

PARADE FLOAT, entered by the Lamb County Pioneers, captured first place honors in what spectators called the "best parade ever" in Littlefield Saturday. Other floats of the parade and other Festivities Days events are on pages 6 and 7 of today's Leader-News.

Big Littlefield Events Draw Crowd Of More Than 5,000

Parade 'Best Ever,' Contests Plentiful

Approximately 5,000 to 6,000 spectators and participants were here Saturday to see the "best parade ever" and to enter the various contests during the afternoon of the second big day of Littlefield's Second Annual Festivities Days.

The full day followed a successful Friday...
--When a Texas Historical Marker was dedicated at the site of Littlefield's "World's Tallest Windmill" replica.
--When about 500 persons viewed 236 art exhibits in the Fourth Annual Sidewalk Art Festival.

--When an LHS junior, Miss Linda Horn, was chosen "Miss Lamb County".
--And when hundreds of teenagers danced the late hours away on Phelps Avenue.

Approximately 29 riders competed in the 4-H play day, sponsored by the Lamb County Sheriff's Posse and Littlefield 4-H Club, to begin the action for the second day.

A highlight of the day came when the lucky ticket number 3455 was drawn from the hopper by Little Miss Sandy Gayle Feagley of Hart Camp to award the new red Oldsmobile to Beans

Reed of Ralls. Reed was not present for the drawing and was expected to pick up the car Wednesday.

Lamb County Pioneers walked off with the first place trophy for the winning entry in the parade, while Byers Grain's caboose took first place in the freedom train portion.

Plainview Comancheros won first place honors in the junior riding groups who participated in the parade, and the Abernathy Riding Club took top honors in the senior riding group division.

Sam Fain's beard copped the "best all-around beard" in the beard contest while Tommy Lough sported the best mustache.

Whitharral's band director, Charles Addington, told the best whopper to win the "Biggest Liar" title in the West Texas Liar's Contest.

Thousands of listeners were entertained with nostalgic numbers played and sung by several groups at the Fiddlers Festival and Variety Show. Buck Ross, chairman, "sawed off" a boy's legs while he was lying in a special box.

Two separate dances were conducted on Phelps Avenue Saturday night to close out Festivities Days.

Square dancers from throughout a wide area around Littlefield were present to participate in the square dance, while hundreds of teenagers danced in the streets about a block away.

PARADE

Lamb County Pioneers took the first place float plaque in the giant parade here Saturday afternoon, with Buck Ross ramrodding the action. The Circle Eight Square Dance Club copped second place honors and the "Miss Lamb County" float, sponsored by Beta Sigma Phi, took the third place plaque.

In the Freedom Train portion of the parade, first place went to the caboose, sponsored by Byers' Grain. The "World's Tallest Newspaper" car on the train, sponsored by the Leader-News, took the second place ribbon, and Joy's Wigs, sponsored by Joy's Hair Designers, was awarded the third place ribbon.

First honorable mention on the train went to the engine.

BEARD WINNERS--Lawrence Macha, left, walked off with the longest beard honors Saturday during the Beard Judging Contest. Dan Heard, second from left, won first in the reddest, blondest and grayest category, while Tommy Lough sported the best mustache, James Lee wore the ugliest beard, and Sam Fain had the best all-around beard.

IT'S CRYING TIME--Linda Horn bursts into tears of happiness as she is crowned Miss Lamb County of 1970 by Kathy Minyard, Miss Littlefield of 1969. Miss Horn, sponsored in the contest by McAnally Jewelry, won the Beta Sigma Phi pageant over 18 other contestants. Shown in the background, with smiles and tears, are Kathy Tomes, Mary Davidson and Debra McAnally.

Spider Mite Found Sorghum

Spider mite has invaded sorghum on the High Plains again this summer, and is a serious threat to grain production, according to a preliminary report being issued by the Texas Grain Sorghum Producers Board.

Spider mite is a microscopic insect, which covers the underside of the leaves and sucks the nutrients from them. Feeding on leaves is an indication of the presence of the mite, along with rapid deterioration and browning of the leaves where they are present.

Dr. Harp, TGSPPB executive director, expressed concern about the mite causing damage to the area's sorghum crop this year, and he said farmers should be aware of its presence.

Preliminary research conducted by the TGSPPB indicates that regular Di-syston is the most effective control of the mite.

