

Crowd Of 6,000 Throngs Littlefield For Festivities

Parade, Contests, Prizes Draw Huge Turnout

The Third Annual Lamb County Festivities Days brought approximately 6,000 spectators and participants to Littlefield Friday and Saturday, when a fast-moving program kept everyone occupied in some activity.

Thousands lined Phelps Avenue Saturday afternoon to view "the biggest parade they had ever seen in Littlefield", and most stayed to see and hear the various youth contests, the beard judging, the "Mr. Texas" pageant, the biggest liars' contest, the fiddlers' contest, and the square and street dances.

A jack pot play day, sponsored by the Lamb County Sheriff's Posse, began the activity for Saturday, following a successful Friday when nearly a thousand art critics from a wide surrounding area came to view and participate in the Fifth Annual Sidewalk Art Festival in downtown Littlefield on Phelps Avenue.

A highlight of the night Friday was the crowning of the 1971 Miss Lamb County, Deana Sterling, a brown-haired, brown-eyed Littlefield High School junior, who won the title from a field of 18 contestants. Closing out activities Friday night was a teen street dance in front of Pat's Record Center.

According to David Jones of the Sheriff's Posse, only a few turned out for the jack pot play day, but those who did participate, "experienced lots of fun and activity."

A highlight of Saturday's events came when the lucky tickets for the three prizes were drawn from the hopper by the new Miss Lamb County.

A brand new Sylvania colored television set and stand went to the holder of the first ticket—C. F. Carrico of Amherst. The 18" diagonally set is the first colored set the Carricos have owned.

The 1971 Indian motorcycle was awarded to James Steadman of Littlefield, who held the ticket in the second drawing. A Littlefield grandmother, Mrs. Bessie

Eitel George, won the gold 1971 Plymouth Cricket. She stated that she could drive, but didn't own a car at present.

The Veterans of Foreign Wars walked off with the \$75 cash prize money for the first place parade float, while the Littlefield TV & Appliance float on the train won first place in the commercial float division.

The Friona Riding Club won first place honors in the senior riding groups who participated in the parade, and the Lubbock Rangers took top honors in the junior riding group division.

James Blackwell's beard copped the "best all-around beard" title in the beard contest, while Roy Bussey sported the best mustache.

For the second year, Whitharral's band director, Charles Addington, came up with the best whopper to win the "Biggest Liar" title.

Thousands of viewers watched the "Mr. Texas Contest", when Neil West graced the stage with "poise and beauty," to win the title from a field of four "beauties".

Nostalgic fiddling music, played by eight fiddlers from the area and New Mexico, added a touch of color and rhythm to the evening's program. During the contest, Jim Lewis of Sudan was named the first place winner and he took home the \$50 cash prize.

Other fiddling winners were R. A. Brown of McAdoo, who won the second place prize of \$37.50; and Henry Lister of Idalou, who received the \$25 cash prize for third place.

Full results for the various other events include:

PARADE

The Veterans of Foreign Wars took the first place float honors in the parade, with Buck Ross serving as parade chairman. With the first place honor came the \$75 in cash as a prize. Muleshoe Homemakers received \$50 in cash for their second place float entry, and the Circle 8 Square Dance Club float won the \$25 third place prize.

In the train portion of the parade, first place went to Littlefield TV and Appliance, second place went to Bennett's Firestone, and third place to Luce-Nelson Implement.

Named best dressed cowgirl in the parade was Monica Phillips, queen of the Lamb County Sheriff's Posse.

Best-dressed cowboy was Tony Smith. The Littlefield High School and Whitharral High School bands provided marching music and added color to the parade.

Riding clubs to win honors in the senior division were the Friona Riding Club, with first place; and the Lamb County Sheriff's Posse, second place.

In the junior division were the Lubbock Rangers, first place; and Hockley County 4-H Club Rawhide Riders, second place.

BICYCLE-TRICYCLE

L. V. David Hamblin served as chairman for the bicycle-tricycle races in Laguna Park where 24 youngsters vied for top spots.

Tommy Joe Hardaway won first place in the pre-school tricycle race, with Yvette

See FESTIVITIES, Page 4

BEARD WINNERS in the Festivities Days contest Saturday were: left to right, Jimmy Merrifield, longest beard; Roy Bussey, best mustache; Junior Graham, most colorful beard; Dave Dailey, ugliest beard; and James Blackwell, best all-around beard.

Festivities Attract Money Here, Too

Does an event like Festivities Days increase Littlefield business?

Take the isolated case of Mr. and Mrs. B. J. Henry of Lubbock.

Buck Ross and some C.C. "Red Coats" from Littlefield went to Lubbock to advertise the annual event.

Two Lubbock couples with travel trailers decided to come to Littlefield where they could stay in the free camping

site over the weekend and take in the activities associated with the Festivities at the same time.

Saturday morning the two couples went downtown to shop and see Miss Ford Country, Sandy Lankford. While visiting in the Mitchell Ford Show room, Henry looked at a new Ford station wagon and decided to trade his 1970 model car for the new wagon.

Farther down the street, Henry found a suit of clothes that suited his fancy.

When Henry came back to Littlefield Monday to complete the papers on his new vehicle, he mentioned that the other couple spent over \$100 Saturday while visiting in Littlefield.

Square dancers from as far away as San Antonio were among the hundreds of out-of-towners who added to the tills of grocers, motel and service station operators.

There is no way to total increased business brought in by the event. But the merchants like it.

PCG Director To Be Elected

Lamb County cotton producers and agribusiness men will elect a businessman director to Plains Cotton Growers, Inc. in a breakfast meeting at 7:30 a.m. on Tuesday, Sept. 7 in the Crescent House Restaurant in Littlefield.

Announcement of the election comes from J. D. Smith, Lamb County producer director to the 25-county commodity organization, and Paul Bennett, current businessman director.

Both are Littlefield residents. Each of the counties in PCG territory has two directors, one a businessman and the other a cotton producer. They serve two year terms, with businessmen elected on odd years and producers on even years. Each is eligible for re-election every second year.

Smith and Bennett said all interested parties are urged to attend, and that both farmers and business men are eligible to vote in the election.

In addition to the election, Bennett said a member of the PCG are the men who determine the organization's policies and actions on legislation, research, promotion, finances and other matters so vital to the cotton economy of Lamb County, and all cotton people should make an effort to be on hand for this election.

Wrecks Checked

City police checked two wrecks Saturday, and haven't received any reports of other accidents or offenses since that time. Saturday morning, a 1966 Ford station wagon, driven by Valda Turner Bishop of Sudan, was traveling east on Sixth Street, when a 1967 Chevrolet Impala, driven by Robert M. Holton of Littlefield, backed from the curb and struck it on the right front end.

Saturday night, a 1971 Ford pickup, driven by Herbert Dolle of Littlefield, struck a curb when it swerved to the right to miss hitting a 1969 Volkswagen, driven by Erlene Hiddins Evans of Lubbock.

The pickup was traveling north on US 385 and made a left turn onto a side road, according to the investigating officer's report.

"MR. TEXAS" title went to "Missed Neil West" during the contest on stage in front of the Lamb County Courthouse Saturday afternoon. Taking second place was another "lovely", Connie Eagle, and tying for third place were Bill Payne and Don Avery.

