying a pound of butter from a neighbor rather than having to have her own cow, but today, convenience food has quite a different meaning in our society. Some new ideas for using convenience foods will be given as well as their cost and how they can fit into a busy family life.

Clubs interested in sending a representative to this training should contact Mrs. Bowermon by Nov. 22 at her office.

No Texas Brag

Texans have always been proud of their state, and the Texas "brag" is widely known. However, when it comes to agriculture, that "brag" is very real because agriculture is "big" in Texas.

It's appropriate to take a look at the state's agricultural industry as we enter the month of November, the month designated as 'Texas Food and Fiber Abundance Month,' says Charles Baker, marketing specialist with the Texas Agricultural Extension Service, Texas A&M University.

"For instance, consider that agriculture is a \$10 billion industry in Texas, second only to the oil and gas industry," points out Baker. "In addition, the agricultural industry provides employment for 35 to 40 percent of the Texas labor force."

Of the state's approximate land area of 168 million acres, some 143 million acres are in farmland—more than any other state. Texas also boasts more and bigger farms than any other state in the nation.

And talk about diversity! Texas produces more than 200 different types of crops and livestock. "So, in many ways, the state is self-sustaining," notes Baker. "In addition, it provides food and

fiber for consumers throughout this country as well as abroad. Texas is the third leading agricultural state in the nation and ranks fourth among the leading agricultural exporting states."

In the United States, Texas leads in the production of all cattle, beef cattle, rice, sheep and wool, goats and mohair, cotton and grain sorghum. It is also a leading producer of peanuts, pecans, hay, citrus and vegetables. Not to be overlooked are the dairy, poultry and egg, swine, corn, soybean, honey, wheat, timber, horse and mariculture (catfish and shrimp farming) industries.

"It's a good bet that consumers in Texas come in contact with a food or fiber product produced in the state every day," says Baker. "We're indeed fortunate to have such a wide array of high quality food and fiber products at our fingertips at reasonable prices."

"During the upcoming Thanksgiving season, it's appropriate for all of us to reflect on our good fortune of living in a state such as Texas that is overflowing with food and fiber abundance. It is indeed a time for everyone to count his blessings."

And a little Texas "bragging" might just fit in, too!

ASCS Storage Loans Available Locally

The Lamb County ASCS office announces that farm storage facility loans are available through this office for the construction of structures needed for on-the-farm storage and conditioning of corn, oats, barley, grain sorghum, wheat, rye and soybeans.

The loans may be approved on 85 percent of the actual cost to the applicant for new materials used and off-farm labor. Interest is computed on an annual percentage rate of 5.52 per cent. Loans of less than \$10,000 can be approved in this office without a real estate lien. Loans of \$10,000 or more must be ap-

Authorities Jail Four This Week

Two Dimmitt men were charged with driving while intoxicated this week, a Littlefield man was charged with check law violation, and a Levelland man was arrested on a grand jury indictment for forgery.

Marcelas Sabredra, 29, was arrested on a DWI charge Saturday and released Monday after being fined \$100 plus court cost and 10 days in jail probated for six months.

James Evans, 50, of Dimmitt was charged with DWI Sunday and released Monday after his fine was set at \$200 plus \$47 court cost and three days in jail.

Senero Rodriguez, 42, of Littlefield was charged with check law violation Wednesday, and fined \$47 and 30 days in jail.

L.C. Jones Jr., 28, of Levelland, was arrested Thursday on a grand jury indictment for forgery. Levelland has a grand jury indictment for Jones, also.

proved by the state office and require a lien on the real estate on which the structure is located.

Richard O. Newman, county executive director of the Lamb County ASCS, said cost-share funds are still available for conservation practices to be performed between now and Dec. 31, 1972. The county limitation of \$1,000 per farm not to exceed \$1,500 per individual for all farms in Texas is still in effect.

Applications are being accepted at the ASCS office now through Feb. 23, 1973 for measurement service to be performed prior to crop plantings and measurement service to determine the quantity and quality of set-aside acreage for 1973. Cost of the service is \$16 per farm plus 10 cents per acre plus \$6 for each additional plot over one.

Therefore if the 1972 crop will not produce at least 90 per cent of a farmer's 1972 payment yield because of a weather factor, or will not make its expected production (payment times effective allotment), then a farmer must file an application for the 90 per cent weather adjustment.

All 31 cotton gins located in Lamb County have certified that all the bagging and bale ties that they will use on cotton which may be pledged to CCC for loan will meet CCC specifications.

The 1973 cotton payment yields will be computed by adding the actual yields for 1970-71-72 (as adjusted for weather conditions or as adjusted because the expected production was met in 1971) and dividing the results by three.

Producers who made application this summer to have all their cotton acreage released will not be required to file for the weather adjustment. Otherwise, anyone who needs the weather adjustment should file the request prior to completing harvest.

THE ABUNDANT LIFE

Our Progress

WE LIKE TO THINK that we are making some progress in both our personal life, and in our collective endeavors.

We usually want to move forward, but we must not make the mistake of thinking that this movement is always away from something. In some things, this will be progress; but, in other things, it is not progress.

PROGRESS IS OFTEN manifested in better understanding, moving better use of what we already have, moving nearer and nearer to fixed and permanent principles and guidelines, and in trying to do what we do a little better each time.

CHANGE IS NOT necessarily progress. Of course, some change may be progress; but other change may be retrogressive, declining from a better to a worse state.

This is not progress, even though some people want to pretend that it is.

THE ATTITUDE that everything must be changed is not an attitude of progress.

Consequently, there are many things being done which are incorrectly labeled "progress."

GOING FORWARD may be progress, and it may not. In some instances, the action which is described as progress is actually digressive. It is activity going astray, and calling it "progress" will not make it so.

We must make sure about our direction of movement, because it is easy for us to be mistaken. We may be

moving, but we may be going in the wrong direction.

It is possible for us to be doing everything that is essential to progress. If this happens, there is only one thing to do, return to the things which provide betterment and improvement.

PROGRESS, FOR SOME, is in some things bigger, and faster, and more complicated.

Such accomplishments are progress, in some instances; however, it is easy to see that such activity always creates problems and difficulties which cause very serious setbacks.

"TRUE CONSERVATISM" is a substantial progress; it holds fast to what is true and good in order to advance both. To cast away the old is a necessity to obtain the new.

"To reject anything that is valuable lessens the power of gaining more; a thing is new does not of itself commend; that it is old does not discredit. The test question is, 'Is it or good?'" —T. Edwards.

DO WE SACRIFICE quantity, and call it "progress"? progress, when we learn more better ways to make a living; but how to make a life; when we have things to live with, but nothing to for?

Is it progress, when we increase span of life; but do not know what with the added years?

LET US BE THANKFUL for progress, but be sure that we don't carry away with it that we lose the values that really count.

HONNY GETS

By CORNBALL BLY

A FEW YEARS ago, when I lived about ten jack-rabbits and a couple coyotes west of town, this bussin' business was quite a thing. We decided that we'd rather walk about four miles to the Bala school than ride the bus 22 miles to Littlefield.

However, something happened to the transfer and we were given our "ridin' papers" by the officials of the Bala district. This, despite the fact that we were only 1/4 mile inside the Littlefield district.

YEAH, I KNOW: State aid is state aid, and if Littlefield was getting my expense money, they'd just as well try to teach me something! Now, I understand, it's just as difficult to transfer outta their district, as it was to transfer IN at that time.

But, BUSSIN' was the subject (and, I

don't mean kissin') so guess we'd stick with it.

PICTURE A MODEL "T" truck—something like 12 to 14 foot "Old Coop" on the back, fenced in with wire, and a bench-type seat run down each side, (mostly with paddin') and, you had the latest child transportation for that time.

Two side curtains, one on each that were rolled up or down according to the wishes of the driver. Some of 'em had an additional curtain in the back added ventilation, dust and exhaust induction.

NEEDLESS TO SAY, these busses were made of wood. The person that got the bid to run the bus furnished the truck chassis, and school "rented" the body to Heaters? Don't be ridiculous!

After a few years however, mastermind came up with the idea of heating the busses by routing exhaust pipe back through passenger compartment. This was a good bit, but would have given bus ulcers, don't you know?

The ideal situation was for a farmer, near the outer end of the bus, get the contract on the route. The could drive in in the morning, pick up the kids, and out in the evenings as they were delivered.

WHEN TRAILORS CAME into being wasn't unusual for your bus to be loaded with cotton, corn, maize, or what you, into town on those morning.

Later came the steel and glass busses, which were a vast improvement. Seemed tho that improvement along too fast. Some wisacre realize that if you wanted to carry students on a bus, you simply had to longer.

SO THEY CAME out with the length version, set on a short wheel truck. —More passenger space in the rear wheels, than in front.

Didn't take the kids long to find they all crowded to the back, they make the ol' bus "Sit up and beg for the pet pooch." Course, they beg driver begging, too!

Anyway, seemed education come any easier then, than it does AND, there were many diversions. That MAY be the reason I'm "CORNBALL" instead of "DOC."

Register For Free Turkeys

With Thanksgiving only 11 days away, it's time to be thinking turkey, and 12 Littlefield merchants are giving away a dozen turkeys in a drawing Monday, Nov. 20 at 5 p.m.

Registration for the 12 turkeys began Thursday, and every adult who registers at any of the participating businesses has a chance to win.

You need not buy anything, and you need not be present to win. If you win, you will be notified to pick up your turkey.

Merchants giving away turkeys are both Littlefield Pay & Save Food stores, Penney's, Hill Rogers Furniture, Roden Drug, Littlefield TV Service, Tasty Taco, Pioneer Supermarket, Roberts Lumber, Crescent Restaurant and Club, Pratt's Jewelry, Renfro Brothers Super Market, and Perry's Laundry and Car Wash.

Historical Survey Committee Attends Annual State Meeting

Several members of the Lamb County Historical Survey Committee recently attended the annual meetings of the Texas State Historical Foundation in Austin Oct. 27 and 28.

County Committee delegates attending from this area were: Mr. and Mrs. Roy McQuatters and Mrs. Tom Matthews of Littlefield and Mr. and Mrs. V. M. Peterman of Amherst.

Over 400 history buffs from all over the state were present at the meeting, which opened with a talk by Truett Latimer, executive director of the Texas State Historical Survey Committee, entitled "Why Oral History?"