Top Slates Annual Meet

Approximately \$202,000 in credits from the year will be returned Tuesday during the annual membership meeting of Lamb County Electric Cooperative, Inc. The event is scheduled for 7 p.m. Tuesday at the Lamb County Electric building, Phelps Avenue and 44 by-pass. Registration for door prizes begins at 7:30 p.m. and refreshments will be served. The agenda for the business session are reports of officers, directors and committees and the election of three directors.

Minutes for the director sessions are R.V. Alcorn for District 1; Joe Fisher, L. D. Terrell and Russell McAnally for District 2; and L.A. Jones and J.R. Hodges for District 3.

Recorded On Film

The Leader-News used 23 rolls of film--that's 276 pictures--during the Pioneer Reunion and Festivities Days on Tuesday, Friday and Saturday.

Approximately 50 of the photos have been or will be published. A large number of them appear in the center pages of today's edition, and the others will be published Sunday.

The volume of pictures set some sort of record around the Leader-News for any three days of activities.

GAIN OF 70 STUDENTS

School Enrollment Up, Still Short Of 2,000

Littlefield school enrollment for 1970-71 has fallen 80 short of the 2,000 mark during the first five days of school, when a grand total of 1,920 students enrolled, according to Mrs. Maurine Chisholm, secretary to Superintendent Paul I. Jones.

Comparisons of the new figure show that this year's enrollment is up 70 students from last year, breaking a dropping trend from the past three years. Last year, 1,850 students were enrolled and at the same time two years ago, the total enrollment was 1,918 compared to 2,010 the year before that.

There are 408 students in the Primary building this year, with 34 of that number in the school's first public kindergarten classes.

Also included are 202 first graders and 172 second graders, compared to 187 first graders and 191 second graders last year.

In Elementary I, 174 third graders and 172 fourth graders were enrolled--a total of 346 students--compared to 158

third graders and 165 fourth graders last year.

Enrolled in Elementary II this year are 328 students. Fifth graders number 163, compared to 153 last year, and the number of sixth graders add up to 165, 19 more than the 146 figure last year.

In junior high school, there are 159 seventh graders, 170 eighth graders and 126 freshmen, totaling 455 students. Last year's total was 489.

Ninety-seven seniors, 115 juniors and 171 sophomores round out a 383 total of high school students this year, compared to 370 last year. Last year's figures reveal that there were 101 seniors, 103 juniors and 166 sophomores.

Aills Sentenced, Trials Set For 12

Ronald E. Aills, a 50-year-old Amherst man, pleaded guilty to a charge of assault with intent to murder with malice aforethought and waived a jury trial when he appeared before Dis-

trict Judge Pat Boone, Jr. for arraignment Monday.

Judge Boone found Aills guilty and sentenced him to eight years in the state penitentiary for stabbing H. B. Davison in the abdomen after following him and pulling in front and stopping him on U. S. Highway 84 between Amherst and Sudan on or about March 28 of this year.

Davison and Mrs. Davison were taking Mrs. Aills and the Aills children to Lubbock following a family quarrel when the incident took place.

Others who had not been arraigned after indictment by the grand jury appeared for arraignment Monday and the following criminal jury settings are scheduled for Monday, Sept. 14, at 10 a.m.:

Alfred Johnson Jr., robbery; Harvey C. Wilson, Marnie Mae Smith and Harry Lee Brown, burglary; Josephine Sanders, forgery and passing; Robert Lee Walker, theft; Lonnie Stroud, forgery and passing; Jerry Davis, burglary; Placido A. Cano, burglary; and Facundo G. Baca, Adan Lucero and Joe Guadalupe Gutierrez, burglary.

WHITTLING IS "IN" in Littlefield with an official Whittlers' Corner at Delano and LFD. Drive. The whittling site is the result of a "We, The Women" project to rid the corner southeast of the depot of the partially demolished building that was formerly Mom's Cafe. Mrs. Frank Anzeline was project chairman of the C-C women's auxiliary that was in charge of tearing down the rest of the building, aided by Mayor J. E. Chisholm and city employees. Fire Chief Leon Durham washed down the cement walls and flooring; Higginbotham-Bartlett Lumber donated lumber and nails to repair the exposed wall that was painted by the Coca Cola Company, and Frank Anzeline painted the "Whittlers" sign and did the decorative art work.

Mrs. Bowen Named To Fill JP's Post

Lamb County commissioners appointed Mrs. J. N. Bowen to fill the unexpired term of the office of justice of peace at a regular meeting of the court Monday.

Mrs. Bowen will serve as JP until her husband's term would have ended on Dec. 31 of this year.