"BEST SHOW ON EARTH" was theme for this year's Festivities Days and the flying trapeze act with a man being shot out of a cannon as staged on the VFW float was chosen as first place entry. Other photos of longest and best parade ever", as well as other events during Festivities Days, may be found on pages 6 and 7 of today's Leader-News.

More County Youths Bound For College

Lamb County's young people are going to college this fall in greater numbers than ever.

Because of their tuition costs and expenses, their parents will have to pay more than usual, since most colleges and their fees considerably for the coming school year.

A statewide survey covering 1,200 colleges and universities, conducted by the Finance Agency Management Board, a research organization, shows that 85 percent of them have raised rates.

In some cases, the increase -- for tuition, books and board -- is more than \$200.

For families the financial pinch is meeting the spiraling costs, some are turning to refinancing their home mortgages, negotiating bank loans, taking out credit cards and the like. Especially is it

difficult for families that have two or more children to put through college.

Based upon local college enrollments and the new rate schedules, the parents of Lamb County students will be shouldering a \$1,848,000 load for the coming academic year, it is estimated.

According to the latest figures compiled by the Department of Commerce and others, there will be no less than 8,000,000 young men and young women attending college this year. It compares with 2,900,000 in 1960.

Of the total, about 660 will be from the local area as against 340 in 1960.

For those going to state colleges and other publicly-supported institutions, the median cost for tuition, fees, room and board will be \$1,293, for in-state residents and \$1,940 for those coming from other states, according to the survey.

The new median at private co-educational colleges will be \$2,672, with variations above and below this figure.

Added to these amounts are the necessary outlays for books and supplies, clothes, transportation and recreation.

The overall total comes to about \$2,100, on average, in public colleges and \$3,500 in private colleges.

The estimated cost of \$1,848,000 that Lamb County parents have to meet is based upon the expectation that half the students from the local area will be going to public colleges and half to private.

Area Stock Show Directors Meet

Directors of the Littlefield Area Stock Show will meet in a special session at 8 tonight in the District Courtroom on the second floor of the courthouse.

Members will discuss finances, judges, rules, regulations and dates for the upcoming show.

Bingo! 2 Winners Split \$100

Two winners claimed the prize money for the sixth newspaper bingo game played on the purple cards--and each took home \$50 to spend as they wished.

The prize money for the purple game went to \$100 when there were no winners in the fifth game.

Winners were Mrs. Clarence Hobratschk of Littlefield and Tom Davis of Amherst.

The current game on blue cards offers \$50 to the winner (or winners, whichever the case may be) and the second set of Bingo Bug numbers may be found inside today's issue of the Leader-News. The first numbers ran in Sunday's paper.

Winners in the blue game have until 5 p.m. Tuesday to get their cards checked out, marked, and turned in to the Leader-News office.

MRS. CLARENCE HOBRATSKH of Route 1, Littlefield, accepts her \$50 in Bingo Bucks from John McAnally at McAnally Jewelry, where she picked up her winning purple card. She, along with three others in her family, played 16 cards in the game.

TOM DAVIS of Amherst, right, shows his winning purple bingo card to L.V. Wood at the Frontier Store, where he received the card, while Wood hands him the \$50 in prize money. Davis stated "It's been raining so much, haven't had anything to do but play bingo."

Antique Car Rally Slated

An antique car rally will be held in Littlefield Sunday, Sept. 19, when area enthusiasts will bring their cars to the Community Center and parade down Phelps Avenue.

Johnson of Littlefield will serve as chairman of the event. The rally will begin at 2 p.m. at the Community Center, and a watermelon picnic will be held following the meeting.

Electric Co-op Annual Meet

Directors will be elected to three-year terms at the annual meeting of the Lamb County Electric Cooperative on Sept. 7, at the REA Building. The meeting will begin at 7:30 p.m. and the business session starts at 8:30.

Nominees for district 7 are Charles C. Ivey and Jim Welch are on the slate for district 8. V.D. Hodges, Jr. and B.W. (Bobby) Grant are on the slate for district 9. Incumbents are Charles C. Ivey and Hodges.

The new loan requirements from the Federal Reserve Bank in Washington, D.C. no payment of capital stock will be permitted for at least two years.

There will be door prizes and refreshments will be served.

Ballard Honored

Ballard will be honored tonight at the annual meeting of the Chamber of Commerce, when an appreciation dinner will be served at 7:30 in the Crescent House Restaurant.

MR. AND MRS. QUENTON DOKKEN

Miss Burk Bride Of Quenton Dokken

Before altar decorations of crescent shaped candelabras entwined with greenery, and candle trees with greenery and white lily of the valley Miss Glenda Kay Burk became the bride of Quenton Russell Dokken Saturday evening, August 21, in the First Baptist Church of Odem.

Floyd H. Conner of Odem, minister, officiated for the reading of the double ring wedding ceremony.

Glenda Kay is the daughter of Dr. and Mrs. Glenn S. Burk of Sinton, formerly of Littlefield, and Quenton is the son of Mr. and Mrs. L. R. Dokken of Odem.

The six cathedral windows of the church were decorated with stair-stepped candles standing among fine greenery and white lily of the valley. Nested in the center of each arrangement were two white doves perched upon golden rings. Hurricane lamps marked the three pews, at the front, on either side of the church.

Musical selections were presented by Mrs. Pauline Smith of Odem, organist, and Miss Pam Gilleland of Corpus Christi, pianist; and duets of "We've Only Just Begun", and "One Hand, One Heart" were sung by Don Burk, brother of the bride and Mrs. Debbie Butler of Bishop.

Given in marriage by her father, the bride wore a semi-Empire style formal-length dress of polyester featuring a stand-up collar with an overlay of lace. The matching train was lined with white satin. Satin buttons and an overlay of lace, sculpturing to a point at the waistline, and satin bands above the lace overlay designed the bodice of the dress. Her long full sheer sleeves were gathered to wide cuffs of chantilly lace tapering to a point at the top of her fingers. Lace appliques and chantilly lace edged her long trailing tulle mantilla which was caught to a headpiece of

sculptured lace leaves. Her bridal bouquet was carried atop a tiny white Bible.

Matron of Honor was Mrs. Pam Sewell of Lubbock. Mrs. Debbie Burk of Lubbock, and Miss Marion Tompkins of Corpus Christi attended as bridesmaids.

They were fashioned in Empire waisted floor-length dresses of emerald green featuring full bishop sleeves accented at the cuffs with covered buttons. White satin ribbon was entwined through the lace that enhanced the high waistlines of their dresses. They wore white lace garden hats, and each carried a white lighted candle nested among baby's breath and white lily of the valley.

Sammy Quinn of Odem served the groom as best man. Groomsmen were Curtis Dokken of Odem, brother of the groom, and Joe Marion Sutphen of College Station.

The guests were seated by Wayne Butler of Bishop Tommy Workman of Kingsville, Larry Roach of Odem, and Jerry Seltiff of Corpus Christi.

Candlelighters were Miss Sandra Tompkins and Miss Sarah Tompkins, both of Corpus Christi.

