eld citizens are cooperating quest from City Manager Jim eliminate excessive usage of their yards or for car washing, le a leak is being repaired in a ater transmission line from the

ter supply from the sandhills Wednesday morning, leaving ewather city wells in operation

emphasizes that normal usage, similar to that of the oths, "won't hurt us at all" uldown is to continue until Friday, Aug. 30, or until the staged in the High School Auditorium at 7:30 p.m. Friday night. That event is also being sponsored by "We, The Women", a branch of the Chamber of

Contestants will be judged in three age groups-2 and 3 year olds, 4 and 5 years olds: and 6 through 8 years olds. They will be competing in dressy competition and in bathing suit competition.

Last-minute entries will be taken by Rita Richardson at 385-5801 or by Susan Head at 385-6077. Participants will rehearse tonight in the High School

Closing out the first day of activities will be a rock street dance and a country western street dance in two separate locations on Phelps Avenue, beginning

Kicking off the full day of activities Saturday will be a flea market, sponsored by "We, The Women". Occupants of the booths will begin setting up at 7 a m on the Santa Fe Plaza. According to Carol Black, "there are plenty of spaces available", and anyone wishing to rent a space may bring their wares Saturday morning. Contact Mrs. Black at Security State Bank, or the Chamber of Commerce office, 385-4451 to arrange for a space before that time.

A businessman's calf roping and lying contest is to begin at 9 a.m. in the Sheriff's Posse Arena, located near the County Show Barnes. Sponsoring that event is the Lamb County Roping Club. Members of the club will do the roping. and businessmen will be paired off to tie the calves' feet. Time will begin when the calf is roped, and a plaque will be given to the team that makes the tie in the shortest amount of time.

Businessmen who wish to enter are asked to contact James Blackwell to

Also at 9 a.m., a rabbit show will be

held at the fire station. Beginning at 10 a.m. Saturday, a 4-H Fair will be conducted in the hallways of the County Courthouse. County 4-H'ers will be exhibiting samples of their vegetables, fruits, crops, and handworks done in 4-H work this year.

Then at 10:30 a.m., children are invited to bring their pet dogs to the dog show in front of the courthouse. The pets will be judged in several categories.

At noon, Littlefield Lions Club and the Festivities Days Committee will begin serving their barbecue at 11 a.m. and continue until 1 p.m. at the Community Center. They will again serve barbecue for the supper meal, beginning at 5 p.m. and continuing until 7 p.m.

Everyone loves a parade, and one of the highlights of the day will be the parade at 3 p.m., featuring the Sheppard

Air Force Band, the Wildcat Band, various riding clubs, "Miss Ford Country", "Miss Oldsmobile", "Miss Lamb County", antique cars, floats, decorated bicycles, commercial entries, cic. depticting the theme of Hawaiian

Other entries will be the District 2-T2 Lions Queen, Miss Michelle Jones of Anton, the Khiva Shrine go carts, and an entry from Girlstown, U.S.A.

Last-minute parade entries are being accepted in the Chamber of Commerce office. To date, 50 units have registered intents to participate.

The parade will form on Phelps. Avenue south of the courthouse.

In the bicycle division, a special section is being reserved for the triwheeling senior citizens, and the voungsters will be competing in a section of their own. Participatns in both categories will attempt to illustrate the Hawaiian theme.

Winner in the senior citizens triwheelers division will be awarded a radio with light and horn as a prize. That prize is being donated by Hart-Thaxton Hardware. Senior citizens are asked to contact the Chamber of Commerce office. 385-4451, to notify of entry in the

1974 'Wildcat' Signing Party Slated Tonight

The 1974 "Wildcat" will be distributed to Littlefield High School students and 1974 graduates tonight at 8 p.m. in the High School lunchroom.

The signing party was originally scheduled for Friday night, but the time has been changed.

The Student Council will serve soft drinks for the party. Those who purchased their annuals in

the spring may pick them up at this time, and only a few will be for sale afterwards at \$7 each.