Following this, Dr. Ronald Marcello, coordinator of the Oral History Collection of North Texas State University, spoke on "The Oral History Movement: The Interview Process."

Dr. Thomas Charlton, director of the Program of Oral History at Baylor University, talked on "How To Start a County Oral History Project."

Drs. Marcello and Charlton then addressed the delegates jointly on "The Transcription and Use of Oral History Materials."

Dr. William R. Wyatt of Rapid City, South Dakota, gave a special after-dinner address on "The Preservation of Pioneer History."

Mrs. Murphy Bennett opened the Saturday session with a talk on "Involving Young People in Historical Preservation."

Carl Clausen, state underwater archeologist, spoke on "The State Underwater Archeological Program."

Warren Skaren, executive director of the Texas Film Commission, talked on "Your County and the Texas Film Commission."

Speech on "County History Celebrations and

Observances" was delivered by Mrs. Delece Parmelee, director of research for the survey Committee.

The program was concluded with a speech by Gary Hume,

director of National Register program for the Survey Committee, who spoke on "Practical Application of the National Register of Historic Places."

Woman's Club Sets Scholarship Dinner

The Littlefield Woman's Club Annual Scholarship Dinner is set for Tuesday, Nov. 14, at 7:30 p.m. in the

Community Center Building. All of the proceeds will go toward a college scholarship fund which will be awarded later in the year to a local student.

Ticket chairmen for the dinner are Mrs. D. C. Lindley and Mrs. Otto Jones.

Bob Wear will be master of ceremonies for the scholarship dinner.

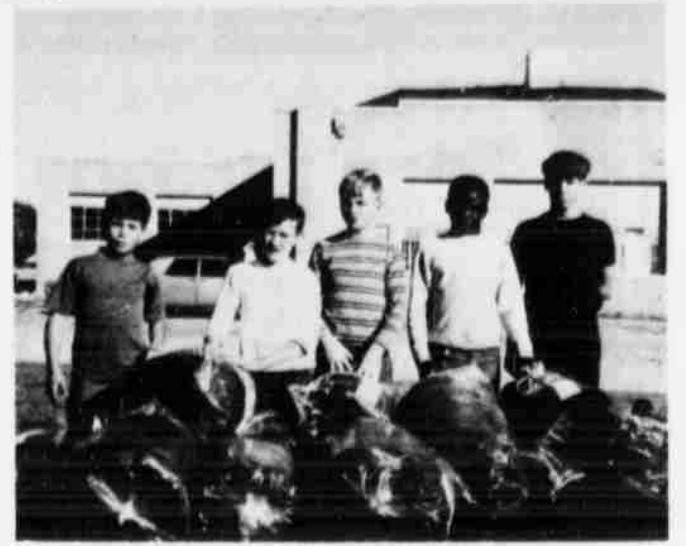

Guest speaker will be Dr. David M. Vigness, chairman of the department of history at Texas Tech University in Lubbock. Dr. Vigness will speak on the topic "Straight Ahead Texas."

The speaker was born in La Feria and received his BA, MA and PhD degrees from the University of Texas. Before coming to Texas Tech he taught at Schreiner Institute and the University of Texas.

He currently holds memberships in the American Historical Association, Conference in Latin American History, Texas State Historical Association and the Southwestern Social Sciences Association.

The public is invited to attend the dinner. Telephone Mrs. Lindley or Mrs. Jones for advance registration.

SLEEPING BAGS purchased by Littlefield Citizens for Progress were delivered Sunday to Great Plains Boys Ranch at Pettit. The 28 bags will outfit Boy Scout Troop 674 for camping. Troop members accepting the bags are (left to right) George Edwards, David Joy, Carl Coatney, Jay Thomas and Kevin Leathe. The troop still needs new or used uniforms, and anyone who would like to help may call 385-4167.

Miss Sadler Given Shower

WHITHARRAL—Miss Marla Sadler was honored with a bridal shower Saturday at the Lions Club Building in Whitharral.

The serving table was covered with a red cloth overlaid with white crochet and centered with an arrangement of red and white carnations.

Red punch with an ice ring of miniature white bells, red roses and silver wedding rings was served from a crystal punch bowl.

A silver coffee service was used at the opposite end of the table. Mints and red iced cookies were served to approximately 45 guests that called between the hours of 7 and 9 p.m.

Hostesses for the occasion were Mmes. Robert Avery, Adolph Dukatnik, J. E. Wade, Marion Polk, Raymond Clenger, Ed Johnson, Don Reding, Clifford Throckmorton, George Wade, Mrs. Alene Williams, Ralph Wade and H. G. Walden.

Hostess gift was an electric blanket and a six-piece setting of her silver pattern.

Shower Honors Pamela Holley

The Flame Room of the Pioneer Natural Gas was the setting Oct. 30 for a bridal shower honoring Miss Pamela Holley, bride-elect of Don Trotter.

White net over a blue cloth covered the serving table. The centerpiece featured a miniature bride and groom in a floral arrangement of blue flowers.

Refreshments of punch and individual cake squares decorated with blue roses were served by Mrs. Kim Kloiber and Miss D. Ruth Dipart.

Crystal and silver appointments were used. Guests were recorded in the bridal book by Miss Dianne Milligan.

Hostesses were Mmes. R. R. Lancaster, Leonard Stuart, Donnie Howell, N. C. Horn, Doyle Reeves, George Tollett, Leonard Cline, Jack Peel, Ronald Dutton, Calvin Price, Arthur Summers, James Reast and Reed Yandell.

The hostesses gifts included a Corning Ware set containing four large bowls, covers and stand.

Out-of-town guests included

the honoree's sister, Mrs. Jimmy Townsend of Lubbock; her grandmother, Mrs. Clint White, and her aunt, Mrs. Billy Holley both of Paducah.

The wedding will be Dec. 1 at 7 p.m. in the Parkview Baptist Church. Miss Holley is the daughter of Mr. and Mrs. Leon Holley of Amherst.

Approximately 50 guests were registered in the bridal book.

BULA

Mrs. John Blackman

MRS. BATTLES was in charge when the WMU met Tuesday afternoon with the lesson study.

"Communicating the Gospel," lesson was taken from the Royal Service book Scripture reading was taken from Judges 6:13-17. Mrs. Richardson read the prayer calendar and Mrs. Perce offered the prayer. Attending were Mmes. C. A. Williams, E. O. Battles, Rowena Richardson, E. W. Black, J. L. Latham, P. R. Perce and Miss Vina Tugman.

"POLLS" were busy Tuesday when 293 junior high students went to the polls in a school election. This picture shows some of the activity in the school auditorium during the balloting.

Junior High Voters Name Nixon, Sanders

Littlefield Junior High School students followed the county trend as well as the national trend in favoring Nixon over McGovern in the Tuesday balloting.

The L.JHS students turned out 293 strong in the Tuesday election which developed at the school as a part of their social studies classes.

Although results of the youngsters' voting can't count officially, how they voted was sent into the scholastic news journal and then onto Washington.

Of the total votes cast for president, 179 of the students voted for the Nixon-Agnew ticket and 65 voted for the McGovern-Shriver ticket.

The students departed from the state-wide trend in the senate race. The seventh, eighth and ninth graders gave Barefoot Sanders 141 votes to John Tower's 134. And they gave Dolph Briscoe a much

wider margin over Hank Grover, voting 135 for Briscoe and 76 to the Republican gubernatorial candidate.

On the amendments, the youngsters voted against amendments 1, 2, and 10, and gave their consent on the other 11.

AMAYA

Born to Mr. and Mrs. Eluterio Amaya of Olton on November 6 was a baby boy. He weighed 8 lbs. 10 ozs. and is named Luis.

Newspapers are the community "alarm clocks" ready to ring out and wake up the whole town if things start going wrong.

Millers Celebrating Anniversary

and Mrs. Herman Miller, former residents who now live on Rt. 1, Burlington, will be honored Sunday, Nov. 12, on their 50th Wedding Anniversary.

The open house will be held from 2 and 5 p.m. in the Parish Hall near the church.

Four sons and one daughter and their families will be the hosts and guests for the event, and will invite all friends and relatives of the honored couple.

The sons are Maynard of Levelland, Rueben of Beaumont, Eugene of Hobbs, N.M. and Miller of Midland. Their daughter is Mary Frances of Lubbock.

**Carbon Monoxide Poisoning
 A Preventable Sickness**

Death and taxes may be inevitable, but many people are being killed or sickened by a preventable illness—carbon monoxide poisoning—says the State Health Department.

With a chill in the air, it is time for heaters and a time for caution because of the odorless, colorless and tasteless gas which is present in all combustible substances. This gas can lull a person into unconsciousness before the victim knows he's in trouble.

By now most Texans have fired up their heating systems—at least for short periods of time—with the arrival of the season's first noethers. And if members of your household came down with unexplained headaches, dizziness or nausea after the heaters were lit, carbon monoxide could be the reason. All furnaces should undergo periodic checks to make certain they are safe.

Although carbon monoxide can occur anytime, it is thought of as a cold weather threat since homes, automobiles, mobile homes, hunting cabins and businesses are buttoned up tight to ward off the cold.

Every time a person burns gasoline kerosene, wood, natural or manufactured gas, coal, coke or oil in a heater, car, appliance, bonfire to grill, he has started a potential carbon monoxide factory.

Hibachi grills, used with charcoal, are dangerous in closed-up areas. A car engine, running in an average-sized garage approximately five minutes, can produce a lethal concentration of carbon monoxide. Leaky mufflers or tailpipes can allow the gas to accumulate in a car—particularly one that is stopped.

The poison slowly gets into a person's bloodstream, rendering him weak and groggy and finally resulting in death unless the exposed person is moved to fresh air before it is too late.

Hospitalization often is necessary for victims lucky enough to live—but many receive brain damage from lack of oxygen. Early symptoms of carbon monoxide poisoning include yawning, headache, nausea, dizziness, ringing in the ears and even abdominal pains.

A little bit of carbon monoxide can go a long way. It's an insidious killer. Its physical properties—no odor, taste or smell—make it almost impossible to recognize unless you understand the symptoms of carbon monoxide poisoning.

Then, once it is inhaled the gas invades the blood stream through the lungs and unites with the hemoglobin in the red blood corpuscles so they cannot carry oxygen to the cells of the body. Asphyxiation results.