Miss Marla Dokken, sister of the groom was flower girl. She was fashioned to that of the bridesmaids. She carried green and white long-stemmed carnations, which she presented to some of the guests, as she proceeded down the aisle.

Greg Dokken, brother of the groom was ring bearer.

A reception followed in the reception hall of the church. The bride's table was covered with a white lace cloth lined with white taffeta. Center decorations featured a silver candelabra holding three white candles, complemented with the bridal bouquet. The four-tiered wedding cake and punch were served by Miss Patrice Scull of Odem and Miss Ann Andrews of Corpus Christi. Sterling silver appointments were used.

The groom's talbe was laid with a white crocheted cloth lined with white taffeta, featuring a centerpiece of five green candles. Chocolate cake was served by Miss Billie Gilleland of Corpus Christi and Miss Debbie Whiteley of Odem. Others in the houseparty were Miss Judith Tompkins, and Mmes. Annetta Carrel, Beatrice Brown, Billie Schroller, Betty Tompkins, Ida Jo Parsley.

The guests were registered by Miss Terry Mills of Corpus Christi.

For her honeymoon, the bride wore a lime green, long sleeved, street-length A-line dress of polyester crepe with a stand-up collar. The center front panel of her dress was designed with sheer white ruffles edged in tiny white lace. She wore white accessories and a corsage of white roses.

The bride is a 1970 graduate of Littlefield High School. She attended Bee County College in Beeville one semester, and is presently attending Del Mar College at Corpus Christi.

The groom is a 1969 graduate of Odem High School, and attended Del Mar College. He is presently employed by Central Power and Light Co. in Corpus Christi.

Out-of-town guests were Allan Womack of Amarillo, cousin of the bride, Mrs. Darle Roundtree, Mrs. M. J. Davis of Dilley, Arwine Honeycutt of Elkhart, and Messers and Mmes. Charles Sutphen of Floresville, Joe Sutphen of College Station, and M. G. West and family.

The couple will reside at Buena Vista Mobile Home Park, 5115 Up River Road, Space 48, Corpus Christi.

Poodle Grooming Course Offered

South Plains College will again offer a course in poodle grooming beginning Monday, Sept. 21, continuing for six weeks meeting every Tuesday night from 7:30 to 9:30 in Room 2 of the Agriculture Building. Delano Phillips of Levelland will be the instructor. Students must provide their own dogs, but other equipment will be furnished. The cost of the course is \$10.

For further information, interested persons should contact Don Yarbrough, director of Continuing Education at South Plains College, phone 854-4921.

FOOD NUTRITION
In addition to convenience, foods should also be chosen for their nutritive value. Foods represented in the four food groups become the basis for well-balanced meals and the foundation for good health.

Carol Brooks Presides At Sorority Meeting

The Texas Tau Chi Chapter of Beta Sigma Phi sorority conducted their beginning day meeting Sunday, August 29, in the XIT Room of Security State Bank, with Carol Brooks, president, presiding.

The assigned programs and hostesses for the year were

given to members, and plans for socials for the year were also discussed.

Refreshments of cake and coffee were served to those present by Carol Brooks and Kathie Fitzgerald.

Members in attendance were Kathy Eddings, Jane Maddox, Jeni D. Brunson, Mary Lynn Kachanowsky, Linda Merrifield, Renee Williams, Glenda Young, Kathie Fitzgerald and Carol Brooks. Linda House of Shallowater, a transferee, was introduced to members.

The next meeting will be Monday, September 13, in the Flame Room of Pioneer Natural Gas.

Elroy-Risinger Wedding Vows Read

Miss Carolyn Rose and William Michael were united in Saturday evening, in the First United Church in Knox City. J. Foster officiated the ring ceremony with setting of palms. The couple are Mr. B. McElroy of Knox and Mrs. W. R. Bula.

Miss Jacqueline Crowover was maid of honor and her gown was of candy pink organza with white embossed-flowers, featuring an Empire waist, a portrait neckline, and Victorian sleeves. She wore a matching ribbon headpiece, and carried a nosegay of varied shades of pink pompons.

Pat Risinger of Bula served his brother as best man. The guests were seated by Ron and Jimmy Risinger, brothers of the groom.

A reception followed in the Fellowship Hall of the church, where Mrs. Cyle M. Carver Jr. of O'Brien, Jennifer Branch of Lubbock, and Lisa Risinger, sister of the groom of Bula, assisted in serving.

As a 1969 graduate of Knox City High School, the bride attended West Texas State University in Canyon.

The groom is a graduate of Bula High School, and he received a bachelor of science degree in agronomy from Texas Tech University in 1969. He is employed as a soil scientist in the Soil Conservation office at Knox City. The couple will make their home in Knox City following a honeymoon in New Mexico.

KATHY MINYARD, right, and Linda Horn, left, pose with the new Miss Lamb County, Deana Sterling. Miss Minyard is the first winner of the Beta Sigma Phi-sponsored beauty pageant in connection with Littlefield's annual event, and Miss Horn was named Miss Lamb County in last year's pageant. All 18 of the contestants were featured in the big parade down Phelps Avenue Saturday afternoon.

Wedding Vows Pledged In Walters, Okla.

Brenda Morris and Rodney Harris repeated double ring wedding vows Saturday, August 28, in the M. L. Timberlake home at Walters, Okla.

Bennie Henson, pastor of the Church of Christ of Walters, officiated for the reading of the ceremony.

The bride's mother is Mrs. Earl Green of Tulsa, Okla., and the groom's mother is Billie Harris of Littlefield.

Brenda is a student at Walters High School. Rodney is a graduate of Walters High School, and attended Cameron College at Lawton, Okla. two years.

The couple will reside in Walters, Okla., where he is employed as manager of B & C Market there.

BOOKMOBILE SCHEDULE

The High Plains Bookmobile will be in this area on the following dates.

Alton Sheppard Gibson Manager

Gibson's Discount Center has announced a change in management in the Littlefield store.

Alton Sheppard, assistant manager, has been named manager to replace Kenneth Lynch. Lynch has accepted a position with a Gibson chain in Oklahoma as merchandising and advertising manager.

Sheppard who has been with the Gibson chain one year, is married and has two boys, Danny, who attends Abilene Christian College, and Scotty, who is a student at Littlefield High School.

ALTON SHEPPARD

Mrs. Bonnie Brandt Named To 1971 Outstanding List

The director of the national awards program has announced that Mrs. Bonnie Brandt of Friona, formerly of Littlefield, has been named one of the Outstanding Young Women of America for 1971.

Mrs. Brandt and her husband Bill are the parents of three children, Kelley, Kim and Keith. Bill's parents are Mr. and Mrs. E.J. Brandt of Route 1, Littlefield.

All women listed are now being considered for their state's Outstanding Young Woman of the Year Award, presented annually in all 50 states and the District of Columbia by the Outstanding Young Women of America program.

The purpose of the Outstanding Young Woman of America Program is to

recognize young women between the ages of 21 and 35 for their exceptional contributions to the betterment of their communities, professions and country.

Nominations for this national awards program are made by women's organizations, churches, alumni associations, and universities.