Co-editors of the publication were Carol French and Jill Owens. Business manager was Sharrese Cowen, and other staff members were Karen Walker, Angie Aleman, Stephanie Benner, Janice Cannon, Sharla Grant and Kim Wood. Mrs. Lucille Betts served as advisor.

Taylor Publishing Company printed the annual. Roberts Studio provided the photos, along with snapshots from the Leader-News.

Parade marshall is to be State Senator Max Sherman. Cash prizes will be awarded to the organizational floats. First place will receive \$75; second place, \$50; and third place, \$25.

Lamb County Sheriff's Posse has invited area posses to ride in the parade, and three trophies will be awarded to the winners in both the senior and junior

The Model A Club of Amarillo will have 10 Fords in the parade- all of the Model A vintage.

"Miss Lamb County" will be riding on a float sponsored by the Texas Tau Chi Chapter of Beta Sigma Phi.

Other entries will include a shoe shine brigade sponsored by the Junior Helping Hands for Senior Citizens, a mule-drawn covered wagon, the Chamber of Commerce float, the Lions Club firetruck, Boy Scouts and many commercial en-

At 4:30, or immediately following the parade, the Sheriff's Posse grand entry will be held in Laguna Park.

Parade trophies will be presented at

The evening barbecue will be served at 5 p.m., followed by the street show which begins at 6 p.m. on Phelps Avenue Besides the Air Force Band, other talent will be presented, followed by the judging of the beard contest, sponsored by the Lions Club, beginning at 7:45 p.m.

Then at 8 p.m., a drawing for prizes to he given away will begin. Prizes this year will include a trip to Hawaii for two, a four-coin set of commemorative (cut, wrapped and frozen.)

Beginning at 9 p.m., all area square dancers are invited to participate in a street-wide square dance on Phelps Avenue, and at 9:30 p.m. a paid variety dance will be staged at the Littlefield Country Club. The Caisons from Hereford will sing and play for that

During the two days of Festivities Days, several organizations will be sponsoring game and food booths, providing entertainment and refreshments for everyone at all hours of the day and night.

Among those operating booths will include the Early Risers Lions Club, which will sponsor a Bingo booth, the 4-H Club will operate a country store where they will display home-grown and home canned foods at the fire station, the Lamb-Bailey Women's Cotton Promotion Club will feature cotton seed candy, cotton seed flour and other cotton goods

Band Boosters will operate a snow cone and cotton candy booth, and kiddie rides will be available throughout the

Other organizations operating various concessions and booths include the Xi Nu Nu Chapter of Beta Sigma Phi, Helping Hands for Senior Citizens, Hospital Auxiliary and the Rotary Club.

Sets and individual coins of the Commemorative Coin collection will be on sale during the celebration, and a set will be auctioned off during the evening program Saturday. The set will be numbered somewhere between 1 and 10.

Earth Celebrating 50th Anniversary

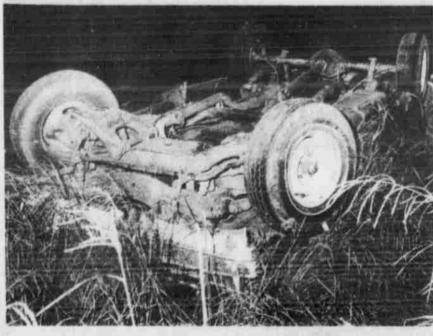

Earth citizens are celebrating the 50th Anniversary of the city's establishment with special activities there Saturday. Activities are being planned for all

age groups According to Earth Chamber of Commerce President Mac McCarty, the celebration is to begin with playday activities in the Earth Rodeo Arena at noon Saturday

Other events on the schedule include an antique car show, an art show, a square dance and a fish fry.

McCarty says it will be a time for looking back and remembering for former residents who return for the occasion, and for the older folks in the area, and a day to remember for the vounger persons attending.

