Eight senior Littlefield Wildcats were singled out for special honors at the LHS coaching staff at the Littlefield Quarterback Club's Annual Football Banquet at the Junior High School Cafeteria Thursday night.

Turner was named Most Valuable Player for the second straight year. Brad Banner and Rick Hopping were named Outstanding Offensive

The Fighting Heart Award went to three seniors, Randy Hall, Larry McDonald and Dean Walden.

"This year's Fighting Heart Award is more significant this year than any since I've been here," Head Coach Jerry Blakely said before revealing the

selections. "These three young men best typify this year's team. This award goes to someone in a given situation who plays his heart out when there is a tough situation. Someone who plays with all their heart even when we're behind, and maybe it's cold, wet and windy. What's more though, this type person will be out there next Monday afternoon giving

all he has with all his heart."

In making the selections known, Blakely pointed out that MVP Bill Turner played offensive halfback and defensive safety and was honored as All-District running back, safety, punter and kicker and as All-South Plains safety and punter this year.

MRS. GAYLON REED

## Brenda Hopper, Gaylon Reed Married In Church Ceremony

Wedding vows were exchanged by Brenda Hopper and Gaylon Reed in a 7 p.m. ceremony in the Chapel of the First Baptist Church of Littlefield on Saturday, Dec. 27th. Bob Wear, minister of the Central Church of Christ in Hereford, officiated.

Parents of the couple are Mrs. Travis Hopper of Littlefield and Mr. and Mrs. Carl Reed of Spade.

The bride given in marriage by her grandfather, Shine Miller, wore the traditional wedding gown designed and fashioned by her grandmother, Mrs. Shine Miller. The dress of de-sheened satin with a silk organza overlay featured a fitted bodice with cameo yoke of applique lace with high neckline of scalloped lace. The yoke was outlined with a lace edging as was a panel of applique lace down the front accented with seed pearls.

The full lantern sleeves were gathered on to cuffs and also had the lace motif. The entire hemline and cathedral length train were encircled in a ruffle of organza edged in lace. Her cathedral length veil of silk illusion was topped with a finger tip tier edged with scalloped lace matching the dress fell from a Juliette cap of lace covered satin.

Her bouquet of orchids were nestled in pink and white stephanotis outlined in baby's breath. Her something new

was her wedding attire, for something old she wore the diamond engagement ring of her late great-grandmother. For something borrowed, she wore pearl earrings belonging to her sister, Linda Davis, and something blue was the traditional blue garter. Pennies minted in the year of the bride and groom birth were in her shoes.

The ceremony was read before an arch of greenery decorated with hot pink carnations, flanked on either side by candelabras.

Matron of honor was Linda Davis, sister of the bride, of Odessa. Bridesmaids were Mary Kay Baker of Sudan and Jerria Peacock of Anton.

The bridesmaids wore formal length gowns of hot pink velveteen, with high empire waistlines and leg of mutton sleeves. The yoke and sleeves were accented with white lace.

Best man was Jimmy Sewell of Shallowater. Groomsmen were Marvin Matthews and Randy Trotter both of Lubbock. Randy Gray, Tommy Batson, Chuck Mills and Jay Trammell were ushers.

Jaton Long accompanied by Mrs. Raymond Sewell sang "Twelfth of Never," "Time in a Bottle," and "More."

Guests were registered by Janice Reed, sister of the groom.

For her daughter's wedding, Mrs. Hopper chose a

formal-length gown of pink silk. Her corsage was of white carnations. The groom's mother chose a formal-length gown of light green with matching lace jacket. Her corsage was also white carnations.

A reception was held in the church parlor. The table was laid with a white satin cloth and crystal and silver appointments were used to serve the wedding cake, punch, mints, and nuts. The nosegays of the bridal attendants were used for a centerpiece. Guests were served by Jan Thompson of Spade, Markeeta Leonard of Dallas, and Vivian Davis of Littlefield.

For a wedding trip to points in New Mexico and Texas the bride chose for her going away ensemble a green pant suit with printed shell and shirt jacket. Her corsage of cymbidium orchids were lifted from her bridal bouquet.

Both the bride and groom are graduate of Spade High School and are presently attending South Plains College in Levelland. The groom is employed by the Olton Feed Barn in Olton. They will reside in Littlefield.

Continued from Page 1

Last year Turner was picked All-District running back, safety and punter and All-South Plains punter.

On the Pete Estrada Fighting Heart award winners, Hall played offensive and defensive tackle and was cited as All-District defensive lineman.

McDonald played offensive guard and defensive tackle and was honored as All-District offensive guard and All-South Plains offensive guard.

Walden played both offensive tackle and defensive linebacker.

Outstanding linemen Banner played offensive guard and defensive end.

Hopping got this nod as lineman last year. He played offensive fullback and defensive nose guard and was named All-District defensive lineman for the last three years and to the All-South Plains team as defensive lineman for the past two years.