A complete biographical sketch of each nominee is included in the annual awards volume "Outstanding Young Women of America," which is distributed nationally as a reference publication. The 1971 edition will be published in November.

Annual Dinner Held At Bula

BULA—Forty seven were in attendance for the 10th Annual Bula School appreciation dinner, sponsored by the Muleshoe Chamber of Commerce, Friday evening in the school lunchroom.

Gordon (Corkey) Green was master of ceremonies. Invocation was given by Jerry Hutton and pledge of allegiance was led by Jimmie Crawford.

Following the meal that was cooked and served by the cafeteria personnel, a welcome was given by Corkey Green with James Sinclair, superintendent of Bula School giving the response. Introduction of the school personnel was given by Superintendent Sinclair, and Jerry Hutton introduced the Muleshoe visitors.

Green introduced Gil Lamb, from Radio Station KMUL, as speaker for the evening. Lamb stressed the fact that "teachers have a high and important task to do. Parents have entrusted their children in their hands for the proper guidance and the child spends more time each day of school with the teacher than with the parent, and you have within your power to do what no one else can do for that child."

He also urged co-operation between parent and teacher.

TTU Coach Baker Speaks To Lions

Art Baker, the offensive backfield coach at Texas Tech University, gave the Littlefield Lions Club a rundown on the weak and strong points of the 1971 Red Raiders at the regular meeting of the Littlefield Lions Club Wednesday.

Three guests, one club guest and 41 members were present at the noon meeting.

Challenged

WHEN ALICE STEPPED through the looking glass in the popular story by Lewis Carroll, one of the oddities she encountered in the strange land was the "It takes all the running you can do to keep in the same place."

Today, law enforcement in America faces a similar dilemma in its fight against crime, except the problem is not a fantasy. The problem is real, and at times we may wonder if law enforcement is doing as well as Alice.

CRIME, like most other problems, has far more causes than solutions. We have today a rising wave of disrespect for the law - not only overt disrespect, but open reluctance and refusal to do the things necessary to make the law effective.

Some citizens tend to withdraw and have nothing to do with issues that do not affect them personally. Civic responsibility and public duty are ignored.

Most persons if questioned, would quickly endorse effective law enforcement, but far too many stand by while police are verbally and physically abused.

SOME MIGHT CALL this era of the bizarre, the eccentric, and the erratic. Regardless of how it may be described, it certainly is an era in which the system of law and law enforcement is being seriously challenged by those who confuse liberty with license, ignore the rights of others, and choose the laws they will obey.

Indeed, it is an era when emotion overrides reason.

MUCH OF THE criticism by troublemakers today is against the so-

called "establishment." Whatever the "establishment" stands for, they are against.

Just how a nation of people is to survive without some type of governmental structure and control, they never get around to explaining.

Rather than seek lawful change and abide by majority rule, they rebel and lash out at all who do not accede to their overbearing demands. Even acquiescence to some of their questionable ultimatums is of no help, for new and more ridiculous demands quickly follow.

SINCE LAW ENFORCEMENT represents the government's first line of defense against violence and disorder, police officers become the immediate enemy of those who want to rule by mob action.

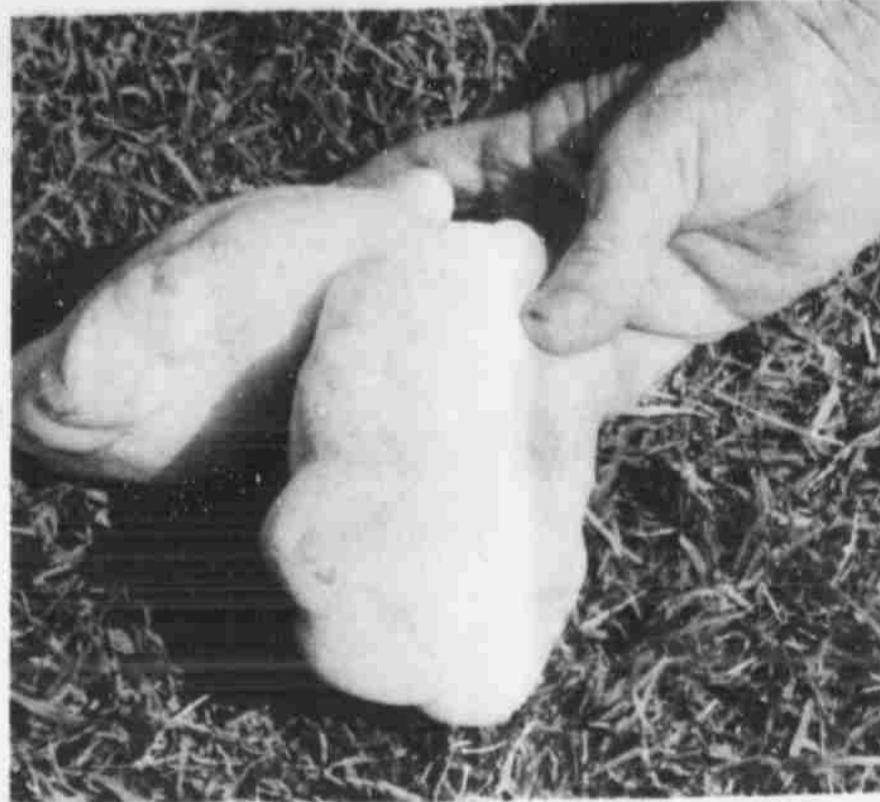

Some groups circulate oral and written instructions on how to injure and kill police. Thus, it is not surprising that more and more officers are being slain.

PRESENT-DAY LAW enforcement is committed to safeguarding the lives and property of the public and protecting the peaceful against violence and disorder.

Our society must progress to the degree that certain and just punishment for the criminal is the rule, not the exception. We cannot settle for less.

To "keep in the same place" in the battle against crime is to lose.

John Edgar Hoover, Director FBI
(Reprinted from the August, 1971 FBI Law Enforcement Bulletin)

A TWIN white squash was found on the Alvin Ray farm at Spade recently. They had a common stem, and each are 5" in diameter.

THE ABUNDANT LIFE

Own Backyard

By BOB WEAR

WE OFTEN OVERLOOK that which is near at hand, because we think that there is something better somewhere else. There may be something better somewhere else, but there may not be.

Regardless, the sensible view is to be sure that we are making the best of what we have in our own back yard.

OUR FIRST OBLIGATION is to do the best we can with what we have. This means that we must accept the responsibility for being fully aware of what is around us.

Our failure to fully explore and appreciate what we have is one of the reasons why so many of us are restless, and discontented. This is not the most satisfactory and rewarding manner of life.

THIS DISSATISFIED feeling is so widespread and so obvious that it has brought forth a well-known adage: "The grass always looks greener on the other side of the fence."

We, if we are wise, soon learn that the grass is not always greener on the other side. One of the greatest human losses in the human drama is in the tendency to be blind to the good with which we are blessed.

SOMETIME AGO there was a news story about an oil man who had gone to another country in search of oil fields; in the hope that he might be able to revive his diminishing fortune.

Not long after his departure, a very productive oil well was brought in on a

piece of land that had once been under his control, and could have been explored by him. The object of this man's search was practically in his own back yard.