CLAYTON COWEN, 40-year-old Littlefield man, was killed Tuesday night at about 9:20 p.m. when he was thrown from his pickup truck in a grass field 2 1/2 miles north of Littlefield. He was headed south on 385 and attempted to pass a car driven by Rufino G. Rodriquez, when the pickup clipped the left front of the car, went out of control and rolled in the shoulder-high grass. His body was found 45 feet south of where the pickup stopped. Services are pending with Hammons Funeral Home. (Staff Photo)

CAROL HENSLEY, new secretary of the Chamber of Commerce, and Clare Sawyer, secretary to the city manager, dream about a free trip to Hawaii which could possibly be won during a special drawing Saturday afternoon. Tickets are now being distributed through various clubs and organizations, and will include other prizes such as a set of four Littlefield Commemorative Coins, a bicycle, and a half a beef. (Staff Photo)

DEE DEE DAVIS, overall chairman of the 7th Annual Sidewalk Art Festival, views a painting done by Mary Myatt Hagler of the Littlefield Art Club which is now on display at Security State Bank. This painting is among several on display in stores throughout Littlefield, done by artists from three art clubs. They will be entered in the art show Friday. (Staff Photo)

Primary School Slates Visitation

According to Forrest Martin, Primary principal, parents of kindergarteners, first graders and second graders who will be attending the Littlefield Primary this fall, are invited to make a preschool visit tomorrow to find their child's room and visit with the teachers.

Visitation time Friday will be open from 9 to 12 that morning or from 1 to 4 that afternoon

The first day of school will be Monday. Aug. 26. Assignments for the other grades will

be made then.

ants arriving at Peabody. Kansas in the Fall of 74on a special Santa Fe train (Illustration courtesy of the ite Weekly Review newspaper)

Car with record-breaking LIONTH BUSHEL breaking banner as it moves from a Kansas wheat elevator on March 20, 1974

The modern 100-ton jumbo covered hopper can be loaded with wheat in about twelve minutes and unloaded in less than three

anload of jumbo covered hoppers, ideal cars for moving tennages of grain and bulk fertilizer used throughout the

iou years or wireat Santa Fe all the way

Back in the 1870's when the Mennonites began their migration from Europe to America-Santa Fe was there! A representative of the railroad traveled abroad in

those early days to influence homeseekers to settle along the pioneer rail routes being built westward across Kansas. The Mennonites were seeking freedoms of a new country and liked what they learned about America. Santa Fe helped with their transportation, even charter-

ing a special ship for the Atlantic crossing.

Santa Fe built special housing facilities in the settlement areas of Kansas and sold land, much below actual values, to the new homeseekers.

Santa Fe moved supplies for the home builders at reduced prices, sometimes for free.

Developing this new land back in the 1870's was not without hardships for the early Mennonites or for Santa Fe's pioneer rail builders. At that time, hardly anyone realized that their efforts would be rewarded through a few sacks of wheat seed which thrived in Kansas and spread to help make mid-America the breadbasket of the World.

100 years of moving wheat

Wheat is usually moved in a short period of time to meet harvest deadlines, export schedules and marketing requirements. These conditions make great demands on the railroads and it takes Santa Fe's modern facilities, an upto-date car fleet and skillful employees to get the wheat job done year after year.

During the past century many things have been done to move wheat efficiently. Two examples stand out in Santa

(1) The giant 100-ton covered hopper car tirst introduced for moving wheat in 1963. Today. Santa Fe has 12,000 of these cars in service. the largest fleet in the rail industry, and 1,000 additional are now on order. Altogether these 13,000 hoppers have a capacity equivalent to approximately 21,000 conventional box cars.

(2) One of Santa Fe's greatest achievements in handling grain was completed earlier this year when we moved a record-breaking billion bushels, a total of 350,000 carloads, in just Iwenty months.

