

WAYNE STREETY JR., an 18-year-old Littlefield High School student, is Lamb County's first 18-year-old to be issued a voter registration certificate. Helping him with the form is Janice Anderson and Tax Assessor-Collector Herbert Dunn.

THIRTY MORE APPLY

County Signs First 18-Year-Old Voter

The first voter registration certificate to an 18-year-old was issued to Wayne Streety Jr. Thursday morning by Herbert Dunn, tax assessor-collector.

A senior at Littlefield High School, Streety appeared in the tax office shortly after Dunn received his official notice from Secretary of State Martin Dies Jr. that 18, 19 and 20 year olds had been given the right to vote in federal elections only.

Thirty other young persons under 21 had already made applications for voter registration prior to the official notice that

went out Tuesday, Dec. 29. Certificates are now being issued to these applicants.

Following the notice received here, certificates are issued at the time application is made to all applicants 18, 19 and 20 years of age, and to those persons who are not yet 18, but will be 18 before Mar. 1, 1972.

For persons in this category, the voter registration certificates are stamped or written in red ink across the face: FEDERAL ELECTIONS ONLY UNTIL 21 YEARS OF AGE, and the birthdate is written in.

The birthdate is necessary since a person becomes eligible to vote in federal elections on one date and in state and local elections on another date.

Although there are no scheduled federal elections in the voting year 1971, there always exists the possibility of a special election to fill a vacancy in a federal office. Otherwise, young voters under 21 years who gained a right to vote in federal elections under the Voting Rights Act of 1970 will have to wait until 1972 to exercise their new right.

THIS DROOPY "Hook 'Em Horns" that greeted ex-Texas University gragger Ray Keeling when he came home from the Cotton Bowl tilt didn't do anything for his already deflated ego. Above the bedraggled mascot is printed "Ex No. One." A wreath and the words "Too Bad Ray" are inscribed on the door, then to the right out of the picture "Notre Dame Numero Uno" to remind Keeling of the 24-11 defeat.

Becky Kay' County's 1st 1971 Baby

A 6-pound 14-ounce girl who has been named Becky Kay Garrett is Lamb County's first 1971 baby.

Daughter of Mr. and Mrs. James Garrett of 1300 Locust in Littlefield, the girl is the first child for the couple. She was born at 7:29 Friday morning in the Littlefield Hospital, and was 20 inches long.

The new father is a pump truck operator with C Pump company in Littlefield. He is the third grandchild of her maternal grandparents, Mr. and Mrs. W. H. White, 208 23rd Street in Littlefield. Maternal grandmother is Mrs. Johnnie White of Lubbock. Mr. and Mrs. Tom Payne of 204 23rd Street are the maternal grandparents, and Becky Kay is the sixth great-grandchild.

Her New Year's Day baby was born at Littlefield Hospital at 11:25 Friday morning. Lamb County's second baby of the year was a 7-pound 14-ounce girl who is the sixth child for Mr. and Mrs. Payne.

LAMB COUNTY'S first 1971 baby is 6-pound 14-ounce Becky Kay Garrett being held here by her mother, Mrs. James Garrett. The girl is the couple's first child, and the third grandchild of maternal grandparents, Mr. and Mrs. R. M. White and the sixth great-grandchild of Mr. and Mrs. Tom Payne, all of Littlefield.

171 Formal, 3 Informal Unions In '70

Marriages picked up in Lamb County in 1970 over the previous year. In 1969, 169 couples were married, compared to 174 marriages registered in 1970, including three common law unions.

The recognition of common law marriages went into effect in January, 1970, and Lamb County's first couple to register were two 21-year-olds who acknowledged that they had been living together almost five years.

The second couple to register an informal marriage was a serviceman in uniform who was due to report for duty the next day and his 19-year-old girl didn't have time to be married in a regular ceremony.

The third couple was a 16-year-old boy and a 13-year-old pregnant girl who couldn't be married because they were under age.

Calling All Aliens!

All aliens residing in Littlefield, Lamb County, or the United States and its possessions, are required by law to report their addresses to the Attorney General during the month of January.

Address cards may be obtained by non-citizens at any post office during January. The cards should be filled out and returned to the clerk at the post office.

Aliens temporarily absent from the United States during January should not report their temporary addresses, but must report permanent addresses within 10 days of their return to this country.

Officers Investigate Burglary And Theft

Burglary of Lamb County Deputy Sheriff Burrows' house in Olton was reported to the sheriff's office by the deputy Thursday night.

Burrows said entrance was gained by cutting a window over the air conditioner on the east side of the house. Missing items included two jewelry boxes, a rifle, a net and scabbard, three cigarette lighters, an undetermined amount of cash, a pair of boots, a box of .45 ammunition and several rounds of .38 ammunition.

The theft occurred between 8 and 8:30 p.m. Thursday evening.

A tool box and tools valued at \$150 were stolen from the Wayne Mansell residence between Dec. 23 and 27. Taken from the home located eight miles north of Littlefield were a blue Craftsman tool box, an open end and box end wrenches, a 1/2 inch drive socket, deep well and shallow sockets, two 12-inch crescents, an 18-inch crescent and a Plumb hatchet.

6 Persons Jailed On Various Counts

Lamb County and city officials jailed six persons in the county jail Saturday and Sunday.

Michael Raymond Sweatt, 19, Olton, was charged with burglary Saturday and released the following day on a \$1,000 bond.

In a separate incident, a 15-year-old Olton juvenile was charged with burglary Saturday and was released on probation Sunday.

An 18-year-old Weatherford youth was jailed for no drivers license Saturday. City police picked up a 16-year-old runaway Hereford boy and a 15-year-old runaway girl from Hereford Sunday and they were released to a juvenile officer the same day.

A 40-year-old Littlefield man was jailed on a capias pro fine (not paying a previously assessed fine).

Lamb Historians Appointed

The official appointment of members to the Lamb County Historical Survey Committee has been announced by County Judge G. T. Sides. The county survey committee, which implements the state marking and preservation program in this area, will cooperate directly with the State Office of the Texas State Historical Survey Committee in Austin.