Due to the death of Bowen, the Lamb County Democratic executive committee will appoint a nominee to be listed on the ballot for the Nov. 3 general election.

In other action Monday the commissioners appointed Mrs. Floyd (Blackie) Seymore as

presiding judge for precinct 13 and named Mrs. Emery Blume as alternate judge for that voting precinct.

Election boundaries for precincts 7 and 10 which includes Sod House and North Sudan were combined, the South Olton voting precinct 11 was abolished, and the boundary lines of voting precincts 16 at the Littlefield Junior High School was moved to include part of voting precinct 12, the box at the Lamb County Courthouse.

These new election boundaries will go into effect beginning the last day of February, 1971.

COUNTRY CLUB POOL OPEN

The swimming pool at Littlefield Country Club will be open for members and their guests during the Labor Day weekend.

Swimming hours at the pool on Saturday, Sunday and Monday will be 1-6 p.m.

The pool has been closed since school started, but has been maintained so that swimmers can have "one last fling" this weekend. The three-day opening will close the swimming season.

They Came To Stay . . . And They Did

By EVALYN PARROTT SCOTT

Ninety-two years of living have settled gracefully upon the shoulders of Tyne Fife, a courtly Southern Gentleman who wears only the best of Panama straw hats and the string tie of the old Southern Colonel in the summer.

But, unlike most Southern colonels, Fife is a shrewd and capable business man and farmer despite the fact he retired from active farming about five years ago. He is still active in church work and community efforts.

A native Mississippian who came with his parents to Texas in 1895, Fife still drives the family car on trips and keeps up with the latest innovations and programs.

He was among the first from Sudan to travel to Houston to see a sports game in the Astro-dome.

Fife has not yielded to age and carries his spare frame erectly as though he was "to the Manor born".

His wife is the personification of the gentle Southern Lady with flowing lace, but her shoulder was always with her mate's at the wheel when it came to doing.

Mrs. Fife is the daughter of the late J. B. Newman and wife, Dora Smith Newman, and is a native Texan; but her parents were natives of Mississippi.

The Fifes are noted for their honest and fair dealings and beloved by neighbors and those who know them. They are members of the Sudan Church of Christ.

Upon coming to the Plains in 1925, he found a settler named Joe Morgan, who had put all his savings into a labor of land, but due to an early freeze in 1925 Morgan had nothing to make land payments with.

Fife asked him to figure up how much he had invested in the land and he would pay him that amount per acre which totaled \$60.00 an acre.

Had Fife been greedy he could possibly have gotten the land for half that amount; but, being a man of principles he paid the \$60.00 an acre and sold his land in Limestone County for \$122, an acre. Fife and wife declared they came to stay, make friends and a good home -- they stuck to these ideas in spite of adversities and dire warnings by his father and other kindred.

In 1926 in the early fall, just as Fife had started harvesting the crop, his father came out, along with an uncle named George. His father possibly came to "see", as his son had

written him about the good and abundant crop he had that year. Stated the elder Fife "I never knew of Tyne to tell stores, but, he may have told a whopper this time."

The elderly Fife and his brother, George, arrived in the wee hours of a frosty morn to check on Tyne possibly to make sure one of their own was all right.

The uncle was so chilled (and as it was still dark he had not seen the crops) made the statement he wouldn't trade his pocket knife for all of West Texas.

However, after being bundled off to bed and later served a good country breakfast they ventured forth to check Tyne's land (possibly still thinking just once he may have fibbed a bit, and he on the edge of starvation, but too proud to let the rest of the clan know).

First they admitted he had the finest miles they had ever seen but still remained skeptical--the two muttered to each other when they walked through Tyne's fine goose-necked maize, tall corn with large ears, his hygera and kaffir corn with heads measuring a good 12 inches long, (all the time still muttering to each other) however, when they reached his 50 acres of cotton so loaded with bolls that he pulled the stalks to the ground they quit muttering and demanded if it was that good on the ends.

Fife said he couldn't see any difference--but, they walked it out then wanted to know just how long those rows were (a labor length--perhaps they were a mite tired after walking Texas length rows) Finally his father conceded and said "Son, you had the best farm in Limestone County, but, I wouldn't trade one acre of this land for two acres of that land!"

More than likely the two returned to Groesbeck in Limestone County, feeling easier about the member of the clan who pulled out and came West.

But, being a shrewd man, Tyne Fife, did not burn all bridges behind him as he did not sell his furniture store in Teague; but, did resign his position as president of a bank at Otto (a small town near Teague).