Those few sacks of seed of Turkey Red hard winter wheat carried to America by early Mennonite homeseekers started one of the greatest agricultural developments in the nation. It's a history the Santa Fe has been proud to be a part of the past 100 years-all the way!

Peace And Freedom

PRESIDENT FORD has moved swiftly to reaffirm the U.S. commitment 'n detente with the Soviet Union.

Since foreign affairs is not known to be his specialty, it is expected that he will follow the lead and advice of Secretary of State Kissinger in matters of policy oward the Soviet Union

THIS WAY BE WISE- up to a point. Certainly Dr. Kissinger has the experience and professionalism in foreign policy which the new president lacks. On he other hand, Mr. Ford has an in--tinctive warmth and appreciation of people which the Secretary of State, for all his factical brilliance, seems to lack.

Dr. Kissinger, for example, appears to believe that detente with the Soviets can and should be pursued quite in dependently of any attempts to promote humanization of Soviet society or

liberalization within the Soviet empire He is clearly impatient with people like Soviet writer Alexander Solzhenitsyn who interfere with detente by warning that real coexistence with he repressive dictatorship in Moscow is

WE HOPE that our new president will put at least some of his own input into our foreign policy. And we hope that this input will be on the side of increased employment of U.S. leverage to induce Saviet movement toward greater freedom for their people. The departing President Nixon boasted that he had brought the world closer to peace. We hope that President Ford will be able to boast that his administration brought he world closer to freedom.

-U.S. Press Association

Financial assistance to livestock and producers under the Emergency Livestock Credit Act will become available next week through a new loan guarantee authority of the Formers Home Administration FmHA . a rural credit service of the U. S Department of Agriculture.

Neil M. Wood, FmHA County Supervisor, said the agency will be prepared to implement the recentlyenacted law by guaranteeing up to 80 per cent of possible loss on loans made by legally organized lenders to livestock and noultry producers.

Under terms of the act, the loan marantee program will be in effect hrough July 25, 1975. It may be exended for 6 months beyond that date if he Secretary of Agriculture determines hat it is needed to help the livestock industry obtain sufficient credit.

The law calls for loans to be made by hanks or other legally organized lenders Wood said interested producers are urged to make application to, and omplete loan arrangements with lending institutions. The lender in turn will ask FmHA for a loan guarantee if one is required. The lender will process he application, close the loan and Espryice it.

The maximum loan to any single horrower that can be assisted by an FmHA guarantee is \$250,000. Loans will he repayable in one to three years, although renewal for two years may be authorized. Interest rates are determined between borrower and lender.

Wood said the agency is authorized to quarantee up to 80 per cent loss a lender may incur on loans to bonafide farmers and ranchers who breed, raise, fatten, or market beef and dairy cattle, hogs, sheep, goats, chickens, and turkeys. A majority of the borrower's income must come from the operation, and a majority portion of the borrower's time must be devoted to the livestock or poultry production

In case of a corporation or partnership, assistance can be extended only when the majority partners or stockholders are primarily engaged in the livestock or poultry production.

FmHA guarantees will be made only when the bonafide farmer or rancher cannot obtain financing without a guarantee. Loans may not be used to expand operations

Wood said the county FmHA office serving the area where the borrower's livestock or poultry operations are conducted will handle requests from lenders for guarantees, or supply information on the loan guarantee

The FmHA Office serving Lamb County is located at 118 West 4th Street in Littlefield.

SANDY CAISON and the Caisons of Hereford will be singing and playing for dances Friday and Saturday nights during Festivities Days. They will present all kinds of music.

OBITUARY

1 D ONSTEAD

H. R. POWERS brought us one of his recipes that has been handed down in the family for years and years. It's not a secret recipe, because they have it printed and give it to many friends and acquaintances

Being as the hot weather brings about many cookouts to eliminate heating the house, and to allow the human element to cool off, this is a timely recipe.