OUR TASK is to prepare our minds for full awareness of, and sincere appreciation for the true worth of our present opportunities and blessings. This must include both the actual and potential. This life view does not, and should not, exclude sensible efforts to improve our situation.

The time may come, for some people, when a radical change is in order. This will be the exception, however. Generally, most of us have everything we need for the present; including the means to make improvements wherever indicated.

IF WE SEARCH and work more diligently, we will probably find satisfaction and contentment where we are, with what we have.

We must, at least, explore thoroughly the possibilities and potentials where we are, and in what we are doing. There is more promise in this action than there is in always running after what may not even exist.

MANY OPPORTUNITIES for satisfactory and rewarding living have been overlooked, because of the faulty notion that they must be found in some far away place, in some uncertain future time.

TOO MANY PEOPLE are too busy looking for what they already have in their own back yard.

HOMINY GRITS

By CORNBALL BLEVINS

SURE, I KNOW schools started; don't I have an appointment to get a bathroom in the mornings.

Was observing the teachers of the lower grades, leading their classes in calisthenics a few days back. Couldn't help but feel sorry for those youngsters having to endure all those strenuous exercises.

WE HEAR SO MUCH about the "Floating Dollar". Seems the "Flying Dollar" would be nearer correct.

Just know I must be growing taller. It's getting to be farther and farther to my feet when I put my shoes on in the mornings.

IF YOU REMEMBER when the two dollar bill was common currency, it's later than you think!

Quickly, now; if you had seventeen cows, and all but nine died, how many would you have left?

WE WORRY SO MUCH about air pollution, yet, seem to think nothing of the mental pollution that's so predominant. The guy that doesn't work misses that

good feeling of relief that comes with quitting time.

IT ISN'T THAT I'm not in sympathy with Nixon's plan for the economy. The thing that amazes me is, how does it come about that he, or ANY president has that much power? If he can do this, aside and apart from any action from Congress, we're farther gone than I thought!

We're not hearing much from Ben Barnes these days. Either the new bride is keeping him busy, or, he's payin' out the rope for Preston to hang himself with? -? -?

SPENT ALL THE FIRST part of the summer trying to get some grass started. Now, seems that I'm doomed to fight the stuff all fall.

NOW THAT Festivities Days are over, we wonder if our sewer system is capable of handling' all the shavin's.

Could your frozen wages be called "Cold Cash"?

TROUBLE WITH startin' at the top is, the only way to go is down?

PAUL HARVEY

Hep Hillbillies

"THEM HILLBILLIES is 'mountain willies' now!" What do you want—good grammar—or money?

Sophisticated singer Vic Damone, filing bankruptcy, complained that he'd received "bad income tax advice" and that he had "been duped into signing" somebody else's bank note.

"UNFORTUNATELY, I put considerable trust in people who took advantage of my position, both socially and financially."

Says he hopes "the public will understand."

THROUGH THE TAX courts have been passing an endless procession of fallen stars: Mickey Rooney, Dick Haymes, Walter Matthau. It's almost become axiomatic that the performer is a bad businessman.

Yet notable exceptions to this rule include many of those country musicians.

MILLIONAIRE Gene Autry is the classic example.

It's only a slight exaggeration to say that Eddie Arnold owns "half the real estate in Nashville."

Other country music millionaires include Marty Robbins and Webb Pierce.

ROY ACUFF and his astute wife have a private mint.

Buck Owens owns three radio stations, among other holdings.

Porter Wagoner lives modestly but had the means to loan Jimmy Dean \$1 million cash to start that sausage factory.

THE OVERSIZE EGOS of some show business limonaries lead them to believe their own press agents. They imagine all that income is appropriate to their immense talent. And they are inclined to forget "all the taxes."

It even happened to such stars of the first magnitude as Ethel Barrymore who

was finally allowed by the courts to settle her huge tax debt for one dollar.

It's happened to a procession of rock entertainers whose careers ended in bankruptcy, suicide.

WHILE THE SUPERSTAR home country music, Loretta Lynn, the whole town of Hurricane, Miss., and resides in its most prestigious mansion.

Bill Anderson owns his own publishing company.

Johnny Cash's business affairs managed in recent years by the ensure for him lifelong comfort.

A PREVIOUS generation of musicians did not discipline themselves. Red Foley and Hank Williams consumed by their excesses.

But today's writers and composers country classics and hillbilly ballads learned and profited from the experience of their predecessors.

MINNIE PEARL, though her recent venture into franchise remains rich. Her husband's finances. Their Nashville home alongside and comparable to the nor's mansion.

Porter Wagner is modestly getting rich. Conway Twitty's extensive include oil, real estate, a company, a fleet of executive

CHARLEY PRIDE was a man before they let it be known he's Now he's a superstar, a guy, an effective bridge-builder the races—and he remembers tax man first.

I've not yet figured it out fascinated by the way country who make a profession of some make a practice of being real.

Festivities Days . . .

Continued from Page 1

Gallegos and Kynda Walker coming in second and third respectively.

Russell Giles was first place winner in the boys' first and second grade bicycle race. Taking second place was Tracy West, and George Brockington came in third.

In the girls' race, Crissy Mixon won first place, Elizabeth Patton was second and Suzy Moreland was third.

Cotton Research Program Plans Formulated

Cotton producers on the Board of Directors of Cotton Incorporated formulated plans in Dallas Aug. 23 for 1972 agricultural research supported by the \$1-per-bale program.
The Agricultural Research Committee concentrated research efforts on the bollworm-budworm complex, boll weevil eradication, cotton stands, and yield and quality improvements.
"Cotton Incorporated (formerly CPI) is owned, controlled, and operated by cotton producers," J. Dukes Wooters, Jr., executive vice president and general manager, stated.
"This was in evidence today as cotton producers called the shots on the type program to be conducted. This research is designed to help alleviate the growers' cost-price squeeze by increasing their profits through research aimed at greater efficiency, limited pest problems, and increased yields."
Dr. George Slater, manager, entomology research, pointed out how specific projects on the many facets of the bollworm-budworm complex will be linked together for a major effort at controlling these destructive pests.
He said, "Coordinated efforts designed for determining basic information on behavior of the bollworm and budworm are under way. This information is necessary for more effective control measures and for possible large-scale suppression of the bollworm-budworm."
Improved cottonseed quality, added precision in seed placement, and more effective timing in planting operations

Texas Book In Re-Print

Things move so fast in publishing business these days that a book once published and promoted, then the publisher's list, thus, many are available in bookstores too short a time unless bought secondhand premium, from a dealer.
A case in point is a person account of the fighting in the Texas independence from "Tall Men With Long James T. Deshields.
This book, originally published and now being brought back by the Naylor Company reprint edition.
Because there were reporters covering war, 36, it is fortunate for collectors of Texas history in the Texas Revolution of the longest living veterans, was able to dictate his recollections.

requested brand is not available.
The applications will be held in the Clerk's Office and will be recorded in the bound book on August 30, 1971, or as soon thereafter as possible. The date of the application shall be the date considered for the "first-come" basis.
The Applications To Registrar Marks and Brands may be obtained at the Lamb County Clerk's Office and the staff will be happy to assist in completing and filing the Applications.