It is so poisonous that it combines with red cells of blood 200 times more easily than oxygen. So when oxygen and sizable amounts of carbon monoxide are breathed in together, carbon monoxide muscles the oxygen aside, causing illness. If oxygen is depleted sufficiently, death follows. Many deaths occur from faulty appliances, even though a window may be slightly opened.

At least 1,400 deaths are attributed to the United States each year to carbon monoxide poisoning. Some 10,000 persons suffer carbon monoxide poisoning. In Texas last year, at least 49 persons died from carbon monoxide poisoning, according to State Health Department statistics.

How do these deaths occur? You think of the home as the most logical place—and it is—with some 70 percent of reported fatalities. Many people go to bed at night and never wake up, victims of a faulty flue or unvented heating device, water heater or even an old, unvented gas refrigerator.

But this summer in Texas carbon monoxide in a Lake Texoma pleasure cruiser claimed several victims—the fumes apparently brought into sleeping quarters by the air conditioner.

A young couple parked in a garage of a vacant house with the automobile motor running and heater on to ward off the cold were found dead—victims of carbon monoxide poisoning.

A newly married couple—the husband a war veteran—checked into a motel on their marriage night. A faulty furnace, improperly vented, killed the young Marine veteran while he slept and sent his wife to a hospital.

Five persons driving in a car in Dallas—with air conditioning on and the windows rolled up—became so sick they were taken to a hospital.

At least sixteen persons died in one year from defective heaters in mobile campers. Deaths occurred in several states.

Yes, carbon monoxide is

**Cotton Growers
 Slate Meeting**

Two of the most knowledgeable and potent forces on Washington's agricultural front will appear on the annual meeting program of Plains Cotton Growers, Inc., beginning at 9 a.m. Wednesday, Nov. 15.

The public meeting will be held at Vann's Catering Service, located seven miles from Lubbock's Tahoka Traffic Circle on the south side of the State Highway.

Theme for the meeting is "Legislation Beyond 1973." Addressing themselves to this subject will be Congressman Bob Poage of Waco, chairman of the House Agriculture Committee where most farm legislation originates, and Representative George Mahon of Lubbock, chairman of the House Appropriations Committee.

Congressman Mahon will appear first on the program at about 9:15 with general remarks and the introduction of Poage for the major address at 9:30.

"We are very fortunate to have men from such high positions for our meeting," said Donald Johnson, Executive Vice President of PCG, "and we think every farmer on the Plains can profit from attendance."

PCG President Ray Joe Riley of Springlake will give the President's annual report, followed by Johnson's yearly report to the membership. Valuable door prizes will be given.

Following the annual membership meeting, which will include confirmation of directors elected to represent

each of 25 counties in 1972-73, the program organization's board will be elected for 1972-73.

Riley stated, "We know it is a busy time for all producers, but it is the time we could Congressman Poage program."

 Summary**

The 1,250,764 bale crop on the High Plains compares with a crop of 1,734,767 bales in 1970, and the smallest area since 1967. Weather conditions were primarily responsible for a per-acre yield of 40.5 pounds, the lowest since 1967 and for a drastic drop in quality.

In grade, the crop was 39 percent white, 39 percent light spot and 26 percent others, as compared with 45 percent white, 45 percent light spot and 14 percent others in 1970.

Staple length for the season averaged 30.2 seconds of an inch, 31.1 full thirty-second below year's 31.1 thirty-second average. This was the year since 1963, when the Plains' average staple only 29.8 thirty-second the area failed to record an increase in staple length. There was also a sharp drop in the amount of

Opening the second half, the Cats looked like they were ready to put the game away right then and there. Jesse Davila, a short man on the kickoff return squad, took the kickoff and nearly broke it all the way. He was stopped at the 49, but Bryson made it into Mustang territory on the next play, running to the Olton 41. The Wildcats drove down to the 16 before they fumbled on fourth down, and Steve Lewis was there to recover it for the Mustangs. Glen Johnson went up left tackle on second down, broke wide, and nearly went all the way. Henderson finally brought him down on the Cat 35. The Mustangs culminated their drive with an eight yard toss from Givens to Dale Parsons. Parsons was hit hard at the goal line and driven back, but the touchdown was made. Workman's try for the two point conversion was stopped at the line of scrimmage, and the Cats held on to their 10-6 lead.

After taking the kickoff on the 38, Bryson rolled around left end and carried the ball to the Olton 46. Then, on

fourth and two, Bryson dropped back to punt. Although every Wildcat fan knew it was going to be a fake, Bryson fooled the Mustangs and skirted the left sidelines to the 24. The quarter ended three plays later, but the game was just beginning.

Littlefield will go into the Bi-district playoffs in two weeks against either Floydada or Tulia. Those two clubs meet Friday night to determine the 4-AA district champion.

SUDAN 27, FARWELL 26

After tying the last two ball games and then losing them either on first downs or penetrations, the Sudan Hornets came from behind to take a 27-26 won over Farwell at Sudan Friday.

In the thrill a minute ball game, Sudan's Richard Tamplin recovered a Farwell fumble and Mark Hanna ran 27 yards on the next play for the first score of the game with 7:34 left in the initial quarter. Pat Hedges ran the two point conversion.

Farwell came back five minutes later and scored on a single yard plunge by M. Woods. The PAT was no good. In the second quarter, Farwell pulled ahead of the Hornets when Woods crossed the goal line for the second time on a 14-yard run. Again the PAT was no good.

Farwell led 13-8 at the half. Another touchdown was scored by the Steers on a 24 yard run by A. Bowery. K. Hargrove passed to R. Morton for the two point conversion and gave Farwell a 20-8 lead.

Gary "Bull" Edwards got his first of two touchdowns when he bulled his way seven yards with for a Hornet score with 2:27 remaining in the third. This play was a climax to a 20-yard run he made the play before. The extras were no good.

The determined Hornets

scored again when Kevin Humphries intercepted a Farwell pass and charged downfield for 24 yards and another Hornet tally with 2:28 left in the game. The points after were called back.

With the score 20-20, the Hornets had to do something after tying their last two ball games. With only 29 seconds remaining in the ball game, Edwards crossed over again to give the Hornets a 26-20 lead over Farwell. Kim Engram booted the point after and Sudan had a seven point lead.

Farwell came back in the final 12 seconds and scored when K. Hardage took a punt and charged back downfield for 90 yards to make the score read 27-26. At this point it was do or die for Sudan because Farwell set up for a two-point conversion to take the win. The Hornet defense charged in and caused a fumble to hold the Steers to a one point deficit.

IRA 14, BULA 12

Bula clinched its title for district champ, but still will have to share the title with Ira and Hermleigh after they were edged out by Ira, 14-12, in six man football at Ira, Friday.

The Bulldogs got their 12 points in the first half with Jimmy Risinger scoring from one yard out and Steve Newton scampering 41 yards for the final Bulldogs score of the evening.

Ira scored once in the first half but the Bulldogs took a 12-

8 lead at half.

Ira iced the win in the final minutes of the third quarter when they scored a TD, but failed to make the conversion. The final stanza was scoreless but Bula was on the 10-yard line and threatening when the game was called with what was believed to have been less than a minute on the clock.

A coin will be tossed to see which team will represent the district. Since Bula beat Hermleigh, Hermleigh beat Ira and Ira won over Bula.

STERLING CITY 72, WHITHARRAL 8

Whitharral took it on the chin Friday night at Sterling City as the host team won the eight-man battle, 72-8.

Benito Lopez collected a pass for a 40-yard touchdown play in the final quarter to

score the only Panther TD of the game. Danny Dukatnik ran the two-point conversion.

Sterling City is 8-1 while Whitharral is 0-8 for the season.

NEW HOME 38, AMHERST 0

Amherst made an impressive showing on the statistic sheet again couldn't get across the goal line as they were blanked by the New Home Leopards, 38-0, Friday night at Amherst.

The Bulldogs could not muster a score as the visiting

team scored in every quarter. As far as the statistics go the Bulldogs got 10 first downs and 146 yards rushing and 49 passing. New Home got 15 first downs, 271 yards rushing and 51 passing.

Season records are: New Home, 3-5; Amherst, 0-8.

BOVINA 35, SLEARTH 7

Fumbles and interceptions plagued Springlake-Earth as they knuckled under Bovina, 35-7, Friday at Bovina.

The Wolverines struck paydirt first when Larry Thomas scored on a 75-yard in the opening moments of the game.

Bovina took control of the game in intercepting two passes and recovering four Springlake-Earth fumbles that led to 35 points and a spot on the top berth in District 3-A. Bovina is 6-2-1 for the season and the Wolverines are 3-6 and 1-4.

SEAGRAVES 47, ANTON 24

Center Quinn Martin scored his first TD of the season to help pad the score for Anton before the Bulldogs went down, 47-24, at Seagraves Friday night at Seagraves.

The Eagles, winless in conference play, took advantage of the breaks to capture their first win in District 5-A football.

Quinn Martin got his first score of the season when he pounced on a fumble by team mate, Tommy Betts, in the end zone for a Bulldog score. Betts came back and scored

twice, once from the 35 and again from the 15. Brent Couch hauled the ball 12 yards for his contribution to the Bulldogs score. Anton was not able to get a PAT.

The victory upped Seagraves' season record to 5-3-1 and loop mark to 1-3. Anton fell to 6-2-1 overall and 2-2 in district play.

Seagraves finished the evening with 17 first downs, 468 yards rushing and 27 yards passing. Anton collected 18 first downs, 339 yards rushing and 71 yards through the airways.

British Airline Stewardess Is Guest In Olton Recently

SPRINGLAKE — Alicia Sanchez Almarceguia was a recent house guest of Mr. and Mrs. George Redinger of Olton. She and Mrs. Redinger's daughter, Marie Bass, met three years ago in France where they were studying the language of that country.

Miss Sanchez, whose parents reside at Caragoca in the northeastern region of Spain, is employed as airline stewardess for British

European Airlines. Her British employers requested that she be known as Alicia Sanchez. It is the custom in Spain for a wife to take her husband's family name, but to add to that her own last name before marriage. Alicia was asked to keep only her father's family name of Sanchez since this is the practice of most countries.

When asked which name the woman kept when divorced,

the reply was that there is no divorce in Spain.

She said there are no protests against colleges as those who attempt this are quickly placed in jail. There are no hippies in Spain as those of that movement prefer to go to nearby islands.

Miss Sanchez says parents of Spain are very strict, but there is little rebellion against them.