H. R. POWERS BARBEQUE SAUCE

INGREDIENTS:

? family size bottles of catsup Juice of 4 lemons

⁹ Thsps. Worchestershire sauce ' Thsps. curry powder

1 Thsp. paprika

Tsps. salt 1/2 hottle hot sauce (add more or less depending on the hotness of sauce and how hot you want the final product) 1/2 lb. buttler (do not use margarine)

1 medium size onion Chop onion fine. Boil onion in 2 cups of

whiter in medium size sauce pan for 3 to 5

Add butter and simmer for 5 minutes. Now, add remainder of ingredients except brown sugar) and simmer about 10 minutes. When the meat is almost done, mop

sauce over it several times until wellcoated. When the meat is done, cut if necessary, place in pan and keep warm Return sauce to stove, add 2 heaping ablespoons of dark brown sugar. Bring to boil and stir well.

Now mop sauce over the meat in pan and keep warm until ready to serve. Leave the meat on the edge of the fire in the pant for 15 to 20 minutes to allow meat to absorb sauce.

Usually, the salt in the sauce is enough to season meat. Additional salt may be added if you like meat saltier. Be careful not to over cook the sauce

or it will thicken too much. Be careful and do not add sugar (brown) until meat is done. If added and used while meat is cooking, brown sugar will cause meat to burn.

This recipe will furnish enough sauce to cook meat for 20 people and have some left over to serve on the table.

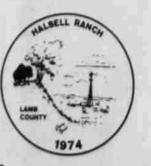

The sauce can be frozen and reused later, but don't add brown sugar until it

The squeezed lemons can be left in the sauce to add color, if desired.

HERE ARE SOME helpful hints for low calorie meals. Most of us are ttenerally aware of the calorie count these days, and these hints were given to me by my friends in Grand Prairie. Billie Parker and Darlene Brewer, while I was in Dallas a couple of weeks ago.

CALORIE COUNTING TIPS Divide the basic four foods into three or more meals daily. Be sure to include some milk, meat, cheese or eggs

in each, because these foods will satisfy

COMMEMORATIVE MEDAL OF GEORGE W. LITTLEFIELD SERIES

THE ABUNDANT LIFE

No Frustration

FRUSTRATION IS PERHAPS common to all persons, to some extent. We probably have some of the feeling hat our work and our efforts are in vain, or ineffectual; that we have tried, that we have done our best; but we did not succeed

It helps us to keep remembering that some of this is to be expected. No one is capable of performing perfectly, but it is not likely that we will fail in everything we try to do.

IN SOME THINGS, we expect too much: the expectations are not realistic. Here is an area of personal behavior, in which we can "climinate frustration". There should be "no frustration" expectations

If we will be honest, use good judgment, and inform ourselves; we can be close enough to reality to make our expectations harmonize with fact and ruth We must do this, in order to destroy one source of hurtful frustrations.

VLI. OF US will have some frustration; but there is a limit to how much of this feeling we can endure. Frustration, in its full impact, is "a deep thronic sense or state of insecurity and dissatisfaction arising from unresolved problems". It is obvious that none of us can afford such a personal state of being: not as a day-after-day condition.

It is good to know that this undesirable and unwanted feeling can be thrown off, when it does form. We may require help, and great effort must be applied; but we must never succumb to frustration.

"NO FRUSTRATION" B nim for one's life, even thou that there will probably be to expect some unresolved prowe have a very good choice at hese We know that we will a o solve all of our personal and we know that some problems, which affect us, n solved

We can let these force u overpresent insecure and a state of mind; or we can down oward a solution, and accepte o what we cannot change

IT IS VERY FOOLISH wing about which we are make anything frustrate us. We can handle ourselves so that or lie effective and happy; even the hings we would like to change changed

Yes, there are some problems with which all of us but we do have the privilege of how we are going to live with can let them cause frustration an maintain our integrity, pleteness

IF WE CONDITION ourseles realities of life, we will know a that we can solve some pro not all: and we can make sin disappointments do not ben densome frustrations.