Wildcats Tabbed As 3-AA Contender

3-AA coaches are solidly on the bandwagon this fall. They also are one of the biggest scraps in the district to develop over who gets to be near the top in the coming season.

Unit, however, is Floydada, in the hands of the coaches.

Of the eight 3-AA schools voted for their foes, and Floydada came in seven first-place ballots. Rest of the race shows to be a close affair.

Of seven points for first place, the Whirlwinds came in with 33, Dimmitt with 30, Lockney 24, Friona 12 and

performers last year, and all except nine have graduated.

Two members of last year's high-octane backfield return, but only one offensive lineman, 210-pound center Kim Rose, is around.

The backfield aces are speedster Walter Harris and 180-pound Van Mitchell. Expected to fill in at fullback is a 205-pounder, Jim Kunkel.

With a rebuilding job in front of him, Wilson must be ready for opening of district play Oct. 1. The championship scrap will not take place until Nov. 5, however, if the coaches are correct. That is the date of the Littlefield-Floydada battle in Littlefield.

Wilson has been at Floydada for seasons, and he has guided the team to two straight championships.

Last year's winning unit, Wilson has three offensive and three defensive starters. Floydada lettered 35

THE WILDCATS of Littlefield will be out to reverse the 1-9 record of 1970. Trying to lead that turnaround is new coach Jerry Blakely, who arrived last spring after two seasons at Olton.

Blakely replaces Deverelle Lewis, who sustained a severe heart attack during the

1970 season and had to give up his coaching duties later.

Offensive and defensive regulars abound, but speed is lacking, in Blakely's estimation. The plus side shows six offensive and seven defensive starters from last year's team.

For size up front, Blakely has 210-pound Danny Estrada, moved to the line after playing fullback last year.

Dennis Hartley (175) and Ralph Funk (195) could shoulder most of the running chores this season.

Littlefield can finish from first to sixth and make some district coach a successful prophet, since it was picked in that range.

ABERNATHY bids for a high finish with 15 lettermen returning from last year's 6-4 team. Coach Luke Nickerson can count six offensive and defensive holdovers, as only seven lettermen departed via graduation.

Experience shines in the line and at quarterback for the Antelopes. The veteran talent up front shows tackles

Ruwayne Struve (215 pounds) and Steve Phillips (190), and guard David Lovelace (195). Jackie McLaugh, a regular last year, has been shifted from tackle to center in spreading the experience.

Expected to quarterback the Antelopes is Dave Davenport, who held that position last year. With Davenport handling the passing chores, coach Nickerson will lean on returnees Bobby Rogers and Johnny Hemphill for ball-carrying work.

DIMMITT looks to four offensive and five defensive returnees from last year's 7-3 team. Coach Brown L. Smith is having to revamp his attack, however, after a wave of losses via graduation, transfer and academic problems.

The Bobcats' bright spots up front start with 120-pound Pat Barrios and 190-pound Hollis Annen.

Key to the ground-gaining game is 153-pound Daniel Frierson, who led the Bobcats in rushing and scoring last season.

BLAKELY left behind one of the South Plains' best passers when he moved from Olton to Littlefield. Back for one more season is Steve Stockdale, who has terrorized the district for two seasons with his accurate passing.

To complement the passing, Olton coach Ray Kinnison will look to 206-pound Keith Workman and 190-pound Marlos May for a solid ground attack.

The offensive line concerns Kinnison, however.

LOCKNEY comes into the season loaded with talent and experience, too, and coach Jerry Cannon has 14 lettermen available for building purposes. In that group Cannon has eight offensive and ten defensive starters.

The backfield corps has Pat Bennett (180) at fullback and Charlie Mathis (170) at tailback. The line will be aided by the work of Dan Smith and Mike Dietric, a pair of 6-4, 220-pound tackles.

GRADUATION hauled away all except eight of coach Bob Owen's lettermen at Friona, and a rebuilding project is under way. Returning are two offensive and three defensive starters from last year's team which won six games. Quickness will help, but Owen must pick up experience in a hurry.

Johnny Bandy could start at quarterback, with two-way ace Bill Bailey (185) rating as the top ground-gainer.

DOUG REED steps in as new coach at Morton and has seven offensive and defensive starters available for his initial season.

In the backfield, experience abounds, in the form of quarterback Keith Embry, and runningbacks Elton Patton (180), Larry Thompson (155) and Kevin Kuehler (180). Reed's principal project early is in developing a line to spring the swift and experienced backs.

HALLAIR, right, is the new head football coach at Littlefield this year. Coach Allair and his assistant, Charles Addington, line up with 13 of the 16 boys coming out for the 8-man 3-B grid squad.

FIRST SCRIMMAGE

Whitharral's Eight Rated High In 3-B

Whitharral finished in the cellar last year with no way to go but up, the team is already on their way with a victory over Patton Springs in a controlled game.

The morale of the team is new coach Ralph Allaire. Allaire coached at 1-AA Spearman where he had a 15-9 over-all record.

Whitharral has a number of lettermen this year, including several who are seniors.

Allaire feels the Panthers should come in first or second in District 3-B.

Others to watch are Freddy Forbus, junior end; Bud Reding, sophomore offensive center; and Benito Lopez, sophomore back.

GOOD PRACTICE SESSIONS

Cats Bounce Back

The report from the Littlefield Wildcat training camp is short, but sweet: "We're showing some improvement," Coach Jerry Blakely told the Quarterback Club Tuesday night. Blakely said he felt the team had bounced back from its showing against Tahoka last Friday.

"We didn't hit well in the scrimmage and I was disappointed in that. I don't mean everybody—all the time, because we did have some boys make fine individual plays. But we're looking for all-out effort, every play and we didn't have that."

The Wildcat coach called the practices of Monday and Tuesday this week "the best we've had since the first three days of two-a-days."

"We're not a good football team right now—nowhere near it—but I think we will

PARTNERSHIP TOURNEY SET

Littlefield Country Club's annual Labor Day Partnership is scheduled Saturday and Sunday with about 40 teams expected to compete.

Play will begin Saturday at 9 a.m., when teams with low handicaps of 10 or more will tee off. Teams with low handicaps of less than 10 will start play at 2 p.m.

Entry fee is \$40 per team and entries will be accepted through Friday by Babe Vanlandingham, club professional.

Neil Duffy's Late Charge Wins Club Championship

A late charge by Neil Duffy on the final nine holes gave the Amherst golfer the championship of the Littlefield Country Club members' tournament Sunday.

Duffy succeeds Smiley Monroe, the Anton banker who copped last year's crown.

Monroe went into the final nine holes with a two-stroke lead over the field, but ran into a bogie binge as his short game went sour.

Duffy's fine final nine, a one-over 36, closed the gap with some to spare, as he nipped Dale Weaver and Dick Vanlandingham by one shot and Monroe, Lloyd Jaquess and Alvin Webb by two.

The key to the win probably was a birdie three at the 16th hole. It gave Duffy the lead for keeps.

Vanlandingham took the second place spot over Weaver in a playoff that went five extra holes. Weaver's shot into the water on hole number 23 cost him second.

While Duffy's total of 150 copped the championship flight, a 154 by Wiley Cawthon won the first flight, edging Sudan's Radney Nichols by two strokes.