V. M. Peterman of Fieldon will be chairman of the group. Other members are Mr. and Mrs. R. E. Scott Sr., Sudan; Mrs. A. H. Scivally, St. Rt. 2, Littlefield; Mrs. George Bohner, Rt. 1 Olton; Mrs. Annie Haberer, Rt. 2, Muleshoe; Earl Rice, Littlefield; Mrs. C. A. Joplin, Littlefield; Mr. and Mrs. Roy B. McQuatters Sr., Rt. 1 Anton; Mrs. M. E. Kelly, Earth; Mrs. Lester LaGrange, Amherst; Mrs. W. D. T. Story, Littlefield; Mrs. C. O. Stone, Littlefield; Mrs. W. H. Rutledge, Littlefield; Mrs. Paul Burrus, Olton; Mr. and Mrs. L. B. Slate, Sudan; Mr. and Mrs. Milton Wiseman, Sudan; Slim Huckabay, Littlefield; Mr. and Mrs. Ray Blessing, Amherst; Mr. and Mrs. Charles Harmon, Amherst; Mr. and Mrs. Leonard McNeese, Amherst; and Mr. and Mrs. Ben Crawford, Littlefield.

"Goals for the Seventies," a comprehensive historical preservation plan drawn up by the State Survey Committee, will provide the focus for county committee activities. It encompasses a wide range of objectives and programs.

Judge Sides commented, "The committee has been appointed at this time so that they may make plans for the coming two years."

He also pointed out that the overall purpose of the committee's work is the development of local history as a scholarly resource and a tourist attraction. "County survey committees work with local historians, county commissioners courts, and tourist-related organizations to insure the preservation of history for future generations of Texans," he said.

COMPARED TO THE hang dog expression of this basset, maybe some can quit worrying about their morning-after appearance. Besides being the day after the night before, Sally still has three of 10 worrisome, shoe-chewing pups left. The dog is owned by the Donald James family, 501 E. 17th. Three and one-half-year-old Teresa James helps Dianne Perrin, daughter of Mr. and Mrs. Armon Perrin of 500 E. 17th, ham it up by holding an ice pack to the dog's head.

REGISTRATION STARTS FEB. 1

Car Owner Cards On Way

If you own one or more of the more than seven million motor vehicles in Texas, there is more important mail coming your way early in January.

It is your registration renewal application.

This is the second year of operation for the new, easy computerized registration procedure devised by the Texas Highway Department.

Last year, the system greatly reduced bothersome waits and long lines which plagued vehicle owners at county tax offices and substations in years past.

Prospects are that the system will work even better this year.

Also, it is not necessary to present last year's registration receipt of the certificate of title. The renewal application you will receive in the mail is all you will need.

Registration begins Feb. 1 and continues through April 1.

The renewal application will arrive in

the mail in a slender envelope marked, "Important - This is Your License Plate Renewal Application."

The application is a three-part form with instructions printed on it. One important thing to remember is THE CARD SHOULD NOT BE TORN APART.

After the registration period begins Feb. 1, each vehicle owner can take the renewal application and the fee to his county tax office, or he can order his plates by mail.

If the owner wishes to register his plates by mail, he should send the entire three-part renewal application, the fee and an additional \$1 to the local county tax office as early as January, with the understanding that his license plates may not be mailed until Feb. 1.

The additional \$1 charge covers cost of handling and postage.

If owners are to receive their plates by mail before the April 1 deadline, then they must send the renewal form, fee and \$1 for each vehicle to be registered to the local county tax office by March 1.

This allows 30 days for delivery of the plates before the April 1 registration deadline.

If the owner decides to go to the county

tax office or substation, he will find shorter waiting lines.

All he needs to take with him is the renewal application and the fee. He will then receive his new plates and part of the form as his receipt.

Another part of the form is retained by the county and the third is sent to the Motor Vehicle Division of the Texas Highway Department in Austin.

However the owner may decide to register his vehicle, by mail or in person, use of the renewal form will be more convenient and timesaving.

The current registration system is the product of much work and planning. The system began to take shape in 1967 with the installation of the first computer equipment by the Motor Vehicle Division of the Highway Department.

Vandals Strike Business Places

Seven more businesses have been victims of rock and bottle-throwing vandals in Littlefield the past few nights.

Six of the cases occurred late Friday or early Saturday morning and two were reported as happening either Wednesday or Thursday.

Frank Robinson reported that a pop bottle had been thrown through an east window of the Dairy Queen sometime late Friday or early Saturday.

Jay Campbell reported that two plate glass windows and a glass in a door, all on the north side of his building, were broken out with rocks.

A glass window on the west side of the Hum Dinger Drive In was broken with a rock.

T. L. Dunlap reported that a window to the Littlefield Steam Laundry was broken with a beer bottle.

Two plate glass windows at Hill Rogers Furniture had been broken with a soft drink bottle.

A beer bottle was thrown through a small glass window at the Curly Top Drive In.

Paul Jensen reported that vandals had broken out the front headlights on his Foremost Dairy Truck, while it was parked on the city parking lot behind the Texaco Station at Sixth and Phelps sometime Wednesday or early Thursday.

Wednesday, Beryl Harris reported someone had broken the windshield to his 1957 Chevrolet while it was parked at his home.

Yule Color Event Ends Tomorrow

The Leader-News' "Do-It-Yourself Coloring Contest" will come to a close Monday, Jan. 4, and all entries must be postmarked by midnight that day in order to qualify for judging.

Two \$25 gift certificates and two \$12.50 gift certificates from Forrest Price's Western Auto will be awarded to the two first place and two second place winners.

All children in grades one through six in the Leader-News circulation area are eligible to enter. Judging will be done in two categories—one for kids in grades one through three and the other for those in grades four through six.

So, if you haven't entered and wish to do so, choose an ad from the Dec. 24 edition of the Leader-News, color it to the best of your ability, and mail or bring it to the Leader-News, Box 72, Littlefield, 79339.

Winners will be announced in the Leader-News Sunday, Jan. 10, 1971.

THE ABUNDANT LIFE

Settle Down

By BOB WEAR

EVERYTHING WE NEED for living well is all around us. Nothing has been lost, but the unnecessary restlessness of people makes them think that something they need is missing. IF ALL OF US would just settle down, we would find everything we need for satisfactory living; because these things are where they have always been. The first step in settling down is to settle down in the mind. This can be done, and is prerequisite to a settled life with all of its rich blessings. We call this contentment.