In 1932 he sold out his part in the store and as both he and Mrs. Fife predicted, "We came to stay," to like the country and to make friends!" and this they did!

Woodworking Course Offered

Beginning woodworking at South Plains College changed from Wednesday to Thursday night of week. The announcement was made by the instructor, Jerry Aaron. Registration may be made for the course on Thursday night, Sept. 3, the first registration in the semester.

After completing the course, students learn the art of working with wood. They will be able to use tools and machinery. Facilities are available for those taking the course. The class will continue the semester from 7 to 9:30 p.m. each Thursday.

Mrs. Carolyn Spies Named 'Outstanding'

The Tau Chi chapter of Beta Sigma Phi has revealed that Mrs. Carolyn Spies has been selected to appear in the 1970 edition of "Outstanding Young Women of America."

Nominated earlier this year, she has been chosen for the awards publication on the basis of her achievements.

Now in its sixth year, the Outstanding Young Women of America program, designed to recognize the abilities of women between the ages of 21 and 35, was conceived by the leaders of the nation's major women's organizations.

This program recognizes those young women who contribute to the betterment of their communities, professions, and country.

Serving on the program's Board of Advisors are the national presidents of Women's Clubs, headed by Mrs. Dexter Otis Arnold, honorary president of the General Federation of Women's Clubs.

Each year over 6,000 young women are nominated as Outstanding Young Women of America by leading women's organizations, college alumni associations, and churches

across the country. These young women's complete biographical sketches are featured in the national volume, "Outstanding Young Women of America."

These women are now in competition for their state's Outstanding Young Women of the Year Award.

This fall, 50 of the young women included in "Outstanding Young Women of America"—one from each state—will be named as their state's Outstanding Young Woman of the Year.

NBC news correspondent, Nancy H. Dickerson, who wrote the introductory message for last year's edition, said, "The young women honored by recognition in this book have made a good start. . . They can recognize the new acceptance they have and go forward to contribute even more in a more meaningful way than in the past, and hopefully ennoble a world which is so much more in need of their talents than ever before."

Guidelines for selection as an Outstanding Young Woman include unselfish service to others, charitable activities, community and civic and professional recognition.

Chicken Is Popular

Now is the time to buy, eat and freeze fryers, according to an Extension consumer marketing specialist.

The supply is estimated at seven percent more than last year, and this combined with low prices is one reason chickens turn up so frequently on dinner tables, she says.

Egg prices are also a little lower than at this time a year ago. The price spread between Grade A large and medium size eggs is narrowing a bit since wholesale prices on large eggs are down. Mediums are still generally the better buy.

Retail beef prices are unchanged for the past few weeks. In general, look for best beef

values on short ribs, ground beef, arm and blade pot roasts and steaks and round steaks and roasts.

Retail pork prices are holding steady with prices for the past month. Look for best pork values of end cut loin roasts and chops, picnics, hams and shoulder roasts and steaks.

Fresh fruits and vegetable items in ample supply at the most economical prices include oranges, bananas, cantaloupes, watermelons, plums, prunes and grapes. Others include potatoes, head lettuce, celery, cabbage, okra, blackeye and purple hull peas, carrots, dry yellow and red onions, tomatoes and squash.

14 In County Jail

Fourteen persons were confined in the Lamb County jail this week on charges of assault, vandalism, forgery, burglary, failure to appear and drunkenness.

Pablo Monreal, a 19-year-old Earth man was jailed Thursday on an aggravated assault charge.

Sunday, Roy Salazar, 22, of Spade, was arrested and charged with assault. Three persons were jailed Saturday and charged with vandalism to irrigation wells. Fines of \$200 each were assessed to Manuel Rangel, Robert Tijerina and Philip Hernandez, all of Littlefield, and the three remained in jail at press time Wednesday.

Jerry Davis, an 18-year-old from Anton, was charged with burglary Tuesday, and was released the same day on a \$4,000 bond.

Two persons were jailed Monday for failure to appear for arraignment. Lonnie Stroud, 18, of Levelland did not appear for arraignment on a forgery charge, and Robert Lee Walker of Littlefield did not appear to be arraigned on a felony theft charge. Walker's bond was set

at \$4,000, and both are in custody.

Six were jailed this week on misdemeanor charges. Three from Littlefield, and a Lubbock, and Fieldton man were jailed on drunk charges, and an Earth man was jailed for drunk and disturbance.

Flowering Bulbs

By Lady Clare Phillips County HD Agent

Home demonstration club women will be studying landscaping ideas this month with emphasis on flowering bulbs.