Her father does not approve of her wearing trousers. She

said there is no "Women's Lib" in Spain. Alicia stated "we like men to feel they're superior even if we don't really think they are. We let them believe they are the bosses."

She said women in Spain are beginning to work outside the home, but few are career women.

She said she found Olton "really nice" but saw much similarity between Olton and the small Texas town of the

movie "The Last Picture Show."

She said she did not expect to see cowboys in Texas but when she first went to Turkey she was surprised that the women did not wear veil masks.

Miss Sanchez stated she does not fear hi-jacking of the planes on which she is stewardess. Bomb investigations are routine on flights to the Middle East and one flight to Tel Aviv was

cancelled after the killing of the Olympic players in Munich. She said the planes of her company carry from 123 to 175 passengers and are the fastest ever made.

She said there are many more cars in America than in Spain where people walk a great deal. The cars made in Spain are much smaller than those here.

She said in Spain the football players wear no padding just shirts and a pair of shorts.

Dallas ranks eighth in the NFC in total defense—second against the rush and eighth against the pass.

"Offensively, we're reaching the point where you have to be in order to have a championship team," said Landry.

The Cowboys are the NFC's No. 1 team in total offense, ranking sixth in rushing and second in passing.

Looking ahead to today's game, Landry says:

"St. Louis has always been a difficult team for us. I don't expect that to change too much, despite their record. They've had their problems this year with injuries and working new players into the lineup, and that makes it difficult to sustain a consistent performance level.

"But, they beat Baltimore early, when everybody thought the Colts would be a contender, and they beat Minnesota. They played Pittsburgh tough. We won't take them lightly."

Landry said St. Louis individuals to watch for include safeties Larry Wilson and Roger Wehrli, linebacker Larry Stallings, tight end Jackie Smith, wide receiver Bobby Moore (the Cardinal's No. 1 draft choice last winter) and running back Donny Anderson (acquired in an off-season trade with Green Bay.)

All of the Cowboys are expected to be available for the St. Louis game with the possible exception of left tackle Ralph Neely, who fractured his hand in the San Diego game. Should Neely not go, Rodney Wallace would probably be the starter.

Next week the Cowboys visit the Philadelphia Eagles (1-6-1) on Sunday, Nov. 19. Dallas defeated the Eagles in the season opener at Texas Stadium, 26-6.

A LABOR HOUSE on the Bill Kirby farm which was occupied by Mr. and Mrs. Lupe Lopez and month-old daughter, Christina, burned last Monday night at 2:30 p.m. The blaze started when a wall heater exploded. The Lopez family escaped without any injuries but they escaped with only their night clothes which they were wearing. All of their other possessions were burned.

THE WOMEN of the Hart Camp Baptist Church hosted a miscellaneous shower Saturday afternoon at the Baptist Church annex for the Lupe Lopez family who lost all of their possessions in a fire Monday night. A money tree was presented to them along with many useful household articles and clothing. Approximately 20 people attended and many others sent gifts. Refreshments of cookies and punch were served by the hostesses.

MR. AND MRS. Blanton Martin visited in the Homer Worley home Sunday afternoon. Worley was recently dismissed from the Methodist Hospital in Lubbock after a three weeks stay following major surgery.

MR. AND MRS. D. R. Leonard attended funeral services for W. E. Savage at Spade Baptist Church Saturday afternoon. They also visited in the home of Leonard's brother, Mr. and Mrs. Leon Leonard later in the afternoon.

MRS. M. W. WHEELER'S

brother, Olen Latham of Friona, died last week following a heart attack while on his job with Cimarron Feed Yards near Hereford. Funeral services were held Thursday afternoon in Friona and on Friday afternoon in Center where he formerly lived. Mr. and Mrs. Wheeler attended both services. Latham had suffered other heart attacks the last couple of years.

MRS. EDWIN OLIVER visited in the Bobby Sagerser home Thursday afternoon.

M. W. WHEELER left by plane Thursday afternoon for Boise, Idaho to visit his nephew who is ill in the hospital following a series of surgeries as a result of gunshot wounds received while on a hunting trip three weeks ago. Wheeler returned home Sunday afternoon.

MR. AND MRS. Blanton Martin were in Southland Tuesday afternoon to attend funeral services for Mrs. Maggie Alice Denton who died Sunday. Services were held at the Baptist Church in Southland.

VISITING in the Edwin Oliver home last week were Oliver's brother and sister-in-law, Mr. and Mrs. Larmon Oliver of Orange, Calif. They also visited relatives in Knox City and Plainview while here.

FAE MOORE visited last Sunday in Plainview with his sister and brother-in-law, Mr. and Mrs. Ernest Ragle.

REV. TOMMY RICE who has been pastor of the Hart Camp Baptist Church the last three months resigned the pastorate Sunday in order that he might devote full time to his studies at Wayland Baptist College. Sunday night he preached his last sermon as pastor.

REV. M. O. EVANS of Plainview will serve as interim pastor at the Hart Camp Baptist Church until a full-time pastor can be obtained. He will begin his services as interim pastor this Sunday. The Evans family members are residents of Plainview and he has served as interim pastor here once before.

MR. AND MRS. V. L. Foster and Kimmie spent the day last Sunday in Brownfield with Mrs. Foster's sister and family, Mr. and Mrs. Kelly Kendall and children. Mrs. Kendall had visited earlier in the week in the Foster's home.

MR. AND MRS. Edwin Oliver and their house guests, Mr. and Mrs. Larmon Oliver of Orange, Calif., spent the day Monday with Mr. and Mrs. Eudale Oliver of Hale Center. They all went to Plainview for lunch and then all returned to the Edwin Oliver home for supper Monday night.

MR. AND MRS. H. V. Lynch spent the day Sunday in Lubbock with his mother, Mrs. V. T. Lynch.

ELISA OLIVER spent last weekend with her grandparents and aunt, Mr. and Mrs. Edwin Oliver and Debbie. She attended church with them Sunday morning.

JOYCE YANDELL and Debbe Oliver attended Sunday night church services at the First Baptist Church in Littlefield.

MRS. CHESTER YANDELL went to Amarillo Saturday afternoon to get their granddaughter, Tracy Yandell. She is spending the week with her grandparents.

DONNA MULLER, Cindy Neinast, Melinda Blessing and Kimmie Foster accompanied the Otton basketball girls to Plainview Saturday to attend Preview Day and to see the Flying Queens meet Seminole Junior College in a basketball game in the Hutcherson Physical Education Center.

THE WOMEN of the Baptist Church met Monday morning for their bi-monthly WMU meeting with Mrs. Dewey Parkey in charge of the Royal Service program. Plans are being made for a monthly community missions projects with Mrs. K. Sorenson in charge of the plans. Those present for the meeting were Mmes. Blanton Martin, Edwin Oliver, H. V. Lynch, Dewey Parkey and K. Sorenson.

TUESDAY: Fried chicken, gravy, buttered rice, lettuce salad, hot rolls, butter, milk and Jello.
WEDNESDAY: Macaroni and cheese, cole slaw, blackeyed peas, hot rolls, butter, milk and peanut butter cookies.
THURSDAY: Steak fingers, gravy, potato salad, creamed peas, hot rolls, butter, milk and white cake with chocolate frosting.
FRIDAY: Hamburgers, tossed green salad, pinto beans, hot buns, milk and fruit cup.

PTA HAS been postponed for one week because of conflicting activities. It will meet Nov. 16 at the school cafeteria at 7:30 p.m.

REV. AND MRS. James Turner are the parents of a son, born in the hospital in Abertathy Wednesday, Nov. 3. He weighed 8 1/2 pounds and has been named Troy.

HOBE PARKER is in the hospital at Abertathy being treated for pneumonia.

MRS. R. M. NEWELL returned home Thursday from a 10-day visit with relatives at Temple and Ft. Worth.

MRS. ELLA JACKSON is a patient in the Littlefield Hospital.

MRS. ELOISE (MAULDIN) James, who taught in Anton Grade School in 1926-27, was back in Anton Friday. She is now living in Decatur. Mrs. James taught school continuously until her retirement in May. Plans for the trip home to Anton were begun in July. Mrs. James and the sister, who accompanied her, just happened to pick the Nov. 3 weekend for their trip, unaware of the special events underway. She was "thrilled" to find Anton was celebrating the annual homecoming and was enabled to see many more old friends. Following the fish fry sponsored by the Anton Volunteer Fire Department, she made a donation to the New Ambulance Fund. Although previous plans prevented her staying for the

pancake supper, she also left a donation for the Lions Club. Lionism is important to Mrs. James. She serves as sweetheart for the Decatur Lions Club and plays the piano at their noon meetings.

MRS. LUCILLE COUCH of Abilene and Mr. and Mrs. J. D. Webb of Esterville, Iowa visited this week in the home of their father, J. W. Webb.

MR. AND MRS. Carl Rushing attended market in Dallas last week. Mrs. Hattie Pool accompanied them and remained in Dallas for a week's stay with her son and family, Mr. and Mrs. Bob Pool.

MRS. CHARLES SMALL, Doug and Dana of Abilene visited her mother, Mrs. Claude Couch, over the weekend. While here, Mrs. Small attended the homecoming activities.

BOB POOL of Dallas attended the homecoming activities over the weekend. His mother, Mrs. Hattie Pool, returned to Anton with him after a week's visit there.

MR. AND MRS. Homer Lowrance, Mr. and Mrs. Don Oden, Mrs. Charles Edgemon, Brenda Bishop, Virgil Morton and Danny Bishop were in Henrietta over the weekend to participate in the Lay Witness Mission at First Baptist Church there.

MR. AND MRS. Ford Copeland of Truth or Consequences, N.M. visited in the home of his sister, Mr. and Mrs. Ralph Lewis and Gene last week.

MR. AND MRS. Larry Brislioes, Delta Junction, Alaska, visited in the home of her sister and brother-in-law, Mr. and Mrs. C. D. Anderson last week.

DAVID GRACE spent a few days in the Littlefield Hospital last week being treated for a virus.

T. C. TALKINGTON returned home Sunday after spending a week in Methodist Hospital for treatment of a heart condition.

FORTY-TWO attended a meeting of the Booster Club in the Anton school cafeteria Tuesday night. President Charles Couch announced that funds are getting low. Money raising projects were

discussed. Films of the Anton-O'Donnell game were shown. Lonnie Clark and Victor Herrin were announced as players of the week.