A WOMAN'S VIEW

Another Year

By PEARL BRANDON

BY THE TIME you read this the last day of the year will have already passed. The picture of the Old Year as an old man with a cane making his exit and the smiling New Year arriving as a new babe always depresses me. I feel sorry for the old man.

We can write only one page as we come to it. Characters may as we proceed through the year pass on and others will appear.

I LIKE TO THINK there will be bright things to record, and the exciting things will happen. I shall have some adventure in 1971.

Come to think of it maybe this belongs to God and we are just instruments with which He may work pages of time. If this is true let us good instruments in His Hands to His book.

One small life in God's great How futile it seems as the age. Do what it may, or strive as it can. To alter the sweep of the infinite. A single stitch in the endless web. A drop in the ocean's flow and But the pattern is rent when the thread is lost. Or marred when the tangled threads are crossed: And each life that fails of its true Mars the perfect plan that it meant.

Poem written by Susan O.

SIGNING APPLICATION forms for voter registration certificates before tax assessor-collectors were notified this week that they were to issue certificates are Johnny Hayes, 18, of Amherst, Billie Huffman, a 19-year-old Texas Tech student from Littlefield, and Johnny Reese, 20, another Littlefield resident attending Texas Tech. Kathy Eady is shown taking their applications. They are among 30 who will have their voters' certificates mailed to them.

HONNY GRITS

By CORNBALL BLEVINS

NOTICED THERE were a lot of people in town the first few days of the week. I imagined that many of the people were exchanging those Christmas gifts that they had told the givers were, "Just what I wanted!"

of course, if I made resolutions for other people, bet I could make a bunch of them!

ON SECOND THOUGHT, guess we'd better forget this resolution exchange business. I can see where it might lead to complications.

Like, for years I've been telling the wife how perfect she is. Now what do you think might happen if I handed her a list of her short-comings, along with suggested resolutions??-(Mayhem!)

Christmas is a wonderful time of year, what with giving of presents and good wishes. Another thing is it heralds the coming of the end of the year and the beginning of another.

AS FOR MYSELF, I decided not to finish the present year.-Thought I'd just give up on it and get ready to start the up-coming one.

One disturbing thing was brought to mind via the "Boob-Tube" (between football games) was the information that form 1040 was being mailed out to the donors.-How's that for a new year greeting?

I'M NOT MAKING resolutions this year. (After all how do you improve on perfection?)-Been thinking, tho, wonder how it'd be if we gave New Year's resolutions, just as we exchange Christmas gifts?

One thing, tho, I'd probably have to pass out a bunch of resolutions, myself, while getting very few in return.-Really, it'd be an unfair plan.

NOW, ONE advantage to this plan would be, if we didn't make the resolutions we got, maybe we could arrange to exchange them like we do our Christmas presents?

For years, I made a few New Year's resolutions. Usually, the same ones every year!-(Seems they didn't last.) But, and

WELL, I DUNNO, I feel a little guilty about not making a stab at self improvement. Guess I SHOULD make a few resolutions, tho it's gonna be hard to think of any that I really need.

Anyway, here goes:

I RESOLVE to keep my credit rating by exercising it to the N'th degree.

I resolve to exercise my right to gripe.

I will try not to turn down any pay raise the boss might offer me.

I resolve not to high-jack any airplanes. (I don't fly.)

I will not rob any banks (aside from insufficient checks.)

I will not bomb the city hall.

I will not worry my boss by showing too much interest in his job.

I will not shock the wife by taking over any household work. (She couldn't stand that!)

I will not double-cross my fellow drivers by being courteous. (It would confuse them.)

I will try to be my, same of' jovial self.

Now, don't let it be said that I didn't try! So, there!

ROSCOE FAIR

Funeral services for Roscoe Fair, 61, who died Thursday in the Tuberculosis hospital in Tyler, where he had been a patient two months, will be conducted at 2 p.m. today (Sunday) in the Missionary Baptist Church.

Gayle's BAKERIES

By GAYLE MILLS
LEADER-NEWS SOCIETY EDITOR

CHEESE is really something great—it is one of our most versatile foods—and good in all dishes from appetizers to desserts. Cheese has a history that reaches back to very early times.

The Greeks considered it a worthy offering to the gods on Mount Olympus. Wealthy Romans had special kitchens for making their cheese. Even the French monks, during the Middle Ages, refined the cheesemaking process and developed subtle, soft-ripening cheeses that have become one of the pleasures of eating that we enjoy.

It is used as a substitute for part of our daily milk requirements for children and adults. Being high in protein, it can be used as a main dish. Whether it be teamed up with meat, combined with vegetables or disguised in a dessert, cheese is extra added nutrition.

HERE IS a scalloped potato recipe that my mother gave me—the tasty cheddar cheese and onions make this a zesty dish.

SCALLOPED POTATOES

6 medium potatoes
4 tablespoons margarine
4 tablespoons flour
2 teaspoons salt
2 1/2 cups milk
1 1/2 cup Cheddar cheese
1/2 cup chopped onions (less if desired)

Slice potatoes thin. Make white sauce using flour, milk, salt and margarine, when thick add onions and cheese. Place a layer of sliced potatoes in a greased casserole and cover with white sauce—repeat procedure until all potatoes and white sauce are used. Bake in a slow oven of 325 degrees for about one hour and a half—or until potatoes are done when stuck with a fork.

CHEDDAR CHEESE combined with ground beef in a marbled "Meat Whirl," accented with mustard, horseradish dill seed and tomato sauce makes this recipe good eating.

MEAT WHIRL

1 1/2 pounds ground beef
1 cup soft bread crumbs
1 egg
2 teaspoons prepared mustard
1 1/2 teaspoons salt
1 teaspoon prepared horseradish
1/8 teaspoon pepper
1 can (8 oz.) tomato sauce
1 1/2 cups (6 oz.) shredded Cheddar cheese
1 teaspoon dill seed

In a bowl lightly mix meat, crumbs, egg, mustard, salt, horseradish, pepper and 1/4 cup tomato sauce; reserve remaining tomato sauce. On wax paper-fat meat into a 10 x 14-inch rectangle. Sprinkle with cheese. Roll from shorter side, as for jelly roll; press ends to seal. Carefully transfer to baking pan, seam side down. Bake 45 minutes in a 350 degree oven. Pour remaining tomato sauce over meat; sprinkle with dill seed. Bake 15 additional minutes; let stand 10 minutes. Remove to warm platter. Yields: 6-8 servings.