Now is the time to prepare beds for planting bulbs and winter annuals. Divide and transplant iris, cannas, day-lilies, shasta daisy and violets. Complete digging and storing gladiolus bulbs.

Purchase tulip bulbs and chill in refrigerator 35 degrees to 40 degrees F. for 60 days. Make preparation for purchasing spring flowering bulbs.

Peonies can be dug and divided from now until mid-October. It is best not to disturb established plants unless they are crowded.

Landscape planning should be a concern of all homeowners. Houses are built to live in and yards also need to be designed and built for use and enjoyment.

Well, it's that time of year again. We've struggled through the first few days of school, now all we have left is nine more months!

What are those strange noises coming from room 113? Could it be the 2nd period Spanish class??

The L.J.H. Band is getting off on the right foot. The newest addition to the Band is the 8th graders.

Have a good week and... Keep smiling!!!!!!!

THIS IS CHICAGO. Here's where, during 1968's Democratic convention, police were called "pigs" by a lot of people who should have known better.

THROUGH TV EYES which strangely ignored the attack and concentrated their stare on the counterattack, it appeared that policemen were clubbing unarmed protesters mercilessly.

THOUSANDS OF YOUNG Chicagoans converged for a public concert in Grant Park.

ONE THING for sure, tho, if you're planning on busting a gas main, you'd better make an appointment with your plumber, in advance!

THE SITUATION wasn't as serious as it could have been, seeing that we cook on electricity.

YOU NEVER MISS the water 'til the well runs dry, nor do you miss the gas 'til it's shut off.

ONE OF THE greatest mistakes made is in expecting life to be easy. It can be satisfactory, triumphant, and fulfilling; but never easy.

THE ABUNDANT LIFE Testing Time

By BOB WEAR

ANY TIME is testing time. In fact, all time is testing time. The times of success and times of failure, times of gain, and times of loss; times of joy and times of sorrow; times of prosperity and times of adversity; times of good health and times of sickness; all times are testing times.

ALL OF US are being tested each day. The testing is part of the established order for life as we must live it.

WE MUST NOT make the mistake of thinking that only failures, and losses, and sorrows, and adversities, and sicknesses test us.

TESTING WILL MAKE US strong if we see it and respond to it in the very best way. We are potentially capable of doing so.

LIFE HAS NO SMOOTH road for any of us; and in the bracing atmosphere of a high aim the very roughness stimulates the climber to steadier steps, till the legend, "over steep ways to the stars" fulfills itself.

WE CAN BUILD a substantial life. To do this, we must choose a substantial foundation of eternal values: a foundation of Christian principles, ideals and insights.

THE SUBSTANTIAL LIFE, which is available to all of us, will continue strong and effective through all testing times.

THE SITUATION wasn't as serious as it could have been, seeing that we cook on electricity.

PAUL HARVEY 'Good Guys'

provided an excuse for the disrupters to start disrupting, the police on the scene were overwhelmingly outnumbered.

SOME OF THE YOUNG stripped their clothing, climbed onto the stage; others began throwing rocks and bottles.

WITHIN minutes a full-scale battle was under way; thousands of violent young people overturned and burned police cars, pelted police with anything throwable, ripped up sidewalks so they could break up the cement for additional ammunition.

AFTER three hours and 165 arrests--the mob dispersed. By then 135 were injured; 65 of those were policemen.

BUT THIS TIME, if the police lost a skirmish they won the unanimous support of the responsible public and of all city officials.

THE POLICE, by courageous self-control and a conspicuous sacrifice of their own safety even beyond what makes sense, demonstrated the dangerous potential of limitless leniency.

AND THE FOLLOWING day the attorney general of the United States, John Mitchell, who had ordered police everywhere to "cool it" last May, told police everywhere that they have a perfect right to use their weapons to protect their lives.

-The Last Picture Of Johnny-

Johnny Didn't Start School This Year

On the first day everyone noticed the vacant desk. . . Johnny's desk. It stood out like an empty chasm to his classmates.

What happened to Johnny happens to hundreds of boys and girls of school age—who are killed each year by automobiles.

School's opening and the emphasis is on child safety, yet we continue to run over and kill more than 3,300 children each year. Many of us think life is a bit tragic and accept this, but what tragedy exceeds a parents' witnessing and suffering and experiencing the loss of a child, and the driver's persecuted feeling of responsibility, regardless of whose fault it was. Can you describe the sound of the impact, or visualize the broken body of the child?