MR. AND MRS. Charles Buchanan were hosts to a reunion for the 1962 graduating class in their home Friday night following the football game. Cake, coffee and tea were served to 25 persons attending.

MR. AND MRS. J. F. Sneed had as their guests over the weekend her daughter and family, Mr. and Mrs. O. B. Melson and Jackie, and Mr. and Mrs. L. Chambers, LaJuana, S. Louie and Dean all from Grand Prairie and Mr. and Mrs. Bob Robison, Cindy, Karen and Chester, Post and Mr. and Mrs. Jack Oakley, Linda and Shirley, Anton.

MR. AND MRS. B. J. Smith, Ricky and Randy and Mrs. T. T. Swan, all from Snyder, were guests in the Weldon Swan home over the weekend.

MR. AND MRS. B. J. Smith, Ricky and Randy and Mrs. T. T. Swan, all from Snyder, were guests in the Weldon Swan home over the weekend.

E-3 DARRELL HILL, son of Rev. and Mrs. H. W. Hill of Anton is home on a 17-day leave before having to report to Korea for 13 months of duty. He has recently been promoted to E-3 upon finishing his advance infantry training at Fort Ord, Calif. on Oct. 27. He was the only trainee out of 145 to receive a trophy for outstanding trainee. He also received his basic training at Ft. Ord, and is a 1971 graduate of Anton High School.

S. M. MONROE is sworn in as mayor of Anton Monday, after he was appointed to the post by city aldermen following the death of Mayor George Broome. City Secretary Geneva Anderson administers the oath in the presence of Aldermen Wyatt Balson, R. R. Pritchard, Leon Woolfen, S. W. Oliver and C. E. Siger. (Photo By Willa Johnson of Anton)

S.M. Monroe Named New Anton Mayor

ANTON--Anton City Aldermen appointed S. M. Monroe as mayor of the city of Anton, in a called meeting Monday. He will serve out the unexpired term of the late George Broome, who died Thursday after an apparent heart attack.

City secretary, Geneva Anderson, administered the oath of office to Monroe in the presence of Aldermen Wyatt Balson, R. R. Pritchard, Leon Woolfen, S. W. Oliver and C. E. Siger.

Monroe moved to Anton in 1966 from Morton and is president of Citizens State Bank. He is married to the former Gene Hall of Enochs and they have three children, Mrs. Larry Conkin of El Paso, Rick, who is in the Navy, and Gina, and eighth grader.

They are members of Central Baptist Church. He is third vice president of the Lions Club and a member of Anton Booster Club.

Anton Study Club Hears Music History

ANTON--A costumed quartet of Anton Study Club members sang their way through the history of the United States from the Revolution to the present.

Mrs. Reese Pritchard dressed as a flapper; Mrs. Hoyt Cranfill dressed as a pioneer woman; Mrs. Carl Harrington, patriotic red, white and blue of the present; and Mrs. C. E. Siger, space woman of the future, entertained with songs with Mrs. Jim Copeland, southern belle, at the piano.

The program was an original script highlighting the Bi-Centennial celebration of the birth of the U.S. to be celebrated July 4, 1976.

Songs from the first period were "Shenandoah", "Little Liza Jane", "Red River Valley", and "Comin' Round the Mountain." Mid 19th Century songs were "My Old Kentucky Home", "Ole Black Joe", "O' Suzannah", "Camptown Races", "Beautiful Dreamer", "Shortin' Bread" and "Dixie".

Songs of the early 20th Century were: "When Johnny Comes Marching Home", "Bye, Bye Blackbird", "Birth of the Blues", "I'm Forever Blowing Bubbles". Songs of the present were "Candy Man" and "Gentle on My Mind".

At the conclusion, the question was asked, "What will we be singing in 1976?" Please join us in singing the "Star Spangled Banner".

During the business session the resignations of Mrs. Bettie Herrin and Mrs. H. G. Timms were accepted. Mrs. Siger and Mrs. Orval Williams reported on the Caprock District board meeting they attended at Silverton.

Names were drawn for Christmas exchange. The Christmas meeting is to be an old-fashioned Christmas, so members are encouraged to make gifts to be exchanged.

The meeting was closed by unison reading of the American Creed.

Refreshments were served by Mrs. Jenna Mae Fisher and Mrs. Johnnie Harper. The next meeting will be Nov. 20 in the home of Mrs. Jack Grace. Frank Gonzales, an exchange student from South Plains College will present the program.

 MRS. ALMA ALTMAN
 MR. AND MRS. James Butler of Morton are the proud parents of a little baby girl, born at Cochran Memorial Hospital last Thursday, Nov. 3. She weighed 8 lbs., 13 ozs. and was named Amanda. Mrs. Butler is the former Linda Gilliam of Enochs.

W. M. BRYANT of Enochs became seriously ill at home during the ice storm last week.
 MR. AND MRS. Charlie Shaw returned home after a weeks vacation with their children and having part in their son's wedding. Bro. Shaw performed the ceremony at Forney and the young couple will be residing at Houston where he will manage Wacker Stores.
 MR. AND MRS. J. E. Layton, Jarrol and Keith and Carl Hall all visited Mr. and Mrs. Bill Burris and family of Wellman Sunday.
 DEANNA COATS was home for the weekend to visit her parents, Mr. and Mrs. Kenneth Coats.
 MR. AND MRS. Bob Newton and Mrs. C. H. Byars attended a meeting and a supper sponsored by the Eastern Star women in Morton Tuesday night.

HOMEMAKING TIPS

Yeast Breads

Although not many people have time to make all their own yeast breads, an occasional loaf of bread or some rolls is a real treat for the family. The yeast makers are devising newer and better methods of making bread to fit our fast moving society.

Here are some of these new methods:
Rapidmix. Undissolved yeast is mixed with some of the dry ingredients. This method eliminates the need to dissolve the yeast first in warm water before starting to blend the ingredients. There's no chance of lumps. The dough feels different when you are kneading it. It rises faster because you add warmer liquids (120-130 degrees F.). The warm dough helps the yeast work faster. Here's a rapidmix recipe that will really thrill your family.

SIXTY-MINUTE ROLLS
 3 1/2 to 4 1/2 cups unsifted flour
 3 tbsps. sugar
 1 tsp. salt
 2 packages active dry yeast
 1 cup milk
 1/2 cup water
 1/4 cup (1/2 stick) margarine

Makes 2 dozen rolls
 In a large bowl thoroughly mix 1 1/2 cups flour, sugar, salt, and undissolved active dry yeast.
 Combine milk, water, and margarine in a saucepan. Heat over low heat until liquids are very warm (120-130 degrees F.). Margarine does not need to melt. Gradually add to dry ingredients and beat 2 minutes at medium speed of electric mixer, scraping bowl occasionally.

Add 1/2 cup flour. Beat at high speed 2 minutes, scraping bowl occasionally. Stir in enough additional flour to make a soft dough.
 Turn out onto lightly floured board; knead until smooth and elastic, about 5 minutes.

Place in greased bowl, turning to grease top. Cover; place in pan of water at about 98 degrees F. Let rise 15 minutes.
 Turn dough out onto floured board. Divide in half and shape as Curliques or Lucky Clovers (below). Cover; let rise in warm place, free from draft (about 90 degrees F.), 15 minutes.

Bake at 425 degrees F. about 12 minutes, or until done. Remove from baking sheets and cool on wire racks.

CURLIGUES: Roll out each half to a 12 x 9-inch rectangle. Cut into 12 equal strips (about 1 inch wide).

Hold one end of strip firmly and wind closely to form coil. Tuck end firmly underneath. Place on greased baking sheets about 2 inches apart.

LUCKY CLOVERS: Form each half into a 12-inch roll. Cut into 12 equal pieces. Form into balls; place in greased muffin pans. With scissors, cut each ball in half, then into quarters, cutting through almost to bottom of rolls.

CONVENTIONAL. To dissolve the yeast, measure warm water (105-115 degrees F.) into large warm bowl; sprinkle in yeast and stir until dissolved.
 One variation of the conventional method is the sponge method where the dissolved yeast, some sugar, part of the flour and liquid are combined and allowed to ferment until it is raised, bubbly, and spongy. Then the other ingredients and remaining flour are added to make the dough. Note: Today's yeast does not contain excess starch, so it will not bubble when placed in water. In order for it to grow, it must have flour and sugar added.

OLD-FASHIONED POTATO LOAVES
 1 medium potato
 Water
 Hot tap water
 2 packages active dry yeast
 2 Tbsps. softened margarine
 2 Tbsps. sugar
 1 tbsps. salt
 1 cup warm milk (105-115 degrees F.)
 6 1/2 to 7 1/2 cups unsifted flour

Pare and dice potato; boil in water to cover until tender, about 20 minutes. Drain; reserving liquid. Add hot tap water to potato liquid to make 1 cup; cool to warm (105-115 degrees F.) Mash potato; set aside.
 Pour warm potato water into large warm bowl. Sprinkle in yeast; stir until dissolved. Add margarine, sugar and salt. Stir in mashed potato, warm milk and 3 cups flour; beat until smooth. Stir in enough additional flour to make a stiff dough. Turn out onto lightly floured board; knead until smooth and elastic, about 8 to 10 minutes.

Place in greased bowl, turning to grease top. Cover; let rise in warm place, free from draft, until doubled in bulk, about 35 minutes.
 Punch dough down; turn over in bowl. Cover and let rise again about 20 minutes.
 Punch dough down. Turn out onto lightly floured board;

divide into half. Roll each to a 14 x 9-inch rectangle. Shape into loaves. Place greased 9 x 5 x 3-inch pans. Cover; let rise in place, free from draft, until doubled in bulk, about 35 minutes.
 Dust loaves with flour at 375 degrees F. 10 minutes, or until done. Remove from pans and cool on wire racks.