THIS IS an ideal dessert for

every day or a party favorite. graham cracker crust with an orange custard containing creamy cottage and whipped cream, with peaches.

PEACHY ORANGE CHEESECAKE

CRUST:
1 1/3 cups graham crumbs (16 squares)
2 tablespoons sugar
1/4 cup (1/2 stick) melted

FILLING:
1 tablespoon (1 egg) unflavored gelatin
2 tablespoons water
1/2 cup sugar
1 egg yolk
1/2 cup frozen concentrated orange juice, thawed
1 1/2 cups cottage cheese
1/2 cup whipping cream

1 egg white
Sweetened sliced peaches
Preheat oven to 350 degrees.
To prepare crust: In a bowl mix together crumbs, sugar; stir in butter. Press tablespoons crumbs for lining pie; press remaining mixture firmly and against bottom and sides of pie plate, building slightly around rim. Bake 5 minutes. Cool on rack.

To prepare filling: Sift gelatin in water. Meanwhile in a 1-quart saucepan combine 1/2 sugar, egg yolk and orange juice. Cook over medium stirring constantly, thickened (about 3 minutes). Remove from heat; add melted gelatin; stir dissolved. Cool.

In a large mixing bowl cottage cheese until smooth; beat in gelatin mixture; whip cream. In a mixing bowl beat egg until foamy; gradually add tablespoons sugar and until stiff. Fold into cheese mixture. Chill mixture mounds. Mount pie shell.

Garnish top of pie with sliced and reserved tablespoons crumbs. Serve with sliced peaches.

Our 33rd Year Of Quality And Service

A REMINDER

To The People Of This Area

We would like to call your attention to a service which we believe is tailored to the needs of the people we serve. Our prescription record system makes available to you a complete itemized record of your original Prescriptions and Prescription Refills for each year or for any given period.

Under this system your individual record of prescriptions and convalescent rentals will be maintained on an itemized basis. This will qualify for Income Tax deductions, Medicare, Insurance Requirements or any other purpose for which you may need or desire a permanent record.

For instance, if you were to lose or misplace your prescription and had no record of its original number with which to obtain a refill it would be available to you instantly under your individual record at Brittain Pharmacy. This service is available whether you charge, pay by check, or cash.

Your Doctor may wish to review the medication you have had over a previous period of time. This, too, will be available to him from your personal file at Brittain Pharmacy.

You may call for a copy of your complete record at any time, and your record for each succeeding year will become a permanent part of your personal file.

There is no charge for this service - just a request from you and your file will be set up immediately.

MR. AND MRS. S.E. LANCE

Reception Honors Mr., Mrs. Lance

AMHERST—Mr. and Mrs. S. Lance were honored with a reception Sunday, Dec. 27 in the fellowship hall of the First Baptist Church in Amherst in observance of their 50th wedding anniversary.

Attending the event were the couple's children and grandchildren. The children are Mrs. Anne Jones and Mrs. Arvil Jones of Lubbock, Harold Lance of Cananah, Mrs. Leon Robinson and Mrs. Eugene Young of Amherst.

Mr. and Mrs. S. Lance and Miss Mae were married Dec. 23, 1921 in Chillicothe. They came to Lamb County in January of 1922 and have resided near Amherst since that time, where Mr. Lance has been engaged in farming since his retirement in 1960.

The tiered cake and punch were served from a lace cloth over gold satin. The centerpiece featured an arrangement of bronze mums and appointments of silver and crystal were used.

Regina Young, Dana Young, Carol Lance, and Janie Blair, granddaughters of the couple registered the guests. Granddaughters alternating at the reception table were Mrs. Bobby Kindred, Mrs. Ronald Winton, Terri Blair, and Roxanne Young.

The couple has 14 grandchildren and one great-grandchild.

Out-of-town guests attending the reception were from Amarillo, Hereford, Plainview, Lubbock, Quanah, Muleshoe, Dimmitt, Sudan and Hereford.

Coin Meeting Held Tuesday

The Lamb County Coin Club met in the Reddy Room of Southwestern Public Service Tuesday evening, Dec. 29 for their regular meeting.

President Larry Sanderson brought the meeting to order and secretary Hazel Sharp gave the reading of the minutes.

D.O. "Jop" Joplin of Levelland was nominated as Governor to represent district nine at the TNA State convention to be held in Amarillo this year.

The club had one visitor, Steve Stanley of Levelland and one new member, Mrs. Billy Smiley.

An auction was held by Larry Sanderson following refreshments served by Edwina Clark and Lela Alexander.

Next meeting will be Tuesday, Jan. 26, at 7:30 p.m. in the Reddy Room. All interested coin and stamp collectors are invited to attend.

MRS. ELTON L. BOYD

Miss Carla Rea Hedges Wed To Elton Leroy Boyd

Miss Carla Rea Hedges became the bride of Elton Leroy Boyd in a double ring wedding ceremony Saturday evening, Jan. 2 in the First Baptist Church of Amherst beneath an archway with decorations of greenery, flanked by white candelabras.

Officiating for the ceremony was Rev. Glenn Willson.

Parents of the couple are Mr. and Mrs. Willis Truett Hedges of Amherst and Mr. and Mrs. Oscar Boyd of Littlefield.

The bride, given in marriage by her father, wore a floor-length gown of bridal taffeta adorned with Alencon lace. The dress featured a high neckline, a bib bodice, with an A-line silhouette and long Bishop sleeves. Alencon lace enhanced the bodice and sleeves of the gown. Her Mantilla veil of imported illusion and Alencon lace fell from a headpiece of lace, enhanced with sequins. She carried a bouquet of white orchids atop a Bible.

Musical selections were presented by Mrs. Jomeryl Harmon, organist and Mrs. Clyde Brownlow, soloist.