Most of us drive and have children, placing us in the positions of the concerned motorist and the worried parent. There are things that we can do as drivers and parents to reduce the road exposures to our children as they flood the highways this time of year.

- * Begin by slowing down.
- * Watch behind and between parked cars, expect the unexpected.
- * Use extra caution around bicycles.
- * Give school buses complete right-of-way.
- * Know and observe school zones.
- * Watch for children in areas without sidewalks.
- * Use extra caution during school take-in and let-out times.
- * Use your common sense.

Let's reduce this American tragedy and protect the best of us. . .our little people.

4-H Adult Leaders Participate In Forum

Five 4-H adult leaders in Lamb County will participate in the SPD (South Plains Development Program) District 2 4-H Adult Leaders Forum scheduled for Sept. 8, 9 and 10 at the Ceta Canyon Methodist Camp in Randall County.

Those attending will be Marvin Bowling of Sudan, George Tooley of Amherst, Dan Quigley of Olton, Helen Quigley of Olton, and James Cook of Littlefield according to County Extension Agent Buddy C. Logsdon who will also participate in the forum.

The forum is designed to bring "new life" into 4-H Club work, points out Logsdon. New ideas for a more effective 4-H Club program will be discussed. Registration will be from 4 to 5 p.m. on Tuesday, Sept. 8, and a general assembly at 7:30 p.m. will kick off the forum. Featured speaker at the assembly will be Dr. John E. Hutchison, director of the Texas Agricultural Extension Service, which is sponsoring the event along with SPD. Hutchison will talk on "4-H Club Work in the '70's."

Forum sections which will be held during the three-day program include "Recreation, Scope of 4-H and Leader Orientation." Leaders for these sections will be Miss Lucille Moore, recreation consultant, Green Valley, Ariz.; H. T. Davison, Extension assistant state 4-H Club leader, College Station; and County Extension Agents Doyle Warren, Floydada; Mrs. Catherine Crawford, Big Spring; Mrs. Jane Blay, Brownfield; and Bobby Lemons, Colorado.

A general assembly at 11:30 a.m. on Thursday, Sept. 10, will close the forum. Featured speaker for the assembly will be Joe Rothe, Extension agricultural agent, College Station. He will discuss "Responsibilities of 4-H Leaders and County Extension Agents."

Vesper services during the forum will be led by Layla First Baptist Church, Lubbock. Responsibilities of 4-H Leaders and County Extension Agents will be discussed by Mrs. Aubrey W. and Billy C. Gunter, Lubbock.

Football Magazine Is QB Club Project

West Texas High School Football Magazine is a new annual publication which deals entirely with the brand of football played in the West Texas area. The magazine covers in detail 117 teams in 18 districts, from class A to class AAAA.

The new magazine is on sale on magazine stands in Littlefield and the Littlefield Quarterback Club makes a profit on each copy sold.

In addition to in-depth cover-

age, with schedules, stories, and pictures of the teams, the magazine offers several feature articles by well-known sports writers around the area. In a 176-page edition, the complete picture of high school football in West Texas is presented; the format is one of solid regional articles, and only a few regional advertisements are included.

Because of its comprehensive and colorful style, the magazine

has met with unanimous acclaim from all quarters. Fans, players, and coaches have all voiced praise for West Texas High School Football magazine, feeling that it is a most needed reference volume for grid enthusiasts. Noted sports scribes have also found the magazine to be an invaluable addition to the football scene. Carlton Stowers, formerly of the Lubbock and Amarillo papers, has called the magazine the best of its kind

ever published in the state. Others, including Michael Grant, Bob Milburn, Don Scott, and James McAfee, all longtime sports followers, have offered similar tributes to the magazine.

The Littlefield Quarterback Club is selling the magazine as a fund raising project. The magazine sells for \$1.50 per copy, and the clubs get 50 cents for each copy sold at local stores.

Anton Pins District Hopes On 10 Returnees, 10 Fresh

By GARY BRYSON
Leader-News Sports Writer

The 1970 football season looks to be a new start for the Anton High Bulldog team. Head Coach Jim Gwaltney, a Colorado State graduate, and his assistant coaches; Tommy Frazier, from Sul Ross, Jim Rich of Howard Payne and T. P. Wingo of Texas Tech, will take 10 returning lettermen from last year's team and 10 freshman into a tough District 5-B race.

Tommy Gilbert, a two-year letterman, will spark the offense from the quarterback position, giving the ball to either Danny Spradley, a senior fullback, or to Quinn Williams, a junior tailback. Both Spradley and Williams are two-year lettermen on the Anton squad.