Turn Row

IT SEEMS that the way to go as far as community growth, is not only population but the amount of square miles a city or community takes in.

This mass annexation is causing great concern to many of our so-called practical minded citizens. Speculation in real estate is the craze. By this I mean that about the only interest of the speculator is to turn his land investment into a fast buck. This is done by selling or sub-dividing his land holdings into an industrial or home sites. This is well and tood, but what about the thousands of productive acres that are taken out of circulation and are sub-divided and left dormant for a period of time that could he used for food and fiber?

Think about it? Look at what the big cities are doing. They are building

shopping centers in their developed area, thus causing a husiness to shut down downtown area can no longer, the merchant is forced to me shopping center and close his location. At the same time for are being abandoned and the of move to new locations. When all this abandonment

WEEKEND guests of Mrs. John Faust were her grand daughters. Debbie, Patty and Margie Faust and their friend Carla Whiteside of Lubbock

'Cross And Switchblade' To Be Shown Next Week

"The Cross And The Switch hlade" has sold more than nine million copies in 15 languages and is recognized hy religious leaders as a classic work that marks an important point in the history of the church.

In the 1950's, religion was still experiencing a post-war boom with high church atendance, much new building, and increased funding. This was before the popular awareness of the severe urban crisis, growning drug use, and deep racial problems that afflict our society.

The Cross and the Switchblade motion picture will be shown at the Palace Theater Monday and Tuesday, Aug. 26

However, during that period, a then unknown country minister. David Wilkerson, was tormented by the plight of urban youth in particular, and the many wasted lives of young people that would never realize their notential.

He was sure, as sure as he was about anything, that these lives, if they could be properly motivated, could be full and

The pent up energy of youth crowded into ghettos that so often exploded into gang warfare and violence, could be creatively transformed and the only way he knew how to prove it was to go out on the

His message was simple yet profound, "God's love and Spirit for anyone, absolutely invone, who would follow lesus Christ." At first this seemed ridiculous to hardened wouth for whom day-to-day survival was all of life.

Constant danger and repeated threats did not scare Wilkerson off and the God that Wilkerson talked about on the street brought him, as he sees it, through one cirisis after another - eventually he won.

To see this film gives one an idea of what is going on today. for in a very real sense it was the cause of it all.

LITTLEFIELD, TEXAS

SENIOR THREESOME will play a large part in the football fortunes of the Olton mass this fall. Pat Britton (linebacker and center), Glen Johnson (noseguard) and Allcorn (flanker and defensive halfback) are all expected by Coach Ed Miller to the Mustangs improve on their 5-5 record of last year. (Staff Photo)

Eleven Defensive Returnees Give Olton Boost

"I almost hate to say it, but we've got 11 boys back this year who started at one time or another on defense," says Olton head football coach Ed Miller. "We're short one tackle, but after that we should be in excellent shape."

The Mustangs big problem last year was inexperience, but they surprised the pollsters by breaking even with a 5-5 record. This season, with 11 defensive returnees and seven offensive, experience will be their biggest asset.

The offensive line is the only question mark. "Neither tackle played any last year and we've got a sophomore guard," Miller said. "But if our line comes through for us and the defense holds up, I'm sure we'll be better than 5-5."

A strong, young backfield could make the offensive line problem less of a worry. Joe Alcorta, an All-district per former at fullback last season as a sophomore, is expected to carry a big part of the running load Juniors Glen Johnson 180) at tailback and Jimmy Parker (175) at quarterback both "learned a lot" last season according to Miller. and have two promising seasons left. The fourth member of the backfield is Senior flanker Bryan Allcorn

Defensively, the Mustangs hopes rest largely on the shoulders of Clarence John son the small (5-4, 140) senior noseguard who is being touted for All-state recognition. Olton has another outstanding player backing up Johnson, Scnior linebacker Pat Britton (168)

"We're not changing a thing offensively." Miller said.
"We'll be running out of the I formation, and our offense will be geared around two plays—the sprint-out pass and the fullback dive. We won't throw as much this year because our running game should be a lot stronger.