Candles were lighted by Darla and Debra Hedges. Taffi Hedges was flower girl and Brian Brownlow served as ringbearer.

Margaret Anne Hedges attended her sister as maid of honor. Bridesmaids were Mrs. Jerry Toliver of Farmers

Branch, Mrs. Gary Campbell of Abernathy and Mrs. Donna Seymour of Littlefield.

Serving the groom as best man was Glenn Davis of Littlefield. Groomsmen were Sammy Boyd and Meredyth Boyd, brothers of the groom, and A. V. Davis, Eddie Hedges and Jack Dow seated the guests.

A reception was held following the ceremony in the Fellowship Hall of the church. Guests were greeted by the bridal party and the parents of the couple.

The table was laid with a white cutwork cloth, featuring a centerpiece of white candelabras and white love birds. Presiding at the table were Mrs. Willie Bennett, Joy Priddy and Charlene Houk.

For their wedding trip to New Mexico, the new Mrs. Boyd, chose a two piece dress of red wool trimmed with white fur. She wore a white orchid lifted from her bridal bouquet.

The bride is a senior student at West Texas University and the groom is now serving in the armed forces. He will be stationed at Fort Gordon, Ga., where he will be an instructor.

CALDWELL

Mr. and Mrs. Donald Caldwell of Spade are the proud parents of a baby son, born Dec. 22 at West Texas Hospital in Lubbock. He weighed 9 lbs., 12 1/2 ozs. and has been named James Michael. Maternal grandparents are Mr. and Mrs. J. R. Hodges. Paternal grandparents are Mr. and Mrs. P. C. Caldwell, all of Spade.

Story Hour At Library

A reading hour for pre-school children will be held in the Lamb County Library every second Thursday of every month beginning this month.

The reading sessions, for four-year-olds and up who aren't attending school, will be conducted by Mrs. Olga Graham in the library in the basement of the courthouse. The first reading hour will begin at 10:15 Thursday week, Jan. 14.

The parents of all four to six-year-olds are urged to make a note of the time and bring their children to the library.

Moderator Speaks Here Tonight

Rev. J.E. Cook, general moderator of the Bible Missionary Church, will be speaking in the evening service tonight at 7 p.m.

Rev. Cook has been general moderator for several years, and has pastored churches for many years prior to his being elected to this office, according to Rev. Hugh Cantrell, pastor of the local church.

"A cordial invitation is extended to everyone to attend the service at the church, located at the corner of Sixth and Sunset," the pastor stated.

Scout Recognition Banquet Set For Lubbock Jan. 9

Jack L. Rhea, director of field operations of the Boy Scouts of America, will be the featured speaker at the annual Boy Scout Recognition banquet Saturday, Jan. 9.

The announcement was made by Judge Halbert O. Woodward, president of the 20 county area South Plains Council, Boy Scouts of America.

Rhea directs the operations of the Boy Scouts of America through 12 geographic regions in the United States. More than 6 million boys and adult leaders are registered in Cub Packs, Scout Troops, and Explorer Posts in every city and rural area throughout America.

The 45th Annual Banquet will be held Saturday night, Jan. 9, at the Fair Park Coliseum in Lubbock, with serving to begin at 7 p.m. The event will be preceded by the annual business meeting that will be held in the First National-Pioneer Building at 5 p.m.

More than 600 Scout leaders and their wives are expected to attend the banquet that is designed to recognize Scouting's men and women for their devoted leadership.

Tickets for the event are \$2.50 and are available from the Scout Service Center in Lubbock. Judge Woodward pointed out that parents and other interested citizens are invited to attend the affair along with the Scout leaders.

As a boy in Wichita, Kans. Rhea attained the Eagle Rank as a Boy Scout. Later, he served as a Scoutmaster and district Scout commissioner.

A graduate of the University of Wichita, he began his professional career in 1939 as a field Scout executive at Wichita Falls. Later, he was a staff member at Des Moines, Iowa.

In 1941 Rhea joined the U. S. Army as a private in the infantry. After four years' service in this country, France, Germany, and Austria, he left the army in 1946 as a lieutenant colonel, and returned to his Scouting post in Des Moines. In 1947 he became Scout executive at Fort Dodge, Iowa.

Since 1960 he has been a member of the national staff of the Boy Scouts of America, having served as director of

camping at the Philmont Scout Ranch in northeastern New Mexico for several years. Prior to his appointment as director of field operations, Rhea was director of personnel of the Boy Scouts of America.

Rhea will arrive in Lubbock on Saturday, Jan. 9, and will attend a Regional Scout Executive's conference in Fort Worth following his visit to the South Plains Area.

FOREIGN OBJECTS

Putting foreign objects into the ear canal can result in a ruptured eardrum and a serious hearing loss, according to the Beltone Crusade for Hearing Conservation, which urges parents to regularly remind small children of this danger.

Flower Talk

STATES AND THEIR FLOWERS

If nations proudly display national flowers—so do all the states in our United States.

A number of states polled the public school children in choosing their state flowers.

Alabama chose the Golden Rod (incidentally, it's the U. S. national flower), and it is said to signify encouragement. Georgia's Cherokee Rose means loyalty and regality. Florida's Orange Blossom denoted marriage; while Arkansas' apple blossom means admiration.

We feel our flowers mean a lot to individuals, that is why we take special care in the preparation of all our flowers. We know the customer's satisfaction is our greatest asset.

We, The Women Discuss Projects

Members of "We, The Women" discussed several projects for fund raising during a December meeting, and decided that the Food Fare had a right in 2022.92 earlier.

Marge Anzelme suggested that the organization get a permanent meeting place or club house, and members decided to look into it.

Among projects discussed were possibilities of a raffle, art and helping with preparations for the Annual Meeting of Commerce which is slated for Jan.

theme of "Littlefield Belles," for decorations.

Hostesses for January will be Eloise Cox and Marge Anzelme. New officers will be elected at the January meeting, slated for the Reddy Room.