At the center post will be 200-pound freshman Quinn Martin. The reserve centers will be Brent Webb, 160 pounds, or Lonnie Clark, 135 pounds,

both are freshmen.

Only one veteran will return for duties at the end position. Bill Walthall, a 155-pound junior. Two sophomores and two freshmen will share the other places as receivers; they will be Mike Knebluck, sophomore weighing 135 pounds, Alvin Williams, sophomore at 160 pounds, Pete Garcia, freshman at 140 pounds, and Tommy Gil- liam, freshman at 110 pounds.

A trio of lettermen share the tackle spots for the Bulldogs. Norman Martin, a 180-pound senior, Mark Walthall, a 190-pound sophomore, and Ruben Rendon, a 200-pound junior.

Jeff Hobgood is the only returning guard from the 1969 team. Along in the same post are John Synatsch, 135 pounds, and Robert Kiser, 145 pounds, both are sophomores. Domingo Ramirez, 140 pounds, and James Aldaco, 135 pounds, are the freshman guards.

Flinkeers on the Anton squad

are 150-pound senior Randy Jones, 110-pound freshmen Randy Parrish, 115-pound freshman Robert Dalton, and 110-pound freshman Randall Stone. Brady Goen, freshman, and Brent Couch, sophomore, will be the Bulldog reserve quarterbacks. Other backs on the team are 135-pound Ector Morales, sophomore tailback, 130-pound Dewey Peacock, sophomore tailback, and Victor Her- rin, sophomore fullback at 135 pounds.

Coach Gwaltney's Bulldogs played Ropes in a scrimmage last week with the game ending in a tie of two touchdowns each. The first regular season game will be Sept. 11 at Wilson High School.

A trio of brothers will be starting offensively for the Anton team; Quinn and Alvin Williams, Mark and Bill Walthall, and Norman and Quinn Martin. "I think we will have a pretty respectable team this year," said Gwaltney.

Wildcats, Mules Meet In Scrimmage Session

Littlefield's Wildcats will go against the Class AAA Muleshoe Mules Friday at 7 p.m. in a scrimmage at Wildcat Stadium.

Coach Deverelle Lewis has juggled the line-up following two "good hitting" practice sessions Monday and Tuesday, and he's looking for an improved showing from the Cats.

Littlefield had the old drums in its first pre-season scrimmage against Tahoka last Friday at Tahoka, where the Wildcats were unable to score and the Bulldogs put two tallies on the board.

"We made some changes," said the coach, "and we've had a couple of real good practice sessions. I think we'll see some improvement."

Starting for the Wildcats offensively will be Kim Hill, 170-pound senior, and Leroy Danford, 185-pound junior, at ends; Brad Nace, 200-pound junior, and Calvin Kilby, 260-pound

senior, at tackles; Lynn Wright, 160-pound senior, and Kenny Pratt, 195-pound junior, at tackles; and Wayne Streety, 180-pound senior, at center.

The starting backs on offense will be Wendell Horn, 145-pound senior, at quarter- back; Ralph Funk, 190-pound

junior, and Dennis Hartley, 170-junior, at halfbacks; and Danny Estrada, 220-pound junior, at fullback.

Defensively, the Wildcats will have Hill and Danford at ends; Pratt and Nace at tackles; Larry Purdy, 145-pound senior, at nose guard; Estrada and Chuck

Blevins, 160-pound junior, at linebacks; Larry Birkelbach, 160-pound junior, or Jerry Kemp, 165-pound junior, at rover; Hartley and Keith Sitton, 148-pound senior, at the half-back spots; and Funk at safety. Littlefield will open the season the next Friday night, Sept. 4, at Crosbyton.

Country Club Schedules 6th Annual Partnership

A partnership golf tournament at the Littlefield Country Club Saturday and Sunday is expected to draw about 35 teams from the area including defend-

ing champs Jimmy Johnson and Dick Tubb of Levelland and stiff competition such as the Bruce Hart and Dub Malaise team.

W. C. Vanlandingham, Littlefield golf pro, said about 20 out-of-town teams had entered the sixth annual partnership event and approximately 15 local teams were expected to enter before the Friday 12 midnight deadline.

Entry fees are \$35 per team. Partnership play begins Satur-

day, and teams will be placed in their respective flights after the first day of play.

Littlefield will host its first annual Am-Am tourney Monday.