COOL RISE. The dough is mixed, kneaded and allowed to rise in a warm place all at once. The pans are refrigerated for from twenty-four hours and whenever it is convenient. Cool rise differs from refrigerator dough which is chilled before shaping then must be allowed to warm before baking.
 Be sure to use only Cool doughs for this method. This following recipe:

OATMEAL BREAD
 Makes 2 loaves
 1/2 cup warm water (105 degrees F.)
 2 packages active dry yeast
 1 1/4 cups warm milk (115 degrees F.)
 1/4 cup firmly packed brown sugar
 1 tsp. salt
 3 tbsps. margarine
 5 to 6 cups unsifted flour
 1 cup quick rolled oats
 Peanut Oil

Measure warm water large warm bowl. Sprinkle yeast; stir until dissolved. Add warm milk, sugar, salt, margarine. Add 2 cups of Beat with rotary beater smooth (about 1 minute). Add 1 cup flour and stir vigorously with a spoon until smooth (about 3 strokes). Add enough additional flour to make a dough.
 Turn out onto lightly floured board and knead until smooth and elastic, about 8 to 10 minutes. Turn out onto lightly floured board; knead until smooth and elastic, about 8 to 10 minutes. Place in greased bowl, turning to grease top. Cover; let rise in warm place, free from draft, until doubled in bulk, about 35 minutes.
 Punch dough down; turn over in bowl. Cover and let rise again about 20 minutes.
 Punch dough down. Turn out onto lightly floured board;

When ready to bake, remove from refrigerator. Use dough carefully. Let uncovered 10 minutes at room temperature. Puncture gas bubbles which may be formed with a greased pick or metal skewer. Bake at 400 degrees F. 40 minutes, or until done. desired, brush with margarine.

Two Wrecks Monday Total \$1,300 Damage

Two rural wrecks were investigated in Lamb County Monday.
 About 4 p.m. Monday, a 1972 Chrysler driven by Rachel Best of Lake Jackson was east bound on U.S. 84.
 Henry Beller of Sudan was coming from a private drive in Sudan, and the front of his 1963 Ford struck the left rear door

of the Chrysler, according to Highway Patrolman Weidon Parson.
 The Chrysler went into a skid and over the end of a culvert near the intersection of Sudan Street on the north side of the road.
 There were no personal injuries. Damages of \$400 to the Chrysler and \$150 to the Ford were estimated.
 About 7:15 p.m. Monday, a 1957 Ford pickup driven by Vernie Cantrell of S. Rt. 1 Earth stalled and the driver was under the hood of the vehicle which was stopped on the pavement on FR 2901 about a mile north of Springlake-Earth School.
 According to the officer's report, the right front of a 1969 Dodge driven by David Hanson of Rt. 4 Muleshoe hit the left rear corner of the Cantrell vehicle.
 There were no personal injuries. Damages of \$500 were estimated on the Dodge and \$250 to the pickup.

Pep P-TA Meets Monday

PEP-The Pep PTA will meet Nov. 13, in the High School for the regular monthly meeting.
 Membership cards will be distributed and reports will be heard from the fall workshop. All members are urged to be present, as the occasion will offer an opportunity for a good "send off" of Mrs. Gaultbert Demel, president, to the State Convention in Fort Worth, who will leave the following morning for the meeting Nov. 15-17.

Each member is to bring cake or ice cream for the refreshment hour following the meeting, according to Mrs. Myrl G. Gray, publicity chairman.

A Warning?

It could be something ordinary, hoarseness or difficulty in swallowing. But if it persists for two weeks, the American Cancer Society suggests that you see your physician.

AMHERST

MRS. LESTER LA GRANGE 246-3336

MR. AND MRS. Bill Weaver returned from a month spent at Corpus Christi where they went fishing. The weather was very hot for this time of year. The day of the ice storm, Oct. 31 here, the thermometer went to 91 degrees there.

MRS. BRENDA SPEER and son, Dwayne, of Corsicana are guests in the Earl McCain home this week.

MR. AND MRS. Cecil Zachary of Lake Brownwood visited Amherst friends and attended funeral services for Arthur Woody Ray in Littlefield Thursday.

MR. AND MRS. Vic Reynolds, Mrs. Carlton Bowman, Mrs. John Moreland and Roy Black of Spade were in Paducah Tuesday, due to the serious illness of their brother, Clyde Black. He recently underwent major surgery at a Wichita Falls hospital. He became ill after returning home and is improving in a Paducah hospital now, it was reported.

MRS. A. J. MOTE accompanied Mrs. Alfred Schroeder to Brownfield for Monday night in the hospital where Mrs. Schroeder's mother is ill.

THE AMHERST PTA will meet next Thursday, Nov. 16. Fourth, fifth and sixth grade students will provide the program.

MR. AND MRS. Delvin Batson left Thursday for Ruidoso where they are spending a few days.

MRS. LESTER CRANE returned last weekend from Arkansas, where she visited relatives. She came from Texarkana to Lubbock by plane.

TAMMILEE TADLOCK, of Ruidoso is in an Alamogordo hospital since being seriously injured in a car accident Oct. 27. She remains in the intensive care unit. Her sister, Gina Marie, was injured in the accident also but not seriously.

MR. AND MRS. Orval Kelly of Tipton, Okla., were guests of his brother, Lamar Kelly and family, during the weekend. They attended the memorial service in Hart Sunday afternoon for the four Hart men whose plane has not been found.

FOUR 18 YEAR-OLDS who attend West Texas State, Canyon, were here to vote Tuesday. They were Claudia

Methodists At Olton Celebrate Anniversary

Seventy years of Methodism in Olton will be commemorated Sunday with special observances in the First United Methodist Church.

Former pastors who will be participating in the worship services are Dr. Dallas Denison of Brownfield, Rev. Elmer Crabtree of Plainview, Rev. Russell McAnally of Merkel and Rev. Tommy Nelson of Memphis.

Theme of the day is "We Raised Our Altar to God," words spoken a few years ago by the late Mrs. E. N. Burrus in a first-person account of the

early days in Olton and Lamb County.

Organized in November, 1902 with nine persons, the Methodist Church in Olton did not become a separate charge until 1922 when the late Rev. R. R. Gilbreath was appointed first resident pastor.

Circuit pastors who served before that time were George F. Fair, who recorded the charter memberships, J. W. Childress, Frederick Pilley, W. P. Edwards, G. H. Bryant, I. A. Smith, J. T. Ross, Solon J. Upton, H. G. Scoggins and L. R. Smallwood.

Methodists did not have their own building until 1925 when a basement building was constructed. A second floor was added in 1932 and that building was used until 1958 when it was sold to the Church of the Nazarene and consecration services held for the present building at Avenue D and 3rd Streets.

Henry Miller, son of the late Mr. and Mrs. H. R. Miller Sr., who were charter members of the church, has the longest continuous membership. His membership dates back to August, 1907.

In addition to special morning and early evening worship services, the anniversary celebration will also include a dinner of thanksgiving at noon in fellowship hall and open house at the church and parsonage during the afternoon.

Friends and former members are invited to attend.

Pastors who followed Gilbreath were H. W. Carter, P. E. Yarborough, J. E. Payne, J. T. Howell, D. D. Denison, C. H. Williams, J. E. Stephens, Elmer Crabtree, J. B. Baker, Rolloe Davidson, C. R. LeMond, Aubrey White, R. H. Campbell, Russell McAnally, E. Lee Stanford, Wilbur F. Gaede, Cecil Hardaway, Tommy Nelson and Al Jennings, the present pastor.

MONDAY: Hamburgers, French fries, tomato, lettuce, pickles, onion, cookie and applesauce and milk.

TUESDAY: Steak fingers, creamed potatoes with gravy, mixed peas with carrots, tossed salad, chocolate pie with whipped topping, hot rolls and milk.

WEDNESDAY: Pizza, lettuce and tomato salad, green beans, fruit Jello and milk.

THURSDAY: Stuffed weiner, baked potatoes, pork and beans, hot rolls, brownies and milk.

FRIDAY: Pinto beans with ham, mixed greens, spring salad, cornbread with butter and fruit cobbler.

Mental Health, Mental Welfare Meeting Set

A proposed drug and alcohol abuse program will be presented at a meeting Tuesday night at 7:30 when a team of staff members from the Central Plains Comprehensive Community Mental Health and Mental Welfare will be here to explain the services of the Mental Health Mental Welfare Center and how these services can be obtained in Lamb County.

The Tuesday evening meeting will be at the Lamb County REA Building, and the subject of the meeting is to discuss the Central Plains Comprehensive Community MH/MR Center Services as it applies to Lamb County.

Pep Festival Is Scheduled

Plans are continuing for the 27th Annual Thanksgiving Festival at Pep Thanksgiving Day, Nov. 23, in St. Philip Parish Hall and educational building.

The famous Pep sausage, turkey, dressing and all the trimmings will be served from 11 a.m. to 2 p.m. and 5 to 7 p.m.

Meet The Minister

The Steve Orbison Family

A young couple, Steve and Rita Orbison, have ministered to the Church of Christ at Spade since the first of April.

Orbison is currently driving to and from Lubbock to attend Lubbock Christian College where he is a senior student majoring in Bible and psychology.

He is a native of Vernon and grew up in various parts of Texas and North Dakota. He graduated from Mary Carroll High School in Corpus Christi, but went most of his high school years at Arlington Heights High School in Fort Worth.

Following high school he went to Del Mar Junior College in Corpus Christi, then transferred to LCC where he is still studying.

Spade is his first field of ministry. When time permits, Orbison likes to train horses and go hunting for deer, quail, dove and ducks. He enjoys tinkering with guns and getting them in top shape.

He says he particularly enjoys talking and counseling with people.

Rita was born in Abilene and reared in Fort Worth, where

she met Steve while she was a junior in high school. His father was the minister of her church in Fort Worth, and they were married when she was a junior at LCC and he was a sophomore at LCC.

She graduated Cum Laude from Arnon Carter Riverside High School in Fort Worth, then attended Abilene Christian College a year before she transferred to LCC.

While at LCC she sang in the A Cappella Chorus, and completed her junior year. She was majoring in elementary education and minoring in physical education.

Their six-month-old daughter, Stephanie, takes up most of her time now, and when asked what her hobbies are, she said, "keeping up with my daughter."

Both Steve and Rita enjoy music. Steve played in school bands since he was in the fourth grade and into two years of his college work.

Steve's parents, Mr. and Mrs. Jack Orbison reside in Corpus Christi, and he has two brothers and two sisters.

Rita's parents, Mr. and Mrs. Noble Patterson, live in Fort Worth, and she has three sisters.

Farmer Of 1980 Must Be Businessman

The farmer of 1980 will have to be a businessman just as much as an agriculturalist, according to Dr. John Hopkin, Stiles professor of agricultural finance for the Texas Agricultural Experiment Station.