Cruz played offensive tailback and defensive linebacker and was honored as All-District running back and All-District linebacker, as well as All-South Plains linebacker.

Durham played offensive tight end and defensive cornerback and made the All-District selections in the defensive cornerback slot.

Wildcat seniors this year are Ronald Parmer, Turner, Cruz, Lonnie Twitty, Danny Martinez, Reginald Payton, Walden, Randy Hall, McDonald, Jasper Colbert, Banner, Jimmy Durham, and Hopping.

Carrie Ware was crowned 1975-76 Football Queen. Lori Wilkinson and Kim Daniel were the other candidates selected by Wildcat team members. The queen candidates were escorted by Ronald Parmer, Rick Hopping, and Bill Turner.

Prior to the presentation of varsity awards, Bill Tom Grant introduced varsity and JV captains who presented gifts to varsity cheerleaders Kim, Carrie, Lori and Kathy Elliott, Marilyn Cowan, and JV cheerleaders Cindy Thrash, Sue Pointer, Deanna Blakely, Kimberly Fisher, Elaine Ellerby and Shalyn Grant.

Guest speaker Spike Dykes, assistant football coach at the University of Texas, challenged the players and audience to be NUMBER ONE.

"Do you want to be number one?" he asked. "You should know who you are, what you are, what you stand for, what you believe in. Are you an All-American in life? You have only one life to live—that's all—to do exactly what you want to be. You can be exactly what you want to be. You can be number one in any field. You

can do anything if you want to.

"Are you going to be an All-American in life or are you going to do just enough to get by and bounce around.

"It is declaring time when you get in your teens," he continued. "The last few years the University of Texas has had lots of All-Americans. What is it they have in common? The recipe for All-Americans and in football and life is in these five things.

"One— You've got to want to be an All-American. You've got to do whatever it takes to be number one. You've got to pay the price. You've got to believe."

Then he gave Earl Campbell as an example. "Earl Campbell never missed a practice. He never missed class and he never missed church. He makes every play like it is the last play in life. He is something else in a game. He gives every ounce. Every time the ball is snapped, he wants to be.

"And you ought to see him in off-season. We don't have a real strenuous off-season program at the University of Texas. But he practices every day, then after practice, he plays hand ball a couple of hours. He wants to be real bad.

"Number two— You've got to care. You've got to have the emotional makeup that spells CARE in capital letters. You've got to be proud to be an American, proud to be a Christian. If you don't have a tingle when they play the national anthem, if you don't shed a tear when they play the school song— then there's not much to you. If you can't be proud, have feelings, there's something wrong.

"If you get enough people feeling like that, you're not going to lose many games.

"Care for your parents. Don't be afraid to say I love you. Don't hurt your parents on purpose. You'll never get over it as long as you live.

"The U.S.A. is undefeated, and we've got to fight like crazy to stay there. We've got to produce All-Americans of life to stay that way."

The third point Dykes made was being yourself. "You've got to be yourself, make something worthwhile. You've got to have humility, be gracious, be unselfish. Who cares who scores as long as we win. Be genuine."

For the fourth point, Dykes said, "Hang in there buddy. When the going gets tough, the tough get going, you've heard that before. If you want to be number one, you've got to hang in there when it looks like there is no way to succeed."

Dykes final pointer was, you've got to hold the rope. "Hold the rope til the hide comes off," he said. "If you were holding on a rope 500 feet over Niagara Falls, who are you going to call to help you? You're mama would hold that rope, your best friend, your coach.

"Will you hold the rope for America? for Littlefield? for your mother and daddy? You learn how to hold the rope playing football. There's a lot of rope holding taking place within the five-yard line coming in and going out."

A long, solid round of applause followed.

# THE ABUNDANT LIFE

## Not In Wishing

By BOB M.

THE JOY AND SATISFACTION in living are not to be found in wishing. This is not to suggest that wishing is necessarily harmful to us. Yes, it can be and will be if we do not control it; but it doesn't have to be a handicap. If we can fully appreciate and be grateful for what we have and are now, wishing for something else will not hurt us. It will help us, when it leads to improvement.

THE SUBSTANTIAL ASPECTS of one's life are "not in wishing"; not even when our wishing is reasonable and kept in its proper place. If our wishing is the result of not appreciating the blessings and the good things we have, it weakens our personal life structure. If it is the forsaking of our obligation to do the best we can with what we have, our loss is compounded. Such wishing is illusory, and, if pursued, it transfers us from the world of reality to the disappointing world of make-believe.

NOTHING IS GAINED just because we wish it, and it very well may be that nothing is gained unless we do wish it. Wishing, if handled wisely, does help us fashion our goals and our aims; but we must be sure that we never adopt an unreasonable expectation for ourselves. Therefore, it is essential to our personal effectiveness that we never permit our wishing to become the dominant force in our lives.