The Am-Am will be a one-day event with low handicap players captaining the four-man teams, with ladies welcome. Entry fee for the medal play, low-ball event will be \$5 and there will be no advanced registration for the 18-hole affair Monday.

Four County Wrecks Investigated By DPS

This weekend Lamb County highway patrolmen investigated four wrecks that left property damages of almost \$21,000 and sent one to the hospital.

Cecilia Ann Grill of New Braunfels was taken to the Littlefield Hospital by a Hammons ambulance following a wreck at the intersection of U.S. 70 and 385 at Springlake Sunday morning about 10:35. She was driving a 1962 Ford south when she came to the crossroads and ran the stop light. Her car was struck in the right side by a 1962 Ford driven by Lupe Morales of Springlake and owned by W.H. Bradley.

Following the impact, the Grill car traveled 87 feet before stopping, and the Morales vehicle went 21 feet to the south. DPS Official Bill Angel investigated and estimated damages of \$600 to each of the cars.

Angel investigated a second two-car accident 16.8 miles north of Littlefield about 11:15 Sunday morning.

Jesus Mendez Alegrid of Lubbock was driving a 1963 Chev-

rolet that collided with a 1968 Ford pickup being driven by Thomas Darrell Walker and owned by John Walker of Route 2 Levelland. Walker was looking backward and was struck by the Alegrid car and knocked 174 feet into the ditch.

Damages were estimated at \$600 to the Alegrid car and \$200 to the Walker pickup.

Highway Patrolman Weldon Parson investigated two one-car accidents Saturday. Rena Shelby of Earth was driving a 1968 Ford west on U.S. 84 one mile west of Anton when she lost control of the car, skidded into the median and struck a metal marker post. Damage estimate to her car was set at \$350.

A 13-year-old Littlefield girl, Demetra Shaw, was responsible for damages of about \$500 to a 1962 Oldsmobile owned by Cecil Alexander of Route 1 Sudan when the girl ran off a county dirt road .6 of a mile east of Littlefield and struck a power line pole. The girl was traveling north at the time the accident occurred.

Police Check Two Wrecks

City police have investigated two wrecks this week.

Monday afternoon, a minor collision occurred in front of Furr's when a 1961 Ford, driven by Ernestine Lichte of Littlefield, was backing from in front of the store onto East 4th Street and struck the right rear fender and chrome strip of a 1969 Pontiac station wagon, driven by Richard Ell Bundick of Littlefield.

Allen D. Middlebrooks of Littlefield was taken to Littlefield Hospital Tuesday afternoon for a check-up following a two-car collision at the intersection of West Third and Westside.

Middlebrooks was driving a 1965 Chevrolet pickup northward on Westside when a 1963 Pontiac, driven by Jerry Kas Tucker of Littlefield, ran a red light at the intersection and col- lided into the left front fender and door of the pickup.

Approximately \$400 in damages resulted to the pickup and about \$380 in damages to the Pontiac, according to the officer's report.

More than 3500 professional foresters work in Pacific North- west forests to grow, protect, harvest trees and grow trees again to create better living conditions in America.

TOMMY GILBERT, a senior quarterback for the Anton High Bulldogs, gets the snap from freshman center Quinn Martin in a practice session. Behind Gilbert are running backs Danny Spradley, senior, and Quinnon Williams, junior, both Bulldog starters.

Boys Ranchers Slate 26th Annual Rodeo

The 350 boys of Cal Farley's Boys Ranch will be putting on their 26th annual Boys Ranch Rodeo, Sept. 6 and 7, the Labor Day weekend.

Believed to be the only rodeo of its kind in the nation in which the only contestants are boys riding professional rodeo stock, under R. C. A. rules, the event is expected to attract about 5,000 persons for each of the two afternoon performances at 2:30 p.m.

The boys have been getting ready for the rodeo with qualification rides on calves, steers, Brahma bulls and bucking broncos for about two months. All will have a part in the rodeo with 88 riding as contestants for the trophies that will be awarded to the best riders.

Top honors will be the Senior and Junior All-around Cowboy trophies, with first, second and third place trophies going to contestants in each riding event.

Texas-size barbecue sandwiches, with all the trimmings will be on sale for \$1. The barbecue concession is one of several that will be operated by the boys.

Another rodeo feature will be the appearance of riding clubs from area communities in the rodeo's grand entry.

Reserve box seats can be obtained at the Boys Ranch office, P. O. Box 1890, Amarillo, Texas or by calling 372-2341.

Ticket prices are \$2.50 for box seats; general admission tickets are \$1.50 for adults and 75¢ for children.