MY PROGRAM

...BUT IS IT ENOUGH? My program consists of some very special activities...services I perform every week. But I ask you, is that enough? Social work, church attendance, tithing of my income, teaching in Sunday school, these things I do, but I ask you... is that enough? God says, no! He expects more than good works. He expects you to surrender your life in full to Him. The sick must be attended. His church must be supported. There is work to be done. These are virtues pleasing to Him but He still expects full surrender of your life. Why not enlist in God's army this very day? Why not start to church regularly and take up your cross and follow Him all the way... then you won't have to ask, "Is My Program Enough?"

Nursing Opportunity Program Explained

In an effort to introduce young men and women of the South Plains area to nursing careers, the South Plains Chapter of The Association of Operating Room Nurses (AORN) is conducting a program to explain opportunities and aids in the nursing profession.

South Plains AORN president, Pat Mumme of Lubbock, said the purpose of the campaign is to make South Plains young people aware of the career development and self-advancement opportunities in the nursing field.

Because of the extreme need for nurses in military and civilian hospitals, in schools and industry, young people who enter training in any one of the educational nursing curricula have access to many scholarships, grants and financial aids.

Miss Mumme said there are four educational programs under which a young man or woman may enter nurse's training: practical nursing, with one year of study in a public vocational educational system, hospital or community agency, junior or senior college; the associate degree plan with one year of training in a junior or community college; the diploma plan, with three years of study in a hospital or independent school of nursing, and the baccalaureate degree plan, which requires four years

Two Wrecks Investigated
City police have investigated two wrecks since Tuesday. Tuesday night, Kalhryn Myree Turner of Littlefield was driving a 1970 Chrysler southward on Phelps Avenue and had stopped in the lane of traffic, when a 1965 Oldsmobile, driven by Henry Carl Burnett of Sudan, failed to stop and struck the Chrysler in the rear.

DAMAGES LIGHT In 2-Car Wreck
A minor two-car collision occurred three miles north of Littlefield on U. S. 385 Thursday morning when a car was attempting to make a left turn while another was attempting to pass.

Wednesday morning, a 1967 Chevrolet, driven by John Grady McGee, was backing from the curb on Phelps Avenue when it struck a 1963 Oldsmobile, driven by Sam Baker of Littlefield, who was traveling north on Phelps.

DAMAGES LIGHT In 2-Car Wreck
A minor two-car collision occurred three miles north of Littlefield on U. S. 385 Thursday morning when a car was attempting to make a left turn while another was attempting to pass.

Another adult male was jailed the same day, charged with drunk in public. He appeared before the judge, was fined \$30 and is serving out his fine in jail.

Tax Booklets Available

Are you looking for additional help in preparing your 1970 income tax return? Do you need some extra tips for cutting your tax? The Internal Revenue Service has two books to help you.

"Your Federal Income Tax", the book that has become an annual best-seller, is for individuals and costs 75 cents.

The new 1971 edition has all the information you need on dependents, deductions, what is income, and all your other tax questions. It's completely up to date with recent changes in the tax laws and can save you real money on your tax return.

If you're a businessman, "Tax Guide for Small Business" is for you. It costs 75 cents. It includes a handy checklist and tax calendar designed to show your tax obligations as clearly as possible.

The "Farmer's Tax Guide" has the best price of all. It's available free at all IRS offices or at your county agent's.

You can obtain either "Your Federal Income Tax" or "Tax Guide for Small Business" by sending a check made payable to Internal Revenue Service, 1600 Patterson Street, Dallas, Texas 75201.

COUNTY OFFICIALS elected in the 1970 general election were sworn in by District Judge Pat Boone Jr. in a ceremony in the district courtroom Friday morning. Shown taking oaths for four-year-terms are Lucy Moreland, county treasurer; Ray Lynn Britt, district clerk; Mary Beth Willey, county clerk; C. Roy Stevens, county superintendent; W. G. Finney, justice of peace precinct 1; Stanley Doss, justice of peace precinct 4; and W. T. Vereen, justice of peace precinct 5.

DON'T BLAME FARMER
It's twice as costly to market farm products as to produce the food in the first place, surprising though this may seem. When they left the farm, food raw materials produced by U.S. farmers in 1969 were worth \$32 billion. By the time they reached the consumer, their cost had soared to \$96 billion.

PATHFINDER
MUNICH-Dr. Josef Issels is trying a new cancer cure.

COUNTY JUDGE G. T. Sides, Hubert Dykes, commissioner of precinct 4, and T. L. "Buddy" Free, commissioner of precinct 2, are shown signing their oaths following swearing in ceremonies before District Judge Pat Boone Jr. when he took the oaths of 10 elected officials in a ceremony in the district courtroom on New Year's Day.

IN FARWELL TOURNEY

Mustangs Advance

The Olton Mustangs nosed out Dora, N.M. 66-64 in a two-minute overtime in the opening round of the Farwell Basketball Tournament Thursday night, then the Ponies came back Friday night with a 74-73 squeaker over Sudan for the Hornets second loss.

In the girls' bracket, Sudan

and Olton fans had each won one and lost one in the round robin tourney prior to the Saturday night finals.

Steve Stockdale hit 15 points for Olton in the Mustangs' opener with Dora. Luis Rey was high for the Ponies in the second round. Rey bucketed 16 against the Hornets while David Weaver lead the losers with 18 for high game honors.

Randy Glover made it to the double column with 10 in Sudan's opener with host team Farwell when they were cut down, 55-47.

Another overtime was necessary in the Sudan-Farwell girls' game, with Sudan besting their hosts, 53-51. Angelo Pickett tossed in 28 for the winners.

The Olton girls dropped Sudan, 66-60, Friday. Connie Hall pumped in 27 for the winners, but Angela Pickett was top scorer with 35.

Olton girls fell to Dimmitt, 44-33 in their first encounter. Connie Hall put in 13 in the first round.

Saturday action pitted the Sudan girls against Dimmitt, the Sudan boys versus Dora, and Farwell battled it out in both boys' and girls' divisions.

Area Schedule

Eight area district basketball games will be played Tuesday night.

The Lockney Longhorns come to Littlefield for loop action with the Wildcats.

Olton Mustangs travel to Dimmitt to do battle. Happy visits Sudan for a district tilt.

Springlake-Earth plays host to Farwell; and Anton hops over to Spade.

In Class B action, Nazareth plays Amherst, Bula travels to Whitharral, and Pep goes to Bledsoe.