He also will need an operation physically large enough to supply his family an adequate standard of living and still be able to generate enough capital to keep expanding.

This means he likely will have to generate minimum farm sales of over \$40,000 annually, which will require that he have control over farm assets (land, equipment) totalling over \$250,000 to \$300,000.

And since profit margins have declined for most farm production, there will be greater stress on business and financial management skills,

Hopkin, also with the Department of Agricultural Economics and Rural Sociology at Texas A&M University, said.

Generating both equity and debt capital, or risk and borrowed capital, will be one of the main concerns of the future farmer. The large investments plus the need to keep competitive by utilizing new and usually expensive technological advances are causing capital to be very important.

To obtain capital, several things are necessary. The farmer-businessman will have to prepare profit and loss statements to show that he is profitable. Financial statements must be prepared to show that financial progress is being made and cash-flow projections developed to show loan repayability. Only then is the farmer ready to go looking for funds.

Skills in capital budgeting and analyzing alternative investment opportunities are needed to see that the limited capital is invested where payoff is the greatest.

He also will have to exercise budget and cost controls of his business. Skills in building sound credit, and then merchandising it, are also needed.

Hopkin feels the greatest payoffs in the future are likely to come from the effort devoted to improving farmers' skills in business and financial management.

LAMB COUNTY FARM NEWS

Herbicide Residues Problem On Vegetables

Area farmers, particularly those who are interested in a rotation program with vegetables, are concerned with the problem of herbicide residues or carry over.

The High Plains Research Foundation has been conducting studies for the past six years with a new Geigy product called Igran. The 1972 program included studies on carrot, onions, peanuts, sugar beets, and small grains,

following rates applied in 1971 of up to six pounds per acre.

Dennis Mooney, agronomist at the Foundation, says, "I now feel that we can definitely say that residue is not a problem when used at the recommended rate with this particular herbicide." This statement would apply to most of the commonly grown field crops on the High Plains, as 13 different crops have been tested during the last six years.

Farmers are aware that Milogard and Aatrex, two commonly used grain sorghum herbicides, have given adequate weed control, if enough material has been applied. However, this can present problems with a rotation program if the rates used are too high. Igran, which is similar to these compounds, has provided comparable broadleaf weed control in past tests at the Foundation farm.

One of the obvious advantages of Igran is that higher rates can be used for problem weed situations without the residue carry over associated with Milogard and Aatrex.

Research is being continued this year on water grass control.

Scientists have noted that a problem may exist with stunting of grain sorghum at the seedling stage. Tests at the Foundation have shown that this damage could be associated with method of herbicide application or with timing of moisture received soon after planting. The effect on yields is yet to be determined.

Complete results of water grass control and crop yields will be reported in the Foundation's 1972 Annual Research Report.

Maintain Pork Profits By Expanding Slowly

"It's partly up to hog producers whether the hog production industry must go through the profit wringer again or can maintain reasonably profitable market prices," said Dr. Gilbert R. Hollis, area swine specialist, Texas Agricultural Extension Service, Lubbock.

The hog outlook is quite favorable through the first eight months of 1973; then prices will be determined largely by the size of the 1973 spring pig crop.

This year is shaping up as the all-time best price and profit year which, according to Hollis, could spell gloomier times ahead. "Historically, the hog industry has not been able to withstand prosperity," he says. Following a year of good prices, sow farrowings are typically increased over the next 12 to 24 months until supplies become burdensome and prices drop to unprofitable levels.

The specialist urges pork producers during Pork Month (October) to evaluate their situations and desired market

outlook 18 months from now.

"I believe the market can withstand a 5 per cent increase in December-through-May farrowings and another 5 per cent increase in the June-to-November 1973 crop without a sharp drop in late 1973—early 1974 prices. If farrowings are much larger, profit margins by late 1973 will be poor."

In general, the hog outlook is quite favorable for the rest of 1972 and into the third quarter of 1973, the Extension specialist said. Pig crop estimates for the February-to-May period indicate that the volume for the rest of this year should run at least 6 to 7 per cent below last year. A sizable gilt and sow holdback for 1973 farrowing could reduce slaughter a bit more.

Hollis adds that basic demand conditions should continue strong this fall, especially in view of further improvement in economic activity. Nevertheless, a seasonal pickup in marketings will cause prices to trend lower.

"Looking at 1973 market prospects, intended farrowings point to at least some reduction in slaughter supplies during most of the January-to-June 1973 period," Hollis continued. "I look for first quarter 1973 prices of barrows and gilts on the Midwest interior markets to start at a \$25 to \$26 per hundredweight range then work down to a \$23 to \$24 range."

Prices are likely to weaken still more during April, then show seasonal strength and reach the \$25 to \$26 level at the Midwest markets by July, the specialist predicted.

After that, the outlook depends largely upon the size of the 1973 spring pig crop.

Dairy Short Course Reveals Beef Popularity

Dairy animals, no strangers to the beef market, appear to be gaining in popularity as a meat source for the family dinner table.

Shannon E. Carpenter, dairy specialist with the Texas Agricultural Experiment Station and Texas Agricultural Extension Service, says about a fourth of the beef consumed in the United States is from dairy breeds.

Dairy steers, he told members of Texas A&M University's annual Dairyman's Short Course (Oct. 19-20) Friday, usually have a lower dressing percentage and a lower carcass grade, but they grow a little faster and produce more consumer-satisfying lean.

Also, young male dairy animals produce a high quality lean meat which is enjoying increased demand throughout the nation, he added.

Carpenter, who is located at A&M's Agricultural Research and Extension Center at Overton, recounted a past feeding trial at A&M involving Holstein and Brown Swiss bull calves. Feed costs were less than 13 cents a pound of gain on animals that weighed more than 600 pounds at 220 days of age. The bulls out-gained steers and were more efficient.

In a more recent project, one group of bull dairy calves was put on pasture, and another group was confined to a drylot and fed a 15 per cent

crude protein ration free choice.

Carpenter said that at the end of 217 days, the average cost on pasture animals was \$104.75 and the average profit was \$57.28 per calf. The drylot bulls averaged \$129.83 in cost and \$51.01 in profit.

Diethylstilbestrol-implanted bulls in the trial did no better than those without the growth hormone, he pointed out.

Another speaker, Dr. Gary Lane of the A&M Animal Science Department Dairy Section said recent research data show that various organic acids can successfully preserve high-moisture feeds. Propionic acid and acetic acid, but mostly propionic, seem to be the most effective keepers.

Lane said the acids neither affect intake of feed nor milk yield. Some evidence indicates that grain treated with acetic acid (similar to vinegar) will help maintain milk fat per cent produced by cows receiving high-concentrate rations.

He explained that the acids discourage mold growth. Reduction of the molds and their toxins is important in maintaining a high milk yield that is safe for human use.

The short course is sponsored each year by the A&M Animal Science Department, the Texas Agricultural Experiment Station and the Texas Agricultural Extension Service.

Conscience eased after years of guilt

By Abigail Van Buren

(© 1972 by Chicago Tribune-N.Y. News Synd., Inc.)

DEAR ABBY: I have had something on my conscience for many years, and because I trust you completely, Abby, the idea of working thru you came to mind.

I am sending you a check for \$50. Please cash it, and send the money to: The Reverend Robert Holbrook of the East Avenue United Methodist Church in York, Neb.

Please tell him that the money is for the Ladies Missionary Society. Here is my story:

I grew up in York, Neb., during the depression, and we never had a spare nickel for extras. My parents were active in church work, and on several occasions I would take a nickel or a dime out of the collection fund before it was counted. I doubt if the amount I took came to \$10, and I'm sure it was never missed.

Our family left Nebraska many years ago, and altho I have prayed for forgiveness, I want to make restitution now.

Please don't disclose my name as it might embarrass my family. Very truly yours, ANONYMOUS

DEAR ANONYMOUS: Your instructions have been carried out to the letter. God bless you. It's never too late.

DEAR ABBY: I am going to remarry my ex-husband. Our children are 8, 6, and 5. We were divorced two years ago after almost 10 years of marriage. We've both learned a lot from our mistakes and feel this time we can make a go of it.

The first time we were married at the City Hall by a Justice of the Peace. The whole thing took 15 minutes and there was nothing spiritual or beautiful about it.

Now, I want to have a lovely church wedding with all the trimmings. Does that sound strange to you? I mean with a white gown and veil, which I know only virgins should wear, and altho I earned the right to wear it the first time, we couldn't afford it. My husband was [and is] the only man in my life, and I still feel entitled to wear white. Am I wrong? My husband says it's up to me. What do you say? CHURCH BELLS OR NOT

DEAR BELLS: I say you're entitled! Let those bells ring out, and I wish you every happiness.

DEAR ABBY: I don't have a problem, but I do have a question. Why do some people think they have to pay for everything?

I make my living as a deputy sheriff, but I belong to several volunteer organizations because I love to help people. I am captain of a Rescue Squad and First Aid crew, a member of the Civil Defense Disaster Team, I'm a member of the Volunteer Fire Department and chairman of the County Highway Safety Commission. I am also a first aid instructor for the Red Cross and Boy Scouts.

Whenever I've performed some kind of volunteer service, it really gets to me when somebody asks, "How much do I owe you?" LIKES TO HELP

DEAR LIKES: Don't let it bother you. Most people think they should express their gratitude in dollars and cents. I'm reminded of a clergyman who wrote to say that his pet peeve was the bridegroom who asks, after the marriage ceremony, "How much do I owe you?" The clergyman said he was often tempted to reply, "How much was it worth to you?"

DEAR ABBY: I shall never forget the memorial service I attended for the slain Israeli Olympic athletes. The young rabbi delivered an eulogy worthy of an international literary prize. I also thought of the noble Scandinavians who left a game in which there was no fair chance for Israel. Altho the Norwegians sacrificed the opportunity to win medals for athletic prowess, they deserved a medal for human decency and fair play. MARGARET KISH, SALI'M, VA.

DEAR ABBY: In recommending that one bathe and change undies daily, you are contributing to both a water and power shortage!

I was surprised to learn that my physician husband, who is quite acceptable in polite company, bathed only once a week, which is proof of the adage, "What you don't know can't hurt you."

According to dermatologists, unless one's work creates excessive perspiration or exposes him to grime, unpleasant odors or contagious diseases, daily baths are neither essential nor recommended.