"Defensively, we'll run a five-man line, because we've got to play Johnson somewhere and noseguard is the best place for him. He's not real big," Miller added, "but he's the strongest boy on the team and has above average quickness."

Miller thinks the strong point of the team will be the number of people who are able to play. "We'll have over 20 kids who'll play a lot every Friday night," he insisted. "Plus since last year, when our team was awful young, we've picked up a lot of experience."

The weak point? "We don't have a bit of speed. We're toing to be real slow, but our quickness is not bad. We don't have an abundance of size, but it should be adequate."

it should be adequate."
Looking at the District 3-AA

race, where the Mustangs are rated as serious contenders, Miller picks Friona as the team to beat. "They have a lot of seniors on their club and should be at least as tough as last year. Excluding Olton, I'd say Dimmitt is second on the strength of Robert Mayberry."

the Bobcat's senior running

hack), and then Littlefield, due to their winning tradition and a good defense."

Olton scrimages Crosbyton there tonight and hosts Ralls next Thursday.

OLTON'S SCHEDULE:

Sept. 6-Tulia-H-8 p.m.; Sept.

One-Arm Dove Hunt Scheduled At Olney

look at the Amherst Bulldogs.

Jack Bishop, Young County Commissioner and Jack Northrup, executive director of Olney's Neighborhood Development Porgram, (also known as the two one-arm Jacks) have begun preparations for the third "Olney International One-Arm Dove Hunt."

This event originated as a toke during a coffee drinking session between the two Onetrm Jacks who are also onearmed tokers.

The hunt is open to any hand or arm amputee.

The two-day event is scheduled for Sept. 6th and

Activities tentatively planned will be registration beginning at 8 a.m. September of hat the Community Center. Following registration there will be a period of fellowship, music, story telling, perhaps a little lying, and maybe a practical joke or two.

Sometime during the festivities, the "Cow Chip Chunkin" Contest" will be held. To enter, a person has to be either an amputee or an elected official. The politicians are out for revenge this year as Jack Bishop took top honors last year with the longest toss.

Another annual highlight will be the dove dinner to be held at noon Saturday prior to the hunt. Joe Ross, local restaurant owner, with the help of many friends, has charge of this meal served buffet under beautiful elm trees at Bitter Creek.

Prize drawings also are held it various times during the worday meet. Local merchants make contributions in eash or merchandise for the drawings and the awards given for bunt winners.

Saturday morning has been set for the 10 cents per finger breakfast. This is the sly way

the two One-Arm Jacks have to tet something at a discount. Finis Ross has charge of this breakfast.

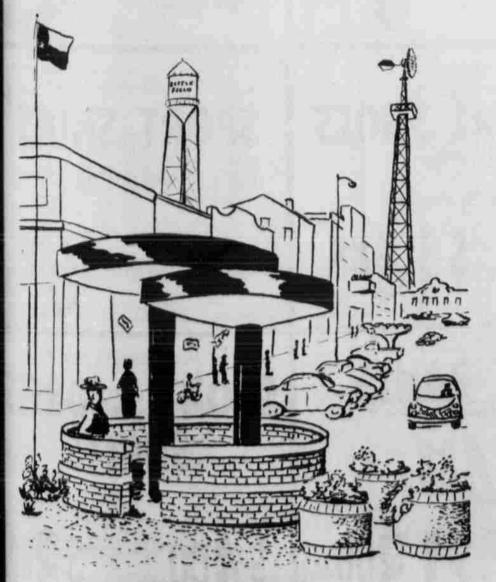

Hunting places for dove are provided by local ranchers and farmers.

Any amputee desiring to bunt or just to fellowship should contact the One-Arm Dove Hunt Association, Box 382 Olney, Texas 76374.