A number of area teams will be in the Amherst Tournament scheduled this weekend, Jan. 7, 8 and 9.

SWPS Plans Added Generating Capabilities

A 14 per cent addition to the area's electric generating capability in mid-1971, and plans for still another major power production unit in 1974, highlight a nearly 30-million-dollar construction program for 1971, according to Ray Talk, president of Southwestern Public Service Company.

The addition to electric generating capability in mid-year will come about when the first unit goes into service at Jones Station, located southeast of Lubbock. The 250,000 kilowatt generator will be the largest single unit at the company's

system and will put the company's total power-producing capability at nearly 2,000,000 kilowatts. That's more than twice what it was 20 years ago.

Talk also revealed plans for the second 250,000 kilowatt machine at the new facility. A twin of the one which will go into 1971 service, the new unit has been ordered from Westinghouse Corporation. Ground will be broken for the second unit in 1972.

"We don't propose to get into any kind of major expansion until we have the electric power supply that will stimulate that growth," Talk said in making the plant expansion announcement.

"We are noting an increase in number of customers throughout our service area, an indication that we are returning to a growth pattern, and we want to have the electric power supply that will stimulate that growth," Talk said in making the plant expansion announcement.

Jones Station is named for Clifford B. Jones, president-elect of Texas Tech University and a director of Southwestern Public Service Company since 1946.

When the two units are in service, Jones Station alone could serve a city three times as large as Lubbock or Amarillo and it is just one of eleven generating facilities on Southwestern's interconnected system.

There has been no power shortage problem in Southwestern's service area.

In 1970, for example, when some sections of the area were plagued with brownouts and voltage reductions, Southwestern's customers were able to continue to use electric power without restriction and the company passed through its

summer peak period with reserves that exceed the peak demand by more than 20 per cent.

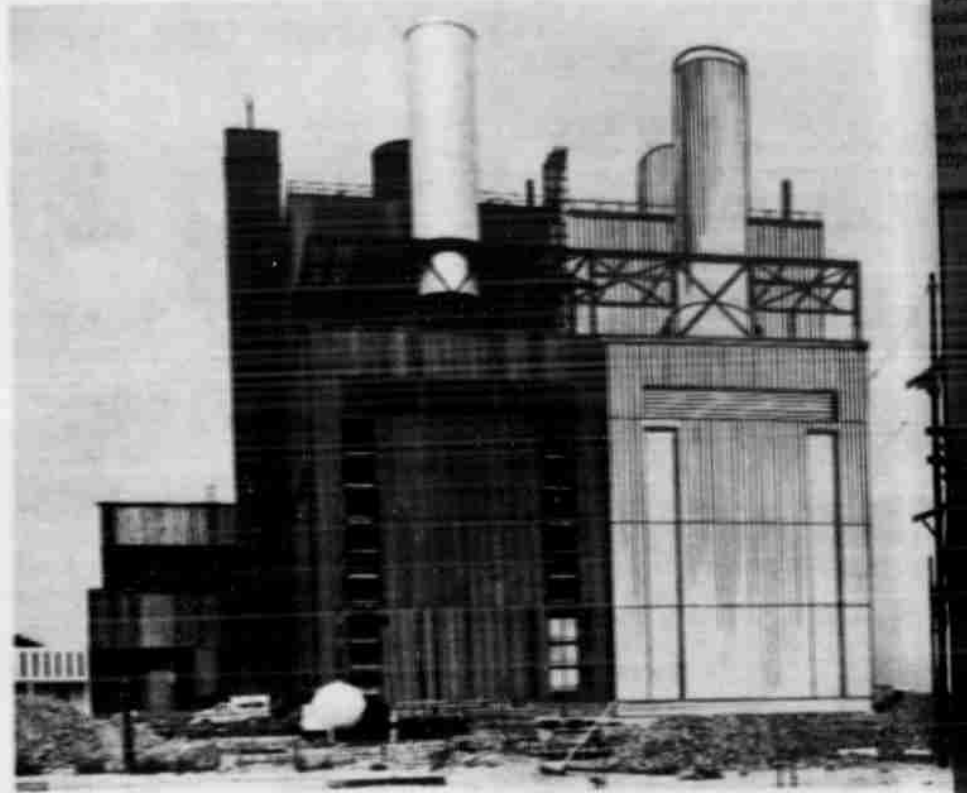

The 1971 Jones Station addition is designed to provide adequate power reserved during the three year period until the 1974 unit is completed.

1971 will be Southwestern Public Service Company's Golden Anniversary Year. The company was incorporated at Roswell, New Mexico in 1921 as the Roswell Public Service Company.

Its service area now covers 45,000 square miles in parts of

four states and it serves

customers. It has an investment and equipment that is approaching 500-million and it has been adding investment at an average rate of 20-25 million dollars for the last ten

MORE ELECTRIC POWER for 1971 and 1974 is portrayed by this combined construction picture-artist's rendering of Southwestern Public Service Company Jones Station, southeast of Lubbock. The left half of the picture shows reconstruction of the 1971 addition which will add 256,000 kilowatts to Southwestern's generating capability in mid-year. That means 14 per cent more electric power will be available next year than we had this year, when the region had more than adequate supply. The 1974 addition, sketched in on the right, will double the capability of Jones Station and make it the largest of the company's power plants. The 1971 plant addition is part of the electric company's Golden Anniversary Year construction program which calls for an investment of nearly \$20,000,000 for new plant and equipment throughout the company's 45,000 square mile service area.

Drivers, Not Cars, Cause Winter Mishaps

It's not the car, it's the driver that causes winter skids and traffic tie-ups," says Ross Wilcox, Executive Secretary of the Safe Winter Driving

we all like to blame "I skidded" or "I couldn't see" seldom a justifiable

...ing that there are annual mishaps when the driver is blameless. Wilcox says that in the vast majority of winter accidents, the driver is at fault, either in failing to keep his car in mechanical condition or

in failing to practice safe driving techniques. "Unfortunately, many drivers fail to recognize that winter creates added hazards in driving—caused by inadequate traction and reduced visibility," Wilcox says.