Dale Walthall won the second flight by four strokes, carding a 168 over the 36-hole distance.

Arthur Duggan shot a pair of 85's for his 170 total to win the third flight.

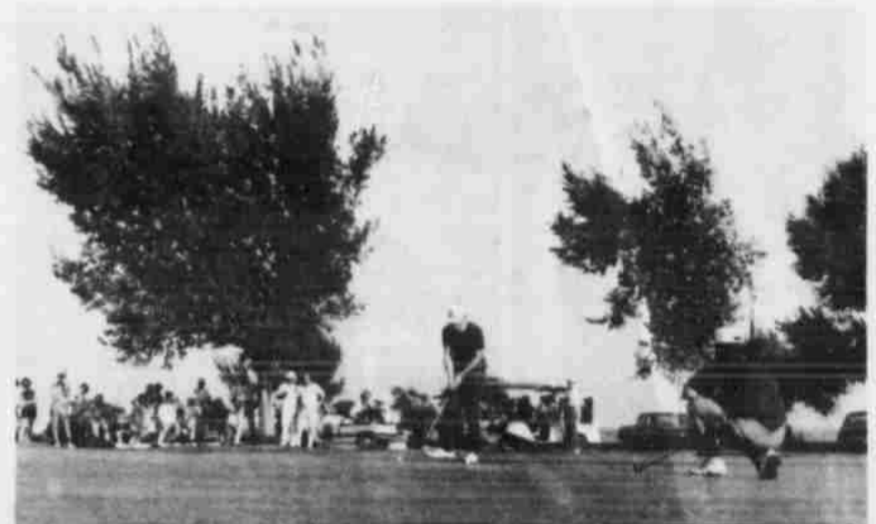

Trophies were awarded to first, second and third place winners.

Individual scores:

CHAMPIONSHIP FLIGHT	
Neil Duffy	150
Dick Vanlandingham	151
Dale Weaver	151
Lloyd Jaquess	152

Clayton Cowan	205
Earnest Mills	207
Donald Cowan	212
Wayne Cowan	221

IT SHOWS IN THEIR FACES...Champion Neil Duffy, left, is enjoying the winner's circle as he's congratulated by Doc Bowman, far right. Ken Johnson, foreground, is a picture of grim determination after a rough day in the second flight. However, there's always next year, when the expressions will be the same, but the faces will change.

NEIL DUFFY taps in for a par at 18 and the championship of Littlefield Country Club as a gallery looks on Sunday afternoon. Duffy shot 150 over 36 holes and nipped Dale Weaver and Dick Vanlandingham by one shot.

RIDING CLUB trophy winners in the Festivities Days parade Saturday afternoon included the Lamb County Sheriff's Posse, second place, represented by David Thompson; the Friona Riding Club, first place, represented by Sheena Hatley and Howard Love; the Lubbock Rangers, first place in the junior division, represented by Susie Pope; and the Hockley County Rawhide Riders second place, represented by Sandy Smith and Marla Tugwell (holding the trophy).

THE BIGGEST LIARS in Littlefield Saturday afternoon were Charles Addington of Whitharral, Cliff Smith and Henry Sizemore. Each received a certificate for membership into the Liars Club of West Texas. Winning in the junior division was Jimmy Avery.

WHITHARRAL'S CHARLES ADDINGTON

'Fibber' Does It Again

The "Biggest Liar Contest" winner Saturday was a repeater of the year before. Not only did Addington tell the biggest whopper, but there was no contest when it came to literal size.

The 6'1", 256-pound

Whitharral band director had his own cheering section, too, with the 57-piece Panther Band whistling and cheering Addington to first place as he did a first-person version of Jerry Clowery's "Marcell's Talking Chain Saw."

FHA Loan Volume Large In Texas

J. Lynn Futch, Texas State Director of the Farmers Home Administration, has revealed that the agency extended credit to rural Texans in the amount of \$155,456,817 during the 1971 fiscal year ending June 30.

This credit was provided to farmers and rural residents through the many loan programs administered by the agency with rural housing leading the way with \$72,302,433.

Loans for community services facilities such as rural water systems and sewer systems totaled \$24,205,192.

Credit extended to individual farmers and ranchers for operating expenses, capital purchases and land purchases

total \$38,949,172. This was the largest yearly volume of loans in the history of the organization, which has as its overall mission the development of rural areas.

Futch said that he was also pleased that there was a sizeable decrease in the percentage of loan delinquencies as compared to previous years.

Due to the severe drought in the spring and summer of this year, it is expected that the demand for emergency credit to farmers and ranchers this fall and winter will substantially increase the volume of farm loans in fiscal 1972, with all other programs also expected to be expanded.

The program is administered in Texas through 144 county offices and the state office in Temple.

South Plains Fair Tickets On Sale

Premiums totaling \$2,000 are being offered again this year to competitors in the Panhandle South Plains Fair's rabbit show, one of the largest in the Southwest.

Judging for the show is scheduled to begin at 8:30 a.m. Oct. 1, fifth day of the six-day exposition that will be unreeled its 54th edition beginning Sept. 27.

In addition to the rabbit show, all variety pigeon and bantam shows also are scheduled.

Show officials include Howard Galloway, superintendent; C. H. Kolb, assistant; Kenneth Smith, secretary; Walter West, assistant secretary; and C. D. Dillard, night watchman.

The show is under the auspices of the South Plains Rabbit Breeders Association headed by Ernst Jordi.

Prizes will be paid in the following classifications: for breeds maturing at eight pounds and over, pre-junior (under 3 months and under six pounds); junior class (under 6 months); intermediate class (6 to 8 months); and senior class (over 8 months).

For breeds maturing at less than eight pounds; juniors (under 6 months), seniors (over 6 months), meat pen (three rabbits, under 69 days old and not weighing more than five pounds); doe and litter of four to eight young (5 to 8 weeks old).

Fur classes will be provided for normal white, normal colored, white satin and colored satin, white rex, colored rex and

breed fur. Special prizes include cash awards for best display (three places), largest entry (two places), best normal white fur, best normal colored fur, best white satin fur, best colored satin fur, best white rex, best colored rex and best in show.

Sweepstake awards also are planned.

Youths 9 through 18 are eligible to compete in the junior division.

Entries should be postmarked by midnight Sept. 16 and should be addressed to Kenneth Smith, Box 33, Hurlwood, Texas 79328.

Information and entry blanks for the rabbit show and pigeon and bantam shows are available at the fair office, P. O. Box 208, Lubbock, Texas 79408.

A big coliseum show has been scheduled for this year's fair. It includes Tennessee Ernie Ford on the opening three days, an all-star Mexican variety show on Thursday and Merle Haggard, Bonnie Owens and the Strangers on Friday and Saturday.

Tickets are priced at \$2.50, \$3.50 and \$4.50. All seats are reserved. Tickets purchased prior to the fair opening will be accompanied by free gate admission passes.

WHIPPED CREAM

Start with a chilled bowl if you're planning on whipping cream. Cream is easiest to whip when the bowl is chilled between 35 and 40 degrees F. Whip cream rapidly, but don't overwhip.