WISHING CAN CARRY US off into the world of fantasy, and produce idle and foolish dreams, and fashion air castles that have no solid foundation. If this happens, people eventually

realize that living, real living, in wishing. Living that is meaningful and effective must be found in the world of reality, not in the fancy and make-believe, daydreaming if it is handled and used very sparingly, is the most helpful. (Some authorities man behavior think so.)

"DO ANYTHING INNOCENT" rather than give yourself up to regret can speak on this point from experience; for at one period of my life was a dreamer and castle-builder. The distant future took the place of present duty and action. The body suffered as much as the mind. —Channing.

WISHING CAN CARRY US into the past, too; wishing for what might have been. All of us probably have some of this, and no great harm is done; but it can cause wholly inadequate for meeting demands and using the opportunity of the present.

WE MUST MOVE ALONG cause living is for the present and future; it is "not in wishing" something that might have been, matters not how desirable the future seems to us, we must not waste time, energy and thought in wishing for that which is gone forever. You may profit from the realization that you have made a mistake; but it is a mistake to lose the present and future just wishing for what has been.

LIVING IS "Not In Wishing"

## A Woman's View

By PEARL BRANDON

TODAY IS THURSDAY AS I write a few lines to let you know I am still in the hospital, but am much improved. There is so much illness now. This hospital is almost full.

MY BROTHER Haskell Jaquess, who lives in Oklahoma, had a severe heart attack. I talked with relatives there today. He is still in intensive care but was doing much better than they expected him to.

He used to live here and some of you know him.

WHEN I STARTED this article today, I told the nurse I didn't have a thing to say and she said, "maybe the Lord has something in mind." That put me to thinking what does the Lord have in mind and what would He want to say to you. I prayed and this is His answer.

"Remember I am God almighty, nothing ever happens to any of you that I am not concerned about, be it good or bad. Keep on believing, keep on praying, keep on trusting. I am very near even in times of trouble I am there."

SOMETIMES WHEN WE are ill, or sick in body, it is hard to turn thoughts to Him. It is hard to thank the Lord when you are in pain, thank God He is with us even holding us up in His everlasting love.

The young pastor of the Missionary Church, the Rev. Rick came to see me this week and bring me a little paper they put themselves. It had these lines fitted me very well. I don't know author.

"God hath not promised skies all blue, Flower strewn pathways all of lives through.

God hath not promised sun without rain, Joy without sorrow, peace without pain.

But God has promised strength for every day, Rest for the laborer, light for the weary.

Grace for the trial, help from above, Unfolding sympathy, undying love. GOD' RICHEST BLESSINGS there, if we will only reach out them

## LCC Homecoming Plans Released

Final preparations are being made for the 1976 homecoming at Lubbock Christian College on Feb. 14.

Festivities are held annually during the basketball season. This year's game will feature the Chaparrals against the College of Santa Fe in a game that starts at 8 p.m.

Before the tip-off, though, there will be plenty of activities for prospective, present and ex-students.

Homecoming also serves as High School Day when teens from all parts of Texas and neighboring states visit the campus to get a taste of college life.

High School students will start their day off with a 9 a.m. mixer in the Betty Hancock Campus Center. A special presentation of "Master Follies" will be held for the teens at 10 a.m. The show is a conglomeration of musical productions staged by the 11 social clubs on campus and is being held at homecoming for the 16th straight year.

Other activities for the high schoolers will include chapel, a concert by the "Hard Travelers," a movie, two meals in the college cafeteria and a devotional in the C. L. Kay Christian Development Center.

For ex-students the day starts with the alumni having breakfast with their former social clubs. They register at the Greenlawn Church of Christ at 9 a.m. and attend a special chapel at 9:30. Bob Crass of Canyon will be the main speaker at the chapel.

Also during the chapel the "coming home" queens from 1966 and 1975 will be presented along with the outstanding ex-student.

Other activities will include social club luncheons, an alumni baseball game, a 2:30 performance of "Master Follies" for the ex-students and class re-unions for students from 1961, 1966 and 1975.

Alumni wishing further information on homecoming can call Terry Brown, director of the EX-students Association, at 792-3221, ext. 304. Those with questions about High School Day can call admissions director John King at 792-3221, ext. 212.

## TEXAS 1876

JANUARY 8-14, 1876

AUSTIN: The AUSTIN STATESMEN has come out against the new constitution because it would provide for the state to give owners of the Texas & Pacific Railroad public lands for the railroad to be built on. This continues to be a big controversy.

FORT WORTH: Down goes the price of meat. Pratt & Knight have succumbed to the pressure of public opinion, and offer a matutinal steak of the festive bovine at the ridiculously low figures of five cents a pound. Now beef steaks do not taste so strong of greenbacks.