"When these are combined with normal, everyday driving risks, the driver needs all the help he can get from his equipment. And, most of all, he needs to recognize the degree of these added hazards, and to compensate for them by reducing his speed, by following at a greater distance, and by

performing all driving maneuvers—braking, accelerating and steering—with a gentle touch."

This is a most important question when faced with an emergency situation on a slick pavement.

Under normal, dry road conditions a car with good brakes traveling at 20 mph can be stopped in about 39 feet. (This includes 22 feet for the average driver to react and apply his brakes, plus another 17 feet of braking distance which is about one car length.) By comparison, Wilcox says

that the braking distance at 20 mph on glare ice may easily be as much as 150 to 200 feet, or more than ten car lengths. "And don't count on ordinary snow tires to help you stop on ice," he warns.

Reduced visibility during the winter months results from longer hours of darkness, snow, sleet, fog and mist, and obstruction to the driver's vision from snow, ice and frost on the car's windows.

"Before starting out, always make it a practice to scrape snow and ice off the entire windshield, and the side and

rear windows as well," advises Wilcox.

"Clean the headlights, tail-lights and directional signals, too. Be sure you have adequate windshield anti-freeze. Replace or refill streaking windshield wiper blades with live new rubber for most effective cleaning. Use your low-beams when driving in fogs or heavy snow storms.

"Better yet," he concludes, "when visibility is seriously curtailed, the best advice is to get off the road and wait out the storm."

Teston Family Reunion Conducted Here Dec. 26

Children of Homer Paul Neel held a family reunion on Sunday, Dec. 26, at the Littlefield Community Center. The reunion is held every two years.

Attending were Mr. and Mrs. Teston, Mr. and Mrs. Bryan of Bula; Mr. and Mrs. Lloyd Farrington of Littlefield; and Mr. and Mrs. Otis Neel of Friona.

Another daughter, Mrs. Robert McCulloch, of Palm Springs, California, was unable to attend.

Grandchildren and great-grandchildren attending were Mr. and Mrs. Avon Rushing, of Snyder; Mr. and Mrs. Benny Claunch, Kanny, Keith, and Sherry of Bula; Mr. and Mrs. Jimmy Crosby, Mr. and Mrs. Art Foley, Ferris, JoDean, Steven and Dan, and Mr. and Mrs. Roland Bell, Gregory and Kevin all of Littlefield; Mr. and Mrs. Dewayne Neel, Micheal, Greg, and Dawn and Mr. and Mrs. Gerald Neel, D'Lynn and Todd of Denver, Colo.; Mr. and Mrs. Larry Fairchild, Tammy, Jeff, and Vickie of Hub; and Dale Neel and Evelyn Kay Neel of Friona.

Also attending were Mrs. Montie Farrington of Anton, Mrs. Kenneth Lynch and Tracie and Mrs. Jimmy D. Walker and Carrie of Littlefield.

Highlighting the day of visiting was the compiling of the H. P. Teston branch of the Teston family tree. This information will be added to that already compiled to the other branches of the Teston family tree. It has been recently learned that this Teston family tree has been traced back to Ireland where there is still a Teston estate listed on the tax roll. Members of the family hope that more can be learned about this property and even more information can be added to the Teston family tree.

Homer Paul Teston and his family came from Brown County, Texas to the Caprock Community in Crosby County in 1926. He farmed there until he moved to Riverside, Calif. in 1946; where he still resides.

City Employees Attend Meeting

Two Littlefield city employees attended the December meeting of Caprock Water Utilities Association in Tulla Dec. 17. They are James Royall and Ted Jacobs.

A slide talk presentation on operations of the trucking filter plants was presented by Meryl

Walters of Plainview, following the welcome address by Tulla's city manager, J. S. McGuire.

Representatives from Muleshoe were recognized as traveling the farthest distance to the meeting—77 miles one way. Total miles tallied by 38 members from all the cities

represented was 3,000 miles. Hale Center was chosen as the site for the January meeting. New officers for the upcoming year were installed, with E. M. Jones of Dimmitt taking the reins as president. President elect is Lyman Daniel of Lorenzo; vice president is Duane Ham of Muleshoe; secretary-treasurer is Mary Walters of Plainview; and assistant secretary is Jim Gardner of Plainview.

TAKE CARE

New Year's Eve is a bad time to be on the road. Don't drive unless you have to. If you do, be extra careful. Another driver, who has been enjoying holiday spirits, might make you his one mistake for the road.

IT'S BACK TO SCHOOL Monday morning, with the "happy holiday" season. Students will be hearing instructions over the school's intercom system, instead of the Christmas music they heard before the holidays. Mark Coffman, fourth son of Mr. and Mrs. Edwin Coffman, aids Principal James B. Settle in the

HPRF Names Valliant Director Of Research

Jim Valliant, scientist at the High Plains Research Foundation for more than ten years, became director of research for the organization at Halfway on Jan. 1.

The new position was created at a recent meeting of the Foundation Executive Committee.

As director of research, Valliant becomes second in command to Dr. Tom Longenecker, executive vice-president and Foundation director.

Valliant received B.S. and M.S. degrees in agricultural engineering from Texas Tech University in 1959 and 1969. He majored in soil and water management.

Since joining the Foundation in June of 1969, Valliant has become a leader in artificial ground water recharge studies. Papers on artificial recharge prepared by Valliant have been presented at many scientific conferences throughout the nation. The latest one was

presented Dec. 9 at the American Society of Agricultural Engineers meeting in Chicago.

In 1970, the High Plains Research Foundation was the State Winner as the "Outstanding Water Conservation Group in Texas" at the Texas Conservation Awards Program under the sponsorship of the Hale County Soil and Water Conservation District.

Valliant has directed soil and water studies at the Foundation since 1961.

He is a member of the ASAE and National Water Well Association. His application on registration as a professional engineer was approved in 1970.

Valliant is a native of Pecos. He and his wife, Pat, reside near the Foundation and have two children, Dawn, 10 years old and Lance, 6.

His new responsibilities at the Foundation will be to coordinate Foundation research and operational activities and assist farmers and agricultural

leaders in matters pertaining to irrigation, soil and conservation and farm practices.

He also will continue programs of study on art recharge, irrigation and soil and water management studies that provide the for many of the cultural practices in use on the Plains.