Madison Avenue hucksters have sold us the myth that daily baths, deodorants, soaps, and mouthwashes are necessary to life and the pursuit of happiness, when actually earthlings have survived remarkably well without them for thousands of years. In fact, they have come into general use only the last 50 years or so, along with the increase of divorce. Probably more dissension and divorces are caused by hogging the bathroom and appropriating all the hot water than by failure to take a daily bath. CLEAN BUT NOT FANATIC

DEAR CLEAN: Perhaps I have been brainwashed by Madison Avenue, but I happen to believe that a man should bathe daily, and a woman can't bathe enough! Fifty years ago when one had to bathe in a tub in the kitchen in front of the coal stove, the Saturday night bath made some sense, but not any more. [P.S.: People with naturally "dry" skin should use a moisturizer.]

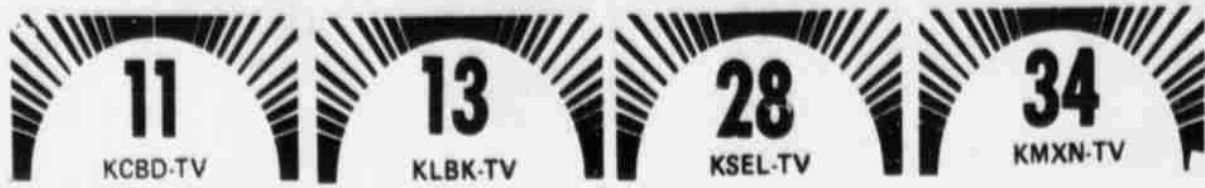

DEAR ABBY: My husband did something recently that worries me. He insisted that I sign a paper stating that if he should die first I would NEVER get married again. To tell you the truth I never gave it a thought one way or the other, but I signed it just to satisfy him. We aren't old. I'm 44 and he is 45, and I don't know why he is worrying about such a thing now. Far as I know, he's in good health. I would like to know if this paper I signed is legal. I mean, can he hold me to it? BEWILDERED

DEAR BEWILDERED: After he is gone, he can't "hold you" to anything.

Problems? Trust Abby. For a personal reply, write to ABBY, BOX 69706, L. A., CALIF. 90069 and enclose a stamped, addressed envelope.

For Abby's booklet, "How to Have a Lovely Wedding," send \$1 to Abby, Box 69706, Los Angeles, Cal. 90069.

County Health Program To Benefit From Grant

MRS. JOHN BLACKMAN
933-2328

JACK BIRDWELL took his FFA boys to Friona Tuesday, Nov. 7, for the leadership and radio speaking contest. Joel Snelair, Kenneth Turney, and Seve Newton won first on their radio script and were to go to Tulia Saturday for the area contest.

ATTENDING THE charge conference for the Enochs Bula Methodist churches Sunday from Bula were Mrs. F. L. Simmons, Mr. and Mrs. Paul Young, Mrs. Jerry Cox and children, Mrs. I. L. Clawson and Mr. and Mrs. M. Q. Shaw.

MR. AND MRS. Cecil Jones were in Amarillo Monday for his check-up with a cardiovascular specialist. He was given a good report and is not to return for six months.

MR. AND MRS. Nolan Harlan and children, John David and Ann, visited Sunday afternoon in Amherst with his mother, Mrs. Mary Britt.

THE ADULT share group from the Baptist Church met Sunday evening after church in the Dewitt Tiller home for a devotional and business meeting. The hosts, Mr. and Mrs. Tiller, served sandwiches, drinks and cookies to the group.

MR. AND MRS. Jim Claunch and Mrs. Lorilla Jones, and Mr. and Mrs. Parkey Parkinson, of Twenty-Nine Palms, Calif. attended the golden wedding reception Sunday afternoon at the community center in Wellington for the ladies' brother and wife, Mr. and Mrs. Ben Farmer.

BULA SCHOOL will be out for Thanksgiving on Nov. 22, and will resume classes on Monday, Nov. 27.

THE JUNIOR high basketball tournament for boys and girls has been scheduled for Thursday, Nov. 30, in the Bula gym.

BULA HIGH girls played their first scrimmage game Monday with Littlefield here, and Tuesday night they drove to Plainview and played the queen bees.

MR. AND MRS. Allan Williams and children, Bradley and Melissa of Morton, spent Tuesday night with his parents, the C. A. Williams. They all enjoyed seeing slides that Allan had

taken while he was stationed at the South Pole.

TWENTY-ONE WOMEN were in attendance at the Bula Baptist Church for the joint meeting of the ladies of the church for the Baptist Women's World Day of Prayer. Mrs. J. W. Layton of Enochs had charge of the program, with part of the program being in the morning and part in the afternoon. Sandra Austin of the Enochs WMU was the song leader for the meeting and also gave a special "Fill My Cup Lord", with Ann Sinclair at the piano. A salad luncheon was served at the noon hour.

MR. AND MRS. Cecil Scribner of Levelland were visitors in the Cecil Jones home Sunday afternoon.

VISITING OVER the weekend in the W. C. Risinger home were their daughter, Mrs. Gary Everett and children, Scott and Laura of Odessa, Mr. and Mrs. Mike Risinger and Ron Risinger of Knox City, Mrs. Ruby Reid of Littlefield and Mrs. Mike Swenney of Levelland. They all attended the Bula homecoming Friday night.

Anton Grads Hold Reunion

ANTON-The class of 1957 held a class reunion Friday night in the home of Mrs. Claude Couch with Mrs. Charles Small of Abilene as co-hostess.

Those present were Mr. and Mrs. Jack Reed of Plainview, Mr. and Mrs. Robert Burdett and sons, and Sam Rendleman of Lubbock, Mrs. Lanny Maedgan and children of Dallas, Mrs. Ray Parker of Fort Worth, Mr. and Mrs. Richard Howard and children, Mrs. Doyle Butler and daughters and Mr. and Mrs. Don Brazil all of Anton.

Special guests were the 1957 class room mothers, Mmes. Carl Harrington, Lon Howard, Otto Taylor and Claude Couch. Coffee, Cokes and cake were served from a table decorated with purple and gold mums and gold napkins, carrying out Anton school colors.

women and infants born these women.

Objectives of this program will be accomplished through prenatal and postnatal education program, nutrition for mothers, free fortified food program that will provide low-income mothers at no cost comprehensive infant formula fortified with iron and other needed vitamins.

Game Seasons Established By Commissioners' Courts

Commissioners' courts in 23 Texas counties recently acted on Parks and Wildlife Department recommendations for the 1972-73 deer, turkey, quail, javelina and squirrel seasons and in Lamb County for quail season only.

In all 23 counties, a Nov. 18, 1972-Jan. 1, 1973, deer season was approved. Deer bag limits vary. Three deer, no more than two buck, all antlerless deer must be tagged with doe permits: Bandera, Dimmitt, Frio, Kerr, Kendall, Kimble, Kinney, Medina, Reagan, Real, San Saba and Zavala Counties.

Two deer, either sex, all antlerless deer must be tagged with special antlerless deer tags: Coke County. Three deer of either sex, no more than two bucks, all antlerless deer must be tagged with special antlerless deer tags: Crockett, Edwards, Hays, Lampasas, Menard, Schleicher, Sutton, Val Verde and Uvalde Counties.

Two quail seasons were approved by the courts. The earliest season will be Nov. 18, 1972-Jan. 31, 1973, with a bag of 12 and possession of 36 birds in Dimmitt, Frio, Kinney, Medina, Uvalde and Zavala Counties.

A Dec. 1, 1972-Feb. 15, 1973, season with the same bag and possession limits includes Bandera, Coke, Crockett, Edwards, Hays, Kerr, Kendall, Kimble, Lamb, Lampasas, Menard, Reagan, Real, Robertson, San Saba, Schleicher, Sutton and Val Verde Counties.

A Nov. 18, 1972-Jan. 1, 1973, turkey season was approved in those counties open to turkey hunting. Turkey bag limits vary. Three gobblers or bearded hens may be taken in Frio County.

Two turkeys of either sex: Bandera, Coke, Crockett, Kerr, Menard, Reagan, Real, Schleicher, Sutton and Val Verde Counties. Two turkey gobblers or bearded hens: Dimmitt, Edwards, Hays, Kendall, Kimble, Kinney, Lampasas, Medina, San Saba, Uvalde and Zavala Counties.

The turkey season is closed in Robertson County. The javelina season is also closed in Robertson County. A Sept. 1, 1972-Jan. 31, 1973, javelina season was approved

in Coke and Reagan Counties with two per season. There is no closed season and no bag limit on javelina in Bandera, Dimmitt, Crockett, Edwards, Frio, Hays, Kendall, Kerr, Kimble, Kinney, Lampasas, Medina, Menard, Real, San Saba, Schleicher, Sutton, Val Verde and Uvalde Counties.

The javelina season in Zavala County is Nov. 18, 1972-Jan. 1, 1973, with two per season. All counties with the exception of Robertson have no closed season and no bag limits on squirrels.

Robertson County has no closed season on squirrels but has a daily bag limit of 10 and a possession limit of 20.

WHITHARRAL NEWS
MRS. J. E. WADE 299-4267

ERVIN SADLER returned Friday from a 10-day elk hunting trip to Colorado. The group did their hunting in the area around Pagosa Springs, Accompanying Sadler were Mr. and Mrs. Hollis Townsend and Earl Dow.

GAYLE BURRUS of Dallas spent the weekend in the home of her parents, Mr. and Mrs. Tom Barrus.

BROTHER KENNETH Harlan, pastor of the Whitharral Baptist Church attended the Baptist General Convention of Texas in Abilene Tuesday through Thursday of last week.

DUE TO INCLEMENT weather the University Interscholastic League Marching and Twirling contest for the area school bands was changed from October 31 to November 14 and 15, in Jones Stadium, Lubbock. Whitharral will compete Nov. 14 at 10:30 a.m. Twenty Three band students were taken by private cars to see the United States Marine Band perform at the Coliseum in Lubbock, October 31. Those attending were Jackie Bryant, Ruben Martinez, Benito Lopez, Connie White, Sherri Gage, Danny Dukatnik, Tony Ortiz, Bobby Avery, Dan Trevino, Walter Kristinek, Cheri Hisaw, Lana Dukatnik, Kim White, Bud Reding, Greg Wade, Ricky Doshier, Gary Hayes, Terri Howard, Charla Hisaw, Donna Avery, Mike Grant, Cynthia Wade and Joli Grant.