Defoliation Used In Area

Producers in many states may want to use a defoliant this year due to weather and more of the same. Defoliant may be the year for a more harvest," points Elliott, cotton Extension Service. Defoliant will cause the leaves to drop, thus green bolls to light faster rate. Defoliants are used with insecticides while used with cotton

Nursing Student Scholarships Are Available

A \$20,000 appropriation for nursing scholarships has been released by officials at West Texas State University. In October 1969 when the Coordinating Board Texas College and University System approved a Baccalaureate Program at West Texas State University, it was projected that 40-50 students would enroll the first year (August 1971).

At the completion of registration on Aug. 28, 100 students had enrolled in the newly established Baccalaureate Degree program in nursing.

Scholarships have been granted to ten students and others will be awarded as soon as the scholarship applications are processed.

Freshmen nursing students at West Texas are from New Mexico, Oklahoma, and Kansas. Twenty-five Texas towns within the west Texas region are represented. There are 25 students from Amarillo and five from Canyon.

A number of men are enrolling in the program as nursing, traditionally a woman's field, is increasingly recognized as a most advantageous profession for men.

Journalism Night Class Available

South Plains College will offer a night class in journalism for the first time this fall, according to Don Yarbrough, director of Continuing Education at the college.

Jim Cooper, journalism instructor, will teach the class each Monday and Wednesday night from 8:40 to 10 p.m. in Room 3 of the Administration Building.

Yarbrough said the class is open to anyone with a high school diploma and should be especially attractive to area newspaper staff members who want some academic instruction to go with their practical experience. Students may register for the class through Sept. 3.

The course will emphasize newspaper reporting but will include basic instruction in other mass communication media.

Students will gain practical experience in several phases of mass communication, and will be able to observe these media first hand through field trips and guest lectures.

Interested students may contact Yarbrough at his office in the Technical Arts Building, or inquire at the registrar's office.

KIM TERRY, 7, Jackie Denise Houk, 6, and Gregory Houk are among parade watchers who lined Littlefield sidewalks Saturday. Kim's parents are Mr. and Mrs. J.G. Terry, and Mr. and Mrs. Kenneth Houk are the parents of Jackie and Gregory.

Nell Hobbs Guest At TOPS

Nell Hobbs, area supervisor, was guest at the Be-Little TOPS Club meeting Tuesday evening, August 31, with Hazel Davis, chairman, presiding over the meeting.

Sixteen members and seven visitors were present for the meeting.

Virginia Nicholas took the honors of queen for the week with a 3 1/4 lbs. loss. Runner-up was Mildred Smiley with a 3 lb. loss. Loss for the week was 12 1/2 lbs.

Secret pal cards and gifts were distributed, followed by the making of corsages for ARD.

MRS. LULA HARLAN has been a patient in the Amherst Hospital for the past ten days.

REV. DAVID BURUM, pastor of the Fieldton Baptist Church, will be the speaker for a three day revival for the Bula Baptist Church, Sept. 17 through 19. James Sinclair will conduct the song service. The local pastor, Rev. Ronnie Green, will be assisting in the work.

JOHN DAVID HARLAN celebrated his second birthday with a party at the home of his parents, Mr. and Mrs. Nolan Harlan, Monday, August 23. Games were played and John David received several gifts. The group sang "Happy Birthday" to him and refreshments of ice cream and birthday cake were served. To help him celebrate the occasion were his grandmother, Mrs. Mary Britt of Amherst and his sister, Ann Harlan. Also Jackie, Jodie, Carla, Jeff and Jarod Withrow.

"American farmers stand to benefit from the actions announced by the President to combat inflation, to spur the competitiveness of the U. S. economy, and to improve our foreign trade and monetary position," Secretary of Agriculture Clifford M. Hardin said this week in a bulletin to Lamb County farmers.

"Farmers will benefit by the actions taken to fight inflation. The cost-price squeeze is the number one problem facing American farmers. Therefore, we strongly welcome the actions taken."

"Secondly, the steps announced to spur investment in equipment and to reduce taxes are designed to bolster our own domestic economy and make jobs. These will provide stronger markets for our own producers."

"Finally, the action taken to impose a temporary surcharge on imports and the withdrawal of gold support from the dollar are comparable to what other countries have done in similar balance-of-payments situations and, as anyone concerned with agriculture knows, the use of variable levies by some countries to protect agricultural systems constitutes permanent border protection which should be of far greater concern to the world than temporary surcharges."

"I hope that as our friends abroad digest this series of actions they will recognize that the President is saying that all of us need to find better solutions to our trade and international monetary problems. Obviously, American agriculture could make a much stronger contribution than it already has to our balance-of-payments problem if other countries of the world would admit more of our farm goods."

AMHERST

Mrs. Lester LaGrange 246-3336

MR. AND MRS. W. E. Blume took his grandparents, Mr. and Mrs. Harry Phelps to visit relatives and friends in Monitou, Okla. over the weekend.

Farmers Union To Hold Meet

District 2 of the Texas Farmers Union will hold a meeting in Lubbock at the Plains Cooperative Oil Mill, 2901 Avenue A, Friday, Sept. 10, at 12 noon.

State President Jay Naman, Vice President Joe Rankin and director of organization Kenneth Moss will attend the meeting.

Program discussion will include:

1. Current agricultural activities at the state and national levels.
2. Development of plans to reach the individual county and district membership goals as well as the state goal.

All county officers and board members are urged to attend this important meeting. The ladies are particularly encouraged to attend.

WATCH CHILDREN
Parents should keep a watchful eye on children when in or near the water. More than half of all pool drowning victims are youngsters under the age of ten. An unattended small child can quickly get into big trouble.

Mrs. Abernathy Is Honored

The Ruth Sunday School Class of First Baptist Church of Littlefield had a breakfast in the home of President Mrs. Dewey Hulse Tuesday, August 23, in honor of their retiring teacher, Mrs. J. S. Abernathy.

Mrs. Abernathy has been class teacher for the past five years. The class presented her with an antique bronze candy jar.

For their social hour, the Ruth Class has about one break-a-month.

"It's not for me. It's for my plants!"

GM's answers to your questions about the automobile excise tax.

THE PRESIDENT OF THE UNITED STATES, IN HIS ADDRESS ON AUGUST 15, RECOMMENDED TO CONGRESS THAT IT REPEAL THE EXCISE TAX ON PASSENGER CARS EFFECTIVE AUGUST 15.

What is the excise tax?
The excise tax on cars is a 7% Federal tax imposed on the wholesale price of the car and is included in the manufacturer's suggested retail price as shown on the price label on the car.

Who will receive the refund if the tax is repealed?
If Congress follows the recommendation of the President, GM will pass along the full amount of the reduction to purchasers who took delivery of a General Motors car between August 15, 1970 and August 15, 1971.

Who will pay the refund?
General Motors will pay the refund to you, if possible, if the tax is repealed. Then GM will seek reimbursement from the government.

What will you have to do to collect the refund?
Your dealer will furnish General Motors the names and addresses of purchasers who qualify for the refund. We will then arrange for the refund directly with you.

This is an excellent time for you to see us about a new 1971 GM car. Call for a prospectus or visit our dealers.