GALVESTON: Sotera Pena, the well known restaurateur, has returned from Philadelphia where he has rented a good location for the virtualizing of Texas visitors to the Centennial Exposition.

ELLIS COUNTY: The Ellis County Democratic Convention convened at Waxahachie. All the different precincts were fully represented. A resolution was adopted indorsing (sic) the administration of Governor Coke.

WASHINGTON COUNTY: The Brenham Opera House is nearly completed, and is indeed a fine structure.

HOUSTON: J. A. Finch, shot through the lungs Christmas, has recovered so far as to return home with his mother to Galveston. He was shot several times during the war, and has about got so used to it that he "don't much care for bullets now."

GALVESTON: The Market for our leading staple (cotton) continues to be dull without any actual decline in prices, but with an unusual disparity between the figures asked by factors and the prices which the latter are willing to concede. Advices have not been encouraging, the New York and the Liverpool markets both showing weakness at the close for spot as well as futures and arrivals.

FALLS COUNTY: One of the Granges here has a circulating library of sixty volumes of agricultural work.

BEXAR COUNTY: The entire family of Mr. Stephen Leffel, consisting of the wife, six children and the servant girl, are seriously ill of trichina from eating uncooked ham, a sample of which, under the microscope, was found to contain myriads of the parasite.

ADVERTISED IN LEADING TEXAS NEWSPAPERS: Burnett's Cocoaine - How seldom we see a splendid head of hair! From sickness, excessive labor or neglect, thousands find their hair gradually wasting away. Burnett's Cocoaine will repair this waste. The Cocoaine is a perfect hair dressing, a promoter of the growth of the hair, a preparation free from irritating matter. It has great affinity for the human skin, is rapidly absorbed, and imparts luster and strength.

## PS Growth, Job Opportunities Good

Industrial growth and job opportunities should continue under the economy of the Western Public Service Company service area, an industry survey conducted by the electric company reveals.

Forty-three percent of the industries responding to the survey said they planned to expand their plant facilities during the next five years, with 57 percent of the respondents saying they had added to their number of employees.

A reasonable number of new jobs to anti-inflation from the survey would be 2500", Cliff Swartz, Southwestern vice president, said. "In addition, Area Development Department said it is probably reasonable to expect another 2500 additional jobs from industries which, for one reason or another, didn't respond to the survey and new industries coming to the region", he added.

Swartz pointed out that the unemployment rate, down from 50 to 60 percent of the national average, is more than 25 percent of the national average who said they plan to expand cited unemployment as the reason. An estimated number of available

## City Council Has Meeting

The Littlefield City Council voted to provide \$50 per month aid to the local Migrant Health Program Thursday night during their regularly scheduled Council meeting.

Two representatives of the South Plains Health Provider Organization met with the Council on Dec. 18 and asked for assistance in the amount of \$100 per month.

The Council postponed action in December.

The vote on the aid was unanimous with Councilmen James Shotwell absent.

In other matters, Bill Barlow, of the firm that bought the Superior Pork Farms, appeared before the Council to lease five acres of airport property.

The Council refused the request stating that the City and the Federal Aviation Agency are currently involved in a dispute that needed finalizing before any action on airport property could be taken.

Action was postponed on the request of grazing rights near the County landfill and the Council authorized the Mayor to sign a grant application for a Juvenile Delinquency Prevention Officer.

# Search Underway For Rural Hero

The search is underway for Texas' rural hero of 1975. The Rural Heroism Award, sponsored by the Texas Farm and Ranch Safety Council, is presented annually to some deserving person who has

performed an act of exceptional bravery during a time of crisis, according to Ben Bullard, Council vice president and assistant safety director of the Texas Farm Bureau. All entries must be sub-

mitted by February 21, to the Rural Heroism Award Committee, Texas Farm and Ranch Safety Council, P. O. Box 489, Waco, 76703, according to Bullard.

The heroic act or deed must have occurred within Texas during 1975 and should be

related to farming or ranching operations.

Nominations should include a written account of the incident and the names of all persons involved. Newspaper clippings and pictures should also accompany the nominations if available.

## FHA Interest Rates Lowered

The U.S. Department of Agriculture announced today that Farmers Home Administration (FmHA) housing loans to families of low and moderate income for single family homes will be made at an interest rate of 8 1/2 percent. The previous rate of 9 percent had been in effect since Sept. 2.

The new rate, effective Monday, will apply to FmHA loans to eligible families for purchase or improvement of individual homes. FmHA's rate is consistent with the

current interest rate on housing loans insured by the Department of Housing and Urban Development and Veterans Administration.

The interest rate of 9 percent will continue to be applied to FmHA loans for the development of rental and cooperative housing.

Housing loans are administered by FmHA in rural areas including rural towns of not more than 10,000 population, and in certain designated towns and cities with populations between 10,000 and 20,000.
